Admission to Andrews University is available to any student who meets the academic and character requirements of the university and who expresses willingness to cooperate with its policies. Because Andrews University is operated by the Seventh-day Adventist Church, the majority of its students are Seventh-day Adventists. However, no particular religious commitment is required for admission; any qualified student who will be comfortable within its religious, social, and cultural atmosphere may be admitted. The university does not discriminate on the grounds of race, color, creed, disability, national or ethnic origin, sex, marital status, or handicap. On request it makes available to the public its annual financial report. To obtain a copy, contact the Office of the Vice President for Financial Administration at the address below.

Every effort has been made to assure the accuracy of information in this bulletin. Students are advised, however, that bulletin provisions do not constitute a contract between a student and Andrews University and that attendance at Andrews University is a privilege and not a right. The university faculty and administration reserve the right to make and give public notice of such changes as deemed necessary during the period for which this bulletin is in effect.

Please contact the appropriate personnel for information pertaining to schools, departments, programs, and courses. For all other bulletin inquiries you may contact the Assistant Registrar for Publications & Communication in the Office of Academic Records by email at bulletin@andrews.edu or by phone at (269) 471–3233.

Volume 110

POSTMASTER: Send change of address P.S. 3579 to Andrews University Bulletin, Andrews University, Office of Admissions, Berrien Springs, Michigan 49104.

**COURSE NUMBERS**

- **Non Credit** Below 100
  - Courses enabling the student to qualify for freshman standing
- **Undergraduate Lower Division** 100–199
  - Courses usually taken during the freshman year
- **Undergraduate Upper Division** 200–299
  - Courses usually taken during the sophomore year
- **Graduate Level** 300–399
  - Courses usually taken during the junior year
- **Graduate Level** 400–499
  - Courses usually taken during the senior year – Approved courses also open for graduate credit
- **Graduate Level** 500–599
  - Courses for graduate students – Approved courses also open for undergraduate credit
- **Graduate Level** 600–699
  - Courses for graduate students only
- **Graduate Level** 700–999
  - Courses for post–masters students

### Andrews University Mission Statement

Andrews University, a distinctive Seventh-day Adventist Christian institution, transforms its students by educating them to seek knowledge and affirm faith in order to change the world.

**ANDREWS UNIVERSITY UNDERGRADUATE INSTITUTIONAL OUTCOMES**

- Seek Knowledge
  1. Demonstrate competence in intellectual, affective, and practical skills to prepare for careers in the twenty-first century, lifelong learning and service.
- Skills for undergraduate students are: information literacy, quantitative literacy, engaging diverse perspectives, ethical reasoning, analytical inquiry in the form of problem solving and creative thinking, communication, wellness and transferable life skills.
- Pursue enduring questions through study in core fields and explore the connections between those fields.
- Core fields for undergraduate programs are the Humanities, the Arts, the Natural Sciences, History, the Social Sciences, and Mathematics.
- Affirm Faith
  1. Articulate a biblical worldview to interpret life, learning, and civic responsibility from a Seventh-day Adventist perspective.
- Examine and practice moral, intellectual, and theological virtues that reflect God’s loving character.

**ANDREWS UNIVERSITY GRADUATE INSTITUTIONAL OUTCOMES**

- Seek Knowledge
  1. Demonstrate competence at an advanced level in a range of transferable skills such as information literacy, critical thinking, quantitative literacy, research methods, team work, engaging diverse perspectives, ethical reasoning, and effective communication.
- Achieve a comprehensive and critically-aware knowledge of a major discipline with appropriate specializations and appreciation of how the discipline relates to other fields of study; and, at the doctoral level, contribute to the applied and/or theoretical knowledge in that field.
- Affirm Faith
  3. Critique or enrich from a Seventh-day Adventist faith perspective key ideas, techniques or methods at the forefront of the field of study.
- Examine and practice moral, intellectual, and theological virtues that reflect God’s loving character.
- Change the World
  5. Operate autonomously in complex and unpredictable contexts to address needs of diverse communities using advanced skills and knowledge from one’s discipline in a manner consistent with Christian thought and practice.

### Frequently Asked Questions About Institutional Outcomes

**What are institutional outcomes?** Institutional outcomes are broad statements which represent the values of an institution. They help shape and inform the academic culture of an institution and decide the type of graduate profile an institution aspires to have. They are achieved by the collective experiences offered to students which include courses, co-curricular activities, student services, and other educational experiences. There is an expectation in higher education and by our regional accreditation (The Higher Learning Commission) that Andrews University has institutional outcomes which are used in the assessment process and are known to all programs.

**Does Andrews University currently have institutional outcomes?** Yes, Andrews University currently has 14 institutional outcomes (sometimes referred to as “goal statements” which can be found through this link andrews.edu/about/mission). These outcomes guided the assessment and program review processes since they were created. In order to have a more engaged culture of assessment, known and implemented common goals across programs, the Faculty Senate in collaboration with the Office of Institutional Effectiveness updated, modified, and articulated a set of reduced and improved learning outcomes. These outcomes have been referred to as the AU Unified Framework of Outcomes (AU UFO) since the process began. Moving forward, we will refer to these outcomes as Institutional Outcomes.

**What is the relationship between the course, program, and institutional outcomes?** Institutional outcomes are grounded on the university’s mission. They focus on the abilities, knowledge, and skills that students develop from their engagement in the university experiences including courses, co-curricular activities, institutional activities (for example Change Day), student services, and other experiences. Institutional outcomes provide guidance to program directors and departments for the development of program outcomes. Program outcomes are mapped to the institutional outcomes and show how students achieve institutional outcomes in that academic program. Program outcomes emphasize the specific knowledge, skills, and dispositions students can expect to achieve upon completion of a particular course of study. Course outcomes articulate what students will know and be able to do as a result of taking the course. Course outcomes are more specific than program outcomes. They are mapped to the program outcomes, and can be thought of as building blocks to help students achieve program outcomes.

**Why do we do assessment?** Andrews University believes that assessment of student learning is an integral part of good educational practice. The ultimate goal of assessment at Andrews University is the improvement of student learning. (andrews.edu/services/effectiveness/assessment)

**What are the hallmarks of a good assessment plan?** Good assessment shows students’ strengths and weaknesses so that support can be provided in the areas that will help students achieve the learning outcomes. Thus, a good assessment plan includes both formative and summative assessment. Typically, formative assessment is done in courses; however, it is helpful to include one or two program assessments at key checkpoints in the students’ educational journey. A good assessment plan involves all program faculty in discussions about student achievement of program outcomes, and decisions on how to improve student learning.

**Are institutional outcomes, program outcomes, and course outcomes measured separately?** Not necessarily. Assessments of program outcomes are often integrated in signature (or key) assignments near the end of students’ coursework, or at major checkpoints. Examples of how program outcomes are measured include capstone courses, final projects, presentations, portfolios, research, and practicums. In some cases, program assessments include discipline-specific standardized or license exams. When program outcomes are clearly mapped to institutional outcomes, the results of program assessments provide evidence that institutional outcomes are achieved. These results can provide particularly compelling evidence when the same measurement criteria are applied in different programs, such as a common rubric for master’s theses. Institutions may also use nationally normed tests or surveys (e.g., senior survey, alumni survey) to verify that institutional outcomes have been met.

### The University

Andrews University dates back to 1874, when the Seventh-day Adventist denomination founded Battle Creek College in Michigan. In 1901, the institution was moved to Berrien Springs, Michigan, including the K-12 program, and given the name of Emmanuel Missionary College. The Seventh-day Adventist Theological Seminary was organized in 1934 as the advanced Bible school on the campus of Pacific Union College in Angwin, California. Two years later the General Conference of Seventh-day Adventists voted to locate the advanced Bible school on a more permanent basis in Washington, D.C., and named it the Seventh-day Adventist Theological Seminary. In 1957, the Board of Trustees enlarged the scope of the seminary by establishing a school of graduate studies for graduate programs other than theology, and named the merged institution Potomac University. A new and larger site was sought to accommodate the expanded university.

In 1959 the university moved to the campus of Emmanuel Missionary College at Berrien Springs, Michigan. In 1960, Emmanuel Missionary College, the Theological Seminary and the School of Graduate Studies were united under one charter bearing the name of Andrews University. In 1974, the college section was reorganized into the College of Arts and Sciences and the College of Technology. The College of Technology was dissolved in 2011 and its academic programs were
redistributed into other existing schools. The School of Business Administration was organized in 1980, the School of Education was established in 1983, and the School of Architecture was organized as such in 1994. The role and function of the School of Graduate Studies was substantially altered in 1987. In 2010, Andrews University assumed ownership of Griggs University, which was reorganized as the School of Distance Education, to support distance education and educational programs offered at locations across North America and the world. Because of the many international partnerships, the school was renamed as the School of Distance Education & International Partnerships. In 2012, five departments housed within the College of Arts and Sciences together became the School of Health Professions.

In 2019 the university made several changes to consolidate operations, maximize resources, and align academic programs and units for synergy and growth. The School of Education and the School of Distance Education & International Services merged to become the College of Education and International Services. The School of Architecture joined the School of Health Professions in the College of Health and Human Services. The new College of Professions includes the School of Business Administration and the departments of Aviation and Computing.

Accreditation
Recognizing that students benefit from studying at an accredited institution, Andrews University is accredited by the Higher Learning Commission1 for programs through the doctoral level, as well as by the Adventist Accrediting Association of the General Conference of Seventh-day Adventists. Professional organizations have accredited specific degree programs of the University and other programs are moving toward accreditation. (Please see the complete listing of university accreditations, approvals, and memberships.)

Quality Academic Programs
The high quality of the global educational experience at Andrews University is evidenced by its national university rankings, including a number of Top Ten rankings in ethnic and international diversity, and by the university’s inclusion in Forbes’ Top Colleges, Wall Street Journal/Times Higher Education College Ranking and US News Best Colleges. Its strong undergraduate honors program attracts such outstanding students as National Merit Finalists, secondary-school valedictorians and others with outstanding secondary-school achievement.

Andrews provides a carefully designed advising program to help students make sound career choices. Undecided students can fulfill General Education requirements and learn practical skills through a variety of courses while they explore career options.

Students also develop skills for post-graduation employment. They develop those skills through practice teaching, career practica, cooperative work-study programs with businesses and corporations, or clinical rotations in health-care settings.

Students wishing to increase their academic success will benefit from comprehensive assessment of academic learning styles and skills, courses in reading, writing, and math tutoring services (see Student Success and UCRLA).

1 The Higher Learning Commission

International Opportunities
Each year, students from 80–100 different countries enroll at Andrews University. More than 20% of the students come from other countries. This places the university among the national universities in U.S. News and World Report’s annual report with most international students. One experiences the reality of a global village while attending college.

International students who wish to immerse themselves fully in American culture may enroll in the Action America program on the Andrews campus.

International education opportunities include study abroad, study tours and short-term service learning opportunities abroad.

Academic Resources

Agriculture Education Center
agriculture@andrews.edu
269-471-6006

Andrews University has a more than a century of leadership in the field of agriculture in the Seventh-day Adventist church as well as in the local southwestern Michigan region. The Agriculture Education Center is re-purposing the buildings and lands of the former Dairy into a facility that is wholly dedicated to student learning through hands-on animal and plant management skills development and research projects which test hypotheses, inform actions, and contribute to developing knowledge in a field of study. Students and faculty from academic departments across campus collaborate with their counterparts in the Department of Sustainable Agriculture to advance their scholarship while utilizing this resource which is unique in Adventist higher education in North America.

Andrews International Center for Educational Research
Bell Hall, Room
269-471-6080

Andrews International Center for Educational Research (AICER) is the research and international service center for the School of Education (College of Education & International Services). Its mission is to promote and disseminate faculty research on regional and global education, with a special focus on Adventist education. AICER seeks to promote research which develops the empirical knowledge-base and best-practices related to education through the development of a network of international researchers that provide technical research and evaluation services to international educational organizations. AICER’s researchers focus their agendas on learning, teaching, spiritual and ethical development, educational leadership, and evaluations of programs. AICER promotes research in elementary, secondary, and tertiary educational organizations as well as community groups engaged in educational services.

Architecture Resource Center
Architecture Building
269-471-2417

The Architecture Resource Center (ARC), a branch of the James White Library, provides the School of Architecture with a premier collection of resources for the study and research of architecture. The collection is of a broad scope with an academic focus in architecture and design. The ARC currently holds a collection of over 28,500 books and 106 periodical titles. The ARC stays current through its acquisitions, by continually updating the collection with new titles in: books, monographs, periodicals, reference books, CDs and videos. It also supports other campus disciplines such as facility planning, educational and church architecture, environmental psychology, and behavioral science.

The ARC is the official repository of a special and growing collection of materials on environmental design research. This collection is made available as a result of our affiliation with the international group known as the Environmental Design Research Association (EDRA). The purpose of this collection is to advance the art and science of environmental design, to improve understanding of the interrelationships between people and the built environment and to create environments responsive to human needs. The interdisciplinary collection holds books, trade journals, EDRA proceedings, documents, technical papers, and multimedia materials supporting research in the discipline of environment and behavior. The collection has been developed over the past 30 years and continues to expand, existing as the most comprehensive collection in the world.

The ARC is fortunate to have two rare book collections. One was donated by Ronald Senseman, FAIA, an architect who practiced in his own firm for over 30 years in the Washington, D.C. area. This exceptional collection includes classic rare books and photographs of architecture dating from the 19th century to the present. Vernon Watson, a Chicago Prairie Style Architect, donated his valuable and rare book collection to the ARC. Mr. Watson designed Griggs Hall, which was the original campus library, as well as several Prairie Style homes in Berrien County. In addition the ARC is now the official repository for the EDRA archive collection. This means professors, scholars and researchers, if they choose, will donate their private and personal collections to the collected works in the ARC.

Center for Adventist Research
James White Library, Lower Level
car@andrews.edu
269-471-3209

The Center for Adventist Research (CAR) contains historical materials and resources on Seventh-day Adventist history and Ellen G. White, a key founder of the Seventh-day Adventist denomination. Comprised of the Adventist Heritage Center, the Ellen G. White Estate Branch Office, and AU Archives, the Center holds the largest collection of research materials on Seventh-day Adventism in the world. The CAR was formed in the fall of 2003 to better serve the campus community as well as the world community of Seventh-day Adventists by providing research support services as well as a significant outreach component. The Center and the Seminary Library cooperate to support theological education.

Adventist Heritage Center
Located within the Center for Adventist Research, the Adventist Heritage Center contains material on the history and development of the Millerite Movement and the Seventh-day Adventist Church since the 1840s to the present. Among the materials preserved at the Center are over 51,000 books and pamphlets, 24,000...
periodical volumes, 12,500 microforms, 12,000 sound recordings and 3,000 video tapes. A sizeable number of the periodicals are not English and represent the finest collection of its kind in the world including many one-of-a-kind titles. The Center holds nearly 300 collections (1,200 linear feet) of personal papers of notable church figures such as pioneers, administrators, teachers, ministers and missionaries. These collections provide a wide range of primary source documents. The center’s archives contain 30,000 photographs of denominational and campus interest, an obituary file of nearly 200,000 names, and the records of early Adventist congregations. The SDA Periodical Index is edited at the Center.

Special collections of the Heritage Center include the Advent Source and the Conditional Immortality Source Collections which document the origins of Seventh-day Adventists, the development of prophetic interpretation and the history of the doctrine of conditional immortality. The George B. Suhrie Bible Collection features an extensive collection of Bibles. Rare materials include books dating as early as the 15th century and several original editions of Martin Luther and other Reformers’ pamphlets. In 2005, the Review and Herald Publishing Association donated their rare book library (approximately 2,500 volumes) to the Center. The Voice of Prophecy and Faith for Today historical archives also are located at the Center.

Ellen G. White Estate Branch Office
Located within the Center for Adventist Research, the Ellen G. White Estate Branch Office contains a complete set of the letters and manuscripts of Ellen G. White (1827–1915). It also has copies of her books and articles, and thousands of pages of other documents related to the history and development of the Adventist Church.

The Branch Office houses numerous resources for students interested in research. The most important of these are (1) the Letter and Manuscript File of 60,000 pages with topical index, (2) the Ellen G. White published writings on compact disc (CD-ROM), making possible full-text computer searches of Ellen White’s writings; (3) a Biographical Index covering the span of Ellen White’s life and documenting her travels and activities; (4) 1,600 Manuscript Releases (with indexes); (5) an extensive Document File covering many aspects of the writings of Ellen White and of the history of the Seventh-day Adventist Church; and (6) a Question and Answer File with index.

Center for Intensive English Programs (CIEP)
CIEP offers a courtesy placement test for incoming students to assess language proficiency. Classes in the English for Academic Purposes (EAP) Program are offered in grammar, reading & writing, listening & speaking, pronunciation, reading & discussion, conversation skills, public speaking skills, and academic writing for students whose first language is not English and who do not meet English proficiency requirements as listed in the Bulletin. The EAP is offered in Fall semester, Spring semester, and in a June/July Summer session. A short-term intensive study session, combined with cultural and professional experiences and travel, is offered through the Andrews English Experience Program (formerly called Action America) in July. The CIEP also participates in the Language Bridge Program, providing the ESL classes that students take to meet the requirements of the Language Bridge Program. Tutorial services can be arranged for a fee on a case-by-case basis, and certain specialized English classes, such as a TOEFL preparation class, are offered for a fee and are open to the community.

Center for Statistical Services
Center for Statistical Services provides help with all aspects of empirical research. Services include: 1) research design, 2) development of questionnaires and measurement instruments, 3) data entry, 4) statistical analysis and 5) interpretation and reporting of results.

Center for Digital Learning & Instructional Technology
The Center for Digital Learning and Instructional Technology (DLIT) provides instructional technology leadership, support and resources to the faculty, staff, and students of Andrews University. DLIT serves main campus, online campus, and off campus programs. DLIT also oversees the operations of the Consortium of Adventist Colleges and Universities. DLIT provides technology support for enterprise level instructional technology tools such as LearningHub, the campus Moodle learning management system; student response systems (clickers); Panopto, our video streaming and recording service; and Zoom, our webinar and videoconferencing software. The Center for Digital Learning and Instructional Technology provides coordination and review for online program and course development, as well as technical support, instructional design advice and training, and materials design and conversion for course development for main campus, online campus, and off campus courses. For more information, visit School of Distance Education.

Center for Professional Development Courses
269-471-3514

The Institute for Prevention of Addictions (IPA) conducts research focused on the extent and causes of the use and abuse of alcohol and drugs as well as other addictions and risk behaviors. Based on this research it fosters prevention
education programs and policies designed to reduce youth risk behaviors. The IPA provides specialized resource services and consultation to Church, government and private agencies on policy and program initiatives designed to prevent youth risk behavior. The IPA is supported by Andrews University and General Conference Presidential, as well as projects sponsored by assorted foundations, governmental and private agencies. The IPA is affiliated with the Department of Health Ministries of the General Conference of the Seventh-day Adventist Church and the International Commission for the Prevention of Alcoholism & Drug Dependency (ICPA). It works through program centers for prevention, policy, education, and research and evaluation. The Institute associates with organizations whose goals harmonize with its philosophy and objectives.

Institute of Archaeology
0047 Old US 31
hornmuseum@andrews.edu
269-471-3273

The Andrews University Institute of Archaeology coordinates the archaeological programs and activities of the university. It fosters archaeological research, publication, and education at Andrews University, the communities of Michiana, and all entities of the Seventh-day Adventist Church.

The Institute 1) offers courses through the seminary which directly or significantly relate to the study of archaeology, 2) sponsors regular visits by distinguished archaeologists for the purpose of lecturing and consulting, 3) organizes public tours, 4) presents archaeological programs for churches and schools, 5) provides opportunity for field and laboratory training through its excavations and surveys in the Middle East and Michiana and the subsequent analysis of these activities, 6) supports the work of the Horn Archaeological Museum in collecting and interpreting artifacts and 7) publishes results of excavations and research in annuals, monographs and occasional papers.

Institute of Church Ministry
Seminary Hall, S136
269-471-3407

The Institute of Church Ministry (ICM), an entity of the Seventh-day Adventist Theological Seminary, shares the expertise and resources of Andrews University with the Seventh-day Adventist Church in North America, thus aiding denominational leaders in the accomplishment of its goals. The ICM serves as a North American Division Strategic Resource Center but also works for the General Conference, local conferences, local churches and Adventist journals. ICM represents the North American Division in the Cooperative Congregational Studies Partnership (CSP) of various faith groups under the direction of the Hartford Institute for Religion Studies.

The work of ICM springs from the belief that the tools of social science can join with biblical and theological insights to advance the objectives of the Church. Its mission is conducted through field-based research concerning Adventist youth, member involvement, congregational studies, training for ministry, church growth, church-giving patterns, Adventist women in leadership, Adventist Hispanics and the attitudes of Adventist members on various issues.

Institute of Hispanic Ministry
Seminary Hall, Room N210
hispanicministry@andrews.edu
269-471-6170

The Institute of Hispanic Ministry (IHM) of the Seventh-day Adventist Theological Seminary responds to the growing needs of Hispanic congregations in North America and beyond.

The tasks of the IHM include providing graduate-level study for Hispanic pastors both on and off campus and assisting in various ways a continuing education for Hispanic ministers. It coordinates the Hispanic MA in Pastoral Ministry and supports Hispanic courses in the MDiv and DMin programs. The IHM also provides support systems for Hispanic ministry and churches that are in transition culturally and linguistically. It encourages research and the dissemination of its findings for the Seventh-day Adventist Church at large.

Institute of Jewish-Christian Studies
Seminary Hall, Room N107
269-471-3349

Jews and Seventh-day Adventists share much of the same spiritual heritage and the same ideals of hope and lifestyle. Moreover, since the events of Auschwitz during World War II, Jewish-Christian issues have become a relevant part of theological concern. Therefore, the Institute of Jewish-Christian Studies organizes meetings with world renowned experts, provides a wide range of educational material and supplements the graduate programs of the Seminary with concentrations in Jewish-Christian studies. These include courses in Jewish History, rabbincs and languages. In all its work, the Institute seeks to train lay persons and ministers to foster constructive relations with Jews in their communities and to develop a global consciousness in all outreach and service.

Institutional Effectiveness
Bell Hall, Room 206
assessment@andrews.edu
269-471-3308

The Office of Institutional Effectiveness coordinates three major aspects of University support: assessment, accreditation, and institutional research. The office assists faculty in the development and measurement of student learning outcomes, and oversees assessment of outcomes related to the University's mission as well as general education. Assessment and institutional research data are used to enhance the quality of Andrews University's programs and services, and to inform institutional planning.

International Religious Liberty Institute
Seminary Hall, Room N331
269-471-3500

The purpose of the International Religious Liberty Institute is to foster the study of the principles of religious liberty and church-state relations upon sound methods of biblical, historical, legal and philosophical scholarship and to spread these principles through publications, lectureships, conferences, symposiums and the support of public advocacy.

International Center for Trauma Education & Care
traumacare@andrews.edu

Housed in Andrews University's School of Social Work, the Center provides trauma-informed awareness, education and tools to support healing in organizations, churches, and communities across the world. Through the Center, students, faculty, alumni, and other departments work locally and abroad to equip people to face trauma with the powerful message of restoration.

James White Library
269-471-3275

The James White Library and its two branches hold print books, bound periodical volumes and multimedia materials totaling more than 1.6 million items. The 100,000-square-foot main library provides study and research facilities and the library faculty provide reference and consultation and a library instruction program, a library liaison program for collection development, and interlibrary loan services.

The strongest collections are in religion, education, architecture and Adventist publications and resources. The library's automated catalog, JeWel, can be accessed through the campus computer network as well as globally through the Internet. Through the library website, 155 major electronic databases can be accessed through the Internet and from any of the 70 public computer stations located in the main library and its branches. Linking software provides links from the database search results to the library's over 44,000 print and electronic periodical titles.

Through the Michigan Library Consortium, the library provides access to MeLCat, a statewide union catalog, patron-initiated interlibrary loan service and book delivery system. Students, faculty and staff can access over 7.8 million unique books and other materials through MeLCat.

The library also has access to the OCLC Online Computer Library Center for cataloging and interlibrary loan information based on data from 69,000 libraries in 112 countries representing over 470 languages and dialects.

The Seminary Library, the Center for Adventist Research and the Mary Jane Mitchell Multimedia Center are housed in the main library. The Architecture Resource Center and the Music Resources Center are located in their respective departmental buildings on campus.

Marine Biological Field Station
Anacortes, Washington
360-293-2326
269-471-3243

Andrews University is affiliated with Walla Walla University (College Place, Wash.) in the operation of a marine biological field station located at Rosario Beach in Washington State's Puget Sound. The station provides facilities for undergraduate and graduate study and research. The site is near a biological spectrum from sea...
The Seminary Library is an integral part of the James White Library and the Theological Seminary. It provides collections and services that support the Seminary students and faculty. Seminary Library resources include approximately 150,000 books, 500 periodical subscriptions and 18,000 volumes of bound periodicals.

Biblical studies and practical theology are the major strengths of its holdings. Subject areas of special interest to Seventh-day Adventists are especially strong, including the biblical books of Daniel and Revelation, creationism, the Sabbath, and the second advent. Together with the Center for Adventist Research, the Seminary Library provides the most complete research collection for Adventist studies anywhere. Graduate level collections on systematic theology, missions, church history and biblical archaeology are also featured.

The Seminary Online Learning Center (SOLC) offers a variety of distance education courses at the graduate level. These online courses not only serve students who are enrolled in different Seminary programs on campus and off campus, but support faculty and students who are working at their local churches throughout the states, and around the world, by promoting partnership and creating community to nurture Adventist education. The Seminary partners with the Center for Digital Learning and Instructional Technology (DLIT) which helps in the development, technical support and design of the online courses.

The Student Success Center (SSC) exists for the sole purpose of helping students succeed. This center supplements the educational process by providing academic guidance, support and developmental instruction. The SSC collaborates to identify students’ needs; to facilitate their physical, emotional, social, intellectual and spiritual development through support and leadership; and to provide resources for faculty, staff, and parents who share their concerns for student success. The Student Success Center serves as a resource for all students—from freshmen to doctoral candidates—in all schools of the University. The SSC also networks with all other campus support centers and functions as a referral base for students and advisors.

The Student Success Center facilitates academic advising for undergraduates maintains on-campus referral and academic support information for all students effects major and advisor changes for undergraduate students manages a peer-to-peer tutoring class for undergraduate students facilitates accommodations for any student with documented disabilities provides guidance for students who need to have a disability documented coordinates student interventions, providing follow-up as needed serves as a central referral service to forward placement opportunities to academic advisors.
The University Center for Reading, Learning & Assessment
Bell Hall, Suite 200
269-471-3480

The University Center for Reading, Learning and Assessment addresses learning and reading-skill needs through classes and tutoring. It helps students to strengthen their God-given abilities and natural gifts. Academic assessment and tutoring services of the center are available to Andrews students, faculty, staff and community for a fee. Students with learning problems are nurtured towards the goal of successful course work. The Center also offers Orton-Gillingham based, multisensory intervention for those who have dyslexia.

Reading skills developed in the center include speed-reading, study reading, vocabulary, word recognition or decoding skills, spelling and handwriting. Students, faculty and staff may use equipment and materials for personal reading improvement on a self-help basis for a fee. Average to excellent readers as well as those having difficulty with reading are served.

The center offers a class that covers memory, learning styles, time management, temperament, mind style and emotional condition. A follow-up class includes coordination with advisors, teachers and staff to help the student and provide individualized and small-group support.

Writing Center
Nethery Hall, Room 101
writy@andrews.edu
269-471-3358

The Writing Center provides students with individualized instruction by fellows students on basic writing skills and strategies. Services of the center include computer-assisted tutorial sessions, drop-in help and a library of rhetoric and usage texts. The Writing Center also offers occasional review sessions on general writing problems.

Campus Resources

ADA Services for Students with Disabilities
Nethery Hall, Room 135
269-471-6096

Andrews University accepts and appreciates diversity in its students, including students with disabilities. Accordingly, students are encouraged to inform the University of any disability by contacting the Student Success Center. Students who are otherwise qualified for college may receive reasonable accommodations for disabilities if they have provided documentation by a qualified, licensed professional. Arrangements for accommodations should be made as early as possible after acceptance, and each semester. Students who suspect that they may have disabilities may also contact Student Success to inquire about the documentation process. More information about disabilities accommodations in college can be found at the government website: www.ed.gov/about/offices/list/ocr/transition.html.

Andrews Community Counseling Center
Bell Hall, Room 159
269-471-6238

The Andrews Community Counseling Center (ACCC) consists of five counseling rooms, a waiting room and receptionist area. The ACCC provides professional counseling and psychological services to children, adolescents, adults, couples and families in the University community and the residents of Michiana at no cost. The center was established as a training facility for master's and doctoral level students working toward graduate degrees in counseling and counseling psychology at Andrews University. These graduate-student counselors are supervised by faculty who are professional counselors and/or licensed psychologists. Services are provided to individuals regardless of race, gender, age, religious affiliation or culture. To make an appointment to receive these services, call 269-471-6238.

Andrews University Airpark
Airpark
airinfo@andrews.edu
269-471-3120

Andrews University Airpark is licensed by the State of Michigan as a general utility airport (C-20). Services include flight instruction, maintenance instruction, aviation fuel (100LL), and a full-service aircraft repair center along with hanger and tie-down facilities. Andrews' air traffic unicom frequency is 122.7.

Andrews University Archives
James White Library, Lower Level
archives@andrews.edu
269-471-3373

The Andrews University Archives is an independent university-wide entity under the leadership of the Office of the Provost. It functions as one of the entities of the Center for Adventist Research. The Andrews University Archives, formally established in 1999, is the official repository for non-current University administrative records of historical, fiscal, legal, or administrative value. Records held in the Andrews University Archives date from the beginning of the University as Battle Creek College to the present. The Archives include the correspondence of the presidents, vice presidents, and deans; minutes of the Board of Trustees, administrative and faculty committees; and other records of the central administrative offices, student services, the various schools, departments, institutes and other entities of the University.

The Archives has established an archival program which includes policies, a manual, retention schedules, guidelines and forms for identifying those records/items which can be destroyed and those which must be kept and properly transferred to the Archives. The goal of the Archives is to standardize procedures for proper record management across campus.

Andrews University Bookstore
Campus Plaza
269-471-3287

The bookstore supplies all textbooks required for classes along with a wide selection of reading material in the general trade book section. School, office, art and drafting supplies are available as well as AU imprinted gifts and clothing. It also features a selection of greeting cards, balloons, gift items and snacks.

Andrews University Press
Sutherland House
apress@andrews.edu
269-471-6134

Andrews University Press is the primary academic publishing house for the Seventh-day Adventist Church. It publishes academic books that make a scholarly and/or professional contribution to their respective fields and are in harmony with the mission of Andrews University. Publication emphases include archaeology, biblical studies, religion and theology, faith and learning, education and selected areas of science.

Center for Youth Evangelism
Seminary Hall, Room S103
cye@andrews.edu
269-471-8380

The Center for Youth Evangelism (CYE) was established in 1979 and is incorporated within Andrews University to support the Seventh-day Adventist Theological Seminary to provide training, research, resources and programming for youth ministry within the North American Division (NAD) and the General Conference (GC) world church.

CYE offers "active learning" opportunities for seminarians, interns, youth professionals and local church leaders.

A few CYE sample offerings: 180 Symposium, 411 Youth Ministry Newsletter, Church of Refuge, Cruise with a Mission, International Camporees, WeCare Mission Trips, Union Youth Evangelism Congress, Music & Worship Conference, Easter Passion Plays, and other children, youth and young adult support. Executive Director, Ron Whitehead, 269-208-1344, whitehead@andrews.edu

Christian Leadership Center
Seminary Hall
269-471-8332

The Christian Leadership Center is an interdisciplinary organization of Andrews University providing inspiration, ongoing leadership development, coaching, consultation and research for a network of church and community leadership throughout the world. The Center’s office is located in the Theological Seminary. The Center's vision is a network of Christian leaders who provide outstanding leadership for church, business and educational organizations throughout the local community and the world.

The Center provides a place for academicians and field practitioners to link in a process of theological reflection that shapes the Seventh-day Adventist Church's understanding of leadership and clarifies transformational leadership development across cultures. The biblically-based model of servant leadership promoted by the Christian Leadership Center grows from that reflection. The Center focuses on...
transformation of the person, development of essential leadership patterns and formation of administrative skills through various programs offered to community and church organizations. Visit the Center online at www.andrews.edu/clc/.

Employment
Administration Building, Main Floor
employment@andrews.edu
269-471-3570

The Office of Employment assists students with their on-campus employment needs. The office provides information regarding employment opportunities, assistance with necessary paperwork, administers employment tests and is responsible for updating employment files.

Howard Performing Arts Center
hpac@andrews.edu
Box Office 471-3560
Fax 471-3565

The Howard Center is the performance home for the Andrews University music ensembles: the Symphony Orchestra, Wind Symphony, University Singers, University Chorale, Men’s Chorus and Canta Bella. The Howard Center also hosts Howard Center Presents...a concert series with a blend of musical genres. It has hosted classical artists such as Canadian Brass, Vienna Boys Choir and King’s Singers, as well as Christian artists such as Sandi Patty, Point of Grace, SELAH and Take 6. The on-campus radio station, WAUS FM 90.7, which is also located in the Howard Center, sponsors a chamber music series, Second Sunday Concert Series.

In addition, during the school year the Howard Center is home to the monthly Friday evening vesper service Fusion, which merges together all Friday night worship services, creating a dynamic and diverse worship experience. Students studying music at Andrews University also present their junior and senior recitals as a part of their requirements for graduation in the Howard Center.

The Howard Center was funded in part by a significant gift from John and Dede Howard, longtime members of the St. Joseph community, who now reside in Holland, Michigan.

The Howard Center is an important center of activity on campus. The concert hall offers a variety of concerts and other performances throughout the school year. Visit www.howard.andrews.edu/events for a complete listing of events.

Information Technology Services
Information Services Building
helpdesk@andrews.edu
269-471-6016

Information Technology Services (ITS) provides a variety of services for students, faculty and staff. These services include support of administrative records systems, networking infrastructure, telecommunications and support for students, faculty and staff computer use.

Internet access is available on campus for all students, faculty and staff. A wireless network is available in many locations on campus, allowing students, faculty and staff to connect to the Internet with an 802.11 abgn wireless enabled device. Campus residence halls have Ethernet network connections in each room allowing students to connect to the Internet. High speed Internet access is available in the Beechwood, Garland and Maplewood apartments.

The ITS Computer Store provides certain hardware and software resources at educational pricing. The Microsoft Office Suite and latest Microsoft operating system are available through a Microsoft Campus License Agreement for the cost of the media. Anti-virus software for Windows-based computers is also available for students, faculty and staff personal use for the cost of the media. ITS also maintains a limited phone assistance service for hardware or software questions.

Telecommunications services provided by ITS in residence hall or apartment packages include local phone service with unlimited local calling, caller ID, call waiting and basic CATV service. Premium CATV service is provided for an additional fee. (For more information call 471-3455).

A general purpose computer lab is available for use by any student, faculty or staff member. The computing lab, located in Bell Hall, Room 182, may also be reserved for instructional use. The lab contains Microsoft Windows-based systems with a variety of software. Laser printing is available for a fee. Additional computer labs exist in various schools and departments.

LithoTech
Harrigan Hall (main floor, front entrance)
litho@andrews.edu
269-471-6027

LithoTech provides full service in digital color and black and white printing. In addition, LithoTech offers offset printing and bindery services. Brochures, black and white copies, color copies, color posters, church bulletins, resumes, paperback books, newsletters, letterhead and envelopes, business cards and a wide variety of paper are a few of the items that can be provided.

Office for Diversity & Inclusion
Administration Bldg., AD322
269-471-3388

The Office for Diversity & Inclusion fosters understanding and inclusiveness in matters of race, ethnicity, culture, mental and physical abilities, age, gender, and religion in several ways. The office provides spiritual, administrative and academic leadership for the equity and diversity vision, resources, and programs across the University. The office also engages the campus with inclusive hiring practices, LGBTQIA+ matters, and relevant diversity training.

Support and cultivate awareness, appreciation and engagement with both national and international diversity and its relevance in a University environment.

Support University-wide diversity related committees, commissions, programs, and task forces through active leadership and advocacy.

Work with the University and external community to elevate the visibility and maximize the impact of campus diversity efforts, activities, and programs including student international and ethnic clubs and organizations.

Collaborate with the Office of Human Resources and relevant administrators regarding University diversity issues, including search and selection processes.

Encourage and assist with infusion of diversity into the instruction and content of new and existing courses, and with diversity in the co-curriculum.

Work with the University to create and maintain an Andrews University philosophy of diversity and inclusion that is fully reflective of the gospel.

Support and cultivate awareness, appreciation and engagement with both national and international diversity and its relevance in a University environment.

Lead strategic diversity planning efforts, including assessment, evaluation and accountability.

Encourage a campus environment that seeks to resolve conflict through reconciliation and healing as understood in the gospel.

Identify barriers to recruitment and retention of underrepresented populations and support strategies to overcome these barriers for students, faculty and staff.

Office of the Ombudspersons
269-471-3244, 269-471-3214

The Office of the Ombudspersons is a confidential, independent and neutral dispute resolution service for the University community. As such, it facilitates understanding, communication and resolution of conflict among students, faculty and staff. The office serves as an impartial and confidential means of facilitating dialogue between parties on campus and as a means, apart from formal grievance procedures, of resolving differences. The office was established as part of the University’s commitment to foster a culturally diverse and inclusive environment.

The Ombudsperson works independently from University administrative offices. Discussing a matter with an ombudsperson is confidential to the extent allowed by law and does not constitute notice to the university.

Radio Station WAUS 90.7 FM
Howard Performing Arts Center
waus@andrews.edu
269-471-3400

WAUS began broadcasting in January 1971 and now broadcasts 24 hours a day to listeners in southwestern Michigan and northern Indiana. The day-by-day programming, production and student-broadcast training take place in a facility featuring a broadcast studio, a production studio, a music library and staff offices. Station programming includes classical music, news updates and religious programs. WAUS contributes to the local community by being the only 24-hour provider of classical music and arts information, providing student training and employment, and public relations exposure for Andrews University.

Student Insurance
Administration Building, Main Floor
stuins@andrews.edu
269-471-3097

The Office of Student Insurance provides information regarding student accident and sickness insurance as well as providing a student advocate to help mediate for the student, if necessary.
The University School
Ruth Murdoch Elementary, 8885 Garland Ave
rmes@andrews.edu
269-471-3225

Andrews Academy, 8833 Garland Ave
academy@andrews.edu
269-471-3138

The University School is a coeducational day school located on the Andrews University campus. It consists of two divisions: Ruth Murdoch Elementary School (K–grade 8) and Andrews Academy (grades 9–12). In addition to providing education for young people enrolled in the school, the University School serves as a demonstration school and a laboratory for educational innovation and research. The faculty and administration work with the School of Education (College of Education & International Services) in coordinating a teacher-training program.

Application for admission to either division of the University School should be made at least four weeks before the student plans to enter. The first semester begins approximately the last week of August. Information on admission may be obtained from the Office of Admissions, Ruth Murdoch Elementary School, 8923 Garland Ave, Berrien Springs MI 49104-0570; or from the Office of Admissions, Andrews Academy, 8833 Garland Ave, Berrien Springs MI 49104-0560.
A more complete list of University Student Life expectations can be found in the "Student Handbook."

Our Values, Your Choice

Andrews University is a Christian community where Christ is celebrated and reflected in the academic, social, physical and spiritual experiences of its members. As a Seventh-day Adventist institution, we seek to integrate faith, learning and living, while each of us matures in our relationships with God and each other.

By deciding to attend Andrews University, students choose to be part of this uniquely Christian atmosphere. Every enrolled undergraduate student pursuing an on-campus degree signs a "Community Values Agreement" in which they affirm their decision:

**To attend a faith-based university** by respecting Andrews University's Seventh-day Adventist Christian perspective and values. See the section "A Faith-Based University."

**To adopt a healthy lifestyle** guided on and off campus by the core values of the Andrews University community. See the section "A Healthy Lifestyle."

**To live on a residential campus** in a University residence hall while a single undergraduate student under the age of 22 (unless living with an approved family member or Andrews faculty or staff member) and, while an undergraduate resident, to participate in a meal plan at the University's vegetarian cafeteria. See the section "A Residential Campus."

**To engage a whole-person approach** to education and, while an undergraduate or Seminary student, to attend required co-curricular programs. See the section "A Whole Person Approach."

Distance degree and PTC (Permission to Take Classes for non-degree purposes) students complete a "Community Values Agreement" in which they note their understanding and respect of the Andrews University commitment to embrace core Seventh-day Adventist Christian values. Distance degree and PTC students are invited to consider these values as they strive to remain in good standing with their local communities and to optimize the benefits of the University's whole-person educational philosophy.

A Faith-Based University

**Seventh-day Adventist Faith and Values**

The Office of Campus Ministries promotes faith development through pastoral care, resources and services to the University campus. The University chaplain and associate chaplains function to enrich the faith and intellectual life of the campus through incarnational ministry and the provision of a variety of opportunities appropriate to a spiritual, cultural and socially diverse student and professional population. The chaplains operate at a level that ignites the passion of those who have been transformed by or are considering a relationship with Jesus Christ.

The essential question for the existence for AUCM is embraced in the transformative prayer of Jesus in the Gospel of John chapter 17. Here Jesus' heart for a close and life-changing relationship with mankind is revealed. Campus Ministries exists to promote close proximity with God. In this PROXIMITY our goals are to:

**Be Clear on who God is:** "And this is eternal life that they may know you, the only true God and Jesus Christ whom you have sent." John 17:3

**Be Close to God and mankind:** "The glory which you gave me I have given them, that they may be one just as we are one....Father I desire that they whom You gave me be with me where I am." John 17:23-24

**Be Clean by God through the transforming power of His Spirit in our lives:** "Sanctify them by your truth. Your word is truth." John 17:17

"I give myself as a holy sacrifice for them so they can be made holy by your truth." John 17:19

**Be Confident in God's Calling:** "As you sent me into the world, I have sent them into the world." John 17:18

A Whole Person Approach

Students engage in faith and learning outside the classroom as part of a comprehensive educational experience, developing skills and dispositions that complement their academic degrees. Undergraduate students and Seminary students agree to participate in a minimum number of co-curricular experiences each semester.

Co-curricular learning targets individual and campus community outcomes in four areas.

**A Healthy U** focuses on building physical fitness, maintaining a balanced diet and achieving personal wellbeing.

**A Successful U** focuses on sharpening academic skills, boosting creative capacities and ensuring career readiness.

**A Committed U** focuses on engaging in faith development, seeking spiritual support and pursuing a life purpose.

**A Better U** focuses on gaining cultural competence, practicing service to others and developing leadership ability.

Together with the academic curriculum, co-curricular education delivers the whole-person education at the heart of Andrews University's mission.

To learn more about the undergraduate co-curricular requirement, including program structure, costs and expectations, please refer to bulletin.andrews.edu > Student Handbook > A Whole Person Approach.

A Residential Campus

Residential Living Policy

Andrews University is operated as a residential college on the undergraduate level. The University also offers residential options for graduate students. This means that the residential environment plays a significant role in the mission of the University and its efforts to foster the holistic development of each student.

Therefore, in accordance with the University's Residential Living Policy, all single undergraduate students under 22 years of age who are (1) pursuing an on-campus degree and taking seven or more credits (including distance learning courses) or (2) enrolled in full-time language study must live in one of the University residence halls and participate in a meal plan at the University's cafeteria. Single undergraduate students must be 22 years of age by the first day of a semester in order to be approved to live in the community for that semester.
Costs associated with residence hall living are part of the investment in an Andrews University education, thus the Student Life office does not make exceptions to the Residential Living Policy on the basis of financial need.

To review the complete Residential Living Policy, please refer to andrews.edu/sl and to the "Student Handbook" at bulletin.andrews.edu > Student Handbook > Residential Living Policy.

Residence Halls
The University maintains three residence halls: Lamson Hall (for women), Meier Hall (for men), and University Towers (for graduates or undergraduates age 22+). Double-occupancy rooms are standard. Single occupancy is permitted by special request, if space allows, for an additional fee.

Apartments and Houses for Rent
The University owns 304 apartments and 36 houses. The apartments are available to married students, students with children, and single undergraduate age 22+ and graduate students. Accommodations are available only to those who have been officially accepted as university students. Since apartments are limited, applicants are advised to apply six to nine months before their first semester of studies.

Most apartments are furnished. Tenants must supply their own linen and kitchen utensils. Unfurnished apartments have a stove and refrigerator. Pianos may be placed in the apartments only by prior arrangement with the University Apartments director. Pets are not allowed in University apartments or houses.

Further information on University housing may be obtained through the "University Apartments Handbook" online. Please visit andrews.edu/apartments for applications and further information.

If internet access is desired in the apartments, a modem must be obtained from the Office of University Apartments. There is a $100 refundable deposit required for this.

Non-Residence Hall Housing
Students living in non-residence hall housing must abide by the expectations outlined in the "Student Handbook" and the non-residence hall housing policy. All students living off-campus must maintain high moral standards in their choice of guests and entertainment; otherwise, they could be subject to discipline. Unmarried, unrelated students must not live in the same shared dwelling with members of the opposite sex.

A Healthy Lifestyle
Core Christian Values
Students who choose to attend Andrews University agree to adopt a healthy lifestyle and to maintain high standards of conduct. These standards are part of the spiritual mission and heritage of the University. They reflect biblically grounded values such as honesty, modesty, sexual purity, respect for others and their safety, and healthful living.

Code of Student Conduct
The Code of Student Conduct is detailed in the "Student Handbook" and provides examples of violations that may result in serious consequences. Students may obtain a copy of the "Handbook" at the Student Life office (or online at andrews.edu/sl). Any regulation adopted and published by the administration in more informal written communication or online has the same force as regulations printed in official publications.

Code violations include, but are not limited to, the use or possession of tobacco, alcoholic beverages, illegal drugs or dishonestly acquired or misused prescription drugs; dishonesty; sexual immorality; physical abuse or assault as well as domestic/relationship violence; sexual misconduct including but not limited to nonconsensual sexual contact, nonconsensual penetration, sexual exploitation and sexual harassment; theft; vandalism; lingering in proximity to alcohol, illegal drugs or drug paraphernalia, such as in events or parties where alcohol or illegal drugs, etc., are present and served by another host; hosting/planning events in one's own residence or elsewhere where alcohol is served or consumed and/or illegal drugs or drug paraphernalia are present; patronizing places of questionable entertainment or activities such as sexually suggestive or explicit dancing; profanity or vulgarity; possessing lewd or obscene materials; on-campus possession of weapons, firearms or look-alike firearms; engaging in improper associations—participating in organizations that have not been registered with and approved by the Student Life office; insubordination of a University official; disrespect or slander; and threatening and harassing behavior.

Accountability
Admission to the University is not a right. It is a privilege that entails acceptance of individual responsibility for honor, integrity and self-discipline. The University understands that all human beings are flawed and seeks to work with each student in a redemptive manner. However, students should expect to receive consequences up to and including dismissal from the University if they engage in activities or behaviors that violate the University's core values or if their presence damages the mission and function of the institution. This includes activities and behaviors outlined in the Code of Student Conduct, whether these activities and behaviors take place on-campus, off-campus or in cyber communities.

Community Values Agreement
Undergraduates are required to sign a "Community Values Agreement" as part of their registration each academic year. By signing this document, students agree to support a healthy lifestyle and to respect the faith-based values of the University. They also agree to abide by the University's residential policy and to participate in required co-curricular programs.

Student Activities and Organizations
The University encourages students to participate in as many co-curricular activities and organizations as their study-work loads permit. Experience gained in working with others to achieve common goals provides invaluable training. Some of the more prominent campus organizations and activities are described below. A complete list of campus organizations is available from the Office of Student Activities & Involvement.

Andrews University Student Association (AUSA) and Publications
The Student Association serves all undergraduate students enrolled at Andrews University for 6 or more credits. AUSA sponsors recreational and educational activities for the undergraduate student body. It responds to student needs and serves as a collective voice for student concerns. Additionally, it coordinates activities that include the publishing of the "Cast" (pictorial student directory), the "Cardinal" (University yearbook), and the "Student Movement" (University student paper). The editors and managers of these publications are elected by the members of AUSA. The Senate, composed of about 30 student leaders, exercises legislative and management powers given to it by the constitution of the Association.

Details about AUSA and its sub-organizations appear in the "Andrews University Student Association Constitution and Bylaws."

Andrews University Graduate Student Association
All graduate students enrolled with regular or provisional status in a degree program in all schools and colleges at the Berrien Springs campus of Andrews University are automatically members of the Andrews University Graduate Student Association (AUGSA). The AUGSA assembly includes all AUGSA members and is governed by representative officers who meet regularly and report to the assembly.

The AUGSA sponsors social, spiritual and scholarly activities during the school year. It may also be involved in University policy development that affects graduate students. Details about AUGSA are found in the Constitution of the Andrews University Graduate Student Association.

Student Clubs and Organizations
Numerous campus organizations serve the social, spiritual, academic and leisure interests of students. Clubs for international and cultural groups, as well as those for commonly held pursuits and causes, provide for the diverse interests of students. Student organizations must be overseen by a full-time staff or faculty sponsor, led by at least three student officers, and guided by an official constitution. Organizations must register through the Office of Student Activities & Involvement each year in order to function on campus. Students are not allowed to participate in unregistered organizations, and those who do jeopardize their student status. A list of registered organizations can be found in the Office of Student Activities & Involvement.

Student Records
The Family Educational Rights and Privacy Act (FERPA), gives students certain rights relating to educational records that are created and maintained by the University. The University is not obligated to maintain educational records and thus some educational records are destroyed. Students may inspect and review their educational records and may, if they believe the records are incorrect, seek to have records corrected through appropriate review procedures. The full policy that governs student records and access to them is available in the "Student Handbook." Students who wish to review their academic records should make a request through the Office of Academic Records; students who wish to review their Student Life records should make a request through the Student Life office. The student may be asked to care for the reproduction costs of copies of records requested by the student.
Information Released to Third Parties

In accordance with FERPA, Andrews University does not disclose personally identifiable information from educational records without a student's consent except in limited circumstances. FERPA does permit institutions to define classes of information as "directory information." FERPA permits the disclosure of directory information without the consent of the student, unless the student has informed the University Registrar, in writing, of her/his refusal to permit the dissemination of directory information. A form for opting out of the disclosure of directory information, which must be filled out and submitted each semester, is available in the Office of Registrar. The University has designated the following information as "directory information": name, local address, local telephone number, email address, gender, marital status, hometown, date and place of birth, school, academic program (degree, major and minor), enrollment status, class standing/classification (i.e., freshman, sophomore, junior, senior or graduate), participation in officially recognized activities, dates of attendance, degree(s) received, honors and awards, and photographs. Even where directory information may be released, Andrews University reserves the right to withhold such information from third parties.

Safety Regulations

Andrews University expects students to develop safe working habits. Students who participate in classes, laboratories or activities involving situations considered hazardous, as specified by the state or national standards, must provide and wear any such required personal safety equipment. If you are unsure of the required safety procedures, please contact Campus Safety at 269-471-3321.

Motor Vehicles

Andrews requires all vehicles on campus to register with the Office of Campus Safety. Drivers must follow posted speed limits and parking designations.

Vehicle Registration

You must show a valid state registration, current proof of insurance and driver's license. Upon registering you will receive a decal which must be affixed to your vehicle's window as intended. Failure to register your vehicle may result in a fine.

Auto Licensing

All vehicles on campus must maintain current home state license plates.

Auto Insurance

All vehicles must be covered with liability insurance while driven on campus. Expiration or cancellation of insurance automatically renews motor-vehicle registration and driving privileges. All vehicles must be maintained in legal operating condition while on property.

AU Alert

To ensure multiple means of emergency communication for our campus, Andrews University uses a third party company, Rave Mobile Safety, to send emergency notification alerts to the campus via AU Alert.

AU Alert sends out text messages, emails, and voice calls to registered recipients. The system will also post alerts to University Facebook accounts or Twitter accounts with the emergency information. AU Alert notices are intended only for situations involving imminent danger to health or human safety. These may include severe weather alerts, winter weather class cancellations, hostile threats, utility failure, major road closings or fire, among others.

To receive emergency alert text messages, emails, or voice calls, please visit getrave.com/login/andrews/ and login with your Andrews University username and password.

Rave Alert does not charge subscribers to send or receive SMS messages. Standard or other messaging charges apply depending upon your wireless carrier plan and subscription details. Once registered, you can opt out of SMS messages at any time by texting STOP to 67283 or 226787.

Dining Services

Dedicated to providing our guests the finest in Vegetarian and Vegan dining options, Bon Appetit at Andrews University Dining Services is committed to creating food that is alive with flavor and nutrition and prepared from scratch using authentic ingredients. We do this in a socially responsible manner for the wellbeing of our guests, communities and the environment.

Our main office is located on the first floor of the Campus Center with convenient weekday hours to assist students with their residence hall meal plans or Cafe Accounts. Guests with questions or concerns are welcome to stop in anytime during office hours. Guests with special dietary needs are invited to meet with the General Manager and the Executive Chef to discuss how those needs can be met—please contact jonathan.daniels@cafebonappetit.com for more information. For guests choosing to dine with us on Sabbath, please come in during the week to set up a Cafe Account that can be used to purchase your Sabbath meal.

We have several dining options from which to choose—-allow your residence hall meal plan, cafe account, cash and credit/debit cards.

The Terrace Cafe is located on the second floor and features an all-you-care-to-eat format with several dining options from which to choose. Andrews Classics features favorite dishes from around the world and Classics Too offers healthy dining alternatives with a focus on special dietary needs. Our Grill features a variety of Latin foods that are self-serve for your convenience. The Salad Bar and Deli area has a wide variety of fresh ingredients and delicious breads to make your own salad, sandwich or panini. The World Market features scratch-made pizzas and a variety of delicious stir-fry options with scratch-made sauces. Our Breakfast Zone offers waffles, cereal, an assortment of beverages and yogurt. Be sure to visit the Bakery for a delicious selection of sweet treats.

The beautiful Dining Room is equipped with booth seating as well as table seating next to the large stone fireplace. Several smaller conference rooms can accommodate your private group needs. Our Front of House team will be happy to assist you with seasonal and creative fresh food ideas and personal service. Guests wishing to dine in our event rooms utilizing the Terrace Cafe meal option should contact ds@andrews.edu to book that event.

The Gazebo is located downstairs across from the Office of Dining Services. The Gazebo features a large selection of scratch-made smoothies, salads, burrito wraps, sub sandwiches and hot grilled dishes. You can also choose from a wide variety of locally baked pastries, grab-and-go sandwiches, salads and parfait cups. There is a retail area that sells convenience items and snacks.

Vending Services are available in various buildings across campus and provide quick snacks and drinks for our guests.

Catering Services are available for guests wishing to customize a meal and create a special event. Guests wishing to book a catering event should contact catering@andrews.edu for assistance. We offer catering services to any on-campus venue and a variety of off-campus locations.

Additional information and menus are available on the Dining Services website at http://andrews-university.cafebonappetit.com/. For daily menu alerts, upcoming special events and more information about Dining Services, be sure to follow us on Facebook at Andrews University Dining Services.

Medical Services

Required Medical Records

Michigan State Law requires all first-time students to supply certain medical records to the school of their choice before registration can be completed. The required records are those for (1) Tuberculosis Screening and (2) Measles, Mumps, and Rubella (German Measles) Immunization (MMR). See the admission section of this "Bulletin" for detailed requirements.

Available Medical Care

For health needs, students may contact University Medical Specialties, located next to the Apple Valley Plaza. Phone 269-473-2222 during office hours (8 a.m.–5 p.m., Monday–Thursday, and 8 a.m.–12 noon, Friday) to schedule appointments.

Physician appointments and nurse visits, as well as most short-term medications, are available to residence hall students. These basic services are included in the rent/health plan and are not charged separately to the residence hall student. However, charges are made for lab work, X-rays and accident cases involving third-party liability. University Medical Specialties (UMS) charges the insurance company for any coverage applicable to the services provided to residence hall students, thus students should take their insurance information with them when utilizing UMS services. UMS waives any copay or deductible (for the student/family) for the limited health care provided.

Non-residence-hall students living in the apartments or off-campus housing may use University Medical Specialties according to established fees.

For emergencies outside of regularly scheduled office hours, students may reach a physician at 269-473-2222.
Health-related Concerns

Insurance—Injury/Sickness
Every international student with an F1 (with an I-20) or J1 (with a DS2019) visa is required to purchase the student health plan. The only exceptions that will be made to this policy are for Canadian students and students who are fully sponsored by a conference or country, and those who may have a group health plan through an American employer. Domestic students who are enrolled for at least ½ time credit hours are able to either purchase the student health plan, or provide a waiver showing proof of other insurance that meets waiver requirements.

The student will be able to select coverage by completing the student insurance section in Registration Central. If a student health plan is selected, the appropriate payment for this coverage is charged to the student’s account and it is non-refundable.

Please visit the website andrews.edu/services/hr/students/insurance/ for additional policy information or visit ANDREWS | Home (myhealthcare.com) to learn more about the student health plan.

Coverage for a student’s spouse and dependent children is also available for an additional fee. All students from outside of the United States must cover dependents who accompany the student to the States. An Academic Emergency Services policy may be purchased separately from the student insurance site if your waiver does not include repatriation services or emergency family assistance services.

A brochure describing the insurance coverage is available at the Student Insurance Office in the Administration Building or online at andrews.edu/services/hr/students/insurance/.

Counseling & Testing Center
The Counseling & Testing Center (CTC) is the primary mental health care facility for the University and serves as a supportive medium aimed at enhancing the positive and learning University environment as it provides timely and comprehensive short-term counseling to University students and their spouses. The Center is staffed by licensed psychologists, counselors, and intern clinicians committed to utilizing all available resources in the delivery of services. These include personal, group, premarital and marital counseling; career development; outreach and consultation; academic and psychological assessments; teaching and research; and training and supervision. Workshops, wellness screenings, and other prevention programming are also coordinated by the CTC throughout the academic year. The CTC also offers self-help educational information through the CTC webpage and virtual pamphlets. The CTC uses a brief model of treatment and offers up to eight (8) counseling sessions per semester at no charge. Additional counseling sessions are considered on an individualized basis. The Center also provides referrals to community psychiatrists and other mental health professionals.

The Counseling & Testing Center endorses a whole-person approach in working with students by facilitating the integration of the emotional, spiritual, physical and social dimensions of the individual. The Center is fully accredited by the International Association of Counseling Services (IACS) and serves as a training facility for graduate counseling and social work interns. Psychological testing, career assessment and other testing services are offered for a nominal fee.

National standardized testing— including the ACT, SAT, GRE subject, LSAT, MPRE, MELAB, TOEFL, CLEP and other academic tests needed at both the undergraduate and graduate levels—is offered at the Counseling & Testing Center. To contact the Center call 269-471-3470 or email the staff at ctcenter@andrews.edu. You may also find us on Facebook at facebook.com/AUCTC.

Student Employment

Eligibility Pre-Employment I-9 Form
Before working on campus, all students (both U.S. citizens and others) must personally have a validation interview with an Employment Officer (Administration Building) at which time the officer and the student will make a joint sworn statement on the appropriate I-9 legal declaration form.

Employment Eligibility Certification
The Immigration Reform and Control Act charges all employers to examine and verify certain documents that establish the employment eligibility of all new employees. New and returning students who have not completed an I-9 for Andrews University work in the past and who plan to seek any employment on the Andrews University campus must supply documents of identity and employability. Some documents serve for both purposes (List A), but if not available, two documents may be presented (one each from List B and List C). The acceptable documents are listed below; however, as the list may be subject to change, please refer to the U.S. Citizenship and Immigration Services (USCIS) website for the most updated information.

List A
Documents That Establish Both Identity and Employment Eligibility:

- U.S. Passport or U.S. Passport Card
- Permanent Resident Card or Alien Registration Receipt Card (Form I-551)
- Foreign passport that contains a temporary I-551 stamp or temporary I-551 printed notation on a machine-readable immigrant visa
- Employment Authorization Document that contains a photograph (Form I-766)
- In the case of a nonimmigrant alien authorized to work for a specific employer incident to status, a foreign passport with Form I-94 or Form I-94A bearing the same name as the passport and containing an endorsement of the alien’s nonimmigrant status, as long as the period of endorsement has not yet expired and the proposed employment is not in conflict with any restrictions or limitations identified on the form
- Passport from the Federated States of Micronesia (FSM) or the Republic of the Marshall Islands (RMI) with Form I-94 or Form I-94A indicating nonimmigrant admission under the Compact of Free Association Between the United States and the FSM or RMI

List B
Documents That Establish Identity:

- Driver’s license or ID card issued by a state or outlying possession of the United States if it contains a photograph or information such as name, date of birth, gender, height, eye color and address
- ID card issued by federal, state or local government agencies or entities provided it contains a photograph or information such as name, date of birth, gender, height, eye color and address
- School ID card with a photograph
- Voter’s registration card
- U.S. Military card or draft record
- Military dependent’s ID card
- U.S. Coast Guard Merchant Mariner Card
- Native American tribal document
- Driver’s license issued by a Canadian government authority

For persons under age 18 who are unable to present an identity document listed above (for List B):

- School report or report card
- Clinic, doctor or hospital record
- Day-care or nursery school record

List C
Documents That Establish Employment Eligibility:

- A Social Security Account Number card, unless the card includes one of the following restrictions: (1) NOT VALID FOR EMPLOYMENT, (2) VALID FOR WORK ONLY WITH INS AUTHORIZATION, (3) VALID FOR WORK ONLY WITH DHS AUTHORIZATION
- Certification of Birth Abroad issued by the Department of State (Form FS-545 or Form DS-1350)
- Original or certified copy of a birth certificate issued by a state, county, municipal authority or territory of the United States bearing an official seal
- Native American tribal document
- Identification Card for Use of Resident Citizen of the United States (Form I-179)
- Unexpired employment authorization document issued by the Department of Homeland Security

All documents presented must be original.

A parent or legal guardian may sign the I-9 form, attesting that the applicant is under age 18. However, such an applicant must present an employment eligibility item from the above list if a document proving both identity and employment eligibility is not available.
Exchange Visitor students on a nonimmigrant J-1 visa are allowed to work on-campus a maximum of 20 hours per week during the school year and full-time during school breaks and vacations. Dependents with J-2 visa status are allowed to study full-time and to work after they receive a work permit called the Employment Authorization Document (EAD) from the USCIS. J-1 students are allowed to work off-campus on a severe economic hardship basis.

The Office of Employment
The Office of Employment, which is part of Human Resources, assists students in their on-campus employment needs. The Office provides information regarding employment opportunities and assistance with necessary paperwork, administers employment tests and is responsible for updating employment files. The Office is located in the Administration Building, Second Floor.

Other Campus Services
Other campus services include a barber shop, a beauty shop and the University-branched post office.

Immigration Information for International Students
International students on F-1 or J-1 visas who come to study at Andrews University (AU) should be informed about the immigration laws and regulations in matters related to their visa status. It is the responsibility of the international student to maintain his/her student I-20 (for F-1) and DS-2019 (for J-1) status at all times. Failure to follow immigration regulations, whether intentional or unintentional, is a violation of the student visa status. Consequently, the status of the international student would be terminated and he/she must apply to the USCIS to be reinstated back into the legal student visa status or depart the US and re-enter with F1 or J1 status again to be legally admitted to study.

The personnel at the Office of International Student Services and programs (OISSP) consists of the director, called the Principle Designated School Official (PDSO), and the Designated School Official (DSO). They are appointed by Andrews University and authorized by United States Department of Homeland Security to issue I-20s and sign legal students’ documents. The Office of International Student Services’ director is also the RO (Responsible Officer), and therefore, is now authorized to issue its own DS 2019 documents for it J1 (student/researcher/exchange visitor) and J2 (dependent of J1) applicants. This office also has an ARO (Alternate Responsible Officer) for assisting in the preparation of the DS2019 document. The PDSO, RO, ARO and DSO are also required to advise international students in areas related to student life on campus such as study, work and travel, etc.

The Office of International Student Services communicates information to the international students in matters related to the government laws and immigration by several methods. First, the orientation for new international students is required upon arrival at Andrews University at the start of each of the 3 semesters (fall, spring and summer). Failure to attend the orientation program may result in student not having relevant information to live in accordance to the requirements to live by the student visa status they arrived upon and to failure to maintain legal status during the duration of the time spent on campus. Please visit the Office of International student services as soon as possible to receive the non-immigrant guidelines. Other means of communication include the Andrews "Bulletin," the International Student Services website, the Andrews Agenda and email. All international students are required to immediately update the Office of International Student Services of any changes in their student visa status, address, change of major or change of academic level.

Full Course of Study
USCIS requires every student on an F-1 or DS-2019 student visa to enroll full-time every semester at the school they are authorized to attend beginning immediately after the report date on the I-20 or DS-2019. Full-time class enrollment is as follows:

<table>
<thead>
<tr>
<th>Course Type</th>
<th>Credits Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>Undergraduate</td>
<td>12 credits</td>
</tr>
<tr>
<td>Graduate</td>
<td>9 credits</td>
</tr>
<tr>
<td>MDiv</td>
<td>9 credits</td>
</tr>
<tr>
<td>Center for Intensive English Programs (CIEP)</td>
<td>2 clock hours</td>
</tr>
<tr>
<td>Academy</td>
<td></td>
</tr>
<tr>
<td>Fall Qtr</td>
<td>2.0 units</td>
</tr>
<tr>
<td>Winter/Spring Qtr</td>
<td>1.5 units</td>
</tr>
</tbody>
</table>

International Students cannot AUDIT courses at anytime or Withdraw **W** if it would put the student below the minimum credits required.
Summer semester is the vacation semester for those who start a regular school year (fall semester). International students do not have to enroll for a lesser course load during summer except if the initial attendance reporting date on the I-20 or DS-2019 is dated for the spring or summer semesters. If so, the student must enroll for a full study load during the summer. Additional information is available in the Office of International Student Services.

International students with medical problems must provide a document from a physician recommending an interruption to take the semester off or reduction in study load.

Graduate international students who have completed formal coursework and are engaged in comprehensive exam preparation, project, thesis or dissertation are required to register for such. Thereupon they are considered to be pursuing a full course of study provided the "Bulletin" states the course registered for is considered to be full-time.

An international student who registers in his/her last semester for less than the minimum credits required must present a RCL (Reduced course load) from his/her academic advisor verifying that these are the only credits that the student needs to fulfill all course requirements.

An F-1 student engaged in post-completion Optional Practical Training maintains his/her full visa status. A student in F-1 status doing full-time Curricular Practical Training is also considered to be pursuing a full course of study. But if an international student is engaged in part-time Curricular Practical Training or part-time Optional Practical Training, he/she is required to enroll in classes concurrently.

International students on an F-1 visa are not permitted to be in a program of study that is offered solely or entirely online. There may be exceptions for students on an F-1 visa–please contact the International Student Services office for clarification.

Students On Exchange Visitor Visas (J1/J2) and the Two-year Home Country Physical Presence Requirement

The two-year home country physical presence requirement is one of the most important characteristics of the Exchange Visitor J-1 status. If the international student is bound by this regulation, it will be stated on the J-1 visa and on the bottom left corner of the DS-2019. Exchange Visitors, including their dependents, can apply for a waiver of the requirement to return home for two years upon completion of their studies. Without the waiver, such students are not eligible to change their status in the U.S. to another category. Neither can such students become eligible for any change of status until they have been physically present in their country of nationality or the country of last legal permanent residence for a minimum of two years following departure from the U.S.A.

Employment For J-1 and F-1 Students

Immigration laws are very strict about employment. International students desiring to work must be sure to comply with these laws. UNAUTHORIZED OFF-CAMPUS EMPLOYMENT CAN LEAD TO TERMINATION OF STUDENT VISA STATUS AND DEPORTATION.

J-1 students may engage in two kinds of employment:

- Academic training related to the course of study or Work on-campus or off-campus (on severe economic hardship basis) for a maximum of 20 hours per week while school is in session and full-time during vacation.

F-1 students must obtain a letter from the RO or AROs authorizing employment before beginning work.

F-1 students may only work on-campus up to 20 hours per week while school is in session and full-time during vacations (up to 29 hours during their first 12 months of stay in the US and then up to 40 during the following year for the semester of break and holidays.

Academic Training

Employment which is directly related to the course of study is permitted by the Department of State (DOS) while the J-1 student is enrolled in school or approved for Academic Training no later than 30 days after completion of the program. The General Conference is the organization that authorizes the Academic Training once the student provides the required documents.

Curricular Practical Training (CPT)

Employment authorization for Curricular Practical Training is given to students whose degree programs require off-campus work experience. International students may NOT begin working until the I-20 has been issued for employment authorization by the DSO. CPT is limited to twenty hours per week if the student is required to take classes during the practicum. If the CPT work is full-time, then the I-20 must be issued for full-time. For more information, contact the Office of International Student Services.

Students who are paid for clinicals, practicums or internships as part of a degree program MUST apply for Curricular Practical Training (CPT) and be issued a new I-20 accordingly with the CPT notation. The CPT notation has be to made prior to start of employment. Failure to do so will consider their work illegal.

Optional Practical Training (OPT)  

Optional Practical Training is an optional work benefit for F-1 students, intended for practical work experience in their major field of study. Upon USCIS approval, a student receives work authorization to do OPT anywhere in the United States for a total of 12 months. International students may apply for the post-completion OPT during a five-month window, three months prior to the completion of the degree or 60 days after the completion of the degree.

Accepting Public Benefits is Illegal

Often hospital or medical clinic personnel encourage international students to accept Medicaid or other government benefits. DO NOT ACCEPT PUBLIC BENEFITS. Doing so is considered by USCIS to be a violation of your nonimmigrant status. Such students may be required to pay back the money received and may risk deportation.

The $200 SEVIS I-901 Fee

International students are required to pay $200 for the SEVIS I-901 fee. The Office of International Student Services will send along with the I-20 the instructions concerning the different ways of paying this fee. Upon paying the SEVIS fee, the system will automatically generate a receipt which is essential for the students to present at the American Consulate in order for them to obtain the student visa. Canadians must present the SEVIS receipt at the port of entry. For additional and complete information, please visit fmjfee.com/.

Additional Information

Should you need additional information, please visit https://www.andrews.edu/services/international/, call us at 269-471-6395/269-471-3310, or email us at iss@andrews.edu. We look forward to working with you and serving your needs as an international student here at Andrews University.
General Academic Policies

General Academic Information

Students are expected to know the rules that govern academic matters. This bulletin presents answers to general questions regarding academic policies. Students with special problems and circumstances should consult the dean or program coordinator of the school that interests them. Responsibility for meeting degree requirements rests upon the student. Each student is expected to be aware of all relevant requirements published in the bulletin under which he/she plans to graduate. The bulletin in force when one first registers is the binding document between the student and the university. However, a student may request permission to meet the requirements of another bulletin in force during his/her years at the university. The student’s freedom to choose the bulletin under which he/she will graduate is limited. Undergraduates should see the section "Student’s Governing Bulletin". Graduate students should see "Residency Requirements and Time Limits".

Attendance at the University

The admission of candidates, their remaining as students, their status, the awarding of academic credits, and the granting of degrees are all subject to the ordinary regulatory powers of the university. It reserves the right to cancel, at its discretion, any of these privileges for reasons considered sufficient by the administration.

School deans reserve the right to review their students’ grades periodically. Together with the faculty, they may also recommend that students performing unsatisfactorily should discontinue their degree programs.

The disciplinary authority of the university president is absolute. The vice presidents, deans, and other officers are responsible for specific cases and in restricted areas.

Changes in Bulletin Requirements

The provisions of this bulletin are not to be regarded as an irrevocable contract between the student and the university. The university reserves the right to change any provision or requirement at any time within the student’s term of residence. All regulations adopted and published by the Board of Trustees or the faculty after publication of this bulletin have the same force as those published here.

Registration

Students should plan to register during the days assigned to registration on the official academic calendar. Registration is not official until all parts of the registration process have been completed, including financial arrangements.

Matriculation of First-year Students. Documentation of readiness to matriculate is required before admitted students will be allowed to register: official high school transcript or GED certificate, ACT or SAT scores, and for international students, minimum TOEFL scores.

Late Registration. Students who fail to register during the regular registration period must pay a late-registration fee. Students may not register after the last official day to enter classes.

Changes in Registration. A course may be dropped or added by means of a Change of Registration form or via the web during the drop/add period. This Drop/Add form is obtained from the Office of Academic Records. After completing the form, the student must get all needed signatures and return the form to the Office of Academic Records. The official academic calendar lists the deadline each semester for dropping or adding classes without an entry on the permanent academic record. It also notes the deadline to withdraw from a class with a “W” (Withdrawal) on the permanent record.

Credit Hour Definition

One semester credit hour at Andrews University is earned through academic work during a period of fifteen weeks; averaging three hours per week in undergraduate courses and four hours per week in graduate courses. Academic work contributes to established intentional learning outcomes and is verified by evidence of student achievement. Academic work includes:

A minimum of 50 minutes per week of direct faculty-student contact; and Out-of-class student work during the remaining time.

For intensives or other classes that do not meet for fifteen weeks, an equivalent amount of direct faculty-student contact and out-of-class student work is required.

An equivalent total amount of academic work is also required in activities such as laboratory, independent study, practicum, studio, distance, distributed, tours and other learning modalities. More time may be expected for co-op work, internships and similar applied learning experiences where learning may take longer to be achieved.

Grading System and Grade-point Averages

Grades and Quality Points. The right to assign grades rests with the teacher of the course. Quality points (on a 4.00 scale) are given to each letter grade (A–F) for use in figuring a student’s grade-point average (GPA). The GPA is the average number of quality points earned per credit hour in all courses which are assigned grades A–F.

How to Compute Your GPA. You may calculate your semester GPA by following these steps:

Multiply the number of credit hours by the number of quality points given to the letter grade earned in each class. (Do the same for each class graded A–F.)

Add the number of quality points earned in all classes for the semester.

Divide the total number of quality points by the total number of credit hours attempted.

Other Grade Report Entries

Additional grades that may appear on a student’s academic record are defined below.

AU—Audited Classes (including HN, UA and UH). A grade of AU is given for an audited course if the student has met the obligations of the audit agreement. It is possible to audit any class except private music lessons and independent study courses provided (1) there is room in the class, (2) the student has an appropriate background, and (3) the instructor gives permission to attend. The term audit refers to registration for attendance only. All auditors, including honors auditors (HN), are expected to attend all class appointments as agreed upon when the instructor granted auditing privileges.

Auditors must attend at least 80% of the class periods. Those who fail to do so are given a grade of UA (Unsatisfactory Audit); honors auditors a UH.

A student may change from “credit” to “audit” registration and vice versa within the published time limits. To make this change the student must present the Office of Academic Records with a Change of Registration form with the required signatures.

The tuition charge for an audited course is the same as a course taken for credit. Full-time honors students may audit one course per semester free of charge.

DG—Deferred Grade. A DG may be given in certain courses recognized to be of such a nature that all the requirements are not likely to be completed within one semester. It may be given for practicums (clinical/fieldwork experiences, internships) and courses requiring research such as theses and dissertations.

All DGs are required to be cleared before a student can graduate, unless they are DGs earned in another currently enrolled degree. An instructor may change the DG to a letter grade (A–F), S/U or DN (Deferred and Not Completable) as appropriate.

DN—Deferred and Not completable. A DN indicates the course has not been completed and no longer can be completed because time has run out.

I—Incomplete. An Incomplete (I) can be assigned only if the following situations are met (Note: Students will be charged an incomplete fee for each incomplete grade issued):

when the major portion of the work for the course has been completed student’s work is incomplete because of illness or unavoidable circumstances incompletes cannot be assigned because of negligence or inferior performance.

Faculty must submit an incomplete contract which states:

<table>
<thead>

</tbody>
</table>
the remaining work to be completed
a plan with timelines for completion of the work
the time limit
the grade the student will receive if the work is not completed by the agreed-upon time.

Ordinarily, an I shall be removed during the following semester. However, an I contracted in the spring semester may be extended to the autumn semester. Any request for an extension of time beyond the contracted time shall be made in writing before the end of the contracted date and approved by the dean of the college in which the course is offered. The number of I's on a student’s record affects the student’s class and workload.

Undergraduate restrictions: Students with 8 credits of incompletes may not register for more than 12 credits of new courses; for those with 12 or more credits of incompletes the number of new credits is limited by the dean of the respective college. Incompletes must be removed before graduation.

NC — No Credit.

R—Reregistered. Assigned only for designated remedial courses.
Students who obtain this grade are required to reregister for the course in question.

S/U—Satisfactory/Unsatisfactory. The grading pattern for lecture and lecture/laboratory courses is A–F. Certain designated courses, such as independent/individual study/readings, independent research, research projects, workshops, seminars, field/clinical experiences and practica may be graded with either an S/U or A–F pattern as the college/school decides. When more than one grading pattern is possible, the determination of which pattern shall be used for a given class shall be made at the beginning of the class. Completed theses/dissertations (except for undergraduate theses) are always graded on an S/U basis. Grading patterns may not be mixed within a given course for any grading period except for independent study courses, as in next paragraph. An S means, for an undergraduate, that a C (2.00) or higher has been earned; for a graduate, a B (3.00) or higher. The letter grade U signifies unsatisfactory performance. Credit is earned only if an S is received. No quality points are assigned S/U courses and an S/U notation does not affect the GPA.

By definition, independent/individual study/reading/research courses imply potentially a different set of purposes, goals, objectives, activities and outcomes for each student. They are not intended to serve as a substitute for a required class or for canceled classes, and they must have an evaluation plan. All students taking one of these courses with the same acronym, course number and section number under the same instructor are typically listed on the same grade sheet, and therefore mixing grading patterns for these courses in a given term is permitted.

W—Withdrawal. Withdrawal is recorded when a student withdraws within the date limitations indicated by the academic calendar. Under certain circumstances the institution may initiate the withdrawal.

Repeating Classes. Students may repeat a course in which they receive an unsatisfactory grade. In such a case, the record of the first attempt is not erased. However, in the case of undergraduate students only, the credits and quality points earned in the course with the higher grade are used to calculate the GPA. In the case of graduate students the course may be repeated once. The credits and quality points earned in the most recent course will be used to calculate the GPA. Under the same instructor are typically listed on the same grade sheet, and therefore mixing grading patterns for these courses in a given term is permitted.

In sequence-type courses (course numbers ending in 1, 2, or 3) a student who earns an F for one semester automatically must repeat that course before being permitted to enroll or remain enrolled in courses that follow in that sequence. A student who earns a D in such a course should counsel with the teacher as to the wisdom of continuing the course.

Factors Influencing Grades
Several factors are used to compute the final grade in a particular course. These include such items as scores in oral or written examinations, quizzes, practical and written projects, papers, reports, laboratory experience, skill demonstration, clinical performance and class attendance/participation. The teacher selects the grading components for a given course according to the nature of that course. The course outline (syllabus) clearly outlines how the students' final grades shall be figured.

Grade Reports
No hard copies of grades are mailed to students because they can view and print their grades via the web. Students who want a parent or organization to receive a printed grade report may request this via the web or at the Office of Academic Records.

Resolution of Grade Disputes
Students who dispute the grade received for a course are encouraged to seek a resolution through the steps delineated below. Succeeding steps should be taken only if the previous step fails.

Step 1: Informal resolution in person. The student must first seek a resolution in person with the instructor. Should such attempt fail, the student may seek a resolution through the instructor’s immediate supervisor, the department chair or, in the absence of the chair, the dean of the school. The chair or dean may arrange a joint discussion between the student and the instructor.

Step 2: Written grade complaint. The student may file a written grade complaint with the instructor’s immediate supervisor, requesting an investigation of the grade. The request must include the reasons for the student’s belief that the grade was assigned as a result of carelessness, arbitrariness, or capriciousness. If the chair is also the instructor in question, the chair should direct the grade complaint to the next highest officer for processing. The written grade complaint must be filed within the semester (not counting the summer terms) after the grade was given. Complaints filed after a full semester has elapsed since a grade was given, or a written grade complaint that does not detail the evidence called for above, shall not be investigated. A department chair or the instructor’s immediate supervisor can recommend or make a grade adjustment only if his/her findings reveal clear evidence of carelessness, arbitrariness, or capriciousness on the part of the instructor. The department chair or the instructor’s immediate supervisor is to render a written report on his/her findings within a week (if school is in session; if not, within the first week after school reconvenes). If the student does not receive a report or remains dissatisfied, he/she may proceed with Step 3.

Step 3: Grade Grievance. A student may file a written grade grievance with a dean of a relevant school to resolve a grade problem. The grade grievance must be filed within three weeks of receiving a response to the original filing of the written grade complaint. The written grade grievance shall provide evidence for the claim that the grade was assigned as a result of arbitrariness, capriciousness, or carelessness. Should the dean be the instructor in question, the dean shall direct the grade grievance to the provost. A written grade grievance that does not detail the evidence called for above, or that is filed more than three weeks after the response to the original filing of the complaint, will not be investigated.

Providing the student has met the conditions for filing a grade grievance, the relevant dean or the provost shall appoint a Grade Review Committee of three (3) faculty members with authority to investigate the matter further and to recommend a resolution.

The dean or provost shall issue a written verdict in response to a specific Grade Review Committee within one week after having received the written recommendations of the Committee. This shall be final and binding on both student and faculty member. The verdict may necessitate a grade change.

Transcripts
The Office of Academic Records issues transcripts of the student’s academic record upon written request by the student. Requests should reach the Office of Academic Records at least ten days before the transcripts are needed. (For restrictions, costs and exceptions, see the Financial section of this bulletin.)

Student Responsibilities
Examinations. Credit is not granted in courses unless the required examinations are completed by the student. Students are expected to follow the published examination schedule. In cases where the schedule requires a student to complete four exams in one day, arrangements may be made with the dean to complete one of the examinations at another time.

Class Attendance. Regular attendance at all classes, laboratories and other academic appointments is required of each student. Faculty members are expected to keep regular attendance records. The syllabus notifies students of the attendance requirements.

Teacher Tardiness. Teachers have the responsibility of getting to class on time. If a teacher is detained and will be late, the teacher must send a message to the class with directions. If after 10 minutes no message has been received, students may leave without penalty. If teacher tardiness persists, students have the right to notify the department chair, or if the teacher is the department chair, to notify the dean.

23
Excused Absences. Excuses for absences due to illness are granted by the teacher. Proof of illness is required. Residence hall students are required to see a nurse on the first day of any illness which interferes with class attendance. Non-residence hall students should show written verification of illness obtained from their own physician. Excuses for absences not due to illness are issued directly from the dean’s office.

Excused absences do not remove the student’s responsibility to complete all requirements of a course. Class work is made up by permission of the teacher.

Performance in Related Non-academic Areas. Professional programs sometimes require certain personality traits, lifestyles, clinical aptitudes, or other special competencies. For programs in which such items are specified, students are evaluated in terms of these requirements. These requirements are described in departmental handbooks or in course syllabi.

Academic Integrity. In harmony with the mission statement, Andrews University expects that students will demonstrate the ability to think clearly for themselves and exhibit personal and moral integrity in every sphere of life. Thus, students are expected to display honesty in all academic matters.

Academic dishonesty includes (but is not limited to) the following acts:

- Falsifying official documents;
- Plagiarizing, which includes copying others’ published work, and/or failing to give credit properly to other authors and creators;
- Misusing copyrighted material and/or violating licensing agreements (actions that may result in legal action in addition to disciplinary action taken by the University);
- Using media from any source or medium, including the Internet (e.g., print, visual images, music) with the intent to mislead, deceive or defraud;
- Presenting another’s work as one’s own (e.g., placement exams, homework assignments);
- Using materials during a quiz or examination other than those specifically allowed by the teacher or program;
- Stealing, accepting, or studying from stolen quizzes or examination materials;
- Copying from another student during a regular or take-home test or quiz;
- Assisting another in acts of academic dishonesty (e.g., falsifying attendance records, providing unauthorized course materials).

Andrews University takes seriously all acts of academic dishonesty. Such acts as described above are subject to incremental discipline for multiple offenses and severe penalties for some offenses. A record of academic integrity violations is maintained by the Faculty Academic Integrity Council. Repeated and/or flagrant offenses will be referred to an Academic Integrity Panel for recommendations on further penalties. Consequences may include denial of admission, revocation of admission, warning from a teacher with or without formal documentation, warning from a chair or academic dean with formal documentation, receipt of a reduced or failing grade, suspension or dismissal from the course, suspension or dismissal from the program, expulsion from the university, or degree cancellation. Disciplinary action may be retroactive if academic dishonesty becomes apparent after the student leaves the course, program or university.

Departments and faculty members may publish additional, perhaps more stringent, penalties for academic dishonesty in specific programs or courses.

For a synopsis of the current policy on academic integrity, please see the Student Handbook.

Peer-to-Peer File Sharing. Please see university policy.

Human Subjects Research. All students, faculty and staff conducting any research involving human subjects must apply for approval from the Institutional Review Board (IRB). A full description of the planned research along with the required supporting documents must be submitted by completing and emailing an IRB Review form directly to irb@andrews.edu. Additional information is available from IRB at the Office of Research and Creative Scholarship, Administration Bldg. Room 322. Tel. (269) 471-6361.

Graduation Procedures and Degree Conferral

Degrees are awarded three times a year at Andrews University—May, August, and December to candidates who have successfully completed all degree requirements. The responsibility for meeting all program requirements rests with the student. Participation in graduation ceremonies is for students who have completed all degree requirements and for those who meet the minimum requirements to participate without completion (see Participation in Graduation Ceremonies below).

Participation without completion applies only to students on the Andrews University main campus. Candidates from off-campus sites must complete all degree requirements and obtain clearance through the Office of Off-Campus Programs to participate in main campus graduation ceremonies. Candidates must meet the following Applications and Final Clearances guidelines for graduation or participation:

Applications and Final Clearances

Students must file an Application for Graduation/Marching form. Undergraduate graduation/marching forms are available at and must be returned to the Office of Undergraduate Records. The Graduate Graduation Application is available online. The following are the Graduation/Marching Application deadlines:

<table>
<thead>
<tr>
<th>Degree Level</th>
<th>Deadline Date</th>
<th>Graduation Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Undergraduate Students</td>
<td>3rd Thursday of September</td>
<td>May Graduation</td>
</tr>

<td>August Graduation</td>
</tr>
</tbody>
</table>

- Transcripts for transfer credit must reach the Office of Academic Records a minimum of 15 days before graduation/degree conferral.
- All Incompletes and Deferred Grades in classes needed to complete degree requirements must be changed to a satisfactory grade in the Office of Academic Records a minimum of 15 days before graduation/degree conferral.
- Students must receive financial clearance from the Student Financial Services Office to participate in graduation ceremonies or to receive a diploma.
- Diplomas will be ready for distribution beginning two weeks after commencement/degree conferral.

Commencement Services. On-campus commencement services occur in May and August. Students who receive December conferral of their degrees have the option of participating in the May commencement services only.

Graduation in Absentia. At the time of application for graduation/marching, students must indicate whether or not they plan to participate in the ceremony. Those who complete all degree requirements and choose to graduate in absentia forfeit their right to participate in a later graduation ceremony. Those who participate in a graduation ceremony before completing all degree requirements under the terms specified below may not participate for a second time when they complete their requirements.

Participation In Graduation Ceremonies

Graduation ceremonies are intended to recognize students who have completed all degree requirements and to celebrate their achievements. Students who are nearly completed with their degree requirements are also permitted to march and participate in the celebration within guidelines designed to maintain integrity of the degree-awarding process.

Upon submission of their Application for Graduation/Marching by the published deadline, students are authorized academically to participate in graduation ceremonies when they meet one of the following criteria:

- For a synopsis of the current policy on academic integrity, please see the Student Handbook.

Graduation Procedures and Degree Conferral

Degrees are awarded three times a year at Andrews University—May, August, and December to candidates who have successfully completed all degree requirements. Upon submission of their Application for Graduation/Marching by the published deadline, students are authorized academically to participate in graduation ceremonies when they meet one of the following criteria:

Following registration for the term culminating in a spring or summer graduation ceremony, they fall within one of the following categories:

Undergraduate Criteria

Undergraduate students who lack no more than 6 semester credits for degree completion and meet both overall and major GPA requirements. Credits lacking include I’s, DG’s and unregistered work.

OR

Undergraduate students who lack only completion of an unregistered practicum or internship or student teaching requirement which could be expected to be completed before the next graduation event.
Graduate Criteria

General Criteria

Graduate students who lack only completion of an unregistered practicum or internship or student teaching requirement which could be expected to be completed before the next graduation event.

Master of Divinity students who lack no more than 6 semester credits for degree completion, including practical field work courses. Credits lacking include I's, DG's and unregistered work.

Master or Specialist students without a thesis or project option who have been advanced to degree candidacy, lack no more than 4 semester credits for completion and by the official deadlines have met all other graduate degree requirements, including passing comprehensive exams (if required in the program). Credits lacking include I's, DG's and unregistered work.

Master or Specialist students with a thesis or project option who have completed all coursework, passed comprehensive exams (if required), and obtained approval of their thesis/project by the appropriate graduate committee, but have yet to file the thesis/project, as required. Notification of thesis/project approval must reach the Office of Academic Records no later than 10 days before graduation.

Doctoral students who have completed all coursework, have met all graduate degree requirements, including passing comprehensive exams, and no later than four weeks before the graduation ceremony obtain approval of the appropriate graduate committee following successful defense of their dissertation/project (if required in the program), with one of the following results: “Accept the dissertation/project as defended” or “Accept the dissertation/project with minor revisions.” For candidates whose result is “Accept the dissertation/project with major revisions,” written notification from their committee that they have made satisfactory revisions as required must reach the Office of Academic Records no later than 10 days before graduation. For graduation procedures applying to the PhD in Religion and ThD programs see bulletin section on PhD program requirements, “Oral Defense of Dissertation: After the Defense,” and the PhD Program Handbook.

Doctor of Physical Therapy students who have completed all coursework, have met all degree requirements including passing comprehensive exams, and who either lack completion of the
  • last two internships, and/or
  • capstone project

which is expected to be completed before the next graduation event.

The graduation program does not distinguish between those students who have actually completed all requirements and those who have not. All students authorized to participate will receive diploma covers, and all doctoral candidates will be hooded. However, for those who march without completion, diplomas will be issued and dated on the next official graduation or degree conferral date following completion of all degree requirements.

A list of graduates who have completed all requirements and received degrees for each commencement will be made public through a posting on the Andrews University website.
Undergraduate Academic Policies

Admission
Admission to Andrews University is available to any student who meets the academic and character requirements of the university and who expresses willingness to cooperate with its policies. Because Andrews University is operated by the Seventh-day Adventist Church, the majority of its students are Seventh-day Adventists. However, no particular religious commitment is required for admission. Any qualified student who would be comfortable within its religious, social, and cultural atmosphere may be admitted. The university does not discriminate on the grounds of race, color, creed, disability, national or ethnic origin, sex, marital status or handicap.

Admissions to Andrews University does not guarantee admissions to a specific department or program within a given school. Transfers from one school to another may be made when the student meets the admission requirements for that school and has the consent of the deans involved.

Application Process for All Undergraduate Students
Applicants to the Berrien Springs main campus and online programs are strongly encouraged to apply online at andrews.edu/apply. Applicants to Andrews University programs on affiliated campuses follow the application process communicated by their campus. (See Off-Campus Programs for site and contact information.)

Applications must be submitted by:

- First time applicants to any undergraduate certificate, associate or baccalaureate program
- Continuing AU student who has not been enrolled during the previous two academic terms (excluding summer)
- Applicants to a second baccalaureate program

Apply Early
Applications for admissions, the non-refundable $30 fee, and all required documents should be submitted by the following priority deadlines. Deadlines are for the Berrien Springs main campus only:

<table>
<thead>
<tr>
<th>Fall Semester</th>
<th>Spring Semester</th>
<th>Summer Session 1</th>
<th>Summer Session 2</th>
<th>Summer Session 3</th>
</tr>
</thead>
<tbody>
<tr>
<td>July 15</td>
<td>November 15</td>
<td>March 15</td>
<td>April 15</td>
<td>May 15</td>
</tr>
</tbody>
</table>

Applicants may request changes to the entry term of a submitted application for up to one semester. If changes to the entry term is for two or more semesters, a new application and fee will need to be submitted.

Freshman Admission Requirements
Students who will attend college after high school graduation are encouraged to apply before their final high school transcript is available. A preliminary 6-semester transcript (through the 11th grade) with a cumulative GPA and ACT or SAT test scores are reviewed by the Undergraduate Admissions Committee for a decision. All students are required to submit a final official high school transcript and ACT or SAT scores before they can attend classes.

Transfer Student Admission Requirements
Applicants who have attended any type of institution of higher learning after high school graduation are considered Transfer Students. All transfer students are required to submit a final official high school transcript and official college transcripts before they can attend classes.

<table>

</tr>
</tbody>
</table>

Transfer Student Admission Standards
Transfer students must have a minimum college cumulative GPA of 2.50. Transfer students who have earned 25 or more semester credits before applying to Andrews are evaluated on the basis of their cumulative college GPA. ACT/SAT scores are recommended, but not required. Applicants who have attended a post-secondary institution since earning a high school diploma, or passing the GED or equivalent US high school completion test, but have completed fewer than 25 post-secondary level credits are admitted based on Freshman Admission Standards. Applicants who do not fully meet minimum requirements, but have unique circumstances may be considered for admissions after review of other appropriate evidence of ability to successfully complete academic work at AU. The Undergraduate Admissions Committee reviews and makes a final decision on students who do not fully meet minimum requirements no later than July 15 for fall semester enrollment and November 15 for spring semester enrollment.
Transfer of Credits
Students who have attended any college or university classes are required to have transcripts sent directly to Andrews University Undergraduate Admissions. Official transcripts must be requested at the time of admissions in order to ensure a timely evaluation of the credits.

In order for college-level courses to be accepted at Andrews University, they must have been taken at an accredited institution and have received a grade of C- or higher.

Transfer credits will not appear on an official Andrews University transcript.

Documents Needed for Transcript Evaluation
- Official and complete college transcripts from each institution attended.
- The University reserves the right to request a student to provide an external evaluation of international transcripts from a credential/transcript evaluation agency (e.g., WES).
- Additional student documents may be needed for international transfer.

Limit on Number of Transfer Credits
- The university allows up to 70 semester hours to be transferred from two-year institutions and applied to a baccalaureate degree. More may be approved by the dean as part of a major course of study.
- Remedial/precollege courses are not acceptable for transfer.
- ESL/EFL/ELL courses are not acceptable for transfer.
- Transfer of Credits from an Unaccredited School. Students who have attended an unaccredited post-secondary institution are admitted based on regular admission criteria for Freshman students. Transfer credits may be accepted as elective credits based on an evaluation of the institution issuing the credits. The credits may then be applied to a program of study when approved by the department chair/program director and/or ACE committee as appropriate. On occasion, ATS may create an articulation agreement with an unaccredited institution based on prior history with the success of the students from the institution.

Review of Credit for Prior Learning Granted by Other Institutions. Credit for Prior Learning (CPL) credits on transcripts are not transferable. Students may present evidence of ability to successfully complete academic work at AU. The Undergraduate Admissions Committee reviews and makes a final decision on students who do not fully meet minimum requirements no later than July 15 for fall semester enrollment and November 15 for spring semester enrollment.

English Proficiency Requirement. The table below shows the minimum requirements for the different English Proficiency Exams accepted, including the requirements for the minimum components. Exams must be taken within two years prior to enrollment on any campus.

* Paper-based TOEFL is only accepted when administered by our Center of Intensive English Program or through a partner institution that holds an official agreement with Andrews University.

Two applicants with the same total score may have very different abilities. Minimum component scores help to ensure that admitted students have the profile of language abilities necessary to be successful in their department. For more information, contact the CIEP at 269.471.2260.

Language proficiency must be met before enrolling full-time in regular course work. Students who score below these levels may complete language requirements by enrolling in Intensive English Program courses (ENSL) on campus and passing the Exit Exam for English as a Second/Foreign Language. Degree programs with higher admissions requirements may also have higher English proficiency requirements.

Students with a score lower than the required minimum may be eligible for the Pathway Program which allows students to take a limited number of degree program courses while completing language proficiency requirements in Center for Intensive English Program courses. Students in the Pathway Program must demonstrate language proficiency within three semesters in order to continue in the degree program. Not all degree programs allow students to participate in the Pathway Program. Please contact the Center for Intensive English Programs (CIEP) for additional information at 269.471.2260 or ciep@andrews.edu.

International Student Admission Requirements

International Student Admission Required Documents

Academic Records
First Time In Any College (Freshman)
International Students applying as First-time In Any College or University (freshman) must submit official documentation of completion of upper secondary high school. To know which document is required for the country in which high school studies was completed, see the International High School US Equivalency Document. (International students studying outside the U.S will be required to take the ACT/SAT if offered at their secondary schools.)

Transfer Student
Official and complete college or university transcripts from each institution attended.

The University reserves the right to request a student to provide an external evaluation of international transcripts from a credential/transcript evaluation agency (e.g., WES).

English Proficiency
Students who did not complete all years of upper secondary high school or two years of college or university level courses at an English-medium institution must demonstrate adequate English proficiency to be admitted into a degree program.

International Students Admission Standards

International freshman students must meet the minimum required cumulative GPA of 2.5 on a complete high school transcript or meet the minimum passing marks with a 2.5 or higher GPA based on AACRAO on the secondary school certificate required for the country in which high school studies was completed.

Transfer students must have a minimum cumulative GPA of 2.50. Transfer students who have earned 25 or more semester credits before applying to Andrews are evaluated on the basis of their cumulative GPA.

Students who have attended a post-secondary institution since graduating from high school, but have completed less than 25 college or university level credits are admitted based on the same admission standards required of freshman students. ACT/SAT scores are recommended, but not required.

Students who do not fully meet minimum requirements, but have unique circumstances may be considered for admissions after review of other appropriate evidence of ability to successfully complete academic work at AU. The Undergraduate Admissions Committee reviews and makes a final decision on students who do not fully meet minimum requirements no later than July 15 for fall semester enrollment and November 15 for spring semester enrollment.
To begin the process of obtaining an I-20, students must provide all required admissions documents and receive admissions to Andrews University in order to enroll in online or main campus classes for more than one semester. Students who will be living in the US while studying online or on the main campus must provide a current I-20 or DS-2019. A maximum of two courses per semester will be approved at the high school level, and students must satisfy all of these requirements:

- Academic acceptance into a degree program
- Balanced estimated budget sheet
- Support for all personal funds and/or sponsorship (bank statement or letter of sponsorship)
- Current bank documentation (last three months)
- One-time, non-refundable International Student Fee of $100.
- Advance deposit of $3,000 (Citizens of Bahamas, Bermuda, Canada & Mexico are exempt from paying the international deposit)
- Copy of Passport
- Mailing Address (No P.O. Box Addresses) and telephone number

International students who reside in the US and have a current I-20 and wish to attend Andrews University must enroll in online or main campus classes for more than one semester must provide Andrews University with copy of the F1 or J1 visa, copy of valid passport and copy of current I-20 or DS-2019.

Dual Enrollment Status

Dual enrollment status is available to advanced undergraduate students who wish to begin work on a graduate program. However, taking graduate courses does not guarantee or imply future admission to a degree program. Dual enrollment will affect your financial aid package. Be sure to speak to a financial aid advisor prior to a dual enrollment semester.

Requirements for Undergraduate Students Dual Enrollment

To be eligible for dual enrollment status the student must satisfy all of these requirements:

- Be an undergraduate student at Andrews University
- Be within 12 credits of finishing an undergraduate degree
- Be in the process for admission to a graduate program and meet all other regular admission standards for a graduate program
- Be enrolled in no more than 12 credits (combined graduate and undergraduate) each semester

Be sure to see your Financial Aid advisor, this may affect your award eligibility.

Limitation on Graduate Credits. The limitations on graduate credits taken while a student has dual enrollment status are the following:

- Credits may not be used to satisfy undergraduate requirements.
- A maximum of 16 credits of graduate courses may be reserved and applied to a subsequent graduate degree at Andrews University.

Guest Student Status

Guest Student is a temporary enrollment status, not an admission category. Enrollment as a guest student is no guarantee of admission as an undergraduate degree seeking student. Guest student enrollment status is valid for one semester and students must submit an enrollment form for each semester they want to attend.

International students who reside in the US and have a current I-20 and wish to enroll in online or main campus classes for more than one semester must provide Andrews University with copy of the F1 or J1 visa, copy of valid passport and copy of current I-20 or DS-2019.

Qualifications for Guest Student Status. Guest Student status is assigned to any of the following:

- Current regular students at another school but wanting to take courses at Andrews without seeking to earn a degree.
- Individuals who need certain courses to qualify for certification or admissions to an undergraduate program of study.

High School Students Taking College Classes. High School students are eligible to take Courses Approved for High School Registrations if they meet the following criteria:

- Students are enrolled in Grade 10, 11 or 12 or equivalent education levels.
- Students have a minimum cumulative GPA of 3.00 from an accredited high school.
- Students whose first language is not English or who have not completed the last four years in schools where English is the language of instruction must provide evidence of English proficiency.
- Signed approval is required from a parent and the school registrar (unless home schooled).

Financial limitations apply:

- To qualify for the high school tuition rate, a student must register for and start the course(s) prior to graduating from high school or taking the GED or equivalent high school completion test.
- A maximum of two courses per semester will be approved at the high school tuition rate. Students must meet any prerequisites.

Students will be responsible:

- As each school makes its own decision about whether university courses fulfill high school diploma requirements, the student is responsible for clarifying credit status with their school counselor before registering.
- High school students taking Andrews University courses are held to the same academic policies, procedures and deadlines as university students. These
students will be personally motivated and responsible for their college level studies, requesting support as needed.

Delivery of courses. Andrews University college courses are available to eligible high school students in the following formats:

- **On-campus courses** taken by an individual student or by groups of students through the Berrien RESA or area high schools, taught by Andrews University faculty or adjunct faculty.
- **Interactive online courses** taken by individual students or by groups of students through Adventist Academies or Griggs International Academy's affiliate schools, taught by Andrews University faculty or adjunct faculty.
- **Concurrent enrollment courses** taken by groups of students attending an Adventist Academy, taught by approved academy teachers who serve as Andrews University adjunct faculty.

More information for high school students, parents and advisors, as well as schools interested in concurrent enrollment, is available through www.andrews.edu/precollage

Limitation of Credits Taken on Guest Student Status. Students who eventually apply and receive regular admission, may ask that up to 30 of the Andrews undergraduate credits taken as a Guest Student be applied towards the proposed degree. A minimum grade of C must be received in each course to be accepted for degree credit.

**Students Accepted with Prescribed Intervention**

Some freshmen who do not meet regular admissions standards but whose high school performance or test scores indicate a possibility of success may be accepted. They are advised through the Student Success Center. They will receive skills assessments and will be placed in classes selectively to enhance their academic success. Many will be required to take skills building classes. Our goal for students accepted with intervention is to have them improve skills deficits and achieve satisfactory academic performance to progress in their academic program.

**Refusal or Annulment of Admission**

Applicants may be refused admission

- when they do not meet the admission standards
- when they submit transcripts or records found to be fraudulent. Admission status may be canceled or annulled
- when students do not meet the conditions specified for continuing enrollment
- when the admission status was based on documents later found to be fraudulent.
- when information that differs from the expectation of integrity agreed to in the Andrews University application is disclosed.

**Undergraduate Academic Information**

**Planning Programs**

Advisors. Students are assigned academic advisors based on the major chosen. Advisors function as academic guidance counselors to help students to schedule their courses, to learn how to follow academic rules and regulations, and to make decisions regarding their future. Although advisors assist students, the responsibility for meeting degree requirements and knowing the rules which govern academic matters always rests with the individual student.

**Required Placement Tests.** Before registration, all new students must take two placement tests for use in academic advising:

- **ACT or SAT**
  The ACT or SAT is required for admission and should be taken before arriving on campus. (International students studying outside the U.S. will be required to take the ACT/SAT if offered at their secondary schools.)
- **TOEFL, MELAB, IELTS, or PTE** international students that have not had four years of secondary school that was taught in English are required to take the TOEFL, MELAB, IELTS, or PTE.
- **Mathematics Placement Test**
  The Mathematics Placement Test is given on campus.

Direct questions concerning advising, tutoring and student success to the Student Success Center. (phone 269-471-6096, e-mail: success@andrews.edu).

**Declaration of Major.** Students are encouraged to declare their major field of study by the start of their sophomore year. Special advisors are assigned to students yet undecided. Assistance in exploring majors/careers is given through the Student Success Center and the Counseling & Testing Center.

**How to be Well-Prepared Academically**

If you want to be well prepared for your university studies at Andrews University, we recommend that you take the following courses during your high school/academy/secondary home school years (or the equivalent of grades 9 through 12 in the U.S. educational system):

- Four years of math, including algebra I and II;
- Three years of lab sciences courses, with biology, chemistry and/or physics recommended;
- Four years of English courses, including ones that emphasize writing and vocabulary;
- Two years of a language other than English;
- One year-long computer course, including development of skills in database, web page development and other advanced skills; and
- Two years of social studies courses, including world or U.S. history (or history for your country of residence) and geography.

If it’s available at your school, also plan to take a Bible/religion course each year.

- **Music/fine arts, physical education and practical arts also help build a well-rounded secondary education.**
- To find out more on how to take the right academic steps to succeed when you attend Andrews University (as well as other information on attending Andrews), please consult www.andrews.edu/future/.

**Class Standing**

At the beginning of the autumn semester, undergraduate students are classified according to the number of semester credits earned:

<table>
<thead>
<tr>
<th>Year</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Freshman</td>
<td>0–24</td>
</tr>
<tr>
<td>Junior</td>
<td>25–56</td>
</tr>
<tr>
<td>Senior</td>
<td>87+</td>
</tr>
</tbody>
</table>

**Areas of Study**

Specific requirements for majors, minors, and professional-degree programs are listed under each department section. Courses in other departments which are needed for a degree program also may be required as related cognate requirements.

All courses used to meet major requirements must be selected in consultation with the major professor or advisor.

**Honor Lists**

Dean’s List. Students with a minimum semester GPA of 3.50 are eligible to be on the Andrews University Dean’s List. They must carry a load of at least 12 letter-graded credits, have no letter grades below a B (3.00), and have no incompletes. Receipt of a DG does not affect eligibility for the Dean’s List as long as letter grades are earned in at least 12 credits, excluding those with a DG. Each semester this list may be published or posted.

**Study-Work Loads**

**Course Load.** The course load is expressed in semester credits. Each semester credit represents one fifty-minute class period or equivalent per week for one semester. Preparation time of approximately two hours for each class period is assumed. Thus a 4-credit class meets four times a week. A laboratory or practicum experience of 3 hours is considered equal to one regular class period unless otherwise noted in the course syllabus.

The normal undergraduate class load is 15 to 16 credits per semester. Those wishing to register for more than 17 credits must secure permission from their dean. If good scholarship has been demonstrated by the student, the dean may permit a freshman to register for a maximum load of 17 credits; sophomores, juniors, and seniors for 18 credits. Adding to the course load by receiving private instruction, by correspondence work, or by registering in another university or college while being currently registered at Andrews University is not allowed. Exceptions must have permission from the dean of the school in which the student is enrolled. If permission is granted, the total study load per semester must not be greater than the maximum load permitted in residence. A student is not permitted to earn more than 20 credits during one semester.

**Work Load.** The course load of students who engage in part-time employment must be adjusted to provide a reasonable balance of work and study. In determining the
Students may be dismissed in December if they:

- Successfully complete at least 66% of all courses attempted following initial enrollment.
- Maintain an overall GPA of at least 2.00 (average grade of C).

If a student fails to maintain an overall GPA of 2.00 (on a 4.00 system), his/her enrollment category is changed to probationary.

Academic Probation Procedures

Academic Probation. A student is classified as on Academic Probation when one or more of the following three conditions apply:

- the cumulative AU GPA falls below 2.00,
- the semester GPA is 1.75 or below,
- a combination in a semester of three or more of Withdrawals (W), Incompletes (I), or grades lower than a C.

Students on academic probation are removed from probation when their academic status changes to good academic standing.

Part-time employment should be no greater than 12 hours per week and extra-curricular activities should be limited:

- Students on academic probation status shall not be allowed to:
  - Be a member of Andrews Gymnics or Cardinals sports teams
  - Be a member of any performing group that requires frequent absences from campus
  - Hold an officer position in AUSA or any departmental club.

UG Academic Dismissal. Students are subject to academic dismissal from the University in one of the following ways:

- Earning during a given semester a GPA of 1.25 or less
- Two consecutive or three total semesters on academic probation
- Violations of the Academic Integrity Code as outlined in the Andrews University Academic Integrity Policy

Students may also be dismissed from a department or program if the specific requirements for a degree are not met by that individual.

Dismissal in December

Students may be dismissed in December if they:

- Were admitted on academic probation as a transfer student from another institution, and were listed on academic probation at Andrews based on Fall Semester grades
- Were dismissed at the end of their most recent semester at Andrews and had their dismissal revoked on appeal, but failed to achieve Good Academic Standing based on Fall Semester grades
- Were readmitted for Fall Semester after an academic dismissal but failed to achieve Good Academic Standing based on Fall Semester grades

Dismissal in May

Students may be dismissed in May if they:

- Have had two consecutive semesters, or three total semesters, on academic probation status and failed to achieve Good Academic Standing based on Spring Semester grades
- Were dismissed at the end of their most recent semester at Andrews and had their dismissal revoked on appeal, but failed to achieve Good Academic Standing based on Spring Semester grades

- Were readmitted for Spring Semester after an academic dismissal but failed to achieve Good Academic Standing based on Spring Semester grades
- Received notice in December that their academic probation status would result in dismissal at the end of Spring Semester unless their GPA improved significantly based on Spring Semester grades (Deferred Dismissal)

Appeal Process:

A dismissal that follows Andrews University policy will not normally be eligible for an appeal. Students who feel there are extenuating circumstances that override policy may appeal a dismissal decision to their Academic Dean. Consultation with the Director of the Student Success Center, departments, and/or academic advisors may be necessary before appeal decisions are made. Academic Deans will communicate decisions on appeals to students and copy these decisions to Student Success.

International Collegiate Programs

The following apply to transfer credit from institutions outside of the United States.

Evaluation of Transfer Credit

Transfer credits from institutions outside of the United States will be evaluated to determine transferability to Andrews University degree requirements. The University reserves the right to request a student to provide an external evaluation of international transcripts from a credential/transcript evaluation agency (e.g. WES).

Advanced Credit

Applicants who have attended schools in systems of education extending beyond the equivalent of 12 years of elementary and secondary school in the United States may be awarded advanced credit.

A-Level Passes. Up to 8 credits may be awarded for each Advanced Level grade of C or higher and 4 credits for each Advanced Subsidiary Level grade of C or higher. (See the Equivalency Table)

European Advanced Standing. Up to 32 ACE or general elective credits may be awarded to students earning secondary or high school credentials in countries that are members of the European Higher Education Commission that support the Bologna Process. (See By-Country Admission Criteria)

Cambridge Pre-U

Credit may be awarded for Pre-U principal level grades of M3 or higher. (See Pre-U Equivalency Table)

International Baccalaureate Exam

A score of 4 (Higher Level) or better will be accepted for general education credits. A score of 5 (Higher Level) or better will be considered by departments for credit towards major requirements.

Credit For Prior Learning

Andrews University approves credit for prior college-level learning earned through recognized advanced standing, standardized and department exams, validation and portfolio assessments. For information about evaluation of transfer credits, see Transfer of Credits.

No form of credit for prior learning will be approved to replace grades earned through Andrews University.

In order for credit to be assessed and articulated:

- The student must have matriculated and be in good and regular standing at the time prior learning credit is requested.
- Prior learning credits must be evaluated prior to registration in the last 12 credits required for program completion.
- The total of all credit awarded for prior learning, excluding credits transferred from accredited institutions must not exceed 30% of the total credits required for program completion.

Before first registration, students should discuss all prior college-level learning (documented and undocumented) with their academic advisor and the Prior Learning Coordinator. Assessed prior learning is assigned a pass or fail grade. Only passing grades are recorded as prior learning credit.

Advanced Placement Exams. Credits for advanced high school learning may be applied toward major, concentration, minor, core experience and elective requirements. The following options are currently recognized:
Academic credit is available for some of these experiential learning commitments. Credit for Off-Campus Study/Experience - After Admission to AU awarded does not meet residency requirement. External exams administered by the department for internal evaluation. Performance exams can be arranged to waive requirements, place into courses (meet prerequisites), or earn credits meeting program requirements. Portfolio Assessment. Validation of Non-Traditional Learning. Professional certifications or performance exams may be evaluated for alignment to Andrews University course outcomes. Credit awarded does not meet residency requirement. Andrews University recognizes college-level learning validated through entities such as the American Council on Education (ACE), the National College Credit Recommendation Service (NCCRS), and Joint Services Transcripts (JST). Some transfer credits from unaccredited entities not recognized by American Council on Education may be approved by the Chair of the Department and the respective Dean. Portfolio Assessment. When none of the above methods apply, prior learning may be validated and credit granted through review of a portfolio of evidence demonstrating achievement of a specific course’s learning outcomes. Students begin the prescribed portfolio process by contacting the Prior Learning Coordinator and their academic advisor. Students must complete at least 12 credits in their current program prior to applying for Andrews University portfolio assessment. Portfolios may be assessed through the Council of Adult and Experiential Learning (CAEL). Credit that may be awarded does not meet residency requirement. Credit for Off-Campus Study/Experience - After Admission to AU. In keeping with the Andrews mission statement, many opportunities are available for students to engage in changing the world during their degree program. Academic credit is available for some of these experiential learning commitments.

Adventist Colleges Abroad Studies. Andrews University co-sponsors Adventist Colleges Abroad, a program in which qualified students study overseas while completing requirements for graduation at Andrews. This language and cultural immersion is available in eight locations: Argentina, Austria, Brazil, England, France, Italy, Singapore, and Spain. Andrews degree-seeking students earn Andrews University credit for courses listed in the current Andrews bulletin which are available on ACA campuses. Working with both Andrews and ACA advisors, students may be able to transfer additional credits offered by the ACA college which are not listed in the Andrews bulletin. More information is available at http://www.aca-noborders.com/ or https://www.andrews.edu/cas/lnl/programs/aca.html

Educational Tours. Tours enrich required classes. Internships/PRACTICUM/EXTERNSHIPS/ OPT. Work opportunities may be offered for professional programs that require an internship for degree completion. They contribute to preparation to obtain a license. Externships may be arranged through departmental connections for new graduates. No grade is assigned.

Student missions. Students may volunteer to serve in another culture or state, breaking their full-time study for one or more semesters. In addition to co-curricular mission-preparation, students may arrange to complete one or more courses through distance learning or independent study at special tuition rates. Students may wish to discuss options with their academic advisor to maximize the global learning during this mission experience.

Transient credit. Students may take and transfer credit from another college or university after being admitted to an Andrews degree program. A transient form should be completed prior to taking courses elsewhere to ensure credits meet degree requirements.

Transferring Correspondence Courses from Another Institution. A maximum of 16 semester credits by correspondence, other than credits taken through Andrews School of Distance Education, is accepted toward a baccalaureate degree. However, correspondence credit may be applied on a major or a minor only with the approval of the department chair. Normally, students do not take correspondence courses while in residence. They may be allowed to do so because of a schedule conflict. Permission must be obtained in writing from the dean of the school in which the credit is to be accepted. Correspondence work is counted as part of the regular college load. Courses should be completed within six months from the time of enrollment. Only 6 transfer credits, including correspondence credits, may be applied toward the last 36 semester credits of a baccalaureate degree. Correspondence courses cannot be used to replace failures or other low grades earned in residence. All transcripts for correspondence work must be in the Office of Academic Records at least 15 days prior to commencement weekend.

Baccalaureate Degree Requirements

The general requirements are the minimum required to receive a baccalaureate degree. Departments often have higher standards and additional requirements. The minimum, general standards are listed below.

Credit Requirement

• A minimum of 124 semester credits must be earned and applied toward the degree.

Course Requirements

Bachelor of Arts or Bachelor of Science degrees. The Bachelor of Arts and the Bachelor of Science degrees promote a liberal arts education that fosters distinct methodologies and intellectual capacities. Both degrees require focused study of the human experience and scientific inquiry. Students must complete required courses including the following: General Education requirements plus the requirements for a major, a minor (if required), and specified cognates (or related courses).

The Bachelor of Arts is a liberal arts degree that explores the human experience and its meaning across a variety of disciplines. The degree includes second language proficiency at the intermediate level and often provides opportunities for a minor.

The Bachelor of Science is a liberal arts degree allowing for concentrated study in a particular field.

Professional baccalaureate degrees. Students must complete all required courses including the following: General Education requirements plus the specific requirements for a degree as outlined in the appropriate section of this bulletin, including core, major, emphasis, and cognate requirements. All baccalaureate degrees. Students must complete a minimum of 30 semester credits from courses numbered 300 or above.

Residence Requirements

• A minimum of 30 of the last 60 credits for baccalaureate programs must be earned through completion of Andrews University undergraduate level courses included in the academic bulletin.

• A minimum of one-third of the credits required for a major, and 3 credits required for a minor must be earned on campus and in courses numbered 300 or above.

• School of Business Administration students seeking a BBA must complete at least 50% of the core and major (33 of the total 66 credits) in residence.
Grade Requirements

- Overall GPA: A GPA of at least 2.00 (C) is required in all credits, and in credits earned at Andrews University. (Individual schools or departments may have higher minimum GPA requirements.)
- Major GPA: A GPA of at least 2.25 is required in all transfer credits, and in all credits earned at Andrews University that are counted for a major. (Individual schools or departments may have higher minimum GPA requirements.)
- Minor GPA: A GPA of at least 2.00 is required in all transfer credits, and in all credits earned at Andrews University that are counted for a minor. (Individual schools or departments may have higher minimum GPA requirements.)
- No course with a grade below C- may count toward a major or minor.

One Degree with Multiple Majors. Students may earn more than one major for a single degree. When more than one major is chosen, all the requirements for each major must be met to include all cognates for each major. If the majors represent more than one degree the student must specify which degree he/she wishes to receive (i.e., BA, BS or Professional degree) and complete the General Education requirements for that degree. A course may be used to fulfill the requirements for more than one major or minor if at least 75% of the major/minor credits are not also counted for another major/minor. A course may not be used to fulfill the requirements of more than one major or minor used for teacher certification. Any courses that fulfill cognate requirements for one major/minor may also be counted for another major/minor. One diploma will be issued for the single degree even if there are multiple majors.

Multiple Degrees. Students who earn more than one major and the majors are in different degrees may wish to earn a degree for each major (i.e., BA, BS or Professional degree). If more than one degree is chosen the General Education requirements for each degree must be completed. A General Education course may be used to fulfill the General Education requirements for multiple degrees. All the requirements for each major must be met to include all cognates for each major. A course may be used to fulfill the requirements for more than one major or minor if at least 75% of the major/minor credits are not also counted for another major/minor. A course may not be used to fulfill the requirements of more than one major or minor used for teacher certification. Any courses that fulfill cognate requirements for one major/minor may also be counted for another major/minor. One diploma will be issued for each degree earned.

Assessment (Evaluation) Requirements. Baccalaureate-degree candidates for some programs must complete departmental assessment examinations administered by the Counseling and Testing Center. These testing experiences include major field exams for selected departments and majors. Departments may ask students to participate in additional assessment activities.

Request for Graduation. A degree candidate must file a request for graduation with approval by the student’s advisor and a designated records officer.

Second Baccalaureate Degree Requirements

If a student wishes to earn a second baccalaureate degree, he/she must

- complete, in residence, 30 credits beyond those required for the first baccalaureate degree.
- meet all of the published requirements of the second degree major/professional component, including prerequisites, cognates, degree core, and General Education requirements specific to the program of study for the second degree.
- complete a minimum of 3 credits in religion if the first degree did not include a comparable General Education component in religion.

Associate Degree Requirements

Credit Requirement. A total of 62 semester credits must be earned and applied toward the degree.

Course Requirements. Students must complete the General Education requirements plus the specific requirements for the degree as specified in the appropriate section of this bulletin, including core, major, emphasis, and cognates as required.

Residence Requirements

- A minimum of 15 credits for associate programs must be earned through completion of Andrews University undergraduate level courses included in the academic bulletin.
- A minimum of 9 credits of the major must be taken in residence.

Grade Requirements. The grade requirements for an associate degree are the same as for a baccalaureate degree.

- Overall GPA: A GPA of at least 2.00 (C) is required in all transfer credits and in credits earned at Andrews University. (Individual schools or departments may have higher minimum GPA requirements.)
- Major GPA: A GPA of at least 2.25 is required in all transfer credits and in all credits earned at Andrews University that are counted for a major. (Individual schools or departments may have higher minimum GPA requirements.)

Student's Governing Bulletin

Students may graduate under the bulletin for any school year they attend Andrews as long as that bulletin was published no more than ten years before the planned date of graduation. If students leave the university after earning at least 8 semester credits and then try to transfer more than 12 semester credits earned in the interim from another college, they are governed by the bulletin for the school year in which they return. The dean of the college in which the student is enrolled may permit exceptions.

The university reserves the right to require students (1) to take another course when a course required under an earlier bulletin is no longer offered, and (2) to graduate under a recent bulletin if they are working for certification by a governmental or professional agency.
Andrews Core Experience (ACE) Program

Nethery Hall, Room 135
269-471-6157

Philosophy of the Andrews Core Experience Program

The rapid expansion of knowledge in a global community requires those who would be truly educated citizens to adopt a philosophy of lifelong learning. One must engage the mind in the study of many fields, from the fine arts and humanities to the empirical, quantitative, and social sciences. This broad encounter with the varied perspectives of the liberal arts tradition forms the domain of General Education.

Transmitting this foundational heritage—along with an appropriate level of knowledge and skills—is the essential purpose of the Andrews Core Experience at Andrews University.

The Andrews Core Experience (ACE) seeks to prepare graduates who possess the knowledge, ethical values, interests, abilities, communication competence, quantitative skills, and analytical thinking for both leadership and service, so that they may contribute effectively to their homes, work places, communities, and churches.

Anchored in key 100-level courses, the first-year ACE curriculum provides an introduction to academia and a balanced university life, further development of essential academic skills, and a sense of belonging to the Andrews University community.

Andrews Core Experience Learning Outcomes

The Andrews Core Experience addresses the following Andrews University Undergraduate Institutional Outcomes:

1. Demonstrate competence in intellectual, affective, and practical skills to prepare for careers in the twenty-first century, lifelong learning and service.

Skills for undergraduate students are: information literacy, quantitative literacy, engaging diverse perspectives, ethical reasoning, analytical inquiry in the form of problem solving and creative thinking, communication, wellness and transferable life skills.

2. Pursue enduring questions through study in core fields and explore the connections between those fields.

3. Articulate a biblical worldview in order to interpret life, learning, and civic responsibility from a Seventh-day Adventist perspective.

Honors General Education (SAGES)

The Andrews Honors Program offers a series of interdisciplinary courses which apply to the General Education requirement. See Scholars Alternative General Education Studies (SAGES).

Andrews Core Experience (ACE) Program Requirements

Andrews Core Experience: Bachelor's Degrees

The Andrews Core Experience requirements for all bachelor's degrees are listed below. The table can also be viewed in a printable PDF format.

The Andrews Core Experience requirements for Associate of Technology (AT) and Associate of Arts (AA) degrees are listed below. The table can also be viewed in a printable PDF format.

### Outcomes:
- Demonstrate competence in intellectual, affective, and practical skills to prepare for careers in the twenty-first century, lifelong learning and service.
- Pursue enduring questions through study in core fields and explore the connections between those fields.
- Articulate a biblical worldview in order to interpret life, learning, and civic responsibility from a Seventh-day Adventist perspective.

### Andrews Core Experience Mathematics
The Andrews Core Experience mathematics requirement consists of a skill requirement, which should be met first, and a reasoning requirement, which should be fulfilled no later than the second year of college.

The skill requirement, competence in arithmetic and high school algebra, is met by an official Mathematics Placement Exam (MPE) score of at least P2, which may be obtained through testing or by completing the skills course material in MATH 091 and MATH 092.

The skill requirement (MPE score) by testing.

The MPE score provides information essential to planning the college career; thus, almost all students (see exceptions below) must obtain an official MPE score during the first semester of residence. Students with ACT or SAT scores will have an official MPE score assigned, based on their performance on the math portion of the test. All incoming students, new and transfer (see exceptions below), should check their record for an MPE score. If they do not have a score or believe that the placement is inaccurate, then they can obtain an official MPE score by taking a proctored assessment. For details go to the Department Web site at https://www.andrews.edu/cas/math/mathematicsplacement/.

The skill requirement (MPE score) by skill course.

The course sequence, MATH 091 and MATH 092 Arithmetic and Algebra Review is offered for students with MPE scores of E0, E1, M0, M1, P0, P1. Students with these scores should usually enroll in MATH 091 Arithmetic and Algebra Review during their first semester. Many students should plan to enroll first in MATH 091 and then MATH 092 (for two successive semesters) to bring their skills up to the required level. Completion of the MATH 091/MATH 092 sequence with a passing grade in both courses fulfills the skill requirement and awards a P2 score. An R grade in MATH 092 indicates that the student is making reasonable progress but needs to re-register for MATH 092 to complete the material. For more information on MATH 091 and 092, go to the Department of Mathematics Web site.

The reasoning requirement.

MATH 145 Mathematics in the [Mis]Information Age is the course which most non-science students will find appropriate for meeting the reasoning requirement. MATH 165, MATH 166, MATH 168, MATH 191, and MATH 195 also meet the reasoning requirement.

The reasoning requirement.

MATH 145 Mathematics in the [Mis]Information Age is the course which most non-science students will find appropriate for meeting the reasoning requirement. MATH 165, MATH 166, MATH 168, MATH 191, and MATH 195 also meet the reasoning requirement.

### Transfer policy.
Coursed transferred to meet the reasoning requirement must be broadly equivalent, both in content and level, to those offered at Andrews to meet the requirement. Andrews students who wish to take a course elsewhere to meet the reasoning requirement must first meet the skill requirement and must have the proposed course accepted by petition before enrolling in it. Courses titled Intermediate Algebra, Elementary Algebra, Basic Algebra, Pre-algebra, College Arithmetic, or Business Mathematics may prepare the student for the MPE but do not normally meet the reasoning or the skill requirement or apply toward graduation.

### Exceptions
Students who at admission transfer College Algebra, College Algebra with Trigonometry, Precalculus, Precalculus Algebra, Precalculus Trigonometry, Calculus, a Cambridge "A Level" pass in Mathematics, or an AP Calculus score of 4 or 5 fulfill both the mathematics reasoning and skill requirements.
Some courses other than those listed in 1 above may be accepted for the reasoning requirement, provided they are presented at admission and the skill requirement is separately fulfilled. Current criteria will be applied case by case. Students wishing to have a course evaluated should email the Andrews University Department of Mathematics a link to the course description found on the Web site of the institution offering that course.

Students enrolled in the Center for Intensive English Programs are not required to obtain an official MPE score until the first semester of enrollment in regular college-level courses.

Religion Transfer Policy

<table>

</tr>
</tbody>
</table>

* Transfer credits are determined on the basis of courses taken prior to attending Andrews University.

Michigan Transfer Agreement

The Michigan Transfer Agreement (MTA) is designed to ease the transition from a Community College to a Michigan baccalaureate institution. The MTA satisfies a portion, but not all of the Andrews Core Experience (ACE) Requirements for general education. Transfer students from sending institutions who are accepted into Andrews University and have satisfied the MTA will have their courses evaluated to determine how the transferring courses meet ACE Requirements (See Table below). The MTA does not satisfy major, minor, or cognate course requirements. Students are responsible for requesting official transcripts from the awarding institution.

Graduate Academic Policies

The School of Graduate Studies, an administrative unit that coordinates university-wide academic and research quality on behalf of the graduate faculty, monitors decisions regarding admission, academic progress, and eligibility for graduation of students in most programs. Departments and programs may have additional requirements for admission. Consult the appropriate portions of this bulletin for such requirements.

The Dean of the School of Graduate Studies office is located in the Administration Building, AD310, graduateschool@andrews.edu.

Graduate Enrollment & Admission Policies

The Admission Process

The graduate programs at Andrews University are characterized by academic quality, attention to research, close individual student/professor interaction, and an emphasis on the spiritual dimensions of the various content fields. The university welcomes students in harmony with these ideals to apply for admission to its graduate programs.

- Applications for graduate programs should be submitted online at www.andrews.edu/apply along with the appropriate requirements. Once the application is complete and ready for review, the appropriate Academic Program and School will make an admission decision on the application. Graduate Enrollment Management processes the Admission Decision and communicates it to the applicant.
- Applicants for the DPT Program must apply through the Physical Therapy Centralized Application Service (PTCAS). For more information, see the School of Rehabilitation Sciences section of this bulletin.
- Applicants for the SPLAD Program must apply through the CSDCAS Application Service. For more information, see the School of Communication Sciences & Disorders section of this bulletin.

How to Apply

The graduate application is to be submitted online along with the nonrefundable application fee. Online and paper application fee is $60. During the application process, you may pause and then reopen your online application file through a link to its graduate programs.

Application Deadlines for Domestic and International Students

Domestic and International students are required to complete and submit all the application requirements before the deadlines listed below:

- Spring (January - April): November 15
- Summer (May - July): June 1
- Fall (August - December): July 30

Some departments may have different deadlines. Please click here to search for your program deadlines.

Eligibility Requirements

These are the eligibility requirements as stated by the School of Graduate Studies.

Graduate Certificate Programs

To qualify for regular admission to a Graduate Certificate program, students must meet the minimum eligibility requirements as stated in the Master’s degree section below, in addition to fulfilling the general admission requirements.

Master’s Degree Programs

MA, MArch, MAT, MBA, MMus, MS, MSA, MSMLS, MSW, MSCID, MIDA, MPH

To qualify for regular admission to the master’s-degree programs governed by the School of Graduate Studies as listed above, students must meet the following minimum academic standards in addition to the appropriate admission requirements.

- Hold a four-year baccalaureate degree from a regionally accredited American university or senior college, or its equivalent from a comparably recognized institution outside the U.S. Accreditation must be from an accrediting body recognized by the US Department of Education or schools outside of the US must have government recognition in the country of origin or by the Adventist Accrediting Association. Degrees or work received from institutions generally considered to be diploma/degree mills are not evidence of prior academic work.
- Demonstrate adequate undergraduate preparation in the proposed field of graduate study and in general education. This will be evaluated by the respective schools and departments that designate subject-matter preparation. Consult the specific school and departmental requirements.
- Indicate ability to handle master’s-level work in the language of instruction. See English Proficiency Requirement section for more information.
- Show evidence of ability to carry advanced study as listed below. Some specific programs require a higher GPA for admission—consult department/program requirements in other sections of this bulletin.
- Satisfy one of the criteria below:
  - Have an overall GPA of at least 2.60 in undergraduate courses.
  - Have a GPA of at least 2.75 on last 50% of undergraduate courses.
  - Have a graduate GPA of at least 3.00 on 8 semester credits or more earned in courses graded A-F.
  - Hold a previous master’s degree.

Doctoral and Advanced Degrees

Educational Specialist (EdS), Doctor of Education (EdD), Doctor of Philosophy (PhD), Doctor of Theology (ThD), Doctor of Missiology (DMiss), Doctor of Nursing Practice (DNP)

To qualify for regular admission to a specialist or doctoral program, students must meet the following minimum academic standards in addition to fulfilling the general admission requirements.

- Hold a baccalaureate degree or master’s degree in an area appropriate to the major emphasis of the specialist or doctoral program from a regionally accredited American university or senior college, or its equivalent from a comparably, recognized institution outside the U.S. Accreditation must be from an accrediting body recognized by the U.S. Department of Education, or schools outside of the U.S. must have government recognition in the country of origin or by the Adventist Accrediting Association. Degrees or work received from institutions generally considered to be diploma/degree mills are not evidence of prior academic work.
- Evidence of adequate preparation for doctoral-level graduate work. Applicants who have completed at least 16 semester credits of graduate work must have a least a graduate GPA of 3.0. Applicants to the School Psychology program may see the program admission requirements.
- Provide evidence of adequate preparation in the proposed field of graduate study and in general education. This will be evaluated by the respective schools and departments that designate subject-matter preparation.
- Show evidence of the ability to handle specialist- or doctoral-level work in the language of instruction. See English Proficiency Requirement section for more information.

Physical Therapy Degrees and Programs

Doctor of Physical Therapy (DPT), Transitional Doctor of Physical Therapy (t-DPT), Doctor of Science in Physical Therapy (DScPT), Orthopedic Clinical Residency Program

Professional degrees in the School of Rehabilitation Sciences operate under the supervision of the Physical Therapy Professional Degree Council. This council has delegated authority to act as the Courses and Curriculum Committee for all Physical Therapy programs. The Physical Therapy Professional Degree Council formulates and approves general education requirements after consultation with the General Education Committee and develops academic, department, financial and other policies of its programs. See the School of Rehabilitation Sciences section of this bulletin for academic standards for these degrees and programs.

Theological Seminar Professional Ministerial Degrees

Master of Arts in Pastoral Ministry (MAPM), Master of Arts in Youth and Young Adult Ministry (MAYYAM), Master of Divinity (MDiv), Doctoral of Ministry (DMin)

Professional degrees in the Theological Seminar are not under the supervision of the School of Graduate Studies. See the Theological Seminar section for academic standards for these degrees.

Admission Requirements

Degree Requirements for Admissions into Graduate Programs

An earned degree is one of the requirements for admissions into a graduate program. Following is the degree requirement for admissions into Andrews University graduate programs:

1. Programs may admit students into doctoral programs on the basis of a bachelor’s degree. An applicant with a discipline specific bachelor’s degree may be
admitted into a corresponding doctoral program. Students in these programs may earn an advanced degree en route to the doctoral program. (For example, currently, applicants with a bachelor's in psychology may be admitted into the PhD in Counseling Psychology). Normally, a student admitted into a doctoral program with a bachelor's degree needs a minimum of 90 graduate credits for the doctoral degree.

2. Programs may admit students into doctoral programs on the basis of a master's degree. Applicants with a master's may be admitted into a doctoral program; however, the credits from the master's program shall not be transferred into the doctoral program. Only credits that do not apply to the master's degree are applicable to the doctoral degree requirements and normally, a student needs a minimum of 60 post-masters credits for the doctoral degree.*

3. Programs may admit students into master's programs on the basis of a bachelor's degree or another master's degree. Normally, a student needs a minimum of 30 graduate credits for the degree.

*professional doctorates, such as, the DMISS, DNP, DPT, DScPT, and T-DPT may require fewer post master's credits.

These are the minimum admission requirements based on each degree level; however, note that each graduate program may have unique admission requirements. Also, international students will need to submit additional requirements:

Graduate Certificate Requirements (Communication, Leadership, Religious Education, Educational Leadership, Campus Spiritual Leadership)
- Statement of Purpose - At least 500 words.
- Professional History or Resume - Information about your employment, research, or special projects.
- Recommendations - Two professional or academic recommendations are required.
- Official Transcripts - From institutions where all post-secondary coursework was taken. Official transcripts must be sent directly from your school to The Office of Graduate Enrollment Management at Andrews University. These documents may also be delivered in a sealed envelope with the issuing school's seal.

Master Level requirements (MA, MArch, MAT, MBA, MMus, MPH, MS, MSA, MSMLS, MSW, MSCID, MIDA)
- Statement of Purpose - At least 500 words.
- Professional History or Resume - Information about your employment, research, or special projects.
- Recommendations - Two professional or academic recommendations are required.
- Official Transcripts - From institutions where all post-secondary coursework was taken. Official transcripts must be sent directly from your school to The Office of Graduate Enrollment Management at Andrews University. These documents may also be delivered in a sealed envelope with the issuing school's seal.
- Standardized Test - Most programs require the GRE (Graduate Records Exam) or GMAT (Graduate Management Aptitude Test) exam. This exam must be taken within five years prior to admission. Visit this link to see a full list of the programs that require this test.
- Research Paper - Most programs require submission of a research paper that showcases your best writing work.
- GRE (Graduate Records Exam) exam - Most programs require this test. It must be taken within five years prior to admission. Visit this link to see a full list of the programs that require this test.
- Applicants for the DPT Program must apply through the Physical Therapy Centralized Application Service (PTCAS). For more information, see the School of Rehabilitation Sciences section of this bulletin.

Post-Doctoral Certificate requirements (Leadership)
- Statement of Purpose - At least 500 words.
- Professional History or Resume - Information about your employment, research, or special projects.
- Recommendations - Two professional or academic recommendations are required.
- GRE (Graduate Records Exam) exam - This exam must be taken within five years prior to admission.

International Students
In addition to fulfilling the regular admission requirements, international students need to submit additional documents in order to complete their graduate application.

Additional Admission Requirements
- Transcripts:
  - Domestic and international prospective students who graduated from an educational institution in the U.S. must upload unoffical transcripts directly in the Graduate Application system during the application process. Official final transcripts will be required only after admission decision.
  - Domestic and international prospective students who graduated from an educational institution outside the U.S. must upload unoffical original language and literal English translation of the transcripts in the Graduate Application system during the application process. A copy of a diploma may also be required. Official final transcripts will be required only after admission decision.
- The Enrollment office reserves the right to request a WES International Credential Advantage Package (WES ICAP) evaluations for international transcripts.
- English Proficiency: International students must demonstrate their proficiency in English. See English Proficiency Requirement section for more information.
- Bachelor's degree diploma: A copy of the literal English translation of the diploma, along with the original-language document may be sent by email. The copy of the diploma is not needed if the transcripts come through an approved credential evaluation agency (WES, AACRAO, ECE) listing the graduation date.
- Secondary documents: A copy of these secondary documents may be required where applicable:
  - Baccalaureate for the French System
  - Abitur Diploma for the German System
  - A-level results for the British system

Special Requirements
International students who wish to become full time students (F1 visa) must obtain an I-20 form before applying for a visa. The requirements for obtaining and I-20 form are:

Academic acceptance
- Payment of $3,000 advance deposit (not required for Mexico or Canada)
- Submit the Estimated Budget Sheet form
- Notarized affidavit of support for all personal funds and/or sponsorships
- Bank documentation for the previous 12 months
- A full semester payment in advance is required for citizens of Kenya and Ethiopia
- A full semester payment in advance is required for students in the Master's of Divinity program

Please visit the Office of International Student Services for more information.
Full-Time Status
International students must retain their status as full-time students as required by the United States Immigration and Naturalization Service (INS). They must enroll for a minimum of 8 credits each semester (MDiv minimum is 9 semester credits) while in the U.S. They may also work on a part-time basis only on campus and if satisfactory academic performance is maintained and such work is allowed by the INS. School of Education (College of Education & International Services) students should visit Full-time Status.

English Proficiency Requirements
English is the language of communication and instruction for all programs on the Michigan campus and at most sites across the United States or Canada. All students whose first language is not English must demonstrate proficiency in English to succeed in this academic setting.

Minimum scores required

<table>
<thead>
<tr>
<th>Test</th>
<th>Minimum Score</th>
</tr>
</thead>
<tbody>
<tr>
<td>internet-based TOEFL (iBT)</td>
<td>80</td>
</tr>
<tr>
<td>Paper-based TOEFL (ITP)</td>

<td>80</td>
</tr>
<tr>
<td>IELTS(Academic)</td>
<td>6.5</td>
</tr>
<tr>
<td>PTE(Academic)</td>
<td>54</td>
</tr>
</tbody>
</table>

The following programs require a higher English test score. Please visit the appropriate links in order to learn more:

- MA Communication
- Seminary Programs
- DPT Physical Therapy

Guidelines

- These tests must be taken within two years prior to enrollment.
- Applicants may not be required to fulfill the English language requirement if one of the following takes place from an educational institution where English is the language of communication and instruction:
  - Completion of education from at least the ninth through the twelfth grade and a high school diploma or equivalent.
  - Completion of a bachelor’s degree (BA or BS) and diploma from an undergraduate college or university.
  - Completion of a graduate degree.
- Students who score below these levels may complete the language requirements by enrolling in Intensive English Program courses (ENSL) on the Andrews University campus and passing the Exit Exam for English as a Second/Foreign Language.
  - The ENSL course work for a student program is formulated on the basis of the results of MELAB (Michigan English Language Assessment Battery), TOEFL (Test of English as a Foreign Language), IELTS (International English Language Testing System), or PTE Academic (Pearson Test of English) and placement test results, and the student’s course load is adjusted accordingly. Some students may be required to take English language studies until English language skills are at an acceptable level. Students who need to take ENSL courses will need to budget for additional costs.
  - Students with a score on the TOEFL ITP (paper-based) of 500-549 (or the equivalent on any of the four other exams) may be eligible for the Pathway Program which allows students to take a limited number of degree program courses while completing language proficiency requirements in Intensive English Program courses. Students in the Pathway Program must demonstrate language proficiency within three semesters in order to continue in the degree program. Not all degree programs allow students to participate in the Pathway Program. Please contact the Center for Intensive English Programs (CIEP) for additional information. Degree programs with higher admissions requirements will also have higher requirements for participation in the Pathway Program.
  - The Counseling & Testing Center in Bell Hall offers the Internet-based TOEFL and MELAB by appointment. The Center for Intensive English in the College of Arts & Sciences offers the Institutional paper-based TOEFL (ITP).

Required Tests

GRE and GMAT
Students are expected to take the GRE General Test or GMAT exam prior to admission. To learn if your program required the GRE or GMAT, please review the admission requirements of your program of interest.

Minimum GRE Scores
Applicants are expected to meet the GRE requirement before admission into the program. The table below provides a breakdown of the proposed minimum scores – programs may establish higher minimum scores. Students who meet the minimum required scores may be admitted on regular status. Students who do not meet the minimum required scores may be admitted provisionally with explicit documentation (such as identified courses, GRE class, etc.) of how the provisions shall be met.

</tr>
</tbody>
</table>

The GRE is not required for all programs. To learn if you program required the GRE, please review the admission requirements of your program of interest.

Guidelines

- Exams are to be taken no more than five years before the date of admission.
- The Andrews University code of 1030 must be used when requesting GRE scores form Educational Testing Services www.ets.org/gre
- The Andrews University code of VVG-G6-19 must be used when requesting GMAT, scores from www.mba.com.
- The Prueba de Admisión a Estudios de Postgrado (PAEP) may be substituted for the GRE as an entrance requirement for any cohort taught in Spanish.
- The GRE scores may be waived for master’s applicants who have graduated with a previous United States master’s degree from a regionally accredited institution, or a United States master’s degree equivalency from an accredited or government recognized institution outside of the U.S.
- Most Masters, EdD, PhD, ThD programs and the EdS School Psychology require general GRE test scores prior to admission. Admission status may be cancelled or annulled in cases of extreme hardship when students applied to the EdS School Psychology program may contact the Department of Graduate Psychology & Counseling for an exception to this policy.
- Admission GMAT requirements can be obtained by one of the following:
  - Attain formula score of 1,000 points, calculated by taking the undergraduate cumulative GPA X 200+GMAT scores 2,100
  - Five years of documented and approved work experience and earned a grade of at least B- in statistics and a grade of at least B- in pre-calculus algebra
  - 3. On-campus Andrews University undergraduate business students with a cumulative GPA >= 3.0 and earned a grade of at least B- in statistics and a grade of at least B- in pre-calculus algebra.
- See Andrews Graduate Scholarship to learn about the GRE or GMAT Scholarship.

Andrews Graduate Scholarship
The Graduate Scholarship is a tuition reduction percentage, based on the GRE or GMAT scores and admission GPA. Please visit Financial Information section and the program page for more information.

Refusal or Annulment of Admission
Applicants may be refused admission

- When they do not meet the admission standards
- When they submit documents found to be falsified

Admission status may be cancelled or annulled

- When students do not meet the conditions specified for continuing enrollment
- When the admission status was based on documents later found to be falsified.

Admission Enrollment Categories
Students are admitted and enrolled under one of the following categories:

Regular Status. Students are admitted on a regular basis when they meet the:

- General admission requirements
- Minimum academic standards for graduate programs at Andrews University
- Specific admission requirements of the departments/programs in which they plan to enroll.

Provisional Status. Students who fail to meet one or more of the requirements for regular admission may be admitted on provisional status. This can be done if the appropriate dean, department chair, or graduate program coordinator believes the student has the ability to be successful in the desired program.
At the time the provisional admission is granted, the student’s deficiency is noted. A plan and a deadline to remove the deficiency is made clear. Deficiencies must be met and the regular status must be granted by the time the student completes 50% of the requirements for graduate certificate and master’s programs or 16 credits for EdS and doctoral programs. Students who fail to meet these requirements are dropped from the program in which they had provisional admission.

Students enrolled on provisional status may not:
- register for thesis or independent study
- request advancement to degree candidacy
- take comprehensive examinations.

Guest Student
Guest student is for students holding a U.S. bachelor’s degree from an institution accredited by a validated accreditation body or its equivalent outside the U.S. The Guest Student status is especially designed to allow the enrollment of qualified students in special classes including workshops and guest students from other universities. Guest Student is a temporary enrollment designation, not an admission category.

Guest Student Status is for:
- Applicants who have no intention of earning a graduate degree from Andrews University.
- Graduate students who are not enrolled at Andrews University and who wish to take classes as guest students.
- Students who have applied for admission to a graduate program but, for some reason, the application has not yet been completely processed. In such cases, Guest Student status is available for one semester only.

Guidelines
- Enrollment on Guest Student status does not guarantee or imply future admission to a degree program.
- Normally, transcripts are not required for Guest Student enrollment.
- Guest Student enrollment must be requested each semester that the student wishes to enroll in a course.
- Courses taken on Guest Student status generally do not count toward a graduate degree. However, after the student has been accepted into a graduate program: up to 8 credits, 15 credits in some Theological Seminary programs, and up to 50% of the graduate certificate programs may be applied by petition.
- Petition requests should be filed during the first semester the student is enrolled in the graduate program. Petitions are evaluated on an individual basis and they are not automatically approved.
- Students registered on Guest Student status cannot have dual enrollment. If the student applies simultaneously for a graduate program, the department and school will notify the student in writing of their admission decision.

Dual Enrollment/Dual Degree Statuses
Dual Enrollment is associated with a student concurrently enrolled in classes at two different levels (for example undergraduate/graduate or high school/college).

Dual Enrollment is available to Undergraduate students who want to earn graduate credits while finishing their undergraduate degree and/or high-school students who want to earn college credits while completing the high school diploma. See the undergraduate and graduate dual degree enrollment sections of the Bulletin to learn more.

A. Undergraduate and Graduate Dual Enrollment
In order to qualify for graduate and undergraduate dual-enrollment status the student must work with their financial aid advisor because their dual enrollment status may affect their financial aid package. Undergraduate credits earned toward the baccalaureate degree may not be used toward the graduate program. The GPA on undergraduate credits does not count toward the graduate GPA.

Additionally, they must satisfy or abide by the following requirements:
- The student must be within 12 credits of completing an Andrews University undergraduate degree
- The student must complete the dual enrollment form
- The student may normally take no more than 16 credits combined graduate and undergraduate each semester

B. Professional Undergraduate/Graduate Accelerated Degrees
Departments may establish undergraduate/graduate dual degree programs (3+2 or 4+1) in order to facilitate completion of both the bachelor’s degree and the master’s degree in 5 years. These dual degree programs may require sequential conferral of the bachelor’s degree first, followed by the master’s degree (called sequential conferral), or they may require concurrent conferral of the bachelor’s and master’s degree at the same time (called concurrent conferral).

- Students apply for the dual-degree program through the department.
- Department establishes minimum standards for acceptance.
- A minimum of 3.0 undergraduate GPA is required (department may establish higher standards).
- Upon acceptance, students may take 500-level courses which have a “swing” course designation, upon reaching senior status.
- Students remain with undergraduate status, and receive undergraduate financial aid for all coursework, until conferral of the bachelor’s degree (if sequential conferral), or until a minimum of 124 credits applying toward the program have been completed (if concurrent conferal).
- The 500-level courses taken as an undergraduate student may apply towards both the undergraduate degree and the graduate degree.
- A minimum of 50% of the graduate program credits must be taken after achieving graduate status.
- Students who withdraw from a concurrent degree program subsequently to being advanced to graduate status will be returned to undergraduate status until the undergraduate degree requirements are met.
- In order to complete both degrees, students must complete a total of 154 semester credits, of which a minimum of 30 credits must be 500-level or above (programs may set higher credit standards).
- Upon conferral of the graduate degree, a statement will appear on the student’s completed transcript to the effect that “500-level courses taken as an undergraduate have been applied to the graduate degree.”

C. Dual Degree Programs
The Dual Degree Status is a formal arrangement between Andrews University and another institution(s) and/or between two Andrews University departments or programs that allow credit from certain courses to be applied to both degrees. This arrangement provides a range of benefits to the institution and to participating students, including:

- Enhancing the educational and research opportunities within the university's undergraduate, graduate, and professional programs;
- Attracting to the university high-achieving and highly motivated students interested in interdisciplinary perspectives;
- Allowing students to complete two degrees in less time than it would normally take to complete each degree separately, thus saving money;
- Providing students with complementary preparation that makes them marketable for a variety of career opportunities;
- Facilitating programmatic and interdisciplinary interaction across programs, departments, schools, and other institutions.

The limitations on the credits taken are the following:
The student must satisfy the GPA requirements and program expectations of both programs. The dual degree agreement will determine how many credits will be shared between the two degrees. Students must meet the minimum requirements for total credits taken at Andrews University for each degree. The same provisions for normal course loads at the graduate level apply, as for all graduate programs.

Requirements:
Andrews University accelerated graduate/graduate dual degree program permits graduate students to pursue two graduate degrees based on an established Andrews University dual degree agreement. Both degrees are to be awarded at the same graduation ceremony. In cases where a student decides not to continue with the dual degree the curriculum for the individual degree they are pursuing will apply. In order to qualify for the dual graduate degree status the student must satisfy or abide by the following:

- Be accepted on regular or provisional status into the two appropriate graduate programs
- Students who have been accepted into the M.Div. program, but who do not qualify for admission into a Master’s degree program because of a non-accredited degree and/or insufficient college GPA may be able to pursue one of the M.Div./Master’s dual degree programs under the following circumstances.
  - The student must satisfactorily complete the first year of the M.Div. program with a cumulative GPA of at least 3.0
  - The student must receive a recommendation from the M.Div. advisor indicating their suitability for pursuing the dual degree program.
  - The student must apply for and receive acceptance into the master’s degree program subsequent to completion of the first year in the M.Div. program.
of the department in which the work will be done. Formal courses may be representatives. reapplication for admission, as well as the status of such a student, is made by a and/or conduct at another institution are all factors that are taken into account into a graduate program before at least one academic year has passed. The reasons for the cancellation of the student's admission status, a statement of admitted into a graduate program before at least one academic year has passed. The usual regulations and limits with respect to transfer credit apply when taking a second graduate degree. (See Transfer Credits).

Admission - Resident Scholars. Scholars who have attained doctoral status or the equivalent from a recognized university, and other recognized scholars who wish to continue study and research in special fields, may use the library facilities as guests of the university. Applications must be made to the appropriate dean or graduate program coordinator. Such privileges are granted upon recommendation of the department in which the work will be done. Formal courses may be attended with permission of the instructor. No official record is made of the work done. If credit is desired, regular enrollment is required.

Readmission of Students After Cancellation. Students whose previous admission to a graduate degree program at Andrews University was canceled because of academic and/or conduct reasons may reapply for admission after a reasonable period of time has passed. Under no circumstances are such students readmitted into a graduate program before at least one academic year has passed. The reasons for the cancellation of the student's admission status, a statement of intent, a report of subsequent rehabilitation, and a record of improved scholarship and/or conduct at another institution are all factors that are taken into account when the student reappliies for admission. The decision to approve such a reaplication for admission, as well as the status of such a student, is made by a special admissions committee composed of appropriate administrative and faculty representatives.

Graduate Academic Information

Academic Credit and Course Loads
The course load is expressed in semester credits. A semester credit represents a class with one 50-minute class period or equivalent each week for one semester. Thus, a 3-credit class ordinarily meets three periods (150 minutes) each week and requires additional appropriate time for class preparation.

Course Loads. The normal full-time graduate course load is 8–12 credits each semester (9–16 credits for MDiv students). Loads in excess of a full load must be approved by the advisor and the appropriate dean/graduate program coordinator before completing registration. Students may not take more than 16 credits during a regular semester or 16 credits during any combination of sessions offered during a single summer. Students engaged in part-time employment must talk with their advisors and adjust their course loads accordingly.

Credits for Workshops and Independent Study. Normally, master's-degree students may accumulate up to 6 appropriate workshop/tour credits and up to 6 independent study credits toward a degree with a maximum of 9 credits combined. If workshops are taken during the semester breaks, the credits are counted as part of the class load for either the semester before the break or the semester following the break. Specialist or doctoral students in the School of Education (College of Education & International Services) or the SDA Theological Seminary should read the section in this bulletin that applies or the appropriate specialist or doctoral handbook for information about limits on workshops or independent study.

Residency Requirements
All PhD and ThD students must establish doctoral residency by enrolling in full-time doctoral course work at Andrews University three out of any four consecutive semesters. EdD students establish residency by enrolling full-time for any three out of nine consecutive semesters. Students enrolled in the professional ministerial or religious education programs of the Theological Seminary or in the College of Education & International Services leadership program should read the appropriate section of this bulletin concerning residency requirements and time limitations.

Active Status. Before advancement to candidacy, master's degree students are considered to be on active status in a program if they enroll, for credit, for at least one semester during each academic year (summer-spring terms). After advancement to candidacy a master's degree student must maintain active status by being registered continuously for credit courses or non-credit continuation status.

- Non-credit continuation status includes research or program continuation.
- Non-credit research continuation includes project/thesis continuation, recital continuations, and/or comprehensive exam preparation.

When not enrolled in the above, non-credit program continuation is used to maintain access to University services, e.g.: library services (including online database), ITS resources (including e-mail), faculty advising, and research supervision for graduate students taking their programs on the main campus (Berrien Springs). Program continuation carries a fee (See Continuation Fee in Financial Information).

Specialist and doctoral students who have completed their coursework and have registered for all their dissertation credit must maintain active status. Active status may be achieved by registering for non-credit continuation courses such as Program Continuation, Comprehensive Exam Preparation, Project Preparation and Dissertation Continuation.

The special needs of graduate students in extension and affiliation programs will be addressed in the agreements and procedures established for each site and/or degree program.

Governing Bulletin
Normally, students meet the requirements of the bulletin in force when they begin their graduate program. As long as they remain on active status, students may elect to meet the requirements of any bulletin in force during their graduate program. The graduate program begins at the beginning of the term in which the student first registers for classes after he/she has been admitted.

When active status is broken, the student must follow the bulletin in force when active status is reestablished.

Time Limits on Graduate Degrees

Time Limits on Graduate Certificate Programs. Each program will specify a time limit for completion of the certificate. However, this may not exceed five (5) years from the first registration.

Time Limits on the Master's Degree. Normally, a student must complete the requirements for a master's degree within six calendar years from the beginning of the first semester of class work regardless of admission classification.

- No course taken earlier than six calendar years before a student's graduation year may normally be applied to the degree without appropriate updating.
- A petition for a one-year extension of time may be granted by the dean of the School of Graduate Studies upon the recommendation of the student's advisor and the dean/graduate program coordinator of the school/college.
- If the semester in which the student originally expects to graduate is delayed past the time limit and no extension is granted, the courses taken prior to the six-year limit no longer apply to the degree or quality to be updated. The student may be required to take additional courses.
- Grades from all graduate courses taken at Andrews University, including those more than six years old, and those taken on a PTC basis, are used in computing the final GPA.
- School of Education (College of Education & International Services) students should visit Time Limits, in Doctoral Degrees (EdD/PhD) section for more information.

Time Limits on the Specialist Degree. A student must complete the requirements for a specialist degree within six calendar years from the beginning of the first semester of class work regardless of admission classification.

Time Limits on Doctoral Degrees. Whereas the doctoral degree is the highest academic degree possible and therefore requires stellar academic preparation and integrity; and whereas the program faculty are the gatekeepers of academic integrity, this policy on Time Limits on Doctoral Degrees provides program faculty with a framework for ensuring academic integrity.
Ordinarily, a student may be granted a maximum of two one-year extensions. Failure to successfully complete the degree by the end of the extensions granted shall result in dismissal from the University. The following will be considered when reviewing a request for a one-year extension:

- The student’s documenting the extenuating circumstances that merit a time extension,
- Continuous enrollment in dissertation credits or zero-credit dissertation continuation,
- A petition with the appropriate signatures explicitly describing the amount of work left to be done for the degree and the month and year the student plans to defend the dissertation.

The documents in support of the petition shall include:

- a copy of the student’s updated course of study, with projected graduation date, documenting which courses will fall outside the time limit based on the projected graduation date;
- a letter demonstrating how the student has remained current in the specified content area (i.e., publications, seminars, conferences, independent readings, professional development courses, tutorials, coursework from other institutions, college level teaching assignments, additional job responsibilities, etc.);
- any additional documentation or support for the student’s request.

Inactive Status. Throughout the doctoral program, the student is expected to make progress and to keep in contact with the department. If one year passes without progress and without approval from the student’s advisor, the student is put on inactive status and must apply to be reactivated. Students in the Department of Graduate Psychology & Counseling and the Department of Leadership should visit Time Limits, in Doctoral Degrees (EdD/PhD) section for more information.

Students must comply with the Bulletin in effect when the reactivation is approved. Course work taken previously may apply by petition, subject to the normal time limits and GPA standards. The cumulative GPA from all courses taken, including any that may not apply to the new program, is used to compute the GPA requirements for satisfactory progress and completion of the degree.

Updating Courses

Updating Master's Degree Courses. Students working towards a master’s degree may update some outdated course work. However, graduate classes in the School of Business Administration and computer courses in the College of Technology may not be updated. Those courses that may be updated are subject to the following policies:

- No more than 25% of the total program credits from courses 6–10 years old may be updated. No work over 10 calendar years old, calculated from the graduation year, may be updated.
- Not all courses between 6 and 10 years old may be updated. Each course must be approved by the department.
- No course work with a grade below a B (3.00) may be updated.
- Outdated work done elsewhere cannot be updated at Andrews University.
- Independent study, workshops, and directed readings cannot be updated. The requirements for updating are specified by the department on a course-by-course basis.
- Written evidence of the updating must be approved by the department chair and the appropriate dean or graduate program coordinator.
- Updating a course does not change the grade in the course used in computing the GPA.
- The updating fee is 20% of regular graduate tuition.

Academic Standards

Students enrolled in graduate programs governed by the School of Graduate Studies should note the following standards of scholarship. Students enrolled in Physical Therapy, the Theological Seminary professional ministerial programs or in

Minimum Standards of Scholarship. Candidates for graduate degrees must satisfactorily fulfill the course of study for the degree program they select subject to these standards:

- A minimum GPA of 3.00 (4.00 system) is required in those courses that apply to the degree.
- No course with a grade of D or F (or U) may count toward a graduate degree. Some departments may require a higher satisfactory grade in certain courses.
- If a student receives an unsatisfactory grade as defined above, the course may be repeated once. The credits and quality points earned in the most recent course will be used to calculate the GPA.
- Credit by examination is not accepted toward a graduate degree.
- Candidates for a master’s degree must pass comprehensive examinations and/or formally defend a master’s thesis or an acceptable alternative for a particular program as approved by the Graduate Council. Candidates for specialist and doctoral degrees must pass comprehensive examinations. Doctoral degree candidates must complete and formally defend a dissertation. Clinical doctoral degrees must complete a capstone project.

DG—Deferred Grade. A DG may be given in certain courses recognized to be of such a nature that all the requirements are not likely to be completed within one semester. It may be given for tours, field clinical experiences, internships, projects, intensives, comprehensive exams, independent study courses, courses requiring research such as theses and dissertations, and undergraduate upper division courses where mastery learning is required. The Office of Academic Records records a DG for the above listed courses previously recommended by a department and approved by the dean of the appropriate school and/or graduate program committee.

An instructor may designate a time limit for a given course or a specific situation for the DG to be changed to a letter grade. All DGs are required to be cleared before a student can graduate, unless they are DGs earned in another currently enrolled degree. An instructor may change the DG to a letter grade (A-F), S/U or DN as appropriate.

Standards for Progression. In addition to the following standards, master’s, specialist, and doctoral students should consult the appropriate section of this bulletin and their respective handbook.

- The cumulative GPA must be at least 3.00 calculated using all graduate work taken at Andrews University including courses taken for other degrees, courses taken prior to the time limits for degrees, and courses taken PTC. Exceptions to this standard must be recommended by the dean/graduate program coordinator and approved by the dean of the School of Graduate Studies.
- A student whose cumulative GPA drops below 3.00 in any given semester is placed on academic probation. Such a student must work with the advisor to develop a schedule of courses that ensures the student will raise his/her cumulative GPA above the required 3.00 in a timely manner—normally, the following semester. The dean/graduate program coordinator of the school/college must approve such a plan. A student who does not meet such a plan may not continue except by the recommendation of the dean/graduate program coordinator and approval by the dean of the School of Graduate Studies.
- Normally, students who accumulate more than 12 semester credits below B- (including U) are not allowed to continue. Petitions for exceptions must include a plan to maintain the required GPA for the degree and be approved by the appropriate dean/graduate program coordinator of the college/school and the dean of the School of Graduate Studies.
- Students who have been accepted provisionally to a degree program must meet the planned schedule for removing any deficiencies or earning a minimum GPA.
  - English-language deficiencies must be met by the time the student has completed no more than 50% of his/her course work for a master’s or specialist degree or 25% of his/her course work for a doctoral degree.
  - Undergraduate deficiencies should be met by the time the master’s degree student has completed no more than 50% of his/her course work. Doctoral students should take care of background deficiencies before starting on required doctoral course work.
  - A minimum GPA equal to the GPA requirements for graduation from the program must be met by the time the student has completed 9 graduate credits.
A student who does not meet this schedule is not allowed to continue except by the recommendation of the dean/graduate program coordinator and approval by the dean of the School of Graduate Studies.

Students on academic probation or provisional status may not:
- Register for thesis, dissertation, or independent study (or workshop credit for doctoral students)
- Register for project credit except by permission from the dean/graduate program coordinator of the college/school
- Advance to degree candidacy or take comprehensive examinations.

Awarding Degrees for Graduate Programs

General Minimum Requirements for a Master's Degree
(MA, MAT, MBA, MMus, MS, MSA, MSMLS, MSW, MIDA, MSCID)

While additional specific departmental requirements are described under each degree in later sections of this bulletin, the general minimum requirements for awarding master's degrees include the following:

- A student must satisfactorily fulfill a schedule of studies approved by the student's advisor and the graduate program coordinator or dean of the appropriate school.
- The number of credits to be completed depends on the minimum requirements for the degree.
- The student's schedule of studies must include at least one-half of the required minimum credits in course work numbered 500 and above.
- Exceptions are made where a course of study specifically outlined in this bulletin makes provision for an adjustment to the required number of credits numbered 500 and above.
- The student must submit evidence of competence in conducting investigation in his/her field of study. A student may fulfill his requirement by one of the following, depending on the particular degree program:
  - A thesis
  - Written reports of one or two research projects
  - Research methods or other appropriate course work.
- Where required, and only after a student has been advanced to degree candidacy, he/she must successfully complete general written and/or oral comprehensive examination(s) as prescribed by the student's major department. Usually this is done within the last semester of a student's program.
- In general, no foreign language is required. In cases where an individual student's program requires a reading knowledge of a foreign language, the student must demonstrate competence in the language, normally by examination, before receiving advancement-to-degree candidacy. The department prescribes the appropriate method of demonstrating competence. A student's advisor or supervising committee informs the student regarding the foreign language required for his/her course of study.

General Minimum Requirements for the Educational Specialist Degree (EdS)

Consult "Educational Specialist Degree," of this bulletin and the School of Education Handbook for Educational Specialist Students.

General Minimum Requirements for the Clinical Doctorate Degrees (DPT, T-DPT, DScPT)
Consult School of Rehabilitation Sciences section of this bulletin and the Physical Therapy Student Handbook for information on degree requirements. Students must comply with all degree requirements listed in the bulletin and applicable handbook.

General Minimum Requirements for Doctoral Degrees (EdD, PhD, ThD)

Doctoral programs include a master's degree or equivalent as a prerequisite. The Leadership and Counseling Psychology programs in the School of Education (College of Education & International Services) allow selected students to be admitted with a bachelor's degree.

- Each program shall include post-master's doctoral course work approved by the school and the student's advisor.
  - A minimum of two years of doctoral study is required.
  - At least two-thirds of the required doctoral course work must be in courses graded with an A–F grading scheme.
  - A minimum of 32 credits of the doctoral course work must be taken in residence at Andrews University. A portion of an EdD that is completed elsewhere may apply to this minimum residence requirement as defined by the school.
  - The minimum number of dissertation credits required is 16.
  - Written and/or oral comprehensive examinations are required of all doctoral students, normally after all course work has been completed.
- The doctoral student must demonstrate competence in conducting research in his/her field of study by completing an approved dissertation.

General Minimum Requirements for Theological Seminary Professional Ministerial Degrees.
The requirements for ministerial degrees may be found in the Theological Seminary section of this bulletin.

Transfer Credits

Credit for prior learning (CPL) credits on transcripts are not articulated. Students may present the original documentation (transcripts, certifications, portfolios, etc.) to their academic or program advisor and the Prior Learning Coordinator for evaluation in accordance with Andrews University CPL policies and procedures.

Transferring Credits from Another Institution into the Graduate Certificate Program.
Credits from other institutions will not transfer into a graduate certificate program.

Transferring Master's Degree Credits from Another Graduate School.
Graduate credits taken at another accredited/recognized institution less than six calendar years before the expected graduation year may be transferred and applied toward a master's degree at Andrews University subject to the following conditions:

- The grade earned in each course accepted for transfer is at least a B (3.00).
- The courses can be applied toward a comparable degree at the institution where the credit was earned.
- The courses meet similar requirements or electives within the master's program at Andrews University.
- The Andrews University credits taken toward the master's degree constitute at least 80% of the requirements for the degree.
- Grades earned in transfer courses are not included in the computation of the GPA. Courses to be taken at another university and transferred to Andrews after a student is enrolled in an Andrews' graduate program must be approved by petition before being taken.
- Such transfer courses are identified and approved by the dean/graduate program coordinator within the first semester of the student's residence.
- An official transcript listing transfer credits is on file in the Office of Academic Records. Credits received from institutions generally considered to be diploma/degree mills are not eligible to be transferred into a degree program.

Seminary professional degree programs have transfer limitations unique to each program. See the appropriate section of this bulletin for details.

Transferring Credit from an Andrews Graduate Certificate Program to Another Program.
All credits in an Andrews University graduate certificate program are eligible for transfer into a graduate degree program subject to approval by the program faculty and the school dean if taken within the established time limits for the degree.

Transferring Master's Degree Credits from Another Andrews Program.
Graduate courses taken at Andrews University as part of another graduate degree may be transferred subject to the following conditions:

- The grade earned in each course is at least a B (3.00) and the overall GPA at Andrews University is at least 3.00.
- The courses meet similar requirements or electives within the new master's program.
- A minimum of 80% of the requirements for the master's degree must be taken as Andrews University credits that are not applied towards any other Andrews University master's degree.
- The grades earned in courses transferred from another master's program at Andrews University are included in the computation of the GPA. Both the overall GPA and the GPA of the remaining courses taken for the master's degree must meet the minimum required (3.00) for graduation.
- The credits to be transferred were taken fewer than six calendar years before the expected graduation year of the master's program.

Seminary professional ministerial degree programs have special transfer limitations. See the appropriate section of this bulletin for details.

Transferring Specialist Degree Credits.

Read the Educational Specialist section of this bulletin or the School of Education Handbook for Educational Specialist Students.

Transferring Doctoral Degree Credits.

Post-master's transfer credit, if appropriate to the student's program, may be accepted if (1) the credits were completed within the time limitations indicated in the appropriate section of this bulletin and (2) the transfer complies with the provisions in the School of Education and the Seminary Handbooks for doctoral students. A petition for transfer of credit is considered only after an official transcript for the course is received. Credits received from institutions generally considered to be diploma/degree mills are not eligible to be transferred into a degree program.
Exceptions. Exceptions to course-transfer regulations must be approved by the dean of the School of Graduate Studies on a standard petition form upon the recommendation of the dean/graduate program coordinator of the college/school. Any such exceptions will be considered individually in the light of the master’s requirements. Exceptions for whole programs must be voted by the Graduate Council but thereafter do not need individual approval on petitions.

Credit for Prior Learning (CPL)
In addition to acceptance of transfer credits from accredited colleges and universities (see Transfer Credit section), some graduate programs approve credit for prior graduate-level learning earned through departmental placement and challenge exams, competency and portfolio assessments. As needed, other options may be reviewed by the Graduate Admissions and Academic Policy Committee.

In order for credit to be assessed and articulated:

- The student has matriculated and is in good and regular standing at the time CPL is requested.
- The total of credits awarded for prior learning, excluding credits transferred from accredited institutions, and practicum and ex/internships recognized by the program, will not exceed 6 graduate credits.
- The total of all credit awarded for prior learning and transfer credits will not exceed 20% of the credits required for the graduate program to which the student is admitted.
- No form of CPL will be approved to replace grades earned through Andrews University.

Students should discuss any prior graduate-level learning independent of transfer credits with their academic or program advisor and the Prior Learning Coordinator in their first semester. All forms of credit for prior learning are evaluated on a pass/fail scale, with transcript record of passing grades only.

Advanced Placement. Graduate credits earned through undergraduate dual enrollment opportunities will be subject to the policies outline in the Transfer and Dual Enrollment/Dual Degree Status sections of this bulletin.

Departmental Placement and Challenge Exams. In some programs, challenge or performance exams can be arranged to waive requirements, place into courses or/and credit earned through a challenge exam may be reviewed by the Graduate Admissions and Academic Policy Committee. In some programs, challenge or professional certifications or performance exams may be evaluated for alignment to graduate course outcomes. Some transfer credits from unaccredited entities not recognized by ACE may be approved upon review by the department offering similar courses.

Portfolio Assessment. In some graduate programs, CPL may be validated and granted through the Andrews graduate portfolio process, with pre-approval from the student’s program director and the Prior Learning Coordinator. Students must complete at least one semester in an Andrews graduate program before portfolio submission will be approved. Visit the Portfolio Assessment webpages for procedural information.

NOTE: Any competency-based graduate programs using portfolios to document both prior and current learning are subject to program-specific portfolio guidelines. See program requirements for details.

Visit the Credit for Prior Learning webpage for more information.

Student Supervisory Committees
Master’s Degree Committees. A student’s project supervisory committee normally consists of a minimum of two members nominated by the department chair/program director/area coordinator in consultation with the student and appointed by the appropriate dean or graduate program coordinator. For a master’s thesis, the committee consists of the thesis advisor and normally two other members. Exception: For an interdisciplinary master’s degree, a committee is appointed before initial registration. All other master’s-degree student committees are appointed after some course work has been completed and before registration for thesis credits. Only rarely may a student’s committee be changed while study or research is still in progress. This may be done only in consultation with the appropriate dean or graduate program coordinator. The chair of the supervisory committee is the student’s chief advisor. The function of the committee is to guide the student in his/her research and writing of the project/thesis.

A student’s supervisory committee may be augmented with additional members for the oral defense of the thesis. These additional committee members have full voting rights.

The term of service of a student’s committee is deemed to have expired when a student has graduated or when registration has been terminated.

Doctoral Degree Committees. The dissertation committee shall consist of a minimum of three members, including the chair. Two of the three members, including the chair, shall be selected from among the current full time Andrews graduate faculty at the appropriate category with at least one member being from the school in which the student is enrolled. The third member may be from the Andrews graduate faculty at the appropriate category or a person outside the University whose record of scholarship is equivalent to that required of a member of the Andrews graduate faculty at the appropriate category. Additional persons may be added either from the Andrews graduate faculty or from outside the University where specialized expertise is needed with the approval of the School of Graduate Studies.

Comprehensive Examinations
Most master’s- and all specialist- and doctoral-degree candidates are required to take prescribed written and/or oral comprehensive examinations as required by the department.

Master’s-degree students are not permitted to sit for these examinations until they have been officially advanced to degree candidacy. EdS and doctoral students normally sit for comprehensive examinations after all course work is completed and after applying for degree candidacy. Candidacy is not granted to doctoral students until the comprehensive examinations have been passed.

See the appropriate sections of this bulletin and the School of Education Handbook for Doctoral Students, the School of Education Handbook for Educational Specialist Students; the Doctor of Physical Therapy Student Handbook, t-DPT/DScPT Student Handbook; or the Graduate Programs Manual for details about examinations for master’s, specialist, or doctoral students.

Advancement To Degree Candidacy
Master’s Degree. During the semester before graduation, a student must apply for advancement to degree candidacy. Forms are available at the office of the appropriate dean or graduate program coordinator. The forms should be completed by the student, approved by the advisor and the department chair, and returned to the office of the dean or graduate program coordinator.

- At the time a student files an application for advancement to degree candidacy, he/she must have:
  - Received regular admission status
  - Applied for graduation
  - Completed all curriculum and English-language deficiencies that may have existed
  - Demonstrated foreign-language proficiency where required.

- A student who has not completed the Advancement to Degree Candidacy form during the semester before graduation is not allowed to register for further course work until the advancement to degree candidacy forms have been filed with the appropriate dean or graduate program coordinator.

- After a student has been advanced to degree candidacy, he/she may then request to take the comprehensive examinations.

- An application form for the comprehensive examinations is sent to the student at the time of notification of advancement to degree candidacy.

Educational Specialist Degree. Read Educational Specialist section of this bulletin and the School of Education Handbook for Educational Specialist Students for information on degree procedures.

Doctoral Degree. The Application for Admission to Doctoral Candidacy form must be filed at least one month prior to the scheduled date of the comprehensive examination.

Approval for degree candidacy is granted when the student has

- Received regular admission status
- Completed all curriculum and English-language deficiencies that may have existed
- Demonstrated research tool proficiency, including foreign language when required
- Passed all comprehensive examinations
- Completed all other degree requirements except the dissertation.

Projects, Theses and Dissertations
Projects. The student who elects to complete a research project or projects as part of fulfilling the research requirement for the master’s degree or clinical doctorate reports it/them in conformity to the Andrews University Standards for Written Work. One copy of each report is submitted to the instructor under whose supervision it
was prepared. It becomes the property of the department. Completed and signed approval forms for the project(s) must be filed in the Office of Academic Records no later than noon on Friday, two weeks before graduation, unless an earlier time is specified by the department. Some departments require approval of the project(s) before writing the comprehensive examinations. If students need time for project preparation beyond the semester(s) when regular project credits are accumulated, they may register for project continuation. Project continuation is a non-credit enrollment status that requires a small fee for each semester of registration.

Master's Thesis. To fulfill the thesis option for the master's degree, a student is required to write a thesis and successfully defend it in an oral examination at an officially designated time and place. See Required Dissertation and Thesis Deadlines here.

Doctoral Dissertation. For doctoral programs requiring a dissertation, the student is required to write and successfully defend a dissertation in an oral examination at an officially designated time and place. See Required Dissertation and Thesis Deadlines here.

Registration for Thesis Credits—Committee Guidance. When a master's student is required or elects to write a thesis, he/she should register for it initially no later than one semester before the anticipated graduation date. The student may register for 2–6 thesis credits per semester with a maximum of 9 total credits for a master's level. Students in the Seminary should read the Academic Policies in the Theological Seminary section of this bulletin. The department chair or program director is responsible for notifying the appropriate dean or graduate program coordinator of the outcome of the defense.

Dissertation Credits—Committee Guidance. Doctoral students are required to register for a minimum of 16 dissertation credits. Students in the College of Education & International Services should consult the general requirements under Doctoral Degrees and the Handbook for Doctoral Students for information regarding dissertation credits. Students in the Seminary should read the Academic Policies in the Theological Seminary section of this bulletin. The department chair is appointed following the guidelines of the appropriate section of this bulletin and the appropriate handbook for doctoral students.

Standards for Writing. The master's thesis and doctoral dissertation must demonstrate the candidate's capacity for original and independent work, include a critical evaluation of previous research, and emphasize new conclusions. The format of the thesis/dissertation also must conform to the guidelines found in the Andrews University Standards for Written Work.

When, in the opinion of the student and his/her full committee, the thesis/dissertation has been completed satisfactorily and a final draft has been submitted, the committee, by official action, declares it to be ready for the oral defense.

Defense of Thesis/Dissertation. The oral defense must be completed no later than eight weeks for doctoral level and five weeks for master's level before a candidate plans to graduate. A thesis/dissertation is approved if no more than one negative vote is given. An abstention is recorded as a negative vote. The department chair or program director is responsible for notifying the appropriate dean or graduate program coordinator of the outcome of the defense.

The decision of a student's examining committee is recorded and signed on the appropriate form and submitted to the appropriate dean or graduate program coordinator. A copy is sent to the Office of Academic Records.

A committee chair usually assists a student by way of a check sheet to ensure the prescribed deadlines are met. The thesis/dissertation may be handed in at any time during the year, but the deadlines listed here determine the date of graduation.

After the defense. After the defense:

- The student makes all corrections.
- As soon as possible, but no later than four weeks for a doctoral level and three weeks for a master's level before graduation, the appropriate chair or graduate program coordinator, in cooperation with the student, submits a complete, corrected, final, approved copy of the thesis/dissertation to the School of Graduate Studies via the Dissertation Office for approval to duplicate. The Dissertation Office contact e-mail is dissertationoffice@andrews.edu.
- After the Dissertation Office gives approval to duplicate, the student has two options:
  - Option 1. The Dissertation Office arranges for duplicating with Andrews University LithoTech, and the student's account is billed for duplicating the copies that stay with the University. The College of Education & International Services requires four copies (two for the Library and two for its own use). The Seminary requires five copies (two for the Library and three for its own use). These copies do include one copy for the student's dissertation chair. Master's students are billed for only three copies: two for the Library and one for the School involved.
  - Option 2. The student personally arranges for duplicating the required number of copies of the thesis or dissertation. These are delivered to the Dissertation Office.
- Doctoral students must submit a digital PDF file of their dissertation to (1) ProQuest/UMI and (2) the Dissertation Office (for inclusion in the James White Library catalog). Contact the Dissertation Office for assistance and forms.
- Master's students must submit a digital PDF file of their thesis to the Dissertation Office for inclusion in the James White Library catalog. Contact the Dissertation Office for assistance and forms.
- At this point, the Dissertation Office submits the Notification of Thesis/Dissertation Completion form to the Office of Academic Records, and the thesis/dissertation process is complete.
- Strict adherence to the deadline of 14 days before graduation is essential or graduation is postponed.

Ordering Extra Copies. Students wanting to purchase additional bound copies identical to those kept at Andrews University must fill out mailing labels and customs declaration forms (when applicable). Students are billed for photocopying and binding.

Grades for Thesis/Dissertation. The grade for a thesis/dissertation is S or U. A deferred grade (DG) is given while a thesis/dissertation is still being written or corrected.
Financial Information

Tuition and Fees

Andrews Partnership Scholarship
Andrews University is pleased to offer its full-time undergraduate students the Andrews Partnership Scholarship in recognition of their academic achievement. 

Online degree seeking students are not eligible for the Andrews Partnership Scholarship. This scholarship affirms the university’s commitment to partnering with families and students to achieve an educational dream in a Christian environment at Andrews University. Scholarships range from $24,000 to $48,000 to complete a four-year degree for incoming freshmen who have never attended college. Andrews University also has an Andrews Partnership Scholarship to honor its continuing, transferring, Canadian and international students.

*Note: Once you are no longer registered or it is your last semester and you owe a financial clearance, your deposits will be used to reduce or clear the balance. Refer to International Students for details.
Other Financial Information

Who To Contact

The Office of Student Financial Services (SFS) assists applicants in making financial arrangements to attend Andrews University through financial clearance. Students with questions about financial assistance that they may qualify for should contact Student Financial Services. Applicants of Federal Financial Aid need to apply and complete the process well in advance of enrollment to assure consideration of all resources, particularly limited ones, and to assure a smooth registration process. Contact information:

Website: www.andrews.edu/sf
Office of Student Financial Services
Address: Andrews University
4150 Administration Dr
Berrien Springs MI 49104-0750
Telephone: 269-471-3334 or 800-253-2874
Fax: 269-471-3228
E-mail: sfs@andrews.edu

Office of International Student Services. All international students who enter the U.S. on an Andrews University I-20 Form are considered Andrews University students. They must report immediately upon arrival to the Office of International Student Services. The office is located on the third floor in the Administration Building, Room 307.

Telephone: 269-471-6395 or 800-253-2874
Fax: 269-471-6246
E-mail: iss@andrews.edu
Website: www.andrews.edu/iss

Office of Employment

The Office of Employment, which is part of Human Resources, assists students with on-campus employment needs. The office provides information regarding employment opportunities, assistance with necessary paperwork, administers employment tests and is responsible for updating employment files. The office is located in the Administration Building, Second Floor.

Telephone: 269-471-3570
Fax: 269-471-6293
E-mail: employment@andrews.edu
Website: www.andrews.edu/hr

Office of Student Insurance

The Office of Student Insurance, which is part of Employee Services, located in the office of Human Resources, provides information regarding student accident and sickness insurance, as well as providing a student advocate to help mediate for the student, if necessary. The office is located in the Administration Building, Second Floor.

Telephone: 269-471-3327
Fax: 269-471-6293
E-mail: stuins@andrews.edu

Insurance Rates

Single student premium (approximately) $1,500
Each additional dependent coverage for one year $1,500

*Rates reflect 2020-2021 school year and are subject to change each school year.

Accident/Sickness. Every international student in “student status” and every other student registered for 6 or more credit hours is to be covered by at least an Accident and Sickness Plan. This may be purchased through the university by signing up online in Registration Central at registration time. International students are required to include all dependents that are here in the U.S. and there is an additional fee for adding dependents. Payment for this coverage can be charged to the student’s account. The insurance is non-refundable after the drop/add date.

International students and their accompanying dependents are required to have health insurance irrespective of their class load.

Waivers. Students who have comparable coverage from elsewhere may waive the student health insurance plan by entering their health insurance information in Registration Central at the time of registration. Proof of health insurance must be taken to the Office of Student Insurance in the Administration Building before the drop/add date for verification of coverage each semester.

Brochures. Information describing the health insurance coverage can be viewed at www.andrews.edu/hr/stu_insurance.html

The health insurance premium is charged to the student’s account via information entered in Registration Central. A waiver will prevent this charge from occurring (see Waivers above).

Medicaid. Michigan Medicaid is considered proof of insurance for U.S. citizens and Permanent Residents and should be entered into the waiver section of Registration Central at the time of registration. The only difference is that the student will be required to bring their current Medicaid card to the Student Insurance office in the Administration Building before drop/add date for verification of current coverage. This must be done for each registration period that the student is enrolled in school. If proof of current Medicaid is not provided, the student will be charged for the student insurance and the charge will be non-refundable.

Note: Medicaid from any other state will not be accepted as a valid waiver.

Student Employment

Students desiring part-time employment must be enrolled fulltime (12 undergraduate credits, 8 graduate credits, or 9 Master of Divinity credits) and they must complete the necessary paperwork at the Office of Employment. To be employed, students must show the Office of Employment original documents (no photocopies) that establish their identity and employment eligibility, such as a U.S. passport, birth certificate, or social security card.

The University allows students to work, as work is available, up to 20 hours per week during the academic year. To maximize work opportunities, the student should schedule their classes so that large portions of the mornings or afternoons are free. Professional performance and conduct is expected in all on-campus employment.

Payroll Schedule. Andrews University follows a biweekly payroll schedule. Student employees are responsible for having their time submitted to their department supervisors each Monday morning. The university does not issue payroll advances for time turned in late.

Dictionary of Miscellaneous Money Matters & General Fees

Students have two types of expenses while attending the university—educational (tuition, books, insurance and fees) and living (housing and meals).

The University makes every effort to maintain the costs published in this bulletin. The University reserves the right to make changes as necessitated by unexpected increases in costs. Such changes are announced in advance of the semester in which they become effective.

Additional Costs. The online registration process, Financial Plan, assesses the two types of costs mentioned in the preceding section. However, students may incur additional expenses that are not estimated at the time of pre-registration. These billed expenses may include, but are not limited to, class fees, trips and tours, club fees, printing charges, and expenses related to a major such as photo store charges. Many of these expenses are described in more detail in the following pages. Fees are non-refundable.

Alternative Loans. Student Financial Services considers all awarded grants, scholarships and loans for a student’s cost of attendance as resources when certifying an eligible amount of private educational loan funds. See Cost of Attendance Limitations for a list of these resources.

Application Deadlines

- July 15: For fall semester
- November 15: For spring semester
- March 15: For summer term 1
- April 15: For summer term 2
- May 15: For summer term 3

Auditing a Class. The cost of auditing a class is the same as the cost of enrolling for credit.

Carrying Charge of 1% is charged monthly on all unpaid account balances including those in a payment plan.

Cash Withdrawal. Andrews University is unable to serve as a bank for students. Sometimes students have a credit balance on their student account they need to withdraw. Students may request a cash withdrawal at the front desk in Student
Financial Services. A maximum of three cash withdrawals not exceeding $300 may be requested during an academic term. Cash withdrawals are not available if payment was made by credit card. Cash withdrawals may not be paid on monies anticipated in a future term. The student must present a current AU student ID or valid government photo id for release of funds.

Change of Registration $35

Dropping/adding a course, changing from credit to audit, or from audit to credit after the "last day to enter any class" as published in the academic calendar, will be assessed a fee.

Club Dues. Clubs approved by Student Activities may recommend a maximum of three club dues to student accounts only during September and January. Appropriate forms with required information are turned in to Student Financial Services by September 25 and January 25. Student accounts cannot be used for fund-raising. Each club can only charge maximum annual dues of $50.

Course/Lab Fees listed in online class schedule

Credit Balances on student accounts may be withdrawn by or at the direction of the person responsible for the student’s account after the final statement is issued—usually thirty days after the last day of attendance.

Credit Card Payments will be accepted online only to pay account balances, but cannot be accepted for a student to make a cash withdrawal from his/her student account. Secure payments can be made via the Andrews web page at www.andrews.edu/sf. We use a 3rd party provider, "TouchNet" to process credit card payments. This requires a login and password through TouchNet. There is a convenience fee of 2.85%. The following information is required:

Student Name:
Student ID #:
Type of card: (Visa/MC/Discover/American Express)

Exit Procedures. Check-out procedures must be followed when a student leaves Andrews University outside of the graduation process. Students should ask for Andrews University Student Exit Procedure Forms from the dean's office in the school in which they are enrolled or from the Student Services office. All required signatures on the form must be obtained to ensure that the necessary information has been given both to the student and to the departments listed on the form.

Financial Clearance is required in order to:

- Complete registration at the beginning of each semester
- Graduate or receive a certificate or diploma
- Move into residence hall
- Receive a transcript or other certification of academic achievement

In order to obtain financial clearance to complete registration, any previous account balance (academic or housing) must be paid in full. All required documents must be turned in to Student Financial Services 30 days prior to financial clearance.

Final Exam Date Change Fee $110

Free Class

For university employees, refer to section 4:6-100 of the Employee Handbook.

For university salaried full-time employee spouse, refer to section 2:726 of the Andrews University Working Policy.

General Fees for on and off main campus

Main-campus degree students. All students completing an Andrews degree from the main campus (those attending classes on the main campus in Berrien Springs) enrolled for 5 or more credits will be charged the following general fee each semester at registration:

- Undergraduate students $615
- Graduate students $500
- Seminary students $500
- Seminary Student Activity Fee $15
- Summer school students $165
- All students taking less than 5 credits $145

Distance degree students. All students admitted to distance and paying tuition directly to the main campus will be charged the following general fee each semester at registration:

- Doctor of Ministry (DMin) general fee (included in tuition) $0

Guest students. All students taking courses on the main campus or online where tuition is paid directly to the main campus will be charged the following general fee:

- Undergraduate $135
- Graduate $150
- Doctor of Ministry (DMin) (included in tuition) $0
- Late Graduation Application Fee $100

Identification Card

Each Andrews University faculty, staff and student is issued an original card for free and the card remains the property of the university. The cost to replace a card is listed below:

- Lost, stolen or damaged cards $30

Immunization Costs (as required)

Certain classes require immunization (i.e., biology, clinical laboratory science, nursing, physical therapy, and speech pathology). Immunization costs are charged to the student's account.

Incomplete Grade $35

Lab/Course Fees (listed in current class schedule)

Late Registration—service fee $100

Master's Program Continuation Fee (not including Seminary)

A master's student, who has advanced to candidacy, registers under program continuation when not registered for credit courses or other non-credit continuation (project, thesis, recital, and/or comprehensive exam). See Estimated Costs for Graduate.

Non-Current Student Accounts on which no payments are being made, may be turned over for third party collection. Students whose accounts are non-current must pay the account in full, including collection costs, before they may register for any additional coursework.
By enrollment, students agree to the following responsibility statement:

In consideration for any and all credit extended to me at any time in the past, present or future, I agree to Andrews University a security interest in my student records. I understand that, in giving the University such an interest, I may not obtain a diploma or transcript of my record at any time for any reason unless my account is paid in full. The security interest I grant to the University is intended to cover any and all current indebtedness as well as any and all future advances of credit which the University may grant me at any time. I also understand that a 1% per month carrying charge will be added on my unpaid balance and I agree to pay this carrying charge in addition to any other debt. I recognize that the above figures displayed in Registration Central are estimates and I accept the responsibility for the payment of actual charges incurred. I explicitly agree to be responsible for those collection expenses in addition to the unpaid debt. I understand that Andrews University will be adding additional collection and attorneys’ fees (within a range of 33.333% to 40%) if an account goes into default. I understand that sundry charges not listed in the above estimate are due the month in which they appear on the statement.

I also acknowledge that, should I choose a monthly payment plan, my monthly amount is required in full by the 25th of each month.

I give authorization for my Title IV aid after current term institutional costs are covered to: 1) pay non-institutional charges such as my living expenses while attending Andrews University, 2) apply to prior year balances, if any, I authorize Andrews University to hold my Title IV credit balances on my account unless requested by me through University procedure.

I have read and accepted the responsibility statement as presented.

Non-Sufficient Funds (NSF). Charge for returned checks. $40

Payment Plans

1. Cash Rebate Plans (No discounted or CIEP programs are eligible for the Rebate Plan)

(NO REBATES ARE GIVEN FOR A PRIOR SCHOOL YEAR, IT MUST BE REQUESTED DURING THE CURRENT SCHOOL YEAR)

3% Rebate Plan—Full time regular students with at least 12 undergraduate credits or at least 8 graduate credits may choose to pay their estimated Out-of-Pocket Expenses (charges less financial aid resources) for the full year by August 15 to receive a 3% rebate. After making payment, e-mail sfs@andrews.edu by the first day of class to request the 3% rebate. The student’s minimum Out-of-Pocket Expenses as calculated online in TouchNet must be at least $1000 to qualify for a payment plan. The rebate is unavailable for payment made after the first day of class. Cash withdrawals and refunds are unavailable until the end of spring semester. All approved rebates will be applied to the student account during the fall semester.

1% Rebate Plan—Full-time regular students with at least 12 undergraduate credits or at least 8 graduate credits may choose to pay their estimated Out-of-Pocket Expenses (charges less financial aid resources) in full for the semester to receive a 1% rebate per semester. The student’s minimum Out-of-Pocket Expenses as calculated online in TouchNet must be at least $500 to qualify for a payment plan. Each payment must be received by August 15 for fall semester and December 15 for spring semester. After making payment, e-mail sfs@andrews.edu by the first day of class to request the 1% rebate. The rebate is unavailable for payment made after the first day of class. Cash withdrawals and refunds are unavailable until the end of that semester. All approved rebates will be applied to the student account during that semester.

Monthly Payment Plan—Arrange to make monthly payments toward estimated Out-of-Pocket Expenses for the semester and any previous balance.

• All previous account balances (including monthly payment plan balances) must be paid in full.

• The plan is not to exceed more than 50% of the estimated Out-of-Pocket Expenses for the semester.

• Payments are to zero the account by the end of the semester to which the plan applies.

• Late payments will incur a late payment fee of $25.

• A 1% carrying charge will be posted to an unpaid balance at the end of the month.

• Minimum balance for monthly payment plan is $100 or above.

Permission to Take Class Fee $30

Post-Dated Checks are not accepted.

Prior Accounts. Students may register only when accounts with other schools have been paid or arrangements made with them.

Portfolio Assessment and Recording Fee

Non-refundable, $385 per Portfolio (1-5 credits) $385

Account Refund Policy

• Refunds resulting from credit on the student’s account will not be available to the student until approximately five days after the semester drop/add date. The preferred method of delivery for refunds is direct deposit through a refund profile set up by the student in TouchNet. Alternatively, students may request that account credit be refunded via a paper check to be mailed to the address given by the students on the request form or for pickup at the Office of Student Financial Services front desk.

• Refunds will only be issued from credit on the account at the time the check is requested. Students should monitor their account balances carefully since funds from a future semester are unavailable until the appropriate time.

• Student Financial Services is unable to serve students as a bank. A maximum of three credit refunds may be requested during a semester.

• Students receiving federal loans are encouraged to carefully read their Disclosure Statements so you are familiar with the loan disbursement schedule.

• Funds from future semesters are unavailable until sent funds reach the University’s bank. Students should plan their budgets accordingly.

• Half-time enrollment is required for student loans to disburse to the account. A class does not count toward the half-time enrollment status until within ten (10) days of its start date.

• To pick up a refund check in Student Financial Services, the student must show current Andrews University ID or valid driver’s license.

• For anyone other than the student to pick up the refund check, the student must sign a letter giving permission for that person to pick up their check. Without the appropriate documentation, the refund check will not be released.

• Federal regulations require that credit from Parent (PLUS) loans be returned to the parents. Authorization from the parents is required before these funds can be released to the student. This authorization can be given when the parents complete the Parent (PLUS) loan requests or in writing to Student Financial Services anytime thereafter.

• If you have received or are planning to receive Federal student loans, please be aware that you have the right to cancel all or a portion of your loan disbursements. However, you must act within 30 days of your loan disbursement. Contact your financial advisor if you need more information.

• Credit refund checks not picked up will be mailed to your statement mailing address to avoid the 90 days expiration date.

Registration Central. For information on how to financially clear and register online, visit vault.andrews.edu and log on to "Registration Central."

Rescheduling senior exit tests and major field tests. $95

required for:

• Academic tours

• Adventist Colleges Abroad applicants

• Off-campus academic experiences

• Taskforce and Student Missionary appointees

Account balances, including monthly payments not yet due, must be paid in full before students are financially cleared. When a student on tour is sent home for medical, financial, or citizenship reasons, all travel costs must be paid by the student and/or family.

Student Missionary

IDSC296 Recording fee—per semester $95

IDSC596 Recording fee - per semester $95

Independent Study Recording fee—per credit $55 (undergraduate only)

Mission Preparedness Assessment Fee $55

Student Missions Application Fee $30

Student Missions Background Check Fee Up to $40

International Student Missionary Service $4500

Domestic Student Missionary Service $3000
Student Status. Student status is achieved only after a student is both academically and financially cleared. Only then may students attend classes, take examinations, participate in graduation exercises, and live in university housing.

Textbooks $550
The estimated semester cost of textbooks is $550. Students are charged the estimated amount of their bookstore purchases based on their selection.

Thesis/Dissertation Fees
- Binding (each volume) for AU copies $25
- Binding (each volume) for personal copies $35

Fees for copyediting of theses/dissertations are on a sliding scale basis, starting at $155 for 50 pages, plus $5 for each additional 10-page increment.

Transcript and Diploma. Students may not receive a transcript or diploma under the following circumstances:

Owing on a student or housing account, including payment plans not yet due
Being in default on a government loan
Needing to complete loan exit counseling

Transcript Exception. Students may request that a transcript be sent to the following:

An organization for scholarship or licensure purposes (AMCAS, AADS, or PTCA)

Academic Transcript Exception Policy for Student Loan Borrowers in Default
University policy prevents the Office of Academic Records from releasing academic transcripts for borrowers who are not paying on their Federal Stafford (Subsidized/Unsubsidized), GSL or Federal Supplemental Loan for Students (SLS). Every request is handled on an individual basis; however, if the borrower complies with the appropriate guidelines below, the academic transcript requested directly from the Office of Academic Records may be issued for the following two limited purposes:

For Educational Purposes
- The transcript is to be sent directly to the academic institution.
- The borrower must have made six consecutive monthly payments as scheduled prior to release of the transcripts.
- The provisions and conditions in #2 above are certified in writing by the lending institution or the guaranty agency handling the loan.
- A copy of the letter described in #3 above confirming satisfactory status is sent to Student Financial Services. The notification letter is valid for the purposes of this policy for six months from its date, and future requests may be denied if the satisfactory status is not maintained.

For Employment Purposes
- The transcript is released for employment purposes only and is so stamped.
- The transcript is sent directly to the prospective employer and may not be shared with any other party.
- The borrower in default must contact the guaranty agency (or agencies) in writing to acknowledge the student loan debt and make an acceptable repayment commitment of a specified monthly amount.
- A copy of the letter written to the borrower’s lender or guaranty agency, as stated in item #3 above, must be sent to Student Financial Services.
- Future requests for academic transcripts may be denied should a borrower not fulfill his/her promise as stated in the letter to the guaranty agency.

Updating Course Work Fee—20% of graduate tuition per credit

Wiring Fee
- Outgoing Fee (wires in USD) $15
- Outgoing Fee (wires in foreign currency free of charge but subject to exchange rate) $0
- Incoming Fee (wires in USD) $10
- Incoming Fee (wires in foreign currency free of charge but subject to exchange rate) $0

International Students

Advance Deposit. Applicants attending the main campus from outside the United States (except Bahamas, Bermuda, Canada and Mexico) must make an advance payment of $9,100 (includes $500 non-refundable New Student International Fee, $3,000 International Deposit, $6,000 towards first semester down payment) before an I-20 will be issued. Citizens of Bahamas, Bermuda, Canada, and Mexico are exempt from paying these advance payments listed above. No university scholarships may be applied to pay the deposit.

All international students (except Bahamas, Bermuda, Canada and Mexico) who apply for the MDiv program in the SDA Theological Seminary or CIEP program must only pay for the first semester (tuition, general fee and $3,100 advance payment) before an I-20 will be issued.

Returning students must pay their balance in full before an updated I-20 will be issued. Exceptions to the deposit requirement are made if a student is staying on campus for less than six weeks. Under these circumstances, no deposit is required.

Note: Sponsored students must pay for the first semester in full before financial clearance.

All students requiring an I-20 must be officially accepted into their chosen academic program. Students must also submit the following: an Estimated Budget for Students Attending on a Visa form, International deposit of $9,100 (includes a $100 non-refundable new student international fee, $3,000 international deposit, and $6,000 towards down payment for first semester), financial statements showing that they can cover their first year expenses (see Resource Verification for more information), a copy of their passport, the mailing address and telephone number of the address where the I-20 is to be mailed. Please contact isfs@andrews.edu for the budget sheet and additional information.

All students are encouraged to pay the $200 SEVIS I-901 fee (subject to change) online at www.fmjfee.com or at the Western Union Quick Pay services or to contact Andrews University International Recruiter in case of unavailability of the Western Union services in their countries. This fee is required by the U.S. Immigration and Customs of all students seeking an F-1 or J-1 visa from an embassy or consulate as well as students applying for admission at a U.S. port-of-entry (such as Canadians) to begin initial attendance at U.S. schools.

SEVIS Fee. International students coming to the United States for the first time must pay a $200 SEVIS fee (subject to change), as mentioned previously, and the cost of the visa at the American Consulate of his/her home country. International students and exchange visitors are subject to the $200 SEVIS fee. To make this payment online or to find out more about the SEVIS fee please visit www.fmjfee.com. Please be sure to bring your original SEVIS payment receipt with you to the U.S. port of entry.

Unclaimed International Deposits Policy. International student deposits that have not been refunded within three years after the student reaches non-current status shall be transferred from the student’s international student deposit account to a quasi endowment account.

Student Financial Services will monitor the international student deposit account on an annual basis to determine the appropriate transfer of funds to the International Graduate Assistance Fund Account. At the discretion of Student Financial Services, these funds will be available as payment on account to assist graduate international students in their financial clearance process.

The initial funds shall be established as a quasi endowment from which 80% will be invested and 20% will be available annually.

Any subsequent requests will be claimable after identifying that the person is the one who paid the deposit to the account.

International Deposit Allocation. This deposit is not available to cover registration expenses; the deposit earns interest during the time the student is enrolled with full-time tuition. The deposit plus interest is refunded when the student’s degree is completed or enrollment is terminated; alternatively, it can be used as partial payment for the final semester of registration. If the student doesn’t complete the educational program during the term the deposit is used to meet expenses, the deposit must be reinstated for financial clearance.

Note: Once you are no longer registered or it is your final semester and you owe a balance on your education, housing or any other account to Andrews University, your international deposit will be used to reduce or clear the balance.

Resource Verification. Bank documentation as well as other forms of financial documentation are required to prove ability to support one’s educational expenses. Returning students needing an updated I-20 will also need to supply bank documentation.

I-20 Form. Once the deposit and resource verification are received and accepted, the university authorizes the Office of International Student Services to issue the I-20 Form for the purpose of securing a United States student visa. There is an individual I-20 shipment charge that will be billed to your account. This shipment charge varies according to the country of destination.
Arrival to Andrews University Campus. All international students who enter the U.S.
on an Andrews University I-20 Form are considered Andrews University students
and must report immediately to the Office of International Student Services.

Exchange Visitor General Conference Sponsorships. The General Conference of the
Seventh-day Adventist Church is the sponsoring organization of the Exchange
Visitor program and is authorized by the Department of State to issue the DS2019
document. The exchange visitor is required to present the DS2019 and a copy of
the $200 SEVIS Fee Receipt at the American Consulate in order to obtain a J-1 visa.
This visa (J-1) enables the exchange visitor to pursue his/her study or to do other
options as indicated on the DS2019.

Class Loads and Financial Aid
Aid is awarded for an entire academic year (two semesters) and is based on full-
time enrollment. The summer session usually is not part of the regular academic
year. Students do not receive aid during non-enrollment periods. Most aid
programs require students to be enrolled at least half-time. Students who enroll
with a half-time class load may receive a maximum of 50% of the full-time award.
Three fourths time enrollment permits students to receive a maximum of 75% of
the full-time award. Students who change their course load during a given
semester should read the Financial Aid Refund policy, see Undergraduate Financial
Assistance.

Tuition Adjustment Policies
Tuition adjustments are given to students who withdraw from school or drop
individual courses during the academic term. These tuition adjustments are based
on the date when all the appropriate drop forms with all the required signatures
are completed and filed with the Office of Academic Records.

Fall and spring semester adjustments
100% 1st–10th calendar day
70% 11th–17th calendar day
40% 18th–24th calendar day
0% 25th–last day of semester

Summer session adjustments will differ based on the summer session you are enrolled
in.

Courses with Special Schedules. When courses are scheduled for irregular periods of
time, adjustments are based on the ratio of the length of the course to the length
of the academic period for that course. See also: Withdrawals and Refunds for Self-
paced and interactive online courses

Fees. All fees are non-refundable.

Financial Assistance Adjustments after withdrawal. Federal and State regulations
require the university to return a portion of program funds when a student
withdraws completely from school after receiving financial assistance under any
Federal Title IV program (other than Federal Work Study). Refer to Undergraduate

Gifts and Bequests
Each year the university has increased needs for scholarship funds to aid students.
The Trustees of Andrews University invite alumni, friends, and members of the
university family to join them in providing an increased opportunity for training
youth in the traditions of a Christian university.

The following supplies contact information for making a gift, either unrestricted or
designated for a specific purpose, to Andrews University:

Current Gifts
Individuals interested in making a current donation to Andrews University of either
cash or non-cash assets should contact:

Office of Development
Andrews University
8903 U.S. Hwy 31
Berrien Springs MI 49104-0660
269-471-3124

Deferred Gifts
Individuals desiring to leave a gift to Andrews University by way of a bequest or
another estate plan option should contact:

Office of Planned Giving & Trust Services
Andrews University
8903 U.S. Hwy 31
Berrien Springs MI 49104-0645
269-471-3613

50
Charges

Residence Hall Charges

Residence hall occupancy is based on two persons per room, for the duration of an entire term. All single undergraduates under 22 years of age should plan on living in the residence hall, unless living full-time with their parents.

Before the room assignment process is initiated, receipt of both the residence hall application and the room deposit are required. Prior to moving in, students must have been accepted for the session in question and be financially cleared.

Residence Hall Package Plans*

For fall and spring semesters
Double Occupancy (Lamson, Meier) $2,584
Double Occupancy (Burman) $1,292
Double Occupancy (Damazo) $2,584
Single Occupancy (Lamson, Meier) $3,230
Single Occupancy (Burman)* $2,584
Single Occupancy (Damazo)* $3,870

(If available space in Lamson, Meier, Burman, Damazo)
Double Daily Rate (Lamson, Meier) $24
Single Daily Rate (Lamson, Meier) $29
Double Daily Rate (Burman) $12
Single Daily Rate (Burman) $24
Double Daily Rate (Damazo) $24
Single Daily Rate (Damazo) $35

For summer sessions
Summer room charges are calculated on a per day basis.

* The residence hall package plan includes unlimited access to laundry facilities, utilities, health club membership (Lamson and Meier), and limited health care. It does not include health care lab work and x-rays, comprehensive psychological or substance abuse interventions or testing, health insurance, or miscellaneous expenses such as linens, cleaning, books, supplies, transportation or food.

University Medical Specialties (UMS) charges the insurance company for any coverage applicable to the services provided to residence hall students, thus students should take their insurance information with them when utilizing UMS services. UMS waives any copay or deductible (for the student/family) for the limited health care provided. Note: Lamson and Meier Halls will close at 12 pm on Wednesday morning following the end of Fall Semester and will reopen at 12 pm on Wednesday morning before the beginning of Spring semester. Residents needed housing during the closure time should speak with a residence hall dean.

Residence Hall Room Deposit Payment
The room deposit is $250, payable by each resident prior to room assignment. Assignments are made on a first-come first-served basis. For priority room assignment, submit your application and deposit by July 15 for fall term, November 15 for spring term, and April 15 for summer terms. If a deposit is received after those dates, expect to be assigned to temporary housing.

Residence Hall Room Deposit Refund
Room deposits are refunded if you do not move into the residence hall and cancel your application by August 1 for fall term, December 1 for spring term, and May 1 for summer term. Cancellation must be made through the residence hall housing office. Students will receive room assignment notification during the month of July for the upcoming fall semester. They are expected to confirm this room assignment online. Failure to confirm or cancel by August 1 will result in room cancellation as well as release of the room deposit. Rooms that have been confirmed and then canceled after August 1 will result in forfeiture of the room deposit.

Failure to Check Out Properly
Students are charged if they leave the residence hall without following checkout procedures. Additional charges may be assessed depending on the amount of cleaning and/or repairs required.

Residence Hall Unreturned Key Charges (subject to change)
Unreturned or lost key fee $75
Unreturned or lost security drawer key fee $10

Personal Effects Insurance. The University does not provide personal effects insurance coverage. The University is not responsible for the loss or damage, from any cause, of personal belongings brought to the campus. This is true even though students are required by the University to purchase certain items or to keep them in a specified place. The University strongly recommends that students secure their own personal effects insurance coverage.

Meal Plan Charges

Residence Hall Meal Plan
Undergraduate residence hall students under age 22 are required to participate in the Declining Balance Meal Plan. The minimum meal plan charge is $1,900 per semester. The meal plan can be used for purchases at the Terrace Café, Gazebo and campus vending machines. In some cases, the minimum meal plan will not meet your complete food needs for the semester (for example, $1,900 should cover approximately two average meals each day, every day, throughout the semester). Students who know they will require a larger meal plan amount may opt to add additional funds through Dining Services.

Students who run out of funds in the meal account during the semester may add to the balance in increments of $100 by request at the Office of Dining Services in the Campus Center.

Up to $100 will be credited to the student’s account at the end of the semester if funds remain from the original $1900 meal plan. If you add to that meal plan and do not use it, that portion is non-refundable.

All residence hall students of Andrews University employees receiving 60% educational allowance must select a meal plan regardless of the student’s age. Women living in Damazo Hall can select the Damazo Meal Plan. please contact your Student Financial Services financial advisor.

Meal plan cost per semester ($1,900)

Café Account
Minimum amount to open a Café Account ($50)

The Café Account is a plan for graduate and undergraduate students not living in a dormitory. Students may use their Café Account card to purchase food from the Terrace Café, Gazebo, or vending machines. To open a Café account with cash, check or credit card, visit the Office of Dining Services. To open a Café account with a credit balance on a student account, visit the Office of Student Financial Services.

University Apartments Charges

Apartments

Application Fee $320
The application fee is divided as follows:

Security Deposit $200
Cleaning Fee, non-refundable $100
Processing Fee, non-refundable $20

Rental Rates (each month)*

Efficiency $670
One-bedroom $700–770
Two-bedroom $760–830
Three-bedroom $820–885
Four-bedroom $940

* Apartment rates include all utilities: local telephone, basic cable television, and high-speed Internet

Houses

Processing Fee, non-refundable $20
Before possession, the following is required:

Security Deposit $300
Cleaning Fee, non-refundable $100

Monthly Rental Rates

One–three bedroom houses ($665-1100)

The Office of University Apartments provides apartment descriptions and application forms upon request. Application forms can also be downloaded from www.andrews.edu/apartments/. If notice of cancellation is received before the date of stated occupancy, the application fee is refunded minus the $20 processing fee. Apartments or houses are assigned from the processing list in the order in which the application fee is received.

A student’s immediate family only includes husband, wife, children, parents and biological siblings. Birth certificates must be provided showing the relationship to the student. Any other relatives (cousins, nieces, nephews, in-laws, etc.) who desire to live with students must first receive permission from the University Apartments director. Rent is increased by $20 per month for each additional person that is not immediate family as described above or the student does not have legal guardianship over. No overcrowding is allowed.
Single students wanting to share an apartment with a roommate will pay an additional $20 rent per month. The monthly rent, along with the additional extra person charge, will be divided between the roommates.

Rent Payments
The first month’s rent is prorated to the date of occupancy. Students are required to pay the first month’s rent in advance. Thereafter, rent is due in advance on the 1st of each month. A late fee of $30 is charged for any payment made after the 10th of the month. Payments can be made in person, by using the drop box, by mail or online. Address all payments and inquiries to:

Office of University Apartments
Andrews University
Box 10920
Berrien Springs MI 49104

Termination of Occupancy
All tenants are required to sign a year lease at the time of occupancy. At the end of the initial lease a new lease has to be signed if the tenant wishes to continue occupancy.

College of Arts & Sciences Charges

Center for Intensive English Programs

Language Training (Short-Term Intensives)
Individuals and groups may register for short-term intensives: fall semester, beginning in August and late October; spring semester, beginning in January and early March. The program fees (tuition) will be pro-rated. Housing and meal plans are available for an additional fee.

CIEP Fall and Spring Semesters

- **For credit ESL** - Students taking ESL classes in the Center for Intensive English Programs (CIEP) for credit pay regular AU undergraduate tuition rates.
- **Non-credit ESL** - Students taking non-credit ESL classes in the Center for Intensive English Programs (CIEP) pay the following tuition rates:
  - 12-16 non-credit hours/week - $15,160
  - Under 12 non-credit hours/week - $430/non-credit hour (Each course is 4 credits)

CIEP Summer Semester

- **For credit ESL** - Students taking ESL classes in the Center for Intensive English Programs (CIEP) for credit pay regular AU undergraduate tuition rates.
- **Non-credit ESL** - Students taking non-credit ESL classes in the Center for Intensive English Programs (CIEP) pay the following tuition rates:
  - 12 non-credit hours/week - $5,160 (may receive a discount)
  - Under 12 non-credit hours/week - $430/non-credit hour (Each course is 4 credits)

Please contact the Center for Intensive English Programs at ciep@andrews.edu for information regarding discounts available for CIEP students.

Transportation will be provided to and from the South Bend Airport upon request. Students are responsible for transportation from other airports to Andrews University. Tuition and fees do not include textbooks, health insurance, transportation to and from Andrews University. Health insurance is available through Andrews University for $125 per month. Participants in each program must either show proof of insurance or purchase insurance at Andrews University.

Communication Club Fee for all Communication Majors and Communication MA students per year
$30

General Studies Degree Plan (Main Campus)
$330

International Language Studies

Reading examination in French or German for MA and doctoral candidates in the Seminary and the School of Graduate Studies & Research
$245

Credit by examination other than CLEP (College Level Examination Program) test for undergraduate students for course credit or to have the language requirements of the College of Arts & Sciences waived (no credits are given)
$50

Music

Students wishing to charge private lessons or non-credit music classes to their account must receive authorization from Student Financial Services, prior to signing up for the lessons.

Private music lessons (non-credit)
Per 30-minute lesson $30

Private music lesson practice room fee $84 per semester

All applied music lessons have a fee of $121

Non-degree music lessons have a fee of $121

Music ensemble fee adjustments

Half tuition rate for students who register for music ensemble for credit and whose combined load exceeds 16 credits

No tuition for students who audit music ensemble and whose combined load exceeds 16 credits

Music organization uniform approx. $165
- Wind Symphony, Chamber Singers, Ladies Chorus, Mens Chorus, and University Singers

MENC Collegiate Chapter Membership Fee $46
- Professional membership fee required for Bachelor of Music in Music Education majors

Lab fee for Music minors (per semester for two years) $53
Lab fee for Music majors (per semester, excluding summer) $53

Religion Professional Fees

Computer lab fees for theology/religion majors (per year) taking more than 6 total credits $20

AMA (Andrews Ministerial Association) club fees for theology/religion majors (per year) taking more than 6 total credits $50

Social Work Professional Fees

Freshmen and Sophomores $82
Juniors and Seniors $160
Graduate students $405
Full-time graduate students (summer) $130
(Charges per semester, excluding summer)

Sustainable Agriculture

Animal Science majors (for all UG students)(per semester excluding summer) $200

College of Professions

Department of Aviation Charges

Flight Majors: Flight-training fees are to be paid at the beginning of each semester. This is to insure that flight training progresses without interruption due to financial limitations. Any additional flight or ground instruction, beyond each training module, will incur additional hourly training fees. Students must plan to cover their own costs of the 1st class FAA medical, and in the case of international students, the TSA application fee. FAA written flight tests, charts and other materials are additional and cannot be charged against the flight training fees.

Please note: Flight training fees are non-refundable. Students should plan to complete their training within the semester they have enrolled for the course. If, due to special circumstances, approved by the department; students unable to complete the training may be given a specified extension to finish their flight during the following break or semester. Beyond that exception, unused hours after the semester enrolled are forfeited and will be unusable.

Aviation Professional Fee

Fall $105
Spring $105
International Flight Students: TSA Application Fee for Permission to Commence Flight Training $140

The fee is required for all non-U.S. students training as Private, Instrument and Multi-engine pilots. An approved application allot one year of training for each of the above flight ratings. If a student does not complete the rating in that time frame, they will be required to repay the TSA fee and reapply to continue training.

Community (Non-Flight Majors) Taking Flight Training

Flight-training fees will be on a pay-as-you-go basis. Ground School classes are available with no university credit for $390 per course for the private, instrument and commercial courses and $1025 for the CFI course. Credit for such courses may be obtained by registering through the registrar’s office and paying regular tuition. For flight certificates without credit call the Department of Aviation for a cost estimate.
Flight Training Fees and Rates

Rates and fees are subject to change without notice due to changes in operating costs (insurance, fuel, etc.). Every attempt will be made to maintain published rates. Check with the airpark administration for current rates. Flight-training fees listed below apply to this bulletin:

**Course Fees For Flight Training Labs**

The full fee amount is due at the beginning of the semester/registration for each course.

**Flight Courses**

Note: Flight Training 1-8 and Multi-Engine Rating is required for Flight Degree ($14,000 per year scholarship) (additional general fee and lab fees per semester)

**Community Non-Credit Classes for Aviation Airframe and Powerplant Certificate**

For those wishing to attend classes to earn the FAA Airframe and Powerplant Certificate without university credit, there is a cost of $32,292 for the program ($621 per AU credit equivalent, includes lab fee). Should the student want university credit at a later date, the difference between the then-current university tuition rate and the non-credit rate would have to be paid. FAA test fees are additional. Tool costs may be waived for students who own tools appropriate to the program requirements. Contact the Department of Aviation for more details.

### Physical Therapy Professional Programs
- These fees do not include transportation costs, general education fees, special tests, insurance, books, or graduation fees.

#### DPT
- Confirmation Fee (non-refundable/non-transferable to another year): $500
- Tuition per semester: $12,480
- Professional Fee per semester*: $410
- Total package per semester**: $12,890

### t-DPT programs (On Campus)
- t-DPT Block Tuition (per semester): $7,365
- Professional Fee (per semester): $410
- Confirmation Fee (non-refundable/non-transferable to another year): $500
- Continuation Fee, Physical Therapy Capstone Project/Program Continuation: $280
- MPH 655 - Program Continuation: $280
- PTH 788 - Research Project Continuation: $690

### t-DPT, DScPT and DScOT (Off Campus)
- Regular credit (per credit): $690
- Professional Fee (per semester): $255
- Distance Fee (per semester): $145
- Confirmation Fee (non-refundable/non-transferable to another year): $500
- Competency credit (per credit) (PLA): $406
- Continuation Fee, Physical Therapy Capstone Project/Program Continuation: $280
- MPH 655 - Program Continuation: $280
- PTH 788 - Research Project Continuation: $690

### Masters Speech Language Pathology
- Block Tuition: $11,480
- Professional fee per semester: $442
- Orientation fee, (SSPA 500): $350
- Confirmation deposit (non-refundable/non-transferable to another year): $500

### Program Specific Fees and Discounts

#### MAR: Full-time on-campus students and online students receive an automatic 50% tuition adjustment.

#### MA: Full-time on-campus students may apply for a tuition discount (based on GPA and other criteria), at the Seminary criteria, at the Seminary Dean's office each semester by drop/add date (see below).

#### MA (DSLE) Tuition Adjustment: 25% discount

#### MAPM, MAYMAY Tuition Adjustment: 25%–38% discount

#### MDiv: The MDiv fee is already highly discounted to a flat registration fee for full time or beginning this year a per credit fee for part time students (automatic). No further discounts are available.

#### Registration fee is due August 15 for fall semester, December 15 for spring semester, and May 10 for summer term. Any overload credits (over 14 for fall and spring semesters or over 12 for the summer) are charged at the regular per-credit master's tuition rate.

#### MDiv students taking a graduate course in the College of Arts & Sciences in fulfillment of their elective course requirement may request a 50% tuition reduction (up to 9 credits), provided the class is not full and there are a sufficient number of students paying full tuition to warrant the teaching of the course.

#### Directed study, laboratory courses, and study tours are not eligible for reduced tuition. Neither is this discount available for dual-enrollment students who have been accepted in a graduate degree program in the College of Arts & Sciences.

#### Application form is available in the MDiv office, but should be submitted to the Seminary criteria, at the Seminary Dean’s office each semester by drop/add date (see below).

#### Program Continuation GSEM 688, 888, 880, 888.

#### Student Application Fee—per test
- Recording fee per credit: $50

#### Program Continuation GSEM 688, 888, 880, 888.
- Program Continuation GSEM 688, 888, 880, 888.

### Other Fees
- Application Fee
  - $60
- Online Application
  - $60
- Background Check (Note: applicant is also responsible for any additional fees charged for background checks in certain regions minimum)

### Transfer
- Certain seminary programs are discounted to prepare students for specific ministries. If a student enrolls and takes classes in a discounted or reduced fee program (less than the published Doctoral or Master’s rate) and then wishes to apply those credits earned to a higher priced program, the student may be assessed a fee to transfer or apply the discounted credits to the higher priced program at the time of transfer.

### Summer
- (Except all students taking less than 5 credits and all students in any form of Distance Education)
- Seminary Student Activity Fee (on-campus students): $15

### Continuation Fee (per semester)
- Program Continuation GSEM 688, 888, 880, 888.
- DMiss extension fee, if granted

### Preparation for Comprehensive Exams GSEM680 and GSEM880.
- Dissertation Proposal Preparation GSEM844

### Application Fees
- $410
- Registration Administrative Fee—per test

### Seminary Online Learning Center (SOLC)
- PTC distance tuition (per credit): $1,194
- Seminary MA programs at the stated rate (including discount) per credit varies
- Except any MA tuition discounted greater than 50% will also be assessed the SOLC fee per credit (same as MDiv)
- MDiv Students (in addition to the MDiv registration fee) are charged an additional SOLC fee (per credit)

### Transfer
- Certain seminary programs are discounted to prepare students for specific ministries. If a student enrolls and takes classes in a discounted or reduced fee program (less than the published Doctoral or Master’s rate) and then wishes to apply those credits earned to a higher priced program, the student may be assessed a fee to transfer or apply the discounted credits to the higher priced program at the time of transfer.

### MDiv Registration Fee (per semester)
- Fall, Spring (Flat fee for 10 to 14 credits): $3,415
- or per credit for 1-9 credits: $370
- Summer (Flat fee for 8-12 credits): $2930
- or per credit for 1-7 credits: $370
- Overload (per credit): $1,194

### General Fee (per semester)
- Fall or Spring: $500

### A per-credit recording fee is charged for prior learning (CPL).

### DMin: NAD employees are eligible for a 56% discount off the published doctoral rate. Tuition includes general, graduation and editing fees.

### DMiss: 50% discount off the published doctoral rate.

### PhD/ThD: Visit the PhD program office for scholarship applications in January of each year.

### Doctoral: Seminary Doctoral students will receive a 75% discount for Seminary MA level prerequisites taken on campus. If the prerequisite is taken on line, then the
\$140 SOLC per credit fee will also apply [see Seminary Online Learning Center (SOLC) charges].

PhD students taking a graduate course in the College of Arts & Sciences in fulfillment of their elective course requirement may request a 50% tuition reduction (up to 9 credits), provided the class is not full and there are a sufficient number of students paying full tuition to warrant the teaching of the course. Directed study, laboratory courses, and study tours are not eligible for reduced tuition. Neither is this discount available for dual-enrollment students who have been accepted in a graduate degree program in the College of Arts & Sciences. Application form is available in the MDiv office, but should be submitted to the Dean of Arts & Sciences.

Seminary Scholarships and Discounts

Scholarships
Endowed/Named Scholarships—Application deadline will be set some time during spring semester for awards for the next year.

Emergency Scholarship
For true emergencies (health, accident, job loss, etc.) please visit the Seminary Dean’s office for application details.

Seminary Spouse Discount
Available to master’s-level students enrolled in Seminary programs whose paying spouses are enrolled full-time in a Seminary program. Student must submit application to Seminary Dean’s office each semester by drop/add date. Details and applications are available in the Seminary Dean’s office. Discount, if granted, would net Seminary master’s tuition to \$165 per credit (maximum 9 credits per semester).

Note: The purpose of this section is to summarize the most common Seminary fees. Seminary students are still responsible for all fees and policies as set forth in this Bulletin.

Other departmental charges for individual courses are listed in the Class Schedule or disclosed in the syllabus. These charges, which may be significant, are added to tuition.
Undergraduate Financial Assistance

Academic Scholarships Funded by Andrews University

The Andrews Partnership Scholarship reflects the university's desire to recognize academic achievement as well as assist students in achieving a degree in a Christian environment at Andrews University.

Andrews Partnership Scholarship (Online degree seeking students are not eligible for Andrews Partnership Scholarship)

Merit-based Scholarships

The Andrews Partnership Scholarship is available to accepted undergraduates including Canadian and international students. The Office of Undergraduate Admissions will determine the scholarship amounts for incoming freshmen and transfer students. To establish the scholarship amount, the Office of Undergraduate Admissions will determine a rating based on the following guidelines:

FTIACS (defined below)

- Confirmed U.S. SAT or ACT scores (Test must be taken by July 15)
- Confirmed U.S. cumulative GPA (following the conclusion of the sixth semester for academy or high school)

Transfer Students (defined below)

- Confirmed cumulative college GPA

Contact the Office of Undergraduate Admissions for further details.

FTIACS (First Time In Any College)

Andrews Partnership Scholarships are merit scholarships awarded to students who have taken fewer than 25 college semester credits after graduating from high school. The award amount is based upon a combination of cumulative high school GPA and ACT or SAT and can be calculated at the website www.andrews.edu/aps. Andrews Partnership Scholarship is ten (10) semesters. The award levels are as follows:

<table>
<thead>
<tr>
<th>Scholarship</th>
<th>4-Year Total</th>
</tr>
</thead>
<tbody>
<tr>
<td>$12,000</td>
<td>$48,000</td>
</tr>
<tr>
<td>$10,000</td>
<td>$40,000</td>
</tr>
<tr>
<td>$8,000</td>
<td>$32,000</td>
</tr>
<tr>
<td>$6,000</td>
<td>$24,000</td>
</tr>
</tbody>
</table>

Additional Andrews Partnership Scholarship for FTIACS (First Time In Any College)

Students in addition to the Andrews Partnership Scholarship (based upon the combination of high school cumulative GPA and ACT/SAT scores) freshmen are eligible for an additional annual $2,000 special APS for either (only one) of the following categories:

- ACT composite of 30 to 33
- SAT Evidence-based Reading and Writing (ERW) + Mathematics combination score of 1360 to 1480.
- pSAT-NMSQT ERW + Math Combinations score of 1350 to 1460.

Note: Andrews University awards the ACT/SAT Scholarship for students scoring a composite score of 34 (ACT) or 1490 (SAT Evidence-based Reading and Writing + Math) or higher or pSAT-NMSQT of 1470 (ERW and Math) or higher. This scholarship covers 100% tuition for up to 144 undergraduate credits for incoming freshmen. For details listed below under National Merit/National Achievement Finalists Scholarship, National Hispanic Recognition Program Scholar and ACT/SAT Scholarship.

Continuing eligibility and time frames for this scholarship are the same as for the regular APS. Transfer students do not qualify for the additional APS for ACT or SAT scores since their APS is based upon their transfer cumulative college GPA. Transfer students may qualify for full tuition scholarship if they are National Merit/National Achievement Finalists, National Hispanic Recognition Scholar or ACT/SAT Scholarship. Students applying for the National Merit/National Achievement Finalists, National Hispanic Recognition Program Scholars or ACT/SAT Scholarship are not eligible for additional APS. All tests must be taken by July 15 to be evaluated to raise their APS.

Transfer Students (transferring 25 or more semester credits taken after graduating from high school) to Andrews University who are full-time undergraduates and in their first degree program may be eligible for an Andrews Partnership Scholarship. Based on their incoming cumulative college GPA, the Office of Undergraduate Admissions will grant an Andrews Partnership Scholarship according to the following:

<table>
<thead>
<tr>
<th>GPA</th>
<th>Scholarship Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.50 and higher</td>
<td>$9,000</td>
</tr>
<tr>
<td>3.00 to 3.49</td>
<td>$7,000</td>
</tr>
<tr>
<td>2.50 to 2.99</td>
<td>$5,000</td>
</tr>
<tr>
<td>Below 2.50</td>
<td>$3,000</td>
</tr>
</tbody>
</table>

Transfer students may qualify for full tuition scholarship if they were National Merit/National Achievement Finalist, National Hispanic Recognition Scholar or ACT/SAT Scholarship.

Named Scholarships

Endowments and other restricted scholarship funds from alumni and friends of the university provide specially named scholarships as part of the Andrews Partnership Scholarship. Selected students are awarded, by their school, a named scholarship based on academic performance, declared major, and career goals. Because of this special recognition a thank-you letter is required to be submitted electronically to the Office of Development through finVue (can be found under the requirements section). Receipt of a named scholarship will not increase the total amount of financial aid awarded if an Andrews Partnership Scholarship was already given.

Student Missionary/Taskforce Volunteer Scholarship

This scholarship is awarded to an undergraduate student who has served as an AU Student Missionary or Taskforce Volunteer through Andrews University and enrolls full-time at Andrews University the year following the year of service. The scholarship is up to $1,500 scholarship. It is not transferable to any other school nor any other student. To apply for this scholarship fill out an application accompanied by a letter of evaluation from your mission field supervisor with the Student Missions Program in the Office of Campus Ministries. This scholarship is not part of the Andrews Partnership Scholarship.

Summer Ministries Scholarship Program

Summer camp scholarship will be based on $200 per week for a maximum of 13 weeks or $2,600. Summer camps that pay minimum wage or higher are not eligible for this scholarship. Student Financial Services will determine the amount of the scholarship based on the information received from camp directors in time for financial clearance.

Magabooks and HHEs are matched 50% of the net earnings. The entire net earnings must be placed onto the student’s account at Andrews University before the scholarship is given. The scholarship cap is $2,700.

Transfer students who attend Adventist Colleges Abroad, Student Missionary or Task Force that fall, their scholarship will be held until the following year and funds disbursed the next fall semester. If they also work in a summer ministries program that year, the scholarship would be given the following fall semester.

All summer scholarships are awarded to full-time undergraduate and graduate students in a degree program attending the Berrien Springs campus and require full-time service. The scholarship closing date for consideration is October 31 of the current academic year.

If a student attends Adventist Colleges Abroad, Student Missionary or Task Force that fall, their scholarship will be held until the following year and funds disbursed the next fall semester. If they also work in a summer ministries program that year, the scholarship would be given the following fall semester.

Included and Excluded Funds

Funding for Andrews Partnership Scholarships may include Andrews University grants, named scholarships, and departmental scholarships, as well as the value of spouse free tuition. Funds not included in the Andrews Partnership Scholarship are Summer Ministries, Student Missionary/Taskforce, General Conference Missionary Matching, Undergraduate Research grants, the DeHaan Work Excellence Award,
employer-provided scholarship or assistance, music performance, and non-Andrews outside resources.

Continuing Eligibility

To retain the Andrews Partnership Scholarship each student must meet all of the following:

- The university's Satisfactory Academic Progress policy
- Complete a four-year degree in ten semesters or get permission for an APS extension from the associate vice president for Enrollment Management. Students are allowed terms of prorated APS for less-than-full-time attendance (minimum 6 full-price credits, i.e. half time; handled manually upon written request to Student Financial Services). A prorated term counts as one complete term of the ten Andrews Partnership Scholarship terms allowed. 9–11 credits=75% APS; 6–8 credits=50% APS.
- Be a full-time (minimum 12 credit hours) undergraduate completing his/her first degree on the Berrien Springs campus
- Be a full-time (minimum 12 credit hours) student on the Andrews University main campus. Twelve Andrews undergraduate correspondence credits, 12 ELI non-credits, May Express, Sahmyook Top Scholar, and other discounted credits, do not qualify as full-time eligibility for the Andrews Partnership Scholarship.

Summer Enrollment

An Andrews Partnership Scholarship recipient may request the Andrews Partnership Scholarship during the summer term if all of the requirements are met. The summer term will count as one of the 10 semesters for which the Andrews Partnership Scholarship may be available. Usually the only aid available for summer is a student loan.

Special Andrews Partnership Scholarship

National Merit Finalists Scholarship, National Hispanic Recognition Program Scholar and APS/SAT Scholarship

Andrews University rewards National Merit Finalists, National Hispanic Recognition Program Scholars and ACT/SAT Scholarship recipients (those with a composite score of 34 ACT or 1490 SAT (Math + Verbal or higher) a special Andrews Partnership Scholarship that covers 100% tuition for five years for incoming freshmen with a cap of 144 credits and limited to a declared degree(s). To confirm receipt of the scholarship, submit appropriate records (award letter, certificate and/or official test scores) to the Office of Undergraduate Admissions. Rules:

- Total aid received by the awardee, including a university scholarship or grant, cannot exceed the cost of attendance. Gift aid includes external scholarships, merit aid, and then need-based aid. Non-gift aid includes Educational Allowance, federal loans and private loans. Should the total aid exceed the cost of tuition per semester, then books, general fee, required course fees and the standard costs of room (double occupancy) and board (meal plan) may be included in the calculation.
- No cash amount is paid directly to the student, nor may any funds be transferred to any other student's account if total aid includes an educational allowance plus a 100% tuition scholarship with the following exception:
  - Federal PELL grant and student loans may be withdrawn if they create a credit balance. No greater than the amount of these funds may be withdrawn.
  - Excess credit from educational allowance plus 100% scholarship may not be withdrawn; however, it may carry over from fall/spring to be used toward a summer term if made aware of.
- The length of this 100% tuition Andrews Partnership Scholarship is ten (10) semesters with a cap of 144 credits and limited to a degree(s). Transfer credits and dual credits taken in Academy or High School do not count in the cap for first time Freshmen.
- All 100% tuition scholarships will be renewed yearly if students maintain a 3.25 Andrews University cumulative GPA. If GPA is above 2.0 but below 3.25 after a warning term, the standard Andrews Partnership Scholarship will be awarded in lieu of the 100% scholarship.
- Transfer students may qualify for the National Merit Finalist, National Hispanic Recognition Program Scholar or ACT/SAT Scholarship under the following conditions:
  - The scholar enters the scholarship program at his/her appropriate grade level. In no case is a transfer scholar eligible for a full five-year scholarship.
  - The student must meet the GPA requirements as outlined in #4 above at his/her appropriate grade level.

Andrews Gift Aid

In addition to the Andrews Partnership Scholarship, Andrews University makes Andrews Gift monies available to help satisfy the student's need as determined by the financial aid information. To be eligible for Andrews Gift aid, students must file the Free Application for Federal Student Aid (FAFSA), www.fafsa.ed.gov. To complete your financial aid award, you will need to submit the AU Financial Information Sheet and any other documents required for verification by the Student Financial Services Office. If you did not or could not use the IRS Data Retrieval Tool on the FAFSA, we will need an IRS Tax Return Transcript. You can request one at www.irs.gov/individuals/get-transcript. The priority processing date is March 1. No electronic award letter will be prepared until Student Financial Services receives and processes these forms. Andrews Gift will be recalculated if outside resources are received after initial awarding.

Many of the financial aid programs presented in this bulletin are governed by Federal and State regulations. Every attempt has been made to be accurate in the program description at the time of printing. Changes, however, may be made over which the university has no control.

Defining Financial Need

When figuring eligibility for financial aid, need is determined by the following Financial Aid Formula: Cost of Attendance - Expected Family Contribution = Need.

Cost of Attendance refers to the amount it costs to attend Andrews. This cost includes tuition, estimated cost of books, general fee, room and board, personal and travel allowances.

Expected Family Contribution is determined by taking financial information provided by the student on the Free Application for Federal Student Aid (FAFSA) and calculating a result.

Educational Need is the difference between cost of attendance and expected family contribution. Need-based aid comes from Federal, State, and/or institutional funds.

General Information

FERPA. Andrews University follows the Family Educational Rights and Privacy Act guidelines.

Financial Aid Documents. To find required documents visit www.andrews.edu/sf.

To complete your financial aid offer, you will need to submit the Financial Information Sheet and other documents if selected for verification. If you did not or could not use the IRS Data Retrieval Tool on the FAFSA, we will need an IRS Return Transcript. You can request one at www.irs.gov/individuals/get-transcript. No financial aid offer will be prepared until Student Financial Services receives and processes these forms. Priority processing date is March 1.

The United States Department of Education selects some students for whom the school must verify the information submitted on their FAFSAs.

When to do the FAFSA. Students can file the FAFSA online after October 1 for the following academic year and sign electronically with the student's FSA ID. The Federal office will process aid eligibility only after receiving an electronic signature.

School Name and Federal School Code. The FAFSA must include the name(s) of the college(s) to which the student is applying. Andrews University's Federal School code is 002238.

Federal, State, and Institutional Financial Aid. The information on Federal and State-based aid is in accordance with regulations and funding information available at the time this bulletin goes to press. Actual awards depend on Federal and State regulations and funding at the time aid is disbursed.

Aid money is credited to the student account each semester. Any change required in the student’s verification process (check to be sure what was entered on the FAFSA matches what was entered on the verification forms) can change the financial aid award.

Master Promissory Note (MPN). Andrews University follows Federal guidelines for Master Promissory Notes. Students sign electronically a loan note only once indicating their intent to use loans to pay their tuition expenses and their commitment to repay the loans after graduation. Once electronically signed, the loan note remains active for ten years (unless it is canceled by the student). Andrews University uses an in-house loan-request form for students to indicate which loans and how much loan eligibility they will use each year.

Funding Limitations. Should university aid funds become over-committed, Andrews University reserves the right to reduce all previously granted awards, to discontinue making further awards, and/or to use other appropriate methods to bring aid expenditures into agreement with budgeted aid figures.
Financial Aid Eligibility. To be eligible for financial aid, a student must be:

- Accepted on regular, provisional, or probationary status (guest student status is not recognized for aid purposes).
- Enrolled in a program of study leading toward a degree or an approved certificate program.
- Registered for at least one-half of a full class load each semester.
- A full class load is usually required for institutional aid.

Citizenship Requirements for Federal and State Aid.

- A U.S. citizen or national (includes natives of American Samoa or Swains Island)
- A U.S. permanent resident.
- Other eligible non-citizens.
- Only students who meet the Michigan residency requirements and filing dates will be eligible for Michigan aid consideration.

Non-citizen Eligibility. An eligible non-citizen is a student whose status matches one of the following:

- A U.S. permanent resident who has a Permanent Resident/Resident Alien card. (I-151, I-551, I-551C).
- A person who has an Arrival-Departure Record (I-94) from the Bureau of Citizenship and Immigration Services (BCIS) showing one of the following designations: “Refugee,” “Aylee,” “Parole,” (“Conditional Entrant” (valid only if issued before April 1, 1980)). They may also have a Refugee Travel Document (Form I-571).
- Cuban Haitian Entrant having a stamped across the face of the I-94 indicating that they have been classified as a “Cuban-Haitian Entrant (Status Pending).” Students without I-94 documentation may have their status confirmed by a Customs and Border Patrol stamp, showing class of admission and date admitted or paroled on their passport.
- Victims of human trafficking will have a letter from Health and Human Services or a T-visa. Battered immigrants under the Violence Against Women Act (VAWA) will have an I-797 form, a court order from an immigration judge, or an I-360 form with approval or prima facie finding by USCIS.
- Persons with a passport with an Arrival/Departure Record (I-94) stamped conform to Federal, State, and institutional regulations.
- Persons with an unexpired foreign passport containing a machine readable immigrant visa (MRIV) in the passport, with a Customs and Border Protection inspector admission stamp and the statement “UPON ENDORSEMENT SERVES AS TEMPORARY I-551 EVIDENCING PERMANENT RESIDENCE FOR 1 YEAR.” The MRIV must be in an unexpired foreign passport, endorsed, and is valid for one year from the date on the endorsement stamp.
- Persons with a U.S. Travel Document containing a Re-entry Permit (I-327) or Refugee Travel Document (I-571) annotated with “Permit to Re-enter Form I-327.”
- Persons with at least 50% Native American blood born in Canada. They may need to provide proof of both qualifications.

Notes: Conditional Resident Aliens have documentation that expires. This documentation is acceptable to receive Federal Financial aid as long as the expiration date has not passed.

Students who have only a Notice of Approval to Apply for Permanent Residence (I-171 or I-464A), students who are in the United States on an F1 or F2 student visa only, or students on a J1 or J2 exchange visitor visa only cannot receive Federal and State aid. Also, persons with G series visas (pertaining to international organizations) are not eligible for Federal and State aid.

Certain Native American students born in Canada with a status under the Jay Treaty of 1789 may also be eligible for federal student aid.

Undocumented students, including DACA recipients, are not eligible for federal student aid, but you may still be eligible for institutional aid, in addition to private scholarships.

Class Loads and Financial Aid. Aid is awarded for an entire academic year (two semesters) and is based on full-time enrollment. The summer session usually is not part of the regular academic year. Students do not receive aid during non-enrollment periods. Most aid programs require students to be enrolled at least half-time. Students who enroll with a half-time class load may receive a maximum of 50% of the full-time award. Three-fourths time enrollment permits students to receive a maximum of 75% of the full-time award. Students who change their course load during a given semester should read the Financial Aid Refund Policy.

The student’s continued eligibility for financial aid is also based on his/her academic progress as described in the following chart:

<table>
<thead>
<tr>
<th>Credit Hours for Class Loads</th>
<th>Program/Level</th>
<th>Full-load</th>
<th>3/4 Load</th>
<th>Half-load</th>

Cost of Attendance Limitations. The maximum award a student can receive is regulated by Federal and State regulations. The university is required to ensure that the combined financial resources available to students from Federal and non-Federal sources do not exceed documented educational need. These sources include but are not limited to:

- William D. Ford Federal Direct Loan Program (formerly the Federal Stafford Loan Program—and hereafter referred to as the Federal Direct Loan)
- Federal Pell Grant
- Federal Supplementary Educational Opportunity Grant (FSEOG)
- Tuition and fee waivers
- Andrews Partnership Scholarship
- Andrews Gift
- Scholarships or grants from parent’s employer
- State grant and scholarship
- Any grant or scholarship from any source
- Federal work-study earnings

Student Financial Services monitors all aid and is required to adjust awards to conform to Federal, State, and institutional regulations.

Special Circumstances. Under certain situations, the United States Department of Education permits a school’s financial aid office to make adjustments to the parent’s or student’s analysis information (provided on the FAFSA at the time of application). The adjustments permitted take into account changes in the family’s financial situation that occurred since the FAFSA was completed. These special situations include, but are not limited to:

- Loss of employment
- Loss of untaxed income
- Separation or divorce
- Death of a parent
- Illness or excessive out-of-pocket medical expenses
- Tuition paid by parents for student siblings in elementary or secondary school

Students who have completed their financial aid process and later experience one of these special situations should ask their financial advisor to review their aid eligibility. To request this financial aid eligibility review, the independent student or the parent of a dependent student must provide a signed professional judgment request, with proof of change. Proof may include such documents as a death certificate, employer discharge letter, or last paycheck stub. When requesting a review, emphasis should be placed on information that was not available originally to the Student Financial Services Office. Anticipated changes are not grounds for a review. After reviewing the information submitted, Student Financial Services may require additional documentation.

Unfortunately, not all circumstances that are considered special by parents and students are permissible by the federal government. Appeals to the initial determination must be received in writing no later than three weeks after receiving the initial determination. Appeals are reviewed by the vice-president for Financial Administration and Enrollment Management together with the director of Student Financial Services. All information regarding financial aid in general and special conditions is treated confidentially.

Priority Dates for Financial Aid Applicants. Students desiring financial aid must apply each year and submit the following documents:

- October 1—The Free Application for Federal Student Aid (FAFSA) should be filed on-line at www.fafsa.ed.gov indicating Andrews University (school code 002238) as the first college to which the analysis report should be sent.
Financial Aid Refund Policy. This policy covers changes in the amount of financial aid due to the dropping of classes or withdrawal from school.

Students who receive financial aid from state or Federal funds must be aware that any change in the number of credits taken during each semester may affect the amount of financial aid they can receive. A smaller number of credits lessens the amount of aid. The amount of aid hereby forfeited must be returned to the aid fund. Likewise, a complete drop means that aid funds be returned, depending on the date of the complete drop. The rules controlling such refunds to the aid fund(s) are determined by the U.S. Department of Education and are used for all Title IV recipients nationwide.

Return of Title IV Funds Policy
Title IV funds are awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. When a student withdraws from Andrews University for any reason, officially and/or unofficially, the student may no longer be eligible for the full amount of Title IV funds originally awarded. (Title IV aid refers to federal aid programs under the Higher Education Act of 1965). The return of funds to the federal government is based on the premise that a student earns financial aid in proportion to the length of time during which they remain enrolled.

Federal Regulations require a recalculation of financial aid eligibility if a student:
- Completely withdraws
- Stops attending before the end of the term
- Fails all classes

Financial aid that is processed for a student who never begins attendance will be canceled and all of the funds will be returned to the Department of Education.

Earned Versus Unearned Financial Aid
If a student withdraws officially, unofficially, or through Administrative withdrawal from Andrews University, federal regulations require us to calculate Federal Title IV aid earned during the term in which the student no longer attends.

Title IV aid disbursed is earned based on a ratio of calendar days attended, to total calendar days in the Semester, less any breaks of 5 or more days. Once the 60% point in the enrolled Semester is reached, a student is considered to have earned all of the financial aid originally awarded and no return of Title IV aid is required.

Earned aid based on days attended can remain disbursed.

Student Notification of Repayment
The return regulations require a calculation of amounts a school must return, and/or may retain. Students are ultimately responsible for returning unearned funds; however, Andrews University does return all unearned aid to the Department of Education on the student's behalf.

As a result, the student may owe a balance to Andrews University after a return of Title IV funds. It is the student's responsibility to pay the school for the balance. A financial hold for the balance will prevent any registration of courses in the future. A balance on account will also hold a transcript and diploma from being released.

Federal Formula
The amount of Title IV aid earned is determined by multiplying the result of the following two-step formula:

1. \[ \text{Amount of aid for } = \frac{\text{Percentage}}{100} \times \text{Tuition and fees} \]
2. \[ \text{Percentage } = \left( \frac{\text{Number of days attended}}{\text{Total days in Semester}} \right) \times 100 \]

Example: 5 days attended/100 total days = 5% (total Title IV aid disbursed) = earned aid.

The regulated time frame to return funds is no later than 45 days from the determination of a withdrawal.

Determination of Withdrawal Date
Our institution is not required to take attendance. Therefore, the date we use in the return of funds calculation is the date the student officially and/or unofficially withdraws or stops attending courses. This would be either date of submission of a student exit form or the official notification date of a student that they wish to withdraw.

If a student stops attending without notification, the date used will be the verified last date of academic activity collected from instructors for all withdrawn courses in the term. This date coincides with the last date of attendance, the last date of an academic activity such as homework assignment, quiz, exam or graded paper.

Not Started
Andrews University requests that instructors report each Semester whether or not a student begins attendance in a course. If a student does not begin attendance in a course, that course must be taken out of consideration for Title IV funds. The Title IV funds will be recalculated excluding that course. Depending on the remaining hours of registration, students may have their aid partially reduced or fully reduced. Students may also be subject to Title IV return calculations resulting in a reduction or cancelation of Title IV aid.

Students who do not plan to attend and will not be participating in a course should drop the class prior to the start of the term (or, at the very least, within the 100% refund period) to avoid Title IV aid recalculation.

Post-Withdrawal Disbursement
Students that withdraw completely with pending aid that did not disburse prior to withdrawal may be eligible for a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, the student must give permission before the funds can be disbursed.

Andrews University may use all or a portion of the post-withdrawal disbursement of grant funds for qualified educational expenses. Permission is required to use post-withdrawal grant funds for all other school charges. Students will be notified within 30 days of the determined withdrawal date.

Unearned Non-Passing Grades
Students who receive all non-passing grades (F grades) at the end of the Semester, and whose attendance cannot be verified with instructors in all courses enrolled, will be considered unofficially withdrawn and all aid will be returned.

Federal Title IV Aid Programs Order of Return
After calculating, the federal formula funds are returned in the following order for students who drop all their classes:
- Unsubsidized Direct Loan
- Subsidized Direct Loan
- PLUS Direct Loan (Parent)
- PLUS Direct Loan (Graduate)
- Federal PELL Grant
- Federal SEOG
- Other Title IV student assistance

Withdrawal and Future Financial Aid Eligibility
Please refer to the Satisfactory Academic Progress section of this Bulletin to determine how financial aid is impacted.

Additional Loan Information to Consider When Withdrawing
Students are entitled to a 6 month grace period prior to repayment of their Federal loan(s). If a student is less than half-time for 6 months their loans will go into repayment status with their federal loan servicer. The grace period begins the day a student drops below half time. A student's lack of graduation does not equate to in-school deferment.

Students must complete Exit Loan Counseling at www.studentloans.gov and contact their loan servicer to make payment arrangements, or ask any questions pertaining to the grace period or repayment status.

State Grants and/or Scholarships. Michigan refunds are calculated using the following two-step formula:

1. Amount of aid for } = \text{ Tuition and fees } = \text{ Percentage enrollment period for same period}
2. Percentage \text{x Tuition and fee} = \text{Amount returned adjustment to aid fund}

Michigan Residents are defined as dependent students whose parents have resided in Michigan since June of the year before the enrollment year or as independent students who have resided in Michigan since June of the year before the enrollment year.

Pennsylvania, Vermont, Rhode Island, and other States. Determine grant eligibility following each State's applicable guidelines.

External Grants and/or Scholarships. Aid is returned to donor organizations according to each organization's own guidelines. Non-Title IV funds include:
Federal Perkins Loan Program
Students who are no longer enrolled, have not paid on a Federal Perkins Loan obtained at Andrews University and request their academic transcripts must contact the Perkins Loan Collection Office for more information. This office is part of Student Financial Services on campus and can be contacted by calling 269-471-6271.

Work Study Program
Students employed under the Federal Work Study (FWS) program receive their entire paycheck. Earnings are paid both by Andrews University and the Federal government. Students must do everything necessary to reach the work earnings that are estimated in their award. Otherwise they must be prepared to pay the difference from personal or parental resources.

Federal Work Study (FWS). To be eligible for assistance under the Federal Work Study program, students must demonstrate financial need and have a minimum overall GPA of 2.0. This program parallels the student labor program of the university. Eligibility for this program is determined through the standard financial aid application process. Students working under the Federal Work Study Program must be U.S. citizens or eligible non-citizens.

Satisfactory Academic Progress (SAP)

SAP Policy for Undergraduate Students with Financial Aid

UNDERGRADUATE

Satisfactory Academic Progress (SAP)
According to the United States Department of Education, all schools are required to follow federal, state and institutional SAP policies when awarding financial aid. Students must make Satisfactory Academic Progress (SAP) toward the completion of their associate, baccalaureate, or graduate degrees to qualify for financial aid. Second-degree seeking students are evaluated under the same policy. The Office of Student Financial Services will monitor your academic progress at the end of each semester (including summer term) for all enrolled students regardless of whether or not financial aid was received that semester.

It is the student’s responsibility to read, understand, and adhere to the SAP policy in order to remain eligible for financial aid. Failure to comply with this policy can result in the student’s financial aid eligibility being terminated at Andrews University.

To maintain eligibility for Federal Title IV and/or institutional financial aid assistance, students must meet the following minimum standards:

Qualitative Measure: Financial Aid Minimum Grade Point Average (GPA)
- To make satisfactory academic progress, undergraduate students must maintain an overall GPA of 2.0 (average grade of C).
- Transfer credit grades are not counted, a student progress in the qualitative measure is solely Andrews University credit grades.
- Repeat credits: students may repeat a course in which they receive an unsatisfactory grade. In the case of undergraduate students only, the course with the higher grade is used to calculate the GPA.
- Changes in GPA due to completion of "incomplete" or "deferred" grades or changes made for any other reason are considered when aid eligibility is reviewed at the next regular monitoring time.
- A change in major from one school to another (ex. Business to Arts & Sciences) may on a case by case basis lead to an additional term of aid, or "reset" of counting SAP terms. The projected grades required and time frame needed to raise a GPA to standard will be taken into consideration.

Quantitative Measure: (A) Pace of Program and (B) Maximum Time Frame

A. Students must complete at least two-thirds of the number of credits attempted with a passing grade regardless of enrollment status (full-time or half-time), and maintain a 66.67% completion ratio. The Office of Student Financial Services confirms that the student has met this requirement prior to the beginning of the student’s new enrollment period.

- Credit grades of A, B, C, D and S are considered hours attempted and completed. Withdrawals (W), audit (AU), incomplete (I), failing (F or U) credits are counted as hours attempted only.
- Transfer credits will not be included in calculating the two-thirds completion rate.

B. Student may not exceed 150% of the required credits to graduate with their declared degree program regardless of whether or not financial aid was received during previous semesters. Students are advised to work with their academic advisor to “stay on target” to complete educational goals.

C. Academic progress from other institutions will be included in maximum timeframe. All attempted credit hours from Andrews University (AU) and/or any other institution of attendance will count towards attempted credit hours with regard to maximum timeframe. Students who have attempted 150 percent of the allowed number of credit hours for any degree will be ineligible to receive financial aid at AU.

Rules for Remedial or Developmental Coursework.
An otherwise eligible student may receive financial aid for a maximum of 30 attempted credit hours in developmental/remedial course work. Once the 30 credit hours maximum are reached, additional developmental credit hours will not be used to calculate the award amount. Developmental hours are not included in the GPA calculation, but they are included in the quantitative assessment of SAP. They are not included in the qualitative calculation (completion rate), nor the calculation of maximum timeframe. They do not apply towards the degree program.

Financial Aid Warning. Students who fail to meet all regulations outlined in the Satisfactory Academic Progress policy and new students beginning their academic work at Andrews University qualify as making SAP.

Financial Aid Appeal Procedure. Students who fail to maintain SAP and who lose current semester financial aid due to special or extenuating circumstances may appeal such an action in writing. All appeals must be completed using the SAP Appeal form.pdf, and must be submitted before the first day of class for the next term that you plan to attend. All undergraduate students who fail to maintain SAP must contact the office of Student Success to complete an Academic Plan that must be provided together with the SAP Appeal form. All appeal documents must be attached to the SAP form. Allow up to ten business days from submission of the form and all documentation to process your appeal. Students should recognize that submission of an appeal does not guarantee reinstatement of financial aid eligibility and approval is not “automatically” granted. Students will be notified regarding either a determination or next steps via their Andrews University email address or another means of communication. Decisions are final.

Financial Aid Probation. When failure is due to extenuating circumstances or circumstances beyond the reasonable control of the student, he/she may appeal for a semester of financial aid probation. Proof must support the stated extenuating circumstances in the event of the death of a relative, a medical emergency or illness of the student, legal dependent or spouse, military activation or deployment, employer required changes on work schedule, disaster, or any other special circumstances. Reasons such as being unprepared for college course work, the course was not what was expected, not liking the instructor and other related excuses are NOT qualifying circumstances for an appeal and will result in an appeal being denied. Students are responsible for monitoring their own progress status. Our office makes every attempt to notify students of their status. However, failure to receive notice does not affect the calculated status and is not reason to appeal. Please ensure that home and email addresses are updated with Admissions and Records Department.
If an appeal is approved, a student will be placed on Financial Aid Probation for one semester. Future financial aid is dependent on meeting SAP standards by the end of the probationary semester.

If the appeal is denied, a student is no longer eligible for financial aid. Student is welcome to register for classes with the approval of their dean/academic advisor at their own expense until they meet SAP policy standards.

Break in Enrollment. When a student has a break in enrollment and is readmitted, the SAP status for prior terms will apply. For example, if a student is placed on financial aid suspension at the end of the spring term, does not return in the fall term, and is readmitted the next spring term, the student will continue in a financial aid suspension status for that term.

Please Note: The financial aid SAP standards are not the same as Andrews University’s general academic requirements. Students should contact an academic counselor to determine those separate requirements for maintaining their academic enrollment.

Adventist Colleges Abroad (ACA)

Eligibility Criteria. Students planning to attend an institution affiliated with Adventist Colleges Abroad (ACA) may be eligible to obtain Federal and State financial aid under the following conditions:

- The student registers and has to be financially approved at the Andrews University Berrien Springs campus before attending Adventist Colleges Abroad (ACA).
- The student must meet Andrews University’s Satisfactory Academic Progress policy.
- Aid-eligible students may receive Federal and/or State financial aid only as long as it takes to complete 25% or less of their total degree program (usually the equivalent of two academic semesters).
- However, students are not eligible for:
  - Andrews University scholarships and grants while attending an ACA campus.

Application Procedures. Students should follow the procedure outlined below to apply for financial aid for enrollment at an ACA college:

- Complete the Free Application for Federal Student Aid (FAFSA) form online at www.fafsa.ed.gov indicating Andrews University as the first college of choice. Federal School code is 002238 for Andrews University.
- Complete your financial aid award, you will need to submit the AU Financial Information Sheet and other documents if selected for verification. If you did not or could not use the IRS Data Retrieval Tool on the FAFSA, we will need an IRS Tax Return Transcript. You can request one at www.irs.gov/individuals/get-transcript.

All students planning to attend an ACA college must meet the University’s financial aid deadlines. Students who miss the deadline may experience difficulty in having aid posted to their account when they need it. Students are advised to complete the entire financial aid process before leaving the U.S.

Application Process—ACA Affiliated Colleges. A student planning to enroll at an ACA college should submit an ACA application form to Andrews University Enrollment Services.

A student is accepted only when all the necessary financial aid documents are received and Student Financial Services can process an aid application. The student is informed if he/she is eligible for aid.

When the verification process is complete, Student Financial Services credits the student’s aid award(s) directly to his/her student account at Andrews University. A student applying for the Federal Direct Loan must sign a master promissory note and do loan counseling if these have not been done here at Andrews University before leaving for the ACA school. When a loan is approved, funds are credited directly to the student’s account at Andrews University.

Student Missionary and Taskforce Worker Academic Credit/Loan Deferral Program

To enable students to participate in the Student Missionary and Taskforce volunteer service programs, especially students who have borrowed funds under the William D. Ford Federal Direct Loan or Federal Perkins Loan, Andrews University has a special academic loan deferral program for U.S.-citizen and permanentresident undergraduate students. This program allows student borrowers to remain in loan-deferment status (student loan repayment is postponed) while keeping student status with either a non-credit continuation course or independent study courses arranged before leaving Andrews. The following guidelines apply:

While away, students may choose either Continuation or Independent Study.

- **Continuation Study**
  - All Andrews Student Missionary or Taskforce workers must register (before leaving for service) for 05SC296 or 05SC596 Student Missionary/Taskforce Experience for each semester they plan to be away. Students are charged a semester recording fee of $84.
  - Students that have not completed any Andrews credits must pay the recording fee up front. (AU students are students that have applied, been accepted and have an AU ID number.)
  - Students receive a non-credit continuation entry on their grade for each semester.
  - During this time financial aid is not available.
- **Independent Study, TESOL Certificate, and Preparation for Mission Courses**
  - Students that have completed one term at Andrews are eligible to register for 6 undergraduate credits each semester (a total of 12 credits) at the reduced tuition rate of $55 per credit. Student missionaries are eligible to register for up to 8 credits of mission preparation courses during the summer prior to departure. These courses include: TESOL Certificate Program ENGL435 Topics in Linguistics: TESOL Certificate, ENGL460, ENGL465 and RELP325 Preparation for Mission Service.
  - In consultation with the appropriate academic dean, students must develop an individualized list of courses for which they register that will apply toward general education requirements, majors, minors, emphases, or electives as approved by the dean.
  - For each course in which they are registered, students work with a teacher before leaving to identify the course requirements. They must remain in regular contact with the teacher during the time spent off-campus.
  - Students will receive a deferred grade (DG) for each course. Upon their return from service, students must contact the course teacher and complete all requirements within one semester after the date of return from service. (A suggested list of alternative courses is available from the dean’s office.)

Both categories of students must complete registration for both semesters before leaving the Andrews University campus for Student Missionary or Taskforce services. Financial Aid is not available for students enrolled in this program. A detailed procedure sheet for these programs may be secured from the Office of Campus Ministries.

Non-Andrews students do not register for any classes and work directly with Campus Ministries when requesting deferred payment on student loans.

Loan Deferral Regulations. According to U.S. Department of Education rules governing the Federal Direct Loan Program, students who no longer are enrolled on at least a half-time basis must make their first student-loan payment six months from the last date of enrollment. The time limit for Federal Perkins Loan holders is nine months.

The Student Missionary/Taskforce Experience course is designed so students who are registered will not lose their grace period and will not have to begin repayment of their student loan.

Students Ineligible for Program Benefits. The following students would not need to enroll for Student Missionary Experience classes because they do not need the credits to ensure that their loans remain in deferment:

- Students currently choosing to make loan payments
- Students already in a loan deferment
- Students who have a Canadian Student Loan

Gift Assistance

Honors Audit Program. Honor students may audit a class each semester if they are enrolled for at least 12 regular credits. Honor audits credits are not taken into account when determining a student’s academic progress. Also, honors audit credits do not count for determination of enrollment status for financial aid purposes. The student must complete an Honors Audit form during regular registration. For more information, consult with the Honors office.

Bureau of Indian Affairs. Grants are offered to students who are enrolled members of a federally recognized American Indian tribe and demonstrate financial need. Visit www.bia.gov and click “How do I...” to select your regional contact office.
Veterans' Education Benefits & Services. The University is approved for certification of students eligible to receive educational assistance from the Department of Veterans Affairs (DVA). Eligibility for VA educational assistance is determined by the Department of Veterans Affairs. Our regional office is located in St. Louis, Missouri. University services for students who receive educational assistance through the DVA are located in the Administration Building, first floor, in the Office of Student Financial Services. Information concerning the VA educational assistance may be obtained by phone 269-471-3286, e-mail veterans@andrews.edu, or a visit to the Office of Veterans Services. VA forms used for making application for educational assistance are available at the GI Bill webpage: www.benefits.va.gov/gibill. A printed copy of an application submitted online to the VA will be required by the University's Office of Veterans Services.

It is the responsibility of the student to complete a Veterans Registration form every term to continue receiving G.I. Bill money. The form is available in the Office of Veterans Services. Each term the required Certification of Enrollment (VA Form 22-1999) will be electronically submitted by the University's Veterans Certifying Official to the VA Regional Processing Office after the last day to add or drop a course. An earlier date for certification may be requested if the veteran feels certain his schedule will not be changed. The Veterans Office will reverse any carrying charges or late fees associated with delay of payments from VA.

Students receiving benefits are expected to attend all classes and to progress satisfactorily toward their objective. Any change of degree program, change with class registration, or withdrawal from school must be reported immediately to the Students receiving benefits are expected to attend all classes and to progress cannot be resumed until the veteran has met the University's requirements for his schedule will not be changed. The Veterans Office will reverse any carrying charges or late fees associated with delay of payments from VA.

Veteran Readiness and Employment (VR&E). The University is approved for enrollment certification of veterans with service-connected disabilities who are eligible to receive Chapter 31, Title 38, U.S.C. educational assistance from the U.S. Department of Veterans Affairs. University services for veterans are coordinated through the Veterans Certifying Official in the Office of Veterans Services which is located in the Administration Building, first floor, in the Office of Student Financial Services. Information concerning educational assistance and campus procedures may be obtained by phone 269-471-3286, e-mail veterans@andrews.edu, website www.andrews.edu/vr or by visiting the Office of Veterans Services.

The veteran should make contact with the Veteran Readiness and Employment (VR&E) Office (28), Detroit Regional Office at 313-471-3800. Veterans use VA Form 28-1900 to apply for the Chapter 31 benefit. The form is available online at www.benefits.va.gov/vorehab. Information and instructions are included on the reverse side of the application form. Following receipt of the application in the regional office, VA will make a determination of eligibility. If the veteran is eligible, VA will schedule an appointment with a Counseling Psychologist (CP) or Rehabilitation Counselor (RC) for an initial evaluation to establish the veteran's entitlement to Veteran Readiness and Employment (VR&E). Contractors may be utilized to assist in working with the veteran to gather information needed for the CP or RC to make an entitlement determination. The VR&E case manager will provide VA Form 28-1905 Authorization and Certification of Entrance or Reentrance into Rehabilitation and Certification of Status. This form is required for certification of enrollment which will be submitted to the VR&E by the University Veterans Program Administrator in the Office of Veterans Services.

If the veteran requires academic accommodations due to a disability, he/she should contact the Student Success Center in Nethery Hall to coordinate the University's accommodations with those provided by the Veteran Readiness and Employment (VR&E). Student Success can be contacted at 100 Nethery Hall, success@andrews.edu or 269-471-6096.

It is the responsibility of the student to visit the University's Office of Veterans Services at the beginning of each term for which the student desires to receive VR&E educational assistance. All required paperwork must be completed before the Certification of Enrollment (VA Form 28-1905) will be submitted to the Vocational Rehabilitation & Employment Regional Office. Certification will be submitted after the last day to add or drop a course each term. An earlier date for certification may be requested if the veteran feels certain his schedule will not be changed. The Veterans Office will reverse any carrying charges or late fees associated with delay of payments from VA.

A Purchase Request Form that includes VR&E purchasing guidelines is available in the campus bookstore. It is required for all purchases at the campus bookstore. Written approval must be obtained from the VRE case manager for certain purchases. Veterans should plan to make their purchases within thirty (30) days after the first day of classes each term. An invoice for tuition, academic fees, and books/supplies will be sent to the VR&E after that date. Payment will be made to the University and credited to the Veteran's student statement.

Students receiving benefits are expected to attend all classes and to progress satisfactorily toward their objective. Any change of degree program, change with class registration, or withdrawal from school must be reported immediately to the Vocational Rehabilitation & Employment Regional Office. Failure to comply with VA regulations may result in loss of benefits and/or legal action on the part of the U.S. Department of Veterans Affairs.

Veteran Readiness State/Federal Programs. Students who have permanent disabilities which may limit their employment (after completion of their study program) should contact the Vocational Rehabilitation Regional Office in their state of residence for possible assistance.

If the student requires academic accommodations due to a disability, he/she should contact the Student Success Center in Nethery Hall to coordinate the University's accommodations with those provided by the Vocational Rehabilitation Regional Office. Student Success can be contacted at 100 Nethery Hall, success@andrews.edu or 269-471-6096.

**Tuition Discounts**

Local Business Employee—33 Percent Tuition Discount. Full-time employees of companies located in Berrien County and the South Bend/Mishawaka area may receive a 33% reduction of tuition for undergraduate courses. Application for the tuition reduction can be obtained at the dean's office and must be completed no later than the first two weeks of each semester. Students eligible for the reduction are not eligible to receive APS or any other Andrews discretionary funds. This discount does not apply to courses taken in the Center for Intensive English or online classes.

Prior Baccalaureate Degree—33 Percent Tuition Discount. Students who have earned a baccalaureate degree may receive a 33% tuition reduction for courses taken for a second baccalaureate degree. This discount applies only to courses required to complete the 2nd degree. Courses included in the package tuition, but are not required for the 2nd degree, will be billed at full tuition. This discount does not apply to courses taken in the Center for Intensive English or online classes.

Application forms are available at the offices of the respective deans. The completed forms must be filed with the respective dean no later than two weeks after the beginning of each semester for which the 33% tuition reduction is requested. An official transcript showing all class work and the awarding of a bachelor's degree must be on file with the Office of Academic Records of the university before the 33% tuition reduction can be applied. Students eligible for the reduction must be enrolled for a second undergraduate degree and are not eligible to receive any other Andrews discretionary funds. Students enrolled in a graduate program but who must complete undergraduate prerequisites are eligible. Note: Forms are to be picked up at the dean's office of your appropriate school.

**Limitations to the Prior Baccalaureate Degree Tuition Discount.** The following limitations apply to this plan:

- No course taken under this plan may receive graduate credit or apply to a graduate degree.
- In the College of Health & Human Services, this discount does not apply to PTH courses. The plan only applies to students accepted and enrolled for prerequisite requirements under the preferred acceptance guidelines.
- This tuition reduction does not apply towards architecture degree.
- In the College of Education & International Services, the student must be enrolled in a second baccalaureate degree; however, this plan is not available until one calendar year after graduation and is limited to 16 credits each semester.
- In the College of Professions, the plan does not apply to independent study/readings/research or internship credits. Also, it does not apply to any course not offered as a regularly scheduled class in a given semester.
- The plan applies to tuition only, not for housing, food and similar charges.
- The discount does not apply to laboratory fees, surcharges for applicable courses, private music or flight lessons, independent study or reading courses, student teaching, courses in the Center for Intensive English, international languages taught as prerequisites for advanced degrees, courses taken off campus, study tours, May Express classes or private tutoring GNS 091.
- This plan is applicable to classes where space is available and where hiring of additional faculty or staff is not required. In the event a class is not available, notification is given as soon as possible after the end of the drop/add period.
Local Area Educators—33 Percent Tuition Discount. Full-time teachers employed in Michigan and Indiana area schools who are not fully credentialed may receive a 33% reduction of tuition for undergraduate, Master of Arts in Teaching, and Master of Arts in Educational Administration courses taken toward the completion of their teacher certification requirements. Application for the tuition reduction can be obtained in the dean’s office and must be completed no later than the first two weeks of each semester. The student must provide proof of area school employment. Students eligible for this reduction are not eligible to receive APS or any other Andrews discounts or any other discretionary funds applied to the program receiving the 33% reduced tuition. This discount does not apply to courses taken in the Center for Intensive English or online classes.

Workers from Overseas Divisions—Tuition Discount. "When any division other than the North American Division sends its workers or their dependent children to attend colleges in the North American Division and makes financial payments from denominational funds on behalf of such students directly to the college concerned, the college will match dollar for dollar with the sending division, up to 25% of undergraduate tuition. If the person also receives a Federal or State scholarship (or grant), the school may reduce this discount in direct proportion to the amount of such scholarship. Such remittance must come through the division and on approval of the division committee” (North American Division Working Policy, F 80 15).

Retiree Tuition Discount. A retired person who has reached age 65 may receive a 50% tuition discount for up to three undergraduate or graduate credits annually.

Former Andrews University employees who have retired may receive a 50% tuition discount. Admission to limited enrollment courses is contingent upon space available in the class, with preference being given to students paying regular tuition rates. Any additional class fees and/or supply fees are the responsibility of the student.

This discount applies to credit, audit, or non-credit classes. This discount does not apply to independent study, directed reading, private music lessons, practicums, clinical experiences, or any instruction outside of the normal classroom setting. Application for this 50% discount should be made to the dean of the school involved. The dean then authorizes the appropriate discount.

Students eligible for this reduction are not eligible to receive APS or any other Andrews discounts or discretionary funds.
Graduate Financial Assistance

Qualifying Criteria
For financial aid eligibility, graduate students must meet the rules in the following two areas:

- **Enrollment Status**—Students must be accepted into a curriculum authorized by the faculty of their respective school. Students enrolled on guest student status are not eligible to receive federal or institutional financial aid.
- **Course Load**—Students are awarded financial aid based on their percentage of full-time enrollment as defined in Class Loads and Financial Aid.

Special regulations apply to students who have completed all course work and are preparing theses, projects, or dissertations.

**College of Arts & Sciences**

Students who have completed all course work in an approved graduate program may not have completed all work needed to complete a degree. A student may be deemed to be enrolled fulltime provided the student meets one of the following criteria:

- Is enrolled in one of the following courses: COMM 589 (Internship)
- Is enrolled in a Project Continuation, Recital Continuation or Thesis Continuation course. Only students who have enrolled for the required number of project, recital or thesis credits but have not completed the work are eligible.

**College of Health & Human Services**

Students who have completed all course work in an approved graduate program may not have completed all work needed to complete a degree. A student may be deemed to be enrolled fulltime provided the student meets one of the following criteria:

- Is enrolled in one of the following courses: PTH 881, PTH 882, PTH 883, PTH 884 (Clinical Internship)
  
**NRSG 680 (Internship)**

- Is enrolled in a Project Continuation or Thesis Continuation. Only students who have enrolled for the required number of project, recital or thesis credits but have not completed the work are eligible.

**Theological Seminary**

**Doctoral Students.** Students who have completed all course work in an approved doctoral program must register for 1-6 credits under GSEM 796 - DMin Professional Dissertation/ Dissertation or 1-12 credits under GSEM 995 PhD-ThD Dissertation, or 1-14 credits under DSLE 995 - Doctoral Dissertation. If the candidate does not complete the dissertation, he/she must register for GSEM 788 - DMin Professional Dissertation Continuation or GSEM 888 - PhD-ThD Dissertation Continuation until the dissertation is completed to qualify for status as a full-time student. Confirmation by the dissertation chair that full-time work is being done must be sent to Student Financial Services.

**Master’s Students.** To obtain full-time status for the MA degree, the student must register for GSEM 688 Master’s Degree Continuation after he/she has registered for the allowable thesis credits but has not finished the work. Confirmation by the dissertation chair that full-time work is being done must be sent to Student Financial Services.

**Degree Authorization**

"Andrews University is authorized by the Washington Student Achievement Council and meets the requirements and minimum educational standards established for Degree-Granting Institutions Act. This authorization is subject to periodic review and authorized Andrews University to offer specific degree programs. The Council may be contacted for a list of currently authorized programs. Authorization by the council does not carry with it an endorsement by the Council of the institution or its programs. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the Council at P.O. Box 43430, Olympia, WA 98504-3430 or by email at degreeauthorization@wsac.wa.gov."

"The transferability of credits earned at Andrews University is at the discretion of the receiving college, university, or other educational institution. Students considering transferring to any institution should not assume that credits earned in any program of study at Andrews University will be accepted by the receiving institution. Similarly, the ability of a degree, certificate, diploma, or other academic credential earned at Andrews University to satisfy an admission requirement of another institution is at the discretion of the receiving institution. Accreditation does not guarantee credentials or credits earned at Andrews University will be accepted by or transferred to another institution. To minimize the risk of having to repeat coursework, students should contact receiving institution in advance for evaluation and determination of transferability of credits and/or acceptability of degrees, diplomas, or certificates earned."
Federal Aid

Students should read the General Information and Satisfactory Academic Progress sections to determine their eligibility for financial aid.

Federal Direct Loans are available to graduate students. To apply for this aid, refer to General Information.

Grants and Scholarships

Grant, scholarship, and assistantship funds are available through the offices of the various academic deans and department chairs. Grants and scholarships are gift aid; however, if a student is given an assistantship, this is considered to be employment and is processed through the Office of Employment. Application forms, if required, must be requested from and returned to the respective dean’s office. The student does not need to complete any application paperwork for Student Financial Services to apply for and receive institutional aid. All aid received by the student (except assistantships), is taken into account when determining eligibility for a student loan.

Seminary Emergency Aid Fund. This emergency aid fund is available to seminary students for emergency relief only and is not a form of continuous financial aid. Students may apply for assistance through the seminary dean’s office.

Student Employment Program

Work opportunities for graduate students are available through the university’s Employment Office. Assistantships are available as arranged by the dean or department chairs of the school where the student is enrolled. For information regarding employment contact the Employment Office. The website is www.andrews.edu/hr/.

Federal Loans and Scholarships

Information on the following sources of financial aid may be obtained from Student Financial Services.

Loans
- Federal Direct Loan Program (Unsubsidized)
- Federal Graduate PLUS Loan

Scholarships
- Paul Douglas Teacher Scholarship

SAP Policy for Graduate Students with Financial Aid

GRADUATE

Satisfactory Academic Progress (SAP)

According to the United States Department of Education, all schools are required to follow federal, state and institutional SAP policies when awarding financial aid. Students must make Satisfactory Academic Progress (SAP) toward the completion of their associate, baccalaureate, or graduate degrees to qualify for financial aid. Second-degree seeking students are evaluated under the same policy. The Office of Student Financial Services will monitor your academic progress at the end of each semester (including summer term) for all enrolled students regardless of whether or not financial aid was received that semester.

It is the student’s responsibility to read, understand, and adhere to the SAP policy in order to remain eligible for financial aid. Failure to comply with this policy can result in the student’s financial aid being terminated at Andrews University.

To maintain eligibility for Federal Title IV and/or institutional financial aid assistance, students must meet the following minimum standards:

Qualitative Measure: Financial Aid Minimum Grade Point Average (GPA)

To make satisfactory academic progress, graduate students must maintain the minimum Andrews University graduate overall GPA required for the degree program in which they are enrolled. The SAP summary below indicates the minimum overall GPA required to meet the university’s SAP policy for each type of degree program.

<table>
<thead>
<tr>

<td>2.50</td>
</tr>
</tbody>
</table>

Transfer credit grades are not counted, a student progress in the qualitative measure is solely Andrews University credit grades.

Repeat credits: students may repeat a course in which they receive an unsatisfactory grade. In the case of graduate students the course may be repeated once. The credits earned in the most recent course will be used to calculate the GPA.

Changes in GPA due to completion of “incomplete” or “deferred” grades or changes made for any other reason are considered when aid eligibility is reviewed at the next regular monitoring time.
A. Students must complete at least two-thirds of the number of credits attempted with a passing grade regardless of their enrollment status (full-time or half-time), and maintain a 66.67% completion ratio. Exception may be made for courses whose requirements have a time-frame by design that extends beyond the limit of the semester in which it is registered. The Office of Student Financial Services confirms that the student has met this requirement prior to the beginning of the student’s new enrollment period.

- Credit grades of A, B, C, D and S are considered hours attempted and completed. Withdrawals (W), audit (AU), incomplete (I), failing (F or U) credits are counted as hours attempted only.
- Graduate students are allowed to carry deferred grades (DG) for the Dissertation phase of their program.
- Transfer credits will not be included in calculating the two-thirds completion rate.
- Repeat credits are counted only once as part of the total credits attempted.
- Changes due to completion of “incomplete” or “deferred” grades or changes made for any other reason are considered when aid eligibility is reviewed at the next regular monitoring time.

B. Student may not exceed 150% of the required credits to graduate with their declared degree program, over a period defined by their program, regardless of whether or not financial aid was received during previous semesters. Students are advised to work with their academic advisor to “stay on target” to complete educational goals.

C. Academic progress from other institutions will be included in maximum timeframe. All attempted credit hours from Andrews University (AU) and/or any other institution of attendance will count towards attempted credit hours with regard to maximum timeframe. Students who have attempted 150 percent of the allowed number of credit hours for any degree and/or certificate will be ineligible to receive financial aid at AU.

Categories of Continuing Financial Aid Eligibility
At the beginning of each semester, students are placed into one of the following categories on the basis of the previous year’s academic performance:

- Satisfactory Progress. Students who meet all regulations outlined in the Satisfactory Academic Progress policy and new students beginning their academic work at Andrews University qualify as making SAP.

Financial Aid Warning. Students who fail to meet all regulations outlined in the SAP policy receive a Financial Aid Warning for one semester. During the Financial Aid Warning semester, students are eligible to receive financial aid as awarded. The student is allowed only one Financial Aid Warning semester for each degree program, except under extenuating circumstances. Academic performance during this semester determines whether financial aid is given in the following semesters. If the student again meets the minimum required standards, the student is returned to satisfactory progress status and is eligible to continue receiving aid as awarded. Students who fail to attain SAP after the Financial Aid Warning semester are no longer eligible for Federal financial aid. Students placed on Financial Aid Warning are encouraged to contact their academic department for assistance in planning for academic success.

If students fail to meet the SAP requirements they are welcome to register for classes with the approval of their dean/academic advisor at their own expense until they meet SAP policy standards.

Financial Aid Appeal Procedure. Students who fail to maintain SAP and who lose current semester financial aid due to special or extenuating circumstances may appeal such an action in writing. All appeals must be completed using the SAP Appeal form available at the Office of Student Financial Services website under Forms (https://www.andrews.edu/documents/financial/st/aid/sap-appeal-form.pdf), and must be submitted before the first day of class for the next term that you plan to attend. Allow up to ten business days from submission of the form and all documentation to process your appeal. Students should recognize that submission of an appeal does not guarantee reinstatement of financial aid eligibility and approval is not “automatically” granted. Students will be notified regarding either a determination or next steps via their Andrews University email address or another means of communication. Decisions are final.

Financial Aid Probation. When failure is due to extenuating circumstances or circumstances beyond the reasonable control of the student, he/she may appeal for a semester of financial aid probation. Proof must support the stated extenuating circumstances in the event of the death of a relative, a medical emergency or illness of the student, legal dependent or spouse, military activation or deployment, employer required changes on work schedule, disaster, or any other special circumstances. Reasons such as being unprepared for college course work, the course was not what was expected, not liking the instructor and other related excuses are NOT qualifying circumstances for an appeal and will result in an appeal being denied. Students are responsible for monitoring their own progress status. Our office makes every attempt to notify students of their status. However, failure to receive notice does not affect the calculated status and is not reason to appeal. Please ensure that home and email addresses are updated with Admissions and Records Department.

The appropriate academic official sends written notifications to the Office of Student Financial Services of regarding the academic evaluation of the appeal.

If an appeal is approved, all master’s-level students will be placed on Financial Aid Probation for one semester. Doctoral-and specialist-level students may be allowed a maximum of a two-semester probation extension. However, the student must make the appeal for the second probation extension in the same manner as for the first appeal. Future financial aid is dependent on meeting SAP standards by the end of the probationary semester(s).

If the appeal is denied, a student is no longer eligible for financial aid. Student is welcome to register for classes with the approval of their dean/academic advisor at their own expense until they meet SAP policy standards.

Break in Enrollment. When a student has a break in enrollment and is readmitted, the SAP status for prior terms will apply. For example, if a student is placed on financial aid suspension at the end of the spring term, does not return in the fall term, and is readmitted the next spring term, the student will continue in a financial aid suspension status for that term.

Please Note: The financial aid SAP standards are not the same as Andrews University’s general academic requirements. Students should contact an academic counselor to determine those separate requirements for maintaining their academic enrollment.

Return of Title IV Funds Policy
Title IV funds are awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. When a student withdraws from Andrews University for any reason, officially and/or unofficially, the student may no longer be eligible for the full amount of Title IV funds originally awarded. (Title IV aid refers to federal aid programs under the Higher Education Act of 1965). The return of funds to the federal government is based on the premise that a student earns financial aid in proportion to the length of time during which they remains enrolled.

Federal Regulations require a recalculation of financial aid eligibility if a student:

- Completely withdraws
- Stops attending before the end of the term
- Fails all classes

Financial aid that is processed for a student who never begins attendance will be canceled and all of the funds will be returned to the Department of Education.

Earned Versus Unearned Financial Aid
If a student withdraws officially, unofficially, or through Administrative withdrawal from Andrews University, federal regulations require us to calculate Federal Title IV aid earned during the term in which the student no longer attends.

Title IV aid disbursements are earned based on a ratio of calendar days attended, to total calendar days in the Semester, less any breaks of 5 or more days. Then, 50% of the point in the enrolled Semester is reached, a student is considered to have earned all of the financial aid originally awarded and no return of Title IV aid is required.

Earned aid based on days attended can remain disbursed.

Student Notification of Repayment
The return regulations require a calculation of amounts a school must return, and when they must return. Students are ultimately responsible for returning unearned funds, however; Andrews University does return all unearned aid to the Department of Education on the student’s behalf.

As a result, the student may owe a balance to Andrews University after a return of Title IV funds. It is the student’s responsibility to pay the school for the balance. A financial hold for the balance will prevent any registration of courses in the future. A balance on account will also hold a transcript and diploma from being released.

Federal Formula
The amount of Title IV aid earned is determined by multiplying the result of the ratio of days attended to total days in the Semester by the total of the Title IV aid
disbursed (plus Title IV aid that could have disbursed in the case of post-withdrawal pending aid).

Example: 5 days attended / 100 total days = 5% (total Title IV aid disbursed) = earned aid.

The regulated time frame to return funds is no later than 45 days from the determination of a withdrawal.

Determination of Withdrawal Date
Our institution is not required to take attendance. Therefore, the date we use in the return of funds calculation is the date the student officially and/or unofficially withdraws or stops attending courses. This would be either date of submission of a student exit form or the official notification date of a student that they wish to withdraw.

If a student stops attending without notification, the date used will be the verified last date of academic activity collected from instructors for all withdrawn courses in the term. This date coincides with the last date of attendance, the last date of an academic activity such as homework assignment, quiz, exam or graded paper.

Not Started
Andrews University requests that instructors report each Semester whether or not a student begins attendance in a course. If a student does not begin attendance in a course, that course must be taken out of consideration for Title IV funds. The Title IV funds will be recalculated excluding that course. Depending on the remaining hours of registration, students may have their aid partially reduced or fully reduced. Students may also be subject to Title IV return calculations resulting in a reduction or cancelation of Title IV aid.

Students who do not plan to attend and will not be participating in a course should drop the class prior to the start of the term (or, at the very least, within the 100% refund period) to avoid Title IV aid recalculation.

Post-Withdrawal Disbursement
Students that withdraw completely with pending aid that did not disburse prior to withdrawal may be eligible for a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, the student must give permission before the funds can be disbursed.

Andrews University may use all or a portion of the post-withdrawal disbursement of grant funds for qualified educational expenses. Permission is required to use post-withdrawal grant funds for all other school charges. Students will be notified within 30 days of the determined withdrawal date.

Unearned Non-Passing Grades
Students who receive all non-passing grades (F grades) at the end of the Semester, and whose attendance cannot be verified with instructors in all courses enrolled, will be considered unofficially withdrawn and all aid will be returned.

Federal Title IV Aid Programs Order of Return
After calculating, the federal formula funds are returned in the following order for students who drop all their classes:

- Unsubsidized Direct Loan
- PLUS Direct Loan (Graduate)
- Other Title IV student assistance

Withdrawal and Future Financial Aid Eligibility
Please refer to the Satisfactory Academic Progress section of this Bulletin to determine how financial aid is impacted.

Additional Loan Information to Consider When Withdrawing
Students are entitled to a 6 month grace period prior to repayment of their Federal loan(s). If a student is less than half-time for 6 months their loans will go into repayment status with their federal loan servicer. The grace period begins the day a student drops below half time. A student’s lack of graduation does not equate to in-school deferment.

Students must complete Exit Loan Counseling at www.studentloans.gov and contact their loan servicer to make payment arrangements, or ask any questions pertaining to the grace period or repayment status.
Explore Andrews Program

Aaron Moushon, Director

The Andrews Exploration Program recognizes that university provides students an invaluable opportunity to find personal and career focus through a range of academic and personal experiences. While many students start university with a determined plan, many need a structured way to clarify their future pathways.

The Andrews University Academic Exploration Program, also known as Explore Andrews, is designed to assist students in finding a desired academic plan and career through intentional and personal advising. Each student will be assigned an Explore academic advisor who will help guide the student through the first year of study at Andrews University. Students may choose an academic major at any time, but will continue to be advised by their Explore academic advisor until the end of the academic year. Students in the Explore Andrews Program may choose any major they desire, and the professional advisers in the Explore office will ensure that students are on a progressive graduation track regardless of major.

The Andrews University Academic Exploration Program will work closely with each student to better understand their abilities, talents and goals to help students understand their place in the world both before and after graduation. A review of high school curriculum, standardized test scores and institutional testing will help the student and their academic advisor explore program and career options suitable for each participant.

J.N. Andrews Honors Program

honors@andrews.edu
www.andrews.edu/honors/

L. Monique Pittman, Director

In 1966 Andrews University determined to offer undergraduate students greater opportunities for intellectual, spiritual, and social development. To reach this goal, it created the honors program to foster an atmosphere that is both intellectually challenging and distinctively Christian.

Starting in 2001–02, the program offered a completely new curriculum. SAGES is a text-based alternative to the standard General Education requirements. It involves 37 semester hours of honors courses and institutional testing will help the student and their academic adviser explore program and career options suitable for each participant.

SAGES (Scholars' Alternative General Education Studies)

Reflecting suggestions from students, faculty and alumni for a curriculum based on the study of original texts, independent research, and writing, SAGES provides a series of interdisciplinary courses that REPLACE General Education requirements for the bachelor of arts and bachelor of science degrees. Following a year-long introduction to Western civilization and culture, students pursue a series of thematically-organized seminars similar to a "Great Books" approach, though broader in sources and subjects. The track concludes with independent research resulting in a senior project.

Because SAGES replaces many lower-division courses, admission at the beginning of a college career is advisable. However, transfer and currently enrolled students with demonstrated academic achievement (GPA>3.33) may apply to SAGES and receive individual waivers for some—but not necessarily all—specific courses based on previous academic study. Those admitted as juniors and seniors must complete at least five seminars plus the Research Pro-Seminar and the senior project.

Students wishing to transfer out of SAGES should do so at the end of the first year and apply the courses taken towards a standard General Education track. In the sophomore and junior years, SAGES involves significantly different categories of courses than the standard General Education track. These will not replace many of the freshman and sophomore courses required at most universities.

Progress in SAGES. Students in SAGES who fail to enroll in honors courses, or whose cumulative GPA falls below 3.33, will be asked to withdraw from the program at the end of the academic year.

Graduation as a John Nevins Andrews Honors Scholar

At graduation, the university confers the distinction "John Nevins Andrews Scholar" on students recommended by the Honors Council who display outstanding scholarship, achieve a minimum overall college and honors GPA of 3.50, and complete SAGES. Titles of the senior thesis or project are listed in the graduation bulletin.

National Honors Societies

The honors program works with the university’s 17 departmental national honor societies to coordinate information and enhance their activities. It also works closely with the prestigious interdisciplinary national honor society Phi Kappa Phi which inducts about 30 junior and senior Andrews students each year who meet the rigorous requirements. See Accreditations, Approvals & Memberships for more information.

Honors Service Requirement

All honors students are required to complete 12 hours of voluntary service per academic year to total 48 hours by graduation.

Replacing General Education Requirements

Because of the integrated and interdisciplinary courses, students completing SAGES will satisfy their General Education requirements for the Bachelor of Science degree with 37 credits of honors courses and 13 credits of mathematics, science, and physical education. The Bachelor of Arts degree requires the identical courses and foreign language proficiency. In each case, the normal requirements are significantly reduced, which frees students’ schedules for cognate courses and electives.

Admission to The Honors Program

Each summer the honors program admits a limited number of prospective freshmen whose interests and achievements—as portrayed in part by the application essay—suggest they will benefit from participation in SAGES.

Students accepted into honors surpass the following qualifications:

- A minimum overall GPA of 3.50 on all secondary credits
- Scores of 25 on the ACT or 1200 on the SAT mathematics and verbal sections combined.

Recognizing that for some students either high school grades or standardized test scores may not satisfactorily predict the potential for academic success in college, a small number of students who show considerable promise on one measure but not the other may be admitted to the program upon the director’s discretion.

Admission for Transfer and Currently Enrolled Students

Applications are welcomed from currently enrolled students and transfer students who wish to participate in the program. Successful applicants demonstrate an interest in Honors and possess at least a B+ average on all college courses. Application forms are available in the Honors Office and on the Honors website.

Society of Andrews Scholars

Students in Honors form a society dedicated to spiritual, social, and intellectual activities outside the classroom. The society’s logo depicts hands sheltering the flame of truth, which symbolizes the search for truth by students and faculty together. Excellence, Commitment, and Service is the society’s motto. Membership fees and fees charged as part of the honors application process are used exclusively for student activities by the Society of Andrews Scholars. Annual participation in the service/citizenship/leadership program which is organized by the Society of Andrews Scholars, is required to continue in the J. N. Andrews Honors program.

National Honors Societies

Graduation Distinctions

Designations are conferred at graduation on students who, one semester before graduation, have completed 16 semester hours at Andrews University with the following overall GPAs:

- 3.500–3.749 Cum Laude
- 3.750–3.899 Magna Cum Laude
- 3.900–4.000 Summa Cum Laude

Both the Andrews and Cumulative GPAs must be a minimum of 3.50 in order to be considered for the above designations.

Honors Audits

To enhance Andrews Scholars’ opportunities to learn for the sake of learning, a scholar enrolled full time (a minimum of 12 regular credits) may attend one course free each semester, registering as an Honors Audit (HN), which is indicated on the transcript. Though no credit is earned, a free audit provides a significant opportunity to broaden one’s knowledge at no cost even if it forms an overload. Registration for an Honors Audit (HN) should take place during regular registration, and in no case later than the regular drop/add date. Attendance and other regulations for an audit apply.

Honors

HONS 105H - Western Heritage

Credits: 5

A study of significant issues that emerged in Western civilization, approached through the reading of major works. The first semester’s topics involve the era from the ancient world to the Reformation; the second, the Enlightenment to the modern world. In both semesters, spiritual and religious themes are emphasized, and the combined semesters replace one 3-credit religion course. Small-group projects and discussions, field trips, and cultural events enrich the lectures. Required for SAGES during the first year.

Lecture/Lab: Weekly: 3 lectures and a 2-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
College Code: HONS

HONS 106H - Western Heritage

Credits: 5

A study of significant issues that emerged in Western civilization, approached through the reading of major works. The first semester’s topics involve the era from the ancient world to the Reformation; the second, the Enlightenment to the modern world. In both semesters, spiritual and religious themes are emphasized, and the combined semesters replace one 3-credit religion course. Small-group projects and discussions, field trips, and cultural events enrich the lectures. Required for SAGES during the first year.

Lecture/Lab: Weekly: 3 lectures and a 2-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
College Code: HONS

HONS 115H - Transcribing the Self: Honors Composition

Credits: 3

What is the entity we call self? How is it formed, reformed, transformed? What role does the “other” play in our determination of self? To what extent is self an independent construct, and to what extent is it socially and ideologically determined? Such questions are addressed through written and oral examination of our own lives and the lives of others as presented in significant texts. Recommended during the first year.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: HONS

HONS 215H - Scripture

Credits: 3

The reading of Biblical passages chosen for qualities such as centrality to Christian belief, power as literature, and variety of expression. Entire books will be addressed thematically, including Genesis, Job, Romans, and Revelation. A portion of the course will involve the detailed interpretation of a selected section. Required.

Grade Mode: Normal (A-F,I,W)
HONS 225H - Materialism & Idealism
Credits: 3
Philosophers and prophets often approach wealth with caution or hostility, but modern culture flaunts status symbols and values self-worth by material accumulation. Considering such differences, readings from Plato to contemporary authors will raise questions about the level of wealth we ought to desire, the thoughtful use of that wealth, and reconciling a Christian life of service with professional success today. Elective.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: HONS

HONS 245H - Meanings of America
Credits: 3
Examines understandings of American society, culture and physical environment by a variety of observers, including native, foreign and minority, through study of prose, poetry, music, film and the visual arts. Core readings will include works by Jefferson, Tocqueville, Martineau, Douglass, Bourne, Friedan and King. Elective.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: HONS

HONS 265H - Literature and the Arts
Credits: 3
Explores the ways in which visual, musical, and literary arts address the human experience. Through close analysis of primary texts, students become conversant in the distinctive and overlapping discourses of the various art forms. Drawing upon this fine arts literacy, they will examine concerns of primary importance to creative minds from the ancient world to the postmodern era. These themes will include several of the following: the sacred, the quest for knowledge, gender relations, ethnicity and identity, social order and/or violence.

HONS 295H - Independent Study in (Topic)
Credits: 1–9
Grade Mode: Normal w/DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable up to 9 credits
Schedule Type: Lecture
College Code: HONS

HONS 325H - Justice
Credits: 3
What is justice? Is it a process, an end result, or both? Using concepts of right and wrong developed by Classical writers, medieval philosophers and recent Christian theologians, this course considers the relationships between justice and religious understandings of human nature and society. It then analyzes selected policies where concepts of justice can or should play a role, and critically examines the practical results of attempts to create greater social justice.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): HONS 115H. Elective.
Schedule Type: Lecture
Year Offering: Odd years
College Code: HONS

HONS 345H - What Is Other? The Non-Western World
Credits: 3
An introduction to the diversity and commonality of the global human experience and world views as expressed in literature, the arts, religion and other intellectual endeavors with special focus on the non-Western world. Small group activities, field trips, guest presenters, films and special projects enrich the discussion of significant texts.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): HONS 106H, HONS 115H. Required.
Schedule Type: Lecture
College Code: HONS

HONS 365H - Cosmos
Credits: 3
An interdisciplinary, readings-based course which considers the nature of science and its relationship to other approaches to truth. Selected "key ideas" in science will be examined to explore how science informs our understanding of who we are and our place in the universe. Particular attention will be given to the interplay between Christian faith and science.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): HONS 115H. Required.
Schedule Type: Lecture
College Code: HONS

HONS 380 - Topic in Bioethics & Christian Faith
Credits: 3
A capstone seminar for Honors students in biology and related majors that engages the interface of biology and ethics from a biblical and Seventh-day Adventist perspective. Focused attention on select bioethical issues and their relationship to Scripture and Christian practice, including but not limited to: biblical and environmental stewardship, the molecular revolution, genomics and genetic manipulation, human nature, communication in science, and dilemmas in the health professions.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 166, HONS 265H
Repeatable: Repeatable
Schedule Type: Lecture
College Code: HONS

HONS 380 - Topic in Cognitive Science and Faith
Credits: 3
This topics course will be a readings-based seminar considering the possibility of integrating cognitive science (especially neuroscience and psychological science) and Christian faith in the domain of understanding human nature. The course will focus particularly on Adventist theological understandings of human nature in the context of ongoing debates about human free will in the cognitive sciences.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Elective.
Repeatable: Repeatable
Schedule Type: Lecture
College Code: HONS

HONS 380 - Topic in Physics and Faith
Credits: 3
An interdisciplinary readings-based course which considers the relationship between Christian faith and science. Developments in physics and cosmology will be examined in light of Adventist Christian theological understanding.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): HONS 365H, PHYS 142 or PHYS 242 or consent of instructor.
Repeatable: Repeatable
Schedule Type: Lecture
College Code: HONS

HONS 380H - Topics, Independent Study, and Research
Credits: 1–4
Disciplinary and interdisciplinary topics selected for interest and importance. Typically the course revolves around reading, discussion, and individual projects. Elective.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: HONS

HONS 398H - Research Pro-Seminar
Credits: 1
Preparation for the senior project. Expectations for the senior thesis are addressed, including consideration of alternative topics, refining the thesis proposal, the role of literature review, formal public speaking, presentation software, and evaluation. The letter grade assigned reflects the presentation of the project at the Interdisciplinary Honors Seminar; a DG is assigned until then. Strongly recommended for all sophomores and must be completed prior to beginning Honors Thesis research.
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Seminar
College Code: HONS
HONS 415H - Thinking Theologically: Christian Life and Faith
Credits: 3
A capstone Honors course exploring the intersection of constructive theology and contemporary issues from a distinctly Adventist perspective. Special attention is given to the correlation of God and human flourishing as enunciated through a wide range of pressing questions raised in the postmodern context. The aim of such an exploration is to deepen the faith of the participants and to instill a new appreciation for the conceptual and spiritual richness of the Great Controversy theme central to the Adventist worldview. Students are encouraged to foster critical reasoning and integrative thinking through a seminar-style engagement with selected primary texts in theology and philosophy.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): HONS 115H, HONS 215H Required.
Schedule Type: Lecture
College Code: HONS

HONS 495H - Independent Study (in any department)
Credits: 1–6
Individual study or research of an approved topic under the guidance of an appropriate professor and resulting in an essay, critical review, or other gradable demonstration of accomplishment. Implies 45 hours of work per semester credit. Elective.

Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: HONS

HONS 497H - Senior Honors Project
Credits: 0–6
Independent research or creative work to produce the Honors Thesis, typically supervised by a professor within the student's major field. The thesis is filed in the James White Library to facilitate wider access. Required.

Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: HONS
College of Arts & Sciences

Mission
To empower students for academic, professional, and service excellence in the liberal arts and sciences with distinctive Seventh-day Adventist perspective and purpose.

Pre-Professional

Pre-Professional Program in Art Therapy

“Art therapy is a mental health profession in which clients, facilitated by the art therapist, use art media, the creative process, and the resulting artwork to explore their feelings, reconcile emotional conflicts, foster self-awareness, manage behavior and addictions, develop social skills, improve reality orientation, reduce anxiety, and increase self-esteem. A goal in art therapy is to improve or restore a client's function and his or her sense of personal well-being. Art therapy practice requires knowledge of visual art (drawing, painting, sculpture, and other art forms) and the creative process, as well as of human development, psychological, and counseling theories and techniques.” - American Art Therapy Association 2013

A master's degree is required for entry level practice in art therapy from institutions of higher education recognized by regional accreditation bodies approved by the Council for Higher Education Accreditation (CHEA). It is recommended however, that a student complete a PhD in art therapy in order to be fully integrated into the field. Entrance requirements to universities and colleges offering graduate programs in art therapy may vary; therefore it is imperative that students familiarize themselves with the requirements of the school of their choice. Information about the various schools in the USA, as well as Canada, offering a masters in art therapy can be found on the American Art Therapy Association (AATA) webpage: www.arttherapy.org

As long as the below minimum requirements are completed, any major may apply to a master's program in art therapy. The recommended majors for students are:

- Psychology, General BA
- Psychology Minor

Pre-Professional Program in Dental Assistant and Dental Hygiene

Rob Zdor, Coordinator
zdor@andrews.edu
269-471-6696
Price Hall (Science Complex)

Students interested in a dental assistant career should obtain information concerning the program from the school to which they wish to apply.

Students planning a career in dental hygiene should complete two years of college work before entering a professional school.

Upon completion of an additional two years of prescribed college work at a professional school, the student will earn a bachelors degree in dental hygiene. For more information about dental hygiene, contact the American Dental Hygienists’ Association: www.adha.org.

Pre-Professional Programs

Although essentially a liberal arts college, the College of Arts & Sciences offers certain pre-professional curricula for students who plan to enter professional schools. For medical and paramedical curricula, Andrews University maintains a special relationship with Loma Linda University.

Pre-dental Hygiene Curriculum—64

Loma Linda University admission requirements

At least 64 semester units of accredited college coursework
GPA of 3.0 or higher in science courses is recommended
Courses must be a C or higher to meet LLUSD requirements
Science courses must be completed within five (5) years of admission
Proficiency in verbal and written English
20 hours minimum of observation/shadowing
Dental assisting experience is strongly recommended
Three letters of reference, including: spiritual leader, science professor, and employer
A formal interview (by invitation only)
Official transcripts from all schools attended

The following courses are recommended for the first two years before entering Loma Linda University. Students interested in applying to other professional schools should obtain specific entrance requirements for those schools.

Specifically required courses are signified with an *.

Cultural and Spiritual Heritage—17-20
(must include both areas)
- Religion—3 semester units per year of attendance at an SDA college
- Humanities—14 semester units from three of the content areas listed below
  - History & Civilization
  - Art History & Art Appreciation
  - Music History & Music Appreciation
  - Performing Arts (4 units max)
  - Literature
  - Foreign Language
  - Philosophy & Ethics

Scientific Inquiry and Analysis—32
- Physical & Natural Sciences—23
  - BIOL 221* & BIOL 222*
  - BCHM 120* and CHEM 110*—one academic year covering inorganic, organic, and biochemistry with lab
  - MATH 145*
- Social Sciences—9
  - SOCI 119*
  - PSYC 101*
  - ANTH 200*

Communication Skills—9
- ENGL 115* and ENGL 215*
- COMM 104*

Health and Wellness—5
- 1 course covering Personal Health or Nutrition
- Physical education (2 activity courses)

Pre-Professional Program in Dentistry

Students from departments within the College of Arts & Sciences

Rob Zdor, Coordinator, zdor@andrews.edu; 269-471-6696; Price Hall (Science Complex)
David Randall, randall@andrews.edu; 269-471-3259, Halenz Hall (Science Complex)
Preference is given to applicants who have a broad academic background with a baccalaureate degree. The minimum entrance requirement is 96 semester credits with a 2.70 GPA (C=2.00) in both science and non-science courses, although it is recommended that students should maintain an A/B average in science, as well as overall. The Dental Aptitude Test (DAT) must be taken not later than October of the year preceding admission. Minimum entrance requirements for most dental schools follow. For more information, contact the American Dental Education Association: www.adea.org/ and the American Dental Association www.ada.org.

Pre-Professional Programs
Although essentially a liberal arts college, the College of Arts & Sciences offers certain pre-professional curricula for students who plan to enter professional schools. For medical and paramedical curricula, Andrews University maintains a special relationship with Loma Linda University.

Required courses for applicants to Loma Linda University:

- English Composition—6
- Foundations of Biology—10
- General Chemistry—8
- Organic Chemistry—8
- General Physics—8
- Biochemistry—4

Recommended:

- Human anatomy, biochemistry, histology, computer science, systems physiology, management and organization, fundamentals of accounting, a survey of calculus, machine shop, and religion.

Total pre-dental credits: 96

Pre-Professional Program in Law

Paula Dronen, Coordinator
269-471-3216, dronenp@andrews.edu
Buller Hall, Room 135

Law schools prescribe no particular college program. Therefore, a pre-law student may select his or her major(s) and minor(s) according to interest and aptitude without adversely affecting admission to law school. The prospective lawyer's education should be as broad as possible, including the development of writing and reading skills, logical and analytical thinking, and understanding of legal, political, social and economic issues and institutions. Because competition for admission to reputable law schools is intense, it is important to maintain a high level of academic achievement.

Students who want to go on to law school should consult frequently with the pre-law advisor, at least once per year and preferably more often. The Pre-Law Society, a student-led and student-run organization, provides additional opportunities and resources for the pre-law student.

The website for the Law School Admission Council: www.lsac.org provides a great deal of helpful information and is a good resource for students who are interested in preparing for, and getting into, law school.

Pre-Professional Program in Medicine

Students from Departments within The College of Arts & Sciences
Lisa Ahlberg: 269-471-6287
Prerequisites for Loma Linda University

Admission

To be eligible for admission, the applicant must have completed a minimum of 96 quarter units (64 semester units) at an accredited college or university. The following prerequisites are required and must be completed successfully with a grade of C or better. Upon successful completion of didactic and fieldwork requirements, students will graduate from LLU with a bachelor’s degree in health science and a master’s in occupational therapy. Students are then eligible to take the NBCOT’s National OT board exam.

Prerequisites: Domain 1: Spiritual and Cultural Heritage

Religious studies, 4 quarter units per year of full-time study. (Applies only to students attending Seventh-day Adventist colleges.)

Minimum 20 quarter units, or 14 semester units. Choose from three subject areas: fine arts, history, civilization, literature, modern language, or philosophy. English as a second language may not be included. A maximum of 4 quarter units will be accepted in applied or performing art/music.

Prerequisites: Domain 2: Scientific Inquiry and Analysis: Natural Sciences

Human Anatomy with lab
Human Physiology with lab: 2 semesters or quarters of A&P are required. Select one additional science course from chemistry, physics or physical science.

Mathematics: Two years of HS mathematics or equivalent. Accepted courses include algebra I&II, geometry, with grades of C or better. (These credits do not transfer although they meet the math requirement.)

Completed Need Social Sciences:

Sociology
General Psychology
Human Growth & Development. (Other acceptable equivalents are Developmental Psychology, Life Cycle, or Child Psychology and Adolescent Psychology.)

Prerequisites: Domain 3: Communication (9–13 quarter units, or 6–9 semester units)

Freshman English Composition, complete sequence, as required by the college you attended or are currently attending.

Note: If you test out of any Freshman English courses, you are still required to meet the minimum number of units for this Domain.

Speech, public speaking

Domain 4:

Health education (personal health or nutrition)

Two physical activities courses

Electives

Minimum requirement for entry is 96 quarter units, or 64 semester units.

Computer knowledge in the following areas is required: creating college level papers and assignments, Internet-based research, e-mail usage, PowerPoint presentations, online learning components.

Observation/Volunteer Service

40 hours of observation in occupational therapy settings. Documentation of community service performed is permissible as partial fulfillment of this requirement. Documentation of observation and/or community service must be submitted prior to admission consideration.

CPR—infant, child and adult. BLS health care provider. We only accept CPR from American Heart Association. This certification is not needed for the admissions process, but will be required upon acceptance to the program.

Note:

A minimum grade of C is required for transfer credit. C- and D grades are not transferable.

Pre-Professional Program in Optometry

Marlene Murray, Coordinator
mmurray@andrews.edu
269-471-3241
Price Hall (Science Complex)

As a general rule, a minimum of two years of college work is required by optometry school. However, most students entering optometry schools have completed three or four years of college. The following courses with minor variations meet the entrance requirements of most optometry schools. For more information, contact the American Optometric Association: www.aoanet.org and the Association of Schools and Colleges of Optometry: www.opted.org.

Pre-Professional Programs

Although essentially a liberal arts college, the College of Arts & Sciences offers certain pre-professional curricula for students who plan to enter professional schools. For medical and paramedical curricula, Andrews University maintains a special relationship with Loma Linda University.

Pre-optometry Suggested Courses

English Composition, Writing Seminars — 8
Foundations of Biology — 10
General Chemistry — 8
General Physics — 8
Introduction to Psychology — 3
Mathematics — 6
Microbiology or Bacteriology — 3
Organic Chemistry — 8
Physical Chemistry — 2
Religion — 6
Social Sciences — 8
Statistics — 3

Pre-Professional Program in Pharmacy

D. David Nowack, Coordinator
269-471-6065
Halenz Hall (Science Complex)

Entrance requirements to colleges of pharmacy vary; therefore, it is imperative that students familiarize themselves with the requirements of the school of their choice. (Ferris State University [FSU], Wayne State University, and University of Michigan operate accredited colleges of pharmacy in the state of Michigan.)

Information about the various schools of pharmacy can be found on the American Association of Colleges of Pharmacy website: www.aacp.org. The doctor of pharmacy curriculum requires 2 years of pre-pharmacy and 4 years of professional pharmacy education.

The following prepharmacy courses are those required by FSU. FSU offers a calculus course in the summer that satisfies the prepharmacy requirements and require the PCAT for admission. Science courses with a grade of D are not transferable.

Pre-Professional Programs

Although essentially a liberal arts college, the College of Arts & Sciences offers certain pre-professional curricula for students who plan to enter professional schools. For medical and paramedical curricula, Andrews University maintains a special relationship with Loma Linda University.

Pre-pharmacy Curriculum

General Chemistry — 8
English Composition — 6
Foundations of Biology — 10
Communication (COMM 104 or COMM 220) — 2 or 3
Introduction to Psychology or Principles of Sociology — 3
Elementary Statistics (STAT 340 or STAT 285) — 3
Pre-Professional Program in Physician Assistant

Students from departments within the College of Arts & Sciences
Benjamin Navia: bnavia@andrews.edu; 269-471-6527, Price Hall (Science Complex)
D. David Nowack: nowack@andrews.edu; 269-471-6065, Halenz Hall (Science Complex)

Physician assistants (PAs), members of a health-care team, practice medicine with supervision of licensed physicians. PAs perform a wide range of medical duties from basic primary care to high-technology specialty procedures. Professional PA education offered at any one of more than 100 accredited schools is an intensive 2–3 year program. Most PA programs are moving toward requiring a bachelors degree, including courses in biology, chemistry, English, humanities/social science, mathematics, and psychology. The level of the science courses varies from program to program; consequently, each school should be consulted about its prerequisite requirements. Acceptance to a professional program typically requires extensive health-care experience such as nurse assistant, medical/X-ray lab technician, respiratory therapist, paramedic, hospital aide, or emergency medical technician.

The National Directory of PA Programs may be ordered from APAP at 950 N. Washington St., Alexandria, VA 22314 or via phone at 800-708-7581. PA programs and education can be accessed via the web: www.aapa.org.

Pre-Professional Programs

Although essentially a liberal arts college, the College of Arts & Sciences offers certain pre-professional curricula for students who plan to enter professional schools. For medical and paramedical curricula, Andrews University maintains a special relationship with Loma Linda University.

Pre-Professional Program in Public History

Stephanie Carpenter, Coordinator
carpenter@andrews.edu
269-471-3291
Buller Hall, Room 135

Public or applied history refers to careers in history-related fields other than teaching, including museum management, archival management, and historic preservation, as well as the production of historical media programs. In most cases, a master’s degree in a public or applied history or certification upon completion of certain graduate courses is needed prior to employment. The Department of History & Political Science recommends as curricula a major in history with a second major or minor and electives as the most advantageous undergraduate basis for a public-history career. Curriculum recommendations are available from the department chair.

Pre-Professional Programs

Although essentially a liberal arts college, the College of Arts & Sciences offers certain pre-professional curricula for students who plan to enter professional schools. For medical and paramedical curricula, Andrews University maintains a special relationship with Loma Linda University.

Pre-Professional Program in Respiratory Care

Bill Chobotar, Coordinator
269-471-3262
Price Hall (Science Complex)

Andrews University offers prerequisite course work to prepare students who wish to enter a 2-year Associate of Science degree program or a 4-year Bachelor of Science degree program in Respiratory Care. Admission requirements vary among professional respiratory care programs. Not all professional programs accept transfer credits. Therefore, as soon as possible, interested students should contact the programs of choice for the most current prerequisite requirements. A list of accredited respiratory care programs may be obtained from the American Association for Respiratory Care, 11030 Ables Lane, Dallas, TX 75229 (phone 972-243-2272 and ask for the Education Department) or explore the web at: www.aarc.org/patient_resources/schools.html.

Pre-Professional Programs

Although essentially a liberal arts college, the College of Arts & Sciences offers certain pre-professional curricula for students who plan to enter professional schools. For medical and paramedical curricula, Andrews University maintains a special relationship with Loma Linda University.

Loma Linda University:
Interested students may complete the prerequisites for Loma Linda University’s Respiratory Care Education Program while attending Andrews University. Check with the above listed coordinator for the required course work. The Pre-LLU/RC student may then apply and transfer to LLU through its selective admissions process as a second-year student in their program.

Pre-Professional Program in Veterinary Medicine

Katherine Koudele, Coordinator
269-471-6299
Smith Hall 109

Entrance requirements vary among veterinary medical colleges. Students should check the websites of their choice for the most current requirements. Accredited veterinary schools are listed on the website of the American Veterinary Medical Association (www.avma.org). Students, in consultation with their departmental advisor, can develop individualized programs to meet the entrance requirements for their preferred veterinary schools.

Mission
The Department of Biology provides transformational education in the biological sciences for a diverse student population, set in the context of a Seventh-day Adventist Christian worldview. To achieve this mission we:

- Seek knowledge and develop skills for lifelong learning through rigorous research, teaching and learning in the biological sciences;
- Affirm faith, engender integrity and honor the Creator through personal mentoring, intentional study of life as God’s creation, and the ethical practice of science; and
- Change the world by active service, promoting responsible living as stewards of creation, and preparing students for meaningful careers in church and society.

Each degree offered by the Department of Biology includes a common core curriculum and additional courses tailored to students’ special needs.

Bachelors

Biology BS

Set in the context of a Seventh-day Adventist world view, the Department of Biology provides transformational education in the biological sciences for a diverse student population. Our graduates pursue diverse careers: as physicians, dentists, pharmacists and other health care providers; as high school and college biology teachers; and in other fields such as environmental biology, biomedical research, and as museum scientists. We offer a BS in Biology with the following three concentration options:

The Biological Science Concentration provides a strong foundation for those needing exposure to the biological sciences that is not met by the Biomedical Science or Neuroscience concentrations. This concentration allows students to customize the biology electives taken in light of specific career goals or professional school preparation.

The Biomedical Science Concentration provides a strong foundation for those interested in pursuing a career in healthcare. Students take advanced biological science coursework that is relevant to topics covered in professional school where students are prepared to work in health-related careers.

The Neuroscience Concentration provides a strong foundation for those interested in medicine or other health-science related career as well as those who wish to enter a career in neuroscience. Students build on a shared cognate and biology core and add specialized courses in neurobiology and related fields.

Total Credits - 124

Major - 37-45

Core - 25-27

- BIOL 165 - Foundations of Biology Credits: 4.5
- BIOL 166 - Foundations of Biology Credits: 4.5
- BIOL 280 - Biostatistics and Research Design Credits: 3
- BIOL 285 - Research Seminar in Biology Credits: 0
- BIOL 305 - Scientific Communication Credits: 2
- BIOL 371 - Genetics Credits: 3
- BIOL 372 - Cell and Molecular Biology Credits: 3
- BIOL 435 - Historical and Philosophical Biology Credits: 3, 4

Choose one of the following courses:

- BIOL 345 - Field Ecology Credits: 3–6
- BIOL 348 - General Ecology Credits: 3

Concentrations

Biological Science - 15

Choose one of the following courses:

- BIOL 428 - Paleobiology Credits: 3
- BIOL 454 - Vertebrate Zoology Credits: 3
- BIOL 456 - Marine Botany Credits: 3.5 *
- BIOL 458 - Marine Invertebrates Credits: 3.5 *
- BIOL 459 - Entomology Credits: 3
- BIOL 476 - Biodiversity of Vascular Plants Credits: 4
- BIOL 479 - Marine Ecology Credits: 3.5 *

*Rosario Beach Marine Lab field course

Electives: Biological Science Concentration electives (11-12 credits) selected in consultation with an advisor from BIOL courses that applies to a biology major to fulfill the remaining 15 credits required. (Note: Students seeking Secondary Certification must take specific courses reaching 17 credits in the Biological Science concentration in consultation with their Secondary Education advisor.)

Additional Elective Options: Up to four elective credits may come from the following courses:

- BCHM 421 - Biochemistry I Credits: 4
- HORT 226 - Plant Systematics & ID Credits: 3
- MATH 426 - Mathematical Modeling in Biology Credits: 3
- MLSC 320 - Fundamentals of Immunology Credits: 3
- PHTH 417 - Human Anatomy Credits: 3
- PHTH 427 - Human Anatomy Laboratory Credits: 1

Biomedical - 12-14

Choose three of the following courses:

- BIOL 464 - Systems Physiology Credits: 4
- BIOL 465 - Histology Credits: 3
- BIOL 475 - Biology of Bacteria Credits: 3
- BIOL 485 - Developmental Biology Credits: 3
- PHTH 417 - Human Anatomy Credits: 3 (must be taken with lab)
- PHTH 427 - Human Anatomy Laboratory Credits: 1

Any additional three credits of upper-division biology, excluding BIOL 495 and BIOL 496.

Neuroscience - 12-13

- BIOL 450 - Neuropsychopharmacology Credits: 3
- BIOL 477 - Neurobiology Credits: 3

Choose one of the following courses:

- BIOL 484 - Animal Behavior Credits: 3
- PSYC 445 - Cognitive Psychology Credits: 3

Any additional three credits of upper-division biology, excluding BIOL 495 and BIOL 496.

Cognates - 31-43
At the end of the program, students should be able to:

- Demonstrate integrated understanding of biological science
- Apply scientific methodology to create and assess scientific knowledge
- Communicate scientific understanding effectively
- Integrate faith and science in light of personal faith commitments
- Practice ethics and professionalism in science

Additional Information

Thesis (Optional)
A minimum of 3 credits of BIOL 495 or HONS 497H. Biology majors may elect to complete a minimum of 3 credits of original research in a topic of mutual interest with a Department of Biology faculty member and present this original work in the form of a senior thesis. This research experience may be supported by a research scholarship.

Student Learning Outcomes

At the end of the program, students should be able to:

- Gain experience in applying scientific methodology in an ethical and professional manner.
- Develop skill in communicating science.
- Have the opportunity to integrate faith & science in light of personal faith commitments.

Masters

Biology MS

The graduate program in biology equips students to pursue a career in biology or to advance to additional training in science or professional programs. This research thesis-based program serves students with interests in biology ranging from field-based to laboratory-based lines of biological study. Students that abide by the recommended timeline of study can complete the program in 2 years.

Total Credits - 30

BIOL 550 - Issues in Origins and Speciation Credits: 3
BIOL 681 - Research Methods and Biology Seminar I Credits: 2
BIOL 682 - Research Methods and Biology Seminar II Credits: 2
BIOL 670 - Comprehensive Exam Credits: 0 (A written comprehensive examination completed before the end of the third semester in residence)

8 Credits of BIOL 699 - Master’s Thesis Credits: 4 (Completion of the MS thesis requires two registrations for BIOL 699 and a final oral examination in defense of the thesis.)

Electives

Biology MS electives (15 credits), selected in consultation with an academic advisor, from any 500-level BIOL course to fulfill the remaining credits required.

- BIOL 690 can be taken as an elective.
- Graduate courses in other programs from BCHM, EDRM, FDNT, GDPC, and PBHL may be taken, upon consultation with a student’s academic advisor.

Admission Requirements

In addition to the general admission requirements under the School of Graduate Studies, students must meet the following departmental requirements.

- A bachelor’s degree with major in biology or an approved, related discipline, with appropriate upper division courses. The following courses are recommended: cell/molecular biology, organismal physiology, developmental biology, genetics, and ecology.
- A minimum GPA of 3.00 (B) in the undergraduate major.
- GRE scores are required in order to review the application for admission (see School of Graduate Studies).
- Cognate sciences, including full-year courses in general chemistry, organic chemistry, and physics. Mathematics through calculus and a course in statistics are strongly recommended.

Undergraduate Minors

Biology Minor

The biology minor is designed to provide a foundation in the study of biology as well as electives allowing students to emphasis areas of study relevant to their interests or career preparation. This program of study serves a wide variety of career goals and is helpful to those preparing to teach science at the secondary level. It is complimentary to other majors that require classwork in the biological sciences.

Total Credits - 20

BIOL 165 - Foundations of Biology Credits: 4,5
BIOL 166 - Foundations of Biology Credits: 4,5

Additional Information

Religion

Choose one of the following courses:

RELT 385 - Bioethics and Christian Faith Credits: 3 *
HONS 380 - Topic in Bioethics & Christian Faith Credits: 3 (for SAGES students)*

Math

Choose one of the following courses:

MATH 168 - Precalculus Credits: 4 *
MATH 191 - Calculus I Credits: 4 (recommended)*
MATH 195 - Calculus I for Biology Credits: 4 (recommended)*

Social Sciences

Pre Med Students will need to take the following courses:

PSYC 101 - Introduction to Psychology Credits: 3 *
SOCI 119 - Principles of Sociology Credits: 3 *

*Course fulfills ACE requirement
**Biology**

**BIOL 100 - Human Biology**
Credits: 4
This course is designed to provide students with a basic understanding of the structure and function of the human body. Emphasis is placed on the practical application of principles learned in the areas of nutrition, anatomy and physiology. Does not apply to major or minor.

- **Lecture/Lab:** Weekly: 3 lectures and a 3-hour lab
- **Course/Lab Fee:** Yes
- **Grade Mode:** Normal (A-F,I,W)
- **Schedule Type:** Lecture/Lab
- **Term Offering:** Fall
- **College Code:** CAS

**BIOL 105 - Techniques of Molecular Biology**
Credits: 3
Lab-based introduction to techniques in molecular biology and their application to forensics. Does not apply to major or minor.

- **Lecture/Lab:** Weekly: 1 lecture and a 3-hour lab
- **Course/Lab Fee:** Yes
- **Grade Mode:** Normal (A-F,I,W)
- **Schedule Type:** Lecture, Lab, Lecture/Lab
- **Special Approval:** Only available for RESA students.
- **Term Offering:** Spring
- **College Code:** CAS

**BIOL 110 - Principles of Biology**
Credits: 4
A one-semester survey of the principles of biology as they apply to the study of biological molecules, cells, multicellular organisms, and ecosystems. The course will introduce key concepts of biological function, inheritance, adaptation, and diversity. Does not apply to major or minor.

- **Lecture/Lab:** Weekly: 3 lectures and a 3-hour lab
- **Course/Lab Fee:** Yes
- **Grade Mode:** Normal (A-F,I,W)
- **Schedule Type:** Lecture, Lab, Lecture/Lab
- **Term Offering:** Spring
- **College Code:** CAS

**BIOL 121 - Introduction to Dentistry**
Credits: 1
This class will serve as an introduction to the many facets of the dental profession. Through both a didactic and hands-on set of experiences, students will explore a broad range of topics, spanning from pre-dental training to private practice. Topics will include tooth anatomy, dental subspecialties, DAT preparation, and dental school experience. Hands-on experiences will focus on work with common dental materials as well as activities that will help students to assess and develop their hand-eye coordination and spatial perception. Not applicable for major or minor requirements.

- **Lecture/Lab:** Weekly: 1 lecture
- **Course/Lab Fee:** Yes
- **Grade Mode:** Normal (A-F,I,W)
- **Schedule Type:** Lecture
- **College Code:** CAS

**BIOL 122 - Introduction to Medicine**
Credits: 1
A seminar-type discussion-formatted exploration for the premedical student intended to expose students early in their collegiate preparation to the spectrum involved in entering and practicing medicine. Topics include the AAMC personal competencies, the application process, medical school curriculum, residence training, the patient-physician relationship, inter-professional collaboration, and “What is an Ideal Physician?” Students will be asked to develop a plan of preparation for their premedical undergraduate experience. Not applicable for Biology major or minor requirements.

- **Lecture/Lab:** Weekly: 1 lecture
- **Grade Mode:** Normal (A-F,I,W)
- **Schedule Type:** Lecture
- **Term Offering:** Spring
- **College Code:** CAS

**BIOL 165 - Foundations of Biology**
Credits: 4.5
First semester of a full-year sequence addressing the foundational principles in biology. Explores the cellular and molecular basis of life, principles of heredity, biodiversity and classification of organisms excluding animals, and plant form and function. 5 credits when offered during the academic year, 4 credits when taken at the Rosario Beach Marine Laboratory during the summer.

- **Lecture/Lab:** Weekly: 5 lectures and a 3-hour lab
- **Course/Lab Fee:** Yes
- **Grade Mode:** Normal (A-F,I,W)
- **Schedule Type:** Lecture, Lecture/Lab
- **Term Offering:** Fall
- **College Code:** CAS

**BIOL 166 - Foundations of Biology**
Credits: 4.5
Second semester of a full-year sequence addressing the foundational principles in biology. Explores biodiversity and classification of animals, animal form and function, history of life on earth, and ecology. Five credits when offered during the academic year, 4 credits when taken at the Rosario Beach Marine Laboratory during the summer.

- **Lecture/Lab:** Weekly: 5 lectures and a 3-hour lab
- **Course/Lab Fee:** Yes
- **Grade Mode:** Normal (A-F,I,W)
- **Schedule Type:** Lecture, Lecture/Lab
- **Term Offering:** Spring
- **College Code:** CAS

**BIOL 170 - Rocks, Fossils, and Life**
Credits: 4
What can we learn from the study of rocks and fossils and the processes that form them? How does this study help us understand the past, and why is it important to our understanding of life today—especially human life and culture? How can rocks and fossils give us insight into global change and environmental degradation? How do these questions interface with Christian belief and responsibility? The course will explore these and similar questions in geology and paleontology. Meets the life science general education requirement; no previous science background required.

- **Lecture/Lab:** Weekly: 3 lectures and a 3-hour lab
- **Course/Lab Fee:** Yes
- **Grade Mode:** Normal (A-F,I,W)
- **Schedule Type:** Lecture/Lab
- **Year Offering:** Odd years
- **Term Offering:** Fall
- **College Code:** CAS

**BIOL 208 - Environmental Science**
Credits: 4
Study of basic ecological principles as applied to human activities. Discussions deal with contemporary environmental issues. Lab includes field trips, guest speakers, and experiments. Meets certain state educational certification requirements.

- **Lecture/Lab:** Weekly: 3 lectures and a 3-hour lab
- **Course/Lab Fee:** Yes
- **Grade Mode:** Normal (A-F,I,W)
- **Schedule Type:** Lecture/Lab
- **Term Offering:** Fall
- **College Code:** CAS

**BIOL 221 - Anatomy and Physiology I**
Credits: 4
First semester of a full-year sequence addressing the structure and function of the human organism. Surveys introductory biological chemistry, cell biology, histology, and the structure, function, and control of the integumentary, skeletal, muscular, nervous, and sensory systems. Does not apply to a biology major or minor; applies to a human biology minor.

- **Lecture/Lab:** Weekly: 3 lectures and a 3-hour lab
- **Course/Lab Fee:** Yes
- **Grade Mode:** Normal (A-F,I,W)
- **Schedule Type:** Lecture, Lab, Lecture/Lab
- **Term Offering:** Fall
- **College Code:** CAS
BIOL 222 - Anatomy and Physiology II
Credits: 4
Second semester of a full-year sequence addressing the structure and function of the human organism. Surveys the structure, function, and control of the endocrine, cardiovascular, circulatory, respiratory, urinary, digestive and reproductive systems. Does not apply to a biology major or minor; applies to the human biology minor.

Lecture/Lab: Weekly: 3 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 221
Schedule Type: Lecture, Lab, Lecture/Lab
Term Offering: Spring
College Code: CAS

BIOL 260 - General Microbiology
Credits: 4
Includes history, morphology, classification, control, growth, transmission, and pathogenicity of selected bacteria, viruses, rickettsia, fungi, and parasites. Covers the nature of host defenses against pathogens, including the acquisition of specific immunity and immune disorders. Does not apply to a biology major or minor; applies to the human biology minor.

Lecture/Lab: Weekly: 3 lectures and two 1.5-hour labs
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab
Term Offering: Spring
College Code: CAS

BIOL 280 - Biostatistics and Research Design
Credits: 3
An introduction to research design and statistical methods in quantitative biology. Topics include probability, basic study design, descriptive statistics, sampling, contingency tables, t-tests, one- and two-way analysis of variance, correlation, and simple linear regression. Both parametric and non-parametric techniques are explored. Computational exercises will use the Excel and SPSS packages.

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 165, BIOL 166, MATH 145 or higher or MPE P3
Schedule Type: Lecture, Lab, Lecture/Lab
Term Offering: Spring
College Code: CAS

BIOL 285 - Research Seminar in Biology
Credits: 0
Required for at least 5 semesters for biology or biotechnology (biology emphasis) majors (or each semester for students who transfer into biology with less than 5 semesters remaining). Each registration will require students to attend and report on at least 3 departmentally approved research seminars during that semester.

Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
Term Offering: Fall, Spring
College Code:CAS

BIOL 305 - Scientific Communication
Credits: 2
A practical introduction to scientific communication. This course will focus on developing the fundamental skills required to convey information in the form of grant proposals, oral and poster presentations and research articles.

Lecture/Lab: Weekly: 2 lectures
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 280
Prerequisite(s): COMM 104 and ENGL 215. Honors students: HONS 115H.
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

BIOL 316 - Human Embryology
Credits: 1
Acquaints students with the process of human development and embryology.

Lecture/Lab: Weekly: 1 lecture
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 166
Schedule Type: Lecture/Lab
Term Offering: Spring
College Code: CAS

BIOL 345 - Field Ecology
Credits: 3–6
The course will introduce core ecological principles as applied to individual, population, community, and ecosystem levels of organizations along with hands-on experience in field ecology. Students will develop group and individual projects in aquatic and terrestrial ecosystems and develop skills in natural history observation and journaling and field research design, data analysis, and scientific communication.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 166
Repeatable: Repeatable with different topics
Schedule Type: Lecture
Special Approval: Instructor permission required.
College Code: CAS

BIOL 348 - General Ecology
Credits: 3
Ecological principles as applied to individual, population, community, and ecosystem levels of organization. Laughs feature the characterization of ecological systems using standard field and lab techniques.

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 165, BIOL 166 or BIOL 208
Schedule Type: Lecture/Lab
Term Offering: Fall
College Code: CAS

BIOL 371 - Genetics
Credits: 3
Mechanisms of heredity are considered in light of classical population and molecular genetics. Labs feature experience in Drosophila genetics, chromosome analysis, statistical techniques, and recombinant DNA technology.

Lecture/Lab: Weekly: 2 lectures, a recitation and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 166, and completion of or simultaneous enrollment in CHEM 131.
Schedule Type: Lecture, Lab
Term Offering: Fall
College Code: CAS

BIOL 372 - Cell and Molecular Biology
Credits: 3
Information from molecular biology, biochemistry, biophysics, physical chemistry, and electron microscopy are integrated to present the cell as a functional unit. Labs provide experience in the collection and analysis of quantitative data about cells.

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 166, and completion of or simultaneous enrollment in CHEM 132.
Schedule Type: Lecture, Lab
Term Offering: Spring
College Code: CAS

BIOL 405 - Topics in_______
Credits: 1–4
Investigates various specialties of biology.

Lecture/Lab: One lecture or lab for each credit
Grade Mode: Normal W S (A-F,I,S,U,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CAS
BIOL 415 - Genomics, Proteomics, and Bioinformatics
Credits: 3
An examination of the wealth of information to be found in our genomes and proteomes, the techniques used to produce and analyze these data, and its implications for biomedicine and related fields. Online databases and bioinformatics tools will be used extensively.

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 165 and BIOL 166. Laptop required.
Schedule Type: Lecture, Lab
Year Offering: Even years
Term Offering: Spring
College Code: CAS

BIOL 420 - Immunology
Credits: 3
This course introduces principles of immunology, including cells and organs comprising the immune system, innate and adaptive immune responses, generation of lymphocyte receptor diversity, antibody structure and function, and cell mediated immunity, as well as clinical applications such as autoimmune disease, tumor immunology and vaccination. Integrated into the course is a laboratory offering practical experience with basic techniques used in immunology.

Lecture/Lab: Weekly: 2 lectures and 1 lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 165, BIOL 166.
Schedule Type: Lecture/Lab
Year Offering: Even years
Term Offering: Fall
College Code: CAS

BIOL 428 - Paleobiology
Credits: 3
Covers various specialities including general and vertebrate paleontology. Surveys the origins, history, adaptations, diversity and paleoecology of ancient organisms as documented by the fossil record.

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 165.
Repeatable: Repeatable with different topics
Schedule Type: Lecture, Lab, Lecture/Lab
Year Offering: Even years
Term Offering: Fall
College Code: CAS

BIOL 430 - Molecular Laboratory Techniques
Credits: 3
Acquaints students with modern lab techniques of molecular biology. The manipulation and study of nucleic acids and proteins using model systems.

Lecture/Lab: Weekly: 1 lecture and 2 labs
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
Term Offering: Fall
College Code: CAS

BIOL 435 - Historical and Philosophical Biology
Credits: 3
Examination of biological, paleontological, and geological concepts central to the study of historical events in biological systems. Considers the interactions of data, theories, and extra scientific concepts in historical biology, within the particular context of a biblical worldview. Students taking the fourth credit will gain a broader understanding of relevant concepts in physical and historical geology.

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 166. or BIOL 110
Schedule Type: Lecture/Lab
College Code: CAS

BIOL 440 - Electron Microscopy in Biological Investigations
Credits: 3
Lectures cover the theory, functions, and use of the transmission and scanning electron microscopes. Two 3-hour labs per week provide hands-on experience in the techniques involved in scanning and transmission electron microscopy, including use of the ultramicrotome.

Lecture/Lab: Weekly: 1 lecture and two 3-hour labs
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Lecture/Lab
Year Offering: Alternate years (even)
Term Offering: Fall
College Code: CAS

BIOL 447 - Cell and Tissue Culture
Credits: 3
A study of the methods and applications of animal cell culture. Topics will include laboratory safety and equipment, primary and established cell lines, culture contamination, cell transformation and differentiation, and cell transfection.

Lecture/Lab: Weekly: 2 lectures and 1 lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 166.
Schedule Type: Lecture/Lab
Year Offering: Odd years
Term Offering: Spring
College Code: CAS

BIOL 450 - Neuropsychopharmacology
Credits: 3
A study of the mechanisms of actions of psychotropic agents and how they affect human perception and behavior. Emphasis is placed on the organization and function of the nervous system and the molecular and biochemical basis of drugs used to treat behavioral and clinical disorders.

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101 or PSYC 180; BIOL 221, BIOL 222 or BIOL 165, BIOL 166.
Schedule Type: Lecture/Lab
Term Offering: Spring
College Code: CAS

BIOL 454 - Vertebrate Zoology
Credits: 3
Covers the various specialties of vertebrate biology, including herpetology, ornithology, and mammalogy.

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture/Lab
Term Offering: Mammalogy (Fall), Ornithology (Spring)
College Code: CAS

BIOL 456 - Marine Botany
Credits: 3
A systematic study of the marine plants found in Puget Sound, with a survey of marine plants from other areas.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): BIOL 590
Schedule Type: Lecture
Year Offering: As scheduled - only at the Rosario Beach Marine Laboratory
Term Offering: Summer
College Code: CAS

BIOL 458 - Marine Invertebrates
Credits: 3.5
Biology of invertebrates studied in the marine environment of Puget Sound. A survey of the various phyla is conducted by studying the living animals in the field, and by tide pool observation, dredging, and scuba diving. A project on a specific group or species is required.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): BIOL 590
BIOL 459 - Entomology
Credits: 3
Study of the fundamental aspects of insect biology.
Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 166
Schedule Type: Lecture/Lab
Year Offering: Odd years
Term Offering: Fall
College Code: CAS

BIOL 464 - Systems Physiology
Credits: 4
Functional processes used by animals in adjusting to their external environment and controlling their internal environment. Labs involve the firsthand analysis of selected aspects of the major functional systems.
Lecture/Lab: Weekly: 3 lectures and a 3.5-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 166, CHEM 131.
Schedule Type: Lecture, Lab, Lecture/Lab
Year Offering: Even years
Term Offering: Fall
College Code: CAS

BIOL 465 - Histology
Credits: 3
Microscopic anatomy, cytology, ultrastructure of tissues and organ systems are correlated with function. Emphasis on normal tissues of vertebrates.
Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 166
Schedule Type: Lecture, Lab, Lecture/Lab
Year Offering: Spring
Term Offering: Fall
College Code: CAS

BIOL 475 - Biology of Bacteria
Credits: 3
Study of the properties of bacteria that illustrate their function and relationship to other living systems. Topics include structure and function, classification, and interaction with the environment.
Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 166; Organic Chemistry recommended (CHEM 231, CHEM 232, CHEM 241, CHEM 242).
Schedule Type: Lecture/Lab
Year Offering: Odd years
Term Offering: Fall
College Code: CAS

BIOL 476 - Biodiversity of Vascular Plants
Credits: 4
A taxonomic and morphological study of vascular plants emphasizing the plants found in the Great Lakes area. Field trips.
Lecture/Lab: Weekly: 3 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Fall
Term Offering: Fall
College Code: CAS

BIOL 477 - Neurobiology
Credits: 3
The neural basis of behavior, with some emphasis on the human nervous system, including cellular and molecular approaches to neuron function, development of neurons and circuits, and neuro-endocrine mechanisms. Labs develop skills in electrophysiology and neuroanatomy.
Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 166
Schedule Type: Lecture, Lab, Lecture/Lab
Year Offering: Fall
Term Offering: Fall
College Code: CAS

BIOL 478 - Study Tour:
Credits: 0
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.
Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Blended Learning
College Code: CAS

BIOL 479 - Marine Ecology
Credits: 3.5
A study of interspecific, intraspecific, and community relationships demonstrated by marine organisms.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: As scheduled - only at the Rosario Beach Marine Laboratory
Term Offering: Summer
College Code: CAS

BIOL 484 - Animal Behavior
Credits: 3
Behavior of animals including considerations of social interactions, learning processes, instinct, motivation, experimental methods, and the analysis of behavior patterns characteristic of various species.
Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 166
Schedule Type: Lecture/Lab
Year Offering: Even years
Term Offering: Fall
College Code: CAS

BIOL 485 - Developmental Biology
Credits: 3
A study of the cellular and tissue-level events that result in the development of integrated organisms. Vertebrate and invertebrate model systems will be examined and compared with plants. Lab activities include vertebrate developmental anatomy and experimental approaches to understanding basic developmental processes.
Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 166
Schedule Type: Lecture/Lab
Year Offering: Even years
Term Offering: Fall
College Code: CAS

BIOL 487 - Biogeography
Credits: 3
The distribution of plants and animals in relation to their environment, including consideration of major biogeographic regions of the world and the role of distribution in adaptive change and diversification of life in the past and present.
Lecture/Lab: Weekly: 2 lectures and a 3-hour conference period
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Lecture/Lab
Year Offering: Spring
Term Offering: Spring
College Code: CAS

BIOL 495 - Independent Research in Biology
Credits: 0–4
An independent research project in biology under the direction of a biology instructor. A minimum of 4 hours work per week is required for each credit earned (and for the 0-credit option), and a written paper is required.
Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable
BIOL 496 - Independent Study in Biology
Credits: 1–4
Independent study of a selected field in biology under the direction of a biology instructor. A minimum of 4 hours work per week is required for each credit earned and a written paper is required.

Grade Mode: Normal (A-F,I,W)
Special Approval: Instructor permission required.
Term Offering: Fall, Spring, Summer
College Code: CAS

BIOL 497 - Internship in Biotechnology
Credits: 1–6
An internship where students apply course and lab preparation in an extended hands-on laboratory experience in either on- or off-campus setting. 50 hours of work per semester credit hour.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Permission of biotechnology faculty.
Repeatable: Repeatable up to 6 credits
Schedule Type: Practicum
College Code: CAS

BIOL 515 - Genomics, Proteomics, and Bioinformatics
Credits: 3
An examination of the wealth of information to be found in our genomes and proteomes, the techniques used to produce and analyze these data, and implications for biomedicine and related fields. Online databases and bioinformatics tools will be used extensively. Students will deeply engage selected topics through original research, or through synthesis and critical analysis of relevant literature.

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 165 and BIOL 166. Laptop required.
Schedule Type: Lecture
Year Offering: Alternate years (even)
Term Offering: Spring
College Code: CAS

BIOL 516 - Behavior of Marine Organisms
Credits: 3.5
Study of inter- and intra-specific behavior of marine animals and their behavioral response to the physical environment. Involves lab experience, field observation, and a research project.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
Special Approval: Instructor permission required.
Year Offering: As scheduled - only at the Rosario Beach Marine Laboratory
Term Offering: Summer
College Code: CAS

BIOL 521 - Immunology
Credits: 3
This course introduces principles of immunology, including cells and organs comprising the immune system, innate and adaptive immune responses, generation of lymphocyte receptor diversity, antibody structure and function, and cell mediated immunity, as well as clinical applications such as autoimmune disease, tumor immunology and vaccination. Integrated into the course is a laboratory offering practical experience with basic techniques used in immunology. In addition to a broad survey of immunology, students will deeply engage selected topics through original research, or through synthesis and critical analysis of relevant literature.

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
Year Offering: Alternate years (even)
Term Offering: Fall
College Code: CAS

BIOL 526 - Mathematical Modeling in Biology
Credits: 3
Theory and application of linear and nonlinear mathematical models of biological processes. Topics selected from discrete- and continuous-time deterministic and stochastic modeling, analytic solution techniques, linearization, bifurcations, chaos, computer simulation, model parameterization, and model validation.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 191 or MATH 195, or permission from instructor.
Schedule Type: Lecture
Year Offering: Alternate years (odd)
Term Offering: Fall
College Code: CAS

BIOL 528 - Paleobiology
Credits: 3
Covers various specialties including general and vertebrate paleontology. Surveys the origins, history, adaptations, diversity and paleoecology of ancient organisms as documented by the fossil record. Students will also engage selected topics more deeply through original research, or through synthesis and critical analysis of relevant literature.

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture/Lab
Year Offering: Alternate years (odd)
Term Offering: Fall
College Code: CAS

BIOL 530 - Molecular Laboratory Techniques
Credits: 3
Acquaints students with modern lab techniques of molecular biology. The manipulation and study of nucleic acids and proteins using model systems. In addition, students will deeply engage in selected topics through an additional research project and lecture topic presentation.

Lecture/Lab: Weekly: 1 lecture and two 3-hour labs
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
Year Offering: Alternate years (odd)
Term Offering: Fall
College Code: CAS

BIOL 540 - Electron Microscopy in Biological Investigations
Credits: 3
Lectures cover the theory, functions, and use of the transmission and scanning electron microscopes. Two 3-hour labs per week provide hands-on experience in the techniques involved in scanning and transmission electron microscopy, including use of the ultramicrotome. In addition, students will deeply engage selected topics through additional research project and lecture topic presentation.

Lecture/Lab: Weekly: 1 lecture and two 3-hour labs
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Lecture/Lab
Year Offering: Alternate years (even)
Term Offering: Fall
College Code: CAS

BIOL 547 - Cell and Tissue Culture
Credits: 3
A study of the methods and applications of animal cell culture. Topics will include laboratory safety and equipment, primary and established cell lines, culture contamination, cell transformation and differentiation, and cell transfection. In addition to this survey of topics, students will deeply engage selected topics through original research, or through synthesis and critical analysis of relevant literature.

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
Year Offering: Alternate years (odd)
Term Offering: Spring
College Code: CAS
BIOL 550 - Issues in Origins and Speciation
Credits: 3
A comparative survey of the assumptions, attitudes, methods, and conclusions of science and religion in the handling of data. Attention is given to current scientific data and their relationship to an understanding of earth history and the present diversity of life.
Lecture/Lab: Weekly: 3 lectures
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

BIOL 554 - Vertebrate Zoology
Credits: 3
Covers the various specialties of vertebrate biology, including herpetology, ornithology, and mammalogy. In addition to a broad survey of vertebrate biology, students will deeply engage selected topics through original research, or through synthesis and critical analysis of relevant literature.
Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
College Code: CAS

BIOL 555 - Neuropsychopharmacology
Credits: 3
A study of the mechanisms of actions of psychotropic agents and how they affect human perception and behavior. Emphasis is placed on the organization and function of the nervous system and the molecular and biochemical basis of drugs used to treat behavioral and clinical disorders. In addition to a broad survey of neuropsychopharmacology, students will deeply engage selected topics through original research, or through synthesis and critical analysis of relevant literature.
Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101 or PSYC 180; BIOL 221, BIOL 222 or BIOL 165, BIOL 166
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

BIOL 559 - Entomology
Credits: 3
Study of the fundamental aspects of insect biology. In addition to a broad survey of entomology, students will deeply engage selected topics through original research, or through synthesis and critical analysis of relevant literature.
Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

BIOL 564 - Systems Physiology
Credits: 3
Functional processes used by animals in adjusting to their external environment and controlling their internal environment. Labs involve the firsthand analysis of selected aspects of the major functional systems.
Lecture/Lab: Weekly: 3 lectures and a 3.5-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 166, CHEM 131
Schedule Type: Lecture, Lab, Lecture/Lab
Term Offering: Fall
College Code: CAS

BIOL 565 - Histology
Credits: 3
Microscopic anatomy, cytology, ultrastructure of tissues and organ systems are correlated with function. Emphasis on normal tissues of vertebrates. In addition to a broad survey of histology, students will deeply engage selected topics through original research, or through synthesis and critical analysis of relevant literature.
Lecture/Lab: Weekly: 2 lectures and a 3-hour lab

BIOL 575 - Biology of Bacteria
Credits: 3
Study of the properties of bacteria that illustrate their function and relationship to other living systems. Topics include structure and function, classification and interaction with the environment. Students will deeply engage selected topics through original research, or through synthesis and critical analysis of relevant literature.
Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Recommended: CHEM 231, CHEM 232, CHEM 241, CHEM 242 or equivalent, full year course in Organic Chemistry
Schedule Type: Lecture/Lab
Term Offering: Fall
College Code: CAS

BIOL 576 - Biodiversity of Vascular Plants
Credits: 4
A taxonomic and morphological study of vascular plants emphasizing the plants found in the Great Lakes area. In addition to a broad survey of vascular plants, students will deeply engage selected topics through original research, or through synthesis and critical analysis of relevant literature. Field trips.
Lecture/Lab: Weekly: 3-hour lecture and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Year Offering: Alternate years (even)
Term Offering: Fall
College Code: CAS

BIOL 577 - Neurobiology
Credits: 3
The neural basis of behavior, with some emphasis on the human nervous system, including cellular and molecular approaches to neuron function, development of neurons and circuits, and neuro-endocrine mechanisms. Labs develop skills in electrophysiology and neuroanatomy. In addition to a broad survey of neurobiology, students will deeply engage selected topics through original research, or through synthesis and critical analysis of relevant literature.
Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
Term Offering: Fall
College Code: CAS

BIOL 584 - Animal Behavior
Credits: 3
Behavior of animals including considerations of social interactions, learning processes, instinct, motivation, experimental methods, and the analysis of behavior patterns characteristic of various species. In addition to a broad survey of animal behavior, students will deeply engage selected topics through original research, or through synthesis and critical analysis of relevant literature.
Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
Year Offering: Even years
Term Offering: Fall
College Code: CAS

BIOL 585 - Developmental Biology
Credits: 3
A study of the cellular and tissue-level events that result in the development of integrated organisms. Vertebrate and invertebrate model systems will be examined and compared with plants. Lab activities include vertebrate developmental anatomy and experimental approaches to understanding basic developmental processes. Students will also engage selected topics more deeply through original research, or through synthesis and critical analysis of relevant literature.
**Biol 587 - Biogeography**

Credits: 3

The distribution of plants and animals in relation to their environment, including consideration of major biogeographic regions of the world and the role of distribution in adaptive change and diversification of life in the past and present. In addition to a broad survey of biogeography, students will deeply engage selected topics through original research, or through synthesis and critical analysis of relevant literature.

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab

**Biol 590 - Topics in ________**

Credits: 1–4

Investigates various specialties of biology.

Lecture/Lab: One-hour lecture or a 3-hour lab for each credit

**Biol 648 - Workshop**

Credits: 1–4

Grade Mode: Satisfactory (S,U,I,W)

Repeatable: Repeatable

Schedule Type: Workshop

College Code: CAS

**Biol 655 - Program Continuation**

Credits: 0

Students may register for this non-credit continuation course to maintain active status. For additional information on active status, refer to the Graduate Academic Policies. Registration does not indicate full-time status.

Lecture/Lab Fee: Yes

Grade Mode: Satisfactory (S,U,I,W)

Repeatable: Repeatable

Schedule Type: Independent

College Code: CAS

**Biol 660 - Thesis Continuation**

Credits: 0

Student may register for this title while clearing deferred grade (DG) and/or incomplete (I) courses with advisor approval only. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Lecture/Lab Fee: Yes

Course Attribute: Full-time status

Grade Mode: Satisfactory (S,U,I,W)

Repeatable: Repeatable

Schedule Type: Independent

College Code: CAS

**Biol 670 - Comprehensive Exam**

Credits: 0

Grade Mode: Satisfactory w/DG (S,U,J,W,DG)

Repeatable: Repeatable

Schedule Type: Independent

College Code: CAS

**Biol 681 - Research Methods and Biology Seminar I**

Credits: 2

An introduction to graduate studies in biology, the nature and methods of science, principles of research ethics, and exploration of research opportunities in the Department of Biology. Attendance to all biology department seminars is required.

Lecture/Lab: Weekly: 2 lectures
Chemistry & Biochemistry

Mission
The mission of the Department of Chemistry & Biochemistry within the context of a Seventh-day Adventist Christian worldview is to assist all students to excel in developing their analytical and critical reasoning skills, using fundamental chemical principles and computational methods; prepare our chemistry and biochemistry majors to enter graduate school, professional school, the chemical industry, or the teaching profession, in a diverse world; develop in our students an understanding of responsible, environmentally sensitive use of global resources; engage students and faculty in the process of discovery and creativity in the research lab and the classroom to model a life of personal and professional integrity.

Students who plan to major in chemistry or biochemistry are expected to have entrance credit in the preparatory subjects of chemistry and mathematics (including algebra and trigonometry); a background in physics is desirable. Those who do not have entrance credit or equivalent training in these subjects, particularly mathematics, may not fulfill the department graduation requirements in four years.

Students are encouraged to plan early for an on-campus or off-campus research experience required of all students in the Bachelor of Science degree programs in chemistry and biochemistry (ACS) and strongly recommended for those in the Bachelor of Science degree program in biochemistry. This experience may take the form of a cooperative educational research experience or research in an academic, industrial, or governmental laboratory setting. Interested students should consult the department chair.

American Chemical Society Certification
Students desiring American Chemical Society certification must

- Complete the required courses for the (ACS) Bachelor of Science degree in chemistry or biochemistry as spelled out in this bulletin.
- Achieve a minimum GPA of 3.00 in all chemistry courses taken at Andrews University.
- Satisfactorily complete a research or cooperative educational experience in chemistry.

A complete statement of certification requirements is available from the department chair.

Bachelors

Biochemistry BS

The Biochemistry BS offers a comprehensive learning experience in the biochemical sciences with significant bench-top laboratory experiences using the latest in chemical instrumentation. Our students learn how to be biochemists with a Seventh-day Adventist worldview, solving real problems in today's world. Our graduates enter diverse careers as professional biochemists, academic researchers, commercial pharmaceutical researchers, physicians, dentists, pharmacists, lawyers, and a myriad of other careers.

Choose one of the following sets:

- PHYS 141 - General Physics I
- PHYS 142 - General Physics II

or

- PHYS 241 - Physics for Scientists and Engineers I
- PHYS 242 - Physics for Scientists and Engineers II
- PHYS 271 - Physics for Scientists and Engineers Laboratory I
- PHYS 272 - Physics for Scientists and Engineers Laboratory II

Choose two courses from the following:

Biol 371 - Genetics
Biol 372 - Cell and Molecular Biology
Biol 415 - Genomics, Proteomics, and Bioinformatics
Biol 420 - Immunology
Biol 447 - Cell and Tissue Culture
Biol 450 - Neuropsychopharmacology
Biol 464 - Systems Physiology
Biol 465 - Histology
Biol 485 - Developmental Biology
FDNT 485 - Nutrition and Metabolism
Student Learning Outcomes
At the end of the program, students should be able to:

- Demonstrate a comprehensive knowledge and understanding of the identification and transformation of matter.
- Demonstrate involvement in the discovery of chemical and biochemical knowledge.
- Communicate chemical and biochemical information to a diversity of audiences using a variety of formats.
- Practice competency in common lab activities and instrumentation; use safe laboratory & waste management practices; understand impact of chemical activities on environment.

Biochemistry BS (ACS approved)

The Biochemistry BS (ACS approved) offers a comprehensive learning experience in the biochemical sciences with significant bench-top laboratory experiences using the latest in chemical instrumentation. Our students learn how to be biochemists with a Seventh-day Adventist worldview, solving real problems in today's world. Our graduates enter diverse careers as professional chemists, academic researchers, commercial pharmaceutical researchers, physicians, dentists, pharmacists, lawyers, and a myriad of other careers. This American Chemical Society-approved program is the only one of its kind in all of Seventh-day Adventist higher education.

Total Credits - 124

Major - 45

CHEM 131 - General Chemistry | Credits: 4
CHEM 132 - General Chemistry II | Credits: 4
CHEM 210 - Current Chemistry Topics | Credits: 0 (6 semesters)
CHEM 231 - Organic Chemistry I | Credits: 3
CHEM 232 - Organic Chemistry II | Credits: 3
CHEM 241 - Organic Chemistry Laboratory I | Credits: 1
CHEM 242 - Organic Chemistry Laboratory II | Credits: 1
CHEM 330 - Quantitative Chemical Analysis | Credits: 4
CHEM 400 - Chemical Separations and Analysis | Credits: 2
CHEM 415 - Advanced Inorganic Chemistry | Credits: 4
CHEM 418 - Chemistry & Biochemistry Seminar | Credits: 2
CHEM 430 - Instrumental Analysis | Credits: 2
CHEM 431 - Physical Chemistry I | Credits: 3
CHEM 432 - Physical Chemistry II | Credits: 3
CHEM 441 - Physical Chemistry Laboratory I | Credits: 1
BOHM 421 - Biochemistry I | Credits: 4
BOHM 422 - Biochemistry II | Credits: 3
BOHM 430 - Biochemistry Lab | Credits: 1

Research/Cooperative Experience
An on-campus or off-campus research or cooperative educational experience. The student may satisfy this requirement by matriculating in:

CHEM 495 - Advanced Independent Research | Credits: 0–4
HONS 497H - Senior Honors Project | Credits: 0–6

Additional Requirements
Courses in economics and marketing are strongly recommended. Students desiring American Chemical Society certification must achieve a minimum GPA of 3.00 in all chemistry courses taken at Andrews University.

Cognates - 34
No course with a grade below C- may count toward cognate requirements.

Biol 165 - Foundations of Biology | Credits: 4,5
Biol 166 - Foundations of Biology | Credits: 4,5

MATH 191 - Calculus I | Credits: 4

MATH 195 - Calculus I for Biology | Credits: 4

MATH 192 - Calculus II | Credits: 4

MATH 286 - Differential Equations | Credits: 3
PHYS 241 - Physics for Scientists and Engineers I | Credits: 4
PHYS 242 - Physics for Scientists and Engineers II | Credits: 4
PHYS 271 - Physics for Scientists and Engineers Laboratory I | Credits: 1
PHYS 272 - Physics for Scientists and Engineers Laboratory II | Credits: 1

Choose one of the following courses:

Biol 371 - Genetics | Credits: 3
Biol 372 - Cell and Molecular Biology | Credits: 3
Biol 415 - Genomics, Proteomics, and Bioinformatics | Credits: 3
Biol 420 - Immunology | Credits: 3
Biol 447 - Cell and Tissue Culture | Credits: 3
Biol 450 - Neuropsychopharmacology | Credits: 3
Biol 464 - Systems Physiology | Credits: 4
Biol 465 - Histology | Credits: 3
Biol 485 - Developmental Biology | Credits: 3
FDNT 485 - Nutrition and Metabolism | Credits: 3

Student Learning Outcomes
At the end of the program, students should be able to:

- Demonstrate a comprehensive knowledge and understanding of the identification and transformation of matter.
- Demonstrate involvement in the discovery of chemical and biochemical knowledge.
- Communicate chemical and biochemical information to a diversity of audiences using a variety of formats.
- Practice competency in common lab activities and instrumentation; use safe laboratory & waste management practices; understand impact of chemical activities on environment.

Chemistry BS

CHEM 442 - Physical Chemistry Laboratory II Credits: 1
BCHM 421 - Biochemistry I Credits: 4

Choose one of the following courses:
CHEM 405 - Medicinal Chemistry Credits: 2
CHEM 470 - Modern Synthetic Techniques Credits: 2
CHEM 474 - Advanced Topics in Organic Chemistry Credits: 2
CHEM 475 - Advanced Topics in Physical Chemistry Credits: 2

Research/Cooperative Experience
An on-campus or off-campus research or cooperative educational experience. Students may satisfy this requirement by matriculating in one of the following courses or by participating in another experience that is approved by the chair and is similar in scope to one of these classes:

CHEM 495 - Advanced Independent Research Credits: 0–4
HONS 497H - Senior Honors Project Credits: 0–6

Additional Requirements

• Courses in economics and marketing are strongly recommended.
• A reading knowledge of German or French, although not required for professional undergraduate education in chemistry, is strongly recommended for students planning advanced study.
• Students desiring American Chemical Society certification must achieve a minimum GPA of 3.00 in all chemistry courses taken at Andrews University.

Cognates - 21
No course with a grade below C- may count toward cognate requirements.

MATH 191 - Calculus I Credits: 4
or
MATH 195 - Calculus I for Biology Credits: 4
MATH 192 - Calculus II Credits: 4

PHYS 272 - Physics for Scientists and Engineers Laboratory II Credits: 1

Choose one of the following courses:
MATH 240 - Calculus III Credits: 4
MATH 286 - Differential Equations Credits: 3

Student Learning Outcomes
At the end of the program, students should be able to:

• Demonstrate a comprehensive knowledge and understanding of the identification and transformation of matter.
• Demonstrate involvement in the discovery of chemical and biochemical knowledge.
• Communicate chemical and biochemical information to a diversity of audiences using a variety of formats.
• Practice competency in common lab activities and instrumentation; use safe laboratory & waste management practices; understand impact of chemical activities on environment.

Chemistry BS (Secondary Education)

Students majoring in chemistry or biochemistry in preparation for teaching in secondary schools must complete the degree requirements for Chemistry BS, Chemistry BS (ACS approved), Biochemistry BS, or Biochemistry BS (ACS Approved), and the Secondary Education requirements below. They must also consult with an advisor in the department of Teaching, Learning & Curriculum who can guide them through the teacher preparation program successfully. In order for Andrews University to recommend a student for certification, the Michigan Test for Teacher Certification (MTTC) subject area exams must be passed in both the major and minor chosen by the student.

Students minoring in chemistry in preparation for teaching in secondary schools must complete the degree requirements for Chemistry Minor (Secondary Education).

Secondary Education BA/BS
Click to view the Secondary Education BA/BS requirements.

Undergraduate Minors

Chemistry Minor

Students minoring in chemistry in preparation for teaching in secondary schools must consult with an advisor in the department of Teaching, Learning & University.
Total Credits - 19-24
CHEM 131 - General Chemistry I Credits: 4
CHEM 132 - General Chemistry II Credits: 4
CHEM 231 - Organic Chemistry I Credits: 3
CHEM 241 - Organic Chemistry Laboratory I Credits: 1
7 or 8 credits of CHEM/BCHM courses that apply towards a major in chemistry or biochemistry. Students who take CHEM 330 (4 Cr) need to earn at least 3 additional upper division CHEM/BCHM credits. Students who do not take CHEM 330, need to earn 8 CHEM/BCHM credits beyond those listed above. CHEM 195, CHEM 295, and CHEM 495 do not meet this requirement.
The Chemistry Minor must include two semesters of hands-on laboratory experience setting beyond General Chemistry. This is normally met through courses with lab components that are offered at Andrews. Transfer students whose chemistry coursework did not include hands-on laboratory work would need to have additional coursework. A lab syllabus and lab notebook should be provided for petitions.

Secondary Certification (Optional)
*Students pursuing secondary certification are required to take the following courses:
CHEM 232 - Organic Chemistry II Credits: 3
CHEM 242 - Organic Chemistry Laboratory II Credits: 1
CHEM 330 - Quantitative Chemical Analysis Credits: 4
BCHM 421 - Biochemistry I Credits: 4

Student Learning Outcomes
At the end of the program, students should be able to:
- Demonstrate a knowledge and understanding of the identification and transformation of matter.
- Practice competency in common lab activities and instrumentation; use safe laboratory and waste management practices; understand impact of chemical activities on environment.

Biochemistry
BCHM 120 - Introduction to Organic and Biological Chemistry
Credits: 4
A survey of major concepts in organic chemistry and biochemistry. Organic foundation of structures and basic reactions of organic molecules emphasizing functional groups and establishing foundation for understanding structure and function of biological molecules, regulation of biochemical pathways. For nursing, dietetics, and allied health students. Not applicable toward a major or minor in chemistry or biochemistry.
Lecture/Lab: Weekly: 3 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 110
Schedule Type: Lecture, Lab, Lecture/Lab
Term Offering: Spring
College Code: CAS

BCHM 421 - Biochemistry I
Credits: 4
Study of the fundamental principles of enzyme kinetics and mechanisms based on the structure and chemistry of biomolecules including amino acids, carbohydrates, lipids, proteins, nucleotides, nucleic acids and biological membranes.
Lecture/Lab: Weekly: 4 lectures
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 232
Schedule Type: Lecture

BCHM 422 - Biochemistry II
Credits: 3
Continuation of BCHM 421 including selected topics of hormone and regulatory biochemistry, the study of the four primary neurotransmitter systems and an overview of selected human pathologies emphasizing cancer biochemistry and biology.
Lecture/Lab: Weekly: 3 lectures
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BCHM 421
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

BCHM 430 - Biochemistry Lab
Credits: 1
Introduction to quantitative and qualitative methods for the isolation, purification and identification of biological materials and applications of enzyme kinetics.
Lecture/Lab: Weekly: one 4-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BCHM 421
Recommended: BCHM 422
Schedule Type: Lab
Term Offering: Spring
College Code: CAS

BCHM 521 - Biochemistry I
Credits: 3
Study of the fundamental principles of enzyme kinetics and mechanisms based on the structure and chemistry of biomolecules including amino acids, carbohydrates, lipids, proteins, nucleotides, nucleic acids and biological membranes.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 232
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CAS

Chemistry
CHEM 100 - Consumer Chemistry
Credits: 4
A one-semester course primarily for non-science majors presenting an introduction to fundamental concepts of chemistry to convey an appreciative understanding of the nature of chemistry and how it is applied to our daily lives. Topics of consumer chemistry to be studied will be selected from fuels, energy, polymers, fertilizers, pesticides, food and food additives, household cleaners, cosmetics and personal care chemicals, pharmaceuticals, and air and water pollution. Not applicable toward a major or minor in chemistry or biochemistry.
Lecture/Lab: Weekly: 3 lectures and a 3-hour lab
Course/Lab Fee: Yes
Course Attribute: Fulfills the General Education Natural Science requirement
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
Term Offering: Spring
College Code: CAS

CHEM 105 - Chemistry Lab for Non-Science Majors
Credits: 1
A laboratory-only course primarily for non-science majors who need 1 credit of laboratory experience in chemistry. Enrollment is by instructor permission and is available only to students who have passed a college-level chemistry course. Not applicable toward a major or minor in chemistry or biochemistry. Meets Gen Ed/ACE lab component portion of Natural Science area.
Lecture/Lab: Weekly: one 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lab
Special Approval: Instructor permission required
Term Offering: Spring
College Code: CAS
CHEM 110 - Introduction to Inorganic Chemistry  
Credits: 4  
An introduction to the principles and applications of inorganic chemistry; for nursing, dietetics, and allied health students. Not applicable toward a major or minor in chemistry or biochemistry.  
Lecture/Lab: Weekly: 3 lectures and a 3-hour lab  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): MPE greater than or equal to P3, or passing grade in MATH 165, MATH 166, MATH 168 or above, or MATH 191, MATH 195  
Recommended: High school chemistry or physics strongly recommended.  
Schedule Type: Lecture, Lab  
Term Offering: Fall  
College Code: CAS  

CHEM 131 - General Chemistry I  
Credits: 4  
This first course in chemistry is for students planning to major in science and engineering. Topics include stoichiometry, atomic and molecular structure, bonding, states of matter, solutions, chemical kinetics, and chemical equilibrium.  
Lecture/Lab: Weekly: 5 lectures and a 3-hour lab  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): MPE greater than or equal to P3, or passing grade in MATH 165, MATH 166, MATH 168 or above, or MATH 191, MATH 195  
Recommended: High school chemistry or physics strongly recommended.  
Schedule Type: Lecture, Lab  
Term Offering: Fall  
College Code: CAS  

CHEM 132 - General Chemistry II  
Credits: 4  
A continuation of CHEM 131 with topics including thermodynamics, acid and base chemistry, descriptive and nuclear chemistry.  
Lecture/Lab: Weekly: 5 lectures and a 3-hour lab  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): a grade of C- or better in CHEM 131  
Schedule Type: Lecture, Lab  
Term Offering: Spring  
College Code: CAS  

CHEM 175 - Topics in ____________  
Credits: 1–4  
Investigates various subdisciplines of chemistry or biochemistry. This course does not contribute to a major or minor in chemistry.  
Lecture/Lab: Weekly: 1 lecture and/or lab for each lower-division credit taken  
Grade Mode: Normal w S [A-F,I,S,U,W]  
Prerequisite(s): Permission of instructor and chair.  
Repeatable: Repeatable with different topics  
Schedule Type: Lecture, Lab  
Term Offering: Fall, Spring, Summer  
College Code: CAS  

CHEM 195 - Independent Research I  
Credits: 0–3  
Students will either assist a faculty member in an ongoing research project or develop a project of their own with the help and approval of the faculty member in their areas of interest or study. This course is for students who are beginning to establish their knowledge of chemistry and biochemistry.  
Lecture/Lab: Weekly: a minimum of 4 hours of work per credit  
Course/Lab Fee: Yes  
Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)  
Repeatable: Repeatable  
Schedule Type: Independent  
Special Approval: Permission of faculty member required.  
Term Offering: Fall, Spring, Summer  
College Code: CAS  

CHEM 210 - Current Chemistry Topics  
Credits: 0  
Attendance at departmental seminar series devoted to topics in current chemical research as presented by students, faculty, and guest speakers.  
Lecture/Lab: Weekly: 1 seminar  

CHEM 231 - Organic Chemistry I  
Credits: 3  
The chemistry of carbon-containing compounds with emphasis on nomenclature, molecular structure, spectra-structure relationships, and a mechanistic approach to organic reactions.  
Lecture/Lab: Weekly: 4 lectures  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): CHEM 132  
Schedule Type: Lecture  
Term Offering: Fall  
College Code: CAS  

CHEM 232 - Organic Chemistry II  
Credits: 3  
This course is a continuation of CHEM 231.  
Lecture/Lab: Weekly: 4 lectures  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): CHEM 231  
Schedule Type: Lecture  
Term Offering: Spring  
College Code: CAS  

CHEM 241 - Organic Chemistry Laboratory I  
Credits: 1  
Experiments related to the course content of CHEM 231.  
Lecture/Lab: Weekly: 1 lecture and one 4-hour lab  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): CHEM 231 or concurrent enrollment in CHEM 231  
Schedule Type: Lab  
Term Offering: Fall  
College Code: CAS  

CHEM 242 - Organic Chemistry Laboratory II  
Credits: 1  
Experiments related to the course content of CHEM 232.  
Lecture/Lab: Weekly: 1 lecture and one 4-hour lab  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): CHEM 232 or concurrent enrollment in CHEM 232.  
Schedule Type: Lab  
Term Offering: Spring  
College Code: CAS  

CHEM 290 - Independent Study  
Credits: 1–3  
Independent study of selected topics in biochemistry or chemistry under the supervision of a biochemistry or chemistry professor. Ordinarily a minimum of three hours of study per week is expected for each credit. The instructor may require written reports or oral presentations.  
Grade Mode: Normal w S [A-F,I,S,U,W]  
Repeatable: Repeatable to 4 credits  
Schedule Type: Independent  
Special Approval: Instructor permission required.  
College Code: CAS  

CHEM 295 - Independent Research II  
Credits: 0–3  
Students will either assist a faculty member in an ongoing research project or develop a project of their own with the help and approval of the faculty member in their areas of interest or study. This course is for students who are establishing their knowledge of chemistry and biochemistry at the college level.  
Lecture/Lab: Weekly: a minimum of 4 hours of work per credit  
Course/Lab Fee: Yes  
Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)  
Repeatable: Repeatable  
Schedule Type: Independent

Special Approval: Permission of faculty member required.

Term Offering: Fall, Spring, Summer

College Code: CAS

CHEM 300 - Laboratory Glassblowing
Credits: 2
Practice of fundamental glassblowing skills common to both scientific and creative glassblowing. Two projects are required. The student may choose between scientific and creative projects. Not applicable toward a major or minor in chemistry or biochemistry. Does not meet the general education requirement in natural science.

Lecture/Lab: Weekly: 1 lecture demonstration and a 4-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab
Year Offering: Even years
Term Offering: Fall
College Code: CAS

CHEM 330 - Quantitative Chemical Analysis
Credits: 4
Lecture topics include statistics, chemical equilibrium, titrimetric procedures, gravimetric procedures, numerical data analysis and electrochemistry. Laboratory experiments include gravimetric procedures and titrimetric procedures of acid and base systems and redox systems, and using instrumental methods of analysis.

Lecture/Lab: Weekly: 2 lectures and two 4-hour labs
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 132
Schedule Type: Lecture/Lab
Term Offering: Fall
College Code: CAS

CHEM 340 - Environmental Chemistry
Credits: 4
A survey of environmental and energy-related problems. Topics include air, soil, and water pollution, energy and other resources, solid wastes and recycling, and toxic chemicals. Not applicable toward a major in chemistry or biochemistry.

Lecture/Lab: Weekly: 3 lectures and a 4-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 132
Recommended: CHEM 232 or CHEM 330 strongly recommended
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CAS

CHEM 375 - Topics in ____________
Credits: 1–4
Investigates various subdisciplines of chemistry or biochemistry. Each individual topics course will be evaluated to determine whether it contributes to a major or minor.

Lecture/Lab: Weekly: 1 lecture and/or lab for each upper-division credit taken
Grade Mode: Normal w S (A-F,I,S,U,W)
Prerequisite(s): Permission of instructor and chair, and appropriate foundational courses.
Repeatable: Repeatable with different topics
Schedule Type: Lecture, Lab
Term Offering: Fall, Spring, Summer
College Code: CAS

CHEM 400 - Chemical Separations and Analysis
Credits: 2
Theory and practice of analytical separations by extraction and chromatographic methods including flash column, thin layer, high pressure liquid, gas and affinity chromatography. After separation, the components of mixtures are analyzed by a variety of spectroscopic techniques that may include nuclear magnetic resonance, infrared spectroscopy and/or mass spectrometry.

Lecture/Lab: Weekly: 1 lecture and a 4-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 232, CHEM 242, and CHEM 330
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CAS

CHEM 405 - Medicinal Chemistry
Credits: 2
Medicinal Chemistry is an interdisciplinary subject incorporating basic principles of organic chemistry, biology, biochemistry, toxicology, pharmacology and molecular biology to understand how biologically active compounds (pharmaceuticals) operate in living systems. Selected topics in medicinal and pharmaceutical chemistry including the design and synthesis of new drugs as well as their pharmacodynamic and pharmacokinetic properties will be covered. We will also examine the path of pharmaceuticals from inception to clinical use by studying specific classes of drugs.

Lecture/Lab: Weekly: 2 lectures
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 232
Recommended: BCHM 421 is recommended either as a prerequisite or corequisite.
Schedule Type: Lecture
Year Offering: Alternate years (even)
Term Offering: Spring
College Code: CAS

CHEM 410 - Forensic Chemistry
Credits: 2
Principles of chemistry as applied to the methods of analysis and identification of drugs. Rules of evidence as they apply to testimony in court. Observation of drug-related court procedures.

Lecture/Lab: Weekly: 1 lecture and two 3-hour labs
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 232, CHEM 330
Schedule Type: Lecture/Lab
College Code: CAS

CHEM 415 - Advanced Inorganic Chemistry
Credits: 4
Atomic and molecular structure, symmetry, group theory, solid state, acids and bases; structure, bonding, spectra, and reaction mechanisms of d-metal complexes, systematic chemistry of non-metals; organometallic chemistry and catalysis.

Lecture/Lab: Weekly: 4 lectures
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 232, CHEM 431
Schedule Type: Lecture
Year Offering: Alternate years (even)
Term Offering: Spring
College Code: CAS

CHEM 418 - Chemistry & Biochemistry Seminar
Credits: 2
In this course, each student will demonstrate and integrate chemistry- and/or biochemistry-specific knowledge, communication skills and critical thinking acquired during the student’s study of chemistry and biochemistry. A comprehensive written paper explaining the student’s literature-based or lab-based research and a publically presented technical seminar are required. Students are also expected to demonstrate the development of professional skills. This course is recommended for students within 1-3 semesters of graduation. Enrollment is limited.

Lecture/Lab: Weekly: 2 lectures
Grade Mode: Normal (A-F,I,W)
Corequisite(s): CHEM 210
Prerequisite(s): COMM 104 or COMM 220
ENGL 215
SAGES Pre-reqs for students in Honors:
HONS398 (with grade of DG)
one of: HONS115 or HONS265
CHEM 232 - Organic Chemistry II
Prerequisite/Corequisite: BCHM 421 and CHEM 431 (or instructor permission)
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

CHEM 430 - Instrumental Analysis
Credits: 2
Theory and practice of chemical analysis by spectroscopic and electrochemical methods. Introduction to automated data collection and computer control of instruments. Operational theory that emphasizes hands-on student learning for a broad range of analytical instruments commonly used by industry and academia including: UV-Vis-NIR, fluorescence, atomic and laser spectrophotometers;
potentiostats; and analog and digital electronics.

Lecture/Lab: Weekly: 1 lecture and a 4-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 330, MATH 192
Schedule Type: Lecture, Lab, Lecture/Lab
Term Offering: Spring
College Code: CAS

CHEM 431 - Physical Chemistry I
Credits: 3
Fundamental concepts in chemical thermodynamics, free energy, chemical equilibria, phase changes, solutions, molecular transport, chemical dynamics, and electrochemistry.

Lecture/Lab: Weekly: 3 lectures
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Choose one set.
Set 1: CHEM 330, MATH 192, PHYS 142 (or PHYS 242, PHYS 272)
Set 2: MATH 192, PHYS 241, PHYS 271, ENGR 285, and one of (MATH 240, MATH 286). Co-requisite: CHEM 330
Schedule Type: Lecture
College Code: CAS

CHEM 432 - Physical Chemistry II
Credits: 3
Wave mechanics, atomic and molecular structure, chemical bonding, atomic and molecular spectroscopies, and applications to chemical dynamics and statistical thermodynamics.

Lecture/Lab: Weekly: 3 lectures
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 431, and one of: MATH 286 or MATH 240
Recommended: Both MATH 286 and MATH 240 are strongly recommended
Schedule Type: Lecture
Year Offering: Alternate years (odd)
Term Offering: Spring
College Code: CAS

CHEM 432 - Physical Chemistry II Laboratory
Credits: 1
Experiments related to the course content of CHEM 431.

Lecture/Lab: Weekly: one 4-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): concurrent enrollment in CHEM 431
Schedule Type: Lab
Term Offering: Fall
College Code: CAS

CHEM 441 - Physical Chemistry Laboratory I
Credits: 1
Experiments related to the course content of CHEM 431.

Lecture/Lab: Weekly: one 4-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): concurrent enrollment in CHEM 431
Schedule Type: Lab
Term Offering: Fall
College Code: CAS

CHEM 442 - Physical Chemistry Laboratory II
Credits: 1
Experiments related to the course content of CHEM 432.

Lecture/Lab: Weekly: one 4-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): concurrent enrollment in CHEM 432
Schedule Type: Lab
Year Offering: Alternate years (odd)
Term Offering: Spring
College Code: CAS

CHEM 470 - Modern Synthetic Techniques
Credits: 2
An advanced laboratory course designed to incorporate a wide variety of modern synthetic techniques of organic, organometallic, and inorganic chemistry.

Lecture/Lab: Weekly: two 4-hour labs
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 474, CHEM 415 or concurrent enrollment in CHEM 415
Schedule Type: Lab
Term Offering: Spring
College Code: CAS

CHEM 474 - Advanced Topics in Organic Chemistry
Credits: 2
Study of the principles of modern synthetic organic chemistry with applications from one or more of the following areas: natural product, medicinal, or polymer chemistry.

Lecture/Lab: Weekly: 2 lectures
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 232
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

CHEM 475 - Advanced Topics in Physical Chemistry
Credits: 2
Advanced study of molecular spectroscopy, statistical thermodynamics, chemical kinetics, or the application of quantum mechanics.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 432 or CHEM 431 and permission of the instructor
Schedule Type: Lecture
College Code: CAS

CHEM 490 - Independent Study
Credits: 1–3
Independent study of selected topics in biochemistry or chemistry to enable advanced students to pursue topics not offered in scheduled courses. The student will study under the supervision of a biochemistry or chemistry professor. Ordinarily a minimum of four hours of study per week is expected for each credit. The instructor may require written reports or oral presentations.

Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

CHEM 495 - Advanced Independent Research
Credits: 0–4
Students will either assist a faculty member in an ongoing research project or develop a project of their own with the help and approval of the faculty member in their areas of interest or study. This course is for students who have a reasonably-established knowledge of chemistry and biochemistry at the college level.

Lecture/Lab: Weekly: a minimum of 4 hours of work per credit
Course/Lab Fee: Yes
Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Prerequisite(s): A passing grade in CHEM 232/CHEM 242 or (CHEM 330 and CHEM 231/CHEM 241) required
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

CHEM 497 - Internship in Biotechnology
Credits: 1–6
An internship where students apply course and lab preparation in an extended hands-on laboratory experience in either on- or off-campus setting. 50 hours of work per semester credit hour.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Practicum
Term Offering: Fall, Spring, Summer
College Code: CAS

CHEM 530 - Topics in Teaching
Credits: 2–4
Each time the course is offered, it treats one of the following areas: Concepts in Chemistry; Fundamental ideas of chemistry Demonstrations; Simple experiments which illustrate chemical principles Problem-Solving Strategies; Exploration into the mental processes and logic behind problem-solving; None of the above areas are to occur twice in one student’s program.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 232
Repeatable: Repeatable up to 6 credits
Schedule Type: Lecture
College Code: CAS
CHEM 540 - Topics in ________

Credits: 2–4
Independent readings to be chosen in consultation with the instructor. A written report and an oral presentation covering the materials read are required. A minimum of 60 hours of work is required for each credit.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 431
Repeatable: Repeatable up to 6 credits
Schedule Type: Lecture
College Code: CAS

Mission
The Andrews University Department of English constitutes a vital component of this distinctive Seventh-day Adventist institution of higher learning. It draws together a diverse community of learners committed to seeking knowledge, affirming faith, and changing the world. Within the framework of Christian faith and purpose, it develops graduates who are competent, creative and critical readers, writers and thinkers, capable of a variety of careers and scholarly pursuits.

English Proficiency Requirements
Students whose first language is not English must provide evidence of English-language proficiency before they are accepted into any program in the Department of English. To qualify for admission, students must obtain at least a minimum composite score on one of the following exams, with component score(s) at or above those indicated:

- Paper-based TOEFL (ITP) composite score of 600 with no component score lower than 55. An additional written essay exam is required with a minimum score of 80, and an additional speaking evaluation with a score of not less than 3.
- Internet-based TOEFL (IBT) composite score of 100, with Reading and Listening component scores of at least 20, Writing component score of at least 17, and Speaking component score of at least 18.
- MELAB composite score of 84 with no component score lower than 80.
- IELTS composite score of 7, with Reading, Listening, and Speaking component scores of at least 6, and a Writing component score of at least 5.

The exam must be taken within two years prior to enrollment. Students who score below these levels may complete language requirements by enrolling in Intensive English Program courses (ENSL) on campus. Students with a score on the TOEFL ITP of 575-599 (or the equivalent on any of the four other exams) may be eligible for the Language Bridge Program which allows students to take a limited number of degree program courses while completing language proficiency requirements in Intensive English Program courses. Students in the Language Bridge Program must demonstrate language proficiency within two semesters in order to continue in the degree program. Exceptions to these requirements may be granted by the Department of English on an individual basis.

English as a Second Language

Houseled in the Department of English, the Center for Intensive English Programs (CIEP) offers programs to assist students in improving their English language proficiency. Students may enroll in the English for Academic Purposes (EAP) Program, which offers courses in grammar, reading, writing, critical thinking, and oral/aural practice. Students who complete all Level 4 classes in this program with a grade of B or better, who pass a required speaking test, and who pass the required exit exam, will be granted a certificate of completion. The certificate indicates that the student has completed the CIEP EAP program and has completed the university's language requirements.

Bachelors

English BA

A major in English - the study of literature, writing, and language - invites students to focus on human experience and expression in all its complexity and diversity. As part of learning how to analyze and interpret a wide range of genres, English majors explore texts' literary history and sociocultural contexts. Students also study and practice the creation of texts, including poems, essays, stories, plays, critical reviews, and many more. Throughout their studies, English majors focus on how humans acquire, live with, and use language. Each of the three concentrations - English Education, Literature, and Writing - grounds students in all these areas while emphasizing a specific aspect of English studies.

Total Credits - 124

Major - 42-44

Core - 10
ENGL 125 - Approaches to English Studies Credits: 3
ENGL 225 - Approaches to Theoretical Discourse Credits: 3
ENGL 345 - Introduction to Rhetoric Credits: 3
1 credit of ENGL 495 - Independent Study/Readings Credits: 1–3 (Writing Concentration: This course may be substituted with 1 credit of ENGL 497 - Writing Internship.)

Concentration - 32-34

English Education - 33-34
A concentration for students seeking secondary teaching certification for careers as K-12 teachers in pre-collegiate denominational or public schools. Students normally spend four to five years in residence to complete the requirements.

Choose one of the following courses:
ENGL 273 - American Literature to 1865 Credits: 3
ENGL 274 - American Literature 1865–1914 Credits: 3
ENGL 403 - 20th-century English and American Literature Credits: 3
ENGL 459 - Methods of Teaching English Credits: 3
ENGL 460 - Linguistics Credits: 3

Choose one of the following courses:
ENGL 454 - The Writing Life Credits: 3
ENGL 497 - Writing Internship Credits: 3

Choose one of the following courses:
ENGL 450 - Literature for Young Adults Credits: 2,3
ENGL 457 - Teaching and Tutoring Writing Credits: 3
ENGL 459 - Methods of Teaching English Credits: 3
ENGL 460 - Linguistics Credits: 3

Choose one of the following concentrations:
ENGL 445 - Global Literature Credits: 3
ENGL 454 - The Writing Life Credits: 3
ENGL 459 - Methods of Teaching English Credits: 3
ENGL 460 - Linguistics Credits: 3
Choose two of the following courses:

- ENGL 315 - Professional Writing Credits: 3
- ENGL 430 - Topics in _______ Credits: 1-4
- ENGL 438 - Advanced Composition Credits: 3
- ENGL 300 - Modern English Grammar Credits: 3, 4
- ENGL 467 - Creative Writing Credits: 3

Literature - 32-33
This concentration is recommended for those planning to do graduate work in English or for those planning professional careers that demand a broad liberal arts background.

- ENGL 450 - Literary Criticism and Theory Credits: 3

Choose two of the following (pre-1800) courses:

- ENGL 273 - American Literature to 1865 Credits: 3
- ENGL 371 - English Literature to 1600 Credits: 3
- ENGL 372 - English Literature 1600–1800 Credits: 3

Choose two of the following (post-1800) courses:

- ENGL 274 - American Literature 1865–1914 Credits: 3
- ENGL 373 - English Literature 1800–1914 Credits: 3
- ENGL 403 - 20th-century English and American Literature Credits: 3

Choose two of the following courses:

- ENGL 404 - Global Literature Credits: 3
- ENGL 415 - Gender Studies in Literature Credits: 3
- ENGL 440 - Language and Culture Credits: 3

Concentration Electives
Choose 11-12 additional credits from the Department of English offerings (excluding ENGL 115, ENGL 117, and ENGL 215).

Writing - 33
This concentration is suitable for those planning professional careers as writers or those particularly interested in the teaching of writing. Students selecting this concentration are encouraged to select a second major or minor that will enhance future employment.

- ENGL 438 - Advanced Composition Credits: 3

Choose five of the following courses:

- ENGL 218 - Introduction to Creative Writing Credits: 3
- ENGL 220 - Technical Writing Credits: 3
- ENGL 315 - Professional Writing Credits: 3
- ENGL 430 - Topics in _______ Credits: 1-4
- ENGL 437 - Teaching and Tutoring Writing Credits: 3
- ENGL 300 - Modern English Grammar Credits: 3, 4
- ENGL 467 - Creative Writing Credits: 3
- ENGL 497 - Writing Internship Credits: 1–3

Choose two of the following courses:

- ENGL 273 - American Literature to 1865 Credits: 3
- ENGL 274 - American Literature 1865–1914 Credits: 3
- ENGL 371 - English Literature 1600 Credits: 3
- ENGL 372 - English Literature 1600–1800 Credits: 3
- ENGL 373 - English Literature 1800–1914 Credits: 3
- ENGL 403 - 20th-century English and American Literature Credits: 3
- ENGL 404 - Global Literature Credits: 3

Concentration Electives
Choose 9 additional credits from the Department of English offerings (excluding ENGL 115, ENGL 117, and ENGL 215) or related writing courses, such as:

- DSGN 185 - InDesign Credits: 3
- JOUR 230 - Beginning Media Writing Credits: 3
- JOUR 330 - Advanced Media Writing Credits: 3
- JOUR 445 - Publication Production Credits: 3
- JOUR 465 - Advanced Topics in Journalism Credits: 3

Additional Requirements
(for English Education concentration only)

Secondary Certification
Click to view the Secondary Education BA/BS requirements.

Michigan Test of Teacher Certification (MTTC)
English majors enrolled in the English Education concentration seeking Michigan state secondary certification credentials will take the Michigan Test of Teacher Certification—subject area: English (MTTC) in their last year of study. Arrangements for taking the MTTC should be made with the Department of Teaching, Learning, and Curriculum in the College of Education & International Services. When test score results are tabulated by the Michigan Department of Education, they are shared with the students’ certification advisor and then passed on to their English Education emphasis advisor. The Department of English decides how and when to share individual results.

Admission Requirements

English Language Requirements
Students whose first language is not English must provide evidence of English-language proficiency before they are accepted into any program in the Department of English. To qualify for admission, students must obtain at least a minimum composite score on one of the following exams:

- Paper-based TOEFL (ITP) composite score of 600
- Internet-based TOEFL (iBT) composite score of 100
- MELAB composite score of 84
- IELTS composite score of 7

The exam must be taken within two years prior to enrollment. Students who score below these levels may complete language requirements by enrolling in Intensive English Program courses (ENSL) on campus. For required scores on other standardized proficiency exams, contact the department.

Student Learning Outcomes
All students who graduate with a BA in English will be able to:

- Demonstrate familiarity with a diversity of Anglophone literature, its historical and cultural contexts, its genres, and major critical approaches.
- Produce interpretive and analytical texts that are clear, organized, supported with evidence, and accurately documented.
- Identify and discuss elements of a Christian perspective in the analysis and creation of texts and in language use.
- Know and understand instructional application of diverse texts, a variety of writing contexts, and language development and use (English Education concentration only).
- Demonstrate cohesive knowledge of the scope and sequence of Anglophone literature, and broad knowledge and application of critical theories (Literature concentration only).
- Demonstrate an understanding of a variety of genre conventions and exhibit rhetorical adaptability in applying those conventions (Writing concentration only).

Undergraduate Minors

English Education Minor
This content minor prepares students for certification to teach English at the secondary level. In addition to the requirements below, students must meet all the general education, content major, and professional education requirements. Please see the information provided by the Department of Teaching, Learning & Curriculum.

Total Credits - 24

- 4 credits of ENGL 454 - The Writing Life Credits: 3
- ENGL 403 - 20th-century English and American Literature Credits: 3
- 2 credits of ENGL 408 - Literature for Young Adults Credits: 2, 3
- ENGL 459 - Methods of Teaching English Credits: 3

Choose one of the following courses:

- ENGL 273 - American Literature to 1865 Credits: 3
- ENGL 274 - American Literature 1865–1914 Credits: 3
English Program courses (ENSL) on campus. For required scores on other standardized proficiency exams, contact the department.

Learning & Curriculum.

Teacher certification requirements with a minor, see the department of Teaching, major, and professional education requirements. For more information regarding requirements, provided that students meet all the general education, content requirements, and professional certification requirements with a minor, see the department of Teaching, Learning & Curriculum.

English Minor

In this flexible program students experience all three areas of English studies: literature, language, and writing. This minor pairs well with any major as enrichment in the area of the humanities.

Total Credits - 21

Choose one of the following courses:
ENGL 371 - English Literature to 1600 Credits: 3
ENGL 372 - English Literature 1600–1800 Credits: 3
ENGL 373 - English Literature 1800–1914 Credits: 3

Choose one of the following courses:
ENGL 404 - Global Literature Credits: 3
ENGL 415 - Gender Studies in Literature Credits: 3

Choose one of the following courses:
ENGL 315 - Professional Writing Credits: 3
  3 Credits of ENGL 430 - Topics in _____ Credits: 1–4
ENGL 437 - Teaching and Tutoring Writing Credits: 3
ENGL 438 - Advanced Composition Credits: 3
ENGL 300 - Modern English Grammar Credits: 3,4
ENGL 467 - Creative Writing Credits: 3

Recommended:
ENGL 345 - Introduction to Rhetoric Credits: 3
ENGL 460 - Linguistics Credits: 3

Electives
Choose 15 credits of ENGL coursework (excluding ENGL 115, ENGL 117 & ENGL 215).

Admission Requirements

English Language Requirements

Students whose first language is not English must provide evidence of English-language proficiency before they are accepted into any program in the Department of English. To qualify for admission, students must obtain at least a minimum composite score on one of the following exams:

### English

**Note:** ENGL 115, 215 are prerequisite to all upper division courses in English with the exception of ENGL 454. Writing courses may not be audited.

#### ENGL 115 - College Writing I

Credits: 3

College-level introduction to the study of writing and writing practices. Emphasizes the social and rhetorical dimensions of writing through course readings and assigned writing projects.

*Grade Mode:* Normal (A-F,I,W)
*Prerequisite(s):* Cannot be audited or CLEPed.
*Schedule Type:* Lecture, Interactive Online, Self-Paced
*College Code:* CAS

#### ENGL 117 - College Writing I: Writing Across Cultures

Credits: 3

College-level introduction to the study of writing and writing practices for students who have multilingual backgrounds and for native English speaking students who are interested in writing about language and culture. Emphasizes the social, rhetorical, and cultural dimensions of writing through course readings and assigned writing projects.

*Lecture/Lab:* Weekly: 3 lectures
*Grade Mode:* Normal (A-F,I,W)
*Prerequisite(s):* Cannot be audited or CLEPed.
*Schedule Type:* Lecture
*College Code:* CAS

#### ENGL 125 - Approaches to English Studies

Credits: 3

Presents the fundamentals of literary studies: close reading, literary terminology, and genre analysis. Also introduces students to the English profession and potential careers.

*Course/Lab Fee:* Yes
*Grade Mode:* Normal (A-F,I,W)
*Schedule Type:* Lecture
*College Code:* CAS

#### ENGL 215 - College Writing II

Credits: 3

Introduction to source-based, academic writing, including practice in summarizing, analyzing, synthesizing, and reading from a critical perspective. Sections organized thematically.

*Grade Mode:* Normal (A-F,I,W)
*Prerequisite(s):* ENGL 115 or ENGL 117. Cannot be audited or CLEPed.
*Schedule Type:* Lecture, Interactive Online, Self-Paced
*College Code:* CAS

#### ENGL 218 - Introduction to Creative Writing

Credits: 3

Introductory, college-level practice in creative writing. The multi-genre approach may include stories, essays, poetry, drama, as well as multimodal and/or digital genres.

*Course Attribute:* Writing
*Grade Mode:* Normal (A-F,I,W)
*Schedule Type:* Lecture
*Term Offering:* Fall, Spring
*College Code:* CAS

#### ENGL 220 - Technical Writing

Credits: 3

Instruction and practice in designing technical reports. Course studies rhetorical problems and practical strategies related to analyzing and communicating technical information to technical and non-technical audiences.

*Course/Lab Fee:* No

#### ENGL 225 - Approaches to Theoretical Discourse

Credits: 3

Introduces students to theoretical language and strategies for analytical writing about fiction and non-fiction texts. Emphasizes critical approaches to literature.

*Course/Lab Fee:* No
*Grade Mode:* Normal (A-F,I,W)
*Prerequisite(s):* ENGL 115 or ENGL 117 or HONS 117
*Schedule Type:* Lecture
*College Code:* CAS

#### ENGL 255 - Studies in Literature: _________

Credits: 3

A literature course that emphasizes reading, discussion, and analytical interpretation about a featured topic such as literature of diversity, new media, or great books.

*Course/Lab Fee:* No
*Course Attribute:* Literature
*Grade Mode:* Normal (A-F,I,W)
*Prerequisite(s):* ENGL 115 or ENGL 117 or HONS 117
*Repeatable:* Repeatable
*Schedule Type:* Lecture, Lecture/Lab
*College Code:* CAS

#### ENGL 270 - American Literature to 1900

Credits: 3

A survey of American literature from its beginnings to 1900.

*Grade Mode:* Normal (A-F,I,W)
*Prerequisite(s):* ENGL 115 or ENGL 117.
*Schedule Type:* Lecture
*Year Offering:* Alternate years
*College Code:* CAS

#### ENGL 273 - American Literature to 1865

Credits: 3

A survey of American literature from the 17th century through the Civil War.

*Grade Mode:* Normal (A-F,I,W)
*Prerequisite(s):* ENGL 115 or ENGL 117.
*Schedule Type:* Lecture
*Year Offering:* Alternate years
*College Code:* CAS

#### ENGL 274 - American Literature 1865–1914

Credits: 3

A survey of American literature from the Civil War to World War I.

*Grade Mode:* Normal (A-F,I,W)
*Prerequisite(s):* ENGL 115 or ENGL 117 or HONS 117
*Repeatable:* Cannot be audited.
*Schedule Type:* Lecture, Interactive Online, Self-Paced
*College Code:* CAS

#### ENGL 300 - Modern English Grammar

Credits: 3,4

Basic English syntax for students and future teachers, including grammatical terminology and a brief history of grammatical models. Students needing study in the history of the English language should enroll for 4 credits.

*Grade Mode:* Normal (A-F,I,W)
*Prerequisite(s):* ENGL 115, or ENGL 117, or HONS 115H.
*Schedule Type:* Lecture, Interactive Online, Self-Paced
*College Code:* CAS

#### ENGL 315 - Professional Writing

Credits: 3

Practice in adapting writing to a variety of professional audiences and tasks, including resumes, proposals, business and technical reports, web writing, and collaborative writing.

*Course/Lab Fee:* No
ENGL 320 - Writing About ____
Credits: 3
Study and practice of writing within a selected topic area. Topics may include, but are not limited to: Writing About the Arts, Writing About Film, Writing About Race. Explores relevant discourse community conventions and practices, while emphasizing a variety of genres and rhetorical purposes. Repeatable with different topics.

Course/Lab Fee: No
Course Attribute: Writing
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 215 or HONS 265
Repeatability: Repeatable with different topics
Schedule Type: Lecture
Year Offering: Annually
Term Offering: Fall, Spring
College Code: CAS

ENGL 345 - Introduction to Rhetoric
Credits: 3
An introduction to the study of rhetoric, including classical and modern theories. Emphasis is given to the practical applications of rhetorical analysis in mass media, advertising, literary and political representations.

Course/Lab Fee: No
Course Attribute: Literature
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 215 or HONS 265
Schedule Type: Lecture
College Code: CAS

ENGL 371 - English Literature to 1600
Credits: 3
A survey of literature of the British Isles from Beowulf through the 16th century.

Course/Lab Fee: No
Course Attribute: Literature
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 215 or HONS 265
Schedule Type: Lecture
College Code: CAS

ENGL 372 - English Literature 1600–1800
Credits: 3
A survey of literature of the British Isles of the 17th and 18th centuries.

Course/Lab Fee: No
Course Attribute: Literature
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 215 or HONS 265, and ENGL 125 or ENGL 225
Schedule Type: Lecture
College Code: CAS

ENGL 373 - English Literature 1800–1914
Credits: 3
A survey of literature of the British Isles from the 19th century to World War I.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115 or ENGL 117, ENGL 215 and ENGL 125.
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

ENGL 375 - English Literature I (to 1660)
Credits: 3
Literature of the British Isles from Beowulf through the Renaissance.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115 or ENGL 117 and ENGL 215.
Schedule Type: Lecture, Interactive Online, Self-Paced
College Code: CAS

ENGL 376 - English Literature II (1660-1900)
Credits: 3
Literature of the British Isles from the Restoration through the Victorian period.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115 or ENGL 117 and ENGL 215.
Schedule Type: Lecture, Interactive Online, Self-Paced
College Code: CAS

ENGL 403 - 20th-century English and American Literature
Credits: 3
A survey of 20th-century literature of British, American and other literature in English.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115 or ENGL 117, ENGL 215, ENGL 125 and ENGL 225.
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

ENGL 404 - Global Literature
Credits: 3
A survey of global literary texts with a focus on issues of diversity.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115 or ENGL 117, ENGL 215, ENGL 125 and ENGL 225.
Schedule Type: Lecture, Interactive Online, Self-Paced
Year Offering: Alternate years
College Code: CAS

ENGL 407 - Literature for Children
Credits: 2,3
Selection, analysis, and evaluation of literary works which meet the reading and/or the listening interests of children and enhance the preparation of elementary teachers, librarians, and parents.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 215 or HONS 265
Schedule Type: Lecture
College Code: CAS

ENGL 408 - Literature for Young Adults
Credits: 2,3
Selection, analysis, and evaluation of literary works that meet the reading interests of young adults and enhance the preparation of middle-school and secondary English teachers, librarians, and parents.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 215 or HONS 265
Schedule Type: Lecture
College Code: CAS

ENGL 410 - Academic Writing for Advanced Study
Credits: 3
Additional practice in academic writing designed to improve the skills of students who are underprepared for advanced writing tasks and/or whose native language is not English. Emphasizes academic writing conventions through the study and completion of various academic genres including summary, proposal, critique, and research writing. Does not fulfill General Education requirements.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115 or ENGL 117, ENGL 215 or HONS 265
Schedule Type: Lecture
College Code: CAS

ENGL 414 - Biblical Literature
Credits: 3
Advanced study of the English Bible as literature and its literary influences.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115 or ENGL 117, ENGL 215, ENGL 125, ENGL 225
Schedule Type: Lecture
College Code: CAS

ENGL 415 - Gender Studies in Literature
Credits: 3
Advanced study of literary texts dealing with gender issues.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 215 or HONS 265, and ENGL 125 or ENGL 225
ENGL 430 - Topics in ______
Credits: 1-4
Study of selected topics in composition, language, or literature. Topic and credit to be announced in advance.

Course Mode: Lecture
College Code: CAS

ENGL 437 - Teaching and Tutoring Writing
Credits: 3
Theory and practice in teaching, tutoring, and responding to student writing. Exercises in composition, revision and evaluation. A minimum of 20 hours tutoring required.

Course Mode: Lecture, Lab
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 215 or HONS 265
Repeatable up to 12 credits with different topics
College Code: CAS

ENGL 438 - Advanced Composition
Credits: 3
An exploration of published essays, writing theory, and strategies. Student essays move beyond—in style, scope and subject matter—the writing done in ENGL 115 or 117 and ENGL 215, which are prerequisites.

Course Mode: Lecture
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 215 or HONS 265
College Code: CAS

ENGL 440 - Language and Culture
Credits: 3
The study of language in the context of ethnology with emphasis on (1) the effect of social variables (including gender) on language use, and (2) on paralanguage (e.g., kinesics and proxemics).

Course Mode: Lecture
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115 or ENGL 117 and ENGL 215
College Code: CAS

ENGL 445 - The Writing Life
Credits: 3
An exploration of composition theory and writing practice through the study of published writers' narrative accounts of the writing life. Students engage in an extended writing project selected in consultation with the instructor.

Course Mode: Lecture
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 215, or HONS 265H. Cannot be audited.
College Code: CAS

ENGL 450 - Literary Criticism and Theory
Credits: 3
An introduction to literary criticism and theory. Readings start with Plato, but special emphasis is on New Criticism to the present.

Course Mode: Lecture
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115 or ENGL 117, ENGL 215, ENGL 125 and ENGL 225.
College Code: CAS

ENGL 454 - TESOL Methods
Credits: 2
Specialized techniques for teaching and testing various English-language skills. Content rotates among grammar, reading, writing, speaking, and listening.

Course Mode: Lecture
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115 or ENGL 117 and ENGL 215.
Repeatable: Repeateable with different topics
Common Core: CAS

ENGL 459 - Methods of Teaching English
Credits: 3
An introduction to pedagogical theories and practices in literature for young adults, and writing and language study for the secondary-school classroom. Does not apply toward the first 16 credits in English for an MAT degree.

Course Mode: Lecture
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115 or ENGL 117 and ENGL 215.
Repeatable: Repeateable with different topics
College Code: CAS

ENGL 460 - Linguistics
Credits: 3
An introduction to linguistics for those planning to teach or work in the area of language, communication, or English on any level.

Course Mode: Lecture
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 215 or HONS 265
College Code: CAS

ENGL 464 - Major Literary Author
Credits: 3
Study of a major author, such as Chaucer, Shakespeare, Johnson, Dickens, Hawthorne, or Cather.

Course Mode: Lecture
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115 or ENGL 117, ENGL 215, ENGL 125 and ENGL 225.
Repeatable: Repeateable with different topics
College Code: CAS

ENGL 465 - TESOL Methods
Credits: 2
Specialized techniques for teaching and testing various English-language skills. Content rotates among grammar, reading, writing, speaking, and listening.

Course Mode: Lecture
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115 or ENGL 117, ENGL 215, ENGL 125 and ENGL 225.
Repeatable: Repeateable with different topics
College Code: CAS

ENGL 466 - Second Language Acquisition
Credits: 3
Study of current theories of and research in language acquisition and the implications of this scholarship for language teachers and teaching.

Course Mode: Lecture
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115 or ENGL 117 and ENGL 215. Cannot be audited.
Repeatable: Repeateable up to 9 credits with different topics
College Code: CAS

ENGL 467 - Creative Writing
Credits: 3
Practice in writing stories, essays, poetry, or drama. Course emphasis changes from semester to semester.

Course Mode: Lecture
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115 or ENGL 117 and ENGL 215. Cannot be audited.
Repeatable: Repeateable up to 9 credits with different topics
College Code: CAS

ENGL 470 - Study Tour:
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.

Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Blended Learning
College Code: CAS

**ENGL 490 - TESOL Practicum**

**Credits:** 1, 2
Study of and/or supervised practice in teaching English as a second language.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Prerequisite(s): Permission of instructor required.
Repeatable: Repeatable up to 3 credits
Schedule Type: Practicum
College Code: CAS

**ENGL 495 - Independent Study/Readings**

**Credits:** 1–3
Studies in various areas of language, literature, or composition under supervision of an appropriate instructor, including regular conferences, and resulting in oral and/or written reports and papers.

Grade Mode: Normal with S/DG (A-F,I,S,U,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CAS

**ENGL 497 - Writing Internship**

**Credits:** 1–3
Students intern 45 clock hours per hour of credit in a writing-related and approved field. Procedures and guidelines available from department. Open to English majors and students seeking a writing minor.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Prerequisite(s): ENGL 115 or ENGL 117, ENGL 215 and either ENGL 315 or ENGL 220.
Repeatable: Repeatable up to 3 credits
Schedule Type: Practicum
College Code: CAS

**ENGL 498 - Senior Seminar**

**Credits:** 1
Discussion topics include career and placement. The development of a senior portfolio including capstone writing project.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): 24 credits in English (not including ENGL 115, ENGL 117, ENGL 215) or by permission of the instructor.
Schedule Type: Seminar
College Code: CAS

**ENGL 504 - New Global Literature**

**Credits:** 3
A survey of recent global literary texts with a focus on issues of diversity.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

**ENGL 505 - Practicum**

**Credits:** 1, 2
Study of and/or supervised practice in teaching college writing (section 01) or English as a second language (section 02).

Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Prerequisite/Corequisite: Prerequisite or corequisite for those teaching English as a second language: ENGL 465.
Repeatable: Repeatable up to 4 credits
Schedule Type: Practicum
College Code: CAS

**ENGL 507 - Literature for Children**

**Credits:** 2, 3
Selection, analysis, and evaluation of literary works which meet the reading and/or the listening interests of children and enhance the preparation of elementary teachers, librarians, and parents.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

**ENGL 508 - Literature for Young Adults**

**Credits:** 2, 3
Selection, analysis, and evaluation of literary works that meet the reading interests of young adults and enhance the preparation of middle-school and secondary English teachers, librarians, and parents.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

**ENGL 510 - Academic Writing for Advanced Study**

**Credits:** 3
Additional practice in academic writing designed to improve the skills of students who are underprepared for advanced writing tasks and/or whose native language is not English. Emphasizes academic writing conventions through the study and completion of various academic genres including summary, proposal, critique, and research writing.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

**ENGL 514 - Biblical Literature**

**Credits:** 3
Advanced study of the English Bible as literature and its literary influences.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

**ENGL 515 - Gender Studies in Literature**

**Credits:** 3
Advanced study of literary texts dealing with gender issues.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

**ENGL 520 - The Christian Tradition**

**Credits:** 3
The study of noteworthy Christian literature, including works by authors such as John Milton, C.S. Lewis, G.K. Chesterton, and Flannery O’Connor. Also may include focus on Christian perspectives in response to literature.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

**ENGL 525 - Topics in ______**

**Credits:** 1–4
Study of selected topics in composition (Modern Rhetoric), language (Contrastive Analysis), or literature (Shakespeare, Literature on Location, or Drama). Topic and credit to be announced in advance.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 12 credits with different topics
Schedule Type: Lecture, Lecture/Lab
College Code: CAS

**ENGL 537 - Teaching and Tutoring Writing**

**Credits:** 3
Theory and practice in teaching, tutoring and responding to student writing. Exercises in composition, revision and evaluation. A minimum of 20 hours tutoring required.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

**ENGL 540 - Language and Culture**
Study of language in the context of ethnology with emphases on (1) the effect of social variables (including gender) on language use, and on (2) paralanguage (e.g., kinesics and proxemics).

**ENGL 550 - Study of Composition**  
**Credits:** 3  
Introduction to rhetorical and other principles involved in the writing process and in the teaching of composition to secondary-school and college students.  
**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture  
**Year Offering:** Alternate years  
**College Code:** CAS

**ENGL 554 - The Writing Life**  
**Credits:** 3  
An exploration of composition theory and writing practice through the study of published writers' narrative accounts of the writing life. Students engage in an extended writing project selected in consultation with the instructor.  
**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture  
**College Code:** CAS

**ENGL 555 - Literary Criticism and Theory**  
**Credits:** 3  
An introduction to literary criticism and theory. Readings start with Plato, but special emphasis is on New Criticism to the present.  
**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture  
**College Code:** CAS

**ENGL 559 - Methods of Teaching English**  
**Credits:** 3  
An integration and exploration of pedagogical theories and practices in literature for young adults, and writing and language study for the secondary-school classroom. Does not apply toward the first 16 credits in English for an MAT degree. Enrollment by permission of the instructor.  
**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture  
**Year Offering:** Alternate years  
**College Code:** CAS

**ENGL 561 - TESOL Theories and Methods**  
**Credits:** 3  
Critical survey of traditional and current theories and methods of teaching English to speakers of other languages. Includes supervised observation of ESL classes.  
**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture  
**College Code:** CAS

**ENGL 562 - TESOL Pedagogy and Practice**  
**Credits:** 4  
Study of current methods and techniques for teaching reading, writing, speaking, and listening to speakers of other languages. Includes supervised teaching of ESL classes.  
**Grade Mode:** Normal (A-F,I,W)  
**Prerequisite(s):** ENGL 561 - TESOL Theories and Methods.  
**Schedule Type:** Lecture  
**College Code:** CAS

**ENGL 563 - TESOL Pedagogy: Reading and Writing**  
**Credits:** 2  
Study of current methods and techniques for teaching reading and writing to speakers of other languages. Must be taken concurrently with ENGL 505 Practicum.  
**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture  
**College Code:** CAS

**ENGL 564 - Major Literary Author**  
**Credits:** 3  
Study of a major author, such as Chaucer, Shakespeare, Johnson, Dickens, Hawthorne, or Cather.  
**Grade Mode:** Normal (A-F,I,W)  
**Repeatable:** Repeateable with different topics  
**Schedule Type:** Lecture  
**College Code:** CAS

**ENGL 565 - TESOL Pedagogy: Listening and Speaking**  
**Credits:** 2  
Study of current methods and techniques for teaching listening and speaking to speakers of other languages. Must be taken concurrently with ENGL 505 Practicum.  
**Grade Mode:** Normal (A-F,I,W)  
**Prerequisite(s):** ENGL 505  
**Schedule Type:** Lecture  
**College Code:** CAS

**ENGL 566 - Phonetics and Phonology**  
**Credits:** 3  
Study of speech sounds and patterns including articulatory phonetics, phonemics, and an introduction to modern phonological theory and analysis.  
**Grade Mode:** Normal (A-F,I,W)  
**Prerequisite(s):** ENGL 115 or ENGL 117, ENGL 215 and ENGL 460 or permission of instructor.  
**Schedule Type:** Lecture  
**College Code:** CAS

**ENGL 567 - Creative Writing**  
**Credits:** 3  
Practice in writing stories, essays, poetry, or drama. Course emphasis changes from semester to semester.  
**Grade Mode:** Normal (A-F,I,W)  
**Repeatable:** Repeatable up to 9 credits with different topics  
**Schedule Type:** Lecture  
**College Code:** CAS

**ENGL 569 - Second Language Acquisition**  
**Credits:** 3  
Study of current theories of and research in language acquisition and the implications of this scholarship for language teachers and teaching.  
**Grade Mode:** Normal (A-F,I,W)  
**Prerequisite(s):** ENGL 115 or ENGL 117, ENGL 215 and ENGL 460 or permission of instructor.  
**Schedule Type:** Lecture, Interactive Online  
**College Code:** CAS

**ENGL 572 - Christian Perspectives on Language Teaching**  
**Credits:** 3  
Study of the intersection between Christian faith and language teaching, focusing on critical examination of different ideological and pedagogical perspectives surrounding this relationship.  
**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture  
**College Code:** CAS

**ENGL 578 - Study Tour**  
**Credits:** 0  
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.  
**Course/Lab Fee:** Yes  
**Grade Mode:** Normal (A-F,I,W)  
**Repeatable:** Repeateable  
**Schedule Type:** Blended Learning  
**College Code:** CAS

**ENGL 589 - Graduate Seminar**  
**Credits:** 3  
Research projects, reports, and discussions. Seminars are offered in various
subjects corresponding with faculty specialization and greatest library strength.

Grade Mode: Normal (A-F,J,W)
Prerequisite(s): ENGL 597.
Repeatable: Repeatable with different topics
Schedule Type: Seminar
College Code: CAS

ENGL 590 - Independent Study in English
Credits: 1–3
Individualized reading or research in a specified area under the guidance of an instructor; admission by the chair's consent.

Grade Mode: Normal w S (A-F,J,S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

ENGL 595 - Project Research
Credits: 1,2
To fulfill the requirements for ENGL 595 Project Research, a student should submit either a project paper (5000-7000 targeting a specific journal) or a teaching portfolio.

Grade Mode: Satisfactory w/DG (S,U,W,DG)
Repeatable: Repeatable up to 4 credits
Schedule Type: Independent
College Code: CAS

ENGL 597 - Research Methods
Credits: 3
Research materials, methods of research, and documentation in English studies.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: CAS

ENGL 648 - Workshop
Credits: 1–4
Intensive study on selected topics. As needed

Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Workshop
College Code: CAS

ENGL 650 - Project Continuation
Credits: 0
Student may register for this title while clearing deferred grade (DG) with advisor approval only. Registration for this title indicates full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory w/o 'I' (S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

ENGL 655 - Program Continuation
Credits: 0
Students may register for this non-credit continuation course to maintain active status. For additional information on active status, see Admission Status Categories in the School of Graduate Studies & Research. Registration does not indicate full-time status.

Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

ENGL 660 - Thesis Continuation
Credits: 0
Student may register for this title while clearing deferred grade (DG) with advisor approval only. Registration for this title indicates full-time status, requiring a minimum of 480 hours of work per semester of registration.

Mission
The Andrews University Department of History & Political Science constitutes a vital component of this distinctive Seventh-day Adventist institution of higher learning. Serving its majors and minors and general education students, the department promotes the study of history, politics and philosophies within the framework of a Christian worldview, emphasizing both individual and corporate responsibility for service to humanity.

Bachelors

History BA

The BA in History is designed for students who want a general background in US and European history. Our program empowers students for the next phase of their life—career and/or graduate studies. A history degree allows graduates to enter a variety of fields because their history coursework, along with the required general education courses, provides essential critical thinking and analysis skills; effective bilingual communication; and historical discovery, inquiry, and research.

Total Credits - 124

Major - 43

HIST 101 - Introduction to History & Political Science (HPSC) Credits: 1
HIST 117 - Civilizations and Ideas I Credits: 3
HIST 118 - Civilizations and Ideas II Credits: 3
HIST 204 - American Experience I Credits: 3
HIST 205 - American Experience II Credits: 3
HIST 277 - History Colloquium Credits: 0 (required each semester enrolled in the program)
HIST 390 - Research Seminar Credits: 3
HIST 400 - Senior Seminar Credits: 3
HIST 488 - Faith and History Credits: 3
PLSC 104 - American Government Credits: 3
PLSC 456 - Classical, Medieval and Early Modern Political Thought Credits: 3
Choose 6 credits of 300-level and above of US history courses (in consultation with advisor).

Choose one of the following courses:
HIST 404 - Adventist Heritage Credits: 3
RELH 400 - SDA History and Prophetic Heritage Credits: 3,4

PHIL 224 - Introduction to Philosophy Credits: 3 *
Language to intermediate level *

*Fulfills ACE requirement

Secondary Certification

For students seeking secondary teacher certification. For more information regarding Andrews Core Experience or Secondary Certification with a BA or BS degree, see the department of Teaching, Learning & Curriculum.

ECON 225 - Principles of Macroeconomics Credits: 3
GEOG 110 - Survey of Geography Credits: 3
HIST 117 - Civilizations and Ideas I Credits: 3
HIST 118 - Civilizations and Ideas II Credits: 3
HIST 204 - American Experience I Credits: 3
HIST 205 - American Experience II Credits: 3
HIST 277 - History Colloquium Credits: 0
HIST 390 - Research Seminar Credits: 3
HIST 404 - Adventist Heritage Credits: 3
HIST 459 - Special Methods in Teaching History and Social Studies Credits: 3

HIST 488 - Faith and History Credits: 3
PLSC 104 - American Government Credits: 3
PLSC 237 - The Individual, State, and Marketplace Credits: 3
PLSC 365 - American Foreign Relations Credits: 3
PLSC 435 - Public Policy Credits: 3
PLSC 456 - Classical, Medieval and Early Modern Political Thought Credits: 3
PLSC 460 - Area Study Credits: 3

Student Learning Outcomes

Graduates of this program should be able to:

• Demonstrate knowledge of key historical facts, values, and ideas that have shaped civilizations throughout history.
• Conduct independent research to construct arguments based on primary sources and historical method.
• Critically examine and evaluate historical developments from a Seventh-day Adventist/Christian worldview.
• Explore and engage in the historical profession with personal interaction, research tools, and academic scholarship.
• Demonstrate competence in oral/written communication, presenting ideas, perspectives, and arguments in an effective manner.

Political Science BA/BS

The BA/BS in Political Science is designed for students who want an understanding of the development of national and international public policies. Our program empowers students for the next phase of their life—career and/or graduate studies (such as law school). The BA degree includes government, public policymaking, international affairs, American and comparative politics, and language. The BS degree includes the same courses and requirements but has no foreign language requirement.

Total Credits - 124

Major - 43

History

HIST 101 - Introduction to History & Political Science (HPSC)
Credits: 1
Course is designed to assist students in their transition to Andrews University while also introducing students to the study of History & Political Science. Content includes orientation to the major/department; university procedures, policies, and resources; strategies for personal and academic success, and extracurricular opportunities including, but not limited to guest lectures, field presentations, and projects. Introductory seminar for all first semester HPSC majors.

Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: CAS

HIST 110 - Worldviews, Cultures and Gods
Credits: 3
This course examines the concept of worldview and how worldviews are manifested through history in various cultures/religions, from ancient monistic types to modern and postmodern types. The course covers biblical worldview, special revelation, natural and scientific worldview, various philosophies of history, and the interaction between various worldviews, ideologies and ideas.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

HIST 117 - Civilizations and Ideas I
Credits: 3
Survey of the development of major world civilizations to the eighteenth century, including the origins and history of ideas, worldviews, and institutions (Stoicism, Hinduism, Catholicism, etc.), with an emphasis on the interaction of cultures in the premodern world.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Fall
College Code: CAS

HIST 118 - Civilizations and Ideas II
Credits: 3
Survey of the development of world civilizations from the eighteenth century, including the origins and history of ideas, worldviews, and institutions (nationalism, anti-Semitism, racism, multiculturalism, etc.), with emphasis on cultural diversity and interaction and their meaning in the modern and post-modern world.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Spring
College Code: CAS

HIST 137 - Chinese History & Culture I
Credits: 3
A study of Chinese history and culture from antiquity to the Ming dynasty. Hong Kong Adventist College only.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

HIST 138 - Chinese History & Culture II
Credits: 3
A study of Chinese history and culture from the Qing dynasty to the present. Hong Kong Adventist College only.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

HIST 140 - History of American Women
Credits: 3
The social, political, and economic roles and changing status of women in America. This course will examine how social constructions of gender, race, and class have shaped women’s lives in the U.S. from the 1600s to the present, and how some women have pushed at the boundaries of those constructions through, for example, changing patterns of public/private sphere, work, leisure, and education; through political activism, involvement in a variety of social movements; and popular culture. We will emphasize the diversity of women's historical experiences by region as well as by social category, and will situate those experiences in the larger contexts of social, economic, and political change on local, national, and even global levels.
HIST 390 - Research Seminar
Credits: 3
Introduction to research methodology, including the use of primary and secondary sources, bibliographical searches, and critical evaluation of sources. Requires the writing of a research paper using primary sources and original research.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

HIST 404 - Adventist Heritage
Credits: 3
A study of the background and development of the Seventh-day Adventist denomination from its beginnings in the Millerite Movement to its present global impact.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Seminar
College Code: CAS

HIST 409 - African American History
Credits: 3
The African American experience is the American experience. By understanding the issues of race, ethnicity, class, and gender within the African American experience, we can better understand the paradoxes of slavery and freedom from the founding of the nation in the Revolutionary period; the promise and ultimate denial of citizenship rights in emancipation and Federal Reconstruction; and the continual struggles of African American men and women to fulfill the promise of democracy from the Long Civil Rights and to the Black Power movement.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

HIST 413 - Torture and Execution in Early Modern Europe, 1400-1800
Credits: 3
This course examines criminal law, courts, torture, and prisons from the Late Middle Ages to the French Revolution of 1789.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

HIST 414 - Renaissance and Reformation, 1300–1648
Credits: 3
The birth of the modern age, with emphasis on the religious, artistic, literary, and philosophic aspects of the Renaissance and the religious, political, social, and intellectual aspects of the Protestant Reformation. Special emphasis is given to church-state relations and the struggle for religious toleration from 1517–1650.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

HIST 415 - Absolutism and Enlightenment, 1648–1789
Credits: 3
The rise of absolute monarchies and their impact on political, social, economic, and intellectual developments of early modern Europe. Special emphasis is given to church-state relations and the struggle for religious liberty from 1650–1789.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

HIST 416 - Nationalism and Modernity, 1534–1914
Credits: 3
A history of the concept of nation, nationalism, Liberalism and socialism, with concentration on social, political and intellectual transformation of Europe during and since the French Revolution, revolutionary movements of the 19th century, the industrial revolution, the Age of Progress, and causes behind the outbreak of the Great War.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

HIST 426 - Nationalism and Modernity, 1534–1914
Credits: 3
A history of the concept of nation, nationalism, Liberalism and socialism, with concentration on social, political and intellectual transformation of Europe during and since the French Revolution, revolutionary movements of the 19th century, the industrial revolution, the Age of Progress, and causes behind the outbreak of the Great War.
HIST 458 - The Emergence of Modern America, 1865–1939
Credits: 3
Examines major events and developments through the lenses of religion, race, gender, and class and their impact on the individual's place in American society. Topics include religious pluralism and its social implications, Reconstruction, the industrial revolution, social and political reform, expansionism, World War I, and the Great Depression.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

HIST 459 - Special Methods in Teaching History and Social Studies
Credits: 3
A practicum taken prior to student teaching. Emphasizes methods, materials, and techniques of teaching history, geography, and social studies in grades 7-12. Required of students seeking secondary certification in history or social studies. Does not apply to a minor in history.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): EDTE 459.
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

HIST 469 - America as a World Power, 1939–Present
Credits: 3
An examination of issues of national consciousness and cultural identity within major topics of the period such as World War II, the Cold War, Vietnam, the Civil Rights movement, Watergate, and various contemporary issues.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

HIST 475 - History, Myth and Film
Credits: 3
Examines how films from 1900 to the present interpret historical events using docu-drama, propaganda, and feature films.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

HIST 480 - Senior Seminar
Credits: 3
A capstone course for the history major normally taken during the senior year, including the reading of classic works of history and research project.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Seminar
Term Offering: Spring
College Code: CAS

HIST 485 - Internship
Credits: 1–6
Students work part- or full-time with museums, state and county historical societies, newspapers, library special collections, archival centers, or similar venues. A minimum of 45 clock hours of work experience are required for each semester hour of credit. May not be applied to the history minor.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Prerequisite(s): Must be at least junior standing.
Repeatable: Repeatable up to 6 credits
Schedule Type: Practicum
Special Approval: Department permission required.
Term Offering: Fall, Spring
College Code: CAS

HIST 488 - Faith and History
Credits: 3
A study of the major philosophies of history and contemporary theoretical issues in the discipline with emphasis upon implications for a Christian understanding of history. Offered alternate spring semesters beginning 2017.

Grade Mode: Normal (A-F,I,W)

Course Attribute: Service course
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

HIST 495 - Independent Study/Readings
Credits: 1–3
Individually directed study and readings in selected areas of history under the guidance of the appropriate instructor. Limited to majors and minors in history and social studies.

Grade Mode: Normal w S (A-F,I,S,U,W,DG)
Repeatable: Repeatable up to 3 credits with different topics
Schedule Type: Independent
Special Approval: Instructor permission required.
Term Offering: Fall, Spring
College Code: CAS

HIST 496 - Independent Research
Credits: 0–3
Individually directed research in selected areas of history under the guidance of the appropriate instructor. Limited to majors and minors in history and social studies.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Repeatable: Repeatable up to 3 credits with different topics
Schedule Type: Independent
Special Approval: Instructor permission required.
Term Offering: Fall, Spring
College Code: CAS

HIST 537 - Topics in _____________
Credits: 3
Selected topics (as related to the course scheduled classes) in the area of history.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Lecture
College Code: CAS

HIST 590 - Independent Readings
Credits: 1,2
Individual reading in a specified area under the guidance of an instructor.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Lecture
College Code: CAS

HIST 650 - Historical Method and Research
Credits: 3
Examination of historical research methodology, including bibliographical searches, critical evaluation of sources, documentation style, and written and oral presentation of research.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

PHIL 224 - Introduction to Philosophy
Credits: 3
An introduction to basic philosophical issues, including the relationship of faith and reason, epistemology, the mind-body problem, determinism and free will, and ethics.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

PHIL 320 - Critical Thinking
Credits: 3
Designed to encourage independent thinking and to teach analytical and logical skills necessary for problem solving as well as understanding and evaluating the ideas and claims of others.

Grade Mode: Normal (A-F,I,W)
Course.

students considering attending law school are highly encouraged to take this course.

introduction to substantive criminal law, including theories of punishment, basic stages of the criminal process, culpability, defenses, parties to crime, conspiracy, attempts, sentencing, homicide, and other selected offenses.

LGST 260 - Introduction to American Law

A study of the roles that law and the legal system play in American life. Topics include: the constitution, civil rights, property, employment, consumer protections, criminal punishment and judicial activism/restraint.

LGST 316 - Legal Writing and Rhetoric

An introduction to academic and professional writing, particularly argument and analysis, as they relate to the law, including theoretical and practical applications. Assignment will include pleadings, briefs, and memoranda. Students will also develop a philosophical and rhetorical understanding of their function as writers in relation to the law and the legal system.

LGST 210 - Introduction to the Legal Profession

This course is an introduction to law school and the legal profession. Topics will include, but are not limited to, the law school application and admissions process, introduction to the basics of our legal system, and careers in law. Undergraduate students considering attending law school are highly encouraged to take this course.

LGST 260 - Introduction to American Law

A study of the roles that law and the legal system play in American life. Topics include: the constitution, civil rights, property, employment, consumer protections, criminal punishment and judicial activism/restraint.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

LGST 316 - Legal Writing and Rhetoric

An introduction to academic and professional writing, particularly argument and analysis, as they relate to the law, including theoretical and practical applications. Assignment will include pleadings, briefs, and memoranda. Students will also develop a philosophical and rhetorical understanding of their function as writers in relation to the law and the legal system.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

Political Science

PLSC 101 - Introduction to History & Political Science (HPSC)

Credits: 1
Course is designed to assist students in their transition to Andrews University while also introducing students to the study of History & Political Science. Content includes orientation to the major/department; university procedures, policies, and resources; strategies for personal and academic success, and extracurricular opportunities including, but not limited to guest lectures, field presentations, and projects. Introductory seminar for all first semester HPSC majors.

Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: CAS

PLSC 225 - Comparative Politics

Credits: 3
An introduction to the general theories and methods of comparative politics through case studies of both advanced industrialized and developing countries. Examines a variety of governmental structures and analyzes their historical emergence, natures, forms, and dynamics.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

PLSC 230 - International Relations

Credits: 3
This course provides a general introduction to the study and practice of international relations, including the roles played by nation states, international organizations, international law, power, morality, globalization, and terrorism. Special emphasis will be placed on alternative theories and models that have been employed in the study and practice of international relations from classical antiquity to the present.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

PLSC 237 - The Individual, State, and Marketplace

An introduction to international political economy, which examines the interactions between international politics and international economics. Beginning with an introduction to the primary theories guiding international political economy, topics studied include international capital markets, global and regional trade, monetary policy, global finance, and the effects of these issues on domestic politics. Not applicable to the political science major or minor. Applies to the General Education Social Science requirements.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

PLSC 277 - Political Science Colloquium

Credits: 0
Current topics and issues of interest to historians and political scientists. Required each semester of all students majoring in history, political science, or social studies.

Lecture/Lab: Weekly: 1 lecture or activity
Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: CAS

PLSC 314 - Contemporary Political Thought

Credits: 3
Our contemporary political world is a complex one, characterized by both tremendous promise and enduring human misery. Political theory is a realm of intellectual inquiry where we examine our most basic concepts and definitions, engage in normative judgment of our existing systems of government, and articulate and defend a vision of the system of political organization we envision to be ideal. The goal of this course is to familiarize you with important themes within contemporary political theory and the ways in which they relate to the world in which we reside. We will accomplish this through surveying the most influential
political theorists of our time.

PLSC 324 - American Political Parties and Elections
Credits: 3
This course is an overview of the role of political parties and elections in the American national political system. We will consider the origins of political parties in the United States, and the history of elections and voting. Discussions will include an examination of the rise and origins of political polarization in the United States and the potential seriousness of its effects.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

PLSC 326 - American Political Institutions: Judiciary
Credits: 3
Course covers the structure of the United States legal system. This includes an examination of the roles of law enforcement, lawyers, and judges; as well as the structure of courts and appointment process for judges, the legal system, the court system, and the judicial decision making.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

PLSC 328 - American Political Institutions: Congress
Credits: 3
Course covers the history and structure of the U.S. Congress from its beginnings, the process of congressional elections, the differences between the House of Representatives and the Senate in terms of legislative processes, constitutional responsibilities, decision making process, committees and leadership structures.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

PLSC 350 - State and Local Government
Credits: 3
An examination of politics at the state, county and municipal levels in the United States. Consideration is given to the changing relationship between state and local government and the federal government with emphasis on Michigan state and local governments as a case study. Topics include state-federal relations, state legislatures and executives, state-local relations, and structures of local government.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

PLSC 365 - American Foreign Relations
Credits: 3
A study of the formation and conduct of American diplomacy in the light of major themes, including the diplomacy of human rights, globalization, and the American relationship with Islamic states.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

PLSC 366 - Terrorism and Political Theory
Credits: 3
Terrorism has gone from a persistent yet marginal security concern to one of the most important problems of our day. Terrorists menace governments worldwide, there are few if any countries that do not suffer from some form of terrorism. This course examines a wide range of questions in order to provide students with a deeper understanding of the threat of terrorism today.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

PLSC 390 - Research Seminar
Credits: 3
Introduction to research methodology, including the use of primary and secondary sources, bibliographical searches, and critical evaluation of sources. Requires the writing of a research paper using primary sources and original research.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Seminar
College Code: CAS

PLSC 405 - Globalization
Credits: 3
This course explores the meaning and impact of globalization on contemporary international politics. This course uses the perspectives of political science and international political economy to examine the processes and consequences of globalization. We will study how globalization affects the international economy, state, sovereignty, international organizations, transnational corporations, trade, immigration and democratic governance. We begin with developed democracies and go on to explore the benefits and costs of globalization for developing countries.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

PLSC 410 - Comparative Political Theory and Method
Credits: 3
An introduction to the concepts and theories that form the basis of comparative political theory and comparative political research methods. Topics include comparative inquiry, ideology, theories of the state, democratic development, and the welfare state.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PLSC 225 or PLSC 230.
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

PLSC 419 - Political Extremism
Credits: 3
This course examines the varieties of political extremism in party politics, radicalized religion, revolutions and terrorism. We will examine definitions of extremism, who belongs to and who leads extremist movements and parties; what are the goals and expectations of both leaders and members of extremist movements and political parties? Finally, we will discuss how these movements and parties influence societies and mainstream politics.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

PLSC 420 - Human Rights, Violations, and Reconciliations
Credits: 3
An interdisciplinary approach to concepts of human rights within western and non-western traditions. Evaluates legal and political instruments that address human rights and examine the meaning and relevance of these rights to such contemporary issues as torture, political repression, war crimes, genocide, and refugees.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

PLSC 432 - Middle East Studies
Credits: 3
This course will examine the political history and institutions of selected Middle Eastern countries and focus on the similarities and differences between these nations in an effort to understand the way in which political systems and institutions have been adapted to serve diverse cultures of the modern world.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

PLSC 435 - Public Policy
Credits: 3
An introduction to the theories and methods used by comparativists to study public policies. Topics include policy variations and similarities in education, health,
social security, economics, taxation and environmental policy. Examines the interaction between policy development and institutions and various theoretical models of policy making.

**PLSC 437 - Topics:**  
**Credits:** 3  
A study of selected topics in political science as announced in the class schedule. May be repeated with different topics.

**PLSC 438 - Workshop:**  
**Credits:** 1–3  
Provides an opportunity to study in a focused area within the study of Political Science. A paper is required for more than one credit and may be required for one credit.

**PLSC 454 - Utopian Political Thought**  
**Credits:** 3  
This course examines the relationship between the power of modern science and utopian political theory. To this end, we will explore the project to conquer nature and perfect man and consider the likelihood (and consequences) of a more perfect marriage of technology and ideology in the future.

**PLSC 456 - Classical, Medieval and Early Modern Political Thought**  
**Credits:** 3  
A study of the great political ideas from antiquity to early modern times through a consideration of thinkers such as Plato, Aristotle, Aquinas, Machiavelli, Hobbes and Locke. The course explores such issues as human nature, the good life, freedom, justice, and authority as understood by pre-modern and early modern theorists.

**PLSC 457 - Modern Political Thought**  
**Credits:** 3  
Explores major political ideas from the eighteenth century to the present. Writers discussed typically include Rousseau, Kant, Hegel, Marx, Nietzsche, Heidegger and Leo Strauss. Central topics include the abandonment of natural right, the turn to history as a standard of right; and the subsequent self-destruction and recovery of reason (and revelation) in late modern political thought.

**PLSC 458 - American Political Thought**  
**Credits:** 3  
An examination of American political thought from the revolutionary period to the present. Required readings are drawn mainly from primary sources including the Declaration of Independence, the U.S. Constitution, the Federalist, and the writings of statesmen and theorists from the Civil War era, Progressive movement, New Deal and contemporary politics.

**PLSC 460 - Area Study:**  
**Credits:** 3  
Study of the government and politics of individual nations (for example, India) or geographical regions (for example, Asia), as announced in the course schedule. Examines processes, forces, and trends in the nation's/region's politics as it addresses societal needs and economic development. May be repeated with a different emphasis. May be applied to the history major.

**PLSC 490 - Internship**  
**Credits:** 1–6  
Students work part- or full-time with government agencies, elected government officials, political campaigns, private interest groups, NGOs, or similar venues. A minimum of 45 clock hours of work experience are required for each semester hour of credit. May not be applied to the political science minor.

**PLSC 495 - Independent Study/Readings**  
**Credits:** 1–3  
Individually directed study and readings under the guidance of the instructor. Limited to students with majors in political science or social studies or a minor in political science.

**PLSC 496 - Independent Research**  
**Credits:** 0–3  
Individually directed research in selected areas of political science under the guidance of the appropriate instructor. Limited to majors and minors in history and social studies.

**PLSC 525 - Public Policy, Civil Society and Development**  
**Credits:** 2–3  
Governments are pressed to address issues of individual and collective concern. Resolving matters may demand the creation of programs and governmental policies, modification of existing ones or termination of current policy. Utilizing a case study approach, this course considers the essential phases of policymaking on behalf of civil society. Taught only for the off-campus MIDA degree.

**PLSC 537 - Topics in ____________**  
**Credits:** 3  
Selected topics (as related to the course scheduled classes) in the area of Political Science.

Mission
The Department of International Language Studies strives to develop students’ knowledge of foreign languages and cultures in a Christian environment. It provides a broad range of educational courses and programs that build foreign language competence and enhance the understanding of foreign literatures and cultures. The department not only helps students develop a global perspective by training them to use their foreign language skills in a variety of fields, but also to develop critical understanding of world culture in its complexity and diversity, supporting and promoting Christ’s appeal to this generation, "And this gospel of the kingdom will be preached in all the world as a witness to all the nations, and then the end will come."

The department provides students with communicative competence in a second language, promotes a greater understanding of and appreciation for the significance of language in human interaction, fosters interest in other cultures, and encourages intellectual development through enhanced cognitive and analytical skills.

The department offers many opportunities for language students to enhance an appreciation of other cultures and to develop fluency in the use of another language by participating in the Adventist Colleges Abroad (ACA) programs, language clubs, the National Language Honor Society, and religious activities.

Departmental Tours
The Department of International Language Studies offers two study tours: Europe and South America. Each tour is equivalent to six credits that count towards majors and minors. The South American tour may be taken only as Portuguese and Spanish credits; the European tour can be taken as French or Spanish credits. A maximum of 6 tour credits may be applied to the major or minor for students participating in the ACA program. All courses included in the tour are taught in the target language. Andrews University policies apply to the tour.

Bachelors

French BA

The BA in French is designed for students who want to know more about French civilization and who are interested in professions such as medicine, law, teaching, and journalism, as well as those wishing to pursue graduate studies in French. The program also complements such majors as Communications, English, French, History, Music, Nursing, and Social Work.

Total Credits - 124

Major - 36

Choose from the following courses by advisement:*  
FREN 171 - Elementary French I Credits: 3  
FREN 172 - Elementary French II Credits: 3  
FREN 255 - French Culture and Cuisine Credits: 3 (or ACA equivalent)  
FREN 275 - Intermediate French Credits: 4 (or ACA equivalent)

Total Credits - 124

Major - 36

Choose from the following courses by advisement:*  
FREN 171 - Elementary French I Credits: 3  
FREN 172 - Elementary French II Credits: 3  
FREN 255 - French Culture and Cuisine Credits: 3 (or ACA equivalent)  
FREN 275 - Intermediate French Credits: 4 (or ACA equivalent)

Electives
French major electives selected in consultation with an advisor from FREN/ILGS courses to fulfill the minimum of 36 credits.

*All majors are required to attend a full academic year at the Adventist Colleges Abroad (ACA) program at the Centre Universitaire et Pédagogique du Salève, Collonges, France. This requirement may be waived for native speakers or candidates who have spent an extended period of time in a French speaking country.

Additional Requirement
A language proficiency exit exam is required.

Student Learning Outcomes

- Students will demonstrate an advanced level of proficiency in the target language in speaking, writing, listening and reading consistent with the Advanced levels as defined by the American Council of the Teaching of Foreign Languages (ACTFL).
- Students will demonstrate full understanding of linguistic concepts related to the target language such as phonetics, semantics, morphology, and syntax.
- Students will demonstrate knowledge of major literary, artistic, and cultural works associated with the target language and its societies. They will analyze and critique the products of the target culture (film, literature, art, popular culture, media, etc.) within their context, including conducting basic research tasks.
- Students will demonstrate knowledge of the diverse components of the cultures associated to the target language. They will recognize and describe the historical, social, economic, and political forces that shape society in the target culture.
- Students will integrate target language competencies, intercultural competencies, and critical analysis to perform tasks associated with a globalized work environment, including communications, translation, interpretation, and project completion.
- Students will demonstrate intercultural competence by obtaining knowledge and understanding of other cultures and their products. They will examine the validity of one’s own cultural beliefs, behaviors and norms by contrasting and comparing them with those of the target culture.
- Students will value cultural diversity and reinterpret the place of the self as an identity culturally situated in the global context.

Global Studies BA

The major in Global Studies seeks to prepare students to work for any organization dealing with domestic and international projects or to continue with graduate studies in fields related to worldwide activities such as International Development, Diplomacy, International Relations, and International Policies.

This major requires a minor or a double major in a foreign language (18-24 credits), including a minimum of a semester abroad.

Total Credits - 124

Major - 36

Choose one of the following courses:
BHSC 225 - Global Social Issues Credits: 3  
BSAD 365 - International Environment of Business Credits: 3  
COMM 336 - Intercultural Communication Credits: 3  
ENGL 440 - Language and Culture Credits: 3  
GBST 101 - Introduction to Global Studies Credits: 3  
GBST 201 - Cultural Awareness Credits: 3  
PSCS 230 - International Relations Credits: 3  
PSCS 405 - Globalization Credits: 3  
RELG 350 - World Religions Credits: 3

Choose one of the following courses:
inls@andrews.edu
Electives
Choose 6 credits in consultation with academic advisor.

Cognates - 6
ANTH 200 - Cultural Anthropology Credits: 3 *
HIST 110 - Worldviews, Cultures and Gods Credits: 3 *

*Course fulfills ACE requirement

Student Learning Outcomes
Graduates of this program will:
- Demonstrate a critical understanding of global interactions and cross-cultural communication.
- Demonstrate a critical understanding of the ideas, value systems, practices, and structures of a culture other than their own.
- Demonstrate knowledge of global affairs and linguistics skills needed to communicate with people from some specific regions of the world.
- Identify how the world goes through permanent global changes.
- Analyze global issues and data from a biblical and philosophical perspective.
- Identify cultural differences (lifestyle, traditions, ceremonies, relationships, worships, personal interactions, genders, and ages).
- Compare and contrast their own culture to that of another country.
- Demonstrate respect for cultural traditions that may not be similar to their own.

Language for International Trade

BA
This program integrates the study of international languages and cultures with preparation in international trade and business. The Language for International Trade BA includes all the pre-requisites for an MBA degree.

The objective of this major is to prepare students for international careers with the necessary business and language skills. Students in French/Spanish participate in an internship in a business/industrial work environment either in the U.S. or abroad where French/Spanish is spoken. Students may take examinations leading to certification in Business French/Spanish. See details below. The major consists of study in the following three areas: (1) specialized studies in language, (2) business and economics, and (3) required cognates.

Dual Degree Option:
This program is available as a dual degree with the International Business BBA:
- International Business/Language Dual Degree BBA/BA

Total Credits - 124

Major - 54

Business and Economics Core - 24
ACCT 121 - Principles of Accounting I Credits: 3
ACCT 122 - Principles of Accounting II Credits: 3
BSAD 355 - Principles of Management Credits: 3
BSAD 365 - International Environment of Business Credits: 3
ECON 226 - Principles of Microeconomics Credits: 3
FNCE 317 - Business Finance Credits: 3
MKTG 310 - Principles of Marketing Credits: 3

Choose one of the following courses:
BSAD 450 - Multicultural Business Relations Credits: 3
BSAD 467 - International Management Credits: 3

Concentrations
Choose one of the following concentrations:

French - 30+
All majors are required to attend a full academic year, excluding summer sessions, at the Adventist University of France, Collonges, France.

ACA Courses - 9
FREN321 - Advanced Composition - 2 credits
FREN341 - Advanced Grammar - 4 credits
FREN351 - Advanced Spoken Language - 2 credits
FREN361 - Text Analysis - 1 credit

AU Courses - 21-22
Take one of the following sets of courses:
Set 1
FREN 171 - Elementary French I Credits: 3
FREN 172 - Elementary French II Credits: 3

Set 2
FREN 275 - Intermediate French Credits: 4
FREN 280 - French Conversation and Composition Credits: 3

Set 3
FREN 415 - Advanced French Communication Credits: 3

Take the following courses:
FREN 430 - Contemporary French Culture and Society Credits: 3
FREN 460 - French for Business Credits: 3
ILGS 490 - Internship Credits: 3
Additional FREN/ILGS courses to complete 30 credits.

Spanish - 30+
All majors are required to attend a full academic year, excluding summer sessions, at Colegio Adventista de Sagunto, Spain, or Universidad Adventista del Plata, Argentina.

ACA Courses - 9
Choose one course from each of the following sets:
Advanced Grammar: SPAN 351, 352, 353, 451, 452, 453
Advanced Composition: SPAN 361, 362, 363, 461, 462, 463
Advanced Conversation: SPAN 371, 372, 373, 471, 472, 473

AU Courses - 21-22
Take one of the following sets of courses:
Set 1
SPAN 171 - Elementary Spanish I Credits: 3
SPAN 172 - Elementary Spanish II Credits: 3

Set 2
SPAN 275 - Intermediate Spanish Credits: 4
SPAN 280 - Spanish Conversation and Composition Credits: 3

Choose one of the following courses:
SPAN 416 - Spanish for Native Speakers Credits: 3
SPAN 420 - Advanced Spanish Credits: 3

Choose one of the following courses:
SPAN 426 - Culture of Spain Credits: 3
SPAN 436 - South American Culture Credits: 3

Choose two of the following courses:
SPAN 470 - Spanish for Business Credits: 3
SPAN 488 - Spanish for International Relations Credits: 3
ILGS 490 - Internship Credits: 3

Additional SPAN/ILGS courses to complete 30 credits.

Cognates - 6

*Course fulfills ACE requirements.
Student Learning Outcomes

- Students will demonstrate an advanced level of proficiency in the target language in speaking, writing, listening and reading consistent with the Advanced levels as defined by the American Council of the Teaching of Foreign Languages (ACTFL).
- Students will demonstrate full understanding of linguistic concepts related to the target language such as phonetics, semantics, morphology, and syntax.
- Students will use their skills to translate specific terminology and concepts of the business world from and to the target language and English.
- Students will apply their knowledge of the target language and culture to business decisions in intercultural settings.
- Students will provide linguistics, culture, and business advice on decisions involving the target language and culture.
- Students will integrate their knowledge of both business and the target language in the work setting.

Spanish BA

The Department of International Languages & Global Studies strives to develop students' knowledge of the Spanish language and culture in a Christian environment. It provides a broad range of educational courses and programs that build the Spanish language competence and enhance the understanding of Spanish and Latin American literatures and cultures. The department not only helps students develop a global perspective by training them to use their Spanish language skills in a variety of fields, but also to develop critical understanding of world culture in its complexity and diversity, supporting and promoting Christ's appeal to this generation, "And this gospel of the kingdom will be preached in all the world as a witness to all the nations, and then the end will come."

Dual Degree Option:
This program is available as a dual degree with Speech-Language Pathology and Audiology:

- Spanish/Speech-Language Pathology and Audiology Dual Degree BA/BS

Total Credits - 124

Major - 36+
Choose 24 credits from the following courses by advisement:
- SPAN 171 - Elementary Spanish I Credits: 3
- SPAN 172 - Elementary Spanish II Credits: 3
- SPAN 275 - Intermediate Spanish Credits: 4 (or ACA equivalent)
- SPAN 280 - Spanish Conversation and Composition Credits: 3 (or ACA equivalent)

or
- SPAN 416 - Spanish for Native Speakers Credits: 3
- SPAN 420 - Advanced Spanish Credits: 3
- SPAN 426 - Culture of Spain Credits: 3
- SPAN 436 - South American Culture Credits: 3

Electives
Spanish major electives selected in consultation with an advisor from SPAN/GBST/ILGS courses to total 24 credits.

*All non-native speakers are required to attend a full academic year, excluding summer sessions, in the Adventist Colleges Abroad (ACA) program at Colegio Adventista de Sagunto, Spain, or Universidad Adventista del Plata, Argentina.

Concentrations - 12
Choose one of the following concentrations:

Language, Literature and Culture
- SPAN 438 - Mexico and Central American Culture Credits: 3
- SPAN 439 - Hispanic Caribbean Culture Credits: 3
- SPAN 446 - Spanish and Latin American Drama Credits: 3
- SPAN 448 - Spanish and Latin American Literature and Film Credits: 3

Translation and Interpretation
- SPAN 325 - Spanish for the Medical Professions Credits: 3

Spanish for K-12 Education BA

This degree is for students seeking elementary or secondary Spanish teaching certification.

Total Credits - 124

Major - 36
All majors are required to attend a full academic year, excluding summer sessions, in the Adventist Colleges Abroad (ACA) program at Colegio Adventista de Sagunto, Spain, or Universidad Adventista del Plata, Argentina.

ACA Courses - 21+
Choose one course from each of the following sets:
- Advanced Grammar: SPAN 351, 352, 353, 451, 452, 453
- Advanced Composition: SPAN 361, 362, 363, 461, 462, 463
- Advanced Conversation: SPAN 371, 372, 373, 471, 472, 473

AU Courses - 12+
ILGS 458 - Methods of Foreign Language Instruction: K -- 12 Credits: 3

Choose one of the following courses:
- SPAN 416 - Spanish for Native Speakers Credits: 3
- SPAN 420 - Advanced Spanish Credits: 3

Choose one of the following courses:
- SPAN 426 - Culture of Spain Credits: 3
- SPAN 436 - South American Culture Credits: 3

Choose one of the following courses:
- SPAN 447 - Spanish for Translation Credits: 3
- SPAN 449 - Spanish for Interpreters Credits: 3
Electives
Spanish major electives selected in consultation with an advisor from SPAN/ILGS courses to fulfill the minimum of 36 credits.

Secondary Education BA/BS
See College of Education and International Services to view the Secondary Education BA/BS requirements.

Additional Requirement
A language proficiency exit exam required.

Student Learning Outcomes
- Students will demonstrate an advanced level of proficiency in the target language in speaking, writing, listening and reading consistent with the Advanced levels as defined by the American Council of the Teaching of Foreign Languages (ACTFL).
- Students will demonstrate full understanding of linguistic concepts related to the target language such as phonetics, semantics, morphology, and syntax.
- Students will demonstrate knowledge of major literary, artistic, and cultural works associated with the target language and its societies. They will analyze and critique the products of the target culture (film, literature, art, popular culture, media, etc.) within their context, including conducting basic research tasks.
- Students will demonstrate knowledge of the diverse components of the cultures associated to the target language. They will recognize and describe the historical, social, economic, and political forces that shape society in the target culture.
- Students will integrate target language proficiencies, intercultural competencies, and critical analysis to perform tasks associated with a globalized work environment, including communications, translation, interpretation, and project completion.
- Students will demonstrate intercultural competence by obtaining knowledge and understanding of other cultures and their products. They will examine the validity of one's own cultural beliefs, behaviors and norms by contrasting and comparing them with those of the target culture.
- Students will value cultural diversity and reinterpret the place of the self as an identity culturally situated in the global context.
- Students will apply foreign language teaching techniques and methodologies in classroom settings.

Bachelors Dual Degrees
Note: Because each dual degree is listed in two schools you will find duplicates. The content is identical except for order of information.

Language/International Business Dual Degree BA/BBA
See College of Professions for the requirements for the Language/International Business Dual Degree BA/BBA

Spanish/Speech-Language Pathology and Audiology Dual Degree BA/BS
See College of Health and Human Services for the requirements for the Speech-Language Pathology/Spanish Dual Degree BS/BA

Undergraduate Minors

French for Education Minor
For students seeking elementary or secondary teacher certification. For more information regarding Teacher Certification with a minor see the department of Teaching, Learning & Curriculum

Total Credits - 21
Choose from the following courses by advisement:
- FREN 401 - Fundamentals of Translation Credits: 3
- FREN 415 - Advanced French Communication Credits: 3
- FREN 430 - Contemporary French Culture and Society Credits: 3
- ILGS 458 - Methods of Foreign Language Instruction: K -- 12 Credits: 3

ACA Courses - 9
One semester, or summer session, of advanced courses in France through Adventist Colleges Abroad (ACA) is required or take a challenge exam in advanced grammar, composition and conversation courses.

Electives
French electives selected in consultation with an advisor from FREN/ILGS courses to fulfill the minimum of 21 credits.

French Minor

Total Credits - 24
Choose from the following courses by advisement:*  
- FREN 171 - Elementary French I Credits: 3  
- FREN 172 - Elementary French II Credits: 3  
- FREN 275 - Intermediate French Credits: 4 (or ACA equivalent)

Electives
6 upper division elective credits from FREN/ILGS courses

Remaining electives selected in consultation with an advisor from FREN/GBST courses to fulfill the minimum of 24 credits.

*One semester, or summer session, of intermediate or advanced courses at the Centre Universitaire et Pédagogique du Salève, Collonges, France through the Adventist Colleges Abroad (ACA) program is required.

Global Studies Minor

Total Credits - 21
- BHSC 225 - Global Social Issues Credits: 3
- COMM 336 - Intercultural Communication Credits: 3
- GBST 101 - Introduction to Global Studies Credits: 3
- GBST 201 - Cultural Awareness Credits: 3
- HIST 110 - Worldviews, Cultures and Gods Credits: 3
- PLSC 230 - International Relations Credits: 3
- PLSC 405 - Globalization Credits: 3

Portuguese Minor

Total Credits - 24
Choose from the following courses by advisement:*  
- PORT 171 - Elementary Portuguese I Credits: 3  
- PORT 172 - Elementary Portuguese II Credits: 3  
- PORT 420 - Portuguese Literature & Culture Credits: 3  
- PORT 430 - Contemporary Brazilian Culture Credits: 3
**Electives**
Electives selected in consultation with an advisor from PORT courses to fulfill the minimum of 24 credits.

*One semester of intermediate or advanced courses in Brazil through the Adventist Colleges Abroad (ACA) program is required.

**Spanish for Education Minor**
For students seeking elementary or secondary teacher certification. For more information regarding Teacher Certification with a minor see the department of Teaching, Learning & Curriculum

**Total Credits - 21**
ILGS 458 - Methods of Foreign Language Instruction: K – 12 Credits: 3

Choose one course from each of the following sets:
- SPAN 416 - Spanish for Native Speakers Credits: 3 or
- SPAN 420 - Advanced Spanish Credits: 3
- SPAN 426 - Culture of Spain Credits: 3 or
- SPAN 436 - South American Culture Credits: 3
- SPAN 447 - Spanish for Translation Credits: 3 or
- SPAN 449 - Spanish for Interpreters Credits: 3

**ACA Courses - 9**
One semester of advanced courses in Spain or Argentina through Adventist Colleges Abroad (ACA) is required and take a challenge exam in advanced grammar, composition and conversation courses to complete this requirement.

Choose one course from each of the following sets:
- SPAN 351, 352, 353
- SPAN 361, 362, 363
- SPAN 371, 372, 373

**Electives**
Electives the equivalent of 4 SPAN semester credits from 300- level and above.

Spanish electives selected in consultation with an advisor from SPAN/GBST courses to fulfill the minimum of 21 credits.

**Spanish Minor**

**Total Credits - 24**

Choose from the following courses by advisement:*
- SPAN 171 - Elementary Spanish I Credits: 3
- SPAN 172 - Elementary Spanish II Credits: 3
- SPAN 275 - Intermediate Spanish Credits: 4 (or ACA equivalent)

**Electives**
6 upper division elective credits from SPAN/ILGS courses

Remaining electives selected in consultation with an advisor from SPAN/GBST courses to fulfill the minimum of 24 credits.

*One semester, or summer session, of intermediate or advanced courses in Argentina or Spain through the Adventist Colleges Abroad (ACA) program is required.

**Certificates**

**Business French Certificate**
Andrews University is an approved examination center of the Paris Chamber of Commerce. Students may take the Diplome de Francais des Affaires ler fi Zeme degrees de la Chambre de Commerce et d'Industrie de Paris at Andrews University. These French diplomas, identical to the ones taken in France, are highly respected in the United States, Canada, France, and Europe. Students who succeed in obtaining the Diplome de Francais des Affaires I or II will be able to handle basic business tasks in a French setting.

**Business Spanish Certificate**
Andrews University is also an approved examination center for the Madrid Chamber of Commerce and Industry. Students may take the Examen de Español de Negocios and receive the Diploma or Certificate from the Chamber of Commerce and Industry of Madrid and the prestigious University of Alcalá de Henares. The purpose of this exam is to prove that students have an in-depth knowledge of the Spanish language and that they can work in any business-related field. The deadline for registration is February 15.

**Spanish Translation/Interpretation Certificate**
The Department of International Language Studies offers a Certificate in Spanish Translation/Interpretation. Students who wish to obtain the Certificate should demonstrate fluency in both English and Spanish.

**Requirements for the Certificate:**
- SPAN 325 - Spanish for the Medical Professions Credits: 3
- SPAN 420 - Advanced Spanish Credits: 3
- SPAN 426 - Culture of Spain Credits: 3 or
- SPAN 436 - South American Culture Credits: 3
- SPAN 447 - Spanish for Translation Credits: 3
- SPAN 449 - Spanish for Interpreters Credits: 3
- SPAN 470 - Spanish for Business Credits: 3
- SPAN 488 - Spanish for International Relations Credits: 3

**Other Programs**

**Adventist Colleges Abroad Program**
Andrews University, as a member institution, participates in the Adventist Colleges Abroad (ACA) program which gives North American students an opportunity to enhance their ability to use a foreign language and to experience a foreign culture while completing the requirements for a baccalaureate degree in the regular four-year period without losing credits or extending their courses of study.

The Adventist Colleges Abroad program offers a wide variety of courses in composition, phonetics, reading, literature, folklore, culture, business, and civilization. Other courses may be taken to fulfill Andrews Core Experience requirements. In addition, students participate in on-site guided field trips of geographic, historic, or economic significance.

**Admission Requirements**
- Admission as a student at Andrews University.
- Competence in the language at the intermediate level is recommended. However, applicants with two to three years of secondary or one year of elementary-level college language study may be admitted.
- GPA of 2.25 in the language and 2.00 overall.
- Good citizenship record
- Completion of ACA application with all required information and signatures (academic and financial arrangements).

**Fulfilling Major/Minor Requirements**
Adventist Colleges Abroad students with majors or minors in a language are encouraged to take the required conversation, composition, civilization, and literature courses at the upper division level while studying abroad if their level of proficiency enables them to do so (see major requirements). Upon their return to Andrews University, students must take in residence the following minimum number of credits:
Adventist Colleges Abroad Full-year Study Options

- Adventist University of France, Collonges-sous-Salève, France
- Centro Universitário Adventista de São Paulo, Brazil
- Colegio Adventista de Sagunto, Sagunto (Valencia), Spain
- Universidad Adventista del Plata, Entre Ríos, Argentina

Adventist Colleges Abroad Summer Program offers students an opportunity to take, during a six-week session, beginning-, intermediate-, or advanced-level courses in the following languages:

French
- Adventist University of France
- Collonges-sous-Salève, France

German
- Seminar Schloss Bogenhofen, St. Peter am Hart near Braunau Austria

Greek/Hebrew
- Athens Study Center, Athens, Greece

Italian
- Instituto Adventista Villa Aurora Florence, Italy

Portuguese
- Centro Universitário Adventista, São Paulo, Brazil

Spanish
- Colegio Adventista de Sagunto, Valencia, Spain
- Universidad Adventista de Montemorelos, Mexico

In addition to language study, students participate in on-site guided field trips of geographic, historic, or economic significance.

ACA Academic Year Courses

See the ACA bulletin for course descriptions. A minimum of C is required.

Additional Information

Language Honor Society. The local Beta Kappa chapter of AlphaMu Gamma, the national collegiate honor society for foreign languages, gives recognition to outstanding students.

Language Clubs. The Department of International Language Studies sponsors two language clubs. The purpose is to promote cultural, academic, social and spiritual activities. "Adelante" is the Spanish club and "Oh la la" is the French club. Both clubs require membership fees.

Language Requirements for Andrews Core Experience. Students who wish to have the language requirement waived (with or without credit) by passing a proficiency exam should apply at the Department of International Language Studies. Exams are given in the languages taught at the department: French, German, Korean, Portuguese, and Spanish. Exceptions can be made for other languages by the chair of the Department of International Language Studies. The examination will reflect the student-performance outcomes expected at the intermediate level in the four language skills of reading, writing, listening, and speaking according to the American Council of Teaching Foreign Languages (ACTFL) guidelines. Upon written approval by the instructor, the Department of International Language Studies will grant up to 12 credits per language examined. See here for fees for Language Proficiency exams. See p. 44 for CLEP options.

Preparation for Teaching. Students preparing to teach French or Spanish at the elementary or secondary level must qualify for teaching credentials as outlined in the School of Education (College of Education & International Services) section of this bulletin. The program leading to the Master of Arts in Teaching (MAT) degree in French or Spanish is described in the School of Education (College of Education & International Services) section of this bulletin.

French

FREN 171 - Elementary French I
Credits: 3
Grammar with reading and writing of simple French in the context of significant aspects of culture—oral and listening work stressed. Designed for students who have no French or less than 2 years of high-school French or its equivalent.

Lecture/Lab: Weekly: one 1-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
College Code: CAS

FREN 172 - Elementary French II
Credits: 3
Grammar and reading continued in the context of significant aspects of culture; oral and listening work progressively increased. Designed for students with 23 years of high-school French. A one-hour lab per week is required.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FREN 171 with a minimum grade of C or permission of the instructor.
Schedule Type: Lecture/Lab
College Code: CAS

A study of selected topics in language, culture, literature, or international trade. Topic and credits to be announced.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CAS

ILGS 458 - Methods of Foreign Language Instruction: K -- 12
Credits: 3
A study of selected topics in language, culture, literature, or international trade. Topic and credits to be announced.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CAS

ILGS 478 - Study Tour:
Credits: 0
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.

Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Blended Learning
College Code: CAS

ILGS 490 - Internship
Credits: 3
A one-semester, full-time work assignment which provides the opportunity to extend theoretical classroom learning in an appropriate setting in the U.S. or abroad. A final report is required.

Course/Lab Fee: Yes
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Practicum
Term Offering: Fall
College Code: CAS

ILGS 495 - Directed Study/Readings/Research/Project
Credits: 1–3
In the area of language, culture, literature, or international trade. INLS495 is open only to qualified upper division students. Permission of instructor required.

Grade Mode: Normal w/S/ DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable with different topics
Schedule Type: Independent
College Code: CAS

ILGS 575 - Topics in ______
Credits: 1–3
A study of selected topics in language, literature, or civilization. Topics and credits to be announced.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CAS

ILGS 590 - Directed Study/Reading/Research/Project
Credits: 1–3
Studies in the area of French/Spanish language, literature, or civilization, as
determined in consultation with the instructor.

Grade Mode: Normal w S/DG (A-F,J,S,U,DG,W)
Repeatable: Repeatable

College Code: CAS

Italian

ITLN 141 - Elementary Italian I
Credits: 3
Significant aspects of culture—oral and listening work stressed.

Lecture/Lab: Weekly: one 1-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,J,W)
Schedule Type: Lecture/Lab
Year Offering: Alternate years
Term Offering: Fall
College Code: CAS

ITLN 142 - Elementary Italian II
Credits: 3
Grammar and reading continued: oral and listening work progressively increased. A one-hour lab per week is required.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,J,W)
Prerequisite(s): ITLN141 with a minimum grade of C or permission of the instructor.
Schedule Type: Lecture/Lab
Term Offering: Spring
College Code: CAS

Portuguese

PORT 171 - Elementary Portuguese I
Credits: 3
Grammar with reading and writing of simple Portuguese in the context of significant aspects of culture—oral and listening work stressed.

Lecture/Lab: Weekly: one 1-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,J,W)
Schedule Type: Lecture/Lab
Year Offering: Alternate years
Term Offering: Fall
College Code: CAS

PORT 172 - Elementary Portuguese II
Credits: 3
Grammar and reading continued: oral and listening work progressively increased.

Lecture/Lab: Weekly: one 1-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,J,W)
Prerequisite(s): PORT 171 with a minimum grade of C or permission of instructor.
Schedule Type: Lecture/Lab
Term Offering: Spring
College Code: CAS

PORT 420 - Portuguese Literature & Culture

Year Offering: Alternate Years
College Code: CAS

SPAN 446 - Spanish and Latin American Drama
Credits: 3
A study of selected major Spanish and Latin American writers whose works reflect important political, social, moral, and cultural aspects of Hispanic societies. Conducted entirely in Spanish.

Lecture/Lab: Lab Required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
College Code: CAS

SPAN 447 - Spanish for Translation
Credits: 3
An introduction to the basic principles of translation from English to Spanish and from Spanish to English. An approach to techniques used in writing translation. Strong emphasis on written translations. Conducted entirely in Spanish.

Lecture/Lab: Lab Required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning, Lecture/Lab
College Code: CAS

SPAN 448 - Spanish and Latin American Literature and Film
Credits: 3
Comparison of artistic and linguistic differences between selected pieces of Spanish and Latin American literature and their film adaptation. Emphasis on language, characters, and cultural aspects of society. Conducted entirely in Spanish.

Lecture/Lab: Lab Required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CAS

SPAN 449 - Spanish for Interpreters
Credits: 3
A study of the basic principles of oral interpretation from English to Spanish and from Spanish to English. An approach to techniques used in oral interpretation. Strong emphasis on oral communication. Conducted entirely in Spanish.

Lecture/Lab: Lab Required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CAS

SPAN 456 - Spanish for Speech Pathologists and Audiologists
Credits: 3
Spoken and written Spanish used by speech pathologists and audiologists in both the medical and the educational fields in the United States of America as well as Spanish-speaking countries in the world. Strong emphasis on vocabulary, including specific terminology used in medical settings. This course is specifically oriented to students completing a degree in Spanish and Speech Language Pathology and Audiology as well as to those completing a degree in translation.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SPAN 457 - Spanish Media Translation
Credits: 3
A study of the basic principles of translation in the media. Comparison between translation of written documents and oral messages. Special attention to translating news, commercials, movies, websites, speeches, newspapers, and magazines. Conducted in both English and Spanish.

Lecture/Lab: Lab Required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CAS

SPAN 470 - Spanish for Business
Credits: 3
Spoken and written Spanish common to the Spanish-speaking world of business and industry, with emphasis upon business practices, and the writing and translating of business letters and professional reports. Cross-cultural references provide opportunities for comparative and contrastive analysis of American and Spanish cultural patterns in business settings. Conducted entirely in Spanish. An arranged lab is required. Course offered every other year during spring semester.

Lecture/Lab: Weekly: 3 lectures and a 1-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Lecture/Lab
Year Offering: Alternate Years
Term Offering: Spring
College Code: CAS
SPAN 488 - Spanish for International Relations
Credits: 3
Spoken and written Spanish common to the Spanish-speaking world of international relations with emphasis in vocabulary related to government agencies, non-profit organizations, diplomacy, religious entities, independent agencies (UN, OEA). Special emphasis in communication. Conducted entirely in Spanish.

Lecture/Lab: Lab Required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,J,W)
Schedule Type: Lecture/Lab
College Code: CAS

Mission
The Liberal Arts, General Studies & Interdisciplinary Studies programs serve students who need an individualized and interdisciplinary degree, and house specific courses that do not naturally fit within any existing departments. The goal is to cooperate with the mission of the sponsoring departments and the fundamental mission of Andrews University.

Associates

General Studies AA

E-mail: generalstudies@andrews.edu

The General Studies Associate of Arts degree is designed to serve students seeking to complete a degree for personal or professional goals.

Program Delivery: Students electing to complete more than 50% of the program online will choose the distance education version, coordinated through the School of Distance Education. This online degree does not require any on-campus time unless on-campus courses are selected.

Total Credits - 62

Major - 27

Focus Area – 15
Student must complete 15 credits in a chosen focus area of study.

Electives – 12
Student must select 12 credits of electives.

Additional Requirements
- The student must complete the Andrews Core Experience courses for an Associate degree.
- Selection of courses is made in consultation with the academic advisor.
- A minimum of 15 semester credits must be earned through Andrews University.

Student Learning Outcomes

1: Specialized Knowledge: Skills and Competencies
- Students learn specialized skills and competencies necessary to develop a discipline specific vocabulary across core curriculum in preparation for the student’s area of emphasis.
- Develop a strong foundation in communication that spans across disciplines.
- Define a personal language that allows for how those views fit in relation to others and the world around them.
- Convey ideas with clarity and confidence in their speech and writing.
- Convey ideas with clarity and confidence in their work.

2: Critical Thinking and Creative Process
- Students gain a discipline specific vocabulary of creative strategies including research, conceptualization, and problem solving strategies which can be applied to any visual or communicative problem.
- Evaluate and synthesize different points of view and determine solutions to serve specific outcomes.
- Apply a flexible and analytical approach to finding creative, practical, and actionable solutions to a variety of visual communication problems.
- Incorporate an adaptable approach to a rapidly changing media landscape.

3: Cultural Literacy and Contextual Adaptability
- Students take advantage of the unique learning environment of Andrews University by developing a curiosity, respect, and recognition of diversity in cultural, economic and social entities.
- Gain an understanding of current social, cultural, economic, and environmental issues and how these issues can inform and shape their creative production and its reception.
- Demonstrate knowledge of historical, current, and innovative events across disciplines.
- Develop familiarity of discipline ideologies across a range of media and various applications.

4: Intentional Exploration with Interdisciplinary Connections
- Students pursue the various creative processes with intentionality to explore interdisciplinary connections and their potential.
- Gain knowledge and appreciation for the potential in interdisciplinary pursuits and collaborations.
- Students use specialized knowledge to navigate between academic disciplines to create cross-disciplinary content.
- Network across disciplines to pursue opportunities for collaborative projects and community-based initiatives.

5: Quality of Execution + Professional Practices
- Students develop a discipline focused portfolio in conjunction with their chosen discipline development.
- Students develop insight into business practices and principles that are specific to their chosen field.
- Reflect on process to understand its usefulness in establishing individual perspective, intentionality of craft, and personal methodologies.
- Students learn effective research and conceptualization approaches to assignments and presentations.
- Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

6: Development and Integration of Faith and Ethics
- The integration of faith and ethics within the context of their chosen discipline focused careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity.
- Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.
- Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.
- Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

General Studies AS

E-mail: generalstudies@andrews.edu

The General Studies Associate of Science degree is designed to serve students seeking to complete a degree for personal or professional goals.

Program Delivery: Students electing to complete more than 50% of the program online will choose the distance education version, coordinated through the School of Distance Education. This program is offered in an interactive online format.

• Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.
• Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.
• Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

Bachelors

General Studies BA

E-mail: generalstudies@andrews.edu

The General Studies Bachelor of Arts degree is designed to serve students seeking to complete a degree for personal or professional goals.

Program Delivery: Students electing to complete more than 50% of the program online will choose the distance education version, coordinated through the School of Distance Education. This program is offered in an interactive online format (see School of Distance Education Definitions). This online degree does not require any on-campus time unless on-campus courses are selected.

Total Credits - 124

Major - 33
Student must complete a minimum of 33 credits in a chosen major focus area, with at least 11 credits numbered 300 or above.

Electives
Student must select elective courses to fill the balance of 124 semester credits.

Additional Requirements
• The student must complete the Andrews Core Experience courses for a Bachelor of Arts degree.
• Selection of courses is made in consultation with the academic advisor.
• A minimum of 30 semester credits must be earned through Andrews University.

Student Learning Outcomes
1: Specialized Knowledge: Skills and Competencies
• Students learn specialized skills and competencies necessary to develop a discipline specific vocabulary across core curriculum in preparation for the student’s area of emphasis.

2: Critical Thinking and Creative Process
• Students gain a discipline specific vocabulary of creative strategies including research, conceptualization, and problem solving strategies which can be applied to any visual or communicative problem.
• Evaluate and synthesize different points of view and determine solutions to serve specific outcomes.
• Apply a flexible and analytical approach to finding creative, practical, and actionable solutions to a variety of visual communication problems.
• Incorporate an adaptable approach to a rapidly changing media landscape.

3: Cultural Literacy and Contextual Adaptability
• Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.
• Students take advantage of the unique learning environment of Andrews University by developing a curiosity, respect, and recognition of diversity in cultural, economic and social entities.
• Gain an understanding of current social, cultural, economic, and environmental issues and how these issues can inform and shape their creative production and its reception.
• Demonstrate knowledge of historical, current, and innovative events across disciplines.
• Develop familiarity of discipline ideologies across a range of media and various applications.
• A minimum of 30 semester credits must be earned through Andrews University.
• No course with a grade below C- may count toward the major focus area.

**Student Learning Outcomes**

1: Specialized Knowledge: Skills and Competencies

• Students learn specialized skills and competencies necessary to develop a discipline specific vocabulary across core curriculum in preparation for the student's area of emphasis.
• Develop a strong foundation in communication that spans across disciplines.
• Define a personal language that allows for how those views fit in relation to others and the world around them.
• Develop a discipline specific vocabulary of creative strategies including research, conceptualization, and problem solving strategies which can be applied to any visual or communicative problem.
• Convey ideas with clarity and confidence in their speech and writing.
• Incorporate an adaptable approach to a rapidly changing media landscape.

2: Critical Thinking and Creative Process

• Students learn effective research and conceptualization approaches to assignments and presentations.
• Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.
• Develop a discipline focused portfolio in conjunction with their chosen discipline development.
• Students develop insight into business practices and principles that are specific to their chosen field.

• The integration of faith and ethics within the context of their chosen discipline focused careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity.

5: Quality of Execution + Professional Practices

• Students learn effective research and conceptualization approaches to assignments and presentations.
• Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.
• Students develop effective research and conceptualization approaches to assignments and presentations.
• Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

6: Development and Integration of Faith and Ethics

• The integration of faith and ethics within the context of their chosen discipline focused careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity.
• Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.
• Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.

**General Studies BS**

E-mail: generalstudies@andrews.edu

The General Studies Bachelor of Science degree is designed to serve students seeking to complete a degree for personal or professional goals.

**Program Delivery:** Students electing to complete more than 50% of the program online will choose the distance education version, coordinated through the School of Distance Education. This program is offered in an interactive online format (see School of Distance Education Definitions). This online degree does not require any on-campus time unless on-campus courses are selected.

**Total Credits - 124**

**Major - 39**

Student must complete a minimum of 39 credits in a chosen major focus area, with at least 13 credits numbered 300 or above.

**Electives**

Student must select elective courses to fill the balance of 124 semester credits.

**Additional Requirements**

• The student must complete the Andrews Core Experience courses for a Bachelor of Science degree.
• Selection of courses is made in consultation with the academic advisor.
Liberal Arts BA

E-mail: generalstudies@andrews.edu

The Andrews University liberal arts curriculum seeks to challenge students by preparing them for an increasingly complex and interconnected world.

Liberal Arts students will be required to keep a portfolio of work done during their education in order to demonstrate progress toward meeting learning objectives.

Why and for whom

- Person with a broader interest than a single discipline
- For those who switched majors
- Fall-back for the capable student
- More flexible than single-discipline degree
- For affiliate campuses – only approved concentrations

Divided into two concentrations

- Humanities
- Interdisciplinary

Total Credits - 124

Major - 43-45

PHIL 224 - Introduction to Philosophy Credits: 3

Concentration - 40-42

Humanities Concentration - 42

RELG 350 - World Religions Credits: 3

Choose 2 of the following courses:

- ARTH 220 - Language of Art Credits: 3
- MUHL 214 - Enjoyment of Music Credits: 3
- ENGL 255 - Studies in Literature: ____________ Credits: 3

Take 33 credits from three of the six areas listed below (including 15 upper-division credits from two of the six following areas):

- Fine Arts
- Philosophy
- Music
- Literature
- History
- Religion

Interdisciplinary Concentration - 40

This concentration requires students to choose the equivalent of two 20-credit hour focus areas approved by the Andrews liberal arts advisory committee. At least 15 credits must be chosen from upper division courses.

Additional Requirements

- The student must complete the Andrews Core Experience courses for a Bachelor of Arts degree.
- Selection of courses is made in consultation with the academic advisor.
- A minimum of 30 semester credits must be earned through Andrews University.

Additional Information

The Liberal Arts degree program will be administered from the College of Arts and Sciences Dean’s Office, with the director of the Explore Andrews program assigned the responsibility to coordinate the advising of students.

Restrictions on available concentrations for affiliate sites will be impacted by the terms and conditions of the specific affiliation agreement.

Student Learning Outcomes

Graduates of this program will demonstrate:

- Critical thinking skills.
- Effective communication.
- Commitment to lifelong learning and the preparation for lives of leadership and service.

Liberal Arts BS

E-mail: generalstudies@andrews.edu

The Andrews University liberal arts curriculum seeks to challenge students by preparing them for an increasingly complex and interconnected world.

Liberal Arts students will be required to keep a portfolio of work done during their education in order to demonstrate progress toward meeting learning objectives.

Why and For Whom

- Person with a broader interest than a single discipline
- For those who switched majors
- Fall-back for the capable student
- More flexible than single-discipline degree
- For affiliate campuses – only approved concentrations

Concentrations Options:

- Sciences
- Social Sciences
- Interdisciplinary

Total Credits - 124

Major - 43-45

PHIL 224 - Introduction to Philosophy Credits: 3

Concentration - 40-42

Sciences Concentration - 42

Choose one of the following courses:

- MATH 168 - Precalculus Credits: 4
- MATH 191 - Calculus I Credits: 4
- MATH 195 - Calculus I for Biology Credits: 4

Choose two of the following sequences:

- BIOL 165 - Foundations of Biology Credits: 4,5 and BIOL 166 - Foundations of Biology Credits: 4,5
- CHEM 131 - General Chemistry I Credits: 4 and CHEM 132 - General Chemistry II Credits: 4
- PHYS 141 - General Physics I Credits: 4 and PHYS 142 - General Physics II Credits: 4
- PHYS 241 - Physics for Scientists and Engineers I Credits: 4 and PHYS 242 - Physics for Scientists and Engineers II Credits: 4

Social Sciences Concentration - 42

Choose 3 of the following courses:

- ANTH 124 - Introduction to Anthropology Credits: 3
- PSYC 101 - Introduction to Psychology Credits: 3
- SOC 119 - Principles of Sociology Credits: 3
- PLSC 104 - American Government Credits: 3
- ECON 225 - Principles of Microeconomics Credits: 3
- ECON 226 - Principles of Macroeconomics Credits: 3

Take 27 credits in 2 of the following focus areas with a minimum of 6 upper-division credits from each focus area (for a total of 12 credits):

- Anthropology
- Psychology
- Sociology
- Political Science
- Economics
Interdisciplinary Concentration – 40
This concentration requires students to choose the equivalent of two 20-credit hour focus areas approved by the Andrews liberal arts advisory committee. At least 15 credits must be chosen from upper division courses.

Additional Requirements
- The student must complete the Andrews Core Experience courses for a Bachelor of Arts degree.
- Selection of courses is made in consultation with the academic advisor.
- A minimum of 30 semester credits must be earned through Andrews University.

Additional Information
The degree on the diploma and transcript will be listed as a Bachelor of Arts or a Bachelor of Science. The major on the transcript will be Liberal Arts, with a listing of one of four concentrations: Humanities, Sciences, Social Sciences, Interdisciplinary.

The Liberal Arts degree program will be administered from the College of Arts and Sciences Dean’s Office, with the Associate Dean assigned the responsibility to coordinate the advising of students. Academic oversight of the program will be the responsibility of the Liberal Arts Advisory Committee whose membership will include representation from the departments represented by the curricular requirements.

Restrictions on available minors for affiliate sites will be impacted by the terms and conditions of the specific affiliation agreement.

Student Learning Outcomes
Graduates of this program will demonstrate:
- Critical thinking skills.
- Effective communication.
- Commitment to lifelong learning and the preparation for lives of leadership and service.

General Studies

GNST 091 - Academic Tutorial Support
Credits: 1–4
A tutorial application of the principles of academic success. Includes one-on-one tutoring and/or group-learning experiences. Could also include academic or cognitive evaluations when necessary.
Grade Mode: Satisfactory (S,U,I,W)
Prerequisite(s): Consent of the instructor required.
Schedule Type: Independent
College Code: CAS

GNST 295 - Topics:
Credits: 0–3
Topic content and format of this course is variable. May be repeated in different topic areas.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture, Blended Learning, Interactive Online
Special Approval: Instructor permission required
College Code: CAS

GNST 297 - Independent Study:
Credits: 0–3
Individually-directed study and readings on topics in consultation with advisor and/or instructor.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Independent
Special Approval: Instructor permission required
College Code: CAS

GNST 298 - PLA: (Special Topic)
Credits: variable
PLA (Prior Learning Assessment) is a process which validates learning experiences that have occurred outside traditional college/university academic programs. A portfolio of evidence for demonstrating experience and competency justifies and determines the amount of credit granted.
Grade Mode: By examination (P)
Repeatable: Repeatable with different topics
Schedule Type: Independent
College Code: CAS

GNST 416 - GRE Standardized Test Preparation: Verbal
Credits: 1
Review of topics covered on the standardized GRE exam. Includes at least one full-length practice exam.
Grade Mode: Satisfactory (S,U,I,W)
Schedule Type: Lecture
College Code: CAS

GNST 417 - GRE Standardized Test Preparation: Quantitative
Credits: 1
Review of topics covered on the standardized GRE exam. Includes at least one full-length practice exam.
Grade Mode: Satisfactory (S,U,I,W)
Schedule Type: Lecture
College Code: CAS

GNST 495 - Topics:
Credits: 0–3
Topic content and format of this course is variable. May be repeated in different topic areas.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture, Blended Learning, Interactive Online
College Code: CAS

GNST 497 - Independent Study:
Credits: 0–3
Individually directed study or readings on topics, under the guidance of the instructor, and in consultation with advisor and/or instructor.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Independent
Special Approval: Instructor permission required
College Code: CAS

GNST 498 - PLA: (Special Topic)
Credits: variable
PLA (Prior Learning Assessment) is a process which validates learning experiences that have occurred outside traditional college/university academic programs. A portfolio of evidence for demonstrating experience and competency justifies and determines the amount of credit granted.
Grade Mode: By examination (P)
Repeatable: Repeatable with different topics
Schedule Type: Independent
College Code: CAS

GNST 499 - PLA Portfolio Development
Credits: 2
The development of a portfolio of evidence to present for Prior Learning Assessment.
Grade Mode: By examination (P)
Schedule Type: Independent
College Code: CAS

Interdisciplinary Studies
Details of departmental course offerings and course descriptions may be obtained from the department(s) involved.
IDSC 205 - Introduction to Fine Arts I
Credits: 3
An introduction to some of the branches of Western art and music from the Middle Ages through to the Baroque. The two disciplines are studied chronologically and in parallel, with the aim of stimulating an interest in and appreciation of the creative arts whilst placing them in their historical contexts. Guided field trips give students the opportunity to experience art masterpieces and musical performances. Available only to Andrews University students attending Newbold College.

Grade Mode: A-F,I,W
Schedule Type: Lecture
College Code: CAS

IDSC 206 - Introduction to Fine Arts II
Credits: 3
An exploration of Western art and music commencing with the Classical era through to the 21st century. The two disciplines continue their chronological parallel investigations. Guided field trips give students the opportunity to experience art masterpieces and musical performances. Available only to Andrews University students attending Newbold College.

Grade Mode: A-F,I,W
Schedule Type: Lecture
College Code: CAS

IDSC 278 - Study Tour:
Credits: 0
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.

Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Blended Learning
College Code: CAS

IDSC 280 - Cooperative Education in_____(subject area)
Credits: 0–15
Supervised work experience with a cooperating industry, agency, or institution. The student is supervised by his/her department. At least 175 hours of work required per credit.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Sophomore standing or above and permission of the department chair. Students must apply and be accepted one semester in advance of their planned cooperative education experiences.
Repeatable: Repeatable up to 1 credit
Schedule Type: Independent
College Code: CAS

IDSC 294 - Off-Campus Study in_______
Credits: 0–15
See advisor for details.

Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

IDSC 394 - Off-Campus Study in______
Credits: 0–15
See advisor for details.

Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

IDSC 425 - STEM Boost
Credits: 3
Hands-on learning in the major STEM disciplines which includes agriculture, biology, chemistry, engineering, math, and physics. This is designed to be blended course, combination of online distance learning and on-campus labs. The knowledge and experiences gained in this course is designed to be executed in both small and large schools settings, inexpensive, with easy setup/cleanup. This class satisfies continuing education academic credit for teacher re-certification. It is designed specifically for middle and high school educators teaching grades S-12. Elementary educators teaching grades K-4 science are also welcome and encouraged to attend.

Course/Lab Fee: Yes
Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Schedule Type: Blended Learning
Term Offering: Summer
College Code: CAS

IDSC 456 - Integrated Science
Credits: 4
This course is designed to provide a science experience that models what science professionals do in the real world. This course will integrate content from life, physical and earth science using a project driven, problem solving approach. Laboratory and lecture experiences are integrated continuously and include a strong technology component.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CAS

IDSC 525 - STEM Graduate Boost
Credits: 3
A graduate level, hands-on experience in the major STEM disciplines which include agriculture, biology, chemistry, engineering, math, and physics. This is designed to be a blended course - a combination of online distance learning and an on-campus lab intensive. The knowledge and experiences gained in this course is designed to be implemented in both small and large schools settings, inexpensive, with easy setup/cleanup. This class satisfies continuing education academic credit for teacher re-certification. It is designed specifically for middle and high school educators teaching grades S-12. Elementary educators teaching grades K-4 science are also welcome and encouraged to attend. Participants will draft feasible prospective lesson plans as well as appropriate assessment tools and equipment acquisition and management strategies in the context of their classroom(s) and institution(s).

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable with different topics
Schedule Type: Blended Learning
Term Offering: Summer
College Code: CAS

IDSC 596 - Student Missionary/Taskforce Experience
Credits: 0
This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

IDSC 380 - Cooperative Education in_____(subject area)
Credits: 0–15
Supervised work experience with a cooperating industry, agency, or institution. The student is supervised by his/her department. At least 175 hours of work required per credit.

Grade Mode: Normal (A-F,I,W)

Mission
• Through teaching, research, and service, the Department of Mathematics seeks to provide leadership by
• Preparing a diverse student body with the mathematical understanding, problem-solving skills, and dispositions that enable career excellence;
• Increasing mathematical and scientific knowledge through publication and presentation and engaging undergraduates in research;
• Supporting the broader mathematics education community and mentoring others for generous service through a committed Christian life.

Mathematics is foundational to physics, engineering, and computer science, and is increasingly important in many fields of study such as finance, accounting, economics, biology, medicine, and environmental science. Students majoring in these and other fields will find that acquiring an additional major in mathematics or mathematical studies greatly enhances the marketability of their degree.

Special Requirements and Placement Test

Non-overlapping Credit Restrictions
Because there is substantial overlap in material covered in the following groups of courses, no student is granted credit (other than general elective credit) in more than one course from each group:
MATH182, 191, 195 (Calculus with Applications, Calculus I, Calculus I for Biology)
MATH145, 165, 166 (Mathematics in the (Mis)Information Age, College Algebra, College Algebra for Business)

Minimum Grade for Prerequisites
Except for MATH191 and 195 which require a C in the prerequisite class (MATH168), the minimum grade to satisfy prerequisites is C-.

Mathematics Placement Examination (MPE) and General Education Mathematics Requirement
Information on the MPE and Andrews Core Experience Mathematics requirements is available in the section on Andrews Core Experience Mathematics and on the Department of Mathematics Web site.

Bachelors

Data Science BS

Data Scientists provide insight and predictions from data. They work in research labs, startups, corporations, universities, governments, and nonprofits. A degree in data science provides students with skills for acquiring, managing, visualizing, mining, and modeling data. Students in this program learn tools and techniques for working with Big Data and using machine learning for making predictions. The program consists of a core set of data science, computer science, mathematics, and statistics courses and the choice of one track where students learn discipline-specific techniques and issues.

The Data Science BS program is shared between the Department of Mathematics in the College of Arts and Sciences and the Department of Computing in the College of Professions.

See College of Professions for detailed information about the Data Science BS.

Mathematics BS

This degree works either as a stand-alone degree to prepare you for graduate school in mathematics or as a second degree to strengthen your preparation for a career in another field. Paired with the appropriate minor or second major, a degree in mathematics opens the door to a plethora of careers including finance, technical journalism, scientific research and development, architecture, teaching, engineering, law, medicine, actuarial science, and government jobs. The analytical problem-solving skills, abstract reasoning abilities, and logical and precise thought that mathematics imparts will make you an asset to employers in the private and public sectors.

BS Mathematics majors learn and grow within a diverse and global atmosphere that prepares them to serve humanity as citizens of the world, to serve the world Church, and to excel in a global marketplace. Doing mathematics with the "other" can break down barriers and create communities across boundaries. This program is certified by the Michigan Department of Education for secondary teaching. Majors desiring secondary-teaching certification should also consult with the School of Education (College of Education & International Services).

Alternatives:
• Mathematical Studies major (if you want two majors but have a tight schedule and don't plan to go to math graduate school)
• Mathematics Education degree (if you want to teach in high school)
• Data Science degree (if you enjoy computer programming and statistical reasoning)

Total Credits - 124

Major - 39

MATH 191 - Calculus I Credits: 4
or MATH 195 - Calculus I for Biology Credits: 4

Choose one of the following courses each semester (4 semesters):
MATH 192 - Calculus II Credits: 4
MATH 215 - Introduction to Linear Algebra Credits: 3
MATH 240 - Calculus III Credits: 4
MATH 286 - Differential Equations Credits: 3
MATH 315 - Linear Algebra Credits: 3
MATH 355 - Foundations of Advanced Mathematics Credits: 3
MATH 431 - Real Analysis I Credits: 3
MATH 432 - Real Analysis II Credits: 3
MATH 441 - Abstract Algebra I Credits: 3
MATH 442 - Abstract Algebra II Credits: 3

Choose 6 credits in consultation with advisor:
MATH 405 - Applied Mathematics Credits: 3
MATH 408 - Complex Analysis Credits: 3
MATH 426 - Mathematical Modeling in Biology Credits: 3
MATH 442 - Abstract Algebra II Credits: 3
MATH 475 - Geometry Credits: 3
MATH 487 - Special Topics in ______ Credits: 1–3
MATH 495 - Independent Study Credits: 1–3
MATH 497 - Research in Mathematics Credits: 0–3
STAT 340 - Probability Theory with Statistical Applications Credits: 3

Additional Requirements
• A major field test in mathematics is required during the senior year.
• Students in a secondary teacher certification program are required to take the following courses:
Choose one of the following courses each semester (4 semesters):

**Major - 36**
- MATH 191 - Calculus I Credits: 4
- MATH 195 - Calculus I for Biology Credits: 4
- MATH 192 - Calculus II Credits: 4
- MATH 215 - Introduction to Linear Algebra Credits: 3
- MATH 240 - Calculus III Credits: 4
- MATH 355 - Foundations of Advanced Mathematics Credits: 3
- MATH 375 - Secondary School Mathematics Teaching Credits: 3
- MATH 475 - Geometry Credits: 3
- STAT 285 - Introduction to Applied Statistics Credits: 3
- STAT 340 - Probability Theory with Statistical Applications Credits: 3

Cognates - 3
- CPTR 151 - Computer Science I Credits: 3

**Secondary Education BA/BS**

See College of Education and International Services to view the Secondary Education BA/BS requirements.

**Student Learning Outcomes**
- Students will demonstrate breadth and depth in their knowledge of undergraduate mathematics.
- Students will have teaching-related work experience during their college years.
- Students will demonstrate a commitment to Jesus, the Seventh-day Adventist Church, and service to others.
- Graduates and student teachers will demonstrate a good understanding of the mathematics that they are teaching and will have the ability to communicate it clearly.
- Graduates will be successful in obtaining employment or acceptance into graduate or professional programs.

**Non-degree Majors**

**Mathematical Studies Major**

This program provides an opportunity for students earning degrees in other areas to strengthen their career preparation and portfolio by adding a second major in mathematics. Each student is required to complete a total of 39 major credits, with an additional 3 Cognate credits. The program is flexible and can be tailored to fit various interests.

**Total Credits - 124**

**Major - 30**
- MATH 191 - Calculus I Credits: 4
- MATH 195 - Calculus I for Biology Credits: 4
- MATH 192 - Calculus II Credits: 4
- MATH 215 - Introduction to Linear Algebra Credits: 3
- MATH 240 - Calculus III Credits: 4
- MATH 355 - Foundations of Advanced Mathematics Credits: 3
- MATH 408 - Complex Analysis Credits: 3
- MATH 426 - Mathematical Modeling in Biology Credits: 3
- MATH 431 - Real Analysis I Credits: 3
- MATH 441 - Abstract Algebra I Credits: 3
- MATH 442 - Abstract Algebra II Credits: 3
- MATH 475 - Geometry Credits: 3

Choose 15 credits from the following in consultation with advisor:
- CPTR 151 - Computer Science I Credits: 3
- MATH 286 - Differential Equations Credits: 3
- MATH 315 - Linear Algebra Credits: 3
- MATH 441 - Abstract Algebra I Credits: 3
- PHYS 277 - Physics Colloquium Credits: 0

**Additional Requirements**

Mathematics minor with secondary certification (if you want to prepare in another discipline, such as Engineering or Physics, so the required curriculum is more flexible than that of the BS Mathematics degree)

Cognates - 3
- CPTR 151 - Computer Science I Credits: 3

**Cognates - 3**
- STAT 285 - Introduction to Applied Statistics Credits: 3
- STAT 340 - Probability Theory with Statistical Applications Credits: 3

**Total Credits - 124**

**Major - 36**
- MATH 191 - Calculus I Credits: 4
- MATH 195 - Calculus I for Biology Credits: 4
- MATH 192 - Calculus II Credits: 4
- MATH 215 - Introduction to Linear Algebra Credits: 3
- MATH 240 - Calculus III Credits: 4
- MATH 355 - Foundations of Advanced Mathematics Credits: 3
- MATH 375 - Secondary School Mathematics Teaching Credits: 3
- MATH 475 - Geometry Credits: 3
- STAT 285 - Introduction to Applied Statistics Credits: 3
- STAT 340 - Probability Theory with Statistical Applications Credits: 3

Choose one of the following courses each semester (2 semesters):
- MATH 389 - Mathematics Colloquium Credits: 0
- PHYS 277 - Physics Colloquium Credits: 0

**Additional Requirements**

Mathematics minor with secondary certification (if you can fit four more courses into your curriculum, then you can probably upgrade your Mathematical Studies major to a full degree)
Student Learning Outcomes

- Students will demonstrate breadth and depth in their grasp of undergraduate mathematics.
- Students will conduct research projects, write papers, and make presentations.
- Graduates will be successful in obtaining employment or acceptance into graduate or professional programs.
- Graduates who enter graduate programs will be successful in completing the first year and eventually a master’s or doctoral degree.
- Students will demonstrate a commitment to Jesus, the Seventh-day Adventist Church, and service to others.

Undergraduate Minors

Mathematics Education Minor

This minor is designed for elementary school teachers who want more than the standard preparation for teaching mathematics. Employers recognize the importance of solid mathematics instruction, and this minor will communicate to them the depth of your knowledge of mathematics and your big picture view of the most important mathematical ways of thinking needed to prepare students for any career. This minor is available only to students obtaining elementary certification.

For more information regarding teacher certification with a minor, see the Department of Teaching, Learning & Curriculum.

Total Credits - 23

MATH 168 - Precalculus Credits: 4
MATH 191 - Calculus I Credits: 4
or
MATH 195 - Calculus I for Biology Credits: 4
MATH 215 - Introduction to Linear Algebra Credits: 3
MATH 221 - Mathematics for Elementary Teachers I Credits: 3
MATH 222 - Mathematics for Elementary Teachers II Credits: 3
MATH 355 - Foundations of Advanced Mathematics Credits: 3
STAT 285 - Introduction to Applied Statistics Credits: 3

Student Learning Outcomes

Students in this program will:

- Achieve practical fluency in the methods and applications of calculus and introductory linear algebra.
- Use appropriate mathematical techniques and ideas to solve problems and analyze real-world systems.
- Become acquainted with formal mathematical reasoning, including proofs.

Mathematics Minor

If you enjoy math but are not quite ready to commit to a major, a minor in mathematics will communicate to others your interest and abilities in logical thought, persistence, attention to detail, and problem-solving. If you start with a Mathematical Studies major and discover that your schedule or passion doesn’t allow you to finish, then you can still have a minor showing on your transcript.

Total Credits - 20

MATH 191 - Calculus I Credits: 4
or MATH 195 - Calculus I for Biology Credits: 4

MATH 192 - Calculus II Credits: 4
MATH 215 - Introduction to Linear Algebra Credits: 3

Choose 9 credits from the following in consultation with a departmental advisor:

MATH 240 - Calculus III Credits: 4
MATH 286 - Differential Equations Credits: 3
MATH 315 - Linear Algebra Credits: 3
MATH 355 - Foundations of Advanced Mathematics Credits: 3
MATH 405 - Applied Mathematics Credits: 3
MATH 408 - Complex Analysis Credits: 3
MATH 426 - Mathematical Modeling in Biology Credits: 3
MATH 431 - Real Analysis I Credits: 3
MATH 432 - Real Analysis II Credits: 3
MATH 441 - Abstract Algebra I Credits: 3
MATH 442 - Abstract Algebra II Credits: 3
MATH 475 - Geometry Credits: 3
MATH 487 - Special Topics in _______ Credits: 1–3
MATH 495 - Independent Study Credits: 1–3
MATH 497 - Research in Mathematics Credits: 0–3
STAT 340 - Probability Theory with Statistical Applications Credits: 3

Minor Requirements for Elementary or Secondary Certification

For more information regarding teacher certification with a minor, see the Department of Teaching, Learning & Curriculum. Students in an elementary or secondary teacher certification program are required to take the following courses:

MATH 355 - Foundations of Advanced Mathematics Credits: 3
MATH 475 - Geometry Credits: 3
STAT 285 - Introduction to Applied Statistics Credits: 3
STAT 340 - Probability Theory with Statistical Applications Credits: 3

Choose one of the following options:

MATH 375 - Secondary School Mathematics Teaching Credits: 3 (secondary teacher certification)
MATH 221 - Mathematics for Elementary Teachers I Credits: 3 and MATH 222 - Mathematics for Elementary Teachers II (elementary teacher certification)

NOTE: A major field test in mathematics is required during the senior year.

Student Learning Outcomes

Students in this program will:

- Achieve practical fluency in the methods and applications of calculus and introductory linear algebra.
- Use appropriate mathematical techniques and ideas to solve problems and analyze real-world systems.
- Become acquainted with formal mathematical reasoning, including proofs.

Mathematics of Economics and Finance Minor

This minor is highly recommended for students planning to go to graduate school in areas such as accounting, finance, business insurance, and actuarial science. A graduate degree in economics will need more mathematics, so consider a Mathematical Studies major and consult with your academic advisor. The minor is available only to students obtaining a degree in the School of Business Administration.

Total Credits - 20

MATH 191 - Calculus I Credits: 4
MATH 192 - Calculus II Credits: 4
MATH 215 - Introduction to Linear Algebra Credits: 3
MATH 286 - Differential Equations Credits: 3
STAT 285 - Introduction to Applied Statistics Credits: 3
STAT 340 - Probability Theory with Statistical Applications Credits: 3

Student Learning Outcomes

Students in this program will:

- Achieve fluency in the methods and applications of calculus and introductory linear algebra.
• Obtain an undergraduate level of understanding of differential equations and probability theory with applications in finance.
• Become acquainted with formal mathematical reasoning, including proofs.

Mathematics

MATH 091 and MATH 092 are provided for students not achieving a score of at least P2 on the Mathematics Placement Examination (MPE).

Students complete the sequence MATH091/092 by passing a set of proficiency tests in arithmetic and algebra, at which time a P2 score is awarded. When this occurs, the student has completed the Math Skill part of the General Education requirement, and is considered ready to take MATH 145, MATH 165, MATH 166 or STAT 285. Depending on the diligence and previous preparation of the student, this may occur at any time in the MATH 091/MATH 092 sequence.

MATH 091 - Arithmetic and Algebra Review I
Credits: 3
Individualized review of arithmetic and algebra skills. Algebra topics include linear, quadratic and rational equations; graphs and systems of linear equations; and polynomial operations and factoring. Students completing all of the required topics and exams while enrolled in MATH091 will receive an MPE score of P2 and are not required to take MATH 092. Students earning a passing grade in MATH 091 but not completing all of the required topics and exams must enroll in MATH 092. This developmental course does not count toward college credit.

Course/Lab Fee: Yes
Grade Mode: Normal with R (A-F,I,W,R)
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CAS

MATH 092 - Arithmetic and Algebra Review II
Credits: 3
Continuation of MATH 091. Students not completing the sequence requirements but fulfilling attendance, participation, and progress requirements may receive an R grade requiring re-registration the next semester. This developmental course does not count toward college credit.

Course/Lab Fee: Yes
Grade Mode: Normal with R (A-F,I,W,R)
Prerequisite(s): MATH 091
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CAS

MATH 145 - Mathematics for the (Mis)Information Age
Credits: 3
A quantitative reasoning course that teaches how to use algebraic tools and real-world data to make informed decisions and avoid being misled in public policy, science, health, and business. Topics include logic; interpreting graphs and tables; functions such as linear, quadratic, exponential, and logarithmic with applications to population growth and personal finance; and fundamentals of probability and statistics such as false positives and statistical significance.

Course Attribute: Fulfills the General Education Mathematics reasoning requirement
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MPE ≥ P2.
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CAS

MATH 165 - College Algebra
Credits: 3
Introduction to precalculus. Linear, quadratic, radical, and absolute value equations and inequalities; graphs of lines, parabolas, circles, ellipses and hyperbolas; composition and inverses of functions; transformations of graphs, symmetry; linear, quadratic, exponential, logarithmic, polynomial, and rational functions. Introduction to derivatives of polynomials. Applications to business and science, including interpretation of graphs and charts.

Course Attribute: Fulfills the General Education Mathematics reasoning requirement
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MPE ≥ P2
Schedule Type: Lecture, Interactive Online, Self-Paced

MATH 166 - College Algebra for Business
Credits: 3
Introduction to precalculus. Linear, quadratic, radical, and absolute value equations and inequalities; graphs of lines, parabolas, circles, ellipses and hyperbolas; composition and inverses of functions; transformations of graphs, symmetry; linear, quadratic, exponential, logarithmic, polynomial, and rational functions. Introduction to derivatives of polynomials. Applications to business and science, including interpretation of graphs and charts.

Course Attribute: Fulfills the General Education Mathematics reasoning requirement
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MPE ≥ P2
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CAS

MATH 167 - Precalculus Trigonometry
Credits: 1
Trigonometric functions and their inverses, identities, trigonometric equations; laws of sines and cosines, vectors, applications, and selected topics.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MPE ≥ P3 or MATH 165 or MATH 166
Schedule Type: Lecture
College Code: CAS

MATH 168 - Precalculus
Credits: 4
Linear, quadratic, and absolute value equations and inequalities with applications; radical equations; polynomial, rational, exponential, logarithmic, inverse, trigonometric functions; higher order equations; exponential and logarithmic equations; the unit circle, trigonometric identities and equations; Law of Sines and Cosines; vectors in the plane, polar coordinates and graphs; complex numbers and De Moivre's Theorem; conic sections.

Course Attribute: Fulfills the General Education Mathematics reasoning requirement
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MPE ≥ P3 or MATH 165 or MATH 166
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Fall, Spring
College Code: CAS

MATH 182 - Calculus with Applications
Credits: 3
Introduction to single-variable calculus, including limits, differentiation, optimization, and integration with applications to problems in business and the social sciences. Some topics from multivariable calculus, including partial derivatives and extrema of functions of two variables.

Course Attribute: Fulfills the General Education Mathematics reasoning requirement
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MPE ≥ P4 or MATH 167 or MATH 168
Schedule Type: Lecture
College Code: CAS

MATH 191 - Calculus I
Credits: 4
MATH191, 192 is a standard introduction to single-variable calculus. MATH 191 includes limits, continuity, derivatives, applications and integration up through substitution and integration by parts. Formal definitions of limit, derivative, and Riemann integral. Proofs of standard theorems, including the Fundamental Theorem of Calculus.

Course Attribute: Fulfills the General Education Mathematics reasoning requirement
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MPE=P5 or MATH 167 or MATH 168 with grade no lower than C.
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Fall, Spring
College Code: CAS

MATH 192 - Calculus II
Credits: 4
Continuation of MATH191. Techniques of integration, improper integrals,
applications of integrals, sequences, power series, Taylor and Maclaurin series, tests of convergence, error estimates, polar coordinates, parameterized curves, vectors, dot and cross products.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 191 or MATH 195.
Schedule Type: Lecture
Term Offering: Spring, Summer
College Code: CAS

MATH 195 - Calculus I for Biology
Credits: 4
Introduction to single-variable calculus in the context of the life sciences from the dynamical systems point of view. Limits, continuity, derivatives, integration by substitution and by parts. Formal definitions of limit, derivative, and Riemann integral. Proofs of standard theorems, including the Fundamental Theorem of Calculus. In addition to standard topics, includes research applications to biology and medicine, an introduction to mathematical models and differential equations, equilibria, stability, and eigenvalues. Equivalent to MATH 191.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): BIOL 165 or BIOL 166 or consent of the instructor
Prerequisite(s): MPE=PS or MATH 167 or MATH 168 with grade no lower than C
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

MATH 215 - Introduction to Linear Algebra
Credits: 3
Vectors, Euclidean n-space, matrices, systems of linear equations, determinants, eigenvalues, eigenvectors, vector spaces, and linear transformations with emphasis on applications and computation.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 182, MATH 191, or MATH 195.
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

MATH 221 - Mathematics for Elementary Teachers I
Credits: 3
This is the first of two courses that equip prospective elementary and middle school teachers with the deep conceptual knowledge, reasoning skills, and teaching methods for becoming effective mathematics teachers. This course emphasizes active engagement, conceptual understanding, mathematical reasoning, and hands-on teaching methods. Topics include number systems, sets of numbers (whole numbers, integers, rational numbers, and real numbers) and their properties, computational algorithms, and basic concepts of algebra and functions. Required of all students in the elementary education program.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MPE ≥ P2
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

MATH 222 - Mathematics for Elementary Teachers II
Credits: 3
This is the second of two courses that equip prospective elementary and middle school teachers with the deep conceptual knowledge, reasoning skills, and teaching methods for becoming effective mathematics teachers. This course emphasizes active engagement, conceptual understanding, mathematical reasoning, and hands-on teaching methods. Topics include geometric figures and their properties, proofs in algebra and geometry, geometric transformations, symmetry, congruence, similarity, measurement, data analysis, and probability. Required of all students in the elementary education program.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 221 with a grade of C or higher
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

MATH 240 - Calculus III
Credits: 4
Standard introduction to multivariable calculus. Vectors and vector functions, curves and surfaces, partial derivatives, multiple integrals, line and surface integrals. Stokes', Green's, and divergence theorems.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 192.
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

MATH 286 - Differential Equations
Credits: 3
Ordinary differential equations as dynamical systems. Linear and nonlinear first order equations and systems, higher order linear equations, modeling, standard analytic and qualitative methods of solution, equilibria and stability, phase plane analysis. Computer graphing tools will be used.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 192.
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

MATH 295 - Independent Study
Credits: 1–3
Independent study of selected topics in mathematics under the supervision of a mathematics professor. Ordinarily a minimum of three hours of study per week is expected for each credit. The instructor may require written reports or oral presentations.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Consent of the instructor.
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MATH 315 - Linear Algebra
Credits: 3
A rigorous proof course on vector spaces, linear systems, linear transformations, matrix representations, eigenspaces, and diagonalization.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 215, MATH 355.
Schedule Type: Lecture
Year Offering: Even years
Term Offering: Spring
College Code: CAS

MATH 355 - Foundations of Advanced Mathematics
Credits: 3
An introduction to concepts and methods that are fundamental to the study of advanced mathematics. Topics include logic, proof methods, set theory, relations, functions, number theory, and other selected topics from discrete mathematics. Mathematical reasoning and the reading and writing of proofs are emphasized.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 182, MATH 191, or MATH 195.
Schedule Type: Lecture
Year Offering: Odd years
Term Offering: Spring
College Code: CAS

MATH 375 - Secondary School Mathematics Teaching
Credits: 3
Content, methods, and materials for secondary school mathematics teaching, including secondary mathematics content, mathematical problem solving, lesson preparation, teaching of skills and concepts, use of technology, assessment of learning, issues in teaching and learning, and other selected topics.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 355.
Schedule Type: Lecture
Year Offering: Odd years
Term Offering: Spring
College Code: CAS

MATH 389 - Mathematics Colloquium
Credits: 0
Current topics and issues of interest to the mathematics community. Interchangeable with PHYS 277.

Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: CAS
MATH 405 - Applied Mathematics
Credits: 3
Solutions of first- and second-order partial differential equations and applications.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 240, MATH 286.
Schedule Type: Lecture
Year Offering: Even years
Term Offering: Fall
College Code: CAS

MATH 408 - Complex Analysis
Credits: 3
Elementary complex analysis, contour integrals, complex series.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 240, MATH 355.
Schedule Type: Lecture
Year Offering: Odd years
Term Offering: Spring
College Code: CAS

MATH 426 - Mathematical Modeling in Biology
Credits: 3
Theory and application of linear and nonlinear mathematical models of biological processes. Topics selected from discrete- and continuous-time deterministic and stochastic modeling, analytic solution techniques, linearization, bifurcations, chaos, computer simulation, model parameterization, and model validation.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 191 or MATH 195.
Schedule Type: Lecture
Year Offering: Odd years
Term Offering: Fall
College Code: CAS

MATH 431 - Real Analysis I
Credits: 3
The completeness property of real numbers, cluster points, open and closed sets in R, convergence and divergence of sequences of real numbers, Bolzano-Weierstrass theorem, Cauchy sequences, limits of functions, continuity and uniform continuity of functions, compact sets in R, differentiation, Mean Value Theorem, and Taylor's Theorem.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 240, MATH 355.
Schedule Type: Lecture
Year Offering: Odd years
Term Offering: Fall
College Code: CAS

MATH 432 - Real Analysis II
Credits: 3
Riemann integral, Fundamental Theorem of Calculus, pointwise and uniform convergence of sequences of functions, interchange of limits, convergence and divergence of infinite series, tests for convergence for infinite series, and series of functions. Additional topics as time permits.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 240, MATH 355, MATH 431.
Schedule Type: Lecture
College Code: CAS

MATH 441 - Abstract Algebra I
Credits: 3
A rigorous proof course on groups, rings, fields, and homomorphisms. Topics include cyclic groups, Cayley's Theorem, Lagrange's Theorem, factor groups, integral domains, and factor rings.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 240, MATH 355.
Schedule Type: Lecture
Year Offering: Even years
Term Offering: Fall
College Code: CAS

MATH 442 - Abstract Algebra II
Credits: 3
A continuation of MATH 441. Topics include polynomial rings, divisibility in integral domains, and extension fields. Additional topics may include geometric constructions, Sylow Theorems, and Galois Theory.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 240, MATH 355, MATH 441
Schedule Type: Lecture
College Code: CAS

MATH 475 - Geometry
Credits: 3
Axiomatic development and history of Euclidean and non-Euclidean geometries, constructions, geometric transformations, and selected topics from finite, fractal, affine, and projective geometries. Relation of these topics to secondary teaching.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 355.
Schedule Type: Lecture
Year Offering: Even years
Term Offering: Fall
College Code: CAS

MATH 487 - Special Topics in ______
Credits: 1–3
Consult the instructor in regard to the topic to be covered.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Consent of the instructor.
Repeatable: Repeatable with different topics
Schedule Type: Independent
College Code: CAS

MATH 495 - Independent Study
Credits: 1–3
Independent study of selected topics in mathematics to enable advanced students to pursue topics not offered in other scheduled courses. The student will study under the supervision of a mathematics professor whose prior approval is required. Ordinarily a minimum of three hours of study per week is expected for each credit. Grades are assigned on the basis of an instructor-selected procedure such as oral or written exams or reports.
Grade Mode: Normal w S (A-F,I,S,U,W)
Prerequisite(s): Consent of the instructor.
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MATH 497 - Research in Mathematics
Credits: 0–3
A research project in mathematics supervised by a faculty mentor. A minimum of 4 work hours per week is required for each credit earned and a minimum of 4 work hours per week is required for the zero-credit option. A written paper is required for both the zero-credit option and all other credit options. Students register for each semester of ongoing research.
Grade Mode: Normal w S/DG (A-F,I,S,U,D,G,W)
Prerequisite(s): Approval of the instructor.
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CAS

MATH 500 - Topics in Teaching ______
Credits: 2,3
A. Algebra; B. Geometry; C. Analysis; D. Applications; Consult with department chair regarding availability in any given year.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Lecture
College Code: CAS

MATH 540 - Topics in ______
Credits: 2,3
Consult with the instructor in regard to the topic to be covered.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Lecture
College Code: CAS
Statistics

STAT 285 - Introduction to Applied Statistics

Credits: 3
A data-driven study of basic descriptive and inferential statistics. Concepts such as null distributions, hypotheses, test statistics, and p-values are emphasized while applying standard statistical tests including logistic regression.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MPE ≥ P2.
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Fall, Spring
College Code: CAS

STAT 340 - Probability Theory with Statistical Applications

Credits: 3
Probability theory and statistics for students having preparation in calculus. Topics include probability models, combinatoric problems, random variables, discrete and continuous distributions, expectation, moment generating functions, central limit theorem.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 191 or MATH 195.
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

Mission
To mentor students in artistic, intellectual, and character development. Faculty of the Department of Music are committed to providing a vibrant musical and learning environment to nurture artistic and creative growth in all students of music, to encourage and guide students through dynamic interaction in classroom and practical experiences as they mature into tomorrow's music professionals, and to mentor students in responsible use of their talents for service to Christ and to humanity.

Undergraduate Information
Bachelor curricula in Music provide a comprehensive exposure to and experience with the performance, history, and theory of music. Students receive hands-on supervised teaching experience in studio or classroom teaching.

Non-music majors may take courses in music or participate in music lessons or ensembles for credit or non-credit. See the Andrews Core Experience in each program for more information.

The Andrews University Department of Music has been a member of the National Association of Schools of Music since 1964. Music majors may choose to join the student chapter of Music Educators National Conference.

Eligibility
Status as an undergraduate music major is provisional until the student demonstrates academic and performance skills on an acceptable level. All first-year students must take the Freshman Theory Placement Exam and arrange for an audition with the coordinator of their applied area prior to being considered for acceptance as a music major. After the student successfully completes these two admission requirements the Music Department freshman advisor makes a recommendation to the music faculty concerning the student's application for admission as a music major. See the Department of Music Student Handbook for further information.

Student Handbook. The Department of Music Student Handbook, available on the Department of Music webpage, provides clarification of general guidelines, requirements, and standards as well as information concerning recital attendance, recital requirements, and financial aid and departmental scholarships.

Applied Music General Requirements. All music majors register in applied music for every semester in residence and until they complete their senior recital.

Applied Music Examination Requirements. All music majors participate in an applied music examination at least twice during the school year. See the Department of Music Student Handbook for full details.

Ensemble Requirements. All music majors must enroll in a music ensemble each semester of residence for a minimum of 8 credits. Students who require more than eight semesters to complete their degree must participate in an ensemble during each semester of residence.

Minimum Passing Grades. No grade lower than a C in an applied lesson, ensemble, or music class will count towards fulfillment of degree or program requirements for the music major or music minor. This includes transfer music credits.

Piano Proficiency. All music majors and minors are required to achieve an acceptable level of piano proficiency. This requirement may be met by one of the following two ways: 1) by passing the piano proficiency requirement as stated in the document Andrews University Department of Music Information Sheet: Piano Proficiency Examination available at the Music Office as well as at the Department of Music web page, or 2) by taking four semesters of piano instruction for credit at the Andrews University Department of Music with a minimum passing grade of a B in each semester. Students choosing the first of these two options are expected to take the Piano Proficiency Examination before the end of the second semester of their freshman year; students choosing the second option are expected to start taking piano lessons during their first year in residence. If one of these two options is not met, students will not be allowed to register for upper-division classes (with the exception of ensembles) or upper-division applied lessons until the Piano Proficiency requirement has been met.

Recital Attendance. All music majors are required to enroll in the course MUPF 489 - Recital Attendance each semester in residence. Music minors are required to enroll in this course for four (4) semesters.

Upper-division Status. Request for advancement to upper-division status is submitted by the end of the sophomore year. See the Department of Music Student Handbook for full information.

State Certification. Students planning to teach music in K–12 must take the Bachelor of Music in Music Education degree and also complete required education courses specified by the School of Education (College of Education & International Services).

Denominational Certification is not automatic with state certification and is not required for graduation. Contact the certification clerk in the School of Education (College of Education & International Services) for full information.

Music Performance Credits
The Department of Music offers private instruction in all major instruments and voice which may fulfill music major or non-music major elective requirements. Course outlines detailing specific course content are available from the instructor. The requirements correlate with guidelines suggested by the National Association of Schools of Music as outlined in the Department of Music Student Handbook.

Graduate Information
Master curricula in Music provide a comprehensive exposure to and experience with the performance, history, and theory of music. Students receive hands-on supervised teaching experience in studio or classroom teaching.

Non-music graduate students may take courses in music or participate in music lessons or ensembles for credit or non-credit. The Andrews University Department of Music has been a member of the National Association of Schools of Music (NASM) since 1964. Music Education students may choose to join the student chapter of Music Educators National Conference.

Graduate Programs Admission Requirements

- General requirements for admission to graduate study as stated in the Admissions section of this bulletin.
- Musicians with various backgrounds often qualify to study music at the graduate level. Normally, a baccalaureate degree with a major in music is required; however, the following categories may also qualify:
- Students with an earned baccalaureate degree within any major, assuming adequate undergraduate preparation in music. Adequate preparation includes mastery of music theory equivalent to content of MUCT242 Music Theory IV and MUCT153 Ear Training Laboratory III; mastery of music history equivalent to content of MUHL446-448 Music Literature and Style (Antiquity to 20th Century); and mastery of...
level of performance appropriate to the specific chosen master's program.

- Students who have completed programs comparable to the baccalaureate degree from non-United States institutions, with the level of mastery described in segment 1.

- The Department of Music requires placement examinations in music history and literature, music theory, and an audition in the major area of performance for all entering students prior to registration. Admission status is provisional until these examinations are completed and any deficiencies removed. Courses used to make up for a deficiency may be taken for graduate credit but may not count for graduate requirements; a minimum grade of B must be earned.

- A Graduate Scholarship Tuition Reduction is available to students with a minimum GRE Exam score of 297 (quantitative + verbal) or Music Placement Exam average score of 70 or higher.

**Student Handbook.** The Department of Music Student Handbook, available on the Department of Music webpage, provides clarification of general guidelines, requirements, and standards as well as information concerning recital attendance, recital requirements, and financial aid and departmental scholarships.

**Piano Proficiency.** Music majors must pass a piano proficiency examination. Graduate students who have not passed this examination on the undergraduate level may meet this requirement by one of the following two ways: 1) by passing the piano proficiency test as stated in the document Andrews University Department of Music Information Sheet: Piano Proficiency Examination available on the Department of Music web page, prior to the first registration, or 2) by taking four semesters of MUPF 516 Piano Proficiency with a minimum passing grade of a B in each semester.

**Language Proficiency.** For admission to the Master of Music, Voice Performance, language proficiency is required in French, German, and Italian. Proficiency in these languages can be validated by evidence of coursework in each of these languages equivalent to two semesters of college level study, or by passing a language proficiency exam. Lack of proficiency in these three languages can be addressed by taking additional remedial coursework. Remedial coursework does not count toward completion of the graduate degree.

**Non-degree (Guest) Students.** A student who plans to study music under this classification may be admitted to courses as approved by the department chair.

**Ensemble Requirements**

- Participation on a no-credit basis is required for four semesters in one of the following Andrews University ensembles: Wind Symphony, University Singers or AU Symphony Orchestra. Keyboard majors: see note below. Students who require more than four semesters to complete their degree must participate in an ensemble during each semester of residence.

- Keyboard students in the MA and MMus (music education) programs on the Andrews University campus are required to enroll for one semester of MUPF505 Keyboard Accompaniment or one semester of MUPF510 Collaborative Piano. This may apply as one of the minimum four semesters of ensemble.

- Performance majors in piano and organ are required to enroll for one semester of MUPF510 Collaborative Piano and one semester of MUPF515 Recital Accompaniment and may apply these towards the minimum four semesters of ensemble.

**Practical Training Requirement**

- All students pursuing master's programs (MA: Music, MMus: Conducting, MMus: Music Education, MMus: Music Ministry, MMus: Performance) are required to take the 0-credit course MUELD55 Practical Training to develop professional experience in music. To fulfill this requirement, students are required to meet a minimum of 50 hours of work/service while enrolled in the masters program. This could be done over the summer. Some recommended areas of work/service that may count toward this practical training experience are as follows:
  - Music ministers in church settings
  - Music teachers or instructors for a public or private school
  - Instrumentalists performing in professional or community ensembles
  - Research assistants in approved music research projects
  - Other alternative activities must be approved by the student's major professor

- After completing this requirement students will fill out and submit the form Completion of Practical Training Requirements to Graduate Program Director for evaluation and signature. Students who have developed experiences equivalent to this practical training before entering the masters program may fulfill this requirement by submitting appropriate evidence showing sufficient work/service experience.

**Thesis/Project/Recital Requirement**

This requirement for an MA in music, MA in music ministry or MMus in music education may be met by one of the following:

- A thesis—6 credits of MUHL699 and/or EDRM505.
- Two projects—2 credits of MUHL698 for each project.
- A credit recital—2 credits plus a minimum of 6 credits of applied music.
- One project plus a one-credit recital—2 credits of MUHL698 for the project plus a minimum of 4 credits of applied music.

The MMus: Performance degree requires a 2-credit recital. Recitalists must have taken in residence at least one-half of their applied music credit in their major performance area. They must enroll in applied lessons for at least two consecutive semesters prior to the recital date and must audition before a committee of music faculty one month prior to the recital. Students majoring in performance without an undergraduate major in the same performance area (or the equivalent) must offer two recitals, only the second of which is for credit.

Students who opt for the project or thesis or Project Continuation must take concurrently the Research Master class.

**Comprehensive Examinations.** All graduate students in music take the 0-credit course MUHL670 Comprehensive Exam toward the end of their studies. Students should consult with their advisor concerning the appropriate time to apply for these examinations and for guidance in preparing for them.

**Active Status.** After completing all course requirements, all graduate music students must maintain an active status continuous enrollment for both Fall and Spring semesters until the degree is granted. This is accomplished by enrolling in MUHL665 Comprehensive Exam Preparation (non-repeatable with fee attached), MUHL670 Comprehensive Exam (non-repeatable), or MUHL655 Program Continuation (repeatable with fee attached) until the degree is earned. Students who fail to maintain continuous enrollment as defined here, will not be allowed to finish their degree requirements until they apply to the Department of Music for degree reactivation and pay the established fees for each semester of absence in the program. The reactivation fee used will be the latest AU Bulletin fee listed for MUHL655 Program Continuation.

**Bachelors**

**Music BA**

The Bachelor of Arts in Music is a liberal arts program with a strong emphasis in music. It is a viable option for a double major. The orientation of the Music BA is toward a broad coverage of music rather than intensive concentration on a single specialization. However, an emphasis can be chosen. The Music BA may fulfill the requirements for entrance into a Master of Music program. Students ordinarily complete the program in 4 years.

**Total Credits - 124**

**Major - 48**

MUCT 141 - Music Theory I: Introduction to Harmony Credits: 3
MUCT 142 - Music Theory II: Diatonic Harmony Credits: 3
MUCT 151 - Ear Training Laboratory I Credits: 1
MUCT 152 - Ear Training Laboratory II Credits: 1
MUCT 153 - Ear Training Laboratory III Credits: 1
MUCT 154 - Ear Training Laboratory IV Credits: 1
MUCT 241 - Music Theory III: Chromatic Harmony Credits: 3
MUCT 242 - Music Theory IV: Chromatic Post-Tonal Harmony Credits: 3
MUCT 251 - Music Technology Laboratory Credits: 1
MUHL 250 - Music to Change the World Credits: 3
MUHL 446 - Music Literature and Style (Antiquity-Renaissance) Credits: 3
MUHL 447 - Music Literature and Style (Baroque and Classical) Credits: 3
MUHL 448 - Music Literature and Style (Romantic & 20th Century) Credits: 3
MURE 423 - Christian Worship and Music Credits: 3 *

* Fulfills ACE requirement

**Ensemble - 8**

8 credits of ensemble

Keyboard focus (piano or organ): Must take 1 credit of MUPF 405 - Keyboard Accompaniment and 1 credit of MUPF 410 - Collaborative
Performance - 8
6-7 credits of MUPF 164, 264, 364, or 464 in area of focus
1-2 credits of MUPF 497 or MUPF 499

Additional Requirements
- A minimum of 4 credits in applied music must be taken as upper-division credits.
- MUPF 489 - Recital Attendance Credits: 0 every semester.
- At least one course other than ensemble or applied music must be taken in residence.
- Attendance required each semester in major area master classes.
- Piano Proficiency.

Cognates - 4
- PHYS 225 - Sound and Waves Credits: 4 *
* Fulfills ACE requirement

Student Learning Outcomes
Graduates of this program will:
- Exhibit effective technical and artistic skills in music performance of repertoire from a broad range of stylistic periods.
- Learn and apply pedagogical methods, techniques and tools related to their area of expertise as appropriate to their degree track.
- Demonstrate basic proficiency in the theoretical foundations of Western music through aural skills, analysis, composition, and improvisation.
- Demonstrate understanding of music history—including the development of musical styles and the contextual forces that shaped their development, primarily in the context of Western music, but also to a basic extent in American and world music.
- Hone critical thinking skills by consciously making informed interpretation choices, connecting theoretical and historical understanding to musical performance, and developing a personal and discerning philosophy of music.
- Apprentice in a spirit of artistic community.

Music BSM
The Bachelor of Science in Music degree provides a strong foundation in both music and the sciences and is especially designed for those interested in pursuing professional degrees in medical fields, such as medicine or dentistry. Students ordinarily complete this program in 4 years.

Total Credits - 124

Major - 48
- MUCT 141 - Music Theory I: Introduction to Harmony Credits: 3
- MUCT 142 - Music Theory II: Diatonic Harmony Credits: 3
- MUCT 151 - Ear Training Laboratory I Credits: 1
- MUCT 152 - Ear Training Laboratory II Credits: 1
- MUCT 153 - Ear Training Laboratory III Credits: 1
- MUCT 154 - Ear Training Laboratory IV Credits: 1
- MUCT 241 - Music Theory IV: Chromatic to Post-Tonal Harmony Credits: 3
- MUCT 251 - Music Technology Laboratory Credits: 1
- MUHL 250 - Music to Change the World Credits: 3
- MUHL 446 - Music Literature and Style (Antiquity-Renaissance) Credits: 3
- MUHL 447 - Music Literature and Style (Baroque and Classical) Credits: 3

- Exhibit effective technical and artistic skills in music performance of repertoire from a broad range of stylistic periods.
- Learn and apply pedagogical methods, techniques and tools related to their area of expertise as appropriate to their degree track.
- Demonstrate basic proficiency in the theoretical foundations of Western music through aural skills, analysis, composition, and improvisation.
- Demonstrate understanding of music history—including the development of musical styles and the contextual forces that shaped their development, primarily in the context of Western music, but also to a basic extent in American and world music.
- Demonstrate basic competencies in music technology (including digital notation and sequencing) and music research.
- Hone critical thinking skills by consciously making informed interpretation choices, connecting theoretical and historical understanding to musical performance, and developing a personal and discerning philosophy of music.
- Apprentice in a spirit of artistic community.
- Integrate faith and learning by hymnology/worship and music.
- Apprentice in a spirit of service.

Music Education, Teacher Certification BMus
The Bachelor of Music in Music Education degree is designed for students seeking careers as certified K–12 teachers in pre-collegiate denominational or public schools. Students normally spend five years in residence to complete the requirements. Requires state teacher certification. First-year students must make application and consult with the certification clerk in the School of Education (College of Education & International Services) to keep abreast of certification requirements. Students can choose from the following focus areas: wind instruments, string instruments, keyboard or voice.
Total Credits - 124

Major - 83

BMus Core - 41
- MUCT 141 - Music Theory I: Introduction to Harmony Credits: 3
- MUCT 142 - Music Theory II: Diatonic Harmony Credits: 3

- Apprentice in a spirit of artistic community.
- Integrate faith and learning by hymnology/worship and music.
- Apprentice in a spirit of service.

Music Performance BMus

The Bachelor of Music in Performance degree is designed for students who are considering a future as professional performers. The Bachelor’s degree in Music Performance requires concentrated study in one of the following areas: piano or organ, stringed instruments, wind instruments, percussion instruments, or voice. This degree prepares students for a Master’s degree in performance. Students ordinarily complete this program in 4 years.

Total Credits - 124

Major - 87+

Performance - 36
- Major Instrument and voice: 16 credits (4 credits each of MUPF 165 , MUPF 265 , MUPF 365 , and MUPF 465 ).
- Ensemble: 8 credits. Bachelor of Music degree students majoring in piano or organ performance must take 2 credits of MUPF 405 Keyboard Accompaniment and 2 credits of MUPF 410 Collaborative Piano. The remaining 4 credits must be taken in one of the major ensembles.
Undergraduate Minors

Music Minor

The Music Minor is for students who desire to strengthen their knowledge and skills in this field while majoring in another academic area. This minor is available to students who are enrolled in bachelor’s degree programs at Andrews University.

Admission to the Music Minor requires an audition. The Department of Music accepts applications for the Music Minor for Spring or Fall semester entrance.

- Learn and apply pedagogical methods, techniques and tools related to their area of expertise as appropriate to their degree track.
- Demonstrate basic proficiency in the theoretical foundations of Western music through aural skills, analysis, composition, and improvisation.
- Demonstrate understanding of music history—including the development of musical styles and the contextual forces that shaped their development, primarily in the context of Western music, but also to a basic extent in American and world music.
- Demonstrate basic competencies in music technology (including digital notation and sequencing) and music research.
- hone critical thinking skills by consciously making informed interpretation choices, connecting theoretical and historical understanding to musical performance, and developing a personal and discerning philosophy of music.
- Apprentice in a spirit of artistic community.
- Integrate faith and learning by hymnology/worship and music.
- Apprentice in a spirit of service.

Masters

Conducting MMus

This degree gives students professional training in either choral or instrumental conducting. The degree prepares students for professional choral, orchestral, or band conducting positions. It also prepares students who wish to pursue a doctoral degree in conducting. Students ordinarily complete the program in two years of full-time study.

Total Credits - 33

MMus Core - 13
- MUCT 535 - Analytical Techniques I Credits: 2
- MUCT 536 - Analytical Techniques II Credits: 2
- MUED 648 - Workshop Credits: 1
- MUED 655 - Practical Training Credits: 0
- MUHL 519 - Studies in 20th Century Music Credits: 2
- 4 credits of MUHL 524 - Music Literature Seminar Credits: 2 (two times with different content)
- MUHL 670 - Comprehensive Exam Credits: 0
- 4 semesters of 500-level MUPF courses in Ensemble Credits: 0
- MUHL 695 - Bibliography and Research in Music Credits: 2

Conducting - 20
- MUPF 564 - Score Study Credits: 2
- MUPF 520 - Diction for Singers Credits: 2

Concentration - 16

Choral Conducting
- MUED 537 - Vocal Pedagogy Credits: 2
- 8 credits in focus area MUPF 506 - Advanced Conducting Credits: 1,2
- 1 credit in related area of MUPF 506 - Advanced Conducting
- 2 credits of MUPF 575 - Recital Credits: 1,2
- Music electives (3 credits) selected in consultation with an advisor from MUCT, MUED, MUHL, MUPF, MURE courses to fulfill the minimum of 33 credits
Instrumental Conducting
3 credits of 500-level MUED course in Pedagogy or Music Education Credits: 2-3
8 credits in focus area of MUPF 505 - Advanced Conducting Credits: 1.2
1 credit in related area of MUPF 506 - Advanced Conducting
2 credits of MUPF 575 - Recital Credits: 1.2
Music electives (2 credits) selected in consultation with an advisor from MUCT, MUED, MUHL, MUPF, MURE courses to fulfill the minimum of 33 credits

Additional Requirements

Practical Training:
- All students pursuing master's programs (MA: Music, MMus: Conducting; MMus: Music Education; MMus: Music Ministry; MMus: Performance) are required to take the course MUED655 Practical Training to develop professional experience in music. To fulfill this requirement, students are required to meet a minimum of 50 hours of work/service while enrolled in the master's program. This could be done over the summer. Some recommended areas of work/service that may count toward this practical training experience are as follows:
  - Music ministers in church settings
  - Music teachers or instructors for a public or private school
  - Instrumentalists performing in professional or community ensembles
  - Research assistants in approved music research projects
  - Other alternative activities must be approved by the student's major professor

- After completing this requirement students will fill out and submit the form Completion of Practical Training Requirements to their major professor for evaluation and signature. Students who have developed experiences equivalent to this practical training before entering the master's program may fulfill this requirement by submitting appropriate evidence showing sufficient work/service experience.

Ensemble:
- Registration is required in one of the following, each semester in residence, for a minimum of 4 semesters: an Andrews University Department of Music large ensemble (band, choir or orchestra) that corresponds to the student's area of specialty.

- Keyboard students are required to enroll in the following courses which may apply to the minimum four-semester ensemble requirement: Non-performance keyboard students are required to enroll for one semester of MUPF 505 Keyboard Accompaniment or one semester of MUPF 510 Collaborative Piano. Students pursuing a performance concentration with specialization in piano or organ are required to enroll for one semester of MUPF 510 Collaborative Piano and one semester of MUPF 515 Recital Accompaniment.

Piano Proficiency:
- Graduate students who have not passed the piano proficiency examination on the undergraduate level must take the examination prior to the first registration. Students who do not pass this examination must enroll in applied piano until the examination is passed.

Comprehensive Exam:
- Students should consult with their advisor concerning the appropriate time to apply for these examinations and for guidance in preparing for them.

Maintaining Active Status
After completing all course requirements, all graduate music students must maintain an active status continuous enrollment for both Fall and Spring semesters until the degree is granted. This is accomplished by enrolling in MUHL665 Comprehensive Exam Preparation (non-repeatable with fee attached), MUHL670 Comprehensive Exam (non-repeatable), or MUHL665 Program Continuation (repeatable with fee attached) until the degree is earned. A student who fails to maintain continuous enrollment as defined here, will not be allowed to finish their degree requirements until he/she applies to the Department of Music for degree reactivation and pays the established fees for each semester of absence in the program. The reactivation fee used will be the latest AU Bulletin fee listed for MUHL665 Program Continuation.

Admission Requirements
- General requirements for admission to graduate study as stated in the Admissions section of this bulletin.
- Musicians with various backgrounds often qualify to study music at the graduate level. Normally, a baccalaureate degree with a major in music is required; however, the following categories may also qualify:
  - Students with an earned baccalaureate degree within any major, assuming adequate undergraduate preparation in music. Adequate preparation includes mastery of music theory equivalent to content of MUTC242 Music Theory IV and MUCT153 Ear Training Laboratory III; mastery of music history equivalent to content of MUHL446-448 Music Literature and Style (Antiquity to 20th Century); and mastery of level of performance appropriate to the specific chosen master's program.
  - Students who have completed programs comparable to the baccalaureate degree from non-United States institutions.
  - The Department of Music requires placement examinations in music history and literature, music theory, piano proficiency, and an audition in the major area of performance for all entering students prior to registration. Admission status is provisional until these examinations are completed and any deficiencies removed. Courses used to make up for a deficiency may be taken for graduate credit but may not count for graduate requirements; a minimum grade of B must be earned.
  - A Graduate Scholarship Tuition Reduction is available to students with a minimum GRE Exam score of 297 (quantitative + verbal) or Music Placement Exam average score of 70.

Non-degree (Guest) Students. A student who plans to study music under this classification may be admitted to courses as approved by the department chair.

English Proficiency Tests. English is the language of instruction at Andrews University. International and domestic prospective students whose first language is not English must submit English proficiency test scores. English proficiency tests must be taken within two years prior to admission.

Minimum English proficiency tests scores:

</tr>
</tbody>
</table>

* Paper-based TOEFL is only accepted when administered by our Center for Intensive English Programs.

Student Learning Outcomes
Graduates of this program will:
- Exhibit advanced technical and artistic skills in their area of expertise.
- Learn and apply pedagogical methods, techniques, and tools related to their area of expertise, as appropriate to their degree track.
- Demonstrate their understanding of music history – including the development of musical styles and the contextual forces that have influenced and shaped their development, primarily in the Western art music tradition.
- Demonstrate advanced proficiency in the theoretical foundations of Western music through aural skills, analysis, and understanding of historical context.
- Demonstrate astute skills in music research and writing.
- Hone critical thinking skills by:
  - Responding to scholarly research both orally and in written form.
  - Preparing informed musical performances (or compositions) based on their theoretical and historical understanding of the repertoire.
  - Preparing and bringing to completion their capstone.

Music Education MMus
This degree provides students with further preparation and qualification to teach music in the elementary and secondary levels. Because state certification is required for all K-12 teaching positions in the United States, students planning to teach in the United States must be prepared to fulfill certification requirements. This may be accomplished either as a result of holding a bachelor's degree in music education prior to starting the master's degree or taking specific undergraduate courses in music education as remedial requirements. The curriculum leads to a capstone that may be in the form of a recital, a thesis, or a project. Students ordinarily complete the program in two years of full-time study, except when the student does not have prior certification to teach. The program length in that case will depend on the number of remedial courses required to attain certification.
Total Credits - 34+

MMus Core - 13
- MUCT 535 - Analytical Techniques I  Credits: 2
- MUCT 536 - Analytical Techniques II  Credits: 2
- 1 credit of MUED 648 - Workshop  Credits: 1

  - Responding to scholarly research both orally and in written form.
  - Preparing informed musical performances (or compositions) based on their theoretical and historical understanding of the repertoire.
  - Preparing and bringing to completion their capstone.

Music MA

This degree program provides graduate-level training in music, with variables and choices allowing students to pursue an emphasis based on their interests and aptitude. Possible emphases include composition, piano pedagogy, collaborative piano, or other areas of music study provided the courses are offered in the curriculum. This degree gives students graduate-level qualification for positions that require a master's degree of any kind, or it can serve to prepare students wishing to continue with a doctoral degree in music. Students ordinarily complete the program in two years of full-time study.

### Student Learning Outcomes

Graduates of this program will:

- Exhibit advanced technical and artistic skills in their area of expertise.
- Learn and apply pedagogical methods, techniques, and tools related to their area of expertise, as appropriate to their degree track.
- Demonstrate their understanding of music history — including the development of musical styles and the contextual forces that have influenced and shaped their development, primarily in the Western art music tradition.
- Demonstrate advanced proficiency in the theoretical foundations of Western music through aural skills, analysis, and understanding of historical context.
- Demonstrate astute skills in music research and writing.
- Hone critical thinking skills by:
  - Responding to scholarly research both orally and in written form.
  - Preparing informed musical performances (or compositions) based on their theoretical and historical understanding of the repertoire.
  - Preparing and bringing to completion their capstone.

### Music Ministry MMus

This degree provides students with valuable knowledge and experience designed to better prepare them for a variety of music ministry positions. Courses in church music and hymnology along with a certain number of worship and leadership courses offered by the seminary are required along with courses that provide practical experience in worship settings. The capstone requirement can be in the form of a recital in the student's chosen area of performance, a thesis, or project. Students ordinarily complete the program in two years of full-time study.

*Paper-based TOEFL is only accepted when administered by our Center for Intensive English Programs.

Student Learning Outcomes

Graduates of this program will:

- Exhibit advanced technical and artistic skills in their area of expertise.
- Learn and apply pedagogical methods, techniques, and tools related to their area of expertise, as appropriate to their degree track.
- Demonstrate their understanding of music history – including the development of musical styles and the contextual forces that have influenced and shaped their development, primarily in the Western art music tradition.
- Demonstrate advanced proficiency in the theoretical foundations of Western music through aural skills, analysis, and understanding of historical context.
- Demonstrate astute skills in music research and writing.
- Hone critical thinking skills by:
  - Responding to scholarly research both orally and in written form.
  - Preparing informed musical performances (or compositions) based on their theoretical and historical understanding of the repertoire.
  - Preparing and bringing to completion their capstone.

Performance MMus

A prior advanced level of performance in one area is required in order to pursue a master’s degree in performance. Students focus on one area of performance, giving them further advanced training and graduate-level qualification in music. It prepares them for a performance profession or pursuit of doctoral studies in music. Students ordinarily complete the program in two years of full-time study.

Total Credits - 32+

**MMus Core - 13**
- MUCT 535 - Analytical Techniques | Credits: 2
- MUCT 536 - Analytical Techniques II | Credits: 2
Maintaining Active Status
After completing all course requirements, all graduate music students must maintain an active status continuous enrollment for both Fall and Spring semesters until the degree is granted. This is accomplished by enrolling in MUHL655 Comprehensive Exam Preparation (non-repeatable with fee attached), MUHL670 Comprehensive Exam (non-repeatable), or MUHL655 Program Continuation (repeatable with fee attached) until the degree is earned. A student who fails to maintain continuous enrollment as defined here, will not be allowed to finish their degree requirements until he/she applies to the Department of Music for degree reactivation and pays the established fees for each semester of absence in the program. The reactivation fee used will be the latest AU Bulletin fee listed for MUHL655 Program Continuation.

Admission Requirements
• General requirements for admission to graduate study as stated in the Admissions section of this bulletin.
• Musicians with various backgrounds often qualify to study music at the graduate level. Normally, a baccalaureate degree with a major in music is required; however, the following categories may also qualify:
  • Students with an earned baccalaureate degree within any major, assuming adequate undergraduate preparation in music. Adequate preparation includes mastery of music theory equivalent to content of MUCT242 Music Theory IV and MUCT153 Ear Training Laboratory III; mastery of music history equivalent to content of MUFPT246-448 Music Literature and Style (Antiquity to 20th Century); and mastery of level of performance appropriate to the specific chosen master’s program.
  • Students who have completed programs comparable to the baccalaureate degree from non-United States institutions.
• The Department of Music requires placement examinations in music history and literature, music theory, piano proficiency, and an audition in the major area of performance for all entering students prior to registration. Admission status is provisional until these examinations are completed and any deficiencies removed. Courses used to make up for a deficiency may be taken for graduate credit but may not count for graduate requirements; a minimum grade of B must be earned.
• A Graduate Scholarship Tuition Reduction is available to students with a minimum GRE Exam score of 297 (quantitative + verbal) or Music Placement Exam average score of 70.

Language Proficiency. For admission to the Master of Music in Performance (voice specialization), proficiency in at least one other language besides English is required as preparation for applying principles of phonetics, diction, and comprehension in the languages of English, German, French, and Italian. Students must possess adequate language skills to apply principles of diction to other languages also. This includes proficiency with the International Phonetic Alphabet (IPA) prior to entering the master’s program. Prospective students who are not yet familiar with IPA at the time of application to the Graduate School must communicate with the Coordinator for Voice Studies to prepare an IPA study plan prior to matriculation in the program.

Students whose native language is English and who have not formally studied any other language in addition to English must achieve at least an elementary skill level in one other language, as documented on an official transcript or through a placement test administered by the modern languages faculty. Remedial coursework does not count toward completion of the graduate degree.

Verification of language proficiency for students who do not have documentation on an academic transcript but who possess fluency in at least one other language beyond English may request fulfillment of the language proficiency requirement by a formal letter to the music department chair and the graduate music program director. The request must be submitted in the first semester of full-time graduate studies and must be approved by the student’s applied voice teacher.

Non-degree (Guest) Students. A student who plans to study music under this classification may be admitted to courses as approved by the department chair.

English Proficiency Tests. English is the language of instruction at Andrews University. International and domestic prospective students whose first language is not English must submit English proficiency test scores. English proficiency tests must be taken within two years prior to admission.

English Proficiency tests scores:

  • Preparing and bringing to completion their capstone.

Music Composition & Theory

MUCT 141 - Music Theory I: Introduction to Harmony
Credits: 3
Review of music fundamentals, including the music vocabulary, keys and rhythm, as well as the basic elements of melody and harmony (scales, intervals, and triads) and a basic study of the principles of chord progression utilizing triads in root position. Requires concurrent enrollment in MUCT 151.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

MUCT 142 - Music Theory II: Diatonic Harmony
Credits: 3
Study of the principles of voice leading and chord progression in applied four-part harmonization. Emphasis will be placed on interpretation and realization of Figured Basses, four-part harmonization using triads and seventh chords in root position as well as in inversions, the study and use of non-harmonic tones, and the dominant seventh chord as well as the other nondominant seventh chords. Requires concurrent enrollment in MUCT 152.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MUCT 141
Schedule Type: Lecture
College Code: CAS

MUCT 151 - Ear Training Laboratory I
Credits: 1
Aural skill with melodies, rhythms, intervals, chords and harmonic progressions. Activities include sight reading, error correction, transcription and improvisation of
enrollment in MUCT 153.

Introduction to digital audio workstations and other audio software with an notation systems, sequencing and MIDI systems. Acquaintance with current technological resources in music. Emphasis in computer the Twentieth Century.

Continuation of Music Theory III with an introduction to the compositional vocabulary with emphasis in composition and analysis. Requires concurrent Theoretical and practical study of the entire spectrum of chromatic harmony and MUCT 242.

Activities include sight reading, error correction, transcription and improvisation of Aural skill with melodies, rhythms, intervals, chords and harmonic progressions.

Recommended: MUCT 251 - Music Technology Laboratory

Schedule Type: Lab
College Code: CAS

MUCT 325 - Sound Design and Synthesis
Credits: 2
An introduction to the creation of sounds utilizing to a variety of audio production techniques as well as various types of software audio synthesizers including subtractive, additive, and frequency modulation.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MUCT 252 - Music Technology Laboratory II
Schedule Type: Lecture, Blended Learning
Year Offering: Alternate years (odd)
Term Offering: Fall
College Code: CAS

MUCT 330 - Virtual Instruments
Credits: 2
Combining orchestration techniques with the challenges of creating mockups utilizing sample libraries in a DAW.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MUCT 252 - Music Technology Laboratory II
Schedule Type: Lecture
Year Offering: Alternate years (even)
Term Offering: Spring
College Code: CAS

MUCT 334 - Song Writing
Credits: 2
Explore principles and practices of effective songwriting in varied musical styles. Emphasis will be placed on lyrics, melody, chord progression, rhythm, and structure. Students will learn to write songs for both concert performance and congregational worship.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MUCT 252 - Music Technology Laboratory II
Schedule Type: Lecture, Blended Learning
Year Offering: Alternate years (odd)
Term Offering: Fall
College Code: CAS

MUCT 335 - Writing Music for Worship
Credits: 2
Learn to compose and arrange a variety of music forms, including hymns, for use in congregational worship. Emphasis will be placed on melody, voice leading, text setting, and chord progression in a cappella and accompanied sacred works.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MUCT 141 - Music Theory I: Introduction to Harmony
MUCT 142 - Music Theory II: Diatonic Harmony
MUCT 151 - Ear Training Laboratory I
MUCT 152 - Ear Training Laboratory II
Schedule Type: Lecture, Blended Learning
Year Offering: Alternate years (even)
Term Offering: Spring
College Code: CAS

MUCT 350 - Music Technology Internship
Credits: 1
Students enrolled will work as an intern for an entity that is active in utilizing audio and/or other music related technology with the goal of gaining experience outside the classroom in fields directly related to music composition and/or production. All internships, both on and off campus, must be approved by the major advisor for credit enrollment.

Course/Lab Fee: No
Grade Mode: Satisfactory (S,U,I,W)
Schedule Type: Practicum
Year Offering: Annually
MUCT 425 - Counterpoint  
Credits: 3  
Historical overview of counterpoint with emphasis on the practice and analysis of 18th-century contrapuntal techniques.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
Year Offering: Odd years  
Term Offering: Fall  
College Code: CAS

MUCT 430 - Composition Seminar  
Credits: 3  
Development of skills in original musical composition emphasizing the writing of short items of melody, and accompaniment for supplied melodies, leading to the writing of a substantial original composition for public performance. Emphasizes the development of critical skills in a highly participatory classroom environment.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Seminar  
Year Offering: Odd years  
Term Offering: Fall  
College Code: CAS

MUCT 454 - Orchestration  
Credits: 3  
Scoring for chamber groups, larger ensembles and full orchestra.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
Year Offering: Even years  
Term Offering: Fall  
College Code: CAS

MUCT 470 - Form Analysis  
Credits: 2  
The origin and meaning of form: motives, phrases, and periods with elementary and combined binary and ternary forms, rondo and sonata-allegro.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
Year Offering: Even years  
Term Offering: Spring  
College Code: CAS

MUCT 525 - Counterpoint  
Credits: 2  
Historical overview of counterpoint with emphasis on the practice and analysis of 18th-century contrapuntal techniques.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
Year Offering: Alternate years (odd)  
Term Offering: Spring  
College Code: CAS

MUCT 530 - Composition Seminar  
Credits: 2  
Development of skills in original musical composition emphasizing the writing of short items of melody, and accompaniment for supplied melodies, leading to the writing of a substantial original composition for public performance. Emphasizes the development of critical skills in a highly participatory classroom environment.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Seminar  
Year Offering: Alternate years (odd)  
Term Offering: Fall  
College Code: CAS

MUCT 535 - Analytical Techniques I  
Credits: 2  
Detailed comprehensive analysis of representative works from literature of the tonal period.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS

MUCT 536 - Analytical Techniques II  
Credits: 2  
Detailed comprehensive analysis of representative works from literature of the post-tonal and 20th Century periods. Music Education

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS

Music Education

MUED 301 - Conducting I  
Credits: 2  
The theory and application of basic conducting principles.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
Year Offering: Even years  
Term Offering: Fall  
College Code: CAS

MUED 302 - Conducting II  
Credits: 2  
The application of theory and techniques unique to the conducting of both choral and instrumental ensembles.

Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): MUED 301 or equivalent.  
Schedule Type: Lecture  
Year Offering: Odd years  
Term Offering: Spring  
College Code: CAS

MUED 316 - Instrumental Literature  
Credits: 2  
Score analysis; score preparation and programming; study of significant band, orchestra and ensemble literature.
**MUED 317 - Choral Literature**
Credits: 2
Score analysis; score preparation and programming; study and survey of significant choral literature.

**MUED 376 - Brass Methods**
Credits: 2
Fundamentals of performing and teaching brass instruments with emphasis on their use in band and orchestra.

**MUED 377 - Percussion Methods**
Credits: 2
Fundamentals of performing and teaching percussion-instruments with emphasis on their use in band and orchestra.

**MUED 378 - Vocal Methods**
Credits: 2
Fundamentals of performing and teaching voice with emphasis on their use in choir.

**MUED 379 - String Methods**
Credits: 2
Fundamentals of performing and teaching string instruments with emphasis on their use in orchestra.

**MUED 380 - Woodwind Methods**
Credits: 2
Fundamentals of performing and teaching woodwind instruments with emphasis on their use in band and orchestra.

**MUED 421 - Organ Literature and Pedagogy I**
Credits: 3
A chronological survey of organ literature and the development of the instrument along with study of organ teaching and emphasis on keyboard and pedal technique, interpretation, sight reading, and teaching repertoire.

**MUED 422 - Organ Literature and Pedagogy II**
Credits: 3
Continuation of MUED 421.

**MUED 423 - String Pedagogy I**
Credits: 3
The study of beginning through intermediate pedagogical techniques, including basic setup and basic bow strokes.

**MUED 424 - String Pedagogy II**
Credits: 3
The study of intermediate through advanced pedagogy, including vibrato, tone production, advanced bow strokes, and the Galamian approach to violin technique.

**MUED 426 - Piano Literature**
Credits: 3
A survey of clavichord, harpsichord and piano literature and style, and the evolution of these instruments.

**MUED 427 - Piano Pedagogy**
Credits: 3
The study and review of the materials and methods of private and class piano instruction.

**MUED 430 - Topics in_________**
Credits: 1–3
A study of selected topics related to the music profession. Consult current class schedule for topics covered each year.

**MUED 436 - Vocal Literature**
Credits: 3
Solo vocal literature representing significant repertoire from the primary eras of music history; Italian, French and German Literature.

</table>
Music History & Literature

MUHL 214 - Enjoyment of Music
Credits: 3
An opportunity to acquire a better appreciation of classical music — to discover how church music, folk songs, jazz, spirituals, gospel, rock and roll, and pop music fit into the broad spectrum of classical music from 1000 A.D. to the present day.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
College Code: CAS

MUHL 250 - Music to Change the World
Credits: 3
A study of music from around the globe, including folk, native, popular, and classical traditions. Special attention is given to the social, religious, and cultural contexts in which music is performed, with emphasis on the meaningful uses of music for expressing identity, building community, conveying political messages, and promoting human rights.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

MUHL 446 - Music Literature and Style (Antiquity-Renaissance)
Credits: 3
Historical development of musical styles and the relationship between music and social trends of the period. Visual and aural analysis of representative compositions and introduction to biographical and bibliographical materials.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

MUHL 447 - Music Literature and Style (Baroque and Classical)
Credits: 3
See MUHL 446.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

MUHL 448 - Music Literature and Style (Romantic & 20th Century)
Credits: 3
See MUHL 446.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

MUHL 450 - Project Continuation
Credits: 0
Student may register for this title while clearing deferred grade (DG) and/or incomplete (I) courses with advisor approval only

Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Corequisite(s): MUHL 490
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUHL 490 - Research Pro Seminar
Credits: 0
The Research ProSeminar is designed to provide a safe, supportive environment for undergraduate musician scholars working on a research project in music, to provide constructive critique and encouragement for each other. While largely driven by the needs of the group members, the Research ProSeminar is conducted under the guidance of a faculty member, who, in addition to facilitating group discussion, will give short presentations on relevant aspects of scholarship in music.

Grade Mode: Satisfactory (S,U,I,W)
Corequisite(s): MUHL 450
Repeatable: Repeatable
Schedule Type: Seminar
College Code: CAS

MUHL 495 - Independent Study
Credits: 1–3
In consultation with a member of the music faculty, a student may choose independent study in a special area of music. A brief outline of the study to be pursued must be submitted to the department chair. A minimum of 45 hours of work is required for each credit.

Grade Mode: Normal w DG (A-F,I,S,U,W)
Prerequisite(s): Permission of the department chair required.
Repeatable: Repeatable
MUHL 519 - Studies in 20th Century Music
Credits: 2
A survey of 20th-century repertoire from its late 19th-century origins to the present. Emphasis is placed on compositional and stylistic trends and surrounding artistic climates.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years (odd)
Term Offering: Fall
College Code: CAS

MUHL 524 - Music Literature Seminar
Credits: 2
A study of selected major works from representative period(s)/composer(s). Provides a synthesis of musicological, historical, analytical, and interpretational techniques. Different literature covered each semester.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Advanced-level survey courses or demonstrated equivalent.
Repeatable: Repeatable with different topics
Schedule Type: Seminar
Term Offering: Spring
College Code: CAS

MUHL 550 - Music History Review
Credits: 2
Review of the musical genres, styles, and performance trends throughout Western music history. Focuses on representative compositions, composers, and essential concepts as a foundation for graduate-level music history courses.

Course Attribute: Music History
Grade Mode: Satisfactory (S,U,I,W)
Prerequisite(s): Complete sequence of undergraduate Music History courses or equivalent.
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

MUHL 590 - Research Pro Seminar
Credits: 0
The Research Pro Seminar is designed to provide a safe, supportive environment for graduate music scholars working on a research project in music, to provide constructive critique and encouragement for each other. While largely driven by the needs of the group members, the Research Pro Seminar is conducted under the guidance of a faculty member, who, in addition to facilitating group discussion, will give short presentations on relevant aspects of scholarship in music.

Grade Mode: Satisfactory (S,U,I,W)
Corequisite(s): MUHL 650, MUHL 698, or MUHL 699
Repeatable: Repeatable
Schedule Type: Seminar
College Code: CAS

MUHL 650 - Project Continuation
Credits: 0
Student may register for this title while clearing deferred grade (DG) with advisor approval only.

Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Corequisite(s): MUHL 590
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUHL 655 - Program Continuation
Credits: 0
Students may register for this non-credit continuation course to maintain active status. For additional information on active status, please refer to p. 56 in the bulletin. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable

MUHL 665 - Comprehensive Exam Preparation
Credits: 0
Advisor approval required. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory (S,U,I,W)
Schedule Type: Independent
College Code: CAS

MUHL 670 - Comprehensive Exam
Credits: 0
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Schedule Type: Independent
College Code: CAS

MUHL 695 - Bibliography and Research in Music
Credits: 2
An introduction to the tools and materials available in music research, with a critical analysis of sources. An examination of the goals and methods of research in music and an introduction to scholarly writing.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years (even)
Term Offering: Fall
College Code: CAS

MUHL 697 - Independent Study
Credits: 1–3
Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUHL 698 - Project
Credits: 2
Requires concurrent enrollment in MUHL 590 - Research Pro Seminar class.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Corequisite(s): MUHL 590
Repeatable: Repeatable up to 4 credits
Schedule Type: Independent
College Code: CAS

MUHL 699 - Master's Thesis
Credits: 2–6
Requires concurrent enrollment MUHL 590 - Research Pro Seminar class. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course Attribute: Full-time status
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Corequisite(s): MUHL 590
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CAS

Music Performance
MUPF 116 - Piano Proficiency
Credits: 1,2
The development of basic keyboard skills required for building musicianship for all music majors and minors: scales and chords, sight reading, accompaniment of melodies, and playing simple pieces and hymns.

Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS
MUPF 117 - Piano Proficiency I
Credits: 1
Level I: The development of basic keyboard skills required for building musicianship for all music majors and minors: scales and chords, sight reading, accompaniment of melodies, and playing simple pieces and hymns.

Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Schedule Type: Lab
Special Approval: Instructor permission required.
Year Offering: Annually
Term Offering: Fall, Spring
College Code: CAS

MUPF 118 - Piano Proficiency II
Credits: 1
Level II: The continued development of basic keyboard skills required for building musicianship for all music majors and minors: scales and chords, sight reading, accompaniment of melodies, and playing simple pieces and hymns.

Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Prerequisite(s): MUPF 116 or permission of the instructor
Schedule Type: Lab
Special Approval: Instructor permission required.
Year Offering: Annually
Term Offering: Fall, Spring
College Code: CAS

MUPF 119 - Piano Proficiency III
Credits: 1
Level III: The progressive development of basic keyboard skills required for building musicianship for all music majors and minors: scales and chords, sight reading, accompaniment of melodies, and playing simple pieces and hymns.

Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Prerequisite(s): MUPF 117 or permission of the instructor
Schedule Type: Lab
Special Approval: Instructor permission required.
Year Offering: Annually
Term Offering: Fall, Spring
College Code: CAS

MUPF 120 - Piano Proficiency IV
Credits: 1
Level IV: The culminating development of basic keyboard skills required for building musicianship for all music majors and minors: scales and chords, sight reading, accompaniment of melodies, and playing simple pieces and hymns.

Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Prerequisite(s): MUPF 118 or permission of the instructor
Schedule Type: Lab
Special Approval: Instructor permission required.
Year Offering: Annually
Term Offering: Fall, Spring
College Code: CAS

MUPF 135 - College Choir
Credits: 1
The College Choir is open to all students who are interested in participating in choral singing and who pass a short audition. It may be taken for one credit per semester and the grade is determined by attendance and participation. Available only to Andrews University students attending Newbold College.

Grade Mode: A-F,I,W
Repeatable: Repeatable
Schedule Type: Music Organization
College Code: CAS

MUPF 160 - Applied Music Non-Degree
Credits: 1,2
Applied Music Non-Degree. The private study of the performance repertoire and technique of the given instrument or voice and the study of performance-related skills. These courses do not apply toward fulfilling music degree requirements without specific music faculty action.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)

MUPF 164 - Applied Music
Credits: 1,2
Applied Music Non-Performance Major/Minor. The private study of the performance repertoire and technique of the given instrument or voice and the study of performance-related skills. These courses do not apply toward fulfilling music degree requirements without specific music faculty action.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
Term Offering: Fall, Spring, Summer
College Code: CAS

MUPF 165 - Applied Music
Credits: 1,2
The private study of the performance repertoire and technique of the given instrument or voice and the study of performance-related skills. These courses do not apply toward fulfilling music major degree requirements without specific music faculty action.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUPF 264 - Applied Music—Sophomore
Credits: 1,2
Applied Music Non-Performance Major/Minor. The private study of the performance repertoire and technique of the given instrument or voice and the study of performance-related skills. These courses do not apply toward fulfilling music major degree requirements without specific music faculty action.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUPF 265 - Applied Music—Sophomore
Credits: 1,2
Applied Music Non-Performance Major/Minor. The private study of the performance repertoire and technique of the given instrument or voice and the study of performance-related skills. These courses do not apply toward fulfilling music major degree requirements without specific music faculty action.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUPF 330 - University Orchestra
Credits: 1
Department of Music ensembles are open to all students upon permission of the instructor. Ensembles seek to expand the intellectual, psychological and spiritual horizons of the student. Ensemble credit may fulfill part of the General Education
arts/humanities breadth requirement. Permission to add or drop an ensemble must be approved by the respective instructor.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Music Organization
College Code: CAS

MUPF 334 - Wind Symphony
Credits: 1
Department of Music ensembles are open to all students upon permission of the instructor. Ensembles seek to expand the intellectual, psychological and spiritual horizons of the student. Ensemble credit may fulfill part of the General Education arts/humanities breadth requirement. Permission to add or drop an ensemble must be approved by the respective instructor.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Music Organization
College Code: CAS

MUPF 336 - University Chorale
Credits: 1
Department of Music ensembles are open to all students upon permission of the instructor. Ensembles seek to expand the intellectual, psychological and spiritual horizons of the student. Ensemble credit may fulfill part of the General Education arts/humanities breadth requirement. Permission to add or drop an ensemble must be approved by the respective instructor.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Music Organization
College Code: CAS

MUPF 339 - Chamber Music Ensemble
Credits: 1
Department of Music ensembles are open to all students upon permission of the instructor. Ensembles seek to expand the intellectual, psychological and spiritual horizons of the student. Ensemble credit may fulfill part of the General Education arts/humanities breadth requirement. Permission to add or drop an ensemble must be approved by the respective instructor.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Music Organization
College Code: CAS

MUPF 345 - Sinfonietta
Credits: 1
Department of Music ensembles are open to all students upon permission of the instructor. Ensembles seek to expand the intellectual, psychological and spiritual horizons of the student. Ensemble credit may fulfill part of the General Education arts/humanities breadth requirement. Permission to add or drop an ensemble must be approved by the respective instructor.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Music Organization
College Code: CAS

MUPF 360 - Applied Music Non-Degree
Credits: 1,2
Applied Music Non-Degree. The private study of the performance repertoire and technique of the given instrument or voice and the study of performance-related skills. These courses do not apply toward fulfilling music degree requirements without specific music faculty action.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
Special Approval: Instructor permission required.
Term Offering: Fall, Spring, Summer
College Code: CAS

MUPF 364 - Applied Music—Junior
Credits: 1,2
Applied Music Non-Performance Major/Minor The private study of the performance repertoire and technique of the given instrument or voice and the study of performance-related skills. Repertoire study includes solo and concerted works. Technical study includes scales and arpeggios, technical exercises appropriate to the performance medium, excerpts (where appropriate) and etudes. Performance-related skills study includes the development of basic-level skills in improvisation and the study of sight-reading. Each of these courses require concurrent enrollment in MUPF489. Non-music students may register for music lessons. These courses do not apply toward fulfilling music major degree requirements without specific music faculty action.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUPF 365 - Applied Music—Junior
Credits: 1,2
The private study of the performance repertoire and technique of the given instrument or voice and the study of performance-related skills. Repertoire study includes solo and concert works. Technical study includes scales and arpeggios, technical exercises appropriate to the performance medium, excerpts (where appropriate) and etudes. Performance-related skills study includes the development of basic-level skills in improvisation and the study of sight-reading. Each of these courses require concurrent enrollment in MUPF489.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUPF 385 - University Singers
Credits: 1
Department of Music ensembles are open to all students upon permission of the instructor. Ensembles seek to expand the intellectual, psychological and spiritual horizons of the student. Ensemble credit may fulfill part of the General Education arts/humanities breadth requirement. Permission to add or drop an ensemble must be approved by the respective instructor.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Music Organization
College Code: CAS

MUPF 396H - Honors Music Recital (Junior)
Credits: 1
A memorized recital under the supervision of a music honors committee. Research document on compositions performed is required. May be taken in lieu of certain required and applied music courses.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Independent
College Code: CAS

MUPF 397 - Recital—Junior
Credits: 1
Recitals

Course/Lab Fee: Yes
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Independent
College Code: CAS

MUPF 405 - Keyboard Accompaniment
Credits: 1
Accompanying of instrumental and vocal soloists. Department of Music ensembles are open to all students upon permission of the instructor. Ensembles seek to expand the intellectual, psychological and spiritual horizons of the student. Ensemble credit may fulfill part of the General Education arts/humanities breadth requirement. Permission to add or drop an ensemble must be approved by the respective instructor.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Music Organization
College Code: CAS

MUPF 410 - Collaborative Piano
Credits: 1
Coaching and instruction in collaborative piano; the study of piano ensemble
repertoire, such as piano duos, piano duets, chamber music and other forms featuring the piano as a collaborative instrument. Department of Music ensembles are open to all students upon permission of the instructor. Ensembles seek to expand the intellectual, psychological and spiritual horizons of the student. Ensemble credit may fulfill part of the General Education arts/humanities breadth requirement. Permission to add or drop an ensemble must be approved by the respective instructor.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Music Organization
College Code: CAS

MUPF 420 - Diction for Singers
Credits: 3
The study of the rules for pronunciation and diction of the major languages used by singers. Study of Italian, French, German and Latin with application of International Phonetic Alphabet symbols.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

MUPF 464 - Applied Music—Senior
Credits: 1,2
Applied Music Non-Performance Major/Minor The private study of the performance repertoire and technique of the given instrument or voice and the study of performance-related skills. Repertoire study includes solo and concerted works. Technical study includes scales and arpeggios, technical exercises appropriate to the performance medium, excerpts (where appropriate) and etudes. Performance-related skills study includes the development of basic-level skills in improvisation and the study of sight-reading. Each of these courses require concurrent enrollment in MUPF 489. Non-music students may register for music lessons. These courses do not apply toward fulfilling music major degree requirements without specific music faculty action.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUPF 465 - Applied Music—Senior
Credits: 1,2
The private study of the performance repertoire and technique of the given instrument or voice and the study of performance-related skills. Repertoire study includes solo and concerted works. Technical study includes scales and arpeggios, technical exercises appropriate to the performance medium, excerpts (where appropriate) and etudes. Performance-related skills study includes the development of basic-level skills in improvisation and the study of sight-reading. Each of these courses require concurrent enrollment in MUPF 489.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUPF 478 - Study Tour:
Credits: 0
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.

Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Blended Learning
College Code: CAS

MUPF 489 - Recital Attendance
Credits: 0
Attendance of on- and off-campus live musical events. Required for all music majors each semester in full-time residence and four (4) semesters for music minors. Students are required to attend nine (9) live musical events each semester in order to pass the course, at least seven (7) of which must be sponsored by the Department of Music. Students may count ensemble concerts in which they perform, but note that multiple performances of a given concert may only be counted as one (1) concert. Music majors and minors who do not achieve a “pass” for one (1) semester may risk losing their standing as a music major or minor.

Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUPF 490 - Recital Continuation
Credits: 0
Recitals
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUPF 496H - Honors Music Recital (Senior)
Credits: 2
A memorized recital under the supervision of a music honors committee. A research document on compositions performed is required. May be taken in lieu of certain required and applied music courses.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Independent
College Code: CAS

MUPF 497 - Recital—Senior
Credits: 1,2
Recitals
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Repeatable: Repeatable up to 2 credits
Schedule Type: Independent
College Code: CAS

MUPF 499 - Senior Project
Credits: 1,2
Requires concurrent enrollment in MUHL 490 - Research Pro Seminar.
Grade Mode: Satisfactory (S,U,I,W)
Corequisite(s): MUHL 490
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUPF 500 - Applied Music (non-performance track)
Credits: 1,2
The private study of the performance repertoire and technique of the given instrument or voice and the study of performance-related skills. Repertoire study includes solo and concerted works. Technical study includes scales and arpeggios, technical exercises appropriate to the performance medium, excerpts (where appropriate) and etudes.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUPF 505 - Keyboard Accompaniment
Credits: 0,1
Accompanying of instrumental and vocal soloists.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Music Organization
College Code: CAS

MUPF 506 - Advanced Conducting
Credits: 1,2
Choral Section 01: Study of the art and techniques of conducting relative to the score and to the chorus as a performance instrument.

Instrumental Section 02: Study of the art and techniques of conducting relative to the score and to the orchestra or band as performance instruments. Major works are studied and conducted.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
MUPF 510 - Collaborative Piano
Credits: 0,1
Collaborative piano and instruction in collaborative piano; the study of piano ensemble repertoire, such as piano duos, piano duets, chamber music, and other forms featuring the piano as a collaborative instrument.

Course/Lab Fee: No
Repeatable: Repeatable
Schedule Type: Music Organization
Year Offering: Annually
Term Offering: Fall, Spring
College Code: CAS

MUPF 515 - Recital Accompanying
Credits: 0,1
Preparation and public performance of a pianist/soloist recital in which the piano is the principal medium of accompaniment.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Music Organization
Year Offering: Annually
Term Offering: Fall, Spring
College Code: CAS

MUPF 516 - Piano Proficiency
Credits: 1,2
The development of basic keyboard skills required for building musicianship for all music graduate students: scales and chords, sight reading, accompaniment of melodies, and playing simple pieces and hymns.

Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUPF 520 - Diction for Singers
Credits: 2
The study of the rules for pronunciation and diction of the major languages used by singers. Study of Italian, French, German and Latin with application of International Phonetic Alphabet symbols.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate Years
College Code: CAS

MUPF 525 - University Orchestra
Credits: 0,1
Department of Music ensembles are open to all students upon permission of the instructor. Ensembles seek to expand the intellectual, psychological and spiritual horizons of the student. Ensemble credit may fulfill part of the General Education arts/humanities breadth requirement. Permission to add or drop an ensemble must be approved by the respective instructor.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Music Organization
College Code: CAS

MUPF 527 - University Chorale
Credits: 0,1
Department of Music ensembles are open to all students upon permission of the instructor. Ensembles seek to expand the intellectual, psychological and spiritual horizons of the student. Ensemble credit may fulfill part of the General Education arts/humanities breadth requirement. Permission to add or drop an ensemble must be approved by the respective instructor.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Music Organization
College Code: CAS

MUPF 528 - University Singers
Credits: 0,1
Department of Music ensembles are open to all students upon permission of the instructor. Ensembles seek to expand the intellectual, psychological and spiritual horizons of the student. Ensemble credit may fulfill part of the General Education arts/humanities breadth requirement. Permission to add or drop an ensemble must be approved by the respective instructor.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Music Organization
College Code: CAS

MUPF 538 - Chamber Music Ensemble
Credits: 0,1
Department of Music ensembles are open to all students upon permission of the instructor. Ensembles seek to expand the intellectual, psychological and spiritual horizons of the student. Ensemble credit may fulfill part of the General Education arts/humanities breadth requirement. Permission to add or drop an ensemble must be approved by the respective instructor.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Music Organization
College Code: CAS

MUPF 545 - Sinfonietta
Credits: 0,1
Department of Music ensembles are open to all students upon permission of the instructor. Ensembles seek to expand the intellectual, psychological and spiritual horizons of the student. Ensemble credit may fulfill part of the General Education arts/humanities breadth requirement. Permission to add or drop an ensemble must be approved by the respective instructor.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Music Organization
College Code: CAS

MUPF 550 - Private Instruction in _________
Credits: 1–4
Private instruction in composition.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUPF 560 - Applied Music (performance track)
Credits: 1,2
The private study of the performance repertoire and technique of the given instrument or voice and the study of performance-related skills. Repertoire study includes solo and concerted works in preparation for public performance.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

MUPF 570 - Applied Music (non degree)
Credits: 1,2
The private study of the performance repertoire and technique of the given instrument or voice and the study of performance-related skills. This course does not apply toward fulfilling music degree requirements without specific music
MURE 423 - Christian Worship and Music  
**Credits:** 3  
The class explores biblical principles of Christian worship and the musical experience as they relate to practices in the church. Emphasis will be placed upon Biblical principles shaping music ministry. The study of psychological and physiological foundations for perceiving music are a basis for examining principles of worship music, followed by discussion of applications to relevant situations.

**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture  
**Year Offering:** Alternate years (even)  
**Term Offering:** Spring  
**College Code:** CAS

MURE 485 - The Church Organ and Service Playing  
**Credits:** 2  
The development of the organ and organ literature; a practical study of church services, including organ registrations for choral music, vocal solos, and hymn playing; discussion of the organ interlude and improvisation. Concurrent enrollment in applied music—organ is recommended.

**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture  
**College Code:** CAS

MURE 523 - Christian Worship and Music  
**Credits:** 2  
The class explores biblical principles of Christian worship and the musical experience as they relate to practices in the church. Mission
Advance the appreciation, understanding and application of physics in the context of personal integrity and service, scientific rigor, and Seventh-day Adventist faith.

Strategies
- Create an environment of scholarly inquiry, learning, and creativity
- Develop technical, analytical, and critical thinking skills
- Provide opportunities for intellectual independence, collaboration, and outreach
- Promote personal wholeness, integrity, balance, and spiritual well-being

Student and Faculty Goals
- Understand physics ideas, principles and interpretation, supporting and participating in research and education
- Measure, analyze and model physical phenomena, lending insight to other disciplines and professions
- Communicate scholarship in written and oral form, networking with scholarly, faith, and civic communities
- Connect scientific and religious world views, serving the Seventh-day Adventist Church and society
- Participate in research and education outreach

Physics describes the world in terms of matter and energy and relates phenomena to fundamental law using mathematical representations. Its scope includes systems that range in size from the sub-nuclear to the entire cosmos.

The BS: Physics program supports and enhances professional careers in all the physical sciences, engineering, and the life sciences. Its emphasis on problem-solving also provides a foundation for careers in medicine, business, law, and government.

The BS: Biophysics program prepares the graduate for direct entry into the workforce or advanced studies in medical and bioengineering fields as well as biophysics.

The BS: Physics Education program prepares the graduate for a career in secondary teaching.

The Major in Physics Studies is an add-on degree program that complements any baccalaureate degree without incurring additional general education requirements. It strengthens and expands marketability and interdisciplinary opportunities.

A Minor in Physics complements any baccalaureate degree. It is the minimum requirement for secondary teaching certification in physics. All physics majors and minors desiring certification should consult with the School of Education (College of Education & International Services) throughout their program.

Bachelors

Biomedical Physics BS

The Biomedical Physics BS degree is an innovative preparation for careers in medicine, medical physics, and biomedical engineering, empowering problem solving in biology and medicine with physics tools and analysis used in Medical Imaging, Radiation Therapy, Biotechnology, Molecular Biophysics, and Nanotechnology. It is interdisciplinary in nature, combining ideas, technologies, and applications from physics, biology, chemistry, mathematics, medical applications, and research.

Total Credits - 124

Major - 34

PHYS 141 - General Physics I Credits: 4
PHYS 142 - General Physics II Credits: 4
PHYS 316 - Biophysics Credits: 3
PHYS 326 - Biomedical Mathematical Mathematics Credits: 4
PHYS 330 - Thermodynamics and Statistical Mechanics Credits: 3
PHYS 350 - Optics Credits: 3
PHYS 495 - Physics Research Credits: 0–3

Choose 6 upper division PHYS credits numbered 300 and above in consultation with advisor

Choose 6 credits in the following topics by registering for PHYS 420 - Advanced Topics in ________ and/or PHYS 490 - Independent Study in Physics:

- Physics in Medicine - 3 credits
- Advanced Lab in Biophysics - 1 credit
- Internship Practicum - 2 credits

Choose one of the following courses to register every semester in residence:

PHYS 277 - Physics Colloquium Credits: 0
MATH 389 - Mathematics Colloquium Credits: 0

Cognates - 45

BCHM 421 - Biochemistry I Credits: 4
BIOL 122 - Introduction to Medicine Credits: 1
BIOL 165 - Foundations of Biology Credits: 4.5
BIOL 166 - Foundations of Biology Credits: 4.5
BIOL 372 - Cell and Molecular Biology Credits: 3
CHEM 131 - General Chemistry I Credits: 4
CHEM 132 - General Chemistry II Credits: 4
CHEM 231 - Organic Chemistry I Credits: 3
CHEM 232 - Organic Chemistry II Credits: 3
CHEM 241 - Organic Chemistry Laboratory I Credits: 1
CHEM 242 - Organic Chemistry Laboratory II Credits: 1
CPTR 151 - Computer Science I Credits: 3
MATH 191 - Calculus I Credits: 4
MATH 192 - Calculus II Credits: 4

Student Learning Outcomes

Graduates of this program will be able to:

- Apply basic biophysics and mathematical tools to model biomedical processes and phenomena.
- Conduct biophysical laboratory experiments to evaluate the effectiveness of theoretical models.
- Achieve Foundational 100-200 level program and ACE/SAGES course outcomes AUUFO IS.FND.

3a. Interprets quantitative information, communicates evidence about that information in applications or projects, and uses mathematical methods to solve problems and analyze data in context. Describe assumptions or limitations of these methods.

3b. Makes a reasonable estimate, uses appropriate tools, and verifies the reasonableness of the result in context when working with quantitative information.

3c. Creates, interprets, and translates between numerical, graphical, symbolic, and verbal representations of quantitative information.

160
6. Frames a problem or question in selected areas of study. Identifies ideas, concepts, theories, or practical approaches to the problem or question.

- Achieve Baccalaureate 300-400 level program and ACE/SAGES course outcomes AUUFO IS.BAC.
  - 1a. Locates, evaluates, incorporates, and properly cites discipline-appropriate information resources including written, audio, visual, and social media, as appropriate for the discipline in projects, papers or performances.
  - 1b. Generates information through independent or collaborative analytical inquiry and uses that information in a project, paper or performance, e.g., a capstone experience.
  - 2b. Demonstrates reading skills across genres, including an ability to interact with texts, construct meaning, and advance intellectual conversations in the discipline.
  - 3a. Recognizes quantitative aspects of problems across disciplines. Works with multiple approaches, e.g., mathematical models, sequences and timing, spatial layout, probability and statistics, or set relationships.
  - 3b. Constructs logical arguments, proofs, or defenses for quantitative decision-making and presents the results in papers, projects, presentations, juried review, or performances.
  - 6. Differentiates and evaluates theories and approaches to complex problems within multiple fields of study.

**Biophysics BS**

This degree seeks to build comprehensive, fundamental knowledge and research training in biophysics – an interdisciplinary approach to the study of physics, biology, chemistry, and mathematics. Students with interest and aptitude in physics, as well as goals involving interdisciplinary science, business, law, or medicine, will find this degree beneficial for direct entry into medical, bioengineering, and related basic scientific research or subsequent professional practice, research, associated support services, and consulting. Those completing this degree would have enhanced prospects of admission into advanced professional graduate schools of medicine, veterinary medicine, dentistry, and related fields (completion of pre-professional admission course requirements and preparation for admission examinations such as the MCAT are recommended). This degree could also lead to admission into a master’s degree program in physics, medical physics, or biophysics. Students typically complete the degree in 4 years.

**Total Credits - 124**

**Major - 40**

- 5 credits of BIOL 165 - Foundations of Biology Credits: 4.5*
- 5 credits of BIOL 166 - Foundations of Biology Credits: 4.5*
- BIOL 372 - Cell and Molecular Biology Credits: 3
- BCHM 421 - Biochemistry I Credits: 4 **
- PHYS 241 - Physics for Scientists and Engineers I Credits: 4**
- PHYS 242 - Physics for Scientists and Engineers II Credits: 4
- PHYS 271 - Physics for Scientists and Engineers Laboratory I Credits: 1
- PHYS 272 - Physics for Scientists and Engineers Laboratory II Credits: 1
- PHYS 311 - Classical Mechanics I Credits: 3
- PHYS 316 - Biophysics Credits: 3
- PHYS 330 - Thermodynamics and Statistical Mechanics Credits: 3
- PHYS 377 - Advanced Physics Laboratory I Credits: 1
- PHYS 431 - Electricity and Magnetism I Credits: 3
- 1 Credit minimum of PHYS 495 - Physics Research Credits: 0–3

Choose one of the following courses (register every semester in residence):
- PHYS 277 - Physics Colloquium Credits: 0***
- MATH 389 - Mathematics Colloquium Credits: 0

*By taking the cognate courses and BCHM 421, a student qualifies for a minor in chemistry.

**Electives**

Recommended general electives in consultation with advisor (BCHM, MATH)

- BCHM 422 - Biochemistry II Credits: 3
- BCHM 430 - Biochemistry Lab Credits: 1
- MATH 215 - Introduction to Linear Algebra Credits: 3
- MATH 240 - Calculus III Credits: 4

**Additional Requirement**

**Thesis Option:** All Physics and Biophysics majors do some original research in collaboration with an established physicist on-campus or at another university, industrial or national laboratory. If students enroll for 3 credits of PHYS 495 or HONS 497H, they may prepare a Senior Thesis. Undergraduate Research Scholarships are available through the Office of Research & Creative Scholarship when students collaborate with Andrews Physics faculty.

**Cognates - 27**

- CHEM 131 - General Chemistry I Credits: 4
- CHEM 132 - General Chemistry II Credits: 4
- CHEM 231 - Organic Chemistry I Credits: 3
- CHEM 232 - Organic Chemistry II Credits: 3
- CHEM 241 - Organic Chemistry Laboratory I Credits: 1
- CHEM 242 - Organic Chemistry Laboratory II Credits: 1
- MATH 192 - Calculus II Credits: 4
- MATH 286 - Differential Equations Credits: 3

Choose one of the following courses:
- MATH 191 - Calculus I Credits: 4
- MATH 195 - Calculus I for Biology Credits: 4

**Student Learning Outcomes**

At the end of the program, students should possess:

- Successful problem-solving skills based on demonstrated critical and analytical thinking.
- Mastery of essential natural science concepts and principles.
- Familiarity with topics in general and modern physics, electricity and magnetism, thermodynamics, calculus, introductory and cell biology, general and organic chemistry to be applied theoretically and in laboratory experimentation.
- Practical application of biophysics interdisciplinary theories and principles.
- Scientific communication skills.

**Physics BS**

This degree seeks to build comprehensive, fundamental knowledge and research training in physics for students with a broad spectrum of interests or aptitudes in mathematics, computing, and natural science who desire to deeply understand the world at the most fundamental levels. The Physics BS is recommended for entry into scientific, technical, or administrative jobs in engineering, industry, law, government, education, medicine, or business that are enhanced by physics problem-solving and analytic skills. This degree is suitable for preparing students for doctoral programs in physics as well as other graduate programs in physics, engineering, chemistry and the life sciences, or professional programs in medicine, law, or business. Students typically complete the degree in 4 years.

**Second Year Teaching Certification:** Physics majors desiring secondary-teaching certification should also consult with the School of Education (College of Education & International Services). BIOL 165 is required in addition to all other cognates. Program is certified by the Michigan Department of Education.

**Total Credits - 124**

**Major - 40**

- PHYS 241 - Physics for Scientists and Engineers I Credits: 4
- PHYS 242 - Physics for Scientists and Engineers II Credits: 4
- PHYS 271 - Physics for Scientists and Engineers Laboratory I Credits: 1
- PHYS 272 - Physics for Scientists and Engineers Laboratory II Credits: 1
- PHYS 311 - Classical Mechanics I Credits: 3
- PHYS 316 - Biophysics Credits: 3
- PHYS 330 - Thermodynamics and Statistical Mechanics Credits: 3
- PHYS 377 - Advanced Physics Laboratory I Credits: 1
- PHYS 431 - Electricity and Magnetism I Credits: 3
- 1 credit of PHYS 495 - Physics Research Credits: 0–3

Choose one of the following courses (register every semester in residence):
- PHYS 277 - Physics Colloquium Credits: 0
- MATH 389 - Mathematics Colloquium Credits: 0

---

*By taking the cognate courses and BCHM 421, a student qualifies for a minor in chemistry.*
Physics Education BS

This degree seeks to develop students for teaching physics at the secondary school level with optimal content, methods, and results consistent with evidence-based active learning and the needs of modern students. Students with interest and aptitude in physics and the desire to empower future generations with its exciting concepts, applied successes, and practical skills will find the Physics Education BS to be a strong preparation for teaching physics in SDA and other private or public secondary institutions. This baccalaureate degree is sufficient to enter into high school teaching; however, a master’s degree is preferred by many school systems and, without it, teachers are often required to make annual progress towards completing it. Students typically complete this program in 4.5 years, including Michigan Teaching Certification (in collaboration with the College of Education & International Services).

NOTE: This major is designed to connect with multiple pathways to licensure:
- North American Division SDA Teaching Certification.
- State Alternative Licensure Paths.
- In-state Preparatory Programs for Secondary Teacher Certification by the Michigan Department of Education and recognized by the National Science Teachers Association (coordinated by the College of Education & International Services).

Total Credits - 124

Major - 40

Choose one of the following courses (register every semester in residence):
- PHYS 277 - Physics Colloquium Credits: 0
- MATH 389 - Mathematics Colloquium Credits: 0

Electives chosen in consultation with advisor (PHYS)

Choose one of the following courses (numbered 300 and above) in consultation with advisor.

Cognates - 29

MATH 191 - Calculus I Credits: 4
or
MATH 195 - Calculus I for Biology Credits: 4

MATH 192 - Calculus II Credits: 4
MATH 215 - Introduction to Linear Algebra Credits: 3
MATH 240 - Calculus III Credits: 4
MATH 286 - Differential Equations Credits: 3
CHEM 131 - General Chemistry I Credits: 4
CHEM 132 - General Chemistry II Credits: 4

Choose one of the following courses:
- CPTR 151 - Computer Science I Credits: 3
- 2 credits of PHYS 235 - MATLAB Credits: 2,3

Student Learning Outcomes

At the end of the program, students should possess:
- Demonstrated creativity and higher-order reasoning.
- Evidence of advanced problem-solving skills using technical and analytical tools and modeling.
- Scientific writing and communication skills.
- Interpersonal and team skills.
- Facility in experimental and theoretical physics methods, results, and applications.
- Knowledge in classical and modern physics including statistical and quantum mechanics, and electromagnetism.

Non-degree Majors

Physics Studies Major

The Physics Studies major seeks to develop students who can add value to problem solving in any field by using the approaches, techniques, skills, and equipment unique to the physics discipline. Students with broad interests and skills who show an aptitude in STEM will find this major helpful in seeking jobs in engineering, computing, mathematics, chemistry, and other careers serving the industrial, research, academic, or public service sectors. Physics Studies is a second major that, when paired with a primary major in another discipline such as Engineering or Mathematics, prepares students for entry into masters and doctoral programs in engineering, computing, mathematics, and chemistry as well as business, architecture, or any of the liberal arts, business, architecture, and other professional programs.

Major - 30

Choose one of the following courses:
- PHYS 241 - Physics for Scientists and Engineers I Credits: 4
- PHYS 242 - Physics for Scientists and Engineers II Credits: 4
- PHYS 271 - Physics for Scientists and Engineers Laboratory I Credits: 1
- PHYS 272 - Physics for Scientists and Engineers Laboratory II Credits: 1
- PHYS 311 - Classical Mechanics I Credits: 3
- PHYS 330 - Thermodynamics and Statistical Mechanics Credits: 3
- PHYS 377 - Advanced Physics Laboratory I Credits: 1
- PHYS 431 - Electricity and Magnetism I Credits: 3

1 credit of PHYS 495 - Physics Research Credits: 0–3

Secondary Education BA/BS

See College of Education and International Services to view the Secondary Education BA/BS requirements

Student Learning Outcomes

Upon completion of the Physics Education BS, students will demonstrate:
- Evidence-based knowledge of pedagogical principles, methods, and content effective in transmitting physics concepts, problem-solving, critical thinking and analysis, and applied results (instructing students with learning plans designed for 12 or more students).
- Curriculum development and engaging instructional skills in various in-classroom and in-lab physics practica (applying physics knowledge for learners to access information in real world settings and assure learner mastery).
- Assessment of student learning in physics, reflection on practice, and modifications that support student diversity (integrating assessment, planning, and instructional strategies).
- Awareness of whole-student development in physics curricula as they pertain to practical, social, and civic contexts (participating in creating safe and supportive learning environments in diverse cultures, with discernable commitment to the ethical and professional dimensions of teaching).
Students who are interested in becoming physics teachers in secondary schools, research, academic, or public service sectors. This minor, which also serves computing, mathematics, chemistry, and other careers serving the industrial, recognized by the National Science Teachers Association. For more information, the Program is certified by the State of Michigan Department of Education and is approved for certification by the National Science Teachers Association. Graduates of this program will possess:

- Demonstrated creativity and higher-order reasoning.
- Evidence of advanced problem-solving skills using technical and analytical tools and modeling.
- Writing and communication skills.
- Interpersonal and team skills.
- Facility in experimental and theoretical physics methods, results, and applications.
- Knowledge in classical and modern physics including statistical and quantum mechanics, and electromagnetism.

Requirements for Secondary Certification

Program is certified by the State of Michigan Department of Education and is recognized by the National Science Teachers Association. For more information regarding Secondary Certification with a minor, see the department of Teaching, Learning & Curriculum. Students in a teacher certification program are required to take the following courses:

- PHYS 330 - Thermodynamics and Statistical Mechanics
- PHYS 377 - Advanced Physics Laboratory I
- 1 credit of PHYS 495 - Physics Research

Cognates

- MATH 191 - Calculus I
- CHEM 131 - General Chemistry I
- BIOL 165 - Foundations of Biology

Student Learning Outcomes

Graduates of this program will possess:

- Demonstrated creativity and higher-order reasoning.
- Evidence of advanced problem-solving skills using technical and analytical tools and modeling.
- Writing and communication skills.
- Interpersonal and team skills.
- Facility in experimental and theoretical physics methods, results, and applications.
- Knowledge in classical and modern physics including statistical and quantum mechanics, and electromagnetism.

Undergraduate Minors

Physics Minor

The Physics minor seeks to develop students who can add value to problem solving in any field by using the approaches, techniques, skills, and equipment unique to the physics discipline. Students with broad interests and skills who show an aptitude in STEM will find this minor helpful in seeking jobs in engineering, computing, mathematics, chemistry, and other careers serving the industrial, research, academic, or public service sectors. This minor, which also serves students who are interested in becoming physics teachers in secondary schools, meets minimum requirements necessary for State of Michigan Teacher Certification and is recognized by the National Science Teachers Association. The Physics minor prepares students for entry into masters and doctoral programs in engineering, computing, mathematics, chemistry, as well as business, architecture, or any of the liberal arts, business, architecture, and other professional programs, including the Master of Arts in Teaching (MAT).

Minor - 20

- PHYS 241 - Physics for Scientists and Engineers I Credits: 4
- PHYS 242 - Physics for Scientists and Engineers II Credits: 4
- PHYS 271 - Physics for Scientists and Engineers Laboratory I Credits: 1
- PHYS 272 - Physics for Scientists and Engineers Laboratory II Credits: 1
- PHYS 311 - Classical Mechanics I Credits: 3

Choose one of the following courses (register every semester in residence):

- PHYS 277 - Physics Colloquium Credits: 0
- MATH 389 - Mathematics Colloquium Credits: 0

Electives chosen in consultation with the department chair (PHYS)

Student Learning Outcomes

Graduates of this program will possess:

- Demonstrated creativity and higher-order reasoning.
- Evidence of advanced problem-solving skills using technical and analytical tools and modeling.
- Writing and communication skills.
- Interpersonal and team skills.
- Facility in experimental and theoretical physics methods, results, and applications.
- Knowledge in classical and modern physics including statistical and quantum mechanics, and electromagnetism.

Physics

PHYS 107 - Concepts and Applications in Physics I

Credits: 3

Identifying and quantifying physics concepts that organize daily experience, selected from mechanics, waves, thermodynamics, electromagnetism, optics, and modern physics. Includes individual and collaborative development of abstract and practical problem solving skills and applications in the classroom and integrated laboratory experience. Intended to lay a foundation for pre-professional and calculus-based introductory physics courses. In combination with PHYS 108, meets the physical science requirement for Andrews University General Education. Does not apply to a physics major or minor.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
Term Offering: Fall
College Code: CAS

PHYS 108 - Concepts and Applications in Physics II

Credits: 3

A sequel to PHYS 107, identifying and quantifying the remaining physics concepts from mechanics, waves, thermodynamics, electromagnetism, optics, and modern physics. Includes individual and collaborative development of abstract and practical problem solving skills and applications in the classroom and integrated laboratory experience. Intended to lay a foundation for pre-professional and calculus-based introductory physics courses. In combination with PHYS 107, meets the physical science requirement for Andrews University General Education. Does not apply to a physics major or minor.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 107
Schedule Type: Lecture/Lab
College Code: CAS

PHYS 110 - Astronomy

Credits: 4

Exploring the cosmic environment—the solar system, stars and their development, star clusters, the interstellar medium, galaxies, and large-scale features of the Universe. Meets the Andrews General Education Physical Science requirement. Does not apply to a major or minor.

Lecture/Lab: Weekly: 3 lectures and a 2-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MPE P2 or MATH 145 or MATH 165 or STAT 285 or equivalent.
Schedule Type: Lecture/Lab, Interactive Online, Self-Paced
Term Offering: Fall, Spring
College Code: CAS
PHYS 115 - Mythbusting
Credits: 4
Examining what is commonly believed about the physical world and how to realign it with measurable reality. A conceptual and relevant understanding of physics—forces, matter and energy with 21st century applications. Meets the General Education Physical Science requirement. Does not apply to a major or minor.

Lecture/Lab: Weekly: 3 lectures and a 2-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MPE P2 or any GE-level math course.
Schedule Type: Lecture/Lab
College Code: CAS

PHYS 117 - Observational Astronomy Lab
Credits: 0,1
Practical experience and background in observational astronomy with modern optical instruments in laboratory, field or remote facilities. As weather permits, lab will include sessions at the Kingman Observatory with departmental or personal telescopes. This is a standalone laboratory course suitable for students in any major and for the general public. General Education Physical Science credit is limited to transfer students who are articulating a lecture course in astronomy or a Physical Science with 3 or more credits. Does not apply to a major or minor.

Lecture/Lab: Weekly: one 3-hour activity
Course/Lab Fee: Yes
Grade Mode: Normal w S (A-F,I,S,U,W)
Schedule Type: Lab
College Code: CAS

PHYS 141 - General Physics I
Credits: 4
Algebra based introduction to mechanics, wave motion, sound and thermodynamics.

Lecture/Lab: Weekly: 3 lectures, 1 recitation, 1-hour of small-group learning and one 2.5-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MPE P4 or MATH 167 or MATH 168
Schedule Type: Lecture, Lab, Workshop
College Code: CAS

PHYS 142 - General Physics II
Credits: 4
Algebra based introduction to electricity, magnetism, geometric and physical optics, relativity, and modern physics

Lecture/Lab: Weekly: 3 lectures, 1 recitation, 1-hour of small-group learning and one 2.5-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 141
Schedule Type: Lecture, Lab
College Code: CAS

PHYS 188 - Active Teaching I
Credits: 5,1
Supervised participation as a first year Learning Assistant (LA), Teaching Lab Assistant (TA), Classroom Assistant (CA), Support Assistant (SA), and Tutor Assistant (TU) in middle and secondary school settings. Particular emphasis will be given to show-and-tell demonstrations, hands-on active learning projects, collaborative work, writing learning objectives/outcomes/standards, evaluation, and assessment. Includes a weekly collaborative colloquium dedicated to current topics in physics teaching. A minimum of 60 hours are required for one credit, and 38 hours for a half credit.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: MATH 168
PHYS 115
Repeatable: Repeatable to 1 credit in an academic year
Schedule Type: Practicum
Special Approval: Instructor permission required.
Term Offering: Fall, Spring, Summer
College Code: CAS

PHYS 225 - Sound and Waves
Credits: 4
The production, transmission, synthesis, and perception of sound as understood through the physical principles, properties, and nature of waves. Includes a survey of applications—music, speech, locomotion, and imaging—and comparisons with light and other kinds of waves. Meets the General Education Physical Science requirement. Does not apply to a major or minor.

Lecture/Lab: Weekly: 3 lectures and a 2-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MPE P2 or MATH 145 or MATH 165 or STAT 285
Schedule Type: Lecture/Lab
College Code: CAS

PHYS 235 - MATLAB
Credits: 2,3
An introduction to MATLAB programming with a focus on its application to physics problems. The capabilities of MATLAB are explored in the areas of graphing, data analysis, numerical methods, Fourier analysis, and signal processing.

Lecture/Lab: Weekly: 1 lecture and a 4-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lab
College Code: CAS

PHYS 241 - Physics for Scientists and Engineers I
Credits: 4
A calculus-based introduction to mechanics, wave motion and thermodynamics emphasizing the mathematical formulation and the physical significance of fundamental principles.

Lecture/Lab: Weekly: 4 lectures and 1 recitation
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PHYS 271
Prerequisite(s): MATH 192
Schedule Type: Lecture
College Code: CAS

PHYS 242 - Physics for Scientists and Engineers II
Credits: 4
A calculus-based introduction to electricity, magnetism, geometric and physical optics, relativity, and modern physics emphasizing the mathematical formulation and the physical significance of fundamental principles.

Lecture/Lab: Weekly: 4 lectures and 1 recitation
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PHYS 272
Prerequisite(s): MATH 192 and PHYS 241
Schedule Type: Lecture
College Code: CAS

PHYS 271 - Physics for Scientists and Engineers Laboratory I
Credits: 1
Laboratory experiments in mechanics, wave motion and thermodynamics, associated with the PHYS241 course.

Lecture/Lab: Weekly: one 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PHYS 241
Schedule Type: Lab
College Code: CAS

PHYS 272 - Physics for Scientists and Engineers Laboratory II
Credits: 1
Laboratory experiments in electricity, magnetism, geometric and physical optics, and modern physics associated with the PHYS242 course.

Lecture/Lab: Weekly: one 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PHYS 242
Schedule Type: Lab
College Code: CAS
PHYS 277 - Physics Colloquium
Credits: 0
Current topics and issues of interest to the physics community. Required each semester of all students with a physics major or minor. Interchangeable with MATH 389.

Lecture/Lab: Weekly: 1 lecture or activity
Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: CAS

PHYS 280 - Topics in ________
Credits: 0–3
Introductory-level topics in astrophysics, other current physics area or associated scientific programming.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Approval of the instructor.
Repeatable: Repeatable up to 4 credits. Minimum of 4 hours per week is required for each credit earned.
Schedule Type: Seminar
College Code: CAS

PHYS 282 - Physics Learning and Pedagogy Seminar
Credits: 0.1
Learning Assistant (LA), Teaching Lab Assistant (TA), Classroom Assistant (CA), Support Assistant (SA), and Tutor Assistant (TU) training and coordination in support of Active Teaching and Small Group Learning activities.

Course/Lab Fee: Yes
Grade Mode: Normal w 5 (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: CAS

PHYS 288 - Active Teaching II
Credits: .5,1
Supervised participation as a second year Learning Assistant (LA), Teaching Lab Assistant (TA), Classroom Assistant (CA), Support Assistant (SA), and Tutor Assistant (TU) in middle and secondary school settings. Particular emphasis on small group active learning. Includes participation in a weekly collaborative colloquium dedicated to current topics in physics teaching. A minimum of 60 hours are required for one credit, and 38 hours for a half credit.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 188
Repeatable: Repeatable to 1 credit in an academic year
Schedule Type: Practicum
Special Approval: Instructor permission required.
Term Offering: Fall, Spring, Summer
College Code: CAS

PHYS 295 - Independent Study/Research
Credits: 1,2
Individually directed reading and lab projects in physics (e.g., holography and astrophotography). A minimum of 4 hours per week is required for each credit earned.

Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Prerequisite(s): Approval of the instructor.
Repeatable: Repeatable up to 4 credits
Schedule Type: Independent
College Code: CAS

PHYS 311 - Classical Mechanics I
Credits: 3
Statics, kinematics, and dynamics for single particles, including Lagrangian and Hamiltonian formalisms.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 192
Prerequisite/Corequisite: PHYS 241 or PHYS 142
Recommended: PHYS 242
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

PHYS 316 - Biophysics
Credits: 3
Modeling and describing physical phenomena of living systems, including transport and diffusion across membranes and electrical processes in muscle and nerve tissue.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 242 (recommended) or PHYS 142; MATH 192
Schedule Type: Lecture
College Code: CAS

PHYS 325 - Astrophysics
Credits: 3
The application of physics to astronomical objects and systems. Includes orbital mechanics, observing with light, planetary systems, stellar mechanics, galaxies, and cosmology.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 242 (recommended) or PHYS 142; MATH 192
Schedule Type: Lecture
College Code: CAS

PHYS 326 - Biomedical Mathematics
Credits: 4
Essential applied mathematics for biomedical physics including ordinary differential equations, Fourier techniques, numerical analysis, linear algebra, and statistics.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH191 and Math 192
Schedule Type: Lecture
Term Offering: Summer
College Code: CAS

PHYS 330 - Thermodynamics and Statistical Mechanics
Credits: 3
Systematic introduction to thermodynamics, kinetic theory, and statistical mechanics (classical and quantum).

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 242 (recommended) or PHYS 142; MATH 192
Schedule Type: Lecture
College Code: CAS

PHYS 350 - Optics
Credits: 3
Geometric and physical optics; interference and diffraction, polarization, Fourier optics, lasers, and holography.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 242 (recommended) or PHYS 142; MATH 192
Schedule Type: Lecture
College Code: CAS

PHYS 377 - Advanced Physics Laboratory I
Credits: 1
Development of advanced lab skills in the study of basic physical phenomena. Emphasis includes scientific instrumentation, scientific computing, lab procedure, data reduction, interpretation, and technical communication. A public presentation is required.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS272
Schedule Type: Lab
Term Offering: Spring
College Code: CAS

PHYS 388 - Active Teaching III
Credits: .5,1
Supervised participation as a third year Learning Assistant (LA), Teaching Lab Assistant (TA), Classroom Assistant (CA), Support Assistant (SA), and Tutor Assistant (TU) in middle and secondary school settings. Particular emphasis on innovative and effective technology. Includes participation in a weekly collaborative colloquium dedicated to current topics in physics teaching. A minimum of 60 hours are required for one credit, and 38 hours for a half credit.
PHYS 400 - Demonstrations in Physics
Credits: 1.2
Identifying topics suitable for demonstration, surveying the literature, preparing demonstrations, finding suppliers of materials and equipment. Critically evaluating demonstrations—their design, preparation, and execution.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Approval of the department chair.
Schedule Type: Lab
College Code: CAS

PHYS 412 - Classical Mechanics II
Credits: 3
Statics, kinematics, and dynamics of multi-particle systems, including Lagrangian and Hamiltonian formalisms.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 311 or ENGR 285 ; MATH 192
Schedule Type: Lecture
College Code: CAS

PHYS 420 - Advanced Topics in_______
Credits: 2,3
Atomic physics, nuclear physics, or other current physics area.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 242 or PHYS 311
Repeatable: Repeatable up to 6 credits
Schedule Type: Lecture
College Code: CAS

PHYS 431 - Electricity and Magnetism I
Credits: 3
A treatment of electromagnetic phenomena in terms of potentials and vector fields. Develops Maxwell's equations with descriptions of electrostatics and magnetostatics as solutions to Laplace's and Poisson's equations.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 311
Schedule Type: Lecture
College Code: CAS

PHYS 432 - Electricity and Magnetism II
Credits: 3
A treatment of electromagnetic phenomena in terms of potentials and vector fields. Addresses electromagnetic radiation in media, reflection and refraction, and the fields of waveguides and antennae.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 431
Schedule Type: Lecture
College Code: CAS

PHYS 440 - Relativity
Credits: 3
Einstein's theories of Special and General Relativity. Includes introductions to black holes, relativistic cosmology and gravitational waves.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 242 (recommended) or PHYS 142 ; MATH 192
Schedule Type: Lecture
College Code: CAS

PHYS 445 - Particle Physics
Credits: 3
A study of particle properties, forces, structure, decay and reaction mechanism in the context of the Standard Model.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 481

PHYS 446 - Solid State Physics
Credits: 3
A study of crystallography, x-ray diffraction, properties of crystalline and amorphous solids, band theory of solids, and lattice dynamics.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 311
Schedule Type: Lecture
College Code: CAS

PHYS 475 - Physics Review
Credits: 3
A review and synthesis of physics concepts and analytical and experimental techniques in preparation for entry into a graduate program. Topics include classical, statistical and quantum mechanics, waves and classical fields.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 311
Schedule Type: Workshop
College Code: CAS

PHYS 477 - Advanced Physics Laboratory II
Credits: 1
Development of advanced lab skills in the study of basic physical phenomena. Emphasis includes scientific instrumentation, scientific computing, lab procedure, data reduction, interpretation, and technical communication. A public presentation is required.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS377
Repeatable: Repeatable up to 2 credits
Schedule Type: Lab
Term Offering: Spring
College Code: CAS

PHYS 478 - Study Tour:
Credits: 0
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.

Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Schedule Type: Blended Learning
College Code: CAS

PHYS 481 - Quantum Mechanics I
Credits: 3
The mechanics of physical phenomena at small scales in formalisms developed by Schrödinger, Heisenberg, and Dirac. Treatments of infinite and square well, barrier, step, and harmonic oscillator potentials; uncertainty relations and angular momenta.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 311
Schedule Type: Lecture
College Code: CAS

PHYS 482 - Quantum Mechanics II
Credits: 3
Matrix mechanics and spin, quantum mechanics applied to the hydrogen atom, many-electron atoms and solid state physics. Also an introduction to time-independent and time-dependent perturbation theory.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 481
Schedule Type: Lecture
College Code: CAS

PHYS 488 - Active Teaching IV
Credits: 5,1
Supervised participation as a fourth year Learning Assistant (LA), Teaching Lab Assistant (TA), Classroom Assistant (CA), Support Assistant (SA), and Tutor Assistant (TU) in middle and secondary school settings. Particular emphasis on classroom & lab management: basic techniques of lab inventory, management of equipment, and classroom management. Includes participation in a weekly
collaborative colloquium dedicated to current topics in physics teaching. A minimum of 60 hours are required for one credit, and 38 hours for a half credit.

**Course/Lab Fee:** Yes  
**Grade Mode:** Normal (A-F,I,W)  
**Prerequisite(s):** PHYS 388  
**Repeatable:** Repeatable to 1 credit in an academic year  
**Schedule Type:** Practicum  
**Special Approval:** Instructor permission required.  
**Term Offering:** Fall, Spring, Summer  
**College Code:** CAS

**PHYS 490 - Independent Study in Physics**  
**Credits:** 1–3  
Individually directed study or problem-solving in selected fields of physics. A minimum of 4 hours work per week is required for each credit earned and a written paper is required.

**Grade Mode:** Normal w S (A-F,I,S,U,W)  
**Repeatable:** Repeatable up to 6 credits  
**Schedule Type:** Independent  
**Special Approval:** Instructor permission required.  
**College Code:** CAS

**PHYS 495 - Physics Research**  
**Credits:** 0–3  
An independent research project in physics supervised by a faculty member. A minimum of 4 hours work per week is required for each credit earned. A written paper and an oral presentation are required. Students should register for credit, or for the zero credit option, for each semester during which research is being done.

**Grade Mode:** Normal w S/DG (A-F,I,S,U,DG,W)  
**Repeatable:** Repeatable up to 6 credits  
**Schedule Type:** Independent  
**Special Approval:** Instructor permission required.  
**College Code:** CAS

**PHYS 530 - Topics in Teaching ____**  
**Credits:** 1–3  
Discussions on 1) the principles of physics and effective approaches for teaching them, or 2) the physics lab, its purposes, administrative and safety procedures, essential equipment, seminal experiments, data analysis, lab journal, and reports.

**Course/Lab Fee:** Yes  
**Grade Mode:** Normal w S (A-F,I,S,U,W)  
**Repeatable:** Repeatable up to 9 credits  
**Schedule Type:** Seminar  
**College Code:** CAS

**PHYS 540 - Topics in ____**  
**Credits:** 2,3  
Study in one of the traditional areas of graduate physics such as electromagnetic theory, analytical or quantum mechanics, solid state, atomic, nuclear or high energy physics, astrophysics, relativity, or mathematical physics. Students complete readings and problems.

**Grade Mode:** Normal (A-F,I,W)  
**Repeatable:** Repeatable up to 9 credits  
**Schedule Type:** Lecture  
**College Code:** CAS

**PHYS 577 - Physics Colloquium**  
**Credits:** 0–1  
Current topics and issues of interest in the physics community. For non-zero credit options, includes specialized study and the preparation and delivery of a public presentation.

**Lecture/Lab:** Weekly: 1 lecture or activity  
**Course/Lab Fee:** Yes  
**Grade Mode:** Satisfactory (S,U,I,W)  
**Repeatable:** Repeatable up to 1 credit  
**Schedule Type:** Seminar  
**College Code:** CAS

**PHYS 648 - Workshop**  
**Credits:** 1–3  
An intensive program for middle school and secondary teachers and teachers-in-training who seek certification or endorsement in physics and who wish to update and expand their skills in the physics laboratory.

Mission
The Department of Religion & Biblical Languages seeks to engage majors and general education students through a biblically grounded, theologically astute and relevant process of spiritual formation; equipping and inspiring them to passionately serve the Seventh-day Adventist Church and the wider world beyond as dedicated lay persons and committed denominational employees in the expectation of the soon coming of Jesus Christ.

Students who are religion and theology majors must be in good and regular standing in terms of student life citizenship. As future ministers of the church, they are expected to live in harmony with Seventh-day Adventist beliefs and practices. Failure in any of these areas may lead to a student being placed on probation or being dismissed from the program. Academic requirements and other program standards are stated in detail in the departmental handbook.

Associates

Christian Discipleship AA

This degree prepares students for personal outreach ministries, including Bible instruction, and offers an opportunity to study a broad spectrum of courses covering both Old and New Testament.

Online Delivery: All course requirements can be completed online, with no time required on the main campus. Online courses are offered in an interactive online format (see School of Distance Education Online Delivery Definitions).

Total Credits - 33
RELB 111 - Introduction to the Old Testament Credits: 3
RELB 112 - Introduction to the New Testament Credits: 3
RELB 210 - Jesus in His Time and Ours Credits: 3
RELB 245 - Hermeneutics Credits: 3
RELB 335 - Acts and Epistles Credits: 3
3 credits of RELH 400 - SDA History and Prophetic Heritage Credits: 3,4
RELT 115 - Introduction to Christian Discipleship Credits: 3
RELT 225 - Doctrines of the Adventist Faith Credits: 3
RELT 315 - Christian Discipleship Credits: 3

Choose one of the following courses:
RELB 235 - Apocalyptic and Biblical Prophecy Credits: 3
RELB 406 - Studies in Daniel and Revelation Credits: 3

Choose one of the following courses:
RELH 225 - Foundations of Missions Credits: 3
3 credits of RELP 240 - Personal Witnessing Credits: 2,3
RELP 335 - Foundations of Youth Ministry Credits: 3
RELT 250 - Personal Spirituality and Faith Credits: 3

Student Learning Outcomes
PO 1: Foundational Knowledge
• Document foundational knowledge in the areas of Bible, history, and theology from an SDA perspective.

PO 3: Effectively Communicate Mission
• Effectively communicate the global mission, beliefs, and heritage of the Seventh-day Adventist Church.

PO 4: Exhibit Growth
• Exhibit growth in awareness of Christian values and life skills.

PO 5: Document Service Experiences & Skills
• Document service experiences & skills in community and cross-cultural contexts.

Bachelors

Religion BA

The BA in Religion is designed for students seeking a mastery of basic principles of biblical interpretation, theological reasoning, and practical ministry. This degree does not aim for intentional integration with a student's primary major and related vocational goals, but instead provides a broad-based immersion into Adventist theology and practice. It is suited as a degree for non-traditional students who for various reasons are not in the position to complete a BA in Theology. The degree does not meet pre-Seminary requirements and students are encouraged to add another major.

Total Credits - 124
Major - 41
Biblical Studies - 15
RELB 111 - Introduction to the Old Testament Credits: 3
RELB 112 - Introduction to the New Testament Credits: 3
RELB 210 - Jesus in His Time and Ours Credits: 3
Choose one of the following courses:

- RELB 216 - Law and Writings of the Old Testament Credits: 3
- RELB 274 - Prophetic Writings of the Old Testament Credits: 3
- RELB 335 - Acts and Epistles Credits: 3

Theological Studies - 15-16

- RELT 325 - Theology I Credits: 3
- RELT 326 - Theology II Credits: 3
- RELT 340 - Religion and Ethics in Modern Society Credits: 3

Choose one of the following courses:

- RELT 250 - Personal Spirituality and Faith Credits: 3
- RELT 315 - Christian Discipleship Credits: 3

Practical Studies - 5-6

- RELP 200 - Religion Forum Credits: 0 (required every semester registered)

Choose 5-6 credits from the following courses:

- RELP 240 - Personal Witnessing Credits: 2,3
- RELP 250 - Personal Spirituality and Faith Credits: 3

Electives - 6

Choose 6 credits from RELB, RELG, RELH, RELP, or RELT.

NOTE: Students, please consult your academic advisor to plan your electives and practical studies electives if you are planning on entering the Seventh-day Adventist Theological Seminary after graduation to plan prerequisites accordingly!

Additional Requirements

- A minimum grade of "C-" for all major classes and cognates.
- Minimum overall GPA of 2.25.
- Major GPA of 2.50.
- Practical service in accordance with the requirements of the department.

God and Human Life Challenge Exam

Students must take the God and Human Life test. If they fail this test, they are required to take RELT 100, God and Human Life.

Additional Information

For students wishing to directly enter the seminary, it is recommended that you choose the following prerequisite courses in addition to the prerequisites built into the degree: RELP 485 (Pastoral Ministry), RELH 316 (History of the Christian Church I), RELH 317 (History of the Christian Church II), and RELP 330 (Homiletics). One of the RELP courses can count towards your practical studies elective component of the degree, and two of the three remaining courses can fit into your general departmental electives, leaving you with only one additional course.

For students desiring to directly enter the ministry upon graduation, the Theology BA is the standard, in-depth degree that has greater employment options. The religion degree should be done in conjunction with another major for employment purposes except for transfer/major change students attempting to finish up and go directly to the seminary. Not all prerequisites are necessarily met.

Off-Campus Locations

This program is also offered at approved off-campus locations.

Student Learning Outcomes

Graduates of this program will be able to:

- Document foundational knowledge in the areas of Bible, history, and theology from a Seventh-day Adventist perspective. (Seek Knowledge)
- Effectively communicate the global mission, beliefs, and heritage of the Seventh-day Adventist Church. (Affirm Faith)
- Exhibit growth in awareness of Christian values and life skills. (Affirm Faith)
- Document service experiences & skills in community and cross cultural contexts. (Change the World)

Religion BA (Distance Ed)

The BA in Religion is designed for students seeking a mastery of basic principles of biblical interpretation, theological reasoning, and practical ministry. This degree does not aim for intentional integration with a student’s primary major and related vocational goals but instead provides a broad-based immersion into Adventist theology and practice. As this degree fulfills part but not all of the seminary prerequisites, it is a good fit for non-traditional students as they can finish their remaining prerequisites in the seminary.

Students planning to enter the Seventh-day Adventist Theological Seminary should select a major in theology. A religion major may be selected but must be supplemented with Seminary prerequisite courses. For entrance requirements, see the Seventh-day Adventist Theological Seminary section of this bulletin.

Online Delivery: This degree is offered as an interactive online format (see School of Distance Education definitions). This program does not require any time on campus.

Total Credits - 124

Major - 41

- RELB 111 - Introduction to the Old Testament Credits: 3
- RELB 112 - Introduction to the New Testament Credits: 3
- RELB 210 - Jesus in His Time and Ours Credits: 3
- RELH 400 - SDA History and Prophetic Heritage Credits: 3,4
- RELT 325 - Theology I Credits: 3
- RELT 326 - Theology II Credits: 3
- RELT 340 - Religion and Ethics in Modern Society Credits: 3

Choose one of the following courses:

- RELB 216 - Law and Writings of the Old Testament Credits: 3
- RELB 274 - Prophetic Writings of the Old Testament Credits: 3
- RELB 335 - Acts and Epistles Credits: 3

Electives - 6

Take 6 credits from any RELB, RELG, RELH, RELP, or RELT courses. Please check seminary prerequisites and notes under Religion BA (on-campus) degree if you are planning to enter the seminary.

Additional Requirements

God and Human Life Challenge Exam

Students must take the God and Human Life test. If they fail this test, they are required to take RELT 100 God and Human Life.

Student Learning Outcomes

Graduates of this program will:

- Possess a foundational knowledge in the areas of Bible, history, and theology, from a Seventh-day Adventist perspective. (Seek Knowledge)
- Express faith in the context of present society, history, theology, and be able to articulate the Seventh-day Adventist view of life both orally and in writing. (Affirm Faith)
- Exhibit growth in Christian life skills. (Affirm Faith)
- Document an attitude of mission, experience & skills in personal service. (Change the World)
Religion, Secondary Education
Concentration BA

The BA in Religion for Secondary Education includes all requirements in Religion for Seventh-day Adventist church certification and is designed for those seeking to teach religion on the secondary level. In order to meet Michigan State Teacher Certification requirements, an additional major and minor must be earned. Students must obtain a second advisor in the School of Education (College of Education & International Services) and consult regularly with that advisor as well as their Religion advisor.

Students planning to enter the seminary should select a major in theology. A religion major must be supplemented with seminary prerequisite courses. For entrance requirements, please consult the seminary portion of this bulletin.

Total Credits - 124

Major - 33-34

Choose one course from the following:
- RELB 216 - Law and Writings of the Old Testament Credits: 3
- RELB 210 - Jesus in His Time and Ours Credits: 3
- RELB 245 - Hermeneutics Credits: 3
- RELB 406 - Studies in Daniel and Revelation Credits: 3
- 3 credits of RELH 400 - SDA History and Prophetic Heritage Credits: 3
- RELT 100 - God and Human Life Credits: 3
- RELT 326 - Theology II Credits: 3

Choose two courses from the following:
- RELP 335 - Foundations of Youth Ministry Credits: 3
- RELT 250 - Personal Spirituality and Faith Credits: 3
- RELT 340 - Religion and Ethics in Modern Society Credits: 3
- RELT 440 - Fundamentals of Spirituality & Ethics in Healthcare Credits: 3

Additional Requirements
- A minimum grade of "C" for all major classes.
- Minimum overall GPA of 2.5.
- Major GPA of 2.50.
- Practical service in accordance with the requirements of the department.
- See Department of Teaching, Learning & Curriculum for Additional Secondary Education graduation requirements.

Denominational Certification
Religion for Secondary Education includes all requirements in Religion for Seventh-day Adventist church certification and designated for those seeking to teach religion on the secondary level. In order to meet Michigan State Teacher Certification requirements an additional major and minor must be earned. Students must obtain a second advisor in the School of Education (College of Education & International Services) and consult regularly with that advisor as well as their Religion advisor.

Student Learning Outcomes
Graduates of this program will:
- Document foundational knowledge in the areas of Bible, history, and theology from a Seventh-day Adventist perspective. (PO 1: Foundational Knowledge)
- Effectively communicate the global mission, beliefs, and heritage of the Seventh-day Adventist Church. (PO 3: Effectively Communicate Mission)
- Exhibit growth in awareness of Christian values and life skills. (PO 4: Exhibit Growth)
- Document service experiences & skills in community and cross-cultural contexts. (PO 5: Document Service Experiences & Skills)

Religious Studies BA

The Religious Studies BA program is available only to students at Newbold College.

Students take 36 taught credits in the major, completing the required 42 credits by taking 6 additional research credits. At least 12 upper division credits must be taken in the major. The general education requirements and general elective credits ensure an overall total of 124 credits for the degree.

Total Credits - 124

Major - 42

(All courses are taught in 3-credit modules.)

General Education Religion and Service - 6
- RELG 360G - Mission and Volunteerism (fulfills Service requirement)
- RELT 100 - God and Human Life Credits: 3 (fulfills ACE requirement)

Foundations - 3
Choose one of the following:
- RELG 360C - Foundations of Biblical Studies Credits: 3
- RELG 360D - Foundations of Christian Theology Credits: 3

New Testament - 3
Choose one of the following:
- RELB 210 - Jesus in His Time and Ours Credits: 3
- RELT 335 - Acts and Epistles Credits: 3

Old Testament - 3
Choose one of the following:
- RELB 216 - Law and Writings of the Old Testament Credits: 3
- RELB 274 - Prophetic Writings of the Old Testament Credits: 3
- RELB 406 - Studies in Daniel and Revelation Credits: 3

Modern World - 3
- RELT 340 - Religion and Ethics in Modern Society Credits: 3

Research - 6
- 3 credits of RELG 496 - Special Projects in Religion Credits: 1-3 Research Proj I
- 3 credits of RELG 496 - Special Projects in Religion Credits: 1-3 Research Proj II

Electives - 21
Choose from the following and/or from courses listed above that have not been taken:
- RELG 360B - Ministry and Culture Credits: 3
- RELG 360E - Reformation Theology Credits: 3
- RELG 360H - History of Western Thought Credits: 3
- RELH 400 - SDA History and Prophetic Heritage Credits: 3
- RELT 250 - Personal Spirituality and Faith Credits: 3

Theology BA

The BA in Theology is a pre-professional degree which prepares students for the Theological Seminary and further training towards full-time gospel ministry. It lays a solid foundation in the areas of biblical languages, exegesis, and theology, practical theology and ministry, history of the Christian Church with an emphasis on the Seventh-day Adventist movement, and doctrine and systematic theology, including ethics. It requires the development of an individual portfolio of ministerial service.

Total Credits - 124

Major - 68

Biblical Studies - 24
- RELB 111 - Introduction to the Old Testament Credits: 3
- RELB 112 - Introduction to the New Testament Credits: 3
- RELB 210 - Jesus in His Time and Ours Credits: 3
Graduation Requirements

A minimum grade of "C-" for all major classes and cognates.
A minimum overall 2.25 GPA.
A major GPA of 2.50.
A practical ministry portfolio in accordance with the requirements of the department.
Successfully test out of RELT 100 or take the class, which shall count as a major elective.

Admission Requirements

Students who enter the Theology, BA will be assessed at the end of their first year in the program in the areas of Christlikeness, character, community involvement, discipleship, mission, and scholarship. Students who do not receive a positive recommendation for continuation in the program will be transferred to the Religion, Biblical & Theological studies degree. An appeal to the faculty may be made. For this, an appointment should be made with the department chair.

Student Learning Outcomes

Graduates of this program will:

- Possess a foundational knowledge in the areas of Bible, history, and theology, from a Seventh-day Adventist perspective. (Seek Knowledge)
- Possess skills in the major biblical languages of Hebrew & Greek. (Seek Knowledge)
- Be able to articulate the Seventh-day Adventist view of life both orally and in writing in the context of present society, history, and theology. (Affirm Faith)
- Exhibit growth in Christian life skills. (Change the World)
- Document experience & skills in personal ministry and evangelism on the level of local church and community and in a cross cultural context. (Change the World)

Undergraduate Minors

Biblical Languages Minor

For students dedicated to pursuing studies in the Biblical Languages on a deeper level.

Total Credits - 18

BIBL 211 - Greek I Credits: 3
BIBL 212 - Greek II Credits: 3
BIBL 313 - Greek III Credits: 3
BIBL 341 - Hebrew I Credits: 3
BIBL 342 - Hebrew II Credits: 3
3 credits of BIBL 495 - Independent Study Credits: 1–3

Student Learning Outcomes

PO 2: Biblical Languages

- Possess skills in the major biblical languages of Hebrew & Greek.

Missions Minor

This program is designed for students interested in further studies in missions.

Minor Requirements - 20

RELG 225 - Foundations of Missions Credits: 3
RELG 350 - World Religions Credits: 3
RELP 240 - Personal Witnessing Credits: 2,3
RELP 274 - Advanced Study in Old Testament Prophets Credits: 3
RELT 340 - Religion and Ethics in Modern Society Credits: 3

Choose one of the following courses:

RELT 250 - Personal Spirituality and Faith Credits: 3
RELT 315 - Christian Discipleship Credits: 3
RELT 440 - Fundamentals of Spirituality & Ethics in Healthcare Credits: 3

Cognates - 15

BIBL 211 - Greek I Credits: 3
BIBL 212 - Greek II Credits: 3
BIBL 313 - Greek III Credits: 3
BIBL 341 - Hebrew I Credits: 3
BIBL 342 - Hebrew II Credits: 3

Additional Requirements

Choose remaining credits from the following courses:

ANTH 200 - Cultural Anthropology Credits: 3
ANTH 124 - Introduction to Anthropology Credits: 3
ANTH 214 - Introduction to Anthropology Credits: 3

Choose one of the following courses:

ANTH 124 - Introduction to Anthropology Credits: 3
ANTH 214 - Introduction to Anthropology Credits: 3

BSAD 365 - International Environment of Business Credits: 3
BSAD 450 - Multicultural Business Relations Credits: 3
EDTE 165 - Introduction to Teaching Credits: 3
EDTE 165 - Introduction to Teaching Credits: 3
ENGL 465 - TESOL Methods Credits: 2
FDNT 469 - International Nutrition Credits: 2,3
FREN 275 - Intermediate French Credits: 4
GEOG 260 - Cultural Geography Credits: 3
RELP 300 - Evangelism Credits: 3
SOC 431 - Needs Assessment and Capacity Mapping Credits: 3
SPAN 275 - Intermediate Spanish Credits: 4
Student Learning Outcomes

Graduates from this program will be able to:

- Document foundational knowledge in the areas of Bible, history, and theology from an SDA perspective. (PO 1: Foundational Knowledge)
- Effectively communicate the global mission, beliefs, and heritage of the Seventh-day Adventist Church. (PO 3: Effectively Communicate Mission)
- Exhibit growth in awareness of Christian values and life skills. (PO 4: Exhibit Growth)
- Document service experiences & skills in community and cross-cultural contexts. (PO 5: Document Service Experiences & Skills)

Religion Minor

This minor is designed for students desiring a minor in religious studies specified to courses that they wish to gain a greater knowledge in.

Minor Requirements - 20

15 credits from RELB, RELG, RELP, and RELT.
5 credits from any course in the department subject to consultation with your academic advisor.

6 of the 20 credits must be from upper-division classes.

Student Learning Outcomes

Graduates of this program will be able to:

- Document foundational knowledge in the areas of Bible, history, and theology from a Seventh-day Adventist perspective. (PO 1: Foundational Knowledge)
- Effectively communicate the global mission, beliefs, and heritage of the Seventh-day Adventist Church. (PO 3: Effectively Communicate Mission)
- Exhibit growth in awareness of Christian values and life skills. (PO 4: Exhibit Growth)
- Document service experiences & skills in community and cross-cultural contexts. (PO 5: Document Service Experiences & Skills)

Certificates

Christian Discipleship Certificate

This program is designed for students desiring limited studies in Christian Discipleship.

The Christian Discipleship Certificate prepares Christians to better connect with God, self, and others, through a deeper understanding of biblical foundations, applied to their vocational calling and specific ministries. The certificate requires academic study and service learning in an internship ministry experience, with a portfolio as evidence of completing all certificate outcomes.

All courses may be counted towards other religion associates/baccalaureate degrees.

This certificate is available on the main campus and online.

Online delivery: This program is also offered in an interactive online format (see School of Distance Education definitions). This program does not require any on-campus time, unless one is enrolled in the on-campus delivery.

Total Credits - 17-18

RELB 225 - Foundations of Missions Credits: 3
RELT 115 - Introduction to Christian Discipleship Credits: 3

Choose one course from each of the following sets:

- RELB 111 - Introduction to the Old Testament Credits: 3
- RELB 112 - Introduction to the New Testament Credits: 3
- RELB 210 - Jesus in His Time and Ours Credits: 3
- RELT 250 - Personal Spirituality and Faith Credits: 3

Additional Requirements

Practicum

The certificate requires a practical ministry component. This component is done in consultation with your advisor.

Student Learning Outcomes

At the end of the program the students should be able to:

- Demonstrate understanding of human spiritual development.
- Apply biblical themes and key theological doctrines to fundamentals of discipleship.
- Exhibit fundamental principles of biblical discipleship through personal faith journey.
- Document discipleship initiative through applied, practical service.

Licence in Theology

The Licence in Theology programme provides a bridge to postgraduate study for students who (a) have an existing degree in another discipline and wish to study postgraduate theology or (b) need to complement their existing degree in the theological disciplines in order to study postgraduate theology.

One of the primary aims of the programme is to provide foundational training in pastoral ministry for those seeking employment within the Trans-European Division (TED) of the Seventh-day Adventist Church.

This program is offered only at Newbold College (England).

Total Credits - 32-33

Biblical Studies - 6

Choose one of the following courses:

- RELB 335 - Acts and Epistles Credits: 3
- RELT 474 - Advanced Study in Old Testament Prophets Credits: 3

Practical Theology - 6

Choose one of the following courses:

- RELT 325 - Theology I Credits: 3
- RELT 326 - Theology II Credits: 3

Theological Studies - 12

Choose one of the following courses:

- RELT 350 - Evangelism Credits: 3
- RELG 360 - Topics in Religion Credits: 1–3

Biblical Languages Cognates - 8-9

Choose one course in each set:

Set A

- BIBL 211 - Greek I Credits: 3
- BIBL 341 - Hebrew I Credits: 3

Set B

- BIBL 212 - Greek II Credits: 3
- BIBL 342 - Hebrew II Credits: 3

Set C

- BIBL 313 - Greek III Credits: 3
- 2 credits of BIBL 427 - Hebrew Exegesis
Andrews University Alignment

The Licence in Theology programme complies with the requirement of Andrews University that the programme include a Religion Minor and a minimum of 8 credits in biblical languages cognates. The programme consists of two semesters, each of 15-17 credits, taken, if full-time, over one academic year.

Ministry Certificate (Spanish)

The Certificate in Ministry (Spanish) provides biblical and theological foundations for practical Hispanic ministry through blended learning. The certificate requires academic study and service learning in a practical life setting, with a portfolio as evidence of completing all certificate outcomes.

Online Delivery: This degree is offered as an interactive online program (see School of Distance Education Definitions). This program does not require any time on campus.

Total Credits - 18

The following courses will be taught in Spanish:

- RELB 111 - Introduction to the Old Testament Credits: 3
- RELB 112 - Introduction to the New Testament Credits: 3
- RELB 210 - Jesus in His Time and Ours Credits: 3
- RELB 245 - Hermeneutics Credits: 3
- 3 credits of RELP 240 - Personal Witnessing Credits: 2,3
- RELT 225 - Doctrines of the Adventist Faith Credits: 3

Additional Requirements

Practicum

The certificate requires a practical ministry component with mentored learning. This component is completed in consultation with the academic advisor.

Student Learning Outcomes

At the end of the program the students should be able to:

- Document foundational knowledge in the area of Bible and Adventist teachings.
- Communicate the biblical message employing proper hermeneutical tools.
- Document service experiences and skills in practical witnessing.

Mission and Global Awareness Certificate

The Mission and Global Awareness Certificate prepares students for serving God and humanity in a cross-cultural context. The programs provide theological foundations combined with sociological, anthropological and missiological understandings which equip the student for international service.

Online delivery: This program is also offered in an interactive online format (see School of Distance Education Definitions). This program does not require any on-campus time, unless one is enrolled in the on-campus delivery.

Total Credits - 17-18

The below classes are available on-campus:

- RELG 350 - World Religions Credits: 3
- RELP 240 - Personal Witnessing Credits: 2,3
- RELT 250 - Personal Spirituality and Faith Credits: 3

Choose one of the following courses:

- ANTH 124 - Introduction to Anthropology Credits: 3
- ANTH 200 - Cultural Anthropology Credits: 3

Choose one of the following courses:

- RELG 225 - Foundations of Missions Credits: 3

Choose remaining credits from the following courses:

- BSAD 365 - International Environment of Business Credits: 3
- BSAD 450 - Multicultural Business Relations Credits: 3

Additional Requirements

A mission trip or volunteer service in another country is required.

Student Learning Outcomes

At the end of the program the students should be able to:

- Describe key factors which characterize the Seventh-day Adventist Church as a global movement.
- Identify significant challenges in cross-cultural mission from an SDA perspective.
- Discern how culture and mission interact in service for God and humanity.

Biblical Languages

BIBL 211 - Greek I

Credits: 3

Elements of grammar of the koine Greek of the New Testament, including vocabulary, translation, and reading.

Lecture/Lab: Weekly: lab required
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Fall
College Code: CAS

BIBL 212 - Greek II

Credits: 3

Instruction in intermediate grammar and reading of selected portions of the New Testament.

Lecture/Lab: Weekly: lab required
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIBL 211
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Spring
College Code: CAS

BIBL 221 - Elementary Latin

Credits: 2

Introduction to Latin grammar and syntax. Emphasis on biblical and ecclesiological vocabulary and reading and translation of simple texts from Vulgate and church history.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

BIBL 222 - Intermediate Latin

Credits: 2

Instruction in intermediate Latin grammar and syntax and reading and translation of selected texts from Vulgate and church history.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIBL 221
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

BIBL 313 - Greek III

Credits: 3

Advanced Koine Reading. New Testament portions from Luke, Paul, the book of Hebrews, and James should be analyzed on the bases of Greek syntax and author specific vocabulary. Selections from the Septuagint and the early church fathers will be considered to illustrate the development of thought within Christianity. Furthermore, introducing students to selections from Philo and Josephus.
Fundamentals of Biblical Hebrew including a practical vocabulary, an understanding of the grammatical structure of the language, and practice in translation.

An introduction to the writings and theology of the New Testament within their near eastern cultural, geographical, and historical backgrounds.

An introduction to the Old Testament. Emphasis placed upon practical and scholarly application of the text in much of world history? Also examines the connection between Christ's first Advent for ours. What is it about the Christian story that captured the attention of so many people? Details the mission, the message and the meaning of Jesus Christ for His day and for ours. What is it about the Christian story that captured the attention of so much of world history? Also examines the connection between Christ’s first Advent and His second. May be taught with specific emphasis on one of the four gospels.

Details the mission, the message and the meaning of Jesus Christ for His day and for ours. What is it about the Christian story that captured the attention of so many people? Details the mission, the message and the meaning of Jesus Christ for His day and for ours. What is it about the Christian story that captured the attention of so much of world history? Also examines the connection between Christ’s first Advent and His second. May be taught with specific emphasis on one of the four gospels.

Provides opportunity for further and independent investigation of the history, development, and exegesis of the biblical text.

Study of the background, content, and construction of these biblical books with an emphasis upon the interpretation of prophecy, apocalyptic imagery and symbols.

An introduction to the prophets of the Old Testament and their writings. May be taught with specific emphasis on a particular book or theme.

Study of the meaning for the 21st century of biblical apocalyptic prophecy, describing the principles of reading and applying biblical prophecy in a modern world, comparing it with other modes of prophecy and prediction in the present culture, and assessing its relevance in view of modern global challenges. Does not count toward a Religion and Theology major.

An introduction to the presuppositions beneath various interpretive approaches to the biblical text and application of the principles of interpretation to texts representing the various genres of the Old and New Testaments.

An introduction to the prophets of the Old Testament and their writings. May be taught with specific emphasis on a particular book or theme.

An introduction to the Pentateuch and the "Writings" (historical books, Psalms, and Wisdom literature). May be taught with specific emphasis on a particular book or theme.

An introduction to the Pauline Epistles, Hebrews, and the General Epistles. Research paper may be required. May be taught with specific emphasis on a particular book or theme.

A study of the meaning for the 21st century of biblical apocalyptic prophecy, describing the principles of reading and applying biblical prophecy in a modern world, comparing it with other modes of prophecy and prediction in the present culture, and assessing its relevance in view of modern global challenges. Does not count toward a Religion and Theology major.

Study of the background, content, and construction of these biblical books with an emphasis upon the interpretation of prophecy, apocalyptic imagery and symbols.

An introduction to the Pentateuch and the "Writings" (historical books, Psalms, and Wisdom literature). May be taught with specific emphasis on a particular book or theme.

An introduction to the Pauline Epistles, Hebrews, and the General Epistles. Research paper may be required. May be taught with specific emphasis on a particular book or theme.

A study of the meaning for the 21st century of biblical apocalyptic prophecy, describing the principles of reading and applying biblical prophecy in a modern world, comparing it with other modes of prophecy and prediction in the present culture, and assessing its relevance in view of modern global challenges. Does not count toward a Religion and Theology major.

Study of the background, content, and construction of these biblical books with an emphasis upon the interpretation of prophecy, apocalyptic imagery and symbols.
and to experience personal involvement in that mission. A long-term goal of the
missions. The objective of the course is to understand God's mission in our world
Testament. Includes exegesis. Research paper required.

Focused on a particular book or on themes in the prophetic writings of the Old
human problems and the proposed solutions. Students learn to respect and
teachings, beliefs, and practices. Considers each major religion's analysis of basic
needs. Consult the class schedule for the current topic.

Provides flexibility for the occasional workshop where it is appropriate to offer
religion credit. Workshop requirements must be approved by the department.

Explores major world views and religious traditions and their fundamental
teachings, beliefs, and practices. Considers each major religion's analysis of basic
human problems and the proposed solutions. Students learn to respect and
understand diverse beliefs and practices. Taught from a Christian perspective, the
course seeks to explore common ground and challenges between Christianity and
the major world religions.

An undergraduate religion course which explores the theology and practice of
mission. The class experience includes intensive short-term
Service.

Religious conflict and resolution. Focuses on the Protestant Reformation, the Catholic counter-
Special attention is given to the Protestant Reformation, the Catholic counter-
has experienced in time and space from the time of Christ up to the Reformation.

By special permission of the Department of Religion & Biblical Languages.

An investigation of the background, rise, and development of the Seventh-day
Adventist church in America and the world from its beginning until the present

Surveys the history of the church from the Protestant Reformation to current time. Special attention is given to those developments that relate to Seventh-day Adventist theological heritage.

Surveys the history of the church from the Protestant Reformation to current time. Special attention is given to those developments that relate to Seventh-day Adventist theological heritage.
with special attention given to the historical role, ministry and writings of Ellen White. Theology majors take the class for 4 credits, Religion majors for 3 credits.

**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture, Interactive Online, Self-Paced
**Term Offering:** Fall, Spring, Summer
**College Code:** CAS

---

**REL 105 - Introduction to Pastoral Service**

**Credits:** 1
An introduction for ministerial students to the various components of the pastoral calling and practicum. Open only to Theology majors.

**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture
**Term Offering:** Spring
**College Code:** CAS

---

**REL 235 - Christianity in a World Context**

**Credits:** 2
An introduction to the status and role of Christianity and mission worldwide. Includes a brief history of Christian mission, current facts about mission needs, Christian and mission relationships to world religions, political ideologies, national development, and non-Western cultures.

**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture
**Term Offering:** Fall
**College Code:** CAS

---

**REL 240 - Personal Witnessing**

**Credits:** 2,3
Acquaintance with the dynamics of Christian witnessing in the neighborhood, at work, and in the friend-to-friend approach of personal Bible study. Christ's example of witnessing is highlighted.

**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Blended Learning, Seminar, Interactive Online, Self-Paced
**Term Offering:** Fall
**College Code:** CAS

---

**REL 301 - Marriage and Family Ministry**

**Credits:** 3
This course will teach students the ministry dynamics of marriage, family, and interpersonal relationships from a Scripture-based perspective.

**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture
**College Code:** CAS

---

**REL 326 - Preparation for Mission Service Practicum**

**Credits:** 1
Establishes a theological foundation for mission and provides student missionaries with an orientation to culture and missions. The course focusing on the the knowledge, skills, and attitudes necessary to begin successful student mission service. This class is required for all student missionaries (SMs) and includes the student missionary intensive usually conducted in the spring semester. The course also facilitates the application process for serving as a student missionary. This class fulfills 1 credits of the General Education religion requirement and is offered at the special reduced student missionary tuition rate. Students must enroll in the course before leaving as a student missionary. RELP327 Student Missions Practicum is designed to be taken after this course. Instructor permission required.

**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture, Blended Learning
**College Code:** CAS

---

**REL 327 - Student Missions Practicum**

**Credits:** 1
Provides essential relational and functional resources for student missionaries in the field and informs and supports the re-entry experience after the completion of their mission service. The course provides resources and assignments to assist students as they learn how to understand cultural differences and how to live cross-culturally while serving God and humanity. This practicum course may extend over 1 or more semesters depending on the term of service for the student missionary. RELP 326 should be completed before this course. RELP327 is a required 1-2 credit course for all student missionaries and is offered at the discounted student missionary tuition rate.

**Grade Mode:** Satisfactory w/DG (S,U,I,W,DG)
**Prerequisite(s):** RELP 326
**Schedule Type:** Practicum
**College Code:** CAS

---

**REL 330 - Homiletics—Introduction to Preaching**

**Credits:** 2
Lays the foundation for biblical sermon construction and delivery. This class is the prerequisite for all homiletics courses and is a requirement for all religion/theology majors.

**Grade Mode:** Normal (A-F,I,W)
**Prerequisite/Corequisite:** RELB 245
**Schedule Type:** Lecture, Interactive Online, Self-Paced
**Term Offering:** Spring
**College Code:** CAS

---

**REL 335 - Foundations of Youth Ministry**

**Credits:** 3
Designed for the youth specialist who wishes to work as a youth pastor, youth director, academy Bible teacher, or in any other youth-training capacity.

**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture, Interactive Online, Self-Paced
**College Code:** CAS

---

**REL 340 - Strategies for Service**

**Credits:** 2
Creates the vision that all Christians can serve in mission. Shows how to witness in cross-cultural situations and introduces students to ways they can do mission in any occupation. Alternate forms of mission like tent-maker ministries, nonresident missionaries, urban ministry, and work with refugees and foreign students are addressed.

**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture
**Term Offering:** Spring
**College Code:** CAS

---

**REL 350 - Evangelism**

**Credits:** 3
Students will prepare and conduct public evangelistic meetings. Different contexts will be chosen in different years. Students will study and reflect on the role of public evangelism in the mission of the church in various cultural settings.

**Grade Mode:** Normal (A-F,I,W)
**Prerequisite(s):** RELP 330
**Schedule Type:** Lecture
**College Code:** CAS

---

**REL 441 - Introduction to Pastoral Ministry**

**Credits:** 2,3
A study of the principles of leadership as applied to pastoral ministry, in particular with regard to the minister as leader of worship, as nurturing pastor, as administrator of the church and as evangelist. Theology majors enroll for 3 credits and Religion majors for 2 credits.

**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture, Interactive Online, Self-Paced
Religion - Theology

RELT 100 - God and Human Life
Credits: 3
How God confronts human beings—includes the process of revelation, principles of interpreting Scripture and similarly inspired material, the nature of God and His expectations for humans, and the evaluation of these concepts as presented in Scripture and the classic literature of various religions.

Grade Mode: Normal (A-F,J,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Fall, Spring, Summer
College Code: CAS

RELT 115 - Introduction to Christian Discipleship
Credits: 3
This course covers fundamental theories of human psychosocial, moral, and faith development, transformational theology and theory, and foundational principles of discipleship as found in both the Old and New Testaments of Scripture.

Grade Mode: Normal (A-F,J,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Fall, Spring, Summer
College Code: CAS

RELT 207 - Issues in the Great Controversy
Credits: 3
Study of the controversy between Christ and Satan with particular emphasis on their characters and kingdoms, the attack against law, the implications of the sacrifice of Christ, the relationship of these issues to human lives today, and the completion of God's mission for sinners. Credit not applicable toward the theology concentration.

Grade Mode: Normal (A-F,J,W)
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CAS

RELT 216 - Workshop in Prayer
Credits: 2
Study of faith, private prayer, family worship, conducting prayer groups, public prayer, and prayer as a ministry. Not applicable toward the theology concentration or major in religion.

Grade Mode: Normal (A-F,J,W)
Schedule Type: Workshop
Term Offering: Fall, Spring
College Code: CAS

RELT 225 - Doctrines of the Adventist Faith
Credits: 3
Defines and clarifies the Biblical doctrines of the Seventh-day Adventist faith, distinguishing them within the background of the Judeo-Christian tradition.

Grade Mode: Normal (A-F,J,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Fall, Spring, Summer
College Code: CAS

RELT 250 - Personal Spirituality and Faith
Credits: 3
A study of the Biblical perspective on the act of faith and the life of faith. How does a person begin and nurture one's own personal spiritual and devotional life? Also studies the meaning of spiritual nurture in various lifestyle and work settings. Personal spiritual growth is fostered through involvement in organized church activities and/or witnessing outreach.

Grade Mode: Normal (A-F,J,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Fall, Spring
College Code: CAS

RELT 295 - Introduction to Theological Research
Credits: 1
Introduces students to basic research concepts, tools, and methodology in the discipline.

Grade Mode: Normal (A-F,J,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Fall
College Code: CAS

RELT 308 - Gift of Prophecy
Credits: 2,3
Study of the prophetic manifestation in Bible and church to include the ministry and writings of Ellen G. White. Research paper may be required. Theology and Religion majors enroll for 2 credits.

Grade Mode: Normal (A-F,J,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Fall
College Code: CAS

RELT 315 - Christian Discipleship
Credits: 3
Christians are called to be followers or disciples of Jesus. This class presents the personal and spiritual implications of the biblical concept of discipleship. Discipleship is discussed in light of personal life, biblical teachings, and historical-theological developments.

Grade Mode: Normal (A-F,J,W)
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

RELT 325 - Theology I
Credits: 3
A continuation of RELT 100. Study of nature, sources, and methods of theology; the doctrines of God and his works (the Trinity, creation, providence, law, and Sabbath), Christ, the Holy Spirit, and human beings. Research paper may be required. Student can earn general education credit in either RELT 225 or RELT 325, but not in both.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,J,W)
Prerequisite/Corequisite: RELH 400
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Fall
College Code: CAS

RELT 326 - Theology II
Credits: 3
Study of the doctrines of Christ and salvation (nature and works of atonement), the church (characteristics, ministry, and mission), sanctuary and Christ's heavenly ministry, and eschatology from a distinct Seventh-day Adventist perspective. Research paper may be required.

Course/Lab Fee: Yes
An in-depth, seminar-style exploration of selected thinkers who have significantly impacted both Christian thought and the culture at large. Through a sustained attention of mostly primary texts, student explore the rich intersection of theology, philosophy, spirituality and ethics with the aim of probing the richness and complexity of human existence in relationship to God.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

RELT 425 - Seminar in Contemporary Theology
Credits: 3
A study of ideas of major theologians in modern times. Underlying philosophical presuppositions are analyzed. The relationship between theology and secularism is studied. The course critically examines some primary texts and evaluates their contribution and significance.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
College Code: CAS

RELT 440 - Fundamentals of Spirituality & Ethics in Healthcare
Credits: 3
Addresses religious and spiritual issues of significance for healthcare. Includes a discussion of views of the relationship between health and spirituality from different religious perspectives. Provides an overview of the philosophical and historical background for ethical systems and their significance for current ethical challenges in healthcare.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-paced
College Code: CAS

RELT 445 - Modern Trends in Religion & Society
Credits: 1–3
Examines a wide range of issues arising from the postmodern cultural context and their impact on Christian self-understanding, missions, and ministry in general. Special attention given to the rise of secularism, pluralism and "new atheism" and the challenges such trends present for Christian apologetics.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

RELT 475 - Theological and Biblical Research
Credits: 0
Independent student research under the supervision of a Department of Religion & Biblical Languages Faculty member.

Grade Mode: Satisfactory ($,U,I,W)
Schedule Type: Lecture
College Code: CAS
Faculty and students in the School of Engineering will:

Seek Knowledge by:
- Exploring current knowledge in engineering and computing from a Christian viewpoint, within the broader context of the liberal arts.
- Creating a nurturing environment for a committed lifetime of intellectual discovery, problem-solving, and innovation.
- Enhancing learning through research and scholarship.
- Preparing students to join their chosen profession or attend graduate school.
- Engaging industry and professional stakeholders in the planning and assessing of our curriculum.

Affirm Faith by:
- Acknowledging the leadership of God in their lives.
- Acting with personal and moral integrity.
- Serving humanity in a complex, technological, global society.

Change the World by:
- Applying knowledge and skills to the care of their God-given home.
- Solving contemporary societal problems.
- Providing selfless service to others.

Mission
The School of Engineering aspires to be a place of choice for engineering education where dedicated students and faculty grow together to reach their God-given potential for service to society and the church.

Faculty and students in the School of Engineering will:

- Potential for service to society and the church.
- Dedicated students and faculty grow together to reach their God-given potential for service to society and the church.

Mission
The School of Engineering aspires to be a place of choice for engineering education where dedicated students and faculty grow together to reach their God-given potential for service to society and the church.

Bachelors

Engineering, Chemical Engineering Concentration BSE
Engineering builds on a strong traditional mathematics, science, and engineering core. The Chemical Engineering emphasis focuses on design and operation of chemical processes and optimization of production.

Major - 58
- ENGR 120 - Introduction to Engineering & Design Credits: 2
- ENGR 125 - Engineering Graphics Credits: 3
- ENGR 181 - Material Properties and Processes Credits: 3
- ENGR 185 - Engineering Statics Credits: 3
- ENGR 225 - Circuit Analysis Credits: 3
- ENGR 275 - Electronics I Credits: 3
- ENGR 285 - Engineering Dynamics Credits: 3
- ENGR 310 - Linear Systems Analysis Credits: 3
- ENGR 450 - Engineering Economy Credits: 2
- ENGR 491 - Review of Engineering Design Credits: 1
- ENGR 492 - Senior Design Project Credits: 1-4

Concentration - 29
- CHEM 431 - Physical Chemistry I Credits: 3 (no lab needed)
- ENGR 323 - Chemical Reaction Engineering Credits: 3
- ENGR 355 - Chemical Engineering Lab Credits: 4
- ENGR 360 - Fluid Dynamics Credits: 3

Concentration Electives
Choose 3 credits in consultation with an advisor.

Cognates - 38
- CHEM 131 - General Chemistry I Credits: 4
- CHEM 132 - General Chemistry II Credits: 4
- CHEM 231 - Organic Chemistry I Credits: 3
- CHEM 330 - Quantitative Chemical Analysis Credits: 4
- CPTR 151 - Computer Science I Credits: 3
- MATH 191 - Calculus I Credits: 4
- MATH 192 - Calculus II Credits: 4
- MATH 240 - Calculus III Credits: 4
- MATH 286 - Differential Equations Credits: 3
- PHYS 241 - Physics for Scientists and Engineers I Credits: 4
- PHYS 271 - Physics for Scientists and Engineers Laboratory I Credits: 1

Additional Requirements
No grade lower than C- may be counted toward any degree requirement. All prerequisites for ENGR courses must be passed with a minimum grade of C- before entry into the class it is required for.

Maintaining Academic Standing
An Engineering or Computing course may be repeated only once. Students may repeat only two Engineering or Computing courses. Students will be asked to withdraw from the program if they fail two Engineering or Computing courses in the same semester. Readmission will be considered on an individual basis. Transfer credits need to be submitted a minimum of six weeks prior to beginning of classes. Transfer students will be considered on an individual basis.

Student Learning Outcomes
Graduates of the program will demonstrate the ability to:
- Identify, formulate, and solve complex engineering problems by applying principles of engineering, science, and mathematics.
- Apply engineering design to produce solutions that meet specified needs with consideration of public health, safety, and welfare, as well as global, cultural, social, environmental, and economic factors.
- Communicate effectively with a range of audiences.
- Recognize ethical and professional responsibilities in engineering situations and make informed judgements, which must consider the impact of engineering solutions in global, economic, environmental, and societal contexts.
- Function effectively on a team whose members together provide leadership, create a collaborative and inclusive environment, establish goals, plan tasks, and meet objectives.
- Develop and conduct appropriate experimentation, analyze and interpret data, and use engineering judgement to draw conclusions.
- Acquire and apply new knowledge as needed, using appropriate learning strategies.

Engineering, Computer Engineering Concentration BSE
Engineering builds on a strong traditional mathematics, science, and engineering core. The Computer Engineering Concentration focuses on the areas of digital systems, communication systems, and computer controlled instrumentation and computer simulation.

The mathematics courses listed as cognates for the Engineering degree satisfy the requirements for a minor in mathematics. A second major in mathematics requires 6 additional credits in mathematics, and a second major in physics requires 14–17 additional credits in physics. See the Mathematics and Physics department listings for details.
Total Credits - 124

Major - 53
ENGR 120 - Introduction to Engineering & Design Credits: 2
ENGR 125 - Engineering Graphics Credits: 3
ENGR 181 - Material Properties and Processes Credits: 3
ENGR 185 - Engineering Statics Credits: 3
ENGR 225 - Circuit Analysis Credits: 3

Students will be asked to withdraw from the program if they fail two Engineering or Computing courses in the same semester. Readmission will be considered on an individual basis. Transfer credits need to be submitted a minimum of six weeks prior to beginning of classes. Transfer students will be considered on an individual basis.

Student Learning Outcomes
Graduates of the program will demonstrate the ability to:
• Identify, formulate, and solve complex engineering problems by applying principles of engineering, science, and mathematics.
• Apply engineering design to produce solutions that meet specified needs with consideration of public health, safety, and welfare, as well as global, cultural, social, environmental, and economic factors.
• Communicate effectively with a range of audiences.
• Recognize ethical and professional responsibilities in engineering situations and make informed judgements, which must consider the impact of engineering solutions in global, economic, environmental, and societal contexts.
• Function effectively on a team whose members together provide leadership, create a collaborative and inclusive environment, establish goals, plan tasks, and meet objectives.
• Develop and conduct appropriate experimentation, analyze and interpret data, and use engineering judgement to draw conclusions.
• Acquire and apply new knowledge as needed, using appropriate learning strategies.

Engineering, Mechanical Engineering Concentration BSE

Engineering builds on a strong traditional mathematics, science, and engineering core. The Mechanical Engineering emphasis focuses on mechanical design and the electromechanical elements of smart machines.

The mathematics courses listed as cognates for the Engineering degree satisfy the requirements for a minor in mathematics. A second major in mathematics requires 6 additional credits in mathematics, and a second major in physics requires 14–17 additional credits in physics. See the Mathematics and Physics department listings for details.

Major - 62

ENGR 120 - Introduction to Engineering & Design Credits: 2
ENGR 125 - Engineering Graphics Credits: 3
ENGR 181 - Material Properties and Processes Credits: 3
ENGR 185 - Engineering Statics Credits: 3
ENGR 225 - Circuit Analysis Credits: 3
ENGR 275 - Electronics I Credits: 3
ENGR 285 - Engineering Dynamics Credits: 3
ENGR 310 - Linear Systems Analysis Credits: 3
ENGR 450 - Engineering Economy Credits: 2
ENGR 491 - Review of Engineering Design Credits: 1
ENGR 492 - Senior Design Project Credits: 1-4

Concentration - 30

ENGR 320 - Manufacturing Processes Credits: 3
ENGR 330 - Thermodynamics Credits: 3
ENGR 340 - Mechanics of Materials Credits: 3
ENGR 360 - Fluid Dynamics Credits: 3
ENGR 390 - Engineering Measurements Credits: 4
ENGR 391 - Electric Motors Credits: 1
ENGR 410 - Feedback Control Systems Credits: 4
ENGR 420 - Machine Design Credits: 3
ENGR 440 - Heat and Mass Transfer Credits: 3

Concentration Electives
Choose 3 credits in consultation with an advisor.

Cognates - 38

CHEM 131 - General Chemistry I Credits: 4
CPTR 151 - Computer Science I Credits: 3
MATH 191 - Calculus I Credits: 4
MATH 192 - Calculus II Credits: 4
MATH 215 - Introduction to Linear Algebra Credits: 3
MATH 240 - Calculus III Credits: 4
MATH 286 - Differential Equations Credits: 3
PHYS 241 - Physics for Scientists and Engineers I Credits: 4
PHYS 242 - Physics for Scientists and Engineers II Credits: 4
PHYS 271 - Physics for Scientists and Engineers Laboratory I Credits: 1
PHYS 272 - Physics for Scientists and Engineers Laboratory II Credits: 1

STAT 340 - Probability Theory with Statistical Applications Credits: 3

Additional Requirements
No grade lower than C- may be counted toward any degree requirement. All prerequisites for ENGR courses must be passed with a minimum grade of C- before entry into the class it is required for.

Maintaining Academic Standing
An Engineering or Computing course may be repeated only once. Students may repeat only two Engineering or Computing courses. Students will be asked to withdraw from the program if they fail two Engineering or Computing courses in the same semester. Readmission will be considered on an individual basis. Transfer credits need to be submitted a minimum of six weeks prior to beginning of classes. Transfer students will be considered on an individual basis.

Student Learning Outcomes
Graduates of the program will demonstrate the ability to:
• Identify, formulate, and solve complex engineering problems by applying principles of engineering, science, and mathematics.
• Apply engineering design to produce solutions that meet specified needs with consideration of public health, safety, and welfare, as well as global, cultural, social, environmental, and economic factors.
• Communicate effectively with a range of audiences.
• Recognize ethical and professional responsibilities in engineering situations and make informed judgements, which must consider the impact of engineering solutions in global, economic, environmental, and societal contexts.
• Function effectively on a team whose members together provide leadership, create a collaborative and inclusive environment, establish goals, plan tasks, and meet objectives.
• Develop and conduct appropriate experimentation, analyze and interpret data, and use engineering judgement to draw conclusions.
• Acquire and apply new knowledge as needed, using appropriate learning strategies.

Undergraduate Minors

Engineering Minor

Total Credits - 20

ENGR 120 - Introduction to Engineering & Design Credits: 2
ENGR 125 - Engineering Graphics Credits: 3
ENGR 185 - Engineering Statics Credits: 3
ENGR 225 - Circuit Analysis Credits: 3

Electives
A minimum of 9 credits chosen from ENGR courses in consultation with an engineering advisor.

Cognates - 8

MATH 191 - Calculus I Credits: 4
MATH 192 - Calculus II Credits: 4

Student Learning Outcomes

• Apply engineering design to produce solutions that meet specified needs with consideration of public health, safety, and welfare, as well as global, cultural, social, environmental, and economic factors.
• Communicate effectively with a range of audiences.
• Recognize ethical and professional responsibilities in engineering situations and make informed judgements, which must consider the impact of
Engineering

ENGR 120 - Introduction to Engineering & Design
Credits: 2
An introductory course in engineering and design. It teaches the basic principles of design and related design tools from a basic level. Students will be taught to use computer tools for engineering analysis.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

ENGR 125 - Engineering Graphics
Credits: 3
Fundamentals of drawing as applied to mechanical engineering problems. Orthographic projections, auxiliary and sectional views, dimensioning and tolerancing, oblique and isometric views, detail and assembly drawing. Sketching and computer aided drafting.

Lecture/Lab: Weekly: two 1-hour lectures and two 1.5-hour labs
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Lecture/Lab
Term Offering: Fall
College Code: CAS

ENGR 181 - Material Properties and Processes
Credits: 3
An introduction to materials, their properties and common processes used to make useful components from these materials. This course includes a hands-on experience in the materials testing, heat treatment as well as machining practices.

Lecture/Lab: Weekly: 2 lectures and a 1-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
College Code: CAS

ENGR 185 - Engineering Statics
Credits: 3
Principles of statics and their application to engineering problems; forces, moments, couples, friction, centroids and moments of inertia.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: MATH 191
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

ENGR 215 - Robotics Programing
Credits: 2,3
This course covers the basic operations of a robotic arm using the teach pendant as the main interface. A Robotics Handling Tool Software Package is used in this course. Students successfully completing this course will be able to: safely power up and jog the robot; recover from common errors and robot faults; execute production operation; create, modify and execute a teach pendant program; and abort and access teach pendant programs. This course consists of lectures, demonstrations and a series of lab exercises.

Lecture/Lab: Weekly: 2 lectures and a lab
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
Year Offering: Even years
ENGR 320 - Manufacturing Processes
Credits: 3
Deals with today's technologies and the future of manufacturing. It includes details of product design process, rapid prototyping and a survey of manufacturing technologies.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGR 180
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

ENGR 323 - Chemical Reaction Engineering
Credits: 3
Basic concepts of chemical rate processes as applied to the theory of the design and operation of various types of commercial reactors for both non-catalytic and catalytic reactions; including mole balances, rate laws and stoichiometry, collection and analysis of rate data, multiple reactions, isothermal and non-isothermal reactor design, catalysis and catalytic reactors.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 132 and MATH 286
Schedule Type: Lecture
College Code: CAS

ENGR 325 - Electronics II
Credits: 4
Modeling of transistors, biasing of transistors in amplifier circuits, and amplitude and frequency limitations of transistors. Linear and switching electronic circuits with an emphasis on op-amps.
Lecture/Lab: Weekly: 3-hour lecture and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGR 275
Schedule Type: Lecture/Lab
Term Offering: Fall
College Code: CAS

ENGR 330 - Thermodynamics
Credits: 3
Introduction to the nature of energy and study of energy transport conservation in closed and flowing systems; properties and states of solids, liquids, vapors, and gases; enthalpy; meaning and production of entropy and introduction to cyclic systems.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 241
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

ENGR 331 - Thermodynamics II
Credits: 3
Principles of phase and chemical equilibria in the solution of chemical engineering problems in the traditional process industries, biological systems, materials processing, pharmaceutical manufacturing and other industries.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGR 330
Schedule Type: Lecture
College Code: CAS

ENGR 335 - Logic Circuit Design
Credits: 3
Modern digital logic families, state machines, design of digital logic circuits in FPGAs, and VHDL specification of logic circuits.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGR 275
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

ENGR 340 - Mechanics of Materials
Credits: 3
Mechanics courses geared towards developing the ability to analyze a given problem in a simple and logical manner using fundamental and well-understood principles of mechanics. free-body diagrams will be used extensively to determine external and internal forces.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGR 185
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

ENGR 355 - Chemical Engineering Lab
Credits: 4
Introduction to various measurement techniques available for chemical and general engineering application. National Instrument LabVIEW Data Acquisition system is used to collect data for analysis.
Lecture/Lab: Weekly: 2 lectures and a 1.5-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHEM 330
Schedule Type: Lecture/Lab
College Code: CAS

ENGR 360 - Fluid Dynamics
Credits: 3
Fluid statics and dynamics of fluid motion. Conservation of mass, momentum, and energy in laminar and turbulent flow. Boundary layer flow, lift and drag forces, viscous flow in conduits, open channel flow, flow measurements.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGR 285, ENGR 330, MATH 286
Schedule Type: Lecture/Lab
Term Offering: Spring
College Code: CAS

ENGR 382 - Separation Processes
Credits: 3
Fundamentals of thermodynamics of separation processes; Introduction to Separation Processes of gas absorption, distillations, leaching/extraction, membrane separation, etc.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGR 32X, ENGR 330 or CHEM 430
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGR 32X, ENGR 330 or CHEM 430
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

ENGR 385 - Microprocessor Systems
Credits: 1-4
Introduction to computer organization, microprocessors, assembly language programming, memory devices, I/O devices, interfacing with emphasis on control applications.
Lecture/Lab: Weekly: 3-hour lecture and a 3-hour lab
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGR 275 or CPTR 276
Schedule Type: Lecture/Lab
Term Offering: Spring
College Code: CAS

ENGR 390 - Engineering Measurements
Credits: 4
Introduction to measurement theory with statistics and uncertainty analysis. Principles of Instrumentation including temperature, pressure, velocity, strains and flow measurements. Use of National Instrument LabView Data Acquisition System to collect data for analysis.
Methodology used successfully to carry out a technical project including proposals, planning, work breakdown, scheduling, creativity, monitoring progress, and documentation.

ENGR 391 - Electric Motors
Credits: 1
Study of transformers, ac, dc, and stepping motors; and motor control requirements.

ENGR 405 - Digital Interfacing
Credits: 4
Parallel and serial busses, basics of computer networking, wireless protocols, and peripheral interfaces. Emphasis on communication between microprocessor systems.

ENGR 410 - Feedback Control Systems
Credits: 4
Fundamentals of control design and analysis of linear feedback systems, their characteristics, performance and stability. The Routh-Hurwitz stability, root-locus, Bode plots, and Nyquist techniques. Performance criteria, design, and compensation of feedback control systems.

ENGR 415 - Virtual Instrumentation
Credits: 3
For engineering majors. Introduction to virtual instrumentation with emphasis on the sampling requirements and the signal conditioning requirements. Data logging and control applications.

ENGR 420 - Machine Design
Credits: 3
This course emphasizes both failure theory and analysis as well as the synthesis and design aspect of machine elements. It touches on the commonality of the analytical approaches needed to design a wide variety of elements and the need to use computer aided engineering as an approach to the design and analysis of these classes of problems.

ENGR 425 - Project Management
Credits: 3
Methodology used successfully to carry out a technical project including proposals, planning, work breakdown, scheduling, creativity, monitoring progress, and documentation.

ENGR 430 - Quality Control
Credits: 3
Analysis of the factors affecting product quality during manufacturing. Topics include use of basic statistics and probability for measurements, observations, sampling, control charts and reliability.

ENGR 435 - Electromagnetic Fields
Credits: 4
Study of static and dynamic electric and magnetic fields. Unbounded and bounded fields, fields in materials, force and torque, energy and potential functions, and Faraday induction. Propagation of electromagnetic energy; plane waves, transmission lines, and waveguides; radiation from dipole antennas; introduction to arrays.

ENGR 440 - Heat and Mass Transfer
Credits: 3
Study of steady-state and transient heat conduction, forced and non-forced convection through ducts and over surfaces, blackbody thermal radiation, solar radiation, heat exchangers, and mass transfer.

ENGR 450 - Engineering Economy
Credits: 2
Study of engineering decision methodology and criteria used to evaluate the economic aspects of selection of equipment, structures, methods, and processes.

ENGR 455 - Communication Systems
Credits: 4
Introduction to the fundamentals of communication systems including signals and spectra, information theory, sampling and quantization, coding, modulation, signal detection and system performance in the presence of noise.
and operation of various types of commercial reactors for both non-catalytic and
catalytic reactions; including mole balances, rate laws and stoichiometry, collection
and analysis of rate data, multiple reactions, isothermal and non-isothermal
reactor design, catalysis and catalytic reactors.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGR 345
Schedule Type: Lecture
College Code: CAS

ENGR 465 - Operations Analysis and Modeling
Credits: 3
The methodology of mathematical modeling and its relation to solving problems in
industrial and public systems. Linear programming, scheduling, queuing,
simulation, optimization, and decision analysis.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 192, STAT 340.
Schedule Type: Lecture
Year Offering: Even years
Term Offering: Fall
College Code: CAS

ENGR 470 - Finite Element Methods
Credits: 3
Introduction of finite element methods for the solution of problems in solid
mechanics and heat transfer. Techniques for obtaining approximate numerical
solutions to governing differential equations in the problem areas are covered.
Industrial software is applied to the analysis and design of a broad range of
engineering problems.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGR 330, ENGR 340, MATH 286
Schedule Type: Lecture
Year Offering: Odd years
Term Offering: Spring
College Code: CAS

ENGR 475 - Topics in
Credits: 1-4
Selected topics of current interest in engineering.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Dependent on topic
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CAS

ENGR 478 - Study Tour
Credits: 0
Travel to destinations relevant to individual programs of study. Classes will be
selected from department offerings.

Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Blended Learning
Year Offering: Odd years
Term Offering: Summer
College Code: CAS

ENGR 480 - Process Design
Credits: 3
Application of the basic concepts learned in previous courses to the design and
analysis of a chemical processing system, primarily through a design project;
Computer-Aided Design (process simulation), economic analysis, process safety,
flow-sheet synthesis (conceptual design), and decision-making analysis
(optimization) are covered.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGR 464
Schedule Type: Lecture
College Code: CAS

ENGR 485 - Community Project in Engineering
Credits: 2-6
"Hands-on" involvement in humanitarian and/or service-oriented projects. Work
initiated by students requires prior approval of faculty.

Course/Lab Fee: No
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CAS

ENGR 490 - Research
Credits: 0-3
Students will either assist a faculty member in an ongoing research project or
develop a project of their own with the help and approval of the faculty member
in their areas of interest or study. this course is for students who have a reasonably
established knowledge of engineering at the college level. A minimum of 45 hours
for each credit earned and a written paper is required.

Course/Lab Fee: No
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 3 credits
Schedule Type: Independent
Special Approval: Instructor permission required.
College Code: CAS

ENGR 491 - Review of Engineering Design
Credits: 1
Selection, proposal and planning of capstone project.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGR 335 or ENGR 385 or ENGR 390
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

ENGR 492 - Senior Design Project
Credits: 1-4
A significant design project which culminates in a working system, component,
process or a complete description of a proposed design. Both an oral and written
presentation of the results of the project are required.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGR 491
Schedule Type: Lecture/Lab
Term Offering: Spring
College Code: CAS

ENGR 495 - Independent Study
Credits: 1-3
Individual study, research, or project in some field of engineering under the
direction of a member of the engineering faculty.

Course/Lab Fee: No
Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
Special Approval: Instructor permission required.
College Code: CAS

ENGR 496 - Cooperative Work Experience
Credits: 1-4
Work experience in industry directed by an engineering faculty member. 120 hours
of work is required per credit. A report must be submitted that summarizes the
work experience and indicates the value of the experience to the student.

Course/Lab Fee: No
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 4 credits
Schedule Type: Practicum
Special Approval: Instructor permission required.
College Code: CAS

Mission
The School of Social & Behavioral Sciences is concerned with the study of how human beings think and behave, both as individuals and in social, spiritual and cultural settings. By providing students with the discoveries and procedures accumulated from this versatile field of study, our goal is to empower students to utilize their knowledge to further the mission of the Seventh-day Adventist Church and to restore men and women to the image of our Maker. The School of Social & Behavioral Sciences is organized as a consortium where faculty share expertise and research endeavors in related disciplines. The social and behavioral sciences are concerned with the study of how human beings think and behave as individuals, and in sociocultural and ecological systems.

Undergraduate Program Policies and Administration

Computer Policy
In the social and behavioral sciences, the computer is an indispensable tool for collecting and working with data, accessing scientific reports, and writing and critical thinking. As a result, the School of Social & Behavioral Sciences requires students to have a laptop computer in order to meet the requirements of the curriculum. Students are responsible for maintaining their computer with the required software appropriate for the courses they are enrolled in as they progress through the curriculum. Use of the computer varies by course.

Department Aims
This school aims to introduce students to the salient discoveries and procedures accumulated from research in social and behavioral sciences disciplines and to empower students to utilize this knowledge in furthering the mission of Seventh-day Adventists: restoring men and women to the image of their Maker. The school fulfills these aims by three principal means: instruction by Christian professors; course work which develops a strong liberal-arts foundation and interdisciplinary preparation leading to many different fields of Christian service; and extracurricular participation by students in voluntary religious activities, community service, and research.

Minors, Cognates, and Electives
Majors should take advantage of the variety of undergraduate courses available at Andrews to acquire a broad education. Combining social and behavioral science courses with other areas such as business, health, or language provides avenues for reaching individual professional goals. Students should seek counsel from their advisors in selecting cognates and electives. Volunteer work is most beneficial and majors are urged to seek opportunities to serve. Those planning to pursue graduate studies should seek opportunities in research.

Registering as an Undergraduate Researcher
Any undergraduate student wishing to do research with a faculty mentor must register for the research project course listed under that faculty member’s supervision for a minimum of 0 credits. (BHSC498, PSYC498, SOC498)

Marcella Myers, Associate Professor
Beverly Peck, Administrative Assistant

Program Description
The School of Social & Behavioral Sciences offers a Master of Science in Community & International Development (MSCID). The competencies graduates are expected to acquire include social-science foundations of community and international development, especially with regard to understanding the causes of poverty and the meaning of people-centered development; skills related to planning, implementing, and evaluating development projects including grantmanship; knowledge of basic principles of organizational behavior; leadership and management as they relate to not-for-profit organizations; understanding of ethical principles and financial analysis for assuring individual and organizational accountability; mastery of social research methods appropriate to the chosen field of concentration; and the ability to communicate effectively to stakeholders about community development programs and plans.

Depending in part on previous work experience, graduates who pursue the Master of Science in Community & International Development may find employment working for inner-city development agencies, education based service-learning organizations, faith-based community service organizations, grass-roots community advocacy groups, national and international faith-based NGOs, United Nations organizations, government organizations, and other development and relief agencies. Graduates are not limited to opportunities in the humanitarian industry as the MSCID makes students viable candidates for a host of consultancy positions requiring persons with skills in grant writing, not-for-profit administration, education, and philanthropy.

Bachelors

Behavioral Sciences BS
Behavioral Sciences studies the ways in which people respond to the world around them. As a broad field, it encompasses several more specific fields including Psychology, Sociology, and Anthropology. At Andrews University, Behavioral Sciences provides students with a broad understanding of human behavior by taking classes in all three fields.

Total Credits - 124

Major - 39

Core - 15
Anthropology is the study of peoples and groups worldwide including their past. Anthropology has many subfields including, cultural anthropology, social anthropology, archaeology, and linguistic anthropology. Within the Behavioral Sciences degree at Andrews University we offer an Anthropology Concentration and an Anthropological Archaeology Concentration.

Behavioral Sciences, Anthropological Archaeology Concentration BS

Anthropology is the study of peoples and groups worldwide including their behavior, adaptation techniques, and social practices in both the present and the past. Anthropology has many subfields including, cultural anthropology, social anthropology, archaeology, and linguistic anthropology. Within the Behavioral Sciences degree at Andrews University we offer an Anthropology Concentration and an Anthropological Archaeology Concentration.

Total Credits - 124

Major - 39

Core - 12

PSYC 101 - Introduction to Psychology Credits: 3
PSYC 450 - Social Psychology Credits: 3
SOCI 432 - Research Methods II: Introduction Credits: 3

Choose one of the following courses:

ANTH 124 - Introduction to Anthropology Credits: 3
ANTH 200 - Cultural Anthropology Credits: 3
SOCI 119 - Principles of Sociology Credits: 3

Choose one of the following courses:

PSYC 269 - History and Systems of Psychology Credits: 3
SOCI 474 - Social Thought and Theory Credits: 3

Electives - 24

Electives selected in consultation with an advisor from at least two of the areas offered in the department to total 39 credits.

Cognate - 3

BHSC 230 - Research Methods I: Statistics for the Behavioral Sciences Credits: 3

Suggested Andrews Core Experience Courses

BHSC 225 - Global Social Issues Credits: 3
PHIL 224 - Introduction to Philosophy Credits: 3

Additional Information

Computer Policy

In the Behavioral Sciences, the computer is an indispensable tool for collecting and working with data, accessing scientific reports, and for writing and critical thinking. As a result, the Department of Behavioral Sciences requires students to have a laptop computer in order to meet the requirements of the curriculum. Students are responsible for maintaining their computer with the required software appropriate for the courses they are enrolled in as they progress through the curriculum. Use of the computer varies by course.

Student Learning Outcomes

At the end of the program a student will be able to:

• Think critically about human thought and behavior in individuals, sociocultural and ecological systems
• Select credible sources of evidence from the behavioral sciences, and specifically in the areas of anthropology, sociology and psychology science
• Conduct effective research projects from design through data interpretation
• Apply ethical standards to scholarship and practice in the Behavioral Sciences
• Apply principles and skills from Behavioral Sciences to serve their communities
• Write effectively about theories, data, and practice in the Behavioral Sciences
• Speak effectively about theories, data, and practice in the Behavioral Sciences
• Prepare a professional plan for life after graduation
• Apply principles from the Behavioral Sciences to understand and influence the development of faith across the life span
• Know the key themes in relevant disciplines in the Behavioral Sciences

Behavioral Sciences, Anthropology Concentration BS

Anthropology is the study of peoples and groups worldwide including their behavior, adaptation techniques, and social practices in both the present and the past. Anthropology has many subfields including, cultural anthropology, social anthropology, archaeology, and linguistic anthropology. Within the Behavioral Sciences degree at Andrews University we offer an Anthropology Concentration and an Anthropological Archaeology Concentration.

Suggested General Electives

The following courses are recommended electives that may also count towards ACE requirements.

BHSC 225 - Global Social Issues Credits: 3
BIOL 100 - Human Biology Credits: 4
PHIL 224 - Introduction to Philosophy Credits: 3
RELT 348 - Christians and the Environment Credits: 3
SOC 119 - Principles of Sociology Credits: 3

Student Learning Outcomes

At the end of the program a student will be able to:

• Think critically about human thought and behavior in individuals, sociocultural and ecological systems
• Select credible sources of evidence from the behavioral sciences, and specifically in the areas of anthropology, sociology and psychology science
• Conduct effective research projects from design through data interpretation
• Apply ethical standards to scholarship and practice in the Behavioral Sciences
• Apply principles and skills from Behavioral Sciences to serve their communities
• Write effectively about theories, data, and practice in the Behavioral Sciences
• Speak effectively about theories, data, and practice in the Behavioral Sciences
• Prepare a professional plan for life after graduation
• Apply principles from the Behavioral Sciences to understand and influence the development of faith across the life span
• Know the key themes in relevant disciplines in the Behavioral Sciences

Student Learning Outcomes

At the end of the program a student will be able to:

- Think critically about human thought and behavior in individuals, sociocultural and ecological systems
- Select credible sources of evidence from the behavioral sciences, and specifically in the areas of anthropology, sociology and psychology science
- Conduct effective research projects from design through data interpretation
- Apply ethical standards to scholarship and practice in the Behavioral Sciences
- Apply principles and skills from Behavioral Sciences to serve their communities
- Write effectively about theories, data, and practice in the Behavioral Sciences
- Speak effectively about theories, data, and practice in the Behavioral Sciences
- Prepare a professional plan for life after graduation
- Apply principles from the Behavioral Sciences to understand and influence the development of faith across the life span
- Know the key themes in relevant disciplines in the Behavioral Sciences

---

Psychology, Brain and Cognition

Concentration BS

The Psychology, Brain and Cognition major provides students with training in experimental psychology, including a mentored undergraduate research experience that can lead to presentation and publication of the original research with a faculty member.

Students who are planning to apply to medical school should expect to take an additional 20 credits of natural sciences (a second semester of General Chemistry, two semesters of Organic Chemistry, and two semesters of General Physics), and should take BIHM 421 - Biochemistry I as a major elective. Students are also recommended to register for BIOL 450 instead of PSYC 449 if preparing for medical school.

Additional Information

Computer Policy
In the Behavioral Sciences, the computer is an indispensable tool for collecting and working with data, accessing scientific reports, and for writing and critical thinking. As a result, the Department of Behavioral Sciences requires students to have a laptop computer in order to meet the requirements of the curriculum. Students are responsible for maintaining their computer with the required software appropriate for the courses they are enrolled in as they progress through the curriculum. Use of the computer varies by course.

Student Learning Outcomes
At the end of the program a student will be able to:

- Think critically about human thought and behavior in individuals, sociocultural and ecological systems
- Select credible sources of evidence from the behavioral sciences, and specifically in the area of psychology science
- Conduct effective research projects from design through data interpretation
- Apply ethical standards to scholarship and practice in Psychology
- Apply principles and skills from Psychology to serve their communities
- Write effectively about theories, data, and practice in Psychology
- Speak effectively about theories, data, and practice in Psychology
- Prepare a professional plan for life after graduation
- Apply principles from Psychology to understand and influence the development of faith across the life span
- Know the key themes in relevant disciplines in Psychology

Psychology, General BA
Within the BA in Psychology program, two tracks are available: General and Pre-Professional. The Pre-Professional track is designed for students planning a graduate degree. Whichever program students choose, they should consult with their advisors and classes should be chosen with occupational goals in mind. Students planning on graduate school should choose classes related to that area of specialization.

Total Credits - 124

recommended, particularly for students who plan to take graduate studies in

Psychology

**Computer Policy**

In the Behavioral Sciences, the computer is an indispensable tool for collecting and

working with data, accessing scientific reports, and for writing and critical thinking.

As a result, the Department of Behavioral Sciences requires students to have a

laptop computer in order to meet the requirements of the curriculum. Students are

responsible for maintaining their computer with the required software

appropriate for the courses they are enrolled in as they progress through the

curriculum. Use of the computer varies by course.
Occupational Therapy
For those interested in occupational therapy, the following classes are often required for entry into occupational therapy programs:

Psychology: PSYC 101 - Introduction to Psychology, PSYC 301 - Human Development, PSYC 450 - Social Psychology

Sociocultural: SOCI 119 - Principles of Sociology, ANTH 200 - Cultural Anthropology

Anatomy and Physiology: BIOL 221 - Anatomy and Physiology I, BIOL 222 - Anatomy and Physiology II,

English: ENGL 115 - College Writing I, ENGL 215 - College Writing II

Some programs may want a class (or classes) in other areas such as Biology, Chemistry, Physics, or others. If you know which program(s) you may be interested in for graduate school, it is a good idea to look at their program and see which prerequisite classes they require. It is recommended that students consult with their advisors in regards to which courses should be taken.

Student Learning Outcomes
At the end of the program a student will be able to:

- Think critically about human thought and behavior in individuals, sociocultural and ecological systems
- Select credible sources of evidence from the behavioral sciences, and specifically in the area of psychology science
- Conduct effective research projects from design through data interpretation
- Apply ethical standards to scholarship and practice in Psychology
- Apply principles and skills from Psychology to serve their communities
- Write effectively about theories, data, and practice in Psychology
- Apply principles from Psychology to understand and influence the development of faith across the life span
- Know the key themes in relevant areas in Psychology

Sociology BA
Sociologists study the formation and interaction of human groups and the individual's relationship to social groups. There is a focus on the role of various groups in socialization of the individual into norms, values and behaviors. There is also a focus on the development of major social institutions and how they interact with each other and impact socialization across time and cultures. Sociologists use a theoretical framework that examines how institutions and groups function for the success of a society, the conflicts that may be inherent in group interaction, and how human beings can change institutions and their relationship.

Total Credits - 124

Major - 41

- SOCI 119 - Principles of Sociology Credits: 3
- SOCI 350 - Social Policy Credits: 2
- SOCI 455 - Development Policy and Analysis Credits: 3

- PSYC 450 - Social Psychology Credits: 3
- RELT 340 - Religion and Ethics in Modern Society Credits: 3

Student Learning Outcomes
At the end of the program a student will be able to:

- Think critically about human thought and behavior in individuals, sociocultural and ecological systems
- Select credible sources of evidence from the behavioral sciences, and specifically in the area of sociology science
- Conduct effective research projects in sociology from design through data interpretation
- Apply ethical standards to scholarship and practice in Sociology
- Apply principles and skills from Sociology to serve their communities
- Write effectively about theories, data, and practice in Sociology
- Speak effectively about theories, data, and practice in Sociology
- Will prepare a professional plan for life after graduation
- Apply principles from Sociology to understand and influence the development of faith across the life span
- Know the key themes in relevant areas in Sociology

Sociology BS
Sociologists study the formation and interaction of human groups and the individual's relationship to social groups. There is a focus on the role of various groups in socialization of the individual into norms, values and behaviors. There is also a focus on the development of major social institutions and how they interact with each other and impact socialization across time and cultures. Sociologists use a theoretical framework that examines how institutions and groups function for the success of a society, the conflicts that may be inherent in group interaction, and how human beings can change institutions and their relationship.

Total Credits - 124

Major - 29

- BHSC 225 - Global Social Issues Credits: 3
- SOCI 119 - Principles of Sociology Credits: 3
- SOCI 425 - Racial and Ethnic Relations Credits: 3
- SOCI 430 - Gender Roles in Contemporary Society Credits: 3
- SOCI 432 - Research Methods II: Introduction Credits: 3
- SOCI 474 - Social Thought and Theory Credits: 3

Choose one of the following courses:

- SOCI 215 - Introduction to Criminal Justice Credits: 3
- SOCI 255 - Juvenile Delinquency Credits: 3

Choose one of the following courses:

- SOCI 366 - Drugs and Behavior Credits: 3
- SOCI 420 - Medical Sociology Credits: 3

Choose two of the following three courses:

- SOCI 350 - Social Policy Credits: 2
- SOCI 455 - Development Policy and Analysis Credits: 3
- SOCI 470 - Demography Credits: 3

Electives - 18

Choose 18 credits from SOCI courses in consultation with an advisor.

Recommended electives for students seeking admission to graduate school:

- SOCI 433 - Research Methods III: Advanced Research Design-Experimental and Survey Credits: 3
Cognates - 15

BHSC 225 - Global Social Issues Credits: 3
BHSC 230 - Research Methods I: Statistics for the Behavioral Sciences Credits: 3
PSYC 450 - Social Psychology Credits: 3
RELT 340 - Religion and Ethics in Modern Society Credits: 3

Choose one of the following courses:
- ANTH 124 - Introduction to Anthropology Credits: 3
- ANTH 200 - Cultural Anthropology Credits: 3
- PSYC 101 - Introduction to Psychology Credits: 3

Additional Information

Additional Requirements
- Majors are required to take the Major Field Test in Sociology before graduation.

Recommended
- Majors are encouraged to attend at least one professional conference before graduation.
- A reading knowledge of a foreign language is strongly recommended for those planning on graduate work in Sociology.

Additional Information

Additional Requirements
- Majors are required to take the Major Field Test in Sociology before graduation.

Recommended
- Majors are encouraged to attend at least one professional conference before graduation.
- A reading knowledge of a foreign language is strongly recommended for those planning on graduate work in Sociology.

Student Learning Outcomes

At the end of the program a student will be able to:
- Think critically about human thought and behavior in individuals, sociocultural and ecological systems
- Select credible sources of evidence from the behavioral sciences, and specifically in the area of sociology science
- Conduct effective research projects in sociology from design through data interpretation
- Apply ethical standards to scholarship and practice in Sociology

- Write effectively about theories, data, and practice in Sociology
- Speak effectively about theories, data, and practice in Sociology
- Will prepare a professional plan for life after graduation
- Apply principles from Sociology to understand and influence the development of faith across the life span
- Know the key themes in relevant areas in Sociology

Sociology, Community and International Development Concentration BS

Community development workers perform a wide array of tasks that enable communities at the local or international level to change and improve various aspects in the lives of their residents. They work in different settings such as inner city agencies, service-learning organizations, community service organizations, community advocacy groups, etc. Additionally community development workers could work overseas in international relief and development agencies as well as for church-based mission programs.

Total Credits - 124

Major - 51-56

BHSC 225 - Global Social Issues Credits: 3
PSYC 450 - Social Psychology Credits: 3
SOCI 119 - Principles of Sociology Credits: 3
SOCI 432 - Research Methods II: Introduction Credits: 3
SOCI 474 - Social Thought and Theory Credits: 3

Electives

Choose at least 9 credits from the following courses to meet the minimum of 51 credits in the major:
- ECON 225 - Principles of Macroeconomics Credits: 3
- SOCI 215 - Introduction to Criminal Justice Credits: 3
- SOCI 255 - Juvenile Delinquency Credits: 3
- SOCI 366 - Drugs and Behavior Credits: 3
- SOCI 410 - Social Gerontology Credits: 3
- SOCI 420 - Medical Sociology Credits: 3
- SOCI 425 - Racial and Ethnic Relations Credits: 3
- SOCI 430 - Gender Roles in Contemporary Society Credits: 3
- SOCI 440 - Sociology of the Family Credits: 3
- SOCI 460 - Death and Grief in Contemporary Society Credits: 2
- SOCI 470 - Demography Credits: 3

Sociology, Community and International Development Concentration BS

Completion of this concentration prepares a student for Track 2 within the Master of Science in Community & International Development (MSCID) program, which allows students to finish the degree in one year instead of the usual two.

Computer Policy

In the Behavioral Sciences, the computer is an indispensable tool for collecting and working with data, accessing scientific reports, and for writing and critical thinking. As a result, the Department of Behavioral Sciences requires students to have a laptop computer in order to meet the requirements of the curriculum. Students are responsible for maintaining their computer with the required software appropriate for the courses they are enrolled in as they progress through the curriculum. Use of the computer varies by course.

Student Learning Outcomes

At the end of the program a student will be able to:
- Think critically about human thought and behavior in individuals, sociocultural and ecological systems
- Select credible sources of evidence from the behavioral sciences, and specifically in the area of sociology science
- Conduct effective research projects in sociology from design through data interpretation
- Apply ethical standards to scholarship and practice in Sociology
- Apply principles and skills from Sociology to serve their communities
- Write effectively about theories, data, and practice in Sociology
- Speak effectively about theories, data, and practice in Sociology
- Will prepare a professional plan for life after graduation.
Sociology, Criminal Justice

Concentration BS

BS Sociology, Criminal Justice provides a foundation in criminal law, legal procedures, and criminology to help prepare students for a career in the criminal justice profession. Students should consult their advisor in regards to their classes, which should be chosen with occupational goals in mind. Students planning on graduate school should choose classes related to that area of specialization.

Total Credits - 124

Major - 45

Core - 21
- LGST 260 - Introduction to American Law Credits: 3
- LGST 335 - Criminal Law Credits: 3
- PLSC 326 - American Political Institutions: Judiciary Credits: 3
- SOCI 119 - Principles of Sociology Credits: 3
- SOCI 215 - Introduction to Criminal Justice Credits: 3
- SOCI 235 - Police Organization, Administration and Community Dynamics Credits: 3
- SOCI 255 - Juvenile Delinquency Credits: 3

Concentration - 15
- SOCI 432 - Research Methods II: Introduction Credits: 3

Choose 12 credits from the following courses:
- PLSC 350 - State and Local Government Credits: 3
- PLSC 366 - Terrorism and Political Theory Credits: 3
- PSYC 101 - Introduction to Psychology Credits: 3
- SOCI 460 - Death and Grief in Contemporary Society Credits: 3
- SOCI 449 - Disaster Response and Emergency Operations Credits: 3
- SOCI 445 - Emergency Planning Credits: 3
- SOCI 497 - Internship Credits: 1–8
- SOCI 498 - Research Project in Sociology Credits: 1–8
- SOCI 480 - Field Experience Credits: 0–3
- SOCI 497 - Internship Credits: 1,2

Electives - 9

Electives may be chosen from Content Courses not taken to meet minimum requirements, or from the recommended electives listed below, or other SOCI or PSYC courses in the undergraduate program, or those approved by the advisor/chair. NOTE: Students seeking admission to graduate school should select SOCI 433 and SOCI 434.

- ANTH 124 - Introduction to Anthropology Credits: 3
- ANTH 200 - Cultural Anthropology Credits: 3
- COMM 435 - Crisis Communications Credits: 3
- PSYC 315 - Organization and Human Resources Credits: 3
- SOCI 433 - Research Methods III: Advanced Research Design and Survey Credits: 3
- SOCI 434 - Research Methods IV: Advanced Statistical Analysis and SPSS Credits: 3
- SOCI 445 - Emergency Planning Credits: 2
- SOCI 449 - Disaster Response and Emergency Operations Credits: 2
- SOCI 460 - Death and Grief in Contemporary Society Credits: 2

Additional Requirements
27 credits must be selected from courses numbered 300 or above.

Cognates - 15
- BHSC 225 - Global Social Issues Credits: 3
- BHSC 230 - Research Methods I: Statistics for the Behavioral Sciences Credits: 3
- PSYC 101 - Introduction to Psychology Credits: 3
- RELT 340 - Religion and Ethics in Modern Society Credits: 3

Choose one of the following courses:
- PSYC 450 - Social Psychology Credits: 3
- PSYC 454 - Theories of Personality Credits: 3

Recommended General Electives
The following course is recommended as an ACE choice or general elective.
- CHEM 100 - Consumer Chemistry Credits: 4

Student Learning Outcomes
At the end of the program a student will be able to:
- Think critically about human thought and behavior in individuals, sociocultural and ecological systems
- Select credible sources of evidence from the behavioral sciences, and specifically in the areas of anthropology, sociology and psychology science
- Conduct effective research projects from design through data interpretation
- Apply ethical standards to scholarship and practice in Sociology
- Apply principles and skills from Sociology to serve their communities
- Will prepare a professional plan for life after graduation
- Apply principles from Sociology to understand and influence the development of faith across the life span
- Know the key themes in relevant areas in Sociology

Undergraduate Minors

Anthropology Minor

Anthropology is the study of peoples and groups worldwide including their behavior, adaptation techniques, and social practices in both the present and the past. Anthropology has many subfields including cultural anthropology, social anthropology, archaeology, and linguistic anthropology.

Total Credits - 21

- ANTH 124 - Introduction to Anthropology Credits: 3
- ANTH 200 - Cultural Anthropology Credits: 3

Choose one of the following courses:
- ANTH 455 - Ethnography Credits: 3
- ANTH 496 - Supervised Fieldwork in Anthropology or Archaeology Credits: 1–8

Electives
Anthropology electives selected in consultation with an advisor from ANTH courses to total 21 credits

Students interested in emphasizing archaeology should also select:
- ANTH 205 - Introduction to Archaeology Credits: 3
- ANTH 435 - Museum and Lab Methods Credits: 3

Cognates
Recommended cognates for students interested in archaeology include:
- BHSC 225 - Global Social Issues Credits: 3
- SOCI 432 - Research Methods II: Introduction Credits: 3

Student Learning Outcomes
At the end of the program a student will be able to:
- Think critically about human thought and behavior in individuals, sociocultural and ecological systems
- Select credible sources of evidence from the behavioral sciences, and specifically in the areas of anthropology, sociology and psychology science
- Conduct effective research projects from design through data interpretation
- Apply ethical standards to scholarship and practice in the Behavioral Sciences
- Apply principles and skills from Behavioral Sciences to serve their communities
Behavioral Sciences Minor

Behavioral Sciences studies the ways in which people respond to the world around them. As a broad field, it encompasses several more specific fields including Psychology, Sociology, and Anthropology. At Andrews University, Behavioral Sciences provides students with a broad understanding of human behavior by taking classes in all three fields.

Total Credits - 18

To complete a minor in Behavioral Sciences, a student must choose 18 credits from the following areas. A minimum of 9 credits must be selected from courses numbered 300 or above:

- Anthropology (ANTH)
- Behavioral Sciences (BHSC)
- Geography (GEOG)
- Psychology (PSYC)
- Sociology (SOCI)

Student Learning Outcomes

At the end of the program a student will be able to:

- Know the key themes in relevant disciplines in the Behavioral Sciences.
- Write effectively about theories, data, and practice in the Behavioral Sciences.
- Speak effectively about theories, data, and practice in the Behavioral Sciences.
- Prepare a professional plan for life after graduation.
- Apply principles from the Behavioral Sciences to understand and influence the development of faith across the life span.
- Apply ethical standards to scholarship and practice in the Behavioral Sciences.
- Apply principles and skills from Behavioral Sciences to serve their communities.
- Conduct effective research projects from design through data interpretation.
- Select credible sources of evidence from the behavioral sciences, and specifically in the areas of anthropology, sociology and psychology science.
- Apply principles from Sociology to understand and influence the development of faith across the life span.
- Choose one of the following courses:
  - PSYC 315 - Organization and Human Resources
  - BSAD 355 - Principles of Management

Cognate

- ANTH 200 - Cultural Anthropology

Additional Requirements

A minimum of 9 credits must come from courses numbered 300 or above.

Criminal Justice Minor

Criminal Justice provides a foundation in criminal law, legal procedures, and criminology to help prepare students for a career in the criminal justice profession. Students should consult their advisor and classes should be chosen with occupational goals in mind.

Total Credits - 21

To complete a minor in Criminal Justice, a student must choose 21 credits from the following courses. A minimum of 9 credits must come from courses numbered 300 or above:

- LGST 260 - Introduction to American Law
- LGST 335 - Criminal Law
- LGST 336 - Terrorism and Political Theory
- PSYC 450 - Social Psychology
- PSYC 454 - Theories of Personality
- PSYC 460 - Psychology of Abnormal Behavior
- PSYC 465 - Personality Development
- SOCI 215 - Introduction to Criminal Justice
- SOCI 235 - Police Organization, Administration and Community Dynamics
- SOCI 366 - Drugs and Behavior
- SOCI 380 - Social Problems
- SOCI 480 - Juvenile Delinquency

Cognate

- ANTH 200 - Cultural Anthropology

Additional Requirements

A minimum of 9 credits must come from courses numbered 300 or above.

Community and International Development Minor

Community development workers perform a wide array of tasks that enable communities at the local or international level to change and improve various aspects in the lives of their residents. They work in different settings such as inner-city agencies, service-learning organizations, community service organizations, community advocacy groups, etc. Additionally, community development workers could work overseas in international relief and development agencies as well as for church-based mission programs.

Total Credits - 20

- BHSC 225 - Global Social Issues
- BHSC 340 - Research Methods I: Statistics for the Behavioral Sciences
- SOCI 408 - Emergency Preparedness
- SOCI 421 - Development Theory & Practice
- SOCI 432 - Research Methods II: Introduction

Choose an additional 3 credits from BHSC, PSYC, SOCI, or ANTH (SOCI 480 Field Experience is recommended)

Choose one of the following courses:

- PSYC 315 - Organization and Human Resources
- BSAD 355 - Principles of Management

Student Learning Outcomes

At the end of the program a student will be able to:

- Know the key themes in relevant areas in Sociology.
- Think critically about human thought and behavior in individuals, sociocultural and ecological systems.
- Select credible sources of evidence from the behavioral sciences, and specifically in the area of sociology science.
- Conduct effective research projects in sociology from design through data interpretation.
- Apply ethical standards to scholarship and practice in Sociology.
- Apply principles and skills from Sociology to serve their communities.
- Write effectively about theories, data, and practice in Sociology.
- Speak effectively about theories, data, and practice in Sociology.
- Will prepare a professional plan for life after graduation.
- Apply principles from Sociology to understand and influence the development of faith across the life span.
The Emergency Preparedness minor provides students with an "all hazards" approach to the emergency preparedness process which includes understanding the core tenets of emergency management: preparedness, prevention, response, recovery and mitigation. Students will develop skills in planning and preparing for emergencies, the management of operations during an emergency, the implementation of recovery efforts after an emergency, and the after action assessment process. Students will also have opportunities to develop essential skills such as ethical decision making, critical thinking, analytical inquiry, strategic planning, and risk and vulnerability assessments associated with natural and man-made disasters and terrorism. Key principles and methods of incident management of various types of disasters, including the collaboration with all stakeholders, will be examined. Students will have the opportunity to understand the emergency preparedness process in the context of a Christian worldview.

**Total Credits - 21**

**Core - 12**
- SOCI 119 - Principles of Sociology Credits: 3
- SOCI 408 - Emergency Preparedness Credits: 2
- SOCI 445 - Emergency Planning Credits: 2
- SOCI 449 - Disaster Response and Emergency Operations Credits: 2
- SOCI 478 - Principles and Practice of Hazards Mitigation Credits: 3

**Electives - 9**
Choose 9 credits from the following courses:
- ANTH 200 - Cultural Anthropology Credits: 3
- BHSC 225 - Global Social Issues Credits: 3
- BHSC 230 - Research Methods I: Statistics for the Behavioral Sciences Credits: 3
- COMM 435 - Crisis Communications Credits: 3
- PLSC 366 - Terrorism and Political Theory Credits: 3
- PSYC 483 - Disaster Psychology Credits: 3
- SOCI 420 - Medical Sociology Credits: 3
- SOCI 425 - Racial and Ethnic Relations Credits: 3
- SOCI 430 - Gender Roles in Contemporary Society Credits: 3
- SOCI 432 - Research Methods II: Introduction Credits: 3
- SOCI 460 - Death and Grief in Contemporary Society Credits: 2
- SOCI 475 - Topics: Credits: 1–4
- SOCI 490 - Capstone in Emergency Preparedness (Practicum) Credits: 1–3
- SOCI 497 - Internship Credits: 1-2
- SOCI 498 - Research Project in Sociology Credits: 0–3
- SOWK 477 - Community Assessment and Capacity Mapping Credits: 2

**Additional Requirements**
A minimum of 9 credits must be selected from upper division courses.

**Psychology Minor**

Psychologists study behavior and the mind including conscious and unconscious phenomena, both normal and abnormal functioning and concentrate on behaviors that affect the mental and emotional health of humans.

**Total Credits - 21**

PSYC 101 - Introduction to Psychology Credits: 3

Choose one of the following courses:
- PSYC 364 - Learning and Behavior Credits: 3
- PSYC 445 - Cognitive Psychology Credits: 3
- PSYC 449 - Neuropsychopharmacology Credits: 3
- PSYC 465 - Physiological Psychology Credits: 3
- PSYC 471 - Behavior Modification Credits: 3

Choose one of the following courses:
- PSYC 269 - History and Systems of Psychology Credits: 3
- PSYC 450 - Social Psychology Credits: 3
- PSYC 454 - Theories of Personality Credits: 3

**Electives - 12**
Choose 12 credits from PSYC courses numbered 300 or above.

**Student Learning Outcomes**
At the end of the program a student will be able to:
- Think critically about human thought and behavior in individuals, sociocultural and ecological systems
- Select credible sources of evidence from the behavioral sciences, and specifically in the area of psychology science
- Conduct effective research projects in sociology from design through data interpretation
- Apply ethical standards to scholarship and practice in Psychology
- Apply principles and skills from Psychology to serve their communities
- Write effectively about theories, data, and practice in Psychology
- Speak effectively about theories, data, and practice in Psychology
- Prepare a professional plan for life after graduation
- Apply principles from Psychology to understand and influence the development of faith across the life span
- Know the key themes in relevant disciplines in Psychology

**Sociology Minor**

Sociologists study the formation and interaction of human groups and the individual’s relationship to social groups. There is a focus on the role of various groups in socialization of the individual into norms, values and behaviors. There is also a focus on the development of major social institutions and how they interact with each other and impact socialization across time and cultures. Sociologists use a theoretical framework that examines how institutions and groups function for the success of a society, the conflicts that may be inherent in group interaction and how human beings can change institutions and their relationship.

**Total Credits - 20**

BHSC 225 - Global Social Issues Credits: 3
SOCI 119 - Principles of Sociology Credits: 3
SOCI 350 - Social Policy Credits: 2
SOCI 474 - Social Thought and Theory Credits: 3

**Electives - 9**
Choose 9 credits from SOCI courses in consultation with an advisor.

**Additional Requirements**
A minimum of 8 credits must come from courses numbered 300 or above.

**Student Learning Outcomes**
At the end of the program a student will be able to:
- Know the key themes in relevant areas in Sociology
- Apply principles from Sociology to understand and influence the development of faith across the life span
- Speak effectively about theories, data, and practice in Sociology
- Apply ethical standards to scholarship and practice in Sociology
- Apply principles and skills from Sociology to serve their communities
- Write effectively about theories, data, and practice in Sociology
- Prepare a professional plan for life after graduation
- Apply principles from Sociology to understand and influence the development of faith across the life span
- Know the key themes in relevant areas in Sociology
This degree is offered in both an on-campus and a blended format.

MSCID Dual Degree Options:
The MSCID is also available with the following dual degree options:

- Discipleship in Lifespan Education, Youth & Young Adult Ministry
- Concentration/Community & International Development Dual Degree MA/MSCID
- Community & International Development/Divinity Dual Degree
- MSCID/MDiv
- Community & International Development/Social Work Dual Degree
- MSCID/MSW

Total Credits - 33-45

Foundations - 12
Choose a minimum of 12 credits from the following courses:
- ANTH 517 - Cultural and Developmental Anthropology Credits: 2
- CIDS 520 - Development Theory and Practice Credits: 3
- CIDS 524 - Humanitarian Studies: Theory and Practice Credits: 3
- CIDS 555 - Policy Process & Analysis Credits: 3
- CIDS 568 - Community Change Credits: 2,3
- CIDS 575 - Topics: Credits: 1–6
- CIDS 640 - Human Rights and Global Development Credits: 3
- CIDS 663 - Political Economy Analysis Credits: 3
- MMSN 546 - Mission in Cultural and Religious Context Credits: 3 (only available to MSCID/MDiv Dual Degree students)
- SOWK 630 - Policy for Social Change Credits: 3 (only available to MSCID/MSW Dual Degree students)

Tools - 12
Choose one of the following options:

Option 1:
- SOCI 533 - Research Methods III: Advanced Research Design-Experimental and Survey Credits: 2
- SOCI 534 - Research Methods IV: Advanced Statistical Analysis & SPSS Credits: 2

Option 2:
- EDRM 605 - Qualitative Research Methods in Education and Psychology Credits: 3

Option 3:
- COMM 520 - Communication Research I Credits: 3

Option 4:
- EDRM 611 - Applied Statistical Methods I Credits: 3

Choose 8-9 credits from the following courses (to equal a minimum of 12 credits in Tools courses)
- ACCT 505 - Survey of Accounting for Decision Making and Control Credits: 2,3
- BSAD 51S - Organizational Behavior & Leadership Credits: 3
- BSAD 530 - Leadership & Management of Not-for-Profit Organizations Credits: 3
- BSAD 670 - Management of Human Resources Credits: 3
- PATH 543 - Christian Leadership in a Changing World Credits: 2,3 (only available to MSCID/MDiv Dual Degree students)
- CIDS 535 - Budgeting, Fundraising & Grantmanship Credits: 2
- CIDS 575 - Topics: Credits: 1–6
- CIDS 673 - Project Cycle Management Credits: 3
- FNCE 675 - Financial Management Credits: 3
- GEOG 535 - Introduction to Geographic Information Systems Credits: 2
- PBHL 540 - Grant Writing Credits: 2
- SOCI 508 - Emergency Preparedness Credits: 2
- SOCI 555 - Emergency Planning Credits: 2

Capstone - 9
- CIDS 680 - Field Practicum Credits: 1 (Students are required to register for CIDS 680 during each semester while doing their practicum/internship. Students are expected to complete their practicum within three semesters. MSCID/MDiv Dual Degree students must take 2 credits of PATH 560. MSCID/MAYYAM Dual Degree students fulfill this practicum by taking DSLE 660. MSCID/MSW Dual Degree students must take 1 credit of SOWK 635.)
- CIDS 698 - Research Project Credits: 2,3

Choose 3-6 credits from the following courses (to equal a minimum of 9 credits in Capstone):
- CIDS 554 - Poverty Analysis & Reduction Strategies Credits: 3
- CIDS 575 - Topics: Credits: 1–6
- CIDS 623 - Humanitarian and Development Practice Credits: 1–3
- CIDS 670 - Comprehensive Exam Credits: 0
- CIDS 675 - Institutions in Development Credits: 3

Concentrations - 12

The concentration area is selected by individual choice and will draw on University faculty strengths. The program director/advisor, in consultation with the student, will select a minimum of 12 credits of elective courses related to the chosen concentration to meet the student's career goals.

Students may choose an area of concentration that aligns with their research and career interests. Concentration areas are listed below, along with courses a student may take in each area. Students, in consultation with their advisor, may substitute courses within a concentration area. Additionally, students may choose a different area of concentration, contingent upon documentation that they are able to meet the general concentration requirements (adequate credits, appropriate field practicum, and research projects are available).

NOTE: Students who choose to complete a concentration will need a total of 45 credits to complete the program. Students in the MSCID/MAYYAM Dual Degree program are not required to complete a concentration.

Development Communication
- COMM 536 - Issues in Intercultural Communication Credits: 2,3
- COMM 540 - Communication in Development Practice Credits: 2,3
- COMM 590 - Graduate Seminar in ________ Credits: 2,3
- JOUR 570 - Multimedia Messaging Credits: 3
- PREL 510 - Advancement and Communication Credits: 2

Development Education
- CIDS 550 - Education for Sustainable Development Credits: 3
- EDCI 650 - Curriculum Design: ________ Credits: 3
- EDCI 684 - International Perspectives on Curriculum Credits: 3
- EDCI 696 - Project Implementation Credits: 1–3
- SOCI 565 - Demography Credits: 3

Disaster Preparedness and Management*
- CIDS 690 - Independent Study Credits: 1–3
- COMM 535 - Crisis Communications Credits: 2
- SOCI 508 - Emergency Preparedness Credits: 2
- SOCI 514 - Migrant & Refugee Issues Credits: 2,3
- SOCI 549 - Disaster Response and Emergency Operations Credits: 2
- SOCI 555 - Emergency Planning Credits: 2
- SOCI 578 - Principles and Practice of Hazards Mitigation Credits: 3

* Students who take this concentration have the option to obtain the Michigan or equivalent Professional Emergency Manager Designation (PEM) certification in lieu of registering for concentration courses, except for SOCI 508 Emergency Preparedness. (SOCI 508 covers the FEMA Professional Development Series required for PEM prerequisites.)
Global Health
FDNT 545 - Nutrition and Wellness Programs  Credits: 2–4
FDNT 570 - Maternal and Child Health  Credits: 3
SOCI 554 - Community Health & Human Disease  Credits: 2
SOWK 660 - Advanced Practice Evaluation  Credits: 3

NGO Development and Operations
ACCT 455 - Accounting for Not-for-Profit Organizations  Credits: 3
BSAD 515 - Organizational Behavior & Leadership  Credits: 3
BSAD 530 - Leadership & Management of Not-for-Profit Organizations  Credits: 3
BSAD 556 - Topics in  Credits: 1–3
BSAD 560 - Intercultural Business Relations  Credits: 3
BSAD 670 - Management of Human Resources  Credits: 3
COMM 536 - Issues in Intercultural Communication  Credits: 2,3
MKTG 540 - Marketing Management in Not-for-Profit Organizations  Credits: 3

Peace Studies
This concentration is offered in cooperation with Anabaptist Mennonite Biblical Seminary (AMBS) for the purpose of establishing a limited articulation of graduate courses as part of an academic exchange program between the Master of Science in Community and International Development Program at Andrews University and the Master of Arts: Peace Studies program at Anabaptist Mennonite Biblical Seminary. Students will work with the Director of CIDP to choose appropriate courses as part of an academic exchange program between the Master of Science in Community and International Development Program and the Master of Arts: Peace Studies program at Anabaptist Mennonite Biblical Seminary. Students will work with the Director of CIDP to choose appropriate courses and steps to take to be registered. Students will not register for these courses through Andrews. They will take the courses from AMBS and register through the AMBS system and be transferred to AU.

Select a minimum of 12 credits from the following courses:

- HTE 550 Introduction to Peace Studies and Nonviolence
- HTE 644 Christian Attitudes Toward War, Peace, & Revolution
- CHM 542 Education for Peace and Justice
- CHM 633 Conflict, Communication, and Conciliation
- HTE 641 Economic Justice and Christian
- HTE 643 International Politics in Christian Perspective
- CHM 608 Christian Spirituality for Peace-and-Justice-Making

Youth in Development
PATH 553 - The Church and Social Issues  Credits: 2,3
PATH 623 - Innovative Evangelism  Credits: 2,3
PATH 656 - Evangelistic Small Groups  Credits: 2,3
CIDS 550 - Education for Sustainable Development  Credits: 3
CIDS 580 - Organizational & Community Leadership  Credits: 1,2
CIDS 590 - Issues in Gender and Development  Credits: 3
DSLE 564 - Advanced Youth and Young Adult Ministry Leadership  Credits: 2,3
DSLE 608 - Youth and Young Adults in Contemporary Culture  Credits: 2,3
DSLE 626 - Ministry at At-Risk Youth  Credits: 2,3
DSLE 636 - Seminar in Youth Ministry  Credits: 1,3
DSLE 678 - Spiritual Nurture of Children  Credits: 2,3
SOCI 510 - Gender Roles in Contemporary Society  Credits: 3
SOCI 515 - Racial and Ethnic Relations  Credits: 3
SOWK 660 - Advanced Practice Evaluation  Credits: 3

Assistantships
Students may have the opportunity to apply for graduate assistantships within the Community and International Development Program. Please apply in the CIDP Office.

Additional Information
The schools and departments regulate policies that govern the elective courses offered as part of the concentration package and some may not be available. Some elective courses may require prerequisites and should be discussed in advance with the program director/advisor for guidance in completing the concentration.

The Field Practicum and Research Project/Thesis will necessarily be related to the area of concentration in order to provide students with an in-depth understanding of the chosen area, and with the possibility of applying course work in practice. Students are required to undertake a 720-hour internship (approximately 6 months at 30 hours per week) through a field placement with a domestic, national, or international organization/project. Internships are based on prior approval and advice from the program director. Arrangements for the internship will be made by the program director/advisor pending availability and feasibility of the placement proposed by the student.

Admission Requirements
All applicants must meet the following criteria, in addition to general admission requirements of the Andrews University School of Graduate Studies & Research:

- A Bachelor's Degree from an accredited college or university.
- An overall undergraduate GPA of 3.0 in 8 or more credits of previously taken graduate courses graded A-F. Students may be admitted provisionally with a GPA of 2.6 or higher. Such students must maintain a GPA of 3.0 or higher during their first 12 graduate credits to continue in the program.
- Completed Graduate Application packet.
- Completed coursework in Statistics and Research. Provisional acceptance may be granted without these courses with the expectation that the student will take them during the first year of enrollment. Credits for these prerequisites will not apply toward the MSCID.
- The director of the program may request a personal interview or a third reference and/or other information.

Students who apply for admission to the MSCID program have two options related to the Graduate Record Exam (GRE). For those students who are seeking a graduate scholarship, the GRE must be taken. Scholarship amounts are based on the score achieved on the exam. For students who do not seek a graduate scholarship based on the GRE score, the exam is not required.

A reading knowledge of a foreign language is strongly recommended for those planning on graduate work.

Masters Dual Degrees
Note: Because each dual degree is listed in two schools you will find duplicates. The content is identical except for order of information.

Community & International Development/Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration Dual Degree MSCID/MA
See Seminary for the requirements for the Community & International Development/Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration Dual Degree MSCID/MA

Community and International Development/Divinity Dual Degree MSCID/MDiv
See Seminary for the requirements for the Community and International Development/Divinity Dual Degree MSCID/MDiv

Community and International Development/Social Work Dual Degree MSCID/MSW
See School of Social Work for the requirements for the Community & International Development/Social Work Dual Degree MSCID/MSW
Anthropology

ANTH 124 - Introduction to Anthropology
Credits: 3
An introduction to the anthropological perspective. Topics include cognitive and social aspects of language, biology and the study of culture, origins of culture, archaeology and cultural beginnings, introduction to the study of cultural variation, and models of culture.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Even years
College Code: CAS

ANTH 200 - Cultural Anthropology
Credits: 3
Comparative study of human diversity and of ways of being human. The concept of culture and ethnography as the primary tool of cultural anthropological research. Salient features of tribal communities, state level policies and modern network society. Globalization and its social, economic and environmental consequences. Understanding "ourselves" and those we call "others."

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Odd years
College Code: CAS

ANTH 205 - Introduction to Archaeology
Credits: 3
An introduction to some of the discoveries made by archaeologists and to some of the methods whereby their discoveries are made. Advances in archaeological method and theory over the past 100 years are explained and illustrated.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Odd years
College Code: CAS

ANTH 417 - Cultural and Developmental Anthropology
Credits: 3
Introduction to the basic concepts, methods and theories of cultural anthropology. Anthropological perspectives on culture change, globalization, global and local world-making, indigenous knowledge, sustainable community development, and project management. Special emphasis on anthropological principles and techniques that inform development work including application of anthropological knowledge and research to real-world problems.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

ANTH 435 - Museum and Lab Methods
Credits: 3

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

ANTH 440 - Topics:
Credits: 1–3
Topics in cross-cultural anthropology.

Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CAS

ANTH 455 - Ethnography
Credits: 3
An introduction to ethnography as a method for gathering data about human social interactions and communities. Overview of various ways of doing ethnographic fieldwork within and beyond the discipline of anthropology. Examples of ethnography in international development, business, industry and government will also be discussed.

Grade Mode: Normal (A-F,I,W)

ANTH 478 - Archaeological and Ethnographical Perspectives on the Middle East
Credits: 3

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

ANTH 495 - Independent Studies/Readings in Anthropology
Credits: 1–3
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

ANTH 496 - Supervised Fieldwork in Anthropology or Archaeology
Credits: 1–8
Students may apply to participate as trainees on research projects sponsored either by the Department of Behavioral Sciences or the Institute of Archaeology.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Repeatable: Repeatable up to 8 credits
Schedule Type: Practicum
College Code: CAS

ANTH 517 - Cultural and Developmental Anthropology
Credits: 2
Introduction to the basic concepts, methods and theories of cultural anthropology. Anthropological perspectives on culture change, globalization, global and local world-making, indigenous knowledge, sustainable community development, and project management. Special emphasis on anthropological principles and techniques that inform development work including application of anthropological knowledge and research to real-world problems.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

ANTH 555 - Ethnography
Credits: 2,3
Introduction to ethnography as a method for gathering data about human social interactions and communities. Overview of various ways of doing ethnographic fieldwork within and beyond the discipline of anthropology. Examples of ethnography in international development, business, industry and government will also be discussed.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

ANTH 600 - Seminar in Cultural Anthropology
Credits: 2,3
The study of culture and cultural variation. The contemporary beliefs, values, institutions and material way of life of people in North America are contrasted with those of people living in other regions of the world today and in the past.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Seminar
College Code: CAS

Behavioral Sciences

BHSC 100 - Philosophy of Service and Civic Engagement
Credits: 2
Provides a theoretical and practical basis for understanding and meeting needs of communities and individuals. Course materials include works from Christian and
 BHSC 225 - Global Social Issues
Credits: 3
This course addresses issues which may include poverty, gender, health disparities, education, immigration, inequality, and anthropocene issues with an emphasis on their impact on global humanitarian and development issues from a Christian perspective.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

BHSC 230 - Research Methods I: Statistics for the Behavioral Sciences
Credits: 3
Probability concepts, frequency distributions, measures of central tendency, measures of variation, using frequency distributions, point-estimation and confidence intervals, sampling distribution, levels of significance in hypothesis testing, t and z tests, correlation, chi-square and ANOVA.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

BHSC 240 - Topics:
Credits: 1–4
Examines emerging issues in the behavioral sciences at the lower division level.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CAS

BHSC 300 - Philosophy of Service Fieldwork
Credits: 1,2
Provides an opportunity for the practical application of the theories, principles and concepts learned in BHSC 100.

Course/Lab Fee: Yes
Course Attribute: Service course
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Prerequisite(s): BHSC 100 or permission of Service Learning Coordinator. 20 hours of service is required for each credit registered for. Does not apply to a major or minor.
Schedule Type: Practicum
College Code: CAS

BHSC 378 - Study Tour
Credits: 0
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.

Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Blended Learning
College Code: CAS

BHSC 405 - Introduction to Public Health
Credits: 3
An overview of some of the important content areas and disciplines that make up Public Health, including Health Promotion and Education and Education, Environmental Health, Epidemiology, Disease Prevention, Global or International Health issues and other aspects of our environment that effect the Public Health.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CAS

BHSC 438 - Workshop
Credits: 0–3
Provides an opportunity to study in a focused area within the behavioral sciences. A paper is required for more than one credit and may be required for one credit.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Workshop
College Code: CAS

BHSC 440 - Topics:
Credits: 1–4
Examines emerging issues in the behavioral sciences.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CAS

BHSC 480 - Professional Conference:
Credits: 0,1
This course provides an opportunity for students to attend a professional conference or meeting, allowing them to study and present research in a focused area within the Behavioral Sciences Fields – Psychology, Sociology, Anthropology, and Geography. Students taking this course for credit must be required to do a presentation or poster at the conference or to complete a literature review.

Course/Lab Fee: Yes
Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CAS

BHSC 495 - Independent Study/Readings in Behavioral Sciences
Credits: 1–3
Individual assignments and/or reports and/or individualized research in behavioral sciences are set up on a contract basis with no more than 3 credits per semester. Students may repeat or take any combination of departmental independent study courses for up to 6 credits. Consult staff before registering.

Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CAS

BHSC 498 - Research Project in Behavioral Sciences
Credits: 0–3
An independent research project in behavioral sciences typically supervised by a faculty member and resulting in a technical report summarizing findings or a submission to a professional conference. Students may repeat or take any combination of departmental independent study or research project courses up to 6 credits with no more than 3 credits per semester. Consult staff before registering.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
Special Approval: Instructor permission required.
College Code: CAS

BHSC 575 - Topics:
Credits: 1–5
Examines emerging issues in the Behavioral Sciences.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CAS

BHSC 578 - Study Tour
Credits: 0
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.

Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Blended Learning
College Code: CAS
Interventions have generated social change. Focus on contemporary approaches to assessing and mapping community capacity to address those needs. Development of skills in selecting, analyzing, understanding, and interpreting assessment outcomes to inform policy and practice. Consider complex interactions between community and international development stakeholders and other factors affecting accountability, project planning, and outcomes.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

CIDS 536 - Project Design, Implementation & Evaluation
Credits: 3
Explore perspectives and approaches within the project management body of knowledge. Understand the context and interdependence of elements of project management and introduce tools using the project cycle approach for practitioners of project management. Build on problem and objectives analysis, formation of projects and budgets, implementation, monitoring and evaluation criteria. Develop techniques for creating persuasive written grant proposals.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

CIDS 538 - Needs Assessment, Project Design and Evaluation
Credits: 3
This course provides theoretical and practical applications to project and program development. It includes the following topics: Needs assessment, capacity mapping, planning, monitoring and evaluation.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

CIDS 540 - International Development: Strategy Design & Implementation
Credits: 3

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

CIDS 543 - Linking Humanitarian & Development Aid
Credits: 1–3
Presents different strategic and ethical approaches to understanding and addressing challenges in the relationship between humanitarian and development aid. Topics that will be covered: faith and religion, coordination, partnership, security, funding, sustainability, etc.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

CIDS 544 - International Development: Cases and Application
Credits: 3
This course examines community and international development theory and practice through field study and fieldwork. Issues to be covered may include development and humanitarian aid and response.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS
CIDS 547 - Social Gerontology  
Credits: 3  
A study of aging and ageism in the United States, including demographic trends, societal attitudes, problems of the elderly, and national policies relating to senior citizens in the cultural context of American society.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS  

CIDS 550 - Education for Sustainable Development  
Credits: 3  
Provides an overview of education for sustainability. Focuses on international projects and organizations that address education for sustainable development. Explores education as a means to address development issues such as social justice, poverty, food security, globalization, etc. Covers different educational approaches and models that ensure a healthy environment, vibrant community, and equitable society.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS  

CIDS 554 - Poverty Analysis & Reduction Strategies  
Credits: 3  
This seminar will examine the nature, extent and measures of rural and urban poverty, its causes and consequences, and the antipoverty programs proposed by government, activists, anti-poverty organizations such as NGOs, academic community and international and bilateral aid organizations.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS  

CIDS 555 - Policy Process & Analysis  
Credits: 3  
Examine the processes that lead to the formulation, adoption, implementation, and evaluation of development policies and programs across countries. Study types of policies, policy design, and policy tools. Develop skills of political and bureaucratic analysis that can improve policy analysis, policy decision-making, and policy implementation for sustainable development.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS  

CIDS 559 - Death and Grief in Contemporary Society  
Credits: 2  
The study of cultural and societal perspectives on death and personal and interpersonal dynamics of death and dying.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS  

CIDS 560 - Political Economy of Development  
Credits: 3  
Overview of the political economy of developing countries and the complex interplay of international system, international economic and political economy factors that influence development initiatives and outcomes. Discuss the relation of globalization, trade, aid, and international economic and development institutions on development activity. Specific topics include development and economic policy, civil society, alternative development models, democracy, authoritarianism, sustainable development and gender.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS  

CIDS 568 - Community Change  
Credits: 2,3  
This course will introduce you to the field of Community Psychology, which is an interdisciplinary field that emerged from clinical psychology, but incorporates perspectives and theories from sociology, public health and anthropology. Utilizing a strengths-based approach, it goes beyond an individual focus to promote positive change, health and empowerment at individual and systemic levels. Students registering for 3 credits will be expected to complete an additional project equaling 45 hours.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS  

CIDS 570 - Governance in Developing Countries  
Credits: 3  
Discusses basic theories and concepts of governance and its relation to development. Examines how domestic institutions, historic legacies, socioeconomic factors, non-state actors, conflict, and democratization process affect the quality of government and level of development. Addresses the challenges of development from a governance perspective. Special attention will be given to developing countries.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS  

CIDS 575 - Topics:  
Credits: 1–6  
Examines emerging issues in Community & International Development.  
Grade Mode: Normal (A-F,I,W)  
Repeatable: Repeatable with different topics  
Schedule Type: Lecture  
College Code: CAS  

CIDS 578 - Study Tour  
Credits: 0  
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.  
Course/Lab Fee: Yes  
Grade Mode: Noncredit (NC,W)  
Repeatable: Repeatable  
Schedule Type: Blended Learning  
College Code: CAS  

CIDS 580 - Organizational & Community Leadership  
Credits: 1,2  
Focus on leadership theories and strategies. Students develop the capacity to apply these theories and strategies adaptively in leadership situations within organizational and community context. Students explore how leadership styles, communication, planning, organizing, decision making, and marketing impact organizational and community change.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS  

CIDS 583 - Professional Conference:  
Credits: 0,1  
This course provides an opportunity to attend a professional conference or meeting, allowing them to study and present research in a focused area within the Community & International Development Field. Students taking this course for 1 credit may be required to do a presentation or poster at the conference or to complete a literature review.  
Course/Lab Fee: Yes  
Grade Mode: Normal w S (A-F,I,S,U,W)  
Repeatable: Repeatable  
Schedule Type: Workshop  
Special Approval: Instructor permission required.  
College Code: CAS  

CIDS 585 - Gender, Economic Development, and Poverty Reduction  
Credits: 3  
Introduces the linkages between gender equality and growth & poverty-reduction, and enhances students’ ability to participate in the design and implementation of poverty-reduction strategies. Explores the concepts of gender inequality as it relates to poverty; discusses the importance of gender issues in economic development and how they relate to attaining the Millennium Development Goals. Other concepts to be covered: Access to education, health, labor markets, employment opportunities, and productive resources as they affect growth.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS
CIDS 586 - Gender, Ethnicity and Family in Development
Credits: 2
This course provides an overview of the role of and issues surrounding gender and ethnicity in society. Particular attention will focus on how ethnic and gender roles impact family structure, function and interaction patterns, as well as how these patterns impact community and international development.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

CIDS 590 - Issues in Gender and Development
Credits: 3
Familiarizes students with the main analytic debates in the field of gender and development. Institutional domains (households, family and kinship, the market, the community and the state) through which gender relations are both defined and transformed receive separate attention. An introductory survey of conceptual approaches to gender is followed by a treatment of central topics which include: the move from WID (women in development) to GAD (gender and development) as critical perspectives in development studies, conceptual approaches to households, men and masculinities in development, globalization and women’s employment, gender, state and governance, women’s movements and state-civil society relations, gender, conflict and post-conflict, and an appraisal of prospects for gender-aware planning and empowerment.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

CIDS 623 - Humanitarian and Development Practice
Credits: 1–3
Develop strategic approaches to understanding and addressing challenges in the relationship between humanitarian and development practice. Cross-cutting topics will be grounded in ethics, faith, and religious principles and practice.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

CIDS 631 - Professional Development Seminar
Credits: 2
An overview of salient issues and problems related to the topic; an orientation to communities of researchers and professionals working on the topic; an inventory of baseline competencies of persons professing expertise on the topic; and a survey of the opportunities for professional involvement related to the concentration. To be taken during the first fall semester a student is in the program.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 1 credit
Schedule Type: Seminar
College Code: CAS

CIDS 632 - Portfolio Development Seminar
Credits: 1
Ring a student’s final year in the program.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Seminar
Term Offering: Spring
College Code: CAS

CIDS 640 - Human Rights and Global Development
Credits: 3
This course examines the philosophical and legal origins of human rights, the evolution of human rights, and key human rights documents. The course explores the contemporary conceptions and meanings of human rights and development, examining points of convergence and tensions between human rights and development theory and practice. The course adopts a human-rights based approach regarding how plans, policies, and processes of development are anchored in a system of rights and corresponding obligations established by international law.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

CIDS 650 - Project Continuation
Credits: 0
Student may register for this title while clearing deferred grade (DG) and/or incomplete (I) courses with advisor approvals only. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.
Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

CIDS 655 - Program Continuation
Credits: 0
Students may register for this non-credit continuation course to maintain active status. For additional information on active status, please refer to p. 56 in the bulletin. Registration does not indicate full-time status.
Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

CIDS 660 - Thesis Continuation
Credits: 0
Student may register for this title while clearing deferred grade (DG) and/or incomplete (I) courses with advisor approvals only. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.
Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

CIDS 663 - Political Economy Analysis
Credits: 3
Examines the complex interplay of global and local political and economic processes that lead to the formulation, adoption, implementation, and evaluation of humanitarian and development policies and programs across countries. It will provide tools for political economy and policy analysis.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

CIDS 670 - Comprehensive Exam
Credits: 0
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

CIDS 673 - Project Cycle Management
Credits: 3
Presents and analyzes components of project cycle management. Emphasizes the importance of accountability using the Results based management approach.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

CIDS 675 - Institutions in Development
Credits: 3
Overview of the effect of formal and informal institutions on development, combining in-depth case studies of a variety of domestic and international institutions with theoretical and empirical insights from development disciplines (comparative politics, political economy, international relations, and economics).
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS
The course provides a forum for development and peer review of research projects by CIDP graduate students. It is required for all students to submit at least one paper for presentation at a professional conference or at least one article for publication in a professional journal before graduation. The course is to be taken during the student's first Spring semester in the program.

**Grade Mode:** Satisfactory [S,U,I,W]

**Repeatable:** Repeatable

**Schedule Type:** Seminar

**College Code:** CAS

**CIDS 680 - Field Practicum**

**Credits:** 1

Students integrate course content and theory into practice during a 720-hour field practicum coordinated with each student's research project and/or concentration that is the concluding requirement for the concentration. Students must submit a practicum proposal indicating approval from a sponsoring organization and learning objectives. Upon completion, the student submits a practicum portfolio or does a presentation about the field practicum. Registration for this course qualifies for full-time status.

**Course Attribute:** Full-time Status

**Grade Mode:** Normal with DG (A-F,W,DG,DN)

**Repeatable:** Repeatable up to 3 credits

**Schedule Type:** Practicum

**College Code:** CAS

**CIDS 689 - Seminar**

**Credits:** 1–3

**Grade Mode:** Normal w S (A-F,I,S,U,W)

**Repeatable:** Repeatable

**Schedule Type:** Seminar

**College Code:** CAS

**CIDS 690 - Independent Study**

**Credits:** 1–3

**Grade Mode:** Normal w S (A-F,I,S,U,W)

**Repeatable:** Repeatable

**Schedule Type:** Independent

**College Code:** CAS

**CIDS 697 - Portfolio Project**

**Credits:** 2

Students prepare and defend their portfolios. Each student reviews and documents his/her learning and personal goal attainment, and explores issues related to career development and life-long learning. Students will include at least one significant research project. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

**Course Attribute:** Full-time status

**Grade Mode:** Satisfactory w/DG (S,U,I,W,DG)

**Schedule Type:** Independent

**College Code:** CAS

**CIDS 698 - Research Project**

**Credits:** 2,3

A research project is carried out by a master's degree candidate in which the student's mastery of the research process is demonstrated. Students can submit one of the following: 1) Grant proposal and application or 2) Research for publication. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

**Course/Lab Fee:** No

**Course Attribute:** Full-time status

**Grade Mode:** Normal with DG (A-F,W,DG,DN)

**Repeatable:** Repeatable up to 6 credits

**Schedule Type:** Independent

**College Code:** CAS

**CIDS 699 - Master's Thesis**

**Credits:** 3,4

This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

**Course Attribute:** Full-time status

**Grade Mode:** Satisfactory w/DG (S,U,I,W,DG)

---

**Geography**

**GEOG 110 - Survey of Geography**

**Credits:** 3

A survey of major geographic perspectives: physical, human, and regional.

**Course/Lab Fee:** No

**Grade Mode:** Normal (A-F,I,W)

**Schedule Type:** Lecture

**College Code:** CAS

**GEOG 240 - Physical Geography**

**Credits:** 3

The physical environment in which human societies exist; the earth's crust, its water systems, land systems, and climatic features.

**Course/Lab Fee:** Yes

**Grade Mode:** Normal (A-F,I,W)

**Schedule Type:** Lecture

**Year Offering:** Even years

**College Code:** CAS

**GEOG 260 - Cultural Geography**

**Credits:** 3

The geographic viewpoint of the human occupancy of the earth in relation to the environment; including aspects of population, settlement, language, religion, and economy; a generalized survey of major world cultural areas to integrate course elements.

**Grade Mode:** Normal (A-F,I,W)

**Schedule Type:** Lecture, Interactive Online, Self-Paced

**College Code:** CAS

**GEOG 435 - Introduction to Geographic Information Systems**

**Credits:** 3

The study of the fundamentals of Geographic Information Systems (GIS). Emphasis on the foundations of these systems, their components and capabilities.

**Grade Mode:** Normal (A-F,I,W)

**Schedule Type:** Lecture

**College Code:** CAS

**GEOG 460 - Topics:**

**Credits:** 2,3

Study of selected topics in geography. Topic and credit to be announced in advance.

**Grade Mode:** Normal (A-F,I,W)

**Schedule Type:** Lecture

**College Code:** CAS

**GEOG 495 - Independent Study/Rdgs/Res**

**Credits:** 1–3

Independent work on a specified topic under the guidance of department advisor.

**Grade Mode:** Normal w S (A-F,I,S,U,W)

**Repeatable:** Repeatable up to 9 credits with different topics

**Schedule Type:** Lecture

**College Code:** CAS

**GEOG 535 - Introduction to Geographic Information Systems**

**Credits:** 2

The study of the fundamentals of Geographic Information Systems (GIS). Emphasis on the foundations of these systems, their components and capabilities.

**Grade Mode:** Normal (A-F,I,W)

**Schedule Type:** Lecture

**College Code:** CAS
International Development Administration Studies

IDAS 597 - Portfolio
Credits: 1
An organized collection of educational and professional accomplishments is produced. This will include basic personal and background information, a profile of the Focus area, outstanding academic work, and other artifacts acquired to demonstrate achievements and competencies related to international development.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

IDAS 610 - Ethics in Development
Credits: 2
Overview of the philosophical field of ethics and introduction to frameworks for ethical decision-making. Examine the development process and analyze ethical problems pertaining to the confrontation between development objectives and culture, religion, gender, and the environment. Biblical resources are offered to approach potential dilemmas at work and home in an ethical way.

Grade Mode: Normal w S (A-F,I,S,U,W)
Schedule Type: Lecture
College Code: CAS

IDAS 613 - Applied Statistical Methods
Credits: 2
Analysis of data using descriptive and basic inferential statistics, frequency distribution, measures of central tendency, sampling, distribution, levels of significance in hypothesis testing, correlation, t-tests, one way analysis of variance, simple linear regression, and chi-square.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning, Interactive Online
College Code: CAS

IDAS 620 - Strategic Planning in Global Leadership
Credits: 3
A multi-disciplinary course which focuses on current and emerging issues of organizational leadership. The course will teach the role of creating a meaningful strategic plan for an effective administrative system for organizations to survive intensifying globalization. Components include the strategic planning process, roles of board and staff, critical importance of a stakeholder analysis, the purpose of mission and vision, and the difference between goals, strategies and objectives.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

IDAS 623 - Development Research Methods
Credits: 2
Background and experience in understanding quantitative and qualitative research designs as they relate to the student's Focus area. Topics include the research process, defining variables, formulating and stating the problem, planning and designing the research, conducting literature review, instrumentivation, data collection procedures, researchers ethical and legal responsibilities and basic data analysis. Students are expected to develop a research proposal. Prerequisite: IDAS613.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: IDAS 613
Schedule Type: Blended Learning, Interactive Online
College Code: CAS

IDAS 630 - Concepts of Project Management
Credits: 3
Introduce concepts and methods of conducting community assessment and capacity mapping. Develop skills in selecting, analyzing, interpreting and presenting data affecting program planning and implementation. Consider complex interactions affecting program accountability and outcomes. Provides practical opportunity to exercise skills needed for project design and evaluation.

Grade Mode: Normal w S (A-F,I,S,U,W)

IDAS 635 - Professional Training: Focus Area
Credits: 2,3
Students are required to participate in Professional Training related to the selected Focus area, culminating in a synthesis paper on best practices learned during the training. In addition, the student will design and implement a Colloquium to present best practices in the Focus area.

Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

IDAS 640 - Topics:
Credits: 1–3
Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: CAS

IDAS 650 - Project Continuation
Credits: 0
Student may register for this title while clearing deferred grade (DG) with advisor approval only.

Grade Mode: Satisfactory w/o 'I' (S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

IDAS 655 - Program Continuation
Credits: 0
Students may register for this non-credit continuation course to maintain active status.

Grade Mode: Satisfactory w/o 'I' (S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

IDAS 670 - Comprehensive Examinations
Credits: 0
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

IDAS 680 - Field Practicum: Focus Area
Credits: 2
The Field Practicum integrates International Development theory into practice. There are two options to fulfill the Field Practicum. Students will complete either: (1) a baseline and benchmarking study to understand best practices in the focus area; or (2) complete an internship of 300 hours in a sponsoring organization. The course culminates with an oral presentation of the students' findings and experiences.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Practicum
College Code: CAS

IDAS 690 - Independent Study
Credits: 1–3
Individualized reading or research in a specified area under the guidance of an instructor.

Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CAS

IDAS 696 - Specialization Essay: (Focus Area)
Credits: 1,2
Students are required to broaden knowledge in their Focus area through synthesizing and critiquing scholarly journal articles, professional association publications, publications of multi-government organizations such as the United Nations or the World Bank, publications by various international non-government
organizations, or internet resources. The outcome of this literature review will be a "Specialization Essay."

**Grade Mode:** Satisfactory (S,U,I,W)
**Repeatable:** Repeatable
**Schedule Type:** Independent
**College Code:** CAS

**IDAS 697 - Research Project**

**Credits:** 3
A research project is carried out by a master's degree candidate in which mastery of the research process is demonstrated. The student is expected to choose a research topic related to his/her Focus area.

**Grade Mode:** Satisfactory w/DG (S,U,I,W,DG)
**Repeatable:** Repeatable up to 4 credits
**Schedule Type:** Independent
**College Code:** CAS

### Psychology

**PSYC 101 - Introduction to Psychology**

**Credits:** 3
Principles of psychology including the study of growth, perception, learning, thinking, motivation, emotion, personality, and mental health.

**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture, Interactive Online, Self-Paced
**College Code:** CAS

**PSYC 105 - Careers and Plans for the Psychology Major**

**Credits:** 0
This course focuses on career and academic planning issues for psychology majors. Information presented in the course will focus on the clarification, selection, and pursuit of a career in psychology or a related field. Topics will include an overview of the skills and knowledge expected of an undergraduate major in psychology, career options in psychology and related fields, preparation for employment with a bachelor's degree, and preparation for graduate school. Students will develop an academic and career timeline, prepare for their remaining years in the psychology program, and explore interest areas in psychology.

**Grade Mode:** Satisfactory (S,U,I,W)
**Schedule Type:** Lecture, Interactive Online
**Term Offering:** Fall
**College Code:** CAS

**PSYC 180 - Dealing with Your Mind**

**Credits:** 3
An introduction to the brain and how it works, with an emphasis on processes used in everyday life: perception of our surroundings, memory and other facets of general cognition, and links to addictive behavior. The labs will give hands-on experience with these topics. Students will be exposed to research opportunities.

**Course/Lab Fee:** Yes
**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture
**College Code:** CAS

**PSYC 204 - Personal, Social and Career Development**

**Credits:** 3
Application of psychological principles of behavior as they influence optimal personal, social and career development, with an emphasis on effective strategies for self-management and self-improvement.

**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture
**College Code:** CAS

**PSYC 210 - Introduction to Health Psychology**

**Credits:** 3
Study of causes for the rise of health psychology; interrelationships between psychology and health-related disciplines; models of disease and health care; interrelationships between stressful life events, social support, and wellness; illness behavior; psychology of addictive behavior; and behavioral health.

**Course/Lab Fee:** Yes
**Grade Mode:** Normal (A-F,I,W)
**Prerequisite(s):** PSYC 101.

**PSYC 269 - History and Systems of Psychology**

**Credits:** 3
A study of significant schools, individuals and theories in the field of psychology, together with their contributions to present knowledge of behavior.

**Grade Mode:** Normal (A-F,I,W)
**Prerequisite(s):** PSYC 101
**Schedule Type:** Lecture
**College Code:** CAS

**PSYC 301 - Human Development**

**Credits:** 3
Lifespan is an integrative approach to psychological development which emphasizes the inter-dependency of physical, cognitive, emotional, and social development. The interrelatedness of theory, research, and application are seen throughout the entire sequence of human development from conception to death.

**Grade Mode:** Normal (A-F,I,W)
**Prerequisite(s):** PSYC 101 or written permission of the teacher.
**Schedule Type:** Lecture, Interactive Online, Self-Paced
**College Code:** CAS

**PSYC 315 - Organization and Human Resources**

**Credits:** 3
This course teaches students to apply psychological theories and principles to the inner workings of organizations. The following topics are discussed in detail: employee selection and training, small group behavior, leadership, attitudes and motivation, power and politics, and strategies for fostering organizational change. Students will learn to interpret research findings accurately and responsibly as well as how to conduct empirical research in organizational settings.

**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture
**College Code:** CAS

**PSYC 319 - Stress Management**

**Credits:** 3
An introduction to stress along with signs and symptoms of stress and identification of stressors in a person's life. Students learn how to increase stress tolerance and implement change.

**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture
**College Code:** CAS

**PSYC 355 - Cultural Psychology**

**Credits:** 2,3
Course is taught only in conjunction with an Academic Tour. Provides a theoretical and practical basis for understanding the relationship which exists between psychology and culture. While the reading materials include writing on a number of cultures, the practical application will be associated with the tour's destination. Note: without going on the complete tour, a student will not pass this class.

**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture
**College Code:** CAS

**PSYC 364 - Learning and Behavior**

**Credits:** 3
A study of theories of learning which evaluates connections between learning and behavioral processes within and between humans and animals. A lab fee may be required.

**Grade Mode:** Normal (A-F,I,W)
**Prerequisite(s):** PSYC 101
**Schedule Type:** Lecture
**College Code:** CAS

**PSYC 366 - Drugs and Behavior**

**Credits:** 3
An introduction to how drugs affect mood, sensation, consciousness, and other psychological and biological functions. We will look at concepts such as the short and long term effects of use and abuse of drugs, classification and laws regulating the use of drugs, the relationship of drug use on societal issues, different approaches to drug treatment as well as debates on controversial topics in the field of drugs.
PSYC 405 - Midwestern Psychological Association Meeting
Credits: 1
The Midwestern Psychological Association Meeting is an annual meeting at which scientific papers and symposia are presented and functions to encourage psychology as a scientific profession. The goal of this class is to expose students to this approach to psychology, and increase their interest in psychology as a science, as well as develop a professional plan for life after graduation.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: CAS

PSYC 410 - Introduction to Theories in Counseling & Psychotherapy
Credits: 3
An introduction to the major theoretical models and concepts for counseling and psychotherapy. Concepts such as the philosophical assumptions, the therapeutic process, and the client/therapist relationship are discussed. Limited to psychology majors and minors, or permission of the instructor.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101, and one of the following: PSYC 454, PSYC 269 or PSYC 460.
Schedule Type: Lecture
College Code: CAS

PSYC 420 - Human Sexuality
Credits: 3
A study of the multiple aspects of sexuality within a framework of Christian values.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

PSYC 432 - Research Methods II: Introduction
Credits: 3
Asking researchable questions. Reviewing the literature. Hypothesis formulation. Research methodology emphasizes qualitative approaches but includes discussion of instrumentation, subject selection, and data collection procedures. Andrews’ human subject research review process. Informed consent. Writing assignments include theoretical essay, pilot study, second pilot study, research journal. Lab schedule will be arranged.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: BHSC 230 or STAT 285.
Schedule Type: Lecture
College Code: CAS

PSYC 433 - Research Methods III: Advanced Research Design
Credits: 3
The principles of designing, administering, interpreting, and writing experimental research, questionnaires and interview schedules. Survey also focuses on coding procedures and scale construction. Structured around a research project, and the interpretation of scientific reports and professional journals. Lab schedule will be arranged.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PSYC 434/SCI 434.
Prerequisite(s): BHSC 230 or STAT 285 and PSYC 432.
Schedule Type: Lecture
College Code: CAS

PSYC 434 - Research Methods IV: Advanced Statistical Analysis and SPSS
Credits: 3
A study on advanced parametric and non-parametric techniques such as two-way ANOVA, regression and power. The utilization of SPSS in the analysis and interpretation of statistical data. An analysis of professional journals and reports with an emphasis on the statistical reasoning.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PSYC 433, SCI 433.
Prerequisite(s): BHSC 230 or STAT 285 and PSYC 432. Must have achieved a grade of "C" (not C-) in either BHSC 230 or STAT 285.
Schedule Type: Lecture
College Code: CAS

PSYC 438 - Workshop
Credits: 1–3
Provides an opportunity to study in a focused area within the Behavioral Sciences. A paper is required for more than one credit and may be required for one credit.

Grade Mode: Normal w 5 (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Workshop
College Code: CAS

PSYC 445 - Cognitive Psychology
Credits: 3
A study of how people use and acquire knowledge with emphasis on how people perceive, think, remember, store information, solve problems, and acquire and use language. A weekly lab focuses on experimental techniques that have been used to examine mental processing.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101 or PSYC 180.
Schedule Type: Lecture, Lecture/Lab
College Code: CAS

PSYC 449 - Neuropsychopharmacology
Credits: 3
A study of the mechanisms of actions of psychotropic agents and how they affect human perception and behavior. Emphasis is placed on the organization and function of the nervous system and the molecular and biochemical basis of drugs used to treat behavioral and clinical disorders.

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101 or PSYC 180; BIOL 221, BIOL 222 or BIOL 165, BIOL 166.
Schedule Type: Lecture/Lab
College Code: CAS

PSYC 450 - Social Psychology
Credits: 3
A study of human behavior within a group context. Included are attitudes, social roles, collective behavior, and the dynamic aspects of human interaction.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101 or PSYC 180; BIOL 221, BIOL 222 or BIOL 165, BIOL 166.
Schedule Type: Lecture/Lab
College Code: CAS

PSYC 454 - Theories of Personality
Credits: 3
Integrates subfields of psychology to enhance understanding of the individual personality.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101.
Schedule Type: Lecture
College Code: CAS

PSYC 460 - Psychology of Abnormal Behavior
Credits: 3
A study of deviant human behavior and theories of causation and remediation.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101.
Schedule Type: Lecture
College Code: CAS

PSYC 465 - Physiological Psychology
Credits: 3
Introduces the biological bases of behavior. Examination of the neuroanatomical and physiological foundations of such topics as the mind/body problem, the
development of language and learning, sexual behavior, recovery from brain damage, and psychopathology.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101. Normally offered odd years.
Schedule Type: Lecture
College Code: CAS

PSYC 468 - Community Psychology
Credits: 3
This course will introduce you to the field of Community Psychology. Community Psychology is an interdisciplinary field that emerged from clinical psychology, but incorporates perspectives and theories from sociology, public health, and anthropology. Utilizing a strengths-based approach, it goes beyond an individual focus to promote positive change, health, and empowerment at individual and systemic levels. This course can serve as preparation for those taking the practicum course as their capstone requirement.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101 or SOCI 119
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

PSYC 471 - Behavior Modification
Credits: 3
The theory and techniques of behavior change utilizing principles of conditioning. Applications relevant to health-centered and educational settings are emphasized.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101.
Schedule Type: Lecture
Year Offering: Even years
College Code: CAS

PSYC 475 - Topics:
Credits: 1–4
Examines emerging issues in Psychology

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CAS

PSYC 480 - Field Experience
Credits: 1–8
Supervised field placement in a human services setting is approved in advance by the department chair. A minimum of 45 hours of fieldwork activity is required for each credit. Consult staff before registering. Open only to departmental majors.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Repeatable: Repeatable up to 8 credits
Schedule Type: Practicum
College Code: CAS

PSYC 483 - Disaster Psychology
Credits: 3
This course focuses on the psychological and physiological human response to natural and man-made disasters. Using research from the field, students will examine normal and abnormal reactions, the recovery process, resilience, and various disaster mental health response modalities. Differences between natural and man-made disasters are explored, along with factors that contribute to and mitigate post-traumatic effects.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101
Schedule Type: Lecture
College Code: CAS

PSYC 485 - Professional Portfolio
Credits: 0
A student portfolio demonstrating that the student has met the program learning outcomes in the psychology major. Required as part of the capstone for all students who do not complete PSYC498 Research Project in Psychology along with PSYC405 MPA Meeting, complete PSYC480 Field Experience, or complete PSYC490 Practicum in Psychology. The portfolio will be introduced along with other capstones in PSYC105 Careers and Plans for Psychology.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Independent
College Code: CAS

PSYC 486 - Psychological Assessment
Credits: 3
Theory and practice in individual and group testing in the areas of intelligence, aptitude, achievement, personality, and interest. Evaluation of tests and other instruments for measurement with a focus on their worth and limitations.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101, BHSC 230 or STAT 285.
Schedule Type: Lecture
College Code: CAS

PSYC 490 - Practicum in Psychology
Credits: 3
This course is designed to build on psychological knowledge gained in previous coursework, explore different theories outlining how to work with agencies, and apply this knowledge to working in a community agency. The course requires students to spend 90 hours at the agency field site during the semester, and meet weekly as a class to discuss theories of intervention and their field experiences. Student’s final grade in this course will be based on feedback from the site supervisor as well as the instructor’s evaluation of classwork and fieldwork. It is recommended that students meet with the instructor the semester beforehand to discuss class requirements and placement options. Enrollment in this class is limited to psychology majors and minors of junior or senior status, or permission of the instructor.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101 and six additional credits of psychology courses
Schedule Type: Practicum
College Code: CAS

PSYC 495 - Independent Study/Readings in Psychology
Credits: 1–3
Individual assignments and/or reports and/or individualized research in psychology on a contract basis with no more than 3 credits per semester. Students may repeat or take any combination of departmental independent study courses up to 6 credits. Consult staff before registering.

Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CAS

PSYC 498 - Research Project in Psychology
Credits: 0–3
An independent research project in psychology typically supervised by a faculty member and resulting in a technical report summarizing findings or a submission to a professional conference. Students may repeat or take any combination of departmental independent study or research project courses up to 6 credits with no more than 3 credits per semester. Consult staff before registering.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
Special Approval: Instructor permission required.
College Code: CAS

PSYC 525 - Disaster Psychology
Credits: 2
This course focuses on the psychological and physiological human response to natural and man-made disasters. Using research from the field, students will examine normal and abnormal reactions, the recovery process, resilience, and various disaster mental health response modalities. Differences between natural and man-made disasters are explored, along with factors that contribute to and mitigate post-traumatic effects.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate Years
College Code: CAS

PSYC 566 - Drugs and Behavior
Credits: 3
An introduction to how drugs affect mood, sensation, consciousness, and other psychological and biological functions. We will look at concepts such as the short
and long term effects of use and abuse of drugs, classification, laws regulating the
use of drugs, the relationship of drug use on societal issues, different approaches
to drug treatment as well as debates on controversial topics in the field of drugs.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101
Schedule Type: Lecture
College Code: CAS

SOCIOLOGY

SOCI 119 - Principles of Sociology
Credits: 3
A study of the development of sociology as a social science, some concepts and
ideas associated with the study of human behavior, and an overview of the
principles, terms, and concepts in the discipline.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
College Code: CAS

SOCI 215 - Introduction to Criminal Justice
Credits: 3
Provides an overview of the Criminal Justice System in the United States focusing
on its organization including criminal law, police organization and practices, judicial
systems, and penal systems.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOCI 235 - Police Organization, Administration and Community
Dynamics
Credits: 3
Examines organizational theory, leadership, communications, budgeting, and labor
relations in police administration. Policing roles, responsibilities, and trends
tendant to contemporary law enforcement, as well as public relations and
community policing philosophy will also be explored. Offered odd years.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOCI 255 - Juvenile Delinquency
Credits: 3
Topics related to modern youth in trouble, sociological analysis of the problems of
youth, legal and societal factors involved in delinquency, and some of the remedial
measures now being used.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOCI 314 - Migrant & Refugee Issues
Credits: 2, 3
This course will study fundamental theories and concepts regarding voluntary
migration (migrant issues) and forced migration (refugee issues). It will also
address the main political, social, economic, and environmental push-and-pull
factors that influence immigration and emigration within the framework of
globalization.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOCI 335 - Criminology
Credits: 3
Explores the theories of the cause and prevention of crime, its effect on society,
and the theories and techniques associated with the apprehension, conviction, and
detention of individuals who infringe criminal law in society.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOCI 350 - Social Policy
Credits: 2
Develops basic knowledge and skills for policy analysis, formulation and critical
challenge within local and international contexts. Examines the determining
factors affecting public policy in the United States as compared with other
systems. Provides framework for analysis of social problems and policies, as they
impact development and practice in human services.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOCI 366 - Drugs and Behavior
Credits: 3
An introduction to how drugs affect mood, sensation, consciousness, and other
psychological and biological functions. We will look at concepts such as the short
and long term effects of use and abuse of drugs, classification and laws regulating
the use of drugs, the relationship of drug use on societal issues, different
approaches to drug treatment as well as debates on controversial topics in the
field of drugs.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101
Schedule Type: Lecture
College Code: CAS

SOCI 408 - Emergency Preparedness
Credits: 2
Provides an introduction to basic philosophy and concepts of Emergency
Preparedness as required by FEMA (Federal Emergency Management Agency) and
most states which certify staff. Includes use of FEMA—provided modules in the
Professional Development Series, Incident Command Systems (100 and 200), and
the National Incident Management System (700 and 800). A passing grade is
required on each module for a Satisfactory grade and receipt of a Professional
Development Series Certificate of Completion. Evidence of current CPR/AED
certification must be provided before the end of the course.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CAS

SOCI 410 - Social Gerontology
Credits: 3
A study of aging and ageism in the United States, including demographic trends,
societal attitudes, problems of the elderly, and national policies relating to senior
citizens in the cultural context of American society.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Even years
College Code: CAS

SOCI 420 - Medical Sociology
Credits: 3
Analysis of the relationship between social characteristics and the incidence and
prevalence of disease, as well as geographical determinants of health and medical
systems.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Even years
College Code: CAS

SOCI 421 - Development Theory & Practice
Credits: 3
Provide an introduction to different theoretical perspectives of development.
Review of the history of development which provides a critical and ethical
understanding of the social, economic, and political dimension of development in
practice. This course addresses a range of processes to address the needs of
diverse communities in multiple and complex contexts. Open to seniors only.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS
SOCI 424 - Humanitarian Studies: Theory & Practice  
Credits: 3  
This course offers a practical and in-depth analysis of the complex issues and skills needed to engage in humanitarian work.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS

SOCI 425 - Racial and Ethnic Relations  
Credits: 3  
A study of the distinctive racial and cultural minorities in American society with an emphasis on problems and adjustments within the larger society.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS

SOCI 430 - Gender Roles in Contemporary Society  
Credits: 3  
Significant issues related primarily to the concerns of women as members of American society, but also in cross-cultural perspective. Includes such topics as socialization in sex roles, women in the professions, women in minority groups, the feminization of poverty, and women and substance abuse and crime.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS

SOCI 431 - Needs Assessment and Capacity Mapping  
Credits: 3  
Introduction to concepts and methods of conducting a Community needs assessment and mapping community capacity to address those needs. Development of skills in selecting, analyzing, understanding, and interpreting assessment outcomes to inform policy and practice. Consider complex interactions between community and international development stakeholders and other factors affecting accountability, project planning, and outcomes. Open to seniors only.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS

SOCI 432 - Research Methods II: Introduction  
Credits: 3  
Asking researchable questions. Reviewing the literature. Hypothesis formulation. Research methodology emphasizes qualitative approaches but includes discussion of instrumentation, subject selection, and data collection procedures. Andrews' human subject research review process. Informed consent. Writing assignments include theoretical essay, pilot study, second pilot study, research journal. Lab schedule will be arranged.  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Prerequisite/Corequisite: BHSC 230 or STAT 285.  
Schedule Type: Lecture  
College Code: CAS

SOCI 433 - Research Methods III: Advanced Research Design-Experimental and Survey  
Credits: 3  
The principles of designing, administrating, interpreting, and writing experimental research, questionnaires and interview schedules. Survey also focuses on coding procedures and scale construction. Structured around a research project, and the interpretation of scientific reports and professional journals. Lab schedule will be arranged.  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Corequisite(s): PSYC 434.  
Prerequisite(s): BHSC 230 or STAT 285 and PSYC 432.  
Schedule Type: Lecture  
College Code: CAS

SOCI 434 - Research Methods IV: Advanced Statistical Analysis & SPSS  
Credits: 3  
A study on advanced parametric and non-parametric techniques such as two-way ANOVA, regression and power. The utilization of SPSS in the analysis and interpretation of statistical data. An analysis of professional journals and reports with an emphasis on the statistical reasoning.  
Grade Mode: Normal (A-F,I,W)  
Course Mode: Yes  
Prerequisite(s): PSYC 433/SOCI 433.  
Prerequisite(s): BHSC 230 or STAT 285 and PSYC 432/SOCI 432.  
Schedule Type: Lecture  
College Code: CAS

SOCI 440 - Sociology of the Family  
Credits: 3  
This course focuses on theoretical understandings of family relationships in diverse settings and the various contexts that shape and sustain such relationships.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS

SOCI 444 - International Development Cases and Application  
Credits: 3  
This course examines community and international development theory and practice through field study and fieldwork. Issues to be covered may include development and humanitarian aid and response.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS

SOCI 445 - Emergency Planning  
Credits: 2  
Principles of emergency planning used in any type of disaster. Includes working with volunteers, handling special events, evacuation, mass fatalities, planning for schools, and homeland security planning. Includes the use of related FEMA-provided modules.  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): SOCI 408 or SOCI 508 or SOWK 408.  
Schedule Type: Lecture  
College Code: CAS

SOCI 449 - Disaster Response and Emergency Operations  
Credits: 2  
Study of the phases of disaster response and recovery with attention to local, state and national roles and expectations. Models of emergency management operations including communication, coordination, and chief executive decision making under conditions of disaster response will be emphasized. Attention will be given to the problems and concerns of recovery of victims and communities and the implications of disaster recovery efforts. Includes the use of related FEMA-provided modules.  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): BSAD 526; SOCI 408 or SOCI 508  
Schedule Type: Lecture  
College Code: CAS

SOCI 454 - Poverty Seminar  
Credits: 3  
This seminar will examine the nature, extent and measures of rural and urban poverty, its causes and consequences, and the antipoverty programs proposed by government, activists, anti-poverty organizations such as NGOs, academic community, international and bilateral aid organizations.  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): SOWK 408.  
Schedule Type: Lecture  
College Code: CAS

SOCI 455 - Development Policy and Analysis  
Credits: 3  
Examine the processes that lead to the formulation, adoption, implementation, and evaluation of development policies and programs across countries. Study types of policies, policy design, and policy tools. Develop skills of political and bureaucratic analysis that can improve policy analysis, policy decision-making, and policy implementation for sustainable development.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS
SOCI 460 - Death and Grief in Contemporary Society  
Credits: 2  
The study of cultural and societal perspectives on death and personal and interpersonal dynamics of death and dying.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS

SOCI 468 - Community Change  
Credits: 3  
This course will introduce you to the field of Community Psychology which is an interdisciplinary field that emerged from clinical psychology, public health, and anthropology. Utilizing a strengths-based approach, it goes beyond an individual focus to promote positive change, health, and empowerment at individual and systemic levels. This course can serve as preparation for those taking the practicum course as their capstone requirement.  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): PSYC 101 or SOCI 119  
Schedule Type: Lecture  
College Code: CAS

SOCI 470 - Demography  
Credits: 3  
Overview of the world’s population; spatial dimensions of human populations; fertility concepts, measurements, trends, levels, and explanations; mortality and migration; population structures, life chances; population growth, economic development, and the environment.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
Year Offering: Odd years  
College Code: CAS

SOCI 474 - Social Thought and Theory  
Credits: 3  
The roots of self-conscious social thought and the rise of sociology and anthropology as scientific disciplines in the 19th century. Major theoretical orientations in their fields, proponents, and impact on present-day sociology and anthropology are reviewed.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
Year Offering: Odd years  
College Code: CAS

SOCI 475 - Topics:  
Credits: 1–4  
Examines emerging issues in Sociology  
Grade Mode: Normal (A-F,I,W)  
Repeatable: Repeatable with different topics  
Schedule Type: Lecture  
College Code: CAS

SOCI 478 - Principles and Practice of Hazards Mitigation  
Credits: 3  
Study of preparedness as related to hazards in the local community with attention to means of mitigation as well as planning measures. Includes the use of related FEMA-provided modules.  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): SOCI 408 or SOCI 508 or SOWK 408.  
Schedule Type: Lecture  
College Code: CAS

SOCI 480 - Field Experience  
Credits: 1–8  
Supervised field placement in a human services setting is approved in advance by the department chair. A minimum of 45 hours of fieldwork is required for each credit. Open only to departmental majors.  
Grade Mode: Normal with DG (A-F,I,W,DG,DN)  
Repeatable: Repeatable up to 8 credits  
Schedule Type: Practicum  
College Code: CAS

SOCI 486 - Gender, Ethnicity and Family in Development  
Credits: 3  
This course provides an overview of the role of and issues surrounding gender and ethnicity in society. Particular attention will focus on how ethnic and gender roles impact family structure, function and interaction patterns as well as how these patterns impact community and international development.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS

SOCI 490 - Capstone in Emergency Preparedness (Practicum)  
Credits: 1–3  
Experience in Disaster Preparedness exercises. Individually planned with the student by the instructor in consultation with local campus and community Emergency Coordinators. Briefing and reflections with the instructor will be expected of students enrolled in this course. Permission of instructor required.  
Course Attribute: Service course  
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)  
Prerequisite(s): SOCI 408/SOWK 408 or equivalent and one other core course in Emergency Preparedness.  
Repeatable: Repeatable up to 3 credits  
Schedule Type: Practicum  
College Code: CAS

SOCI 495 - Independent Study/Readings in Sociology  
Credits: 1–3  
Individual assignments and/or reports and/or individualized research in sociology are set up on a contract basis with no more than 3 credits per semester. Students may repeat or take any combination of departmental independent study courses for up to 6 credits. Consult staff before registering.  
Grade Mode: Normal w S (A-F,I,S,U)  
Repeatable: Repeatable up to 6 credits  
Schedule Type: Independent  
College Code: CAS

SOCI 497 - Internship  
Credits: 1,2  
Supervised internship in a human services setting is approved in advance by department chair or program director. A minimum of 100 hours of internship is required for each credit. Open only to departmental majors.  
Grade Mode: Normal with DG (A-F,I,W,DG,DN)  
Repeatable: Repeatable up to 2 credits  
Schedule Type: Practicum  
College Code: CAS

SOCI 498 - Research Project in Sociology  
Credits: 0–3  
An independent research project in sociology typically supervised by a faculty member and resulting in a technical report summarizing findings or a submission to a professional conference. Students may repeat or take any combination of departmental independent study or research project courses up to 6 credits with no more than 3 credits per semester. Consult staff before registering.  
Grade Mode: Normal with DG (A-F,I,W,DG,DN)  
Repeatable: Repeatable  
Schedule Type: Independent  
Special Approval: Instructor permission required.  
College Code: CAS

SOCI 508 - Emergency Preparedness  
Credits: 2  
Provides an introduction to basic philosophy and concepts of Emergency Preparedness as required by FEMA (Federal Emergency Management Agency) and most states which certify staff. Includes use of FEMA-provided modules in the Professional Development Series, Incident Command Systems (100 and 200), and the National Incident Management System (700 and 800). A passing grade is required on each module for satisfactory grade and receipt of a Professional Development Series Certificate of Completion. Evidence of current CPR/AED certification must be provided before the end of the course.  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS
SOCI 510 - Gender Roles in Contemporary Society  
Credits: 3  
Significant issues related primarily to the concerns of women as members of American society, but also in cross-cultural perspective. Includes such topics as socialization in sex roles, women in the professions, women in minority groups, the feminization of poverty, and women and substance abuse and crime.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS  

SOCI 514 - Migrant & Refugee Issues  
Credits: 2,3  
This course will study fundamental theories and concepts regarding voluntary migration (migrant issues) and forced migration (refugee issues). It will also address the main political, social, economic and environmental push and pull factors that influence immigration and emigration within the framework of globalization.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS  

SOCI 515 - Racial and Ethnic Relations  
Credits: 3  
A study of the distinctive racial and cultural minorities in American society with an emphasis on problems and adjustments within the larger society.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS  

SOCI 532 - Research Methods II: Introduction  
Credits: 2  
 Asking researchable questions. Reviewing the literature. Hypothesis formulation. Research methodology emphasizes qualitative approaches but includes discussion of instrumentation, subject selection and data collection procedures. Andrews' human-subject-research review process. Informed consent. Writing assignments include theoretical essay, pilot study, second pilot study, research journal. Lab schedule will be arranged.  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Prerequisite/Corequisite: BHSC 230 or STAT 285.  
Schedule Type: Lecture  
College Code: CAS  

SOCI 533 - Research Methods III: Advanced Research Design-Experimental and Survey  
Credits: 2  
The principles of designing, administering, interpreting, and writing experimental research, questionnaires and interview schedules. Survey also focuses on coding procedures and scale construction. Structured around a research project, and the interpretation of scientific reports and professional journals. Lab schedule will be arranged.  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Corequisite(s): SOCI 534.  
Prerequisite(s): BHSC 230 or STAT 285 and SOCI 532.  
Schedule Type: Lecture  
College Code: CAS  

SOCI 534 - Research Methods IV: Advanced Statistical Analysis & SPSS  
Credits: 2  
A study on advanced parametric and non-parametric techniques such as two-way ANOVA, regression and power. The utilization of SPSS in the analysis and interpretation of statistical data. An analysis of professional journals and reports with an emphasis on the statistical reasoning.  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Corequisite(s): SOCI 533  
Prerequisite(s): BHSC 230 or STAT 285 and SOCI 532. Must have achieved a grade of "C" (not C-) in either BHSC 230 or STAT 285. Graduate students who have not achieved a grade of "C" or better will be encouraged to take EDRM 605 Qualitative Research Methods in Education and Psychology.  

SOCI 549 - Disaster Response and Emergency Operations  
Credits: 2  
Study of the phases of disaster response and recovery with attention to local, state and national roles and expectations. Models of emergency management operations including communication, coordination, and chief executive decision making under conditions of disaster response will be emphasized. Attention will be given to the problems and concerns of recovery of victims and communities and the implications of disaster recovery efforts. Includes the use of related FEMA-provided modules.  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): BSAD 526; SOCI 408 or SOCI 508  
Schedule Type: Lecture  
College Code: CAS  

SOCI 550 - Social Policy  
Credits: 2  
Develops basic knowledge and skills for policy analysis, formulation and critical challenge within local and international contexts. Examines the determining factors affecting public policy in the United States as compared with other systems. Provides framework for analysis of social problems and policies, as they impact development and practice in human services.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS  

SOCI 554 - Community Health & Human Disease  
Credits: 2  
Examines in-depth emerging issues in the behavioral sciences. May be repeated in different specialized areas.  
Grade Mode: Normal (A-F,I,W)  
Repeatable: Repeatable  
Schedule Type: Lecture  
College Code: CAS  

SOCI 555 - Emergency Planning  
Credits: 2  
Principles of emergency planning used in any type of disaster. Includes working with volunteers, handling special events, evacuation, mass fatalities, planning for schools, and homeland security planning. Includes the use of related FEMA-provided modules  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): SOCI 408 or SOCI 508 or SOWK 408  
Schedule Type: Lecture  
College Code: CAS  

SOCI 560 - Family Resource Management  
Credits: 3  
Principles of sound management of resources including time, money, and energy as they relate to individuals and groups throughout the lifespan, with emphasis on the family.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
Year Offering: Odd years  
College Code: CAS  

SOCI 565 - Demography  
Credits: 3  
Overview of the world's population; spatial dimensions of human populations; fertility concepts, measurements, trends, levels, and explanations; mortality and migration; population structures, life chances; population growth, economic development, and the environment.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CAS  

SOCI 575 - Topics:  
Credits: 1–5  
Examines emerging issues in Sociology  
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CAS

SOCI 578 - Principles and Practice of Hazards Mitigation
Credits: 3
Study of preparedness as related to hazards in the local community with attention to means of mitigation as well as planning measures. Includes the use of related FEMA-provided modules.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): SOCI 408 or SOCI 508 or SOWK 408.
Schedule Type: Lecture
College Code: CAS

Mission
The Andrews University School of Social Work is a profession that prepares students to be effective, knowledgeable, and qualified for practice in the twenty-first century. Using a person and environment research, and service, prepares students to be effective, knowledgeable, and prepared to practice; and change the world by enhancing the quality of life for all people by upholding the traditions, values, and ethics of the social work profession.

Bachelors

Social Work BSW

The Bachelor of Social Work (BSW) is a professional degree which prepares graduates for generalist professional practice and/or the opportunity to be admitted to a Master of Social Work (MSW) program with advanced standing within appropriate advanced standing GPA guidelines. In addition to the on-campus BSW program, the BSW program is offered as an off-campus program at Washington Adventist University. The off-campus BSW program is administered and delivered by the AU School of Social Work and upon completion the BSW is conferred by Andrews University. The AU baccalaureate program is accredited by the Council on Social Work Education through the year 2019.

Although students may declare themselves as social work majors in their freshman or sophomore year, they must apply for acceptance into the social work program. Application is made in January of the sophomore year for formal acceptance into the program by the end of March. Applications are available from social work academic advisors of both the on-campus and off-campus sites.

Total Credits - 124

Major - 44

- SOWK 100 - Introduction to Social Work Credits: 3
- SOWK 101 - Orientation to Human Services Credits: 2 *
- SOWK 220 - Critical Thinking Credits: 2
- SOWK 315 - Values, Ethics and Diversity Credits: 2
- SOWK 320 - Introduction to Counseling Skills Credits: 3
- SOWK 325 - Social Welfare Institutions and Services Credits: 3
- SOWK 331 - Human Behavior and the Social Environment I Credits: 2
- SOWK 332 - Human Behavior and the Social Environment II Credits: 2
- SOWK 347 - Understanding Trauma Credits: 2
- SOWK 350 - Social Policy Credits: 3
- SOWK 401 - Foundations of Practice I Credits: 4
- SOWK 402 - Foundations of Practice II Credits: 4
- 1 Credit of SOWK 420 - Social Work Methods Seminar Credits: .5
- 4 credits of SOWK 435 - Field Instruction Credits: 1-4

- SOWK 461 - Social Work Research I Credits: 2
- SOWK 462 - Social Work Research II Credits: 2
- 1 Credit of SOWK 489 - BSW Professional Seminar Credits: .5

Choose 2 credits of SOWK electives in consultation with academic advisor.

*Cognates - 22+

- BIOL 100 - Human Biology Credits: 4 *
- PLSC 104 - American Government Credits: 3
- PSYC 101 - Introduction to Psychology Credits: 3
- PSYC 180 - Dealing with Your Mind Credits: 3
- SOCI 119 - Principles of Sociology Credits: 3
- STAT 285 - Introduction to Applied Statistics Credits: 3 *

Choose one of the following courses:
- ECON 225 - Principles of Macroeconomics Credits: 3
- PLSC 237 - The Individual, State, and Marketplace Credits: 3

*Cognates fulfill ACE requirement

Additional Requirements

Field Practicum

Students are required to complete a 400-hour field placement in a local human-service agency. Students are not eligible to take SOWK 401, SOWK 402, or SOWK 435 before being admitted into the BSW program. The practicum is normally completed during the student's senior year. Prerequisites include the following courses (which must be completed with a grade of C- or above): SOWK 331, SOWK 332, SOWK 350 and SOWK 402, and a human biology course. Students may be dropped from the program or be required to complete additional practicum hours for the following reasons:

- Inability to demonstrate the skills, knowledge, and professional responsibilities required of a baccalaureate-level social work intern
- Clear violation of the NASW Code of Ethics

Past experience strengthens all BSW student applications. However, following Council on Social Work Education requirements, no social work course credit can be given for life experience or previous work experience.

Maintaining Active Status

Continued enrollment is conditional upon the following:

- Acceptable academic performance
- Ethical conduct in compliance with the National Association of Social Workers (NASW) Code of Ethics
- Adequate knowledge and practice performance in the practicum setting
- Appropriate demonstration of Professional Expectations

Students in the BSW and MSW Social Work programs are expected to read, know, and integrate the professional expectations listed in the Andrews University School of Social Work Handbook. Consequences for violations of these expectations could include but are not limited to verbal or written warnings, denial of admission, suspension, dismissal, or expulsion from a course or the program.

Admission Requirements

Students qualify for entry into the BSW program when they:

- Earn a minimum GPA of 2.5 overall.
- Receive grades of C- or better in all required program prerequisite and cognate courses.
- Complete SOWK 100, SOWK 101, SOWK 315, SOWK 320, SOWK 325. Maintain a GPA of at least 2.50 in these courses.
- Complete and submit BSW Program Application Packet.
- Receive an acceptance letter from the Undergraduate Program Director.

English Language Requirement

For those applicants whose native language is not English, the following is required:
1. Demonstration of English proficiency by obtaining at least a minimum score on any one of the following exams. Exam must be taken within two years prior to enrollment.

- TOEFL ITP (paper-based) - A minimum score of 550
- TOEFL iBT (internet-based) - 80 with a minimum of 20 on each section
- MELAB - 80 with a minimum of 80 on each section
- IELTS (Academic version) - 6.5
- PTE (Academic version) - 54

3. Personal interview with BSW program director or designee.

Applicants who fail to meet any of the above may be admitted only after committee consideration of the specific circumstances. Additional course work in English may be required.

A student who graduated from a four-year English-speaking high school, college or university may be exempted from all or parts of the above requirements.

Resources

BSW Student Handbook
The BSW Student Handbook has been designed as the social work student's aid in understanding the program requirements, the School of Social Work, and relevant policies of Andrews University. Inside the handbook you will find information such as expectations of students, the BSW curriculum, departmental policies, and other relevant information.

You are responsible for the information found in this handbook, so please take the time to familiarize yourself with the handbook and know where to find questions and answers if the need arises.

Field Manual
The Field Manual has been designed as your aid in understanding field education requirements, your role as a student in a field agency, and relevant policies of Andrews University.

You are responsible for the information found in this handbook, so please take the time to familiarize yourself with the handbook and know where to find questions and answers if the need arises.

Student Learning Outcomes
Students who complete this program will:

- Demonstrate ethical and professional behavior.
- Engage diversity and difference in practice.
- Advance human rights and social, economic, and environmental justice.
- Engage in practice-informed research and research-informed practice.
- Engage in policy practice.
- Engage with individuals, families, groups, organizations, and communities.
- Assess and Plan with individuals, families, groups, and communities.
- Intervene with individuals, families, groups, organizations, and communities.
- Evaluate Practice with individuals, families, groups, organizations, and communities.
- Demonstrate a Christian social work perspective.

Undergraduate Minors

Human Services Minor
The Human Services minor allows students to choose from a variety of core and elective social work courses. This track cannot be used for reduced credit entry into the MSW program. Although students could still be admitted into the Andrews University MSW program, they would be required to complete the full 56-credit requirement for the degree. Although core social work classes taken at the undergraduate level would not need to be repeated, other elective graduate courses must be used to replace those courses in the total credit load. Students will be more prepared for jobs in human service fields.

Total Credits - 18

Choose 12 credits from the following courses by advisement:

- SOWK 325 - Social Welfare Institutions and Services Credits: 3
- SOWK 331 - Human Behavior and the Social Environment I Credits: 2
- SOWK 332 - Human Behavior and the Social Environment II Credits: 2
- SOWK 350 - Social Policy Credits: 3
- SOWK 410 - Children and Families at Risk Credits: 2
- SOWK 424 - Social Gerontology Credits: 2
- SOWK 437 - International Social Work Credits: 2
- SOWK 440 - Assessment and Treatment of Victims of Violence Credits: 2
- SOWK 455 - Treatment of Substance Abuse Credits: 2–4
- SOWK 460 - Death and Grief in Contemporary Society Credits: 2
- SOWK 461 - Social Work Research I Credits: 2
- SOWK 462 - Social Work Research II Credits: 2

Additional Information

Accreditation
Minors in social work and human services are NOT accredited by the Council on Social Work Education. In addition, a minor in Social Work does NOT qualify the student as:

- a professional social worker;
- a member of the professional social work organization;
- eligible for licensure by the State of Michigan or other state license;
- eligible for full Advanced Standing in a graduate school of social work; or
- Social Work practice in an employment situation.

Prerequisites

- SOWK 100 must be completed before taking SOWK 320 and SOWK 350.
- SOWK 331 must be completed before proceeding to SOWK 332.
- SOWK 461 must be completed before proceeding to SOWK 462.

Social Work minor consists of eight courses (19 credit hours) and creates eligibility for reduced credit entry into the Andrews University MSW program. However, acceptance into the MSW program is NOT guaranteed by completing the minor. Students MUST complete all 19 credit hours to become eligible for this reduced credit entry. This “fast track” helps students to graduate more quickly from the MSW program, saving them over $11,000 (18%) in MSW costs.

Total Credits - 19

- SOWK 100 - Introduction to Social Work Credits: 3
- SOWK 315 - Values, Ethics, and Diversity Credits: 2 (SOWK elective may be substituted)
- SOWK 320 - Introduction to Counseling Skills Credits: 2 (SOWK elective may be substituted)
- SOWK 331 - Human Behavior and the Social Environment I Credits: 2
- SOWK 332 - Human Behavior and the Social Environment II Credits: 2
- SOWK 350 - Social Policy Credits: 3
- SOWK 461 - Social Work Research I Credits: 2 *
- SOWK 462 - Social Work Research II Credits: 2

*Students who take a research course(s) that are equivalent to, or more advanced than, the social work research sequence may substitute social work electives in place of these credits.

Additional Information

Accreditation
Minors in social work and human services are NOT accredited by the Council on Social Work Education. In addition, a minor in Social Work does NOT qualify the student as:

- a professional social worker;
- a member of the professional social work organization;
courses eligible for course load reduction must have a grade of B- or better or must be retaken at either the Bachelor’s or Master’s degree level.

Pre-requisites
SOWK 100 must be completed before taking SOWK320 and SOWK350. SOWK331 must be completed before proceeding to SOWK 332. SOWK 461 must be completed before proceeding to SOWK462.

Social Work practice courses (SOWK401; SOWK402), Field Placement courses (SOWK420; SOWK435), and Professional Seminar classes (SOWK489) are not available to minors.

Trauma and Disaster Response Minor
This minor will equip students with knowledge and skills to respond to immediate disasters and other crisis events as well as provide training in long-term recovery and healing from the effects of trauma in areas such as domestic violence, traumatic childhood experience, war, and natural disasters. Students will learn the biological, psychosocial, and spiritual mechanisms of trauma. Students will receive emergency preparedness certifications from FEMA in areas of Professional Development, Incident Command Systems, and National Incident Management Systems. Students will also have the opportunity to be trained in Critical Incident Stress Management and become certified to serve on Community Emergency Response Teams (CERT). Students who complete this minor will also be equipped to provide trauma-informed awareness, education, and tools to support longer-term healing for those who have suffered from the effects of child abuse, domestic violence, post-traumatic stress, or other overwhelming experiences.

Total Credits - 20-21

Behavioral Sciences - 8
- PSYC 475 - Topics: Credits: 1-4 (CISM Basic Training or CERT Certification)
- PSYC 483 - Disaster Psychology Credits: 3
- SOCI 408 - Emergency Preparedness Credits: 2
- SOCI 445 - Emergency Planning Credits: 2

Social Work - 8
- SOWK 331 - Human Behavior and the Social Environment I Credits: 2
- SOWK 332 - Human Behavior and the Social Environment II Credits: 2
- SOWK 347 - Understanding Trauma Credits: 2
- SOWK 460 - Death and Grief in Contemporary Society Credits: 2

Electives - 4-5
Choose from the following courses to complete 4-5 credits.
- PSYC 319 - Stress Management Credits: 3
- SOCI 449 - Disaster Response and Emergency Operations Credits: 2
- SOWK 410 - Children and Families at Risk Credits: 2
- SOWK 440 - Assessment and Treatment of Victims of Violence Credits: 2

Masters

Social Work MSW
The Master of Social Work (MSW) degree is a professional degree enabling the graduate to enter practice as an advanced-level practitioner. Graduates are prepared to work in a variety of clinical, administration, and development focus areas. The foundation curriculum for the MSW consists of 9 core competencies that are required for every accredited MSW program: 1) Demonstrate ethical and professional behavior; 2) Engage diversity and difference in practice; 3) Advance human rights and social, economic, and environmental justice; 4) Engage in practice-informed research and research-informed practice; 5) Engage in policy practice; 6) Engage with individuals, families, groups, organizations and communities; 7) Assess and plan with individuals, families, groups, organizations and communities; 8) Intervene with individuals, families, groups, organizations and communities; and 9) Evaluate practice with individuals, families, groups, organizations and communities. In addition, our program has added an additional competency: 10) Demonstrate a Christian social work perspective. The curriculum is designed to teach students the knowledge, values and skills, along with understanding of the cognitive and affective reactions and judgement that accompany these dimensions. Measurement outcomes for these competencies can be found on the first page of the Andrews University School of Social Work website. The Andrews University MSW program is accredited by the Council of Social Work Education through the year 2019.

Dual Degrees Options
The MSW Dual Degree Programs allow the student to complete two degrees in one additional year, with a tuition reduction of 33% for the MSW credits. To facilitate this objective, the two programs will reduce the total number of required credits and will share a practicum and a limited number of elective courses. Specifically, the School of Social Work will reduce the required number of credits by 9-10 credits by allowing students to take their required social work electives in the other graduate program. In addition, approximately 16 credits will be shared between the two programs. The following Dual Degree options are available:

- Business Administration/Social Work Dual Degree MBA/MSW
- Community & International Development/Social Work Dual Degree MSCID/MSW
- Discipleship in Lifespan Education, Family Life Education Concentration/Social Work Dual Degree MA/MSW
- Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Social Work Dual Degree MA/MSW
- Divinity/Social Work Dual Degree MDiv/MSW
- Public Health, Nutrition and Wellness Concentration/Social Work Dual Degree MPH/MSW

Curriculum
Core advanced interpersonal practice courses supplemented by optional areas of focus are offered. Students wishing to enroll in core graduate social work courses must be enrolled in the MSW program and/or have the instructor’s permission. Students may transfer up to 20% of the credits from one degree into the MSW program. All courses are subject to change based on accreditation needs.

MSW Social Work Tracks
- Regular Standing (Two Year) Program
- Accelerated Regular Standing (Two Year) Program
- Advanced Standing (One Year) Program
- Advanced Standing Plus (18 Months) Program

Areas of Focus
Students may choose to specialize in the following focus areas: Human Resources, Mental Health, School Social Work, Marriage & Family, Christian Ministry, International Social Work, and Medical Social Work. Please refer to the School of Social Work website for further information: www.andrews.edu/cas/socialwork/. Students are not required to choose a focus area.

Regular Standing (Two Year) Program
Students in the regular two-year program are required to take all foundation year courses.

Total Credits - 56
- SOWK 501 - Foundations of Practice I Credits: 4
- SOWK 502 - Foundations of Practice II Credits: 4
- SOWK 515 - Christian Perspectives on Professional Ethics Credits: 2
- SOWK 531 - Human Behavior and the Social Environment I Credits: 2
- SOWK 532 - Human Behavior and the Social Environment II Credits: 2
- 2 credits of SOWK 550 - Social Policy Credits: 3
- SOWK 561 - Social Work Research I Credits: 2 (MPH/MSW dual degree students, replace this course with FDMT 560 - Health Research Methods Credits: 3)
Dual Degree students:  
Electives - 10  
Choose 10 credits of SOWK electives in consultation with academic advisor.

Field Experience -11  
1 credit of SOWK 610 - Advanced Field Seminar Credits: .5  
4 credits of SOWK 535 - Generalist Field Experience Credits: 1–4 (400 hours)  
1 credit of SOWK 610 - Advanced Field Seminar Credits: .5  
5 credits of SOWK 635 - Advanced Field Experience Credits: 1–5 (500 hours)  
(MSW/MPH Dual Degree students will complete this at a county public health department)

Electives - 10  
Choose 10 credits of SOWK electives in consultation with academic advisor.

Field Experience -11  
1 credit of SOWK 610 - Generalist Field Seminar Credits: .5  
4 credits of SOWK 535 - Generalist Field Experience Credits: 1–4 (400 hours)  
1 credit of SOWK 610 - Advanced Field Seminar Credits: .5  
5 credits of SOWK 635 - Advanced Field Experience Credits: 1–5

Admission Requirements  
The following admission criteria must be met:  
Hold a baccalaureate degree from an accredited college or university.  
Provide transcripts that demonstrate course work with a strong liberal arts background. The following minimum semester credits of liberal arts must be met:  
• Human Biology or Anatomy and Physiology: 3 (or pass non-credit equivalency course)  
• Communications/Language Skills (foreign languages, speech, grammar, linguistics, written communication, media): 6  
• Social and Behavioral Science (sociology, anthropology, psychology, social psychology, diversity): 8  
• Humanities/History (philosophy, religion, arts, government, political science, economics, or literature): 14  
• Beginning-level Statistics course (or pass non-credit equivalency course): 3  
• Previous computer skills, either in course work (1 or more credit) or extensive hands-on experience evidenced by the Computer Skills Assessment Form  
Satisfy one of the criteria below:  
• Have an overall GPA of at least 2.75 in undergraduate courses.  
• Have a GPA of at least 2.75 on last 50% of undergraduate courses.  
• Have a graduate GPA of at least 3.5 on 8 semester credits or more earned in courses graded A–F.  
• Hold a previous master’s degree.  
• A professional résumé documenting related experience.  
• A statement of professional interest and purpose for MSW graduate study.  
• Two strong professional references.  
• The faculty may request a personal interview or a third reference and/or other information.

Advanced Standing (One Year)  
Program  
Total Credits - 33  
SOWK 515 - Christian Perspectives on Professional Ethics Credits: 2  
SOWK 601 - Advanced Practice I Credits: 3  
SOWK 601 - Advanced Practice II Credits: 2  
SOWK 605 - Advanced Clinical Assessment Credits: 3  
SOWK 630 - Policy for Social Change Credits: 3

Accelerated Regular Standing (Two Year) Program  
Total Credits - 46  
SOWK 501 - Foundations of Practice I Credits: 4  
SOWK 502 - Foundations of Practice II Credits: 4  
SOWK 515 - Christian Perspectives on Professional Ethics Credits: 2  
SOWK 601 - Advanced Practice I Credits: 3  
SOWK 602 - Advanced Practice II Credits: 2  
SOWK 605 - Advanced Clinical Assessment Credits: 3  
SOWK 630 - Policy for Social Change Credits: 3  
SOWK 660 - Advanced Practice Evaluation Credits: 3  
1 Credit of SOWK 689 - Advanced Professional Seminar Credits: .5
Field Experience - 7
1 Credit of SOWK 610 - Advanced Field Seminar Credits: 5
6 Credits of SOWK 637 - Advanced Standing Field Experience Credits: 1–6

Electives - 9
Choose 9 credits of SOWK electives in consultation with academic advisor.

Admission Requirements
Credit requirements are reduced by 23 based on previous BSW foundation courses taken. In addition to the requirements for the regular two-year program, the following are required for admission into the advanced one-year program.

- Bachelors degree in Social Work no more than five years old from a program accredited by the Council on Social Work Education or international equivalent approved by CSWE. If an applicant has a degree older than five years, he/she must have one year of post-bachelor's human-service work experience for every year beyond the five-year limit.
- An overall undergraduate GPA of 3.0 and on graduate credits previously earned, and 3.2 on undergraduate Social Work classes.
- Satisfactory completion of 33 credits.

Advanced Standing Plus (18 Months) Program
Students who have done generally very well in their BSW program, but do not meet the 3.0 GPA admission requirement for the one-year advanced standing program, may be eligible for the 18 month advanced standing program designed to remediate any areas of academic weakness. Credit requirements are increased by six credits in addition to the one-year advanced program requirements, designated by the advisor in consultation with the student to strengthen identified areas for growth. Students must receive at least a 3.25 GPA the first semester in order to take a full load of 12 credits the second semester.

Total Credits - 39
SOWK 515 - Christian Perspectives on Professional Ethics Credits: 2
SOWK 601 - Advanced Practice I Credits: 3
SOWK 602 - Advanced Practice II Credits: 2
SOWK 605 - Advanced Clinical Assessment Credits: 3
SOWK 630 - Policy for Social Change Credits: 3
SOWK 660 - Advanced Practice Evaluation Credits: 3
1 Credit of SOWK 689 - Advanced Professional Seminar Credits: 5

Field Experience - 7
1 Credit of SOWK 610 - Advanced Field Seminar Credits: 5
5 credits of SOWK 637 - Advanced Standing Field Experience Credits: 1–6

Electives - 15
Choose 15 credits of SOWK electives in consultation with academic advisor.

Additional Requirements
- A minimum cumulative GPA of 3.00 in Social Work Program.
- No grade of D or F (or U) may count toward a graduate degree.
- The maintenance at all times of professional conduct and behaviors appropriate for a social worker according to the National Association of Social Workers’ Code of Ethics.
- Defense of the professional degree portfolio as part of SOWK689 Advanced Professional Seminar. This portfolio is a demonstrative collection of professional competencies.
- Other Andrews University degree requirements as presented in the Graduate Academic Information section of this bulletin.

Past experience strengthens all MSW student applications. However, following Council on Social Work Education requirements, no social work course credit can be given for life experience or previous work experience.

Admission Requirements

English Language Requirements
For those applicants whose native language is not English, the following is required:
- Demonstration of English proficiency by obtaining at least a minimum score on any one of the following exams. Exam must be taken within two years prior to enrollment.
  - TOEFL ITP (paper-based): A minimum score of 550
  - TOEFL IBT (internet-based): 80 with a minimum of 20 on each section
  - MELAB: 80 with a minimum of 80 on each section
  - IELTS (Academic version): 6.5
  - PTE (Academic version): 54
- MSW program participates in the Bridge program which allows students who are close to the minimum scores to take 3-6 credits of MSW courses along with ESL courses. Requirements to participate in the Bridge program are below.
  - TOEFL ITP (paper-based): A score of 500-549 (2-3 ESL courses and up to 3-6 credits of regular MSW course work) OR
  - MELAB - Bridge 1: 70-75 (3 ESL courses; up to 3 credits regular MSW course work)*
  - MELAB - Bridge 2: 76-79 (2 ESL courses; up to 6 credits regular MSW course work)*
  - with permission of the department
- Nelson Denny: score of 13
- Personal interview with MSW program director or designee

Applicants who fail to meet any of the above may be admitted only after committee consideration of the specific circumstances. Additional course work in English may be required.

A student who graduated from a four-year English-speaking high school, college or university may be exempted from all or parts of the above requirements.

Graduate Record Examination (GRE)
Students who are applying for admission to the MSW program are not required to take the GRE. For those students who are seeking the GRE scholarship, the GRE must be taken. The amount of a potential scholarship is related to the score achieved on the GRE as follows:

<table>
<thead>
<tr>
<th>GRE Score</th>
<th>Scholarship</th>
</tr>
</thead>
<tbody>
<tr>
<td>320</td>
<td>50% tuition reduction</td>
</tr>
<tr>
<td>310</td>
<td>25% tuition reduction</td>
</tr>
<tr>
<td>300</td>
<td>10% tuition reduction</td>
</tr>
</tbody>
</table>

Additional Information

MSW Scholarship
Since the MSW program does not require the GRE, an equivalent graduate scholarship is offered in the department. The amount of potential scholarship is related to GPA and supporting documents. This applies to the last 3 semesters of the program. Please refer to the School of Social Work website for further information:
https://www.andrews.edu/cas/socialwork/scholarships/msw-scholarship-policy.pdf

<table>

<td>3.825% tuition reduction</td>
</tr>
<tr>
<td>3.30</td>
<td>3.410% tuition reduction</td>
</tr>
</tbody>
</table>

*available to Advanced standing 1 year students only, based on BSW GPA

Assistantships
Students have the opportunity to apply for graduate assistantships—teaching or research. These assistantships give students the opportunity to develop their expertise. Students interested in becoming social-work educators—especially those with years of clinical experience—may teach undergraduate courses. Research assistantships offer experiences in community consulting, grant writing, and/or conducting research.
Resources

MSW Student Handbook
The MSW Student Handbook has been designed as the social work student’s aid in understanding the program requirements of the School of Social Work as well as relevant policies of Andrews University. Inside the handbook you will find information such as expectations of students, the MSW curriculum, departmental policies, and other relevant information.

Field Manual
The Field Manual has been designed as your aid in understanding field education requirements, your role as a student in a field agency, and relevant policies of Andrews University.

You are responsible for the information found in this handbook, so please take the time to familiarize yourself with the handbook and know where to find questions and answers if the need arises.

Student Learning Outcomes
Students who complete this program will:
• Demonstrate ethical and professional behavior
• Engage diversity and difference in practice
• Advance human rights and social, economic, and environmental justice
• Engage in practice-informed research and research-informed practice
• Engage in policy practice
• Engage with Individuals, Families, Groups, Organizations, and Communities
• Assess and Plan with Individuals, Families, Groups, and Communities
• Intervene with Individuals, Families, Groups, Organizations, and Communities
• Evaluate Practice with Individuals, Families, Groups, Organizations, and Communities
• Demonstrate a Christian Social Work Perspective

Masters Dual Degrees
Note: Because each dual degree is listed in two schools you will find duplicates. The content is identical except for order of information.

Social Work/Business Administration Dual Degree MSW/MBA
See College of Professions for the requirements for the Social Work/Business Administration Dual Degree MSW/MBA

Social Work/Community & International Development Dual Degree MSW/MSCID
Andrews University has chosen to explore a collaborative between the Community & International Development Program (CIDP) and the School of Social Work in the College of Arts & Sciences to prepare students for service in occupations where social work and international development intersect. Social workers, particularly those in the areas of Administration and Development and International Social Work, may have an interest in international work. In such situations, the MSCID could equip them with a complementary skill set. Likewise, development and relief workers often find themselves in situations where social work skills in counseling and therapy would be useful. In addition, the MSCID/MSW collaborative allows for a greater breadth of employment opportunities for students.

Since both the MSW and MSCID programs reduce the total credits in order to reduce costs and achieve a more streamlined and efficient program, both degrees must be received simultaneously in order to fulfill the requirements of either degree. In the event that one degree was completed prior to enrollment for the dual degree program, the requirements for the second degree would be met through completion of the requirements shown below.

Collaborative Program Objectives
• To prepare students for various forms of work in which clinical and administrative skills in development and social work are needed;
• To enable students to integrate development and social work knowledge, values, and skills into a multifaceted approach to service, thereby enhancing their value in the world.

Distinctive Features of the Program
The program is designed to give students an integrated approach to both international development and social work. MSW students who take a social work focus area in International Social Work can choose a dual degree with CIDP.

Total Credits - 75
MSCID students are required to complete 33 credit hours (if they don’t add a concentration. The two-year regular MSW degree requires 56 core credit hours. Due to the strict requirements of the Council on Social Work Education’s accrediting mandates, these core courses must all be taught or co-taught within the department by faculty holding an MSW degree.

This program model creates a curriculum that allows for the integration of 21–24 Social Work and CIDP credits, giving students the advantage of being able to reduce their total credit load. Since both MSCID and MSW programs already share courses in order to reduce costs and achieve a more streamlined and efficient program, the course work for both degrees must be taken either simultaneously or within one academic year of completion of one of the degrees in order to fulfill the requirements of either degree.

Because of CSWE requirements, students in the MSW/MSCID dual degree program will register for social work core classes in lieu of certain CIDP courses and will take a social work focus area in International Social Work. Students will take shared courses as outlined below.

Program Information
Information for the two programs (Social Work MSW and Community & International Development MSCID) follows:

Social Work MSW
The Master of Social Work (MSW) degree is a professional degree enabling the graduate to enter practice as an advanced-level practitioner. Graduates are prepared to work in a variety of clinical, administration, and development focus areas. The foundation curriculum for the MSW consists of 9 core competencies that are required for every accredited MSW program: 1) Demonstrate ethical and professional behavior; 2) Engage diversity and difference in practice; 3) Advance human rights and social, economic, and environmental justice; 4) Engage in practice-informed research and research-informed practice; 5) Engage in policy practice; 6) Engage with individuals, families, groups, organizations and communities; 7) Assess and plan with individuals, families, groups, organizations and communities; 8) Intervene with individuals, families, groups, organizations and communities; and 9) Evaluate practice with individuals, families, groups, organizations and communities. In addition, our program has added an additional competency: 10) Demonstrate a Christian social work perspective. The curriculum is designed to teach students the knowledge, values and skills, along with understanding of the cognitive and affective reactions and judgements that accompany these dimensions. Measurement outcomes for these competencies can be found on the first page of the Andrews University School of Social Work website. The Andrews University MSW program is accredited by the Council of Social Work Education through the year 2019.

Dual Degrees Options
The MSW Dual Degree Programs allow the student to complete two degrees in one additional year, with a tuition reduction of 33% for the MSW credits. To facilitate this objective, the two programs will reduce the total number of required credits and will share a practicum and a limited number of elective courses. Specifically, the School of Social Work will reduce the required number of credits by 9-10 credits by allowing students to take their required social work electives in the other graduate program. In addition, approximately 16 credits will be shared between the two programs. The following Dual Degree options are available:
• Business Administration/Social Work Dual Degree MBA/MSW
• Community & International Development/Social Work Dual Degree MSCID/MSW
• Discipleship in Lifespan Education, Family Life Education Concentration/Social Work Dual Degree MA/MSW
• Discipleship in Lifespan Education, Youth & Young Adult Ministry
  Concentration/Social Work Dual Degree MA/MSW
• Divinity/Social Work Dual Degree MDiv/MSW
• Public Health, Nutrition and Wellness Concentration/Social Work Dual Degree MPH/MSW

Curriculum

Core advanced interpersonal practice courses supplemented by optional areas of focus are offered. Students wishing to enroll in core graduate social work courses must be enrolled in the MSW program and/or have the instructor's permission. Students may transfer up to 20% of the credits from one degree into the MSW program. All courses are subject to change based on accreditation needs.

MSW Social Work Tracks

• Regular Standing (Two Year) Program
• Accelerated Regular Standing (Two Year) Program
• Advanced Standing (One Year) Program
• Advanced Standing Plus (18 Months) Program

Areas of Focus

Students may choose to specialize in the following focus areas: Human Resources, Mental Health, School Social Work, Marriage & Family, Christian Ministry, International Social Work, and Medical Social Work. Please refer to the School of Social Work website for further information: www.andrews.edu/cas/socialwork/. Students are not required to choose a focus area.

Additional Requirements

• A minimum cumulative GPA of 3.00 in Social Work Program.
• No grade of D or F (or U) may count toward a graduate degree.
• The maintenance at all times of professional conduct and behaviors appropriate for a social worker according to the National Association of Social Workers' Code of Ethics.
• Defense of the professional degree portfolio as part of SOWK689 Advanced Professional Seminar. This portfolio is a demonstrative collection of professional competencies.
• Other Andrews University degree requirements as presented in the Graduate Academic Information section of this bulletin.

Past experience strengthens all MSW student applications. However, following Council on Social Work Education requirements, no social work course credit can be given for life experience or previous work experience.

Admission Requirements

English Language Requirements

For those applicants whose native language is not English, the following is required:

• Demonstration of English proficiency by obtaining at least a minimum score on any one of the following exams. Exam must be taken within two years prior to enrollment:
  • TOEFL ITP (paper-based): A minimum score of 550
  • TOEFL IBT (internet-based): 80 with a minimum of 20 on each section
  • MELAB: 80 with a minimum of 80 on each section
  • IELTS (Academic version): 6.5
  • PTE (Academic version): 54

• MSW program participates in the Bridge program which allows students who are close to the minimum scores to take 3-6 credits of MSW courses along with ESL courses. Requirements to participate in the Bridge program are below.
  • TOEFL ITP (paper-based): A score of 500-549 (2-3 ESL courses and up to 3 credits of regular MSW course work)* OR
  • MELAB - Bridge 1: 70-75 (3 ESL courses; up to 3 credits regular MSW course work)*
  • MELAB - Bridge 2: 76-79 (2 ESL courses; up to 6 credits regular MSW course work)

  *with permission of the department
• Nelson Denny: score of 13
• Personal interview with MSW program director or designee

A student who graduated from a four-year English-speaking high school, college or university may be exempted from all or parts of the above requirements.

Graduate Record Examination (GRE)

Students who are applying for admission to the MSW program are not required to take the GRE. For those students who are seeking the GRE scholarship, the GRE must be taken. The amount of a potential scholarship is related to the score achieved on the GRE as follows:

<table>

Assistantships

Students have the opportunity to apply for graduate assistantships—teaching or research. These assistantships give students the opportunity to develop their expertise. Students interested in becoming social-work educators—especially those with years of clinical experience—may teach undergraduate courses. Research assistantships offer experiences in community consulting, grant writing, and/or conducting research.

Resources

MSW Student Handbook

The MSW Student Handbook has been designed as the social work student's aid in understanding the program requirements of the School of Social Work as well as relevant policies of Andrews University. Inside the handbook you will find information such as expectations of students, the MSW curriculum, departmental policies, and other relevant information.

Field Manual

The Field Manual has been designed as your aid in understanding field education requirements, your role as a student in a field agency, and relevant policies of Andrews University.

You are responsible for the information found in this handbook, so please take the time to familiarize yourself with the handbook and know where to find questions and answers if the need arises.

Student Learning Outcomes

Students who complete this program will:

• Demonstrate ethical and professional behavior
• Engage diversity and difference in practice
• Advance human rights and social, economic, and environmental justice
• Engage in practice-informed research and research-informed practice
• Engage in policy practice
• Engage with Individuals, Families, Groups, Organizations, and Communities
• Assess and Plan with Individuals, Families, Groups, and Communities
• Intervene with Individuals, Families, Groups, Organizations, and Communities
• Evaluate Practice with Individuals, Families, Groups, Organizations, and Communities
• Demonstrate a Christian Social Work Perspective
Community and International Development
MSCID

The Community and International Development program offers interdisciplinary study in the humanitarian and development field at the graduate level. This unique approach equips students with the skills needed to identify and respond to social and economic challenges across the globe. Program concentration options offer in-depth training—preparing students for professional service in academia, policy, advocacy, project management, and administration.

In order to receive a Masters in Community and International Development, students will complete 33 credits of required coursework and have the option to add 12 credits of coursework for a concentration. Up to 6 credits may be transferred from another accredited/recognized institution and applied towards the 33 required credits according to the criteria listed in the official Andrews University Graduate Transfer Policy.

This degree is offered in both an on-campus and a blended format.

MSCID Dual Degree Options:
The MSCID is also available with the following dual degree options:
- Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Community & International Development Dual Degree
- Community & International Development/Divinity Dual Degree
- Community & International Development/Social Work Dual Degree

Total Credits - 33-45

Foundations - 12

Choose a minimum of 12 credits from the following courses:
- ANTH 517 - Cultural and Developmental Anthropology Credits: 2
- CIDS 520 - Development Theory and Practice Credits: 3
- CIDS 524 - Humanitarian Studies: Theory and Practice Credits: 3
- CIDS 555 - Policy Process & Analysis Credits: 3
- CIDS 568 - Community Change Credits: 2,3
- CIDS 575 - Topics: Credits: 1–6
- CIDS 640 - Human Rights and Global Development Credits: 3
- CIDS 663 - Political Economy Analysis Credits: 3
- MSSL 546 - Mission in Cultural and Religious Context Credits: 3 (only available to MSCID/MDiv Dual Degree students)
- SOWK 630 - Policy for Social Change Credits: 3 (only available to MSCID/MSW Dual Degree students)

Tools - 12

Choose one of the following options:

Option 1:
- SOCI 533 - Research Methods III: Advanced Research Design-Experimental and Survey Credits: 2
- SOCI 534 - Research Methods IV: Advanced Statistical Analysis & SPSS Credits: 2

Option 2:
- EDRM 605 - Qualitative Research Methods in Education and Psychology Credits: 3
- EDRM 611 - Applied Statistical Methods I Credits: 3

Choose 8-9 credits from the following courses (to equal a minimum of 12 credits in Tools courses)
- ACCT 505 - Survey of Accounting for Decision Making and Control Credits: 2,3
- BSAD 515 - Organizational Behavior & Leadership Credits: 3
- BSAD 530 - Leadership & Management of Not-for-Profit Organizations Credits: 3
- BSAD 670 - Management of Human Resources Credits: 3
- PATH 543 - Christian Leadership in a Changing World Credits: 2,3 (only available to MSCID/MDiv Dual Degree students)
- CIDS 535 - Budgeting, Fundraising & Grantsmanship Credits: 2
- CIDS 575 - Topics: Credits: 1–6
- CIDS 673 - Project Cycle Management Credits: 3
- FNCE 675 - Financial Management Credits: 3
- GEOG 535 - Introduction to Geographic Information Systems Credits: 2
- PBHL 540 - Grant Writing Credits: 2
- SOCI 508 - Emergency Preparedness Credits: 2
- SOCI 555 - Emergency Planning Credits: 2

Capstone - 9

CIDS 680 - Field Practicum Credits: 1 (Students are required to register for CIDS 680 during each semester while doing their practicum/internship. Students are expected to complete their practicum within three semesters. MSCID/MDiv Dual Degree students must take 2 credits of PATH 560. MSCID/MDIV Dual Degree students fulfill this practicum by taking DSLE 660. MSCID/MSW Dual Degree students must take 1 credit of SOWK 635.)

CIDS 698 - Research Project Credits: 2,3

Choose 3-6 credits from the following courses (to equal a minimum of 9 credits in Capstone):
- CIDS 554 - Poverty Analysis & Reduction Strategies Credits: 3
- CIDS 575 - Topics: Credits: 1–6
- CIDS 623 - Humanitarian and Development Practice Credits: 1–3
- CIDS 670 - Comprehensive Exam Credits: 0
- CIDS 675 - Institutions in Development Credits: 3

Concentrations - 12

The concentration area is selected by individual choice and will draw on University faculty strengths. The program director/advisor, in consultation with the student, will select a minimum of 12 credits of elective courses related to the chosen concentration to meet the student's career goals.

Students may choose an area of concentration that aligns with their research and career interests. Concentration areas are listed below, along with courses a student may take in each area. Students, in consultation with their advisor, may substitute courses within a concentration area. Additionally, students may choose a different area of concentration, contingent upon documentation that they are able to meet the general concentration requirements (adequate credits, appropriate field practicum, and research projects are available).

NOTE: Students who choose to complete a concentration will need a total of 45 credits to complete the program. Students in the MSCID/MDIV/Dual Degree program are not required to complete a concentration.

Development Communication
- COMM 536 - Issues in Intercultural Communication Credits: 2,3
- COMM 540 - Communication in Development Practice Credits: 2,3
- COMM 590 - Graduate Seminar in _______ Credits: 2,3
- JOUR 570 - Multimedia Messaging Credits: 3
- PREL 510 - Advancement and Communication Credits: 2

Development Education
- CIDS 550 - Education for Sustainable Development Credits: 3
- EDCI 650 - Curriculum Design; _______ Credits: 3
- EDCI 684 - International Perspectives on Curriculum Credits: 3
- EDCI 696 - Project Implementation Credits: 1–3
- SOCI 565 - Demography Credits: 3

Disaster Preparedness and Management*
- CIDS 690 - Independent Study Credits: 1–3
- COMM 535 - Crisis Communications Credits: 2
- SOCI 508 - Emergency Preparedness Credits: 2
- SOCI 514 - Migrant & Refugee Issues Credits: 2,3
- SOCI 549 - Disaster Response and Emergency Operations Credits: 2
- SOCI 555 - Emergency Planning Credits: 2
- SOCI 578 - Principles and Practice of Hazards Mitigation Credits: 3

* Students who take this concentration have the option to obtain the Michigan or equivalent Professional Emergency Manager Designation (PME) certification in lieu of registering for concentration courses, except for SOCI 508 Emergency Preparedness. (SOCI 508 covers the FEMA Professional Development Series required for PEM prerequisites).
Global Health
FDNT 545 - Nutrition and Wellness Programs Credits: 2–4
FDNT 570 - Maternal and Child Health Credits: 3
SOCI 554 - Community Health & Human Disease Credits: 2
SOWK 660 - Advanced Practice Evaluation Credits: 3

NGO Development and Operations
ACCT 455 - Accounting for Not-for-Profit Organizations Credits: 3
BSAD 515 - Organizational Behavior & Leadership Credits: 3
BSAD 530 - Leadership & Management of Not-for-Profit Organizations Credits: 3
BSAD 556 - Topics in ____________ Credits: 1–3
BSAD 560 - Intercultural Business Relations Credits: 3
BSAD 670 - Management of Human Resources Credits: 3
COMM 536 - Issues in Intercultural Communication Credits: 2,3
MKTG 540 - Marketing Management in Not-for-Profit Organizations Credits: 3

Peace Studies
This concentration is offered in cooperation with Anabaptist Mennonite Biblical Seminary (AMBS) for the purpose of establishing a limited articulation of graduate courses as part of an academic exchange program between the Master of Science in Community and International Development program at Andrews University and the Master of Arts: Peace Studies program at Anabaptist Mennonite Biblical Seminary. Students will work with the Director of CIDP to choose appropriate courses and steps to take to be registered. Students will not register for these courses through Andrews. They will take the courses from AMBS and register through the AMBS system and be transferred to AU.

Select a minimum of 12 credits from the following courses:

- HTE 550 Introduction to Peace Studies and Nonviolence
- HTE 644 Christian Attitudes Toward War, Peace, & Revolution
- CHM 542 Education for Peace and Justice
- CHM 633 Conflict, Communication, and Conciliation
- HTE 641 Economic Justice and Christian
- HTE 643 International Politics in Christian Perspective
- CHM 608 Christian Spirituality for Peace-and-Justice-Making

Youth in Development
PATH 553 - The Church and Social Issues Credits: 2,3
PATH 623 - Innovative Evangelism Credits: 2,3
PATH 656 - Evangelistic Small Groups Credits: 2,3
CIDS 550 - Education for Sustainable Development Credits: 3
CIDS 580 - Organizational & Community Leadership Credits: 1,2
CIDS 590 - Issues in Gender and Development Credits: 3
DSLE 564 - Advanced Youth and Young Adult Ministry Leadership Credits: 2,3
DSLE 608 - Youth and Young Adults in Contemporary Culture Credits: 2,3
DSLE 626 - Ministry to At-Risk Youth Credits: 2,3
DSLE 636 - Seminar in Youth Ministry Credits: 1-3
DSLE 678 - Spiritual Nurture of Children Credits: 2,3
SOCI 510 - Gender Roles in Contemporary Society Credits: 3
SOCI 515 - Racial and Ethnic Relations Credits: 3
SOWK 660 - Advanced Practice Evaluation Credits: 3

Assistantships
Students may have the opportunity to apply for graduate assistantships within the Community and International Development Program. Please apply in the CIDP Office.

Additional Information
The schools and departments regulate policies that govern the elective courses offered as part of the concentration package and some may not be available. Some elective courses may require prerequisites and should be discussed in advance with the program director/advisor for guidance in completing the concentration.

The Field Practicum and Research Project/Thesis will necessarily be related to the area of concentration in order to provide students with an in-depth understanding of the chosen area, and with the possibility of applying course work in practice. Students are required to undertake a 720-hour internship (approximately 6 months at 30 hours per week) through a field placement with a domestic, national, or international organization/project. Internships are based on prior approval and advice from the program director. Arrangements for the internship will be made by the program director/advisor pending availability and feasibility of the placement proposed by the student.

Admission Requirements
All applicants must meet the following criteria, in addition to general admission requirements of the Andrews University School of Graduate Studies & Research:

- A Bachelor's Degree from an accredited college or university.
- An overall undergraduate GPA of 3.0 in 8 or more credits of previously taken graduate courses graded A-F. Students may be admitted provisionally with a GPA of 2.6 or higher. Such students must maintain a GPA of 3.0 or higher during their first 12 graduate credits to continue in the program.
- Completed Graduate Application packet.
- Completed coursework in Statistics and Research. Provisional acceptance may be granted without these courses with the expectation that the student will take the courses during the first year of enrollment. Credits for these prerequisites will not apply toward the MSCID.

The director of the program may request a personal interview or a third reference and/or other information.

Students who apply for admission to the MSCID program have two options related to the Graduate Record Exam (GRE). For those students who are seeking a graduate scholarship, the GRE must be taken. Scholarship amounts are based on the score achieved on the exam. For students who do not seek a graduate scholarship based on the GRE score, the exam is not required.

A reading knowledge of a foreign language is strongly recommended for those planning on graduate work.

Social Work

SOWK 100 - Introduction to Social Work
Credits: 3
The professional activity of social workers in the U.S., including a brief history of the social-work profession, its knowledge, values, and skills base, and its cross-cultural aspects. Emphasis on the response of social work to varied populations and diverse cultures.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

SOWK 101 - Orientation to Human Services
Credits: 2
This course explores various personal and professional values and skills needed for working in human services. It provides a theoretical and practical knowledge base for understanding and meeting community needs. It also includes a brief orientation to the BSW program. Fifty (50) hours of documented volunteer service is required.

Course Attribute: Service course
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Lecture
College Code: CAS

SOWK 220 - Critical Thinking
Credits: 2
In this course, students develop the ability to think clearly and critically. Practice includes developing writing skills that enable students to clearly present claims to support their conclusions and avoid reinforcing biases. Content will challenge students to think abstractly by examining the construction of social work theory and applying theory in practice. Topics include the relationship between critical thinking and clear writing, credibility of sources, rhetorical devices, fallacies, unclear or misleading language, the characteristics of various types of arguments and critical analysis.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 315 - Values, Ethics and Diversity
Credits: 2
Special attention is given to core values and professional ethics expected of outstanding social workers. Emphasizing a Christian world view, students develop appreciation for diversity and sensitivity toward issues related to culture, race, gender, class, age, and sexual identity.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: Pre/Corequisite: SOWK 100 or permission of instructor.
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

SOWK 320 - Introduction to Counseling Skills
Credits: 3
Exposes students to basic engagement, listening, assessment, and interviewing skills. Students gain beginning skills to explore the problems of various client systems.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): SOWK 100, SOWK 315, PSYC 101
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

SOWK 325 - Social Welfare Institutions and Services
Credits: 3
An analysis of the factors which determine the manner in which social-welfare services are currently being delivered in the U.S. Factors include the value base, the historical development, and the organization of the social welfare system.

Course Attribute: Service course

SOWK 331 - Human Behavior and the Social Environment I
Credits: 2
Ecological model for studying human behavior and an overview of normal individual development from conception through early childhood. Psychosocial, learning, and social-role theories constitute the theoretical basis for the course. Special attention paid to the impact of gender, health, and minority status upon human development.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): SOWK 100, BIOL 100.
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

SOWK 332 - Human Behavior and the Social Environment II
Credits: 2
Ecological model for studying human behavior and an overview of normal individual development from middle childhood to late adulthood. Psychosocial, learning, and social-role theories constitute the theoretical basis for the course. Special attention paid to the impact of gender, health, and minority status upon human development.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): SOWK 331
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

SOWK 347 - Understanding Trauma
Credits: 2
Students develop an understanding of the basics of psychological trauma and its impact in the lives of individuals, families and communities. Students will learn to identify various types of trauma, methods to support healing, and how to advocate for trauma recovery in communities and organizations.

Lecture/Lab: Weekly: 1 lecture
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 350 - Social Policy
Credits: 3
Develops basic knowledge and skills for policy analysis, formulation and critical challenge within local and international contexts. Examines the determining factors affecting public policy in the United States as compared with other systems. Provides framework for analysis of social problems and policies, as they impact development and social service practice.

Course Attribute: Service course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PLSC 104.
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

SOWK 366 - Drugs and Behavior
Credits: 3
An introduction to how drugs affect mood, sensation, consciousness, and other psychological and biological functions. We will look at concepts such as the short and long term effects of use and abuse of drugs, classification, and laws regulating the use of drugs, the relationship of drug use on societal issues, different approaches to drug treatment, as well as debates on controversial topics in the field of drugs.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101
Schedule Type: Lecture
College Code: CAS

SOWK 378 - Study Tour
Credits: 0
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.
SOWK 401 - Foundations of Practice I
Credits: 4
Designed to develop the theory, knowledge, and skills essential in generalist social work practice. Various methods are offered for developing communication, assessment, planning, intervention, termination, and evaluative skills necessary in social work practice. Focus on skills necessary for practice with individuals, families and groups in a variety of settings.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: SOWK 331
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

SOWK 402 - Foundations of Practice II
Credits: 4
Designed to develop the theory, knowledge, and skills essential in generalist social work practice. Various methods are offered for developing communication, assessment, planning, intervention, termination, and evaluative skills necessary in social work practice. Focus on skills necessary for practice with individuals, families and groups in a variety of settings.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): SOWK 331, SOWK 332
Prerequisite(s): SOWK 401
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CAS

SOWK 405 - Medical Social Work
Credits: 2
Introduces and develops the skills needed for social work in health care settings: hospitals, hospices, homecare and nursing homes. Skills include case management, discharge planning, medical terminology, documentation, advocacy, understanding cultural diversity, individual and family interviewing, and understanding psychosocial issues related to each setting.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 408 - Introduction to Emergency Preparedness
Credits: 2
Provides an introduction to basic philosophy and concepts of Emergency Preparedness as required by FEMA (Federal Emergency Management Agency) and most states which certify staff. Includes use of FEMA-provided modules in the Professional Development Series which are accepted prerequisites for advanced classroom courses. A passing grade is required on each module for a Satisfactory grade and receipt of a Professional Development Series Certificate of Completion.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 410 - Children and Families at Risk
Credits: 2
This course explores factors that put children and families at risk for various social problems in American society. Special attention is placed on institutions, services, policies, and laws that impact families, set within a historical context of child welfare laws and services.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 415 - Substance Use in American Society
Credits: 2
An overview of substance-use terminology, historical issues, definitions, epidemiology, consequences, and drugs of abuse within an American cultural and historical framework.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
specific techniques are explored.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): SOWK 401 and SOWK 402 or SOWK 501 or permission of instructor.
Schedule Type: Lecture
College Code: CAS

SOWK 444 - International Social Work Services and Programs
Credits: 2–4
Students will travel within the USA and/or abroad to develop thorough immersion cultural competency in the areas of research, policy and practice, and to gain practical experience from an international social work perspective. Additionally, this course will provide students with networking opportunities with various humanitarian organizations working in national and international settings.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: CAS

SOWK 445 - Counseling and Spirituality
Credits: 3
This course provides an introduction to counseling and spirituality. Working from a Christian worldview, students will integrate current therapeutic practice models with a variety of spiritual counseling principles and skills. Students will assess their own spiritual wellness and examine how it impacts their work with clients.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101
Schedule Type: Lecture
College Code: CAS

SOWK 446 - Crisis Intervention
Credits: 2
Survey of brief treatment models. Direct application of various crisis intervention models to population in crisis. Juniors and seniors only.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
College Code: CAS

SOWK 449 - Disaster Response and Emergency Operations
Credits: 2
Study of the phases of disaster response and recovery with attention to local, state, and national roles and expectations. Models of emergency management operations including communication, coordination, and chief executive decision-making under conditions of disaster response will be emphasized. Attention will be given to the problems and concerns of recovery on victims and communities and the implications of disaster recovery efforts. Required course for PEM certification.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BSA426/526. Evidence of satisfactory completion of PDS modules, IS244 Developing and Managing Volunteers, IS546/547 Continuity of Operations, and IS700 National Incident Management System.
Schedule Type: Lecture
College Code: CAS

SOWK 455 - Treatment of Substance Abuse
Credits: 2–4
An overview of treatment techniques and basic prevention strategies including specific training in assessment and therapeutic techniques, examining the relationship between etiology and treatment. Treatment evaluation discussed. At-risk, vulnerable populations receive special consideration.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 460 - Death and Grief in Contemporary Society
Credits: 2
Designed to help the student understand cultural and societal perspectives on death as well as develop an increased awareness and sensitivity to the personal and interpersonal dynamics of death, dying, and loss. The student's personal encounters with dying, death, and loss, as well as the experiences of guest speakers, provides topics for class discussion. The "art of condolence" is discussed for helping people deal with uncomplicated death and loss issues.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 461 - Social Work Research I
Credits: 2
Course includes research tools available to social workers to assist them with the integration of research-based evidence into their practice. Discusses an overview of the research process, theoretical review, ethics, cultural competence, hypothesis and problem formulation, instrument construction and research design. SPSS will be used by students to design a research project addressing a social problem.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): SOWK 220, STAT 285
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

SOWK 462 - Social Work Research II
Credits: 2
Course includes research tools for social workers, including: data collection methods, survey research, data analysis, qualitative research methods and writing research reports. Students will complete a research project addressing a social problem, analyze the data using SPSS, and write a research report.
Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: SOWK 461
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

SOWK 475 - Topics in:________
Credits: 1–4
Students are able to select offerings from various contemporary social-work topics.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CAS

SOWK 477 - Community Assessment and Capacity Mapping
Credits: 2
Introduction to various methods for assessing community needs and mapping community capacity to address those needs. Includes damage assessment for emergency situations.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 478 - Principles & Practice of Hazards Mitigation
Credits: 3
Study of preparedness as related to hazards in the local community with attention to means of mitigation as well as planning measures. Includes IS modules IS271 Anticipating Hazardous Weather & Community Risk and IS340 Hazardous Materials Prevention.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Evidence of satisfactory completion of PDService course. modules IS Intro to Hazardous Materials and IS55 Hazardous Materials Guide for Citizens.
Schedule Type: Lecture
College Code: CAS

SOWK 489 - BSW Professional Seminar
Credits: .5
Introduces and monitors professionalism as evidenced in student’s portfolio, scholarship skills, and their ability to exhibit positive behaviors that will ensure success in social work practice. Fall portfolios presented and graded in the spring.
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Corequisite(s): SOWK 435
Repeatable: Repeatable up to 1 credit
Schedule Type: Seminar
Term Offering: Fall, Spring
College Code: CAS

SOWK 495 - Independent Study/Project/Teachings
Credits: 1–4
Consent of the instructor required.
Grade Mode: Normal w DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable
SOWK 501 - Foundations of Practice I
Credits: 4
Designed to develop the theory, knowledge, and skills essential in generalist social-work practice. Various methods are offered for developing communication, assessment, planning, intervention, termination and evaluative skills necessary in social work practice. Focus on skills necessary for practice with individuals, families and groups in a variety of settings.
Grade Mode: Normal (A-F,I,W)
Corequisite(s): SOWK 510
Prerequisite(s): SOWK 531 or SOWK 532
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

SOWK 502 - Foundations of Practice II
Credits: 4
Designed to develop the theory, knowledge, and skills essential in generalist social-work practice. Various methods are offered for developing communication, assessment, planning, intervention, termination and evaluative skills necessary in social work practice. Focus on skills necessary for practice with individuals, families and groups in a variety of settings.
Grade Mode: Normal (A-F,I,W)
Corequisite(s): SOWK 510
Prerequisite(s): SOWK 501
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CAS

SOWK 505 - Medical Social Work
Credits: 2
Introduces and develops the skills needed for social work in health care settings: hospitals, hospices, homecare and nursing homes. Skills include case management, discharge planning, medical terminology, documentation, advocacy, understanding cultural diversity, individual and family interviewing, and understanding psychosocial issues related to each setting.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 510 - Generalist Field Seminar
Credits: .5
Provides opportunity for students to develop their basic social work skills through integrating social work knowledge and theory into field practice. Several aspects of field will be discussed. Is taken concurrently with the student’s field placement.
Grade Mode: Normal (A-F,I,W)
Corequisite(s): SOWK 501 or SOWK 502
Repeatable: Repeatable up to 1 credit
Schedule Type: Seminar
Term Offering: Fall, Spring
College Code: CAS

SOWK 514 - Children & Families at Risk
Credits: 2
This course explores factors that put children and families at risk for various social problems in American society. Special attention is placed on institutions, services, policies, and laws that impact families, set within a historical context of child welfare laws and services.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 515 - Christian Perspectives on Professional Ethics
Credits: 2
Students will examine their personal beliefs and values in relation to ethical and diversity issues. Students will also apply a professional code of ethics to practice dilemmas they may face in the fields of social work and family life using a Christian theological framework.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

SOWK 516 - Substance Use in American Society
Credits: 2
An overview of substance use terminology, historical issues, definitions, epidemiology, consequences, and drugs of abuse within an American cultural and historical framework.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

SOWK 520 - Web & Media for Not-for-Profit
Credits: 2
This course emphasizes interpersonal competence, various professional standards and use of presentation and archival technologies for use in professional interviews. Electronic Portfolio, Web Development and CDROM Authoring technologies are presented.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 524 - Social Gerontology
Credits: 2
A study of aging and ageism in the United States, including demographic trends, societal attitudes, problems of the elderly, and national policies relating to senior citizens in the cultural context of American society.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Even years
College Code: CAS

SOWK 525 - Emergency Planning
Credits: 2
Principles of emergency planning used in any type of disaster. Includes working with volunteers, handling special events, evacuation, mass fatalities, planning for schools, and homeland security planning. Required course for Michigan Professional Emergency Management (PEM) certification. Includes satisfactory completion of FEMA-provided modules in Professional Development Series.
Grade Mode: Normal (A-F,I,W)
Corequisite(s): SOWK 408
Schedule Type: Lecture
College Code: CAS

SOWK 531 - Human Behavior and the Social Environment I
Credits: 2
Ecological model for studying human behavior and an overview of normal individual development from conception through early childhood. Psycho-social, learning, and social-role theories constitute the theoretical basis for the course. Special attention paid to the impact of gender, health, and minority status upon human development.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

SOWK 532 - Human Behavior and the Social Environment II
Credits: 2
Ecological model for studying human behavior and an overview of normal individual development from middle childhood to late adulthood. Psycho-social, learning, and social-role theories constitute the theoretical basis for the course. Special attention paid to the impact of gender, health, and minority status upon human development.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

SOWK 535 - Generalist Field Experience
Credits: 1-4
In this practicum, students will apply course-based knowledge and skills by working in a social service setting. A minimum of 400 clock hours are required.
Grade Mode: Satisfactory w/DG (S,UJ,I,W,DG)
Corequisite(s): SOWK 510 and SOWK 501 or SOWK 502
SOWK 536 - Generalist Social Work/Theological Field Experience
Credits: 1–4
In this practicum, students will apply course-based knowledge and skills by working in a social service setting. A total of 400 clock hours are required. Cross-listed with CHMM560.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Corequisite(s): SOWK 501, SOWK 530
Repeatable: Repeatable up to 4 credits
Schedule Type: Practicum
College Code: CAS

SOWK 537 - International Social Work
Credits: 2
This course reviews the concepts, issues and organizations related to international social work. It gives students the historical perspective of the involvement of social workers in international action including both development and human rights efforts. The course includes a discussion of international ethics, global policy, and international exchange.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 544 - International Social Work Services and Programs
Credits: 2–4
Students will travel within the USA and/or abroad to develop thorough immersion cultural competency in the areas of research, policy and practice, and to gain practical experience from an international social work perspective. Additionally, this course will provide students with networking opportunities with various humanitarian organizations working in national and international settings.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: CAS

SOWK 545 - Counseling and Spirituality
Credits: 2
This course provides an introduction to counseling and spirituality. Working from a Christian worldview, students will integrate current therapeutic practice models with a variety of spiritual counseling principles and skills. Students will assess their own spiritual wellness and examine how it impacts their work with clients.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MSW student or permission of instructor.
Schedule Type: Lecture
College Code: CAS

SOWK 547 - Understanding Trauma
Credits: 2
Students develop an understanding of the basics of psychological trauma and its impact in the lives of individuals, families and communities. Students will learn to identify various types of trauma, methods to support healing, and how to advocate for trauma recovery in communities and organizations.

Lecture/Lab: Weekly: 1 lecture
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 550 - Social Policy
Credits: 2,3
Develops basic knowledge and skills for policy analysis, formulation and critical challenge within local and international contexts. Examines the determining factors affecting public policy in the United States as compared with other systems. Provides framework for analysis of social problems and policies, as they impact development and social service practice.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

SOWK 559 - Death & Grief in Contemporary Society
Credits: 2
Designed to help the student understand cultural and societal perspectives on death as well as develop an increased awareness and sensitivity to the personal and interpersonal dynamics of death, dying, and loss. The student’s personal encounters with dying, death, and loss, as well as the experiences of guest speakers, provides topics for class discussion. The “art of condolence” is discussed for helping people deal with uncomplicated death and loss issues.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 561 - Social Work Research I
Credits: 2
Course includes research tools available to social workers to assist them with the integration of research-based evidence into their practice. Discusses an overview of the research process, theoretical review, ethics, cultural competence, hypothesis and problem formulation, instrument construction and research design. SPSS will be used by students to design a research project addressing a social problem.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): SOWK 531
Prerequisite(s): SOWK 531
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

SOWK 562 - Social Work Research II
Credits: 2
Course includes research tools for social workers, including: data collection methods, survey research, data analysis, qualitative research methods and writing research reports. Students will complete a research project addressing a social problem, analyze the data using SPSS, and write a research report.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): SOWK 561,SOWK 532
Prerequisite(s): SOWK 561,SOWK 532
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

SOWK 567 - Drugs and Behavior
Credits: 2
An introduction to how drugs affect mood, sensation, consciousness, and other psychological and biological functions. We will look at concepts such as the short and long term effects of use and abuse of drugs, classification, and laws regulating the use of drugs, the relationship of drug use on societal issues, different approaches to drug treatment, as well as debates on controversial topics in the field of drugs.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PSYC 101
Schedule Type: Lecture
College Code: CAS

SOWK 568 - Treatment of Substance Abuse
Credits: 2
An overview of treatment techniques and basic prevention strategies including specific training in assessment and therapeutic techniques, examining the relationship between etiology and treatment. Treatment evaluation discussed. At-risk, vulnerable populations receive special consideration.

Grade Mode: Normal (A-F,I,W)
This course will study fundamental theories and concepts regarding voluntary resource management.

Develops practice skills on an advanced level. The course gives special consideration to developing proficiency in cognitive-behavioral therapy.

Develops interpersonal practice skills on an advanced level. The course gives special consideration to developing proficiency in cognitive-behavioral therapy.

Credits: 2
Introduction to various methods for assessing community needs and mapping community capacity to address those needs. Includes damage assessment for emergency situations.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 577 - Community Assessment and Capacity Mapping
Credits: 2

SOWK 578 - Study Tour
Credits: 0
Travel to selected areas of social work interest combined with lectures, directed readings and assignments. The amount of credit and geographic location are designated at the time a study tour is announced.

Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Blended Learning
College Code: CAS

SOWK 601 - Advanced Practice I
Credits: 3
Develops interpersonal practice skills on an advanced level. The course gives special consideration to developing proficiency in cognitive-behavioral therapy.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): SOWK 610.
Prerequisite(s): Completion of SOWK 502 or admission to Advanced Standing.
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

SOWK 602 - Advanced Practice II
Credits: 2
Develops practice skills on an advanced level. The course gives special consideration to Social Work leadership as it relates to human and financial resource management.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): SOWK 610.
Prerequisite(s): Advanced-year status or permission of instructor.
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

SOWK 605 - Advanced Clinical Assessment
Credits: 3
Advanced assessment theories and research into the causes of mental disorders. Emphasis on developing differential diagnostic skills and holistic assessment from strengths and trauma-informed perspectives.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Advanced-year status or permission of instructor.
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

SOWK 610 - Advanced Field Seminar
Credits: 5
This seminar builds on the student’s generalist foundational knowledge. It is designed to help the student further integrate social work knowledge and theory to field practice. Several aspects of field will be discussed. Is taken concurrently with the student’s field placement.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): SOWK 601 or SOWK 602.
Repeatable: Repeatable
Schedule Type: Seminar
Term Offering: Fall, Spring
College Code: CAS

SOWK 614 - Migrant & Refugee Issues
Credits: 2
This course will study fundamental theories and concepts regarding voluntary migration (migrant issues) and forced migration (refugee issues). It will also address the main political, social, economic and environmental push and pull factors that influence immigration and emigration within the framework of globalization.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 615 - Therapy with Couples and Families
Credits: 2
This course teaches major couple and family therapy modalities with a trauma informed perspective. Research-based techniques are applied through role-play, case studies and other experiential activities that assist the student in working with couples and families using therapeutic skills to conduct therapy.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 620 - School Social Work
Credits: 2
Required for students who wish to practice social work in a school setting. Various aspects of practice included: the students, the community, the school staff, and innovative social-work-practice techniques.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 624 - Evidence-Based Therapies
Credits: 2
This survey course will explore evidence-based practice models that are commonly used in clinical settings. Students will have opportunities to observe and practice these models in a classroom setting in preparation for application in field settings.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 626 - Therapy with Children & Adolescents
Credits: 2
This course prepares students to work with children and adolescents. Information on therapeutic modalities and specific interventions are included. The major psychological disorders in children and adolescents are addressed, as well as special issues they may have.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 628 - Treatment of Adult Mental Disorders
Credits: 2
Examination of common adult mental disorders with focus on primary clinical goals of assessment, diagnosis and treatment. Emphasis placed on cultural and psychosocial context of assessment, diagnosis, and treatment planning. Specific treatment techniques for each diagnosis are explored, including trauma-informed perspectives.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

SOWK 630 - Policy for Social Change
Credits: 3
Students explore theory and apply it to community organizing, coalition building, and advanced-policy analysis; assess existing policies within various systems and study the impact of these policies; and plan and implement a social-action project.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS
This course is designed to enhance students' empathic understanding of the nature of a traumatic experience from the child's perspective, and how traumatic experiences and their aftermath may influence the child's life. This focus on the impact of trauma on the child and family provides a foundation for assessment, intervention planning leading to the provision of effective, individually-tailored services that reflect the client's unique needs and strengths, crisis intervention, and intervention planning leading to the provision of effective, individually-tailored services that reflect the client's unique needs and strengths.
Schedule Type: Lecture
College Code: CAS

**SOWK 670 - Project Continuation**
Credits: 0
Students may register for this title while clearing deferred grade (DG) and/or incomplete (I) classes with advisor approval only. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

**SOWK 675 - Topics in:**
Credits: 1–4
Students are able to select offerings from various contemporary social-work topics.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CAS

**SOWK 689 - Advanced Professional Seminar**
Credits: .5
Facilitates MSW closure prior to graduation. Students prepare and defend their portfolios. Each student reviews and documents his/her learning and personal goal attainment. Exploration of issues related to career development and lifelong learning.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Prerequisite(s): Advanced Standing or permission of instructor.
Repeatable: Repeatable up to 1 credit
Schedule Type: Seminar
Term Offering: Fall, Spring
College Code: CAS

**SOWK 690 - Independent Study/Research**
Credits: 1–3
Open to qualified students who show ability and initiative. See the department policy for specific requirements.

Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Prerequisite(s): Permission of Graduate Program Director and instructor.
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

Mission
The mission of the Department of Sustainable Agriculture at Andrews University is to transform our students as they are educated to:

- Seek Knowledge
  - Learn current, sustainable, practices and procedures in their chosen area of agriculture based on a strong scientific foundation and hands-on experience
- Affirm Faith
  - Realize our sacred, Christian obligation as the caretakers of this planet to preserve and improve it
- Change the World
  - Put the knowledge and experience gained into practice to improve:
    - the production and quality of life of animals and the humans who interact with them
    - the quality of the soil and water in agriculture areas
    - the beauty of living spaces with plants
    - food security for those in need now and for all of us in the future

Programs

Bachelor of Science. The BS degree prepares students for management-level employment in their chosen field. Students may select a minor to complement their intended career.

Associate of Science. The two-year AS degree programs provide students with adequate skills and working knowledge to apply for entry-level positions in their area of specialization.

Certificate. The Horticulture Certificate is designed to be a supplemental credential to equip those who desire to achieve the goals of improving the health of themselves and others through healthy food production and/or beautiful landscape development and maintenance with the knowledge they need. The classroom knowledge is put into practice in laboratories associated with classes as well as in an on-campus internship in the University's gardens, orchards, and greenhouses.

Associates

Agriculture AS

The Associate of Science degree in Agriculture prepares students for entry-level positions in their chosen area of specialization. It also provides a science-based foundation for students who already have significant practical experience. The credits earned in this two-year degree are fully transferrable to the four-year Sustainable Agriculture BS degree at this university.

Total Credits - 62

Major - 30

AGRI 118 - Soil Science Credits: 4
AGRI 270 - Management of Agriculture Enterprises Credits: 3
AGRI 395 - Internship in ___________ Credits: 1–6
HORT 150 - iGrow Credits: 4 *
HORT 205 - Plant Science Credits: 4
HORT 250 - History of Landscape Architecture Credits: 3 *
*Course fulfills ACE requirement

Electives

Agriculture major electives selected in consultation with academic advisor from AGRI, ANSI, and HORT courses to fulfill the remaining credits required.

Student Learning Outcomes

At the end of the program, students should be able to:

- Understand the practices and principles of Agricultural disciplines.
- Manage human, financial and material resources in the fields of Agriculture.
- Demonstrate professionalism: such is punctuality, dependability, respect for supervisors and peers.
- Communicate effectively in written, verbal forms.
- Demonstrate ability to work collaboratively.

Bachelors

Animal Science BS

The Bachelor of Science degree in Animal Science prepares students for management-level employment in an animal-related field or admission to graduate school. Students interested in pursuing a career in veterinary medicine will need to complete additional science classes to meet the prerequisites for veterinary colleges. See "Recommended for Pre-Vet" below for more details.

Total Credits - 124

Major - 45

AGRI 175 - First Year Seminar Credits: 1
AGRI 235 - Sustainable Agriculture Techniques Credits: 0–3 (minimum of two semesters required)
AGRI 270 - Management of Agriculture Enterprises Credits: 3
AGRI 335 - Research Methods Credits: 1
AGRI 394 - Internship & Career Preparation Credits: 1
AGRI 395 - Internship in ___________ Credits: 1–6
AGRI 415 - Senior Seminar Credits: 1
AGRI 450 - Environmental Leadership Credits: 3
AGRI 497 - Capstone In: Credits: 1–10
ANSI 114 - Introduction to Animal Science Credits: 3
ANSI 305 - Animal Nutrition Credits: 3
ANSI 340 - Production/Management of ___________ Credits: 3
ANSI 425 - Issues in Animal Agriculture, Research and Medicine Credits: 3
ANSI 435 - Animal Genetics Credits: 3
ANSI 440 - Animal Reproduction Credits: 3
ANSI 445 - Physiology of Domestic Animals Credits: 4
HORT 250 - History of Landscape Architecture Credits: 3 *
*Course fulfills ACE requirement

Electives

Students select major electives from any AGRI, ANSI, or HORT courses in consultation with their advisor to fulfill the credits remaining to reach the 45 required.

Cognates - 8

BCHM 120 - Introduction to Organic and Biological Chemistry Credits: 4
OR
BCHM 421 - Biochemistry I Credits: 4
BIOL 110 - Principles of Biology Credits: 4
OR
Recommended for Pre-Vet students:

- BIOL 166 - Foundations of Biology Credits: 4,5
- CHEM 130 - General Chemistry I Credits: 4
- CHEM 132 - General Chemistry II Credits: 4
- CHEM 231 - Organic Chemistry I Credits: 3
- CHEM 232 - Organic Chemistry II Credits: 3
- PHYS 141 - General Physics I Credits: 4
- PHYS 142 - General Physics II Credits: 4

**Student Learning Outcomes**

At the end of the program, students should be able to:

- Understand the practices and principles of agricultural disciplines.
- Manage human, financial and material resources in the fields of agriculture.
- Demonstrate professionalism, such as punctuality, dependability, respect for supervisors and peers.
- Communicate effectively in written and verbal forms.
- Demonstrate ability to work collaboratively.

**Sustainable Horticulture BS**

The Bachelor of Science degree in Sustainable Horticulture is a professional degree for students looking for a future in management or supervision. All concentrations are based in the domesticated plant profession with uses in food systems, environmental design and systems planning. After a core of plant and natural sciences, history and development, the degree moves into three concentrations: International Agricultural Development, Agribusiness, and Landscape and Environmental Design.

**Agribusiness Concentration:** This concentration prepares professionals for a sales position or large farm/production management role. Additionally, because of the business component of this degree, it is an easy blend into Andrews University’s MBA program. The elective portion is widely flexible to allow focus on a specific area of interest: crops, greenhouse production, horticulture, or another area of agricultural sciences.

**International Agriculture Development Concentration:** This concentration is designed to provide students with knowledge, skill and experience to prepare them for entry-level positions in agriculture or international development. Additionally, students who complete this concentration and suggested electives will be eligible to enter the Master of Science in Community & International Development program at Andrews University. Students are required to participate in a domestic as well as an international internship so that the experience of other cultures is embedded in the program. Job opportunities are numerous with NGO’s, domestic and international governments, and the mission field.

**Landscape and Environmental Design Concentration:** This concentration is built to equip students with an extensive knowledge base in ornamental horticulture and environmental design. Ecology, botany, and art are combined in this degree to equip students to work in the ever-growing "green industry," joining creative professionals who like nature and working with it. Graduates of this degree are ready for immediate employment.

**Total Credits - 124**

**Major - 66**

**Core - 36**

- AGRI 118 - Soil Science Credits: 4
- AGRI 175 - First Year Seminar Credits: 1
- AGRI 235 - Sustainable Agriculture Techniques Credits: 0–3 (Minimum of two semesters required)
- AGRI 270 - Management of Agriculture Enterprises Credits: 3
- AGRI 335 - Research Methods Credits: 1
- AGRI 394 - Internship & Career Preparation Credits: 1
- 2 credits of AGRI 395 - Internship in Credits: 1–6
- AGRI 415 - Senior Seminar Credits: 1
- AGRI 450 - Environmental Leadership Credits: 3
- 4 credits of AGRI 497 - Capstone in Credits: 1–10
- HORT 150 - iGrow Credits: 4
- HORT 205 - Plant Science Credits: 4
- HORT 226 - Plant Systematics & ID Credits: 3
- HORT 250 - History of Landscape Architecture Credits: 3

Complete one of the concentrations below or select 30 elective credits from ANSI, AGRI, or HORT in consultation with advisor to complete the 64 credits required in the major.

**Concentration - 30**

Students must choose one of the following concentrations.

**Agribusiness**

- ACCT 205 - Accounting for Decision Making and Control Credits: 3
- BSAD 210 - Small Business Management Credits: 3
- BSAD 341 - Business Law Credits: 3
- BSAD 355 - Principles of Management Credits: 3
- FNCE 317 - Business Finance Credits: 3
- MKTG 310 - Principles of Marketing Credits: 3

**Choose 12 credits from the following courses in consultation with advisor:**

- AGRI 137 - Practicum in Credits: 1–6
- AGRI 240 - Fundamentals of Irrigation Credits: 3
- AGRI 308 - Principles of Weed Control Credits: 3
- AGRI 345 - Topics in Credits: 1–4
- AGRI 440 - Topics in Credits: 1–4
- AGRI 467 - Concepts of International Agriculture Credits: 3
- AGRI 468 - International Agricultural Implementation Credits: 3
- ANSI 114 - Introduction to Animal Science Credits: 3
- ANSI 305 - Animal Nutrition Credits: 3
- ANSI 340 - Production/Management of Credits: 3
- BIOL 459 - Entomology Credits: 3
- HORT 236 - Landscape Drafting and Graphics Credits: 4
- HORT 230 - Propagation of Horticultural Plants Credits: 3

**International Agriculture Development**

- ACCT 205 - Accounting for Decision Making and Control Credits: 3
- 2 credits of AGRI 498 - International Internship in Credits: 1–6
- ANSI 114 - Introduction to Animal Science Credits: 3
- BHSC 225 - Global Social Issues Credits: 3
- SOCI 421 - Development Theory & Practice Credits: 3
- SOCI 431 - Needs Assessment and Capacity Mapping Credits: 3

**Choose 13 credits from the following courses in consultation with advisor:**

- AGRI 240 - Fundamentals of Irrigation Credits: 3
- AGRI 308 - Principles of Weed Control Credits: 3
- AGRI 345 - Topics in Credits: 1–4
- AGRI 440 - Topics in Credits: 1–4
- AGRI 467 - Concepts of International Agriculture Credits: 3
- AGRI 468 - International Agricultural Implementation Credits: 3
- ANSI 305 - Animal Nutrition Credits: 3
- ANSI 340 - Production/Management of Credits: 3
- BIOL 459 - Entomology Credits: 3
- BHSC 230 - Research Methods I: Statistics for the Behavioral Sciences Credits: 3
- HORT 236 - Landscape Drafting and Graphics Credits: 4
- HORT 320 - Propagation of Horticultural Plants Credits: 3
- HORT 365 - Urban Landscape Design Credits: 3
- SOCI 350 - Social Policy Credits: 2
- SOCI 408 - Emergency Preparedness Credits: 2
- SOCI 432 - Research Methods II: Introduction Credits: 3

*Required electives for placement in MSCID.

**Landscape and Environmental Design**

- HORT 236 - Landscape Drafting and Graphics Credits: 4
- HORT 315 - Landscape Structures and Materials Credits: 3
- HORT 337 - Fundamentals of Landscape Design Credits: 4
- HORT 441 - Advanced Landscape Graphics Credits: 4
- HORT 442 - Advanced Site Design Credits: 4

**Choose 11 credits from the following courses in consultation with advisor:**

- AGRI 137 - Practicum in Credits: 1–6
- AGRI 240 - Fundamentals of Irrigation Credits: 3
- AGRI 308 - Principles of Weed Control Credits: 3
- ARCH 126 - Drawing and Graphics Studio Credits: 3
- ARCH 150 - Introduction to Architecture and Design Credits: 3
- ART 104 - Drawing I Credits: 3
- ART 200 - Color Theory and Use Credits: 3
- BIOL 208 - Environmental Science Credits: 4
Cognate
Cognate required for the following concentrations: Agribusiness; International Agriculture Development
ECON 208 - Principles of Economics Credits: 3

Student Learning Outcomes
Graduates of this program will:
• Understand the practices and principles of sustainable horticulture.
• Manage human, financial, and material resources in the field of horticulture.
• Demonstrate professionalism in the profession (punctuality, dependability, respect for supervisors and peers, etc.).
• Communicate effectively in written and verbal forms.
• Demonstrate ability to work collaboratively.

Undergraduate Minors
Agriculture Minor
The Agriculture minor is designed to provide a foundation in the study of Agriculture as well as electives allowing students to emphasize areas of study relevant to their interests or career preparation. This program of study serves a wide variety of career goals and is complimentary to the content of other majors.

Total Credits - 20
Selected from AGRI, ANSI or HORT courses in consultation with advisor.

Student Learning Outcomes
At the end of the program, students should be able to:
• Understand the practices and principles of Agricultural disciplines.
• Manage human, financial and material resources in the fields of Agriculture.
• Demonstrate professionalism: such is punctuality, dependability, respect for supervisors and peers.
• Communicate effectively in written, verbal forms.
• Demonstrate ability to work collaboratively.

Pre-Professional
Pre-Professional Program in Veterinary Medicine
Katherine Koudele, Coordinator
269-471-6299
Smith Hall 109

Entrance requirements vary among veterinary medical colleges. Students should check the websites of their choice for the most current requirements. Accredited veterinary schools are listed on the website of the American Veterinary Medical Association (www.avma.org). Students, in consultation with their departmental advisor, can develop individualized programs to meet the entrance requirements for their preferred veterinary schools.

Certificates
Horticulture Certificate
The Horticulture Certificate is a supplemental credential for currently enrolled students. It is designed to equip those who desire to improve their own health and that of others through healthy food production and/or beautiful landscape development and maintenance with the knowledge they need. The classroom knowledge is put into practice in laboratories associated with classes as well as in an on-campus internship in the University gardens, orchards, and greenhouses.

Total Credits - 14
AGRI 170 - Management of Agriculture Enterprises Credits: 3
1 Credit of AGRI 395 - Internship in _________ Credits: 1–6 (on campus)
HORT 150 - iGrow Credits: 4
HORT 250 - History of Landscape Architecture Credits: 3

Electives - 3
Horticulture credits selected in consultation with an advisor from AGRI, ANSI, or HORT courses to fulfill the remaining 3 credits required.

Student Learning Outcomes
At the end of the program, students should be able to:
• Have a basic understanding of the practices and principles of Agricultural disciplines.
• Demonstrate professionalism: such is punctuality, dependability, respect for supervisors and peers.
• Communicate effectively in written, verbal forms.
• Demonstrate ability to work collaboratively.

Agriculture
AGRI 118 - Soil Science
Credits: 4
Factors affecting soil formation, soil texture, particle size, pore space and their impact on soil air/water relations, and chemical characteristics of soils, including pH, ion exchange, and maintenance of soil fertility.

AGRI 137 - Practicum in______
Credits: 1–6
Fifty hours per credit of supervised practical experience in one area of concentration. May be repeated in different areas for a maximum of 6 credits. Topics to be chosen in consultation with an advisor.

AGRI 175 - First Year Seminar
Credits: 1
This course is an orientation to the diverse field of agriculture. It covers the departmental expectations, goal setting for senior year, internship and project possibilities, and senior portfolio development. Also covered are department/university resources designed to help students be successful in college and in preparation for their eventual career.

Grade Mode: Normal w S/DG (A-F,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Practicum
Term Offering: Fall, Spring
College Code: CAS

AGRI 183 - Agricultural Economics
Credits: 3
The study of the social variables and factors that affect the economy of agriculture, including agricultural marketing, supply and demand, income distribution, and public policies that affect agriculture. This course is an orientation to the diverse field of agriculture. It covers the departmental expectations, goal setting for senior year, internship and project possibilities, and senior portfolio development. Also covered are department/university resources designed to help students be successful in college and in preparation for their eventual career.

Grade Mode: Normal w S/DG (A-F,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Practicum
Term Offering: Fall, Spring
College Code: CAS
AGRI 235 - Sustainable Agriculture Techniques
Credits: 0–3
This course focuses on producing plants and animals without harming the environment. This includes techniques and methods that protect the environment, public health, human communities, and animal welfare while producing food fiber, plant and animal products. Two semesters are required for all students in the Department. Not to be combined with capstone or research. Work to be completed at the Agriculture Education Center. Each semester's contents planned in consultation with adviser.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 8 credits with different topics
Schedule Type: Independent
College Code: CAS

AGRI 240 - Fundamentals of Irrigation
Credits: 3
Design, installation, drawing, interpretation and maintenance of plastic or metal irrigation systems and control devices for proper sprinkler coverage.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
Term Offering: Fall
College Code: CAS

AGRI 270 - Management of Agriculture Enterprises
Credits: 3
An introduction to acquiring and analysis of management information for decision making; an understanding of basic economic principles that impact biological production systems and implementation of the principles for total quality management for increased productivity.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
Term Offering: Fall
College Code: CAS

AGRI 285 - Undergraduate Research
Credits: 0–3
Students will either assist a faculty member in an ongoing research project or develop a project of their own with the help and approval of the faculty member in their areas of interest or study. This course is for students who are beginning to establish their knowledge of Agriculture, Horticulture or Animal Science at the college level.

Lecture/Lab: Weekly: a minimum of 4 hours of work per credit
Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable up to 3 credits
Schedule Type: Independent
Special Approval: Instructor permission required.
Term Offering: Fall, Spring
College Code: CAS

AGRI 304 - Forage Crop Production
Credits: 3
Basic principles of forage crop production, emphasizing choice of crop, establishment, growth, maintenance, harvesting, storage and feeding.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

AGRI 308 - Principles of Weed Control
Credits: 3
Control of weeds in horticultural and field crops, utilizing biological, cultural, mechanical, and chemical practices. Class study also involves preparation and testing for pesticide applicator's license.

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Lecture/Lab
Year Offering: Alternate years
College Code: CAS

AGRI 330 - Economic Botany
Credits: 3
This class explores the botany of commercial crops worldwide including: importance, distribution, economic adaptation, and botany of leading farm crops, emphasizing rotation, seedbed preparation, and economic production. Production and management of commercial vegetable crops; includes planting, cultural care, harvesting and post-harvesting procedures and marketing.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

AGRI 335 - Research Methods
Credits: 1
A preparation for a successful project in Agriculture related fields, that has been explored and practiced: this includes learning how to ask a good research question, conduct a literature review, develop appropriate research methodology, find resources to fund research, and properly present project results.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

AGRI 345 - Topics in ________
Credits: 1–4
A class based on selected topics of current interest in agriculture.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CAS

AGRI 390 - Agriculture Study Tour
Credits: 0
Travel to destinations relevant to individual programs of study. Classes will be selected from department offerings. Fee may be required.

Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Blended Learning
College Code: CAS

AGRI 394 - Internship & Career Preparation
Credits: 1
An exploration of job possibilities in each student's area of study. Includes: job searching, expectation development, opportunity evaluation and professional communication skills. To be taken in tandem with first semester of AGRI 395.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: AGRI 395 or AGRI 498
Schedule Type: Practicum
Term Offering: Spring
College Code: CAS

AGRI 395 - Internship in ________
Credits: 1–6
Supervised internship of on-the-job work experience in some field of agriculture under the direction of the employer and evaluated by a departmental faculty member. Students submit a report of their experience and must complete a minimum of 120 hours of work experience for each credit earned.

Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Practicum
College Code: CAS

AGRI 415 - Senior Seminar
Credits: 1
A synthesis course required of all bachelor degree students, in which each student assembles a portfolio, conducts career research and prepares for job or graduate school interviews.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Seminar
Term Offering: Fall
College Code: CAS
AGRI 440 - Topics in ________
Credits: 1–4
A class based on selected topics of current interest in agriculture.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CAS

AGRI 450 - Environmental Leadership
Credits: 3
The study of an individual’s leadership role within environmental complexities. This class will integrate current leadership theory with disciplines steeped in our natural environment. Animal scientists, agriculturalists, landscape architects are some of our first responders to environmental issues on this earth. This class will explore many of those environmental issues while developing better leadership understanding and one’s own leadership ideology.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CAS

AGRI 467 - Concepts of International Agriculture
Credits: 3
A study of the relative significance of the role of external institutions and agency, financial programs for agricultural development, human resource development and agricultural education as a means of fostering worldwide agricultural development to counter-balance the threat to global food security and to overcome food deficits.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

AGRI 468 - International Agricultural Implementation
Credits: 3
The application of scientific agricultural principles of food production, utilizing cultural practices based on appropriate agricultural technologies that support a philosophy of sustainability for future generations.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

AGRI 497 - Capstone In:
Credits: 1–10
A capstone class to combine and apply a student’s learning and acquired skill-set to specific research, program development or design demands. This class will result in publishable quality artifacts used in senior portfolio development, and should consist of one sizable project in the senior’s area of expertise. Planned to progress into Spring semester as AGRI 499, for a full year experience. To be taken in the Fall of the senior year.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Repeatable: Repeatable up to 10 credits
Schedule Type: Independent
College Code: CAS

AGRI 498 - International Internship in__________
Credits: 1–6
Supervised internship of on-the-job international work experience in agriculture/horticulture. Students submit a report of their experience to be evaluated by a departmental faculty member and must complete 120 hours of work experience for each credit earned.

Grade Mode: Normal w S/DG (A-F,I,S, U,DG,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Practicum
College Code: CAS

AGRI 499 - Project in ________
Credits: 1–6
Individual research in some field of agriculture under the direction of the faculty.

Grade Mode: Normal w S/DG (A-F,I,S, U,DG,W)
Repeatable: Repeatable up to 10 credits

Schedule Type: Independent
College Code: CAS

AGRI 540 - Topics in:
Credits: 1–6
Students are able to select offerings from various contemporary Agriculture topics.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CAS

Animal Science

ANSI 114 - Introduction to Animal Science
Credits: 3
Farm animal anatomy, reproductive and digestive physiology, nutrition, genetics, housing, health management and production of animal products.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Fall
College Code: CAS

ANSI 125 - Animal Handling Methods
Credits: 3
Principles and practices of handling animals including proper catching, restraint, examination, injections, tagging, grooming and hoof/nail trimming.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab
Year Offering: Alternate years
Term Offering: Fall
College Code: CAS

ANSI 150 - Companion Animal Care
Credits: 3
Principles and practices on how to choose the right pet, keep it healthy, pet grooming, training and correcting behavioral problems. Animal species covered are dogs, cats, small caged pets, birds, fish, reptiles and amphibians.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
Term Offering: Fall
College Code: CAS

ANSI 305 - Animal Nutrition
Credits: 3
Principles of feed chemistry and nutrient utilization, digestive tract anatomy and physiology including digestion, absorption, metabolism of feeds by domestic species, nutrition related diseases/deficiencies, ration formulation and feeding management.

Grade Mode: Normal (A-F,I,W)
Recommended: CHEM 131 or higher.
Schedule Type: Lecture, Lab
Year Offering: Alternate years
Term Offering: Fall
College Code: CAS

ANSI 325 - Domestic Animal Behavior
Credits: 3
Physiological basis for each type of behavior and its development, communication methods, normal and aberrant behavior in each domestic animal species as well as treatments for problem situations.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years

Course/Lab Fee: Yes
Term Offering: Fall  
College Code: CAS  
ANSI 340 - Production/Management of _________  
Credits: 3  
Production methods and management practices of domesticated livestock species including nutrition, reproduction, housing, health and specialized care of a particular species. Course is repeatable for study of dairy cattle, equine, poultry and small livestock.  
Lecture/Lab: Weekly: 2 lectures and 1 lab  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Repeatable: Repeatable  
Schedule Type: Lecture, Lab, Lecture/Lab  
Term Offering: Fall, Spring  
College Code: CAS  
ANSI 379 - Small Animal Health and Disease  
Credits: 3  
Proper handling and care, nutritional needs, and common health problems of companion animals such as dogs, cats, birds, pocket pets, reptiles.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
Year Offering: Alternate years  
Term Offering: Fall  
College Code: CAS  
ANSI 389 - Livestock Health and Disease  
Credits: 3  
Principles and practice of physical examination of various species of livestock, the causes, prevention, and treatment of infectious and metabolic diseases by system.  
Lecture/Lab: Weekly: one 2-hour lecture and one 3-hour lab  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture, Lab  
Year Offering: Alternate years  
Term Offering: Fall  
College Code: CAS  
ANSI 420 - Canine Gross Anatomy  
Credits: 4  
Study of macroscopic skeleton, muscles, internal organs, blood vessels and nerves using preserved, latex-injected specimens. Comparisons made with the live dog through palpation.  
Lecture/Lab: Weekly: 2 lectures and two 3-hour labs  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Recommended: BIOL 166  
Schedule Type: Lecture, Lab, Lecture/Lab  
Year Offering: Alternate years  
Term Offering: Fall  
College Code: CAS  
ANSI 425 - Issues in Animal Agriculture, Research and Medicine  
Credits: 3  
Study of the ethical issues that challenge animal researchers, producers, caretakers, and veterinarians to treat and raise animals humanely yet effectively.  
Course/Lab Fee: Yes  
Course Attribute: Service Course  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
Term Offering: Spring  
College Code: CAS  
ANSI 430 - Lactation Physiology  
Credits: 3  
Anatomy and physiology of the udder, milk secretion, disease prevention and treatment, milking management and milking systems.  
Lecture/Lab: Weekly: 2 lectures and 1 lab  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Recommended: BIOL 166  
Schedule Type: Lecture/Lab  
Term Offering: Spring  
College Code: CAS  
ANSI 435 - Animal Genetics  
Credits: 3  
Basic genetics principles, cytogenetics, immunogenetics, population genetics and quantitative genetics, biotechnology, gene mapping and the use of molecular tools to research inherited disorders using examples of veterinary medicine.  
Grade Mode: Normal (A-F,I,W)  
Recommended: BIOL 166  
Schedule Type: Lecture  
Term Offering: Spring  
College Code: CAS  
ANSI 440 - Animal Reproduction  
Credits: 3  
Anatomy and physiology of farm animal reproduction including the cellular and endocrine components as well as management aspects.  
Lecture/Lab: Weekly: 2 lectures and 1 lab  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture/Lab  
Term Offering: Spring  
College Code: CAS  
ANSI 445 - Physiology of Domestic Animals  
Credits: 4  
Physiology of digestive, cardiovascular, pulmonary, excretory, nervous and skeletomuscular systems in domesticated ruminants and monogastrics.  
Lecture/Lab: Weekly: 3 lectures and a 3-hour lab  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture/Lab  
Year Offering: Alternate years  
Term Offering: Fall  
College Code: CAS  
ANSI 450 - Equine Exercise Anatomy & Physiology  
Credits: 3  
The anatomy and physiology of the limbs (shoulder and pelvic girdles, legs, feet) as well as the respiratory tract, all of which are vital to a horse's usefulness.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
Term Offering: Spring  
College Code: CAS  
ANSI 455 - Equine Health and Disease  
Credits: 3  
Topics covered in depth are: the causes of infectious (e.g. tetanus, strangles) and non-infectious (e.g. laminitis, colic, injury), diseases of horses, their prevention, diagnosis and treatment.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
Year Offering: Alternate years  
Term Offering: Fall  
College Code: CAS  
ANSI 540 - Topics in _________  
Credits: 1–6  
Students are able to select offerings from various contemporary animal science topics.  
Grade Mode: Normal (A-F,I,W)  
Repeatable: Repeatable with different topics  
Schedule Type: Lecture  
Term Offering: Spring  
College Code: CAS
Introduces and develops proficiency in technical drafting for landscape design requirements of the nonwoody plants providing color and ground cover in the northern temperate zone. Identification and recognition of shape, size, color, texture, and environmental requirements and the landscape value of native local flora. Ethnobotany explores both hardscape and softscape principles. Class integrates the design process in drawing plans of all sizes.

**Course/Lab Fee**: Yes  
**Course Attribute**: Life Science  
**Grade Mode**: Normal (A-F,I,W)  
**Schedule Type**: Lecture/Lab, Interactive Online  
**College Code**: CAS

### HORT 205 - Plant Science

Credits: 4  
Introduces students to the requirements of plant growth and development. Understanding of these processes is gained by studying topics such as plant cells, tissue, and organ structure; photosynthesis, cellular respiration, plant reproduction, including flowering, fruit development, seed set, the role of hormones, and plant nutrition.

**Lecture/Lab**: Weekly: 3 lectures and a 3-hour lab  
**Course/Lab Fee**: Yes  
**Grade Mode**: Normal (A-F,I,W)  
**Schedule Type**: Lecture/Lab  
**Year Offering**: Alternate years  
**Term Offering**: Fall  
**College Code**: CAS

### HORT 226 - Plant Systematics & ID

Credits: 3  
Plant systematics, keying native plants & plant morphology. The identification and recognition of local woody and herbaceous species. Focus on identification, environmental requirements, domestic and native value, common names and preservation. Class introduces botanical principles and mastering a broad range of local flora.

**Grade Mode**: Normal (A-F,I,W)  
**Schedule Type**: Lecture  
**Term Offering**: Fall  
**College Code**: CAS

### HORT 227 - Woody Plant Identification II

Credits: 3  
Introduction to the identification and recognition of the deciduous, evergreen and broad-leaved evergreen shrubs and vines of the northern. Focus will be on shape, color, size, texture, environmental requirements and the landscape value of native and cultivated shrubs and vines of the northern temperate zone.

**Grade Mode**: Normal (A-F,I,W)  
**Schedule Type**: Lecture  
**Term Offering**: Spring  
**College Code**: CAS

### HORT 228 - Herbaceous Plant Identification

Credits: 3  
Identification and recognition of shape, size, color, texture, and environmental requirements of the nonwoody plants providing color and ground cover in the landscape.

**Grade Mode**: Normal (A-F,I,W)  
**Schedule Type**: Lecture  
**Year Offering**: Alternate years  
**Term Offering**: Fall  
**College Code**: CAS

### HORT 236 - Landscape Drafting and Graphics

Credits: 4  
Introduces and develops proficiency in technical drafting for landscape design including symbols, 2-D and 3-D drawings, sections and elevations, titles blocks, legends and plan organizations. Studio puts graphics to work with a broad range of landscape projects represented. Introduces students to the residential design process and uses live projects to practice skills.

**Course/Lab Fee**: Yes  
**Course Attribute**: Life Science  
**Grade Mode**: Normal (A-F,I,W)  
**Schedule Type**: Lecture/Lab  
**College Code**: CAS

### HORT 250 - History of Landscape Architecture

Credits: 3  
A study of landscape history throughout civilization and its impact upon society and the environment. Course will look at the origin of landscape architectural styles and characteristics, and explore the influence of historical landscape design personalities upon the American landscape.

**Course Attribute**: Art History course  
**Grade Mode**: Normal (A-F,I,W)  
**Schedule Type**: Lecture, Interactive Online  
**Term Offering**: Spring  
**College Code**: CAS

### HORT 315 - Landscape Structures and Materials

Credits: 3  
Course combines lecture, drawing and hands-on labs covering an array of hardscape materials including retaining walls, decks and arbors, patios, fencing, edging, pools and more.

**Lecture/Lab**: Weekly: 2 lectures and a 3-hour lab  
**Course/Lab Fee**: Yes  
**Grade Mode**: Normal (A-F,I,W)  
**Schedule Type**: Lecture/Lab  
**Year Offering**: Alternate Years  
**College Code**: CAS

### HORT 320 - Propagation of Horticultural Plants

Credits: 3  
Intended to acquaint students with the processes of sexual and asexual reproduction, especially as it applies to the horticultural industry. Asexual reproduction investigates methods of clonal reproduction utilizing non-flowering plant parts such as cutting, grafting, layering, and micro propagation (tissue culture).

**Lecture/Lab**: Weekly: 2 lectures and a 3-hour lab  
**Course/Lab Fee**: Yes  
**Grade Mode**: Normal (A-F,I,W)  
**Schedule Type**: Lecture/Lab  
**Recommends**: HORT 150 or HORT 205  
**Term Offering**: Spring  
**College Code**: CAS

### HORT 337 - Fundamentals of Landscape Design

Credits: 4  
Introduces and develops the principles of design, design theory, site analysis, functional diagramming, circulation, spatial planes and design schematics. Course will explore both hardscape and softscape principles. Class integrates the design process in drawing plans of all sizes.

**Course/Lab Fee**: Yes  
**Grade Mode**: Normal (A-F,I,W)  
**Recommended**: HORT 136  
**Schedule Type**: Studio  
**Term Offering**: Spring  
**College Code**: CAS

### HORT 340 - Land Surveying

Credits: 2  
Course introduces the principles of land surveying such as measurements of distance, elevation and angles, instrumentation and mapping, and GIS.

**Lecture/Lab**: Weekly: 1 lecture and a 2-hour lab  
**Course/Lab Fee**: Yes  
**Grade Mode**: Normal (A-F,I,W)  
**Schedule Type**: Lecture/Lab  
**Term Offering**: Fall  
**College Code**: CAS

### HORT 360 - Arboriculture

Credits: 3  
Care of shade and ornamental trees living under environmental stress of urbanization, their legal protection and value. Includes tree anatomy and physiology, soils, nutrition and water relationships, transplanting, disease and insect control, mechanical injury and pruning to develop a healthy tree.
HORT 365 - Urban Landscape Design
Credits: 3
Designing landscapes to meet the environmental challenges and conditions of urban spaces. Circulation patterns for conducting business, aesthetic and functional aspects of design for corporate/institutional, governmental agencies and municipal areas.

HORT 369 - Greenhouse Environment and Production
Credits: 3
Concepts and principles of commercial plant production in the greenhouse environment. Topics include structure and environment of the greenhouse, production of bedding and potting plants and cut flowers.

HORT 375 - Landscape Estimating
Credits: 3
An introduction to the estimating process for landscape design, construction and maintenance work. Various schedules and forms are used to assign costs of equipment, plants, hardscape materials, labor and overhead. The many variables from project to project are explored and then formulas are applied to arrive at making landscape installations an efficient and profitable business.

HORT 378 - Integrated Insect/Disease Management
Credits: 4
Study of significant diseases and insects of agricultural and horticultural plant materials, including life cycles and influence of environmental conditions; determination of effective control methods for crop, ornamental and turfgrass production.

HORT 429 - Computer Landscape Design
Credits: 3
Principles and practices of computer-aided landscape design, including creating scale perimeter plot plans, using drawing tools, plant/site relationships, and graphic imaging leading to a computer-generated landscape drawing. Studio emphasizes skill development and proficiency in integrating software and hardware to create CAD-generated landscape designs. Prior landscape drawing course work is recommended.

HORT 441 - Advanced Landscape Graphics
Credits: 4
Advanced exploration and application of graphics applying to all aspects of landscape architecture. Working in multiple environments and media. Work will include plan view, 2D and 3D hand graphics. Products will be professional quality presentations including both artistic and verbal communication skills.

HORT 442 - Advanced Site Design
Credits: 4
Landscape Architecture concepts relating to the challenging problems of design. Field application through live projects encompassing all aspects of landscape architecture and presentation. This class is focused on synthesizing significant previous class work and applying it to a real customer setting.

HORT 540 - Topics in:
Credits: 1–6
Students are able to select offerings from various contemporary Horticulture topics.

HORT 411 - Advanced Landscape Graphics
Credits: 4
Advanced exploration and application of graphics applying to all aspects of landscape architecture. Working in multiple environments and media. Work will include plan view, 2D and 3D hand graphics. Products will be professional quality presentations including both artistic and verbal communication skills.

HORT 444 - Advanced Site Design
Credits: 4
Landscape Architecture concepts relating to the challenging problems of design. Field application through live projects encompassing all aspects of landscape architecture and presentation. This class is focused on synthesizing significant previous class work and applying it to a real customer setting.

HORT 540 - Topics in:
Credits: 1–6
Students are able to select offerings from various contemporary Horticulture topics.

HORT 429 - Computer Landscape Design
Credits: 3
Principles and practices of computer-aided landscape design, including creating scale perimeter plot plans, using drawing tools, plant/site relationships, and graphic imaging leading to a computer-generated landscape drawing. Studio emphasizes skill development and proficiency in integrating software and hardware to create CAD-generated landscape designs. Prior landscape drawing course work is recommended.
Undergraduate Leadership Program

Campus Center, Main Floor
269-471-6681
ulead@andrews.edu
www.andrews.edu/ulead

Why an Undergraduate Leadership Program?

Society often encourages us to think of leadership as reserved for people with charismatic personalities or those in high-profile positions. Many would argue that effective leaders are born rather than made, and that those who lack the stereotyped traits associated with leadership must settle to be followers. Andrews University rejects the notion that leadership is only for the few. We define "leadership" as individualized, intentional influence, believing that a well-trained leader will be better able to affect meaningful change regardless of their career path.

The question is not whether Andrews students are leaders. They are. The question is whether or not they are maximizing their natural leadership potential. While leadership growth is a lifelong process—one that will obviously continue beyond the undergraduate college years—participation in the Leadership Program provides a vital grounding in leadership thinking and practice that places graduates ahead of their peers in terms of self-knowledge, creativity, positive change, interpersonal communication, teamwork, engaged citizenship and many other traits.

Program participants may pursue any of three tracks in approaching their leadership development, depending on what works best for the individual. Some may wish to take advantage of an individual course, created especially for those seeking a single game-changing elective. Those students who would like a more in-depth leadership experience can opt for the Undergraduate Leadership Certificate. The certificate embeds in their current academic program, allowing for maximum flexibility. Still others will want to pursue the most complete opportunity by completing the Leadership Minor. Any Andrews' student should be able to take part in this program without adjusting the course of study for their major.

Undergraduate Leadership Courses

Fundamentals of Leadership is a course that helps students to develop and present their leadership portfolio, an experience that includes a reflection process describing personal growth and increasing theoretical understanding, as well as a focus on preparing students to present their skills to future employers.

Creative Problem Solving seeks to dive deeply into the creative and critical thinking process that should prepare students to address new and emerging issues in the world around them.

Theories of Leadership provides students with an understanding of the leadership points of view swirling around them. It will help decode the conversation and actions of others who may use similar language while intending different things. Finally, this course will facilitate the student's personalized construction of a practicable theory of leadership.

Introduction to Coaching gives the student theory and practice in impacting those around them to become a better version of themselves. Participants in this class will acquire the coveted skills allowing them to move into groups or teams and increase the performance and engagement of others.

Leadership Practicum (0 credits, required every semester a student is enrolled in the certificate/minor program) helps students learn how to navigate their college experience from a leadership perspective with the help of one-on-one coaching. They will engage with a mentor, expand their knowledge base of leadership, and develop a growth plan designed to help them lead self, others, and organizations.

Leadership Capstone is a course that helps students to develop and present their leadership portfolio, an experience that includes a reflection process describing personal growth and increasing theoretical understanding, as well as a focus on preparing students to present their skills to future employers.

Change Project allows students to identify needed change, create a plan, attempt the change and study the resulting relationships and processes required to become a change agent.

Diversity & Inclusion in Leadership will equip students with the tools to manage intercultural conflict, identify and utilize inclusive language, and explore the relationship among diversity, inclusion and the gospel. Emphasis will be given to learning the strategies needed for effective, inclusive leadership in diverse settings, giving special consideration to conversations around religion, gender, orientation, ability, and race/culture.

Undergraduate Minors

Leadership Minor

The leadership minor readies young leaders to positively impact teams, organizations, and movements. The leadership minor builds on the leadership certificate by diving deeper into the mechanics of leadership, learning to listen well and ask good questions, and creatively addressing complex problems within a team.

The leadership minor can be completed in 20 to 21 credit hours. The minor adds three courses to the foundation of the leadership certificate. As in the certificate, LEAD 101 is offered for 2 or 3 credits to give students flexibility in their schedule, as well as allowing 3 credit students to delve into strengths identification, an integral component of the leadership program curriculum.

Total Credits - 20-21

2-3 Credits of LEAD 101 - Fundamentals of Leadership Credits: 2, 3
or
2-3 Credits of LEAD 301 - Leadership and Mentoring Credits: 2, 3

LEAD 200 - Leadership Practicum Credits: 0 *
LEAD 220 - Creative Problem Solving Credits: 3
LEAD 310 - Theories of Leadership Credits: 3
LEAD 320 - Introduction to Coaching Credits: 3
LEAD 496 - Leadership Capstone Credits: 1

2 Credits of LEAD 498 - Leadership Change Project Credits: 1–3

Leadership Electives - 6

Choose 6 credits of electives, which may include Diversity & Inclusion in Leadership, Creative Problem Solving, Theories of Leadership, Introduction to Coaching or other chosen electives from a list of approved cognates. The student must provide justification for its inclusion in their leadership certificate/minor.

*Note: LEAD 200 is required every semester in the program (after completion of LEAD 101 or LEAD 301).

Maintaining Academic Standing

The following standards are required for successful completion of the certificate program or minor.

Academic Standards:

- Earn a minimum overall 2.25 GPA.
- Earn a minimum 2.5 GPA in certificate or minor program coursework.
- No course with a grade below C may count toward the certificate or minor program coursework.

Citizenship Standards:

Program participants placed on suspension or Student Life probation in either of the following categories may be removed from the program:

- Citizenship Probation
- Co-curricular Probation

Failure to meet these standards results in possible removal from the program. Students may reapply.

Awards and Ceremonies

Each recipient will be recognized in the following ways:
• A celebration ceremony focusing on the student’s change project, leadership portfolio and leadership journey.
• The Randall Leadership Medallion, which the student may wear during graduation ceremonies.
• A Leadership Certificate with the Andrews University seal.
• Specific mention or annotation in the University commencement program.
• Notation of Leadership Certificate accomplishment included on transcripts.

Student Learning Outcomes
Students in this program will:
• Identify and intentionally apply their personal strengths and values to solve problems.
• Identify, define, plan and execute a change project that applies good leadership theory.
• Explain the value and importance of defining and effectively implementing influence, creativity, ideas, knowledge, and skills in the service of God and humanity.
• Practice offering and accepting feedback graciously and responding to failure in order to grow and better understand and apply themselves and their experiences.
• Examine effective team components and processes.
• Apply core leadership theories to write a personal theory of leadership.
• Practice self-assessment and personal reflection, and systems assessment through journals and other evidence.

Certificates

Leadership Certificate
Recipients of the leadership certificate demonstrate growth in emotional and social intelligence, clarification of personal passion, and identification of values and mission. These areas of development will enhance career and graduate school opportunities.

The leadership certificate can be completed in 12 credit hours. LEAD 101 is offered for 2 or 3 credits to give students flexibility in their schedule, as well as allowing 3 credit students to delve into strengths identification, an integral component of the leadership program curriculum.

Total Credits - 12
- 2-3 Credits of LEAD 101 - Fundamentals of Leadership Credits: 2,3
- 2-3 Credits of LEAD 301 - Leadership and Mentoring Credits: 2,3
- LEAD 200 - Leadership Practicum Credits: 0 *
- LEAD 496 - Leadership Capstone Credits: 1
- 2-3 Credits of LEAD 498 - Leadership Change Project Credits: 1–3

Leadership Electives - 6
Choose 6 elective credits, which may include Diversity & Inclusion in Leadership, Creative Problem Solving, Theories of Leadership, Introduction to Coaching or other chosen electives from a list of approved cognates. The student must provide justification for its inclusion in their leadership certificate/minor.

*Note: LEAD 200 is required every semester in the program (after completion of LEAD 101 or LEAD 301).

Maintaining Academic Standing
The following standards are required for successful completion of the certificate program or minor.

Academic Standards:
• Earn a minimum overall 2.25 GPA.
• Earn a minimum 2.5 GPA in certificate or minor program coursework.
• No course with a grade below C may count toward the certificate or minor program coursework.

Citizenship Standards:
Certificate program participants placed on suspension or Student Life probation in either of the following categories may be removed from the program:
• Citizenship Probation
• Co-curricular Probation
Failure to meet these standards results in possible removal from the program. Students may reapply.

Awards and Ceremonies
Each leadership certificate and minor student will be recognized in the following ways:
• A celebration ceremony focusing on the student’s change project, leadership portfolio and leadership journey.
• The Randall Leadership Medallion, which the student may wear during graduation ceremonies.
• A Leadership Certificate with the Andrews University seal.
• Specific mention or annotation in the University commencement program.
• Notation of Leadership Certificate accomplishment included on transcripts.

Student Learning Outcomes
Students in this program will:
• Identify and intentionally apply their personal strengths and values to solve problems.
• Identify, define, plan and execute a change project that applies good leadership theory.
• Explain the value and importance of defining and effectively implementing influence, creativity, ideas, knowledge, and skills in the service of God and humanity.
• Practice offering and accepting feedback graciously and responding to failure in order to grow and better understand and apply themselves and their experiences.

Leadership
Students in the Leadership and Educational Administration programs, in consultation with their advisors, may choose from the following list of EDAL and LEAD courses. 600-level courses are available for both master's and doctoral programs.

LEAD 101 - Fundamentals of Leadership
Credits: 2,3
An exploration of essential personal and interpersonal qualities of a leader. Emphasis is given to team dynamics, problem solving, values identification, strengths discovery and unlocking creativity. Following this course, students may apply to the Undergraduate Leadership Program to pursue a certificate or minor in leadership. Students may receive credit for only LEAD101 or LEAD 301.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CAS

LEAD 200 - Leadership Practicum
Credits: 0
This zero credit course helps students apply leadership theory. Under the advisement of a coach, they will develop a plan which focuses on one of three areas: Leadership of One, Leadership of Others, and Leadership of Organizations. It will include a growth strategy for expanding the student’s knowledge base, engaging in a mentoring relationship, and an individualized leadership growth plan. Required of all certificate and minor students each semester in residence.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Practicum
College Code: CAS

LEAD 220 - Creative Problem Solving
Credits: 3
This course explores how to proceed when confronted by problems too ambiguous, complex and messy to be addressed directly through technical
strategies. It seeks to increase the participants' understanding of creativity and critical thinking to improve their problem-solving skills.

LEAD 230 - Diversity and Inclusion in Leadership
Credits: 3
This course will equip students with the tools to manage intercultural conflict, identify and utilize inclusive language, and explore the relationship among diversity, inclusion and the gospel. Emphasis will be given to learning the strategies needed for effective, inclusive leadership in diverse settings, giving special consideration to conversations around religion, gender, orientation, ability, and race/culture.

Grade Mode: Normal (A-F,I,W)
Recommended: LEAD 101: Fundamentals of Leadership
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

LEAD 301 - Leadership and Mentoring
Credits: 2, 3
In addition to an exploration of essential personal and interpersonal qualities of a leader, this course will place a special focus on mentoring. Emphasis is given to teambuilding, problem solving, strengths discovery and unlocking creativity. Upon completion students may apply to the Undergraduate Leadership Certificate Program. Students may receive credit for only LEAD101 or 301.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): At least junior class standing.
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CAS

LEAD 310 - Theories of Leadership
Credits: 3
A study of classical and modern theories of leadership, leadership styles, the role of leadership in changing social reality.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CAS

LEAD 320 - Introduction to Coaching
Credits: 3
This course will equip students with tools and methods for being successful coaches in their context. Students will acquire the skills needed to help others increase performance and develop themselves.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CAS

LEAD 330 - Diversity and Inclusion in Leadership
Credits: 3
This course will equip students with the tools to manage intercultural conflict, identify and utilize inclusive language, and explore the relationship among diversity, inclusion and the gospel. Emphasis will be given to learning the strategies needed for effective, inclusive leadership in diverse settings, giving special consideration to conversations around religion, gender, orientation, ability, and race/culture.

Grade Mode: Normal (A-F,I,W)
Recommended: LEAD 101: Fundamentals of Leadership
Schedule Type: Lecture
Term Offering: Spring
College Code: CAS

LEAD 493 - Leadership Social Change Project
Credits: 1–3
A leadership project in which the student identifies needed change; creates a plan, attempts the change, and studies the resulting relationships and processes. Both a written and oral presentation of the project is required. Course limited to students in the Undergraduate Leadership Program.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Prerequisite(s): LEAD 101 or LEAD 301
Prerequisite/Corequisite: LEAD 200
Repeatable: Repeatable
Schedule Type: Independent
Term Offering: Fall, Spring, Summer
College Code: CAS

LEAD 496 - Leadership Capstone
Credits: 1
Students will develop and present a leadership portfolio. This includes a reflection process describing personal growth and increasing theoretical understanding, as well as a focus on professional preparation for pursuing graduate studies or entering the workforce.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Prerequisite(s): LEAD 101 or LEAD 301, permission of instructor.
Schedule Type: Lecture
College Code: CAS

LEAD 497 - Special Projects in Leadership
Credits: 1–3
By special permission of the Leadership Program.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Repeatable: Repeatable
Schedule Type: Independent
Term Offering: Fall, Spring, Summer
College Code: CAS

LEAD 498 - Leadership Change Project
Credits: 1–3
A leadership project in which the student identifies needed change; creates a plan, attempts the change, and studies the resulting relationships and processes. Both a written and oral presentation of the project is required. Course limited to students in the Undergraduate Leadership Program.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Repeatable: Repeatable
College Code: CAS

LEAD 499 - Independent Study: Topic
Credits: 1–3
Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
Special Approval: Advisor and instructor permission required.
College Code: CAS
Lambda Pi Eta is the National Communication Association (NCA) affiliated honor society. The club provides you with opportunities to gain meaningful extracurricular experience, engage in enjoyable and professional social activities, and have access to privileges (such as special tours or workshops, or opportunities) only granted to club members.

The Andrews University PRSSA chapter is affiliated with the Western Michigan PRSA's publications, scholarships, award programs, leadership training and a national conference.

We, the Andrews University Department of Visual Art, Communication & Design, mentor students in a nurturing, spiritual environment to be Christ-centered, socially responsible individuals by developing their creative gifts for visual and verbal communication.

The goal of the department is to prepare students to become scholars, market-ready practitioners, graduate students and future professors who are able to effectively develop, shape, and deliver uplifting content through journalism, communication, art, film, photography and design. Our purpose is to mold students' minds and to increase their talents so they think critically, discern clearly, and communicate creatively and constructively, with a Christ-like mindset for service.

Communication, whether visual or verbal or nonverbal, is all about connection—shaping, sending, sharing, and receiving messages and meaning through a variety of channels—interpersonal, small group, public, or mediated. The mediums of communication may vary from producing a television show, designing a magazine, or painting a portrait, but the goal is always to create human connection.

Lambda Pi Eta
Lambda Pi Eta is the National Communication Association (NCA) affiliated honor society.

Public Relations Student Society of America (PRSSA) Chapter
The Andrews University PRSSA chapter is affiliated with the Western Michigan Public Relations Society of America. At the national level students are eligible for PRSSA's publications, scholarships, award programs, leadership training and a national conference.

Communication Club
We have an active Communication Club that you are encouraged to participate in. The club provides you with opportunities to gain meaningful extracurricular experience, engage in enjoyable and professional social activities, and have access to privileges (such as special tours or workshops, or opportunities) only granted to club members.

Communication Degrees
A bachelor's degree in Communication is very useful for preparing you for a wide range of career options, including being a political aide, public relations manager, talk show host, sales representative, graphic designer, photojournalist, market researcher, camera operator, corporate communication manager, copy editor, producer, magazine editor, and marketing/advertising manager. A master's degree in Communication can position you as an expert in your chosen area of concentration, further expanding your career options, and opening higher-level opportunities for professional advancement—as well as preparing you to pursue a terminal degree.

The three undergraduate degrees in Communication have a variety of emphasis areas. We also offer a Master of Arts program with two degrees (an MA and an MDiv/MA dual degree), and a graduate certificate program. In addition, we facilitate the Bachelor of Science in Communication for the Adult Degree Completion program (see Distance Education for more information).

Internships
Students enrolled in the Communication Management emphasis or the Journalism and Communication Media programs must submit applications for required internships during their sophomore and/or junior years. Students must fulfill the required number of clock hours to meet the requirements for their degree. All majors are encouraged to participate in the internship program. Department approval must be obtained prior to the start of an internship.

Practicum
Practicum refers to the out-of-class opportunities on campus and in the immediate area for developing skills valuable to the communication professional. Students are encouraged to apply to the department for such opportunities. These experiences will be documented in a Portfolio as evidence of the student's involvement in the practical application of theory.

Visual Art & Design Degrees
Students can graduate with a double BFA major or a BFA with a BA in Art History. Credits cannot be duplicated within the 45-credit BFA emphasis. In the second BFA emphasis, 39 credits are required, and excludes ART 485 Thesis Project (3), ART 496 Portfolio Development (3), and ART 497 BFA Exhibition (1).

Total Credits - 63

**Major - 42**

PHTO 115 - Photography I **Credits:** 3

PHTO 116 - Digital Photography I **Credits:** 3

ART 104 - Drawing I **Credits:** 3

ART 130 - Introduction to Digital Media **Credits:** 3

ART 207 - Basic Design I **Credits:** 3

3 credits of ART 496 - Portfolio Development **Credits:** 3

PHTO 175 - Digital Imaging **Credits:** 3

PHTO 200 - Advanced Photography I **Credits:** 3

PHTO 210 - History of Photography **Credits:** 3
Electives
Choose 6 credits of electives in consultation with your academic advisor from ART, COMM, DSGN, FILM, PHTO, BSAD, MKTG, or FNCE.

Student Learning Outcomes
1: Specialized Knowledge: Skills and Competencies
Students learn specialized skills and competencies necessary to develop a visual vocabulary across core curriculum in preparation for the student's area of emphasis.
- Develop a strong foundation in communication that spans across disciplines.
- Define a personal language that allows for how those views fit in relation to others and the world around them.
- Convey ideas with clarity and confidence in their speech and writing.
- Convey ideas with clarity and confidence in their work.

2: Critical Thinking and Creative Process
Students gain a vocabulary of creative strategies including research, conceptualization, and problem solving strategies which can be applied to any visual or communicative problem.
- Evaluate and synthesize different points of view and determine solutions to serve specific outcomes.
- Apply a flexible and analytical approach to finding creative, practical, and actionable solutions to a variety of visual communication problems.
- Incorporate an adaptable approach to a rapidly changing media landscape.

3: Cultural Literacy and Contextual Adaptability
Students take advantage of the unique learning environment of Andrews University by developing a curiosity, respect, and recognition of diversity in cultural, economic and social entities.
- Gain an understanding of current social, cultural, economic, and environmental issues and how these issues can inform and shape their creative production and its reception.
- Demonstrate knowledge of historical, current, and innovative events across disciplines.
- Develop familiarity of discipline ideologies across a range of media and various applications.

4: Intentional Exploration with Interdisciplinary Connections
Students pursue the various creative processes with intentionality to explore interdisciplinary connections and their potential.
- Gain knowledge and appreciation for the potential in interdisciplinary pursuits and collaborations.
- Students use specialized knowledge to navigate between academic disciplines to create cross-disciplinary content.
- Network across disciplines to pursue opportunities for collaborative projects and community-based initiatives.

5: Quality of Execution + Professional Practices
Students develop a highly resolved and excellent portfolio in conjunction with professional development.
- Students develop insight into business practices and principles that are specific to their chosen field.
- Reflect on process to understand its usefulness in establishing individual perspective, intentionality of craft, and personal methodologies.
- Students learn effective research and conceptualization approaches to assignments and presentations.
- Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

6: Development and Integration of Faith and Ethics
The integration of faith and ethics within the context of professional creative careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity. Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.
- Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.
- Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

Bachelors

Art BA

The BA in Art is an academic liberal arts degree with a broad interdisciplinary program that is suited for those students anticipating graduate school either in their related emphasis field or another academic discipline. The BA Art student's interest in art and other educational pursuits are equally as strong, making the degree appropriate for those who wish to integrate other educational pursuits with their visually creative work. The BA in Art lends itself easily to the combination of multiple majors, minors, and pre-professional programs such as Pre-Art Therapy, Pre-Med, or Pre-Dent. The degree includes 45 credits in art history and visual art courses, and the Andrews Core Experience requirements including a foreign language. A minor in a secondary area is recommended but not required.

Total Credits - 124

Major - 45

Art History
ARTH 325 - Prehistoric to Medieval Art Credits: 3
ARTH 326 - Renaissance to Modern Art Credits: 3
ARTH 440 - Art Since 1945 Credits: 3

Choose one of the following Courses:
3 credits of: ART 380 - Topics in... Credits: 1–6
ARTH 345 - History of Graphic Design Credits: 3
FILM 315 - Movements in World Cinema Credits: 3
PHTO 210 - History of Photography Credits: 3

Studio
ART 104 - Drawing I Credits: 3
ART 105 - Painting I Credits: 3
ART 200 - Color Theory and Use Credits: 3

Visual Art, Communication and Design Core - 15
COMM 220 - Interpersonal Communication Credits: 3
DSGN 130 - Introduction to Digital Media Credits: 3
FILM 105 - Intro to Filmmaking Credits: 3
JOUR 230 - Beginning Media Writing Credits: 3
PHTO 220 - Lighting I Credits: 3
PHTO 365 - Advanced Digital Imaging Credits: 3
PHTO 380 - Lighting II Credits: 3

Electives
Choose 9 credits of electives in consultation with your advisor from ART, DSGN or PHTO.

Minor (Recommended) - 21

It is recommended that the student work with an advisor to choose an appropriate minor. Examples of suggested minors are as follows:
- Art History (for those wishing to pursue graduate studies in art history)
- Psychology (for those wishing to pursue graduate studies in art therapy (to qualify as a pre-professional degree)) and counseling. Consult the graduate school offering the art therapy degree being sought to verify entrance requirements.)
- French or Spanish (for those whose end goal is to work in an international setting)
- Anthropology (for those wishing to pursue graduate studies in archaeology or conservation)
- Accounting (for those wishing to start a business or run an art gallery)
- Leadership (for those wishing to work with youth or in the public sphere)
- Biology or Chemistry (for those wishing to pursue pre-med or pre-dent)
- Writing (for those wishing to enter the publication field)
- Community and International Development (for those wishing to work in non-profits or public programming)
Student Learning Outcomes

• Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

Fine Art BFA

The Department of Visual Art, Communication, and Design offers a Bachelor of Fine Art degree with a focus in Painting and Drawing. This degree is designed for the creative student who is seeking advanced study and development as a studio artist. The BFA degree is built upon a foundation of specialized training in fine art representational painting and drawing, which informs the technical and theoretical intentions of the growing artist. This foundation is bolstered with a broad base of cross-disciplinary and fundamental coursework that incorporates all creative and communicative disciplines of the department. Current students focus on nurturing a personal aesthetic and vocabulary of mark-making, color, and composition informed by the historical language of two-dimensional creative work that informs the production of cohesive bodies of work appropriate for exhibition and galleries. Students are encouraged to embrace the role of the scholar and citizen and explore individually defined outlets for creative collaboration and community involvement that are unique to the fine artist, such as murals, curating, and team-based art projects.

As students progress through the curriculum, they produce work that is gradually more independent and resolved. The culmination of the BFA program is the completion of a Senior Project, which is embodied by an original series of advanced work by the senior student. This portfolio is presented in a professional exhibition as the capstone experience to the degree. The BFA degree also prepares students for graduate-level study in a variety of programs, including a Masters of Fine Art program, which is the required track for students seeking to become university professors.

Additional Requirements

Academic Standards

Students accepted as a BFA major in any program are expected to have a GPA of 3.0 or higher in all BFA major coursework. Students whose GPA falls below this minimum requirement are not allowed to graduate with the BFA.

Internships

Students enrolled in graphic design, photography, and documentary film degree tracks are expected to complete an internship (ART487) that includes supervised work experience in the student's intended major/emphasis area. Students are encouraged to apply to any company to secure an internship, based on their interests and specific skill set. This is a unique opportunity for students to observe and acquire inside knowledge of a specific company, and gain more working experience in their chosen fields. Multiple internships are encouraged.

Admission Requirements

Current students seeking a BFA degree with a major in Design, Documentary Film, Fine Art, or Photography must pass the BFA Review for official acceptance into the program as a BFA candidate. The BFA Portfolio Review is a formal interview of the student and their portfolio of selected undergraduate work after the completion of 15-21 credits (all art and design projects created during foundation-level courses should be available for the review).

Students are given two opportunities to pass the BFA Review and have the option of reapplying the semester after their first attempt. After a second attempt without passing, students must opt to choose another degree track such as a BA or BS degree with the guidance of their advisor.

In conjunction with the BFA Review, students must also submit the BFA application for their respective BFA Program which includes a brief self-assessment, resume, and grades list (minimum cumulative GPA of 2.75 in all coursework). The application packet may be obtained from the main office for the Department of Visual Art, Communication, and Design in Nethery 224. A full list of deadlines and requirements is included in the packet.

Transfer Students

Transfer students seeking advanced placement in a chosen BFA program must have a BFA Review. Students who have no previous coursework in art are not eligible to apply for advanced standing. Transfer coursework must be evaluated for content equivalency and students may be asked to provide course descriptions and syllabi.

Student Learning Outcomes

1: Specialized Knowledge: Skills and Competencies

Students learn specialized skills and competencies necessary to develop a visual vocabulary across core curriculum in preparation for the student's area of emphasis.

• Develop a strong foundation in communication that spans across disciplines.
• Define a personal language that allows for how those views fit in relation to others and the world around them.
• Convey ideas with clarity and confidence in their speech and writing.
• Convey ideas with clarity and confidence in their work.

2: Critical Thinking and Creative Process

Students gain a vocabulary of creative strategies including research, conceptualization, and problem solving strategies which can be applied to any visual or communicative problem.

• Evaluate and synthesize different points of view and determine solutions to serve specific outcomes.
• Apply a flexible and analytical approach to finding creative, practical, and actionable solutions to a variety of visual communication problems.
• Incorporate an adaptable approach to a rapidly changing media landscape.

3: Cultural Literacy and Contextual Adaptability

Students take advantage of the unique learning environment of Andrews University by developing a curiosity, respect, and recognition of diversity in cultural, economic and social entities.

• Gain an understanding of current social, cultural, economic, and environmental issues and how these issues can inform and shape their creative production and its reception.
• Demonstrate knowledge of historical, current, and innovative events across disciplines.
• Develop familiarity of discipline ideologies across a range of media and various applications.
4: Intentional Exploration with Interdisciplinary Connections
Students pursue the various creative processes with intentionality to explore interdisciplinary connections and their potential.
- Gain knowledge and appreciation for the potential in interdisciplinary pursuits and collaborations.
- Students use specialized knowledge to navigate between academic disciplines to create cross-disciplinary content.
- Network across disciplines to pursue opportunities for collaborative projects and community-based initiatives.

5: Quality of Execution + Professional Practices
Students develop a highly resolved and excellent portfolio in conjunction with professional development.
- Students develop insight into business practices and principles that are specific to their chosen field.
- Reflect on process to understand its usefulness in establishing individual perspective, intentionality of craft, and personal methodologies.
- Students learn effective research and conceptualization approaches to assignments and presentations.
- Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

6: Development and Integration of Faith and Ethics
The integration of faith and ethics within the context of professional creative careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity. Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.
- Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.
- Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

Graphic Design BS
The Bachelor of Science in Graphic Design allows students to supplement their design education with business, marketing, and communication classes that will give them a more entrepreneurial background. The program requires students to create a personal brand, estimate and quote materials, acquire business and marketing knowledge, develop a portfolio, create invoices and quote sheets, learn how to price themselves in the market and how to interact with clients.

Student Learning Outcomes
1. Specialized Knowledge: Skills and Competencies
Students learn specialized skills and competencies necessary to develop a visual vocabulary across core curriculum in preparation for the student’s area of emphasis.
- Develop a strong foundation in communication that spans across disciplines.
- Define a personal language that allows for how those views fit in relation to others and the world around them.
- Convey ideas with clarity and confidence in their speech and writing.
- Convey ideas with clarity and confidence in their work.

2. Critical Thinking and Creative Process
Students gain a vocabulary of creative strategies including research, conceptualization, and problem solving strategies which can be applied to any visual or communicative problem.
- Evaluate and synthesize different points of view and determine solutions to serve specific outcomes.
- Apply a flexible and analytical approach to finding creative, practical, and actionable solutions to a variety of visual communication problems.
- Incorporate an adaptable approach to a rapidly changing media landscape.

3. Cultural Literacy and Contextual Adaptability
Students take advantage of the unique learning environment of Andrews University by developing a curiosity, respect, and recognition of diversity in cultural, economic and social entities.
- Gain an understanding of current social, cultural, economic, and environmental issues and how these issues can inform and shape their creative production and its reception.
- Demonstrate knowledge of historical, current, and innovative events across disciplines.
- Develop familiarity of discipline ideologies across a range of media and various applications.

4. Intentional Exploration with Interdisciplinary Connections
Students pursue the various creative processes with intentionality to explore interdisciplinary connections and their potential.
- Gain knowledge and appreciation for the potential in interdisciplinary pursuits and collaborations.
- Students use specialized knowledge to navigate between academic disciplines to create cross-disciplinary content.
- Network across disciplines to pursue opportunities for collaborative projects and community-based initiatives.

5. Quality of Execution + Professional Practices
Students develop a highly resolved and excellent portfolio in conjunction with professional development.
- Students develop insight into business practices and principles that are specific to their chosen field.
- Reflect on process to understand its usefulness in establishing individual perspective, intentionality of craft, and personal methodologies.
- Students learn effective research and conceptualization approaches to assignments and presentations.
- Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

6. Development and Integration of Faith and Ethics
The integration of faith and ethics within the context of professional creative careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity. Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.
- Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.
- Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

Graphic Design BFA
The BFA in Graphic Design is recommended for those wishing to work as graphic design professionals. The degree program combines the study of art, communication, design, web development and technology as mediums for visual
Students join the BFA in Graphic Design because they possess the ability to think, speak, draw, write and design. Students graduate as design leaders, having learned to inform, guide, clarify, promote and empower through visual form. The Senior Project and BFA Exhibition, as well as internships, bring students face-to-face with the design community. At the same time, students acquire valuable experience in problem solving and the application of design principles, making them cultural catalysts and sought-after design professionals.

Additional Requirements

Academic Standards

Students accepted as a BFA major in any program are expected to have a GPA of 3.0 or higher in all BFA major coursework. Students whose GPA falls below this minimum requirement are not allowed to graduate with the BFA.

Internships

Students enrolled in graphic design, photography, and documentary film degree tracks are expected to complete an internship (ART487) that includes supervised work experience in the student’s intended major/emphasis area. Students are encouraged to apply to any company to secure an internship, based on their interests and specific skill set. This is a unique opportunity for students to observe and acquire inside knowledge of a specific company, and gain more working experience in their chosen fields. Multiple internships are encouraged.

Admission Requirements

Current students seeking a BFA degree with a major in Design, Documentary Film, Fine Art, or Photography must pass the BFA Review for official acceptance into the program as a BFA candidate. The BFA Portfolio Review is a formal interview of the student and their portfolio of selected undergraduate work after the completion of 15-21 credits (all art and design projects created during foundation-level courses should be available for the review).

Students are given two opportunities to pass the BFA Review and have the option of reapplying the semester after their first attempt. After a second attempt without passing, students must opt to choose another degree track such as a BA or BS degree with the guidance of their advisor.

In conjunction with the BFA Review, students must also submit the BFA application for their respective BFA Program which includes a brief self-assessment, resume, and grades list (minimum cumulative GPA of 2.75 in all coursework). The application packet may be obtained from the main office for the Department of Visual Art, Communication, and Design in Nethery 224. A full list of deadlines and requirements is included in the packet.

Transfer Students

Transfer students seeking advanced placement in a chosen BFA program must have a BFA Review. Students who have no previous coursework in art are not eligible to apply for advanced standing. Transfer coursework must be evaluated for content equivalency and students may be asked to provide course descriptions and syllabi.

Student Learning Outcomes

1. Specialized Knowledge: Skills and Competencies

Students learn specialized skills and competencies necessary to develop a visual vocabulary across core curriculum in preparation for the student’s area of emphasis.

- Develop a strong foundation in communication that spans across disciplines.
- Define a personal language that allows for how those views fit in relation to others and the world around them.
- Convey ideas with clarity and confidence in their speech and writing.
- Convey ideas with clarity and confidence in their work.

2. Critical Thinking and Creative Process

Students gain a vocabulary of creative strategies including research, conceptualization, and problem solving strategies which can be applied to any visual or communicative problem.

- Evaluate and synthesize different points of view and determine solutions to serve specific outcomes.
- Apply a flexible and analytical approach to finding creative, practical, and actionable solutions to a variety of visual communication problems.
- Incorporate an adaptable approach to a rapidly changing media landscape.

3. Cultural Literacy and Contextual Adaptability

Students take advantage of the unique learning environment of Andrews University by developing a curiosity, respect, and recognition of diversity in cultural, economic and social entities.

- Gain an understanding of current social, cultural, economic, and environmental issues and how these issues can inform and shape their creative production and its reception.
- Demonstrate knowledge of historical, current, and innovative events across disciplines.
- Develop familiarity of discipline ideologies across a range of media and various applications.

4. Intentional Exploration with Interdisciplinary Connections

Students pursue the various creative processes with intentionality to explore interdisciplinary connections and their potential.

- Gain knowledge and appreciation for the potential in interdisciplinary pursuits and collaborations.
- Students use specialized knowledge to navigate between academic disciplines to create cross-disciplinary content.
- Network across disciplines to pursue opportunities for collaborative projects and community-based initiatives.

5. Quality of Execution + Professional Practices

Students develop a highly resolved and excellent portfolio in conjunction with professional development.

- Students develop insight into business practices and principles that are specific to their chosen field.
- Reflect on process to understand its usefulness in establishing individual perspective, intentionality of craft, and personal methodologies.
- Students learn effective research and conceptualization approaches to assignments and presentations.
- Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

6. Development and Integration of Faith and Ethics

The integration of faith and ethics within the context of professional creative careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity. Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.
• Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.

• Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

Photography BS

The Bachelor of Science in Photography was designed for those students who are interested in intentionally building a business from the very beginning of their college experience. A solid foundation of lens-based courses with exposure to design and documentary film throughout provide the Bachelor of Science student with ample opportunity to create a refined visual style and a strong portfolio. The degree offers more emphasis on creating a style that can compete in the marketplace, and a required internship further strengthens the educational experience. Lastly, the inclusion of marketing and small business courses give an edge to the student who chooses to work in this competitive and creatively rewarding industry.

- Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

Photography BFA

The Bachelor of Fine Arts in Photography at Andrews University was designed for those students wishing to pursue a degree focusing on the highest level of conceptual engagement with the medium of photography. Photography is a rapidly evolving medium that encompasses a wide range of storytelling opportunities. Because of this complexity, the BFA was created to provide a broad foundation of exploration. Beginning with a core in traditional lens based courses and then building knowledge through exposure to art history and design, the BFA candidate will be challenged to find their visual voice through a variety of individual and collaborative projects.

As students move through the curriculum, mediums like documentary film and further study in digital process and historic methods of image making ensure that each student has a skill set that is both broad and deep. Seniors are guided through a year-long capstone project that culminates in a public exhibition of work. The skills obtained throughout the BFA provide a substantial toolbox from which to draw when creative challenges are encountered in graduate school or with clients post graduation.

Visual Arts Education BS
(Secondary Education)

This degree, offered in cooperation with the Department of Teaching and Learning, prepares students to teach art on both the elementary and secondary levels. The Visual Arts Education degree is a K–12 endorsement for secondary certificates. This degree should only be taken by those seeking teacher certification. Majors must complete the requirements for denominational and/or Michigan state teacher
certification through the School of Education (College of Education & International Services). The Andrews Core Experience for BS degrees will be followed for this degree. They match the Andrews Core Experience requirements outlined by the SED (CEIS). Students may not take ART 457, ART 459, ART 480 courses in the Department of Visual Art & Design until they have been accepted into the SED’s Teacher Preparation Program and have completed the Foundation courses. The BS in Visual Arts Education requirement includes the successful completion of a senior exhibition and a portfolio of the student’s work given to the Department of Visual Art & Design.

3. **Cultural Literacy and Contextual Adaptability**

   - Students take advantage of the unique learning environment of Andrews University by developing a curiosity, respect, and recognition of diversity in cultural, economic and social entities.
   - Gain an understanding of current social, cultural, economic, and environmental issues and how these issues can inform and shape their creative production and its reception.
   - Demonstrate knowledge of historical, current, and innovative events across disciplines.
   - Develop familiarity of discipline ideologies across a range of media and various applications.

4. **Intentional Exploration with Interdisciplinary Connections**

   - Students pursue the various creative processes with intentionality to explore interdisciplinary connections and their potential.
   - Gain knowledge and appreciation for the potential in interdisciplinary pursuits and collaborations.
   - Students use specialized knowledge to navigate between academic disciplines to create cross-disciplinary content.
   - Network across disciplines to pursue opportunities for collaborative projects and community-based initiatives.

5. **Quality of Execution + Professional Practices**

   - Students develop a highly resolved and excellent portfolio in conjunction with professional development.
   - Students develop insight into business practices and principles that are specific to their chosen field.
   - Reflect on process to understand its usefulness in establishing individual perspective, intentionality of craft, and personal methodologies.
   - Students learn effective research and conceptualization approaches to assignments and presentations.
   - Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

6. **Development and Integration of Faith and Ethics**

   - The integration of faith and ethics within the context of professional creative careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity. Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.
   - Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.
   - Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

**Undergraduate Minors**

**Art History Minor**

Recommended for students of literature, history, and sociology as a complementary area of study. The minor concentration in art history responds to the needs of those students pursuing a major in another field who would like to expand their knowledge of the art of various cultures and of art-historical research methods. The minor offers flexibility in the selection of courses to suit the interests of students in other fields of the humanities or sciences seeking the broad cultural perspective that art history provides.

**Total Credits - 21**

- ART 200 - Color Theory and Use | Credits: 3
- ARTH 325 - Prehistoric to Medieval Art | Credits: 3
- ARTH 326 - Renaissance to Modern Art | Credits: 3
- ARTH 440 - Art Since 1945 | Credits: 3

Choose 9 credits from the following courses:

- ARCH 425 - Architecture of Ancient Americas | Credits: 2,3
- ARCH 426 - Far Eastern Architecture | Credits: 2,3
Communication Arts Minor
(Secondary Education)

A minor in communication arts can be companioned with a secondary teacher certification. This minor provides the student with a broad understanding of communication studies. Equal focus is placed on communication theory and professional skills. Students are allowed freedom to select coursework that compliments their major area of study. A total of 21 credits is required with 12 credits numbered in the 300 level and above.

Available only to those students obtaining secondary teacher certification. For more information regarding Secondary Certification with a minor see the department of Teaching, Learning & Curriculum.

Total Credits - 20
COMM 215 - Introduction to Communication Theory Credits: 3
COMM 480 - Communication Capstone Credits: 3
JOUR 230 - Beginning Media Writing Credits: 3
Electives
Choose 11 credits of electives selected from foundational courses of the major.

Student Learning Outcomes
1: Specialized Knowledge: Skills and Competencies
Students learn specialized skills and competencies necessary to develop a visual vocabulary across core curriculum in preparation for the student’s area of emphasis.
- Develop a strong foundation in communication that spans across disciplines.
- Define a personal language that allows for how those views fit in relation to others and the world around them.
- Convey ideas with clarity and confidence in their speech and writing.
- Convey ideas with clarity and confidence in their work.

2: Critical Thinking and Creative Process
Students gain a vocabulary of creative strategies including research, conceptualization, and problem solving strategies which can be applied to any visual or communicative problem.
- Evaluate and synthesize different points of view and determine solutions to serve specific outcomes.
- Apply a flexible and analytical approach to finding creative, practical, and actionable solutions to a variety of visual communication problems.
- Incorporate an adaptable approach to a rapidly changing media landscape.

3: Cultural Literacy and Contextual Adaptability
Students take advantage of the unique learning environment of Andrews University by developing a curiosity, respect, and recognition of diversity in cultural, economic and social entities.
- Gain an understanding of current social, cultural, economic, and environmental issues and how these issues can inform and shape their creative production and its reception.
- Demonstrate knowledge of historical, current, and innovative events across disciplines.
- Develop familiarity of discipline ideologies across a range of media and various applications.

4: Intentional Exploration with Interdisciplinary Connections
Students pursue the various creative processes with intentionality to explore interdisciplinary connections and their potential.
- Gain knowledge and appreciation for the potential in interdisciplinary pursuits and collaborations.
- Students use specialized knowledge to navigate between academic disciplines to create cross-disciplinary content.
- Network across disciplines to pursue opportunities for collaborative projects and community-based initiatives.

5: Quality of Execution + Professional Practices
Students develop a highly resolved and excellent portfolio in conjunction with professional development.
- Students develop insight into business practices and principles that are specific to their chosen field.
- Reflect on process to understand its usefulness in establishing individual perspective, intentionality of craft, and personal methodologies.
- Students learn effective research and conceptualization approaches to assignments and presentations.
- Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

6: Development and Integration of Faith and Ethics
The integration of faith and ethics within the context of professional creative careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity. Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.
- Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.
- Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

253
Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

6: Development and Integration of Faith and Ethics

The integration of faith and ethics within the context of professional creative careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity. Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.

- Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.
- Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

Communication Studies Minor

This minor is recommended for students wanting to increase their understanding of communication theory, particularly in the areas of organizational, interpersonal, intercultural, and persuasion. In addition, students will study the foundations of public speaking, verbal and non-verbal communication as well as techniques to approach ethical dilemmas within the field.

Total Credits - 21

COMM 215 - Introduction to Communication Theory Credits: 3

Electives

Choose 18 credits of electives from communication-related courses. At least 12 credits must be in courses numbered 300 or above.

Student Learning Outcomes

1: Specialized Knowledge: Skills and Competencies

Students learn specialized skills and competencies necessary to develop a visual vocabulary across core curriculum in preparation for the student’s area of emphasis.

- Develop a strong foundation in communication that spans across disciplines.
- Define a personal language that allows for how those views fit in relation to others and the world around them.
- Convey ideas with clarity and confidence in their speech and writing.
- Convey ideas with clarity and confidence in their work.

2: Critical Thinking and Creative Process

Students gain a vocabulary of creative strategies including research, conceptualization, and problem solving strategies which can be applied to any visual or communicative problem.

- Evaluate and synthesize different points of view and determine solutions to serve specific outcomes.
- Apply a flexible and analytical approach to finding creative, practical, and actionable solutions to a variety of visual communication problems.
- Incorporate an adaptable approach to a rapidly changing media landscape.

3: Cultural Literacy and Contextual Adaptability

Students take advantage of the unique learning environment of Andrews University by developing a curiosity, respect, and recognition of diversity in cultural, economic and social entities.

- Gain an understanding of current social, cultural, economic, and environmental issues and how these issues can inform and shape their creative production and its reception.
- Demonstrate knowledge of historical, current, and innovative events across disciplines.
- Develop familiarity of discipline ideologies across a range of media and various applications.

4: Intentional Exploration with Interdisciplinary Connections

Students pursue the various creative processes with intentionality to explore interdisciplinary connections and their potential.

- Gain knowledge and appreciation for the potential in interdisciplinary pursuits and collaborations.
- Students use specialized knowledge to navigate between academic disciplines to create cross-disciplinary content.
- Network across disciplines to pursue opportunities for collaborative projects and community-based initiatives.

5: Quality of Execution + Professional Practices

Students develop a highly resolved and excellent portfolio in conjunction with professional development.

- Students develop insight into business practices and principles that are specific to their chosen field.
- Reflect on process to understand its usefulness in establishing individual perspective, intentionality of craft, and personal methodologies.
- Students learn effective research and conceptualization approaches to assignments and presentations.
- Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

6: Development and Integration of Faith and Ethics

The integration of faith and ethics within the context of professional creative careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity. Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.

- Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.
- Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

Graphic Design Minor

The Graphic Design Minor is intended to complement other courses of study for students interested in enhancing their technical, creative, and visual skills in design. This minor offers core classes that cover the fundamental concepts and theories of design and digital media through project based learning. Students will take courses covering the basics of design and typography, as well as explore the tools, processes, and professional software used by designers.

Total Credit - 21

ART 104 - Drawing I Credits: 3
ART 207 - Basic Design I Credits: 3
ARTH 345 - History of Graphic Design Credits: 3
DSGN 130 - Introduction to Digital Media Credits: 3
DSGN 214 - Graphic Design I Credits: 3
DSGN 310 - Typography Credits: 3
PHTO 175 - Digital Imaging Credits: 3

Student Learning Outcomes

1: Specialized Knowledge: Skills and Competencies

Students learn specialized skills and competencies necessary to develop a visual vocabulary across core curriculum in preparation for the student’s area of emphasis.

- Develop a strong foundation in communication that spans across disciplines.
- Define a personal language that allows for how those views fit in relation to others and the world around them.
- Convey ideas with clarity and confidence in their speech and writing.
- Convey ideas with clarity and confidence in their work.

2: Critical Thinking and Creative Process

Students gain a vocabulary of creative strategies including research, conceptualization, and problem solving strategies which can be applied to any visual or communicative problem.

- Evaluate and synthesize different points of view and determine solutions to serve specific outcomes.
- Apply a flexible and analytical approach to finding creative, practical, and actionable solutions to a variety of visual communication problems.
- Incorporate an adaptable approach to a rapidly changing media landscape.

4: Intentional Exploration with Interdisciplinary Connections

Students pursue the various creative processes with intentionality to explore interdisciplinary connections and their potential.

- Gain knowledge and appreciation for the potential in interdisciplinary pursuits and collaborations.
- Students use specialized knowledge to navigate between academic disciplines to create cross-disciplinary content.
- Network across disciplines to pursue opportunities for collaborative projects and community-based initiatives.

5: Quality of Execution + Professional Practices

Students develop a highly resolved and excellent portfolio in conjunction with professional development.

- Students develop insight into business practices and principles that are specific to their chosen field.
- Reflect on process to understand its usefulness in establishing individual perspective, intentionality of craft, and personal methodologies.
- Students learn effective research and conceptualization approaches to assignments and presentations.
- Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

6: Development and Integration of Faith and Ethics

The integration of faith and ethics within the context of professional creative careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity. Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.

- Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.
- Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.
Students pursue the various creative processes with intentionality to explore interdisciplinary connections and their potential.

- Gain knowledge and appreciation for the potential in interdisciplinary pursuits and collaborations.
- Students use specialized knowledge to navigate between academic disciplines to create cross-disciplinary content.
- Network across disciplines to pursue opportunities for collaborative projects and community-based initiatives.

5: Quality of Execution + Professional Practices
Students develop a highly resolved and excellent portfolio in conjunction with professional development.

- Students develop insight into business practices and principles that are specific to their chosen field.
- Reflect on process to understand its usefulness in establishing individual perspective, intentionality of craft, and personal methodologies.
- Students learn effective research and conceptualization approaches to assignments and presentations.
- Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

6: Development and Integration of Faith and Ethics
The integration of faith and ethics within the context of professional creative careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity. Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.

- Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.
- Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

Painting and Drawing Minor

The Painting and Drawing Minor prepares students with the skills, techniques, and knowledge of the making of a work of fine art within the context of painting and drawing. The focus for the student of fine art is mastery over medium, mark-making, and composition. Students will take preliminary coursework in the beginner courses, including printmaking, and a course in art history. Students pursuing the painting and drawing minor will take 9 credit chosen from either Drawing II, the advanced drawing course, or Painting II, the advanced painting course, with the intention of pursuing their medium of interest.

Total Credits - 21
ART 104 - Drawing I Credits: 3
ART 105 - Painting I Credits: 3
ART 106 - Printmaking I Credits: 3

Choose 9 credits from the following courses:
ART 304 - Drawing II Credits: 3 (repeatable)
ART 305 - Painting II Credits: 2–4 (repeatable)

Electives
3 credits of Art History from ARTH, PHTO, FILM, or DSGN.

Student Learning Outcomes
1: Specialized Knowledge: Skills and Competencies
Students learn specialized skills and competencies necessary to develop a visual vocabulary across core curriculum in preparation for the student’s area of emphasis.

- Develop a strong foundation in communication that spans across disciplines.
- Define a personal language that allows for how those views fit in relation to others and the world around them.
- Convey ideas with clarity and confidence in their speech and writing.
- Convey ideas with clarity and confidence in their work.

2: Critical Thinking and Creative Process
Students gain a vocabulary of creative strategies including research, conceptualization, and problem solving strategies which can be applied to any visual or communicative problem.

- Evaluate and synthesize different points of view and determine solutions to serve specific outcomes.
- Apply a flexible and analytical approach to finding creative, practical, and actionable solutions to a variety of visual communication problems.
- Incorporate an adaptable approach to a rapidly changing media landscape.

3: Cultural Literacy and Contextual Adaptability
Students take advantage of the unique learning environment of Andrews University by developing a curiosity, respect, and recognition of diversity in cultural, economic and social entities.

- Gain an understanding of current social, cultural, economic, and environmental issues and how these issues can inform and shape their creative production and its reception.
- Demonstrate knowledge of historical, current, and innovative events across disciplines.
- Develop familiarity of discipline ideologies across a range of media and various applications.

4: Intentional Exploration with Interdisciplinary Connections
Students pursue the various creative processes with intentionality to explore interdisciplinary connections and their potential.

- Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

5: Quality of Execution + Professional Practices
Students develop a highly resolved and excellent portfolio in conjunction with professional development.

- Students develop insight into business practices and principles that are specific to their chosen field.
- Reflect on process to understand its usefulness in establishing individual perspective, intentionality of craft, and personal methodologies.
- Students learn effective research and conceptualization approaches to assignments and presentations.
- Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

6: Development and Integration of Faith and Ethics
The integration of faith and ethics within the context of professional creative careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity. Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.

- Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.
- Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

Photography Minor

The Photography Minor is provided for the student interested in learning the fundamentals of the art of the photographic image. The photography minor includes coursework covering the process of using cameras and the basics of editing images in courses such as Digital Imaging, Advanced Photography, and Color Photography. The photography minor would complement any course of study and in particular those interested in technology, communication, architecture, the humanities, and the design areas.

Total Credits - 21
FILM 105 - Intro to Filmmaking Credits: 3
PHTO 175 - Digital Imaging Credits: 3
PHTO 200 - Advanced Photography I Credits: 3
PHTO 220 - Color Photography I Credits: 3
PHTO 115 - Photography I Credits: 3
PHTO 116 - Digital Photography I Credits: 3

Electives
Choose 6 credits of upper division electives from PHTO courses.
Student Learning Outcomes

1: Specialized Knowledge: Skills and Competencies
Students learn specialized skills and competencies necessary to develop a visual vocabulary across core curriculum in preparation for the student’s area of emphasis.

- Develop a strong foundation in communication that spans across disciplines.
- Define a personal language that allows for how those views fit in relation to others and the world around them.
- Convey ideas with clarity and confidence in their speech and writing.
- Convey ideas with clarity and confidence in their work.

2: Critical Thinking and Creative Process
Students gain a vocabulary of creative strategies including research, conceptualization, and problem solving strategies which can be applied to any visual or communicative problem.

- Apply a flexible and analytical approach to finding creative, practical, and actionable solutions to a variety of visual communication problems.
- Incorporate an adaptable approach to a rapidly changing media landscape.

3: Cultural Literacy and Contextual Adaptability
Students take advantage of the unique learning environment of Andrews University by developing a curiosity, respect, and recognition of diversity in cultural, economic and social entities.

- Gain an understanding of current social, cultural, economic, and environmental issues and how these issues can inform and shape their creative production and its reception.
- Demonstrate knowledge of historical, current, and innovative events across disciplines.
- Develop familiarity of discipline ideologies across a range of media and various applications.

4: Intentional Exploration with Interdisciplinary Connections
Students pursue the various creative processes with intentionality to explore interdisciplinary connections and their potential.

- Gain knowledge and appreciation for the potential in interdisciplinary pursuits and collaborations.
- Students use specialized knowledge to navigate between academic disciplines to create cross-disciplinary content.
- Network across disciplines to pursue opportunities for collaborative projects and community-based initiatives.

5: Quality of Execution + Professional Practices
Students develop a highly resolved and excellent portfolio in conjunction with professional development.

- Students develop insight into business practices and principles that are specific to their chosen field.
- Reflect on process to understand its usefulness in establishing individual perspective, intentionality of craft, and personal methodologies.
- Students learn effective research and conceptualization approaches to assignments and presentations.
- Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

6: Development and Integration of Faith and Ethics
The integration of faith and ethics within the context of professional creative careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity. Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.

- Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.
- Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

Public Relations Minor

A minor in public relations is designed to provide the undergraduate student with an understanding of the public relations industry and how it functions in contemporary society. Students will develop professional skills in theory, media writing and relations, public opinion assessment, ethics, and crisis management.
Pre-Professional

Pre-Professional Program in Art Therapy

"Art therapy is a mental health profession in which clients, facilitated by the art therapist, use art media, the creative process, and the resulting artwork to explore their feelings, reconcile emotional conflicts, foster self-awareness, manage behavior and addictions, develop social skills, improve reality orientation, reduce anxiety, and increase self-esteem. A goal in art therapy is to improve or restore a client's function and his or her sense of personal well-being. Art therapy practice requires knowledge of visual art (drawing, painting, sculpture, and other art forms) and the creative process, as well as of human development, psychological, and counseling theories and techniques." - American Art Therapy Association 2013

A master's degree is required for entry level practice in art therapy from institutions of higher education recognized by regional accreditation bodies approved by the Council for Higher Education Accreditation (CHEA). It is recommended however, that a student complete a PhD in art therapy in order to be fully integrated into the field. Entrance requirements to universities and colleges offering graduate programs in art therapy may vary; therefore it is imperative that students familiarize themselves with the requirements of the school of their choice. Information about the various schools in the USA, as well as Canada, offering a masters in art therapy can be found on the American Art Therapy Association (AATA) webpage: www.arttherapy.org

As long as the below minimum requirements are completed, any major may apply to a master's program in art therapy. The recommended majors for students are:

- Psychology, General BA
- Psychology Minor

Masters

Communication MA

The Master of Arts program is designed for students who wish to develop advanced-level skills and an expanded knowledge base in Communication. Additionally, it also gives them the option of selecting a specific concentration area in which to focus their studies and connect a specific area of interest to the broader field of Communication.

Dual Degree Option

This program is available as a dual degree with the Divinity MDiv:

- Communication/Divinity Dual Degree MA/MDiv

Total Credits - 33

NOTE: Master of Divinity/Master of Arts, Communication Dual Degree MDiv/MA students must complete the Interdisciplinary concentration.
Maintaining Academic Standing

All graduate students need to understand that

- The GRE must be completed in order to register for the second semester courses.
- Must enroll in COMM 500 - Graduate Colloquium Credits: 0 every Fall and Spring semester.
- A student on regular status must, in consultation with the graduate advisor, identify members to serve on a supervisory committee, prior to application to Candidacy. It determines individual requirements for completion with reference to a student’s Plan of Study.
- A 3.00 GPA per semester must be maintained.
- The Advancement to Candidacy deadline is the semester prior to the student applying for graduation.
- Students are responsible for completing all the required forms.

All required forms are submitted to the coordinator of the Department Graduate Program. On approval, recommendations are made to the Records Office and to the Dean of Graduate Studies. See General Academic Policies for further details on graduation procedures and degree conferral.

Departmental Admission Requirements

This is a summary of the procedures that a student planning to enroll in the MA should note:

- At the time of application for admission, students must:
  - have a bachelor’s degree or its equivalent.
  - present a resume of current experience.
  - submit a Statement of Purpose which explains how the relevant disciplines will be integrated to meet his/her career and academic goals.
- Upon acceptance and registration, the student in conjunction with the graduate advisor will develop a Plan of Study which is based on the student’s Statement of Purpose.
- Must have minimum GPA for entrance into Andrews University School of Graduate Studies.
- No GRE is required if your undergraduate GPA is above 3.0.

In addition to the admission requirements of the School of Graduate Studies & Research, the student applying to the Department of Visual Art, Communication & Design must meet the following requirements:

Language Requirements

**English Proficiency Requirements.** All students whose first language is not English must demonstrate adequate proficiency in English to succeed in the academic setting.

Language proficiency must be met before enrolling full-time in regular course work.

Resources

For information about requirements for admission, progression through the program, and completion, please see Department’s Graduate Student Manual at www.andrews.edu/communication and under the “Graduate” tab.

**Student Learning Outcomes**

1: Specialized Knowledge: Skills and Competencies

Students learn specialized skills and competencies necessary to develop a visual vocabulary across core curriculum in preparation for the student’s area of emphasis.

- Develop a strong foundation in communication that spans across disciplines.
- Define a personal language that allows for how those views fit in relation to others and the world around them.
- Convey ideas with clarity and confidence in their speech and writing.
- Convey ideas with clarity and confidence in their work.

2: Critical Thinking and Creative Process

Students gain a vocabulary of creative strategies including research, conceptualization, and problem solving strategies which can be applied to any visual or communicative problem.

- Evaluate and synthesize different points of view and determine solutions to serve specific outcomes.
- Apply a flexible and analytical approach to finding creative, practical, and actionable solutions to a variety of visual communication problems.
- Incorporate an adaptable approach to a rapidly changing media landscape.

3: Cultural Literacy and Contextual Adaptability

Students take advantage of the unique learning environment of Andrews University by developing a curiosity, respect, and recognition of diversity in cultural, economic and social entities.

- Gain an understanding of current social, cultural, economic, and environmental issues and how these issues can inform and shape their creative production and its reception.
- Demonstrate knowledge of historical, current, and innovative events across disciplines.
- Develop familiarity of discipline ideologies across a range of media and various applications.

4: Intentional Exploration with Interdisciplinary Connections

Students pursue the various creative processes with intentionality to explore interdisciplinary connections and their potential.

- Gain knowledge and appreciation for the potential in interdisciplinary pursuits and collaborations.
- Students use specialized knowledge to navigate between academic disciplines to create cross-disciplinary content.
- Network across disciplines to pursue opportunities for collaborative projects and community-based initiatives.

5: Quality of Execution + Professional Practices

Students develop a highly resolved and excellent portfolio in conjunction with professional development.

- Students develop insight into business practices and principles that are specific to their chosen field.
- Reflect on process to understand its usefulness in establishing individual perspective, intentionality of craft, and personal methodologies.
- Students learn effective research and conceptualization approaches to assignments and presentations.
- Students pursue information in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

6: Development and Integration of Faith and Ethics

The integration of faith and ethics within the context of professional creative careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity. Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.

- Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.
- Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

Masters Dual Degrees

Note: Because each dual degree is listed in two schools you will find duplicates. The content is identical except for order of information.
Communication/Divinity Dual Degree MA/MDiv

See Seminary for the requirements for the Communication/Divinity Dual Degree MA/MDiv.

Art (Studio)

ART 104 - Drawing I
Credits: 3
A foundational course where basic drawing principles are introduced and observational abilities are developed. Standards of drawing, such as line, value, composition and perspective are explored using a variety of approaches, tools and media.

Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
College Code: CAS

ART 105 - Painting I
Credits: 3
An introduction to various painting techniques, principles of color, composition and materials. Objective subject matter is emphasized and the development of a basic visual vocabulary.

Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
College Code: CAS

ART 106 - Printmaking I
Credits: 3
Explores basic intaglio and relief printmaking methods such as linoleum cut, engraving and various etching techniques. Emphasis on technical skill development and personal imagery.

Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 104; Recommended: ART 207.
Schedule Type: Studio
College Code: CAS

ART 107 - Ceramics I
Credits: 3
An introduction to working with clay and glazes for the creation of hand-built ceramic objects.

Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
College Code: CAS

ART 107 - Introduction to Digital Media
Credits: 3
An introductory survey of the discipline of digital media. Students are introduced to Adobe Creative Suite applications (Photoshop, Illustrator, InDesign and Acrobat), basic printing principles, vector and raster graphics, image acquisition and output. Understanding the Macintosh computer is also covered.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CAS

ART 200 - Color Theory and Use
Credits: 3
A hands-on study of the aesthetic, historical, perceptual, scientific, and psychological aspects of color and color mixing.

Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 107.
Repeatable: Repeatable

ART 207 - Basic Design I
Credits: 3
A study of the elements and organizational principles of 2-dimensional design.

Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
College Code: CAS

ART 209 - Basic Design II
Credits: 3
An introduction to the principles of three dimensional design and sculpture media. Introduces students to a variety of tools and materials which help to develop 3-D expression.

Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
College Code: CAS

ART 304 - Drawing II
Credits: 3
In-depth study in the art and craft of drawing, designed to expand one's visual vocabulary. Emphasis placed on observational drawing with explorations in figure, still life. Conceptual drawing and illustration is also explored.

Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 104.
Repeatable: Repeatable
Schedule Type: Studio
College Code: CAS

ART 305 - Painting II
Credits: 2–4
Advanced-level painting course, with an in-depth study in the art and craft of painting, designed to expand one's visual vocabulary. Exploration in an area of painting practice; illustration, portrait, figurative, still life, landscape or conceptual.

Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 104 and ART 105
Repeatable: Repeatable
Schedule Type: Studio
College Code: CAS

ART 306 - Printmaking II
Credits: 2–4
One of the major methods (relief, intaglio, lithography, screenprinting) may be selected for semester-long exploration.

Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 106, ART 207
Repeatable: Repeatable
Schedule Type: Studio
College Code: CAS

ART 307 - Ceramics II
Credits: 2–6
A systematic exploration of a particular area of ceramic practice. Subjects may include: wheel throwing, glaze formulation, various firing practices, raku, ceramic sculpture, exploring a form, or other assignments chosen by the professor.

Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 107.
Repeatable: Repeatable
ART 308 - Sculpture I
Credits: 2–6
The expressive use of a range of materials through the skills of modeling, carving, and construction. Usually one medium is studied during the semester.

Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 209
Repeatable: Repeatable
Schedule Type: Studio
College Code: CAS

ART 380 - Topics in:
Credits: 1–6
Courses cover specific topic areas in Studio Art and Art History such as: African Art, Asian Art, Design, Egyptian Art, Near Eastern Art, Mixed Mediums, Method and Theory in Art History, and Watercolor. Prerequisites for advanced studio courses apply to Topics course.

Course/Lab Fee: Yes
Course Attribute: Art History course
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: CAS

ART 457 - Art Methods: Elementary
Credits: 4
Covers the process of teaching creativity and artistic expression to students at the elementary level. The focus is on understanding the developmental levels of creativity in children. Art is also integrated in the rest of the curriculum. Art projects are part of this course.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

ART 459 - Art Methods: Secondary
Credits: 4
Deals with teaching creativity and artistic expression to students at the secondary level. It covers the developmental levels of students and gives practical ideas for developing individual creativity. Project ideas are part of the course.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

ART 478 - Visual Art Study Tour
Credits: 6
This course is designed to take students to venues in various locations in the United States and around the world. This tour course is part of the degree requirements for all BA and BFA degrees as noted in each Emphasis. Each BFA Emphasis will design a tour that fits its discipline. The content of the 6 credits will be decided by each BFA Emphasis.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: CAS

ART 480 - Practicum in Visual Art Education
Credits: 4
Application of principles of art in education, and integrating various subjects into the art curriculum. An introduction to the curriculum of K12 schools, including unique SDA curricular materials and Michigan Content Standards and Benchmarks. Field experience included in class meeting time.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Prerequisite(s): ART 457, ART 459.
Schedule Type: Practicum
College Code: CAS

ART 485 - Senior Project
Credits: 3
This capstone course allows for the synthesis of the students' academic and studio work, developing an individual project proposal and culminating in a thoughtful presentation that demonstrates knowledge of specific issues, methods, and materials.

Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Prerequisite(s): Permission of the instructor.
Schedule Type: Independent
College Code: CAS

ART 487 - Internship
Credits: 1–3
Supervised work experience in the student's major and/or emphasis area. 120 hours of work is required for each credit.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 3 credits
Schedule Type: Practicum
College Code: CAS

ART 495 - Independent Reading/Project
Credits: 1–6
Independent study and readings on topics in consultation with advisor and/or instructor.

Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
Special Approval: Instructor permission required.
College Code: CAS

ART 496 - Portfolio Development
Credits: 3
This course focuses on student's job-seeking portfolios through lectures, demonstrations and studio work. Existing projects are refined and gaps are filled in new projects. All projects meet professional standards and quality.

Grade Mode: Normal w S (A-F,I,S,U,W)
Schedule Type: Independent
Term Offering: Fall, Spring
College Code: CAS

ART 497 - BFA Exhibition
Credits: 1–3
Presentation of the capstone Senior final project in a gallery exhibition.

Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable up to 3 credits
Schedule Type: Independent
College Code: CAS

ART 498 - Art and Design Research Course
Credits: 0
Research course designed for research conducted by student under supervision of instructor.

Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Prerequisite(s): Requires prior approval from instructor.
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

ART 504 - Drawing I
Credits: 2,3
A skill-building, project-based foundational course where basic drawing principles are introduced and observational abilities are developed.

Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
College Code: CAS

ART 597 - Independent Study
Credits: 1–3
Individual study or research under the direction of an instructor.

Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable up to 6 credits
ARTH 220 - Language of Art
Credits: 3
Presents the elements of visual language and studies them in relationship to images of famous paintings, sculptures, and contemporary advertisements. Does not duplicate an art history course.

Course/Lab Fee: Yes
Course Attribute: Art History course
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

ARTH 325 - Prehistoric to Medieval Art
Credits: 3
Examines the ancient images of non-Western and Western cultures as they are manifested in famous works of art and architecture.

Course/Lab Fee: Yes
Course Attribute: Art History course
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

ARTH 326 - Renaissance to Modern Art
Credits: 3
A survey of selected Western and non-Western artists, techniques, and cultural eras from 1300 to 1945.

Course/Lab Fee: Yes
Course Attribute: Art History course
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

ARTH 328 - Artists of the Renaissance
Credits: 3
A chronology and analysis of Italian masters from Giotto to Raphael, and northern masters from van Eyck to Rembrandt. A study of the importance of social and cultural influences impacting these artists and the contributions made through their art.

Course/Lab Fee: Yes
Course Attribute: Art History course
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

ARTH 329 - Nineteenth Century and Impressionism
Credits: 3
A chronological study of the major artists influencing culture, primarily in France, from David to Cezanne in the movements of Neo-classicism, romanticism, realism, impressionism, and postimpressionism.

Course/Lab Fee: Yes
Course Attribute: Art History course
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

ARTH 345 - History of Graphic Design
Credits: 3
Students are introduced to the creative thinkers, important innovations and breakthrough technologies that have shaped the evolution of visual communication, graphic design, and advertising.

Course/Lab Fee: Yes
Course Attribute: Art History course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 207, ART 130.
Schedule Type: Lecture
College Code: CAS

COMM 220 - Interpersonal Communication
Credits: 3
Emphasis is placed on interpersonal skills for the workplace. Students examine components of interpersonal communication such as listening, perception, managing conflict, etc., then apply specific strategies to build relationships.

Course/Lab Fee: Yes
Course Attribute: Art History course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 207, ART 130.
Schedule Type: Lecture
College Code: CAS
COMM 280 - Voice and Diction
Credits: 3
Through vocal analysis and studying the production and differentiation of sound units in the English language, students identify and develop vocal strengths and identify and remedy vocal problems. Students learn to use their voices to achieve maximum understanding and pleasure. Includes theory, practice exercises, public performances, and an introduction to the International Phonetic Alphabet.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
College Code: CAS

COMM 290 - Practicum
Credits: 1–3
Supervised work experience in journalism, public relations, or another aspect of communication. A minimum of 75 clock hours of work experience is required. Obtain procedures and guidelines from the department.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 3 credits
Schedule Type: Practicum
College Code: CAS

COMM 325 - Media Literacy
Credits: 3
A critical and experiential approach to information conveyed through the mass media. It includes an introduction to myth and meaning and the importance of understanding prevailing ideologies in the context of a Christian worldview and a sense of identity.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
Year Offering: Alternate years
College Code: CAS

COMM 336 - Intercultural Communication
Credits: 3
Students examine the relationship between culture and communication and the ways culture influences values and perceptions. Discussion and activities help students develop and apply analytic and communication skills which enable them to interact with cultural sensitivity and communicate more effectively in intercultural, interethnic, and cross-gender contexts. Particularly useful for students in business, behavioral sciences, education, and theology.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
College Code: CAS

COMM 356 - Group Dynamics and Leadership
Credits: 3
An experiential study of groups in process within organizations for the purpose of problem-solving and team building. Students work in teams to plan and complete a service project during the semester.

Course/Lab Fee: Yes
Course Attribute: Service course
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
College Code: CAS

COMM 375 - Professional Presentations
Credits: 3
Grounded in rhetorical theory and research, students conduct advanced research on speech topics of various situations and modes towards a professional and engaging performance of public communication. Speeches must be solidly supported and logically reasoned. Principles of eloquence, presentation design, and ethics characterize the articulate delivery. Focus is practical application of argumentation and debate skills to develop critical thinking for reasoned decision-making and problem-solving. Particularly useful for students in fields such as pre-law and business.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)

COMM 380 - Communication Theory and Research for Adults
Credits: 3
This course combines a study of classical and modern theories of rhetoric, interpersonal communication, language, and the role of communication in establishing social reality, with an introduction to research methods including textual analysis, qualitative, quantitative, and ethnmethodology.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
College Code: CAS

COMM 389 - Internship in Communication
Credits: 1–3
Students work full time at communication enterprises. At least 90 clock hours per credit of work experience are required. Obtain procedures and guidelines from the department.

Course/Lab Fee: Yes
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 3 credits
Schedule Type: Practicum
College Code: CAS

COMM 405 - Persuasion
Credits: 3
The analysis of persuasive appeals from the point of view of a critical consumer plus practical experience, oral and written, in ethically persuading others.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): COMM 104 or COMM 230 or permission of instructor.
Schedule Type: Lecture, Interactive Online, Self-Paced
College Code: CAS

COMM 432 - Research Methods in Communication
Credits: 3
An introduction to methods including textual analysis, qualitative, quantitative, ethnmethodology. Specific emphasis on methods in Public Relations, Journalism and Media Studies.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

COMM 434 - Healthcare Communication
Credits: 3
Overview of health care communication - what health communicators do and where they work. This class will also provide an introduction to provider-patient communication, end of life communication, mass communication, health public relations, corporate communication. Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

COMM 435 - Crisis Communications
Credits: 3
Understanding communication during crisis conditions. Planning, preventing and anticipating Public Relations emergencies. Preparing a crisis communication’s plan including internal and external consulting factors. Implementing Public Relations activities including understanding and handling the media and the press, explaining technical information, communicating about risks and responding to warnings. Notification priorities and protocols. Developing information centers and methods and tools for disseminating information during emergencies.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
Year Offering: Alternate years
College Code: CAS
COMM 445 - Family Communication
Credits: 3
A study of the family from a communication perspective (odd years).
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Year Offering: Alternate years
College Code: CAS

COMM 446 - Gender Communication
Credits: 3
The study of the interactive relationships between gender and communication as experienced in various contexts such as personal relationships, school and work settings (even years).
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

COMM 450 - Communication in the Classroom
Credits: 3
The study and development of effective communication skills within the context of the classroom. Focus is on interactive learning where the student rather than the instructor is central. Open only to upper division and graduate students.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years
College Code: CAS

COMM 454 - Topics in Communication:________
Credits: 1–3
Topics of current significance. Credit to be announced with topic in advance.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture, Interactive Online
College Code: CAS

COMM 455 - Advanced Television Production
Credits: 3
This hands-on production course builds skills, and applies the knowledge of on-location, studio and control room procedures for television production, beginning with routine exercises. Students will be required to operate efficiently cameras, sound equipment, lights to in a given production. Students will build on the skills received in the introduction class and emphasis will be placed on application of concepts, techniques, and basic scriptwriting to complete television productions.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: COMM 145, FILM 225
Schedule Type: Lecture, Interactive Online
College Code: CAS

COMM 468 - Directing and Producing for Studio Television
Credits: 3
The television studio directing and producing is an intensive course that encourages the student to acquire the proper procedures for studio production. It involves learning the skills in multi-camera and single camera directing and producing. The business aspect of a television program will be emphasized, including planning techniques for pre-production, production, and post-production phases of program development, and legal issues. This course entails directing and producing a live 30-minute television program.
Lecture/Lab: Lab Required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

COMM 478 - Study Tour:
Credits: 0
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.
Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Blended Learning
College Code: CAS

COMM 480 - Communication Capstone
Credits: 3
A practical capstone class which helps students integrate and synthesize material acquired in their major. Practical applications are made to specific communities of practice. Students are required to complete their portfolios including mission statements and samples of performance in their major, and give evidence of an organized job search.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CAS

COMM 495 - Independent Study/Readings
Credits: 1–4
Topics chosen in consultation with an instructor.
Course/Lab Fee: Yes
Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CAS

COMM 496 - Communication Research Course
Credits: 0
Research Course designed for research conducted by student under supervision of instructor.
Course/Lab Fee: Yes
Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Prerequisite/Corequisite: Requires prior approval from instructor.
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

COMM 500 - Graduate Colloquium
Credits: 0
A forum required of graduate students for every semester in residence.
Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: CAS

COMM 510 - Communication Theory
Credits: 3
An in-depth exploration of theoretical perspectives, approaches, and issues within the field of Communication.
Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Lecture, Interactive Online
College Code: CAS

COMM 520 - Communication Research I
Credits: 3
Consideration of foundational research principles and methodologies with emphasis on quantitative approaches to research.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CAS

COMM 525 - Christian Communication Worldview & Ethics
Credits: 3
This course involves a critical examination of a Seventh-day Adventist biblical worldview, the development of a personal worldview, and an exploration of ethical implications and applications on communication decision making and practices.
Course/Lab Fee: Yes
COMM 535 - Crisis Communications
Credits: 2
Understanding communication during crisis conditions. Planning, preventing and anticipating Public Relations emergencies. Preparing a crisis communication's plan including internal and external consulting factors. Implementing Public Relations activities including understanding and handling the media and the press, explaining technical information, communicating about risks and responding to warnings. Notification priorities and protocols. Developing information centers and methods and tools for disseminating information during emergencies.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CAS

COMM 536 - Issues in Intercultural Communication
Credits: 2,3
Examination of intercultural communication issues with specific applications to student's chosen fields of inquiry or employment. Students explore critical issues influencing the effectiveness of their interaction with individuals from varied cultures in specific organizational and societal contexts.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CAS

COMM 540 - Communication in Development Practice
Credits: 2,3
Students examine the relationship between culture and communication. Apply analytic and communication skills which enable effective communication in various communities. Develop skills in persuasion and explore sensitivity to diversity issues.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

COMM 545 - Communication Pedagogy/Teaching
Communication
Credits: 3
The study and development of effective communication skills within the context of the classroom. Focus is on interactive learning where the student rather than the instructor is central. Open only to upper division and graduate students.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

COMM 550 - Topics in ________
Credits: 1–3
Study of selected communication topics of current significance. Topics to be announced in advance.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture, Interactive Online
College Code: CAS

COMM 560 - Overview of News Production
Credits: 3
This is an overview of the news production process.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

COMM 562 - Social Media: Digital Footprint Management
Credits: 3
Study best practices, ethical issues and critique a variety of viewpoints on the use of social media. Explore and evaluate your current digital footprint and update your personal and professional use of social media and online tools appropriately.

Build a personal learning network to extend your network beyond your university experience. Choose to focus on your field and create a professional online presence to accompany your resume; or focus on sharing your faith online; or building the social media presence for your organization.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Practicum
College Code: CAS

COMM 565 - Writing for Media
Credits: 3
 Aimed at all communication majors, media writing introduces students to writing targeted communication in a journalistic style. They learn the basics of journalistic writing for various media (i.e., newspapers, radio and television), public relations press releases, basic features and editorials, the importance of audience for any written communication as well as the values of timeliness, objectivity, and fairness critical to any communication career.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

COMM 570 - Gender, Race, and Class
Credits: 3
A study of the family from a communication perspective.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

COMM 574 - Family Communication
Credits: 3
A study of the family from a communication perspective.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

COMM 580 - Interpersonal Communication
Credits: 2,3
This course provides in-depth exploration of theoretical perspectives, approaches, and interpersonal communication within a variety of contexts, including personal and family relationships, the church, and the workplace.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

COMM 585 - Organizational Communication
Credits: 2,3
An overview of concepts and research related to communication behavior in changing organizational settings, including the study of organizational structure, communication, and theories as they relate to organizational communication in a variety of organizational contexts.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

COMM 587 - Producing Practicum
Credits: 2,3
The television studio directing and producing is an intensive course that encourages the student to acquire the proper procedures for studio production. It involves learning the skills in multi-camera and single camera directing and producing. The business aspect of a television program will be emphasized, including, planning techniques for pre-production, production and post-production phases of program development, and legal issues. This course entails directing and producing a live 30-minute television program.

Course/Lab Fee: Yes
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Practicum
College Code: CAS
COMM 589 - Internship/Practicum in Communication
Credits: 1–4
Students apply their academic research at a full-time professional communication or media related job. Additionally, students will lead practical materials regarding work place communication. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.
Course/Lab Fee: Yes
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Practicum
College Code: CAS

COMM 590 - Graduate Seminar in _______
Credits: 2,3
Projects, reports, and discussions. Seminars are offered in various subjects such as Conflict Management, Prejudice Communication and Forgiveness, Religious Journalism, Contextualized Communication, Communication Paradigms, and Teambuilding. Topic announced in advance.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Seminar, Interactive Online
College Code: CAS

COMM 600 - Leadership Communication
Credits: 2,3
This course focuses on leadership from a communication standpoint. It explores what leadership communication is, focuses on mastery of key leadership communication skills, and requires the student to develop an individualized, real-life application of leadership communication within his/her work, school, or community environment. The course will include a perusal of organizational communication, communication theories, Biblical perspectives on leadership communication, and global leadership communication issues.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CAS

COMM 610 - Advanced Persuasion
Credits: 2,3
The analysis of persuasive appeals from the point of view of a critical consumer plus practical experience, oral and written, in ethically persuading others.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

COMM 615 - Media Law
Credits: 2,3
Case studies of court decisions affecting the mass media in the United States and the place of the ethical journalist in society. Consideration of the development of freedom, censorship, libel, privacy, obscenity laws, and the relationship between the press and the courts and freedom of information, and broadcast regulation.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CAS

COMM 620 - Christian Mass Media Development
Credits: 3
Consideration and analysis of video and TV production from a Christian and evangelism perspective. The course lays a foundation for designing and producing new, effective, Christian media project.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

COMM 630 - Media Production
Credits: 3
Foundations in media production. Includes developing story structure, writing to picture, interview techniques, shooting, editing, pitching media production and the student as the producer to media outlets. Students will write, shoot, and produce media content and be exposed to media room and studio operations. Editorial decision-making and production management is emphasized. Lab experience is required for the course.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab
College Code: CAS

COMM 635 - Crisis Communications
Credits: 2,3
Understanding communication during crisis conditions. Planning, preventing and anticipating Public Relations emergencies. Preparing a crisis communication’s plan including internal and external consulting factors. Implementing Public Relations activities including understanding and handling the media and the press, explaining technical information, communicating about risks and responding to warnings. Notification priorities and protocols. Developing information centers and methods and tools for disseminating information during emergencies.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CAS

COMM 640 - Project Continuation
Credits: 0
Students may register for this title while clearing deferred grade (DG) and/or incomplete (I) classes with advisor approval only. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CAS

COMM 648 - Communication Workshop
Credits: 1–6
Intensive study on selected practical topics including competencies in speaking, writing and visual communication. Offered on a periodic basis with topic announced in class schedule.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Workshop
College Code: CAS

COMM 650 - Communication Research II
Credits: 3
Consideration of foundational research principles and methodologies with emphasis on qualitative and rhetorical approaches to research.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): COMM 520
Schedule Type: Seminar
College Code: CAS

COMM 653 - Communication Pedagogy
Credits: 3
The study and development of effective communication skills within the context of the classroom. Focus is on interactive learning where the student rather than the instructor is central.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

COMM 655 - Program Continuation
Credits: 0
Students may register for this non-credit continuation course to maintain active status. For additional information on active status, please refer to p. 56 in the bulletin. Registration does not indicate full-time status.
Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W,DG)
Design

DSGN 130 - Introduction to Digital Media
Credits: 3
An introductory survey of the discipline of digital media. Students are introduced to Adobe Creative Suite applications (Photoshop, Illustrator, InDesign and Acrobat), basic printing principles, vector and raster graphics, image acquisition and output. Understanding the Macintosh computer is also covered.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): DSGN 150
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CAS

DSGN 150 - Web Design I
Credits: 3
This introductory course is designed to familiarize students with the design and creation of web pages and web sites. Students will learn basic HTML structure along with basic styling with CSS (Cascading Style Sheets) through video based lectures outside of class and hands-on work in-class. Beyond the basics of HTML and CSS, students will learn how to publish their content on-line, validate code, and how accessibility plays a major role in development and content strategy. May be offered as an Intensive.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 130
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CAS

DSGN 185 - InDesign
Credits: 3
Students learn to produce a variety of publications using basic and advanced techniques with Adobe InDesign. Emphasis will be on designing, pre-flighting and publishing documents for print, online and mobile devices. Adding interactivity to layouts using animation, video and sound in page layouts is also covered.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 130
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CAS

DSGN 214 - Graphic Design I
Credits: 3
A transition from design theory to design application as it relates to visual communication. A series of projects develops basic skills and familiarity with design process and the graphic design profession.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 130, ART 207
Schedule Type: Lecture
College Code: CAS

DSGN 225 - Digital Vector Graphics
Credits: 3
In this course, students study the art of vector graphics. Demonstrations will be provided through in-class instruction and on-line by industry professionals. Students work on projects in and out of class each week ranging from print to on-line publishing. Required: Adobe Illustrator CS5+ and laptop.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 130 or equivalent.
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CAS

DSGN 250 - Web Design II
Credits: 3
This intermediate course expands the student's knowledge of HTML and advanced CSS techniques to include wireframe and rapid prototyping techniques. Students learn through a series of projects designed to advance not only their technical knowledge, but also their User Interface (UI) and User Experience (UX) design skills. Required: laptop. May be offered as an intensive.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): DSGN 150
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CAS

DSGN 310 - Typography
Credits: 3
An exploration of typographic structures terminology, methods, and visual problem solving. This studio course addresses typographic design as a practical form of visual communication.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 207, ART 130.
Schedule Type: Lecture
College Code: CAS
DSGN 335 - Web Design III
Credits: 3
In this course, students focus on interactive design and production utilizing JavaScript and other open source technologies. Students learn through in-class demonstrations and outside class through on-line video lectures by other industry professionals. Projects consist of small challenges while working towards a final semester project that will showcase the student’s skills in interactive design. Required: laptop. May be offered as an intensive.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): DSGN 250
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CAS

DSGN 350 - Web Design IV
Credits: 3
This course introduces basic and intermediate server-side scripting techniques, version control, open source Content Management software (CMS), and how to set up localhost testing servers. Students will learn through in-class demonstrations and outside of class through on-line video lectures by other industry professionals. Projects consist of small challenges while working towards a final semester project that will showcase the student’s skills in techniques and technologies over the previous courses. Required: laptop. May be offered as an intensive.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): DSGN 335
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CAS

DSGN 431 - Editorial Design
Credits: 3
This studio course focuses on page design in books, newspapers and magazines for both print and digital applications. Editorial concept, content, format, image and audience will all be explored.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 207, DSGN 214 DSGN 185.
Schedule Type: Studio
College Code: CAS

DSGN 432 - Brand Design
Credits: 3
This studio course is concerned with creating a brand and provides a basis for deciding the procedures and practices for corporate communication goals.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 207, DSGN 214.
Schedule Type: Studio
College Code: CAS

DSGN 433 - The Business of Design
Credits: 3
This studio course focuses on the business side of Graphic Design and will help students understand best practices when creating contracts, dealing with clients/partner relationships, developing design strategy, self-promotion, and communication both internal and external. Students will also develop their own brand, creating their own custom business forms and promotional materials.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
College Code: CAS

DSGN 434 - Design in Advertising
Credits: 3
This studio course is project-based and focuses on putting advertising theory into practice. Students will create advertising campaigns and develop creative solutions based on market research, taking their ideas from concept to completion. Idea-driven design based on a solid foundation of research is emphasized.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: ART 207, DSGN 214.
DGSN 550 - Web Design I
Credits: 2,3
A skill-building, hands-on, foundational course designed to build the skills necessary to create web pages and websites.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): DGSN 550 or permission of the instructor.
Schedule Type: Lecture/Lab
College Code: CAS

DGSN 551 - Web Design II
Credits: 2,3
A skill-building, hands-on course expanding the students abilities to produce working webpages and websites. Focus will be on advanced CSS techniques and building technical knowledge.

Lecture/Lab: Lab Required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): DGSN 550 or permission of instructor.
Prerequisite/Corequisite: DGSN 550 or permission of instructor.
Schedule Type: Lecture/Lab
College Code: CAS

DGSN 585 - Digital Publishing
Credits: 2,3
A skill-building, hands-on course in which students learn to use InDesign to produce a variety of publications. Emphasis will be on designing, preflighting and publishing documents for print, online and mobile devices.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): DGSN 550 or permission of instructor.
Schedule Type: Lecture/Lab
College Code: CAS

Film

FILM 105 - Intro to Filmmaking
Credits: 3
To the generation of digital natives, film has become one of the most dominant forms of visual media and personal expression. This studio course is a broad introduction to the collective elements of film production with a focus on nonfiction storytelling. This class explores both the art and craft of filmmaking, mixing aesthetic understanding with production techniques. Labs and instruction focus on storytelling, basic high-definition video production, and post-production. While designed to be an engaging introduction to filmmaking, students should be prepared to work toward the goal of the class—the creation of a non-fiction short film.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): DGSN 550 or permission of instructor.
Schedule Type: Lecture/Lab
College Code: CAS

FILM 210 - Survey of Documentary Film
Credits: 3
This course offers a historical and theoretical overview of documentary film. We will view and examine documentaries from the beginning of cinema through the present, all of film history. In the process we will discover the infinite forms the documentary can take.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

FILM 215 - Language of Cinema
Credits: 3
This course examines public attitudes and assumptions about film. Through an exploration of film studies, students will look beyond film's immediate accessibility and broaden their cinematic vocabulary and analytical abilities. Elements of aesthetics such as mise-en-scene, cinematography, editing, and sound will be covered, including different theoretical approaches to understanding cinema.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

FILM 225 - Screenwriting
Credits: 3
This course provides a broad foundation to writing for the screen. Storytelling is at the heart of screenwriting, and we will explore the elements of story such as plot structure, narrative arc, and character development. Lectures will deal with these topics and more, but over the course of the semester students will work on writing a screenplay for a short film and also a proposal for a documentary. A major part of class will be devoted to analysis, discussion, and revision of student work, so students should expect to spend a considerable amount of time for creative writing outside of class hours.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FILM 105
Special Approval: Instructor permission required.
College Code: CAS

FILM 275 - Post-Production
Credits: 3
An introduction to film editing and motion design. This course begins with a primer on digital video codecs and the post-production workflow. Then through the first half of the semester, participants will learn the language and technique of editing and develop a proficiency in professional non-linear editing systems. In the latter half of the semester, students will be introduced to the art and technique of motion design and gain exposure to Adobe After Effects and other professional compositing, 3D, or animation software.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FILM 105
Schedule Type: Lecture
College Code: CAS

FILM 315 - Movements in World Cinema
Credits: 3
This course will offer an introduction to world cinema and the diversity of film movements and film cultures around the world. We will examine films outside of Hollywood and the phenomenon of world cinema in terms of movements that appear in different places and different times throughout film history.

Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

FILM 325 - Advanced Screenwriting
Credits: 3
This course builds on the fundamentals of screenwriting and writing for visual media. Students will come to the course with screenplays and documentaries that they would like to develop, including stories that they have already started. They will refine their work in preparation for production or for submission to screenwriting competitions.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FILM 225
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CAS

FILM 350 - Cinematography
Credits: 3
Intermediate course focusing on theoretical and practical applications of motion picture photography through appropriate lighting, exposure and selection of cinematic tools for the overall purpose of dramatic impact. Students will be required to operate both introductory digital cinema cameras, learning to select the right tools for the project. By the end of the semester students should have a demo reel, showcasing their abilities to film for both aesthetic and narrative purposes. Additional time outside of class should be expected for projects.
**FILM 355 - Sound Recording and Editing**

**Credits:** 3  
This course is an introduction to basic theories and techniques of sound through the entire filmmaking process, from the use of location sound recording packages to audio post-production editing and design. The course involves lecture and instruction, but the bulk of the course is spent on assignment both in the field and in post-production environments.

**FILM 398 - Directing the Documentary I**

**Credits:** 3  
Directing the Documentary I & II are the principal courses in the Documentary Film program. Taken consecutively, it is a year-long execution drawing upon all the skills and experience that students have acquired thus far. Directing requires filmmakers to perform a broad and cumulative array of abilities and instincts to perform their role as the creative lead on a film. Students learn the art of directing through an intense study and analysis of contemporary documentary films, while working in small teams toward the goal of making a substantial film by the end of the year. A significant highlight that occurs during the course is a field trip to a major film festival, where students will spend several days immersing themselves in the art, culture, and business of cinema.

**FILM 410 - Advanced Documentary Studies**

**Credits:** 3  
This course examines the evolution of the documentary and the contemporary issues that have come to define it. With each offering, the course will specify a different area of emphasis, which might include but is not limited to social documentary, ethnographic film, environmental filmmaking, personal narrative films, and human rights video advocacy. The course may include the creation of a film in the area of study.

**FILM 555 - Sound Recording and Editing**

**Credits:** 2,3  
A skill-building, hands-on course introducing basic theories and techniques of sound through the entire filmmaking process, from the use of location sound recording packages to audio post-production editing and sound.
A skill building, project-based course exploring the responsibilities of the producer in critical to any communication career.

Continues on the foundation of Beginning Media Writing, helping students to learn how to cover a journalistic "beat", develop sources, and how to research in-depth stories. Students also practice the art of the interview and learn the rights and obligations of reporters and communicators in any media.

**Course/Lab Fee:** Yes
**Grade Mode:** Normal (A-F,I,W)
**Prerequisite(s):** JOUR 230
**Schedule Type:** Lecture
**College Code:** CAS

**JOUR 350 - News Editing for Electronic Media**

Credits: 3

Using news industry's editing standards, this course will assist students to develop techniques to edit news for the electronic media consistent with broadcast quality. This course will emphasize the roles and responsibilities of an editor including deadlines and ethics.

**Course/Lab Fee:** Yes
**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture
**Year Offering:** Alternate years
**College Code:** CAS

**JOUR 375 - Photojournalism**

Credits: 3

Practice in the composition of good news pictures and in producing the picture story.

**Course/Lab Fee:** Yes
**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture
**Year Offering:** Alternate years
**College Code:** CAS

**JOUR 440 - Magazine and Feature Writing**

Credits: 3

This course emphasizes developing original ideas and content for the specific, niche audiences served by magazines and focuses on how to think and write for magazines and newspapers.

**Course/Lab Fee:** Yes
**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture
**Year Offering:** Alternate years
**College Code:** CAS

**JOUR 445 - Publication Production**

Credits: 3

The theory and practice of planning and producing of any publication, be it newspaper, magazine or newsletter. Students will learn the value of careful editing and basic layout from an editor's perspective. Practice in editing copy, writing headlines, composing picture captions, planning layout and designing pages, as well as tips and tricks on project production, will be covered.

**Course/Lab Fee:** Yes
**Grade Mode:** Normal (A-F,I,W)
**Prerequisite(s):** JOUR 230
**Schedule Type:** Lecture
**Year Offering:** Alternate years
**College Code:** CAS

**JOUR 450 - Multimedia Journalism**

Credits: 3

In the context of media convergence, this course embraces storytelling for delivery across various media platforms. Hands-on production focuses on news content for print, broadcast (TV and radio), new media (Internet, blogs, vodcasts, podcasts and interactive elements).

**Course/Lab Fee:** Yes
**Grade Mode:** Normal (A-F,I,W)
**Schedule Type:** Lecture
**Year Offering:** Alternate years
**College Code:** CAS

**JOUR 455 - Mass Media Law**

Credits: 3

Case studies of court decisions affecting the mass media in the United States and the place of the ethical journalist in society. Consideration of the development of freedom, censorship, libel, privacy, obscenity laws, and the relationship between the press and the courts and freedom of information, and broadcast regulation.

**Course/Lab Fee:** Yes
Photography

PHTO 115 - Photography I
Credits: 3
Basic introduction to the principles of the camera and darkroom techniques with consideration toward composition, psychological, and aesthetic attitudes in black-and-white photography.

Lecture/Lab: Lab Required
Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture/Lab
College Code: CAS

PHTO 116 - Digital Photography I
Credits: 3
Introduction to photography through the use of digital tools. Digital SLRs and archival pigment printers are used to explore the technical and aesthetic issues involved in the process of making images. Consideration will be given to digital workflow, managing data, and creating visually compelling photographs.

Lecture/Lab: Lab Required
Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F, I, W)
Schedule Type: Blended Learning, Lecture/Lab
College Code: CAS

PHTO 175 - Digital Imaging
Credits: 3
A foundation course in how to apply creative vision within the boundaries of Adobe Photoshop. Emphasis is on creative and technical issues as they relate to the creation of visual work. Layers, adjustment layers, compositing methods, and restoration are explored. Technical proficiency, creative expression, and attention to detail are stressed.

Lecture/Lab: Lab Required

PHTO 200 - Advanced Photography I
Credits: 3
Develops the art of photographic perception and use of photography as a visual language. The class focuses on aesthetics and the art of seeing creatively while challenging the student to use the camera to create work that is visually refined and sophisticated.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F, I, W)
Prerequisite(s): PHTO 115 or PHTO 116.
Schedule Type: Lecture/Lab
College Code: CAS

PHTO 210 - History of Photography
Credits: 3
A study of selected photographers and processes relevant to the development of the photographic medium. This course also explores the societal fabric of the mid 19th and 20th century while investigating how photography impacted the culture of Europe and America during that time. By viewing work, listening to photographers speak about their images and discussing relevant trends, the student will better understand the society in which they live and how the medium of photography has influenced the world of art and popular culture.

Course/Lab Fee: Yes
Course Attribute: Art History course
Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture
College Code: CAS

PHTO 220 - Color Photography I
Credits: 3
Application of color materials and methods, their handling and exposure. Aesthetic and communicative aspects of color photography are stressed in producing visually effective color work.

Lecture/Lab: Weekly: lab required
Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F, I, W)
Prerequisite(s): PHTO 115 or PHTO 116 by permission of instructor.
Schedule Type: Lecture/Lab
College Code: CAS

PHTO 300 - Media Ethics & Awareness
Credits: 3
An exploration and discussion of the media and its effect on society, covering such issues as body image, violence, politics, etc. Students study how to recognize the way moral values of media professionals influence themselves and society.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture
College Code: CAS

PHTO 305 - Alternative Photographic Processes
Credits: 3
This course is designed to provide the advanced student with additional methods of creative expression. The Cyanotype and VanDyke Brown processes will be learned as well as various methods of image transfer. Creative expression and technical proficiency in these techniques will be emphasized. The creation of a portfolio with strong visual unity will be a significant part of the class.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F, I, W)
Prerequisite(s): PHTO 175, PHTO 380.
Schedule Type: Lecture/Lab
College Code: CAS
PHTO 320 - Color Photography II
Credits: 3
An image-oriented course, drawing on the student background in the use of color comprehension, photographic technical and aesthetic understanding, and working knowledge of emulsion and digital photography. Information in this class is for the sole purpose of comprehensive color image.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHTO 175, PHTO 220.
Schedule Type: Lecture
College Code: CAS

PHTO 326 - Business of Photography
Credits: 3
Students will learn how to make sure the skills learned in the studio courses actually can be used to make a viable career from a business perspective. The intent of this course is to learn how to charge a fair fee for the work that you love. Students will learn how to bid on jobs, invoice, and brand themselves from a fiscal point of view.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS

PHTO 365 - Advanced Digital Imaging
Credits: 3
Builds a deeper understanding of how to use software to create compelling visual work. Emphasis is on learning how to finely control the variables available within Adobe Photoshop and other related software. The student learns how to use alpha channels, master complex masking, and understand critical color theory as they create a body of work that further defines a unique personal vision.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ART 207, PHTO 175 or PHTO 116.
Repeatable: Repeatable up to 6 credits
Schedule Type: Lecture/Lab
College Code: CAS

PHTO 380 - Lighting I
Credits: 3
As the still and motion picture photography industries grow closer together, this course is uniquely designed to introduce the universal principles of lighting as they are applied to both fields. Students will work on projects involving still life, portraiture, location, and commercial subjects, learning to employ the right equipment - strobe vs. continuous lights, still camera vs. digital camera - for the desired outcome.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHTO 200 or PHTO 220.
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CAS

PHTO 400 - Digital Photographic Processes
Credits: 3
In this course students explore methods of digital photographic compositing to create modern illustrative images. A high level of production and craftsmanship is emphasized throughout the pre- and postproduction stages. Refined digital capture and processing of RAW files while refining illustrative techniques using the photographic medium will be stressed. Attention to crafting the highest quality prints using modern output methods will also be highlighted.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHTO 220, PHTO 365.
Schedule Type: Lecture
College Code: CAS

PHTO 410 - Advanced Photography II
Credits: 3
A course designed for the advanced photographer to investigate personal potential

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHTO 220, PHTO 365.
Repeatable: Repeatable up to 6 credits
Schedule Type: Lecture
College Code: CAS

PHTO 420 - Documentary Photography
Credits: 1–6
Documentary photography provides students with a unique opportunity to grapple with documenting images that tell a story about a particular endeavor. Students will be encouraged to go much further in-depth with a specific project then they have ever done before. The class hours will be devoted to lectures, and critiquing of assignments. Labs will consist of carrying out the semester-long project, photographing assignments, developing film/digital, printing for critiques, and mounting images for the final project.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 4 credits
Schedule Type: Lecture
College Code: CAS

PHTO 425 - Travel Photography
Credits: 3
Designed to be done in conjunction with on-location photography, and provides a background in the specific needs related to travel. Photographing people and their land in foreign environments is emphasized. Unique materials and equipment are discussed as they relate to travel photography.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Course Attribute: Studio Art course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHTO 115 or PHTO 116.
Repeatable: Repeatable up to 9 credits
Schedule Type: Lecture
College Code: CAS

PHTO 480 - Lighting II
Credits: 3
An advanced course in lighting design, students will choose a concentration in the following areas: portraiture, people/fashion, still-life, advertising/Illustration, and location photography. Designed to emphasize visual concepts, this course challenges students to solve visual problems as they relate to the commercial photography industry.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHTO 380.
Repeatable: Repeatable up to 9 credits
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CAS

PHTO 500 - Advanced Photography
Credits: 2,3
A skill-building, project-based course further developing the art of photographic perception and use of photography as visual language.

Lecture/Lab: Lab Required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHTO 516 or permission of the instructor.
Schedule Type: Lecture/Lab
College Code: CAS

PHTO 516 - Digital Photography
Credits: 2,3
A skill-building, project-based course introducing high-level digital photographic tools. These include digital SLR's and archival pigment printers.

Lecture/Lab: Lab Required
Public Relations

PREL 255 - Introduction to Public Relations
Credits: 3
Basic concepts in public relations, publics, public opinions, attitudes, two-way communications, and evaluation of public relations effectiveness. Basic literature of the field is examined. Basic principles for production of news releases, public service announcements, and other materials are covered.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)

PREL 320 - Managing PR Campaigns and Special Events
Credits: 3
Examines the characteristics of successful public relations campaigns. Emphasis given to public relations planning and evaluating, as well as to advanced techniques in news publicity, controlled media publicity, and media relations. Professional practitioners are frequent guest lecturers.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PREL 255 and JOUR 230 or permission of instructor.
Schedule Type: Lecture
College Code: CAS

PREL 454 - Advanced Public Relations
Credits: 3
Focuses on preparation for Public Relations careers, media relations, ethics, and industry issues and trends, including literature in the field and professional organizations. Students focus on writing projects, including press kits, proposals, newsletters, brochures, fund raising, speeches, public service announcements, copy writing and create documents for portfolios.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PREL 255.
Schedule Type: Lecture
College Code: CAS

PREL 460 - Development
Credits: 3
Provides student with an understanding of the facets of development intrinsic to a non-profit organization. Students work on team projects in local agencies and organization. They report to the class, write reflection papers, and give a final oral presentation about their experiences.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Year Offering: Alternate years
College Code: CAS

PREL 465 - Advanced Topics in Public Relations:
Credits: 3
Study of selected topics in Public Relations. Topic to be announced in advance.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 9 credits with different topics
Schedule Type: Lecture
College Code: CAS

PREL 510 - Advancement and Communication
Credits: 2
Developing communication skills necessary to the non-profit arena, including working with volunteers, promoting and positioning various service organizations. Communication with relevant publics.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CAS
College of Education & International Services

College of Education and International Services Structure
The College of Education & International Services, formed in 2019, is comprised of the following schools, departments, and centers:

- School of Education
  - Department of Graduate Psychology & Counseling
  - Department of Leadership
  - Department of Teaching, Learning & Curriculum
- School of Distance Education
  - Center for Digital Learning & Instructional Technology (DLIT)
  - Center for Non-Traditional Student Services
  - Center for Professional Development Courses
  - Seminary Online Learning Center
- Griggs International Academy
- Center for Intensive English Programs
- Center for Leadership
  - Global Leadership Institute
  - Institute for Women in Leadership
- Center for Off-Campus Programs

School of Education (Now part of the College of Education and International Services)
The School of Education, which has become part of CEIS, has its roots in the Normal Department of Battle Creek College, the progenitor of Andrews University established in 1874 in Battle Creek, Michigan.

In 1901, Battle Creek College moved to Berrien Springs and became Emmanuel Missionary College (EMC). The Department of Education at EMC took on formal structure in the early 1900s. The preparation of church-school teachers gained importance as the church placed greater emphasis on Christian elementary and secondary schools. During those years it was not unusual for one third of the college graduates to complete programs qualifying them to teach elementary or secondary school.

In 1956, responding to the need for graduate education within the church, the Autumn Council of the Seventh-day Adventist General Conference authorized the organization of a university type educational institution. In 1958 the School of Graduate Studies and the Seventh-day Adventist Theological Seminary merged in Berrien Springs to become Andrews University.

By 1960 the Education Department offered master's degree programs. Curriculum development was rapid with frequent changes in the course offerings and programs to keep up with the demands of students, society, and the church.

During the late 1960s, Andrews University began to consider application for National Council for Accreditation of Teacher Education (NCATE) accreditation. The council considered and approved the university's request for accreditation of its elementary and secondary teacher-education programs at both the baccalaureate and master's-degree levels beginning September 1, 1970. The North Central Association of Colleges and Schools approved the introduction of doctoral programs (1973) and granted accreditation to Andrews University as a doctoral-degree granting institution in 1979.

In 1981, the department reorganized into three areas: Educational Leadership and Management, Educational and Psychological Services, and Teacher Education. The following year the PhD degree was introduced with approval of the North Central Association. In June 1983 the various undergraduate and graduate programs merged into a School of Education.

The School of Education currently consists of three academic departments:

- Graduate Psychology & Counseling (GPC)
- Leadership (LEAD)
- Teaching, Learning & Curriculum (TLC)

Accreditation
Andrews University is accredited by the Higher Learning Comission to confer degrees at the bachelor's, master's, specialist, and doctoral levels.

The teacher-preparation and school-service personnel programs, which include teacher education programs, MAT programs, the elementary and secondary principals' programs, and programs to prepare school psychologists, are accredited by the Council for the Accreditation of Educator Preparation (CAEP) and approved by the Michigan Board of Education and the North American Division Board of Education.

The Council for Accreditation of Counseling and Related Educational Programs (CACREP), a specialized accrediting body recognized by the Council on Post-secondary Accreditation (COAP), has conferred accreditation to the following program areas in the Department of Graduate Psychology & Counseling at Andrews University: Clinical Mental Health Counseling (MA) and School Counseling (MA).

The American Psychological Association (APA) has approved the PhD in Counseling Psychology.

The National Association of School Psychologists (NASP) has approved the EdS program in School Psychology.

Faculty
The School of Education has selected a faculty based on diversity of experience and professional expertise. Equipped with advanced degrees, all have extensive experience in the areas in which they teach. They have authored books and published in professional journals. They are regularly sought as researchers, lecturers and consultants.

Conceptual Framework
Andrews University was founded as Battle Creek College in 1874. One of the founders, Ellen G. White, presented a compelling vision for education.

"True education means more than the pursual of a certain course of study. It means more than a preparation for the life that now is. It has to do with the whole being, and the whole period of existence possible to man. It is the harmonious development of the physical, mental, and spiritual powers. It prepares the student for the joy of service in this world and the higher joy of wider service in the world to come. In the highest sense the work of education and the work of redemption are one." Ellen G. White (1903), Education, Mountain View, CA; Pacific Press 13, 30.

The Andrews University School of Education embraces this vision as the organizing theme for its conceptual framework and mission.

A conceptual framework is a way of looking at the world that affects our values, goals and practices. It influences our work and how we think about what we do.

The School of Education, as part of Andrews University, has developed its conceptual framework by considering the University's mission statement—Seek Knowledge. Affirm Faith. Change the World—with respect to our specific task in training educational professionals.

Our conceptual framework helps us to clarify our purpose and mission—serving as a continual reminder of what we consider important and of how we approach our goals.

Dispositions
Dispositions are the personal characteristics our graduates will display, making them exceptional educators committed to fairness and learning for all students.

Elements
The six elements of our conceptual framework outline the principles driving our instruction and articulate particular dispositions and skills our graduates will take with them into the workplace. The elements are incorporated into all our courses and activities.

Element One: Worldview
We appreciate the perspectives of others and value the development of a personal philosophy from which action and service arise.

Our graduates will:
- Explain worldviews and trace their historical development
- Critique worldviews from a Christian perspective
- Integrate principles of a Christian worldview into their chosen fields of study
Our graduates will:

- Describe human development
- Apply current theories of learning

Disposition: We believe that all students can learn.

Element Two: Human Growth and Change
We want to see growth, development and learning used to effect positive change.

Our graduates will:

- Demonstrate ethical behavior in all professional activities
- Demonstrate balanced physical, mental, spiritual and social development

Disposition: We value personal and professional growth.

Element Three: Groups, Leadership and Change
We want to encourage principles of group behavior that effect positive change for individuals and organizations.

Our graduates will:

- Facilitate change in groups and organizations
- Relate effectively with various cultural, racial and special interest groups
- Identify political and legal issues
- Manage human, financial and material resources
- Demonstrate servant leadership

Disposition: We recognize personal leadership responsibility.

Element Four: Communication and Technology
We want to use technology to enhance communication, whether oral, written, intrapersonal or interpersonal.

Our graduates will:

- Communicate effectively in written, verbal, and non-verbal forms
- Use electronic tools effectively for professional communication, teaching and research

Disposition: We value respectful communication.

Element Five: Research and Evaluation
We both conduct and value disciplined inquiry for decision making.

Our graduates will:

- Read and evaluate research
- Conduct research
- Report research findings

Disposition: We are committed to inquiry.

Element Six: Personal and Professional Growth
We believe in holistic personal and professional growth.

Our graduates will:

- Demonstrate continuing professional development
- Demonstrate ethical behavior in all professional activities

Disposition: We value personal and professional growth.

Mission Statement
To educate is to redeem
Educar Es Redimir

Philosophy
We believe that God is the ultimate reality and that He has chosen to reveal Himself through His created universe and through His Word. God created human beings in His image and for relationship with Him. When they rebelled against Him, they entered a state of brokenness that extends to every dimension of life. Through His love and mercy, God has provided in His son Jesus Christ the means to redeem human beings from their brokenness, to restore in them His image, and to reestablish their relationship with Him.

As Christian educators supporting the world mission of the Seventh-day Adventist Church, we conceptualize the task of education to be a partnership with God in His work of redemption and restoration. Our role in this partnership is to facilitate the spiritual, mental, physical, and social development of our students through modeling and exhortation.

Accordingly, we hold that:

- God calls students to recognize Jesus Christ as Savior and Lord and through His Spirit to use principles of Scripture as a guide in their relationships with others.

- God calls students to be worthy scholars in their chosen academic discipline and to contribute to that discipline as responsible practitioners and researchers.
- God calls students to live by principles of good health as stewards of His gift of life.
- God calls students to develop and maintain supportive personal and professional relationships and to use their talents in generous service to the church and society in a culturally diverse world. To these ends, we work for the glory of God.

Undergraduate Programs
The undergraduate programs offered by the School of Education are described under Teaching, Learning & Curriculum.

Graduate Programs
The School of Education offers master’s, specialist, and doctoral degrees. A general description of each degree is provided below. Admission for any graduate degree offered in the School of Education is based on the total profile of the student and includes the analysis of admission documents as well as the professional judgment of the program faculty. Requirements for specific degrees offered in the three departments of the School of Education are described under the departmental headings.

MAT: Master of Arts in Teaching. The MAT program is an interdepartmental curriculum for teachers who desire a combination of professional preparation and subject-matter specialization in their graduate study. A teaching certificate is required for graduation. Degrees are offered in the Department of Teaching, Learning & Curriculum.

MA: Master of Arts. The MA program is a one- or two-year program beyond the bachelor's degree and is offered in all three departments of the School of Education.

MS: Master of Science. The MS program is a one- or two-year program beyond the baccalaureate degree for certified teachers who desire an endorsement in Special Education/Learning Disabilities. The degree is offered in the Department of Teaching, Learning & Curriculum.

EdS: Educational Specialist. The EdS program builds upon the master's degree in providing a more focused program of study, generally taking a minimum of one year beyond the master’s level.

EdD: Doctor of Education and PhD: Doctor of Philosophy. The doctorate consists of course work and a dissertation, usually taking a minimum of two years of work beyond the master's level.

Admission
Time to Apply. While early applications are recommended, the deadlines for application to the School of Education are as follows:

- Spring (January - April): November 15
- Summer (May - July): June 1
- Fall (August - December): July 30

Application Procedure. In addition to meeting the general requirements for graduate admission (see Graduate Academic Policies), applicants to the School of Education should note the following GRE requirements:

- Official scores from the Graduate Record Examination (GRE) General Test taken within the last five years must be submitted by EdS and PhD/EdD students before they are considered for any type of admission. MA, MS and MAT students are no longer required to submit GRE scores unless they want to apply for a graduate scholarship based on their GRE scores. Graduate Financial Assistance

Scholarships/Financial Aid
Named scholarships are allocated in the spring semester for the following school year. Students wishing to apply for scholarships should obtain an application form from the School of Education Dean's Office. The deadline for submitting applications is February 1. Application forms for regular grants are also available from the Dean's Office. Applications for graduate assistantships should be submitted to the Dean's Office. Applications for loans must be made through the Student Financial Services Office by April. See the Financial Information section for further information.

General Academic Information
Academic Advisement. A student's initial contact is with the department chair/program coordinator. The acceptance letter informs the student of the
assigned advisor for their program. Normally, the assigned advisor is the program coordinator. The advisor's major tasks are to counsel with the student about academic requirements and expectations, and to help develop a course plan which meets these requirements.

**Student Responsibilities.** Students are expected to know the regulations governing academic matters. This bulletin covers general questions relating to academic policies. Although the policies in this bulletin have the weight of faculty action, practice, and precedent, special circumstances may occasionally warrant an exception. In such circumstances, students may use the petition process coordinated by the Graduate Programs Office, Room 151.

Procedures to follow in meeting the degree requirements are detailed in the handbooks which have been prepared for the master's, specialist, and doctoral programs.

Responsibility for meeting degree requirements and following the specified procedures rests with the student. Each student is expected to be aware of the various requirements and procedures as published in both the bulletin under which he/she proposes to graduate and the handbook for the program in which he/she is studying. A student may choose to meet the requirements of any bulletin in force while he/she is continuously enrolled as defined for each degree program.

**Student Grievance Procedure.** Andrews University has a grievance (appeal) procedure for students who may oppose or question any practice, decision, and/or policy. The details of this procedure are found in each of the School of Education graduate handbooks and in the undergraduate Student Handbook.

**Continuous Registration-Active Status.** (Educational Leadership and Leadership students, please see the Leadership section regarding continuous registration). Graduate students are expected to make continuous progress in their graduate program from admission through graduation. Continuous registration (except during the summer session) is required.

Continuous registration will be required beginning the first semester of taking classes following admission to the graduate program. Continuous registration allows students to remain active in the graduate program while physically absent from the campus.

Students must be continuously registered in at least one graduate credit applicable to the graduate program for every fall and spring semester until they complete all requirements for their degree or certificate. Students must also register for the summer session if they use university facilities or consult with faculty during the summer session. Students pursuing a degree during summer sessions only must be enrolled every summer in order to maintain active status in the program.

**Leave of Absence.** While graduate students are expected to make continuous progress toward completion of their graduate programs, there are instances where continuous registration is not possible. Students who need to temporarily suspend their studies must apply for a leave of absence through their advisor and committee chair. If the leave is approved, the student is placed on inactive status. Inactive status does not negate the policy which requires that all credits counted toward the degree or certificate, including transfer credits, be earned within an appropriate period for a given degree prior to graduation. Students who fail to make continuous progress (see Continuous Registration above) or to obtain an approved leave of absence may be removed from active status.

**Inactive Status.** Graduate students who do not have continuous registration or an approved leave of absence will be placed on inactive status. Students who fail to request reactivation within the allowed time for program completion will be removed from a graduate program.

Doctoral students who do not make any progress on their dissertations for a period of 12 months may be asked to revise the composition of their dissertation committees. The dissertation chair and committee may reconsider their commitment to the student's dissertation.

After being inactivated, students must make a request for reinstatement to a graduate program through the department. (See Graduate Academic Policies--inactive status.)

**Reactivation Process.** Graduate students who have been removed from active status for failing to meet academic standards may apply for reactivation to a graduate program. When re-applying to the School of Education graduate program, it is the student's responsibility to demonstrate his or her ability to succeed in the graduate program.

Graduate students who have been removed from active status for not making continuous progress (see Continuous Registration above) must re-apply to the department for reactivation into the graduate program and pay a reactivation fee. Students must follow the bulletin in force upon reactivation. (See General Academic Policies.) Students seeking reactivation must register for EDUC 560 - Degree Reactivation course for “0” credits.

Upon approval of department chair, registration, and payment of the reactivation fee, a graduate student is considered active for the current semester. Reactivated graduate students must remain actively enrolled for candidacy and may or may not be required to meet the program requirements which are in effect at the time of reactivation.

Doctoral students may be required to select a new dissertation committee and/or topic.

**Standards of Scholarship.**

- To remain in regular standing and to graduate, students must maintain the minimum GPA (on a 4.00 system) required below:
  - The MA/MAT/MS: a minimum GPA of 3.00 in all courses for the degree and in all courses applied to the major/emphasis.
  - The EdS: a minimum GPA of 3.20 in all post-master's courses for the degree and in all courses applied to the major/emphasis.
  - The EdD/PhD: a minimum GPA of 3.30 in all post-master's courses (or post-specialist courses if EdS was received before admission to the doctoral program) for the degree and in all courses applied to the major/emphasis.

- Students whose cumulative GPA drops below the minimum in any given semester are placed on academic probation. Such students must work with their advisors to develop a schedule of courses that ensures raising the cumulative GPA above the required minimum in a timely manner (normally the following semester). The Graduate Programs Office must approve the plan. Students who fail to meet the terms of such a plan are asked to withdraw.

- No grade of D or F or U may count toward a degree. Courses with a grade less than a B- do not count toward the major or emphasis.

- If a student receives an unsatisfactory grade (normally a D or F), the course may be repeated once. The credits and quality points earned in the most recent course will be used to calculate the GPA. Course grades may be replaced only by grades for course work repeated on campus.

- Any student who receives a grade below B- (including U) in more than four courses in an MA program and in more than three courses (in addition to the four from the MA) in an EdS/EdD/PhD program is asked to withdraw.

- Students may not apply credits earned by examination toward a graduate degree.

- Candidates for the MA/MS degree must pass comprehensive examinations and (if the thesis option is chosen) formally defend a master’s thesis. Candidates for EdS degrees must pass comprehensive examinations. Candidates for PhD/EdD degrees must pass comprehensive examinations and formally defend a dissertation.

**Satisfactory Academic Progress (SAP).** See the section on SAP Policy for Graduate Students with Financial Aid, Financial Information.

**Transfer Credits.** General requirements for transfer credits are found in the Graduate Academic Policies section of the bulletin. In addition, graduate course work taken at any Seventh-day Adventist college in the United States offering an MA degree may transfer up to 50% of the minimum credits required. Graduate credits taken in the MDiv program may be transferred into MA and EdS programs in the School of Education. However, 1 Master of Divinity credit will be marked down to .75 School of Education credits. Transfer credits from other Seminary programs need to be evaluated on a case-by-case basis.

**Time Limits.** A student must complete the requirements for a master’s degree normally within six years, but no more than ten years from the beginning of the first semester of class work irrespective of admission classification. Leadership students please see Leadership program sections regarding program time limits. Course work taken more than six years but less than ten years prior to the graduation year must be updated in order to apply to the degree, if taken at Andrews University. Transfer courses for which advanced credit is requested must be taken within six years of the graduation year.

**Master’s Degrees (MA /MAT/MS)**

The master's degrees (MA/MAT/MS) prepare personnel for leadership and specialized positions in education beyond the bachelor's degree. While additional specific departmental requirements are described under the different departments, some general requirements are indicated below. Students are responsible for reading the Academic Information section of this bulletin. Also, students should consult the Handbook for Master’s Students or the Handbook for Master of Arts in Teaching (MAT) Students and Faculty.

**Admission to MA/MAT/MS Programs.** See the General Admission Requirements and the Minimum Academic Standards for Admission to Graduate Programs sections of this bulletin, Graduate Academic Policies.
endorsements must take a practicum in accordance with these guidelines:

Students must receive approval to take a practicum in accordance with these guidelines. All students must satisfy one of the following: 24 credits in practicum courses or 36 credits in non-practicum courses. Students must complete at least 12 credits of practicum coursework before completing 30 credits of coursework in the major area of emphasis in place of the thesis.

Students must satisfactorily complete a minimum of 30-60 credits (as determined by the program chosen).

MAT students must satisfactorily complete at least 12 credits in the area of emphasis required by their chosen program. 20% of the total program credits (32 credits) must be in courses numbered 500 or above.

General Requirements (MA/MS ONLY)

The program must include EDFN 500 and EDRM 505/506.

All MA students must pass a comprehensive examination after they are advanced to degree candidacy. The examination is scheduled on specific dates each semester (see the School of Education academic calendar). The exam schedule varies according to the student’s program. An Application for Advancement to Candidacy form is filed upon completion of 50% of the student’s course work.

All MA/MS students planning on taking comprehensive exams are registered for the EDUC 670 - Master’s Comprehensive Exam course for 0 credits by the Graduate School Coordinator. Students who fail the master’s comprehensive exam will have only one more opportunity to retake the exam. Students who fail the exam on their second attempt may be removed from the program.

All MS students—if you want to add this endorsement to your Michigan Teaching Credential, you must successfully complete the Michigan Test for Teacher Certification (MTTC) subject area exam. In addition, you are required to pass a comprehensive examination after advancement to degree candidacy in order to obtain the Master of Science degree. The examination, which is scheduled on specific dates each semester (see the College of Education & International Services academic calendar above), consists of one 3-hour session and one 2-hour session.

Preparation and Presentation of a Thesis. To fulfill the thesis option for a master’s degree, the student must write a thesis and successfully defend it in an oral examination at an officially designated time and place. See Handbook for Master’s Students.

The format of the thesis must conform to the guidelines found in the Andrews University Standards for Written Work.

Students elect to take either a thesis or non-thesis option. Those who plan to take additional graduate study should elect to write a thesis. Students who do not plan to pursue a specialist degree or a doctoral degree may substitute 3 semester credits of course work in the major area of emphasis in place of the thesis.

Guidelines for Practicums. Students in the MAT program which requires certification endorsements must take a practicum in accordance with these guidelines:

Students should take the practicum experience toward the end of their program after completing all required prerequisites.

Students must submit an application to the Certification, Screening, and Petitions Committee before January 31 to be eligible to take the practicum experience the next academic year.

The director of student teaching makes all arrangements for placement in schools.

Students must make a pre-practicum visit to the school before placement is finalized.

Transfer From One Program to Another. Acceptance into an MA/MAT/MS program in the School of Education does not include the option of automatic transfer to another program at a subsequent time. A student in one of the programs may be permitted to reapply for the other degree program until the last day of the second semester. Upon application for transfer, advisors re-evaluate the student’s current program and make adjustments for the new degree requirements. Following that re-evaluation, those courses which are relevant to the second degree may be transferred.

Progression Through the MA/MAT/MS Degree Programs

Academic Advisement. The department assigns an advisor to the student at the time of acceptance. Student is informed about the name of the assigned advisor in the acceptance letter. The assigned advisor most of the time is the program coordinator. The advisor’s major tasks are to counsel with the student about academic requirements and expectations, and to help develop a course plan which meets these requirements.

Advancement to Degree Candidacy. For information regarding advancement to degree candidacy for master’s degree students, see the General Academic Policies section of this bulletin.

Educational Specialist Degree (EdS)

The specialist degree prepares personnel for leadership and specialized positions in education. It builds upon the master’s degree in providing a more focused program of study. In some cases the specialist program accommodates persons desiring career shifts and advancement in certification. Because the educational specialist program emphasizes practice rather than research, a dissertation and advanced research course work are not required.

The specialist degree should be considered a terminal program. However, doctoral students may elect to complete the specialist degree as a component of the doctoral program. Such an arrangement should be made in consultation with the student’s advisor as an approved by the Graduate Programs Office no later than the first semester of course work.

Students are responsible for reading the Graduate Programs and Academic Information portions of the Admissions and Academics section of this bulletin. Also, students should consult the Handbook for Educational Specialist Students.

Admission to the EdS Program. Admission to a specialist program is based on the total profile of the student. To qualify for regular admission, the student must have a master’s degree or its equivalent from an accredited university (see Department of Graduate Psychology & Counseling for possible exceptions), give evidence of ability to pursue advanced study in graduate-level work with a cumulative graduate GPA of 3.20 (4.00 system), meet all other admission standards listed in the Graduate Programs under the Admissions and Academic Information (Graduate Academic Policies) sections of this bulletin.

Transferring Specialist Degree Credits. Graduate credits received from institutions generally considered to be diploma/degree mills are not eligible to be transferred into a degree program.

General Requirements. General program requirements are indicated below. Additional program-specific requirements are described in the departmental sections which follow.

The program requires a minimum of 64 semester credits of post-baccalaureate study.

At least 24 semester credits must be completed within the EdS program at Andrews University. This course plan must include at least two-thirds of the required minimum of credits in course work numbered 500 and above.

Students entering the EdS School Psychology program are required to complete at least 80% of required credits at Andrews University. Fieldwork experiences are not transferable.

Major requirements for the completion of the program are determined by the individual department offering the degree.

A cognate in an appropriate supportive area may be required.

Two educational foundations courses:

- EDFN 500 - Philosophical Foundations for Professionals —2-3 and one of the following:
  - Historical
  - EDFN 517 - History of Seventh-day Adventist Education —2
  - EDCI 686 - Curriculum Past & Present —3
  - Philosophical
  - EDFN 610 - History and Philosophy of Education —3
  - EDCI 547 - Foundations of Curriculum Studies —3
  - EDCI 747 - Survey of Curriculum Theory —3
  - Psychological
  - GDPC 514 - Psychology of Learning —3

  - EDFN 689 - Seminar in Foundations: —2–3
  - Theological
  - EDFN 688 - Integration of Faith and Learning —1–2

The student must submit evidence of competence in understanding and conducting investigations in his/her field of study. Depending on the particular program, a student may fulfill this requirement by doing one or more of the following:

- Course work in research and/or statistics.
- An advanced project featuring the systematic development of a significant educational product.
Following two options:

- The minimum GPA required for completion of the program is 3.20 figured on all course work included as a part of the EdS program.
- A minimum of two years of work experience in the field of education or appropriate clinical experience is required before the degree is granted. The individual department determines the appropriateness of the experience.

Time Limits. A student must complete the requirements for a specialist degree within six calendar years from the beginning of the first semester of class work irrespective of admission classification.

Bulletin Requirements. A student may choose to meet the requirements of any bulletin in force after acceptance into the specialist program, as long as he/she maintains active status. If a break of enrollment occurs, the student must meet the requirements of a bulletin in effect after enrollment resumes.

Transfer of Degree Program

From One Specialist Program to Another. Acceptance into a specialist program in the School of Education does not include the option of automatic transfer to another specialist program at a subsequent time. A student in one of the specialist programs may be permitted to reapply for the other program up to the last day of the second semester. On such application for transfer, advisors reevaluate the current program of the student and make adjustments for the new requirements. Following that reevaluation, those courses which are relevant to the second degree may be transferred.

From Doctoral to Specialist Program. Students already accepted into a doctoral program who wish to transfer to the specialist degree program in the same department are transferred by a Change of Program Application which is approved by the department chair, school dean and the Graduate Enrollment Management. The student must follow the current bulletin and submit a new Statement of Purpose and may be required to submit new recommendations. After receiving the specialist degree, the student may return to the doctoral program by either of the following two options:

- By Change of Program Application with all previous doctoral requirements (course plan, time limits, etc.) in effect
- By online application to the Graduate Educational Programs Committee with all new requirements

Progression Through the EdS Degree Program

Course Plan. Normally, during the first semester the student and advisor work out a proposed course plan to complete degree requirements. This is submitted to the Graduate Programs office.

Advancement to Candidacy. Students must file an Application for Advancement to Degree Candidacy form which can be obtained from the Dean’s office or the Graduate Programs office.

- Students must make application for advancement to degree candidacy before registering for the last 16 credits of course work.
- Before filing an Application for Advancement to Degree Candidacy form, the student must
  - Remove all deficiencies
  - Demonstrate English Language proficiency (where required)
  - Achieve regular admission status
  - Have a cumulative GPA of 3.20 or higher.

After being advanced to degree candidacy, students may request to take the comprehensive examinations.

Comprehensive Examination. A written comprehensive examination is scheduled for specific dates each semester as noted in the academic calendar. Normally the Application for the Comprehensive Examination form and the Application for Advancement to Degree Candidacy form are filed together during the semester prior to the comprehensive examination. Students are not permitted to sit for the examination until they have been advanced officially to degree candidacy. All course work and the comprehensive examination must be completed within six years of initial registration for Andrews University specialist course work. Students applying for comprehensive examination must register for EDUC770 - Specialist Comprehensive Exam. Students who fail the specialist comprehensive exam will have only one more opportunity to retake the exam. Students who fail the exam on their second attempt may be removed from the program.

Preparation and Presentation of a Project. A department may require a project. Students should consult the Handbook for Educational Specialist Students for further information regarding the preparation, scheduling, and presentation of a project.

Doctoral Degrees (EdD/PhD)

The doctoral degree prepares personnel for leadership and specialized positions in education beyond the master’s or specialist degree. This program requires advanced research course work and the writing of a dissertation. While additional specific departmental requirements are described under the individual departments, some general requirements are indicated below. Students are responsible for reading the Graduate Programs and the Admissions and Academic Information sections of this bulletin Graduate Academic Policies. Also, students should consult the Handbook for Doctoral Students.

Admission to a Doctoral Program. Admission is based on the total profile of the student. To qualify for admission, the student must meet all the admissions standards listed in the Graduate Admissions section of this bulletin, including:

- Earned master’s degree or its equivalent from an accredited university with adequate preparation for the proposed doctoral specialization (see the Department of Graduate Psychology & Counseling and the Leadership program for possible exceptions).
- Evidence of ability for doctoral-level work as demonstrated by superior undergraduate- and graduate-level work and an adequate score on a Graduate Record Examination (GRE) General Test taken within five years of admission.
- Presenting a report that demonstrates adequate ability to undertake research. Students seeking admission to a doctoral program who cannot present evidence of research ability must register for appropriate course work which provides research experience as prescribed by the departments the students are entering.

Transferring Doctoral Degree Credits. Post-master’s transfer credit, if appropriate to the student’s program, may be accepted if (1) the credits were completed within the time limitations indicated in the appropriate section of this bulletin and (2) the transfer complies with the provisions in the School of Education. A petition for transfer of credit is considered only after an official transcript for the course is received. Credits received from institutions generally considered to be diploma/degree mills are not eligible to be transferred into a degree program.

Exceptions. Exceptions to course-transfer regulations must be approved by the dean of the School of Graduate Studies & Research on a standard petition form upon the recommendation of the dean/graduate program coordinator of the college/school. Any such exceptions will be considered individually in the light of the master’s requirements. Exceptions for whole programs must be voted by the Graduate Council but thereafter do not need individual approval on petitions.

GENERAL REQUIREMENTS:

Students pursuing doctoral programs in Leadership, Higher Education, Educational Leadership see the Leadership Department Section. Students in Counseling Psychology and Educational Psychology see doctoral program requirements in the Graduate Psychology and Counseling section. Students in Curriculum and Instruction see doctoral program requirements in the Teaching, Learning and Curriculum section.

ADDITIONAL GENERAL REQUIREMENTS:

The student must complete a minimum of 60+ post-master semester credits of which 32 credits in approved on-campus doctoral course work (not including the dissertation proposal (2) and dissertation credits (14)) must be completed after acceptance into the doctoral program at Andrews University. (A minimum of 24 credits of coursework is required for candidates with an EdS degree from another institution and a minimum of 16 credits for candidates with an AU EdS degree). The courses (excluding dissertation) must include a minimum of 6 credits numbered 700 and above.

The student may be required to complete a cognate or equivalent which includes a planned sequence of courses outside the major (see individual departmental requirements).

- Students must have a 3.30 cumulative GPA for all course work included in the degree program; a 3.30 GPA must be maintained in all post-master’s course work (or post-specialist if a specialist degree was received before admission to the doctoral program) included in the degree program.
- Students must take the following educational foundations courses as recommended by their individual program:
  - EDFN 500 - Philosophical Foundations for Professionals — 3 and one course from two of the following areas:
    - Historical
    - EDFN 517 - History of Seventh-day Adventist Education — 2
    - EDCI 686 - Curriculum Past & Present — 3
    - Philosophical
    - EDFN 610 - History and Philosophy of Education — 3
    - EDCI 547 - Foundations of Curriculum Studies — 3
    - Psychological
    - EDCI 747 - Survey of Curriculum Theory — 3
    - GDPC 514 - Psychology of Learning — 3
Some programs may use the following requirements:

- **PhD Residency.** A sequence of two out of three consecutive semester at a full-time load. The PhD Counseling Psychology program has other residency requirements which are noted within the program description section.
- **EdD Residency.** A sequence of any three out of seven consecutive terms (semester or summer) at a full-time load. This requirement may be met by enrolling for three consecutive summers.
- Students must successfully pass the comprehensive examination.
- Students are required to take a minimum of 16 dissertation credits and write and defend a dissertation.
- Students who have registered for the minimum of 16 dissertation credits and have not graduated and are still within the program time limit will register for dissertation continuation until graduation.
- Students who registered for the total required minimum of 16 dissertation credits but have not graduated within the program time limit must register for one (1) dissertation credit each semester until graduation.

**Time Limits**

- Time limits are determined by the specific program and the time length is counted from the first registration for AU doctoral course work. Students in the Department of Teaching, Learning & Curriculum must complete all requirements, including dissertation, within 10 years. Students in the Department of Graduate Psychology & Counseling must complete all requirements, including dissertation, within seven years. Students from the Department of Leadership must complete all requirements, including dissertation, within seven years.
- All course work and the comprehensive examination must be completed within 5 years of first registration for AU doctoral course work.
- The dissertation must be completed within 7 years of first registration for AU doctoral course work.

**Full-time Status.** For students who have completed all classes for the degree except dissertation and/or internship, full-time status requires the following:

- Registering for one or more credits of dissertation, dissertation continuation, or internship every semester until graduation
- Doing “full-time” work on the dissertation or internship as defined by at least 24 hours a week or 720 hours per year
- Receiving confirmation by the dissertation chair or internship supervisor that full-time work is being done

For students who have not completed all classes for the degree, full-time status requires one of the following options:

- Registering for 8 or more credits of course work and/or dissertation and/or internship
- Registering for one or more credits of dissertation or internship; doing “full-time” work on the dissertation or internship as defined by at least 24 hours a week or 720 hours per year; and having approval by the dissertation chair or internship supervisor that full-time work is being done. Students may not take more than 16 credits during a semester.
- Registering for LEAD600 allows a student to be considered a full-time student

**Bulletin Requirements.** A student may choose to meet the requirements of any bulletin in force after acceptance into the doctoral program, as long as he/she maintains active status. If a break of enrollment occurs and the student is placed on inactive status, he/she must meet the requirements of a bulletin in effect after enrollment resumes.

**Transferring from one doctoral program to another within a department.** Transfers between EdD and PhD degrees within the same department shall by Change of Program petition and can be made at any time during the student’s program. Original time limits are maintained.
program that serves students in North America and internationally. There are a variety of delivery styles offered through GIA: online courses, paper-based courses, school sites—adapting to the needs of individuals or supplementing a school program. The mission of GIA is to provide educationally sound, values-based, guided independent study and distance education programs that build a foundation for service to God, church and society. These programs and courses respond to learner needs in the context of a lifetime learning experience.

Griggs International Academy, operated by the College of Education and International Services, is accredited by:

Masters

Clinical Mental Health Counseling

MA

E-mail: gpc@andrews.edu

The Clinical Mental Health Counseling program is accredited by CACREP. The program is designed to prepare students to function as professional clinical mental health counselors in community agency and mental health settings, such as: (a) mental health centers; (b) family counseling centers, and (c) solo or group private practice.

Due to the sequential nature of the Clinical Mental Health Counseling program, students must begin full-time study in the fall semester if they are to complete in two academic years.

Licensure: Because licensure requirements are controlled by local governments, it is the student's responsibility to prepare for licensure requirements in the locality where practice is intended.

Upon entering this program, students may receive training in settings where vulnerable populations are served. Instances where this may occur are course assignments and practicum/internship experiences either within schools or in a counseling setting. It is the department's responsibility to help protect the safety of children and clients. Certain convictions may prevent future licensure/certification eligibility. The department utilizes two methods to validate and track applicant and student criminal backgrounds: a Conviction Clearance Form and a formal Background Check conducted by an outside agency.

Maintaining Academic Standing

Continuation in the Counseling Psychology program is based upon a periodic review, by the department, of the student’s academic performance and personal qualifications as a counselor.

Student Learning Outcomes

Upon completion of the master’s degree in Clinical Mental Health Counseling, students will be able to:

- Understand, respond to and advocate for the needs of diverse client populations in a multicultural and pluralistic society, including issues regarding race, culture, religion, spirituality, sexual orientation, age, ability, gender, socioeconomic status, educational levels and multi-racial identities.
- Demonstrate knowledge and understanding of the major theories of counseling and develop a personal theory of counseling.
- Demonstrate knowledge and understanding of the major theories of career development and how to provide career/lifestyle counseling to clients.
- Demonstrate understanding and knowledge of human development across the life span and how this relates to counseling interventions and assessment of clients.
- Selects appropriate comprehensive assessment interventions to assist in diagnosis and treatment planning, with an awareness of cultural bias in the implementation and interpretation of assessment protocols.
- Demonstrate the ability to use current technology for presentations, supervision, assessment, and professional record keeping.
- Develops measurable outcomes for clinical mental health counseling programs, interventions and treatments, and then analyzes and uses data to increase the effectiveness of clinical mental health counseling interventions and programs.
- Model legal and ethical standards of clinical mental health counseling in accordance with state and federal law and the standards of the American Counseling Association.
- Apply basic counseling and facilitative communication skills in individual and small group settings.
- Demonstrate a commitment to professional development by joining and becoming active members in the American Counseling Association (ACA) or the American Mental Health Counselors Association (AMHCA).
- Model the desire to give back to one’s community, church or society either by advocating for an identified issue of social justice or by engaging in service to their church and/or community.

Competency #1: The breadth of scientific psychology, its history of thought and development, its research methods, and its applications

- Biological aspects of behavior
- Cognitive aspects of behavior
- Affective aspects of behavior
- Social aspects of behavior
- History and systems of psychology
- Psychological measurement
- Research methodology
- Techniques of data analysis

Competency #2: The scientific, methodological, and theoretical foundations of practice in the substantive area(s) of professional psychology in which the program has its training emphasis.

- Individual differences in behavior
- Human development
- Dysfunctional behavior or psychopathology

Competency #3: Diagnosing or defining problems through psychological assessment and measurement and formulating and implementing intervention strategies (including training in empirically supported procedures).

- Professional standards and ethics
- Theories and methods of assessment and diagnosis
- Theories and methods of effective intervention
- Theories and methods of consultation
- Theories and methods of supervision

Competency #4: Issues of cultural and individual diversity that are relevant to all of the above

Competency #5: Attitudes essential for life-long learning, scholarly inquiry, and professional problem-solving as psychologists in the context of an evolving body of scientific and professional knowledge.
Educational Psychology MA

Educational psychologists are involved in the following settings: classroom teaching at the elementary, secondary, and higher education levels; research related to schools, learning and human growth and development; the construction, administration, and evaluation of tests; early childhood education programs; training programs in business and industry; and residence-hall directors.

Each student in the Educational Psychology program must select one of the following concentrations: General, Instructional, Developmental, or Research.

The student and advisor plan a provisional sequence of experiences in accordance with the student’s professional objectives, the general requirements of the MA degree and the chosen concentration.

Continuation in the Educational Psychology program is based upon a periodic review, by the department, of the student’s academic performance and personal qualifications as they pertain to an educational psychologist.

Total Credits - 30-33

Core - 8-9

3 credits of EDFN 500 - Philosophical Foundations for Professionals Credits: 2,3
(only 2 credits required for Instructional Psychology Concentration)
EDRM 505 - Research Methods Credits: 3
EDUC 670 - Master's Comprehensive Exam Credits: 0
GDPC 614 - Human Development Credits: 3

Concentrations - 21-24+

General - 21

GDPC 642 - Behavioral and Emotional Problems of Children Credits: 3
GDPC 644 - Psychological Testing Credits: 3
GDPC 649 - Crisis Intervention Credits: 1

Electives
Choose 3 credits from GDPC, in consultation with academic advisor. It is presumed that this course will assist in the understanding of the learner and/or the learning environment. For those who wish to complete their EdS in School Psychology degree, GDPC 652 is recommended.

Research - 24+

EDRM 604 - Design and Analysis of Educational and Psychological Surveys Credits: 3
EDRM 605 - Qualitative Research Methods in Education and Psychology Credits: 3
EDRM 611 - Applied Statistical Methods I Credits: 3
EDRM 612 - Applied Statistical Methods II Credits: 3
EDRM 613 - Applied Statistical Methods III Credits: 3
GDPC 514 - Psychology of Learning Credits: 3
GDPC 644 - Psychological Testing Credits: 3

Additional Information

The 30+ credit MA Educational Psychology programs (without thesis) may be completed in one year of full-time study.

Students in the General, Developmental, or Instructional Psychology concentrations who are planning further graduate work are encouraged to include GDPC 699 Thesis. Please note that the thesis option will add an additional 3 credits to your 30-credit program.

Student Learning Outcomes

Graduates will demonstrate:

- The ability to integrate a spiritual perspective into educational psychological practice and theory.
- Knowledge and understanding of human development, and human learning across the life span.
- Knowledge and understanding of the major theories of learning and motivation.
- Competency in the planning and prescribing of teaching and curriculum strategies for students.
- Knowledge of human behavior and behavior management techniques and capacity to plan and implement classroom management procedures pertaining to the behavior of students.
- The acquisition and mastery of a broad understanding of learning and learning impairments.
- Skills in the ability to consult, counsel, and collaborate with students, parents, school personnel, and appropriate outside personnel regarding mental health, behavior, and educational concerns utilizing psychologist principles.
- Knowledge of human growth and development in pupils with or without handicaps.
- The ability to use current technology for supervision, assessment, and professional record keeping and consultation.
- Ability to understand and interpret statistical data from research studies.
- Ability to integrate data from tests and other measurement sources.
- Ability to understand dynamics of research.
- Ability to communicate research findings to parents, students and other professionals in a meaningful way.
- Ability to provide psychological information to special populations including ethnic minorities, female students, learning disabled students, mentally challenged students, emotionally handicapped students, physically disabled students, and gifted students.
- Ability to conduct research in the area of Education and School Psychology.
- Ability to understand ethical standards for the profession of Educational Psychology.
- Ethical behaviors in the area of Educational Psychology.

School Counseling MA

E-mail: gpc@andrews.edu

The School Counseling program is accredited by CACREP. The School Counseling curriculum prepares students for counseling in elementary and secondary schools.

Upon entering the School Counseling program, students may receive training in settings where vulnerable populations are served. Instances where this may occur are course assignments and practicum/internship experiences either within schools or in a counseling setting. It is the department’s responsibility to help protect the safety of children and clients. Certain convictions may prevent future licensure/certification eligibility. The department utilizes two methods to validate and track applicant and student criminal backgrounds: a Conviction Clearance Form and a formal Background Check conducted by an outside agency.

Due to the sequential nature of the School Counseling program, students must begin full-time study in the fall semester if they are to complete in two academic years.
The program includes the course work and experiences required for endorsement as a school counselor in Michigan.

Total Credits - 60

Core - 51

GDPC 695 - Professional Portfolio Credits: 0

Clinical Instruction - 9
GDPC 650 - Practicum in Counseling Credits: 3
6 credits of GDPC 655 - Internship in Counseling Credits: 1–6

Additional Requirements
Students are required to attend a minimum of eight weekly personal counseling sessions during the first semester of enrollment. These sessions may be arranged with the University's Counseling & Testing Center or in the public sector by a licensed therapist. A letter verifying the completion of these eight sessions is required by the end of the first semester.

Prior to graduation, all students are required to take the Michigan Test for Teacher Certification (MTTC) and apply for licensure through the State of Michigan. Additionally, students working toward certification as K–12 school counselors should contact the states where they wish to be endorsed to ensure that all requirements are being met. Some states require teacher certification in order to obtain school counselor endorsement, and many require licensure in the state in which you graduated.

Maintaining Academic Standing
Continuation in the School Counseling program is based upon a periodic review, by the department, of the student's academic performance and personal qualifications as a school counselor.

Student Learning Outcomes
The School Counseling program is designed to meet the criteria established by the Council for Accreditation of Counseling and Related Educational Programs (CACREP). This program requires instruction in nine common-core areas as well as clinical instruction. The CACREP Core Program Objectives are met in various courses throughout the program. These Core Program Objectives include the following:

- **Professional Counseling Identity.** Our graduates will develop understanding of the history of professional counseling, knowledge of the philosophical foundations of the profession, knowledge of the roles and functions of counselors, professional pride/professional engagement and knowledge and understanding of professional ethics.
- **Ethical Practice.** Our graduates will commit to and follow professional ethics consistent with the American Counseling Association ethical guidelines. They seek supervision/consultation to resolve ethical dilemmas and take personal responsibility in the event an ethical error is committed. Students also develop a strong awareness of their own values and worldviews, recognize their own competencies and limitations, maintain openness to supervision and recognize/acknowledge/remediate personal issues that may impact client care. They express a clear understanding of personal needs, values, strengths, weaknesses, feelings and motivations that may impinge upon effectiveness as a counselor. They understand the need for themselves to maintain good mental and physical health.

- **Social and Cultural Diversity.** Our graduates will develop awareness of power, privilege and difference and their own cultural attitudes, beliefs and effects of social location and learn strategies for working with diverse populations, gender, sexual orientation, ethnic and other non-dominant groups. Students develop an ability to recognize the injustices that affect physical, academic, career, economic and mental wellbeing of individuals and learn skill sets to act to alleviate such injustices in the society. Students develop the ability to be empowering agents and advocates in service as change agents on the systemic level to better serve under-represented, marginalized and oppressed individuals and groups. Our students will also model the desire to give back to one’s community, church or society either by advocating for an identified issue of social justice or by engaging in service to their church and/or community.
- **Human Growth and Development.** Our graduates will learn to interpret and apply core theory and research of the nature and needs of individuals at all developmental levels and in multicultural contexts.
- **Career Development.** Our graduates will develop understanding on how to apply core theory and research of career development, the psychology of work and related factors. Students learn which assessment instruments and techniques are relevant to career planning and decision making.
- **Helping Relationships.** Our graduates will develop therapeutic communications skills, emphasize the client-counselor relationship and facilitate and manage the counseling process with individuals and groups. Students develop an understanding of a range of counseling theories consistent with their own theoretical orientation, a critical evaluation of the literature, client mental health needs and goals in counseling, diagnosis and best practices in the profession.
- **Group Work.** Our graduates will develop an understanding of the theoretical and experiential foundations of group purpose, development and dynamics and understand how to apply group counseling methods and skills in group settings.
- **Assessment.** Our graduates will understand principles of testing and measurement and learn how to apply both individual and group methods of assessment and evaluation.
- **Research and Program Evaluation.** Our graduates will understand methods and roles of research, statistical analysis, needs assessment and program evaluation.

After completion of the MA in School Counseling, the students will be able to:

- Understand, respond to and advocate for the guidance needs of diverse student populations in a multicultural and pluralistic society, including issues regarding race, culture, religion, spirituality, sexual orientation, age, ability, gender, socioeconomic status, educational levels and multi-racial identities.
- Communicate and collaborate with school age students, their families, school staff and community agency representatives to promote a safe, healthy and effective learning environment.
- Demonstrate knowledge and understanding of systems theories, models and processes of consultation in school system settings and develop a personal theory of counseling.
- Apply knowledge of career development theory and practice to facilitate development student career and transition skills.
- Demonstrate understanding of the psychosocial foundations of human development across the life span.
- Applies relevant research findings to inform the practice of school counseling. Utilize student and institutional data to improve programs and recommend change.
- Develop, organize administer and conduct programs to enhance student academic development.
- Apply basic counseling and facilitative communication skills in individual and small group settings.
- Apply the knowledge of current technology for purposes of presentations, supervision, assessment, and professional record keeping.
- Apply psycho-educational theory and concepts in relation to individual assessment of aptitude, interest and achievement.
- Model legal and ethical standards of school counseling in accordance with state and federal law and the standards of the American School Counselor Association and the American Counseling Association.
- Demonstrate a commitment to professional development by joining and becoming active members in the American Counseling Association (ACA) or the American School Counselor Association.
- Model the desire to give back to one’s community, church or society either by advocating for an identified issue of social justice or by engaging in service to their church and/or community.
Counseling Psychology PhD

E-mail: gpc@andrews.edu

The PhD in Counseling Psychology is accredited by APA. It prepares students for the multi-faceted role of the professional psychologist, which allows them to work in a variety of settings including: academia, clinical settings, consultation, churches, businesses, and private settings. It is also the intent of the program to prepare graduates for licensure as professional psychologists in the U.S. and with eligibility to practice internationally. Students should consult with the appropriate authorities regarding requirements in the states or countries in which they wish to engage in clinical practice.

Counseling psychology students must specialize in one of the listed focus areas: Adult, Child/Family, Cultural Diversity, and Health Psychology. Additionally, each focus area requires students to complete specified coursework, Advanced Emphasis practicum, and a dissertation topic related to the chosen focus area.

Total Credits - 106+

Psychological Foundations - 24
GDPC 614 - Human Development Credits: 3
GDPC 616 - Psychology of Religious Experience Credits: 3
GDPC 620 - History and Systems of Psychology Credits: 3
GDPC 625 - Biopsychology Credits: 3
GDPC 626 - Cognitive and Affective Bases of Behavior Credits: 3
GDPC 629 - Psychopathology: Classification & Treatment Credits: 3
GDPC 644 - Psychological Testing Credits: 3
GDPC 670 - Advanced Social Psychology Credits: 3

Professional Studies - 38
EDUC 870 - Doctoral Comprehensive Exam Credits: 0
GDPC 643 - Career Development Credits: 3
GDPC 645 - Professional Ethics for Counselors and Psychologists Credits: 3
GDPC 652 - Cognitive Assessment Across the Lifespan Credits: 3
GDPC 686 - Interventions and Diagnosis with Children and Adolescents Credits: 3
GDPC 687 - Counseling and Therapeutic Interventions for Adults Credits: 3
GDPC 688 - Advanced Group Therapy Credits: 3
GDPC 735 - Clinical Self-Assessment for the Treatment of Culturally Diverse Populations Credits: 3
3 credits of GDPC 745 - Practicum in Counseling Psychology Credits: 3 [Select additional practicum hours from chosen emphasis.]
GDPC 750 - Personality Assessment Credits: 3
GDPC 753 - Psychological Decision Making and Interventions Credits: 3
2 credits of GDPC 765 - Seminar in the Supervision of Counselors and the Practice of Consultation Credits: 1, 2
3 credits of GDPC 820 - Internship in Counseling Psychology Credits: 5, 1
3 credits of GDPC 835 - Seminar in Counseling Psychology Credits: 2, 3

Research & Dissertation - 29+
EDRM 605 - Qualitative Research Methods in Education and Psychology Credits: 3
EDRM 704 - Design and Analysis of Educational and Psychological Surveys Credits: 3
EDRM 710 - Seminar in Research Methodology Credits: 1
EDRM 712 - Applied Statistical Methods II Credits: 3
EDRM 713 - Applied Statistical Methods III Credits: 3
EDRM 880 - Dissertation Proposal Development Credits: 2
14+ Credits of GDPC 899 - Doctoral Dissertation Credits: 1–16

Focus Areas - 15

Adult
Dissertation focus must be selected from this topic area.
GDPC 624 - Addictions and Addictive Behaviors Credits: 3
GDPC 720 - Marital Therapy Credits: 3
6 credits of GDPC 846 - Adult Advanced Emphasis Practicum Credits: 3
Choose 3 credits of Electives in consultation with academic advisor.

Child/Family
Dissertation focus must be selected from this topic area.
GDPC 710 - Family Therapy Credits: 3

GDPC 720 - Marital Therapy Credits: 3
6 credits of GDPC 847 - Child/Family Advanced Emphasis Practicum Credits: 3
Choose 3 credits of Electives in consultation with academic advisor.

Cultural Diversity
Dissertation focus must be selected from this topic area.
GDPC 730 - International Psychology Credits: 3
GDPC 755 - Refugee & Displaced Populations Clinical Interventions Credits: 3
6 credits of GDPC 848 - Diversity Advanced Emphasis Practicum Credits: 3
Choose 3 credits of Electives in consultation with academic advisor.

Health Psychology
GDPC 746 - Issues in Health Psychology Seminar Credits: 3
6 credits of GDPC 849 - Health Psychology Advanced Emphasis Practicum Credits: 3
3 credits of SOWK 675 - Topics in Credits: 1–4 (Psychopharmacology)
Choose 3 credits of Electives in consultation with academic advisor.

Additional Requirements

Andrews University Doctoral Transfer Requirements
The PhD Counseling Psychology program requires a minimum of 32 course credits to be taken in residence at Andrews University. The following program requirements are not transferable and must be completed at Andrews University.

- Completion of all required practicum (in this case 3 consecutive semesters - 9 credits).
- Completion of internship (one calendar year 40 hour per week APA approved internship - 3 credits).
- Dissertation credit to complete your dissertation – 16 credits minimum (14 dissertation, 2 EDRM 880).
- Doctoral Comprehensive Examination (EDUC 870 - Doctoral Comprehensive Exam - 0 credits).

Residency Requirements
The Counseling Psychology program requires students to complete a minimum of 3 full-time academic years of graduate study, with at least 2 of those years at Andrews University. At least 1 year must be in full-time residence (3-consecutive full-time semesters) at Andrews University.

Internship
A 2,000-hour supervised internship is required. Students apply through the Association of Psychology Postdoctoral and Internship Centers for an approved internship. Preference is given to American Psychological Association (APA)–approved internships. The internship is usually completed on a full-time basis (40 hours per week) for one year.

Annual Review
Continuation in the Counseling Psychology program is based upon an annual review by the department faculty of the student’s academic performance, professional development and personal qualifications as a counseling psychologist.

Dissertation
Beginning the semester after registering for EDRM 880, candidates must register for at least 1 dissertation credit during each semester until their dissertation is successfully defended.

Maintaining Academic Standing
Continuation in the Counseling Psychology program is based upon a periodic review, by the department, of the student’s academic performance and personal qualifications as a developing psychologist.

Admission Requirements

Students entering the PhD program in Counseling Psychology should have a master’s degree in counseling or a related field.

In order for an applicant without a master’s degree to be eligible for consideration of admissions, they must have the following: undergraduate major in psychology or related field; outstanding academic record with satisfactory GPA; and satisfactory scores on both the GRE General Test and Advanced Test in Psychology. A master’s degree may be received en route to the doctoral degree, however, all master’s degree requirements must be met. The GRE subject test requirement will be waived for all PhD Counseling Psychology students transferring from, or doing dual enrollment with, a master’s program in the GPC department.
The PhD course requirements assume a prior master’s degree that includes graduate courses in the following areas. If courses in these areas have not been taken prior to admission, the indicated Andrews University course must be taken as part of the degree, in addition to PhD courses:

EDFN 500 - Philosophical Foundations for Professionals
GDPC 514 - Psychology of Learning
GDPC 635 - Theories and Techniques of Counseling
GDPC 638 - Group Processes
GDPC 640 - Multicultural Issues for Counselors and Psychologists
GDPC 650 - Practicum in Counseling
GDPC 676 - Theories of Personality
EDRM 505 - Research Methods
EDRM 611 - Applied Statistical Methods I

Students accepted into the PhD in Counseling Psychology, without a prior master’s degree in that field, are eligible to apply for the MS in Counseling Psychology and complete it en route to their PhD. Completion of this degree along with additional supervised practicum hours allow students to apply for State of Michigan licensure at the master’s level.

Student Learning Outcomes

Consistent with the scientist-practitioner model and our training philosophy, the Counseling Psychology doctoral program integrates theory, research and practice by training counseling psychologists who (1) have the requisite knowledge base and therapeutic skills for entry into the practice of professional psychology, (2) have the necessary knowledge and skills for competent practice and research within a multicultural and spiritually diverse society, and (3) will contribute to and apply the scientific knowledge base of psychology using skills in qualitative and quantitative research methods. Each of these goals, objectives, and competencies are detailed below.

Goal #1: To train counseling psychologists who have the requisite knowledge base and therapeutic skills for entry into the practice of professional psychology

Objective 1.1: Students acquire a knowledge base of psychology as a scientific discipline, and of counseling psychology as an area of professional specialization

- Understand the current body of knowledge of scientific psychology in biological, cognitive, affective, and social aspects of behavior, the history and systems of psychology, learning theory, multi-cultural issues, psychopathology, personality, spiritual/religious psychology, psychological measurement, research methods, and techniques of data analysis.

- Understand the scientific, methodological, and theoretical foundations of practice in counseling psychology including individual differences in behavior, human development, psychopathology, and professional standards and ethical responsibilities, including applications to a multicultural and religiously diverse society.

Objective 1.2: Students acquire a knowledge base and skills necessary to diagnose or define problems through psychological assessment and measurement, and formulate and implement intervention strategies (including empirically supported procedures).

- Understand the theories and methods of assessment and diagnosis, effective intervention, consultation and supervision, and evaluating the efficacy of interventions, including applications to a multicultural diverse and religiously diverse society.

- Demonstrate knowledge and skills in empirically supported procedures.

Objective 1.3: Students acquire an awareness and understanding of professional issues to practice psychology in an ethical and professional manner

- Understand ethical/legal standards in professional practice and research.

- Demonstrate the capacity to make reasoned judgments about ethical practice related to emerging issues using codes, literature in professional ethics, and consultation with colleagues.

Goal #2: To train counseling psychologists who have the necessary knowledge and skills for competent practice and research within a multicultural and religiously diverse society

Objective 2.1: Students acquire self-awareness and comprehensive knowledge and skills to be a multicultural competent psychologist

- Demonstrate the self-awareness necessary to be a culturally competent psychologist.

- Understand the concepts, theory, and research related to culturally competent practice and research as a professional psychologist in diverse settings.

- Understand the concepts, theory, and research related to spiritual and religious aspects of psychology.

- Demonstrate the ability to integrate a spiritual perspective into counseling and psychotherapy practice.

Objective 2.2: Students acquire a comprehensive understanding of the theories and applications of theories related to psychology, career development/vocational psychology, and education in multicultural and religiously diverse settings.

- Understand multicultural and issues as they impact psychological and educational practice and research.

- Demonstrate diagnostic and assessment work, and plan and implement interventions that are culturally responsive to diverse populations.

- Understand spiritual and religious issues as they impact psychological and educational practice and research.

- Demonstrate diagnostic and assessment work, and plan and implement interventions that are spiritually and religiously responsive to diverse populations.

Objective 2.3: Students acquire the knowledge and skills necessary for life-long learning, professional problem-solving and scholarly inquiry as a professional psychologist in the context of an evolving body of scientific and professional knowledge.

- Engage in professional development to maintain effective clinical practice and research.

- Demonstrate knowledge and skills in program development and evaluation.

- Demonstrate professional service and leadership.

Goal #3: To train counseling psychologists who will contribute to and apply the scientific knowledge base of psychology using skills in qualitative and quantitative research methods

Objective 3.1: Students acquire the knowledge and skills necessary to engage in qualitative and quantitative scholarly research

- Demonstrate methodological and quantitative/analytic skills necessary to read and understand psychological research.

- Demonstrate the ability to initiate, plan, and execute original research and/or theoretical inquiry in counseling psychology.

Objective 3.2: Students acquire the knowledge and skills to integrate psychological research and practice consistent with a scientist practitioner model

- Understand research in counseling process and outcome and its application to practice.

- Demonstrate the skills to apply theoretical and empirical literature to professional practice.

- Demonstrate the skills to design original research to address clinical and/or theoretical questions.

Educational Psychology PhD

This doctoral program prepares individuals for educational psychology positions. It prepares college and university instructors, generally in the areas of human development, personality, learning and instruction, measurement, statistics and research design. Educational psychologists also work in schools, businesses, industries and various human-development settings.

Total Credits - 90+

Professional Core - 36

EDDRM 636 - Program Evaluation Credits: 3
EDUC 870 - Doctoral Comprehensive Exam Credits: 0
GDPC 514 - Psychology of Learning Credits: 3
GDPC 525 - Psychology and Education of Exceptional Children Credits: 3
GDPC 614 - Human Development Credits: 3
GDPC 625 - Biopsychology Credits: 3
GDPC 626 - Cognitive and Affective Bases of Behavior Credits: 3
GDPC 642 - Behavioral and Emotional Problems of Children Credits: 3
GDPC 644 - Psychological Testing Credits: 3
GDPC 670 - Advanced Social Psychology Credits: 3
GDPC 676 - Theories of Personality Credits: 3
3 credits of GDPC 736 - Field Work in Educational and School Psychology Credits: 1-6
GDRC 834 - Seminar in Educational Psychology Credits: 3

Educational Foundations - 9

3 credits of EDFN 500 - Philosophical Foundations for Professionals Credits: 2,3
GDPC 616 - Psychology of Religious Experience Credits: 3
GDPC 620 - History and Systems of Psychology Credits: 3
(or a non-psychological foundations course)

Research & Dissertation - 35+

EDRM 505 - Research Methods Credits: 3
Graduates of this program will demonstrate:

Student Learning Outcomes

- The ability to use current technology for supervision, assessment, and professional record keeping and consultation.
- The ability to understand and interpret statistical data from research studies.
- The ability to integrate data from tests and other measurement sources. Understand dynamics of research.
- The ability to communicate research findings to parents, students and other professionals in a meaningful way.
- The ability to provide psychological services to special populations including ethnic minorities, female students, learning disabled students, mentally challenged students, emotionally handicapped students, physically disabled students, and gifted students.
- The ability to conduct evaluations and research in the area of educational and school psychology.
- Understanding of ethical standards for the profession of educational psychology.
- Ethical behaviors.

Admission Requirements

- A master's degree (or non-U.S. equivalent) from an accredited institution (NOTE: A master's degree may be required en route to the doctoral degree; however, all master's degree requirements must be met.)
- Minimum graduate GPA of 3.30 (on a 4.0 scale)
- Students with a baccalaureate degree in psychology or a related field and an undergraduate GPA of 3.5 may be eligible to apply
- GRE General Test from exam taken within five years. Required only for doctoral-level programs (Minimum score required 142/142/3.0)

Additional Admission Requirements

- Transcripts of post-secondary coursework
- Recommendations from two professionals for the MA; from three professionals for the PhD. Recommenders may be advisors, major professors and employers
- Resume describing employment, research or special projects
- Statement of Purpose reflecting your philosophical perspective, personal, professional and academic goals, and reasons for seeking the graduate program
- Conviction Clearance and Background Check
- TOEFL, IELTS or PTE (academic): Students whose language of education is not English must submit English proficiency test scores
- Interview with a member of the Admissions Committee on campus or by phone

Additional Requirements for International Students

We are an international campus with a significant representation of international students. To learn more, please visit andrews.edu/services/international. The Office of Graduate Enrollment reserves the right to request additional documents.

Research Experience: This requirement is met in EDRM 712 and EDRM 713. Transfer students who have taken related courses elsewhere must see their advisor for appropriate procedures.

14+ credits of GDPC 899 - Doctoral Dissertation Credits: 1–16

Electives - 10 credits
Choose 10 elective credits in consultation with academic advisor.

School Psychology EdS

E-mail: gpc@andrews.edu

The School Psychology EdS provides training for a professional career as a certified or licensed school psychologist. Eds-level school psychologists work primarily in public and private school systems, preschool settings, and child-development centers. Typical responsibilities are assessment, diagnosis, consultation, program planning, and intervention services to preschool and school-age children with educational, emotional and behavioral problems. The School Psychology EdS is fully approved by the National Association of School Psychologists (NASP).

Total Credits - 65

Core - 50 credits
- 2 credits of EDFN 500 - Philosophical Foundations for Professionals Credits: 2.3
- EDUC 770 - Specialist Comprehensive Exam Credits: 0

Practicum & Internship - 12 credits
- 6 credits of GDPC 654 - Practicum in School Psychology Credits: 1–6
- 6 credits of GDPC 610 - Internship in School Psychology Credits: 1–6

Additional Requirements

- Prior to graduation, students are required to pass the ETS School Psychology (Praxis II) exam and submit a satisfactory portfolio.
- Fieldwork experiences are not transferable.

See the School Psychology Program Manual for more information on other specific program requirements.
Maintaining Academic Standing
Continuation in the School Psychology program is based upon a periodic review by the department faculty of the student’s academic performance and personal qualifications necessary to be a successful school psychologist.

Admission Requirements
Prerequisite Course: GDPC 514 - Psychology of Learning, or an undergraduate or graduate-level learning course.

Students may apply for the School Psychology EdS program if they have an undergraduate degree in psychology, or a related field with at least 20 psychology credits. Also required is an undergraduate GPA of at least 3.00; introductory courses in the following areas: statistics, learning theories or educational psychology, and human development; and current satisfactory scores on the GRE General Test. Applicants must also meet the general requirements listed in the Graduate Programs and Academic Information portions of the Admissions and Academics section of this bulletin.

All students entering the EdS program with or without a prior master’s degree in psychology, education, or a related field, must complete all courses for the MA Educational Psychology - Instructional Concentration, or transfer in equivalent courses that meet the EdS requirements. All coursework for the MA Educational Psychology, including comprehensive exams, must be completed prior to the beginning of a student’s school psychology internship.

Transfer Credits: Students entering the School Psychology EdS program are required to complete at least 80% of required credits at Andrews University. Fieldwork experiences are not transferable.

Background Checks
Upon entering this program, students may receive training in settings where vulnerable populations are served. Instances where this may occur are course assignments and practicum/internship experiences either within schools or in a counseling setting. It is the department’s responsibility to help protect the safety of children and clients. Certain convictions may prevent future licensure/certification eligibility. The department utilizes two methods to validate and track applicant and student criminal backgrounds: a Conviction Clearance Form and a formal Background Check conducted by an outside agency.

Student Learning Outcomes
The following outcomes guide the training and preparation of our School Psychology degree students:

Standard II: Data-Based Decision-Making and Accountability
School psychologists have knowledge of varied methods of assessment and data collection methods for identifying strengths and needs, developing effective services and programs, and measuring progress and outcomes. As part of a systematic and comprehensive process of effective decision making and problems solving that permeates all aspects of service delivery, school psychologists demonstrate skills to use psychological and educational assessment, data collection strategies, and technology resources and apply results to design, implement, and evaluate response to services and programs.

Standard III: Consultation and Collaboration
School psychologists have knowledge of varied models of consultation, collaboration, and communication applicable to individuals, families, groups, and systems and used to promote effective implementation of services. As part of a systematic and comprehensive process of effective decision making and problem solving that permeates all aspects of service delivery, school psychologists demonstrate skills to consult, collaborate, and communicate with others during design, implementation, and evaluation of services and programs.

Standard IV, Element 4.1: Interventions and Instructional Support to Develop Academic Skills
School psychologists have knowledge of biological, cultural, and social influences on academic skills; human learning, cognitive, and developmental processes; and evidence-based curriculum and instructional strategies. School psychologists in collaboration with others, demonstrate skills to use assessment and data-collection methods and to implement and evaluate services that support cognitive and academic skills.

Standard IV, Element 4.2: Interventions and Mental Health Services to Develop Social and Life Skills
School psychologists have knowledge of human developmental processes, techniques to assess these processes, and direct and indirect services applicable to the development of behavioral, affective, adaptive, and social skills. School psychologists, in collaboration with others, develop appropriate behavioral, affective, adaptive, and social goals for students of varying abilities, disabilities, strengths, and needs; implement interventions to achieve those goals; and evaluate the effectiveness of interventions. Such interventions include, but are not limited to, consultation, behavioral assessment/intervention, and counseling.

Standard V, Element 5.1: School-wide Practices to Promote Learning
School psychologists have knowledge of school and systems structure, organization, and theory; general and special education; technology resources; and evidence-based school practices that promote academic outcomes, learning, social development and mental health. School psychologists in collaboration with others, demonstrate skills to develop and implement practices and strategies to create and maintain effective and supportive learning environments for children and their families.

Standard V, Element 5.2: Preventive and Responsive Services
School psychologists have knowledge of principles and research related to resilience and risk factors in learning and mental health, services in schools and communities to support multi-tiered prevention, and evidence-based strategies for effective crisis response. School psychologists, in collaboration with others, demonstrate skills to promote services that enhance learning, mental health, safety, and physical wellbeing through protective and adaptive factors and to implement effective crisis preparation, response, and recovery.

Standard VI: Family-School Collaboration Services
School psychologists have knowledge of principles and research related to family systems, strengths, needs, and culture; evidence based strategies to support family influences on children’s learning, socialization, and mental health; and methods to develop collaboration between families and schools. School psychologists, in collaboration with others, demonstrate skills to design, implement, and evaluate services that respond to culture and context and facilitate family and school partnership/interactions with community agencies for enhancement of academic and social-behavioral outcomes for children.

Standard VIII, Element 8.1: Research and Program Evaluations
School Psychologists have knowledge of research design, statistics, measurement, and program evaluation to support effective practices at the individual, group, and/or system levels.

School Psychology PhD

E-mail: gpc@andrews.edu

The PhD in School Psychology builds on the NASP approved Eds in School Psychology. School psychologists work in public and private school systems, colleges and universities, preschool and child-development centers, hospitals,
Research & Dissertation - 32+

extends the school psychologist's skills in the area of supervision or more in-depth consultation, program planning and intervention services to preschool and school-age children with educational, emotional and behavioral problems. This degree may be concurrently enrolled. Licensure/certification as a school psychologist is necessary for practice in that field, so graduates of the Eds may be practiced in Michigan and may apply for a Nationally Certified School Psychology certificate from the National School Psychologists Association.

Total Credits - 48

Professional Core - 9

EDUC 870 - Doctoral Comprehensive Exam Credits: 0
GDPC 629 - Psychopathology: Classification & Treatment Credits: 3
3 credits of GDPC 736 - Field Work in Educational and School Psychology Credits: 1–6
GDPC 836 - Advanced Seminar in School Psychology Credits: 3

Research & Dissertation - 32+

EDRM 605 - Qualitative Research Methods in Education and Psychology Credits: 3
EDRM 611 - Applied Statistical Methods I Credits: 3
EDRM 704 - Design and Analysis of Educational and Psychological Surveys Credits: 3
EDRM 710 - Seminar in Research Methodology Credits: 1
EDRM 712 - Applied Statistical Methods II Credits: 3
EDRM 713 - Applied Statistical Methods III Credits: 3
EDRM 880 - Dissertation Proposal Development Credits: 2
14+ credits of GDPC 899 - Doctoral Dissertation Credits: 1–16

Electives - 7

Choose 7 elective credits in consultation with academic advisor to fulfill the 48 required credits.

Additional Requirements

A minimum of 32 credits of the doctoral coursework must be taken in residence at Andrews University. A portion of an Eds that is completed elsewhere may apply to this minimum residence requirement as defined by the school.

Admission Requirements

To be eligible for the 48-credit PhD in School Psychology, a student must already have an Eds in School Psychology from a NASP and state accredited university or be concurrently enrolled into our Eds program. Additionally, a graduate level course in cognitive and biological psychology, research methods, as well as EDFN 500 Philosophical Foundations for Professionals, must have been previously completed. If not, these courses will be added to the doctoral level curriculum.

Student Learning Outcomes

Graduates of this program will:

- Demonstrate knowledge and skills concerning fundamentals of measurement and assessment, and the use of current assessment tools in a non-biased, reliable, and valid manner.
- Demonstrate knowledge and skills concerning the theories and techniques used to guide the design and implementation of effective interventions for children, adolescents, and families.
- Demonstrate the theoretical knowledge and skills needed to engage in respectful, effective consultation and collaborative problem solving with all stakeholders, including parents, teachers, administrators, and community providers.
- Demonstrate knowledge and skills regarding the operation of schools, including the sociopolitical climate, state rules and regulations, effective educational practices that are practical in the delivery psychological services in school settings.
- Demonstrate knowledge and skills pertaining to research design and methodological issues, the evaluation of treatment effects, and the communication of research results in meaningful, clearly understood language.
- Demonstrate knowledge and awareness of human abilities, disability areas and counseling skills needed to work effectively with a variety of people.

Demonstrate knowledge and skills pertaining to legal and ethical issues, effective communication, and one’s own professional strengths and weaknesses.

Educational Research Methods

EDRM 499 - Independent Study

Credits: 1–3

Topic to be selected by advisement. Permission of advisor and instructor required. A contract must be developed between the student and the instructor.

Grade Mode: Normal w 5 (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CEIS

EDRM 505 - Research Methods

Credits: 3

A survey of quantitative and qualitative research designs for conducting basic and applied research in education and psychology. The primary focus will be on the research process including defining variables, formulating and stating the problem, planning and designing the research, conducting the literature review, instrumentation, data collection procedures, basic data analysis, and researcher ethical and legal responsibilities. Students are expected to develop a research proposal.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDRM 506 - Research and Evaluation for Counselors

Credits: 3

This course seeks to prepare mental health and school counselors to be informed consumers of research and evaluation. It focuses primarily on research designs (quantitative, qualitative, mixed methods), program evaluation models and procedures and data analysis within the counseling field. Ethical and multicultural issues relevant to research in counseling will also be addressed. Critical analyses of the literature and development of a research proposal relevant to counseling will be required. This course is for clinical mental health and school counseling students only.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CEIS

EDRM 604 - Design and Analysis of Educational and Psychological Surveys

Credits: 3

Development of questionnaires, scale construction, and administration of survey instruments. Topics include item generation, survey development, establishment of reliability and validity. Analysis of survey data using SPSS will be a major part of this course. Students are expected to submit and present a research paper at the end of the course. (Master's-level only)

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): EDRM 611 or equivalent
Schedule Type: Lecture
College Code: CEIS

EDRM 605 - Qualitative Research Methods in Education and Psychology

Credits: 3

The theory, methods, and application of qualitative research in education and psychology with particular emphasis on participant observation and the ethnographic interview.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDRM 611 - Applied Statistical Methods I

Credits: 3

Analysis of educational, counseling and psychological data using descriptive and basic inferential statistics; frequency distribution, measures of central tendency, dispersion, correlation, t-tests, one way Analysis of Variance, simple linear regression, introduction to multiple regression analysis, and Chi-Square. SPSS will be used for all data analysis. Students are expected to submit and present a research paper at the end of the course.
EDRM 612 - Applied Statistical Methods II
Credits: 3
Analysis of educational, counseling, and psychological data using multiple regression analysis, logistic regression analysis, exploratory factor analysis, factorial analysis of variance, repeated measures analysis of variance, and analysis of covariance. SPSS will be used for all data analysis. Students are expected to submit and present a research paper at the end of the course. (Master’s-level only)

EDRM 613 - Applied Statistical Methods III
Credits: 3
Analysis of educational, counseling, and psychological data using multivariate analysis of variance, discriminant analysis, multinomial logistic regression analysis, canonical correlation analysis, cluster analysis, structural equation modeling, and hierarchical linear modeling. SPSS will be primarily used for data analysis. Additional software (e.g., AMOS, HLM) may be required. Students are expected to submit and present a research paper at the end of the course. (Master’s-level only)

EDRM 636 - Program Evaluation
Credits: 3
The application of various evaluation models and techniques for the specific purpose of judging the processes and results of projects and programs.

EDRM 648 - Workshop
Credits: 1–4
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Workshop
College Code: CEIS

EDRM 689 - Seminar in Foundations
Credits: 2–3
Examination of leadership, education, and psychology. Topics may include historical, philosophical, psychological, sociological, and curricular foundations of education, as well as fundamental issues of leadership, finance, law, diversity and international understanding. The course is comprised of presentations by experts on the topics selected, and discussion based on assigned readings. Each student chooses two areas for in-depth study and makes presentations to the class.

EDRM 690 - Independent Study: Topic
Credits: 1–3
Grade Mode: Satisfactory (S,U,I,W)
Prerequisite(s): Permission of curriculum advisor and independent study supervisor required. A contract between the student and supervisor must be developed. Graded S/U.
Repeatable: Repeatable
Schedule Type: Independent
College Code: CEIS

EDRM 698 - Research Project
Credits: 0
Group research project to provide students with research experience.

EDRM 704 - Design and Analysis of Educational and Psychological Surveys
Credits: 3
Development of questionnaires, scale construction, and administration of survey instruments. Topics include item generation, survey development, establishment of reliability and validity. Analysis of survey data using SPSS will be a major part of this course. Students are expected to submit and present a research paper at the end of the course. (Doctoral-level only)

EDRM 705 - Analysis of Qualitative Data
Credits: 3
Designed for graduate students who expect to use qualitative methods in completing their theses and/or dissertations. The class focuses on the basic principles of the dynamic, intuitive, and creative process of the analysis of qualitative data. Content analysis, narrative analysis, discourse analysis, framework analysis, and grounded theory procedures introduce the student to the complex process of analyzing concepts, opinions, values, and behaviors contained in unstructured text, audio-recordings, art, pictures, and other qualitative data. Class meetings will involve short lectures by the instructor, qualitative data analysis exercises, and collaborative studios. Q-sort methodology and how to use InVivo software will also be included.

EDRM 710 - Seminar in Research Methodology
Credits: 1
This course is designed to help the student in developing a Literature Review on his/her Dissertation topic. Topics to be discussed will include: research articles evaluation, literature review outline, and how to write a literature review. Prerequisites for the course are: to have an approved Dissertation Committee, and approved Dissertation Topic.

EDRM 712 - Applied Statistical Methods II
Credits: 3
Analysis of educational, counseling, and psychological data using multiple regression analysis, logistic regression analysis, exploratory factor analysis, factorial analysis of variance, repeated measures analysis of variance, and analysis of covariance. SPSS will be used for all data analysis. Students are expected to submit and present a research paper at the end of the course. (Doctoral-level only)

EDRM 713 - Applied Statistical Methods III
Credits: 3
Analysis of educational, counseling, and psychological data using multivariate analysis of variance, discriminant analysis, multinomial logistic regression analysis, canonical correlation analysis, cluster analysis, structural equation modeling, and hierarchical linear modeling. SPSS will be primarily used for data analysis. Additional software (e.g., AMOS, HLM) may be required. Students are expected to submit and present a research paper at the end of the course. (Doctoral-level only)
EDRM 880 - Dissertation Proposal Development
Credits: 2
Designing and writing the doctoral dissertation proposal. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course Attribute: Full-time status
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): EDRM 505, EDRM 611 and EDRM 710 or their equivalents, and permission of instructor.
Schedule Type: Lecture
College Code: CEIS

Graduate Psychology & Counseling

GDPC 115 - Academic Learning Assessment
Credits: 2
A guided experience of self-discovery into the learning factors that yield academic success. Comprehensive assessment and application of individual learning characteristics.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Independent
College Code: CEIS

GDPC 301 - Human Development
Credits: 3
An introductory study of the nature, conditions, and outcomes of human learning, with emphasis on the psychological development from birth through old age.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CEIS

GDPC 302 - Educational Psychology
Credits: 3
Introductory study of nature, conditions, and outcomes of human learning, with emphasis on the psychological factors.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CEIS

GDPC 430 - Introduction to Residence-hall Administration
Credits: 2
Designed to prepare prospective secondary-school residence-hall directors. Emphasis on practical administration techniques, the relationship between adolescent development and educational programming, and the role of the director as an educator.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CEIS

GDPC 438 - Workshop
Credits: 1–4
Grade Mode: Satisfactory (S,U,I,W)
Repeatability: Repeatable
Schedule Type: Workshop
College Code: CEIS

GDPC 499 - Independent Study: Topic
Credits: 1–3
Grade Mode: Normal w S (A-F,I,S,U,W)
Prerequisite(s): Permission of curriculum advisor and independent study supervisor required.
Repeatability: Repeatable
Schedule Type: Independent
College Code: CEIS

GDPC 514 - Psychology of Learning
Credits: 3
A broad and general introduction to the learning process utilizing critical analysis that integrates learning theories, motivation, and the following developmental viewpoints: cognitive, language, and personality.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Introductory course in general or educational/developmental psychology.
Schedule Type: Lecture, Interactive Online
College Code: CEIS

GDPC 525 - Psychology and Education of Exceptional Children
Credits: 3
A comprehensive survey of the psychological and educational needs of exceptional children. Strategies for incorporating an exceptional student into regular classroom and for supporting the exceptional child in the community. Students are also required to register for GDPC525 PO2 which is the practicum portion of this class and entails 25 hours in a regular or special education classroom.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): A course in human development.
Schedule Type: Lecture, Lab, Interactive Online
College Code: CEIS

GDPC 600 - Family Counseling
Credits: 2,3
Theory of family systems and practice of family therapy with emphasis on multicultural and developmental differences, theoretical models, and professional issues.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): GDPC 650 or equivalent. (Master's-level)
Schedule Type: Lecture
College Code: CEIS

GDPC 604 - Human Sexuality and Sex Therapy
Credits: 2,3
Introduction to theory and practice of sex therapy, including information about human sexual function and dysfunction and appropriate intervention methods. The subject of human sexuality is examined from a variety of social, physiological, and cultural viewpoints. Various forms of sexual dysfunction are studied and examined for understanding of both physiological and psychological components and role of each in the dysfunction. Finally, there is in-depth study of current approaches to therapy as well as attention to other issues such as conjoint treatment of couples, resistance, sexual dysfunction in both partners, and sexual dysfunction and its relationship to marital discord.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CEIS

GDPC 606 - Studies in Family Dynamics
Credits: 2,3
Family dynamics is the way in which members of a family interact with each other in relation to their individual goals and preferences. Although the family is a unit, people are individuals. This course is a survey of theory and research on family interaction in well-functioning and dysfunctional families. Students will encounter a micro-analysis of family process in communication, decision making, and problem solving. Theory and research on family coping with normative transitions and non-normative crises across the family life-cycle will be presented.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CEIS

GDPC 607 - Practice Management
Credits: 2,3
The course offers an opportunity to obtain the knowledge needed to develop and run a successful private practice. The course will advance students' knowledge and related skills in formulating an individualized business plan for establishing a clinical practice and thereby preparing them to successfully manage a small business.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CEIS

GDPC 608 - Topics in Legal and Ethical Issues in Schools
Credits: 1–3
Study tour involving attendance, and possibly presentation, at a psychology
conference as proposed by faculty.

**GDPC 609 - Topics in Professional Issues in Clinical Mental Health Counseling**

**Credits:** 3  
Study tour involving attendance, and possibly presentation, at mental health counseling conference as proposed by faculty. Students must also be enrolled in GDPC 619 for 2 credits.  
**Grade Mode:** Normal (A-F, I, W)  
**Corequisite(s):** GDPC 650 or equivalent.  
**Schedule Type:** Lecture  
**College Code:** CEIS

**GDPC 610 - Marital Counseling**

**Credits:** 2, 3  
Introduction to marital and couple therapy with emphasis on research, multicultural differences, theoretical models, clinical strategies and techniques, and professional issues.  
**Grade Mode:** Normal (A-F, I, W)  
**Prerequisite(s):** GDPC 650 or equivalent. (Master's-level)  
**Schedule Type:** Lecture  
**College Code:** CEIS

**GDPC 614 - Human Development**

**Credits:** 3  
A broad and general introduction utilizing critical analysis of the biological, cognitive and sociocultural factors influencing human development and change in families across the lifespan. The course has three focuses: a critical analysis of contemporary development psychology, the relevance of theory and research findings to educational practice, counseling and family context and the analysis of the interaction of the individual and the environment (culture, family and institutions).  
**Grade Mode:** Normal (A-F, I, W)  
**Schedule Type:** Lecture/Lab  
**College Code:** CEIS

**GDPC 616 - Psychology of Religious Experience**

**Credits:** 3  
A broad and general critical evaluation of psychological factors in the religious experience.  
**Grade Mode:** Normal (A-F, I, W)  
**Schedule Type:** Lecture  
**College Code:** CEIS

**GDPC 617 - Seminar in Professional School Psychology: Ethical, Professional, and Legal Issues**

**Credits:** 3  
An examination of: the history and foundations of school psychology; legal, ethical and professional issues and trends; roles and functions of the special education teams; develop a knowledge of due process requirements, IDEA, Section 504 of the Rehabilitation Act and their implications in the delivery of educational services to students with special needs.  
**Course/Lab Fee:** Yes  
**Grade Mode:** Normal (A-F, I, W)  
**Schedule Type:** Lecture, Lab, Lecture/Lab  
**College Code:** CEIS

**GDPC 618 - Legal and Ethical Issues in Schools**

**Credits:** 3  
An examination of: the history and foundations of school psychology and special education; legal, ethical and professional issues and trends; roles and functions of the special education teams; develop a knowledge of due process requirements, IDEA, Section 504 of the Rehabilitation Act and their implications in the delivery of educational services to students with special needs.  
**Course/Lab Fee:** Yes  
**Grade Mode:** Normal (A-F, I, W)  
**Schedule Type:** Lecture, Lab  
**College Code:** CEIS

**GDPC 619 - Professional and Practice Management Issues in Clinical Mental Health Counseling**

**Credits:** 3  
A study on the professional issues in clinical mental health counseling as they relate to clinicians developing and running a private counseling practice after graduation. This will include the history and philosophy of the counseling profession, the professional identity and role of clinical mental health counselors including marketing their practice, recruiting clients, electronic health records, creating a business plan, the public and private practice of mental health counseling as well as crisis intervention and the general framework of consultation.  
**Course/Lab Fee:** No  
**Grade Mode:** Normal (A-F, I, W)  
**Schedule Type:** Lecture  
**College Code:** CEIS

**GDPC 620 - History and Systems of Psychology**

**Credits:** 3  
A broad and general examination of the historical and philosophical foundations of contemporary psychology. Both theoretical and applied aspects of the development of psychology as a science and practice are critically examined, including contributions of important theoretical schools and individuals.  
**Grade Mode:** Normal (A-F, I, W)  
**Schedule Type:** Lecture  
**College Code:** CEIS

**GDPC 621 - Legal and Ethical Issues in Couple and Family Therapy**

**Credits:** 2, 3  
An introduction to the basic principles of therapy skills applied to a couple and family context with special attention given to the professional ethics of the family practitioner. This course will address therapist's legal responsibilities and liabilities, certification, and licensure issues. There will be an analysis of marriage and family issues from a legal perspective. Review of legal decisions affecting families, including procreative rights, marriage, termination of marriage, parental and child rights, adoption, child custody, and child/family medical treatment will be included. Also, the relationship between family law and family policy will be discussed.  
**Grade Mode:** Normal (A-F, I, W)  
**Term Offering:** Fall  
**College Code:** CEIS

**GDPC 622 - Seminar on Special Topics**

**Credits:** 1–6  
**Grade Mode:** Normal (A-F, I, W)  
**Repeatable:** Repeatable up to 6 credits with different topics  
**Schedule Type:** Seminar  
**College Code:** CEIS

**GDPC 623 - Development Research and Applied Statistics**

**Credits:** 3  
Introduction to methodology of conducting responsible social science research as applied to community based problem-solving in the field of international development. Principles of designing, administrating, interpreting, and writing research. Interpretation of scientific reports and professional journals. Applications of statistical data and reasoning including practical utilization of a statistical package.  
**Grade Mode:** Normal (A-F, I, W)  
**Schedule Type:** Lecture, Interactive Online  
**College Code:** CEIS

**GDPC 624 - Addictions and Addictive Behaviors**

**Credits:** 3  
Theories and etiology of addictions and addictive behaviors, including strategies for prevention, intervention, and treatment.  
**Grade Mode:** Normal (A-F, I, W)  
**Schedule Type:** Lecture  
**College Code:** CEIS

**GDPC 625 - Biopsychology**

**Credits:** 3  
A broad and general survey of the physiological bases of human behavior, including considerations of sensory phenomena, motor coordination, emotion, and higher-order thought process.
Affective influences on behavior. This includes perception, attention, categorization, working memory, long-term memory, knowledge, problem solving, reasoning, language, emotion and socio-cultural cognition. Additionally, there will be a focus on how emotion affects cognitive functioning. A wide variety of theories will be critically reviewed with application of research to practical problems, including assessment. Selected cognitive issues will be discussed from a cognitive science or neuropsychological perspective, and emotion research will also be considered.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): GDPC 514.
Schedule Type: Lecture
College Code: CEIS

GDPC 628 - Seminar in the Psychology of Women
Credits: 3
The biological, social, intellectual, and emotional development and adjustment of women from conception to senescence.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Seminar
Year Offering: Alternate years
College Code: CEIS

GDPC 629 - Psychopathology: Classification & Treatment
Credits: 3
A broad and general critical examination of basic historical concepts, current paradigms, and assessment of psychopathology based on the American Psychiatric Association (APA) diagnostic classification system and implications for counseling/clinical approaches to treatment.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CEIS

GDPC 630 - Personality Assessment
Credits: 3
Training in the administration, interpretation, and application of instruments used in the assessment of personality in adults and children including multicultural perspectives. Methods of assessment will include objective personality instruments.Limited to students enrolled in Counseling Psychology or Clinical Mental Health Counseling, or by permission of instructor. (Master’s level)

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): GDPC 644 and a course in abnormal psychology.
Schedule Type: Lecture, Lab
College Code: CEIS

GDPC 632 - Professional Issues in School Counseling
Credits: 3
A survey of professional issues in school counseling including the roles, functions, and identity of school counselors, the theory and process of school counseling and guidance, consultation, and current trends in legal and ethical matters.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab
College Code: CEIS

GDPC 634 - Cognitive and Biological Psychology
Credits: 3
A description of the physiological basis of human behavior and aspects of cognitive psychology and their application to professional practice.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CEIS

GDPC 635 - Theories and Techniques of Counseling
Credits: 3
An introduction to the theory and practice of counseling and psychotherapy. Attention given to counseling therapy models, the therapeutic relationship, the function and role of counselors/therapists, and the systematic development of counseling skills and intervention strategies.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Special Approval: Student must be admitted into a GPC department program or receive prior instructor permission before registering for this class.
College Code: CEIS

GDPC 638 - Group Processes
Credits: 3
A broad and general critical analysis of theory, research, observation, and personal experience in the behavior of individuals in small face-to-face groups.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CEIS

GDPC 640 - Multicultural Issues for Counselors and Psychologists
Credits: 3
A broad and general critical analysis of cultural factors which influence the psychological development of individuals from diverse cultural backgrounds and the effects of these factors on the psychological and educational practices of counselors and psychologists working in a pluralistic society.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 3 credits
Schedule Type: Lecture
College Code: CEIS

GDPC 642 - Behavioral and Emotional Problems of Children
Credits: 3
Identification and remediation of learning, behavioral, emotional, and developmental problems of children in a multicultural context. Classroom behavior management, structuring classroom and home environments for personal development, consulting with parents and school personnel, and developing family and school-based individual intervention plans.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CEIS

GDPC 643 - Career Development
Credits: 3
An introduction to career development and career counseling with an emphasis on counseling populations with special needs, career decision making, career adjustment, and changing careers.

Lecture/Lab: Weekly: 1 lecture
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CEIS

GDPC 644 - Psychological Testing
Credits: 3
A broad and general introduction to measurement theory. The selection, administration, and interpretation of standardized tests and non-standardized tools for the purpose of assessment of ability, achievement, aptitude, interest, and personality are critically examined. Also explored are the social, legal, and ethical implications of testing.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CEIS

GDPC 645 - Professional Ethics for Counselors and Psychologists
Credits: 3
Ethical standards of counselors and psychologists, standards for psychological providers, standards for educational and psychological tests, ethical principles in conducting research with human participants.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CEIS

GDPC 647 - Administration of Guidance Services
Credits: 3
A study of the organization, administration, and coordination of guidance services...
in school systems including the development, implementation, and evaluation of comprehensive developmental school counseling programs.

**Grade Mode:** Normal (A-F,I,W)

**Schedule Type:** Lecture

**Year Offering:** Alternate years

**College Code:** CEIS

**GDPC 648 - Workshop**

**Credits:** 1–5

**Grade Mode:** Normal w S (A-F,I,S,U,W)

**Repeatable:** Repeatable

**Schedule Type:** Workshop

**College Code:** CEIS

**GDPC 649 - Crisis Intervention**

**Credits:** 1

This course will cover broad areas of crises interventions related to schools. A total of 15 contact hours will be provided.

**Course/Lab Fee:** Yes

**Grade Mode:** Normal (A-F,I,W)

**Schedule Type:** Lecture

**College Code:** CEIS

**GDPC 650 - Practicum in Counseling**

**Credits:** 3

Foundational supervised experience in the counseling process at the master's level. Students must complete a minimum of 100 clock hours including 40 hours of direct service with clients.

**Course/Lab Fee:** Yes

**Grade Mode:** Satisfactory w/DG (S,UJ,W,DG)

**Prerequisite(s):** CMHC - GDPC 629, GDPC 635, GDPC 638, GDPC 645; SC - GDPC 635, GDPC 638, GDPC 645; 8 weekly personal counseling sessions; and departmental approval.

**Schedule Type:** Practicum

**College Code:** CEIS

**GDPC 651 - Behavioral and Educational Assessment**

**Credits:** 3

The selection, administration, and scoring of standardized and non-standardized educational and behavioral measures within a Response to Intervention/problem-solving model, for remediation for diagnostic and placement purposes. Emphasis will be placed on connecting assessment with intervention strategies. Current issues in educational assessment pertaining to the classroom and students with special needs, including those of English language learners, will be addressed. Students are also required to register for GDPC651 P03 which is the 50-hour practicum lab portion of this class. Limited to students enrolled in Counseling Psychology, School Psychology, Clinical Mental Health Counseling, Educational Psychology, School Counseling, or Special Education, or by permission of instructor.

**Course/Lab Fee:** Yes

**Grade Mode:** Normal (A-F,I,W)

**Prerequisite(s):** GDPC 514 and GDPC 644, or permission of instructor.

**Schedule Type:** Lecture, Lab

**College Code:** CEIS

**GDPC 652 - Cognitive Assessment Across the Lifespan**

**Credits:** 3

The selection, administration, and scoring of standardized individual measures of cognitive abilities for assessment and diagnosis of intellectual ability. Emphasis will be placed on accurate, standardized administration of the most widely used intelligence tests throughout the life span. Current issues in the conceptualization of intelligence and assessment pertaining to students/adults with special needs will be addressed. Students are also required to register for GDPC652 P04. Limited to students enrolled in Counseling Psychology, School Psychology, Clinical Mental Health Counseling, Educational Psychology or School Counseling, or by permission of instructor. Class size limit: 12.

**Course/Lab Fee:** Yes

**Grade Mode:** Normal (A-F,I,W)

**Prerequisite(s):** GDPC 644.

**Schedule Type:** Lecture, Lab

**College Code:** CEIS

**GDPC 653 - Early Childhood Issues and Assessment**

**Credits:** 2

A study of infant and toddler assessment from birth to 5 years in context of federal legislation and best development and educational practices. The student will study individual and screening instruments for this age group, along with a specific focus on family and community involvement in the assessment process. This course also includes a special emphasis on the assessment and instruction of children with Autism Spectrum Disorder. Students are also required to register for GDPC355 P05.

**Course/Lab Fee:** Yes

**Grade Mode:** Normal (A-F,I,W)

**Prerequisite(s):** GDPC 652 or approval by instructor.

**Schedule Type:** Lecture, Lab

**College Code:** CEIS

**GDPC 654 - Practicum in School Psychology**

**Credits:** 1–6

Supervised practicum in school psychology. This 600-hour (100 hrs/credit) practicum experience consists of two parts: 500 hours to be completed in a school setting while supervised by a school psychologist (eligible for full-time student status); 100 hours of counseling practicum completed at the department's Andrews Community Counseling Center (ACCC).

**Grade Mode:** Normal with DG (A-F,I,W,DG,DN)

**Repeatable:** Repeatable

**Schedule Type:** Practicum

**College Code:** CEIS

**GDPC 655 - Internship in Counseling**

**Credits:** 1–6

Supervised internship experience in community clinical or school setting. Students must register for 3 credits for 2 semesters for a total of 6 credits needed to graduate. For each credit, students must complete 100 hours of related counseling activities for a total of 600, on-site, supervised hours. 40% of required hours must be obtained in direct service with clients. An additional 60 hours per credit of complementary academic activities are required to complete the internship experience. School Counseling students must complete at least 300 of the 600 hours within a school setting. Enrollment in this course alone qualifies as full-time status.

**Course Attribute:** Full-time status

**Grade Mode:** Satisfactory w/o 'I' (S,U,W)

**Repeatable:** Repeatable up to 6 credits

**Schedule Type:** Lab, Practicum

**College Code:** CEIS

**GDPC 657 - Assessment and Treatment in Couples Therapy**

**Credits:** 2,3

Application of a systemic perspective to the assessment and treatment of couples who are seeking therapy. Models of couple therapy are examined and applied to problems common to couples. Attention is given to gender, race, culture, and couple forms.

**Grade Mode:** Normal (A-F,I,W)

**Schedule Type:** Lecture

**Term Offering:** Fall

**College Code:** CEIS

**GDPC 658 - Assessment and Treatment in Family Therapy**

**Credits:** 2,3

Application of a systemic perspective to the assessment and treatment of families who are seeking therapy. Models of family therapy are examined and applied to a variety of families and common problems. Multicultural and gender perspectives on family life are integrated in course content.

**Grade Mode:** Normal (A-F,I,W)

**Schedule Type:** Lecture

**College Code:** CEIS

**GDPC 660 - Program Continuation**

**Credits:** 0

See section on Continuous Registration-Active Status. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

**Course/Lab Fee:** Yes

**Course Attribute:** Full-time status

**Grade Mode:** Satisfactory w/o 'I' (S,U,W)

**Repeatable:** Repeatable
GDPC 670 - Advanced Social Psychology  
Credits: 3  
A broad and general critical examination of conceptual and research approaches to social thinking, social influence and social relations. Application of social psychological theories to education, counseling, health and work.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture, Lab  
College Code: CEIS  

GDPC 672 - Psychoeducational Consultation  
Credits: 3  
A study and application of the process of consultation with teachers, families, and other professionals in educational settings. Emphasis will be given to making data-based decisions and applying research-based intervention strategies within the school system.  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): GDPC 651  
Schedule Type: Lecture  
College Code: CEIS  

GDPC 674 - Couple and Family Therapy Advanced Internship  
Credits: 2  
Supervised internship experience in community setting. Students must complete a minimum of 300 clock hours of direct service with clients, including 150 hours of work with couples or families. LMFT licensure requires an internship of 8 continuous months, and 1 hour of supervision for every 5 hours of direct client contact. The supervisor may be an LMFT, social worker, professional counselor, or psychologist.  
Grade Mode: Normal (A-F,I,W)  
Repeatable: Repeatable up to 4 credits  
Schedule Type: Practicum  
Term Offering: Fall  
College Code: CEIS  

GDPC 675 - Advanced Internship in Mental Health Counseling  
Credits: 1–3  
Advanced internship experience in a mental health setting. Students must complete a minimum of 100 clock hours with 40 of those hours direct service for each credit registered for. Attention is given to assessment, diagnosis, and treatment of mental, emotional, and behavioral disorders and the promotion of optimal health. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.  
Course Attribute: Full-time status  
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)  
Prerequisite(s): GDPC 655 and departmental approval. Limited to students enrolled in the Clinical Mental Health Counseling track.  
Repeatable: Repeatable up to 3 credits  
Schedule Type: Independent  
College Code: CEIS  

GDPC 676 - Theories of Personality  
Credits: 3  
This course covers the major theories of personality, with emphasis on their implications for practice in counseling and education of children, adolescents and adults.  
Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CEIS  

GDPC 678 - Study Tour  
Credits: 1–6  
Travel to destinations relevant to individual programs of study. Classes will be selected from departments(s) offerings. Fee may be required.  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Blended Learning  
College Code: CEIS  

GDPC 679 - Topics In:  
Credits: 1–6  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CEIS  

GDPC 685 - MA Level Comprehensive Exam Preparation  
Credits: 0  
Course/Lab Fee: Yes  
Grade Mode: Noncredit (NC,W)  
Repeatable: Repeatable  
Schedule Type: Independent  
College Code: CEIS  

GDPC 686 - Interventions and Diagnosis with Children and Adolescents  
Credits: 3  
A study of major contemporary, evidence-based interventions for treating psychopathology in children with attention given to multicultural and diagnostic issues.  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): a master's level course in developmental psychology and an introductory course on theories and techniques of counseling. Limited to students enrolled in Counseling Psychology, School Psychology, Clinical Mental Health Counseling or School Counseling programs.  
Schedule Type: Lecture  
College Code: CEIS  

GDPC 687 - Counseling and Therapeutic Interventions for Adults  
Credits: 3  
A study of major contemporary theories and treatment modalities for identifying and treating psychological problems of adults, including multicultural issues.  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): GDPC 635 or equivalent. Limited to students enrolled in Counseling Psychology or Clinical Mental Health Counseling programs.  
Schedule Type: Lecture  
Year Offering: Alternate years  
College Code: CEIS  

GDPC 688 - Advanced Group Therapy  
Credits: 3  
Theory and practice of group therapy with emphasis given to the role and functions of the group leader; outcome research, and ethical issues.  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): GDPC 638, GDPC 650 or equivalent.  
Schedule Type: Lecture  
Year Offering: Alternate years  
College Code: CEIS  

GDPC 689 - Topics in Professional Issues in School Counseling  
Credits: 1  
Study tour involving attendance, and possibly presentation, at a school counseling conference as proposed by faculty. Students must also be enrolled in GDPC530 for 2 credits.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CEIS  

GDPC 690 - Independent Study  
Credits: 1–6  
Grade Mode: Normal w S (A-F,I,S,U,W)  
Prerequisite(s): Permission of instructor required.  
Repeatable: Repeatable  
Schedule Type: Independent  
College Code: CEIS  

GDPC 695 - Professional Portfolio  
Credits: 0  
The professional portfolio assesses a student's growth and development throughout their program. It is a collection of experience-based materials and reflective information. Graduation requirement for Clinical Mental Health Counseling, School Counseling, and Special Education students. Limited to Master's-level students only.  
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
for research and practice in education and psychology will also be reviewed. Research in diverse populations. A survey of cross-cultural ethics and implications of multicultural, cross cultural and diversity theoretical, methodological and applied approaches that is relevant to the study of psychology itself is affected by events and cultures around the world.

A theory-driven, applied course for researchers to strengthen awareness, self-assessment of bias, personal development and clinical application. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

A survey of theories of international psychology and philosophies of change. Examination of mainstream as well as alternative theoretical, methodological and applied approaches that is relevant to the study and practice of international psychology. The topics selected review psychology's relevance to the understanding and solution of global problems, as well as how of psychology itself is affected by events and cultures around the world.

A study of psychological diagnosis using processing instruments and information from various sources. A cross-battery approach to assessment and report writing will also be discussed. A study of appropriate interventions for various diagnoses will be emphasized. Limited to students enrolled in Counseling Psychology, School Psychology, Clinical Mental Health Counseling or School Counseling, or by permission of instructor. A study of major contemporary theories and treatment modalities of crisis intervention for working with displaced diverse populations. The course provides training in the administration, interpretation, and application of instruments used in the assessment of personality in adults, teens and children including multicultural perspectives. Methods of assessment will include objective personality instruments. (Doctorate-level)

A study of psychological diagnosis using processing instruments and information from various sources. A cross-battery approach to assessment and report writing will also be discussed. A study of appropriate interventions for various diagnoses will be emphasized. Limited to students enrolled in Counseling Psychology, School Psychology, Clinical Mental Health Counseling or School Counseling, or by permission of instructor. A study of major contemporary theories and treatment modalities of crisis intervention for working with displaced diverse populations. The course provides training in the administration, interpretation, and application of instruments used in the assessment of personality in adults, teens and children including multicultural perspectives. Methods of assessment will include objective personality instruments. (Doctorate-level)

Repeatable: Repeatable
Schedule Type: Independent
College Code: CEIS

GDPC 699 - Thesis
Credits: 1–3
This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course Attribute: Full-time status
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 3 credits
Schedule Type: Independent
College Code: CEIS

GDPC 710 - Family Therapy
Credits: 3
Theory of family systems and practice of family therapy with emphasis on multicultural and developmental differences, theoretical models, and professional issues.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): GDPC 650 or equivalent. (Doctorate-level)
Schedule Type: Lecture
College Code: CEIS

GDPC 720 - Marital Therapy
Credits: 3
Introduction to marital and couple therapy with emphasis on research, multicultural differences, theoretical models, clinical strategies and techniques, and professional issues.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): GDPC 650 or equivalent. (Doctorate-level)
Schedule Type: Lecture
College Code: CEIS

GDPC 725 - Cross-Cultural Ethics and Research
Credits: 3
A survey of ethical research in cross-cultural and diversity competencies necessary to design, develop and implement clinical and educational research in diverse populations. A survey of cross-cultural ethics and implications for research and practice in education and psychology will also be reviewed.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CEIS

GDPC 730 - International Psychology
Credits: 3
A survey of theories of international psychology and philosophies of change. Implications for working with culturally diverse populations in education and psychology are emphasized. Examination of mainstream as well as alternative theoretical, methodological and applied approaches that is relevant to the study and practice of international psychology. The topics selected review psychology's relevance to the understanding and solution of global problems, as well as how of psychology itself is affected by events and cultures around the world.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CEIS

GDPC 735 - Clinician Self-Assessment for the Treatment of Culturally Diverse Populations
Credits: 3
Theories, etiology and function of bias in the clinical assessment and treatment of culturally diverse populations. The primary focus of this course will be on clinician self-assessment of bias, personal development and clinical application.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): GDPC 638, GDPC 640, GDPC 650, GDPC 670 or by permission of instructor.
Schedule Type: Lecture
College Code: CEIS

GDPC 736 - Field Work in Educational and School Psychology
Credits: 1–6
Individualized research or teaching experience under the supervision of a qualified professional in the chosen field of educational or school psychology. A minimum of 60 clock hours of experience required for 1 credit. Up to 6 credits available.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Prerequisite(s): Open to students in a doctoral program and permission from your advisor and fieldwork supervisor.
Repeatable: Repeatable up to 6 credits
Schedule Type: Practicum
College Code: CEIS

GDPC 745 - Practicum in Counseling Psychology
Credits: 3
Supervised experience in counseling psychology. Students enroll for 3 academic credits for their first semester in Practicum. Limited to students enrolled in the Counseling Psychology program. Clients will be selected that will provide the most experience with the student's chosen emphasis.

Course/Lab Fee: No
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Prerequisite(s): GDPC 650 and GDPC 629 or equivalent and approval of the supervisor.
Schedule Type: Practicum
College Code: CEIS

GDPC 746 - Issues in Health Psychology Seminar
Credits: 3
Examines current topics, ethical issues, professional practice, and research in health psychology.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Seminar
College Code: CEIS

GDPC 750 - Personality Assessment
Credits: 3
Training in the administration, interpretation, and application of instruments used in the assessment of personality in adults, teens and children including multicultural perspectives. Methods of assessment will include objective personality instruments. (Doctorate-level)

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): GDPC 644 and GDPC 676
Schedule Type: Lecture
College Code: CEIS

GDPC 753 - Psychological Decision Making and Interventions
Credits: 3
A study of psychological diagnosis using processing instruments and information from various sources. A cross-battery approach to assessment and report writing will also be discussed. A study of appropriate interventions for various diagnoses will be emphasized. Limited to students enrolled in Counseling Psychology, School Psychology, Clinical Mental Health Counseling or School Counseling, or by permission of instructor.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): GDPC 652 GDPC 750
Schedule Type: Lecture, Lab
College Code: CEIS

GDPC 755 - Refugee & Displaced Populations Clinical Interventions
Credits: 3
A study of major contemporary theories and treatment modalities of crisis intervention for working with displaced diverse populations. The course provides students with opportunities to learn theory and practical skills in a variety of areas including, crisis intervention, disaster relief training and PTSD.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CEIS

GDPC 765 - Seminar in the Supervision of Counselors and the Practice of Consultation
Credits: 1,2
In this course you will learn the basic models of clinical supervision of counselors, counseling psychologists, and other related mental health professionals. As supervision is a specialized form of consultation, the broader field of psychological counseling....
consultation will be introduced across a variety of settings including individual consultation, large and small system consultation, and consultation with special populations, clinics, practice management, and crisis consultations. The seminar is divided between two semesters; Fall semester is the didactic section, and Spring semester is the field practicum section. During the field practicum students will be the primary clinical supervisors for master’s counseling students initial clinical experience, and they will be assigned a specific consultation project in which will be documented in a consultation proposal portfolio.

Course/Lab Fee: No
Grade Mode: Satisfactory [S,U,I,W]
Prerequisite(s): GDPC 745
Repeatable: Repeatable up to 2 credits
Schedule Type: Seminar
College Code: CEIS

GDPC 795 - Professional Portfolio
Credits: 0
The professional portfolio assesses a student’s growth and development throughout their program. It is a collection of experience-based materials and reflective information. Graduation requirement for School Psychology students.

Grade Mode: Satisfactory w/DG [S,U,I,W,DG]
Repeatable: Repeatable
Schedule Type: Independent
College Code: CEIS

GDPC 810 - Internship in School Psychology
Credits: 1–6
Off-campus experiences representative of the role and function of the school psychologist. Total of 1200 hours supervised by a school psychologist. The student must complete a total of 6 credits. Rated as full-time student status.

Course Attribute: Full-time status
Grade Mode: Satisfactory w/DG [S,U,I,W,DG]
Prerequisite(s): Completion of GDPC 654. Limited to students in the School Psychology program. A student’s readiness for internship must be approved by Program core faculty before an internship site contract can be signed.
Repeatable: Repeatable up to 6 credits
Schedule Type: Practicum
College Code: CEIS

GDPC 820 - Internship in Counseling Psychology
Credits: 3,1
2000 hours of supervised field work in application of theory to counseling psychology practice with individuals, groups, families, children, or adolescents in an approved agency setting.

Course Attribute: Full-time status
Grade Mode: Satisfactory w/DG [S,U,I,W,DG]
Prerequisite(s): Completion of GDPC 654. Limited to students in the School Psychology program. A student’s readiness for internship must be approved by Program core faculty before an internship site contract can be signed.
Repeatable: Repeatable up to 3 credits
Schedule Type: Practicum
College Code: CEIS

GDPC 825 - Topics in Counseling Psychology
Credits: 1–3
Study tour involving attendance, and possibly presentation, at a psychology conference as proposed by faculty. Students must also be enrolled in GDPC 835 for 2 credits.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CEIS

GDPC 832 - Research Colloquium
Credits: 0
The research colloquium provides an opportunity for students, faculty, and practitioners of school, educational and counseling psychology to present their research findings through oral and/or poster presentations. Participants in the colloquium review and discuss research findings and current advancements in the use of effective interventions, supports, as well as recommendations for best practice in the foundational competencies of their field of study.

Course/Lab Fee: No
Grade Mode: Satisfactory [S,U,I,W]
Repeatable: Repeatable
Schedule Type: Seminar
College Code: CEIS

GDPC 834 - Seminar in Educational Psychology
Credits: 3
Examines current issues and research in educational, developmental, or school psychology.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Completion of 16 credits in educational, developmental, or school psychology.
Repeatable: Repeatable up to 6 credits
Schedule Type: Seminar
College Code: CEIS

GDPC 835 - Seminar in Counseling Psychology
Credits: 2,3
Examines professional identity, current ethical issues and research in the theory and practice of counseling psychology. Student must take either 3 credits of GDPC 835 or 2 credits of GDPC 835 and 1–3 credits of GDPC 825 (Topics in Counseling Psychology) in consultation with advisor.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Seminar
College Code: CEIS

GDPC 836 - Advanced Seminar in School Psychology
Credits: 3
This course is an in-depth exploration of the application of ethical research guidelines in the theory and practice of school psychology.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Seminar
College Code: CEIS

GDPC 846 - Adult Advanced Emphasis Practicum
Credits: 3
Supervised counseling psychology practicum experience in chosen emphasis must immediately follow completion of GDPC 745. Students enroll for a total of 6 academic credits to be completed in two consecutive semesters. Clients will be selected that will provide the most experience with the student’s chosen emphasis.

Course/Lab Fee: Yes
Grade Mode: Satisfactory w/DG [S,U,I,W,DG]
Prerequisite(s): GDPC 650 and GDPC 745 or equivalent and approval of the supervisor. Limited to students enrolled in the Counseling Psychology program.
Repeatable: Repeatable up to 6 credits
Schedule Type: Practicum
College Code: CEIS

GDPC 847 - Child/Family Advanced Emphasis Practicum
Credits: 3
Supervised counseling psychology practicum experience in chosen emphasis must immediately follow completion of GDPC 745. Students enroll for a total of 6 academic credits to be completed in two consecutive semesters. Clients will be selected that will provide the most experience with the student’s chosen emphasis.

Course/Lab Fee: No
Grade Mode: Satisfactory w/DG [S,U,I,W,DG]
Prerequisite(s): GDPC 650 and GDPC 745 or equivalent and approval of the...
supervisor. Limited to students enrolled in the Counseling Psychology program.

**Repeatable:** Repeatable up to 6 credits

**College Code:** CEIS

**GDPC 849 - Health Psychology Advanced Emphasis Practicum**

**Credits:** 3

Supervised counseling psychology practicum experience in chosen emphasis must immediately follow completion of GDPC745. Students enroll for a total of 6 academic credits to be completed in two consecutive semesters.

**Course/Lab Fee:** Yes

**Grade Mode:** Satisfactory w/DG (S,U,I,W,DG)

**Prerequisite(s):** GDPC 650 and GDPC 745 or equivalent and approval of the supervisor. Limited to students enrolled in the Counseling Psychology program.

**Repeatable:** Repeatable up to 6 credits

**Schedule Type:** Practicum

**College Code:** CEIS

**GDPC 850 - Doctoral Field Externship**

**Credits:** 1–3

Students desiring additional clinical experience may register for Field Externship to accumulate clinical hours. Each credit allows students to accumulate hours, of which 40% is direct service to clients. These hours must be completed outside of the ACCC.

**Grade Mode:** Satisfactory w/DG (S,U,I,W,DG)

**Repeatable:** Repeatable

**Schedule Type:** Practicum

**College Code:** CEIS

**GDPC 870 - Comprehensive Exam Preparation**

**Credits:** 0

This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

**Course/Lab Fee:** Yes

**Course Attribute:** Full-time status

**Grade Mode:** Satisfactory w/o 'I' (S,U,W)

**Repeatable:** Repeatable

**Schedule Type:** Independent

**College Code:** CEIS

**GDPC 878 - Doctoral Practicum Continuation**

**Credits:** 1

**Grade Mode:** Satisfactory w/DG (S,U,I,W,DG)

**Repeatable:** Repeatable

**Schedule Type:** Practicum

**College Code:** CEIS

**GDPC 899 - Doctoral Dissertation**

**Credits:** 1–16

A minimum of 14 credits required. Rated as full-time student status. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

**Course Attribute:** Full-time status

**Grade Mode:** Satisfactory w/DG (S,U,I,W,DG)

**Repeatable:** Repeatable

**Schedule Type:** Independent

**Term Offering:** Fall, Spring, Summer

**College Code:** CEIS

**Special Education**

**GDPC 627 - Instructional Design for Special Education**

**Credits:** 3

This course will focus on the development of Specially Designed Instruction (SDI) for Children with Disabilities as required by IDEA (2004). SDI includes modification and accommodation to program content methodology and delivery.

**Grade Mode:** Normal (A-F,I,W)

**Schedule Type:** Lecture, Interactive Online

**College Code:** CEIS

**GDPC 641 - Education of Students with Math Disabilities**

**Credits:** 3

This course will focus on the development of competency in the implementation of evidence-based instructional strategies designed to teach mathematics. Emphasis will be placed on methods supported by research.

**Grade Mode:** Normal (A-F,I,W)

**Schedule Type:** Lecture

**College Code:** CEIS

**GDPC 656 - Reading and Writing Assessment & Intervention**

**Credits:** 3

This is an advanced course for diagnosis and remediation or prevention of reading and writing disabilities. Students will be trained on how to administer and interpret different reading and writing assessments that are used with K-12 students and to determine the correct evidence-based intervention through the analysis of data. Students are also required to register for SPED645 P06 which is the 50-hour practicum lab portion of this class (lab graded S/U). Lab fee required.

**Course/Lab Fee:** Yes

**Grade Mode:** Normal (A-F,I,W)

**Schedule Type:** Lecture, Lab

**College Code:** CEIS
Introduction to Leadership where they will be introduced to the philosophy of Masters degree program. Instead, there is a program portfolio requirement. for these courses. There is no comprehensive exam or thesis requirement for the consider their credit needs when planning their course work and when registering degree. Many courses are offered as variable credits; therefore, candidates should educational leadership and review the standards that will guide their educational (definitions). The online courses follow fixed enrollment with semester start and end dates. Participants interact with each other and with summer orientation (LEAD 630).

Mission
The Department of Leadership develops a community of scholar practitioners who transform the power of knowledge into service. Its core values include community, service, integrated life and human dignity.

Masters

Educational Leadership MA

E-mail: leader@andrews.edu

The K-12 Educational Leadership master’s program is an NCATE-accredited online program designed for post-baccalaureate participants who desire to obtain a degree in educational administration. NCATE is the leading accrediting body for K-12 educational preparation programs. The program was approved by the Higher Learning Commission in 2007 to be delivered on-line.

Those specifically served by this degree are the following:
- Teachers interested in transitioning into educational administration
- Principals of K-8, K-10, K-12 and 9-12 schools
- Aspiring educational leaders

Once accepted into this master’s program, students must complete LEAD 630 - Introduction to Leadership where they will be introduced to the philosophy of educational leadership and review the standards that will guide their educational plan. The curriculum consists of a minimum of 34 credits beyond the baccalaureate degree. Many courses are offered as variable credits; therefore, candidates should consider their credit needs when planning their course work and when registering for these courses. There is no comprehensive exam or thesis requirement for the Masters degree program. Instead, there is a program portfolio requirement.

Delivery: This program is only offered in the interactive online format (see School of Distance Education definitions). The online courses follow fixed enrollment with semester start and end dates. Participants interact with each other and with instructor throughout all courses. The program requires an intensive one-week summer orientation (LEAD 630).

Total Credits - 34

EDAL 520 - Foundations of Educational Leadership Credits: 2,3
EDAL 560 - K–12 Law Credits: 3
EDAL 565 - Leadership for Seventh-day Adventist Education Credits: 2
EDAL 570 - Principles of Educational Supervision Credits: 2,3
EDAL 635 - Human Resources Administration Credits: 2,3
EDAL 645 - K–12 Educational Finance Credits: 2,3
EDAL 663 - Elementary and Secondary School Leadership Credits: 2,3
EDAL 670 - Technology for Leaders Credits: 1–3
EDAL 680 - K-12 Internship: (Topic) Credits: 1–12
EDFN 500 - Philosophical Foundations for Professionals Credits: 2,3
EDRM 505 - Research Methods Credits: 3
LEAD 525 - Public Relations: Community Partnerships Credits: 2,3
LEAD 630 - Introduction to Leadership Credits: 2
LEAD 675 - Portfolio Development: (Topic) Credits: 0–3

Choose one of the following courses:
- EDCI 547 - Foundations of Curriculum Studies Credits: 3
- EDCI 565 - Improving Instruction Credits: 2,3

Electives
Choose remaining credits from EDAL, EDCI, or LEAD in consultation with academic advisor to total 34.

Additional Requirements

Internship Experience
The internship experience provides significant learning opportunities to synthesize and apply the knowledge and practice and to develop the skills identified in the standards. It requires substantial, sustained, standards-based work in a real setting, planned and guided cooperatively by the institution and school district personnel for graduate credit.

Admission Requirements
Students who are applying for admission to the Educational Leadership MA program are not required to take the GRE. For those students who are seeking the GRE scholarship, the GRE must be taken. The amount of a potential scholarship is related to the score achieved on the GRE as follows:

<table>
<thead>
<tr>
<th>GRE Score</th>
<th>Scholarship</th>
</tr>
</thead>
<tbody>
<tr>
<td>300</td>
<td>10% tuition reduction</td>
</tr>
<tr>
<td>310</td>
<td>25% tuition reduction</td>
</tr>
<tr>
<td>320</td>
<td>50% tuition reduction</td>
</tr>
</tbody>
</table>

Additional Information

Certification & Licensure
Certification and licensure requirements for private/public school administrators vary by state. It is the responsibility of prospective students to check with their own state or local authorities to determine what coursework meets the requirements for private/public school certification in their state.

NAD Certification: Those seeking to use this degree for North American Division certification purposes need to have an NAD professional teaching certificate which requires graduate work in two of the following areas: learning theory/style, curriculum, improvement of instruction, education of the exceptional student, trends and issues in education, and multicultural education. As such, those completing this master’s degree and wanting NAD administrative endorsement will also need to take additional course work from the areas listed if they have not done so already.

Student Learning Outcomes
Based on the program’s 10 Guiding Standards, graduates will be able to:
- Collaboratively facilitate the development, articulation, implementation, and stewardship of a shared school vision of learning through the collection and use of data to identify school goals, assess organizational effectiveness, and implement school plans to achieve school goals; promote continual and sustainable school improvement; and evaluate school progress and revise school plans supported by school-based stakeholders.
- Sustain a school culture and instructional program conducive to student learning through collaboration, trust, and a personalized learning environment with high expectations for students; create and evaluate a comprehensive, rigorous and coherent curricular and instructional school program; develop and supervise the instructional and leadership capacity of school staff.
• Ensure the management of the school organization, operation, and resources through monitoring and evaluating the school management and operational systems; efficiently use human, fiscal, and technological resources in a school environment; promote and protect the welfare and safety of school students and staff developing school capacity for distributed leadership; and ensure that teacher and organizational time is focused to support high-quality instruction and student learning.
• Collaborate with faculty and community members, responding to diverse community interests and needs, and mobilizing community resources on behalf of the school by collecting and analyzing information pertinent to improvement of the school's educational environment; promote an understanding, appreciation, and use of the diverse cultural, social, and intellectual resources within the school community; build and sustain positive school relationships with families and caregivers; and cultivate productive school relationships with community partners.
• Act with integrity, fairness, and, in an ethical manner to ensure a school system of accountability for every student’s academic and social success by modeling school principles of self-awareness, reflective practice, transparency, and ethical behavior as related to their roles within the school; safeguard the values of democracy, equity, and diversity within the school; evaluate the potential moral and legal consequences of decision making in the school; and promote social justice within the school to ensure that individual student needs inform all aspects of schooling.
• Understand, respond to, and influence the larger political, social, economic, legal, and cultural context through advocating for school students, families, and caregivers; act to influence local, district, state, and national decisions affecting student learning in a school environment; and anticipate and assess emerging trends and initiatives in order to adapt school-based leadership strategies.
• Participate in a substantial and sustained educational leadership internship experience that has school-based field experiences and clinical internship practice within a school setting and is monitored by a qualified, on-site mentor.
• Understand and comprehensively apply technology to advance student achievement.
• Appreciate the perspectives of others and develop a personal philosophy from which action and service emerge.
• Understand and comprehensively apply research and evaluation for effective decision making.

Higher Education Administration MA

The Higher Education Administration program seeks to empower diverse scholar-practitioners for service in national and international colleges and universities, committed to Christian values and high professional standards. Higher Education is one of the fastest growing areas of education in the world today. Graduates at the master’s level typically work in administrative and executive positions in student services such as enrollment, admissions, financial services, athletics and residence halls. The curriculum has an international focus that includes visiting international universities to interact with faculty and students of institutions in different countries around the world.

The MA program in Higher Education prepares students for entry-level and mid-management level positions at public and private colleges or universities and community colleges in different areas of student affairs, such as:
- Admissions and enrollment
- Financial services management
- Residence halls administration
- Religious and social activities coordination
- Athletic and recreation administration
- Health services
- International student services
- Other related areas

Time Limit: Participants must complete the requirements for the MA within four years from the beginning of the first semester of class work after acceptance into the program, irrespective of admission classification.

Delivery: This program is offered on the main campus and in an interactive online format (see School of Distance Education Definitions). The interactive online degree does not require any on-campus time. Participants interact with each other and with instructors throughout all courses via an electronic management platform. The online program requires summer on-campus attendance in the first year. Students are also encouraged to come to campus for graduation.

Total Credits - 36

EDAL 640 - Higher Education Law Credits: 3
EDAL 655 - Higher Education Finance Credits: 1–3
3 credits of EDAL 667 - Leadership in Higher Education Credits: 2,3
EDAL 674 - Administration of Student Services Credits: 3
EDAL 675 - College Student Development Theory Credits: 3
3 credits of EDFN 500 - Philosophical Foundations for Professionals Credits: 2,3
LEAD 630 - Introduction to Leadership Credits: 2
LEAD 644 - Leadership and Organizational Dynamics Credits: 3
LEAD 678 - Global Education Study Tour Credits: 3–6
2 credit of LEAD 689 - Seminar: (Topic) Credits: 1–12

or EDAL 680 - K-12 Internship: (Topic) Credits: 1–12

Research - 4
EDRM 505 - Research Methods Credits: 3
1 credit of LEAD 535 - Principles of Academic Writing Credits: 1–3

Electives
As needed, electives are chosen in consultation with academic advisor.

Additional Requirements
- The degree programs require the completion of a portfolio that documents the participant’s work. These portfolios require documentation that evidences a level of mastery appropriate to each degree and can be presented in person or via electronic media. The portfolio must be assessed and approved by a faculty committee. More details on portfolio requirements are provided in the introductory course, LEAD 630, required in all programs. There is no comprehensive exam or thesis requirement for the master’s degree program. Instead, there is a program portfolio requirement.
- The curriculum consists of a minimum of 36 credits beyond the baccalaureate degree.
- Many courses are offered as variable credits; therefore, candidates should consider their credit needs when planning their course work and when registering for these courses.
- There is no thesis requirement for the master's degree program.

Maintaining Active Status
Participants comply with registration guidelines by enrolling in a course at least one semester out of three consecutive semesters until their program is complete. If participants want to remain active and not register for regular course work they will need to register for EDAL 650 Program Continuation at least every third semester. This course has no credit but allows access to faculty advising and access to the Andrews University library. As an alternative to the above, a participant may request to go Inactive. When Active Status is desired, the participant may request reactivation and, if approved, pay the current Reactivation Fee.

Admission Requirements

Application Process
Applicants must meet School of Education (College of Education & International Services) admission requirements. Once accepted into this master's program, students must complete LEAD 630 - Introduction to Leadership as an introduction to the philosophy of leadership and review of the standards that will guide their educational plan.

Graduate Record Examination (GRE)

Students who are applying for admission to the Higher Education Administration MA program are not required to take the GRE. For those students who are seeking the GRE scholarship, the GRE must be taken. The amount of a potential scholarship is related to the score achieved on the GRE as follows:

<table>
<thead>
<tr>
<th>GRE Score</th>
<th>Scholarship</th>

</tbody>
</table>
Student Learning Outcomes

The Higher Education Administration program is guided by a set of competencies that function as student learning outcomes.

Competencies of the Program

Higher Education requires theoretical knowledge and practical application in the following core competencies:

1. Self-Development Competencies: This cluster of competencies focuses on the self-awareness, intellectual growth, and the personal and professional identity required for inspiring and supporting the development of college students.
   - Philosophical foundations—Higher Education functions within the context of multiple perspectives and a personal belief system and worldview that influence their practice.
   - Ethics, values, and spirituality—Higher Education functions from a set of principles and personal values that guide their work, promote healthy behavior, and influence decision making and their relationships with others.
   - Human development and career choice—Higher Education is committed to continuous learning and personal development, articulating career choices based on assessment of interests, values, skills and abilities resulting from formal education, work experience, community service and volunteer experiences.

2. Interpersonal Development Competencies: This cluster of competencies focuses on the interpersonal aspects of Higher Education that promote growth and development of others and challenge students to learn and develop in holistic ways.
   - Effective communication and mentoring—Higher Education fosters effective communication in all internal and external interactions, to establish and maintain cooperative relationships that are trust-centered, providing empowerment that results in personal and performance improvement toward satisfying mutual objectives.
   - Appreciating diversity—Higher Education values one's own identity and culture and articulates the advantages and challenges of a diverse society, promoting multicultural awareness and positive regard for differences.
   - Social responsibility—Higher Education is accountable to others and endeavors to see that family, community, and environmental needs are met in local and in global ways, as appropriate.

3. Leadership and Organizational Development Competencies: This cluster of competencies addresses the organizational aspects of Higher Education, focusing on the achievement of goals and programs that make colleges and universities an educational enterprise.
   - Resource development; human and financial—Higher Education appropriately develops, allocates and manages human and financial resources for promoting change and fostering healthy and strategic outcomes.
   - Legal and policy issues—Higher Education applies and understands the scope of a legal and policy structure appropriate for their field.
   - Organizational behavior, change, and culture—Higher Education understands personal, group, and inter-group behaviors, and how they impact the organizational culture and shape the vision and strategy for facilitating the change process.

4. Research Development Competency: Research skills are necessary for engaging in organizational development, assessment and evaluation, and other Higher Education projects.
   - Conducting, evaluating and reporting research—Higher Education understands the logic and processes of scientific inquiry, explains major research methodologies, formulates empirically-driven research problems, selects appropriate research designs, conducts basic data collection and analysis and adequately communicates research findings and implements the findings in the workplace.

Leadership MA (Concentration Design)

E-mail: leader@andrews.edu

The 36-credit Masters of Arts in Leadership helps individuals develop a leadership mindset and the complex skill-sets needed for leaders in communities and high-performance organizations engaged in today's fast-changing contexts of change. Designed around a distance-delivery model, this MA can be taken by on-campus participants as well as participants at a distance. It is intended to integrate well with other leadership programs in the department or university, and serves as a bridge to both the undergraduate leadership program and the doctoral leadership program.

The participants’ program can be adapted to varying personal, organizational, or regional contexts. Recent college graduates transitioning into employment who want to further their leadership development as well as experienced employees who want to target specific areas of leadership for development will find the design of this program flexible to meet their leadership needs.

The overall goal of the MA Leadership program is to develop leaders with a strong sense of personal mission, the ability to work in teams, and experience in leading change that can provide better services and professional solutions in varied local, regional and global situations.

Participants work with their advisors to develop a personalized Leadership & Learning Plan (LLP) integrated with a schedule of courses. The "core + concentration" design allows individuals to work at their own pace to develop a specific set of competencies that are aligned with their area of concentration and specific areas of leadership development. The program requires 36 credits and the completion of a portfolio and research work.

Program Delivery

The MA in Leadership is typically an interactive online program unless it is offered as a cohort-based program. The program is also offered on the main campus only for students taking the Higher Educational Leadership concentration. The interactive online courses follow fixed enrollment with semester start and end dates (see School of Distance Education definitions). All participants interact with each other and the instructor throughout all courses. They are also part of a learning group which meets regularly for mutual support and accountability, and to engage in significant sharing and evaluation of learning related to competency development. The online program requires two-week on-campus attendance in the first year, and at least one week of on-campus attendance in subsequent years for the annual Leadership Conference and Roundtable and other planned learning events designed to support participants in specific areas of their program (e.g., research boot camps). These support events are often organized in connection with the Annual Conference. Students are also encouraged to come to campus for graduation.

- LEAD 636 - Issues in Leadership Foundations Credits | 2,3 |
- EDFN 500 - Philosophical Foundations for Professionals Credits | 2,3 |

Choose one of the following courses (except those students taking the Creativity & Innovation Concentration):

- LEAD 680 - Internship Credits | 1–12 |
- LEAD 698 - MA Research Project Credits | 1–3 |
- LEAD 696 - Leadership Capstone Experience Credits | 1 |
- LEAD 699 - Thesis Credits | 1-6 |

Concentration - 18

Participants work with advisors to develop a course plan in one of the 18-credit concentrations:

- Leadership MA, Creativity & Innovation Concentration
- Leadership MA, Higher Educational Leadership Concentration
- Leadership MA, K-12 School Leadership Concentration
- Leadership MA, Organizational Leadership Concentration

Creativity & Innovation Concentration

This concentration helps existing or future leaders in organizations develop their own creativity through experiences in innovation in a real-life context. In addition to the core requirements for the MA in Leadership (Concentration Design), this concentration requires 18 credits in the following areas:

Concentration - 18

Choose 6 additional credits from the following:
LEAD 644 - Leadership and Organizational Dynamics Credits: 3
LEAD 675 - Portfolio Development: (Topic) Credits: 0-3
Other courses (approved by academic advisor) appropriate for the participant’s innovation project.

Innovation Project
Each participant is part of a learning community and works with an innovation coach and a leadership advisor to develop an innovation project in alignment with their LLP. A complete and well-documented innovation project may provide sufficient evidence of the development of a competency within the participant’s portfolio.

Higher Educational Leadership Concentration
This Higher Education Concentration helps participants develop leadership in working with students and staff in post-secondary environments. In addition to the core requirements for the MA in Leadership (Concentration Design), this concentration requires 18 credits in the following areas:

Concentration - 18
Choose 12 credits from the following:
EDAL 640 - Higher Education Law Credits: 3
EDAL 655 - Higher Education Finance Credits: 1–3
EDAL 667 - Leadership in Higher Education Credits: 2,3
EDAL 674 - Administration of Student Services Credits: 3
EDAL 675 - College Student Development Theory Credits: 3
LEAD 678 - Global Education Study Tour Credits: 3–6

Choose 6 credits from the following:
LEAD 644 - Leadership and Organizational Dynamics Credits: 3
LEAD 645 - Ethical Leadership & Organizational Integrity Credits: 1–3
LEAD 647 - Creative Critical Thinking and Problem Solving Credits: 3
LEAD 675 - Portfolio Development: (Topic) Credits: 0-3

Competencies
A learning community is maintained through the dynamic online courses in higher education and regular meetings with a learning group and an advisor. The participant is to focus their competency development on higher education projects and themes as they are documented in the portfolio.

Additional Information
For further information, students may contact the coordinator of the Higher Education Administration program.

K-12 School Leadership Concentration
In addition to the core requirements for the MA in Leadership (concentration design), this concentration requires 18 credits in the following areas. The LLP is signed off by two faculty members and requires participants to show a plan to fulfill five of the 10 standards. This concentration is compatible with the requirements of the North American Division Seventh-day Adventist K-12 Administrator Certificate with endorsement as Principal. However, individuals should work with the union credential specialist to determine a plan that will best fulfill this certification. If approval by the Educational Leadership Consortium Council (ELCC) or the Michigan Department of Education is desired, please contact the director of the Educational Leadership programs for guidance: Dr. Janet Ledesma, jledesma@andrews.edu.

Those taking this concentration should select the Internship option below as their way to complete their research and portfolio options.

Concentration - 18
This concentration allows the MA in Leadership participant to focus on leadership development in a K-12 school setting. This 18-credit concentration matches the Principalship Certificate (see the Educational Leadership section). The LLP is signed off by two faculty members and requires participants to show a plan to fulfill five of the 10 standards of the educational leadership program. Those in this program experience a learning community through online courses and the required participation in at least 7 online principalship webinars a year.

EDAL 520 - Foundations of Educational Leadership Credits: 2,3
EDAL 560 - K-12 Law Credits: 3
EDAL 565 - Leadership for Seventh-day Adventist Education Credits: 2
EDAL 570 - Principles of Educational Supervision Credits: 2,3
EDAL 645 - K-12 Educational Finance Credits: 2,3
EDAL 663 - Elementary and Secondary School Leadership Credits: 2,3
EDAL 680 - K-12 Internship: (Topic) Credits: 1–12
EDCI 547 - Foundations of Curriculum Studies Credits: 3
LEAD 675 - Portfolio Development: (Topic) Credits: 0-3

Educational Leadership Standards
- Vision: Facilitating the development, articulation, implementation, and stewardship of a school or district vision of learning that is shared and supported by the school community.
- Instructional Culture: Promoting a positive school culture, providing an effective instructional program, applying best practice to student learning, and designing comprehensive professional growth plans for staff.
- Management and Administration: Managing the organization, operations and resources in a way that promotes a safe, efficient and effective learning environment.
- Community Collaboration: Collaborating with families and other community members, responding to diverse community interests and needs, and mobilizing community resources.
- Ethics: Acting with integrity, fairness, and in an ethical manner.
- Law and Politics: Understanding, responding to, and influencing the larger political, social, economic, legal, and cultural context.
- Technology: Understanding and comprehensively applying technology to advance student achievement.
- Worldview: Appreciating the perspectives of others and developing a personal philosophy from which action and service emerge.
- Research: Understanding and comprehensively applying research and evaluation for effective decision making.
- Internship: Leadership is demonstrated in substantial, sustained, standards-based work in a real setting, planned and guided cooperatively by the institution and school personnel.

Organizational Leadership Concentration
This concentration allows MA in Leadership participants to gain expertise in organizational leadership and development organizations. Those in this concentration participate in the dynamic learning environment of the Leadership program which focuses on organizational change leadership. It offers the participant a community of learning designed to foster authentic leadership. MA participants join and fully participate in a Leadership and Learning Group (LLG) which may consist of leaders from different organizational and even international settings. They attend the Annual Leadership Conference each year they are in the program. Those taking this concentration must select 5 of the 15 competencies of the Leadership Program, complete them at a satisfactory level (Level 3), and document them in a portfolio.

Concentration - 18
Choose 18 credits from the following:
LEAD 525 - Public Relations: Community Partnerships Credits: 2,3
LEAD 625 - Research Writing Seminar Credits: 1,2
LEAD 637 - Issues in Research Credits: 2,3
LEAD 644 - Leadership and Organizational Dynamics Credits: 3
LEAD 645 - Ethical Leadership & Organizational Integrity Credits: 1–3
LEAD 647 - Creative Critical Thinking and Problem Solving Credits: 3
LEAD 675 - Portfolio Development: (Topic) Credits: 0-3
LEAD 678 - Global Education Study Tour Credits: 3–6
LEAD 689 - Seminar: (Topic) Credits: 1–12

Additional Requirements
Portfolio Requirement
The MA in Leadership program requires the development, presentation and successful approval of a portfolio that documents leadership proficiency in a minimum of 5 competencies.
- Students must select competencies required in their concentration that align with the Leadership Program competencies. To facilitate portfolio development, participants must register for one or more of the following courses: EDAL 680, LEAD 680, LEAD 675, or LEAD 696.

Student Learning Outcomes
The MA in Leadership requires documented theoretical knowledge, practical application, and reflection in a portfolio that selects from among the following core areas:
Leadership MA (Job Embedded Design)

The job-embedded 36-credit Masters of Arts in Leadership helps individuals in organizations develop a leadership mindset and the complex skill sets needed for leaders in communities and high-performance organizations engaged in today’s fast-changing contexts of change. The participant’s program can be adapted to varying personal, organizational, and/or regional contexts.

The overall goal of the MA Leadership program is to develop leaders with a strong sense of personal mission, the ability to work in teams, and experience in leading change that can provide better services and professional solutions in varied local, regional and global situations.

The job-embedded design is created with an official Andrews University partner organization to attract a cohort of professionals who want to work together to develop competencies useful for their organization or region. Competencies are developed and documented in a digital or hardcopy portfolio, and presented to a faculty panel.

Program Delivery

The MA in Leadership is primarily an interactive online program (see School of Distance Education definitions) offered as a cohort-based program. The online courses follow fixed enrollment with semester start and end dates. Participants will interact with each other and the instructors throughout their courses. They are also part of a learning group which meets regularly for mutual support and accountability, and to engage in significant sharing and evaluation of learning related to competency development. Students are invited to come to the Berrien Springs campus for graduation.

Participants in the job-embedded option usually work in a cohort model with face-to-face or online learning sessions. They work to develop and demonstrate 5-10 leadership competencies. They are required to:

- Create a Leadership and Learning Plan (LLP).
- Attend all the required program modules.
- Participate regularly and actively in a Learning Group.
- Maintain employment throughout the program.
- Complete the development and presentation of a portfolio based on the participant’s LLP, documenting satisfactory completion of the required competencies.

Off-Campus Locations

See approved off-campus location(s) for current programming. To discuss new partnerships, contact the Department of Leadership (leader@andrews.edu or 269-471-6580).

Total Credits - 36

In consultation with their academic advisor, students will select courses from LEAD, EDAL, or other subject areas to help them meet their competencies.

Additional Requirements

Portfolio Requirement

The MA in Leadership program requires the development, presentation and successful approval of a portfolio that documents leadership proficiency in the programs’ competencies.

Student Learning Outcomes

The MA in Leadership requires documented theoretical knowledge, practical application, and reflection in a portfolio that selects from among the following core areas:

- Successful participants will demonstrate reflective praxis within their personal development as a leader. This may include areas such as worldview, ethics, values, & spirituality.
- Successful participants will demonstrate reflective praxis in developing interpersonal leadership. This may include areas such as communications, mentor/coaching, & social responsibility.
- Successful participants will demonstrate reflective praxis in developing their leadership within organization(s). This may include areas such as resource development, legal and policy issues, organizational development, creativity, innovation and change, & evaluation and assessment.
- Successful participants will demonstrate growth and maturity in leadership scholarship. This will include areas such as reading, understanding, and evaluating research as well as data collection and analysis.

Post-Masters

Educational Leadership EdD

The Educational Leadership EdD prepares students for professional careers in education as superintendents or elementary and secondary-school administrators. It also prepares leaders for service in many types of agencies and organizations.

Those specifically served by this degree are the following:

- Teachers with master’s degrees interested in transitioning into educational administration and securing an additional degree while completing their NAD administration certification and endorsement
- Principals of K–8, K–10, K–12, and 9–12 schools
- Supervisors of instruction
- Superintendents of schools
- Those interested in teaching Educational Administration at the higher education level

Delivery: This program is only offered online with interactive online courses (see School of Distance Education definitions). The online courses follow fixed enrollment with semester start and end dates. Participants interact with each other and with instructor throughout all courses. The online program requires summer on-campus attendance in the first year. Students are also encouraged to come to campus for graduation.

Total Credits - 60

2 credits of EDAL 660 - Planning and Operating Educational Facilities Credits: 2,3
3 credits of EDAL 886 - Advanced K-12 Internship Credits: 1–12
EDRM 605 - Qualitative Research Methods in Education and Psychology Credits: 3
EDRM 611 - Applied Statistical Methods I Credits: 3
EDRM 636 - Program Evaluation Credits: 3
EDRM 712 - Applied Statistical Methods II Credits: 3
2 credits of LEAD 535 - Principles of Academic Writing Credits: 1–3
LEAD 630 - Introduction to Leadership Credits: 2
2 credits of LEAD 637 - Issues in Research Credits: 2,3
1 credit of LEAD 645 - Ethical Leadership & Organizational Integrity Credits: 1–3
1 credit of LEAD 775 - Advanced Portfolio Development: (Topic) Credits: 1–12
LEAD 778 - Global Education Study Tour Credits: 3–6

Dissertation - 16

LEAD 880 - Dissertation Proposal Development Credits: 2
14 credits of LEAD 899 - Doctoral Dissertation Credits: 1–14

Cognates - 13

In consultation with academic advisor, choose 13 credits from outside Educational Administration, such as Business, Communication, Social Work, Psychology, Curriculum, Leadership, and/or Research.
Based on the program's 10 Guiding Standards, graduates will be able to:

- Understand and comprehensively apply technology to advance student achievement.
- Appreciate the perspectives of others and develop a personal philosophy from which action and service emerge.
- Understand and comprehensively apply research and evaluation for effective decision making.

**Educational Leadership EdS**

The Educational Leadership Educational Specialist degree program prepares candidates to serve as principals, supervisors, or superintendents in elementary and/or secondary systems. Those specifically served by this degree are the following:

- Teachers with master's degrees interested in transitioning into educational administration and securing an additional degree while completing their NAD administration certification or endorsement
- Principals of K–8, K–10, K–12, and 9–12 schools
- Supervisors of instruction
- Superintendents of schools

**Admission Requirements**

An Educational Leadership MA degree or equivalent is required for admission. Previous doctoral degree(s), post-masters' academic work, especially research courses, documented competencies, and leadership skills and knowledge advantage these applicants in fulfilling program objectives that may be used toward degree requirements. GRE scores are not required for admission. However, an applicant may choose to take the GRE test and submit scores to Andrews University for consideration in potential scholarship awards.

**Student Learning Outcomes**

Based on the program's 10 Guiding Standards, graduates will be able to:

- Collaboratively facilitate the development, articulation, implementation, and stewardship of a shared school vision of learning through the collection and use of data to identify school goals, assess organizational effectiveness, and implement school plans to achieve school goals; promote continual and sustainable school improvement; and evaluate school progress and revise school plans supported by school-based stakeholders.
- Sustain a school culture and instructional program conducive to student learning through collaboration, trust, and a personalized learning environment with high expectations for students; create and evaluate a comprehensive, rigorous and coherent curricular and instructional school program; develop and supervise the instructional and leadership capacity of school staff.
- Ensure the management of the school organization, operation, and resources through monitoring and evaluating the school management and operational systems; efficiently use human, fiscal, and technological resources in a school environment; promote and protect the welfare and safety of school students and staff developing school capacity for distributed leadership; and ensure that teacher and organizational time is focused to support high-quality instruction and student learning.
- Collaborate with faculty and community members, responding to diverse community interests and needs, and mobilizing community resources on behalf of the school by collecting and analyzing information pertinent to improvement of the school's educational environment; promote an understanding, appreciation, and use of the diverse cultural, social, and intellectual resources within the school community; build and sustain positive school relationships with families and caregivers; and cultivate productive school relationships with community partners.
- Act with integrity, fairness, and in an ethical manner to ensure a school system of accountability for every student's academic and social success by modeling school principles of self-awareness, reflective practice, transparency, and ethical behavior as related to their roles within the school; safeguard the values of democracy, equity, and diversity within the school; evaluate the potential moral and legal consequences of decision making in the school; and promote social justice within the school to ensure that individual student needs inform all aspects of schooling.
- Understand, respond to, and influence the larger political, social, economic, legal, and cultural context through advocating for school students, families, and caregivers; act to influence local, district, state, and national decisions affecting student learning in a school environment; and anticipate and assess emerging trends and initiatives in order to adapt school-based leadership strategies.
- Participate in a substantial and sustained educational leadership internship experience that has school-based field experiences and clinical internship practice within a school setting and is monitored by a qualified, on-site mentor.

**Electives**

As needed, choose in consultation with your advisor.

**Cognates**

In consultation with academic advisor, choose 9 credits from outside Educational Administration, such as Business, Communication, Social Work, Psychology, Curriculum, Leadership, Research, or transfer credits.

**Additional Requirements**

- At least 24 semester credits must be completed after admission to the EdS program.
- Candidates must complete LEAD 630 - Introduction to Leadership which is an introduction to the philosophy of leadership and review of the standards that will guide their educational plan.
• The curriculum consists of a minimum of 64 credits beyond the baccalaureate degree and requires the completion of both an internship and a portfolio.
• Many courses are offered as variable credits; therefore, candidates should consider their credit needs when planning their course work and registering for courses.
• The portfolio serves as a component of the EdS comprehensive examination.
• There is no thesis requirement for the EdS degree program.

Admission Requirements
GRE scores are not required for admission. However, an applicant may choose to take the GRE test and submit scores to Andrews University for consideration in potential scholarship awards.

Student Learning Outcomes
Based on the program's 10 Guiding Standards, graduates will be able to:
• Collaboratively facilitate the development, articulation, implementation, and stewardship of a shared school vision of learning through the collection and use of data to identify school goals, assess organizational effectiveness, and implement school plans to achieve school goals; promote continual and sustainable school improvement; and evaluate school progress and revise school plans supported by school-based stakeholders.
• Sustain a school culture and instructional program conducive to student learning through collaboration, trust, and a personalized learning environment with high expectations for students; create and evaluate a comprehensive, rigorous and coherent curricular and instructional school program; develop and supervise the instructional and leadership capacity of school staff.
• Ensure the management of the school organization, operation, and resources through monitoring and evaluating the school management and operational systems; efficiently use human, fiscal, and technological resources in a school environment; promote and protect the welfare and safety of school students and staff developing school capacity for distributed leadership; and ensure that teacher and organizational time is focused to support high-quality instruction and student learning.
• Collaborate with faculty and community members, responding to diverse community interests and needs, and mobilizing community resources on behalf of the school by collecting and analyzing information pertinent to improvement of the school's educational environment; promote an understanding, appreciation, and use of the diverse cultural, social, and intellectual resources within the school community; build and sustain positive school relationships with families and caregivers; and cultivate productive school relationships with community partners.
• Act with integrity, fairness, and in an ethical manner to ensure a school system of accountability for every student's academic and social success by modeling school principles of self-awareness, reflective practice, transparency, and ethical behavior as related to their roles within the school; safeguard the values of democracy, equity, and diversity within the school; evaluate the potential moral and legal consequences of decision making in the school; and promote social justice within the school to ensure that individual student needs inform all aspects of schooling.
• Understand, respond to, and influence the larger political, social, economic, legal, and cultural context through advocating for school students, families, and caregivers; act to influence local, district, state, and national decisions affecting student learning in a school environment; and anticipate and assess emerging trends and initiatives in order to adapt school-based leadership strategies.
• Participate in a substantial and sustained educational leadership internship experience that has school-based field experiences and clinical internship practice within a school setting and is monitored by a qualified, on-site mentor.
• Understand and comprehensively apply technology to advance student achievement.
• Appreciate the perspectives of others and develop a personal philosophy from which action and service emerge.
• Understand and comprehensively apply research and evaluation for effective decision making.

Educational Leadership PhD
The doctoral program in Educational Leadership prepares participants for professional careers in education as superintendents or elementary and secondary-school administrators. The program also prepares leaders for service in many types of agencies and organizations. The PhD degree is more research-oriented than the EdD degree and requires more courses in advanced research methodologies.

Those specifically served by this degree are the following:
• Teachers with master's degrees interested in transitioning into educational administration and securing an additional degree while completing their NAD administration certification and endorsement.
• Principals of K–8, K–10, K–12, and 9–12 schools
• Supervisors of instruction
• Superintendents of schools
• Those interested in teaching Educational Administration at the higher education level

Delivery: This program is offered in the interactive online format (see School of Distance Education definitions). The online courses follow fixed enrollment with semester start and end dates. Participants interact with each other and with instructor throughout all courses. The online program requires summer on-campus attendance in the first year. Students are also encouraged to come to campus for graduation.

- Understand and comprehensively apply technology to advance student achievement.
- Appreciate the perspectives of others and develop a personal philosophy from which action and service emerge.
- Understand and comprehensively apply research and evaluation for effective decision making.

Higher Education Administration

EdD

The Higher Education Administration program seeks to empower diverse scholar-practitioners for service in national and international colleges and universities, committed to Christian values and high professional standards.

Higher Education is one of the fastest growing areas of education in the world today. The program serves those who wish to pursue careers and academic positions in teaching, administration and research in colleges and universities, as well as corporate training or policy making positions at the private and state level. The curriculum has an international focus that includes visiting international universities to interact with faculty and students of institutions in different countries around the world.

Graduates typically work in the following professional areas:
- Research
- Teaching
- Policy leadership
- College administration at all levels
- Community college leadership and management
- Student personnel administration
- Corporate and post-secondary policy analysis

Time Limit: Participants must complete the requirements for the EdD within seven years from the beginning of the first semester of class work after acceptance into the doctoral program, irrespective of admission classification.

Delivery: This program is offered on the main campus and in an interactive online format (see School of Distance Education Definitions) with minimal face-to-face requirements. Participants interact with each other and with instructors throughout all courses via an electronic management platform. The online program requires summer on-campus attendance in the first year. Students are also encouraged to come to campus for graduation.

Additional Requirements

- The degree program requires the completion of a portfolio that documents the participant’s work. The portfolio requires documentation that evidences a level of mastery appropriate to the degree and can be presented in person or via electronic media. The portfolio must be assessed and approved by a faculty committee. More details on portfolio requirements are provided in the introductory course, LEAD 630, required in all programs. The portfolio serves as a component of the doctoral comprehensive examination.
- Successful completion of a dissertation is required.
- Beginning the semester after registering for LEAD880, candidates must register for at least 1 dissertation credit each semester until their dissertation is successfully defended.
- Many courses are offered as variable credits; therefore, candidates should consider their credit needs when planning their course work and registering for courses.
- Submission of a research-based article to a peer-reviewed publication is required.
Maintaining Active Status

Participants comply with registration guidelines by enrolling in a course at least one semester out of three consecutive semesters until their program is complete. If participants want to remain active and not register for regular course work they will need to register for EDAL 650 Program Continuation at least every third semester. This course has no credit but allows access to faculty advising and access to the Andrews University library. As an alternative to the above, a participant may request to go Inactive. When Active Status is desired, the participant may request reactivation and, if approved, pay the current Reactivation Fee.

Admission Requirements

- Applicants must meet School of Education (College of Education & International Services) admission requirements for doctoral programs. If they have not previously taken the courses, candidates must complete LEAD 630 - Introduction to Leadership and LEAD 600 - Annual Conference as an introduction to the philosophy of leadership and review of the standards that will guide their educational plan.
- Previous doctoral degree(s), post-masters’ academic work, especially research courses, documented competencies, and leadership skills and knowledge advantage these applicants in fulfilling program objectives that may be used toward degree requirements.
- GRE scores are not required for admission. However, an applicant may choose to take the GRE test and submit scores to Andrews University for consideration in potential scholarship awards.

Student Learning Outcomes

The Higher Education Administration program is guided by a set of competencies that function as student learning outcomes.

Competencies of the Program

Higher Education requires theoretical knowledge and practical application in the following core competencies:

1. Self-Development Competencies: This cluster of competencies focuses on the self-awareness, intellectual growth, and the personal and professional identity required for inspiring and supporting the development of college students.
   - Philosophical foundations—Higher Education functions within the context of multiple perspectives and a personal belief system and worldview that influence their practice.
   - Ethics, values, and spirituality—Higher Education functions from a set of principles and personal values that guide their work, promote healthy behavior, and influence decision making and their relationships with others.
   - Human development and career choice—Higher Education is committed to continuous learning and personal development, articulating career choices based on assessment of interests, values, skills and abilities resulting from formal education, work experience, community service and volunteer experiences.

2. Interpersonal Development Competencies: This cluster of competencies focuses on the interpersonal aspects of Higher Education that promote growth and development of others and challenge students to learn and develop in holistic ways.
   - Effective communication and mentoring—Higher Education fosters effective communication in all internal and external interactions, to establish and maintain cooperative relationships that are trust-centered, providing empowerment that results in personal and performance improvement toward satisfying mutual objectives.
   - Appreciating diversity—Higher Education values one’s own identity and culture and articulates the advantages and challenges of a diverse society, promoting multicultural awareness and positive regard for differences.
   - Social responsibility—Higher Education is accountable to others and endeavors to see that family, community, and environmental needs are met in local and in global ways, as appropriate.

3. Leadership and Organizational Development Competencies: This cluster of competencies addresses the organizational aspects of Higher Education, focusing on the achievement of goals and programs that make colleges and universities an educational enterprise.
   - Resource development; human and financial—Higher Education appropriately develops, allocates and manages human and financial resources for promoting change and fostering healthy and strategic outcomes.
   - Legal and policy issues—Higher Education applies and understands the scope of a legal and policy structure appropriate for their field.
   - Organizational behavior, change, and culture—Higher Education understands personal, group, and inter-group behaviors, and how they impact the organizational culture and shape the vision and strategy for facilitating the change process.

4. Research Development Competency: Research skills are necessary for engaging in organizational development, assessment and evaluation, and other Higher Education projects.
   - Conducting, evaluating and reporting research—Higher Education understands the logic and processes of scientific inquiry, explains major research methodologies, formulates empirically-driven research problems, selects appropriate research designs, conducts basic data collection and analysis and adequately communicates research findings and implements the findings in the workplace.

Higher Education Administration

EdS

The Higher Education Administration program seeks to empower diverse scholar-practitioners for service in national and international colleges and universities, committed to Christian values and high professional standards.

Higher Education is one of the fastest growing areas of education in the world today. Graduates of this program typically work in administrative and executive positions in student services such as enrollment, admissions, financial services, athletics and residence halls. The curriculum has an international focus that includes visiting international universities to interact with faculty and students of institutions in different countries around the world.

The Educational Specialist program in Higher Education provides advanced graduate education and training of high quality midlevel administrators for postsecondary institutions. It prepares professionals seeking administrative advancement and service to local institutions of higher education. This degree is appropriate for positions such as:

- Deans and assistant deans
- Assistant to the president
- Director and in-service directors
- Department chairperson in selected areas
- Program manager

Time Limit: Participants must complete the requirements for the EdS degree within six years from the beginning of the first semester of class work after acceptance into the program, irrespective of admission classification.

Delivery: This program is offered on the main campus and in an interactive online format (see School of Distance Education Definitions) with minimal face-to-face requirements. Participants interact with each other and with instructors throughout all courses via an electronic management platform. The online program requires summer on-campus attendance in the first year. Students are also encouraged to come to campus for graduation.

Total Credits - 45

3 credits of EDFN 500 - Philosophical Foundations for Professionals Credits: 2,3
EDAL 640 - Higher Education Law Credits: 3
EDAL 655 - Higher Education Finance Credits: 1–3
3 credits of EDAL 667 - Leadership in Higher Education Credits: 2,3
EDAL 674 - Administration of Student Services Credits: 3
EDAL 675 - College Student Development Theory Credits: 3
EDAL 676 - Administration of Academic Services Credits: 3
LEAD 630 - Introduction to Leadership Credits: 2
LEAD 644 - Leadership and Organizational Dynamics Credits: 3
LEAD 778 - Global Education Study Tour Credits: 3–6
LEAD 789 - Advanced Seminar: (Topic) Credits: 1–12
1 credit of LEAD 886 - Advanced Internship Credits: 1–12

Research - 10

EDRM 505 - Research Methods Credits: 3
EDRM 611 - Applied Statistical Methods I Credits: 3
1 credit of LEAD 535 - Principles of Academic Writing Credits: 1–3
3 credits of LEAD 637 - Issues in Research Credits: 2,3

Electives

As needed, electives are chosen in consultation with academic advisor.
Additional Requirements

- The degree program requires the completion of a portfolio that documents the participant's work. The portfolio requires documentation that evidences a level of mastery appropriate to the degree and can be presented in person or via electronic media. The portfolio must be assessed and approved by a faculty committee. More details on portfolio requirements are provided in the introductory course, LEAD 630, required in all programs. The portfolio serves as a component of the comprehensive examination.

- Many courses are offered as variable credits; therefore, candidates should consider their credit needs when planning their course work and registering for courses.

Maintaining Active Status

Participants comply with registration guidelines by enrolling in a course at least one semester out of three consecutive semesters until their program is complete. If participants want to remain active and do not register for regular course work they will need to register for EDAL 650 Program Continuation at least every third semester. This course has no credit but allows access to faculty advising and access to the Andrews University library. As an alternative to the above, a participant may request to go Inactive. When Active Status is desired, the participant may request reactivation and, if approved, pay the current Reactivation Fee.

Admission Requirements

Applicants must meet School of Education (College of Education & International Services) admission requirements for doctoral programs. If they have not previously taken the course, candidates must complete LEAD 630 - Introduction to Leadership as an introduction to the philosophy of leadership and review of the standards that will guide their educational plan. GRE scores are not required for admission. However, an applicant may choose to take the GRE test and submit scores to Andrews University for consideration in potential scholarship awards.

Student Learning Outcomes

The Higher Education Administration program is guided by a set of competencies that function as student learning outcomes.

Competencies of the Program

1. Self-Development Competencies: This cluster of competencies focuses on the self-awareness, intellectual growth, and the personal and professional identity required for inspiring and supporting the development of college students.
   - Philosophical foundations—Higher Education functions within the context of multiple perspectives and a personal belief system and worldview that influence their practice.
   - Ethics, values, and spirituality—Higher Education functions from a set of principles and personal values that guide their work, promote healthy behavior, and influence decision making and their relationships with others.
   - Human development and career choice—Higher Education is committed to continuous learning and personal development, articulating career choices based on assessment of interests, values, skills and abilities resulting from formal education, work experience, community service and volunteer experiences.

2. Interpersonal Development Competencies: This cluster of competencies focuses on the interpersonal aspects of Higher Education that promote growth and development of others and challenge students to learn and develop in holistic ways.
   - Effective communication and mentoring—Higher Education fosters effective communication in all internal and external interactions, to establish and maintain cooperative relationships that are trust-centered, providing empowerment that results in personal and performance improvement toward satisfying mutual objectives.
   - Appreciating diversity—Higher Education values one’s own identity and culture and articulates the advantages and challenges of a diverse society, promoting multicultural awareness and positive regard for differences.
   - Social responsibility—Higher Education is accountable to others and endeavors to see that family, community, and environmental needs are met in local and in global ways, as appropriate.

3. Leadership and Organizational Development Competencies: This cluster of competencies addresses the organizational aspects of Higher Education, focusing on the achievement of goals and programs that make colleges and universities an educational enterprise.
   - Resource development; human and financial—Higher Education appropriately develops, allocates and manages human and financial resources for promoting change and fostering healthy and strategic outcomes.
   - Legal and policy issues—Higher Education applies and understands the scope of a legal and policy structure appropriate for their field.
   - Organizational behavior, change and culture—Higher Education understands personal, group, and inter-group behaviors, and how they impact the organizational culture and shape the vision and strategy for facilitating the change process.

4. Research Development Competency: Research skills are necessary for engaging in organizational development, assessment and evaluation, and other Higher Education projects.
   - Conducting, evaluating and reporting research—Higher Education understands the logic and processes of scientific inquiry, explains major research methodologies, formulates empirically-driven research problems, selects appropriate research designs, conducts basic data collection and analysis and adequately communicates research findings and implements the findings in the workplace.

Higher Education Administration

PhD

The Higher Education Administration program seeks to empower diverse scholar-practitioners for service in national and international colleges and universities, committed to Christian values and high professional standards.

Higher Education is one of the fastest growing areas of education in the world today. Graduates at the master level typically work in administrative and executive positions in student services such as enrollment, admissions, financial services, athletics and residence halls. At the doctoral level, the program serves those who wish to pursue careers and academic positions in teaching and research in colleges and universities, as well as corporate training or policy making positions at the private and state level. The curriculum has an international focus that includes visiting international universities to interact with faculty and students of institutions in different countries around the world.

The doctoral program in Higher Education is designed to prepare experienced practitioners for senior administrative and policy-making positions. The PhD degree is research oriented and requires courses in advanced research methodologies. The submission of a research-based article to a peer-reviewed publication is required. Graduates typically work in the following professional areas:

- Research
- Teaching
- Policy leadership
- College administration at all levels
- Community college leadership and management
- Student personnel administration
- Corporate and post-secondary policy analysis

Time Limit: Participants must complete the requirements for the PhD within seven years from the beginning of the first semester of class work after acceptance into the doctoral program, irrespective of admission classification.

Delivery: This program is offered on the main campus and in an interactive online format (see School of Distance Education Definitions) with minimal face-to-face requirements. Participants interact with each other and with instructors throughout all courses via an electronic management platform. The online program requires summer on-campus attendance in the first year. Students are also encouraged to come to campus for graduation.

Choose one of the following courses:

- EDAL 520 - Foundations of Educational Leadership | Credits: 2,3
Choose elective courses from the following list, or equivalent, as approved by program director, to complete the required 61 credits:

- Will need to register for EDAL 650 Program Continuation at least every third reactivation and, if approved, pay the current Reactivation Fee.
- Must request to go Inactive. When Active Status is desired, the participant may request to the Andrews University library. As an alternative to the above, a participant may enroll in this course. This course has no credit but allows access to faculty advising and access to the Andrews University library.

**Research & Dissertation - 28**

EDRM 505 or equivalent is an expected prerequisite for doctoral-level research.

- EDRM 605 - Qualitative Research Methods in Education and Psychology Credits: 3
- EDRM 611 - Applied Statistical Methods I Credits: 3
- EDRM 712 - Applied Statistical Methods II Credits: 3
- 1 Credit of LEAD 535 - Principles of Academic Writing Credits: 1–3
- 2 Credits of LEAD 637 - Issues in Research Credits: 2,3
- LEAD 880 - Dissertation Proposal Development Credits: 2
- 14 Credits of LEAD 899 - Doctoral Dissertation Credits: 1–14

**Electives**

Choose elective courses from the following list, or equivalent, as approved by program director, to complete the required 61 credits:

- EDAL 635 - Human Resources Administration Credits: 2,3
- EDAL 670 - Technology for Leaders Credits: 1–3
- EDCI 606 - Teaching in Higher Education Credits: 3
- LEAD 525 - Public Relations: Community Partnerships Credits: 2,3
- LEAD 540 - Creativity and Innovation Workshop Credits: 1,2
- LEAD 644 - Leadership and Organizational Dynamics Credits: 3
- LEAD 645 - Ethical Leadership & Organizational Integrity Credits: 1–3
- LEAD 647 - Creative Critical Thinking and Problem Solving Credits: 3
- LEAD 775 - Advanced Portfolio Development: (Topic)___ Credits: 1-12
- LEAD 886 - Advanced Internship Credits: 1–12

**Additional Requirements**

- **Portfolio:** The degree program requires the completion of a portfolio that documents the participant's work. The portfolio requires documentation that evidences a level of mastery appropriate to the degree and can be presented in person or via electronic media. The portfolio must be assessed and approved by a faculty committee. More details on portfolio requirements are provided in the introductory course, LEAD 630, required in all programs. The portfolio serves as a component of the doctoral comprehensive examination.
- Successful completion of a dissertation is required.
- Beginning the semester after registering for LEAD 880, candidates must register for at least 1 dissertation credit during each semester until their dissertation is successfully defended.
- Many courses are offered as variable credits; therefore, candidates should consider their credit needs when planning their course work and registering for courses.
- Submission of a research-based article to a peer-reviewed publication is required.

**Maintaining Active Status**

Participants comply with registration guidelines by enrolling in a course at least one semester out of three consecutive semesters until their program is complete. If participants want to remain active and not register for regular course work they will need to register for EDAL 650 Program Continuation at least every third semester. This course has no credit but allows access to faculty advising and access to the Andrews University library. As an alternative to the above, a participant may request to go inactive. **Admission Requirements**

- Applicants must meet School of Education (College of Education & International Services) admission requirements for doctoral programs. If they have not previously taken the course, candidates must complete LEAD 630 - Introduction to Leadership as an introduction to the philosophy of leadership and review of the standards that will guide their educational plan. Many courses are offered as variable credits; therefore, candidates should consider their credit needs when planning their course work and registering for courses. The portfolio serves as a component of the doctoral comprehensive examination. Both doctorates require the successful completion of a dissertation.

- **Beginning the semester after registering for LEAD 880, candidates must register for at least 1 dissertation credit during each semester until their dissertation is successfully defended.**
- **Previous doctoral degree(s), post-masters' academic work, especially research courses, documented competencies, and leadership skills and knowledge advantage these applicants in fulfilling program objectives that may be used toward degree requirements.**
- **GRE scores are not required for admission. However, an applicant may choose to take the GRE test and submit scores to Andrews University for consideration in potential scholarship awards.**

**Student Learning Outcomes**

**Competencies of the Program**

Higher Education requires theoretical knowledge and practical application in the following core competencies:

1. **Self-Development Competencies:** This cluster of competencies focuses on the self-awareness, intellectual growth, and the personal and professional identity required for inspiring and supporting the development of college students.
   - Philosophical foundations—Higher Education functions within the context of multiple perspectives and a personal belief system and worldview that influence their practice.
   - Ethics, values, and spirituality—Higher Education functions from a set of principles and personal values that guide their work, promote healthy behavior, and influence decision making and their relationships with others.
   - Human development and career choice—Higher Education is committed to continuous learning and personal development, articulating career choices based on assessment of interests, values, skills and abilities resulting from formal education, work experience, community service and volunteer experiences.

2. **Interpersonal Development Competencies:** This cluster of competencies focuses on the interpersonal aspects of Higher Education that promote growth and development of others and challenge students to learn and develop in holistic ways.
   - Effective communication and mentoring—Higher Education fosters effective communication in all internal and external interactions, to establish and maintain cooperative relationships that are trust-centered, providing empowerment that results in personal and performance improvement toward satisfying mutual objectives.
   - Appreciating diversity—Higher Education values one's own identity and culture and articulates the advantages and challenges of a diverse society, promoting multicultural awareness and positive regard for differences.
   - Social responsibility—Higher Education is accountable to others and endeavors to see that family, community, and environmental needs are met in local and in global ways, as appropriate.

3. **Leadership and Organizational Development Competencies:** This cluster of competencies addresses the organizational aspects of Higher Education, focusing on the achievement of goals and programs that make colleges and universities an educational enterprise.
   - Resource development; human and financial—Higher Education appropriately develops, allocates and manages human and financial resources for promoting change and fostering healthy and strategic outcomes.
   - Legal and policy issues—Higher Education applies and understands the scope of a legal and policy structure appropriate for their field.
   - Organizational behavior, change, and culture—Higher Education understands personal, group, and inter-group behaviors, and how they impact the organizational culture and shape the vision and strategy for facilitating the change process.

4. **Research Development Competency:** Research skills are necessary for engaging in organizational development, assessment and evaluation, and other Higher Education projects.
   - Conducting, evaluating and reporting research—Higher Education understands the logic and processes of scientific inquiry, explains major research methodologies, formulates empirically-driven research problems, selects appropriate research designs, conducts basic data collection and analysis and adequately communicates research findings and implements the findings in the workplace.

**Leadership DLead**

The Doctor of Leadership program is designed for mid-career leaders who want to refine and refresh their leadership practice. In this program, participants will be challenged to explore their foundational beliefs and expand their understanding of what it means to be a leader. Working independently and with other learners,
The program uses a flexible learning structure that is learner-driven, life-embedded, and competency-focused. It employs a learning model that values the power of learning communities and harnesses the benefits of networking with others from a variety of leadership settings. These and many other experiences are encompassed within a learning community and do not require a move of their families or a break in their careers.

The Doctor of Leadership program is designed to be completed in 3-5 years while working full-time. All work is expected to be completed within 7 years. Those who have completed an MA in Leadership from Andrews University are deemed to have met the Core Requirements (14 credits) for the DLead if each of the Core Requirement classes have been taken in their MA in Leadership, or their equivalent. For more information regarding the program, please see the Leadership program website.

Program Delivery
This program is offered both as an interactive online program, and also as a job-embedded design at approved off-campus locations, which includes face-to-face delivery. The online courses typically follow fixed enrollment with semester start and end dates. Participants interact with each other and with instructors throughout the courses (see School of Distance Education definitions). They are also part of a learning group which meets monthly for mutual support and accountability, and to engage in significant sharing and evaluation of learning related to competency development. The online program also requires on-campus attendance of a two-week orientation during the summer of their first year of coursework (LEAD 630). In subsequent years, the online participants attend the on-campus annual Leadership Conference and Roundtable (LEAD 600, typically 3 days). Additionally, participants will have the option of attending other planned learning events designed to support them in specific areas of their program (e.g., research boot camps, innovation workshops, writing retreats, etc.) organized in connection with the Annual Conference. Students are also encouraged to come to campus for graduation.

Total Credits - 54

Core - 14-15

2 or 3 credits of LEAD 535 - Principles of Academic Writing Credits: 1–3
2 credits of LEAD 545 - Personal Narrative Credits: 1,2
LEAD 600 - Annual Conference Credits: 0
LEAD 605 - Learning Group Credits: 0
LEAD 630 - Introduction to Leadership Credits: 2
2 credits of LEAD 635 - Leadership and Learning Plan Credits: 2–4
3 credits of LEAD 636 - Issues in Leadership Foundations Credits: 2,3
3 credits of LEAD 638 - Issues in Leadership Theory Credits: 2,3

Research and Doctoral Project - 20+

DLead participants demonstrate competency in both qualitative and quantitative social science research methods through the research competencies, including a doctoral project with data collection, analysis, and application. Depending on previous documentable research experience and in consultation with their advisor, appropriate research method courses are selected to fulfill the research plan. EDMR 505 or equivalent is an expected prerequisite for doctoral-level research.

3 credits of EDMR 648 - Workshop Credits: 1–4 or LEAD 648 - Workshop: (Topic) (Research for Decision-Makers)
3 credits of LEAD 637 - Issues in Research Credits: 2,3
1 credit of LEAD 885 - Leadership Research Credits: 1–8
1 credit of LEAD 889 - Doctoral Seminar Credits: 1–3

Choose from the following courses as needed to fulfill the research requirements:

EDMR 605 - Qualitative Research Methods in Education and Psychology Credits: 3
EDMR 611 - Applied Statistical Methods I Credits: 3
LEAD 625 - Research Writing Seminar Credits: 1,2
EDMR 636 - Program Evaluation Credits: 3
EDMR 704 - Design and Analysis of Educational and Psychological Surveys Credits: 3

Doctoral Project - 12

2 credits of LEAD 881 - Doctoral Project Proposal Development Credits: 2
10 credits of LEAD 890 - Doctoral Project Credits: 1–10

Portfolio and Publishing - 2

LEAD 895 - Doctoral Portfolio Credits: 2

Completion of the Doctor of Leadership degree requires the development, documentation, and final presentation of a professional portfolio of the required competencies to a faculty panel. A list of the competencies can be found at the Leadership Program website.

Publishing Requirement
All Doctor of Leadership participants must submit a research-based article to an appropriate professional publication, in collaboration with their faculty supervisor(s).

Specialty Concentration (Optional)
Participants seeking to develop a specialty within their doctoral leadership program can do so under the guidance of a qualified faculty advisor with appropriate academic or professional expertise to guide and assess the specialized coursework and the competencies in the area of the desired concentration. Participants must fulfill the following requirements within their course of study in the Leadership Program to receive a specific Specialty Concentration:

- A minimum of 12 credits, 600 level or above, in the area of the concentration.
- Three competencies in the area of the concentration.
- An approved professional publication in the area of the concentration.

Specialties (such as Creativity and Innovation, Healthcare Leadership, etc.) will be noted on the transcript of the participant.

Maintaining Active Status
In addition to other university requirements, active status in the Leadership program requires the participant to maintain:

- Monthly interaction with Learning Group. Participants register for LEAD 605 (0 credits) each semester.
- Continuous progress. Appropriate progress in fulfilling the LLP.
- Contact with the advisor.
- Continuous registration every semester.
- Yearly registration and attendance at the annual Leadership Conference and Roundtable.
- Satisfactory financial arrangements with the university.
- Employment must be maintained throughout the program.
- Evidence of progress through regular competency evaluations.

Admission Requirements

- A sample of your best writing (e.g., published article, organizational document, research paper, etc.).
- A successful interview with two or more members of the Leadership faculty.
- Minimum of five years of professional work experience in a leadership setting is expected.
- A Masters degree or equivalent is expected for admission.
- GRE scores are not required for admission. However, an applicant may choose to take the GRE test and submit scores to Andrews University for consideration in potential scholarship awards.
- Current, full-time employment or business/ministry owner. This environment must provide a “laboratory” for developing and demonstrating growing expertise in the competency areas and for preparing the portfolio.

These program admission requirements have been designed to be aligned with the Graduate Admissions section of this bulletin. Those interested in applying for this program will also want to read that section as there may be additional admission requirements.

Applicants must commit to participate in:

First year only: The Leadership Orientation (LEAD 630).
Monthly: Regularly scheduled Learning Group meetings, typically on a monthly basis (LEAD 605).
Every summer: Attending the Annual Leadership Conference & Roundtable event (LEAD 600).
Credit for Prior Learning and Education

Credit for Prior Learning*
Applicants with considerable leadership experience may consider discussing options for Academic Credit for Prior Learning. For more information, visit the Credit for Prior Learning section of the bulletin, contact an advisor (or program faculty), and contact the Andrews University Credit for Prior Learning Coordinator. Applicants may also find significant personal leadership experiences that allow them to fulfill a portion of required competencies.

Credit for Prior Education*
Applicants with previous post-masters and/or doctoral coursework may be allowed to use these courses to fulfill a portion of the program requirements.

*Credit for prior learning and education are granted on a case-by-case basis.

Student Learning Outcomes

The DLead program requires documented theoretical knowledge, practical application, and reflection in a portfolio that includes the following core areas:

- Successful participants will demonstrate reflective praxis within their personal development as a leader. This will include areas such as worldview, ethics, values, & spirituality.
- Successful participants will demonstrate reflective praxis in developing interpersonal leadership. This will include areas such as communications, mentor/coaching, & social responsibility.
- Successful participants will demonstrate reflective praxis in developing their leadership within organization(s). This will include areas such as resource development, legal and policy issues, organizational development, creativity, innovation and change, & evaluation and assessment.
- Successful participants will demonstrate growth and maturity in leadership scholarship. This will include areas such as reading and evaluating research, participating in both qualitative and quantitative data collection and analysis for improved decision-making, & reporting and publishing their scholarship.

Leadership EdS

The Leadership program represents a new concept in graduate education. It is offered by the School of Education (College of Education & International Services) as an international and interdisciplinary collaborative graduate program. It is designed to meet the needs of mid-career leaders and to provide an innovative and highly flexible program allowing self-motivated learners the opportunity to pursue an EdS, EdD or PhD degree in the context of a learning community, without requiring a move of their families or a break in their careers. All work has to be completed within 7 years. The program:

- Is established on the idea of developing expertise and demonstrating competency in several key areas.
- Gives each participant the opportunity to design and carry out a Leadership and Learning Plan (LLP) in order to fulfill competency requirements.
- Allows participants to demonstrate competence through the oral presentation of a portfolio, which includes a written synthesis paper.
- Fosters collaboration and cooperation among its participants.

For more information about the Leadership programs, go to the Department of Leadership webpage at https://www.andrews.edu/sed/leadership_dept/leadership/index.html

Delivery: This program is offered only as an interactive online program (see School of Distance Education Definitions). The online courses follow fixed enrollment with semester start and end dates. Participants interact with each other and with instructor throughout all courses. They are also part of a learning group which meets regularly for mutual support and accountability, and to engage in significant sharing and evaluation of learning related to competency development. The program requires two week on-campus attendance in the first year; and three day on-campus attendance in subsequent years for the annual Leadership Conference and Roundtable and other planned learning events designed to support participants in specific areas of their program (e.g., research boot camps) organized in connection with the Annual Conference. Students are also encouraged to come to campus for graduation.

Total Credits - 36

2-3 credits of LEAD 535 - Principles of Academic Writing Credits: 1–3
LEAD 605 - Learning Group Credits: 0
2 credits of LEAD 630 - Introduction to Leadership Credits: 2
4 credits of LEAD 635 - Leadership and Learning Plan Credits: 2–4
3 credits of LEAD 636 - Issues in Leadership Foundations Credits: 2,3
3 credits of LEAD 638 - Issues in Leadership Theory Credits: 2,3

Research

EdS are required to complete an EdS Research project under the supervision of a project committee.

Research courses required for all EdS participants:

EDRM 505 - Research Methods Credits: 3
LEAD 637 - Issues in Research Credits: 2,3
LEAD 798 - Advanced Research Project Credits: 1–6

Students may take the following courses as needed to fulfill the research requirements:

EDRM 605 - Qualitative Research Methods in Education and Psychology Credits: 3
EDRM 611 - Applied Statistical Methods I Credits: 3
2 Credits of LEAD 625 - Research Writing Seminar Credits: 1,2
EDRM 636 - Program Evaluation Credits: 3
EDRM 704 - Design and Analysis of Educational and Psychological Surveys Credits: 3
EDRM 712 - Applied Statistical Methods II Credits: 3
EDRM 713 - Applied Statistical Methods III Credits: 3

Portfolio Requirement

The EdS in Leadership is earned through the development of at least 15 competencies which are developed by participant in their educational professional context and documented in a portfolio. Participants develop their portfolio throughout the course of their program. When the portfolio has been signed off by their Leadership & Learning Group the participant writes a synthesis paper, and present the portfolio in a formal presentation to a faculty panel. This final process usually takes at least a full semester.

Additional Requirements

- Participate in the on-campus program orientation.
- Register for LEAD 600 every summer and participate in the on-campus conference and roundtable.
- Register for LEAD 605 - Learning Group every semester and meet regularly with a Leadership and Learning Group for the primary purpose of sharing evidence of ongoing learning in connection with competency development and signing off competencies.
- Maintain employment throughout the program.

Maintaining Active Status

In order to maintain active status in the Leadership program the participant must:

- Make appropriate progress in fulfilling the LLP.
- Maintain contact with the advisor.
- Register every semester.
- Complete all credits within the seven years of regular program time.
- Attend the annual Leadership Conference.
- Meet financial obligations to the university.
- Maintain employment throughout the program.
- Show evidence of progress through regular competency evaluations by self, LLG and faculty.

Admission Requirements

Applicants should read the Graduate Admissions Requirements section of this bulletin.

Additional recommendations and interviews may be requested prior to formal admission to the program. Only a limited number of participants are admitted each year, so applicants should apply early.

Specific Admission Requirements:

- Normally a completed master’s degree.
• A sample of your best writing (e.g.: a research paper or a published article).
• A successful interview with one or more members of the leadership faculty.
• A minimum of five years of professional work experience in a leadership setting for the doctorate or three years for the MA.
• GRE scores are not required for admission. However, an applicant may choose to take the GRE test and submit scores to Andrews University for consideration in potential scholarship awards.
• Full-time in a leadership position in which competencies can be demonstrated. This environment, which is the participant’s place of employment, provides the "laboratory" for developing and demonstrating expertise in the competency areas and for preparing the portfolio.

Applicants must commit to participate in:
• The initial Leadership Orientation.
• Regularly scheduled Leadership and Learning Group meetings, typically on a monthly basis but at least seven times a year.
• The Annual Leadership Conference.
• Regular online communication. The participant is responsible for keeping abreast of announcements and program updates presented by faculty and staff via e-mail and the Leadership website.

Student Learning Outcomes

The Leadership program is guided by a set of competencies that function as student learning outcomes, as follows:

The Competencies of the Program

Leadership requires theoretical knowledge and practical application in the following core competencies:

• Leadership and the Self: This cluster of competencies focuses on the self-awareness and the personal and professional identity required when practicing leadership.
    • Philosophical foundations—Leaders function within the context of multiple perspectives and understands how their own worldview influences their practice.
    • Ethics, values, and spirituality—Leaders function from a set of principles and standards that guides their work and all their relationships with others.
    • Learning and human development—Leaders understand the principles of learning and are committed to and practices continuous personal, interpersonal and organizational learning.

• Leadership with Others: This cluster of competencies focuses on the interpersonal aspects of leadership. Growth and development of others is an essential function of leadership.
    • Effective communication—Leaders foster effective communication in all internal and external interactions, to establish and maintain cooperative relationships.
    • Mentor/coach—Leaders promote relationships that are trust-centered, providing the kind of empowerment that results in personal and performance improvement toward satisfying mutual objectives.
    • Social responsibility—Leaders understand social systems and are accountable to others and endeavor to see that family, community, and environmental needs are met in local and, as appropriate, in global ways.

• Leadership through Organizations: This cluster of competencies focuses on the organizational aspects of leadership. Leaders sets direction in ways that facilitate achievement of organizational goals.
    • Resource development, human and financial—Leaders appropriately allocate and manage human and financial resources for healthy and strategic outcomes.
    • Legal and policy issues—Leaders apply and understand the scope of legal and policy structures appropriate for their field.
    • Organizational behavior, development, and culture—Leaders understand personal, group, and inter-group behaviors, and how they impact organizational history, needs, and goals.
    • Implementing change—Leaders work with others in order to collaboratively shape the vision and strategy for change, and are capable of facilitating the change process.
    • Evaluation and assessment—Leaders use appropriate evaluation and assessment tools to make decisions about programs and plans.

• Leadership and Research: This cluster of competencies focuses on the need to use data to communicate, persuade, and make decisions, and to contribute to the knowledge base for leadership. Competence in research needs to include qualitative and quantitative methods. Research skills are often necessary while engaging in organizational development, assessment, and evaluation, and other leadership projects. A research paper for publication in a peer-reviewed journal is required as part of the research competencies, documented by the decision letter from the editor of the journal.
    • Reading and evaluating research—Leaders critique the adequacy of research reports, conducts literature reviews using electronic sources, and relate research to the body of knowledge in their professional field.
    • Conducting research—Leaders understand the logic and processes of scientific inquiry, explain major research methodologies, formulate empirically driven research problems, select appropriate research designs, explain standards for data collection, and conduct basic data collection and analysis.
    • Reporting and publishing research—Leaders adequately communicate research findings and implement the findings in the workplace.

Individually Chosen Options: One required. Additional options may be chosen, if needed.

Leadership PhD

The Leadership PhD program is an online program designed for mid-career leaders who want to take their leadership to a higher level. Guided by faculty experts and embedded in an interdisciplinary learning community of leadership professionals, participants explore the intersection between leadership character, leadership theory, action and experience. Participants are required to engage in testing theory through active experimentation and research. The program is built around the idea that in order to improve leadership practice, developing the inner landscape of leaders is as important as developing the conceptual and practical tools of leadership.

The program uses a flexible learning structure that is learner-driven, life-embodied, and competency-focused. It employs a learning model that values the power of learning communities and harnesses the benefits of networking with others from a variety of leadership settings. These and many other experiences are encompassed within a learning community and do not require a move of their families or a break in their careers.

The Leadership PhD program is designed to be completed in 4-6 years while working full-time. All work is expected to be completed within 7 years. For more information regarding the program, please see the Department of Leadership webpage.

Program Delivery: This program is offered only as an interactive online program (see School of Distance Education definitions). The online courses typically follow fixed enrollment with semester start and end dates. Participants interact with each other and with instructors throughout the courses. They are also part of a learning group which meets monthly for mutual support and accountability, and to engage in significant sharing and evaluation of learning related to competency development. The program also requires on-campus attendance of a two-week orientation during the summer of their first year of coursework (LEAD 630). In subsequent years, participants attend the on-campus annual Leadership Conference and Roundtable (LEAD 600, typically 3 days). Additionally, participants will have the option of attending other planned learning events designed to support them in specific areas of their program (e.g., research boot camps, innovation workshops, writing retreats, etc.) organized in connection with the Annual Conference. Students are also encouraged to come to campus for graduation.

Total Credits - 60

Core - 14-15
2-3 credits of LEAD 535 - Principles of Academic Writing Credits: 1–3
2 credits of LEAD 545 - Personal Narrative Credits: 1,2
LEAD 600 - Annual Conference Credits: 0
LEAD 605 - Learning Group Credits: 0
LEAD 630 - Introduction to Leadership Credits: 2
2 credits of LEAD 635 - Leadership and Learning Plan Credits: 2–4
3 credits of LEAD 636 - Issues in Leadership Foundations Credits: 2,3
3 credits of LEAD 638 - Issues in Leadership Theory Credits: 2,3

Research and Publishing

PhD participants demonstrate proficiency in qualitative and quantitative social science research methods through the research competencies which includes a PhD dissertation. Depending on previous documentable research experience and in consultation with their advisor participants select the appropriate research method courses for their course plan.
Throughout the program PhD participants participate in appropriate collaborative scholarly activities leading to the presentation of research at scholarly conferences and the submission of an article manuscript to a peer-reviewed journal.

EDRM 505 - Research Methods Credits: 3
3 credits of LEAD 637 - Issues in Research Credits: 2,3
1 credit of LEAD 885 - Leadership Research Credits: 1–8
1 credit of LEAD 889 - Doctoral Seminar Credits: 1–3

Students may take the following courses as needed to fulfill the research requirements:

EDRM 605 - Qualitative Research Methods in Education and Psychology Credits: 3
EDRM 611 - Applied Statistical Methods I Credits: 3
2 credits of LEAD 625 - Research Writing Seminar Credits: 1,2
EDRM 636 - Program Evaluation Credits: 3
EDRM 704 - Design and Analysis of Educational and Psychological Surveys Credits: 3
EDRM 712 - Applied Statistical Methods II Credits: 3
EDRM 713 - Applied Statistical Methods III Credits: 3

Dissertation - 16
LEAD 880 - Dissertation Proposal Development Credits: 2
14 credits of LEAD 899 - Doctoral Dissertation Credits: 1–14

Portfolio
The PhD in Leadership is earned through the development of at least 15 competencies which are developed by the participant in the context of his or her work and life and documented in a professional portfolio. Participants develop their portfolio throughout the course of their program. When the portfolio has been signed off by their Leadership & Learning Group, the participant registers for LEAD895, writes a synthesis paper, and presents the portfolio in a formal presentation to a faculty panel.

LEAD 895 - Doctoral Portfolio Credits: 2

Specialty Concentration (Optional) - 12
Participants seeking to develop a concentration in their doctoral leadership program may do so under the guidance of a qualified faculty advisor with appropriate academic or professional expertise to guide and assess the specialized coursework and the competencies in the area of the desired concentration. Participants need to fulfill the following requirements within their course of study in the Leadership Program to receive a specific Specialty Concentration:

• A minimum of 12 course credits in the area of the concentration.
• Three competencies in the area of the concentration.
• A dissertation study and/or publication in the area of the concentration.

Concentrations (such as creativity and innovation or health-care leadership) will be noted in the transcript of the participant.

Maintaining Active Status
In addition to other university requirements, active status in the Leadership program requires the participant to maintain:

• Monthly interaction with Learning Group. Participants register for LEAD 605 (0 credits) each semester.
• Continuous progress. Appropriate progress in fulfilling the LLP.
• Contact with the advisor.
• Continuous registration every semester.
• Yearly registration and attendance at the annual Leadership Conference and Roundtable.
• Satisfactory financial arrangements with the university.
• Employment must be maintained throughout the program.
• Evidence of progress through regular competency evaluations.

Admission Requirements

• A sample of your best writing (e.g., published article, organizational document, research paper, etc.).
• A successful interview with two or more members of the Leadership faculty.
• Minimum of five years of professional work experience in a leadership setting is expected.
• A Masters degree or equivalent is expected for admission.
• GRE scores are not required for admission. However, an applicant may choose to take the GRE test and submit scores to Andrews University for consideration in potential scholarship awards.
• Current, full-time employment or business/ministry owner. This environment must provide a "laboratory" for developing and demonstrating growing expertise in the competency areas and for preparing the portfolio.

These program admission requirements have been designed to be aligned with the Graduate Admissions section of this bulletin. Those interested in applying for this program will also want to read that section as there may be additional admission requirements.

Applicants must commit to participate in:
First year only: The Leadership Orientation (LEAD 630).
Monthly: Regularly scheduled Learning Group meetings, typically on a monthly basis (LEAD 605).
Every summer: Attending the Annual Leadership Conference and Roundtable event (LEAD 600).
Regular online communication: The participant must be responsible for keeping abreast of program announcements and updates sent by faculty and staff to participants (e.g., e-mail, website, etc.).

Credit for Prior Learning and Education

Credit for Prior Learning*
Applicants with considerable leadership experience may consider discussing options for Academic Credit for Prior Learning. For more information, visit the Credit for Prior Learning section of the bulletin, contact an advisor (or program faculty), and contact the Andrews University Credit for Prior Learning Coordinator. Applicants may also find significant personal leadership experiences that allow them to fulfill a portion of required competencies.

Credit for Prior Education*
Applicants with previous post-masters and/or doctoral coursework may be allowed to use these courses to fulfill a portion of the program requirements.

*Credit for prior learning and education are granted on a case-by-case basis.

Student Learning Outcomes
The PhD in Leadership requires documented theoretical knowledge, practical application, and reflection in a portfolio that includes the following core areas:

• Successful participants will demonstrate effective praxis within their personal development as a leader. This will include areas such as worldview, ethics, values, & spirituality.&nbsp;
• Successful participants will demonstrate effective praxis in developing interpersonal leadership. This will include areas such as communications, mentor/coaching, & social responsibility.
• Successful participants will demonstrate effective praxis in developing their leadership within organization(s). This will include areas such as resource development, legal and policy issues, organizational development, creativity, innovation and change, & evaluation and assessment.
• Successful participants will demonstrate effective praxis in developing leadership scholarship and develop proficiency in social science research methodologies. This will include areas such as reading and evaluating research, conducting leadership research, & reporting and publishing their scholarship.

Certificates

Leadership Graduate Certificate
E-mail: leader@andrews.edu
The Graduate Leadership Certificate provides an opportunity for professionals from different fields and disciplines to develop and demonstrate competency in the following areas: leadership and the self, leadership with others, leadership in organizations and leadership in the global environment.

Delivery: This program is offered both on campus and online (see School of Distance Education Definitions). The on campus program uses face to face interactions in class and on campus experiences to help the post-doc develop leadership skills and knowledge. The online program uses online course work to help students improve leadership in their existing place of employment or prepare for a new leadership opportunity. The online courses follow fixed enrollment with
semester start and end dates. Participants interact with each other and with instructor throughout all courses. The online program does not require any on campus participation.

NOTE: This certificate does not qualify for U.S. federal loans.

Total Credits - 12
LEAD 615 - Leadership Certificate Plan Credits: 1
LEAD 696 - Capstone Experience Credits: 1
Choose 10 additional credits in consultation with the academic advisor.

Leadership Postdoctoral Certificate
E-mail: leader@andrews.edu

Postdoctoral certificate studies are arranged by a person who has completed his or her doctoral studies. Individual requests may be granted by the Department of Leadership for scholarly pursuits in research, teaching, administration and/or practicums. Pursuit of specific areas of interest is determined on the basis of availability of senior faculty members. The credits taken will be determined on an individual basis and will be reflected on the transcript in the form of self-directed studies, independent study, or formal courses. Postdoctoral scholars can attend selected courses in the department of leadership either for academic credit or on audit basis. The postdoctoral certificate experience at Andrews is typically funded entirely by the student and his or her sponsoring organization. NOTE: This certificate does not qualify for U.S. federal loans.

Delivery: This program is offered both on campus and online (see School of Distance Education Definitions). The on campus program uses face to face interactions in class and on campus experiences to help the post-doc develop leadership skills and knowledge. The online program uses online course work to help students improve leadership in their existing place of employment or prepare for a new leadership opportunity. The online courses follow fixed enrollment with semester start and end dates. Participants interact with each other and with instructor throughout all courses. The online program does not require any on campus participation.

Total Credits - 12-15
Postdoctoral scholars will choose 12-15 credits in the form of self-directed studies, independent study, or formal courses, in consultation with academic advisor.

Principal Graduate Certificate
E-mail: leader@andrews.edu

The Principal Graduate Certificate is an online program designed for post-baccalaureate or post-masters participants who want to enhance their administrative skills. Those served by this certificate are:

- Teachers interested in transitioning into educational administration
- Principals of K–8, K–10, K–12, and 9–12 schools
- Supervisors of instruction
- Superintendents of schools

Certificate credits can be transferred to the Andrews University MA in Educational Leadership. Students may also qualify for certification and/or endorsement by the North American Division.

Students completing certificate programs are not eligible to participate in commencement services.

Online Delivery: This program is offered as an interactive online program (see School of Distance Education definitions). The online courses follow fixed enrollment with semester start and end dates. Participants interact with each other and with instructor throughout all courses. Students must attend the initial program orientation in the cohort year the student is admitted to the program.

Total Credits - 24
To secure the total requirement of 24 credits, students will be required to choose, in consultation with their advisor, 3 credits on at least 2 of the variable-credit courses.

Total Credits - 18
Also fulfills certificate requirements; must complete a minimum of two graduate courses in curriculum, two in supervision, and one in school administration as listed below:

School Administration
EDAL 520 - Foundations of Educational Leadership Credits: 2,3
EDAL 565 - Leadership for Seventh-day Adventist Education Credits: 2
LEAD 630 - Introduction to Leadership Credits: 2

Curriculum
EDCI 547 - Foundations of Curriculum Studies Credits: 3
EDCI 566 - Improving Instruction Credits: 2,3
EDCI 650 - Curriculum Design:_____ Credits: 3

Supervision
EDAL 570 - Principles of Educational Supervision Credits: 2,3
1 credit of LEAD 756 - Advanced Studies: (Topic)_____ Credits: 1–12

Educational Administration & Leadership
EDAL 520 - Foundations of Educational Leadership
Credits: 2,3
A basic orientation to the purposes, organization, and administration of educational programs and institutions; the structure and control of school systems; the nature of administration; and the conceptual foundations of educational administration and leadership.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDAL 560 - K–12 Law
Credits: 3
Emphasizes legal issues affecting teachers and educational administrators, including governmental relations, church state issues, teacher employment, student control, and school board operations and procedures.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDAL 565 - Leadership for Seventh-day Adventist Education
Credits: 2
Explores the spiritual climate and leadership practices of administration in Seventh-day Adventist education. Uses scripture, the writings of Ellen White, and other sources to develop a frame of reference for educational leadership and an understanding of the role of the divine in education.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDAL 570 - Principles of Educational Supervision
Credits: 2,3
Designed for principals, superintendents, and instructional supervisors concerned with the improvement of teaching and learning by professional supervision; the role, aims, principles, and practices of instructional supervision; introductory study of supervisory techniques.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDAL 635 - Human Resources Administration
Credits: 2,3
Reviews personnel services; policy for certified and noncertified employees; personnel functions in education; the interpersonal process in educational organizations, communications, and group dynamics for educational administrators.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDAL 640 - Higher Education Law
Credits: 3
Legal aspects of the administration of higher education institutions. Policy issues related to student rights, intellectual property, academic freedom, admission, employee relations, and property use.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDAL 645 - K–12 Educational Finance
Credits: 2,3
Focuses on financial and economic issues affecting educational institutions, including school support, costs of education, sources of revenue, budgeting, and the organization and maintenance of the fiscal and physical resources of educational systems.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDAL 650 - Educational Administration Program Continuation (MA)
Credits: 0
A master’s student may register for this title to comply with continuous registration requirements. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory w/o ‘I’ (S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CEIS

EDAL 655 - Higher Education Finance
Credits: 1–3
An overview of issues related to the financing of higher education, including the nature of educational costs, state and federal finance policy, economic perspectives, basic concepts of budgeting, and the implications of financing on college access and affordability. Ethical usage to enhance financial and organizational effectiveness are also discussed.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDAL 660 - Planning and Operating Educational Facilities
Credits: 2,3
A survey of the planning, modernization and management of educational facilities including buildings, equipment, and sites. A comprehensive study of educational facilities planning as related to preliminary development plans, long range master planning of educational facilities/campuses, considering educational philosophy and resources.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDAL 663 - Elementary and Secondary School Leadership
Credits: 2,3
Explores the role of the elementary and secondary principal; leadership in curriculum implementation and reform; organization of schedules, calendar, and catalogue; staff organization and utilization; attendance program; responsibilities such as assemblies, opening and closing of school, supervision of staff, and operation of school facilities.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS
EDAL 667 - Leadership in Higher Education
Credits: 2,3
Focuses on the study of governance of higher education institutions, stressing administrative roles and leadership in visioning distinctive organizational and environmental features of colleges, universities and community colleges, and how these features affect the management of these organizations.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDAL 670 - Technology for Leaders
Credits: 1–3
Philosophical basis for technology usage in various leadership settings to enhance organizational effectiveness, survey of contemporary technologies appropriate to most organizational settings and cost benefit analysis of various systems, development of a technology plan for leadership development, ethics of technology usage.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDAL 674 - Administration of Student Services
Credits: 3
Overview of student services in higher education and its historical and philosophical foundations, guiding theories, and professional practices. Focuses on administrative structures and processes, and the organization of student services programs in the context of current issues and trends.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDAL 675 - College Student Development Theory
Credits: 3
Explores the characteristics of college students and the theories of growth and development for traditional and non-traditional students. Emphasis is placed on understanding the immediate and long-term impact of a college experience.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDAL 676 - Administration of Academic Services
Credits: 3
Focuses on the principles academic officers use in dealing with selected administrative functions related to academic departments, degree programs, faculty development, curriculum administration, instructional resources, student development, budget planning, enrollment, and academic personnel.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDAL 680 - K-12 Internship: (Topic)___
Credits: 1–12
A planned internship in leadership at a cooperating organization, institution, school district, or agency. Permission of supervisor and plans required in advance of registration. Fee may apply. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory w/o 'I' (S,U,W)
Repeatable: Repeatable
Schedule Type: Practicum
College Code: CEIS

Leadership

LEAD 525 - Public Relations: Community Partnerships
Credits: 2, 3
Reviews research on public relations and strategies for improving community relationships and strengthening partnerships with community groups.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 3 credits
Schedule Type: Lecture, Interactive Online
College Code: CEIS

LEAD 530 - Educational Marketing
Credits: 1, 2
Provides the foundation knowledge and skills for understanding, planning, and designing marketing plans for educational institutions. Focuses on elements of marketing such as mission statement, target market, image, position, and the market mix (product, price, place, and promotions).

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 2 credits
Schedule Type: Lecture, Interactive Online
College Code: CEIS

LEAD 535 - Principles of Academic Writing
Credits: 1–3
This course offers an introduction to the art of academic discourse that will prepare students for writing research papers, theses and dissertations. It covers summary, analysis and synthesis, structure and language use, style and formatting, and the concept of writing as both a process and a skill learned best through continual practice.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Seminar, Interactive Online
College Code: CEIS

LEAD 540 - Creativity and Innovation Workshop
Credits: 1, 2
This workshop is designed to grow the participant's understanding of both creativity and innovation by engaging in a set of experiences, lectures, discussions, readings, and reflections. Further, the participant will be challenged to find ways of applying these new understandings for practical use in their work and life and to explore ways of achieving personal breakthrough solutions.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Fall, Spring, Summer
College Code: CEIS

LEAD 545 - Personal Narrative
Credits: 1, 2
This course helps you explore, understand and write your life narrative as a leader. As you trace the fingerprints of God in your life you will discover a deeper coherence in what often seems random events. You will also learn how to tell your story to yourself and others and use it as a springboard to connect with your calling.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Interactive Online
Term Offering: Fall, Spring, Summer
College Code: CEIS

LEAD 600 - Annual Conference
Credits: 0
This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.
LEAD 638 - Issues in Leadership Theory
Credits: 2,3
A seminar in the study of leadership theory. This course is intended to provide a wide coverage of leadership theory based on sound research principles, with implications for informed practice. The seminar includes concept formation in such areas as organizational development, historical and contemporary views of leadership, power and influence, "followership," ethical leadership and diversity, and applications to problem solving in leadership and administrative settings.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

LEAD 640 - Creativity and Innovation Laboratory
Credits: 6
Participants convene a team from their professional context or a related field to reframe a leadership problem through the development of innovative solutions and prototypes. Requires pre-readings and a multi-day intensive learning experience leading to deliverable prototypes. Participants engage in the design process, based on design thinking: empathize, define, ideate, prototype & test.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Workshop
College Code: CEIS

LEAD 644 - Leadership and Organizational Dynamics
Credits: 3
This course reviews organizational design & behavior within the context of contemporary issues in leadership, administration, international business and higher education. Topics include creativity, innovation, organizational development, organizational change and strategic alignment. The course integrates pertinent research literature with pragmatic challenges and priorities.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 3 credits
Schedule Type: Lecture, Interactive Online
College Code: CEIS

LEAD 645 - Ethical Leadership & Organizational Integrity
Credits: 1–3
Explores the dynamics of moral leadership, ethical decision-making and the administrative role in institutional integrity in organizations and schools.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 3 credits
Schedule Type: Lecture, Interactive Online
College Code: CEIS

LEAD 646 - Leadership Communications
Credits: 2
A practical class to help students develop their voice for authentic leadership, articulating shared mission and vision, and developing key competencies for effective speaking, writing and multimedia communication.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

LEAD 647 - Creative Critical Thinking and Problem Solving
Credits: 3
Helps leaders learn to make better decisions through creative thinking and problem-solving, focusing on the nature and techniques of critical thought and using multiple perspectives to develop creative strategies for confronting ambiguous and complex issues with practical, well-considered solutions.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

LEAD 648 - Workshop: (Topic)____
Credits: 1–12
Selected learning experiences.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Permission of instructor required.

Repeatable: Repeatable
Schedule Type: Blended Learning, Workshop
College Code: CEIS

LEAD 650 - Leadership Program Continuation
Credits: 0
After the LLP is approved, the participant may register for this title to maintain active status while clearing DGs (deferred grades) with advisor approval only. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory w/o 'I' (S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CEIS

LEAD 675 - Portfolio Development: (Topic)____
Credits: 0-3
Development of expertise and documentation in a selected competency area including self reflection that describes personal growth and the theoretical knowledge base supporting the competency. The course involves both research-based and project-based assignments.

Course/Lab Fee: No
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Repeatable: Repeatable
Schedule Type: Independent, Interactive Online
Term Offering: Fall, Spring, Summer
College Code: CEIS

LEAD 678 - Global Education Study Tour
Credits: 3–6
International or comparative dimensions of education and leadership through a study tour program with travel to destinations relevant to specific topics of study. Intended to give participants a cross-cultural perspective and a global vision of the challenges of education and leadership around the world. Fee may apply.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Blended Learning
College Code: CEIS

LEAD 680 - Internship
Credits: 1–12
Planned field experience in leadership at cooperating institutions, school systems, or agencies. Permission of instructor required. Fee may apply. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CEIS

LEAD 689 - Seminar: (Topic)____
Credits: 1–12
Selected topics offered.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Permission of instructor required.
Repeatable: Repeatable
Schedule Type: Seminar
College Code: CEIS

LEAD 690 - Independent Study: (Topic)____
Credits: 1–12
Selected topics.

Grade Mode: Normal w S (A-F,I,S,U,W)
Prerequisite(s): Permission of advisor and instructor required.
Repeatable: Repeatable with different topics
Schedule Type: Independent
College Code: CEIS
LEAD 696 - Leadership Capstone Experience  
Credits: 1  
Presentation of a portfolio demonstrating the development of selected leadership competencies. Participants will reflect on and evaluate their personal and professional growth, their leadership development, and the lifelong impact of these competencies on their career.  
Grade Mode: Normal with DG (A-F,I,W,DG,DN)  
Schedule Type: Lecture, Interactive Online  
College Code: CEIS

LEAD 698 - MA Research Project  
Credits: 1–3  
A planned research experience whereby a problem or issue in the workplace relating to leadership is identified by the participant. The process includes the development of a research proposal, implementation of the research plan, and a written paper using the Andrews University Standards for Written Work.  
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)  
Repeatable: Repeatable up to 3 credits  
Schedule Type: Independent  
College Code: CEIS

LEAD 699 - Thesis  
Credits: 1-6  
This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.  
Course/Lab Fee: No  
Course Attribute: Full-time Status  
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)  
Repeatable: Repeatable  
Schedule Type: Independent  
Term Offering: Fall, Spring, Summer  
College Code: CEIS

LEAD 756 - Advanced Studies: (Topic)___  
Credits: 1–12  
Advanced studies in leadership. Resulting in the development of a competency. (See Competencies of the Program)  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): Permission of instructor required.  
Repeatable: Repeatable with different topics  
Schedule Type: Independent  
College Code: CEIS

LEAD 775 - Advanced Portfolio Development: (Topic)___  
Credits: 1-12  
Building upon the knowledge base developed in LEAD 675, the participant continues to develop expertise and documentation in a selected competency area. The course involves both research-based and project-based assignments.  
Course/Lab Fee: No  
Grade Mode: Normal with DG (A-F,I,W,DG,DN)  
Prerequisite(s): Permission of instructor required.  
Repeatable: Repeatable up to 12 credits  
Schedule Type: Independent, Interactive Online  
Term Offering: Fall, Spring, Summer  
College Code: CEIS

LEAD 778 - Global Education Study Tour  
Credits: 3–6  
International or comparative dimensions of education and leadership through a study tour program with travel to destinations relevant to specific topics of study. Intended to give participants a cross-cultural perspective and a global vision of the challenges of education and leadership around the world. Fee may apply.  
Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Repeatable: Repeatable  
Schedule Type: Blended Learning  
College Code: CEIS

LEAD 789 - Advanced Seminar: (Topic)___  
Credits: 1–12  
Advanced topics in leadership.  
Grade Mode: Normal (A-F,I,W)

Prerequisite(s): Permission of instructor required.  
Repeatable: Repeatable with different topics  
Schedule Type: Seminar  
College Code: CEIS

LEAD 798 - Advanced Research Project  
Credits: 1–6  
This project includes the identification of a problem in a professional environment, implementation of a research plan, and a research paper.  
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)  
Repeatable: Repeatable up to 6 credits  
Schedule Type: Independent  
Term Offering: Fall, Spring, Summer  
College Code: CEIS

LEAD 880 - Dissertation Proposal Development  
Credits: 2  
Designing and writing the doctoral dissertation proposal. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.  
Course Attribute: Full-time status  
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)  
Prerequisite(s): LEAD 535, LEAD 637 and an approved topic and committee prior to registration for this course. Graded S/U. Spring only.  
Repeatable: Repeatable  
Schedule Type: Independent, Interactive Online  
College Code: CEIS

LEAD 881 - Doctoral Project Proposal Development  
Credits: 2  
This course helps individuals develop the doctoral project proposal. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.  
Course Attribute: Full-time status  
Grade Mode: Normal w S (A-F,I,S,U,W)  
Schedule Type: Interactive Online  
Special Approval: Instructor permission required.  
Term Offering: Fall, Spring, Summer  
College Code: CEIS

LEAD 885 - Leadership Research  
Credits: 1–8  
Planned research experience dealing with leadership. Students collaborate with a faculty member in research leading to publication.  
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)  
Repeatable: Repeatable  
Schedule Type: Seminar, Interactive Online  
College Code: CEIS

LEAD 886 - Advanced Internship  
Credits: 1–12  
Under supervision of a faculty member in a leadership area. Student interns in responsible positions with specialists/administrators in cooperating institutions, school systems, or agencies. Permission of instructor required. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.  
Course/Lab Fee: Yes  
Course Attribute: Full-time status  
Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)  
Repeatable: Repeatable  
Schedule Type: Practicum  
College Code: CEIS

LEAD 889 - Doctoral Seminar  
Credits: 1–3  
Engagement in professional development activities appropriate to doctoral-level candidates. Includes critiques of dissertations, dissertation defenses, and professional conference participation.  
Grade Mode: Satisfactory (S,U,I,W,DG)  
Repeatable: Repeatable  
Schedule Type: Seminar, Interactive Online  
College Code: CEIS

319
LEAD 890 - Doctoral Project
Credits: 1–10
This course guides individuals in completing their doctoral project. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course Attribute: Full-time status
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 10 credits
Schedule Type: Independent
Term Offering: Fall, Spring, Summer
College Code: CEIS

LEAD 895 - Doctoral Portfolio
Credits: 2
Preparing and presenting the doctoral portfolio, including the completion of the synthesis paper.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CEIS

LEAD 899 - Doctoral Dissertation
Credits: 1–14
A minimum of 14 credits required. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course Attribute: Full-time status
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Independent
Term Offering: Fall, Spring, Summer
College Code: CEIS

Accreditation
Andrews University is accredited by The Higher Learning Commission and a member of the North Central Association. It is also accredited by The Accrediting Association of Seventh-day Adventist Schools, Colleges, and Universities.

The School of Education (College of Education & International Services), as a unit, is accredited by the National Council for the Accreditation of Teacher Education (NCATE).

Michigan Department of Education: Students acquiring Michigan Certification at Andrews University are eligible, through reciprocal agreements, for teacher licensure in most other states and Canadian provinces.

Programs of Study
The Department of Teaching, Learning, & Curriculum (TLC) offers the following degrees and programs:

Undergraduate Programs leading to BA or BS programs/degrees:
- BSELED - Bachelor of Science in Elementary Education
- BA/BS/MAT - Bachelor of Arts, Bachelor of Science, and MAT leading to Secondary Certification

Dual-degree Program:
- Master of Arts in Teaching
  - Elementary Education MAT
  - Secondary Education MAT
  - Individualized MAT (permission of the TLC Department required)
- Master of Science: Education with an emphasis in Curriculum and Instruction
- Master of Science: Special Education
- Ed.S. - Curriculum & Instruction
- Curriculum and Instruction Ed.S.
- Curriculum and Instruction Ed.D.
- Curriculum and Instruction Ph.D.

Teacher Certification:
- North American Division of Seventh-day Adventists Teaching Credentials
- State of Michigan Teacher Certification

Admission to the Teacher Preparation/Student Teaching Program
An application for admission to the Teacher Preparation Program and Student Teaching must be completed during the semester in which EDTE 408 Principles of Teaching and Learning/EDTE 508 - Principles of Teaching and Learning is being taken. This must be completed at least one year before a student plans to do Student Teaching.

To be admitted to the teacher education program, students must meet the criteria listed below:
- Satisfactorily complete EDTE 165/630, EDTE 228/SPED 525, and EDTE 408/508 (preferred order).
- Choose appropriate teaching major and/or minor(s).
- Have a cumulative GPA of at least 2.75.
- Obtain a recommendation from three sources: a professor from an education course and professors from their major and minor.
- Complete a Conviction Clearance Statement. (During First Days of School, a criminal background check will be completed on all students before student teaching.)
- Submit an acceptable plan for completing all required course work. All prerequisites for student teaching, as stated in the University Bulletin, must be met prior to the student-teaching semester.
- Submit a plan for completing the required MTTTC Michigan Subject Area Exam(s).
- Applications will be processed as they are received and completed. It is the student's responsibility to see that all paperwork is in for the application to be processed in a timely manner.

Once admitted to the Teacher Education/Student Teaching Program, students must:
- Maintain good and regular status.
- Maintain at least a 2.50 GPA in each of the following areas:
  - Major(s)*,
  - Minor(s)*,
  - Professional education courses*, and
  - Overall course work.
- A course with a grade less than a C in a major, minor, or professional education class must be repeated. All courses taken at or transferred to Andrews University are included in calculating the GPA.
- Continue working on their professional teaching portfolio (begun in EDTE 165).
- Demonstrate the professional disposition of an educator.

NOTE: Students cannot be admitted to the Teacher Preparation/Student Teaching Program, or remain in the program once admitted, if they fail two classes in their major, minor, courses for Professional Education, or Planned Program minor.

Licensure in Michigan
In addition to the requirements of our program, the State of Michigan has requirements with which you must comply in order to receive teacher certification. These requirements are applicable to all of the teacher certification programs within the state. These requirements include CPR (child and adult) and first aid training, SAT, and relevant Michigan Test for Teacher Certification subject-area tests. Passage of the MTTTC content exams is required before recommendation for certification.

CPR & First Aid Training
Michigan Public Act 18 of 2003 requires all teaching interns to be certified in CPR (child and adult) and first aid prior to being recommended for teacher certification. The legislation stipulates that this training must be completed through the American Red Cross or American Heart Association.

Michigan Test for Teacher Certification (MTTTC)
Successful completion of the MTTTC content exams is required for certification. Subject Content exams must be successfully completed before graduation and recommendation for certification.

Official exam results must be sent directly to Andrews University from the testing companies prior to a recommendation for certification.

Undergraduate Programs

Teacher Preparation Mission
The primary aim of Andrews University teacher preparation programs (BA, BS, MAT, & MA) is to prepare teachers who are competent, compassionate, and committed to quality education. Upon completion of the professional education
program, the preservice teacher demonstrates knowledge and skill in the following areas:

- Worldview
- Human growth and change
- Groups, leadership, and change
- Communication and technology
- Research and evaluation
- Personal and professional growth
- Content knowledge

**Undergraduate Academic Programs**

**Bachelor of Science in Elementary Education (BSELED)** – see program page for details.

**Bachelor of Science Degree in Secondary Education** - for students with majors in the College of Arts and Sciences.

- Majors:
  - Biology
  - Chemistry
  - French K-12 Education
  - History
  - Integrated Science (Comprehensive) (This is a College of Education & International Services major)
  - Mathematics Education
  - Music K-12 (Comprehensive)
  - Political Science
  - Social Studies (Comprehensive)
  - Visual Arts K-12 (Comprehensive)

**Secondary Certification with a BA or BS Degree**

Students preparing for teaching in secondary schools (grades 6–12) may choose from either the Bachelor of Arts or the Bachelor of Science degree programs. These degrees are granted by the College of Arts & Sciences and the College of Education & International Services. Students must have at least one area (major or minor) which Andrews University has approved with the State of Michigan for certification purposes, in addition to their Professional Education courses. In order for Andrews University to recommend a student for certification, the Michigan Test for Teacher Certification (MTTC) subject area exams must be passed in the major or minor for which the student is receiving State of Michigan certification, and have current certification in First Aid and CPR. A description of the Integrated Science major is listed in the CEIS. All other approved majors and minors are described under their respective departments in other sections of this bulletin.

**Special Requirements for School of Education (College of Education & International Services) Students**

Applicants who do not qualify for regular or provisional admission to the School of Education (College of Education & International Services) due to low GPA may apply to the School of Education (College of Education & International Services) to take classes on a semester-by-semester basis.

**Student Teaching Placement Process**

Elementary and secondary student-teaching placements are available in private or public schools. Specific assignments are made after consultation with the Director of Student Teaching who makes all contacts and arrangements with the schools. The placement interview with prospective student teachers and admission to the student teaching program take place at least one semester before student teaching begins, though preferably in February of the preceding year. It is the student’s responsibility to make contacts with the Director of Student Teaching and cooperate in the placement process during this placement semester. An official pre-student-teaching visit to the school is required before placement is finalized. If the school personnel do not accept the student, the Director of Student Teaching will make a maximum of two additional attempts to place the student at other schools. Student Teachers will be placed within a one-hour radius of Andrews University. Exceptions will be made on a case-by-case basis. Any
additional cost for supervision, beyond the one-hour distance, will be borne by the student.

The First Days of School Experience is a concentrated, full-time laboratory program which begins prior to the beginning of the University's fall semester. First Days of School Experience is taken in August before Student Teaching. The experience focuses on the critical weeks preceding and following the first day of school. It provides specific answers to the pre-service teacher’s question, “What do I actually do during the first days and weeks of school?” The program includes practical application of classroom-management theories. Emphasis is placed on the tasks teachers must perform in the weeks before school opens, organizing and conducting the all-important first day, and the tasks teachers encounter during the first weeks of school. These tasks include short- and long-range planning, constructing units of instruction, selecting materials and supplies, organizing and managing the classroom, establishing discipline procedures, and record keeping (including the daily register).

Student Teaching Semester
The student-teaching semester consists of a minimum of 14 weeks of full-time observation, participation and teaching under supervision in an elementary or secondary school. If the beginning and ending dates do not coincide with the university semester calendar, the student-teaching calendar takes precedence over the university calendar. Orientation for student teaching is conducted before the students go to their assigned schools. The time and date of orientation are announced by the Director of Student Teaching. During orientation, each student receives a packet of materials containing information about student-teaching requirements and evaluation procedures. A weekly student-teaching seminar meets after school hours during the semester. The specific time is announced by the Director of Student Teaching. The student may not take other courses during the student teaching semester. Work for remuneration should be suspended. Full attention to teaching responsibilities helps ensure students’ success, which in turn is vital to receiving a positive recommendation from the supervising teacher and university supervisor.

The exact number of credits for student teaching is determined by the Department of TLC. A minimum of 9 semester credits is required for graduate students and a minimum of 12 for undergraduate students.

Admission to the Teacher Preparation/Student Teaching Program
An application for admission to the Teacher Preparation Program and Student Teaching must be completed during the semester EDTE 408 - Principles of Teaching and Learning is being taken. This must be completed at least a year before a student plans to do Student Teaching. Applications will be considered at the end of each semester once all requirements have been completed.

To be admitted to the teacher education program, students must meet the criteria listed below:

- Satisfactorily complete EDTE 165, EDTE 228, and EDTE 408 (preferred order).
- Choose appropriate teaching major and/or minor(s).
- Satisfactorily complete one of the following: SAT, ACT, PRE or GRE exam. (SAT-Evidence-based Reading & Writing and the Math exam with a total score of 970; ACT-Score of 18 on the English, Math, and Reading Portions; PRE-220; or GRE- 140 verbal, 140 quantitative, and 3.0 in writing).
- Have a cumulative GPA of at least 2.75.
- Obtain a recommendation from three sources: a professor from an education course, and professors from their major and minor.
- Complete a Conviction Clearance Statement. (During First Days of School a criminal background check will be completed on all students before student teaching.)
- Submit an acceptable plan for completing all required course work. (You must notify the Director of Student Teaching and the Certification Registrar if this plan changes). All prerequisites for student teaching as stated in the University Bulletin must be met prior to the student-teaching semester.
- Submit a plan for completing the required MTTC Michigan Subject Area Exam(s).
- Applications will be processed as they are received and completed. It is the student's responsibility to see that all paperwork is in for the application to be processed in a timely manner.

Once admitted to the Teacher Education/Student Teaching Program students must:

- Maintain good and regular status.
- Maintain at least a 2.50 GPA in each of the following areas:
  - Major(s)*
  - Minor(s)*
  - Professional education courses*, and
  - Overall course work.
- *A course with a grade less than a C in a major, minor, or professional education class must be repeated. All courses taken at Andrews University or transferred to Andrews University are included in calculating the GPA.
- Continue working on their professional teaching portfolio (begun in EDTE 165).
- Demonstrate the professional disposition of an educator.

NOTE: Students cannot be admitted to the Teacher Preparation/Student Teaching Program, or remain in the program once admitted, if they fail two classes in their major, minor, courses for Professional Education, or Planned Program minor.

Special Requirements for School of Education (College of Education & International Services) Students.
Applicants who do not qualify for regular or provisional admission to the School of Education (College of Education & International Services) due to low GPA may apply to the School of Education (College of Education & International Services) to take classes on a semester-by-semester basis.

Student Teaching Placement Process. Elementary and secondary student-teaching placements are available in private or public schools. Specific assignments are made after consultation with the Director of Student Teaching who makes all contacts and arrangements with the schools.

The placement interview with prospective student teachers and admission to the student teaching program take place at least one semester before student teaching begins, though preferably in February of the preceding year. It is the student’s responsibility to make contacts with the Director of Student Teaching and cooperate in the placement process during this placement semester. An official pre-student-teaching visit to the school is required before placement is finalized. If the school personnel do not accept the student, the Director of Student Teaching will make a maximum of two additional attempts to place the student at other schools.

Student Teachers will be placed within a one-hour radius of Andrews University. Exceptions will be made on a case-by-case basis. Any additional cost for supervision, beyond the one-hour distance, will be borne by the student.

Full attention to teaching responsibilities helps ensure students’ success, which in turn is vital to receiving a positive recommendation from the supervising teacher and university supervisor.

The exact number of credits for student teaching is determined by the Department of TLC. A minimum of 9 semester credits is required for graduate students and a minimum of 12 for undergraduate students.

Undergraduate Graduation Requirements
In addition to meeting the general requirements for a baccalaureate degree, students who seek baccalaureate degrees with elementary or secondary certification must do the following:
Curriculum and Instruction EdS - 64 credits
Curriculum and Instruction MA - 32 credits

see that official transcripts are sent directly to the Certification Registrar in the Certification Office located in the Department of TLC. Students are responsible to graduation. The certification application is filed on forms available at the Teacher Account and their MI Teaching Certificate. The certificate is approved after Students qualifying for Seventh-day Adventist certification receive a Verification of who apply to the Michigan Department of Education and qualify for certification. Andrews University. Andrews University approves recommendations of applicants for additional teacher certification. These recommendations are submitted to the Michigan Department of Education and the Curriculum & Instruction program and potential for success in the program. To admission decisions are based on an overall profile of each applicant. The admission requirements for all degrees are as follows:

- Complete requirements for approved major, minor(s), and professional education courses as described under each specific degree. (Due to scheduling complexities, students seeking certification may take more than four years to complete a degree.)
- Have a minimum GPA of 2.50 overall, and a 2.50 in the following:
  - major(s)*,
  - minor(s)*,
  - area of concentration*, and
  - professional education courses* (*The averages include all courses taken at Andrews University and those transferred from other institutions.)
- Earn a 2.00 minimum GPA in all other credits at Andrews University
- Complete the Senior Exit examination, and major field exam if required, which serves as the senior-level evaluation
- Take a minimum of 30 of the final 36 semester credits in residence (permission must be given by the dean to take up to 10 credits anywhere other than Andrews University.)
- Qualify for either Michigan Teacher Certification or an Adventist Basic Teaching Credential (This item applies to BS Elementary Education majors and BS Secondary Integrated Science and Social Studies majors.)
- Submit a formal request for graduation, approved by the student's advisor, the Certification Registrar, and a designated records officer.
- Verify that all official transcripts have been received by the Teacher Certification Registrar.
- Apply for a MEIS Account with the Michigan Department of Education.

Certification Exemption Petition. Students planning to qualify for a teaching certificate at Andrews University are expected to meet both Seventh-day Adventist and State of Michigan certification requirements. Exceptions to this requirement are considered only after a student submits a formal petition to the Department of TLC Certification, Screening, and Petitions Committee.

Application for a Teaching Certificate. In their final year, while applying for graduation, students must also apply to the Department of Teaching, Learning and Curriculum for a teaching certificate, as well as apply on MOECS for a MEIS Account and their MI Teaching Certificate. The certificate is approved after graduation. The certification application is filed on forms available at the Teacher Certification Office located in the Department of TLC. Students are responsible to see that official transcripts are sent directly to the Certification Registrar in the Department of Teaching, Learning & Curriculum for all schools attended other than Andrews University. Andrews University approves recommendations of applicants who apply to the Michigan Department of Education and qualify for certification. Students qualifying for Seventh-day Adventist certification receive a Verification of Eligibility Certificate that is honored by the union (an Adventist jurisdiction) in which they first accept a teaching position.

For further information on teaching credentials, Adventist certification, State of Michigan certification, updating original certificates, and adding endorsements check the information below.

The Consortium for Outstanding Achievement in Teaching with Technology Andrews University is a founding member of the Michigan-based Consortium for Outstanding Achievement in Teaching with Technology (COATT). This consortium of higher education institutions and supporting P-12 organizations exists to promote the use of technology in P-12 schools.

Note: It is the responsibility of all students seeking teacher certification to verify that they are meeting the current Andrews University requirements that have been submitted to the State of Michigan as well as all current State of Michigan requirements. This includes requirements for General Education, content major, minor, planned program minor and Professional Education. These requirements may differ from what is listed in the content department.

Dual Degree Program

- BA/BS/MAT - Bachelor of Arts, Bachelor of Science, and MAT leading to Secondary Certification

Graduate Programs

Graduate Academic Programs in Teaching, Learning & Curriculum Master of Arts in Teaching - 32+ credits
  - Elementary Education MAT
  - Secondary Education MAT
  - Individualized MAT - (permission of the TLC Department required)
  - Master of Science: Special Education - 44 credits
  - Curriculum and Instruction MA - 32 credits
  - Curriculum and Instruction EdS - 64 credits

Curriculum and Instruction PhD - 92 credits
Curriculum and Instruction EdD - 92 credits

- Non-Degree Graduate-Level Teacher Certification and Endorsements:
  - (Elem) Adventist and MI Certification - variable
  - (Sec) Adventist and MI Certification - variable

Mission
As companions in learning, faculty and students are committed to global Christian service through excellence in teaching, learning and research.

Program Description
The Curriculum & Instruction program is concerned with creating superior learning environments within learning organizations such as corporations, schools, colleges and universities. Curriculum & Instruction (C&I) degrees at Andrews University are interdisciplinary, involving a broad spectrum of content areas and educational levels. Graduates of the Andrews University Curriculum & Instruction program serve as classroom teachers, department heads, principals, superintendents, curriculum specialists, teacher educators, department chairs, researchers, academic vice presidents, and college presidents. Persons seeking initial teacher certification for K-12 schools at the master’s level should pursue the MAT degree for elementary or secondary education (see p. 287). The Curriculum & Instruction program is designed to meet the needs of our students. The majority of students maintain their current employment while completing their degrees online. We also have students who choose a traditional, residential program and move to Berrien Springs for full-time study.

Specialized study is offered within Curriculum & Instruction for school-based personnel at elementary, secondary and tertiary levels. Curriculum & Instruction cooperates with selected departments in offering advanced cognates for persons preparing to teach at the university level.

While degrees in Curriculum & Instruction are designed for experienced educators, provision is made for individuals desiring a career change. Such persons may be required to earn more than the minimum number of credits.

Interactive Online Delivery of Graduate Programs
Designed for three–four summers (4–8 weeks) on Andrews University campus and online courses during two–three school years, for working professionals. The interactive online master’s, specialist, and doctoral programs allow participants to meet program competencies within the context of their current career positions. This immediate application of learning strengthens authenticity, provides relevancy, and benefits the place of employment. Interactive online programs are offered through a combination of summer intensives, regional group sessions, and Internet study.

With two exceptions (see below), all required courses are delivered via the Internet using both synchronous and asynchronous techniques. This allows candidates to advance their education while maintaining their current employment and residence. Learning-while-working also provides candidates with the opportunity to immediately apply new knowledge and skills in their workplace.

Program Characteristics
Online Orientation.
In order to create a vibrant learning community from the beginning, all new C&I students participate in an online orientation session.

Admission Requirements
Admission decisions are based on an overall profile of each applicant. The applicant profile consists of information that indicates personal “fit” with the Curriculum and Instruction program and potential for success in the program. To ensure consideration for acceptance into the current year’s summer cohort, completed applications must be on file at the Andrews University Office of Graduate Admissions by March 1.

- In addition to application materials required of all graduate school applicants the following items are of particular importance:
  - A 500-word statement of purpose explaining how your professional goals fit with the mission of the Curriculum and Instruction program.
  - Recommendation forms and letters from professionals. Do not submit recommendations from relatives or current students.
  - A completed Professional Experience form.
  - A current resume or vita.
  - Official transcripts from all schools where undergraduate or graduate courses were taken.
  - Graduate Record Examination (GRE) general exam scores.

MA students are not required to take the GRE, but students are strongly encouraged to take it to be eligible for GRE-based scholarships as listed in the bulletin.

- Non-Degree Graduate-Level Teacher Certification and Endorsements:
  - (Elem) Adventist and MI Certification - variable
  - (Sec) Adventist and MI Certification - variable
Ed.S. and Ph.D. students are required to take the GRE for acceptance into a doctoral program.

• Documentation of English proficiency. See University Graduate Programs General Admission Requirements for details.

Please consult the Graduate Programs Admission section of this bulletin for complete information regarding admissions requirements.

Teacher Certification
Seventh-day Adventist Certification - Information
State of Michigan Certification - Information and Procedures

Application for a Teaching Certificate. In their final year, while applying for graduation, students must also apply to the Department of Teaching, Learning and Curriculum for a teaching certificate, as well as apply on MOECS for a MEIS Account and their MI Teaching Certificate. The certificate is approved after graduation. The certification application is filed on forms available at the Teacher Certification Office located in the Department of TLC. Students are responsible to see that official transcripts are sent directly to the Certification Registrar in the Department of Teaching, Learning & Curriculum for all schools attended other than Andrews University. Andrews University approves recommendations of applicants who apply to the Michigan Department of Education and qualify for certification. Students qualifying for Seventh-day Adventist certification receive a Verification of Eligibility Certificate that is honored by the union (an Adventist jurisdiction) in which they first accept a teaching position.

Michigan Tests for Teacher Certification. All applicants for State of Michigan K–12 teaching credentials must pass the MTTC Subject Area Exams before a recommendation can be submitted to the Michigan Department of Education. For details on what the tests are and when they are offered, see the Department of TLC secretary.

Certification Exemption Petition. Students planning to qualify for a teaching certificate at Andrews University are expected to meet both Seventh-day Adventist and State of Michigan certification requirements. Exceptions to this requirement are considered only after a student submits a formal petition to the Department of TLC Certification, Screening, and Petitions Committee.

Residency Requirements for Certification. Non-Andrews University graduates must complete at least 9 credits in residence to qualify for a recommendation for a teaching certificate and/or endorsement.

Michigan Department of Education Definition of Program Completers
To qualify as a "Program Completer," students seeking their initial Teaching Certification must satisfactorily complete the following:

Elementary:
Professional Studies Core courses* Elementary Education Core PK-6 courses* PK-6 Whole Child Core courses* The MTTC Elementary Education Exam (subject area exams are optional)

Secondary
Professional education courses* Approved subject content teaching major* Approved subject content teaching minor* The MTTC Subject Area Exams for both major and minor.
• Current First Aid & CPR Certification from the American Red Cross or the American Heart Association
• Recommendation for certification
* EACH of these areas must have at least 2.50 GPA with no grade of C- or below, in addition to a minimum cumulative GPA of 2.75. Graduate students must maintain at least a 3.0 GPA at the graduate level.

Courses counted toward meeting the requirements for the planned program minor, the professional education courses, the subject content major, minors, area of concentration, or Adventist certification requirements must have a grade of C or above. Students are expected to meet all requirements for Seventh-day Adventist and State of Michigan certification before the degree can be granted. Degree candidates who are unable to qualify for Adventist certification may petition the dean of the School of Education (College of Education & International Services) to be exempted from meeting the requirements for one of the two types of certification.

Note: It is the responsibility of all students seeking teacher certification to verify that they are meeting the current Andrews University requirements that have been submitted to the State of Michigan as well as all current State requirements. This includes requirements for General Education, content major, minor, planned program minor and Professional Education. These requirements may differ from what is listed in the content department.

Bachelors

Elementary Education BSELED

The Bachelor of Science in Elementary Education Degree (combined program of PK-3 and 3-6 preparing candidates to teach in grades PK-6) is a professional degree with emphasis in the curriculum and methodology of teaching in the elementary school.

The candidate will have Pre-Teacher Preparation Status until formally admitted into the Teacher Preparation Program by formally applying to the Department of Teaching, Learning & Curriculum. This typically occurs during the sophomore year.

Professional Studies Core - 27
EDTE 165 - Introduction to Teaching  Credits: 4
EDTE 208 - Principles of Teaching and Learning  Credits: 2
EDTE 210 - Instructional Planning  Credits: 1
EDTE 376 - Topics:  Credits: 1–3 (Integrating Educational Technology)
EDTE 424 - Classroom Testing and Evaluation  Credits: 2.3
EDTE 480 - First Days of School Experience  Credits: 0
EDTE 487 - Student Teaching Seminar  Credits: 3
EDTE 488 - Student Teaching (Level)  Credits: 1–15
EDTE 495 - Using Assessment Data  Credits: 1

Elementary Education Core PK-6 - 50

Elementary Education Core PK-6 - 50

Literacy - 15
EDTE 350 - Emergent Literacy  Credits: 3
EDTE 355 - Writing PK-6  Credits: 3
EDTE 418 - Methods for Teaching Beginning Reading  Credits: 3
EDTE 420 - Literacy Intervention Strategies  Credits: 3
EDTE 489 - Elementary Content Reading  Credits: 3

Mathematics - 15
EDTE 375 - Emergent Numeracy  Credits: 3
EDTE 419 - Teaching Elementary Math  Credits: 3
EDTE 486 - Math Interventions  Credits: 3
MATH 221 - Mathematics for Elementary Teachers I  Credits: 3
MATH 222 - Mathematics for Elementary Teachers II  Credits: 3

Science - 10
EDTE 380 - Teaching STEM to Young Children  Credits: 2
EDTE 440 - Experiential Science Learning  Credits: 1
EDTE 446 - Elementary Science and Health Methods  Credits: 3

Choose one of the following courses:
BIOL 100 - Human Biology  Credits: 4
BIOL 110 - Principles of Biology  Credits: 4
CHEM 100 - Consumer Chemistry  Credits: 4
PHYS 110 - Astronomy  Credits: 4

Social Studies - 10
EDTE 447 - Elementary Social Studies and Character Education Methods  Credits: 3
EDTE 449 - Experience 3C Social Studies Education  Credits: 1
HIST 110 - Worldviews, Cultures and Gods  Credits: 3

Choose one of the following courses:
GEOG 110 - Survey of Geography  Credits: 3
PLSC 104 - American Government  Credits: 3

PK-6 Whole Child Core – 19

EDTE 220 - Social-Emotional Learner: Lower Elementary  Credits: 1
EDTE 221 - Social-Emotional Learner: Upper Elementary  Credits: 1
EDTE 228 - Strategies for Educating Exceptional and Diverse Learners  Credits: 3
EDTE 242 - Learning Through Arts & Movement  Credits: 2
EDTE 243 - Arts, Play & Movement  Credits: 2
EDTE 325 Multigrade Experience  Credits: 2
EDTE 335 - Learners and Learning: PK-6  Credits: 3
EDTE 390 - Cultural and Linguistic Diversity  Credits: 3
EDTE 400 - Partnering with Families & Community  Credits: 1
Cognates – 30
These cognates fulfill ACE requirements and the current North American Division requirements for certification.

Religion - 12
RELG 360 - Topics in Religion Credits: 1–3 (K-12 Faith Development & Bible Methods)
RELH 400 - SDA History and Prophetic Heritage Credits: 3,4
RELT 225 - Doctrines of the Adventist Faith Credits: 3

Choose one of the following courses:
RELB 210 - Jesus in His Time and Ours Credits: 3
RELT 100 - God and Human Life Credits: 3

Arts and Humanities - 6
ENGL 407 - Literature for Children Credits: 2,3

Choose one of the following courses:
ARTH 220 - Language of Art Credits: 3
MUHL 214 - Enjoyment of Music Credits: 3
MUHL 250 - Music to Change the World Credits: 3

Communication - 3
COMM 104 - Communication Skills Credits: 3

English – 6
ENGL 115 - College Writing I Credits: 3
ENGL 215 - College Writing II Credits: 3

Wellness – 3
HLED 135 - Wellbeing 360° Credits: 3

Admission Requirements
An application for admission to the Teacher Preparation Program and Student Teaching must be completed during the semester EDTE 408 or EDTE 208 Principles of Teaching and Learning is being taken. This must be completed at least a year before a student plans to do Student Teaching. Applications will be considered at the end of each semester once all requirements have been completed.

To be admitted to the teacher education program, students must meet the criteria listed below:

- Satisfactorily complete EDTE 165/630 and EDTE 408 or EDTE 208 Principles of Teaching and Learning.
- Choose appropriate teaching major and/or minor(s). (This applies to Secondary Education majors only)
- Have a cumulative GPA of at least 2.75.
- Obtain a recommendation from three sources: a professor from an education course, and professors from your major and your minor.
- Complete a conviction clearance statement.
- Submit an acceptable plan for completing all required course work. All prerequisites for student teaching, as stated in the University Bulletin, must be met prior to the student-teaching semester.
- Submit a plan for completing the required MTTC Michigan Subject Area Exam(s).
- Applications will be processed as they are received and completed. It is the student’s responsibility to see that all paperwork is in for the application to be processed in a timely manner.

Maintaining Academic Standing
Once admitted to the Teacher Education/Student Teaching Program students must:

- Maintain good and regular status.
- Maintain at least at least a 2.50 GPA in each of the following areas: major, minor, professional education courses and overall course work.
- A course with a grade less than a C in a major, minor, or professional education class must be repeated.
- Continue working on their professional teaching portfolio (begun in EDTE 165).
- Demonstrate the professional disposition of an educator.

NOTE: Students cannot be admitted to the Teacher Preparation/Student Teaching Program, or remain in the program once admitted, if they fail two classes in their major, minor, courses for Professional Education, or Planned Program minor.

Graduation & Certification Requirements

CPR & First Aid Training
Michigan Public Act 18 of 2003 requires all teaching interns to be certified in CPR (child and adult) and first aid prior to being recommended for teacher certification. The legislation stipulates that this training must be completed through the American Red Cross or American Heart Association.

Michigan Test for Teacher Certification (MTTC) Subject Area Tests
A passing score on the Michigan Test for Teacher Certification subject area test in major and minor is also required to earn teacher certification through Andrews University and in the state of Michigan.

Official exam results must be sent directly to Andrews University from the testing companies prior to a recommendation for certification.

The subject area tests should not be taken before your final year in the program. We recommend that you wait until you have completed most or all of your major and minor university-based coursework before attempting the subject area tests.

Student Learning Outcomes
In order to serve all children in both public and faith-based schools:

- Graduates will develop knowledge, skills, and dispositions in academic content, school curriculum, and teaching methods.
- Graduates will have the knowledge, skills, and dispositions in trauma-informed, social-emotional learning, as well as learners with exceptionalities.
- Graduates will cultivate a personal and profession profile for long-term commitment to and leadership in their field.

Integrated Science for Secondary Education BS
The current Secondary Education Program is still in place this year. However, beginning in the Fall of 2023, students will be advised to meet the new program requirements within the grade bands developed by the State of Michigan Department of Education. Teacher candidates will choose a grade band of either 5–9 or 7–12 as their major with an additional endorsement. At the completion of the program, students will acquire certification in 5–12 when meeting all the state requirements. Currently, the NAD requirements have not changed within the Teacher Education Program.

Students preparing for teaching secondary schools (grades 6-12) may choose from either the Bachelor of Arts or the Bachelor of Science degree programs. These degrees are granted by the College of Arts & Sciences and the College of Education & International Services. Students must have a subject major and a subject minor which Andrews University has approved with State of Michigan for certification purposes, in addition to their Professional Education courses. In order for Andrews University to recommend a student for certification, the Michigan Test for Teacher Certification (MTTC) subject area exams must be passed in both the major and minor. The BS in Integrated Science for Secondary Education can only be completed in conjunction with a major in Secondary Education.

Total Credits - 124+

Major - 64
Life Science/Biology - 23
(This major includes a built-in minor in Biology)

5 credits of BIOL 165 - Foundations of Biology Credits: 4,5
5 credits of BIOL 166 - Foundations of Biology Credits: 4,5
BIOL 208 - Environmental Science Credits: 4
BIOL 348 - General Ecology Credits: 3
BIOL 371 - Genetics Credits: 3
BIOL 372 - Cell and Molecular Biology Credits: 3

Chemistry - 12
Physics - 8
Choose one of the following sets:

- PHYS 141 - General Physics I (Credits: 4) and PHYS 142 - General Physics II (Credits: 4) or
- PHYS 241 - Physics for Scientists and Engineers I (Credits: 4) and PHYS 242 - Physics for Scientists and Engineers II (Credits: 4)

Earth/Space Science - 11
- BIOL 170 - Rocks, Fossils, and Life (Credits: 4)
- GEOG 240 - Physical Geography (Credits: 3)
- PHYS 110 - Astronomy (Credits: 4)

Integrated Science - 6*
- EDTE 456 - Secondary Science Methods (Credits: 2)
- IDSC 456 - Integrated Science (Credits: 4)

*Must be taken at Andrews.

Electives
Electives chosen by advisement from the above areas to complete the requirements to total 64 credits.

Cognates - 4
- MATH 191 - Calculus (Credits: 4)

Secondary Education Major
See the Secondary Education Major requirements above.

Additional Information
The State of Michigan recommends that students pass MTTC subject exams in biology, physics, and chemistry.

Student Learning Outcomes
Graduates of this program will:
- Explain worldviews and trace their historical development.
- Critique worldviews from a Christian perspective.
- Integrate principles of a Christian worldview into their chosen fields of study.
- Describe human development.
- Apply current theories of learning.
- Facilitate change in groups and organizations.
- Relate effectively with various cultural, racial and special interest groups.
- Identify political and legal issues.
- Manage human, financial and material resources.
- Demonstrate servant leadership.
- Communicate effectively in written, verbal, and non-verbal forms.
- Use electronic tools effectively for professional communication, teaching and research.
- Read and evaluate research.
- Conduct research.
- Report research findings.
- Demonstrate continuing professional development.
- Demonstrate ethical behavior in all professional activities.
- Demonstrate balanced physical, mental, spiritual and social development.

Social Studies for Secondary Education BS
The current Secondary Education Program is still in place this year. However, beginning in the Fall of 2023, students will be advised to meet the new program requirements within the grade bands developed by the State of Michigan Department of Education. Teacher candidates will choose a grade band of either 5–9 or 7–12 as their major with an additional endorsement. At the completion of the program, students will acquire certification in 5–12 when meeting all the state requirements. Currently, the NAD requirements have not changed within the Teacher Education Program.

Prepares the teacher candidate to take the MTTC subject area exam for Social Studies-Secondary Education. Completion of the minor and passing the MTTC Secondary Education exam and subject area exam will qualify the graduate to teach these subjects in departmentalized school.

Total Credits - 124+

Major - 56
(This major contains a built-in minor in History)
- BHSC 225 - Global Social Issues (Credits: 3)
- ECON 225 - Principles of Macroeconomics (Credits: 3)
- ECON 226 - Principles of Microeconomics (Credits: 3)
- FNCE 206 - Personal Finance (Credits: 2,3)
- GEOG 110 - Survey of Geography (Credits: 3)
- GEOG 260 - Cultural Geography (Credits: 3)
- HIST 117 - Civilizations and Ideas (Credits: 3)
- HIST 118 - Civilizations and Ideas (Credits: 3)
- HIST 204 - American Experience (Credits: 3)
- HIST 205 - American Experience II (Credits: 3)
- HIST 277 - History Colloquium (Credits: 0) (required each semester enrolled in the program)
- HIST 390 - Research Seminar (Credits: 3)
- HIST 404 - Adventist Heritage (Credits: 3)
- HIST 459 - Special Methods in Teaching History and Social Studies (Credits: 3)
- PLSC 104 - American Government (Credits: 3)
- PLSC 225 - Comparative Politics (Credits: 3)
- PLSC 230 - International Relations (Credits: 3)
- PLSC 237 - The Individual, State, and Marketplace (Credits: 3)
- PLSC 435 - Public Policy (Credits: 3)

Electives
Electives chosen by advisement from the above areas to complete the requirements to total 56 credits.

Secondary Education Major
See the Secondary Education BA/BS requirements.

Additional Information
The State of Michigan recommends that students pass MTTC subject exams in History, Geography, Economics and Political Science.

Student Learning Outcomes
Graduates of this program will:
- Explain worldviews and trace their historical development.
- Critique worldviews from a Christian perspective.
- Integrate principles of a Christian worldview into their chosen fields of study.
- Describe human development.
- Apply current theories of learning.
- Facilitate change in groups and organizations.
- Relate effectively with various cultural, racial and special interest groups.
- Identify political and legal issues.
- Manage human, financial and material resources.
- Demonstrate servant leadership.
- Communicate effectively in written, verbal, and non-verbal forms.
Bachelors/Masters Dual Degrees

Teacher Education

Bachelors/Masters Dual Degrees

The dual degree programs are designed to give students knowledge and skills content areas and education. The programs prepare educators who have a clear understanding of their content area and educational skills and strategies that will be implemented in their classrooms. Educators will also gain understanding of diversity, classroom management, and assessment. Graduates of the programs are currently working in a wide variety of positions in education such as classroom teachers, administrators, and consultants.

The dual degree program usually takes five years to complete, earning a Bachelors and Masters in Elementary Education or Secondary Education. Students will be required to meet the criteria of the dual degree. Students must complete all requirements for certification prior to graduation.

BA/BS - MAT
See BA/BS - MAT curriculum

BSELED - MAT
See BSELED - MAT curriculum

Majors and Minors

Majors and Minors for Elementary Education Certification
Students in the Elementary Education program must include the Planned Program minor and one subject content major or two minors. When two minors are chosen, they should be chosen from different groups and at least one should be a subject area commonly taught in elementary schools (indicated with a *).

The required courses for an approved major or minor in Integrated Science, Language Arts, Reading, and Social Studies are listed in the chart below. All other approved majors and minors are listed and described under the appropriate department in the College of Arts & Sciences and the College of Health & Human Services sections of this bulletin.

See Majors and Minors for Elementary Education Certification

Majors and Minors for Secondary Education Certification
Students preparing for teaching in secondary schools (grades 6-12) may choose from either the Bachelor of Arts or the Bachelor of Science degree programs. These degrees are granted by the College of Arts & Sciences and the College of Education and International Services. Students must have a subject major and a subject minor, which Andrews University has approved with the State of Michigan for certification purposes, in addition to their Professional Education courses. In order for Andrews University to recommend a student for certification the Michigan Test for Teacher Certification (MTTC) subject area exams must be passed in both the major and minor, and have current certification in First Aid & CPR.

Descriptions of the Integrated Science and Social Studies majors are listed in the College of Education & International Services. All other approved majors and minors are described under their respective departments in other sections of this bulletin.

See Majors and Minors for Secondary Education Certification

Admission Requirements

Admission Requirements: Elementary Education

- Have an approved major or two minors, plus your Planned Program minor.
- GPA of 3.0 in all areas.
- Apply for admission to the Teacher Preparation/Student Teaching Program and apply for your MAT during EDTE 408/508.
- No grades of a C- or lower in your major, minor, Planned Program or Professional Education courses.
- Take the Subject Area section(s) of the MTTC during the last semester of undergraduate classes (3rd year).
- Continue working on established course plan.
- Students should apply for graduation with your BSELED and complete your "Advancement to Candidacy" (MAT) applications at the time they begin First Days of School Experience or the summer prior to Student Teaching.
- Take the senior exit exam (undergraduate requirement).
- Take First Aid and CPR training.
- Apply for teaching certificate during Student Teaching Seminar.

MAT Program Procedures: The same academic standards apply to this program as to a regular graduate program. See the Graduate Programs section of the College of Education & International Services bulletin for specific requirements.

Admission Requirements: Secondary Education

- Have an approved major and minor.
- GPA of 3.0 in all areas.
- Apply for admission to the Teacher Preparation/Student Teaching Program and apply for your MAT during EDTE 408/508.
- No grades of a C- or lower in your major, minor or Professional Education courses.
- Take the Subject Area section(s) of the MTTC during the last semester of undergraduate classes (3rd year).
- Continue working on established course plan.
- Students should apply for graduation with your BA/BS and complete your "Advancement to Candidacy" (MAT) applications at the time they begin First Days of School Experience or the summer prior to Student Teaching.
- Take the senior exit (undergraduate requirement).
- Complete First Aid & CPR training.
- Apply for teaching certificate during Student Teaching Seminar.

MAT Program Procedures: The same academic standards apply to this program as to a regular graduate program. See the Graduate Programs section of the College of Education & International Services bulletin for specific requirements.

Graduation Requirements

MAT Requirements

- An undergraduate major and/or a minor(s) in teaching area(s).
- MAT students are required to meet the same requirements for a content major/minor as undergraduate students. All requirements the MAT must be met by graduation.

MAT Program Procedures

- Apply for admission to the MAT program by junior year.
- Develop a course plan in collaboration with advisor.
- Maintain a 3.0 GPA.
- Apply for admission to the teacher preparation program and student teaching candidacy during EDTE 408/508 (see here).
- Continue course work.
- Take the Subject Area section(s) of the MTTC.
- Complete course work, including EDTE 588 & EDCI 696.
- Apply for teaching certificate.
- Students should apply for Advancement to Candidacy at the time they begin First Days of School Experience or the summer prior to Student Teaching.
Dual Degree BA/BS - MAT
Secondary Education

General Education/Core Experience - 43
The General Education requirements for the secondary education dual degree is the same as the Secondary Certification Core Experience Requirements found in the BA/BS Secondary Education bulletin section.

Professional Education Courses - 15
Undergraduate Foundation Courses - 15
EDTE 165 - Introduction to Teaching Credits: 4
EDTE 228 - Strategies for Educating Exceptional and Diverse Learners Credits: 3
EDTE 408 - Principles of Teaching and Learning Credits: 3
(Apply for Admission to Teacher Prep/Student Teaching & MAT Program)
EDTE 417 - Teaching Reading in the Secondary Content Areas Credits: 3
2 Credits of EDTE 476 - Methods for Integrating Instructional Technology Credits: 2,3

First Days of School Experience - 0
EDTE 480 - First Days of School Experience Credits: 0

MAT Requirements - 32+
Educational Foundations:
3 Credits of EDFN 500 - Philosophical Foundations for Professionals Credits: 2,3

Professional Education Requirements:
EDTE 524 - Classroom Testing and Evaluation Credits: 2
EDTE 559 - Methods for Teaching Secondary School: (Area) Credits: 3
GDPC 514 - Psychology of Learning Credits: 3
SPED 525 - Psychology and Education of Exceptional Children Credits: 3
2 Credits of EDCI 565 - Improving Instruction Credits: 2,3
1 Credit of EDCI 696 - Project Implementation Credits: 1–3
EDCI 645 - Advanced Diagnosis & Educational Therapy in Reading Credits: 3
2+ Credits of EDTE/EDCI/SPED Elective (500 or above)

Student Teaching Experience:
EDTE 587 - Student Teaching Seminar Credits: 3
9+ Credits of EDTE 588 - Graduate Student Teaching: (Level) Credits: 1–10

Non-degree Majors

Secondary Education BA/BS
The current Secondary Education Program is still in place this year. However, beginning in the Fall of 2023, students will be advised to meet the new program requirements within the grade bands developed by the State of Michigan Department of Education. Teacher candidates will choose a grade band of either 5–9 or 7–12 as their major with an additional endorsement. At the completion of the program, students will acquire certification in 5–12 when meeting all the state requirements. Currently, the NAD requirements have not changed within the Teacher Education Program.

This major is available only as a second major. It is designed to be taken in conjunction with a content major and a minor, or with two content majors. This qualifies graduates to teach in the subject areas in grades 6-12; or in grades K-12 in conjunction with a content major and a minor, or with two content majors. This major is available only as a second major. It is designed to be taken in the program, students will acquire certification in 5–12 when meeting all the state requirements. Currently, the NAD requirements have not changed within the Teacher Education Program.

Major - 38+
EDTE 165 - Introduction to Teaching Credits: 4
EDTE 228 - Strategies for Educating Exceptional and Diverse Learners Credits: 3
EDTE 408 - Principles of Teaching and Learning Credits: 3
EDTE 417 - Teaching Reading in the Secondary Content Areas Credits: 3
EDTE 424 - Classroom Testing and Evaluation Credits: 2,3
EDTE 459 - Methods for Teaching Secondary School (Area) Credits: 3
EDTE 476 - Methods for Integrating Instructional Technology Credits: 2,3

Secondary Certificate Andrews Core Experience Requirements - 43
Religion - 12
RELT 360 - Topics in Religion (K-12 Faith Development & Bible Methods)
REIH 400 - SDA History and Prophetic Heritage
RELT 100 - God and Human Life or RELB 210 - Jesus in His Time and Ours
RELT 225 - Doctrines of the Adventist Faith

Arts and Humanities - 6
Take one or two of the following theory courses:
ARTH 220 - Language of Art
ENGL 255 - Studies in Literature: ________
MUHL 214 - Enjoyment of Music
MUHL 250 - Music to Change the World
PHIL 224 - Introduction to Philosophy
If you take only one theory course, the remaining credits may come from studio art, ensemble and/or applied music, or INEN 221.

Communication - 3
COMM 450 - Communication in the Classroom

History - 3
HIST 110 - Worldviews, Cultures and Gods

Mathematics - 3
MATH 145 - Mathematics for the (Mis)information Age (or a higher-level Math course if your MPE score allows)

Natural Sciences - 4
Take one of the following courses:
BIOL 100 - Human Biology
BIOL 110 - Principles of Biology
CHEM 100 - Consumer Chemistry
PHYS 110 - Astronomy

Student Teaching - 12-16
Complete only after the completion of all coursework.
EDTE 487 - Student Teaching Seminar Credits: 3
11-15 credits of EDTE 488 - Student Teaching (Level) Credits: 1–15

Content Majors & Minors
The State of Michigan requires that all teacher certification candidates have at least one area (content major or minor). We have outlined general education requirements and designed content teaching majors and minors that meet the State of Michigan requirements for standard certification. Undergraduate students may choose from the following content majors and minors:

Content Majors - 30+
(See CEIS advisor for specific degree requirements for each second major)

Biology
Chemistry
English
French K-12 Education
History
Integrated Science (Comprehensive) (This is a CEIS major)
Mathematics
Music K-12 Education (Comprehensive)
Physics
Political Science
Religion (SDA certification only)
Social Studies (Comprehensive)
Spanish for K-12 Education (Comprehensive)
Visual Arts K-12 Education (Comprehensive)

Content Minors - 20+

Biology
Chemistry
English Education
ESL
French
History
Mathematics
Physics
Political Science
Religion (SDA Certification only)
Spanish

State of Michigan requirements for standard certification. Undergraduate students may choose from the following content majors and minors:
Admission Requirements

An application for admission to the Teacher Preparation Program and Student Teaching must be completed during the semester EDTE 408 Principles of Teaching and Learning is being taken. This must be completed at least a year before a student plans to do Student Teaching. Applications will be considered at the end of each semester once all requirements have been completed.

To be admitted to the teacher education program, students must meet the criteria listed below:

- Successfully complete EDTE 165/630, EDTE 228/SPED 525, and EDTE 408/508 (preferred order).
- Choose appropriate teaching major and/or minor(s).
- Have a cumulative GPA of at least 2.75.
- Obtain a recommendation from three sources: a professor from an education course, and professors from the student’s major and minor.
- Demonstrate police clearance regarding the potential for any felony and/or misdemeanor convictions as an adult.
- Submit an acceptable plan for completing all required course work. All prerequisites for student teaching as stated in the University Bulletin must be met prior to the student-teaching semester.
- Submit a plan for completing the required MTTC Michigan Subject Area Exam(s).
- Applications will be processed as they are received and completed. It is the student’s responsibility to see that all paperwork is in for the application to be processed in a timely manner.

Once admitted to the Teacher Education/Student Teaching Program students must:

- Maintain good and regular status.
- Maintain at least at least a 2.50 GPA in each of the following areas:
  - Major(s)*,
  - Minor(s)*,
  - Professional education courses*, and
  - Overall course work.
- A course with a grade less than a C in a major, minor, or professional education class must be repeated. All courses taken at Andrews University or transferred to Andrews University are included in calculating the GPA.
- Continue working on their professional teaching portfolio (begun in EDTE 165).
- Demonstrate the professional disposition of an educator.

NOTE: Students cannot be admitted to the Teacher Preparation/Student Teaching Program, or remain in the program once admitted, if they fail two classes in their major, minor, courses for Professional Education, or Planned Program minor.

Graduation & Certification Requirements

In order to graduate with a BA or BS in the content area with a secondary major, the student must pass the subject area tests. Students who do not fulfill the additional requirements will only receive the content area degree and major.

CPR & First Aid Training

Michigan Public Act 18 of 2003 requires all teaching interns to be certified in CPR (child and adult) and first aid prior to being recommended for teacher certification. The legislation stipulates that this training must be completed through the American Red Cross or American Heart Association.

Michigan Test for Teacher Certification (MTTC) Subject Area Tests

A passing score on the Michigan Test for Teacher Certification subject area test in the major or minor for which the student is receiving State of Michigan certification is also required to earn teacher certification through Andrews University and in the state of Michigan.

Official exam results must be sent directly to Andrews University from the testing companies prior to a recommendation for certification.

The subject area tests should not be taken before students’ final year in the program. We recommend that students wait until they have completed most or all of their major and minor university-based coursework before attempting the subject area tests.

Secondary and K-12 candidates: Before being recommended to the state for teacher certification, students must take and pass the subject area tests in their teaching major(s) and minor(s).

Masters

Curriculum and Instruction MA

The Master of Arts (MA) degree is designed for individuals seeking to further develop and deepen their skills as educators, as well as for those future leaders in education who plan to go on to do further work and research in education. The MA is the starting point for those who may wish to later pursue an Educational Specialist (EdS) degree or a Doctor of Philosophy (PhD) degree. This program requires 32 semester hours of post-Bachelor’s work, preparation of a Master’s Portfolio, a project or thesis, and a written comprehensive examination. Students who are choosing one of the special Master’s concentrations must focus their project or thesis on a topic in the concentration area.

Specialized study in the form of concentrations is offered in several areas. Students in this program may choose to include a concentration to help reach their personal goals for advanced study. While graduate degrees in Curriculum and Instruction are designed for experienced educators, provision is made for individuals desiring a career change. Such persons may be required to earn more than the minimum number of credits.

Program Delivery

This program is offered on campus and as a synchronous, interactive online program. Most courses are offered in the synchronous dual format (see School of Distance Education definitions). Online students are encouraged to come to campus for graduation.

Mission

As companions in learning, faculty and students are committed to global Christian service through excellence in teaching, learning, and research.

Total Credits - 32+

Core - 26-29

- EDCI 680 - Field Work: _________ Credits: 1–3

Admission Requirements

Admission decisions are based on the overall profile of each applicant. The applicant profile consists of information that indicates personal "fit" with the Curriculum and Instruction program and potential for success in the program. The C&I Program accepts applications on a rolling basis, with students being able to begin their course of study during any semester. In addition to application materials required of all graduate school applicants, the following items are of particular importance:

- Indicate whether you are applying for the on-campus or the online interactive program.
- A 500-word statement of purpose explaining how your professional goals fit with the mission of the Curriculum and Instruction program. Identify the concentration you plan to complete.
- Recommendation forms and letters from professionals. Do not submit recommendations from relatives or current students.
- A completed Professional Experience form.
- A current résumé or curriculum vita (CV).
- Official transcripts from all schools where undergraduate or graduate courses were taken.
- Documentation of English proficiency (see University Graduate Programs General Admission Requirements for details).

Please consult the Graduate Programs Admission section of this bulletin for complete information regarding admissions requirements.

Prerequisites

Nine (9) semester credits of education courses, including an undergraduate (or graduate equivalent) in educational psychology. GDPC 514 - Psychology of Learning (3 credits) will be required for those who do not meet the above prerequisite. Persons who seek admission to the MA without the prerequisites may be required to include additional courses, such as EDTE 408 - Principles of Teaching and Learning, in their course plan. These prerequisites add to the total number of credits needed to complete the degree.

Student Learning Outcomes

Graduates of this program will:

- Explain worldviews and trace their historical development.
- Critique worldviews from a Christian perspective.
- Integrate principles of a Christian worldview into their chosen fields of study.
- Describe human development.
- Apply current theories of learning.
- Understand and use frameworks for organizing instruction.
- Demonstrate a repertoire of effective teaching strategies for teaching ALL students.
- Facilitate change in groups and organizations.
- Use effective staff development models to help effect change in learning organizations.
- Relate effectively with various cultural, racial, and special interest groups.
- Identify political and legal issues.
- Manage human, financial, and material resources.
- Understand and apply curriculum development processes within a systems perspective.
- Demonstrate servant leadership.
- Communicate effectively in written, verbal, and non-verbal forms.
- Use electronic tools effectively for professional communication, teaching, and research.
- Create professional-quality curriculum documents.
- Read and evaluate research.
- Conduct research.
- Understand and create curriculum-based assessments closely aligned to curriculum documents, including standards and curriculum guides.
- Use assessment and/or program evaluation to provide formative assessment and create plans for improvement in a continuous quality improvement model.
- Report research findings.
- Demonstrate continuing professional development.
- Demonstrate ethical behavior in all professional activities.
- Demonstrate balanced physical, mental, spiritual, and social development.
- Demonstrate competency in a specific content area.
- Demonstrate knowledge of current issues in specific content area.
- Understand and discuss curriculum literature appropriate to the candidate's degree level.

Elementary Education MAT

E-mail: wolferj@andrews.edu

This flexible, professional degree program is designed to meet the needs of a wide range of individuals.

Typical MAT students who have earned a bachelor's degree and are now seeking teacher certification at the elementary level belong to one of the following categories:

- Persons who hold teacher certification at the secondary level and seek certification at the elementary level.
- Persons who hold a teaching certificate and want to strengthen or add a specific subject area endorsement.

Candidates for the MAT degree must hold or qualify for a Seventh-day Adventist or State of Michigan teaching certificate or its equivalent before the degree can be granted. The 32 credits listed for the completion of this degree represent the minimum number of hours required for the MAT. Persons who enter the MAT program without a teaching certificate should expect to complete more than 32 credits. The Certification Registrar evaluates transcripts and identifies specific certification requirements for each student needing certification.

Students who enter the MAT program without teacher certification must qualify for a teaching certificate to complete the degree.

This program is available both face-to-face and online.

Total Credits - 32+

NOTE: Course requirements for persons seeking their first teaching certificate vary slightly from those who already have a teaching certificate.

Professional Education Courses - Elementary Education Core:

NOTE: Content major or two minors required - see Majors and Minors for Elementary Education Certification chart.

Listed below are the required graduate professional education courses for Michigan elementary-teaching credentials which must be taken. If a student has taken the undergraduate-level course, he/she does not need to repeat the graduate-level course (the undergraduate course meets the requirement for certification but does not count towards a master's degree) Graduate-level students who are qualifying for certification and wish to apply credit to a graduate degree must select courses at the graduate level.

EDCI 696 - Project Implementation Credits: 1–3
The Planned Program Minor - 20

The planned program minor consists of a group of courses related to teaching in the elementary school and is required by the State of Michigan. All courses listed must be completed either in the Planned Program minor or in other areas of the degree requirements. The total credits in the planned program minor must be at least 20.

- EDTE 228 - Strategies for Educating Exceptional and Diverse Learners Credits: 3 *
- EDTE 518 - Methods for Teaching Beginning Reading Credits: 3
- EDTE 520 - Literacy Intervention Strategies Credits: 3
- EDTE 524 - Classroom Testing and Evaluation Credits: 2
- EDTE 548 - Methods for Integrating Arts & Movement in Elementary Curriculum Credits: 3
- EDTE 576 - Methods for Integrating Instructional Technology Credits: 2,3
- EDTE 580 - First Days of School Experience Credits: 0
- EDTE 584 - Developmental Reading Methods Credits: 2
- ENGL 507 - Literature for Children Credits: 2,3
- GEOG 110 - Survey of Geography Credits: 3
- MATH 221 - Mathematics for Elementary Teachers I Credits: 3
- MATH 222 - Mathematics for Elementary Teachers II Credits: 3

*On the graduate level SPED 525 replaces EDTE 228.

Admission Requirements

**Prerequisites**
- An undergraduate degree with a major and/or a minor(s) in teaching area(s).
- MAT students are required to meet the same requirements for a content major/minor as undergraduate students. If these requirements have not been met, they will need to be completed as soon as possible. Graduate level education courses may be taken concurrently; however any undergraduate requirements will need to be met before student teaching can be done.

**Program Procedures**
- Graduate Record Examination (GRE) optional.
- Apply for admission to the Andrews University College of Education & International Services.
- Request evaluation of transcripts by the Certification Registrar.
- Develop a course plan in collaboration with advisor.
- Take initial classes during the first semester.
- Maintain a 3.0 GPA.
- Students transferring in a major and/or minor must pass the relevant MTTC Subject Exams during their first semester of enrollment.
- Apply for admission to the teacher preparation program and student teaching candidacy during EDTE 508 (see here).
- Continue course work.
- Take the MTTC Elementary Exam and the Subject Area section(s) of the MTTC.
- Complete course work, including EDTE 588 & EDCI 696.
- Apply for teaching certificate.
- Students should apply for Advancement to Candidacy at the time they begin First Days of School Experience or the summer prior to Student Teaching.

Field Work and Comprehensive Examinations. Field work and comprehensive examinations may be required at the discretion of the subject specialization advisor and/or the professional education advisor.

**Student Learning Outcomes**

Graduates of this program will:
- Explain worldviews and trace their historical development.
- Critique worldviews from a Christian perspective.
- Integrate principles of a Christian worldview into their chosen fields of study.
- Describe human development.
- Apply current theories of learning.
- Facilitate change in groups and organizations.
- Relate effectively with various cultural, racial and special interest groups.
- Identify political and legal issues.
- Manage human, financial and material resources.
- Demonstrate servant leadership.
- Communicate effectively in written, verbal, and non-verbal forms.
- Use electronic tools effectively for professional communication, teaching and research.
- Read and evaluate research.
- Conduct research.
- Report research findings.
- Demonstrate continuing professional development.
- Demonstrate ethical behavior in all professional activities.
- Demonstrate balanced physical, mental, spiritual and social development.

**Individualized MAT**

This flexible, professional degree program is designed to meet the needs of a wide range of individuals. Typical MAT students belong to one of the following categories:
- Persons who have earned a bachelor’s degree and are now seeking teacher certification at the elementary or secondary level.
- Persons who hold teacher certification at either the elementary or secondary level and seek certification at the other level.
- Persons who hold a teaching certificate and want to strengthen or add a specific subject area endorsement.

Candidates for the MAT degree must hold or qualify for a Seventh-day Adventist or State of Michigan teaching certificate or its equivalent before the degree can be granted. The 32 credits listed for the completion of this degree represent the minimum number of hours required for the MAT. Persons who enter the MAT program without a teaching certificate should expect to complete more than 32 credits. The Certification Registrar evaluates transcripts and identifies specific certification requirements for each student needing certification.

**Program Delivery:** This program is offered on campus and as a synchronous, interactive online program. Most courses are offered in the synchronous dual format (see School of Distance Education definitions). Online students are encouraged to come to campus for graduation.

**Total Credits - 32**

NOTE: A minimum of 12 credits must be 500-level or higher. Students who enter the MAT program without a teaching certificate must complete more than 32 credits to qualify for a teaching certificate. Course requirements for persons seeking their first teaching certificate vary slightly from those who already have a teaching certificate.

- 1-3 credits of EDCI 696 - Project Implementation Credits: 1–3
- 3 credits of EDFN 500 - Philosophical Foundations for Professionals Credits: 2,3
- 2-3 credits of EDTE 576 - Methods for Integrating Instructional Technology Credits: 2,3
- SPED 525 - Psychology and Education of Exceptional Children Credits: 3
- 3 credits of instructional methods in consultation with academic advisor

**Content Area Specialization - 17-20**

Students select courses in consultation with a content area advisor. Students should note the specific subject area requirements in the appropriate section of this bulletin. Requirements vary. Students seeking a subject endorsement must complete the equivalent of a minor in that area.
Admission Requirements

Prerequisites
- An undergraduate degree with a major and/or a minor(s) in teaching area(s).
- MAT students are required to meet the same requirements for a content major/minor as undergraduate students. If these requirements have not been met, they will need to be completed as soon as possible. Graduate level education courses may be taken concurrently; however any undergraduate requirements will need to be met before student teaching can be done.

Program Procedures
- Graduate Record Examination (GRE) optional.
- Apply for admission to the Andrews University College of Education & International Services.
- Request evaluation of transcripts by the Certification Registrar.
- Develop a course plan in collaboration with advisor.
- Take initial classes during the first semester.
- Maintain a 3.0 GPA.
- Students transferring in a major and/or minor must pass the relevant MTTC Subject Exams during their first semester of enrollment.
- Apply for admission to the teacher preparation program and student teaching candidacy during EDTE 508 (see here).
- Continue course work.
- Take the Subject Area section(s) of the MTTC.
- Complete course work, including EDTE 588 & EDCI 696.
- Apply for teaching certificate.
- Students should apply for Advancement to Candidacy at the time they begin First Days of School Experience or the summer prior to Student Teaching.

Field Work and Comprehensive Examinations. Field work and comprehensive examinations may be required at the discretion of the subject specialization advisor and/or the professional education advisor.

Student Learning Outcomes
Graduates of this program will:
- Explain worldviews and trace their historical development.
- Critique worldviews from a Christian perspective.
- Integrate principles of a Christian worldview into their chosen fields of study.
- Describe human development.
- Apply current theories of learning.
- Facilitate change in groups and organizations.
- Relate effectively with various cultural, racial and special interest groups.
- Identify political and legal issues.
- Manage human, financial and material resources.
- Demonstrate servant leadership.
- Communicate effectively in written, verbal, and non-verbal forms.
- Use electronic tools effectively for professional communication, teaching and research.
- Read and evaluate research.
- Conduct research.
- Report research findings.
- Demonstrate continuing professional development.
- Demonstrate ethical behavior in all professional activities.
- Demonstrate balanced physical, mental, spiritual and social development.

Learning Technologies MA
This Masters in Learning Technologies professional degree prepares digital educators to design and facilitate inclusive online and blended learning environments for K-12 students, adult learners, and life-long learning in a variety of contexts. Students of all varieties need to be able to thrive, advance, and contribute in an interconnected and constantly changing society. Educators interested in meeting these needs will gain the digital age skills and pedagogical strategies in order to be successful in the many roles they play as teachers and learners. In addition, digital educators prepared in this program will be able to leverage the technologies available to them in order to succeed in the rapidly changing 21st-century classroom. Program participants intending to support educational technology in higher education, non-profit, or corporate learning environments will be prepared to provide personalized digital learning for a variety of learners and contexts. Program participants with K-12 teaching certification may add the North American Division of Seventh-day Adventist Teacher Certification Endorsement for Educational Technology.

Graduates of this program may serve as classroom teachers, curriculum specialists, teacher educators, educational/instructional technology specialists, directors of digital learning, instructional technology consultants, and researchers. The program consists of 30 credits, with an expected time to completion of 2 years.

See the Graduate Academic Policies for transferring credits earned at Andrews prior to acceptance to the program or credits earned at other institutions.

Delivery: This program is offered in an interactive online format. Most of the courses are offered in a synchronous dual format. The technology courses are offered in the interactive online format (see School of Distance Education Definitions). This online degree does not require any on-campus time.

Total Credits - 30
EDCI 545 - Assessment of Learning Credits: 3
EDCI 605 - Design & Development of Online Courses Credits: 3
EDCI 695 - Master’s Portfolio Credits: 1
EDFN 500 - Philosophical Foundations for Professionals Credits: 2,3
EDRM 505 - Research Methods Credits: 3
EDTE 522 - Trends and Issues in Educational Technology Credits: 3
EDTE 620 - Assisting Special Needs Learners with Instructional Technology Credits: 3
EDTE 645 - Digital Storytelling and Visual Learning in a Diverse World Credits: 3
Choose one of the following courses:
EDCI 565 - Improving Instruction Credits: 2,3
EDCI 610 - Teaching the Adult Learner Credits: 2,3
Choose one of the following courses:
EDCI 696 - Project Implementation Credits: 1–3
EDCI 699 - Thesis Credits: 1–3
Choose one of the following courses:
EDTE 635 - Digital Collaboration and Citizenship Credits: 3
EDTE 640 - Digital Learning in Faith Contexts Credits: 3

Admission Requirements
Admission decisions are based on the overall profile of each applicant. The applicant profile consists of information that indicates personal “fit” with the Learning Technologies program and potential for success in the program. The program accepts applications on a rolling basis, with students being able to begin their course of study during any semester. In addition to application materials required of all graduate school applicants, the following items are of particular importance:
- A 600-word statement of purpose explaining how your professional goals fit with the mission of the Learning Technologies program. Identify whether you will focus on K-12 students or other educational technology contexts (e.g., corporate training, digital outreach, higher education). Describe your skill level with technology and include links to your digital footprint.
- Recommendation forms and letters from professionals. Do not submit recommendations from relatives or current students.
- A completed Professional Experience form.
- A current résumé or curriculum vita (CV).
- Official transcripts from all schools where undergraduate or graduate courses were taken.
- Documentation of English proficiency (see University Graduate Programs General Admission Requirements for details).

Please consult the School of Graduate Studies section of the bulletin for complete information regarding admissions requirements.

Prerequisites
- Nine (9) semester credits of education courses, including an undergraduate (or graduate equivalent) course in educational psychology. GDPC 514 - Psychology of Learning (3 credits) will be required for those who do not meet the above prerequisite.
• Persons who seek admission to the MA without the prerequisites may be required to include additional courses, such as EDTE 508 - Principles of Teaching and Learning, in their course plan.

• Six (6) semester credits of educational technology courses must be taken prior to the start of the program.

These prerequisites add to the total number of credits needed to complete the degree.

Student Learning Outcomes
Graduates of this program will:
• Continually improve their practice in their content area by learning from and with others, using evidence and research to reflect on and evaluate their practice.

• Seek appropriate leadership roles and opportunities to support student empowerment and success and to improve teaching and learning.

• Use understanding of difference and diversity to ensure inclusive learning environments that inspire students to positively participate in the digital world.

• Collaborate with colleagues, students, families, and agencies to improve practice, discover and share resources and ideas, and solve problems.

• Design authentic, learner-driven activities and inclusive environments that recognize and accommodate learner variability and maximize active, deep learning.

• Facilitate learning adapted to diverse students in digital platforms, hands-on makerspaces, in the field, and in the classroom.

• Use methods of assessment, data collection, and research to drive their instruction, engage learners in their own growth, to monitor learner progress, and to guide the teacher's and learner's decision making.

Secondary Education MAT

E-mail: wolferj@andrews.edu

This flexible, professional degree program is designed to meet the needs of a wide range of individuals.

Typical MAT students who have earned a bachelor's degree and are now seeking teacher certification at the secondary level belong to one of the following categories:
• Persons who hold teacher certification at the elementary level and seek certification at the secondary level.

• Persons who hold a teaching certificate and want to strengthen or add a specific subject area endorsement.

Candidates for the MAT degree must hold or qualify for a Seventh-day Adventist or State of Michigan teaching certificate or its equivalent before the degree can be granted. The 32 credits listed for the completion of this degree represent the minimum number of hours required for the MAT. Persons who enter the MAT program without a teaching certificate should expect to complete more than 32 credits. The Certification Registrar evaluates transcripts and identifies specific certification requirements for each student needing certification.

Students who enter the MAT program without teacher certification must qualify for a teaching certificate to complete the degree.

Delivery Options: This program is available face-to-face on the main campus and also in the online format.

Total Credits - 32
NOTE: A minimum of 12 credits must be 500-level or higher. Students who enter the MAT program without a teaching certificate typically must complete more than 32 credits to qualify for a teaching certificate. Course requirements for persons seeking their first teaching certificate vary slightly from those who already have a teaching certificate.

EDCI 696 - Project Implementation Credits: 1–3
EDFN 500 - Philosophical Foundations for Professionals Credits: 2,3
EDTE 576 - Methods for Integrating Instructional Technology Credits: 2,3
SPED 525 - Psychology and Education of Exceptional Children Credits: 3

3 credits of instructional methods (EDCI or EDTE) by advisement

Secondary Certification Requirements
Students must take sufficient course work in three areas to be eligible for Michigan secondary certification:
• Professional education courses
• A content major
• A minor in a qualifying area of instruction

Seventh-day Adventist and State of Michigan secondary certification require a major and minor teaching area. Seventh-day Adventist certification also recognizes additional majors and minors. See the list of approved majors and minors for secondary certification.

Professional Education Courses
Listed below are the required graduate professional education courses for Michigan secondary-teaching credentials. If students have taken the undergraduate course, they do not need to repeat the graduate-level course. Graduates who are qualifying for certification and wish to apply credit to a graduate degree must select courses at the graduate level.

EDTE 508 - Principles of Teaching and Learning Credits: 3
EDTE 517 - Teaching Reading in the Secondary Content Areas Credits: 3
EDTE 524 - Classroom Testing and Evaluation Credits: 2
EDTE 559 - Methods for Teaching Secondary School: (Area) Credits: 3
EDTE 576 - Methods for Integrating Instructional Technology Credits: 2,3
EDTE 580 - First Days of School Experience Credits: 0
EDTE 587 - Student Teaching Seminar Credits: 3
EDTE 588 - Graduate Student Teaching: (Level) Credits: 1–10 *
EDTE 630 - Seminar: Philosophical and Social Foundations of Education Credits: 2
GDPC 514 - Psychology of Learning Credits: 3
SPED 525 - Psychology and Education of Exceptional Children Credits: 3

*For students with appropriate and verified teaching experience, some student-teaching credit by examination for student-teaching may be granted. Requests for such credit should be made after consultation with the Department of Teaching, Learning & Curriculum on forms available at that office. This should be done before applying for student teaching. All candidates qualifying for Adventist certification must have had significant structured experience in a multigrade Adventist school.

Admission Requirements

Prerequisites
• An undergraduate degree with a major and/or a minor(s) in teaching area(s).

• MAT students are required to meet the same requirements for a content major/minor as undergraduate students. If these requirements have not been met, they will need to be completed as soon as possible. Graduate level education courses may be taken concurrently; however any undergraduate requirements will need to be met before student teaching can be done.

Program Procedures
• Graduate Record Examination (GRE) exam optional.

• Apply for admission to the Andrews University College of Education & International Services.

• Request evaluation of transcripts by the Certification Registrar.

• Develop a course plan in collaboration with advisor.

• Take initial classes during the first semester.

• Maintain a 3.0 GPA.

• Students transferring in a major and/or minor must pass the relevant MTTC Subject Exams during their first semester of enrollment.

• Apply for admission to the teacher preparation program and student teaching candidacy during EDTE 508 (see here).

• Continue course work.

• Take the Subject Area section(s) of the MTTC.

• Complete course work, including EDTE 588 & EDCI 696.

• Apply for teaching certificate.

• Students should apply for Advancement to Candidacy at the time they begin First Days of School Experience or the summer prior to Student Teaching.

Field Work and Comprehensive Examinations. Field work and comprehensive examinations may be required at the discretion of the subject specialization advisor and/or the professional education advisor.
Student Learning Outcomes

Graduates of this program will:

- Explain worldviews and trace their historical development.
- Critique worldviews from a Christian perspective.
- Integrate principles of a Christian worldview into their chosen fields of study.
- Describe human development.
- Apply current theories of learning.
- Facilitate change in groups and organizations.
- Relate effectively with various cultural, racial and special interest groups.
- Identify political and legal issues.
- Manage human, financial and material resources.
- Demonstrate servant leadership.
- Communicate effectively in written, verbal, and non-verbal forms.
- Use electronic tools effectively for professional communication, teaching and research.
- Read and evaluate research.
- Conduct research.
- Report research findings.
- Demonstrate continuing professional development.
- Demonstrate ethical behavior in all professional activities.
- Demonstrate balanced physical, mental, spiritual and social development.

Special Education MS

Learning Disabilities K-12 Endorsement

For Michigan teachers, completion of required coursework leads to a Michigan State Teaching Endorsement in Special Education in the area of Learning Disabilities and a Master of Science in Special Education.

MAT Candidates

Candidates who have been accepted into the MAT program, or those without current certification, can petition to be concurrently accepted into the MS program. Completion of the portfolio requirements and a "pass" grade on the MTTCC Subject Area (Learning Disabilities) Exam are required. All candidates seeking certification will be expected to meet the requirements in effect as set forth by the State of Michigan at the time of graduation.

Note for Michigan Teachers

The State of Michigan requires candidates to possess a valid State of Michigan Elementary or Secondary Education Teaching Certification prior to the submission of an application for a Special Education/Learning Disabilities Endorsement. Successful completion of the portfolio requirements, comprehensive exams, and a "pass" grade on the MTTCC Subject Area (Learning Disabilities) Exam are required. All candidates seeking this degree will be expected to meet the requirements in effect as set forth by the State of Michigan at the time of graduation.

Thesis Option

This degree allows for a thesis option. It can be done with or without Michigan certification. A thesis is commonly required for international students, out of state students or those who want to pursue a doctoral degree. Completion of required coursework leads to a Master of Science in Special Education with an emphasis on research within the special education field. Successful completion of the portfolio requirements, comprehensive exam and a "pass" grade on the thesis are required. All candidates seeking this degree will be expected to meet the requirements at the time of graduation.

Program Delivery

This program is offered on campus and as a synchronous, interactive online program. Most courses are offered in the synchronous dual format (see School of Distance Education definitions). Online students are encouraged to come to campus for graduation.

Total Credits - 36

- EDI 545 - Assessment of Learning: Credits: 3
- 2 credits of EDIN 500 - Philosophical Foundations for Professionals Credits: 7,3
- EDRM 505 - Research Methods Credits: 3
- 3 credits of EDTE 630 - Seminar: Credits: 1–4 (Behavioral & Emotional Problems of Children)
- 3 credits of EDTE 630 - Seminar: (Human Development)
- SPED 525 - Psychology and Education of Exceptional Children Credits: 3
- 4 credits of SPED 588 - Graduate Student Teaching: Credits: 2 (2 credits at K-5 level, 2 credits at 6-12 level)*
- SPED 610 - Instructional Design for Special Education Credits: 3
- SPED 618 - Legal and Ethical Issues in Schools Credits: 3
- SPED 630 - Behavioral & Emotional Problems of Children Credits: 3
- SPED 645 - Reading and Writing Assessment & Intervention Credits: 3
- SPED 672 - Psychoeducational Consultation Credits: 3

Thesis Option

- EDRM 611 - Applied Statistical Methods I Credits: 3
- 3 credits of GDPC 699 - Thesis Credits: 1–3

Admission Requirements

- Pre-requisite course: GDPC 514 - Psychology of Learning Credits: 3
- Must have Teacher Certification or be accepted into the MAT program.*

*Not required for thesis option without certification.

Student Learning Outcomes

Special Education - Council for Exceptional Children

SLO 1: Learner Development and Individual Learning Differences

Beginning special education professionals understand how exceptionalities may interact with development and learning and use this knowledge to provide meaningful and challenging learning experiences for individuals.

SLO 2: Learning Environments

Beginning special education professionals create safe, culturally responsive learning environments so that individuals with exceptionalities become active and effective learners and develop emotional wellbeing, positive social interactions, and self-determination.

SLO 3: Curricular Content Knowledge

Beginning special education professionals use their knowledge of the general and specialized curricula to personalize learning for individuals with exceptionalities.

SLO 4: Assessment

Beginning special education professionals use multiple methods of assessment and data-sources in making educational decisions.

SLO 5: Instructional Planning and Strategies

Beginning special education professionals select, adapt, and use a repertoire of instructional strategies to advance learning of individuals with exceptionalities in general and specialized curricula.

SLO 6: Professional Learning and Ethical Practice

Beginning special education professionals use foundational knowledge of the field and the profession’s ethical principles and practice standards to inform their special education practice, engage in lifelong learning, and advance the profession.

SLO 7: Collaboration

Beginning special education professionals collaborate with families, other educators, related service providers, individuals with exceptionalities, and personnel from community agencies in culturally responsive ways to ensure that the needs of individuals with exceptionalities are addressed across a range of learning experiences.

Post-Masters

Curriculum and Instruction EdS

The Educational Specialist (EdS) degree is designed for individuals seeking advanced positions in K-12 schools and other learning organizations. The Eds is a field-focused degree that equips educators as expert practitioners to lead the field by developing curricula, supervising instruction, and leading out in instructional improvement and educational change. This program requires a research-based empirical project (EDCI 799) and requires 32 semester hours post-MA. Students may choose to complete the Eds en route to a doctoral degree.
This program is offered on campus and as a synchronous, interactive online program. Most courses are offered in the synchronous dual format (see School of Distance Education definitions). Online students are encouraged to come to campus for graduation.

Total Credits - 32+

Core - 26+

- EDCI 565 - Improving Instruction Credits: 2,3
- EDCI 725 - Doctoral Orientation Seminar Credits: 0,1
- EDCI 745 - Effective Assessment of Learning Credits: 3
- EDCI 747 - Survey of Curriculum Theory Credits: 3
- EDCI 750 - Course Design: _____ Credits: 3
- EDCI 795 - Specialist Portfolio Credits: 1
- EDCI 820 - Educational Improvement & Change Credits: 3
- EDCI 884 - Internationalizing Curriculum Studies Credits: 3
- EDCI 799 - Advanced Project: _____ Credits: 1–6
- EDFN 500 - Philosophical Foundations for Professionals Credits: 2,3
- EDRM 611 - Applied Statistical Methods I Credits: 3
- EDFN 517 - History and Philosophy of Seventh-day Adventist Education Credits: 3
- GDPC 514 - Psychology of Learning Credits: 3
- GDPC 614 - Human Development Credits: 3
- GDPC 625 - Biopsychology Credits: 3
- GDPC 626 - Cognitive and Affective Bases of Behavior Credits: 3
- SPED 525 - Psychology and Education of Exceptional Children Credits: 3

Electives - 5+

Choose elective courses in consultation with academic advisor to complete 32 credits. Suggested courses include:
- EDAL 570 - Principles of Educational Supervision Credits: 2,3
- EDCI 678 - Curriculum Studies Tour: _____ Credits: 0–3
- EDCI 893 - Theorizing Curriculum Credits: 3

Admission Requirements

Admission decisions are based on the overall profile of each applicant. The applicant profile consists of information that indicates personal “fit” with the Curriculum and Instruction program and potential for success in the program. The C&I Program accepts applications on a rolling basis, with students being able to begin their course of study during any semester. In addition to application materials required of all graduate school applicants, the following items are of particular importance:

- Indicate whether you are applying for the on-campus or the online interactive program
- A 500-word statement of purpose explaining how your professional goals fit with the mission of the Curriculum and Instruction program. Identify the concentration you plan to complete.
- Recommendation forms and letters from professionals. Do not submit recommendations from relatives or current students.
- A completed Professional Experience form.
- A current résumé or curriculum vita (CV).
- Official transcripts from all schools where undergraduate or graduate courses were taken.
- Graduate Record Examination (GRE) general exam scores.
- Documentation of English proficiency (see University Graduate Programs General Admission Requirements for details).

Please consult the Graduate Programs Admission section of this bulletin for complete information regarding admissions requirements.

Prerequisites

- Master’s degree in an appropriate area
- EDRM 505 - Research Methods Credits: 3

Student Learning Outcomes

Graduates of this program will:

- Apply current theories of learning.
- Facilitate change in groups and organizations.
- Relate effectively with various cultural, racial and special interest groups.
- Identify political and legal issues.
- Manage human, financial and material resources.
- Demonstrate servant leadership.
- Communicate effectively in written, verbal, and non-verbal forms.
- Use electronic tools effectively for professional communication, teaching and research.
- Read and evaluate research.
- Conduct research.
- Report research findings.
- Demonstrate continuing professional development.
- Demonstrate ethical behavior in all professional activities.
- Demonstrate balanced physical, mental, spiritual and social development.

Curriculum and Instruction PhD

As a research-oriented degree, the PhD in Curriculum and Instruction is designed for individuals who wish to be educational leaders. Our learners are transformed through in-depth exploration of the field and original, theoretical, and conceptual research. Individuals taking this degree typically enter higher education, government, and/or advanced positions in K-12 education. The program requires 60+ post-MA semester credits.

Program Delivery

This program is offered on campus and as a synchronous, interactive online program. Most courses are offered in the synchronous dual format (see School of Distance Education definitions). Online students are encouraged to come to campus for graduation.

Total Credits - 60+

*After registering for EDRM 880/LEAD 880, candidates must register for at least one (1) dissertation credit each semester until they successfully defend their dissertation.

Core - 56+

- EDCI 706 - Teaching in Higher Education Credits: 3
- EDCI 725 - Doctoral Orientation Seminar Credits: 0,1
- EDCI 745 - Effective Assessment of Learning Credits: 3
- EDCI 747 - Survey of Curriculum Theory Credits: 3
- EDCI 750 - Course Design: _____ Credits: 3
- EDCI 820 - Educational Improvement & Change Credits: 3
- EDRM 611 - Applied Statistical Methods I Credits: 3
- EDFN 517 - History and Philosophy of Seventh-day Adventist Education Credits: 3
- EDFN 500 - Philosophical Foundations for Professionals Credits: 2,3
- EDRM 605 - Qualitative Research Methods in Education and Psychology Credits: 3
- EDRM 611 - Applied Statistical Methods I Credits: 3
- EDRM 612 - Applied Statistical Methods II Credits: 3
- EDRM 820 - Educational Improvement & Change Credits: 3
- EDFN 517 - History and Philosophy of Seventh-day Adventist Education Credits: 3
- EDCI 795 - Specialist Portfolio Credits: 1
- EDCI 899 - Doctoral Seminar Credits: 1,2
- EDCI 893 - Theorizing Curriculum Credits: 3
- EDCI 895 - Doctoral Portfolio Credits: 1
- 12 credits of EDCI 899 - Doctoral Dissertation Credits: 1–14
- EDFN 500 - Philosophical Foundations for Professionals Credits: 2,3
- EDRM 605 - Qualitative Research Methods in Education and Psychology Credits: 3
- EDRM 611 - Applied Statistical Methods I Credits: 3
- EDRM 712 - Applied Statistical Methods II Credits: 3
- LEAD 535 - Principles of Academic Writing Credits: 1–3
- GDPC 514 - Psychology of Learning Credits: 3
- GDPC 614 - Human Development Credits: 3
- GDPC 625 - Biopsychology Credits: 3
- GDPC 626 - Cognitive and Affective Bases of Behavior Credits: 3
- SPED 525 - Psychology and Education of Exceptional Children Credits: 3

Choose one of the following courses:

- EDCI 885 - Applied Research: _____ Credits: 1–8
- EDRM 636 - Program Evaluation Credits: 3
- EDRM 704 - Design and Analysis of Educational and Psychological Surveys Credits: 3
- EDRM 713 - Applied Statistical Methods III Credits: 3

Choose one of the following courses:

- EDRM 710 - Seminar in Research Methodology Credits: 1
- LEAD 637 - Issues in Research Credits: 2,3
**Prerequisites**

Complete information regarding admissions requirements. Please consult the Graduate Programs Admission section of this bulletin for evaluation and research concentration - 12+.

**Electives**

Choose electives such as the following courses in consultation with academic advisor:

- EDCI 565 - Improving Instruction Credits: 2,3
- EDCI 605 - Design & Development of Online Courses Credits: 3
- EDCI 756 - Advanced Studies: ______ Credits: 1–3
- EDCI 885 - Applied Research: ______ Credits: 1–8
- EDCI 886 - Internship: ______ Credits: 1–8

**Evaluation and Research Concentration - 12+**

- EDCI 756 - Advanced Studies: ______ Credits: 1–3
- EDRM 636 - Program Evaluation Credits: 3
- EDRM 704 - Design and Analysis of Educational and Psychological Surveys Credits: 3

Choose one of the following courses:

- EDCI 885 - Applied Research: ______ Credits: 1–8
- EDRM 713 - Applied Statistical Methods III Credits: 3

**Admission Requirements**

Admission decisions are based on the overall profile of each applicant. The applicant profile consists of information that indicates personal “fit” with the curriculum and instruction program and potential for success in the program. The C&I Program accepts applications on a rolling basis, with students being able to begin their course of study during any semester. In addition to application materials required of all graduate school applicants, the following items are of particular importance:

- Indicate whether you are applying for the on-campus or the online interactive program.
- A 500-word statement of purpose explaining how your professional goals fit with the mission of the Curriculum and Instruction program. Identify the concentration you plan to complete.
- Recommendation forms and letters from professionals. Do not submit recommendations from relatives or current students.
- A completed Professional Experience form.
- A current résumé or curriculum vita (CV).
- Official transcripts from all schools where undergraduate or graduate courses were taken.
- Graduate Record Examination (GRE) general exam scores.
- Documentation of English proficiency (see University Graduate Programs General Admission Requirements for details).

Please consult the Graduate Programs Admission section of this bulletin for complete information regarding admissions requirements.

**Prerequisites**

- Master’s degree in an appropriate area
- EDRM 505 - Research Methods Credits: 3

**Student Learning Outcomes**

Graduates of this program will:

- Explain worldviews and trace their historical development.
- Critique worldviews from a Christian perspective.
- Integrate principles of a Christian worldview into their chosen fields of study.
- Describe human development.
- Apply current theories of learning.
- Facilitate change in groups and organizations.
- Relate effectively with various cultural, racial and special interest groups.
- Identify political and legal issues.
- Manage human, financial and material resources.
- Demonstrate servant leadership.
- Communicate effectively in written, verbal, and non-verbal forms.
- Use electronic tools effectively for professional communication, teaching and research.
- Read and evaluate research.
- Conduct research.
- Report research findings.
- Demonstrate continuing professional development.
- Demonstrate ethical behavior in all professional activities.
- Demonstrate balanced physical, mental, spiritual and social development.

**Certificates**

**College and University Teaching Certificate**

The certificate will provide professional development for college teachers who have no specific training in the craft of teaching. It will also provide students in graduate programs the opportunity to be trained in teaching at the university level if they desire to seek a position as a faculty member in institutions of higher education.

A student taking one course per semester will take two years to complete the program.

**Program Delivery**

This program is offered on campus and as an interactive online program. Most of the courses are offered in the synchronous dual format using Zoom video conferencing technology (see School of Distance Education Definitions).

**Total Credits - 12**

- EDCI 750 - Course Design: ______ Credits: 3

Choose one of the following:

- EDCI 545 - Assessment of Learning: Credits: 3
- EDCI 745 - Effective Assessment of Learning: Credits: 3

Choose one of the following:

- EDCI 606 - Teaching in Higher Education Credits: 3
- EDCI 706 - Teaching in Higher Education Credits: 3

Electives (3 credits) chosen by advising from courses such as:

- COMM 536 - Issues in Intercultural Communication Credits: 2,3
- EDAL 640 - Higher Education Law Credits: 3
- EDAL 667 - Leadership in Higher Education Credits: 2,3
- EDAL 675 - College Student Development Theory Credits: 3
- EDCI 605 - Design & Development of Online Courses Credits: 3
- EDCI 607 - Curriculum: ______ Credits: 1–3 (topic must be Higher Education)
- EDCI 617 - Instruction: ______ Credits: 3 (topic must be Higher Education)
- EDCI 620 - Facilitating Change in Learning Organizations Credits: 3
- EDCI 665 - Advanced Instructional Models: ______ Credits: 1–3

**Student Learning Outcomes**

Graduates of this program will:

- Apply principles of effective teaching in course and lesson design for all learners.
- Demonstrate understanding of faculty responsibilities, including service, in various institutional settings.

**Special Education (Adventist Specialty Endorsement)**

This endorsement, created especially for Seventh-day Adventist teachers already having denominational certification, emphasizes teaching strategies for students with disabilities in special education and/or inclusive education (special needs in the regular classroom). Program courses may include fieldwork. At the completion of these 12 credit hours the candidate will receive a Special Education Specialty certificate from the Department of Teaching, Learning and Curriculum at Andrews University. Persons who currently hold a standard Adventist teaching credential will be recommended for an Adventist specialty endorsement in special education upon completion of this endorsement.
Certification

Post-Baccalaureate/Master's-Level Teacher Certification, Elementary Certification

Certification Requirements for Post-Baccalaureate/ Master's-Level Students

Elementary Certification Requirements

Students must take sufficient course work in three areas to be eligible for Michigan elementary certification: (1) professional education courses, (2) subject content majors or minors, and (3) planned program minor.

Professional Education Courses

Listed below are the required graduate professional education courses for Michigan elementary-teaching credentials which must be taken. If students have taken the undergraduate-level course, they do not need to repeat the graduate-level course. Graduate-level students who are qualifying for certification and wish to apply credit to a graduate degree must select courses at the graduate level.

- EDTE 508 - Principles of Teaching and Learning Credits: 3
- EDTE 524 - Classroom Testing and Evaluation Credits: 2
- EDTE 544 - Elementary Language Arts Methods Credits: 2
- EDTE 546 - Elementary Science and Health Methods Credits: 3
- EDTE 547 - Elementary Social Studies and Character Education Methods Credits: 3
- EDTE 548 - Methods for Integrating Arts & Movement in Elementary Curriculum Credits: 3
- EDTE 580 - First Days of School Experience Credits: 0
- EDTE 630 - Seminar: Philosophical and Social Foundations of Education Credits: 2
- GDPC 514 - Psychology of Learning Credits: 3

Student Teaching*

- EDTE 587 - Student Teaching Seminar Credits: 3
- EDTE 588 - Graduate Student Teaching: (Level) Credits: 1–10

Note(s):

* For students with appropriate and verified teaching experience, some student-teaching credit by examination for student-teaching may be granted. Requests for such credit should be made after consultation with the Department of Teaching, Learning & Curriculum on forms available at that office. This should be done before applying for student teaching.

- All candidates qualifying for Adventist certification must have had significant structured experience in a multi-grade Adventist school.
- Have current First Aid & CPR Certification from the American Red Cross or the American Heart Association (must include infant, child and adult CPR in addition to First Aid).

Approved Majors and Minors for Elementary Certification

Seventh-day Adventist and State of Michigan elementary certification require a subject content major or two minors in addition to Planned Program Minor. See the list of approved majors and minors for elementary education.

Planned Program Minor

For requirements, see the undergraduate teacher education section. Courses at the 400-level must be taken for graduate credit to count for MAT requirements.

Post-Baccalaureate/Master's-Level Teacher Certification, Secondary Certification

Certification Requirements for Post-Baccalaureate/ Master's-Level Students

Secondary Certification Requirements

Students must take sufficient course work in three areas to be eligible for Michigan secondary certification: (1) Professional education courses, (2) a content major, and (3) minor in a qualifying area of instruction.

Professional Education Courses

Listed below are the required graduate professional education courses for Michigan secondary-teaching credentials. If students have taken the undergraduate course, they do not need to repeat the graduate-level course. Graduate students who are qualifying for certification and wish to apply credit to a graduate degree must select courses at the graduate level.

- EDTE 508 - Principles of Teaching and Learning Credits: 3
- EDTE 517 - Teaching Reading in the Secondary Content Areas Credits: 3
- EDTE 524 - Classroom Testing and Evaluation Credits: 2
- EDTE 559 - Methods for Teaching Secondary School: (Area) Credits: 3
- EDTE 576 - Methods for Integrating Instructional Technology Credits: 2,3
- EDTE 630 - Seminar: Philosophical and Social Foundations of Education Credits: 2
- GDPC 514 - Psychology of Learning Credits: 3
- SPED 525 - Psychology and Education of Exceptional Children Credits: 3

First Days of School Experience

- EDTE 580 - First Days of School Experience Credits: 0

Student Teaching*

- EDTE 587 - Student Teaching Seminar Credits: 3
- EDTE 588 - Graduate Student Teaching: (Level) Credits: 1–10

Note:

* For students with appropriate and verified teaching experience, some student-teaching credit by examination for student-teaching may be granted. Requests for such credit should be made after consultation with the Department of Teaching, Learning & Curriculum on forms available at that office. This should be done before applying for student teaching. All candidates qualifying for Adventist certification must have had significant structured experience in a multigrade Adventist school.

First Aid & CPR Certified

Have current First Aid & CPR Certification from the American Red Cross or the American Heart Association (must include infant, child and adult CPR in addition to First Aid).

Approved Majors and Minors for Secondary Certification

Seventh-day Adventist and State of Michigan secondary certification require a major and minor teaching area. Seventh-day Adventist certification also recognizes additional majors and minors. See content majors and minors for secondary education.
Teacher, Administrator, School Counseling, & School Psychologist Certification (Adventist & State of Michigan)

Seventh-day Adventist Teaching Credential Levels and Requirements
Seventh-day Adventist K–12 teacher credentialing is organized into three levels of certificates: Basic, Standard and Professional. The following section describes each level, points out specific requirements, and tells how they are met at Andrews University.

Adventist Basic Certificate
The Basic Teaching Certificate may be issued to the candidates presenting a "Verification of Eligibility" form from Andrews University. The certificate is issued by the union conference where the candidate takes his/her first teaching position.

Religion Requirements
A minimum of 12 semester hours in religion, taken at a Seventh-day Adventist college/university or through Consortium of Adventist Colleges and Universities, to include the following areas:

- Doctrines of the Seventh-day Adventist Church
  RELT225 - Doctrines of Adventist Faith
- Biblical Studies
  Courses such as Jesus in His Time and Ours, Law & Writings of the New & Old Testament, Acts & Epistles, Prophets of Israel
  RELH 400 - SDA History and Prophetic Heritage/Seventh day Adventist Church History. (This course covers both Gift of Prophecy and Seventh-day Adventist Church History.)

Seventh-day Adventist Church History
- RELH 400 - SDA History and Prophetic Heritage
- Health Principles. A course in health based on the Bible and the writings of Ellen G. White.
  HLED 120 - Fit for Life

Adventist School Experience
All candidates for Adventist certification must have significant structured experiences in a Seventh-day Adventist school. To fulfill this certification requirement at Andrews University, any one of the following experiences are considered appropriate:
- Full-senster student teaching in an approved Seventh-day Adventist school.
- A lab experience for EDTE 165 in a recognized Seventh-day Adventist school.
- Three weeks of pre- or post-student teaching experience in a recognized Seventh-day Adventist school.
- Other verified experiences may fulfill this requirement. Requests to have these considered must be made on a petition form available at the Department of Teaching, Learning & Curriculum office. Such petitions should be submitted at least one semester before student teaching begins.

Multi-grade/Multi-age Teaching Experience (Elementary only)
For the Elementary Teaching endorsement, multi-grade teaching experience is required. The unique curriculum, instructional strategies, and scheduling which characterize the multi-grade classroom are the focus of the course program and its 50-hour fieldwork experience. Arrangements to take EDTE 425 - Multi-grade/Multi-age Education should be made with the Director of Student Teaching immediately following admission to the teacher preparation program.

Renewal of Adventist Basic Certificate
The Basic Teaching Certificate is valid for any three-year period (commencing when it is activated) during the first five years after it is issued. It can be re-validated by completing additional approved professional education/activities. See Manual for SDA Certification Requirements K–12 for specifics.

Adventist Standard Certificate
- The Standard Teaching Certificate may be issued to an applicant who meets initial General Eligibility Requirements.
- Meets the requirements for a Basic Teaching Certificate.
- Completes a minimum of three years of full-time teaching or equivalent.

Renewal of Adventist Standard Certificate
The Standard Teaching Certificate is valid for five years. It can be renewed by completing 9 semester credits of advanced/graduate professional education or approved subject-area courses. See Manual for SDA Certification Requirements K–12 for specifics.

Adventist Professional Certificate
Seventh-day Adventist teachers desiring Professional Certification must meet the following criteria:
- Meet initial general eligibility requirements.
- Meet one of the following:
  - Hold a master's degree.
  - Complete a prescribed fifth-year program for teachers.
  - Earn 40 semester hours of graduate/post-baccalaureate upper-division credit.
  - Complete 24 semester credits in professional education courses and/or in no more than two areas of certification endorsement.
  - Earn graduate/post-baccalaureate upper-division credit in at least two of the areas listed below:
    - Curriculum
    - Improvement of instruction
    - Learning theory/style
    - Education of the exceptional child
    - Trends and issues in education
    - Multi-cultural education

Renewal of Adventist Professional Certificate
The Professional Teaching Certificate is valid for five years. Renewal of the certificate requires 6 additional semester credits. See Manual for SDA Certification Requirements for specific details.

State of Michigan Certification Resources
Michigan's administrative rules change frequently. Certificate holders are responsible for understanding the effects of any changes. Please access the certification resources listed to keep current with changes.

Educational Curriculum & Instruction

EDCI 525 - Master's Orientation Seminar
Credits: 0.1
Survey of essential principles and practices underlying the Curriculum & Instruction program. Open to MA level students only.

Course Mode: Yes
Grade Mode: Satisfactory (S,U,I,W)
Schedule Type: Seminar, Interactive Online
College Code: CEIS

EDCI 545 - Assessment of Learning:
Credits: 3
Exploration and application of effective assessment practices and technology tools for measuring and documenting student learning and development. Indicate area of concentration when registering (e.g. Higher Education, K-12, Teacher Education, TESOL, etc)

Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDCI 547 - Foundations of Curriculum Studies
Credits: 3
Survey of a variety of theoretical perspectives in the field of curriculum studies. Critique of contemporary curriculum theories from a Christian perspective. Basic to other courses in curriculum and instruction.

Lecture/Lab: Weekly: 1 lecture
Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Year Offering: Alternate years (even)
Term Offering: Fall, Spring, Summer
College Code: CEIS

EDCI 565 - Improving Instruction
Credits: 2,3
Designed to provide a framework for organizing and teaching declarative and procedural knowledge, developing habits for lifelong learning, and building a positive classroom environment (including the use of cooperative learning groups). Includes reflection, micro-teaching, and peer feedback. Basic to other courses in curriculum and instruction. Indicate area of concentration when registering (e.g. Higher Education, K-12, Teacher Education, TESOL, etc.)

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture, Lab, Interactive Online
College Code: CEIS

EDCI 600 - Program Continuation
Credits: 0
The Curriculum & Instruction student may register for this title while clearing deferred (DG) and/or incomplete (I) grades with advisor approval only. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory w/o 'I' (S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CEIS

EDCI 605 - Design & Development of Online Courses
Credits: 3
Survey of research on best practices in online learning; study and application of principles, techniques, and technologies for designing and creating engaging, interactive online learning experiences. Delivered online and requires access to high speed Internet, webcam, video recording device. Check with professor for current technology and software requirements for the course.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDCI 606 - Teaching in Higher Education
Credits: 3
This course is designed to provide foundational skills and strategies to graduate students and newly hired university faculty. The course provides opportunities for exploration and practice of several instructional approaches, assessment, techniques and innovation in the higher education classrooms. This course offers the opportunity for participants to discuss current and relevant issues related to the profession.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDCI 607 - Curriculum: _________
Credits: 1–3
Focuses on topics currently generating conflict, discourse, interest, and/or those with potential for positive influence on learners, teachers, and educational institutions. Includes topics such as Multi-grade, Design, Core Standards, and Integrated Thematic Design as well as areas of concentration (e.g. Higher Education, K-12, Teacher Education, TESOL, etc.)

Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture, Lab, Interactive Online
College Code: CEIS

EDCI 610 - Teaching the Adult Learner
Credits: 2,3
Examines and applies educational theory to skills used by helping professionals in the classroom, community and clinical facility. Topics include the taxonomies of learning, learning styles, multiple intelligences, educational technology and application. Offered for extension campuses only.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Interactive Online
College Code: CEIS

EDCI 611 - Design and Development of Training Programs
Credits: 3
Design and creation of programs for adult learners in training settings (i.e., NGO, continuing education, health care, corporate). Includes the planning of a field-based implementation project. Offered for extension campuses only.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDCI 617 - Instruction: _________
Credits: 3
Focuses on topics currently generating conflict, discourse, interest, and/or those with potential for positive influence on learners, teachers, and educational institutions. Includes topics such as Differentiated Instruction, Design, Problem-Based Inquiry Learning, and Technology Integration, as well as areas of concentration (e.g. Higher Education, K-12, Teacher Education, TESOL, etc.).

Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDCI 620 - Facilitating Change in Learning Organizations
Credits: 3
This course aims to develop a broad and deep understanding of the tensions between ideas and practice, policy, and implementation of change in learning organizations. Students will benefit from the opportunity in this course to locate their prospective role in the bigger picture of the education system in the United States.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Interactive Online
College Code: CEIS
EDCI 622, 626, 29, 31, 39, 41 - Professional Development Courses
Credits: 1–3
Contemporary and selected topics in curriculum and instruction.
EDCI 622, 626, 629, 631, 639, & 641
Course/Lab Fee: No
Grade Mode: Normal no FInal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Self-paced
Term Offering: Fall, Spring, Summer
College Code: SED

EDCI 645 - Advanced Diagnosis & Educational Therapy in Reading
Credits: 3
Advanced course for diagnosis and remediation or prevention of reading disabilities.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDCI 648 - Workshop:
Credits: 0–4
Students will register for this course when attending a workshop or conference related to their field of study. Course assignments and requirements will vary depending on the number of credits taken.

EDCI 650 - Curriculum Design:
Credits: 3
The study of specific curriculum design models to aid educators with the analysis, development, and improvement of curriculum at specific educational levels. Includes development of a curriculum project. Indicate area of concentration when registering (e.g. Higher Education, K-12, Teacher Education, TESOL, etc.).

EDCI 652 - Conference Attendance
Credits: 0–3
Students will register for this course when attending a conference related to their field of study. Course assignments and requirements will vary depending on the number of credits taken.

EDCI 665 - Advanced Instructional Models:
Credits: 1–3
Introduction and practice of advanced teaching strategies that only rely on a system of instruction based upon theory, research, and scholarly thinking in specific disciplines. Designed to increase teaching repertoire. Students develop the ability to reflect on their own performance and provide effective feedback and support to others.

EDCI 676 - Technology for Learning
Credits: 2
The use, selection and evaluation of media/technology for learning organizations. An overview of technologies for teaching and learning including opportunities for hands-on application.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
EDCI 696 - Project Implementation
Credits: 1–3
Students make practical application of educational theory through design, development, and implementation of an instruction and/or curriculum project. Students collect field-based data documenting project performance and with such data, revise the original project.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 3 credits
Schedule Type: Independent, Seminar, Practicum
College Code: CEIS

EDCI 699 - Thesis
Credits: 1–3
This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course Attribute: Full-time status
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 3 credits
Schedule Type: Independent
College Code: CEIS

EDCI 706 - Teaching in Higher Education
Credits: 3
This course is designed to provide foundational skills and strategies to graduate students and newly hired university faculty. The course provides opportunities for exploration and practice of several instructional approaches, assessment practices, and innovation in the higher education classroom. This course offers the opportunity for participants to discuss current and relevant issues related to the profession.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDCI 725 - Doctoral Orientation Seminar
Credits: 0.1
Survey of essential principles and practices underlying the Curriculum and Instruction program. Open to specialist and doctoral students only.

Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Schedule Type: Seminar, Interactive Online
College Code: CEIS

EDCI 745 - Effective Assessment of Learning
Credits: 3
Exploration and application of effective assessment practices and technology tools for measuring and documenting student learning and development. Indicate area of concentration when registering (e.g. Higher Education, K-12, Teacher Education, etc.)

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Fall
College Code: CEIS

EDCI 747 - Survey of Curriculum Theory
Credits: 3
A survey of the broad range of theoretical approaches in the field of curriculum studies. Includes critique of contemporary curriculum theories from multiple perspectives, including an emphasis on Christian perspectives, and the investigation of a specific curriculum theorist. Basic to other courses in C&I doctoral programs.

Lecture/Lab: Weekly: 1 lecture
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Fall, Spring, Summer
College Code: CEIS

EDCI 750 - Course Design: ________
Credits: 3
The study of specific curriculums design models to aid with the analysis, development, and improvement of curriculum at specific educational levels. Includes development of a curriculum unit and a semester-long course for adult learners. Indicate area of concentration when registering (e.g. Higher Education, K-12, Teacher Education, etc.)

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDCI 756 - Advanced Studies: ________
Credits: 1–3
Investigation of the knowledge base of a given area of study, including a comprehensive search of the literature and seminar presentations. Offered in each concentration area, such as Curriculum Leadership, Instructional Education, Curriculum Theory, Teaching in Higher Education, Teacher Education, and Evaluation.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 2 credits
Schedule Type: Independent
Term Offering: Fall, Spring, Summer
College Code: CEIS

EDCI 795 - Specialist Portfolio
Credits: 1
The Portfolio fulfills one facet of the candidate's Comprehensive Examinations, the summative evaluation event of the C&I Program. Successful completion of this portion of the Comprehensive Examinations is indicated by the grade earned in EDCI 795.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 2 credits
Schedule Type: Independent
College Code: CEIS

EDCI 799 - Advanced Project: __________
Credits: 1–6
The construction, field-testing, and revision of an empirically-based curriculum product using sound principles of curriculum design, instructional planning, and effective assessment. Requires a final written report in the form of an article submitted for potential publication that documents project development, performance and revision.

Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Schedule Type: Independent
College Code: CEIS

EDCI 820 - Educational Improvement & Change
Credits: 3
This course aims to develop a broad and deep understanding of the tensions between ideas and practice, policy and implementation of change in learning organizations. Students will benefit from the opportunity in this course to locate their prospective role in the bigger picture of the education system in the United States.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDCI 870 - Comprehensive Exam Preparation
Credits: 0
Comprehensive Exam Preparation. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory w/o 'I' (S,U,W)
Schedule Type: Independent
College Code: CEIS

EDCI 884 - Internationalizing Curriculum Studies
Credits: 3
An in-depth examination of a variety of international perspectives and voices which shape the curriculum theorizing and implementation. A required final evaluation project will analyze the impact of international issues on curriculum studies and research within specific learning environments.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDCI 885 - Applied Research: ___________
Credits: 1–8
Planned research experience dealing with an actual educational situation. Students identify a faculty member with whom to engage in collaborative research study
leading to joint publication. Course meets the advanced methodology requirement for PhD students.

**EDCI 886 - Internship:**
**Credits:** 1–8
Students, under the supervision of a C&I faculty member, work in responsible positions with specialists in cooperating institutions, school systems, or agencies. Internships available in each concentration area, such as Curriculum Leadership, Instructional Education, Teaching in Higher Education, Teacher Education and Evaluation.

**Grade Mode:** Satisfactory with DG (S, U, I, W, DG)
**Repeatable:** Repeatable up to 8 credits
**Schedule Type:** Independent
**College Code:** CEIS

**EDCF 899 - Doctoral Seminar**
**Credits:** 1–2
Engagement in professional development activities appropriate to doctoral-level candidates. Includes critiques of dissertations, dissertation defenses, professional conference participation, and serving as teaching assistant for a college-level course.

**Grade Mode:** Satisfactory (S, U, I, W)
**Repeatable:** Repeatable
**Schedule Type:** Seminar, Interactive Online
**College Code:** CEIS

**EDCI 893 - Theorizing Curriculum**
**Credits:** 3
Rigorous examination of educational issues from specific theoretical perspectives. Individual theory development within the student's concentration area.

**Lecture/Lab:** Weekly: 1 lecture
**Grade Mode:** Normal (A–F, I, W)
**Prerequisite(s):** EDCI 547 or EDCI 747
**Schedule Type:** Lecture, Interactive Online
**Term Offering:** Fall, Spring, Summer
**College Code:** CEIS

**EDCI 895 - Doctoral Portfolio**
**Credits:** 1
The Portfolio fulfills one facet of the candidate's Comprehensive Examinations, the summative evaluation event of the C&I Program. Successful completion of this portion of the Comprehensive Examinations is indicated by the grade earned in EDCI 695.

**Grade Mode:** Satisfactory with DG (S, U, I, W, DG)
**Repeatable:** Repeatable up to 2 credits
**Schedule Type:** Independent
**Term Offering:** Fall, Spring, Summer
**College Code:** CEIS

**EDCI 899 - Doctoral Dissertation**
**Credits:** 1–14
A minimum of 14 credits required. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

**Course Attribute:** Full-time status
**Grade Mode:** Satisfactory with DG (S, U, I, W, DG)
**Repeatable:** Repeatable
**Schedule Type:** Independent
**Term Offering:** Fall, Spring, Summer
**College Code:** CEIS

**Educational Foundations**

**EDFN 500 - Philosophical Foundations for Professionals**
**Credits:** 2, 3
Examines philosophical and theological bases of major worldviews and, taking into account the conceptual framework of the Andrews University School of Education, critiques the impact of naturalism and post-modernism on education, psychology, and religion from a Christian perspective. Preferably taken in the first year of any graduate program in the School of Education.

**EDFN 517 - History and Philosophy of Seventh-day Adventist Education**
**Credits:** 3
The development of the philosophy of Adventist education and educational theory among Seventh-day Adventist institutions, with an emphasis on discernible eras and their characteristics.

**Course/Lab Fee:** No
**Grade Mode:** Normal (A–F, I, W)
**Schedule Type:** Lecture, Interactive Online
**College Code:** CEIS

**Teacher Education**

**EDTE 110 - Basic Reading/Language Skills**
**Credits:** 1, 2
Intended for those who need one-to-one or small-group instruction in basic language skills because of special needs. May include work to improve basic reading, writing, and study skills as determined by individual educational assessment.

**Lecture/Lab:** Lab required
**Grade Mode:** Normal (A–F, I, W)
**Repeatable:** Repeatable up to 8 credits
**Schedule Type:** Lecture
**College Code:** CEIS

**EDTE 140 - Reading Vocabulary Development**
**Credits:** 2
Intended for those who need basic reading skills. Develops vocabulary strategies and skills for word meaning and identification. Instruction includes comprehension emphasis to place vocabulary learning in a meaningful context and to apply word recognition strategies in authentic situations.

**Lecture/Lab:** Lab required
**Course/Lab Fee:** Yes
**Grade Mode:** Normal (A–F, I, W)
**Repeatable:** Repeatable up to 4 credits
**Schedule Type:** Lecture/Lab
**College Code:** CEIS

**EDTE 141 - College Success Strategies**
**Credits:** 1
The purpose of this course is to enhance success as students transition from high school to being full-time college students. Topics to be covered are: study habits and time management; your beliefs and their interaction with Andrews University’s expectations; choice of friends; devotional life and faith journey; finances and college; figuring out professors for each course; learning styles and adapting study skills; stress vs. motivation; strengths and weaknesses; family and college.

**Grade Mode:** Satisfactory (S, U, I, W)
**Schedule Type:** Seminar
**College Code:** CEIS

**EDTE 142 - Reading Comprehension**
**Credits:** 3
This course is designed to assist readers in increasing comprehension and reading rate by developing active reading comprehension strategies to meet varied purposes for reading at the college level.

**Grade Mode:** Normal (A–F, I, W)
**Schedule Type:** Lecture
**College Code:** CEIS

**EDTE 143 - Career Development & Planning**
**Credits:** 1
The purpose of this course is for each student to develop a four-year plan toward
EDTE 144 - Intro to College Math
Credits: 3
Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture
College Code: CEIS

EDTE 160 - College Reading Efficiency
Credits: 2
Designed to develop active reading comprehension and flexible reading rates and strategies to meet varied purposes for reading.

Lecture/Lab: Lab required
Course/Lab Fee: Yes
Grade Mode: Normal (A-F, I, W)
Repeatable: Repeatable up to 4 credits
Schedule Type: Lecture/Lab
College Code: CEIS

EDTE 164 - Speed Reading Strategies
Credits: 2
Designed to assist average and above-average readers in increasing comprehension and reading rate.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture
College Code: CEIS

EDTE 165 - Introduction to Teaching
Credits: 3
An orientation to the teaching profession in a multicultural society, including the philosophical/ethical assumptions underlying different education philosophies and the social, cultural, and instructional aspects of American education. Students analyze educational philosophies and practices from a Christian perspective and study the implications of school law on educational practice. 30-hour field experience required outside of class time.

Course/Lab Fee: Yes
Course Attribute: Service Course
Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CEIS

EDTE 175 - Philosophy of Adventist Education
Credits: 1
A study of the fundamental principles, concepts, and aims of Adventist education.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Interactive Online, Self-Paced
College Code: CEIS

EDTE 210 - Instructional Planning
Credits: 1
This course is designed to prepare candidates in the PK-6 program to develop alignment between curriculum, instruction and assessment.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture/Lab, Interactive Online
College Code: CEIS

EDTE 220 - Social-Emotional Learner: Lower Elementary
Credits: 1
This course will prepare candidates to understand and apply the framework developed by The Collaborative for Academic, Social and Emotional Learning (CASEL) framework and how social emotional learning can promote an equitable learning environment for PK-3 students.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture/Lab, Interactive Online
College Code: CEIS

EDTE 221 - Social-Emotional Learner: Upper Elementary
Credits: 1
This course will prepare candidates to understand and apply the framework developed by The Collaborative for Academic, Social and Emotional Learning (CASEL) framework and how social emotional learning can promote an equitable learning environment for students in grades 3-6.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture/Lab, Interactive Online
College Code: CEIS

EDTE 228 - Strategies for Educating Exceptional and Diverse Learners
Credits: 3
An introduction to the characteristics and educational needs of learners from various backgrounds. Emphasis is placed on meeting these students’ educational needs in regular classrooms. 20-hour field experience.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture, Lab, Lecture/Lab, Interactive Online
College Code: CEIS

EDTE 242 - Learning Through Arts & Movement
Credits: 2
Application of principles integrating art, music, and physical education instruction in the elementary curriculum. An introduction to the curriculum of 3-6 schools, including the unique Adventist curricular materials.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDTE 243 - Arts, Play & Movement
Credits: 2
Application of principles integrating art, play, music, and physical education instruction in the elementary curriculum PK-3 grades. An introduction to the curriculum of PK-3 schools, including the unique Adventist curricular materials.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture/Lab, Interactive Online
College Code: CEIS

EDTE 335 - Learners and Learning: PK-6
Credits: 3
This course will focus on how the whole child develops and learns. Emphasis on building learning environments and practices that motivate students to explore and grasp opportunities for more information and knowledge.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture/Lab, Interactive Online
College Code: CEIS

EDTE 350 - Emergent Literacy
Credits: 3
This course focuses on emergent skills in all areas of literacy at the early grades. Appropriate assessments and interventions will be introduced and explored. Field Experience is a part of this course.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture/Lab, Interactive Online
College Code: CEIS

EDTE 355 - Writing PK-6
Credits: 3
A theoretical and practical examination of instructional methodologies and assessments used for elementary writers.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture/Lab, Interactive Online
College Code: CEIS

EDTE 375 - Emergent Numeracy
Credits: 3
This course is designed to prepare PK-3 elementary teachers for mathematics instruction by offering an introduction and in-depth examination of specific evidence-based teaching practices and mathematical knowledge needed for early grade educators to successfully teach math in their classrooms.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS
EDTE 376 - Topics:  
Credits: 1—3  
Topics of current significance. Credit to be announced with topic in advance.

Grade Mode: Normal w S (A-F,I,S,U,W)  
Repeatable: Repeatable with different topics  
Schedule Type: Lecture, Interactive Online  
College Code: CEIS

EDTE 380 - Teaching STEM to Young Children  
Credits: 2  
Equipping educators to immerse PK-3 students in STEM environments. Candidates learn techniques to help elementary students develop questioning, observing and data collecting skills for problem solving, investigation and design in STEM subjects. An emphasis is placed on collaboration, communication and critical thinking.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture/Lab, Interactive Online  
College Code: CEIS

EDTE 389 - Work Conference: Topic  
Credits: 1—3  
In-service training, clinics, and supervised experiences in education. Credit to be announced with topic in advance. As scheduled

Course/Lab Fee: Yes  
Grade Mode: Normal w S (A-F,I,S,U,W)  
Repeatable: Repeatable with different topics  
Schedule Type: Independent  
College Code: CEIS

EDTE 390 - Cultural and Linguistic Diversity  
Credits: 3  
This course teaches candidates to recognize cultural linguistic diversity and create strategies to respect the differences in values, language, identity and worldview perspectives.

Grade Mode: Normal (A-F, I, W)  
Schedule Type: Lecture/Lab, Interactive Online  
College Code: CEIS

EDTE 400 - Partnering with Families & Community  
Credits: 1  
Methods and resources will be introduced to collaborate with families and the surrounding community to support student learning.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture/Lab, Interactive Online  
College Code: CEIS

EDTE 401 - Classroom Management  
Credits: 1  
This course will cover elements that are integral to creating and maintaining a well-managed classroom. This will include theories and models of classroom management and resources on trauma informed practices.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture/Lab, Interactive Online  
College Code: CEIS

EDTE 408 - Principles of Teaching and Learning  
Credits: 3  
Basic techniques of instruction, planning, and classroom management. Emphasis is on acquisition and application of an instructional framework and basic classroom management. Field experience required.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture/Lab, Interactive Online  
College Code: CEIS

EDTE 416 - Individualized Reading Instruction  
Credits: 3  
Prepares the teacher to set up a direct instruction format for mastery teaching of reading for individuals. Students are introduced to reading theories and interventions to teach vocabulary, spelling, penmanship, and discussion techniques. Field experience required. Offered on extension campuses only.

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)

EDTE 417 - Teaching Reading in the Secondary Content Areas  
Credits: 3  
Methods for teaching content area reading to secondary students and adults, strategies for effective content lessons, application of basic skills, vocabulary comprehension, and study skills within subject areas. Includes objectives and methods, reading problems of adolescents and adults, and selection and development of materials. 30-hour field experience.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture/Lab, Interactive Online  
Term Offering: Spring, Alternate summers (even)  
College Code: CEIS

EDTE 418 - Methods for Teaching Beginning Reading  
Credits: 3  
Application of principles of effective instruction to early literacy acquisition. Focuses on balanced, explicit instruction approaches. Field Experience required

Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture, Interactive Online  
College Code: CEIS

EDTE 419 - Teaching Elementary Math  
Credits: 3  
This course focuses on both, how to teach mathematics and what mathematical topics are appropriate for elementary students at each level (PK-6). Candidates identify mathematical concepts and skills needed within and across the elementary grade levels. Candidates develop initial competency with multiple approaches for teaching mathematical concepts. Candidates learn to differentiate instruction in their lesson planning and lesson delivery to ensure equitable mathematical knowledge access and to help all students develop a strong foundation of mathematical concepts and skills.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture/Lab, Interactive Online  
College Code: CEIS

EDTE 420 - Literacy Intervention Strategies  
Credits: 3  
Assessment and methods for prevention and remediation of reading problems. Useful for classroom and clinical settings. Field experience included in class meeting time.

Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture, Interactive Online  
College Code: CEIS

EDTE 424 - Classroom Testing and Evaluation  
Credits: 2–3  
Writing instructional objectives. Topics may include: preparing classroom tests to measure the attainment of those objectives; concepts of reliability and validity; simple item analysis; interpreting data from standardized tests and other data in cumulative folders; sociometric procedures; grading and reporting.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture, Interactive Online  
College Code: CEIS

EDTE 425 - Multi-grade/Multi-age Education  
Credits: 2  
Techniques, practices and strategies appropriate for multi-age/multi-grade classrooms. Includes an introduction to relevant NAD administrative and curriculum materials. 50-hours of field experience.

Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture, Interactive Online  
College Code: CEIS

EDTE 436 - Writing K-8  
Credits: 2  
A theoretical and practical examination of instructional methodologies used for elementary writers.
EDTE 438 - Workshop:
Credits: 1–3
Credit to be announced with topic in advance.
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Workshop
College Code: CEIS

EDTE 440 - Experiential Science Learning
Credits: 1
This course immerses the candidate into an experiential science setting. Candidates will be given a challenging problem or situation to collaboratively solve using STEM practices.
Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDTE 444 - Elementary Language Arts Methods
Credits: 2
Application of principles of effective instruction to Language Arts with specific emphasis on writing workshop methodology. An introduction to the curriculum of K-8 schools, including unique Adventist curricular materials and Michigan Content Standards and Benchmarks. Field experience included in class meeting time.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDTE 446 - Elementary Science and Health Methods
Credits: 3
Application of principles of effective instruction to Science and Health. An introduction to the curriculum of K-8 schools, including unique Adventist curricular materials and Michigan Content Standards and Benchmarks. Field experience included in class meeting time.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDTE 447 - Elementary Social Studies and Character Education Methods
Credits: 3
Application of principles of effective instruction to Social Studies and Character Education. An introduction to the curriculum of K(8) schools, including unique SDA curricular materials and Michigan Content Standards and Benchmarks. Field experience included in class meeting time.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDTE 448 - Methods for Integrating Arts & Movement in Elementary Curriculum
Credits: 3
Application of principles integrating art, music, and physical education instruction in the elementary curriculum. An introduction to the curriculum of K(8) schools, including unique Adventist curricular materials and Michigan Content Standards and Benchmarks. Field experience included in class meeting time.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDTE 449 - Experience 3C Social Studies Education
Credits: 1
Michigan-specific critical literacy project, heavy focus on history lens with economic & geography as strong elements and civics as a lesser focus (except a taking informed action component of civic engagement).
Grade Mode: Normal (A-F, I, W)

EDTE 456 - Secondary Science Methods
Credits: 2
Materials and methods for science instruction with particular emphasis on inquiry teaching, use of technology and safety issues in the 612 classroom.
Grade Mode: Normal (A-F, I, W)
Prerequisite(s): EDTE 459 and EDTE 408, and acceptance into the teacher education program.
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDTE 459 - Methods for Teaching Secondary School (Area)
Credits: 3
Focuses on teaching strategies especially useful at the secondary-age level. Emphasis on developing a repertoire of strategies that enhance a variety of learning outcomes in students and blend theory and practice. Field experience.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDTE 460 - Reading Practicum
Credits: 1–4
Observation and supervised instruction with individual students and reading classes on the elementary level.
Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 4 credits
Schedule Type: Practicum
College Code: CEIS

EDTE 467 - School and Society
Credits: 1
The school as an institution in a multi-cultural society; the cardinal purposes, structure, and operation of education.
Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDTE 476 - Methods for Integrating Instructional Technology
Credits: 2,3
Course focuses on the use of a wide variety of instructional technology and media to support student learning with emphasis on the application of technologies to effective teaching. Topics covered during course include: technology as a tool, internet in the classroom, standards for integrating technology and multimedia teaching tools, and facilitating students’ use of technology.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDTE 480 - First Days of School Experience
Credits: 0
An intensive, comprehensive, full-time field experience beginning in early August. Integrates the study and application of strategies for classroom management; guidelines for beginning the school year successfully. Required prior to student teaching. Field experience.
Course/Lab Fee: No
Grade Mode: Normal (A-F, I, W)
Schedule Type: Seminar
College Code: CEIS

EDTE 484 - Developmental Reading Methods
Credits: 2
Prepares upper-elementary and middle-school teachers in the techniques of developmental reading and other language arts components. Includes whole-language techniques, direct instruction of comprehension strategies, and the reading-writing connection. Field experience included in class meeting time.
EDTE 485 - Advanced Methods for Elementary Classroom Literacy
Credits: 3
S for literacy teaching in grades K-8. Ways to organize the reading/language arts program to integrate reading, writing, speaking, and listening. Deals with meeting needs of individual learners within a classroom program. Field experience.

EDTE 486 - Math Interventions
Credits: 3
Candidates will identify and implement math assessment practices including screening, formative assessments, progress monitoring, and summative assessments. Emphasis in this course will be on analysis of assessment data to identify appropriate math interventions to support students' mathematical learning.

EDTE 487 - Student Teaching Seminar
Credits: 3
A weekly seminar for student teachers.

EDTE 488 - Student Teaching (Level)
Credits: 1–15
The student-teaching experience requires full participation in an elementary (K8) or secondary (712) school. Emphasis is on application of teaching theory in the classroom with supervision and feedback.

EDTE 489 - Elementary Content Reading
Credits: 3
Methods for teaching content area reading to elementary students (PK-6) for effective content lessons, application of basic skills, vocabulary, comprehension, and writing within subject areas. Includes integration of reading, writing and content areas. Field Experience included in this course.

EDTE 495 - Using Assessment Data
Credits: 1
Designed to teach candidates how to interpret assessment data and apply that information to drive appropriate instruction.

EDTE 499 - Independent Study:
Credits: 1–3
Individual research and study under the guidance of an instructor. A minimum of 45 clock hours of study time expected per credit. Limited to students pursuing topics in education. Prior approval by the advisor and instructor.

EDTE 508 - Principles of Teaching and Learning
Credits: 3
Basic techniques of instruction, planning, and classroom management. Emphasis is on acquisition and application of an instructional framework and basic classroom management. Field experience required.

EDTE 516 - Individualized Reading Instruction
Credits: 3
Prepares the teacher to set up a direct instruction format for mastery teaching of reading for individuals. Students are introduced to reading theories and interventions to teach vocabulary, spelling, penmanship, and discussion techniques. Field experience required. Offered on extension campuses only.

EDTE 517 - Teaching Reading in the Secondary Content Areas
Credits: 3
Methods for teaching content area reading to secondary students and adults, strategies for effective content lessons, application of basic skills, vocabulary comprehension, and study skills within subject areas. Includes objectives and methods, reading problems of adolescents and adults, and selection and development of materials. 30-hour field experience.

EDTE 518 - Methods for Teaching Beginning Reading
Credits: 3
Application of principles of effective instruction to early literacy acquisition. Focuses on balanced, explicit instruction approaches. Field Experience required.

EDTE 520 - Literacy Intervention Strategies
Credits: 3
Assessment and methods for prevention and remediation of reading problems. Useful for classroom and clinical settings. Field experience included in class meeting time.

EDTE 522 - Trends and Issues in Educational Technology
Credits: 3
Exploring social, ethical, legal, and human issues of educational technology, including equitable access, internet safety, intellectual rights and property, identity and digital privacy, digital literacy, media fluency, and socially responsible online interactions. Facilitating learning adapted to diverse students using the latest trends and tools.

Course/Lab Fee: Yes

Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDTE 556 - Secondary Science Methods
Credits: 2
Materials and methods for science instruction with particular emphasis on inquiry teaching, use of technology and safety issues in the 6-12 classroom.
Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): EDTE 459 and EDTE 408 or EDTE 508 and acceptance into the teacher education program.
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDTE 559 - Methods for Teaching Secondary School: (Area)
Credits: 3
Focuses on teaching strategies especially useful at the secondary-age level. Emphasis on developing a repertoire of strategies that enhance a variety of learning outcomes in students and blend theory and practice. Field experience.
Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDTE 568 - School and Society
Credits: 1
The school as an institution in a multi-cultural society; the cardinal purposes, structure, and operation of education.
Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDTE 576 - Methods for Integrating Instructional Technology
Credits: 2,3
Course focuses on the use of a wide variety of instructional technology and media to support student learning with emphasis on the application of technologies to effective teaching. Topics covered during course include: technology as a tool, internet in the classroom, standards for integrating technology and multimedia teaching tools, and facilitating students' use of technology.
Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

EDTE 580 - First Days of School Experience
Credits: 0
An intensive, comprehensive, full-time field experience beginning in early August. Integrates the study and application of strategies for classroom management; guidelines for beginning the school year successfully. Required prior to student teaching. Field experience.
Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Admission to Student Teaching.
Schedule Type: Lecture, Seminar
College Code: CEIS

EDTE 584 - Developmental Reading Methods
Credits: 2
Prepares upper-elementary and middle-school teachers in the techniques of developmental reading and other language arts components. Includes whole-
language techniques, direct instruction of comprehension strategies, and the reading-writing connection. Field experience included in class meeting time.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit

EDTE 587 - Student Teaching Seminar
Credits: 3
A weekly seminar for student teachers.

EDTE 588 - Graduate Student Teaching: (Level)
Credits: 1–10
Instructional and/or supervisory experience in an elementary (K8) or secondary (712) school under supervision.

EDTE 600 - Program Continuation
Credits: 0
The Teacher Education student may register for this title while clearing deferred (DG) and/or incomplete (I) grades with advisor approval only. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

EDTE 620 - Assisting Special Needs Learners with Instructional Technology
Credits: 3
Creating inclusive learning environments based on an understanding of special-needs learners, including those with visual impairment, hearing loss, and limited dexterity. Using adaptive technologies, personalized learning, and specialized accessible tools to accommodate learner variability.

EDTE 630 - Seminar:
Credits: 1–4
Seminar in specific topics relevant to teacher education. Each seminar examines one topic in detail.

EDTE 630:06 - Seminar: Classroom Management
Year Offering: Odd years
Term Offering: Summer
College Code: SED

EDTE 635 - Digital Collaboration and Citizenship
Credits: 3
Collaborating with others in professional learning communities, networked learning environments, and global social networks to improve teaching practice by learning from and with others. Using digital tools to curate digital resources, provide leadership in the field, and support student success.

EDTE 640 - Digital Learning in Faith Contexts
Credits: 3
Using principles of digital teaching to support learning about faith online, digital outreach and evangelism, and faith-focused small groups. Using digital tools to collaborate with and lead others in faith-contexts.

EDTE 645 - Digital Storytelling and Visual Learning in a Diverse World
Credits: 3
Designing authentic learning experiences using digital storytelling and visual learning methods, adapted to diverse students. Using understanding of learner differences and learner variability to tell digital stories.

EDTE 660 - Independent Study
Credits: 1–3
Individual research and study under the guidance of an instructor. A minimum of 60 clock hours of study time expected per credit. Limited to students pursuing topics in education. Prior approval by the advisor and instructor.

Special Education

SPED 525 - Psychology and Education of Exceptional Children
Credits: 3
A comprehensive survey of the psychological and educational needs of exceptional children. Strategies for incorporating an exceptional student into regular classroom and for supporting the exceptional child in the community. Students are also required to register for SPED 525 PO2 which is the practicum portion of this class and entails 25 hours in a regular or special education classroom.

SPED 554 - Supervisory Skills of Special Education Support Staff
Credits: 1
This course would allow candidates to obtain the skills needed to supervise paraeducators and other volunteer staff that are commonly associated with special education programs.

Special Education
SPED 588 - Graduate Student Teaching:
Credits: 2
The candidate will be placed with a field-supervisor in a K-5 and a 6-12 resource or inclusion special education setting for a eight week period. The candidate is required to demonstrate the ability to write and implement lesson plans that differentiate instruction, provide an intervention or remediation, collect data and demonstrate the ability to use data to make instructional decisions. At the culmination of both placements (K-5 and 6-12) candidates will be required to submit a portfolio displaying their professional documents that portray their skills and knowledge in the area of learning disabilities. This placement can be extended into the following semester by university supervisor recommendation. The lab hours will be arranged with the professor and field supervisor and will consist of 8 weeks of fulltime teaching.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Schedule Type: Practicum
College Code: CEIS

SPED 610 - Instructional Design for Special Education
Credits: 3
This course will focus on the development of Specially Designed Instruction (SDI) for Children with Disabilities as required by IDEA (2004). SDI includes modification and accommodation to program content methodology and delivery.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

SPED 618 - Legal and Ethical Issues in Schools
Credits: 3
An examination of: the history and foundations of school psychology and special education; legal, ethical and professional issues and trends; roles and functions of the special education teams; develop a knowledge of due process requirements, IDEA, Section 504 of the Rehabilitation Act and their implications in the delivery of educational services to students with special needs. Students are also required to register for SPED 618 PO1 which is the practicum portion of this class and entails 25 hours in a regular or special education classroom.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

SPED 620 - Behavioral & Emotional Problems of Children
Credits: 3
This course will focus on the development of competency in the implementation of evidence-based instructional strategies designed to teach mathematics. Emphasis will be placed on methods supported by research.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CEIS

SPED 645 - Reading and Writing Assessment & Intervention
Credits: 3
This is an advanced course for diagnosis and remediation or prevention of reading and writing disabilities. Students will be trained on how to administer and interpret different reading and writing assessments that are used with K-12 students and to determine the correct evidence-based intervention through the analysis of data. Students are also required to register for SPED645 P06 which is the 50-hour practicum lab portion of this class (lab graded S/U). Lab fee required. Background check required for this course.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Interactive Online
College Code: CEIS

SPED 651 - Behavioral and Educational Assessment
Credits: 3
The selection, administration, and scoring of standardized and non standardized educational and behavioral measures within a Response to Intervention/problem-solving model, for remediation for diagnostic and placement purposes. Emphasis will be placed on connecting assessment with intervention strategies. Current issues in educational assessment pertaining to the classroom and students with special needs, including those of English language learners, will be addressed.

Students are also required to register for SPED 651 PO3 which is the 50-hour practicum lab portion of this class Lab fee required.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CEIS

SPED 672 - Psychoeducational Consultation
Credits: 3
A study and application of the process of consultation with teachers, families, and other professionals in educational settings. Emphasis will be given to making data-based decisions and applying research-based intervention strategies within the school system.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): GDPC 651
Schedule Type: Lecture
College Code: CEIS
School of Distance Education

The School of Distance Education is an administrative unit that coordinates online learning, monitors the quality of the delivery of online courses and degrees, and provides support to faculty and students involved in online learning.

The Associate Dean of the School of Distance Education is located in Griggs Hall B, GH 117, assocdeanonline@andrews.edu.

Mission Statement

The School of Distance Education extends access to Adventist education beyond campus, community, and national boundaries. We support our faculty and students around the world by promoting best practices in distance education and by creating a virtual community designed to nurture learning.

The School of Distance Education serves Andrews University by providing leadership, faculty and student support, and professional resources for online learning and educational technology. The School of Distance Education also manages a subset of Andrews University's undergraduate online courses. The interactive online and self-paced courses are targeted to guest students and used in the BA Religion and other flexible online degrees.

Core Values

To accomplish our mission, the School of Distance Education is committed to these core values:

- **Excellence**: We view each student as a special creation, endowed by God with individual talents and abilities that we encourage them to develop by providing a quality, academically rigorous Seventh-day Adventist Christian education at all levels.

- **Respect**: We believe that it is our responsibility to uplift one another by demonstrating respect and consideration for all parents, students, and educators through learning that is student-centered and redemptive, and customer service that is helpful and friendly.

- **Integrity**: We recognize that mutual trust rests upon a foundation of honesty and transparency. We are honest and straightforward in our dealings, both business and academic, and expect no less from our parents, students, and faculty.

- **Community**: We believe that a safe learning environment and an accepting community are important to effective learning, especially in distance education. We strive to create a learning community where all participants (parents, students, faculty, and administrators) feel valued and understand that they are part of a team by providing opportunities for constructive interaction, and sharing of experiences.

History

Griggs University/Griggs International Academy began its work in 1909, when the General Conference of Seventh-day Adventists voted to offer correspondence courses to meet the needs of its members and workers who were unable to attend a traditional campus-based school or college. GU/GIA was originally called Fireside Correspondence School and was founded by Frederick Griggs, one of the pioneer educational leaders of the Seventh-day Adventist Church.

In 2009, the Seventh-day Adventist Church leadership formed a Commission on Distance Education Models and Structure. The intent of the commission was to conduct an in-depth investigation of current best practices for distance education and make recommendations to the Church on the possibility of using distance education to meet the needs of the worldwide constituency.

In 2010, the Commission brought a recommendation to the General Council and to Niels-Erik Andreasen, president of Andrews University, that ownership of Griggs University be transferred to Andrews University. During the summer of 2010, Andrews University faculty and administration met and deliberated on the impact that ownership of Griggs would make upon the University structure.

At the October 26, 2010, meeting of the Andrews University Board, it was voted to accept the gift of Griggs University and Griggs International Academy. The School of Distance Education is now located in Griggs Hall, which used to be the Lake Union Office.

Online Campus

The School of Distance Education provides support and oversight for all online courses, degrees and programs offered by Andrews University.

Online Delivery Modes

Andrews University modes and definitions of distance education are based on the United States federal distance education definitions and the North Central Association Higher Learning Commission definitions of distance education.

Distance Education Programs are defined by the total package delivery of learning experiences included in the degree. Distance education includes any learning experiences that are not located at any Andrews campus, such as online courses, dissertations, independent studies, clinicals, etc. Distance programs have limited learning time on campus.

Distance Education Courses are defined by the NCA-HLC Definition: "Distance delivered courses are those in which all or the vast majority (typically 75% or more) of the instruction and interaction occurs via electronic communication, correspondence, or equivalent mechanisms, with the faculty and students physically separated from each other."

Distance Degree Students are accepted into Distance programs. Distance guest students are admitted to register for courses for transfer or personal development.

Andrews University offers four types of distance education course formats:

- **Interactive Online** courses use the internet to deliver instruction to students who are separated from the instructor. Interactive online courses use the Internet to support regular and substantive interaction between the students and the instructor. This regular substantive interaction includes a significant amount of interaction initiated by the instructor. Interactive online courses may use synchronous (real-time) meetings, or an asynchronous paced format. Technologies may include: The Internet, satellite or room-based videoconferencing, web-conferencing, audio-conferencing, or web-based videoconferencing. DVDs, podcasts, streaming and similar one way media may be used only if they are used in conjunction with another technology that facilitates regular and substantive interaction between students and the instructor. *(This aligns with the federal definition for distance education.)*
  - Regular and substantive interaction policy: The Andrews University Online Quality Assurance Committee has defined "regular and substantive interaction" as teacher-led, meaningful, and beneficial interaction between the teacher and the students. View full policy and guidelines.

- **Synchronous Dual Format** courses use technology to extend classroom lectures and other activities to students at remote sites in real time. These courses use video conferencing and other tools to provide access to a classroom experience for students at off-campus locations while otherwise maintaining a normal face-to-face classroom schedule. These courses mix on-campus and remote students, with on-campus students being face-to-face with their instructor and remote students participating simultaneously via technology. Students on-campus register for the on-campus section of the course, and remote students register for the interactive online section of the course. The two sections are cross-listed so that students can also interact outside of the real time session via the learning management system.

- **Blended Learning** courses include some time where the faculty and students are physically separated from each other and additional time where the faculty and students are in the same location. Blended learning scenarios include a face-to-face class that has reduced face-to-face time replaced with extended online assignments or a short intense face-to-face time supplemented with online learning activities. The blended learning course format uses the online activities to ensure that the course meets the credit hour definition requirements. The online portion of this type of course must meet the description of interactive online courses listed above. *(This aligns with the federal definition for distance education.)*

- **Self-Paced** courses are offered where instructional materials and examinations are provided by mail or electronic transmission to students who are separated from the instructor. Interaction between the instructor and the student is limited and is primarily initiated by the student. Self-paced courses may be delivered via paper; via electronic means such as email or a learning management system, or via DVDs, podcasts, streaming or similar one-way media transmission. Self-paced open learning courses are open for registration at any time and must be completed within 180 days of the start date. *(This definition aligns with the federal definition for correspondence courses.)*
Online and Blended Degrees
Andrews University offers a variety of online and blended degrees. Some programs include minimal on-campus components, some programs are entirely online, and those marked blended have a significant amount of time on campus. See the individual degree pages for more details. All online programs and courses must be approved by the School of Distance Education.

- College of Arts and Sciences
  - Christian Discipleship Certificate
  - Christian Discipleship AA
  - General Studies AA
  - General Studies AS
  - General Studies BA
  - General Studies BS
  - Ministry Certificate (Spanish)
  - Mission and Global Awareness Certificate
  - Religion BA (Distance Ed)

- College of Professions
  - Business AS
  - Business Administration BS
  - Business Administration MBA
  - Organizational Management MSA
  - Aviation, Aviation Management - Flight Concentration BT - blended
  - Aviation, Aviation Management - Maintenance Concentration BT - blended

- College of Education and International Services
  - Teaching, Learning, and Curriculum
    - College and University Teaching Certificate
    - Curriculum and Instruction MA
    - Curriculum and Instruction EdS
    - Curriculum and Instruction PhD
    - Elementary Education MAT

- Seventh-day Adventist Theological Seminary
  - Discipleship in Lifespan Education MA - Bible Teaching concentration only
  - Divinity MDiv - Blended/hybrid delivery option
  - Religion MA (Interdisciplinary Track: Online) (Interdisciplinary Track: Online)

Online Courses
- Online Undergraduate Courses are open to Andrews University degree seeking students and guest students not pursuing a degree at Andrews University.
  - Andrews Core Experience courses available online:

Non-Traditional Student Services

Online Admission Services

Degree Students
Admission begins with completing the application at www.andrews.edu/apply. Undergraduate and graduate admission requirements are the same for students studying at a distance and on-campus. Please refer to the Academic Policies sections of the bulletin for more information:

- Undergraduate Academic Policies - see Admission
- Graduate Academic Policies - see Enrollment and Admission

Guest, Visiting or Non-Degree Students
Degree admission requirements do not apply to students taking distance courses for personal growth, certification, or to supplement a program of study at another institution. Such student use the same application at www.andrews.edu/apply, identifying themselves as guest or non-degree applicants. Learn more in the guest policy sections:

- Undergraduate Academic Policies - see Guest Students
- Graduate Academic Policies - see Guest Students

Admission Services
Questions about completing an application or admission status are best addressed to the right contacts.

- Undergraduate Admissions: email s deregister@andrews.edu or call 269-471-6323
- Graduate Admissions: email graduate@andrews.edu or call 269-471-6013

Online Financial Services
Fees and tuition for distance programs of study are listed in the Financial Information bulletin section, with additional details by program on this webpage.

Withdrawals and refunds for interactive online semester or 8-week classes follows policy for on-campus courses, with deadlines listed in the Academic Calendar for the current term. The Self-Paced Calendar lists alternate withdrawal and refund deadlines for self-paced open learning classes. All withdrawals after the last day to drop or add a course require a drop/add form submitted to the Office of Academic Records. Distance students contact their academic advisor for assistance.

Federal Financial Aid
Federal financial aid may be available to Andrews University degree-seeking students if all of the following conditions are met:

- A student is a U.S. resident, admitted to a program that leads to an associate, bachelor or graduate degree.
- Course load determines your Financial Aid eligibility with the minimum of 6 credits for part-time, and 12 credits for full-time eligibility.
- Main campus or interactive online classes are completed within the semester they are registered.

Federal aid is not available for classes taken as a guest or non-degree student or as a student admitted to a certificate program. If you use Federal financial aid and need to repeat a course, review the Repeating Classes section of the General Academic Policies, then discuss this with your Student Financial Services advisor before re-registering.

Financial Assistance
See the following sections of the bulletin for further information about tuition discounts and scholarships. Note limitations by campus.

- Undergraduate Financial Assistance
Graduate Financial Assistance

Registration and Course Information

Online courses are offered in interactive online and self-paced open learning formats. See the Online Courses listing for Undergraduate and Graduate online classes.

Interactive Online Classes

Interactive online courses have fixed start and end dates, assignment and exam due dates, and are eligible for federal financial aid. Instructors set assignment deadlines and create an interactive learning community. Interactive online courses are usually indicated in the course schedule with the section numbers of 950-999, with schedule attribute 'interactive online'. To view all courses of this type, filter the course schedule by Schedule Attribute interactive online in the Term selected. All Berrien campus course registration policies and Academic Calendar deadlines relating to the term or part of term in which the course is offered apply to interactive online courses.

Self-Paced Online Classes

Self-paced online courses can be started at any time, are student-paced, and are not eligible for federal financial aid. Self-paced online courses are indicated in the course schedule with the 901 section number. To view all courses of this type, filter the course schedule by Schedule Attribute self-paced and Campus field-based selected. All Berrien campus course registration policies apply to self-paced online courses other than those reflecting specific deadlines. Students have 180 days from the student-selected start date to complete undergraduate self-paced courses. Registration for self-paced courses follows the Self-Paced Calendar. Note that the start date selected by the student during the registration process determines the term (spring, summer, fall) in which this type of class is recorded for transcript purposes.

Registration Holds

There are several types of holds on the registration process. Information about what to do to remove a hold is available when logged in to your personal iVue page.

- Holds for health, insurance, bookstore, and residence halls do not apply to students registering in online classes or those taught at a location away from Berrien campus.
- Holds for international deposits and visas do not apply to international students, living outside of the United States, who are only enrolling in classes online or on a campus outside of the United States.
- International graduate students coming to campus for one month or less do not pay the international deposit, but will need visas and insurance as listed for on-campus programs.

Student Responsibility and Contacts

It is always the student’s responsibility to:

- Consult the University bulletin and webpages to follow current policies and procedures
- Check with their academic advisor that distance courses will fulfill degree requirements
- Check with their financial advisor how the course type will impact their financial plan
- Complete the disability accommodations form and provide documentation if study accommodations are desired

Contact information for academic and financial advisors is available on the student’s iVue and finvue pages. Questions about the registration process or holds are best answered by the following enrollment counselors:

- Undergraduate online classes: sregister@andrews.edu, 269-471-6323
- Graduate online classes: graduate@andrews.edu, 269-471-6013
- Seminary online classes: soc@andrews.edu, 269-471-3962
- Teacher Professional Development classes: ol@andrews.edu, (269) 471-3482

Online and Non-Traditional Student Support

Students studying at a distance can access many services using technology:

- Learn how to apply, clear financially, register, request exams, and successfully complete studies online at www.andrews.edu/undergraduate/registration
- The current Andrews University Bulletin communicates policies and procedures, and key contact information for all campus services.
- The Andrews Agenda provides weekly news, announcements and updates.
- Follow Andrews University’s Facebook page, Twitter feed, and Instagram for regular postings of life at Andrews.

- The Andrews Directory includes contact information for all current faculty, staff and students.
- Departmental updates are emailed to students registered in specific programs of study. Check your Andrews email regularly.
- Pioneer Memorial Church, New Life, and One Place services are streamed online, and podcasts can be accessed at any time.
- Videos of chapel and vespers are available through the Andrews University Youtube Channel
- The Student Association Youtube Channel includes many more videos of student events
- Listen to Andrews University’s classical radio online 24/7 at WAUS
- All online students are encouraged to communicate with their academic and financial advisors regularly, through email, phone, and video conferencing.
- Advisors help students connect with resources as needed.
- Tutoring, career and mental health counseling, and disability accommodation can be arranged through the Online & Non-Traditional Student Services Director.
- An online grievance form provides students with tools to formally register a complaint about any aspect of the educational service provided by Andrews University. The procedure for lodging a complaint is outlined online.

Library Access

Registered students of Andrews University have full and free access to the resources and services of the James White Library via phone, fax, e-mail or the Internet. Such services include:

- Access to the James White Library Catalog
- Access to the Library’s Online Databases which include full-text articles from many thousands of periodicals
- Online Instruction, Tutorials and Research Guides
- Interlibrary Loan and Document Delivery Services
- Reference and Consultation Services
- Download software, such as Endnote, for research and writing
- FAQs and Ask-a-Librarian
- Online access to these services is available through use of the Andrews University username and password supplied during the admission process.
- Off-campus program students, staff and faculty may apply for Andrews University username and password through the Off-Campus Library Services Web page or by calling 269-471-3283.

Proctored Examinations

Most online courses include examinations that are to be taken under supervision:

- Students in the Armed Forces or in a corporation with an education center may take their examinations under the supervision of the entity’s education officer.
- Students taking Seminary or Math courses are required to use online proctoring through the School of Distance Education Testing Center.
- All other students may choose online or local proctoring.

If local proctoring is chosen, make arrangements before filling in the exam request form provided within the course space. Proctors must have academic responsibility in a university, college, school, military or workplace continuing education setting, and be available to proctor at their place of work. Instructions will be communicated to the proctor, once approved, and the student notified via email when the exam has been issued. Learn more about proctored exams online, email the Testing Coordinator at sdeexams@andrews.edu, or call 269-471-6566 if help is needed.

If online proctoring is chosen, students use on online calendar to schedule exam sessions during office hours. Details are provided within the course space, and further information about how online exams work is available online.

Credit for Prior Learning (CPL)

Credit for prior college level learning that is not documented through academic transcript may be earned through advanced placement, standardized and departmental challenge exams, validation and proficiency assessments. Students may apply for academic credit for prior college level learning through personal achievements and professional expertise. Assessment of portfolios are done on a course-by-course basis, either by Andrews University faculty evaluators or through the Council on Adult and Experiential Learning.

The Director of Undergraduate Distance Student Services serves as the Prior Learning Coordinator for all Andrews University colleges. Contact the Prior Learning Coordinator after discussing prior learning with your academic advisor for
coaching in preparing for departmental challenge exams, validation of certification or other documentation, or portfolio preparation. Learn more about the 5 ways to earn credit for prior college-level learning here:

- Undergraduate Academic Policies - Credit for Prior learning policy
- Graduate Academic Policies - Credit for Prior learning policy
- Credit for Prior Learning procedures and resources

School of Distance Education Online Degree Support
Janine Lim, PhD, Associate Dean
Griggs Hall B, Room 117
269-471-6546
assocdeanonline@andrews.edu

Position unfilled, SDE Administrative Assistant

Services to All Andrews Online Courses and Degrees
Amy Maydole, DIIT Director and SDE Online Course Manager
Glynis Bradfield, Director, Center for Non-Traditional Student Services
Lileen Coulloudon, Online Quality Assurance Specialist
Marsha Beal, Technology and Instructional Design Specialist
Michael Gayle, Curriculum and Learning Design Specialist

The School of Distance Education provides a wide variety of services for online degrees and courses offered by Andrews University:

- Online degree design, advocacy, coordination, and quality review
- Online degree advising design and training
- Online course development, materials design and conversion, instructional design advice and training, quality review, online teaching standards and training
- Exam design and proctoring services
- Technical and instructional technology support via the Center for Digital Learning and Instructional Technology

School of Distance Education Degrees and Courses
A subset of the undergraduate online courses and degrees at Andrews University are managed by the School of Distance Education. The academic departments approve faculty, faculty qualifications, syllabi, and textbooks; and SDE handles the student recruitment and advising, faculty contracts, faculty support and training, delivery and editing of the online courses, and the daily operations of the online degrees and courses. Degrees offered in this arrangement are as follows:

- College of Arts and Sciences
  - Christian Discipleship Certificate
  - Christian Discipleship AA
  - General Studies AA
  - General Studies AS
  - General Studies BA
  - General Studies BS
  - Ministry Certificate (Spanish)
  - Mission and Global Awareness Certificate
  - Religion BA (Distance Ed)

- College of Professions
  - Business AS
  - Business Administration BS

The courses managed by the School of Distance Education are also available to guest students, either registering directly with Andrews University or through their home institution via the CAREonline Consortium.

A complete list of SDE courses can be viewed via this overview table or the School of Distance Education catalog.

School of Distance Education Faculty
Note that some faculty teach both for the School of Distance Education and their respective academic departments.

- Business and Information Systems
  - Jerry Chi, Ph.D.
  - Bari Courts, Ph.D.

- Jimmie Flores, Ph.D.
- Lisa Goolsby, M.B.A.
- Satyanarayana Ramella, Ph.D.
- Quentin Sahly, M.B.A.
- Robin Sarkar, Ph.D.
- Simon Vaz, M.B.A

- Behavioral Sciences
  - Stacie Hatfield, M.A.
  - Cooper Hodges, Ph.D.
  - Cleran Hollancid, Ph.D.
  - Stacey Nicely, Ph.D.
  - Penelope Webster, Ph.D.

- Biology
  - Andrew Rice, M.S.

- Communication
  - Marsha Beal, M.A., M.S.
  - Delyse Steyn, D.Ed.
  - Kristine Walker-Fraser, M.A.

- Education
  - Lee Davidson, Ed.D.
  - Bradley Sheppard, Ph.D.
  - David Waller, M.Ed.

- English
  - Elizabeth Gadsden-Rouse, M.A.
  - Bonnie McLean, Ph.D.
  - Beverly Romero, M.A.
  - Jill Walker Gonzalez, M.A.
  - Stephanie Wilczynski, M.A.

- History and Political Science
  - Adam Fenner, Ph.D.
  - Steve Jones, Ph.D.
  - Douglas Morgan, Ph.D.
  - Marcella Myers Ph.D.

- Mathematics
  - Cleon White, M.A.
  - Janisa Henry, M.A.

- Medical Laboratory Sciences
  - Melissa Poua, M.S.

- Music
  - Jessica Link, M.M.

- Physics
  - Lonnie Pierce, M.A.S.

- Public Health, Nutrition and Wellness
  - Stephanie Goddard, M.S.
  - Susan Singer, M.P.H

- Religion
  - Gavin Anthony, M.A.
  - Guilherme Borda, M.A.
  - Jean Cadet, MDiv.
  - Bonny Dent, MSPT
  - Daniel Duffis Gordon, MDiv.
  - Martha Duah, Ph.D.
  - Eriks Galenieks, Ph.D.
  - Erhard Gallos, Ph.D.
  - Natasha McVay, MDiv.
  - Ruben Munoz-Larrondo, Ph.D.
  - Alexei Muran, M.A.
  - Vicki Nelson, M.A.
  - Rodney Palmer, D.Min.
  - Melchizedek Ponniah, Ph.D.
  - Ronald Rojas, D.Min.
  - Abelardo Rivas Santini, Ph.D.
  - Jan Age Sigvartsen, Ph.D.
  - Rahel Wells, Ph.D.

School of Distance Education Centers
The School of Distance Education operates four centers focused on online learning and instructional technology.

Center for Digital Learning and Instructional Technology (DLiT)
Griggs Hall B, Room 123, 136, 218
269-471-3960
Courses online, on campus, or through concurrent enrollment agreements are also available at a distance. Credit for online orientation and distance academic support, tutoring arrangements, and national boundaries. These courses are for those who want to learn, from an outstanding vibrant and diverse community of faculty, to effectively serve others and communicate God's word in the church, academy, culture, and world. Students can combine the online courses in ways that fit their unique needs and circumstances. Furthermore, these online courses can supplement advanced study or sharpen a theological understanding for any calling.

The Consortium of Adventist Colleges and Universities is transitioning into the new CAREonline Consortium. In 1969, Home Study International partnered with Columbia Union College (now Washington Adventist University). In the 1990s, the agreement was expanded to include Andrews University and Oakwood University and branded as the Griggs Consortium. When Griggs University moved to Andrews University in 2011, the Griggs Consortium was rebranded as the Consortium of Adventist Colleges and Universities. This Consortium is ending as of 2021 and joining the Consortium of Adventist Higher Education Online.

Services to Academy and High School Students

High school students who meet admission criteria can enrich their high school studies by taking Andrews University lower division undergraduate courses. Classes approved for high school registrations are available in three formats: on-campus face-to-face, interactive online, and concurrent enrollment.

In all formats, it is the prerogative of the high school to decide whether to count the college credit towards high school diploma requirements. Tuition for up to two Andrews University classes per semester is discounted to the special high school rate plus the guest fee per semester for students prior to graduating from high school, reaching age 19 by September 1 in the current academic year, or taking the GED or equivalent US high school completion test. Note that the high school tuition rate does not apply to fees or surcharges on specific courses, individual music or flight lessons, independent study or reading courses, or international language courses which are prerequisites for advanced degrees and courses taken off-campus.

Special consideration is given to Andrews University schools. Up to two Andrews University classes per semester, when approved by Andrews Academy or Griggs International Academy are included in full Academy tuition.

Mission
The Center for Intensive English Programs (CIEP) at Andrews University seeks to provide students with an opportunity to develop the skills needed to:
- Meet life’s needs in aural/oral and written communication
- Communicate within the language formalities of an academic institution
- Prepare for college/university entrance

Methods
- CIEP offers a rigorous academic English program to help students prepare to apply to college/university
- CIEP enhances English skills through a variety of academic, cultural, and professional experiences
- CIEP establishes tutorials and conversation partners to encourage interaction with native English speakers
- CIEP maintains small class sizes for optimal learning

Results
- Participants matriculate into undergraduate and graduate programs
- Professionals achieve English language proficiency
- Participants function within the various English language formalities

ESL Program

The ESL Program develops and assesses college-level academic English language proficiency, and completing the ESL Program gives both undergraduate and graduate students at Andrews the opportunity to meet university English requirements. The ESL Program is offered during Fall semester, Spring semester, and in an eight-week Summer semester, which counts as a full semester. ESL classes are offered for credit or for non-credit hours.

Placement
The CIEP English Placement Test (EPT) is used to place new students into one of four levels in the ESL Program: Beginning, Foundation, Intermediate, and Advanced. The Test of English as a Foreign Language (TOEFL), or any other English language proficiency test accepted by Andrews University, is not required for individuals to be placed into one of the four levels; however, if an individual has an English language proficiency score on record, this score may be used in determining level placement, though the EPT score is the primary level placement indicator.

Classes
Each of the four levels has core classes in grammar, reading, writing, listening, and speaking. Additional skill-building classes focus on pronunciation, conversation and discussion, academic presentations, and American culture and values.

CIEP Certificate
The CIEP Certificate is awarded to students who successfully complete the ESL Program, and earning the CIEP Certificate demonstrates completion of university language requirements. To earn the CIEP Certificate, an individual must do all of the following:
- Pass (B- grade or higher) all ESL classes starting at the level in which an individual was initially placed until Advanced is completed (16 credits or non-credit hours per level in Fall, Spring, and Summer semesters)
- Pass the required CIEP Speaking Test, which is given as part of the Advanced Listening & Speaking class

Note: The TOEFL (or any English language proficiency test other than the ESL Exit Exam) is not required to complete the ESL Program.

ESL Program

Beginning Level
ENSL 110 - Beginning Grammar Credits: 0–4
ENSL 111 - Beginning Reading & Writing Credits: 0–4
ENSL 112 - Beginning Listening & Speaking Credits: 0–4
ENSL 113 - Beginning Reading Credits: 0–4
ENSL 114 - Beginning Writing Credits: 0–4

Foundation Level
ENSL 120 - Foundation Grammar Credits: 0–4
ENSL 121 - Foundation Reading & Writing Credits: 0–4
ENSL 122 - Foundation Listening & Speaking Credits: 0–4
ENSL 127 - Foundation Writing Credits: 0–4
ENSL 128 - Foundation Reading Credits: 0–4

Intermediate Level
ENSL 210 - Intermediate Grammar Credits: 0–4
ENSL 211 - Intermediate Reading & Writing Credits: 0–4
ENSL 212 - Intermediate Listening & Speaking Credits: 0–4
ENSL 214 - Intermediate Reading Credits: 0–4
ENSL 215 - Intermediate Writing Credits: 0–4
ENSL 223 - Pronunciation Credits: 0–4

Anders English Experience

Andrews English Experience is a short intensive English program offered in July and/or January in sessions of two or three weeks on the Andrews campus or on the campus of another institution. Andrews English Experience has a general track open to all learners and professional tracks open to cohorts of ten individuals or more (for each professional track) in specific disciplines or professions (e.g., professional workshops can focus on business English, medical English, English for church leaders, etc.). Core English classes are offered in the mornings for all learners and specialized general track and professional track workshops are offered in the afternoons. Field trips and other cultural activities may be offered as part of Andrews English Experience for an additional cost. The Andrews English Experience Certificate is awarded to all individuals who complete the program.

Conversation Partner Program, Tutorials, and Community English Workshops

A conversation partner program is offered most semesters to students enrolled in certain CIEP classes. In addition, both one-on-one tutorial services and short-term group tutorial sessions can be arranged for a fee on a case-by-case basis. Finally, certain specialized English tutorials, such as a TOEFL preparation workshop, are offered for a fee and are open to the community.

Other Programs

Other Programs

422-471-2260
ciep@andrews.edu
www.andrews.edu/ceis/ciep/
Pathway Program

The Pathway Program allows students to take a limited number of degree program courses while completing language proficiency requirements in CIEP. To be eligible for the Pathway Program, individuals must have a TOEFL ITP score of 500-549 (or the equivalent on another English language proficiency test accepted by Andrews University) for most degree programs. Degree programs with higher admissions requirements will also have higher requirements for participation in the Pathway Program, and not all degree programs at Andrews allow students to participate in the Pathway Program.

English Second Language

ENSL 110 - Beginning Grammar
Credits: 0–4
Introduction to English grammar with emphasis on basic grammar usage in communicative contexts, both oral and written.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 111 - Beginning Reading & Writing
Credits: 0–4
Introduction to reading and writing as connected skills with emphasis on reading and producing texts (sentences and paragraphs) in communicative contexts.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 112 - Beginning Listening & Speaking
Credits: 0–4
Introduction to listening and speaking as connected skills with emphasis on effective communication.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 113 - Beginning Reading
Credits: 0–4
Introduction to reading in English with emphasis on strategies for developing reading fluency.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 114 - Beginning Writing
Credits: 0–4
Introduction to writing in English with emphasis on producing texts (sentences and paragraphs) in communicative contexts.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture

ENSL 120 - Foundation Grammar
Credits: 0–4
Development of English grammatical skills necessary for clear communication, both oral and written.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 121 - Foundation Reading & Writing
Credits: 0–4
Development of reading and writing as connected skills with emphasis on reading for critical thinking and producing texts (paragraphs) in communicative contexts.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 122 - Foundation Listening & Speaking
Credits: 0–4
Development of listening and speaking as connected skills with emphasis on effective communication.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CEIS

ENSL 124 - TED Talks English
Credits: 0–4
Focus on developing English language skills by discussing and responding to issues in a variety of disciplines presented in TED Talks. For students at a lower-intermediate English proficiency levels.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CEIS

ENSL 127 - Foundation Writing
Credits: 0–4
Development of writing in English with emphasis on producing texts (paragraphs) in communicative contexts.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 128 - Foundation Reading
Credits: 0–4
Development of reading skills in English with emphasis on strategies for fostering reading fluency and critical thinking.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 130 - English for Academic Purposes: Beginning-Advanced
Credits: 0–16
Individual small group study of English as a second language in preparation for undergraduate and graduate study. May include (but not limited to) grammar, writing, reading, listening, and speaking. All international students are required to be in class a minimum of 12 hours per week.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS
ENSL 131 - Andrews English Experience
Credits: 0–4
Intensive study of English for 4-week summer intensive English and cultural immersion program, appropriate to proficiency level. May include (but not limited to) grammar, reading, writing, listening, and speaking.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Summer
College Code: CEIS

ENSL 195 - Individualized Study: Beginning-Advanced
Credits: 0–16
Individualized study of English as a second language for undergraduate students, appropriate to proficiency level. May include (but not limited to) grammar, reading, writing, listening, and speaking.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 210 - Intermediate Grammar
Credits: 0–4
Development of English grammatical skills necessary for accurate usage in a variety of communicative and academic contexts, both oral and written.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 211 - Intermediate Reading & Writing
Credits: 0–4
Development of reading and writing as connected skills with emphasis on reading for critical thinking and producing texts (paragraphs and essays) in a variety of communicative and academic contexts.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 212 - Intermediate Listening & Speaking
Credits: 0–4
Development of listening and speaking as connected skills with emphasis on effective communication in academic and nonacademic contexts.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 214 - Intermediate Reading
Credits: 0–4
Development of reading skills in English with emphasis on strategies for expanding reading fluency and critical thinking.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 215 - Intermediate Writing
Credits: 0–4
Development of writing in English with emphasis on producing texts (paragraphs and essays) in a variety of communicative and academic contexts.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 220 - Advanced Grammar
Credits: 0–4
Intensive review of English grammar with emphasis on accurate grammar usage in a variety of communicative and academic contexts, both oral and written.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 221 - Advanced Reading & Writing
Credits: 0–4
Mastery of reading and writing as connected skills with emphasis on reading for critical thinking and producing texts (essays) using research in a variety of communicative and academic contexts.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 222 - Advanced Listening & Speaking
Credits: 0–4
Mastery of listening and speaking as connected skills with emphasis on fluency and effective communication in academic and nonacademic contexts.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 223 - Pronunciation
Credits: 0–4
English pronunciation improvement with emphasis on vowels, consonants, word stress, and intonation patterns. For students at an upper-intermediate level.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 225 - American Ways
Credits: 0–4
Focus on reading a variety of academic texts about American history and culture for the purpose of critical thinking and discussion and with emphasis on group presentations, interviews, and interaction with native English speakers. For students at an advanced level.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 227 - Advanced Reading
Credits: 0–4
Mastery of reading skills in English with emphasis on strategies for developing reading fluency and critical thinking.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 228 - Advanced Writing
Credits: 0–4
Mastery of writing in English with emphasis on producing texts (essays) using research in a variety of communicative and academic contexts.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 229 - Conversational English
Credits: 0–4
Focus on discussion on a variety of academic and non-academic topics with emphasis on critical thinking and effective communication

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
Year Offering: Annually
Term Offering: Fall, Spring
College Code: CEIS
ENSL 530 - English for Academic Purposes: Beginning-Advanced
Credits: 0–16
Study of English as a second language for graduate students, appropriate to proficiency level. May include (but not limited to) grammar, reading, writing, listening, and speaking.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CEIS

ENSL 531 - Individualized Study: Beginning-Advanced
Credits: 0–16
Individualized study of English as a second language for graduate students, appropriate to proficiency level. May include (but not limited to) grammar, reading, writing, listening, and speaking.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture, Independent
Term Offering: Fall, Spring, Summer
College Code: CEIS
Pre-Professional Program in Cytotechnology

Pre-Professional Programs
The College of Health & Human Services offers certain pre-professional curricula for students who plan to enter professional schools. For medical and paramedical curricula, Andrews University maintains a special relationship with Loma Linda University.

Cytotechnology
Karen Reiner, Coordinator
269-471-3622
Halenz Hall (Science Complex)

Cytotechnology is a specialty within a broad field of clinical laboratory science. Cytotechnologists aid in the early detection of disease by differentiating normal, atypical, and malignant cells. In recognizing microscopic abnormalities of cells and cellular patterns from the various body sites, the cytotechnologist assists the pathologist in detecting cancer at its earliest and potentially most curable stage. Medical applications of cytologic techniques are constantly expanding, particularly in the diagnosis and management of the cancer patient.

Students pursuing a career in cytotechnology should complete the first two or three years (according to their selection of school for technical education) and then complete the professional courses offered at Loma Linda University or another school. For more information: www.ascp.org.

Pre-Professional Program in Dentistry (Health & Human Services)
Karen Reiner, 269-471-3622 (Science Complex)
Sherine Brown-Fraser, 269-471-3351 (Marsh Hall)

Preference is given to applicants who have a broad academic background with a baccalaureate degree. The minimum entrance requirement is 96 semester credits with a 2.70 GPA (C=2.00) in both science and non-science courses, although it is recommended that students should maintain an A/B average in science as well as overall. The Dental Aptitude Test (DAT) must be taken not later than October of the year preceding admission. Minimum entrance requirements for most dental schools follow. For more information, contact the American Dental Education Association: www.adea.org/ and the American Dental Association www.ada.org.

Pre-Professional Programs
The College of Health & Human Services offers certain pre-professional curricula for students who plan to enter professional schools. For medical and paramedical curricula, Andrews University maintains a special relationship with Loma Linda University.

Required courses for applicants to Loma Linda University:
English Composition—6
Foundations of Biology—10
General Chemistry—8
Organic Chemistry—8
General Physics—8
Biochemistry—4

Recommended:
Human anatomy, biochemistry, histology, computer science, systems physiology, management and organization, fundamentals of accounting, a survey of calculus, machine shop, and religion.

Total pre-dental credits: 96

Pre-Professional Program in Chiropractic

Pre-Professional Programs
The College of Health & Human Services offers certain pre-professional curricula for students who plan to enter professional schools. For medical and paramedical curricula, Andrews University maintains a special relationship with Loma Linda University.

Chiropractic
Lee. E. Olson, Coordinator
269-471-6491
Physical Therapy Building

Entrance requirements for colleges of chiropractic vary. Students are advised to consult the admissions advisor at the chiropractic school to familiarize themselves with the requirements of the school of their choice. The admission requirements of chiropractic schools range from 60 credits to a baccalaureate degree and a minimum GPA of 2.50. For a list of the various schools contact the chiropractic coordinator. For information about the profession and publications check out the website: www.amerchiro.org.

The courses listed below at a minimum grade level of C with a cumulative GPA of at least 2.5 and 90 semester or 135 quarter credits satisfy the requirements for Palmer College of Chiropractic.

Pre-chiropractic Curriculum (semester hours)
Biology (BIOL 165 & BIOL 166 recommended)—8–10
General Chemistry—3
Chemistry Elective—3
Organic and/or Bio Chemistry—6
General Physics—6
English Composition and/or Communication Skills — 6
Introduction to Psychology — 3
Social Sciences/Humanities — 15

Pre-Professional Program in Cytotechnology
Pre-Professional Program in Health Information Management

Pre-Professional Programs
The College of Health & Human Services offers certain pre-professional curricula for students who plan to enter professional schools. For medical and paramedical curricula, Andrews University maintains a special relationship with Loma Linda University.

Health Information Management
Health Information Administrator
Karen Reiner, Coordinator
269-471-3622
Halenz Hall (Science Complex)

Health information management includes the development of information systems to provide optimal user access to medical records and other vital patient data. The health information administrator also manages or consults in maintenance of quality and legal standards for data used in administrative planning, research, health care quality evaluation, and financial reimbursement. For more information: www.ahima.org.

Pre-Professional Program in Medicine (Health & Human Services)

Students from Departments within the College of Health & Human Services
Sherine Brown-Fraser, 269-471-3351 (Marsh Hall)
Timothy Newkirk, 269-471-3605 (Science Complex)
Karen Reiner, 269-471-3622 (Science Complex)

Although allopathic (MD) and osteopathic (DO) medicine represent different philosophies of patient care, a physician in either branch of medicine is required to pass the same national board examination to practice.

Students seeking admission to medical schools are encouraged to plan a baccalaureate degree that includes courses which meet the stated entrance requirements of the medical school of their choice as listed in Medical School Admissions Requirements or the websites of the Association of American Medical Colleges: www.aamc.org and the American Association of Colleges of Osteopathic Medicine: www.aacom.org. The pre-medical student may choose any major or minor and is encouraged to become acquainted with the main bodies of knowledge as represented by the various academic disciplines.

In light of adequate preparation for the Medical College Admissions Test (MCAT) and changes in medical school requirements, students should incorporate classwork in the following areas into their curriculum:

- Biochemistry
- Sociology
- Psychology
- Statistics

Pre-Professional Programs
The College of Health & Human Services offers certain pre-professional curricula for students who plan to enter professional schools. For medical and paramedical curricula, Andrews University maintains a special relationship with Loma Linda University.

Required Courses
For Applicants to Loma Linda University School of Medicine

- English Composition—6
- Foundations of Biology—10

Pre-Professional Program in Occupational Therapy (Health & Human Services)

Students from Departments within the College of Health & Human Services
269-471-6490, (Physical Therapy Building)

The occupational therapist helps people cope with psychological or physiological dysfunction.

Pre-Professional Programs
The College of Health & Human Services offers certain pre-professional curricula for students who plan to enter professional schools. For medical and paramedical curricula, Andrews University maintains a special relationship with Loma Linda University.

Prerequisites for Loma Linda University Admission
The prerequisites for admission to the MOT program are listed below. Prerequisites must be taken from regionally accredited colleges or universities, and must be completed no later than December prior to our June start date.

Prerequisites:
- Proof of completion of B.A. or B.S. degree in another field from a regionally accredited college or university, with a minimum GPA of 3.00.
- Human Anatomy with lab (Courses taken older than five years will not be accepted)
- Human Physiology, with lab (Courses taken older than five years will not be accepted)
- Statistics (Courses taken older than five years will not be accepted)
- Human Lifespan Development (Must cover life cycle from birth to death)
- Medical Terminology (We will accept some on-line CE courses; please check with your department first for approval)

Observation/Volunteer Service
40 hours of observation in occupational therapy settings. Documentation of observation must be submitted prior to admission consideration. The observation evaluation form can be found at this link: http://www.llu.edu/assets/alliedhealth/documents/ot/motobforms.pdf

Note:
A minimum grade of C is required for transfer credit. C- and D grades are not transferable.

Pre-Professional Program in Physical Therapy

Pre-Professional Programs
The College of Health & Human Services offers certain pre-professional curricula for students who plan to enter professional schools. For medical and paramedical curricula, Andrews University maintains a special relationship with Loma Linda University.
Physical Therapy
Cristina Wilson, Advisor
269-471-6490
Physical Therapy Building

Andrews University offers all of the prerequisite courses necessary for admission into the Doctor of Physical Therapy (DPT) program. Students take three years (92 semester credits) of the prerequisite courses at Andrews, or any accredited U.S. college, followed by three years in the DPT program. Please see the physical therapy section of this bulletin for specific course requirements.

Pre-Professional Program in
Physician Assistant (Health & Human Services)

Students from Departments within the College of Health & Human Services
Karen Reiner, 269-471-3622 (Haughey Hall 217)

Physician assistants (PAs), members of a health-care team, practice medicine with supervision of licensed physicians. PAs perform a wide range of medical duties from basic primary care to high-technology specialty procedures. Professional PA education offered at any one of more than 100 accredited schools is an intensive 2–3 year program. Most PA programs are moving toward requiring a bachelors degree including courses in biology, chemistry, English, humanities/social science, mathematics, and psychology. The level of the science courses varies from program to program; consequently, each school should be consulted about its prerequisite requirements. Acceptance to a professional program typically requires an extensive health-care experience such as nurse assistant, medical/X-ray lab technician, respiratory therapist, paramedic, hospital aide, and emergency medical technician.

The National Directory of PA Programs may be ordered from APAP at 950 N. Washington St., Alexandria, VA 22314 or phone: 800- 708-7581. PA programs and education can be accessed via the web: www.aapa.org.

Pre-Professional Programs
The College of Health & Human Services offers certain pre-professional curricula for students who plan to enter professional schools. For medical and paramedical curricula, Andrews University maintains a special relationship with Loma Linda University.
Medical Laboratory Sciences

Halenz Hall, Room 218
269-471-3336
mls@andrews.edu
https://www.andrews.edu/shp/mls/

Faculty
Karen A. Reiner, Chair, MLS Program Director, Graduate Program Director
Timothy A. Newkirk, Clinical Coordinator
Melissa Poua

Mission
The mission of the Department of Medical Laboratory Sciences, in harmony with Andrews University and the Seventh-day Adventist Church, is to prepare students for Christian service as medical laboratory scientists.

The MLS department encourages faculty in professional, educational and spiritual growth.

The MLS faculty educates students to develop excellence in the professional skills necessary for a life work of service in quality health care and dedication to improving the human condition.

MLS graduates will minister to the needs of others by practicing and promoting standards of excellence as medical laboratory science professionals.

Allied Health Administration BS

This degree is designed for health-care professionals seeking to enhance the knowledge they already have and to help them prepare for future career employment requirements. This completion degree features a strong Andrews Core Experience and administrative/business component and provides an academic foundation for health-care administrative positions.

Total Credits - 124

Major - 61

Business/Administration - 27
ACCT 121 - Principles of Accounting I Credits: 3
ACCT 122 - Principles of Accounting II Credits: 3
BSAD 355 - Principles of Management Credits: 3
BSAD 384 - Human Resource Management Credits: 3
ECON 226 - Principles of Microeconomics Credits: 3
MKTG 310 - Principles of Marketing Credits: 3
9 credits of BSAD courses selected in consultation with and approval of the advisor.

Practicum - 4
ALHE 480 - Practicum in ______________ Credits: 4

Transfer Requirements - 34
Accept from an AS degree or certificate program.

Cognates - 9
BHSC 225 - Global Social Issues Credits: 3 *
PBLH 440 - Fundamentals of Spirituality & Ethics in Healthcare Credits: 3 *
PSYC 101 - Introduction to Psychology Credits: 3 *

*Course fulfills ACE requirement

Admission Requirements
This degree is open only to individuals holding an associate degree or a two-year certificate in an allied-health professional area with earned certification where applicable in such areas as diagnostic ultrasound, nuclear medicine, physician assistant, radiation therapy, radiologic technology, respiratory therapy, and special procedures in radiologic technology. Admission to the program is by permission of the Department of Medical Laboratory Sciences' chair.

Medical Laboratory Science BSMLS

The BSMLS (MLS Program) prepares students to meet the entry-level competencies necessary to perform the full range of clinical laboratory tests in areas such as Clinical Chemistry, Hematology/Hemostasis, Immunology, Immunohematology/Transfusion Medicine, Microbiology, Urine and Body Fluid Analysis, Laboratory Operations, and other emerging fields in laboratory medicine. MLS graduates have opportunities not only in hospital laboratories but also in industry, research, public health, government, information systems, consulting, reference (private) laboratories, education, and many other fields.

The degree program includes three years of undergraduate (BS pre-clinicals) studies plus one year (3 semesters) of clinical (BSMLS) education. Students who complete the MLS Program are eligible to write the national Board of Certification examination sponsored by the ASCP (American Society for Clinical Pathology).

Pre-clinical Program:
The first three years of undergraduate study include Andrews Core Experience, cognate science, and preclinical requirements. Program options feature directed elective course work selected in consultation with the faculty advisor according to the student's career goals and interests.

Clinical (Professional) Program:
The year of clinical studies is comprised of lectures and student laboratories on the Berrien Springs campus and clinical practica at an affiliated hospital or clinical laboratory site.

Refer to the Department of Medical Laboratory Sciences web site for the MLS Program Year Calendar.

Accreditation: The Andrews University Program for Medical Laboratory Sciences holds accreditation from the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS), 5600 N River Rd, Suite 720, Rosemont, IL 60018, (773) 714-8880 fax (773) 714-8886, e-mail at info@naacls, or the Web at www.naacls.org.

Total Credits - 124

Major - 61

MLSC 105 - Introduction to Medical Laboratory Science Credits: 1 (May be waived for transfer students)
MLSC 110 - Medical Terminology Credits: 1 (May be waived for transfer students)
MLSC 210 - Fundamentals of Hematology and Hemostasis Credits: 2
MLSC 230 - Fundamentals of Clinical Microbiology Credits: 3
MLSC 240 - Fundamentals of Immunohematology Credits: 1
MLSC 320 - Fundamentals of Immunology Credits: 3
MLSC 350 - Fundamentals of Clinical Chemistry Credits: 3
MLSC 401 - Clinical Year Seminar and Research Methodology Credits: 1
MLSC 405 - Clinical Year Seminar and Research Project Credits: 1
MLSC 411 - Hematology Credits: 3
MLSC 414 - Body Fluids & Hemostasis Credits: 3
MLSC 421 - Clinical Immunology, Virology and Molecular Diagnostics Credits: 2
MLSC 431 - Clinical Bacteriology Credits: 4
MLSC 432 - Specialized Clinical Microbiology Credits: 2
MLSC 441 - Immunohematology Credits: 3
MLSC 442 - Transfusion Medicine Credits: 2
MLSC 451 - Clinical Chemistry I Credits: 3
MLSC 452 - Clinical Chemistry II Credits: 3
MLSC 470 - Laboratory Operations & Best Practices Credits: 3
MLSC 483 - Comprehensive Review and Written Examination Credits: 1
MLSC 497 - Program Continuation Credits: 0

Practicum - 16
Students work side-by-side with practicing professionals in patient health care during the final portion of the clinical year. Andrews University maintains a
number of affiliations with clinical institutions across the country. Student preferences for clinical site assignments are solicited and granted when possible. Final site assignments are made at the discretion of the faculty and in consultation with clinical affiliates. Each student is responsible for providing his/her own transportation for the clinical practica. Independent transportation is a condition for clinical placement; therefore, it is strongly advised that each student has his/her own car for clinicals.

MLSC 415 - Hematology, Hemostasis, & Body Fluids Practicum Credits: 3
MLSC 423 - Clinical Immunology, Virology, and Molecular Diagnostics Practicum Credits: 1
MLSC 433 - Clinical Microbiology Practicum Credits: 4
MLSC 443 - Clinical Immunohematology Practicum Credits: 4
MLSC 453 - Clinical Chemistry Practicum Credits: 3
MLSC 473 - Laboratory Operations Practicum Credits: 1

Additional Requirements

Student Progression in Clinical Year

The clinical year is highly structured and sequential. Enrolled students may not drop a class, audit a class, or earn a grade lower than C- in any class. Students may enter clinical practica only upon satisfactory completion of on-campus course work. Satisfactory completion is defined as a senior-year minimum cumulative GPA of 2.50 and the recommendation of the faculty. A student receiving a cumulative GPA of less than 2.50 may be allowed to advance if the program faculty identifies exceptional circumstances and recommends that the student continue in the program.

Student continuance in the clinical practica is conditional upon acceptable ethical and professional deportment as well as exemplary patient-care practices. The clinical affiliate supervisors and program faculty are final arbiters in determining student continuance.

Cognates - 32

Biological Science:
16 semester hours (24 quarter hours) of biological science. Select from (or equivalent courses):

- BIOL 165 - Foundations of Biology Credits: 4,5

Choose one of the following courses:

- BIOL 166 - Foundations of Biology Credits: 4,5
- BIOL 221 - Anatomy and Physiology I Credits: 4
- BIOL 222 - Anatomy and Physiology II Credits: 4

Other upper division biology courses, including MLSC 320 Fundamentals of Immunology, chosen in consultation with academic advisor and approved by Program Director.

Chemistry:
16 semester hours (24 quarter hours) of chemistry (with one semester in organic chemistry or biochemistry). Select from (or equivalent courses):

- CHEM 131 - General Chemistry I Credits: 4
- CHEM 132 - General Chemistry II Credits: 4

Complete 8 remaining credits from the following (with at least one semester in organic chemistry or biochemistry):

- CHEM 231 - Organic Chemistry I Credits: 3
- CHEM 232 - Organic Chemistry II Credits: 3
- CHEM 241 - Organic Chemistry Laboratory I Credits: 1
- CHEM 242 - Organic Chemistry Laboratory II Credits: 1
- BCHM 421 - Biochemistry I Credits: 4

Other chemistry courses chosen in consultation with academic advisor and approved by Program Director.

Fine Arts/Humanities and History:
Take one ACE course from either Fine Arts/Humanities or History*

Mathematics:
Statistics preferred.* Students transferring into clinical program—any college-level course equivalent to MATH 165* or 168*. MATH 145 will not fulfill the math requirement.

*Course fulfills ACE requirement

Undergraduate Electives - 5-8

Students may select courses in consultation with and by the consent of their advisors in a planned program to enhance professional preparation. Pre-medical/pre-dental students must include the following courses:

Choose one of the following course sequences:

- PHYS 141 - General Physics I Credits: 4
- PHYS 142 - General Physics II Credits: 4
- PHYS 241 - Physics for Scientists and Engineers I Credits: 4
- PHYS 242 - Physics for Scientists and Engineers II Credits: 4
- PHYS 271 - Physics for Scientists and Engineers Laboratory I Credits: 1
- PHYS 272 - Physics for Scientists and Engineers Laboratory II Credits: 1

Admission Requirements

Application Process

Clinical Year Admission Requirements

An independent admissions process is required for all students who wish to enter clinical studies. Apply online to the MLS Clinical Year Program (https://www.andrews.edu/apply/). Students must complete the application and submit it by January 31 prior to their anticipated clinical-study year.

Applicants' previous course work must include 16 semester credits of biological sciences, 16 semester credits of chemistry, and one college-level course in mathematics.

Admission requires an overall GPA of 2.50. In the admissions process, the GPAs for the cognate sciences, mathematics, and medical laboratory science content courses are computed together. This combined GPA must also be a minimum of 2.50. Preference is given to students with the higher GPAs. Students may only repeat the fundamentals courses once to be eligible for admission consideration for the program.

Applicants must be able to meet the program's published Essential Functions, which are included in the online application, and express a willingness to comply with the principles, rules, regulations, and policies of both the university and the program as they relate to the ideals and values of the Seventh-day Adventist Church and the medical laboratory science profession.

Prerequisite Courses

All prerequisite course work, including Andrews Core Experience, cognate science, and pre-clinical courses, must be completed prior to entry into the clinical year. A personal interview may be required at the discretion of the Admissions Committee.

In exceptional circumstances, the Admissions Committee may accept students outside the stated policy.

Student Learning Outcomes

Student Learning Outcome 1: MLS Comprehensive Didactic Competency, sufficient to achieve a passing score in the Board of Certification by the ASCP, in the following scientific content and as defined by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS):

- Clinical Chemistry
- Hematology/Hemostasis
- Immunology
- Immunohematology/Transfusion Medicine
- Microbiology
- Urine and body fluid analysis
- Laboratory Operations

Student Learning Outcome 2: Application of MLS Professional Skills

- Achieve Medical Laboratory Scientist entry-level psychomotor, clinical, and professional skills for service to humanity.
- Demonstrate competency to perform a full range of test protocols in the contemporary medical laboratory setting encompassing pre-analytical, analytical, and post-analytical components of laboratory services, including body fluids, chemistry, hematology, immunohematology, immunology, microbiology, molecular diagnostics, urinalysis, and phlebotomy.
- Exhibit proficiency to evaluate clinical data and interpret results, problem solve, troubleshoot, and use statistical approaches when evaluating data.
● Exhibit administrative skills consistent with philosophies of quality assurance, continuous quality improvement, laboratory education, financial resource management, and appropriate compose under stressful conditions.

● Application of safety and governmental regulations and standards as applied to medical laboratory practice.

**Student Learning Outcome 3:** Practice Ethics and Professionalism

● Demonstrate ethical and professional behaviors in both didactic and practicum portions of the Program.

● Model the professional traits of an entry-level healthcare practitioner.

● Display professional conduct, respecting the feelings and needs of others, protecting the confidentiality of patient information, and avoiding personal concerns and biases to interfere with the welfare of patients.

● Demonstrate effective communication skills, including competent written, oral, and visual communication, to ensure accurate and appropriate transfer of information.

● Embrace interprofessional collaborative practice that strengthens the healthcare team and enhances patient outcomes.

**Masters**

**Medical Laboratory Science MSMLS**

The Master of Science in Medical Laboratory Science (MSMLS) degree is a professional degree offered online and face-to-face, designed to meet the needs of the working laboratory medicine professional. The MSMLS allows the student to focus on an area of personal interest by choosing a concentration to further develop technical knowledge and skills beyond that of the baccalaureate level. The MSMLS degree features a variety of program concentrations.

**Total Credits - 38**

**Degree Core - 22**

- ACCT 505 - Survey of Accounting for Decision Making and Control Credits: 2,3
- EDRM 505 - Research Methods Credits: 3
- MLSC 500 - Foundations for Graduate Study in Medical Laboratory Science Credits: 1
- MLSC 501 - Seminar in Medical Laboratory Science Credits: 1
- MLSC 561 - Laboratory Management: Issues and Strategies Credits: 3
- MLSC 562 - Issues in Laboratory Regulations and Practice Credits: 3
- MLSC 585 - Applied Studies in Medical Laboratory Science Credits: 5
- PBHL 646 - Integration of Spirituality in Health Care Credits: 2

Choose one of the following courses:

- BSAD 500 - Survey of Management Credits: 2
- BSAD 515 - Organizational Behavior & Leadership Credits: 3

**Concentration - 16**

Choose one of the following concentrations:

**Education and Training Concentration**

- EDCI 606 - Teaching in Higher Education Credits: 3
- EDCI 610 - Teaching the Adult Learner Credits: 2,3
- EDCI 650 - Curriculum Design: _____ Credits: 3

**Electives**

Select in consultation with an advisor to total 16 credits for the concentration.

- EDAL 667 - Leadership in Higher Education Credits: 2,3
- EDCI 545 - Assessment of Learning Credits: 3
- MLSC 690 - Topics: _____ Credits: 1–4
- NRSNG 658 - Learning Theory and Health Teaching Credits: 2

**Global Development Concentration**

- BSAD 530 - Leadership & Management of Not-for-Profit Organizations Credits: 3
- BSAD 545 - International Business Management Credits: 3
- PBHL 540 - Grant Writing Credits: 2

**Electives**

Select in consultation with an advisor to total 16 credits for the concentration.

- BSAD 560 - Intercultural Business Relations Credits: 3

** Credits:**

- COMM 536 - Issues in Intercultural Communication Credits: 2,3
- MLSC 690 - Topics: _____ Credits: 1–4
- PBHL 545 - Program Planning and Evaluation Credits: 3

**Maintaining Academic Standing**

- No grade lower than C is acceptable.
- Maintain a minimum cumulative GPA of 3.00 for the graduate portion of the program.

**Admission Requirements**

In addition to the general requirements for admission to a graduate program listed in the graduate admission section of this bulletin, the following are program requirements:

- Applicants must have an overall GPA of at least 3.0 in undergraduate courses and at least 3.0 in the undergraduate life sciences (biology and chemistry), math, and medical laboratory science courses.
- Applicants must hold professional certification and/or licensure in medical laboratory science acceptable to the admissions committee. Certification may be either general or in one of the recognized areas of specialization. Acceptable certification is typically defined as the Board of Certification sponsored by the ASCP (American Society for Clinical Pathology). Individuals lacking professional certification may request to be admitted on a provisional basis while they pursue the MLS National Certification Eligibility Requirements. These clinical courses and their prerequisites require a minimum of four academic semesters. Students must receive MLS professional certification before completing more than 9 graduate credits and must meet the GPA requirements as stated above.
- The Graduate Record Examination (GRE) is not required for MSMLS admission but is required for GRE Scholarship consideration.

**Individuals with Technologist/Scientist Professional Certification**

- Provide documentation of professional certification and/or licensure in medical laboratory science acceptable to the admissions committee.
- Certification may be either general or in one of the recognized areas of specialization.
- Acceptable certification is typically defined as that offered by the ASCP (American Society for Clinical Pathology) Board of Certification.

**Individuals without Technologist/Scientist Professional Certification**

- Individuals lacking United States professional certification may request to be admitted on a provisional basis while they either apply to sit for the Board of Certification or pursue the course work required for eligibility to write the Board of Certification.
- To be eligible for MLS Certification, applicants’ previous course work must include 16 semester (24 quarter) credits of biological sciences, 16 semester (24 quarter) credits of chemistry, and one college-level course in mathematics. Deficiencies must be removed prior to admission to the graduate program.
- These clinical courses and their prerequisites require a minimum of four academic semesters.

**Graduation Requirements**

In addition to meeting the general requirements for graduate degree programs, students must meet the following departmental requirements:

- Complete a minimum of 38 semester credits including the core of 22 semester credits and 16 semester credits selected from the chosen concentration.
- Have the graduate program director approve course selections and course sequencing. Students may substitute alternate courses listed in this Bulletin with the consent of the graduate program director and the approval of the dean of the College of Health & Human Services.

**Student Learning Outcomes**

Upon completion of the MSMLS, the medical laboratory scientist will demonstrate advanced knowledge and skills in:

- Application of safety and governmental regulations and standards as applied to laboratory medicine.
- Principles and practices of professional conduct and the significance of continuing professional development.
• Communication skills sufficient to serve the needs of patients, the public and members of the health care team.
• Principles and practices of administration, management, and supervision as applied to laboratory medicine.
• Educational methodologies and terminology sufficient to train/educate users and providers of laboratory services.
• Principles and practices of clinical study design, implementation and dissemination of results.

Other Programs

MLS National Certification Eligibility Requirements

Course Requirements

Individuals lacking professional certification may request to be admitted to the Master of Science in Medical Laboratory Science (MSMLS) program on a provisional basis while they pursue the course work required for eligibility to write the national certification examinations. These clinical courses and their prerequisites require a minimum of four academic semesters. The courses include:

- ALHE 480 - Practicum in __________
- ALHE 440 - Topics in __________
- MLSC 483 - Comprehensive Review and Written Examination
- MLSC 453 - Clinical Chemistry Practicum
- MLSC 452 - Clinical Chemistry II
- MLSC 451 - Clinical Chemistry I
- MLSC 443 - Clinical Immunohematology Practicum
- MLSC 442 - Transfusion Medicine
- MLSC 441 - Immunohematology
- MLSC 432 - Specialized Clinical Microbiology
- MLSC 431 - Clinical Bacteriology
- MLSC 423 - Clinical Immunology, Virology, and Molecular Diagnostics Practicum
- MLSC 421 - Clinical Immunology, Virology and Molecular Diagnostics
- MLSC 411 - Hematology
- MLSC 405 - Clinical Year Seminar and Research Project
- MLSC 401 - Clinical Year Seminar and Research Methodology
- MLSC 350 - Fundamentals of Clinical Chemistry
- MLSC 240 - Fundamentals of Immunohematology
- MLSC 230 - Fundamentals of Immunohematology
- MLSC 210 - Fundamentals of Hematology and Hemostasis
- MLSC 110 - Medical Terminology
- MLSC 210 - Fundamentals of Hematology and Hemostasis

Allied Health

ALHE 440 - Topics in __________
Credits: 1–4
Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): permission of program director.
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CHHS

ALHE 480 - Practicum in __________
Credits: 4
Grade Mode: Normal with DG (A-F,J,W,DG,DN)
Prerequisite(s): permission of program director.
Repeatable: Repeatable up to 12 credits
Schedule Type: Practicum
College Code: CHHS

Medical Laboratory Science

MLSC 105 - Introduction to Medical Laboratory Science
Credits: 1
Lectures and/or demonstrations presented by each of the departmental faculty members covering the major disciplines in clinical laboratory science.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

MLSC 110 - Medical Terminology
Credits: 1
An in-depth study of medical terms and abbreviations relating to diseases, disorders and drugs.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
College Code: CHHS

MLSC 210 - Fundamentals of Hematology and Hemostasis
Credits: 2
Introduces the production, maturation, function of normal blood cells and hemostasis. Selected routine manual hematology and hemostasis procedures are performed.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 221 or BIOL 165
Schedule Type: Lecture, Lecture/Lab
College Code: CHHS

MLSC 230 - Fundamentals of Clinical Microbiology
Credits: 3
Orientation to clinical microbiology; specimen selection, collection, and transport; microscopic evaluation; stains and sterilization techniques; media and incubation selections; identification of routine and non-routine microorganisms; susceptibility testing; automation and quality assurance.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 221 OR BIOL 165
Schedule Type: Lecture, Lecture/Lab
College Code: CHHS

MLSC 240 - Fundamentals of Immunohematology
Credits: 1
Introduces blood group systems, antibody screening, antibody identification, and compatibility testing. Selected routine procedures are performed.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 221 Anatomy & Physiology I OR BIOL 165 Foundations of Biology
Prerequisite/Corequisite: MLSC 320 strongly recommended, or concurrent enrollment, or permission of instructor
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CHHS

MLSC 320 - Fundamentals of Immunology
Credits: 3
Innate and acquired immune systems of the human organism; immunoglobulin production, structure, function, and diversity; antigen characteristics, variety, and specific red cell groups; tolerance and memory; complement structure and function; cell mediated immunity function and regulation; autoimmune disorders; transplantation and tumor immunology; immunodeficiency disorders; principles and procedures of techniques used in modern immunology lab. Note: Non-premed/pre-dent students transferring into the clinical program may apply this course toward biology credits.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Lecture/Lab
College Code: CHHS
MLSC 350 - Fundamentals of Clinical Chemistry
Credits: 3
Clinical lab procedures, safety, application of statistical procedures in quality control, and principles of clinical laboratory instrumentation. Topics include carbohydrates, lipids, electrolytes, and hepatic function with selected pathologies.

Lecture/Lab: Weekly: 3 lectures and 1 lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F, I, W)
Prerequisite(s): BIOL 165
Schedule Type: Lecture, Lab
College Code: CHHS

MLSC 380 - Pathophysiology for Health Professions
Credits: 3
Study of physiological changes and processes that occur during chronic and acute illnesses. Application of essential concepts of disease processes, such as inflammation, healing, and corresponding markers for disease detection, clinical intervention, monitoring, and prognosis.

Lecture/Lab: Weekly: 2 lectures
Course/Lab Fee: Yes
Grade Mode: Normal (A-F, I, W)
Prerequisite(s): One of the following BIOL 100, BIOL 221, BIOL 222, BIOL 165, BIOL 166, OR permission of the instructor.
Schedule Type: Lecture, Interactive Online
Term Offering: Spring
College Code: CHHS

MLSC 401 - Clinical Year Seminar and Research Methodology
Credits: 1
Introduction to educational methodology, multicultural communication, professionalism, medical laboratory sciences literature review, research design and practice. Attendance to all sessions is required.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F, I, W)
Prerequisite(s): Permission of program director.
Prerequisite/Corequisite: Permission of program director. Enrolled in Clinical Year Program.
Schedule Type: Seminar
College Code: CHHS

MLSC 405 - Clinical Year Seminar and Research Project
Credits: 1
Introduction to team building, service outreach and professional development. Research in medical laboratory science under the direction of a departmental faculty member. Preparation and delivery of a written report and oral presentation on the research project. Attendance to all sessions is required.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F, I, W)
Prerequisite(s): Permission of program director
Schedule Type: Seminar
College Code: CHHS

MLSC 411 - Hematology
Credits: 3
Cellular elements of the blood, their maturation, functions, and morphologies; hematological abnormalities in disease states; principles and procedures of routine and special hematology assay methodologies; correlation of patient conditions with results of hematology assay results.

Grade Mode: Normal (A-F, I, W)
Prerequisite(s): MLSC 210 and permission of program director
Schedule Type: Lecture, Lab
College Code: CHHS

MLSC 414 - Body Fluids & Hemostasis
Credits: 3
Overview of the theory and practice in manual procedures for analyzing various body fluids such as serous fluids, synovial fluids, amniotic fluid, and urine. Correlations with normal physiology and selected pathological conditions.

Hemostasis systems, their function, interaction, and monitoring; correlation of hemostasis assay results with various disorders; thrombosis and anticoagulant therapy; principles and procedures of routine and special hemostasis assays.

Lecture/Lab: Weekly: 3 lectures and a 2-hour lab
Grade Mode: Normal (A-F, I, W)
Prerequisite(s): MLSC 411 and permission of program director.
Schedule Type: Lecture/Lab
Term Offering: Spring
College Code: CHHS

MLSC 415 - Hematology, Hemostasis, & Body Fluids Practicum
Credits: 3
Professional health-care laboratory practicum; emphasis in patient-care application of hematology, hemostasis, and body fluids.

Grade Mode: Normal with DG (A-F, I, W, DG, DN)
Prerequisite(s): MLSC 411, 414 and permission of program director.
Schedule Type: Practicum
College Code: CHHS

MLSC 421 - Clinical Immunology, Virology and Molecular Diagnostics
Credits: 2
Theory and application of immunologic/serologic and basic molecular techniques including detection, analyses and epidemiology. Emphasis on correlation of patient conditions with test results for viral and bacterial diseases and cancers.

Grade Mode: Normal (A-F, I, W)
Prerequisite(s): MLSC 320 and permission of program director
Schedule Type: Lecture, Lab
College Code: CHHS

MLSC 423 - Clinical Immunology, Virology, and Molecular Diagnostics Practicum
Credits: 1
Professional health-care laboratory practicum: emphasizes patient-care applications of immunology, serology, virology and molecular techniques.

Grade Mode: Normal with DG (A-F, I, W, DG, DN)
Prerequisite(s): MLSC 421 and permission of program director
Schedule Type: Practicum
College Code: CHHS

MLSC 431 - Clinical Bacteriology
Credits: 4
Emphasis on specimen collection, culture, identification and clinical significance of bacterial pathogens. Simulated clinical practice for the separation of normal flora from pathogenic microorganisms encountered in various body sites including the study of antimicrobial susceptibility testing.

Grade Mode: Normal (A-F, I, W)
Prerequisite(s): MLSC 230 and permission of program director
Schedule Type: Lecture, Lab
College Code: CHHS

MLSC 432 - Specialized Clinical Microbiology
Credits: 2
Study of mycobacteria, fungi and parasites associated in human infections. Emphasis on specimen collection and preservation, acid-fast testing, culture and identification procedures.

Grade Mode: Normal (A-F, I, W)
Prerequisite(s): MLSC 431 and permission of program director
Schedule Type: Lecture, Lab
Term Offering: Spring
College Code: CHHS

MLSC 433 - Clinical Microbiology Practicum
Credits: 4
Professional health-care laboratory practicum; emphasis in patient-care applications of bacteriology, mycology and parasitology.

Grade Mode: Normal with DG (A-F, I, W, DG, DN)
Prerequisite(s): MLSC 431, MLSC 432 and permission of program director
Schedule Type: Practicum
College Code: CHHS
MLSC 441 - Immuno-hematology
Credits: 3
Blood grouping and typing; blood group systems; compatibility testing; antibody identification; quality control and quality assurance; donor recruitment and selection; component preparation; blood-banking records; grouping and compatibility problem solving; patient clinical state correlations.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MLSC 240, MLSC 320 and permission of program director
Schedule Type: Lecture, Lab
College Code: CHHS

MLSC 442 - Transfusion Medicine
Credits: 2
In-depth study of immunohematology testing results, clinical patient manifestations, blood component therapy and blood product requirements.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MLSC 441 and permission of program director
Schedule Type: Lecture, Lab
College Code: CHHS

MLSC 443 - Clinical Immunohematology Practicum
Credits: 4
Professional health-care laboratory practicum; emphasis in patient-care applications of immunohematology.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Prerequisite(s): MLSC 441, MLSC 442 and permission of program director
Schedule Type: Practicum
College Code: CHHS

MLSC 451 - Clinical Chemistry I
Credits: 3
Theories, principles, and laboratory applications of Clinical Chemistry, with correlations with normal physiology, selected pathophysiological conditions. Analysis of relevant blood and body fluid constituents.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MLSC 350 and permission of program director
Schedule Type: Lecture, Lab
College Code: CHHS

MLSC 452 - Clinical Chemistry II
Credits: 3
A continuation of MLSC 451 Clinical Chemistry I. Correlations with normal physiology, pathophysiological conditions of organs and systems, and special Clinical Chemistry topics. Analysis of relevant blood and body fluid constituents.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MLSC 451 and permission of program director
Schedule Type: Lecture, Lab
College Code: CHHS

MLSC 453 - Clinical Chemistry Practicum
Credits: 3
Professional health-care laboratory practicum. Emphasis on patient-care applications in clinical chemistry.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Prerequisite(s): MLSC 451, MLSC 452 and permission of program director
Schedule Type: Practicum
College Code: CHHS

MLSC 470 - Laboratory Operations & Best Practices
Credits: 3
Basic concepts in laboratory operations. Topics include quality assessment/troubleshooting, pre-analytical, quality control, Point-of-Care (POCT), compliance, regulation as it pertains to proficiency testing, competency assessment, accreditation standards, and basic management concepts/principles.

Lecture/Lab: Weekly: 2 lectures and a 2-hour lab
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Permission of program director
Schedule Type: Lecture/Lab
Term Offering: Spring
College Code: CHHS

MLSC 473 - Laboratory Operations Practicum
Credits: 1
Professional health-care laboratory practicum; emphasis in patient-care application of quality assessment/troubleshooting, pre-analytical, quality control and Point-of-Care (POCT).

Course/Lab Fee: Yes
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Prerequisite(s): MLSC 470 and permission of program director
Schedule Type: Practicum
College Code: CHHS

MLSC 478 - Medical Laboratory Science Study Tour
Credits: 0
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.

Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Blended Learning
Special Approval: Instructor permission required.
College Code: CHHS

MLSC 490 - Topics in _________
Credits: 1–4
An in-depth study of selected topics in the medical laboratory sciences.

Grade Mode: Normal (A-F,I,S,U,W)
Prerequisite(s): Permission of Program Director
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CHHS

MLSC 491 - Independent Project
Credits: 1–4
Topics may be from areas relevant to clinical laboratory practice and must be approved by the Program director.

Grade Mode: Normal with S (A-F,I,S,U,W)
Prerequisite(s): Permission of program director
Repeatable: Repeatable with different topics
Schedule Type: Independent
College Code: CHHS

MLSC 496 - Extended Clinical Practicum
Credits: 1
A twelve-week professional health-care laboratory practicum. Emphasis in patient-care applications. Subject areas are to be coordinated with the Clinical Site Education Coordinator and the program director.

Course/Lab Fee: Yes
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Prerequisite(s): Successful completion of the 20-week clinical practica of the clinical-year program and permission of program director
Schedule Type: Practicum
College Code: CHHS

MLSC 497 - Program Continuation
Credits: 0
Students may register for this non-credit continuation course to maintain active status. Registration does not indicate full-time status.

Grade Mode: Satisfactory w/o 'I' (S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS
MLSC 500 - Foundations for Graduate Study in Medical Laboratory Science
Credits: 1
Orientation designed for students to refine the skills needed for successful graduate work. Focus on academic and professional proficiencies such as critical thinking, principles of research, and scholarly writing. Written and oral presentation required.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Permission of Graduate Program Director.
Schedule Type: Lecture, Interactive Online
College Code: CHHS

MLSC 501 - Seminar in Medical Laboratory Science
Credits: 1
Literature review of current laboratory science topics. A service-based activity addressing a relevant issue in laboratory science required.

Grade Mode: Normal [A-F,I,W]
Prerequisite(s): Permission of Graduate Program Director.
Schedule Type: Seminar, Interactive Online
College Code: CHHS

MLSC 561 - Laboratory Management: Issues and Strategies
Credits: 3
An overview of issues and strategies relevant to managing a medical laboratory. Topics include historic perspective of management; organizational structure; management responsibilities and functions; personnel resources; performance improvement; training and evaluation; safety regulations and health compliance; financial matters such as cost/benefit analysis, budgeting, and reimbursement; record keeping and data management; information systems; marketing; and ethics.

Grade Mode: Normal [A-F,I,W]
Prerequisite(s): Permission of Graduate Program Director.
Schedule Type: Lecture, Interactive Online
College Code: CHHS

MLSC 562 - Issues in Laboratory Regulations and Practice
Credits: 3
Clinical laboratories are increasingly regulated by state, federal and other agencies. Applicable regulations will be examined and their impact on laboratory operations evaluated. A selected number of laboratory quality assurance procedures, as specified by CLIA '88 regulations, will be performed in the laboratory.

Grade Mode: Normal [A-F,I,W]
Prerequisite(s): Statistics and permission of Graduate Program Director.
Schedule Type: Lecture, Interactive Online
College Code: CHHS

MLSC 580 - Pathophysiology for Health Professions
Credits: 2
Study and application of advanced pathophysiological concepts occurring in acute and chronic manifestations of frequent and rare disorders/conditions such as porphyria, intrahepatic, cholestasis, and inborn errors of metabolism. Analysis of epidemiology risk factors, etiology, pathophysiology, clinical manifestations and diagnostic tests for selected illnesses across the lifespan.

Grade Mode: Normal [A-F,I,W]
Prerequisite(s): Permission of Graduate Program Director.
Schedule Type: Lecture, Interactive Online
College Code: CHHS

MLSC 585 - Applied Studies in Medical Laboratory Science
Credits: 5
Designed in consultation with and coordinated by the area specialty advisor. A proposal, cumulative report, presentation and defense required. Clinical placement depends on clinical site availability.

Course/Lab Fee: Yes
Grade Mode: Normal [A-F,I,W]
Prerequisite(s): Certification and/or licensure as a Medical Laboratory Scientist and permission of Graduate Program Director.
Schedule Type: Lab, Interactive Online
College Code: CHHS

MLSC 595 - Independent Study/Readings/Research Project
Credits: 1–4
Topics may be from immunology, immunohematology, clinical chemistry, hematology, microbiology and other areas of patient-care science, clinical laboratory science education, management, or applications specially relevant to clinical laboratories.

Grade Mode: Normal w/ DG
Prerequisite(s): Permission of Graduate Program Director.
Repeatable up to 4 credits with different topics
Schedule Type: Independent
College Code: CHHS

MLSC 611 - Molecular Diagnostics in Health and Disease I
Credits: 3
Biomolecular foundations for clinical applications in molecular pathology, with emphasis on disorders of genetic origin, protein structure, and function.

Grade Mode: Normal [A-F,I,W]
Prerequisite(s): Permission of Graduate Program Director.
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

MLSC 612 - Molecular Diagnostics in Health and Disease II
Credits: 3
Clinical applications in molecular pathology with focus on disorders associated with the cell membrane structures, receptors, signaling, and origin of malignancies.

Grade Mode: Normal [A-F,I,W]
Prerequisite(s): Permission of Graduate Program Director.
Schedule Type: Lecture, Interactive Online
College Code: CHHS

MLSC 621 - Laboratory Applications of Molecular Pathology
Credits: 2
Operation of molecular laboratory equipment; extraction, hybridization, and quantification (or quantitation) of nucleic acids. Clinical applications of electrophoresis, nucleic acid amplification, sequencing, and detection techniques.

Course/Lab Fee: Yes
Grade Mode: Normal [A-F,I,W]
Prerequisite(s): Permission of Graduate Program Coordinator.
Schedule Type: Lab
College Code: CHHS

MLSC 646 - Integration of Spirituality in Health Care
Credits: 2,3
A discussion of spiritual values from a Christian perspective, how faith and Spirituality facilitates the healing process, and how they can be incorporated into patient care. Attention will be given to discerning and addressing the Spiritual needs of patients/clients, family members, and ancillary medical staff in a professional environment.

Grade Mode: Normal [A-F,I,W]
Schedule Type: Lecture, Interactive Online
College Code: CHHS

MLSC 650 - Project Continuation
Credits: 0
Students may register for this course while clearing deferred grade (DG) and/or incomplete (I) courses with approval only. Registration for this course indicates full-time status.

Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeateable up to 4 credits with different topics
Schedule Type: Independent
Special Approval: Program Director Permission Required
College Code: CHHS

MLSC 655 - Program Continuation
Credits: 0
Students may register for this non-credit continuation course to maintain active status. For additional information on active status, please refer to the School of Graduate Studies & Research. Registration does not indicate full-time status.

Course/Lab Fee: Yes
MLSC 678 - Medical Laboratory Science Study Tour
Credits: 0
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.

Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

MLSC 690 - Topics: ______
Credits: 1–4
An in-depth study of selected topics in medical laboratory sciences.

Grade Mode: Normal w S (A-F,I,S,U,W)
Prerequisite(s): Permission of the Graduate Program Director
Repeatable: Repeatable
Schedule Type: Lecture, Interactive Online
College Code: CHHS

PBTC 300 - Clinical Specimen Collection and Processing
Credits: 2
Review of anatomy and physiology of circulatory system pertaining to specimen collection. Study of clinical specimen collection techniques, specimen processing and handling, and laboratory operations for phlebotomy.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): One of the following BIOL 100 , BIOL 221 , BIOL 222 , BIOL 165 , BIOL 166 , and permission of the instructor.
Schedule Type: Lecture, Lab, Lecture/Lab
Term Offering: Spring
College Code: CHHS

PBTC 303 - Clinical Specimen Collection and Processing Practicum
Credits: 3
Professional phlebotomy practicum that involves contact with various patient types, in a variety of clinical scenarios that includes inpatient and outpatient settings.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PBTC 300 or permission of the instructor
Schedule Type: Practicum
College Code: CHHS
School of Architecture & Interior Design

Architecture Faculty
Ariel Solis, Chair
Kathleen M. Demsky, Library Director
Paula L. Dronen
Thomas B. Lowing
Mark A. Dronen
Christopher Perry
Rhonda G. Root
Martin D. Smith
Andrew C. von Maur
Kristin S. von Maur

Carey C. Carscallen, Professor Emeritus
Llewellyn D. Seibold, Professor Emeritus

Mission
The faculty promote stewardship, rigorous scholarship and creative problem solving in their disciplines, and encourage students to:
- Shape places that foster whole human health;
- Explore time-honored and innovative solutions in their works;
- Seek joy, beauty, and moderation in a lifelong pursuit of learning;
- Serve mankind in accord with a professional and Christian vocation.
All this for the glory of God until the risen Christ comes again.

Academic Calendar 2020–2021
May 25, 2020 Deadline for application to BSA professional degree track, BID and BSCM programs. (Currently enrolled students and transfer students seeking studio placement.)

Master of Architecture (3½-Year Track) Application Deadlines
Sept 15, 2020 For January 2021 admission
Feb 15, 2021 For summer or fall admission

Resources
Architecture Resource Center (ARC). The ARC provides an extensive range of materials including over 25,000 books, 90 journals, and a growing media collection. An added dimension to resource materials are two special collections. The ARC maintains a relationship with the Environmental Design Research Association, and houses an internationally recognized collection of books and materials in the area of environmental psychology and design. In addition, the ARC holds the Senseman Rare Book Collection of over 800 rare and out-of-print books and photos.

Student Handbook. A handbook for School of Architecture & Interior Design students outlining policies, operational guidelines, and general information is available from the School office. Students are responsible for all policies outlined in the School of Architecture & Interior Design Student Handbook.

Program Accreditation
In the United States, most state registration boards require a degree from an accredited professional degree program as a prerequisite for licensure. The National Architectural Accrediting Board (NAAB), which is the sole agency authorized to accredit U.S. professional degree programs in architecture, recognizes three types of degrees: the Bachelor of Architecture, the Master of Architecture, and the Doctor of Architecture. A program may be granted a eight-year, four-year, or two-year term of accreditation, depending on the extent of its conformance with established educational standards.

Doctor of Architecture and Master of Architecture degree programs may require a pre-professional undergraduate degree for admission. However, the pre-professional degree is not, by itself, recognized as an accredited degree.

Andrews University School of Architecture & Interior Design offers the following NAAB-accredited programs:
- MArch (pre-professional degree—138 undergraduate credits + 30 graduate credits)
- MArch (non-pre-professional degree + 72 undergraduate prerequisite credits + 30 graduate credits)

Next accreditation visit for all programs: 2026
(The National Architectural Accrediting Board, Inc., 2014 Conditions for Accreditation)

Architecture AS

The Associate of Science in Architecture program is a nonprofessional degree program (2 years) that teaches technical skills in drafting, building information modeling (BIM), specifications, construction documents, and physical model making. Students who choose this program may seek advanced degrees and/or employment as non-licensed architectural technicians or other entry-level positions in architecture, engineering and construction industries (AEC), arts, real estate, and other fields.

Total Credits - 66

Major - 34

ARCH 126 - Drawing and Graphics Studio Credits: 3
ARCH 150 - Introduction to Architecture and Design Credits: 3
ARCH 165 - Architectural Digital Representation I Credits: 3
ARCH 201 - Construction I Credits: 3
ARCH 202 - Construction II Credits: 3
ARCH 215 - Introduction to Design Studio Credits: 5
ARCH 247 - Architecture as Craft Studio Credits: 5
ARCH 265 - Architectural Digital Representation II Credits: 3
ARCH 315 - History of Architecture I Credits: 3
ARCH 316 - History of Architecture II Credits: 3

Bachelors

Architectural Studies BS (Non-Professional)

The Bachelor of Science in Architectural Studies is a nonprofessional degree. Students who elect this degree do not proceed into the professional program track. In this program, Architectural Studies is declared as a major and upon successful completion, receives an undergraduate degree. Students who elect for this degree may seek advanced degrees or employment in the construction industry, the arts, business, and other fields.

Total Credits - 126+

Major - 38

ARCH 126 - Drawing and Graphics Studio Credits: 3
ARCH 150 - Introduction to Architecture and Design Credits: 3
ARCH 215 - Introduction to Design Studio Credits: 5
ARCH 315 - History of Architecture I Credits: 3
ARCH 316 - History of Architecture II Credits: 3

Electives
A minimum of 21 elective credits from courses with ARCH acronyms of which 9 must be upper division.

Cognates - 6

ART 104 - Drawing I Credits: 3
ART 207 - Basic Design I Credits: 3

Additional Requirements
Students in this major are required to have a minor.

Student Learning Outcomes
At the end of the program, students should be able to:
- Understand the relationship between building and landscape.

(For summer or fall admission)

(For January 2021 admission)

(For summer or fall admission)
• Understand the fundamental design concepts involved in a variety of architectural languages.
• Gain introductory knowledge of conventional building systems.
• Understand a global view for the historical architecture and architects as a connection to understanding global and cultural diversity.
• Develop a vocabulary of words, images, concepts, and ideas rooted in the study of architectural precedents and form.

Architecture BSA (Professional Degree Track)

The professional degree program consists of a pre-professional Bachelor of Science in Architecture and then a Master of Architecture. When earned sequentially, the degree track results in the accredited professional education.

Total Credits - 138

Major - 93

Analytical Summer Abroad

Each student is required to attend the Analytical Summer Abroad (ARCH330). This program is usually five weeks in duration. Students completing Professional Track Year One should make plans accordingly. For further information, consult the School of Architecture & Interior Design.

Undergraduate Electives - 5

Courses must be non-ARCH courses.

Maintaining Academic Standing

Students are required to complete the BSA in a specific path sequence. Please see the attached chronological listing of courses by year with academic requirements.

Academic standards apply to the BS, BSA, BID and BSCM. A grade of C- or higher is required in order to continue in the design studio sequence. A grade of less than C- requires a student to repeat that studio before advancing in the studio sequence. Faculty approval is required for any studio course to be repeated. This includes ART 104, ARCH 126, ARCH 215, ARCH 247, ARCH 318, ARCH 320, ARCH 441, ARCH 442, INT 341, INT 342, INT 441, INT 442.

Students accepted to the BSA Professional Degree Track are expected to maintain a minimum cumulative GPA requirement of 2.75 for acceptance into the Master of Architecture year (see Graduate-Year Enrollment requirements). Students whose cumulative GPA falls below this minimum requirement are not allowed to continue to the Master of Architecture Year (graduate-year) but may be eligible to receive the Bachelor of Science in Architecture (BSA), the pre-professional component of the professional Master of Architecture. The BSA alone is not an NAAB-accredited degree. A minimum cumulative GPA of 2.25 is required to receive the BSA.

Admission Requirements

Application Process

BSA Professional Degree Track, BID or BSCM
Students seeking to pursue the *BSA Professional Degree Track, BID or BSCM must first submit an Andrews University undergraduate application for acceptance to the University. Students admitted to the University on regular standing are eligible to begin Pre-Professional Year One, which is a common first-year experience between these programs.

Upon completion of Pre-Professional Year One students must:

• Declare their degree program choice (BSA Professional Degree Track, BID or BSCM) and
• Have a minimum cumulative GPA of 2.5

Upon completion of Pre-Professional Year Two students must apply for acceptance to their respective programs. The application packet may be obtained from the School and must be submitted directly to the School by the application deadline. Minimum requirements to be considered for admission to these programs are outlined under each program curricula.

* Students taking the BSA Professional Degree Track who plan to pursue the Master of Architecture must meet the standards outlined under Graduate-Year Enrollment.

Transfer Students

Transfer applicants who have no previous work in architectural/interior design must complete the foundation years (pre-professional years one and two) and then make formal application to their program choice.

Advanced Standing

Transfer students from another architecture program may apply for advanced standing (third or fourth year) in their program choice. Transfer students applying for advanced standing are required to submit both the university application and the School of Architecture & Interior Design application. Please contact the School for specific information.

Tentative placement into the design sequence is made after the Admissions Committee has evaluated the student’s submissions. After one term, the student is given final placement in the design sequence and, on the basis of transfer-course evaluations, receives credit for previous academic work towards the Andrews University degree.
The School does not accept applications to the Master of Architecture year only.

**Summer Studio.** In some cases, completion of the Summer Studio program is best for transfer students. Prior to application, students must have a transcript analysis done by the School to determine eligibility for the program. It is expected that students pursuing the summer studio option will have completed the majority of Andrews Core Experience courses normally required in Pre-Professional Year One.

Application to the Summer Studio is made by filling out an Andrews University Undergraduate Application. Students applying to this program, in addition to applying to Andrews University, must also contact the School of Architecture & Interior Design directly to confirm their reservation for the class.

**Graduate Year Admission**

In addition to meeting the General Minimum Admission Requirements for graduate degree programs, the following School requirements apply to the graduate phase of this program.

- Completion of a baccalaureate degree—BSA: Architecture.
- Successful completion of all undergraduate coursework with a minimum cumulative GPA of 2.75.
- Completion of the Graduate Record Exam (GRE). The GRE must be taken and scores reported prior to beginning the M.Arch. year.

**Student Learning Outcomes**

At the end of the program, students should be able to:

- Build abstract relationships and understand the impact of ideas based on the study and analysis of multiple theoretical, social, political, economic, cultural, and environmental contexts.
- Use a diverse range of skills to think about and convey architectural ideas, including writing, investigating, speaking, drawing, and modeling.
- Comprehend the technical aspects of design, systems, and materials, and be able to apply that comprehension to architectural solutions.
- Synthesize a wide range of variables into an integrated design solution.
- Understand business principles for the practice of architecture, including management, advocacy, and the need to act legally, ethically, and critically for the good of the client, society, and the public.

Undergraduate Minors

Architectural Studies Minor
The Architectural Studies Minor is an excellent way to be introduced to the profession of architecture and architectural thinking. For those interested in gaining a cursory understanding of architectural principles this minor would be an excellent choice.

Total Credits - 23
- ARCH 126 - Drawing and Graphics Studio Credits: 3
- ARCH 150 - Introduction to Architecture and Design Credits: 3
- ARCH 215 - Introduction to Design Studio Credits: 5
Choose 12 additional credits with a minimum of 6 upper division credits from courses with ARCH acronym.

Student Learning Outcomes
At the end of the program, students should:
- Be familiar with the concepts necessary to evaluate and think about the qualities of a place.
- Be able to recognize and be conversant in the vocabulary common to the profession of architecture.
- Understand information portrayed in architectural drawings and models.
- Understand architecture as a disciplined body of thought and practice that has significant historical and cultural value.

Masters

Architecture MArch (3 1/2 Year Track)
The 3½-year professional degree program is designed for students who have previously earned an undergraduate degree in an unrelated area of study. Under this program, the student spends the first 2½ years completing undergraduate prerequisite architectural core courses. The final year is similar to the final year of the Master of Architecture 5½-year degree which results in the accredited professional degree. Please see the Academic Calendar for application deadlines.

Total Credits - 102

Prerequisites - 72
- ARCH 150 - Introduction to Architecture and Design Credits: 3
- ARCH 201 - Construction I Credits: 3
- ARCH 202 - Construction II Credits: 3
- ARCH 205 - Structures I Credits: 4
- ARCH 247 - Architecture as Craft Studio Credits: 5
- ARCH 305 - Structures II Credits: 4
- ARCH 315 - History of Architecture I Credits: 3
- ARCH 316 - History of Architecture II Credits: 3
- ARCH 318 - Background Building Studio Credits: 5
- ARCH 320 - Placemaking Studio Credits: 5
- ARCH 335 - Environmental Technology I Credits: 4
- ARCH 336 - Environmental Technology II Credits: 4
- ARCH 370 - Person-Environment Theory Credits: 3
- ARCH 434 - Urban Studies Credits: 3
- ARCH 435 - Introduction to Building Information Modeling Credits: 3
- ARCH 441 - Comprehensive Building Design Studio Credits: 5
- ARCH 442 - Integrative Design Studio Credits: 5
- ARCH 449 - Integrative Design I Credits: 2
- ARCH 459 - Design Theory Credits: 3
- ARCH 469 - Integrative Design II Credits: 2

Graduate Program - 30
- ARCH 521 - Urban Design Studio Credits: 6
- ARCH 522 - Visiting Critic/Topic Studio Credits: 6
- ARCH 536 - Professional Practice I Credits: 2
- ARCH 537 - Professional Practice II Credits: 2

Electives
A minimum of 14 credits of electives must be selected from ARCH, BSCM and INT courses.

Maintaining Academic Standing
- No grade lower than C (2.00) in any course in the graduate portion of the program.
- A student whose cumulative graduate GPA falls below 3.0 in any given term is placed on academic probation. A student is normally disqualified if they do not increase their graduate GPA to 3.0 during the academic term of probation.
- A minimum cumulative GPA of 3.0 is required to receive the Master of Architecture degree.

Admission Requirements
Application must be made online to the School of Graduate Studies & Research. In addition to meeting the application requirements of the School of Graduate Studies & Research, applicants should:
- Hold an undergraduate degree.
- Have a minimum cumulative undergraduate GPA of 3.0.
- Submit an online application.
- Submit a portfolio of work (this work need not be architectural in nature, it may include writing samples, drawings, photography, etc.) Original work will not be accepted.
- The following prerequisite courses may be required at the discretion of the Admissions Committee:
  - ARCH 126 - Drawing and Graphics Studio
  - ART 104 - Drawing I
  - MATH 168 - Precalculus
  - PHYS 141 - General Physics I
  - Upon acceptance, graduate standards of scholarship apply to all coursework.

Student Learning Outcomes
At the end of the program, students should be able to:
- Build abstract relationships and understand the impact of ideas based on the study and analysis of multiple theoretical, social, political, economic, cultural, and environmental contexts.
- Use a diverse range of skills to think about and convey architectural ideas, including writing, investigating, speaking, drawing, and modeling.
- Comprehend the technical aspects of design, systems, and materials, and be able to apply that comprehension to architectural solutions.
- Synthesize a wide range of variables into an integrated design solution.
- Understand business principles for the practice of architecture, including management, advocacy, and the need to act legally, ethically, and critically for the good of the client, society, and the public.

Architecture MArch (5 1/2 Year Track)
The professional degree program consists of a pre-professional Bachelor of Science in Architecture and then a Master of Architecture. When earned sequentially, the degree track results in the accredited professional education.

Total Credits - 30
- ARCH 521 - Urban Design Studio Credits: 6
- ARCH 522 - Visiting Critic/Topic Studio Credits: 6
- ARCH 536 - Professional Practice I Credits: 2
Electives
A minimum of 14 credits of architecture electives at the graduate level. Elective must be selected from ARCH, BSCM and INT courses. Selection of electives outside of school offerings requires the approval of the school faculty.

Maintaining Academic Standing
- No grade lower than C (2.00) in any course in the graduate portion of the program.
- A student whose cumulative graduate GPA falls below 3.0 in any given term is placed on academic probation. A student is normally disqualified if they do not increase their graduate GPA to 3.0 during the academic term of probation.
- A minimum cumulative GPA of 3.0 is required to receive the Master of Architecture.

Admission Requirements

Application Process
In addition to meeting the General Minimum Admission Requirements for graduate degree programs, the following School requirements apply to the graduate phase of this program.

- Completion of a baccalaureate degree—BSA: Architecture.
- Successful completion of all undergraduate coursework with a minimum cumulative GPA of 2.75.
- Completion of the Graduate Record Exam (GRE). The GRE must be taken AND scores reported prior to beginning the M.Arch. year.

Student Learning Outcomes
At the end of the program, students should be able to:
- Build abstract relationships and understand the impact of ideas based on the study and analysis of multiple theoretical, social, political, economic, cultural, and environmental contexts.
- Use a diverse range of skills to think about and convey architectural ideas, including writing, investigating, speaking, drawing, and modeling.
- Comprehend the technical aspects of design, systems, and materials, and be able to apply that comprehension to architectural solutions.
- Synthesize a wide range of variables into an integrated design solution.
- Understand business principles for the practice of architecture, including management, advocacy, and the need to act legally, ethically, and critically for the good of the client, society, and the public.

Architecture

ARCH 126 - Drawing and Graphics Studio
Credits: 3
Introduction to freehand drawing and architectural drawing graphic conventions. Exercises include freehand and drafted drawings of building plans, sections, and elevations, and an introduction to three-dimensional representation.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
Term Offering: Spring, Summer
College Code: CHHS

ARCH 150 - Introduction to Architecture and Design
Credits: 3
Emphasis on design concepts, professional vocabulary, historical appreciation, contemporary issues, and values that are important to the mission of the School of Architecture & Interior Design. Open to all students.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

ARCH 165 - Architectural Digital Representation I
Credits: 3
Introduction to foundational digital media for architecture design. Includes 2-D documentation, 3-D modeling, renderings, and techniques.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Annually
College Code: CHHS

ARCH 201 - Construction I
Credits: 3
An overview of site work, foundation, and structural systems as well as an investigation into the structural and material properties, assembly methods and detailing primarily for wood and masonry construction systems.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

ARCH 202 - Construction II
Credits: 3
An investigation into the structural and material properties, assembly methods and detailing primarily for steel and concrete construction systems as well as an introduction to cost estimating.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 201.
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

ARCH 205 - Structures I
Credits: 4

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 168 & PHYS 141.
Schedule Type: Lecture/Lab
Term Offering: Fall
College Code: CHHS

ARCH 215 - Introduction to Design Studio
Credits: 5
Introduction to formal composition, architectural typology and principles of building context in the design of buildings and artifacts with simple program elements. Minimum cumulative GPA of 2.5.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 126.
Schedule Type: Studio
Term Offering: Fall
College Code: CHHS

ARCH 247 - Architecture as Craft Studio
Credits: 5
Design projects focusing on the materiality of architecture and the logic of construction.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 215
Schedule Type: Studio
Term Offering: Spring
College Code: CHHS

ARCH 265 - Architectural Digital Representation II
Credits: 3
Introduction to foundational digital media for architecture design. Includes 2-D documentation, 3-D modeling, renderings, and techniques.
ARCH 299 - Independent Study
Credits: 1–4
Study of special topics not currently offered by the School of Architecture, Art & Design. In consultation with a professor, the student researches a selected area, filing a copy of the completed project report in the School of Architecture, Art & Design office. A minimum of 30 hours of work required for each credit. May be repeated for a total of 6 credits.

Grade Mode: Normal w S (A-F,I,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CHHS

ARCH 305 - Structures II
Credits: 4
Structural problems in steel analysis and principles of concrete and masonry, lateral loads due to wind and seismic forces.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 205.
Schedule Type: Lecture/Lab
Term Offering: Spring
College Code: CHHS

ARCH 315 - History of Architecture I
Credits: 3
Chronological overview of the history of architecture from prehistory through the 14th century (Gothic). Emphasis is on the vocabulary and design of buildings, their symbolic relationships, and their meaning in a cultural and human context.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115.
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

ARCH 316 - History of Architecture II
Credits: 3
Chronological overview of the history of architecture from the 15th century (Renaissance) to today. Emphasis is on the vocabulary and design of buildings, their symbolic relationships, and their meaning in a cultural and human context.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115.
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

ARCH 318 - Background Building Studio
Credits: 5
Design of a commercial and/or residential building(s) of increased programmatic complexity, in the physical and cultural setting of a traditional small town or urban neighborhood.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 247, admission to the Professional Degree Track.
Schedule Type: Studio
Term Offering: Fall
College Code: CHHS

ARCH 320 - Placemaking Studio
Credits: 5
The design of buildings as it relates to landscape and to human experience with increased complexity of program and form.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 247, admission to the Professional Degree Track.
Schedule Type: Studio
Term Offering: Fall
College Code: CHHS

ARCH 330 - Analytical Summer Abroad
Credits: 6
A course focusing upon study, analysis, and documentation of buildings, spaces, and/or gardens in another country. Venues may change from year to year.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 318.
Schedule Type: Blended Learning
Term Offering: Summer
College Code: CHHS

ARCH 335 - Environmental Technology I
Credits: 4
Introduction to environmentally, energy-conscious design concepts with the primary focus on climate and site analysis. An overview of standard evaluation methods for thermal performance in both design development and qualitative building evaluations covers heat loss/gain, thermal and solar envelope, HVAC system selection and layout. Principles of water conservation, collection and supply, and the treatment and disposal of liquid and solid wastes.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

ARCH 336 - Environmental Technology II
Credits: 4
Principles of design for fire safety and code compliance. Principles of electricity and a brief survey of electrical systems and wiring design. The design and location requirements of elevators and moving stairways and walks. A qualitative overview of lighting and acoustics and their integration into the design of buildings with introductory quantitative methods.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PHYS 141.
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

ARCH 370 - Person-Environment Theory
Credits: 3
Studies in the relationship between people and the environment, including a consideration of towns, cities, gardens, buildings, and artifacts, as well as the cultural and natural landscape.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 320.
Schedule Type: Lecture
College Code: CHHS

ARCH 390 - Special Topics in ________
Credits: 1–4
Based on selected topics of current interest in architecture offered by the School of Architecture & Interior Design. May be repeated in different topic areas.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: CHHS

ARCH 395 - Community Project in Architecture
Credits: 1–6
"Hands-on" involvement in humanitarian and/or service oriented projects in an on-site work environment. Work initiated by students requires prior approval of faculty.

Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CHHS

ARCH 424 - Islamic Architecture
Credits: 2,3
A focused view on the period of architectural history known as Islamic Architecture. Covers the beginnings of Islamic period from 600 CE to the present time, looking at Islamic buildings from all parts of the world.
Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 315 & ARCH 316.
Schedule Type: Lecture
College Code: CHHS

ARCH 425 - Architecture of Ancient Americas
Credits: 2,3
A focused view of the architectural history that covers ancient North, Central and South Americas. Covers the vernacular architecture and art of the Native American cultures.

Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 315 & ARCH 316.
Schedule Type: Lecture
College Code: CHHS

ARCH 426 - Far Eastern Architecture
Credits: 2,3
A focused view of the architectural history that covers ancient Far East. Covers the vernacular architecture and art from India to China, Japan and the Southeast Asian cultures.

Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 315 & ARCH 316.
Schedule Type: Lecture
College Code: CHHS

ARCH 434 - Urban Studies
Credits: 3
A broad survey, both typological and historical, of the physical characteristics of cities and their development, with an emphasis upon urban form as a cooperative human artifact embodying particular cultural values and ideas.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ENGL 115.
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

ARCH 435 - Introduction to Building Information Modeling
Credits: 3
An introduction to Building Information Modeling (BIM) using Autodesk REVIT software.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): ARCH 441, ARCH 449.
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

ARCH 441 - Comprehensive Building Design Studio
Credits: 5
Design of a public and/or civic building in the physical and cultural setting of a small town or urban neighborhood.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Corequisite(s): ARCH 435, ARCH 449.
Prerequisite(s): ARCH 205, ARCH 318, ARCH 330;
Schedule Type: Studio
Term Offering: Fall
College Code: CHHS

ARCH 442 - Integrative Design Studio
Credits: 5
Comprehensive building design project: site design, building design, and development of architectural detail (including integration of materials and structural and environmental systems).

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Corequisite(s): ARCH 469
Prerequisite(s): ARCH 441.

Schedule Type: Studio
Term Offering: Spring
College Code: CHHS

ARCH 445 - Furniture Design
Credits: 2
An exploratory course that prepares individuals to apply technical knowledge and skills to prepare and execute furniture design projects from assemblage to finish. Incorporates the safe use of a variety of hand and power tools and machinery. Projects vary according to the individual skill level of the student. May be repeated for up to 4 credits.

Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

ARCH 449 - Integrative Design I
Credits: 2
An introduction to the pre-design activities of programming and project budgeting; and an investigation into the design implications of building codes, accessibility standards, and zoning ordinances for a concurrent studio project.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): ARCH 435, ARCH 441
Prerequisite(s): ARCH 205
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

ARCH 459 - Design Theory
Credits: 3
A survey and analysis of architectural thought, including readings from both historical and contemporary sources.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 315.
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

ARCH 469 - Integrative Design II
Credits: 2
The application of the principles of architectural detailing, building data evaluation, materials specifications, and comparative cost analysis for a concurrent studio project.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): ARCH 442
Prerequisite(s): ARCH 449
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

ARCH 480 - Architectural Community Service
Credits: 1–3
Design of community service or architectural mission projects. May also include pre-construction management work associated with mission projects. Work initiated by students requires prior approval of faculty.

Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 247.
Repeatable: Repeatable up to 6 credits
Schedule Type: Lecture
College Code: CHHS

ARCH 485 - Special Topics in __________
Credits: 1–4
Based on selected topics of current interest in architecture offered by the School of Architecture & Interior Design. May be repeated in different topic areas.

Course/Lab Fee: Yes
Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
ARCH 496 - Cooperative Work Experience
Credits: 1–6
Supervised work with an architecture or construction firm. 120 hours of work is required for each credit. May be repeated up to 6 credits.

Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Satisfactory/DG (S,U,I,W,DG)
Prerequisite(s): 3rd year standing and application one semester in advance of the planned work. Graded on S/U basis.
Repeatable: Repeatable up to 6 credits
Schedule Type: Practicum
College Code: CHHS

ARCH 499 - Independent Research
Credits: 1–4
Study of special topics not currently offered by the School of Architecture & Interior Design. In consultation with a professor, the student researches a selected area, filing a copy of the completed project report in the School of Architecture & Interior Design office. A minimum of 30 hours of work required for each credit. May be repeated for a total of 6 credits.

Grade Mode: Normal w/S/DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CHHS

ARCH 521 - Urban Design Studio
Credits: 6
Urban design proposal for a small town (or parts thereof), urban neighborhood, or college campus.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Completion of BSA and Acceptance to Master of Architecture degree year.
Schedule Type: Studio
Term Offering: Fall
College Code: CHHS

ARCH 522 - Visiting Critic/Topic Studio
Credits: 6
Design project(s) to be determined by Visiting Critic and regular faculty. Topic of studio varies.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Completion of BSA and Acceptance to Master of Architecture degree year.
Schedule Type: Studio
Term Offering: Spring
College Code: CHHS

ARCH 530 - Analytical Summer Abroad
Credits: 3–6
A course focusing upon study, analysis, and documentation of buildings, spaces, and/or gardens in another country. Venues may change from year to year.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 318.
Schedule Type: Blended Learning
Term Offering: Summer
College Code: CHHS

ARCH 536 - Professional Practice I
Credits: 2
Lectures and seminars focusing on Judeo-Christian values and social responsibilities in the profession. Studies introduce conventional practice methods and career planning for present and future. Topical areas include the role of the architect, organization and management of the firm, and project administration.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

ARCH 537 - Professional Practice II
Credits: 2
Lectures and seminars focusing on Judeo-Christian values and social responsibilities in the profession. Studies introduce conventional practice methods and career planning for present and future. Topical areas include the role of the architect, organization and management of the firm, and project administration.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 536
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

ARCH 585 - Special Topics in _____________
Credits: 1–7
Based on selected topics of current interest in architecture offered by the School of Architecture & Interior Design. May be repeated in different topic areas.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: CHHS

ARCH 594 - Practicum
Credits: 7
Experience under the supervision of a professional practitioner that meets the requirements of the Andrews University School of Architecture & Interior Design. May be for a for-profit or not-for-profit organization.

Grade Mode: Satisfactory/DG (S,U,I,W,DG)
Prerequisite(s): Acceptance to Master of Architecture degree year and Acceptance to Practicum Program.
Schedule Type: Practicum
College Code: CHHS

ARCH 595 - Community Project in Architecture
Credits: 1–6
“Hands-on” involvement in humanitarian and/ or service oriented projects in an on-site work environment. Work initiated by students requires prior approval of faculty.

Course Attribute: Service course
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CHHS

ARCH 599 - Independent Research
Credits: 1–4
Study of special topics not currently offered by the School of Architecture & Interior Design. In consultation with a professor, the student researches a selected area, filing a copy of the completed project report in the School of Architecture & Interior Design office. A minimum of 30 hours of work required for each credit. May be repeated for a total of 6 credits.

Grade Mode: Normal w/S/DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CHHS

Construction Management

BSCM 101 - History and Introduction to Construction Management
Credits: 2
A historical background into the development of the construction industry, the roles of the different participants and an overview of the construction process. Career choices, industry firms, and key players in the construction management process will be explored.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): HIST 117, HIST 118, ENGL 115.
Schedule Type: Lecture
College Code: CHHS
BSCM 207 - Regulatory Issues
Credits: 2
Examination of the regulations in planning, building, advocacy and civil rights rules. Includes investigative techniques, jurisdictional responsibilities and inspection procedures.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

BSCM 215 - Construction Equipment and Methods
Credits: 2
Construction equipment and selected construction methods including equipment application strategies, own/lease benefits and establishing operational costs for project estimating.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

BSCM 301 - Cost Estimating I
Credits: 2
Introduction to the estimating function and review and applications of material quantity survey techniques used in estimating costs of construction projects. Includes types of approximate and precise methods of estimating and their uses, and computer applications.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

BSCM 302 - Cost Estimating II
Credits: 3
Pricing and bidding of construction work including cost factors, labor and equipment, productivity factors, prices databases, job direct and indirect costs, methods of estimating time, materials, equipment, subcontractors' work, general expenses, and profit, bid preparations and submission, and computer applications.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BSCM 301
Schedule Type: Lecture
College Code: CHHS

BSCM 325 - Structural Systems Design
Credits: 2
The study of typical construction materials as used in the design process. Concrete, wood, steel and composite structures and underlying mechanical and physical properties will be covered.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 168, PHYS 141
Schedule Type: Lecture
College Code: CHHS

BSCM 349 - Construction Documents
Credits: 3
This course examines construction documents for competitive bidding and execution of projects. Light and heavy construction types will be examined.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

BSCM 365 - Site Construction and Surveying
Credits: 2
The study of critical aspects of site construction and surveying relating to on-site logistics.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

BSCM 401 - Construction Management I
Credits: 3
Construction management concepts and practices, the management system, construction planning and programming, project control, environmental management, total quality management, and ethics in construction management.
Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

BSCM 402 - Construction Management II
Credits: 3
A management course in contract documents, safety, planning, scheduling, production control, and law and labor. Topics include contracts, planning, cost and production peripheral documents, and cost and work analyses, scheduling, material handling, layout, payment scheduling, and inspections.
Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

BSCM 410 - Project Planning & Scheduling
Credits: 2
Construction planning, scheduling, and communications required for project control, the practical and legal implications of each, as well as introduction to the use of scheduling software, and its benefits.
Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

BSCM 420 - Construction Law
Credits: 2
Study of the United States legal system and contractual issues that are significant to construction managers, and addresses ethics in the construction industry. Legal issues arising from design and construction services, focusing on risk management and liability awareness.
Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

BSCM 430 - Professional Practice
Credits: 3
Analyzes construction contracts, specifications, and practices with regard to business law and liability. Examines contractor, architect, and engineer responsibilities through case studies and class discussions.
Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

BSCM 445 - Building Information Modeling - Cost Analysis
Credits: 3
Application of a Building Information Model that incorporates cost data, used for quantity takeoff and cost estimating.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 435
Schedule Type: Lecture
College Code: CHHS

BSCM 455 - Building Information Modeling
Credits: 3
Application of a Building Information Model used to visualize a construction schedule and sequence.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BSCM 445
Schedule Type: Lecture
College Code: CHHS

BSCM 465 - Collaborative Project Delivery
Credits: 3
Application of project delivery in conjunction with a concurrent project within the School of Architecture, Art & Design. Building Information Modeling will be used as
a method of applying cost analysis and project planning and scheduling.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BSCM 455
Schedule Type: Independent
College Code: CHHS

**Interior Design**

**INT 200 - Color Theory**
**Credits:** 3
This course introduces students to the aesthetic, historical, perceptual, scientific, and psychological aspects of color and light and the implication of color principles and theories to interior design. Students will explore color through experimentation, observation and evaluation. Relevant design projects will be analyzed for their use of color theory.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

**INT 300 - Materials & Methods**
**Credits:** 2
In this course students will examine non-textile based materials, available resources, and methods of production, construction and installation. Through a study of current product applications, they will learn how to select, specify and apply appropriate materials and finishes on the basis of aesthetics, material cost, environmental impact and performance.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

**INT 315 - History and Theory of Interiors**
**Credits:** 3
This course is a survey of interior design throughout history. Emphasis is given to the historical, theoretical and cultural influences that have affected the design of the interior environment from antiquity through present-day.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): HIST 117, HIST 118, ENGL 115.
Schedule Type: Lecture
College Code: CHHS

**INT 341 - Interior Design Studio I**
**Credits:** 5
Intermediate design studio building on previous design principles.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ARCH 247 & acceptance into Professional Degree Program.
Schedule Type: Studio
College Code: CHHS

**INT 342 - Interior Design Studio II**
**Credits:** 5
Intermediate design studio building on previous design principles.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): INT 341.
Schedule Type: Studio
College Code: CHHS

**INT 420 - Textiles**
**Credits:** 3
This course introduces students to the technical and aesthetic aspects of textiles and their use in interior design. Emphasis is placed on product knowledge, specifications, technology, safety, testing, and terminoloig. New textiles and fibers and their application and performance will be studied.

Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

**INT 435 - Professional Practice**
**Credits:** 3
This course explores standard business procedures commonly associated with the practice of interior design. Students will study various types of design practices, financial management and compensation, ethical practices, professional development, legal liability, and issues related to licensing and certification. The management of a typical interior design project will be studied, including writing proposals and contracts, specifications, bidding procedures, budgets, construction schedules, contractor negotiations and collaboration, and project administration.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

**INT 441 - Interior Design Studio I**
**Credits:** 5
Advanced design studio building on previous design principles.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): INT 341.
Schedule Type: Studio
College Code: CHHS

**INT 442 - Interior Design Studio II**
**Credits:** 5
Advanced design studio building on previous design principles.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): INT 441.
Schedule Type: Studio
College Code: CHHS
School of Communication Sciences & Disorders

Bell Hall, Room 114
269-471-3468
speech@andrews.edu
www.andrews.edu/speech/

Mission
The Andrews University School of Communication Sciences and Disorders provides faith-affirming Christian education. The sequence of experiences focuses on the knowledge and practices for a career in the discipline. Students will:

- Become knowledgeable about human communication and potential disorders
- Uphold the ethical and Christian principles regardless of age, gender or ethnicity
- Be prepared to provide high quality, effective clinical service.

Bachelors

Speech-Language Pathology and Audiology BS

This degree can be completed in four years of undergraduate study. The first two years are spent earning Andrews Core Experience credits and completing prerequisite courses in the major, the third and fourth years of study are spent completing the core requirements and electives. 124 credits are needed for graduation from Andrews University. Remaining credits may be earned in a minor area of study or elective courses.

Accelerated Program: Students interested in earning the Bachelors/Masters in an accelerated program will need to follow the admission requirements as stated below in the section entitled, "Admission Requirements for the 5 Year Track." This track allows eligible students to obtain a Bachelor of Science in Speech-Language Pathology and Audiology and a Master of Science degree in Speech-Language Pathology in 5 years compared to 6. Students must begin this track fall semester of the undergraduate freshmen year at Andrews University.

Dual Degree Option:
This program is available as a dual degree with Spanish BA:

- Speech-Language Pathology and Audiology/Spanish Dual Degree BS/BA

Total Credits - 124

Major - 46

- SPPA 234 - Introduction to Speech-Language Pathology and Audiology Credits: 3
- SPPA 270 - Preclinical Observation Credits: 1
- SPPA 280 - Anatomy and Physiology of Speech and Hearing Credits: 4
- SPPA 285 - Applied Phonetics Credits: 3
- SPPA 310 - Speech Science Credits: 3
- SPPA 321 - Normal Language Development Credits: 3
- SPPA 322 - Child Language Disorders Credits: 3
- SPPA 331 - Basic Audiology Credits: 3
- SPPA 332 - Audiological Procedures Credits: 3
- SPPA 340 - Neuroscience of Communication Credits: 3
- SPPA 374 - Articulation and Phonology: Development and Disorders Credits: 3
- SPPA 448 - Disorders of Voice, Fluency and Swallowing Credits: 3
- SPPA 458 - Aural Rehabilitation Credits: 3
- SPPA 475 - Evidence-based Clinical Research Credits: 3
- SPPA 481 - Clinical Application in Speech-Language Pathology Credits: 2,3
- SPPA 482 - Clinical Application in Audiology Credits: 2,3

Cognates - 17

- BIOL 100 - Human Biology Credits: 4 *
- PBHL 440 - Fundamentals of Spirituality & Ethics in Healthcare Credits: 3 *
- PHYS 225 - Sound and Waves Credits: 4 *
- PSYC 301 - Human Development Credits: 3 *
- STAT 285 - Introduction to Applied Statistics Credits: 3 *

*Course fulfills ACE requirement

Electives

Recommended Courses:

- BHSC 230 - Research Methods I: Statistics for the Behavioral Sciences Credits: 3
- BIOL 208 - Environmental Science Credits: 4
- BIOL 221 - Anatomy and Physiology I Credits: 4
- ENGL 460 - Linguistics Credits: 3
- PSYC 101 - Introduction to Psychology Credits: 3
- SPPA 498 - Research Project in Speech-Language Pathology and Audiology Credits: 1–3

Additional Requirements
The GPA requirement is 3.0 overall and 3.0 in the major courses with an SPPA acronym. A grade lower than a C in major courses or cognates will not count toward either requirement.

Admission Requirements for the 5 Year Track
Students eligible to begin as the 5 year track student must meet the following criteria:

- High School GPA of 3.5 or higher upon admission to the undergraduate program.
- Math placement score of P3 (ACT of 22-23 / SAT of 510 - 530).
- Students in this program must maintain a 3.3 GPA overall and 3.5 in core courses, those with SPPA Acronym, during the first three undergraduate years.
- Students will begin the program as a BHS student and must apply to the BS program during their sophomore year.
- At the end of the 4th year (senior year) students will graduate with a BS in Speech-Language Pathology and Audiology.
- Students must complete an application process to the MS program during their senior undergraduate year.
- During the senior year, students will complete the initial courses toward the MS degree.
- Once admitted, students must meet the Speech-Language Pathology MS requirements (Speech-Language Pathology MS).

Student Learning Outcomes
Graduates of this program will:

- Demonstrate knowledge and application of theoretical and conceptual knowledge of speech, language, and hearing as the components of communication across the lifespan.
- Differentiate between various speech, language, and hearing differences and disorders.
- Demonstrate the ability to present information clearly, logically, and critically both orally and in writing.
- Demonstrate knowledge of ethical standards as they relate to their field of study and interprofessional practice.

Wellness, Speech-Language Pathology and Audiology

Concentration BHS

Bachelors of Health & Wellness: with an emphasis in Speech-Language Pathology encompasses communication disorders and nutrition. Students with this degree may be able to apply to graduate programs in Speech-Language Pathology or...
Audiology. At the end of the Sophomore year students who wish may apply to the B.S. in Speech-Language Pathology and Audiology program.

**Total Credits - 124**

**Major - 45**

- FDNT 230 - Nutrition Credits: 3
- FDNT 448 - Nutrition and Wellness Credits: 3
- FDNT 460 - Seminar in Nutrition, Wellness and Ellen White’s Writings Credits: 1
- FTES 205 - Fitness Conditioning Credits: 1
- HLED 210 - Philosophy of Health Credits: 3
- HLED 445 - Consumer Health Credits: 2

**Concentration**

- SPPA 234 - Introduction to Speech-Language Pathology and Audiology Credits: 3
- SPPA 270 - Preclinical Observation Credits: 1
- SPPA 280 - Anatomy and Physiology of Speech and Hearing Credits: 4
- SPPA 285 - Applied Phonetics Credits: 3
- SPPA 310 - Speech Science Credits: 3
- SPPA 321 - Normal Language Development Credits: 3
- SPPA 322 - Child Language Disorders Credits: 3
- SPPA 331 - Basic Audiology Credits: 3
- SPPA 374 - Articulation and Phonology: Development and Disorders Credits: 3
- SPPA 440 - Fundamentals of Spirituality & Ethics in Healthcare Credits: 3 *

**Cognates - 20**

- PHYS 225 - Sound and Waves Credits: 4
- PSYC 101 - Introduction to Psychology Credits: 3 *
- PSYC 301 - Human Development Credits: 3 *
- STAT 285 - Introduction to Applied Statistics Credits: 3 (Required for BS in SLPA)*

**Choose one of the following courses:**

- SPPA 332 - Audiological Procedures Credits: 3

**Cognates - 20**

**Additional Requirements**

- A cumulative overall GPA of 2.50 and a GPA of 2.75 in major core courses is required to remain in the BHS program.
- A grade lower than a C in major courses or cognates will not count toward either requirement.

**Student Learning Outcomes**

Graduates of this program will:

- Demonstrate knowledge and application of theoretical and conceptual knowledge of speech, language, and hearing as the components of communication across the lifespan.
- Differentiate between various speech, language, and hearing differences and disorders.
- Demonstrate the ability to present information clearly, logically, and critically both orally and in writing.
- Demonstrate knowledge of ethical standards as they relate to their field of study and interprofessional practice.

**Bachelors Dual Degrees**

**Speech-Language Pathology and Audiology/Spanish Dual Degree BS/BA**

This program integrates the study of the Spanish language and culture with preparation in the field of Speech-Language Pathology and Audiology. The main goal of this degree is to prepare students to serve in both a medical as well as in an educational setting. Students will participate in clinical practicum/internships in which they will have the opportunity to apply the knowledge acquired in classes. Students are required to attend one of the ACA programs for a full year and should work closely with their AU Spanish advisor prior to studying abroad.

Students who pursue the BS/BA Joint Degree need to complete General Education requirements for BS/BA Degrees and Professional Degrees, and upon completion receive 2 diplomas: BS in Speech-Language Pathology and Audiology, and BA in Spanish Studies.

**Total Credits - 140**

**Program Information**

Information for the two programs (Speech-Language Pathology and Audiology BS & Spanish BA) follows:

**Speech-Language Pathology and Audiology BS**

This degree can be completed in four years of undergraduate study. The first two years are spent earning Andrews Core Experience credits and completing prerequisite courses in the major, the third and fourth years of study are spent completing the core requirements and electives. 124 credits are needed for graduation from Andrews University. Remaining credits may be earned in a minor area of study or elective courses.

**Accelerated Program:** Students interested in earning the Bachelors/Masters in an accelerated program will need to follow the admission requirements as stated below in the section entitled, “Admission Requirements for the 5 Year Track.” This track allows eligible students to obtain a Bachelor of Science in Speech-Language Pathology and Audiology and a Master of Science degree in Speech-Language Pathology in 5 years compared to 6. Students must begin this track fall semester of the undergraduate freshmen year at Andrews University.

**Dual Degree Option:**

This program is available as a dual degree with Spanish BA:

- Speech-Language Pathology and Audiology/Spanish Dual Degree BS/BA

**Total Credits - 124**

**Major - 46**

- SPPA 234 - Introduction to Speech-Language Pathology and Audiology Credits: 3
- SPPA 270 - Preclinical Observation Credits: 1
- SPPA 280 - Anatomy and Physiology of Speech and Hearing Credits: 4
- SPPA 285 - Applied Phonetics Credits: 3
- SPPA 310 - Speech Science Credits: 3
- SPPA 321 - Normal Language Development Credits: 3
- SPPA 322 - Child Language Disorders Credits: 3
- SPPA 331 - Basic Audiology Credits: 3
- SPPA 332 - Audiological Procedures Credits: 3
- SPPA 374 - Articulation and Phonology: Development and Disorders Credits: 3
- SPPA 440 - Fundamentals of Spirituality & Ethics in Healthcare Credits: 3 *
Cognates - 17

- BIOL 100 - Human Biology Credits: 4 *
- PBHL 440 - Fundamentals of Spirituality & Ethics in Healthcare Credits: 3 *
- PHYS 225 - Sound and Waves Credits: 4 *
- PSYC 301 - Human Development Credits: 3 *
- STAT 285 - Introduction to Applied Statistics Credits: 3 *

*Course fulfills ACE requirement

Electives

Recommended Courses:

- BHSC 230 - Research Methods I: Statistics for the Behavioral Sciences Credits: 3
- BIOL 208 - Environmental Science Credits: 4
- BIOL 221 - Anatomy and Physiology I Credits: 4
- ENGL 460 - Linguistics Credits: 3
- PSYC 101 - Introduction to Psychology Credits: 3
- SPPA 498 - Research Project in Speech-Language Pathology and Audiology Credits: 1–3

Additional Requirements

The GPA requirement is 3.0 overall and 3.0 in the major courses with an SPPA acronym. A grade lower than a C in major courses or cognates will not count toward either requirement.

Admission Requirements for the 5 Year Track

Students eligible to begin as the 5 year track student must meet the following criteria:

- High School GPA of 3.5 or higher upon admission to the undergraduate program.
- Math placement score of P3 (ACT of 22-23 / SAT of 510 - 530).
- Students in this program must maintain a 3.3 GPA overall and 3.5 in core courses, those with SPPA Acronym, during the first three undergraduate years.
- Students will begin the program as a BHS student and must apply to the BS program during their sophomore year.
- At the end of the 4th year (senior year) students will graduate with a BS in Speech-Language Pathology and Audiology.
- Students must complete an application process to the MS program during their senior undergraduate year.
- During the senior year, students will complete the initial courses toward the MS degree.
- Once admitted, students must meet the Speech-Language Pathology MS requirements (Speech-Language Pathology MS).

Student Learning Outcomes

Graduates of this program will:

- Demonstrate knowledge and application of theoretical and conceptual knowledge of speech, language, and hearing as the components of communication across the lifespan.
- Differentiate between various speech, language, and hearing differences and disorders.
- Demonstrate the ability to present information clearly, logically, and critically both orally and in writing.
- Demonstrate knowledge of ethical standards as they relate to their field of study and interprofessional practice.

Spanish BA

The Department of International Languages & Global Studies strives to develop students’ knowledge of the Spanish language and culture in a Christian environment. It provides a broad range of educational courses and programs that build the Spanish language competence and enhance the understanding of Spanish and Latin American literatures and cultures. The department not only helps students develop a global perspective by training them to use their Spanish language skills in a variety of fields, but also to develop critical understanding of world culture in its complexity and diversity, supporting and promoting Christ’s appeal to this generation, “And this gospel of the kingdom will be preached in all the world as a witness to all the nations, and then the end will come.”

Dual Degree Option:

This program is available as a dual degree with Speech-Language Pathology and Audiology:

Spanish/Speech-Language Pathology and Audiology Dual Degree BA/BS

Total Credits - 124

Major - 36+

Choose 24 credits from the following courses by advisement:*:

- SPAN 171 - Elementary Spanish I Credits: 3
- SPAN 172 - Elementary Spanish II Credits: 3
- SPAN 275 - Intermediate Spanish Credits: 4 (or ACA equivalent)
- SPAN 280 - Spanish Conversation and Composition Credits: 3 (or ACA equivalent)
- SPAN 416 - Spanish for Native Speakers Credits: 3
- SPAN 420 - Advanced Spanish Credits: 3
- SPAN 426 - Culture of Spain Credits: 3
- SPAN 436 - South American Culture Credits: 3

Electives

Spanish major electives selected in consultation with an advisor from SPAN/GBST/IGS courses to total 24 credits.

*All non-native speakers are required to attend a full academic year, excluding summer sessions, in the Adventist Colleges Abroad (ACA) program at Colegio Adventista de Sagunto, Spain, or Universidad Adventista del Plata, Argentina.

Concentrations - 12

Choose one of the following concentrations:

Language, Literature and Culture

- SPAN 438 - Mexico and Central American Culture Credits: 3
- SPAN 439 - Hispanic Caribbean Culture Credits: 3
- SPAN 446 - Spanish and Latin American Drama Credits: 3
- SPAN 448 - Spanish and Latin American Literature and Film Credits: 3

Translation and Interpretation

- SPAN 325 - Spanish for the Medical Professions Credits: 3
- SPAN 457 - Spanish Media Translation Credits: 3

Choose one of the following courses:

- SPAN 447 - Spanish for Translation Credits: 3
- SPAN 449 - Spanish for Interpreters Credits: 3

Choose one of the following courses:

- SPAN 470 - Spanish for Business Credits: 3
- SPAN 488 - Spanish for International Relations Credits: 3

Student Learning Outcomes

- Students will demonstrate an advanced level of proficiency in the target language in speaking, writing, listening and reading consistent with the Advanced levels as defined by the American Council of the Teaching of Foreign Languages (ACTFL).
- Students will demonstrate full understanding of linguistic concepts related to the target language such as phonetics, semantics, morphology, and syntax.
- Students will demonstrate knowledge of major literary, artistic, and cultural works associated with the target language and its societies. They will analyze and critique the products of the target culture (film, literature, art, popular culture, media, etc.) within their context, including conducting basic research tasks.
- Students will demonstrate knowledge of the diverse components of the cultures associated to the target language. They will recognize and describe the historical, social, economic, and political forces that shape society in the target culture.
- Students will integrate target language proficiencies, intercultural competencies, and critical analysis to perform tasks associated with a

385
globalized work environment, including communications, translation, interpretation, and project completion.

- Students will demonstrate intercultural competence by obtaining knowledge and understanding of other cultures and their products. They will examine the validity of one’s own cultural beliefs, behaviors and norms by contrasting and comparing them with those of the target culture.
- Students will value cultural diversity and reinterpret the place of the self as an identity culturally situated in the global context.

Undergraduate Minors

Speech-Language Pathology and Audiology Minor

Students in education, communication, and behavioral science find a speech-language pathology and audiology minor helpful for increasing their awareness and understanding of people with speech, language, and hearing impairments. The minor also gives students with another major the necessary background to pursue graduate studies in speech-language pathology or audiology.

Student Learning Outcomes

Graduates of this program will:

- Demonstrate knowledge and application of theoretical and conceptual knowledge of speech, language, and hearing as the components of communication across the lifespan.
- Differentiate between various speech, language, and hearing differences and disorders.
- Demonstrate the ability to present information clearly, logically, and critically both orally and in writing.
- Demonstrate knowledge of ethical standards as they relate to their field of study and interprofessional practice.

Masters

Speech-Language Pathology MS

Andrews University’s Speech-Language Pathology MS is designed to provide the student with in-depth academic study, the potential for research and extensive clinical experiences in preparation for careers in the diagnosis, evaluation and management of individuals with speech and language disorders. The Master’s degree program has achieved candidacy status from the American Speech-Language-Hearing Association’s (ASHA) Council on Academic Accreditation in Audiology and Speech-Language Pathology.

Admission Requirements:

In addition to the standard Speech-Language Pathology MS, Andrews University offers two other tracks based on prior educational background: 1) Transitional Program and 2) Accelerated Program.

- Transitional Program (3 Year Track): Students interested in earning the Bachelors/Masters in a transitional program will need to follow the admission requirements as stated below in the section entitled, "Admission Requirements for the 3 Year Track." This program is designed for students who wish to obtain a master’s degree in speech-language pathology, but hold a bachelor’s degree in another major area.
- Accelerated Program (5 Year Track): Students interested in earning the Bachelors/Masters in an accelerated program will need to follow the admission requirements as stated below in the section entitled, "Admission Requirements for the 5 Year Track." This track allows eligible students to obtain a Bachelor of Science in Speech-Language Pathology and Audiology and a Master of Science degree in Speech-Language Pathology in 5 years compared to 6. Students must begin this track fall semester of the undergraduate freshmen year at Andrews University.

*Note: For students in the accelerated program, these courses are taken in Year 4 of the undergraduate program. The remaining 36 credits are registered for at the graduate level to apply toward the MS program.

Program Options

Each graduate student may choose the Standard Option or Research Option to complete their degree.

Standard Option

- SPPA 510 - Counseling for Speech-Language Pathology (Standard Option) | Credits: 2 *
- SPPA 530 - Autism Spectrum Disorder Assessment and Intervention | 2

Research Option

- SPPA 534 - Research Project I | Credits: 2
- SPPA 634 - Research Project II | 1
- SPPA 635 - Research Project III | 1

Program Electives

- SPPA 678 - Study Tour | Credits: 1–6
- SPPA 695 - Independent study | Credits: 1–4

Additional Requirements

- All students admitted to the Master’s program must maintain a 3.0 grade point average.
- Student will be permitted to earn one “C” while in the program. If a second “C” is earned or the student’s grade point average falls below a 3.0, the student will be placed on a remediation plan. Student may also be required to retake the course.
- Complete and pass Comprehensive examination (SPPA 670).
- Pass Praxis Examination aka ASHA examination.

Clinical Requirements

- The applicant for certification in speech-language pathology must complete a minimum of 400 clock hours of supervised clinical experience in the practice of speech-language pathology. Twenty-five (25) hours must be spent in clinical observation, and 375 hours must be spent in direct client/patient contact. The clinical observation must be completed prior to beginning any practicum experiences.
Upon admission students will complete one year of undergraduate prerequisite coursework in speech-language pathology by the Council on Academic Accreditation in Audiology and Speech-Language Pathology. Clinical clock hours will be tracked by the student, advisor, and administrative assistant to ensure that the student has had a diverse clinical experience and for accuracy. This program prepares the student for certification.

Placement for Practicum may require vaccine records, drug screening, and fingerprinting separate from the program requirements, the cost of this is the student's responsibility.

Maintaining Academic Standing

- Student will be permitted to earn one "C" while in the program. If a second "C" is earned or the student's grade point average falls below a 3.0, the student will be placed on a remediation plan. Student may also be required to retake the course.
- Students must meet all essential functions of the School of Communication Sciences and Disorders.
- Students are required to meet with their advisor at least once per semester to discuss course plan and program progress.
- Students will meet all academic and clinical requirements for certification with the American Speech and Hearing Association.
- Students who elect to do a research project must be in good academic and clinical standing prior to securing approval for the thesis topic and before the oral examination.

Graduation Requirements

- Complete prerequisite course requirements in: statistics, biological science, physics/chemistry, and behavioral science.
- Successfully complete all academic and clinical courses that meet all 2014 American Speech and Hearing knowledge standards and outcomes for the Certificate of Clinical Competence
- Complete 400 clock hours of clinical practice with at least 325 hours at the graduate level and 50 clock hours in each of the three types of clinical settings.
- Submit Application of graduation at the beginning of the second to last semester of study.
- Complete and pass Comprehensive examination.
- Pass Praxis Examination (also known as ASHA examination).
- If research option is chosen, student must present and receive final approval at least 15 days prior to graduation.

Admission Requirements

3-Year Track

Prerequisite Courses

Upon admission students will complete one year of undergraduate prerequisite coursework in speech-language pathology. Students must maintain a 3.5 GPA during the prerequisite course completion (with no grade below a B). Prerequisites must be complete within one academic year. After successful completion, students will enter the Master's degree program. The minimum GPA requirement for the MS program is 3.0. Students may be required to complete additional courses in order to meet the standards for certification by the American Speech and Hearing Association. Students must complete courses in statistics, physics, or chemistry and a behavioral science for regular admission to the MS program.

The following courses must be completed during the prerequisite year.

- SPPA 234 - Introduction to Speech-Language Pathology and Audiology Credits: 3
- SPPA 270 - Preclinical Observation Credits: 1
- SPPA 280 - Anatomy and Physiology of Speech and Hearing Credits: 4
- SPPA 285 - Applied Phonetics Credits: 3
- SPPA 310 - Speech Science Credits: 3
- SPPA 321 - Normal Language Development Credits: 3
- SPPA 322 - Child Language Disorders Credits: 3
- SPPA 331 - Basic Audiology Credits: 3
- SPPA 340 - Neuroscience of Communication Credits: 3
- SPPA 374 - Articulation and Phonology: Development and Disorders Credits: 3
- SPPA 448 - Disorders of Voice, Fluency and Swallowing Credits: 3

5-Year Track

Students eligible to begin as the 5 year track student must meet the following criteria:

- High School GPA of 3.5 or higher upon admission to the undergraduate program.
- Math placement score of P3
- ACT score of 22-23/SAT score of 510-530

Students will begin the program as a BS student and must apply to the MS program during their sophomore year. At the end of the 4th year, (senior year) students will graduate with a BS in Speech-Language Pathology and Audiology. Students must complete an application process to the MS program during their senior undergraduate year. During the senior year, students will complete the initial courses toward the MS degree.

Resources

Student Handbook

Please visit the School of Communication Sciences and Disorders website for the most up-to-date version of the department’s Graduate Student Handbook.

Additional Information

Accreditation

The Master of Science program in speech-language pathology at Andrews University is a Candidate for Accreditation by the Council on Academic Accreditation in Audiology and Speech-Language Pathology (CAA) of the American Speech-Language-Hearing Association. This is a "pre-accreditation" status with the CAA, awarded to developing or emerging programs for a maximum period of five years.

CONCERNS REGARDING ACCREDITATION BY THE COUNCIL ON ACADEMIC ACCREDITATION (CAA)

Students concerns regarding the Master's program may relate to accreditation standards of the Council on Academic Accreditation (CAA). This accreditation is an assurance that the program is abiding by all required standards for academic content and following approved procedures in the delivery of this content. In the event of a serious concern, students may contact the CAA directly for information. According to the CAA, complaints about programs must:

- Be against an accredited education program or program in candidacy status in speech-language pathology and/or audiology;
- Relate to the standards for accreditation of education programs in audiology and speech-language pathology;
- Include verification, if the complaint is from a student or faculty/instructional staff member, that the complainant exhausted all institutional grievance and review mechanisms before submitting a complaint to the CAA.

2200 Research Boulevard
Rockville, MD 20850
Phone: 800-498-2071 or 301-296-5700

Student Learning Outcomes

Graduates of this program will:

- Demonstrate knowledge and application of theoretical and conceptual knowledge of speech, language, and hearing as the components of communication across the lifespan.
- Differentiate between various speech, language, and hearing differences and disorders.
- Demonstrate the ability to present information clearly, logically, and critically both orally and in writing.
- Demonstrate knowledge of ethical standards as they relate to their field of study and interprofessional practice.

Speech-Language Pathology & Audiology

SPPA 091 - Speech Support
Credits: 1

Andrews University students may register for speech and language evaluation and services. The evaluation and services will be provided by clinical supervisors and
Audiology not apply to major or minor.

Supervisors and student clinicians to completion of audiological assessments. The evaluation and intervention will be provided by clinical supervisors and student clinicians to completion of audiological assessments. Credits are not applicable to degree completion.

Grade Mode: Satisfactory (S,U,I,W)
College Code: CHHS

SPPA 092 - Auditory Support
Credits: 1, 2
Andrews University students may register for audiological evaluation and/or intervention. The evaluation and intervention will be provided by clinical supervisors and student clinicians to completion of audiological assessments. Credits are not applicable to degree completion.

Grade Mode: Satisfactory (S,U,I,W)
College Code: CHHS

SPPA 234 - Introduction to Speech-Language Pathology and Audiology
Credits: 3
An introduction to the professions of speech-language pathology and audiology, this course surveys the possible etiologies and characteristics of various communication problems encountered by clinicians. Language and communication differences in a multicultural society are also examined.

Grade Mode: Normal (A-F,I,W)
College Code: CHHS

SPPA 250 - Fieldwork
Credits: 2
Students participate in experiences in the community related to the professions of speech-language pathology and audiology. Open to majors who have applied one semester in advance. Meets the general education fieldwork requirement. Does not apply to major or minor.

Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable
College Code: CHHS

SPPA 270 - Preclinical Observation
Credits: 1
Students observe and write reports on a total of 25 hours of therapy and/or diagnostic sessions in the areas of speech-language pathology and audiology. They also participate in discussions of procedures used by the professionals during therapeutic interventions.

Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
College Code: CHHS

SPPA 280 - Anatomy and Physiology of Speech and Hearing
Credits: 4
The study of the anatomy and physiology of respiration, hearing, phonation, articulation, and the central nervous system. Students participate in a gross-anatomy human cadaver lab.

Lecture/Lab: Weekly: 3 lectures and a 2-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
College Code: CHHS

SPPA 285 - Applied Phonetics
Credits: 3
A study of the International Phonetic Alphabet and its application to speech and hearing sciences. Includes an introduction to acoustic theory and spectrographic analysis of speech. Skill is developed in transcription of both normal and disordered speech in children and adults.

Grade Mode: Normal (A-F,I,W)
College Code: CHHS

SPPA 310 - Speech Science
Credits: 3
An exploration of the theoretical information regarding speech perception and hearing, using concepts of physics, anatomy, and physiology. Clinical applications and management strategies for specific speech and hearing disorders will also be addressed.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): SPPA 280, SPPA 285 or departmental permission
College Code: CHHS

SPPA 321 - Normal Language Development
Credits: 3
A comprehensive look at the normal development of speech and language in the child; includes the areas of language prerequisite skills, phonology, morphology, semantics, syntax and pragmatics.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): SPPA 234
College Code: CHHS

SPPA 322 - Child Language Disorders
Credits: 3
A study of the factors contributing to the development of disordered speech and language. Includes traditional and more recent classification systems and a survey of characteristic disorders. Introduction to methods of evaluation and therapy.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): SPPA 321
College Code: CHHS

SPPA 331 - Basic Audiology
Credits: 3
Survey of the normal auditory system and the pathologies that affect its functioning. Includes the physics of sound, standard reference levels, and auditory perception. Methods of administering and interpreting pure tone, speech threshold, and speech recognition tests are presented in classroom and lab settings.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): SPPA 234
College Code: CHHS

SPPA 332 - Audiological Procedures
Credits: 3
Continued study of auditory testing with an overview of differential diagnostic tests in the identification of auditory pathologies. Includes clinical masking and acoustic immittance measures. Techniques are presented for evaluating special populations including infants and young children, industrial, and the pseudo-hypacusic.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): SPPA 331
Prerequisite/Corequisite: SPPA 280
College Code: CHHS

SPPA 340 - Neuroscience of Communication
Credits: 3
An overview of the anatomy and physiology of the central nervous system, particularly the components that control communicative functions. Discussion of the brain’s role in human communication will prepare students for advanced study of neurogenic speech and language disorders in children and adults.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): SPPA 234, SPPA 280
College Code: CHHS

SPPA 374 - Articulation and Phonology: Development and Disorders
Credits: 3
A survey of phonological development, and characteristics of articulation and
SPPA 415 - Seminar in Communication Disorders: ________
Credits: 3
Advanced study into professional and/or clinical aspects of speech-language pathology and/or audiology.
Grade Mode: Normal (A-F, I, W)
Repeatable: Repeatable with different topics
Schedule Type: Seminar
College Code: CHHS

SPPA 435 - Communication Development and Disorders for Classroom Teachers
Credits: 3
An overview of normal language acquisition and development, including a survey of typical communication disorders and their impact on students' academic success. Issues such as public laws and policies affecting the communicatively handicapped, language and communication differences in multicultural populations, and collaborative management models are also addressed.
Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture
Year Offering: Alternate years (even)
College Code: CHHS

SPPA 440 - Fundamentals of Spirituality & Ethics in Healthcare
Credits: 3
Addresses religious and spiritual issues of significance for healthcare. Includes a discussion of views of the relationship between health and spirituality from different religious perspectives. Provides an overview of the philosophical and historical background for ethical systems and their significance for current ethical challenges in healthcare. Required course for all majors in the School of Health Professions with the exception of students transferring to AU in their senior year.
Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture
College Code: CHHS

SPPA 446 - Integration of Spirituality in Health Care
Credits: 3
A discussion of spiritual values from a Christian perspective, how faith and spirituality facilitates the healing process, and how they can be incorporated into patient care. Attention will be given to discerning and addressing the spiritual needs of patients/clients, family members, and ancillary medical staff in a professional environment.
Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture
College Code: CHHS

SPPA 447 - Disorders of Voice and Fluency
Credits: 3
A study of the anatomy and physiology of the vocal mechanism; with emphasis on normal and abnormal processes of voice and fluency. Assessment and treatment principles of functional, organic and neurological voice pathologies will be addressed, as well as basic principles of stuttering diagnosis and therapy.
Grade Mode: Normal (A-F, I, W)
Prerequisite(s): SPPA 234, SPPA 280, SPPA 310.
Schedule Type: Lecture/Lab
College Code: CHHS

SPPA 448 - Disorders of Voice, Fluency and Swallowing
Credits: 3
A study of the anatomy and physiology associated with the vocal mechanism and swallowing function, with emphasis on normal and abnormal processes of voice, fluency and swallowing. An overview of assessment and treatment principles of functional, organic and neurological voice pathologies, and dysphagia will be addressed, as well as basic principles of stuttering diagnosis and therapy.
Prerequisites: SPPA 234, SPPA 280, Co-requisite: SPPA 310
SPPA 500 - Orientation for MS in Speech-Language Pathology
Credits: 0
Survey of essential principles and practices underlying the Curriculum and Instruction of MS Program in Speech-Language Pathology. Mandatory for all incoming MS students.

Course/Lab Fee: Yes
Grade Mode: Normal w S/DG (A-F,I,W,DG,DN)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

SPPA 502 - Child Language Disorders: Preschool
Credits: 3
Anatomical, physiological, psychological, neurological, and environmental factors related to delayed or disordered language. An exploration of language skills and methods of promoting their development or compensation for inadequacies.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

SPPA 503 - Child Language Disorders: School Age
Credits: 3
Anatomical, physiological, psychological, neurological, and environmental factors related to delayed or disordered language of the school-aged child. An exploration of language skills and methods of promoting their development or compensation for inadequacies.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

SPPA 510 - Counseling for Speech-Language Pathology (Standard Option)
Credits: 2
A course addressing the speech-language pathologist's role in counseling patients, students, family members and caregivers. Competencies in effective clinical diagnostics, treatment, information sharing and social/multicultural adjustments, as well as issues specific to swallowing, communication and cognitive disorders are specifically addressed.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

SPPA 515 - Aphasia
Credits: 3
Study of the neurologic basis for speech and language behavior, etiology, symptomatology, assessment, and management of aphasia.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

SPPA 520 - Diagnostics in Speech-Language Pathology
Credits: 2
Principles and practices involved in performing in-depth diagnostic evaluations with individuals exhibiting speech and/or language dysfunction. Students will gain experience in taking case histories, formulating an assessment battery, evaluating patients, writing the diagnostic reports and interpreting the data to parents and/or involved disciplines.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

SPPA 521 - Practicum I: Onsite
Credits: 2
Supervised practicum experience in evaluation and treatment of individuals exhibiting speech and/or language dysfunction. Students will gain experience in taking case histories, talking with patients, and writing reports.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Practicum
College Code: CHHS

SPPA 522 - Practicum II: Onsite
Credits: 2
Supervised practicum experience in evaluation and treatment of individuals exhibiting speech and/or language dysfunction. Students will gain experience in taking case histories, talking with patients, and writing reports.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Practicum
College Code: CHHS

SPPA 480 - Topics in ______
Credits: 1,2
Selected topics in audiology and speech-language pathology. Consult current class schedule for topics offered each year.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CHHS

SPPA 481 - Clinical Application in Speech-Language Pathology
Credits: 2,3
Students will apply practical clinical skills of previously studied theories in the assessment, intervention, and documentation of speech-language pathology. Students will conduct direct and simulated patient evaluation and intervention. Direct patient contact hours will be obtained in this course and can be applied toward ASHA certification.

Course/Lab Fee: Yes
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Prerequisite(s): SPPA 322, SPPA 374
Prerequisite/Corequisite: SPPA 425
Schedule Type: Practicum
College Code: CHHS

SPPA 482 - Clinical Application in Audiology
Credits: 2,3
Students will apply practical clinical skills of previously studied theories in the assessment, intervention, and documentation of audiology. Students will conduct direct and simulated patient evaluation and intervention. Direct patient contact hours will be obtained in this course and can be applied toward ASHA certification.

Course/Lab Fee: Yes
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Prerequisite(s): SPPA 332
Prerequisite/Corequisite: SPPA 458
Schedule Type: Practicum
College Code: CHHS

SPPA 485 - Independent Research/Project
Credits: 1–4
Arranged on a contract basis with a faculty member.

Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

SPPA 488 - Research Project in Speech-Language Pathology and Audiology
Credits: 1–3
An independent research project in speech-language pathology and audiology, typically supervised by a faculty member and resulting in a technical report summarizing findings or a submission to a professional conference. Students may repeat or take any combination of departmental independent study or research project courses up to 6 credits with no more than 3 credits per semester. Consult staff before registering.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

SPPA 502 - Child Language Disorders: Preschool
Credits: 3
Anatomical, physiological, psychological, neurological, and environmental factors related to delayed or disordered language. An exploration of language skills and methods of promoting their development or compensation for inadequacies.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

SPPA 503 - Child Language Disorders: School Age
Credits: 3
Anatomical, physiological, psychological, neurological, and environmental factors related to delayed or disordered language of the school-aged child. An exploration of language skills and methods of promoting their development or compensation for inadequacies.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

SPPA 510 - Counseling for Speech-Language Pathology (Standard Option)
Credits: 2
A course addressing the speech-language pathologist's role in counseling patients, students, family members and caregivers. Competencies in effective clinical diagnostics, treatment, information sharing and social/multicultural adjustments, as well as issues specific to swallowing, communication and cognitive disorders are specifically addressed.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

SPPA 515 - Aphasia
Credits: 3
Study of the neurologic basis for speech and language behavior, etiology, symptomatology, assessment, and management of aphasia.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

SPPA 520 - Diagnostics in Speech-Language Pathology
Credits: 2
Principles and practices involved in performing in-depth diagnostic evaluations with individuals exhibiting speech and/or language dysfunction. Students will gain experience in taking case histories, formulating an assessment battery, evaluating patients, writing the diagnostic reports and interpreting the data to parents and/or involved disciplines.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

SPPA 521 - Practicum I: Onsite
Credits: 2
Supervised practicum experience in evaluation and treatment of individuals exhibiting speech and/or language dysfunction. Students will gain experience in taking case histories, talking with patients, and writing reports.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Practicum
College Code: CHHS

SPPA 522 - Practicum II: Onsite
Credits: 2
Supervised practicum experience in evaluation and treatment of individuals exhibiting speech and/or language dysfunction. Students will gain experience in taking case histories, talking with patients, and writing reports.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Practicum
College Code: CHHS
SPPA 525 - Clinical Professional Seminar in Speech-Language Pathology
Credits: 1
This course addresses selected professional and clinical issues, topics, evidence-based practice techniques, and other content related to the integration of theoretical, academic and clinical expertise necessary in the field of speech-language pathology.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatabl
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

SPPA 530 - Autism Spectrum Disorder Assessment and Intervention
Credits: 2
This course will highlight current research regarding neurodevelopmental issues in autism; the diagnostic criteria used to identify children with ASD; assessment and intervention considerations in communication, social interaction and play; and, the selection and use of appropriate screening and evaluation tools, and intervention strategies with an evidence-based focus.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

SPPA 534 - Research Project I
Credits: 2
Prepares students for research and experimental design, critical review of current literature, and analysis of research data in preparation for oral and written research presentation in speech-language pathology.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Independent
College Code: CHHS

SPPA 536 - Thesis Option I
Credits: 2
Research techniques and experimental design schemes, critical reviewing of current literature, oral technical reporting and writing technical supports.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Independent
College Code: CHHS

SPPA 540 - Adult Language Disorders
Credits: 3
Study of the neurologic basis for speech, language and cognitive behavior, etiology, symptomatology, assessment, and management of aphasia and right hemisphere disorders. The ethical, cultural and professional issues associated with language disorders are addressed.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

SPPA 544 - Articulation and Phonological Disorders
Credits: 3
An advanced study of speech and sound production in children. Discussion will include normal aspects of articulation, phonology and development, identification of articulation disorders, phonological delays and disorders, childhood apraxia of speech, as well as treatment approaches, theory and facilitative strategies.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

SPPA 545 - Neurological and Communication Disorders
Credits: 3
An exploration of neurocognitive deficits of speech and language, with emphasis in dementia, traumatic brain injury, mild cognitive impairments, health, aging, encephalopathy, and brain cancer. Principle of neuroanatomy and physiology, language implication, cognitive aspects of communication (attention, memory, executive functioning), and multicultural impacts will be investigated. This course will provide practical application with a variety of assessment procedures, evidence-based therapy planning, and documentation guidelines.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Summer
College Code: CHHS

SPPA 550 - Praxis Preparatory Class
Credits: 2
Preparatory course designed to establish readiness for the Praxis exam in the areas of audiology, basic human communication processes, clinical management, neurogenic disorders, phonological and language disorders, professional issues, and childhood apraxia of speech, as well as treatment approaches, theory and facilitative strategies.

Course/Lab Fee: No
Grade Mode: Satisfactory (S,U,I,W,DG,DN)
Schedule Type: Lecture
College Code: CHHS

SPPA 574 - Research Methods in Speech-Language Pathology
Credits: 3
Research techniques and experimental design schemes, critical reviewing of current literature, oral technical reporting and writing technical supports. The process used in integrating research principles into evidence-based practice.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

SPPA 580 - Topics in:
Credits: 1–6
Selected topics in speech-language pathology. Consult current class schedule for topics offered each year.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatabl
Schedule Type: Lecture, Seminar, Practicum
College Code: CHHS

SPPA 583 - Voice and Velopharyngeal Disorders
Credits: 3
Theory, diagnosis and treatment underlying the articulation, resonance, and phonatory problems associated with voice, velopharyngeal disorders and craniofacial anomalies. Includes discussion of etiologies, technology, and multicultural issues affecting appropriate assessment, diagnosis, and treatment.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

SPPA 608 - Practicum III: Onsite
Credits: 2
Supervised practicum experience in evaluation and treatment of individuals exhibiting speech and/or language dysfunction. Students will gain experience in taking case histories, talking with patients, and writing reports.

Course/Lab Fee: No
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Practicum
College Code: CHHS

SPPA 613 - Dysphagia
Credits: 3
An exploration of the Speech-Language Pathologist’s role in assessment, diagnosis and rehabilitation of various swallowing disorders in children and adults. Includes discussion of ethical and cultural issues, analysis of current literature, and clinical application.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS
SPPA 624 - Practicum I: Offsite
Credits: 3
Offsite supervised practicum experience in evaluation and treatment of individuals exhibiting speech, language, cognitive and/or swallowing dysfunction. Students will gain experience in case histories, report writing, and collaboration in a school and/or healthcare environment.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Practicum
College Code: CHHS

SPPA 631 - Motor Speech Disorders
Credits: 3
A study of the nature, etiology, and clinical management of motor speech disorders, with primary emphasis on apraxia and the dysarthrias.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

SPPA 634 - Research Project II
Credits: 1
Prepares students for research and experimental design, critical review of current literature, and analysis of research data in preparation for oral and written research presentations in speech-language pathology.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Independent
College Code: CHHS

SPPA 635 - Research Project III
Credits: 1
Prepares students for research and experimental design, critical review of current literature, and analysis of research data in preparation for oral and written research presentations in speech-language pathology.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Independent
College Code: CHHS

SPPA 636 - Thesis Option II
Credits: 1
Research techniques and experimental design schemes, critical reviewing of current literature, oral technical reporting and writing technical supports.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Independent
College Code: CHHS

SPPA 637 - Thesis Option III
Credits: 1
The thesis option is intended to provide depth of study in a focused area of the field of Speech-Language pathology. Student will be required to compose a thesis dealing with a particular, relevant area of interest.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Independent
College Code: CHHS

SPPA 646 - Integration of Spirituality in Health Care
Credits: 2
A discussion of spiritual values from a Christian perspective, how faith and spirituality facilitates the healing process, and how they can be incorporated into patient care. Attention will be given to discerning and addressing the spiritual needs of patients/clients, family members, and ancillary medical staff in a professional environment. PBHL 646

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

SPPA 647 - Fluency
Credits: 3
An exploration of etiologies, methods of examination, diagnosis, treatment, and research of fluency disorders. The ethical, cultural and professional issues associated with fluency disorders are also addressed.

Grade Mode: Normal (A-F,I,W)

SPPA 663 - Augmentative and Alternative Communication
Credits: 2
Principles of assessment and intervention for individuals requiring augmentative or alternative methods of communication. Discussion will include low and high technology aids and adaptations, symbol systems, vocabulary selection, and procuring funding.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

SPPA 670 - Comprehensive Examination
Credits: 0
During the second to last or last semester of the program students will be required to take a comprehensive examination. Students may be given permission to take the Praxis II/ASHA exam in lieu of the comprehensive exam.

Grade Mode: Satisfactory (S,U,I,W)
Schedule Type: Independent
College Code: CHHS

SPPA 678 - Study Tour
Credits: 1–6
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Practicum
College Code: CHHS

SPPA 682 - Practicum II: Offsite
Credits: 4
Offsite supervised practicum experience in evaluation and treatment of individuals exhibiting speech, language, cognitive and/or swallowing dysfunction. Students will gain experience in case histories, report writing, and collaboration in a school and/or healthcare environment.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Independent
College Code: CHHS

SPPA 683 - Practicum III: Offsite
Credits: 4
Offsite supervised practicum experience in evaluation and treatment of individuals exhibiting speech, language, cognitive and/or swallowing dysfunction. Students will gain experience in case histories, report writing, and collaboration in a school and/or healthcare environment.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Practicum
College Code: CHHS

SPPA 685 - Independent Study
Credits: 1–4
Arranged on a contract basis with a faculty member

Grade Mode: Normal (A-F,I,W)
Schedule Type: Independent
College Code: CHHS

Mission
The Andrews University School of Nursing, a program based on Seventh-day Adventist precepts and Restoration to the Image of God, provides transformational nursing education which equips students to function as professional nurses in direct care, advanced practice, research, and education. Through the following activities, the School of Nursing encourages students to seek knowledge, affirm faith, and provide changes that impact the world of healthcare:

Seek Knowledge
- Prepare nurses that provide culturally competent, high quality, evidence-based patient-centered care.
- Prepare nurses for first-time licensing and certification success.
- Encourage lifelong learning.

Affirm Faith
- Prepare nurses to practice within the Christian context of "Restoration to the Image of God."
- Promote personal spiritual growth.
- Teach theoretical underpinning of wellness, illness, and disease within the context of the Great Controversy.

Change the World
- Teach with service/mission focus, medical evangelism.
- Teach current whole-person nursing care across the life span which addresses wellness and illness.
- Prepare nurse leaders with a mind set for professional and ethical practice which incorporates communication (all venues), teamwork and collaboration.

Vision
To prepare professional nurses to reflect Christian spirituality, caring attitudes, clinical excellence, and cultural competence for service and practice in concert with the four main initiatives from the Institute of Medicine and the Robert Wood Johnson Foundation's report on the Future of Nursing (October 5, 2010):
- Nurses should practice to the full extent of their education and training.
- Nurses should achieve higher levels of education and training through an improved education system that promotes seamless academic progression.
- Nurses should be full partners, with physicians and other health care professionals, in redesigning health care in the United States.
- Effective workforce planning and policy making require better data collection and information infrastructure.

Program Accreditation
The Andrews University Nursing program is approved by the Michigan Board of Nursing and holds accreditation from the Accreditation Commission for Education in Nursing* (ACEN).

Bachelors

Nursing BSN (Pre-licensure)

The Bachelor of Science in Nursing program prepares students to successfully pass the National Council Licensure Examination (NCLEX) to become registered nurses. Nursing, one of the most highly demanded professions, is a great way to minister to healthcare needs of individuals, families, and communities. This eight-semester nursing program covers four academic years. The curriculum focuses on the provision of care and the promotion of health for individuals and families. Students gain proficiency through both class (theory) and laboratory (practicum/clinical) experiences in a variety of settings.

Students who enter as Freshmen typically complete the BSN Pre-Licensure program in 4 years. Students who enter as Sophomores typically complete the BSN Pre-Licensure program in 3 years, beginning with NRSG 216 - Fundamentals of Nursing Theory and Practice.

The Andrews University nursing program is approved by the Michigan Board of Nursing and holds accreditation from the Accreditation Commission for Education in Nursing (ACEN).

Total Credits - 125

Major - 65

NRSG 211 - Nursing Pharmacology I Credits: 2
NRSG 212 - Nursing Pharmacology II Credits: 3
NRSG 215 - Introduction to Professional Nursing Concepts Credits: 1
NRSG 216 - Fundamentals of Nursing Theory and Practice Credits: 5
NRSG 240 - Psychiatric-Mental Health Nursing Credits: 4
NRSG 305 - Health Assessment Credits: 3
NRSG 315 - Pathophysiology Credits: 3
NRSG 331 - Medical-Surgical I Credits: 5
NRSG 332 - Medical-Surgical II Credits: 6
NRSG 366 - Complementary Wellness and Restoration I Credits: 1
NRSG 408 - Families in Stress and Crisis Credits: 2
NRSG 414 - Critical Care Nursing Credits: 3,4
NRSG 416 - Comprehensive Overview Credits: 2
NRSG 418 - Leadership in Nursing Credits: 3
NRSG 430 - The Childbearing Family Credits: 4
NRSG 438 - Intercultural Mission Service in Nursing Credits: 2
NRSG 440 - The Developing Child Credits: 4
NRSG 445 - Nursing Research Credits: 3,4 (3 credits required for program)
NRSG 450 - Community Nursing Credits: 4
NRSG 466 - Complementary Wellness and Restoration II Credits: 2,3 (2 credits required for program)
NRSG 480 - Senior Nursing Internship Credits: 3

Practicum
Undergraduate nursing practicum: In nursing classes with a practicum, a ratio of four clock hours will be required for each semester of clinical credit. For example, a 1-credit clinical course meets for 60 clock hours, a 2-credit clinical course meets for 120 clock hours.

Undergraduate nursing laboratory: In nursing classes with laboratory hours, a ratio of two laboratory clock hours will be required for each semester of laboratory credit. For example, a 1-credit laboratory meets for 30 clock hours in the semester. Clinical hours are indicated in the bulletin in the course description.

Cognates - 31

BIOL 221 - Anatomy and Physiology I Credits: 4
BIOL 222 - Anatomy and Physiology II Credits: 4
BIOL 260 - General Microbiology Credits: 4
CHEM 110 - Introduction to Inorganic Chemistry Credits: 4
FDNT 230 - Nutrition Credits: 3
PBHL 440 - Fundamentals of Spirituality & Ethics in Healthcare Credits: 3 (take in Junior or Senior year)*
PSYC 101 - Introduction to Psychology Credits: 3
PSYC 301 - Human Development Credits: 3
STAT 285 - Introduction to Applied Statistics Credits: 3

*Course fulfills ACE requirement
Admission requirements are as follows:

• A GPA of at least 3.00 overall must be maintained throughout the nursing program, with a grade of B- or higher in nursing courses and a grade of C or higher for all cognate courses. See the BSN Pre-Licensure Student Handbook for full details on progression criteria.

Maintaining Academic Standing

In order to maintain academic standing, the nursing student should be aware of the following:

• Academic performance alone does not ensure completion of the nursing preparation. Students must also continuously meet acceptable professional ethics, disposition and safety standards as determined by the admissions and progressions committee.
• Nursing courses must be taken in the required sequence.
• Independent study courses cannot replace required nursing courses.
• Students should refer to the Department of Nursing Student Handbook for further guidance on progression policies.

Admission Requirements

An independent admissions process by the School of Nursing is required for students who wish to enter the pre-licensure professional nursing program. Students are encouraged to apply for entrance into the professional nursing program prior to completion of the spring semester of their freshman year for fall admission. Application for admission may require a minimum of six weeks for processing evaluation. Refer to the student handbook for application deadline information.

Admission Requirements - Pre-Licensure (Regular Admission)

Admission requirements are as follows:

• All students must complete the cognate courses outlined below prior to entering the nursing program.

• Transfer students who have completed nursing courses will be considered on a case-by-case basis. Nursing courses transferred must not be older than two (2) years from the anticipated program start date.

Student Learning Outcomes

Students who successfully complete the bachelor’s program will:

• Reflect in their nursing care the application of Christian values and formula for health for the purpose of “Restoring humans to the image of God.”
• Demonstrate cultural sensitivity using verbal, non-verbal, and written methods.
• Foster open and effective communication using verbal, non-verbal, written, and technological methods.
• Utilize critical thinking, clinical reasoning, judgment, evidence-based practice and research in implementation of the nursing process, while delivering patient-centered care.
• Apply leadership concepts, principles of advocacy and decision making in the provision of quality patient care.
• Demonstrate knowledge, skills and attitude necessary for managing whole person, patient-centered care according to standards outlined by the American Nurses Association, AACN Essentials of Nursing, QSEN and IOM report.
• Function effectively as part of intra and inter-professional teams, fostering open communication, mutual respect, and shared decision-making to achieve quality patient care.
• Demonstrate personal spiritual growth.
• Be prepared to successfully pass the NCLEX examination at the first sitting.

Nursing BSN (RN to BSN, Online)

For information, contact: nursing@andrews.edu, 269-471-3311

The RN-BSN Online program provides the RN with an associate degree an opportunity to complete their Bachelor of Science in Nursing degree. The curriculum focuses on the professional and leadership roles of the BSN-prepared nurse. Normally students complete in two years (4 semesters and 2 summers). The program requirements will involve clinical activities that may not be carried out in the student’s work unit.

Andrews University recognizes the associate degree as a whole package, leaving a minimum of 32 credit hours to be completed at the university for the bachelor’s degree.

Applicants from countries other than U.S. will need to have equivalent transcripts evaluated by Andrews University.

Some general education courses (Andrews Core Experience) may have been fulfilled within the associate degree package. See Andrews Core Experience: Professional Degrees.

Additional general education courses needed to complete the BSN requirement can be taken online through School of Distance Education & International Partnerships.

Delivery: This program is offered in an interactive online format (see School of Distance Education definitions). In the interactive online format, courses have specific start and end dates. The interactive online program does not require any time on campus. Students in the interactive online program are encouraged to come to campus for graduation. Tuition for the interactive online degree is 50% of regular tuition. An additional scholarship may be available to applicants from institutions with an organizational agreement with Andrews University.

Accreditation: The Andrews University nursing program is approved by the Michigan Board of Nursing and holds accreditation from the Accreditation Commission for Education in Nursing (ACEN).

Total Credits - 124

Major - 32

NRSG 305 - Health Assessment Credits: 3
NRSG 315 - Pathophysiology Credits: 3
NRSG 320 - Professional Nursing Concepts for the RN Credits: 3
Students should refer to the Department of Nursing RN-BSN Student Handbook for additional information. All registered nurses must meet Andrews University entrance requirements and be accepted for admission to the University before being admitted to the nursing program. Application for admission may require a minimum of six weeks for processing evaluation. Admission requirements are as follows:

- A current United States RN license or equivalent nursing license in country of residence.
- Minimal overall GPA of 2.50.
- An acceptable criminal background check from company recommended by Department of Nursing (https://portal.castlebranch.com/NS39).
- A urine drug screen is required before admission and yearly after. Some clinical sites may require different drug screen times. Drug screens are completed by https://portal.castlebranch.com/NS39
- Physical examination report that must include:
  - Tuberculin skin test (if positive a chest x-ray is required, will be evaluated individually) and yearly evaluation thereafter.
  - Proof of immunization or serum immunity for MM1R2 and MM2R (measles, mumps, and rubella), T-dap (Tetanus, Diphtheria, Pertussis), and hepatits B.
  - Proof of immunization or serum immunity for varicella-zoster.
  - Annual flu shots taken October–December.
- All students are required to have BLS Healthcare Provider Cardio-Pulmonary Resuscitation (CPR) certification from the American Heart Association (AHA).
- ADA Accommodations: Andrews University accepts and appreciates diversity in its students, including students with learning and other disabilities. Please also see program handbook for additional information.

Additional Requirements

- Minimum cumulative GPA of 2.5 to graduate.
- No course with a grade below C- may count towards the degree.

Admission Requirements

All registered nurses must meet Andrews University entrance requirements and be accepted for admission to the University before being admitted to the nursing program. Application for admission may require a minimum of six weeks for processing evaluation. Admission requirements are as follows:

- A current United States RN license or equivalent nursing license in country of residence.
- Minimal overall GPA of 2.50.
- An acceptable criminal background check from company recommended by Department of Nursing (https://portal.castlebranch.com/NS39).
- A urine drug screen is required before admission and yearly after. Some clinical sites may require different drug screen times. Drug screens are completed by https://portal.castlebranch.com/NS39

  - Tuberculin skin test (if positive a chest x-ray is required, will be evaluated individually) and yearly evaluation thereafter.
  - Proof of immunization or serum immunity for MM1R2 and MM2R (measles, mumps, and rubella), T-dap (Tetanus, Diphtheria, Pertussis), and hepatits B.
  - Proof of immunization or serum immunity for varicella-zoster.
  - Annual flu shots taken October–December.
- All students are required to have BLS Healthcare Provider Cardio-Pulmonary Resuscitation (CPR) certification from the American Heart Association (AHA).
- ADA Accommodations: Andrews University accepts and appreciates diversity in its students, including students with learning and other disabilities. Please also see program handbook for additional information.

Transfer of Credits

Applicants may transfer up to 92 credits from their associate degree programs and other college-level courses completed.

Credit for Prior Learning

Students may also earn credits for prior learning from applicable RN experience with a required portfolio submission.

Progression

RN-BSN nursing students in the online program need to understand that:

- The Department of Nursing requires a minimum cumulative GPA of 2.5 to graduate.
- No course with a grade below C- may count towards the degree.
- Requirements for various clinical sites may vary and student must abide by the stated requirements.
- Students must finish within 3 years of starting the program.
- Class and clinical attendance are required: The Department of Nursing will uphold University Policy.

Students should refer to the Department of Nursing RN-BSN Student Handbook for further guidance on progression policies.

Student Learning Outcomes

Students who successfully complete the program will:

- Reflect in their nursing care the application of Christian values and formula for health for the purpose of "Restoring humans to the image of God."
- Be culturally aware, sensitive, and appropriate in their nursing practice.
- Foster open and effective communication using verbal, non-verbal, written, and technological methods.
- Utilize critical thinking, clinical reasoning, judgment, evidenced-based practice and research in implementation of the nursing process, while delivering patient-centered care.
- Apply leadership concepts, principles of advocacy and decision making in the provision of quality patient care.
- Function effectively as part of intra and inter-professional teams, fostering open communication, mutual respect, and shared decision-making to achieve quality patient care.

Post-Masters

Advanced Practice Registered Nurse DNP (Distance Education)

The DNP program is designed for nurses seeking a terminal degree in nursing practice and offers an alternative to research-focused doctoral programs. DNP-prepared nurses are well-equipped to fully implement the science developed by nurse researchers prepared in PhD, DNSc, and other research-focused nursing doctorates.

This DNP program offers three tracks:

- BSN to DNP (FNP or NE Focus) - 65 Credits
- MSN to DNP (FNP Focus) - 56 Credits
- APRN/MSN to DNP (NE Focus) - 40 Credits

For additional information about these tracks, refer to the curriculum below.

Accreditation: The Andrews University nursing program is approved by the Michigan Board of Nursing and holds accreditation from the Accreditation Commission for Education in Nursing (ACEN).

Total Credits - 40-65

Degree Core - 26

NRSG 616 - Biostatistics for Clinical Data Management Credits: 3
NRSG 644 - Research Methods for Evaluation and Outcomes of Advanced Clinical Practice Credits: 3
NRSG 685 - DNP Advanced Practice Role Credits: 2
NRSG 700 - Theoretical Foundations for Scholarship in Advanced Practice Nursing Credits: 2
NRSG 705 - Christian Ethics and Advanced Practice Nursing Credits: 2
NRSG 710 - Principles of Epidemiology Credits: 3
NRSG 715 - Organizational Leadership in Health Care Systems Credits: 2
NRSG 720 - Information Systems and Patient Care Technology for Health Care Credits: 2
NRSG 730 - Health Care Policy for Advanced Practice Nursing Credits: 2
NRSG 778 - Preparation for DNP Comprehensive Examinations Credits: 0
NRSG 795 - DNP Comprehensive Examinations Credits: 0
NRSG 801 - Scholarly Project I Credits: 1,2
NRSG 802 - Scholarly Project II Credits: 1–3

Track 1: BSN to DNP (FNP or NE Focus) - 39

This track offers nurses with a BSN degree the opportunity to complete a terminal degree in nursing practice or nursing education without needing to achieve the MSN degree first.

Bridge Courses - 4

NRSG 726 - Interpersonal Dynamics and Cultural Issues in Advanced Practice Nursing Credits: 2
NRSG 727 - Clinical Health Promotion and Disease Prevention of Populations Credits: 2

APRN Courses - 11

NRSG 748 - Advanced Pathophysiology Across the Lifespan Credits: 3

Credits:

2

3,4

2

3

1,2

1–3

395
Focus Areas - 24
Students must choose a Family Nurse Practitioner focus (FNP) or a Nursing Education focus (NE).

FNP Nurse Practitioner - 24
NRSG 741 - Primary Care Management of Infants, Children and Adolescents
Credits: 2
NRSG 742 - Primary Care Management of Infants, Children and Adolescents Practicum Credits: 2
NRSG 751 - Primary Care Management of Women’s Health Credits: 2
NRSG 752 - Primary Care Management of Women’s Health Practicum Credits: 2
NRSG 763 - Primary Care Management of Adults Credits: 3
NRSG 764 - Primary Care Management of Adults Practicum Credits: 2
NRSG 767 - Evidence-based Family Nurse Practitioner Primary Care Management Credits: 3
NRSG 768 - Evidence-based Family Nurse Practitioner Primary Care Management Practicum Credits: 3
NRSG 770 - Teaching Strategies Credits: 3
NRSG 775 - Learning Theories and Health Teaching Credits: 2
NRSG 788 - Preparation for FNP Board Certification Examination and DNP Scholarly Project Presentation Credits: 0

NE Nursing Educator - 24
ACCT 505 - Survey of Accounting for Decision Making and Control Credits: 2,3
3 credits of NRSG 690 - Independent Study Credits: 1–3
(Neutral Technology and Application)
NRSG 770 - Teaching Strategies Credits: 3
NRSG 775 - Learning Theories and Health Teaching Credits: 2
NRSG 780 - Nursing Education Outcomes Credits: 3
NRSG 785 - Curricular Development Credits: 2
9 credits of NRSG 790 - Nursing Education Practicum Credits: 1–3

Track 2: MSN to DNP (FNP Focus) - 30
This track offers nurses with an MSN degree that is not advanced-practice focused the opportunity to complete a terminal degree in nursing practice (Family Nurse Practitioner focus).

NRSG 741 - Primary Care Management of Infants, Children and Adolescents
Credits: 2
NRSG 742 - Primary Care Management of Infants, Children and Adolescents Practicum Credits: 2
NRSG 748 - Advanced Pathophysiology Across the Lifespan Credits: 3
NRSG 751 - Primary Care Management of Women’s Health Credits: 2
NRSG 752 - Primary Care Management of Women’s Health Practicum Credits: 2
NRSG 755 - Advanced Health Assessment Across the Lifespan Credits: 3
NRSG 756 - Advanced Health Assessment Practicum Credits: 2
NRSG 760 - Advanced Pharmacology Across the Lifespan Credits: 3
NRSG 763 - Primary Care Management of Adults Credits: 3
NRSG 764 - Primary Care Management of Adults Practicum Credits: 2
NRSG 767 - Evidence-based Family Nurse Practitioner Primary Care Management Credits: 3
NRSG 768 - Evidence-based Family Nurse Practitioner Primary Care Management Practicum Credits: 3
NRSG 788 - Preparation for FNP Board Certification Examination and DNP Scholarly Project Presentation Credits: 0

Track 3: APRN/MSN to DNP (NE Focus) - 14
This track offers nurses who already have advanced practice certification or masters-prepared nurses the opportunity to complete a terminal degree in nursing practice with a focus in Nursing Education (NE).

NRSG 770 - Teaching Strategies Credits: 3
NRSG 775 - Learning Theories and Health Teaching Credits: 2
NRSG 780 - Nursing Education Outcomes Credits: 3
NRSG 785 - Curricular Development Credits: 2
4 credits of NRSG 790 - Nursing Education Practicum Credits: 1–3

NOTE: Students who have not taken graduate level pharmacology, health assessment, and/or pathophysiology must also take NRSG 748, 755, 756, and/or 760. (See Admission Requirements).

Additional Requirements
Grade Point Average: In order to graduate, students must have a Grade Point Average (GPA) not lower than 3.25. During the program, students are allowed to receive a B- in one course only, but the GPA must be at least 3.0 when this occurs. Two courses below 3.0 will cause termination of the degree process.

Graduation Requirements
- Successful completion of all Required Courses with 3.25 GPA.
- Successful completion of Comprehensive Exam.
- Satisfactory completion and defense of the Scholarly Project.
- Satisfactory completion of supervised Clinical/Practicums.
- Satisfactory completion of Certification Preparation/Review course.

Progress Towards Degree: Cohorts with differing degree options have anticipated completion at differing times within three to five years. Any student dropping out of a cohort may resume with a subsequent cohort but must complete the degree in no more than seven years.

Admission Requirements
- Must meet standard admission requirements for graduate admission at Andrews University.
- Other requirements below:

<table>
<thead>
<tr>

- Faculty reserve the right to require an interview of applicants based on reasons they identify.

Student Learning Outcomes
Students who successfully complete the program will:
- Integrate knowledge from nursing, biophysical, social, analytical and organizational sciences into practicing, developing and transforming advanced practice nursing within a spiritual context.
- Integrate organizational and system thinking as well as leadership knowledge in designing, implementing and/or evaluating approaches to quality in care delivery.
- Use clinical scholarship and analytical methods to critically appraise the literature, and develop, implement and evaluate strategies and best practices in providing healthcare.
- Develop leadership in critical analysis, information management, advocacy and education, in shaping healthcare policy at the local, state and national levels.
• Employ consultative, collaborative and leadership skills with intra-professional and inter-professional teams to foster effective communication, enhance health outcomes, and create positive change in complex healthcare delivery systems, and across diverse populations in order to address health disparities.

• Implement principles of learning theory, curriculum development, and teaching strategies in advanced practice for impacting individuals, families, communities, institutions and/or systems, in order to achieve the goals of improved healthcare (APRN–DNP track only).

• Transition from entry level of nursing practice to advanced level of nursing practice, while developing higher level clinical, leadership, advocacy, and scholarship, knowledge and skills (BSN–DNP Track only).

Nursing

NRSG 211 - Nursing Pharmacology I
Credits: 2
Beginning nursing knowledge related to pharmacology, medication administration, and related monitoring of therapeutic and non-therapeutic patient response that builds a foundation for safe practice.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): NRSG 216
Schedule Type: Lecture
College Code: CHHS

NRSG 212 - Nursing Pharmacology II
Credits: 3
A continuation of pharmacology principles that examines major classifications of medications. Focuses on uses, dosages, therapeutic and non-therapeutic effects, interactions, and nursing interventions.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): NRSG 211 or permission of the Department of Nursing.
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

NRSG 215 - Introduction to Professional Nursing Concepts
Credits: 1
Introduces students to nursing history, mission, standards, language and critical thinking, and applies principles from the Department of Nursing conceptual framework, "Restoration to the Image of God," along with other key nursing concepts. Must be taken spring semester of freshman year.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CHHS

NRSG 216 - Fundamentals of Nursing Theory and Practice
Credits: 5
Integrates the nursing process into basic nursing skills, medication administration, and assessment of the adult client; with special emphasis on older adults. Includes 3 credits theory and 2 credits practicum.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 221, BIOL 222, PSYC 101, PSYC 301
Schedule Type: Lecture, Lab, Practicum
College Code: CHHS

NRSG 240 - Psychiatric-Mental Health Nursing
Credits: 4
Presents the nurse's role in facilitation of mental health and prevention, assessment and management of mental illness. Includes 3 credits theory and 1 credit practicum.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): NRSG 211, NRSG 216, PSYC 101 or permission of the Department of Nursing.
Schedule Type: Lecture, Practicum
Term Offering: Spring
College Code: CHHS

NRSG 305 - Health Assessment
Credits: 3
Introduces theoretical and practical skills for performing a focused and comprehensive health assessment. Emphasizes data collection for recognition of normal findings and common variations throughout the lifespan, and the use of nursing diagnoses to describe areas needing restoration. Includes 2 credits theory and 1 credit lab.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 221, BIOL 222, or "per permission of the Department of Nursing"
Prerequisite/Corequisite: NRSG 216
Schedule Type: Lecture, Lab, Interactive Online
College Code: CHHS

NRSG 315 - Pathophysiology
Credits: 3
Explores physiological adaptations and changes that occur due to chronic and acute illnesses. Provides etiology of disease states to use as a basis for nursing interventions.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BIOL 221, BIOL 222.
Schedule Type: Lecture, Interactive Online
College Code: CHHS

NRSG 320 - Professional Nursing Concepts for the RN
Credits: 3
Introduces and applies principles from the Department of Nursing conceptual framework, "Restoration to the Image of God," along with other key nursing concepts, and bridges educational preparation and role expectation of the associate degree nurse for functioning at the professional level. Must be taken during the first year of schooling by RN to BS students. (Needs to be taken before 418 and 450.)

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Fall, Spring, Summer
College Code: CHHS

NRSG 331 - Medical-Surgical I
Credits: 5
Integrates and applies the nursing process to prevent disease, manage, promote, restore or maintain health for adult clients with acute and chronic medical-surgical conditions. Includes 3 credits theory and 2 credits practicum.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): NRSG 211, NRSG 240, NRSG 215, NRSG 216, FDNT 230, NRSG 305, NRSG 315.
Schedule Type: Lecture, Practicum
College Code: CHHS

NRSG 332 - Medical-Surgical II
Credits: 6
Integrates and applies the nursing process to restore health, manage disease, and/or provide end-of-life care for adult clients and their families with acute medical-surgical conditions, in acute and critical-care settings. Includes 4 credits theory and 2 credits practicum.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): NRSG 212, NRSG 331.
Schedule Type: Lecture, Practicum
Term Offering: Spring
College Code: CHHS

NRSG 366 - Complementary Wellness and Restoration
Credits: 1
Introduces the use of complementary therapies in disease prevention, and health promotion and maintenance towards restoration of clients, families and communities. Specific attention is given to the eight natural laws of health.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Spring
College Code: CHHS
NRSG 408 - Families in Stress and Crisis
Credits: 2
Utilizes family systems and other theories as a basis for understanding family functioning. Prepares the students to be able to assess and intervene with families experiencing stress and/or crises.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): None
Schedule Type: Lecture, Interactive Online
College Code: CHHS

NRSG 414 - Critical Care Nursing
Credits: 3,4
Focuses on the needs of clients with life-threatening conditions in an acute care setting; which may present in multiple body systems. Special needs of pediatric and elderly clients addressed as well.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): NRSG 332 for Pre-licensure students, NRSG 408, NRSG 430, NRSG 440.
Schedule Type: Lecture, Interactive Online
College Code: CHHS

NRSG 416 - Comprehensive Overview
Credits: 2
Review of knowledge to serve as preparation of pre-licensure students for the NCLEX.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Prerequisite(s): NRSG 430, NRSG 440.
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

NRSG 418 - Leadership in Nursing
Credits: 3
Provides opportunity for the student to gain knowledge in nursing leadership. Promotes the utilization of restorative principles in leadership theory and practice. Prepares students for leadership roles in all areas of nursing, and instills the pursuit of lifelong learning and professional development.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): NRSG 332, NRSG 320 or permission of the School of Nursing
Schedule Type: Lecture, Interactive Online
College Code: CHHS

NRSG 430 - The Childbearing Family
Credits: 4
Emphasizes restorative and evidence-based nursing care of the childbearing family throughout preconception, pregnancy, postpartum, and the neonatal period with an added focus on women’s health issues. Includes 3 credits theory and 1 credit practicum.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): NRSG 332, PSYC 301.
Schedule Type: Lecture, Practicum
Term Offering: Fall
College Code: CHHS

NRSG 433 - Leadership in Nursing Practice
Credits: 4
Provides opportunity for the student to gain knowledge in nursing leadership. Promotes the utilization of restorative principles in leadership theory and practice. Emphasizes the role development for the professional nurse by exploring trends in leadership and management of human and financial resources. Prepares students for leadership roles in nursing practice. This course includes 3 credits theory and 1 credit internship with a nurse leader.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Interactive Online, Practicum
College Code: CHHS

NRSG 438 - Intercultural Mission Service in Nursing
Credits: 2
* Field service credit requirements are met in this class. Prepares students to apply principles of the Andrews University Department of Nursing conceptual framework, "Restoration to the Image of God," while providing Christian nursing care and service in a worldwide context. Course includes principles and preparation for intercultural nursing practice.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: NRSG 332, NRSG 430, NRSG 440
Schedule Type: Lecture, Interactive Online
College Code: CHHS

NRSG 440 - The Developing Child
Credits: 4
Emphasizes an evidence-based nursing practice in both the maintenance and restorative health needs of the growing and developing child, from newborn through adolescence. Includes 3 credits theory and 1 credit practicum.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): NRSG 332, PSYC 301.
Schedule Type: Lecture, Practicum
Term Offering: Fall
College Code: CHHS

NRSG 443 - Nursing Informatics
Credits: 3
Nursing Informatics examines the history of healthcare informatics, current issues, basic informatics concepts and health information management systems. The use of technology to help make decisions and to improve the health status of the individual, family, and community will be explored. Students will learn how to apply informatics concepts to a current clinical practice setting by suggesting methods that use technology to improve patient safety and work effectiveness.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

NRSG 445 - Nursing Research
Credits: 3,4
Provides foundational concepts on the research process and steps for utilizing research with the focus being on evidence-based practice. Introduces nursing perspectives related to critical thinking, scientific methods, ethical concerns, and search techniques necessary to the research process.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): NRSG 331 or NRSG 320; or permission of the Department of Nursing. (BS - Completion students take the class for 4 credits.)
Schedule Type: Lecture, Interactive Online
Term Offering: Spring
College Code: CHHS

NRSG 450 - Community Nursing
Credits: 4
Field service credit requirements are met in this class. Focuses on community as the primary client, in contrast with community as the setting for individual care. Students consider factors affecting the wellbeing, function, and/or existence of the community and its response to those problems. Includes 2 credits theory and 2 credits practicum.

Course/Lab Fee: Yes
Course Attribute: Service course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): NRSG 418, NRSG 430, NRSG 440; for BS - Completion NRSG 320, and NRSG 418.
Schedule Type: Lecture, Practicum, Interactive Online
Term Offering: Spring
College Code: CHHS

NRSG 460 - Topics in _______
Credits: 1–3
Study of selected topics relevant to professional nursing practice. Subject and credits to be announced in advance.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: CHHS

NRSG 466 - Complementary Wellness and Restoration II
Credits: 2,3
An in-depth exploration of complementary therapies that can be utilized in conjunction with traditional therapies to assist clients with a chronic illness or high acuity needs towards restoration to the image of God in wellness, health maintenance, and disease management.

Grade Mode: Normal (A-F,I,W)
NRSG 470 - Global Health Nursing
Credits: 3
This course introduces students to concepts related global health issues. It explores the link between global health and socio-economic development. It focuses on measurement of risk factors in vulnerable populations, health status and disease burden within the global context.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

NRSG 478 - Study Tour:
Credits: 0
Travel to selected areas combined with lectures, directed readings, projects and assignments. The amount of credit and the geographic area are designated at the time a study tour is announced. Fee may be required.
Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Schedule Type: Blended Learning
College Code: CHHS

NRSG 480 - Senior Nursing Internship
Credits: 3
A capstone practicum that integrates nursing skills and knowledge with principles of daily practice. Takes place in acute care settings where the student manages groups of clients in conjunction with a preceptor (120 clock hours). Includes 1 credit seminar and 2 credits practicum.
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Corequisite(s): NRSG 414, NRSG 450.
Prerequisite(s): NRSG 418, NRSG 430, NRSG 440.
Schedule Type: Practicum
Term Offering: Spring
College Code: CHHS

NRSG 495 - Independent Study______
Credits: 1
Grade Mode: Normal w/5DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

NRSG 515 - Teaching Strategies
Credits: 3
Explores the knowledge and competencies needed to develop and apply evidence based innovative teaching strategies in the classroom and clinical settings. Strategies for distance and web-based learning are also included.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Fall
College Code: CHHS

NRSG 616 - Biostatistics for Clinical Data Management
Credits: 3
Introduces statistical concepts and analytical methods as applied to data encountered in biomedical sciences. It emphasizes the basic concepts of experimental design, quantitative analysis of data, and statistical references.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

NRSG 644 - Research Methods for Evaluation and Outcomes of Advanced Clinical Practice
Credits: 3
The focus of this course is to provide the knowledge and skills to generate evidence-based knowledge using scientific inquiry to improve outcomes in patient care. The components of research and evaluation processes are explored, culminating in the dissemination of research, evaluation and other evidence-based materials to healthcare professionals.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): NRSG 616

NRSG 658 - Learning Theory and Health Teaching
Credits: 2
Provides advanced practice nurses with evidence based knowledge regarding educational theories and their application in academic and clinical settings for successful instruction and teaching of clients, community, nursing students and other healthcare professionals.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Fall
College Code: CHHS

NRSG 660 - Curricular Development
Credits: 2
Provides students with knowledge related to analysis, development or design, and redesign or improvement, and evaluation of client, student, or professional nursing curricula. Instruction on principles and procedures for curricular development will be addressed.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Fall
College Code: CHHS

NRSG 665 - Nursing Education Outcomes
Credits: 3
Students are provided information on methods for assessing overall educational outcomes, such as the individual patient education, classroom instruction, and in providing continuing education units for professional nurses.
Grade Mode: Normal (A-F,I,W)
Corequisite(s): NRSG 668
Prerequisite(s): NRSG 658, NRSG 660.
Schedule Type: Lecture, Interactive Online
Term Offering: Spring
College Code: CHHS

NRSG 668 - Roles in Nursing Education
Credits: 2
Explores the various teaching and faculty roles that impinge upon the nurse educator. An understanding of the requirements of scholarship activities such as clinical currency, academic productivity, and teaching expertise are examined.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): NRSG 658, NRSG 660.
Schedule Type: Lecture, Interactive Online
Term Offering: Spring
College Code: CHHS

NRSG 670 - Project Continuation
Credits: 0
Students may register for this continuation course while completing their capstone project, clearing deferred grade (DG) and/or incomplete (I) courses, and not enrolled in other program courses. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration which includes library privileges and access to an advisor. Requires advisor approval.
Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory w/o 'I' (S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
Special Approval: Program Director Permission Required
College Code: CHHS

NRSG 675 - Program Continuation
Credits: 0
Students may register for this non-credit continuation course to maintain active status and while clearing deferred grade (DG) and/or incomplete (I) course. Registration for this course indicates active status, please see active status for additional information. Registration does not indicate full-time status. Requires program approval.
Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Independent
NRSNG 680 - Teaching Practicum
Credits: 4
Provides the student with the opportunity to utilize knowledge gained in the nursing-education courses, in a nursing-focused educational experience of their choosing. A total of 300 clock hours are required.
Grade Mode: Normal with DG (A-F,I,W,DG)
Prerequisite(s): NRSNG 515, NRSNG 658, NRSNG 660, NRSNG 665, NRSNG 668.
Schedule Type: Practicum
Term Offering: Summer
College Code: CHHS

NRSNG 685 - DNP Advanced Practice Role
Credits: 2
This course explores the various roles of the Doctor of Nursing Practice Family Nurse Practitioner. Areas discussed include patient care, health professional education, health policy, research, leadership and more. Special focus is on Advanced practice.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Summer
College Code: CHHS

NRSNG 690 - Independent Study
Credits: 1–3
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

NRSNG 700 - Theoretical Foundations for Scholarship in Advanced Practice Nursing
Credits: 2
Helps students examine theories from the fields of nursing, philosophy, biology, theology, humanities, psychology, sociology, behavior, and health beliefs, along with the Conceptual Framework of the Department of Nursing to build the underpinnings and foundational basis for their advanced practice. In addition, conceptualizations of person, environment, and health are explored as theories are examined.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Fall
College Code: CHHS

NRSNG 705 - Christian Ethics and Advanced Practice Nursing
Credits: 2
A study and exploration of ethical problems and dilemmas faced by Advanced Practice nurses in diagnosing, treating, billing, and communicating about care to clients, families, healthcare systems, community, and society as a whole. In addition, it provides strategies for addressing ethical dilemmas based within a Christian context.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Fall
College Code: CHHS

NRSNG 710 - Principles of Epidemiology
Credits: 3
Introduces the basic principles and applications of epidemiology. It describes the distribution and determinants of disease in human population; and introduces students to the theory, methods and body of knowledge of epidemiology.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

NRSNG 715 - Organizational Leadership in Health Care Systems
Credits: 2
This course introduces the student to the science of complex organizational structures and designs, with an emphasis on leadership within complex health care systems. It focuses on health care environments in various venues such as: professional, organizational, political, government and more.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

NRSG 720 - Information Systems and Patient Care Technology for Health Care
Credits: 2
This course focuses on information technology and its application in health care settings. Content covered includes theoretical models of nursing informatics and database management, in the context of health care systems.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Spring
College Code: CHHS

NRSG 726 - Interpersonal Dynamics and Cultural Issues in Advanced Practice Nursing
Credits: 2
Provides advanced knowledge related to underlying interpersonal concepts, skills, and practical approaches, specifically for relationship building across various cultures as an advanced practice nurse. It is also important for effective communication in regards to all areas of health care cross culturally.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Fall
College Code: CHHS

NRSG 727 - Clinical Health Promotion and Disease Prevention of Populations
Credits: 2
Explores theories of health promotion and disease prevention at the advanced practice level, with emphasis on patient education, epidemiology, health beliefs, and the eight natural laws of health. The health care provider is provided with tools for directing and managing preventive care of various populations across the lifespan.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Spring
College Code: CHHS

NRSG 730 - Health Care Policy for Advanced Practice Nursing
Credits: 2
This course examines concepts of health care policy and political behavior, and generates strategies for exercising professional leadership in effecting change in health disciplines. The role of the DNP FNP in health politics for the workplace, organization, government and community will be presented.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): NRSNG 685
Schedule Type: Lecture, Interactive Online
College Code: CHHS

NRSG 741 - Primary Care Management of Infants, Children and Adolescents
Credits: 2
This course provides the future DNP with theory in primary health care settings necessary for the management of primary child health care, including wellness promotion, illness prevention. And treatment of common health problems in children, from newborn through young adulthood. Emphasis is on critical thinking and evidence-based practice to promote wellness lifestyles and reduce illness risks for children and families.
Grade Mode: Normal (A-F,I,W)
Corequisite(s): NRSNG 742
Prerequisite(s): NRSNG 748, NRSNG 760, NRSNG 755, NRSNG 756
Schedule Type: Interactive Online
College Code: CHHS

NRSG 742 - Primary Care Management of Infants, Children and Adolescents Practicum
Credits: 2
This course requires 150 literal hours of practicum. They are to be completed in a primary care pediatric clinic. The focus is for students to integrate assessment
NRSG 747 - Advanced Pharmacology Across the Lifespan
Credits: 3
This course is designed to provide students with the knowledge and skills to select, administer, and monitor drug therapy for patients throughout the lifespan based on efficacy, safety, and cost, for the management of select illnesses. The course also provides information about state and federal regulations for advanced practice nurse prescriptive authority.

NRSG 748 - Advanced Pathophysiology Across the Lifespan
Credits: 3
The focus of this course is the application of advanced pathophysiologic concepts for frequently encountered conditions in clinical practice. It provides an in-depth analysis of epidemiology, risk factors, etiology, pathophysiology, clinical manifestations, and laboratory tests for selected acute and chronic illnesses across the lifespan. This is not an introductory course. It is expected that students already have a basic understanding of anatomy, physiology, pathophysiology, physical assessment, laboratory testing and pharmacology.

NRSG 750 - Primary Care Management of Women's Health Practicum
Credits: 2
This course requires 150 literal hours of practicum. They are to be completed at a women's health clinic. The focus is for students to integrate assessment data, and apply strategies for diagnosing and managing women's health. Students are expected to apply theoretical knowledge gained from the primary care management of women. Students will be expected to pay attention to role development issues, collaborative and independent practice issues, as well as problem-solving.

NRSG 751 - Primary Care Management of Women's Health
Credits: 2
The focus of this course is the primary care assessment, diagnosis and management of women's health issues, exploration of major health issues concerning women today, with an emphasis on social, cultural, and medical influences at the advanced practice level.

NRSG 752 - Primary Care Management of Women's Health Practicum
Credits: 2
This course requires 150 literal hours of practicum. They are to be completed at a women's health clinic. The focus is for students to integrate assessment data, and apply strategies for diagnosing and managing women's health. Students are expected to apply theoretical knowledge gained from the primary care management of women. Students will be expected to pay attention to role development issues, collaborative and independent practice issues, as well as problem-solving.

NRSG 755 - Advanced Health Assessment Practicum
Credits: 2
This course requires 150 literal hours of practicum in a primary care setting in which the student solidifies and strengthens their assessment skills and abilities on well and ill patients across the lifespan.

NRSG 756 - Advanced Health Assessment Across the Lifespan
Credits: 3
The focus of this course is the development of advanced health history and physical examination skills across the lifespan. Emphasis is on interview, communication, and psychomotor skill development, with an end goal of facilitating diagnoses of illness and disease. It also includes concepts related to health assessment which supports the basic tenets of health promotion and disease prevention.

NRSG 760 - Advanced Pharmacology Across the Lifespan
Credits: 3
This course is designed to provide students with the knowledge and skills to select drug therapy for patients throughout the lifespan based on efficacy, safety, and cost, for the management of select illnesses. The course also provides information about state and federal regulations for advanced practice nurse prescriptive authority.

NRSG 761 - Primary Care Management of Adults
Credits: 3
This course is designed to provide students with the knowledge and skills to select drug therapy for patients throughout the lifespan based on efficacy, safety, and cost, for the management of select illnesses. The course also provides information about state and federal regulations for advanced practice nurse prescriptive authority.

NRSG 762 - Primary Care Management of Adults Practicum
Credits: 2
This course requires 150 literal hours of practicum. They are to be completed at a women's health clinic. The focus is for students to integrate assessment data, and apply strategies for diagnosing and managing women's health. Students are expected to apply theoretical knowledge gained from the primary care management of adults. Students will be expected to pay attention to role development issues, collaborative and independent practice issues, as well as problem-solving.

NRSG 763 - Primary Care Management of Adults
Credits: 3
The focus of this course is the clinical primary care assessment, diagnosis and management of acute illness of adults at the advanced practice level.

NRSG 764 - Primary Care Management of Adults Practicum
Credits: 2
This course requires 150 literal hours of practicum in a primary care setting specific to adults. The focus is for students to integrate assessment data, and apply strategies for diagnosing and managing acute and chronic illnesses of adults. Students are expected to apply theoretical knowledge gained from the primary care management of adults. Students will be expected to pay attention to role development issues, collaborative and independent practice issues, as well as problem-solving.

NRSG 765 - Primary Care Management of Adults
Credits: 3
The focus of this course is the clinical primary care assessment, diagnosis and management of acute illness of adults at the advanced practice level.

NRSG 770 - Teaching Strategies
Credits: 3
This course provides a theoretical approach to advanced practice nursing as an FNP. Students are given knowledge, skills, and abilities related to primary care assessment, diagnosis, and management of acute and chronic illness and disease, as well as health promotion and disease prevention strategies of patient care across the lifespan. Students will examine the limits and boundaries of primary care in this role, jugging all roles and areas. Further, it includes issues related to the scope of practice, billing, and more specific to Family Nurse Practitioners.

NRSG 771 - Evidence-based Family Nurse Practitioner Primary Care Management Practicum
Credits: 2
This course requires 225 literal hours of practicum. This will be a combination of a Family Nurse Practitioner primary care site under the preceptorship of a Family Nurse Practitioner and as other clinical activities that round out the scope of the DNP Essentials. In this practicum, students are to provide comprehensive care to patients across the lifespan that includes: assessment, diagnosis, prevention, and management of care for acute and chronic illness and disease, working towards independent practice, as well as seeking out new experiences that integrate the DNP essentials in the role of the DNP.

NRSG 772 - Evidence-based Family Nurse Practitioner Primary Care Management
Credits: 3
This course provides a theoretical approach to advanced practice nursing as an FNP. Students are given knowledge, skills, and abilities related to primary care assessment, diagnosis, and management of acute and chronic illness and disease, as well as health promotion and disease prevention strategies of patient care across the lifespan. Students will examine the limits and boundaries of primary care in this role, jugging all roles and areas. Further, it includes issues related to the scope of practice, billing, and more specific to Family Nurse Practitioners.
This course explores the knowledge and competencies needed to develop and apply evidence-based innovative teaching strategies in the classroom and clinical settings. Strategies for distance and web-based learning are also included.

**Credits:** 3

**Grade Mode:** Normal (A-F,I,W)

**Prerequisite(s):** NRSG 775

**Schedule Type:** Lecture, Interactive Online

**College Code:** CHHS

---

**NRSG 775 - Learning Theories and Health Teaching**

**Credits:** 2

Provides advanced practice nurses with evidence-based knowledge regarding educational theories and their application in academic and clinical settings for successful instruction and teaching of clients, families, and populations.

**Grade Mode:** Normal (A-F,I,W)

**Schedule Type:** Lecture, Interactive Online

**Term Offering:** Summer

**College Code:** CHHS

---

**NRSG 778 - Preparation for DNP Comprehensive Examinations**

**Credits:** 0

This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

**Course/Lab Fee:** Yes

**Course Attribute:** Full-time status

**Grade Mode:** Noncredit (NC,W)

**Repeatable:** Repeatable

**Schedule Type:** Independent

**College Code:** CHHS

---

**NRSG 780 - Nursing Education Outcomes**

**Credits:** 3

Students are provided information on methods for assessing overall educational outcomes, such as the individual patient education, classroom instruction, and in providing continuing education units for professional nurses.

**Grade Mode:** Normal (A-F,I,W)

**Schedule Type:** Lecture, Interactive Online

**Term Offering:** Summer

**College Code:** CHHS

---

**NRSG 785 - Curricular Development**

**Credits:** 2

Provides students with knowledge related analysis, development or design, and redesign or improvement, and evaluation of client, student, or professional nursing curricula. Instruction on principles and procedures for curricular development will be addressed.

**Grade Mode:** Normal (A-F,I,W)

**Schedule Type:** Lecture, Interactive Online

**Term Offering:** Fall

**College Code:** CHHS

---

**NRSG 788 - Preparation for FNP Board Certification Examination and DNP Scholarly Project Presentation**

**Credits:** 0

This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

**Course/Lab Fee:** Yes

**Course Attribute:** Full-time status

**Grade Mode:** Noncredit (NC,W)

**Repeatable:** Repeatable

**Schedule Type:** Independent

**College Code:** CHHS

---

**NRSG 790 - Nursing Education Practicum**

**Credits:** 1–3

This course requires 450 - 675 literal hours of practicum which would provide students with the opportunity to utilize knowledge gained in the nursing education courses, in a nursing higher education setting (i.e. ADN, BSN, MSN, DNP program).

**Course/Lab Fee:** Yes

**Grade Mode:** Satisfactory w/DG (S,U,I,W,DG)

**Repeatable:** Repeatable up to 9 credits

---
School of Population Health, Nutrition & Wellness

Mission
The mission of the Andrews University School of Population Health, Nutrition & Wellness:

To prepare public health, nutrition, dietetic, fitness, and wellness professionals for service in their church, society and the world, by inspiring the community at large to affirm the Adventist lifestyle, including the vegetarian diet, benefits of regular exercise, fitness and a balanced life.

Bachelors

Exercise Science BS
This program is designed for students pursuing professional degrees in the fields of Fitness and Exercise, Physical Therapy, Strength and Conditioning, Cardiac Rehab, Occupational Therapy, Exercise Physiology, or graduate school. Two concentrations are available. The Pre-Physical Therapy concentration is for students in pursuit of the DPT program at Andrews University. The Fitness concentration is for students looking to enter the fitness field or planning to pursue another graduate field.

Total Credits - 124-134
Major - 52-62

Core - 27
FTES 110 - Introduction to Exercise Science, Physical Therapy, and Occupational Therapy Credits: 2
FTES 305 - Current Concepts and Applications in Physical Fitness Credits: 3
FTES 325 - Sports Nutrition Credits: 3
FTES 355 - Methods of Fitness Instruction Credits: 3
FTES 410 - Issues in Exercise Science Credits: 2
FTES 465 - Exercise Physiology Credits: 4
FTES 475 - Kinesiology Credits: 3
FTES 497 - Internship Credits: 2
MLSC 110 - Medical Terminology Credits: 1
PHTH 417 - Human Anatomy Credits: 3
PHTH 427 - Human Anatomy Laboratory Credits: 1

Additional Requirements
Successful completion of the Certified Personal Trainer (CPT) Exam is a pre-requisite to FTES 497 Internship.

Concentration - 25-35
Fitness Concentration - 25
This concentration is designed for students pursuing professional degrees in the fields of Fitness and Exercise, Physical Therapy, Strength and Conditioning, Cardiac Rehab, Occupational Therapy, Exercise Physiology, or graduate school.

FDNT 448 - Nutrition and Wellness Credits: 3
FDNT 498 - Research Methods Credits: 3
FTES 220 - CPR & AED Credits: 1
FTES 214 - Weight Training & Conditioning Credits: 3
FTES 445 - Exercise Testing and Prescription Credits: 3
FTES 490 - Exercise Science Program Review Credits: 1
HLED 411 - Community Health & Fitness I Credits: 2
HLED 412 - Community Health & Fitness II Credits: 2
HLED 445 - Consumer Health Credits: 2
PSYC 471 - Behavior Modification Credits: 3
3 elective credits chosen in consultation with advisor from FDNT, FTES, or HLED

Pre-Physical Therapy Concentration - 35
The Exercise Science degree with concentration in pre-Physical Therapy is designed as a pre-professional interim degree for students pursuing a Doctor of Physical Therapy (DPT) degree through the “3+3” track. This degree with concentration prepares the pre-PT student with the prerequisite knowledge required for the DPT degree. Once accepted into the DPT program, the 3+3 track allows students to
enter the professional DPT program before completion of the Exercise Science degree with pre-PT concentration. The 3+3 students' senior year is the first two semesters of the DPT program. This program is designed to be completed in eight semesters. Students successfully completing the appropriate prerequisites, and DPT-1 and DPT-2 of the professional program (36 credits), qualify for the Bachelor of Exercise Science Degree.

- PTH 501 - DPT Orientation Credits: 0
- PTH 505 - Anatomy Credits: 4
- PTH 509 - Principles of Therapeutic Exercise Credits: 2
- PTH 510 - PT Assessment Skills Credits: 3
- PTH 513 - Health Promotion and Wellness I Credits: 1.2
- PTH 515 - Anatomy Laboratory Credits: 3
- PTH 516 - Pathophysiology Credits: 3
- PTH 518 - General Medicine Credits: 2
- PTH 519 - Principles of Therapeutic Exercise Laboratory Credits: 2
- PTH 520 - PT Assessment Skills Laboratory Credits: 3
- PTH 526 - Pathophysiology Laboratory Credits: 2
- PTH 528 - General Medicine Laboratory Credits: 1
- PTH 530 - Pathophysiology I Credits: 3
- PTH 562 - Topics in Comparative Religion Credits: 2
- PTH 565 - Neuroscience and Motor Control Credits: 3
- PTH 575 - Neuroscience and Motor Control Laboratory Credits: 1

Additional Requirements (Pre-PT)
- An earned minimum grade of "C-" (2.33) or "S" (in a "S/U" course) in each DPT program course. The BS program courses include PTH 501, PTH 505, PTH 509, PTH 510, PTH 513, PTH 515, PTH 516, PTH 518, PTH 519, PTH 520, PTH 526, PTH 528, PTH 530, PTH 562, PTH 565, and PTH 575.
- No more than a cumulative total of five points earned on the grade-point scale throughout the physical therapy program (see DPT Student Handbook).
- Students must be able to perform skills listed in the Technical Standards of Performance and demonstrate professional behaviors as outlined in the DPT Student Handbook.
- Maintain a cumulative GPA of 3.00 or greater in all credits used to meet the Exercise Science degree requirements.
- Undergraduate DPT students entering the graduate phase of the program (PT-3) must have completed all requirements for their bachelor’s degree and have their degree conferred.

Cognates - 40-41

- BIOL 221 - Anatomy and Physiology I Credits: 4
- BIOL 222 - Anatomy and Physiology II Credits: 4
- CHEM 131 - General Chemistry I Credits: 4 *
- CHEM 132 - General Chemistry II Credits: 4
- FNDT 230 - Nutrition Credits: 3
- PBHL 440 - Fundamentals of Spirituality & Ethics in Healthcare Credits: 3
- PHYS 141 - General Physics I Credits: 4
- PHYS 142 - General Physics II Credits: 4
- PSYC 101 - Introduction to Psychology Credits: 3 *
- PSYC 301 - Human Development Credits: 3
- STAT 285 - Introduction to Applied Statistics Credits: 3 * or MATH 168

* Course meets ACE requirement

Admission Requirements

Apply to the Program
To transition into the professional program, students need to apply to the director of Fitness and Exercise Science at the end of their sophomore year in order to register for FTES 305 Current Concepts and Applications in Fitness (a required course for the major).

Application Deadline
For acceptance to the program applications need to be submitted by the last Friday in March, September, or November for the following semester.

Acceptance
- Full acceptance into the Exercise Science BS Program requires successful completion of all prerequisite courses and a minimum cumulative GPA of 3.0, and a minimum overall GPA of 2.5 in sciences and FTES courses.
- Students who are in the Fitness Concentration who are not fully accepted into the program by their senior year will be unable to register for HLED 411

Community Health & Fitness which is required for the completion of the program.

Pre-Physical Therapy Concentration Admission Requirements
An Early Assurance option is available for Andrews University freshmen who meet the following criteria:
- Declare pre-PT as the major upon enrollment as a freshman in fall semester
- High school GPA minimum 3.5

Matriculation into the DPT program requires the following criteria:
- Maintain a minimum 3.5 GPA throughout every semester (freshman through acceptance into DPT program)
- Maintain a wholesome lifestyle per the Andrews University Student Handbook
- Exhibit developing professional behavior
- Satisfactory interview
- Graduate Record Exam (GRE): A minimum Verbal and Quantitative score of 142 each is required, and minimum Writing score of 3.0.
- Observation Hours: Students must complete a minimum of 80 observation hours supervised by a licensed physical therapist in at least 3 different settings; at least 20 hours must be in an in-patient acute care or hospital setting.

- Recommendations: At least one reference must be from a physical therapist and another from a professor who taught the student. It is recommended that the third be from an employer/supervisor, clergy, a second physical therapist or health care professional.

Students who meet these Early Assurance criteria are guaranteed acceptance into the DPT program, however are still required to apply through PTCA. Students who lose Early Assurance may still apply through PTCA for the DPT program and will be placed into the applicant pool.

Student Learning Outcomes

Domain I: Health and Fitness Assessment
1.1: Conduct assessments of cardiovascular, muscular strength, muscular endurance, flexibility, anthropometrics and body composition.
1.2: Implement assessment protocols and determine participant’s readiness to take part in a fitness assessment.

Domain II: Exercise Prescription and Implementation
2.1: Determine safe and effective exercise programs for healthy populations.
2.2: Determine a safe and effective exercise program for a diseased population.
2.3: Implement exercise prescriptions using the FITT principle.
2.4: Prescribe and implement exercise programs for healthy special populations.

Domain III: Exercise Counseling and Behavioral Strategies
3.1: Optimize adoption and adherence to exercise programs and other healthy behaviors by applying effective communication techniques.
3.2: Provide educational resources to support clients in the adoption and maintenance of healthy lifestyle behaviors.
3.3: Provide support within the scope of practice of a Health Fitness Specialist and refer to other health professionals as indicated.

Domain V: Management
5.1 Develop and execute a marketing plan to promote programs, services or facilities.
5.2 Demonstrate leadership and interpersonal skills

Nutrition Science & Dietetics,
Dietetics Concentration BS

The BS program in Nutrition Science and Dietetics with Dietetics Concentration is recommended for students wishing to become a Registered Dietitian (RD)/Registered Dietitian Nutritionist (RDN), or pursue a career in public health and/or graduate school. This BS also prepares students for dietetics registration eligibility.

Accreditation: The Didactic Program in Nutrition Science & Dietetics (DP) at Andrews University is currently accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND) of the Academy of Nutrition and Dietetics, 120 S Riverside Plaza, Suite 2000, Chicago, IL 60606-6995, 312/899-5400.
Major - 35

FDNT 118 - The Profession of Dietetics Credits: 1
FDNT 124 - Food Science Credits: 3
FDNT 310 - Nutrition in the Life Cycle Credits: 3
FDNT 351 - Food Service Management I Credits: 3
FDNT 352 - Food Service Management II Credits: 3
FDNT 421 - Community Nutrition I Credits: 2
FDNT 422 - Community Nutrition II Credits: 2
FDNT 441 - Medical Nutrition Therapy I Credits: 2
FDNT 442 - Medical Nutrition Therapy II Credits: 2
FDNT 448 - Nutrition and Wellness Credits: 3
FDNT 451 - Medical Nutrition Therapy I Lab Credits: 1
FDNT 452 - Medical Nutrition Therapy II Lab Credits: 1
FDNT 460 - Seminar in Nutrition, Wellness and Ellen White’s Writings Credits: 1
FDNT 485 - Nutrition and Metabolism Credits: 3
FDNT 490 - Dietetic Program Review Credits: 1
FDNT 498 - Research Methods Credits: 3

Additional Requirements
Graduation is dependent upon the completion of all curriculum requirements for the professional Bachelor of Science in Nutrition Science and Dietetics degree with the maintenance of at least a minimal overall GPA of 2.85 and a minimal GPA of 2.25 in all dietetic and science courses. No grade below a C- is accepted for prerequisite and cognate courses (or below a C for dietetic courses).

NOTE: Students planning graduate study in nutrition or medical dietetics are recommended to take the following chemistry courses: CHEM 131, CHEM 132, CHEM 231, CHEM 232, CHEM 241, CHEM 242, BCHM 421, BCHM 422.

Professional Development Portfolio
Students are expected to complete a professional development portfolio during the DP program outlining their goals and accomplishments, including 200 hours of professional dietetic experience (125 hours for students transferring into Andrews University in the junior or senior year). A verification form for completion of the DP program will not be issued until the professional development portfolio has been satisfactorily completed by the student.

Comprehensive Review Exam
Graduates are provided with a Didactic Program in Nutrition Science and Dietetics Verification Statement, testifying to the fact that they have successfully completed the requirements for a BS degree in Nutrition Science and Dietetics. Students must successfully pass a comprehensive review exam in their senior year before they are eligible to receive a DP verification form.

Cognates - 12

BSAD 355 - Principles of Management Credits: 3
BSAD 384 - Human Resource Management Credits: 3
MKTG 310 - Principles of Marketing Credits: 3
PBHL 440 - Fundamentals of Spirituality & Ethics in Healthcare Credits: 3 *

*Fulfills ACE requirement

Admission Requirements
Nutrition Science & Dietetics Program (Step 1)
Prospective students enter the Nutrition Science & Dietetics program upon acceptance to Andrews University. Students must apply to the professional program* at the end of their sophomore year. The Dietetics Concentration is recommended for students wishing to become a Registered Dietitian/Registered Dietitian Nutritionist or to pursue a career in public health and/or graduate school.

Pre-requisite Courses: two years of the following:
- Introductory professional (e.g., Food Science and Nutrition)
- Sciences (e.g., Intro to Chemistry, Biochemistry, Anatomy & Physiology, and Microbiology)
- Social sciences (e.g., Sociology and Psychology)
- Math (e.g., MATH 145 or higher)
- Andrews Core Experience (ACE)
These courses may be obtained at Andrews University or another accredited college or university, or equivalent institution for international students.

Professional Program in Nutrition Science & Dietetics (Step 2)
Applying to the Program*
To transition into the professional program, students need to apply to the director of the Didactic Program in Nutrition Science & Dietetics (DP) at the end of their sophomore year. Students must apply to the program in order to register for FDNT 351 - Food Service Management I, a required course for the major.

Courses
The professional program includes two years of study, including courses in:
- medical nutrition therapy
- food-service management
- nutrition and metabolism
- community nutrition
These courses are to be obtained on the Andrews University campus.

Application Deadline
For acceptance to the program, applications need to be submitted to the program director by the last Friday in March, September, or November for the following semester.

Acceptance
- Full acceptance into the BS Nutrition Science & Dietetics Program requires successful completion of all prerequisite courses and a minimum cumulative GPA of 3.0, and a minimum overall GPA of 2.5 in the sciences and FDNT courses.
- Students who are not fully accepted into the program by their senior year will be unable to register for FDNT 441 - Medical Nutrition Therapy I, which is required for the completion of the program.

Prerequisites - 29

BCHM 120 - Introduction to Organic and Biological Chemistry Credits: 4
BIOL 221 - Anatomy and Physiology I Credits: 4
BIOL 222 - Anatomy and Physiology II Credits: 4
BIOL 260 - General Microbiology Credits: 4
CHEM 110 - Introduction to Inorganic Chemistry Credits: 4
MATH 165 - College Algebra Credits: 3
PSYC 101 - Introduction to Psychology Credits: 3
SOC 119 - Principles of Sociology Credits: 3

Additional Information

Registration Examination Eligibility
Anders University offers two programs to prepare the student for the registration examination given by the Commission on Dietetic Registration of the Academy of Nutrition and Dietetics (AND).
- The DPD program, which meets the academic requirements for registration eligibility.
- The Dietetic Internship, a post-baccalaureate program, designed to meet the supervised practice requirements for registration eligibility.

Dietetic Internship
After completion of the BS course work for the Nutrition Science & Dietetics BS, students are eligible to apply for the an eight-month accredited Dietetic Internship that must be completed by a dietetic student for registration eligibility. A minimum cumulative GPA of 3.0 and DP (Didactic program in Nutrition Science and Dietetics) GPA of 3.2 is recommended for admission into the program.

This supervised practice provides experiences in three main areas of dietetics—community nutrition, clinical nutrition, and food-service management. The Internship Program is available at several hospitals affiliated with Andrews University. Successful completion of this intensive eight-month supervised practice permits a student to write the national registration exam in dietetics. Students who successfully complete the internship will be issued an Internship Program verification statement.

Upon passing the registry exam, graduates receive formal recognition as Registered Dietitians (RD). This status is maintained by participating in continuing professional education activities approved by AND. With advanced study or experience, the dietitian may qualify as a specialist in clinical dietetics, food service management, nutrition education, or research.

Student Learning Outcomes
Domain 1: Scientific and Evidence Base of Practice: integration of scientific information and research into practice
Nutrition Science & Dietetics, Nutrition Science Concentration BS

The BS program in Nutrition Science & Dietetics with Nutrition Science Concentration is designed for students pursuing professional degrees in the fields of Nutrition, Dietetics, Medicine, Dentistry, Public Health, Research, and other health-related graduate degrees (e.g., Pre-Med, Pre-Dent). This BS also prepares students for dietetics registration eligibility.

Accreditation: The Didactic Program in Nutrition Science & Dietetics (DP) at Andrews University is currently accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND) of the Academy of Nutrition and Dietetics, 120 S Riverside Plaza, Suite 2000, Chicago, IL 60606-6995, 312/899-5400.

Total Credits - 124

Major - 36-38

FDNT 118 - The Profession of Dietetics Credits: 1
FDNT 124 - Food Science Credits: 3
FDNT 310 - Nutrition in the Life Cycle Credits: 3
FDNT 351 - Food Service Management I Credits: 3
FDNT 352 - Food Service Management II Credits: 3
FDNT 421 - Community Nutrition I Credits: 2 *

FDNT 422 - Community Nutrition II Credits: 2 *
FDNT 441 - Medical Nutrition Therapy I Credits: 3
FDNT 442 - Medical Nutrition Therapy II Credits: 3
FDNT 448 - Nutrition and Wellness Credits: 3
FDNT 451 - Medical Nutrition Therapy I Lab Credits: 1
FDNT 452 - Medical Nutrition Therapy II Lab Credits: 1
FDNT 460 - Seminar in Nutrition, Wellness and Ellen White's Writings Credits: 1
FDNT 485 - Nutrition and Metabolism Credits: 3
FDNT 490 - Dietetic Program Review Credits: 1
FDNT 498 - Research Methods Credits: 3
FDNT 499 - Research Project in Nutrition Science & Dietetics Credits: 1–3

*Fulfills ACE requirement

Additional Requirements

Graduation is dependent upon the completion of all curriculum requirements for the professional Bachelor of Science in Nutrition Science and Dietetics degree with the maintenance of at least a minimal overall GPA of 2.85 and a minimal GPA of 2.25 in all dietetic and science courses. No grade below a C– is accepted for prerequisite and cognate courses (or below a C for dietetic courses).

NOTE: Students planning graduate study in nutrition or medical dietetics are recommended to take the following chemistry courses: CHEM 131, CHEM 132, CHEM 231, CHEM 232, CHEM 241, CHEM 242, BCHM 421, BCHM 422.

Professional Development Portfolio

Students are expected to complete a professional development portfolio during the DP program outlining their goals and accomplishments, including 200 hours of professional dietetic experience (125 hours for students transferring into Andrews University in the junior or senior year). A verification form for completion of the DP program will not be issued until the professional development portfolio has been satisfactorily completed by the student.

Comprehensive Review Exam

Graduates are provided with a Didactic Program in Nutrition Science and Dietetics Verification Statement, testifying to the fact that they have successfully completed the requirements for a BS degree in Nutrition Science and Dietetics. Students must successfully pass a comprehensive review exam in their senior year before they are eligible to receive a DP verification form.

*Fulfills ACE requirement

Admission Requirements

Nutrition Science & Dietetics Program (Step 1)

Prospective students enter the Nutrition Science & Dietetics program upon acceptance to Andrews University. Students must apply to the professional program* at the end of their sophomore year. The Nutrition Science Concentration is recommended for students wishing to pursue professional degrees in the fields of nutrition, medicine, dentistry, research and other health related graduate degrees.

Pre-requisite Courses: two years of the following:

- Introductory professional (e.g., Food Science and Nutrition)
- Sciences (e.g., General Chemistry, Organic Chemistry, Foundations of Biology, and Physics)
- Social sciences (e.g., Sociology and Psychology)
- Math (MATH 191 Calculus I)
- Andrews Core Experience (ACE)

These courses may be obtained at Andrews University or another accredited college or university, or equivalent institution for international students.

Professional Program in Nutrition Science & Dietetics (Step 2)

Applying to the Program*

To transition into the professional program, students need to apply to the director of the Didactic Program in Nutrition Science & Dietetics (DP) at the end of their sophomore year. Students must apply to the program in order to register for FDNT 351 Food Service Management, a required course for the major.
Program verification statement.

who successfully complete the internship will be issued an Internship permits a student to write the national registration exam in dietetics. Students University. Successful completion of this intensive eight-month supervised practice management, nutrition education, or research.

experience, the dietitian may qualify as a specialist in clinical dietetics, food service professional education activities approved by AND. With advanced study or cumulative GPA of 3.0 and DP (Didactic program in Nutrition Science and Dietetics) that must be completed by a dietetic student for registration eligibility. Domain 1: Scientific and Evidence Base of Practice: integration of scientific information

Student Learning Outcomes

Courses

The professional program includes two years of study including courses in:

- medical nutrition therapy
- food-service management
- nutrition and metabolism
- community nutrition

These courses are to be obtained on the Andrews University campus.

Application Deadline

For acceptance to the program, applications need to be submitted to the program director by the last Friday in March, September, or November for the following semester.

Acceptance

- Full acceptance into the BS Nutrition Science & Dietetics Program requires successful completion of all prerequisite courses and a minimum cumulative GPA of 3.0, and a minimum overall GPA of 2.5 in the sciences and FDNT courses.
- Students who are not fully accepted into the program by their senior year will be unable to register for FDNT 441 Medical Nutrition Therapy which is required for the completion of the program.

Prerequisite Courses - 45

BCHM 421 - Biochemistry I Credits: 4
BIOL 165 - Foundations of Biology Credits: 4.5

Andrews University offers two programs to prepare the student for the registration examination given by the Commission on Dietetic Registration of the Academy of Nutrition and Dietetics (AND).

The DPD program, which meets the academic requirements for registration eligibility.

The Dietetic Internship, a post-baccalaureate program, designed to meet the supervised practice requirements for registration eligibility.

Dietetic Internship

After completion of the BS course work for the Nutrition Science & Dietetics BS, students are eligible to apply for the an eight-month accredited Dietetic Internship that must be completed by a dietetic student for registration eligibility. A minimum cumulative GPA of 3.0 and DP (Didactic program in Nutrition Science and Dietetics) GPA of 3.2 is recommended for admission into the program.

This supervised practice provides experiences in three main areas of dietetics—community nutrition, clinical nutrition, and food-service management.

The Internship Program is available at several hospitals affiliated with Andrews University. Successful completion of this intensive eight-month supervised practice permits a student to write the national registration exam in dietetics. Students who successfully complete the internship will be issued an Internship Program verification statement.

Upon passing the registry exam, graduates receive formal recognition as Registered Dietitians (RD). This status is maintained by participating in continuing professional education activities approved by AND. With advanced study or experience, the dietitian may qualify as a specialist in clinical dietetics, food service management, nutrition education, or research.

Student Learning Outcomes

Domain 1: Scientific and Evidence Base of Practice: integration of scientific information and research into practice

KRDN 1.1: Demonstrate how to locate, interpret, evaluate and use professional literature to make ethical, evidence-based practice decisions.
KRDN 1.2: Use current information technologies to locate and apply evidence-based guidelines and protocols.
KRDN 1.3: Apply critical thinking skills.
Domain 2: Professional Practice Expectations: beliefs, values, attitudes and behaviors for the professional dietitian level of practice
KRDN 2.1: Demonstrate effective and professional oral and written communication and documentation.
KRDN 2.2: Describe the governance of nutrition and dietetics practice, such as the Scope of Nutrition and Dietetics Practice and the Code of Ethics for the Profession of Nutrition and Dietetics; and describe interpersonal relationships in various practice settings.
KRDN 2.3: Assess the impact of a public policy position on nutrition and dietetics practice.
KRDN 2.4: Discuss the impact of health care policy and different health care delivery systems on food and nutrition services.
KRDN 2.5: Identify and describe the work of interprofessional teams and the roles of others with whom the registered dietitian nutritionist collaborates in the delivery of food and nutrition services.
KRDN 2.6: Demonstrate an understanding of cultural competence/sensitivity.
KRDN 2.7: Demonstrate identification with the nutrition and dietetics profession through activities such as participation in professional organizations and defending a position on issues impacting the nutrition and dietetics profession.
KRDN 2.8: Demonstrate an understanding of the importance and expectations of a professional in mentoring and precepting others.
Domain 3: Clinical and Customer Services: development and delivery of information, products and services to individuals, groups and populations
KRDN 3.1: Use the Nutrition Care Process to make decisions, identify nutrition-related problems and determine and evaluate nutrition interventions.
KRDN 3.2: Develop an educational session or program/educational strategy for a target population.
KRDN 3.3: Demonstrate counseling and education methods to facilitate behavior change for and enhance wellness for diverse individuals and groups.
KRDN 3.4: Explain the processes involved in delivering quality food and nutrition services.
KRDN 3.5: Describe basic concepts of nutritional genomics.
Domain 4: Practice Management and Use of Resources: strategic application of principles of management and systems in the provision of services to individuals and organizations
KRDN 4.1: Apply management theories to the development of programs or services.
KRDN 4.2: Evaluate a budget and interpret financial data.
KRDN 4.3: Describe the regulation system related to billing and coding, what services are reimbursable by third party payers, and how reimbursement may be obtained.
KRDN 4.4: Apply the principles of human resource management to different situations.
KRDN 4.5: Describe safety principles related to food, personnel and consumers.
KRDN 4.6: Analyze data for assessment and evaluate data to be used in decision-making for continuous quality improvement.

Public Health, Environmental Public Health Concentration BSPH

Bachelor of Science in Public Health (BSPH) program with Environmental Health concentration is designed for students pursuing a professional degree in the field of Environmental Public Health. This program prepares students for certification as a Registered Environmental Health Specialist (REHS) that qualifies for entry-level positions in the field of environmental health.

The BSPH program in Environmental Health is the first of its kind at the undergraduate level in the Adventist Health School System. It is a rigorous yet flexible science-based applied program that prepares students for careers in public health as well as environmental health fields. This program is recommended for pre-medical, pre-dental students wishing to secure a job while preparing for medical, dental, or physical therapy, physician’s assistant and pharmacy schools. This degree provides an excellent foundation for pursuing the online Master of Public Health public (MPH) degree at Andrews University or any MPH degree in general. Employment of environmental scientists and specialists is projected to grow 11 percent from 2014 to 2024 faster than the average for all occupations.

Environmental Health is the science and practice of preventing human injury and illness while promoting well-being by a) identifying and evaluating environmental sources and hazardous agents and b) limiting exposures to hazardous physical, chemical, and biological agents in air, water, food and other environmental media or settings that may adversely affect human health.
BSPH Program Mission
To prepare public health professionals who can plan, manage, evaluate and solve public health problems in the public and private sector. This mission will improve the health and well-being of individuals, communities, and populations, while preparing students to become Christ-centered scholars and global leaders in public health.

Delivery
Major courses for this program are also available in an interactive online format.

Accreditation
The Bachelor of Science in Public Health at Andrews University is accredited by the Council on Education for Public Health (CEPH), 1010 Wayne Avenue, Suite 220, Silver Spring, MD 20910. www.ceph.org

Additional Information

REHS Credential
A Professional Credential from National Environmental Health Association (NEHA)

Students in the BSPH program in environmental health are eligible to take the Registered Environmental Health Specialist certification exam. The REHS is the most prevalent NEHA credential and professionals demonstrate competency in an impressive range of environmental health issues, directing and training personnel to respond to routine or emergency environmental situations, as well as educating community members about environmental health concerns. In addition, REHS credential holders are key members in ensuring that communities are in compliance with local, state and federal environmental health regulations. For additional information visit the site below.

Public Health, Social and Behavioral Sciences Concentration BSPH

Bachelor of Science in Public Health (BSPH) program with Social and Behavioral Sciences concentration is designed for students pursuing a professional degree in the field of Public Health. This program prepares students for public health careers that focus on lifestyles and behaviors in the context of the socio-economic and cultural aspects of individuals.

Our constant interactions with our surroundings require an understanding of the complex relationships between social systems and health in order to improve the health of the public and prevent disease. A holistic approach to medical care is needed to address the conditions in the social system that contribute to illness. Thus, an understanding of the organization and motivation behind social forces and individual lifestyles can be used to improve the lives of individuals and the society as a whole.

The focus of the BS in Public Health program with Social and Behavioral Sciences concentration is to train students as public health professionals who can pursue careers such as Preventive Care, Doctor of Osteopathic Medicine, other health professions, Research, Policy, Health Promotion, Social Justice and Integrative Health. Careers may also be pursued in business, politics and government, counseling, psychology and mental health, education and even law. The concentration addresses individual lifestyle factors, social and community networks and general socioeconomic, cultural and environmental conditions that impact the health of the public.

graduation.

Portfolio
Students are expected to complete a professional development portfolio during the
BSPH program outlining their goals and accomplishments, including
experiential activities conducted at both public and private public health agencies and
organizations.

Experiential Activity
All students are required to complete a cumulative, integrative and scholarly (or
applied) experience that serves as a capstone to the educational experience. This can also be an inquiry project. These experiences may include, but are not limited to,
internships, service learning projects, senior seminars, portfolio projects,
research papers or honors thesis. Exposure to local-level public health
professionals and/or agencies that engage in public health practice is encouraged.

Additional Requirements
A student needs to maintain a cumulative GPA of 2.50 or greater in all credits used to
meet the BHS degree requirements.

Students are expected to complete a portfolio during the BHS Wellness program
outlining their goals and accomplishments, including required hours of professional experience (based on class standing & previous experience). Successful completion of the portfolio is required for graduation.

The School of Population Health, Nutrition & Wellness offers the option for certification from the American Council on Exercise (ACE) in the following areas:
Certified Personal Trainer, Group Fitness Instructor, Lifecycle & Weight
Management Consultant, and Advanced Health & Fitness Specialist. The exams for these certifications will be held on-campus. This degree requires BHS Wellness/Fitness students to take the American Council on Exercise (ACE) Health Coach Certification. This certification exam will serve as the exit examination for BHS Wellness/Fitness students.

**Off-Campus Locations**

This program is also offered at approved off-campus locations.

**Student Learning Outcomes**

**Domain I: Systems Aspects:** focuses on the inter-relationship between elements within a system at the body, organization, community, or global level.

1.1: Apply relevant theories and models to explain the integrated role of physical, social, intellectual, emotional, occupational, and spiritual aspects in the human pursuit and experience of wellness throughout the lifespan.

1.2: Establish collaborative relationships within and across key stakeholders and interdisciplinary teams to promote sustainable health and wellness practices that meet long-term personal, organizational, and/or community goals.

**Domain II: Methodological Aspects:** focuses on the technical aspects of promoting wellness such as building relationships, implementing evidence-based strategies, and providing education.

2.1: Utilize appropriate techniques, such as strengths-based, humanistic, and cognitive-behavioral, to encourage active client participation in their wellness journey.

2.2: Adopt person-centered communication practices with clients, recognizing the influence of personal and cultural values and beliefs in the communicative process and taking into consideration factors such as age, socioeconomic status, spiritual beliefs, and health literacy.

2.3: Provide evidence-based information appropriate to developmental level, health literacy level, learning needs, learning readiness, and cultural values and beliefs to educate clients and the public about health promotion and wellness.

2.4: Prescribe and implement health programs for healthy, special populations.

**Domain III: Professional Aspects:** focuses on standards that maintain professionalism within the wellness profession.

3.1: Practice in accordance with the limits of scope of practice and code of conduct

3.2: Demonstrate commitment to self-care by modeling healthy lifestyle practices in multiple dimensions of wellness

**Domain IV: PROJECT MANAGEMENT Aspects:** focuses on logistics such as designing programs, marketing, evaluation, and other components needed to complete and deliver a wellness program.

4.1 Develop and execute a marketing plan to promote programs, services or facilities.

4.2 Demonstrate leadership and interpersonal skills

4.3: Utilize participatory and strengths-based processes to design programs.

**Undergraduate Minors**

**Fitness Education Minor**

This minor will provide the opportunity to gain the theoretical and practical knowledge and experience to obtain certification as a personal trainer.

**NOTE:** This minor is not approved for Michigan elementary or secondary teaching certification.

**Total Credits - 20**

**Certification**

**American College of Sports Medicine (ACSM)**

Students taking the Minor in Fitness Education have the option of sitting for the Certified Personal Trainer (CPT) or Group Fitness Instructor Certification (GFI) that is offered through the American College of Sports Medicine (ACSM) or American Council on Exercise (ACE). If student seeks to take an ACE or ACSM National Fitness Certification Exam, it is recommended they also take FTES 465 prior to the exam.

**Student Learning Outcomes**

**Domain I: Health and Fitness Assessment**

1.1: Conduct assessments of cardiovascular, muscular strength, muscular endurance, flexibility, anthropometrics and body composition.

1.2: Implement assessment protocols and determine participant’s readiness to take part in a fitness assessment.

**Domain II: Exercise Prescription and Implementation**

2.1: Determine safe and effective exercise programs for healthy populations.

**Domain III: Exercise Counseling and Behavioral Strategies**

3.3: Provide support within the scope of practice of a Health Fitness Specialist and refer to other health professionals as indicated.

**Health Minor**

This minor will provide students with the opportunity to gain insight into the health field. Depending on the electives chosen, students can learn deeper about the fields of nutrition, fitness or wellness.

**Total Credits - 20**

**Choose one of the following courses:**

FTES 214 - Weight Training & Conditioning Credits: 3
FTES 214-002 - Women's Strength Training and Toning Credits: 1
Electives
9 credits selected from HLED, FDNT, FTES or other health-related courses approved by the program director.

Certification
American Council on Exercise (ACE) students taking the Minor in Health have the option of sitting for the Health Coach Certification this is offered through the American Council on Exercise (ACE).

Student Learning Outcomes
Domain I: Scientific and Evidence Base of Practice: integration of scientific information and research into practice
KRDN 1.1: Demonstrate how to locate, interpret, evaluate and use professional literature to make ethical, evidence-based practice decisions.
KRDN 1.3: Apply critical thinking skills.
Domain II: Professional Practice Expectations: beliefs, values, attitudes and behaviors for the professional dietitian level of practice
KRDN 2.1: Demonstrate effective and professional oral and written communication and documentation.

Public Health Minor
A minor in Public Health enables students to acquire public health knowledge that complements their career paths. The minor is designed for students going into careers other than public health who can benefit from public health knowledge in the delivery of their services. Public health prepares professionals who can plan, manage, evaluate and solve public health problems in the public and private sector. The field also focuses on lifestyles and behaviors in the context of socio-economic and cultural health aspects of individuals and communities.

Environmental health, a branch of public health promotes well-being while limiting exposures to hazardous physical, chemical, and biological agents in air, water food and other environmental media that may adversely affect human health. The mission of public health is to improve the health and well-being of individuals, communities, and populations while preparing students to become Christ centered scholars and global leaders in public health.

Total Credits - 30
FDNT 520 - Vegetarian Nutrition and Disease Prevention Credits: 3
FDNT 560 - Health Research Methods Credits: 3
FDNT 565 - Current Issues in Nutrition and Wellness Credits: 3
FDNT 595 - Dietetic Internship I Credits: 6

NOTE: Students who submit RDN documentation may fulfill the requirement FDNT 595 - Dietetic Internship I (6 credits) through credit for prior learning, and may replace FDNT 596 - Dietetic Internship II with six elective credits, in consultation with their academic advisor.

FDNT 596 - Dietetic Internship II Credits: 6
FDNT 670 - Comprehensive Exam Credits: 0
2 credits of FDNT 680 - Research Seminar Credits: 1
FTES 510 - Fitness and Health Promotion Credits: 2
PBHL 511 - Biostatistics Credits: 3.4
PBHL 646 - Integration of Spirituality in Health Care Credits: 2

Masters

Nutrition & Wellness MS

The Nutrition and Wellness Master of Science is designed for students pursuing a career in Nutrition and Dietetics with the goal to become a Registered Dietitian (RD) or a Registered Dietitian Nutritionist (RDN) as credentialed by the Commission on Dietetic Registration (CDR). This program has a unique emphasis on Vegetarian Nutrition.

The Nutrition and Wellness MS provides students with the Dietetic Internship along with a Master’s degree so that they are ready for the future CDR requirements to become an RD/RDN. Students must have completed their bachelor’s degree from an accredited program in Nutrition & Dietetics and have a verification statement prior to the start of the program or be in their senior year completing a Didactic Program in Dietetics (DPD). Students must apply to the Dietetic Internship through DICAS and be accepted to the internship prior to start of the program.

Incoming Freshman & Guaranteed Admission to Dietetic Internship (DI): Incoming freshman can obtain guaranteed admission to the DI by meeting the following criteria: students must maintain a 3.3 GPA throughout their four year undergraduate DPD degree and have acceptable annual interviews with both DPD and DI Directors.

Master (MS) Degree Track Options:
• Regular Track: 6 semesters*
• Accelerated Track: 4 semesters**
  • Students may be able to complete the MS degree in 4 semesters, to accelerate program completion. This must be discussed and approved by the student’s advisor prior to the start of the internship.
  • Senior level students with a 3.3 GPA or higher (completing the DPD program) may be able to take up to 6 graduate credits in their senior year with permission from their advisor.

Timeline for Completion:
*Regular Track: Total time to complete graduate degree = 2 years (24 months)
**Accelerated Track: Total time to complete graduate degree = 1.25 years (15 months)

Total Credits - 18
PBHL 105 - Intro to Public Health Credits: 3
PBHL 311 - Biostatistics Credits: 3
PBHL 321 - Epidemiology Credits: 3

Electives
Students may select any 3 courses from the following:
BSAD 380 - Healthcare Foundations Credits: 3
FDNT 310 - Nutrition in the Life Cycle Credits: 3
PBHL 308 - Environmental Health Credits: 3
PBHL 315 - Environmental Toxicology Credits: 3
PBHL 345 - Health Behavior & Chronic Diseases Credits: 3
PSYC 319 - Stress Management Credits: 3
Additionl Requirements

Additional Requirements
After completion of the BS course work for the Nutrition Science & Dietetics BS, students are eligible to apply for the eight month accredited Dietetic Internship that must be completed by a dietetic student for registration eligibility. A minimum cumulative GPA of 3.0 and DP (Didactic program in Nutrition Science and Dietetics) GPA of 3.2 is recommended for admission into the program.

This supervised practice provides experiences in three main areas of dietetics—community nutrition, clinical nutrition, and food-service management. The Internship Program is available at several hospitals affiliated with Andrews University. Successful completion of this intensive eight-month supervised practice permits a student to write the national registration exam in dietetics. Students who successfully complete the internship will be issued an Internship Program verification statement.

In the year 2024 students will be required to have a Master’s degree prior to sitting for the national board exam required for RD registration (RD exam). The Masters in Science in Nutrition & Wellness will allow students to continue study in the area of nutrition in preparation to become an RD or RDN. Students must complete the Internship prior to start of classes in the program. A C or higher in each semester of the internship is required for students to move on to the online course work.

Upon passing the registry exam, graduates receive formal recognition as Registered Dietitians (RD). This status is maintained by participating in continuing professional education activities approved by the Academy. With advanced study or experience, the dietitian may qualify as a specialist in clinical dietetics, food service management, nutrition education, or research.

Admission Requirements

Applicants must hold a baccalaureate degree from a Nutrition and Dietetics program that is accredited in the United States by the Accreditation Council in Education for Nutrition and Dietetics (ACEND), be in the process of completing such a degree and in their senior year, or be a Registered Dietitian Nutritionist (RDN) as credentialed by the Commission on Dietetic Registration (CDR). Students must have an overall GPA of 3.0 or higher for admission into the program.

Student Learning Outcomes

Graduates of this program will:
- Enhance their knowledge base on the protective role of plant-based diet for chronic diseases of affluent societies.
- Design and/or deliver an evidence-based, theory-based, plant-based dietary lifestyle intervention to prevent a specific chronic disease among a target group of an affluent society (group project).
- Enhance proficiency in using vegetarian diets to prevent common chronic diseases of affluent countries.
- Select quantitative and qualitative data collection methods appropriate for a given public health context.
- Identify health research questions and specific research objectives.
- Plan, develop, implement and evaluate a health and wellness education initiative/program to inform, educate, and motivate people about health.
- Apply descriptive and inferential methodologies according to the type of study design for answering a particular research question.

Public Health, Nutrition and Wellness Concentration MPH

The mission of the Master of Public Health (MPH) Program is to prepare highly competent public health professionals to prevent disease and restore health in local, national and global communities. This mission is accomplished through excellence in graduate teaching, and through public health research to develop or implement evidence-based lifestyle solutions to improve health while addressing public health problems from a wholistic perspective. We offer a distinctive program with a concentration in Nutrition & Wellness providing a unique emphasis in vegetarian nutrition. See the School of Population Health, Nutrition & Wellness Website for the statement of value and goals of the program.

Delivery: This program is offered in an interactive online format (see School of Distance Education definitions). The interactive online degree does not require any on-campus time.

MPH Dual Degree Option:
The MPH is also available with the following dual degree option:
- Public Health, Nutrition and Wellness Concentration/Divinity Dual Degree MPH/MDiv
- Public Health, Nutrition and Wellness Concentration/Social Work Dual Degree MPH/MSW

Total Credits - 42

Public Health Foundations - 20
PBHL 500 - Introduction to Public Health Credits: 2
4 credits of PBHL 511 - Biostatistics Credits: 3,4
PBHL 521 - Principles of Epidemiology Credits: 3
PBHL 525 - Principles of Environmental Health Credits: 3
PBHL 531 - Principles of Health Behavior Credits: 3 (MPH/MSW dual degree students, replace this course with SOWK 531 - Human Behavior and Social Environment I and SOWK 532 - Human Behavior and Social Environment II)
PBHL 535 - Principles of Health Administration Credits: 3
PBHL 580 - Applied Practice Experience Credits: 2,3
FDNT 670 - Comprehensive Exam Credits: 0

Research - 5
FDNT 560 - Health Research Methods Credits: 3
FDNT 680 - Research Seminar Credits: 1
PBHL 575 - Integrated Learning Experience Credits: 1

Nutrition & Wellness Concentration - 17
FDNT 520 - Vegetarian Nutrition and Disease Prevention Credits: 3
FDNT 565 - Current Issues in Nutrition and Wellness Credits: 3
FTES 510 - Fitness and Health Promotion Credits: 2
PBHL 540 - Grant Writing Credits: 2
PBHL 545 - Program Planning and Evaluation Credits: 3 (MPH/MSW dual degree students replace this course with SOWK 660 - Advanced Practice Evaluation)
PBHL 646 - Integration of Spirituality in Health Care Credits: 2

Choose one of the following courses:
(Note: MPH/MSW dual degree students replace this choice with SOWK 630 - Policy for Social Change)
- FDNT 553 - Phytotherapy and Pharmacology of Herbs and Spices Credits: 2
- PBHL 543 - Introduction to Geographic Information Systems (GIS) Credits: 2

Additional Requirements

Additional Requirements
Student is required to demonstrate ability to integrate specific areas of Administration, Epidemiology, Statistics, Environmental Health, Health Behavior, Program Planning and Evaluation, and Nutrition during culminating activities.

Culminating activities include a written comprehensive exam, Applied Practice Experience, professional portfolio, and an exit survey at the conclusion of program.

Certification

The curriculum for the MPH is designed to help prepare students to take the Certified Health Education Specialist Exam (CHES) administered by the National Commission for Health Education Credentialing (NCHEC).

Students will be expected to meet the Seven Areas of Responsibility of a Health Education Specialist.
- Assessing individual and community needs for health education.
- Planning effective health education programs.
- Implementing health education programs.
- Evaluating effectiveness of health education programs.
- Coordinating provision for health education services.

Admission Requirements

To be eligible for admission to the MPH program, you must have completed a bachelor’s degree or equivalent with a grade point average (GPA) of 3.0 or better (on a 4.0 scale). A limited number of students whose background and experience show potential for success but whose GPAs are less than 3.0 may be admitted on a
provisional basis. A candidate who has a bachelor’s degree but without the prerequisites below may also be admitted on a provisional basis.

For details on applying to the program and admission requirements, go to the School of Graduate Studies website.

Prerequisites
The candidate is required to have completed the courses listed below at the undergraduate level:

- Biology, Physiology, or Anatomy and Physiology
- Two courses in nutrition:
  - One introductory nutrition course similar to FDNT 230 - Nutrition or equivalent
  - One intermediate level nutrition course similar to FDNT 310 - Nutrition in the Life Cycle or equivalent

Masters Dual Degrees

Public Health, Nutrition and Wellness Concentration/Social Work Dual Degree MPH/MSW

The School of Population Health, Nutrition and Wellness in the College of Health and Human Sciences and the School of Social Work in the College of Arts & Sciences are offering a dual degree combining the Master of Public Health and the Master of Social Work. The goal is to prepare individuals for leadership roles in the field of public health where clinical skills learned in the field of social work strengthen their ability to serve the needs of the community. The objectives of this program are for students to learn from highly competent public health professionals in order to prevent disease and restore health in the local, national, and global communities through the MPH program. In the MSW program, they will learn theories and practice skills related to counseling approaches, person-in-environment, social and economic justice, human rights, and global perspectives from a Christian worldview. This will better equip graduates to meet the needs of the community at multiple levels. Graduates will be equipped to address the mental and physical health problems of individuals, families, groups, and communities through treatment and prevention. In addition, this will enrich their learning experience, expand their employment opportunities, and better equip them for the job market where a wide knowledge base is preferred. The program is designed to give students both master’s degrees within four years.

Total Credits: 76

To facilitate this objective, the two programs will reduce the total number of required credits and will share a practicum and a limited number of courses.

Specifically, the School of Social Work will reduce the required number of credits from 56 to 42 by allowing students to replace several MSW courses with MPH courses. The following course substitutions will be made:

- FDNT 560 - Health Research Methods (3 credits) will replace SOWK 561 - Social Work Research I (2 credits)
- PBHL 575 - Integrated Learning Experience (1 credit) and PBHL 580 - Applied Practice Experience (3 credits) will replace SOWK 562 - Social Work Research II (2 credits)
- MSW electives (10 credits) will be fulfilled by taking PBHL 521 - Principles of Epidemiology (3 credits), PBHL 525 - Principles of Environmental Health (3 credits), PBHL 535 - Principles of Health Administration (3 credits), and PBHL 540 - Grant Writing (2 credits)
- SOWK 635 - Advanced Field Experience (5 credits) will take place at a county public health department

The MPH will reduce the required number of credits from 42 to 34 by replacing three MPH courses with MSW courses. The following course substitutions will be made:

- SOWK 531 - Human Behavior and the Social Environment I and SOWK 532 - Human Behavior and the Social Environment II (4 credits) will replace PBHL 531 - Principles of Health Behavior (3 credits)
- SOWK 660 - Advanced Practice Evaluation (3 credits) will replace PBHL 545 - Program Planning and Evaluation (3 credits)
- SOWK 630 - Policy for Social Change (3 credits) will replace the choice of FDNT 553 - Phytotherapy and Pharmacology of Herbs and Spices or PBHL 543 - Introduction to Geographic Information Systems (GIS) (2 credits)

Program Information

Information for the two programs (Public Health, Nutrition and Wellness Concentration MPH and Social Work MSW) follows:

Public Health, Nutrition and Wellness Concentration MPH

The mission of the Master of Public Health (MPH) Program is to prepare highly competent public health professionals to prevent disease and restore health in local, national and global communities. This mission is accomplished through excellence in graduate teaching, and through public health research to develop or implement evidence-based lifestyle solutions to improve health while addressing public health problems from a wholistic perspective. We offer a distinctive program with a concentration in Nutrition & Wellness providing a unique emphasis in vegetarian nutrition. See the School of Population Health, Nutrition & Wellness Website for the statement of value and goals of the program.

Delivery: This program is offered in an interactive online format (see School of Distance Education definitions). The interactive online degree does not require any on-campus time.

MPH Dual Degree Option:

The MPH is also available with the following dual degree option:

- Public Health, Nutrition and Wellness Concentration/Divinity Dual Degree MPH/MDiv
- Public Health, Nutrition and Wellness Concentration/Social Work Dual Degree MPH/MSW

Total Credits - 42

Public Health Foundations - 20

PBHL 500 - Introduction to Public Health Credits: 2
4 credits of PBHL 511 - Biostatistics Credits: 3,4
PBHL 521 - Principles of Epidemiology Credits: 3
PBHL 525 - Principles of Environmental Health Credits: 3
PBHL 531 - Principles of Health Behavior Credits: 3 (MPH/MSW dual degree students, replace this course with SOWK 531 - Human Behavior and the Social Environment I and SOWK 532 - Human Behavior and the Social Environment II)
PBHL 535 - Principles of Health Administration Credits: 3

FDNT 520 - Vegetarian Nutrition and Disease Prevention Credits: 3
FDNT 565 - Current Issues in Nutrition and Wellness Credits: 3
FTES 510 - Fitness and Health Promotion Credits: 2
PBHL 540 - Grant Writing Credits: 2
PBHL 545 - Program Planning and Evaluation Credits: 3 (MPH/MSW dual degree students replace this course with SOWK 660 - Advanced Practice Evaluation)
PBHL 646 - Integration of Spirituality in Health Care Credits: 2

Choose one of the following courses:

(Note: MPH/MSW dual degree students replace this choice with SOWK 630 - Policy for Social Change)
FDNT 553 - Phytotherapy and Pharmacology of Herbs and Spices Credits: 2
PBHL 543 - Introduction to Geographic Information Systems (GIS) Credits: 2

Additional Requirements
Student is required to demonstrate ability to integrate specific areas of Administration, Epidemiology, Statistics, Environmental Health, Health Behavior, Program Planning and Evaluation, and Nutrition during culminating activities.

Culminating activities include a written comprehensive exam, Applied Practice Experience, professional portfolio, and an exit survey at the conclusion of program.

Certification
The curriculum for the MPH is designed to help prepare students to take the Certified Health Education Specialist Exam (CHES) administered by the National Commission for Health Education Credentialing (NCHEC).

Students will be expected to meet the Seven Areas of Responsibility of a Health Education Specialist.

- Assessing individual and community needs for health education.
- Planning effective health education programs.
- Implementing health education programs.
- Evaluating effectiveness of health education programs.
- Coordinating provision for health education services.

Admission Requirements
To be eligible for admission to the MPH program, you must have completed a bachelor's degree or equivalent with a grade point average (GPA) of 3.0 or better (on a 4.0 scale). A limited number of students whose background and experience show potential for success but whose GPAs are less than 3.0 may be admitted on a provisional basis. A candidate who has a bachelor's degree but without the prerequisites below may also be admitted on a provisional basis.

For details on applying to the program and admission requirements, go to the School of Graduate Studies website.

Prerequisites
The candidate is required to have completed the courses listed below at the undergraduate level:

- Biology, Physiology, or Anatomy and Physiology
- Two courses in nutrition:
  - One introductory nutrition course similar to FDNT 230 - Nutrition or equivalent
  - One intermediate level nutrition course similar to FDNT 310 - Nutrition in the Life Cycle or equivalent

Social Work MSW
The Master of Social Work (MSW) degree is a professional degree enabling the graduate to enter practice as an advanced-level practitioner. Graduates are prepared to work in a variety of clinical, administration, and development focus areas. The foundation curriculum for the MSW consists of 9 core competencies that are required for every accredited MSW program: 1) Demonstrate ethical and professional behavior; 2) Engage diversity and difference in practice; 3) Advance human rights and social, economic, and environmental justice; 4) Engage in practice-informed research and research-informed practice; 5) Engage in policy practice; 6) Engage with individuals, families, groups, organizations and communities; 7) Assess and plan with individuals, families, groups, organizations and communities; 8) Intervene with individuals, families, groups, organizations and communities; and 9) Evaluate practice with individuals, families, groups, organizations and communities. In addition, our program has added an additional competency: 10) Demonstrate a Christian social work perspective. The curriculum is designed to teach students the knowledge, values and skills, along with understanding of the cognitive and affective reactions and judgement that accompany these dimensions. Measurement outcomes for these competencies can be found on the first page of the Andrews University School of Social Work website. The Andrews University MSW program is accredited by the Council of Social Work Education through the year 2019.

Dual Degrees Options
The MSW Dual Degree Programs allow the student to complete two degrees in one additional year, with a tuition reduction of 33% for the MSW credits. To facilitate this objective, the two programs will reduce the total number of required credits and will share a practicum and a limited number of elective courses. Specifically, the School of Social Work will reduce the required number of credits by 9-10 credits by allowing students to take their required social work electives in the other graduate program. In addition, approximately 16 credits will be shared between the two programs. The following Dual Degree options are available:

- Business Administration/Social Work Dual Degree MBA/MSW
- Community & International Development/Social Work Dual Degree MSCID/MSW
- Discipleship in Lifespan Education, Family Life Education Concentration/Social Work Dual Degree MA/MSW
- Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Social Work Dual Degree MA/MSW
- Divinity/Social Work Dual Degree MDiv/MSW
- Public Health, Nutrition and Wellness Concentration/Social Work Dual Degree MPH/MSW

Curriculum
Core advanced interpersonal practice courses supplemented by optional areas of focus are offered. Students wishing to enroll in core graduate social work courses must be enrolled in the MSW program and/or have the instructor's permission. Students may transfer up to 20% of the credits from one degree into the MSW program. All courses are subject to change based on accreditation needs.

MSW Social Work Tracks

- Regular Standing (Two Year) Program
- Accelerated Regular Standing (Two Year) Program
- Advanced Standing (One Year) Program
- Advanced Standing Plus (18 Months) Program

Areas of Focus
Students may choose to specialize in the following focus areas: Human Resources, Mental Health, School Social Work, Marriage & Family, Christian Ministry, International Social Work, and Medical Social Work. Please refer to the School of Social Work website for further information: www.andrews.edu/cas/socialwork/. Students are not required to choose a focus area.

Admission Requirements

- A minimum cumulative GPA of 3.00 in Social Work Program.
- No grade of D or F (or U) may count toward a graduate degree.
- The maintenance at all times of professional conduct and behaviors appropriate for a social worker according to the National Association of Social Workers’ Code of Ethics.
- Defense of the professional degree portfolio as part of SOWK689 Advanced Professional Seminar. This portfolio is a demonstrative collection of professional competencies.
- Other Andrews University degree requirements as presented in the Graduate Academic Information section of this bulletin.

Past experience strengthens all MSW student applications. However, following Council on Social Work Education requirements, no social work course credit can be given for life experience or previous work experience.

English Language Requirements

For those applicants whose native language is not English, the following is required:

- Demonstration of English proficiency by obtaining at least a minimum score on any one of the following exams. Exam must be taken within two years prior to enrollment.
  - TOEFL ITP (paper-based): A minimum score of 550
  - TOEFL IBT (internet-based): 80 with a minimum of 20 on each section
  - MELAB: 80 with a minimum of 80 on each section
  - IELTS (Academic version): 6.5
  - PTE (Academic version): 54

- MSW program participates in the Bridge program which allows students who are close to the minimum scores to take 3-6 credits of MSW courses along with ESL courses. Requirements to participate in the Bridge program are below.
  - TOEFL ITP (paper-based): A score of 500-549 (2-3 ESL courses and up to 3-6 credits of regular MSW course work)* OR
  - MELAB - Bridge 1: 70-75 (3 ESL courses; up to 3 credits regular MSW course work)*
  - MELAB - Bridge 2: 76-79 (2 ESL courses; up to 6 credits regular MSW course work)

  *with permission of the department
Graduate Record Examination (GRE)
Students who are applying for admission to the MSW program are not required to take the GRE. For those students who are seeking the GRE scholarship, the GRE must be taken. The amount of a potential scholarship is related to the score achieved on the GRE as follows:

- **GRE Score** | **Scholarship**
  - 320 | 50% tuition reduction
  - 310 | 25% tuition reduction
  - 300 | 10% tuition reduction

Additional Information

**MSW Scholarship**
Since the MSW program does not require the GRE, an equivalent graduate scholarship is offered in the department. The amount of potential scholarship is related to GPA and supporting documents. This applies to the last 3 semesters of the program. Please refer to the School of Social Work website for further information:

https://www.andrews.edu/cas/socialwork/scholarships/msw-scholarship-policy.pdf

**Assistantships**
Students have the opportunity to apply for graduate assistantships—teaching or research. These assistantships give students the opportunity to develop their expertise. Students interested in becoming social-work educators—especially those with years of clinical experience—may teach undergraduate courses. Research assistantships offer experiences in community consulting, grant writing, and/or conducting research.

**Resources**

**MSW Student Handbook**
The MSW Student Handbook has been designed as the social work student's aid in understanding the program requirements of the School of Social Work as well as relevant policies of Andrews University. Inside the handbook you will find information such as expectations of students, the MSW curriculum, departmental policies, and other relevant information.

**Field Manual**
The Field Manual has been designed as your aid in understanding field education requirements, your role as a student in a field agency, and relevant policies of Andrews University.

You are responsible for the information found in this handbook, so please take the time to familiarize yourself with the handbook and know where to find questions and answers if the need arises.

**Student Learning Outcomes**
Students who complete this program will:

- Demonstrate ethical and professional behavior
- Engage diversity and difference in practice
- Advance human rights and social, economic, and environmental justice
- Engage in practice-informed research and research-informed practice
- Engage in policy practice
- Engage with Individuals, Families, Groups, Organizations, and Communities
- Assess and Plan with Individuals, Families, Groups, and Communities
- Intervene with Individuals, Families, Groups, Organizations, and Communities
- Evaluate Practice with Individuals, Families, Groups, Organizations, and Communities
- Demonstrate a Christian Social Work Perspective

Public Health/Divinity Dual Degree

**MPH/MDiv**
Go to the Seminary section to see the requirements for the Public Health/Divinity Dual Degree MPH/MDiv

**Certificates**

**Nutrition & Dietetics Graduate Certificate (Dietetic Internship)**
The Andrews University Dietetic Internship is a post-baccalaureate, clinical-oriented, supervised practice program that qualifies graduates to take the examination to become a Registered Dietitian Nutritionist (RDN). Dietetic Interns enroll in a full-time program requiring 40 hours of participation per week for 32 weeks. The program goals reflect the major points of our philosophy: quality instruction with broad-based training concurrent with ongoing supervision, feedback, and evaluation.

The program is comprised of a three-day orientation at Andrews University as well as 5 months of clinical nutrition, 2 months of foodservice management, and 1 month of community nutrition. Each rotation contains a series of competencies, objectives, activities, and assignments that must be successfully completed in order to receive graduate credits and the dietetic internship verification statement. Formal evaluations will be received by each intern at the end of each rotation, and will indicate whether or not the intern has successfully completed the competencies and objectives for that particular rotation. All interns will complete at least 1200 supervised practice hours during the 32-week period. Bi-weekly reports completed by interns are sent to the program director to monitor intern progress and compliance. Intern progress will be evaluated by the preceptors throughout the internship and a formal evaluation between the intern and site coordinator will be completed at midway and again at the end of the program.

**Online Delivery:** This degree is offered as an interactive online format (See School of Distance Education definitions).

**Accreditation**
The Dietetic Internship at Andrews University is currently accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND) of the Academy of Nutrition and Dietetics, 120 South Riverside Plaza, Suite 2000, Chicago, IL 60606-6995; 312/899-5400.

**Total Credits - 12**

FDNT 595 - Dietetic Internship I | Credits: 6
FDNT 596 - Dietetic Internship II | Credits: 6

**Registration Examination Eligibility**
At the successful completion of all program requirements, interns are eligible for a dietetic internship verification statement which qualifies them to apply for the Registration Examination for Dietitians to become a Registered Dietitian Nutritionist.

**Admission Requirements**
The completion of ACEND® Didactic Program in Dietetics (DPD) requirements and at least a bachelor’s degree from a U.S. regionally accredited college/university or foreign equivalent are necessary for eligibility to enter an ACEND®-accredited Dietetic Internship program. Students must apply to the internship online through DICAS (Dietetic Internship Centralized Application System) and register for internship matching with D&D Digital (www.dnddigital.com).
A minimum cumulative GPA of 3.0 and a DP (Didactic Program in Nutrition Science and Dietetics) GPA of 3.2 are recommended for admission into the program.

Foods & Nutrition

FDNT 118 - The Profession of Dietetics
Credits: 1
A discussion of the dietetics profession and the role of the dietitian within the health-care team. Ethical concerns in the practice of dietetics.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

FDNT 124 - Food Science
Credits: 3
Chemical and physical properties of foods that affect food handling, preparation, and preservation. Lab procedures apply the principles studied to the preparation of foods.

Lecture/Lab: Weekly: 2 lectures and a 3-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
Term Offering: Fall
College Code: CHHS

FDNT 230 - Nutrition
Credits: 3
A study of the basic principles of nutrition science, the biochemical functions of various nutrients, the changes in physiological needs with age, and the relationship between nutrition and health. Students needing life science general education credit must also register for the lab, FDNT240.

Lecture/Lab: Weekly: 3 lectures
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Fall, Spring
College Code: CHHS

FDNT 240 - Nutrition Laboratory
Credits: 1
Discovering principles of nutrition science in the laboratory.

Lecture/Lab: Weekly: 3-hour lab. Lab required for those students needing life science general education credit.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lab, Interactive Online, Self-Paced
Term Offering: Fall, Spring
College Code: CHHS

FDNT 310 - Nutrition in the Life Cycle
Credits: 3
Study of the nutritional needs of the healthy person throughout the life cycle. The influence of socioeconomic, cultural, and psychological factors on food and nutritional behavior.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FDNT 230.
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Fall
College Code: CHHS

FDNT 351 - Food Service Management I
Credits: 3
Introduction to the systems approach and application of the functions of management to foodservice systems. Principles of menu development, food production, service, delivery, procurement, sanitation, safety, and equipment selection in food service organizations.

Lecture/Lab: Weekly: 2-hour lecture and a 3 to 4 hour practicum
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Corequisite(s): FDNT 124, BIDT 260
Prerequisite(s): MATH 145 or equivalent, and a passing grade of 85% on a departmental math skills test.

Schedule Type: Lecture/Lab
Year Offering: Alternate years
Term Offering: Fall
College Code: CHHS

FDNT 352 - Food Service Management II
Credits: 3
Application of management functions and principles to foodservice organizations. Specific attention to marketing processes, CQI, and integration of foodservice subsystems. Includes the management of human, material, spatial, and financial resources in environmentally responsible ways.

Lecture/Lab: Weekly: 2-hour lecture and up to 4-hour lab
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FDNT 351; BSAD 355.
Schedule Type: Lecture/Lab
Year Offering: Alternate years
Term Offering: Spring
College Code: CHHS

FDNT 415 - Professional Experience
Credits: 1–4
A supervised lab experience introducing the student to the role of a professional in the workplace.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 8 credits
Schedule Type: Independent
Term Offering: Fall, Spring
College Code: CHHS

FDNT 421 - Community Nutrition I
Credits: 2
Principles for presenting nutrition information to individuals and groups. Community assessment and planning a community nutrition program.

Lecture/Lab: Weekly: 1 lecture and a 3-hour lab
Course/Lab Fee: Yes
Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Course Attribute: Service course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FDNT 310. FallOffered alternate years
Schedule Type: Lecture/Lab
Year Offering: Alternate years
Term Offering: Fall
College Code: CHHS

FDNT 422 - Community Nutrition II
Credits: 2
Analysis of local and national nutrition programs and services. Impact of nutrition policies on community health. Implementing and evaluating a community nutrition program.

Lecture/Lab: Weekly: 1 lecture and a 3-hour lab
Course/Lab Fee: Yes
Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Course Attribute: Service course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FDNT 421.
Schedule Type: Lecture, Lab
Year Offering: Alternate years
Term Offering: Spring
College Code: CHHS

FDNT 440 - Topics in
Credits: 1–3
Selected topics in nutrition.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CHHS

FDNT 441 - Medical Nutrition Therapy I
Credits: 3
Introduction to medical nutrition therapy. Medical terminology for healthcare

Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FDNT 310 , FDNT 485
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

FDNT 442 - Medical Nutrition Therapy II
Credits: 3
Implement medical nutrition therapy through the assessment of nutritional status and development of care plans for a variety of clinical conditions, such as chronic diseases, oncology, nutrition support, and renal disease.

Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FDNT 441.
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

FDNT 448 - Nutrition and Wellness
Credits: 3
The dietary factors associated with the major chronic diseases of Western society. The use of plant-based diets in health promotion and disease prevention. Discussion of herbal therapies.

Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FDNT 441.
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

FDNT 451 - Medical Nutrition Therapy I Lab
Credits: 1
Review of care plans and case studies

Course/Lab Fee: Yes
Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Corequisite(s): FDNT 441
Schedule Type: Lab
Term Offering: Fall
College Code: CHHS

FDNT 452 - Medical Nutrition Therapy II Lab
Credits: 1
Analysis of care plans and case studies.

Course/Lab Fee: Yes
Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Corequisite(s): FDNT 442
Schedule Type: Lab
Term Offering: Spring
College Code: CHHS

FDNT 460 - Seminar in Nutrition, Wellness and Ellen White's
Writings
Credits: 1
Review of contemporary issues and/or current literature in nutrition. An analysis of the nutrition and health writings of Ellen G. White to determine the meaning and importance of her writings within their cultural context and provide a comparison to modern day literature.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Seminar
Term Offering: Spring
College Code: CHHS

FDNT 469 - International Nutrition
Credits: 2,3
A study of world food production, supply, storage, and marketing. Causes and symptoms of nutritional deficiencies in the developing world. Diseases of the affluent. Effects of nutritional deprivation on health and productivity. Effects of social and cultural factors in nutrition.

Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

FDNT 476 - Nutrition and Aging
Credits: 2
Physiological changes in aging. Food-selection patterns, nutritional needs, nutritional disorders, and chronic diseases.

Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FDNT 230.
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

FDNT 478 - Study Tour:
Credits: 0
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.

Course/Lab Fee: Yes
Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 4 credits
Schedule Type: Blended Learning
College Code: CHHS

FDNT 485 - Nutrition and Metabolism
Credits: 3
Study of the nutrients and their functions within the living cell and the complex organism. Discussion of the major metabolic pathways.

Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BCHM 120, FDNT 230.
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

FDNT 490 - Dietetic Program Review
Credits: 1
A comprehensive review of the major elements of the undergraduate dietetics program (DPD). The senior comprehensive exam will be given at the end of the semester.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Schedule Type: Lecture
College Code: CHHS

FDNT 495 - Independent Study/Readings
Credits: 1–3
Repeatable: Repeatable up to 4 credits in independent study and 4 credits in readings on nutrition and dietetics
Schedule Type: Independent
Special Approval: Instructor permission required.
College Code: CHHS

FDNT 497 - Internship
Credits: 2
Supervised field experience in an approved health institution or health promotion program for a total of 200 hours. Application of knowledge and competencies learned in the health program.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
FDNT 498 - Research Methods
Credits: 3
A study of research methodology, survey methods, and applied statistics as they relate to dietetics.
Lecture/Lab: Weekly: 2-hour lecture and a 1-hour lab
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab, Interactive Online
Year Offering: Annually
Term Offering: Fall
College Code: CHHS

FDNT 499 - Research Project in Nutrition Science & Dietetics
Credits: 1–3
A research project in Nutrition Science & Dietetics supervised by a faculty member and resulting in a technical report summarizing findings or a submission to a professional conference. Students may repeat or take research project courses up to 6 credits with no more than 3 credits per semester. Recommendation: Consult with faculty before registering.
Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Repeatable: Repeatable
Schedule Type: Independent
Special Approval: Instructor permission required.
College Code: CHHS

FDNT 520 - Vegetarian Nutrition and Disease Prevention
Credits: 3
*May assist students in achieving competencies needed for preparation to complete the Certified Health Education Specialist (CHES) exam. The role of plant-based diets and exercise in health promotion and prevention of major chronic diseases of affluent societies. The impact of complementary nutrition on personal health.
Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: FDNT 230, FDNT 310
Schedule Type: Interactive Online
College Code: CHHS

FDNT 540 - Maternal and Child Nutrition
Credits: 2
Role of nutrition in human growth and development, with emphasis on prenatal period, infancy, childhood, and adolescence.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FDNT 545 - Nutrition and Wellness Programs
Credits: 2–4
*May assist students in achieving competencies needed for preparation to complete the Certified Health Education Specialist (CHES) exam. Development of nutrition and wellness programs for community groups emphasizing health promotion. Includes participation in community assessment, program planning, implementation, and evaluation of a program.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FDNT 448.
Repeatable: Repeatable up to 4 credits
Schedule Type: Lecture, Interactive Online
College Code: CHHS

FDNT 553 - Phytotherapy and Pharmacology of Herbs and Spices
Credits: 2
This course offers a survey of herbs and spices that are used as medicines for common conditions, diseases and illnesses. Cases will be used throughout the lectures to illustrate the application of nonconventional approaches to treat common conditions and diseases. Pharmacological aspects of selected herbs and spices will be briefly discussed. Topics will include overview of complementary and alternative medicine, controversies, cultural practices, efficacy and safety considerations as well as evidence-based research of herbs and spices. The course will include a list of readings, websites, and case studies.
Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)

FDNT 558 - Advanced Human Nutrition I
Credits: 3
Functions and nutritional metabolism of simple and complex carbohydrates, lipids, amino acids, and proteins. Public health applications.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): A course in biochemistry.
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

FDNT 556 - Advanced Human Nutrition II
Credits: 3
Functions and nutritional metabolism and interactions of fat-soluble and water-soluble vitamins, minerals, and trace minerals. Public health applications.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): A course in biochemistry.
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

FDNT 560 - Health Research Methods
Credits: 3
*May assist students in achieving competencies needed for preparation to complete the Certified Health Education Specialist (CHES) exam. The study of research methodology, statistical analysis, and the evaluation of research papers.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PBHL 511.
Schedule Type: Interactive Online
College Code: CHHS

FDNT 565 - Current Issues in Nutrition and Wellness
Credits: 3
*May assist students in achieving competencies needed for preparation to complete the Certified Health Education Specialist (CHES) exam. Discussion of current issues in nutrition, food safety, public health, and wellness.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FDNT 230. FDNT 310.
Schedule Type: Interactive Online
College Code: CHHS

FDNT 570 - Maternal and Child Health
Credits: 3
Preventive health care and conditions necessary for mother and child well-being in developing countries. Community-based interventions for child survival. Management of maternal and child health programs.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FDNT 585 - Topics in _________
Credits: 1–4
Selected topics in the areas of nutrition and wellness.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Lecture, Interactive Online
College Code: CHHS

FDNT 586 - Professional Experience
Credits: 1–4
Opportunities for unique supervised practical experiences in various organizations to introduce the student to the role of a professional. A maximum of 4 credits per semester can be taken.
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 8 credits
Schedule Type: Independent
College Code: CHHS
FDNT 595 - Dietetic Internship I
Credits: 6
The Internship Program, during the fall semester, will cover the community and food service rotations. The community rotations will take place in WIC clinics, wellness programs and school lunch programs. Interns will be teaching nutrition classes to members of the community and will learn how to develop wellness activities. During the food service rotations the interns will learn a variety of food service management skills; this rotation will occur in a hospital or university setting. Interns are required to pass 2 online tests in community and food-service areas for the completion of the fall semester. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.
Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Normal (A-F,I,W)
Schedule Type: Practicum
College Code: CHHS

FDNT 596 - Dietetic Internship II
Credits: 6
The Internship Program, during the spring semester, will be completely dedicated to the Medical Nutrition Therapy rotations. Interns will learn how to assess and counsel patients with a variety of health conditions. Interns are required to pass a clinical online test and a comprehensive test that will cover the 3 major areas: food service, community and MNT for the completion of the spring semester. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.
Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Normal (A-F,I,W)
Schedule Type: Practicum
College Code: CHHS

FDNT 600 - Research Design
Credits: 1
Criteria for the organization, analysis, and reporting of research in nutrition. Preparation of a proposal for a master's thesis or project.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FDNT 498 or equivalent.
Repeatable: Repeatable
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

FDNT 648 - Workshop
Credits: 1–4
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Workshop
College Code: CHHS

FDNT 650 - Project Continuation
Credits: 0
Student may register for this title while clearing deferred grade (DG) and/or incomplete (I) courses with advisor approval only. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.
Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory w/o 'I' (S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

FDNT 655 - Program Continuation
Credits: 0
Students may register for this non-credit continuation course to maintain active status. Please refer to Active Status for additional information. Registration does not indicate full-time status.
Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

FDNT 660 - Thesis Continuation
Credits: 0
Student may register for this title while clearing deferred grade (DG) and/or incomplete (I) courses with advisor approval only. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.
Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory w/o 'I' (S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

FDNT 665 - Preparation for Comprehensive Exams
Credits: 0
Advisor approval required. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.
Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

FDNT 670 - Comprehensive Exam
Credits: 0
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

FDNT 680 - Research Seminar
Credits: 1 Individual reports and discussion of recent research data. (Repeatable)
Grade Mode: Normal w S (A-F,I,S,U,W)
Prerequisite(s): Consent of instructor required.
Repeatable: Repeatable up to 2 credits
Schedule Type: Seminar, Interactive Online
College Code: CHHS

FDNT 690 - Independent Study
Credits: 1–6
Individual study and/or research. Consent of instructor required.
Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CHHS

FDNT 698 - Research Project
Credits: 3
*May assist students in achieving competencies needed for preparation to complete the Certified Health Education Specialist (CHES)exam. Provides students with guidelines and supervision for data collection, analysis, project preparation and oral presentation.
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

FDNT 699 - Master's Thesis
Credits: 3–6
This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.
Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CHHS
Fitness & Exercise Studies

FTES 106 - Beginning Basketball
Credits: 1
Instruction in the fundamental skills of shooting, passing, ball-handling, man-to-man defensive play, basic rules, offensive strategy, basic rules and team play.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 107 - Beginning Volleyball
Credits: 1
Instruction in the basic skills of serving, setting, passing and spiking, and the basic instruction on rules, and 2-, 3-, 4-, and 6-person team play.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 109 - Beginning Softball
Credits: 1
Instruction in the fundamental skills of throwing, catching, base running, batting and fielding of ground and fly balls. Position play, game situation drills, scrimmages and rules are covered. Student must supply own glove.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 110 - Introduction to Exercise Science, Physical Therapy, and Occupational Therapy
Credits: 2
An introduction to the professions of exercise science, physical therapy and occupational therapy with an overview of duties and responsibilities of each profession. Partially fulfills the clinical observation prerequisites for admission to the DPT program. Students must have their own transportation for the clinical observation.

Lecture/Lab: Weekly: 1-hour lecture and a 2-hour lab
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
Year Offering: Annually
Term Offering: Spring
College Code: CHHS

FTES 114 - Soccer
Credits: 1
Learning the fundamental skills of ball control, passing, blocking and shooting goals. Indoor or outdoor games depending upon the season and weather.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 115 - Disc Sports
Credits: 1
Development of basic skills for "Disc Sports" like disc golf and ultimate frisbee. Students will learn the basic strokes, rules and techniques to allow them to be proficient in these lifetime activities.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 116 - Weight Control
Credits: 1
Study of the factors involved in weight loss and health improvement using a combination of concepts and applications in physical fitness, healthy nutrition and self-control. Cardiovascular, strength and flexibility exercises will be introduced and practiced throughout this course.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 118 - Badminton
Credits: 1
Analysis and practice of basic strokes, singles and doubles play, strategy and rule interpretations.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 119 - Tennis
Credits: 1
Instruction in the fundamental skills of ground strokes, serving, volleying, team play, basic strategy and rules. Students must supply their own racquet and balls.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

FTES 120 - Scuba
Credits: 1
An entry-level course in scuba diving. Includes instruction in the buddy system, dive planning, donning and removing equipment in the water, alternate air sources, buddy breathing, entries, communication and navigation. Swimming pretest required. Students will earn scuba license upon completion. Additional fees apply.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

FTES 124 - Backpacking
Credits: 1
Students will gain knowledge of outdoor elements like one match and friction fires, orienteering, lightweight backpacking, and many other necessary skills. The class also uses and applies the current leave no trace principles and how they affect everyday life. The class culminates with a four-day backpacking trip that occurs over a long weekend where the skills and adventure of living outdoors are put into practice. The student will be responsible for providing their own backpack. The department will supply all necessary additional gear.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 125 - Canoeing
Credits: 1
Emphasis on precise canoe handling through paddle control. Based on traditional strokes. Practice conducted on local lakes and rivers. One all-day canoe trip or two half-day canoe trips are required.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

FTES 126 - Cycling
Credits: 1
A study of the various types of cycling, cycling techniques and the proper maintenance of a bicycle.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS
FTES 127 - Rock Climbing
Credits: 1
A safe introductory course that includes learning climbing skills, essential climbing knots, proper equipment and safety, and self-rescue.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 128 - Golf
Credits: 1
Study of the basic techniques of the golf swing. An introduction to the game, rules and etiquette of golf. Students must supply their own equipment.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

FTES 129 - Beginning Racquetball
Credits: 1
Introduction to basic strokes, singles and doubles play, strategy and rule interpretations. Students must supply their own racquet, balls and eye-guards.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 130 - Special Activities
Credits: 1
Special areas beyond normally offered courses: Cardinal Athletics, personalized fitness activities, horseback riding. Consult the current class schedule for activities offered each year.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture, Interactive Online, Self-Paced
College Code: CHHS

FTES 131 - Pilates
Credits: 1
The student will learn the Pilates fundamentals and essential mat work exercises, then work towards mastery of these basic skills. Pilates exercises help to strengthen core muscles and increase flexibility, endurance, posture and body awareness.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 132 - Cardio Kick
Credits: 1
The student will participate in a high-intensity, cardio workout utilizing kickboxing techniques and aerobic movements. In addition, the student will learn abdominal exercises and whole body strengthening exercises.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 135 - Self-Defense
Credits: 1
The purpose of this class is to provide the student with the appropriate level of knowledge and skills in self-defense. As a result of the class the student will improve his/her general physical fitness and skill performance. Principles, techniques and safe practices of self-defense will be taught.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 138 - Cardio Development
Credits: 1
A study of basic-fitness concepts and principles focused on cardiovascular endurance and flexibility. Students will be required to develop a personalized exercise program for physical fitness based on their current fitness level. Weekly independent workouts are required.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
College Code: CHHS

FTES 140 - Aqua Aerobics
Credits: 1
This course is designed to use water resistance and rhythmic movements for both low and non-weight bearing improvements in cardiovascular fitness, muscle strength and endurance as well as flexibility.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 144 - Floor Hockey
Credits: 1
Introduction to the game, including team composition, rules and fundamental skills.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 150 - Swimming
Credits: 1
Designed for multilevel instruction. Three basic levels are incorporated into the class based on a swimming pretest: beginners, intermediate and advanced. No swimming ability necessary.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 174 - Cross-Country Skiing
Credits: 1
Instruction in cross-country skiing technique, conditioning, equipment and winter safety.
Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 205 - Fitness Conditioning
Credits: 1
This class is designed to inspire a lifelong fitness program using dynamic movements and natural body resistance. Will explore ways to gain maximum results using the minimal equipment, such as the new suspension system ‘TRX.’ All workouts will target the anaerobic zone while strength training.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 206 - Intermediate Basketball
Credits: 1
Analysis of and drills in fundamental skills, offensive and defensive strategies. Emphasis is given to team play.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 207 - Intermediate Volleyball
Credits: 1
Instruction in advanced team play, offensive and defensive strategies. Game scrimmages will help to perfect fundamental skills.
FTES 210 - Personal Fitness Plan
Credits: 1
A study of basic-fitness concepts and principles in conjunction with a personalized exercise program for physical fitness. Weekly independent workouts are required.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 214 - Weight Training & Conditioning
Credits: 3
This course is an introduction to basic resistance and weight training. It will inform students about the benefits of including strength training in a fitness regimen and will examine body composition and development, personal fitness program development, proper lifting techniques, spotting and safety issues. The course will also provide students with many alternative ways to strength train using modern methods and exercises.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Annually
Term Offering: Fall
College Code: CHHS

FTES 214-002 - Women's Strength Training and Toning
Credits: 1
A study of the basic principles in strength training and conditioning for men and women as well as the application of different methods of muscular strength and endurance training.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SHP

FTES 220 - CPR & AED
Credits: 1
Students will perform hands-on skills training related to CPR, AED, and first aid training. Students will learn preparation skills to respond to breathing and cardiac emergencies. Knowledge and skills to provide care for victims of sudden cardiac arrest will be assessed through a variety of scenarios. The use of an automated external defibrillator (AED) will be covered. Students will learn materials related to first aid training.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Annually
Term Offering: Fall
College Code: CHHS

FTES 240 - Gymnics
Credits: 0.1
The student will be a part of a demonstration acrobatic team that will perform for various audiences both spiritual and secular in nature. Students will learn to perform various acrobatics, increase their physical fitness level and learn teamwork. Students will develop tolerance both for others and for themselves as they become a part of the team and will have an opportunity to share what God has done and what He is ready to do again in their lives. Class meets four nights a week for 2 hours throughout the fall and spring semesters of the school year. Registration for this class is contingent upon being selected for the team following tryouts. All students on the team must register each semester. Course can be taken for credit one semester per academic year.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: CHHS

FTES 266 - Officiating
Credits: 1
Practical field experience in officiating. Rules, officiating mechanics and signals, learned and practiced. MHSAA certification available. Certified officials have opportunities to earn up to $50.00 a game for officiating elementary school, middle school and high school athletic contests.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Previous knowledge of the game and/or experience playing the game.
Schedule Type: Lecture
College Code: CHHS

FTES 275 - Outdoor Trips-N-Treks:
Credits: 1
One- to two-week trips beyond the normally offered activity courses: Biking, Backpacking, Skiing. Consult the current class schedule for activities offered each year. Normally involves out-of-state destinations when school is not in regular session.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
Special Approval: Instructor permission required.
College Code: CHHS

FTES 278 - Study Tour:
Credits: 0
Travel to destinations relevant to individual programs of study. Classes will be selected from department(s) offerings. Fee may be required.
Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Blended Learning
College Code: CHHS

FTES 300 - Lifeguarding
Credits: 1
Instruction in accident prevention, aquatic facility supervision, and water-rescue techniques. Successful completion results in American Red Cross Lifeguard Training certification. Current first aid and CPR certification included.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Ability to swim 500 yards in 10 minutes or less.
Schedule Type: Lecture, Lab
College Code: CHHS

FTES 305 - Current Concepts and Applications in Physical Fitness
Credits: 3
A foundational course surveying the current trends and practices in the area of physical fitness. Understanding and critically analyzing the concepts, principles, and guidelines for fitness exercises and related activities.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

FTES 325 - Sports Nutrition
Credits: 3
A study of the association between nutrition and exercise performance. Metabolism of carbohydrates, fats, proteins, vitamins, minerals and water and their effect on training. Nutrition assessment of athletes and how to measure body composition. Sport specific nutrition recommendations and the use of ergogenic aids.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FDNT 230
Schedule Type: Lecture
College Code: CHHS

FTES 330 - Outdoor Adventure
Credits: 1
Instruction in camping and outdoor techniques, open fire cooking, orienteering, backpacking, wilderness first aid and edible wild plants. Department supplies all necessary equipment except backpack. One weekend trip required where students will day hike and live outdoors.
Course/Lab Fee: Yes
FTES 350 - Water Safety Instructor
Credits: 0.1
Instruction in techniques for teaching American Red Cross swimming courses. Current CPR certification required. Swimming pretest required.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab
College Code: CHHS

FTES 355 - Methods of Fitness Instruction
Credits: 3
A course providing knowledge and practical application for instructing safe and effective exercise programming for apparently healthy individuals. Teaching and evaluating of a variety of individual and group exercise sessions including several different types of physical activities.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FTES 305.
Schedule Type: Lecture
Term Offering: Spring
College Code: CHHS

FTES 389 - WSI Internship
Credits: 1
Students who have a current American Red Cross Water Safety Instructor's Certification or equivalent can take advantage of this opportunity. Participants will teach and organize a class of students for the Learn-To-Swim program. Teachers will be expected to provide lesson plans and teach all the required lessons.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Schedule Type: Practicum
College Code: CHHS

FTES 410 - Issues in Exercise Science
Credits: 2
Addresses a variety of current issues within exercise science in the 21st century related to special populations, weight management, nutrition, appropriate methods and safety.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: CHHS

FTES 440 - Topics In
Credits: 1–3
Selected topics in fitness and exercise science.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: CHHS

FTES 445 - Exercise Testing and Prescription
Credits: 3
The purpose of this course is to provide students with the skills and knowledge necessary for careers in the health/fitness and wellness setting, such as corporate wellness or a personal training facility. Specifically, students will obtain the skills needed to evaluate medical history questionnaires, administer preliminary health screening, administer fitness assessments, assess, design, and implement exercise programs for apparently healthy individuals and special populations, as well as skills needed to instruct various cardiorespiratory, resistance, and flexibility exercises. This course also prepares students for the American College of Sports Medicine Certified Exercise Physiologist Certification.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

FTES 465 - Exercise Physiology
Credits: 4
Study of the body's physiological response to exercise.

Lecture/Lab: Weekly: 3 lectures and a 3-hour lab
Health Education

HLED 120 - Fit for Life
Credits: 1
A balanced up-to-date coverage of all critical areas of wellness including physical fitness, nutrition, weight management and stress, as well as the principles of health according to the Bible and Ellen G. White will be studied. Practical tools will be given to help adopt and model healthier lifestyles.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab
College Code: CHHS

HLED 135 - Wellbeing 360°
Credits: 3
This course will provide lifetime approaches to wholistic wellbeing, knowledge and practice opportunities for transformative change through the lens of the Adventist Health Message. Content will include physical, emotional, spiritual, social, occupational, and financial dimensions; impact factors; and environmental contexts affecting community well being. Experiential activities will be incorporated to discover and apply how to live life to the fullest potential.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab
College Code: CHHS

HLED 210 - Philosophy of Health
Credits: 3
The Biblical basis of health. A study of the historical development and basis of the health message in the Seventh-day Adventist Church. The role of health promotion in current society.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

HLED 380 - Natural Therapies
Credits: 3
The study of simple natural therapeutic remedies, including massage, hydrotherapy and herbal therapies.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

HLED 411 - Community Health & Fitness I
Credits: 2
In this course the Precede/Proceed Planning Model and other relevant health planning models are introduced and discussed. Students will design and evaluate professional health education programs in a variety of settings: school, worksite, medical care, and community. Students will learn to set behavioral and learning objectives as well as determine the appropriate intervention type based on various learning theories and strategies geared for specific populations.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

Public Health

PBHL 105 - Intro to Public Health
Credits: 3
Provides student with an overview of the field of public health. Major topics include: public health competencies, careers in public health, health disparities, cultural competence, and public health ethics. Current hot topics in public health; Public health policy challenges facing United States and the global community.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS
PBHL 231 - Public Health Microbiology
Credits: 3
Public Health Microbiology is a sub-discipline of environmental health, which itself is one of the five principle areas of public health. In this course, the student will be introduced to microorganisms that are relevant to public health. Students will learn both the beneficial and harmful effects of microorganisms. Microorganisms constitute a diverse group of organisms, which are central to the functioning of our ecosystem. Students will be introduced to various groups of microorganisms that include autotrophs and heterotrophs; how they acquire carbon and energy; their growth requirements, how they survive in the ecosystem; and how they cause diseases. Communicating the importance of each disease to the medical community and establishing access to the treatment of each disease will also be discussed. A major emphasis of public health microbiology is on the avoidance of pathogens and infections or on the destruction of pathogenic microorganisms before they can infect the populations.

There are no prerequisites for this course.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate years (odd)
Term Offering: Spring
College Code: CHHS

PBHL 232 - Public Health Microbiology Lab
Credits: 1
Public Health Microbiology is a sub-discipline of environmental health, which itself is one of the five principle areas of public health. In this course, the student will be introduced to microorganisms that are relevant to public health. Students will learn both the beneficial and harmful effects of microorganisms. Microorganisms constitute a diverse group of organisms, which are central to the functioning of our ecosystem. Students will be introduced to various groups of microorganisms that include autotrophs and heterotrophs; how they acquire carbon and energy; their growth requirements, how they survive in the ecosystem; and how they cause diseases. Communicating the importance of each disease to the medical community and establishing access to the treatment of each disease will also be discussed. A major emphasis of public health microbiology is on the avoidance of pathogens and infections or on the destruction of pathogenic microorganisms before they can infect the populations. The General microbiolog lab is adjusted to include public health microbiology labs.

There are no prerequisites for this course.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lab
College Code: CHHS

PBHL 308 - Environmental Health
Credits: 3
Presents concepts, principles, and applications that form the basis of environmental health. Describes environmental health hazards; the sources, and pathways of exposure. Describes methods of control of the principal physical, chemical, biologic, and sociologic factors that impact human health in ambient, indoor and occupational environments. Discusses strategies for preventing or controlling environmental health hazards that pose risk to human health.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

PBHL 311 - Biostatistics
Credits: 3
Introduces statistical concepts and analytical methods as applied to data encountered in the discipline of public health. Emphasizes the basic concepts of experimental design, quantitative analysis of data, and statistical inferences. Interprets statistical results from published public health data

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

PBHL 315 - Environmental Toxicology
Credits: 3
Principles and mechanisms of toxicology as applied to environmentally encountered toxic agents. Toxicants of current public health importance and their pathologic effect on representative tissues and organs. Quantitate dose-response relationships; hazard and risk assessment; Determination of toxicity of environmental carcinogens, teratogens, mutagens, pesticides, metals, plastics, and organic solvents.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

PBHL 320 - Water & Air Quality
Credits: 3
Principles and processes involved in providing safe and potable water supplies. Sources and characteristics of water and air pollutants & contaminants, and their effects on humans and the environment. Management of municipal liquid waste disposal. Methods used in sampling of pollutants, controls; and abatement of air-quality standards violations. Social and technical factors associated with nonindustrial, and indoor air-quality issues.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

PBHL 321 - Epidemiology
Credits: 3
Introduces the basic principles and applications of epidemiology. Explains the role of epidemiology as the basic science for public health by discussing uses and applications of epidemiology in public health. Describes the distribution and determinants of disease in human populations. Introduces students to the theory, methods, and body of the knowledge of epidemiology.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

PBHL 335 - Health Services Administration
Credits: 3
Describes the application of administrative theory to health delivery, policy, and planning. Examines structures and functions of management and their application in public health.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture, Blended Learning, Interactive Online
College Code: CHHS

PBHL 345 - Health Behavior & Chronic Diseases
Credits: 3
Examines the behavioral factors that influence health, with particular emphasis on chronic disease outcomes and lifestyle interventions. Discusses behavioral science theories & models along with principles of health research that determine health behavior.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

PBHL 415 - Bio-terrorism and Preparedness
Credits: 3
Examines critical public health considerations and environmental health issues of concern in an emergency, or disaster. Describes public health responsibilities of assessment of water, food, shelter, sanitation in an emergency situation and prevention of communicable diseases. Utilizes case studies to provide practical application of the principles of bioterrorism and emergency preparedness during natural disasters.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

PBHL 425 - Environmental Risk & Policy
Credits: 3
This course introduces students to environmental issues and risks confronting us in the present time and how the society, federal agencies and laws address those concerns. The course is organized into five sections, the first section begins with an overview of the recent history of environmentalism, key environmental issues, environmental risks and risk assessment process. The second part of the class will focus on the role of the American political institutions: the Executive, Congress, the federal courts and the states. The third section is devoted to the different approaches and principles relevant to environmental policymaking, including command and control, the precautionary principle, environmental justice, benefit-cost analysis. In the fourth section we will shift our attention to the most significant environmental threats that have shaped and continue to shape US environmental policy: water and air pollution, hazardous substances, the
PBHL 440 - Fundamentals of Spirituality & Ethics in Healthcare
Credits: 3
Addresses religious and spiritual issues of significance for healthcare. Includes a discussion of views of the relationship between health and spirituality from different religious perspectives. Provides an overview of the philosophical and historical background for ethical systems and their significance for current ethical challenges in healthcare. Required course for all majors in the School of Health Professions with the exception of students transferring to AU in their senior year.

PBHL 445 - Environmental Sampling and Analysis
Credits: 4
Practical laboratory experience serves as an introduction to techniques used in measurement and evaluation of environmental health problems. Techniques pertinent to air, water, and food sanitation will be explored. Quantitates occupational stressors and radiological health.

PBHL 470 - Topics in:
Credits: 0-4
Selected topics in Public Health.

PBHL 475 - Experiential Activities
Credits: 2
Students are required to complete a cumulative, integrative and scholarly (or applied) experience that serves as a capstone to the educational experience. Capstone can also be an inquiry project. These experiences may include, but are not limited to: internships, service learning projects, senior seminars, portfolio projects, and research papers or honors thesis. Program should encourage exposure to local-level public health professionals and/or agencies that engage in public health practice.

PBHL 480 - Seminar in Current Environmental Health Topics
Credits: 1.2
Departmental seminar series devoted to topics in current environmental health research as presented by students, faculty, and guest speakers.

PBHL 495 - Independent Study/Readings
Credits: 1–3
Repeatable up to 4 credits in independent study and 4 credits in readings on public health

PBHL 499 - Research Project in Public Health
Credits: 1–3
A research project in public health supervised by a faculty member and resulting in a technical report summarizing findings or a submission to a professional conference. Students may repeat or take research project courses up to 6 credits with no more than 3 credits per semester. Recommendation: Consult with faculty before registering.

PBHL 500 - Introduction to Public Health
Credits: 2
Provides student with an overview of the field of public health. Major topics include: public health competencies, careers in public health, health disparities, cultural competence, and public health ethics.

PBHL 511 - Biostatistics
Credits: 3, 4
This is an introductory course in applied statistics for students in the health sciences. The course is designed for students with minimal background in mathematics who may or may not pursue further studies in applied statistics. (Prerequisite: MATH 165, STAT 285). In this course, you will be introduced to statistical concepts and analytical methods as applied to data encountered in the biomedical sciences. It emphasizes the basic concepts of experimental design, quantitative analysis of data, and statistical inferences. The class is extended to 12 weeks, with the first 4 weeks focusing specifically on SPSS. Students taking the course for 4 credits need to register concurrently for the lab section.

PBHL 521 - Principles of Epidemiology
Credits: 3
Introduces the basic principles and applications of epidemiology. Epidemiology is one of the pillars of public health. Describes the distribution and determinants of disease in human populations. Introduces students to the theory, methods, and body of knowledge of epidemiology.

PBHL 525 - Principles of Environmental Health
Credits: 3
Presents concepts, principles, and applications that form the basis of environmental health. Describes the sources, pathways of exposure, and methods of control of the principal physical, chemical, biologic, and sociologic factors that impact human health in ambient, indoor and occupational environments.

PBHL 526 - Cultural Competence and Minority Health
Credits: 2
Overview of culture and diversity. Explore the determinants and elimination of health disparities and other topics related to minority health.
PBHL 531 - Principles of Health Behavior
Credits: 3
*May assist students in achieving competencies needed for preparation to complete the Certified Health Education Specialist (CHES) exam. Examines the psycho-social, behavioral, and educational principles that determine health behavior. Describes the philosophical, ethical and theoretical foundations of health education in schools, community, work site and hospital settings.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

PBHL 535 - Principles of Health Administration
Credits: 3
Describes the application of administrative theory to health delivery, policy, and planning. Examines structures and functions of management and their application in public health.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

PBHL 540 - Grant Writing
Credits: 2
Overview of the basic principles and practice of effective health education and health promotion grant writing. Provides guidance for identifying potential funding sources and writing a grant proposal that is ready for submission.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PBHL 545.
Schedule Type: Interactive Online
College Code: CHHS

PBHL 543 - Introduction to Geographic Information Systems (GIS)
Credits: 2
This course introduces several useful pieces of analytical GIS functionality with health applications including: cartographic standards, table joins, and feature symbolization, and spatial analysis. Each unit includes a lecture, a hands-on exercise using ArcGIS, and the data needed to complete the exercise.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

PBHL 545 - Program Planning and Evaluation
Credits: 3
*May assist students in achieving competencies needed for preparation to complete the Certified Health Education Specialist (CHES) exam. Introduces principles of program development and evaluation. Develop a health promotion and education program with an evaluation component for community groups. Major topics includes: community needs and assets assessment; program planning, implementation, and evaluation of a program.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

PBHL 546 - Adventist Health and Healing
Credits: 3
Overview of the history the Adventist health message. Discussion of key features of the Adventist health message and application to health evangelism.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

PBHL 550 - Addictions Prevention and Treatment
Credits: 3
Discuss addictions theory, treatment and prevention programs.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

PBHL 555 - Health Promotion and Education Seminar
Credits: 2
Develop capstone research project

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: CHHS

PBHL 575 - Integrated Learning Experience
Credits: 1
The Integrated Public Health Capstone project is a requirement for graduation for students in the MPH program. It is an opportunity for students to finalize work begun in APE through oral presentations and submitting a final written report.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Repeatable: Repeatable
Schedule Type: Lecture, Interactive Online
College Code: CHHS

PBHL 580 - Applied Practice Experience
Credits: 2,3
The Applied Practice Experience (APE) allows students to develop public health concepts and skills to demonstrate the application of these skills through a practice-based or research-based experience relevant to the students' areas of concentration. In addition, students are expected to meet Foundational and Concentration Competencies throughout this course. 200 hours of practical skills implemented in a professional public health setting is required. The data generated in this experience may be used in the Integrative Learning Experience (ILE) project.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Lecture, Interactive Online
College Code: CHHS

PBHL 646 - Integration of Spirituality in Health Care
Credits: 2
A discussion of spiritual values from a Christian perspective, how faith and Spirituality facilitates the healing process, and how they can be incorporated into patient care. Attention will be given to discerning and addressing the Spiritual needs of patients/clients, family members, and ancillary medical staff in a professional environment. (DPT and DScPT students register for PTH 646)

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

PBHL 697 - Practice Based Capstone
Credits: 2
*May assist students in achieving competencies needed for preparation to complete the Certified Health Education Specialist (CHES) exam. The Capstone project is a requirement for graduation for students in the MPH program. It is an opportunity for students to work on public health practice projects that are of interest to them. Completion of the capstone project requires both written and oral components. The capstone is completed in the last semester of the program. The project is done under the direction of a capstone project advisor.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture, Interactive Online
College Code: CHHS

PBHL 698 - Research Based Capstone
Credits: 2
*May assist students in achieving competencies needed for preparation to complete the Certified Health Education Specialist (CHES) exam. The Capstone project is a requirement for graduation for students in the MPH program. It is an opportunity for students to work on public health practice projects that are of interest to them. Completion of the capstone project requires both written and oral components. The capstone is completed in the last semester of the program. The project is done under the direction of a capstone project advisor.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture, Interactive Online
College Code: CHHS

Emeritus
David Village, PT, PhD - Professor of Physical Therapy, Emeritus
John Carlos, Jr., PT, PhD - Professor of Physical Therapy, Emeritus
William C. Habenicht, MPH - Professor of Physical Therapy, Emeritus
Wayne L. Perry, PT, MBA, PhD - Professor of Physical Therapy, Emeritus

Mission
PT Mission - To empower students who dream of becoming excellent physical therapists.

PT Core Values - The core values of family-spirit, servant heart and inquisitive mind shape the culture of the department and the way in which we empower our students to become excellent physical therapists.

The School of Rehabilitation Sciences provides a quality physical therapist education within a cooperative learning environment that promotes Christian values. The School provides resources and encourages faculty to continue their educational, professional, and spiritual growth. The physical therapy faculty delivers, within a Christ-centered environment, the knowledge base and clinical skills that will prepare students for contemporary physical therapy practice. Physical therapy graduates will serve Christ as evidenced by their ministering to the needs of others through the delivery of effective professional healthcare. The faculty and graduates comprise a Christian network that is balanced in the development of the spiritual, mental, physical, and social life of its members.

Physical therapy is a health profession dedicated to evaluating, treating, and preventing physical injury and disease. Physical therapists design and implement the necessary therapeutic interventions to promote fitness, health and improve the quality of life in patients. They also become active in consultation, education and research.

Physical therapists work closely with their client’s family, physician, and other members of the medical team to help their client return to their home environment and resume activities and relationships of normal daily living.

Academic Calendar. Contact the School of Rehabilitation Sciences for academic dates.

Bachelors

Physical Therapy BHS (Interim Degree)

The BHS Physical Therapy degree was designed as a pre-professional interim degree for students pursuing a Doctor of Physical Therapy (DPT) degree through the "3+3" track. Starting Fall 2021 the interim degree for Andrews University students on the "3+3" track is Exercise Science BS with a pre-PT concentration. Thus, the BHS-Physical Therapy degree is only available now for pre-PT majors from affiliate schools. The BHS Physical Therapy prepares the pre-PT student with the prerequisite knowledge required for the DPT degree. Once accepted into the DPT program the 3+3 track allows students to enter the professional DPT program before completion of the BHS degree. The 3+3 students' senior year is the first two semesters of the DPT program. This program is designed to be completed in eight semesters. Students successfully completing the appropriate prerequisites, DPT-1 and DPT-2 of the professional program (35 credits) qualify for the Bachelor of Health Science Degree.

Additional Requirements

- An earned minimum grade of "C-" (2.33) or "S" (in a "S/U" course) in each DPT program course. The BHS program courses include PTH 501, PTH 505, PTH 510, PTH 515, PTH 516, PTH 518, PTH 520, PTH 525, PTH 526, PTH 528, PTH 530, PTH 535, PTH 562, PTH 565, PTH 575, and PTH 580.
- No more than a cumulative total of five points earned on the grade-point scale throughout the physical therapy program (see DPT Student Handbook).
- Students must be able to perform skills listed in the Technical Standards of Performance and demonstrate professional behaviors as outlined in the DPT Student Handbook.
- Maintain a cumulative GPA of 3.00 or greater in all credits used to meet the BHS degree requirements.
- Undergraduate DPT students entering the graduate phase of the program (PT-3) must have completed all requirements for their bachelor's degree and have their degree conferred.

*Course fulfills ACE requirement
Recommended Electives
Some elective course suggestions include business, ethics, leadership, culture and diversity, arts and humanities, nutrition and physical activity courses.

Admission Requirements
An Early Assurance option is available for Andrews University freshmen who meet the following criteria:

- Declare pre-PT as the major upon enrollment freshman fall semester
- High school GPA minimum 3.5
- Maintain a minimum 3.5 GPA throughout every semester (freshman through acceptance into DPT program)
- Maintain a wholesome lifestyle per the Andrews University Student Handbook
- Exhibit developing professional behavior
- Satisfactory interview

Students who meet these Early Assurance criteria are guaranteed acceptance into the DPT program, however are still required to apply through PTCAS. Students who lose Early Assurance may still apply through PTCAS for the DPT program and will be placed into the applicant pool.

Student Learning Outcomes
The BHS Physical Therapy degree is an interim degree. Therefore, upon completion of the BHS Physical Therapy degree, graduates who are accepted into the DPT program will continue the DPT coursework and complete the DPT degree.

Post-Masters

Occupational Therapy DScOT

The Doctor of Science in Occupational Therapy (DScOT) prepares clinicians to be practice scholars who teach both in higher education and the clinic, to be leaders and agents of change in healthcare, and conduct applied research. This degree combines the scientific study of human occupation, in conjunction with education and leadership to create a holistic view of the relationship between occupations, occupational beings, health, and everyday life experiences. Most of the core courses are taken with other health professions students, creating a rich interdisciplinary perspective. The main focus of the program is to empower clinicians to become educators and leaders who integrate the science of occupational participation and engagement into communities, corporations, and academics. The overarching goal is to develop therapists who have a personal interest and commitment to the growth of the profession, research, and education.

The DScOT is an advanced degree uniquely designed to cater to the needs of master’s or doctoral trained occupational therapists. The curriculum is feasible for full-time or part-time students, allowing flexibility to meet each individual’s work/life balance needs. The program can be paced from 3 to 5 years. Graduates of the DScOT program are primed for teaching in a university setting, contributing to scholarly research, as well as leading the profession in evidence-based clinical practice.

Delivery: This program is delivered in an interactive online format with some required on-campus intensives for students entering with a Bachelor’s or Master’s degree.

Total Credits - 45-64
Three track options are available and selected at the time of admission based on student’s educational background.

Degree Core - 38
Core courses required for either track.

Tracks - 7-26
Track 1: OTD to DScOT - 7
Track 1 is for students with an OTD degree, either entry-level or postprofessional.

Electives - 7
Chosen in consultation with faculty advisor from the following course prefixes: OTH, PTH, EDCI, EDAL, PBHL. All elective courses must be at least 600 level.

Track 2: BS to DScOT - 26
Track 2 is for students with a Bachelor’s degree from an ACOTE accredited institution.

Physical Therapy DPT

Physical therapists are in high demand in the workforce, the Bureau of Labor Statistics expects the employment of physical therapists to grow by 36% through 2024, which is much faster than the average for occupations. According to the American Physical Therapy Association, "the need for physical therapists is expected to remain strong into the foreseeable future as the US population ages and the demand for physical therapy services grows." The entry-level DPT degree is designed for the student pursuing a first time degree in the field of physical therapy. Once accepted, students may enter the program as a "4+3" with a bachelor’s degree or "3+3" student. Students entering the professional phase of the program as a "3+3" student must have completed 92 semester credits of specific college prerequisites. Students taking the appropriate prerequisites will earn a Bachelor of Health Science (BHS) after the first two semesters in the professional program and the DPT degree upon successful completion of the program. A previous bachelor’s degree is not required, however applicants holding a bachelor’s degree are eligible to apply as well. All core prerequisites must be completed within ten years prior to application. The DPT program is 9 full-time consecutive semesters.

Program Accreditation
The DPT program is accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 1111 North Fairfax, Alexandria, VA 22314. After receiving the DPT degree graduates may apply to take the physical therapy licensure exam in the state of their choice.

Information/Application Process
Please call 1-800-827-2878, e-mail ptinfo@andrews.edu or visit http://www.andrews.edu/chhs/pt for application instructions and admission requirements. Information is available by June of each year. Successful completion of prerequisite courses does not guarantee acceptance into the DPT program.
All applicants applying for admission to the DPT professional entry program must apply via the Physical Therapy Centralized Application Service at www.PTCAS.org. The soft due date for priority application processing is November 1, with the firm or final due date being December 17.

Total Credits - 116
Upon successful completion of the professional phase of the program (116 credits) students earn the Doctor of Physical Therapy degree. All coursework scheduled for each semester must be successfully completed prior to advancing to the next semester.

PTH 670 - Written Comprehensive Exam I Credits: 0
PTH 680 - Clinical Practicum Credits: 1
PTH 711 - Musculoskeletal Clinical Reasoning Credits: 1
PTH 712 - Neuromuscular Clinical Reasoning Credits: 1
PTH 721 - Musculoskeletal Clinical Reasoning Laboratory Credits: 1
PTH 722 - Neuromuscular Clinical Reasoning Laboratory Credits: 1
PTH 726 - Geriatrics Credits: 2
PTH 736 - Psychosocial Issues in Healthcare Credits: 3
PTH 765 - Ethical & Legal Issues in Healthcare Credits: 1
PTH 768 - Professional Compendium Credits: 1
PTH 770 - Practical Comprehensive Examination Credits: 0
3 credits of PTH 799 - Research Project (topic) Credits: 1–4
PTH 870 - Written Comprehensive Examination II Credits: 0
PTH 880 - PT Seminar Credits: 1
PTH 885 - Clinical Education 1 Credits: 6
PTH 886 - Clinical Education 2 Credits: 6
PTH 887 - Clinical Education 3 Credits: 6

Additional Requirements

- Completion of a bachelor's degree (BHS or other).
- An earned minimum grade of "C+" (2.33) or "S" in each DPT program course.
- Maintain a cumulative DPT program GPA of 3.00.
- No more than a cumulative total of five points earned on the grade-point scale throughout the physical therapy program (see DPT Student Handbook).
- Students must be able to perform skills listed in the Technical Standards of Performance and demonstrate professional behaviors as outlined in the DPT Student Handbook.
- Satisfactory completion of the practical and written comprehensive exams:
  PTH 670, PTH 770 & PTH 870
- Satisfactory completion of a capstone project and presentation.
- Satisfactory completion of all clinical education experiences and the associated "Clinical Performance Instrument."
- Satisfactory completion of the Professional Development Portfolio (PDP)
- Satisfactory completion of the Graduate Exit Survey.

Maintaining Academic Standing

- All coursework scheduled for each semester must be successfully completed prior to advancing to the next semester.
- Progressive enrollment in the physical therapist education program requires successful completion of all Physical Therapy program course work including clinical education listed for the previous academic term.
- A student whose cumulative GPA falls below 3.00 in any given academic term is placed on academic probation. Students who do not increase their cumulative GPA to 3.00 during the academic term of probation are normally asked to withdraw.
- Students who receive less than a "C+" (2.33) or a "U" on a "S/U" course or clinical will be given "grade points" equal to the semester credit for the course and be required to remediate per the DPT Student Handbook. A student who accumulates six or more points will academically disqualify him/herself from continuing in the program.

Admission Requirements

Graduate Application: Students must submit an application and all the required components through Physical Therapy Centralized Applications System (PTCAS)

GPA: A minimum science and core PT prerequisite GPA of 3.40 is required, however a minimum of 3.5 is needed to be competitive in the applicant pool. A grade of "C" or better is required for all other courses.

Graduate Record Exam (GRE): Submit scores from the General Test, taken less than 5 years prior to enrollment in the program. Required minimum scores are: Verbal and Quantitative scores of 142 each, and a Written score of 3.0.

Clinical Observation: Students must complete a minimum of 80 observation hours supervised by a licensed physical therapist in at least 3 different settings; at least 20 hours must be in an inpatient hospital setting. Please note that skilled nursing home or extended care facilities do not qualify as an inpatient hospital setting. See PTCAS for a copy of an Observation Hours Verification form.

Personal Interview: Applicants who meet eligibility requirements are invited for a personal interview. Phone interviews may be acceptable, though not preferred.

English Proficiency: Applicants who have been given any part of their education outside the U.S. or Canada or whose first language is not English must demonstrate English proficiency by providing evidence through one of the following methods. Exceptions may be granted by the School of Rehabilitation Sciences on an individual basis. Test must be taken within one year prior to application. TOEFL internet-based test (iBT) is preferred. Official TOEFL scores must be sent directly to PTCAS from Educational Testing Service (ETS). The PTCAS ETS code is 531.

Prerequisite courses for students WITH an earned bachelor's degree:

- A basic statistics or research methods course
Prerequisite courses for students WITHOUT an earned bachelor's degree:

Fulfill general education professional program requirements, noting the following:

- The transitional Doctor of Physical Therapy (t-DPT) is designed to provide advanced education and professional skills necessary to perform a comprehensive physical therapy examination, and evaluation, establish a differential diagnosis, determine an appropriate prognosis, and establish intervention and/or prevention activities.
- Understand and value the capabilities of other health care providers and determine the need for referral to those individuals.
- Participate in practice management including delegation and supervision of support personnel, financial management, business planning, marketing and public relations activities.
- Possess the critical inquiry skills necessary to evaluate professional knowledge and competencies in relation to evidence-informed physical therapy practice.
- Demonstrate legal and ethical behavior consistent with professional standards.
- Demonstrate sensitivity to individual and cultural differences when engaged in physical therapy practice.
- Demonstrate professional behavior.

Student Learning Outcomes

In accordance with the School of Rehabilitation Sciences mission and program goals, DPT graduates will:

- Model behavior which reflects Christian values, including an understanding of the role of prayer and faith in the complete healing process.
- Demonstrate in-depth knowledge of the basic and clinical sciences relevant to physical therapy, both in their fundamental context and in their application within professional clinical practice.
- Provide primary care to patients/clients within the scope of physical therapy practice.
- Demonstrate entry-level competency in clinical skills necessary to perform a comprehensive physical therapy examination, and evaluation, establish a differential diagnosis, determine an appropriate prognosis, and establish intervention and/or prevention activities.
- Understand and value the capabilities of other health care providers and determine the need for referral to those individuals.
- Participate in practice management including delegation and supervision of support personnel, financial management, business planning, marketing and public relations activities.
- Possess the critical inquiry skills necessary to evaluate professional knowledge and competencies in relation to evidence-informed physical therapy practice.
- Demonstrate legal and ethical behavior consistent with professional standards.
- Demonstrate sensitivity to individual and cultural differences when engaged in physical therapy practice.
- Demonstrate professional behavior.

Physical Therapy DPT (Transitional)

The transitional Doctor of Physical Therapy (t-DPT) is designed to provide advanced learning for practicing physical therapists. The t-DPT student will enhance their skills in medical screening, differential diagnosis, clinical leadership and administration, imaging and laboratory science, therapeutic exercise prescription, education and research.
Admission Requirements

- Students must have graduated from an approved school of physical therapy and be licensed to practice physical therapy in their country of origin or county in which they live.
- Students must have the equivalent of a four-year U.S. bachelor’s degree. Students with a bachelor’s degree must have two years of experience working in an orthopedic setting as a physical therapist prior to applying.
- Students must submit graduate application.
- Students must submit an original copy of all academic transcripts from any institution where classes were taken. In addition, if the transcripts are not written in English, a copy in the original language as well as the English translation are required.
- Students must submit a copy of physical therapy license. If license is not in English a translated copy must be submitted as well.
- Students must submit a minimum of three satisfactory recommendations: one from a currently practicing professional therapist, one from a medical doctor or supervisor, and one from another person familiar with the candidate.
- Foreign trained physical therapists must complete the Foreign Credentialing Commission on Physical Therapy (FCCPT) application and fully satisfy course content, credit and requirements. Candidates must also submit PTET scores if requested.
- For U.S. and Canadian trained candidates holding only a Bachelors degree in physical therapy, completion and submission of the APTA Physical Therapy Evaluation Tool (PTET) proving competency towards an entry-level master’s degree in physical therapy is required.
- English Proficiency - Students whose language of education is not English must submit a minimum TOEFL or MELAB score of 80.

Student Learning Outcomes

Graduates of the t-DPT Program will:

- Model personal behavior which accurately reflects Christian values, including an understanding of the role of prayer and faith in the complete healing process.
- Continue to serve as a member of the physical therapy profession, promoting the delivery of safe, ethical, effective patient care while upholding the standards of the profession.
- Demonstrate in-depth knowledge of the basic and clinical sciences relevant to physical therapy, both in their fundamental context and in its application within professional physical therapy clinical practice.
- Demonstrate entry-level competency in clinical skills necessary to perform a comprehensive physical therapy examination and evaluation, establish a differential diagnosis, determine an appropriate prognosis, establish intervention and/or prevention activities, and provide health and wellness programming.
- Provide “primary care” to clients/patients within the scope of physical therapy practice.
- Demonstrate expressive and receptive communication skills necessary to display an appreciation of individual differences when delivering physical therapy care and when interacting with clients/patients, healthcare team members and others.
- Possess the critical inquiry skills necessary to evaluate his/her professional knowledge and competencies in relation to evidence-informed physical therapy practice, along with evaluating current research, theory and techniques so as to design a professional development plan necessary to integrate new knowledge into effective patient care.
- Possess leadership skills necessary to serve as a leader in their physical therapy practice setting and community healthcare network.
- Value the capabilities of other health care providers and possess the critical thinking skills necessary to determine the need for referral to those individuals.
- Participate in research and the advancement of physical therapy at the community, state or national level.

Physical Therapy DScPT (Distance Education)

The Doctor of Science in Physical Therapy (DScPT) degree represents the highest clinical specialty doctorate in the world. This unique degree is designed to enhance the skills of practicing physical therapists. Working with our partner ASPIRE, and respecting the importance of fundamental principles of orthopedic manual therapy, each graduate will be recognized as a Certified Orthopedic Manual Therapist (COMT).

In addition to the COMT, the student will choose a concentration in Women’s Health or Orthopedic Manual Therapy. The Women's Health concentration prepares the student to meet the underserved, complex physical therapy needs of women. In the Orthopedic Manual Therapy concentration, the student will gain the designation of SMT (Spinal Manipulative Therapist) and be ready to take their place as a master clinician. A dual concentration is also available.

Our partnership with ASPIRE provides students the opportunity to pair the DScPT degree with the Manual Therapy Certifications culminating in Spinal Manipulative Therapist (SMT).

For the student who already possesses a DPT degree from a CAPTE accredited program and a FAAOMPT or manual therapy certification from another approved institution the DScPT degree is available without a concentration.

The DScPT is an advanced degree uniquely designed to cater to the needs of bachelor’s, masters, or doctoral trained physical therapists. The curriculum is feasible for full-time or part-time students, allowing flexibility to meet each individual’s work/life balance needs. The program can be paced from 3 to 7 years. Graduates of the DScPT program are primed for teaching in a University setting, contributing to scholarly research, as well as leading the profession in evidence based clinical practice.

The DScPT program offers five tracks:

- Track 1: DPT with FAAOMPT/Manual Therapy Certification to DScPT (35 credits)
- Track 2: BS/Master’s to DScPT (64 credits)
- Track 3: DPT to DScPT (45 credits)
- Track 4: BS/Master’s with NAIOMT CMPT or COMT from other approved organizations to DScPT (59 credits)
- Track 5: DPT with NAIOMT CMPT or COMT from other approved organizations to DScPT (40 credits)

Delivery: The program is a combination of didactic and supervised clinical experience, using a blend of interactive online courses, intensive hands-on short courses and clinical practice hours. This program is delivered mostly in an interactive online format, with some required on-campus intensives (see School of Distance Education definitions). The format of this degree program, the distinguished faculty and the diverse background and practice of the students provides a rich experience and outstanding opportunity to flourish as master clinicians.

Total Credits - 35-64

**Degree Core - 19**

- PTH 700 - Scholarly Writing & Research Credits: 2
- PTH 744 - Principles of Contemporary Leadership Credits: 3
- PTH 840 - Advanced Topics in Clinical Research Credits: 3
- PTH 846 - Integration of Spirituality in Health Care Credits: 2,3
- PTH 860 - Applications in Clinical Research Credits: 2
- PTH 898 - Dissertation Project Credits: 1–10

**Tracks - 16-45**

Selected at the time of admission based on your student educational background.

- Track 1: DPT with FAAOMPT or Manual Therapy Certification to DScPT - 16
  - Track 1 is for students with a DPT degree who already have FAAOMPT or manual therapy certification from another approved institution.
  - PTH 893 - Spinal Segmental Manipulation Credits: 3

**Electives - 13**

Physical Therapy electives selected in consultation with advisor from PTH courses to total 35 credits for Track 1 students.

- Track 2: BS/Master's to DScPT - 45
  - Track 2 is for students with a BS or Master's degree.
  - PTH 716 - Clinical Pharmacology Credits: 2
  - PTH 732 - Clinical Research Credits: 2
Physical Therapy electives selected in consultation with advisor to total 64 credits. Choose one of the following concentrations:

**Physical Therapy electives selected in consultation with advisor to total 64 credits.**

**Manual therapy techniques. Students in Tracks 2-5 can choose this concentration.**

**Orthopaedic Manual Therapy Concentration**

Electives - 4

Physical Therapy electives selected in consultation with advisor from PTH courses to total 64 credits for Track 2 students.

Choose one of the following concentrations:

- Orthopaedic Manual Therapy - 14
- Women's Health - 14

**Track 3: DPT to DScPT - 26**

Track 3 is for students with a DPT degree.

- PTH 841 - Gateway to Musculoskeletal Therapy: Lumbopelvic & Cervical **Credits:** 3
- PTH 842 - Upper Quadrant Evaluation and Management **Credits:** 3
- PTH 843 - Lower Quadrant Evaluation and Management **Credits:** 3
- PTH 844 - Integrated Evaluation and Management: Thorax **Credits:** 2
- PTH 845 - COMT Practical Comprehensive Examination **Credits:** 0

1 credit of PTH 850 - Supervised Clinical Practice **Credits:** 1-4 (concentration in manual therapy skills)

**Choose one of the following concentrations:**

- Orthopaedic Manual Therapy - 14
- Women's Health - 14

**Track 4: BS/Master's with NAIOMT CMPT or COMT from other approved organizations to DScPT - 40**

Track 4 is for students with a BS or Master's degree with NAIOMT CMPT or COMT from other approved organizations.

- PTH 716 - Clinical Pharmacology **Credits:** 2
- PTH 732 - Clinical Research **Credits:** 2
- PTH 741 - Physiological Basis for Exercise Prescription: Level I **Credits:** 3
- PTH 748 - Educational Techniques for Health Care Professionals **Credits:** 2
- PTH 830 - Medical Diagnostics **Credits:** 2
- PTH 835 - Holistic Care in Physical Therapy **Credits:** 2
- PTH 836 - Medical Screening & Clinical Differential Diagnosis **Credits:** 2

**Electives - 11**

Physical Therapy electives selected in consultation with advisor to total 64 credits.

Choose one of the following concentrations:

- Orthopaedic Manual Therapy - 14
- Women's Health - 14

**Track 5: DPT with NAIOMT CMPT or COMT from other approved organizations to DScPT - 21**

Track 5 is for students with a DPT degree with NAIOMT CMPT or COMT from other approved organizations.

**Electives - 7**

Physical Therapy electives selected in consultation with advisor to total 64 credits.

Choose one of the following concentrations:

- Orthopaedic Manual Therapy - 14
- Women's Health - 14

**Concentrations**

**Orthopedic Manual Therapy Concentration**

This concentration prepares the student to gain advanced skills in advanced manual therapy techniques. Students in Tracks 2-5 can choose this concentration.

3 credits of PTH 850 - Supervised Clinical Practice **Credits:** 1-4 (concentration in advanced manual therapy skills)

- PTH 891 - Integrated Evaluation and Management: Lower Quadrant **Credits:** 3

Women's Health Concentration

This concentration prepares the student to meet the underserved, complex physical therapy needs of women. Students in Tracks 2-5 can choose this concentration.

- PTH 705 - Lifespan Considerations in Women's Health **Credits:** 1
- PTH 707 - Principles of Contemporary Leadership in Women's Health **Credits:** 3
- PTH 713 - Women, Health and Human Rights **Credits:** 1
- PTH 714 - Pregnancy and Postpartum **Credits:** 2
- PTH 723 - Pain Science and Persistent Pelvic Pain in Women's Health **Credits:** 2
- PTH 724 - Surgical and Oncological Considerations in Women's Health **Credits:** 1
- PTH 755 - Female Sexual Health and Function **Credits:** 1
- PTH 775 - Advanced Gastrointestinal Health and Dysfunction **Credits:** 2
- PTH 855 - Supervised Clinical Practice: Women's Health **Credits:** 1

**Additional Requirements**

- A minimum cumulative GPA of 3.00.
- No grade lower than "C" (2.00) in any course.
- A minimum of 80% of credits must be taken at regular tuition for degree conferral.
- COMT certification through ASPIRE is required for Tracks 2 and 3 (completed by registering for and passing PTH 845 - COMT Practical Comprehensive Examination).
- For candidates completing the Orthopedic Manual Therapy Concentration:
  - Spinal Manipulative Therapist Certification through ASPIRE or equivalent certification from another approved program. Completed by registering for and passing PTH 895 - SMT Exam: Spinal Manipulative Therapist Exam. PTH 850 - Supervised Clinical Practice (3 credit) must be concentrated in advanced manual therapy skills. PTH 898 - Dissertation Project (6 credits) must be focused on an area of orthopedic manual therapy.
- For candidates completing the Women's Health Concentration: PTH 855 - Supervised Clinical Practice: Women's Health (1 credit) must be concentrated in women's health (for example clients with a diagnosis of obstetrical trauma/pregnancy/Past-Partum, Urinary Incontinence, Pelvic Organ Prolapse, Gastrointestinal, Breast Cancer, Gynecologic Cancers, Pelvic Pain). PTH 898 - Dissertation Project (6 credits) must be focused on an area of women's health.
- Successful completion of the dissertation project and presentation.
- Satisfactory completion of the Graduate exit survey.

**Admission Requirements**

- Applicants must have graduated from an approved school of physical therapy and be licensed to practice physical therapy in United States or Canada.
- Applicants must have the equivalent of a four-year U.S. bachelor's degree. Applicants with a bachelor's degree must have a minimum of two years of experience working in an orthopedic setting as a physical therapist prior to applying.
- Applicants must submit graduate application and all the required components
  - Applicants must submit an original copy of all academic transcripts from any institution where classes were taken. In addition, if the transcripts are not written in English, a copy in the original language as well as the English translation are required.
  - Applicants must submit a copy of physical therapy license. If license is not in English a translated copy must be submitted as well.
  - Applicants must submit a minimum of three satisfactory recommendations: one from a currently practicing physical therapist, one from a medical doctor or supervisor, and one from another person familiar with the candidate.
  - For U.S. and Canadian trained candidates holding only a Bachelor's degree in physical therapy, completion and submission of the APTA Physical Therapy Evaluation Tool (PTE) proving competency towards an entry-level master's degree in physical therapy is required.
  - English Proficiency - Applicants whose language of education is not English must submit a minimum TOEFL score of 80 or 6.5 on the IELTS.
- Applicants for Track 1: Proof of FAAOMPT is required.
Student Learning Outcomes

Graduates of the DScPT Program will:

- Possess the critical inquiry skills necessary to evaluate professional knowledge and competencies in relation to evidence-based physical therapy practice.
- Be an active contributor to the body of knowledge regarding evidenced based practice, clinical research and/or publishable quality case studies.
- Function as a direct access provider of physical therapy care with advanced clinical skills.
- Possess the leadership skills necessary to serve as a leader in their physical therapy academic and/or practice setting, and community healthcare network.
- Value the capabilities of other healthcare providers and possess the critical thinking skills necessary to determine the need for referral to those individuals.
- Participate in the advancement of physical therapy at the community, state or national level.

DScPT graduates with a concentration in Orthopaedic will also:

- Attain nationally recognized certification in orthopedic manual and manipulative physical therapy.
- Be prepared to serve as an orthopedic clinical specialist in their physical therapy practice setting and community healthcare network as well as faculty in entry-level physical therapist education programs.

DScPT graduates with a concentration in Women’s Health will also:

- Serve as a women’s health clinical specialist and/or women’s health clinical specialist educator in their physical therapy practice setting, community healthcare network, global healthcare community, and in entry-level physical therapist programs.
- Demonstrate and execute leadership in women’s health within organizations and institutions, including identifying and strategically addressing individual and population level women’s health needs.

Occupational Therapy

OTH 700 - Scholarly Writing & Research
Credits: 2
This course is dedicated to the development of doctoral quality writing skills through guided practice of writing a literature review for a scientific paper in preparation for publishing work. This is also a degree orientation course, which includes introduction to the degree(s), being oriented to the James White Library, including endnote training and instruction to the AOTA Occupational Therapy Practice Framework: Domain & Process. This course is available on-campus and interactive online.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 710 - Grant Writing
Credits: 2
Overview of the basic principles and practice of effective health education and health promotion grant writing. Provides guidance for identifying potential funding sources and writing a grant proposal that is ready for submission.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 716 - Clinical Pharmacology
Credits: 2
Develops a non-prescriptive knowledge of specific medications including indications, contraindications, precautions, adverse reactions, and dosage, especially as related to physiological effects of occupational therapy interventions.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 732 - Clinical Research
Credits: 2
This course provides an introduction to clinical research methods. Course content includes: formulating a research question, defining variables, designing the study, instrumentation, validity and reliability of measurement and design, data collection procedures, basic data analysis, and ethical and legal responsibilities of the researcher. This course is available on-campus and interactive online.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 741 - Physiological Basis for Exercise Prescription: Level I
Credits: 3
Using the system of Medical Exercise Therapy founded by Odvar Holten, this course covers the physiological basis for exercise prescription specifically related to the healing process. Testing strategies, formulas for exercise dosing and equipment conducive to this approach will be presented along with computer software developed to assist dosage and patient tracking.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Recommended: OTH 764 Physiological Basis for Exercise Prescription: Level II
OTH 774 Physiological Basis for Exercise Prescription: Level III
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 744 - Principles of Contemporary Leadership
Credits: 3
Theory and application of complexity sciences to organizational management; exploration of key leadership roles and changing paradigm; presentation of methods to maximize personal and professional life. This course is available on-campus and interactive online.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 748 - Education Techniques for Healthcare Professionals
Credits: 2
Examines and applies educational theory to skills utilized by the occupational therapist in the classroom, community, and clinical facility. Topics include the educational role of the occupational therapist, the taxonomies of learning, learning styles, multiple intelligence, and education technology. This course is available as on-campus and interactive online.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 750 - Professional Communication and Consulting
Credits: 2
An introduction to the integration of the occupational therapist as consultant.
Discussion will include applying occupational therapy consultation services to individuals, business, schools, government agencies and/or other organizations.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 756 - Occupational Science I
Credits: 3
This course delves deeper into the underlying models, theories, philosophies, and framework of the occupational therapy profession. Students will apply these constructs to clients across the life-span and in various settings.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Recommended: OTH876 Occupational Science II
OTH896 Occupational Science III
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 759 - Emerging Roles and Practice Areas for the Occupational Therapist
Credits: 2
Non-traditional and emerging roles and practice areas for occupational therapists will be examined and explored in conjunction with the evolving healthcare system and academic opportunities. Students will have the opportunity to implement an evidence-based project into an emerging area of practice.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 764 - Physiological Basis for Exercise Prescription: Level II
Credits: 3
Advanced clinical reasoning and application for precision therapeutic exercise design, dosing, and delivery. Topics: hand-held dynamometry, exercise design, optimal improvement, 4 outcome domains, lower quadrant, spine

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTH741 Physiological Basis for Exercise Prescription: Level I
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 774 - Physiological Basis for Exercise Prescription: Level III
Credits: 1
Mastery of the application of precision therapeutic exercise design, dosing, and delivery is demonstrated through a comprehensive theoretical exam and a lab-based oral practical with clinical discussion derived from case studies submitted by the student. Upon satisfactory completion, Certified Manual Exercise Therapist (CMET) credential is awarded.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTH741 Physiological Basis for Exercise Prescription: Level I
OTH764 Physiological Basis for Exercise Prescription: Level II
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 783 - Applied Research in Occupational Therapy
Credits: 3
Students will develop and execute an applied research project related to occupational therapy. This project has the possibility to be expanded into a dissertation project.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTH700, OTH732, OTH840
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 800 - Teaching Practicum
Credits: 2
This course provides students with a semester-long supervised teaching experience. Students will be paired with an experienced teacher (mentor) in their field of rehabilitation expertise and will participate in their mentor’s course in activities such as developing instructional materials, teaching selected portions of the course, and preparing and grading assessments.

Course/Lab Fee: No
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Prerequisite(s): OTH744, OTH748, OTH756, OTH759, OTH783, OTH854, OTH876, OTH896.
Repeatable: Repeatable
Schedule Type: Practicum
College Code: CHHS

OTH 840 - Advanced Topics in Clinical Research
Credits: 3
This course is designed to prepare students to match research questions with study design, perform the appropriate statistical analysis, and report results. Students use SPSS to run descriptive and inferential statistics including measures of central tendency and variability of a frequency distribution as well as tests of difference or relationship: t-tests, ANOVAs, correlations, regression analysis, Chi-square and non-parametric equivalents. This course is available as on-campus and interactive online.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 846 - Integration of Spirituality in Health Care
Credits: 3
A discussion of individual spiritual values; spiritual values from a Christian perspective; how faith and spirituality facilitate the healing process, and how these can be incorporated into patient care. Attention will be given to discerning/addressing the spiritual needs of the patients/clients, family members and ancillary medical staff in a professional environment. This course is only available interactive online.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 854 - Advocacy in Occupational Therapy
Credits: 3
Reviews the historical impact of major legislation on occupational therapy practice. Investigates current trends and challenges in the occupational therapy profession and explores the importance of professional advocacy. Students will examine legal, moral, ethical and public policy challenges occupational therapists face in a variety of settings including administration, academics, clinical practice and research.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 860 - Applications in Clinical Research
Credits: 2
This course provides an in-depth review of study designs and serves to develop researchers’ skills in evaluating both quantitative and qualitative research. Information is presented on grant writing and IRB application as well as disseminating completed research projects through manuscript, poster, and oral presentation. This course is available as on-campus and interactive online.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 880 - Occupational Science II
Credits: 3
This course examines the science of participation and performance of persons in their environments incorporating theories and research.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTH756 Occupational Science I
Recommended: OTH896 Occupational Science III
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 896 - Occupational Science III
Credits: 3
This course examines the science of participation and performance of populations
and communities incorporating theories and research.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTH876 Occupational Science I
OTE876 Occupational Science II
Schedule Type: Lecture, Interactive Online
College Code: CHHS

OTH 898 - Dissertation Project
Credits: 1-6
Serves as an essential outcome component to augment the professional development and new learning that occurs in didactic course work of the post-professional doctoral degree and demonstrates the ability of the DScOT to make significant contributions to the profession and/or serve as a change agent in the field of occupational therapy.

Course/Lab Fee: No
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CHHS

Physical Therapy

PHTH 120 - Introduction to Physical Therapy
Credits: 2
An introduction to the profession of physical therapy with an overview of duties and responsibilities physical therapists perform. Partially fulfills the clinical observation prerequisites for admission to the professional program. Students must have their own transportation for the clinical observation.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

PHTH 417 - Human Anatomy
Credits: 3
A comprehensive study of human anatomy covering all systems of head, neck, trunk, and extremities. A solid morphological basis for a synthesis of anatomy, physiology, and clinical sciences provided. Dissection and identification of structures in the cadaver, and the study of charts, models, and prosected materials.

Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH427
Prerequisite(s): BIOL 221, BIOL 222 or BIOL 165, BIOL 166 or equivalent. See instructor for additional requirements.
Schedule Type: Lecture
College Code: CHHS

PHTH 427 - Human Anatomy Laboratory
Credits: 1
Study of the prosected extremity, head and neck anatomy, and dissection of the abdominal and thoracic organ systems.

Course/Lab Fee: Yes
Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 417
Prerequisite(s): same as for PHTH 417.
Schedule Type: Lab
College Code: CHHS

PHTH 480 - Physical Therapy Clinical Experience
Credits: 0–5
A course which provides hands-on, patient contact experiences in a variety of settings. The clinical experiences are coordinated to correspond to the requirements of the physical therapy program. As a facilitator, the clinical instructor will assist in developing the student’s clinical thinking skills. The student is expected to become independent with the evaluation and treatment of noncomplex patients within that practice setting. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Swing course—Approved 400–499 courses qualify for graduate-level credit for graduate students
Course Attribute: Full-time status
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable up to 5 credits
Schedule Type: Practicum
College Code: CHHS

PHT 501 - DPT Orientation
Credits: 0
The orientation course reviews the principle and practices underlying the Curriculum and Instruction of DPT Program. Mandatory for all incoming DPT students.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Satisfactory (S,U,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CHHS

PHT 505 - Anatomy
Credits: 4
A comprehensive study of human anatomy with emphasis on the nervous, skeletal, muscle, and circulatory systems. Introduction to basic embryology and its relation to anatomy and the clinical sciences concludes the course. Provides a solid morphological basis for a synthesis of anatomy, physiology, and the physical therapy clinical sciences. Co requisite: PTH410.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 515
Schedule Type: Lecture
College Code: CHHS

PHT 509 - Principles of Therapeutic Exercise
Credits: 2
Examines the systemic responses to exercise as related to both an acute nature and in response to training. Specific pathological conditions are discussed in relation to exercise testing and prescription, and a clinical decision-making process is presented for working with additional pathological conditions.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH519
Schedule Type: Lecture
College Code: CHHS

PHT 510 - PT Assessment Skills
Credits: 3
Introduction to assessment principles and examination skills utilized in all areas of physical therapy. The PT Guide to Physical Therapy Practice is referenced for the basic skills required in the assessment, intervention and documentation guidelines. Co requisite: PTH425.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 520
Schedule Type: Lecture
College Code: CHHS

PHT 513 - Health Promotion and Wellness I
Credits: 1,2
Analysis and application of prevention, health promotion, wellness and fitness for individuals, groups and communities. Examination and application of education theory and skills. An exploration of the role of the physical therapist in teaching, learning and leadership in the classroom, clinical setting and community.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

PHT 515 - Anatomy Laboratory
Credits: 3
Dissection and identification of structures in the cadaver supplemented with the study of charts, models, prosected materials and radiographs are utilized to identify anatomical landmarks and configurations. Co requisite: PTH400.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
PTH 516 - Pathokinesiology
Credits: 3
The study of human movement including an introduction to the basic concepts of biomechanics with an emphasis on human joint/muscle structures and function, advancing to analysis of body mechanics, normal gait analysis, and pathological movement analysis. Joint abnormalities will be identified using radiographs, related to the resultant movement dysfunction. Prerequisites: PTH400 and 410. Corequisite: PTH426.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 505, PTH 513
Schedule Type: Lecture
College Code: CHHS

PTH 518 - General Medicine
Credits: 2
Clinical techniques applied to the examination, evaluation, treatment, and discharge planning of patients in general medical and acute-care. Emphasis on physical therapy intervention with relevant factors, management of pain and physical complications during medical treatment, and examination and treatment of special populations including wound and burn care.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 528
Schedule Type: Lecture
College Code: CHHS

PTH 519 - Principles of Therapeutic Exercise Laboratory
Credits: 2
Practical demonstration and experience with responses to exercise, testing procedures, and exercise prescription, focusing on activities appropriate for clinical situations. Tests and interventions noted in the Physical Therapy Guide to Practice are highlighted.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTHS 509
Schedule Type: Lab
College Code: CHHS

PTH 520 - PT Assessment Skills Laboratory
Credits: 3
Basic examination skills including surface palpation of specific underlying muscle and bone structures, joint motion (goniometry), manual procedures for testing muscle strength, sensation, vital signs, limb girth and volumetric measurement will be practiced. Clinical application in basic physical therapy care procedures will be introduced. Co requisite: PTH415.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 510
Schedule Type: Lab
College Code: CHHS

PTH 525 - Therapeutic Interventions
Credits: 3
Basic principles, physiologic effects, indications and contraindications, application and usage of equipment, and intervention rationale for hydrotherapy, thermal agents, wound care, massage, electrotherapy and mechanotherapy (traction) and other therapeutic interventions.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 535
Schedule Type: Lecture
College Code: CHHS

PTH 526 - Pathokinesiology Laboratory
Credits: 2
Biomechanical and observational analysis of normal and abnormal human movement. Integration of basic examination skills with gait and movement analysis.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 505, PTH 515
Schedule Type: Lab
College Code: CHHS

PTH 528 - General Medicine Laboratory
Credits: 1
Practice in assessment modified for the acute-care environment. Applications include home- and work-place evaluation for architectural barriers, functional evaluation tools, casting, and modification of treatment for acute care including goal setting and professional note writing.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 518
Schedule Type: Lab
College Code: CHHS

PTH 530 - Pathophysiology I
Credits: 3
Sequence studying disease processes affecting major body systems and the resulting anatomical and pathophysiological changes. Clinical presentations and pharmacological treatment of patients with those disease processes are presented, as well as diagnostic tests and laboratory values used to identify pathological conditions.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PTH 505 and PTH 515
Schedule Type: Lecture
College Code: CHHS

PTH 535 - Therapeutic Interventions Laboratory
Credits: 2
Supervised practicum includes patient positioning and application of the therapy to obtain desired physiological response. Techniques of hydrotherapy, thermal agents, wound care, and massage, as well as specific electrotherapy and mechanotherapy treatments and assessment of physiological responses to those treatments.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 525
Schedule Type: Lab
College Code: CHHS

PTH 562 - Topics in Comparative Religion
Credits: 2
This course surveys the major religious traditions of the world. Study includes an overview of origins; major philosophical and theological underpinnings; typical aspects of worship and ethics; and major social, cultural, and political influences. Study is done from a consciously Christian framework.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

PTH 565 - Neuroscience and Motor Control
Credits: 3
An examination of the basic anatomy and function of the central and peripheral nervous system with an emphasis on those structures involved in the control of human movement. Students are introduced to terminology and concepts associated with normal and abnormal function of selected areas of the neuraxis. This course provides the foundation for the neurology sequence.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 575
Schedule Type: Lecture
College Code: CHHS

PTH 575 - Neuroscience and Motor Control Laboratory
Credits: 1
Study of the prospected central and peripheral nervous tissues, models and charts. Imaging will be used to compare normal to abnormal CNS presentation. Portions of lab will concentrate on making connections between neurologic structures and their role in controlling human movement.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
PHT 855 - Supervised Clinical Practice: Women's Health
Credits: 1
Advanced supervised clinical practice; must be concentrated in women's health (for example clients with a diagnosis of obstetrical trauma/pregnancy/Post-Partum, Urinary Incontinence, Pelvic Organ Prolapse, Gastrointestinal, Breast Cancer, Gynecologic Cancers, Pelvic Pain). Supervision must be provided by an experienced women's health clinician (WCS or PRPC, preferred) and may include an experienced practitioner with > one domain of content expertise (Ex: female sexual health, pelvic pain specialist). The objective of this course is for students to seek supplemental and deeper knowledge in one or more areas of practice and does not require broad exposure to all aspects of practice. A minimum of 30 hours is required.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Prerequisite(s): PTH 705, PTH 707, PTH 713, PTH 714, PTH 723, PTH 724, PTH 755, PTH 775
Repeatable: Repeatable
Schedule Type: Practicum
Term Offering: Fall, Spring, Summer
College Code: CHHS

PHT 881 - Clinical Education I
Credits: 4
Advanced full-time clinical experience (8-10 weeks each) in a variety of professional practice settings. One of the internships must be in outpatient orthopedics, inpatient, and a neurology setting. Thirty-six to forty hours per week.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Schedule Type: Practicum
College Code: CHHS

PHT 882 - Clinical Education II
Credits: 4
Advanced full-time clinical experience (8-10 weeks each) in a variety of professional practice settings. One of the internships must be in outpatient orthopedics, inpatient, and a neurology setting. Thirty-six to forty hours per week.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Schedule Type: Practicum
College Code: CHHS

PHT 883 - Clinical Education III
Credits: 5
Advanced full-time clinical experience (8-10 weeks each) in a variety of professional practice settings. One of the internships must be in outpatient orthopedics, inpatient, and a neurology setting. Thirty-six to forty hours per week.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Schedule Type: Practicum
College Code: CHHS

PHT 884 - Clinical Education IV
Credits: 5
Advanced full-time clinical experience (8-10 weeks each) in a variety of professional practice settings. One of the internships must be in outpatient orthopedics, inpatient, and a neurology setting. Thirty-six to forty hours per week.

This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course Attribute: Full-time status
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Schedule Type: Practicum
College Code: CHHS

PHT 885 - Clinical Education 1
Credits: 6
Advanced full-time clinical experience (12-14 weeks each) in a variety of physical therapy practice settings involving patients/clients with diseases and conditions representative of those typically seen across the lifespan and continuum of care.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Prerequisite(s): PTH680 Clinical Practicum
Schedule Type: Practicum
College Code: CHHS

PHT 886 - Clinical Education 2
Credits: 6
Advanced full-time clinical experience (12-14 weeks each) in a variety of physical therapy practice settings involving patients/clients with diseases and conditions representative of those typically seen across the lifespan and continuum of care.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Prerequisite(s): PTH680 Clinical Practicum
Physical Therapy (Professional & Post-Professional)

**PTH 507 - Applied Clinical Anatomy & Kinesiology**
Credits: 3
Lecture/lab course studying regional anatomy and biomechanics as they relate to normal movement and the potential development of movement dysfunctions. Correlations between pathomechanics, clinical presentation of pathology and decision making for therapeutic interventions will be drawn.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

**PTH 540 - Pathophysiology II**
Credits: 2
Sequence studying disease processes affecting major body systems and the resulting anatomical and pathophysiological changes. Clinical presentations and pharmacological treatment of patients with those disease processes considered, as well as diagnostic tests and laboratory values used to identify pathological conditions.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PTH 440
Schedule Type: Lecture
College Code: CHHS

**PTH 542 - Physiological Basis for Exercise Prescription: Level II**
Credits: 2
Expanding on the knowledge presented in Level I, this course will go into more complex scenarios of patient impairments and more in depth spinal rehabilitation including advanced computer software training.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

**PTH 545 - Advanced Clinical Physiology**
Credits: 3
The review of human physiological function of the major body systems with clinical application to musculoskeletal, cardiovascular and pulmonary conditions. Detailed information on exercise physiology will be discussed along with clinical applications among patients with compromised health.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

**PTH 580 - Introduction to Orthopedic Physical Therapy**
Credits: 1
Medical lectures covering selected topics in orthopedics, including common orthopedic diseases and the use of diagnostic testing and imaging in the orthopedic field.

Swing course—Approved 500–599 courses qualify for undergraduate-level credit
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS
PHT 622 - Research Statistics
Credits: 1
Fundamental procedures in collecting, summarizing, presenting, analyzing, and interpreting statistical data. Statistical tests applied to medical specialties.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 632.
Schedule Type: Lecture
College Code: CHHS

PHT 625 - Cardiopulmonary
Credits: 2
Lectures covering selected topics in cardiopulmonary medicine, focusing on clinical presentation, diagnostic tests, and medical and physical therapy interventions.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 637.
Schedule Type: Lecture
College Code: CHHS

PHT 627 - Orthotics and Prosthetics
Credits: 1
Prosthetic management of amputees, management of patients with disabilities requiring orthotic intervention, and application/management of traction and orthotic devices.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 622.
Schedule Type: Lab
College Code: CHHS

PHT 632 - Research Statistics Laboratory
Credits: 1
Practice in the computation of statistical data using appropriate formulas. Practical applications of techniques in research and statistical computations including probability, normal distribution, Chi Square, correlations, and linear regressions.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 625.
Schedule Type: Lab
College Code: CHHS

PHT 635 - Cardiopulmonary Laboratory
Credits: 1
Emphasis on physical therapy assessment and intervention with cardiac and pulmonary patients. Practice of relevant techniques, such as stress testing, percussion, pulmonary function tests and breathing techniques, as well as other techniques identified in the Physical Therapy Guide to Practice.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 625.
Schedule Type: Lab
College Code: CHHS

PHT 637 - Orthotics and Prosthetics Laboratory
Credits: 1
Practice of the physical therapy techniques required in the application of orthotic and prosthetic devices. Special attention given to gait and function. Selected topics such as wheelchair modifications, miscellaneous ortho-rehab apparatus, and other assistive/adaptive devices included.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 650.
Schedule Type: Lecture
College Code: CHHS

PHT 640 - Pediatrics
Credits: 2
An overview of embryologic development, followed by normal infant/child development to 5 years of age with an emphasis on motor development. Identification of assessment techniques for infants and children with normal and abnormal development. Description of various pediatric pathologies encountered in physical therapy with appropriate corresponding assessment and treatment approaches.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 650.
Schedule Type: Lecture
College Code: CHHS

PHT 645 - PT Administration
Credits: 3
A study of the organizational structures, operations, and financing of healthcare delivery institutions and an examination of the organization and interrelationship of their professional and support elements. Application of current health care management strategies and theory are related to the acute-care facility and independent practice.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

PHT 646 - Integration of Spirituality in Health Care
Credits: 2,3
A discussion of spiritual values from a Christian perspective, how faith and spirituality facilitate the healing process, and how these can be incorporated into patient care. Attention will be given to discerning and addressing the spiritual needs of patients/clients, family members, and ancillary medical staff in a professional environment.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

PHT 647 - Differential Diagnosis
Credits: 2
Analysis of the decision-making process, with special focus on clinical guidelines, Physical Therapy Guide to Practice, and differential diagnosis. Differential diagnosis is addressed through comparison of systemic signs and symptoms, as well as appropriate diagnostic tests which may indicate involvement of a problem outside of the scope of PT practice. For students in the DScPT program, additional collaborative learning experiences include case study presentations and compilations of additional resources for use in the clinic.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

PHT 650 - Pediatrics Laboratory
Credits: 2
Practice of physical therapy assessment of the infant/child that addresses different developmental domains. Practice in the special techniques required in assessment and treatment of pediatric patients diagnosed with selected pathologies. Introduces current treatment approaches, such as Neurodevelopmental Treatment (NDT), with their effects on treatment goals.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 640.
Schedule Type: Lab
College Code: CHHS

PHT 651 - Neurology I
Credits: 2
Review of basic neurophysiological mechanisms specific to nervous system dysfunction, related to clinical concepts in treatment of conditions affecting the nervous system, such as spinal cord injury, head injury, stroke, and selected peripheral pathologies. Emphasis on comparing and contrasting facilitation techniques.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 661.
Schedule Type: Lecture
College Code: CHHS

PHT 652 - Neurology II
Credits: 2
Continuation of PHT 651 - Neurology I, focusing on assessment and intervention with selected neurologic conditions. Common treatment techniques are compared with rationale for use of each.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 662.
Prerequisite(s): PTH 651.
Schedule Type: Lecture
College Code: CHHS
choosing.

specialist to facilitate intensive focused clinical training in a field of study of their
will develop an independent 40-hour learning contract with a qualified clinical
The student, working with their advisor and following degree/course guidelines,
campus and in facilities affiliated with Andrews University.

consists of integrated physical therapy and interprofessional experiences on
patient-care setting for DPT students. Students work under the direct supervision
of a clinical instructor who is a licensed physical therapist. The practicum
practitioner. The knowledge and skills developed in the classroom and lab in a
practice and interprofessional experiences on campus and in facilities affiliated with Andrews University.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 651.
Schedule Type: Lab
College Code: CHHS

PHT 661 - Neurology I Laboratory
Credits: 2
Clinical application, rehabilitation practice, and techniques applied to nervous
system dysfunction. Intervention techniques for conditions affecting the nervous
system, such as spinal cord injury, head injury, stroke, and selected peripheral
pathologies.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 651.
Schedule Type: Lab
College Code: CHHS

PHT 662 - Neurology II Laboratory
Credits: 2
Clinical application, rehabilitation practice, and techniques applied to basic
physiological and neurophysiological mechanisms specific to nervous system
dysfunction. Focus on techniques appropriate for use with neurologic patients and
evaluation of patient response to treatment.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 652.
Prerequisite(s): PTH 661.
Schedule Type: Lab
College Code: CHHS

PHT 680 - Clinical Practicum
Credits: 1
Practice of the knowledge and skills developed in the classroom and lab in a
patient-care setting for DPT students. Students work under the direct supervision
of a clinical instructor who is a licensed physical therapist clinician. The practicum
consists of integrated physical therapy and interprofessional experiences on
campus and in facilities affiliated with Andrews University.

Course/Lab Fee: No
Grade Mode: Satisfactory w/DG (S,U,W,DG)
Repeatable: Repeatable up to 4 credits
Schedule Type: Practicum
College Code: CHHS

PHT 685 - Integrated Clinical Practicum
Credits: 1-2
Practice of the knowledge and skills developed in the classroom and lab in a
patient-care setting for transitional DPT students. Students work under the direct
supervision of a clinical instructor who is a licensed physical therapist. The
practicum consists of physical therapy and interprofessional experiences on
campus and in facilities affiliated with Andrews University. Forty (40) clinical hours
per credit hour.

Course/Lab Fee: No
Grade Mode: Satisfactory w/DG (S,U,W,DG)
Repeatable: Repeatable up to 4 credits
Schedule Type: Practicum
College Code: CHHS

PHT 697 - Independent Learning Contract
Credits: 2
The student, working with their advisor and following degree/course guidelines,
will develop an independent 40-hour learning contract with a qualified clinical
specialist to facilitate intensive focused clinical training in a field of study of their
choosing.

Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

PHT 700 - Scholarly Writing & Research
Credits: 2
This course is dedicated to the development of doctoral quality writing skills
through guided practice of writing a literature review for a scientific paper in
preparation for publishing work. This is a degree orientation course, which
includes introduction to the degree(s), being oriented to the James White Library,
including endnote training and instruction to the APTA Guide to Physical Therapy
Practice.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning, Interactive Online
College Code: CHHS

PHT 701 - tDPT Orientation
Credits: 0
The orientation course reviews the principles and practices underlying the
Curriculum and Instruction of the tDPT program for on campus and off campus
students. Proficiency testing of evaluation and treatment required for on-campus
tDPT students. Required for all incoming tDPT students.

Course/Lab Fee: No
Grade Mode: Satisfactory (S,U,I,W)
Schedule Type: Seminar
College Code: CHHS

PHT 702 - Transition to DPT
Credits: 3
Explores the role of the autonomous, Doctor of Physical Therapy in the United
States.

Prepares the student to become a direct access Practitioner of choice through
application of the examination, evaluation, diagnosis and prognosis, intervention
and outcomes, elements of the American Physical Therapy Association Patient
Client Management Model. Study of the organizational structures, operations and
financing of healthcare delivery in the United States.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

PHT 703 - Transition to DPT Laboratory
Credits: 2
Practical application of Examination and treatment techniques including basic
orthopedic and neurological tests and screening, and identification of need for
referral. Students will demonstrate proficiency in patient handling, evaluation
skills including history taking, review of systems, systems review and examination
skills. Interventions, documentation, and billing needed for today’s DPT will be
covered.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lab
College Code: CHHS

PHT 705 - Lifespan Considerations in Women's Health
Credits: 1
Pertinent physiological, psychosocial, and biological milestones will be addressed
through childhood, adolescence, early-, middle- and late adulthood. This will lead
to improved understanding of normal development and aging, as well as special
considerations for wellness, athletes and emerging health conditions for various
life stages.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Interactive Online
College Code: CHHS

PHT 708 - Post Operative Mangement of Common Orthopedic
Surgeries
Credits: 2
This course covers the surgical techniques, guidelines for acute postoperative
management and principles needed to safely design a rehabilitation program
which will enable the patient to return to their previous level of function.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Interactive Online
Term Offering: fall
College Code: CHHS
PTH 709 - Evidence Based Orthopedic Clinical Practice: A Research Review
Credits: 2
This course covers an up-to-date understanding of evidence supporting the evaluation and treatment of orthopedic pathologies. Keys to a working knowledge of contemporary research methodology and design along with the ability to analyze results of published studies from the perspective of statistical analysis will be presented.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Interactive Online
Term Offering: Spring
College Code: CHHS

PTH 711 - Musculoskeletal Clinical Reasoning
Credits: 1
A course intended to enhance the skills associated with clinical reasoning within the Physical Therapy setting. It will address the thought process that enters into every aspect of patient care in the practice of physical therapy, from the history to the physical exam; the differential diagnosis to the development of the prognosis; the plan of intervention to the eventual discharge.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): Correquisite: PTH 721.
Schedule Type: Lecture
College Code: CHHS

PTH 712 - Neuromuscular Clinical Reasoning
Credits: 1
A continuation of PTH 711 Musculoskeletal Clinical Reasoning.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 722.
Prerequisite(s): PTH 711.
Schedule Type: Lecture
College Code: CHHS

PTH 714 - Pregnancy and Postpartum
Credits: 2
Biopsychosocial case-based approach to maternal health for the physical therapist, from preconception through postpartum for low- and high-risk populations. Course will include current evidence and practice guidelines, physical examination, integrative interventions and wellness. 2-3 days on-campus to include additional lecture, lab, and small group work

Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: CHHS

PHT 716 - Clinical Pharmacology
Credits: 2
Develops a non-prescriptive knowledge of specific medications including indications, contraindications, precautions, adverse reactions, and dosage, especially as related to physiological effects of physical therapy interventions.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Interactive Online
College Code: CHHS

PHT 721 - Musculoskeletal Clinical Reasoning Laboratory
Credits: 1
A continuation of PTH 711. Labs are designed to reinforce specific skills (evaluative or therapeutic) applicable to each lecture topic.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 711.
Schedule Type: Lab
College Code: CHHS

PHT 722 - Neuromuscular Clinical Reasoning Laboratory
Credits: 1
A continuation of PTH 721 Neuromuscular Clinical Reasoning Laboratory.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): PTH 722.
Prerequisite(s): PTH 721.
Schedule Type: Lab
College Code: CHHS

PHT 723 - Pain Science and Persistent Pelvic Pain in Women's Health
Credits: 2
Differential diagnosis and intervention of complex pelvic pain syndromes. The current evidence in pain science application to the pelvic region including examination, differential diagnosis of peripheral vs. central mediated pain algorithms and intervention techniques specific to this population. Includes 1 day on-campus lab

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab, Interactive Online
College Code: CHHS

PHT 724 - Surgical and Oncological Considerations in Women's Health
Credits: 1
Anatomical and physiological changes leading to and resulting from surgery specific to females due to oncological and other diagnoses. Presentation of the pre and post-operative course of common women's health conditions including the examination and intervention of post-surgical sequelae including tissue changes, lymphedema and wellness.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Interactive Online
College Code: CHHS

PHT 726 - Geriatrics
Credits: 2
Study of the unique characteristics of the geriatric patient, especially the physiological, psychological and social aspects, related to special needs in the physical therapy assessment, plan of care, and intervention.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

PHT 732 - Clinical Research
Credits: 2
This course provides an introduction to clinical research methods. Course content includes: formulating a research question, defining variables, designing the study, instrumentation, validity and reliability of measurement and design, data collection procedures, basic data analysis, and ethical and legal responsibilities of the researcher.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning, Interactive Online
College Code: CHHS

PHT 736 - Psychosocial Issues in Healthcare
Credits: 3
An introduction to psychosocial responses to illness and disability, especially the interpersonal relationships between the therapist, the family and the patient. Common psychiatric disorders are discussed along with their clinical diagnosis, treatment regimes, projected outcomes and methods for handling these responses in clinical situations.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

PHT 741 - Physiological Basis for Exercise Prescription: Level I
Credits: 3
Using the system of Medical Exercise Therapy founded by Odvar Holten, this course covers the physiological basis for exercise prescription specifically related to the healing process. Testing strategies, formulas for exercise dosing and equipment conducive to this approach will be presented along with computer software developed to assist dosage and patient tracking.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: CHHS

PHT 743 - Health Promotion and Wellness
Credits: 3
An exploration of the role of the physical therapist in teaching, learning and leadership in the classroom, clinical setting and community. Examination and application of education theory and skills. Analysis and application of prevention, health promotion, wellness and fitness for individuals, groups and communities.
Identification of personal strengths and preferred leadership styles, and applications of personal and interpersonal principles of leadership. Synthesis of the role of Physical Therapist's in teaching, learning and leadership through design and integration of a community assessment and prevention of disability service project.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CHHS

**PTH 744 - Principles of Contemporary Leadership**
Credits: 3
Theory and application of complexity sciences to organizational management; exploration of key leadership roles and changing paradigms; presentation of methods to maximize personal and professional life.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

**PTH 748 - Educational Techniques for Health Care Professionals**
Credits: 2
Examines and applies educational theory to skills utilized by the physical therapist in the classroom, community, and clinical facility. Topics include the educational role of the physical therapist, the taxonomies of learning, learning styles, multiple intelligence, and educational technology.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning, Interactive Online
College Code: CHHS

**PTH 750 - Professional Communication & Consulting**
Credits: 2
An introduction to the integration of the physical therapist as consultant. Discussion will include applying physical therapy consultation services to individuals, business, schools, government agencies and/or other organizations.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning, Interactive Online
College Code: CHHS

**PTH 753 - Level I Clinical Reasoning Tutorial**
Credits: 1
Learn how to effectively and safely examine the lumbopelvic and cervical spine utilizing case based instruction. Enhance your ability to recognize clinical presentation that may indicate serious pathology, and gain the confidence to ensure your patient is within the scope of physical therapy practice. Through critical thinking combined with evidenced base practice techniques, apply the knowledge of pain science and behaviors, with biomechanics, anatomy and physiology to develop the proper evaluation and management techniques to restore optimal function in your patients.

Grade Mode: Satisfactory (S,U,I,W)
Schedule Type: Interactive Online
College Code: CHHS

**PTH 755 - Female Sexual Health and Function**
Credits: 1
This course adopts an evidence-based and sex-positive approach to the understanding of female sexual health and function and exploring the role of the physical therapist in meaningful care related to this topic.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Interactive Online
College Code: CHHS

**PTH 763 - Level II Lower Clinical Reasoning Tutorial**
Credits: 1
Learn how to effectively and safely examine the lumbar spine, functional hip, knee and talocrural and subtalar joint utilizing case based instruction. Enhance your ability to recognize clinical presentation that may indicate serious pathology, and gain the confidence to ensure your patient is within the scope of physical therapy practice. Through critical thinking combined with evidenced base practice techniques, apply the knowledge of functional biomechanics, anatomy and physiology to develop the proper evaluation and management techniques to restore optimal function in your patients. Specific lumbar traction as well as lower extremity manipulations will be introduced, in case based questions, requiring proper acknowledgement of indications and contraindications to manual techniques.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Interactive Online
College Code: CHHS

**PTH 764 - Physiological Basis for Exercise Prescription: Level II**
Credits: 3
Advanced clinical reasoning and application for precision therapeutic exercise design, dosing, and delivery. Topics: hand-held dynamometry, exercise design, optimal improvement, 4 outcome domains, lower quadrant, spine

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PTH 741
Schedule Type: Lecture/Lab, Interactive Online
College Code: CHHS

**PTH 765 - Ethical & Legal Issues in Healthcare**
Credits: 1
Contemporary ethical issues are explored, including the relationships among peers, superiors, subordinates, institutions, clients, and patients. Illustrations include actual cases related to Christian biblical principles.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CHHS

**PTH 770 - Practical Comprehensive Examination**
Credits: 0
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

**PTH 773 - Level II Upper Clinical Reasoning Tutorial**
Credits: 1
Learn how to effectively and safely examine the cervical spine, functional shoulder, elbow and hand utilizing case based instruction. Enhance your ability to recognize clinical presentation that may indicate serious pathology, and gain the confidence to ensure your patient is within the scope of physical therapy practice. Through critical thinking combined with evidenced base practice techniques, apply the knowledge of functional biomechanics, anatomy and physiology to develop the proper evaluation and management techniques to restore optimal function in your patients. Specific cervical joint mobilization as well as upper extremity manipulations will be introduced, in case based questions, requiring proper acknowledgement of indications and contraindications to manual techniques.

Grade Mode: Satisfactory (S,U,I,W)
Schedule Type: Interactive Online
College Code: CHHS

**PTH 774 - Physiological Basis for Exercise Prescription: Level III**
Credits: 1
Mastery of the application of precision therapeutic exercise design, dosing, and delivery is demonstrated through a comprehensive theoretical exam and a lab-based oral practical with clinical discussion derived from case studies submitted by the student. Upon satisfactory completion, Certified Manual Exercise Therapist (CMET) credential is awarded.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Prerequisite PTH 741, PTH 764 Physiological Basis for Exercise Prescription: Level II
Schedule Type: Independent
College Code: CHHS

**PTH 775 - Advanced Gastrointestinal Health and Dysfunction**
Credits: 2
A comprehensive approach to gastrointestinal disorders including bowel and digestion dysfunction. This approach allows for the consideration of management of multiple factors including nutritional, psychosocial, medical-surgical decisions,
and physical therapy examination/intervention advanced intervention. A multifactorial approach can often lead to improved management of this complex patient as a varied intervention approach may be required to be successful. A comprehensive understanding of the physiology and symptom manifestation can improve the ability to develop a comprehensive intervention strategy tailored to each patient’s needs throughout the episode of care. Includes 1 day on-campus lab.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: CHHS

**PHT 780 - Advanced Clinical Practicum**

**Credits:** 1-2
Advanced practice of skills developed and applied during the Integrated Clinical Practicum in an off-campus physical therapy practice setting affiliated with Andrews University. Students work under the direct supervision of a clinical instructor who is a licensed physical therapist. This experience can be full or part time as determined after consultation between student and Advisor/Program Director. Eighty (80) clinical hours per credit hour.

Course/Lab Fee: No
Grade Mode: Satisfactory w/DG (S,J,J,J,W,DG)
Prerequisite(s): PTH685 Integrated Clinical Practicum
Repeatable: Repeatable up to 4 credits
Schedule Type: Practicum
College Code: CHHS

**PHT 788 - Research Project Continuation**

**Credits:** 0
Students register for this continuation course while completing their capstone project and not enrolled in other program courses. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration which includes library privileges and access to an advisor. Requires advisor approval.

Course/Lab Fee: Yes
Grade Mode: Full-time status
Grade Mode: Satisfactory w/o/F (S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

**PHT 790 - Topics in ________**

**Credits:** 1–12
Selected topics in physical therapy.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Specific prerequisites may be required for some subject areas.
Repeatable: Repeatable
Schedule Type: Lecture, Independent, Interactive Online
College Code: CHHS

**PHT 799 - Research Project (topic)**

**Credits:** 1–4
Provides students with guidelines and supervision for data collection, analysis, capstone project preparation and oral presentation.

Grade Mode: Satisfactory w/DG (S,U,U,U,W,DG)
Repeatable: Repeatable up to 4 credits
Schedule Type: Independent
College Code: CHHS

**PHT 818 - Clinical Screening & Differential Diagnosis**

**Credits:** 3
Knowledge and clinical skills designed for screening patients for medical conditions. Differential diagnosis is addressed through comparison of systematic signs and symptoms. Appropriate diagnostic tests which may indicate involvement of a problem outside the scope of PT practice are addressed. Enhances professional communication with other healthcare practitioners included in the referral process.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: CHHS

**PHT 830 - Medical Diagnostics**

**Credits:** 2
Addresses imaging, body chemistry values and data derived from musculoskeletal, neurologic, vascular, cardiac and pulmonary testing with the purpose of understanding the disease process. Application of knowledge will determine differential diagnoses.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning, Interactive Online
College Code: CHHS

**PHT 835 - Holistic Care in Physical Therapy**

**Credits:** 2
This course will give the physical therapist a method of analysis and a wealth of practical information to evaluate more than just mechanical factors that affect pain, symptoms and disease progression. Application of this material will allow the therapist to be more effective with the same number of physical therapy visits. This course will provide the knowledge and skill needed to bring confidence in treating more complex patients and patients that do not respond to mechanical treatment only. Course content includes functional medicine, chronic pain physiology, traumatic brain injury and post-Concussion Syndrome, and other challenging dysfunctions physical therapists treat in the complex patient.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning, Online, Lecture/Lab
College Code: CHHS

**PHT 836 - Medical Screening & Clinical Differential Diagnosis**

**Credits:** 2
Knowledge and clinical skills designed for screening patients for medical conditions. Differential diagnosis is addressed through comparison of systematic signs and symptoms.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning, Interactive Online
College Code: CHHS

**PHT 840 - Advanced Topics in Clinical Research**

**Credits:** 3
This course is designed to prepare students to match research questions with study design, perform the appropriate statistical analysis, and report results. Students use SPSS to run descriptive and inferential statistics including measures of central tendency and variability of a frequency distribution as well as tests of difference or relationship: t-tests, ANOVAs, correlations, regression analysis, Chi-square and non-parametric equivalents.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: CHHS

**PHT 841 - Gateway to Musculoskeletal Therapy: Lumbopelvic & Cervical**

**Credits:** 3
Application of clinical reasoning and differential diagnosis through formulating illness scripts based upon a comprehensive musculoskeletal examination of the lumbar and cervical spines. Evaluation to determine the appropriateness of physical therapy, need for a referral for signs and symptoms of serious pathology and generation of a provisional differential diagnosis of lumbar and cervical spinal dysfunction. Appraisal and application of pain science, including acute and chronic nociceptive mechanisms through clinical scenarios. Introduction to intervention techniques and management of common spinal pathologies, including soft tissue techniques and joint articulation techniques. Introduction to neuromuscular reeducation and therapeutic exercises to reinforce manual therapy treatment. Exploration of Dr. James Cyriax principles, including selective tissue tensioning examination. Course format: blended learning with on-campus lab intensives and online requirements.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: CHHS

**PHT 842 - Upper Quadrant Evaluation and Management**

**Credits:** 3
Application of safe and effective comprehensive biomechanical musculoskeletal examination and evaluation of the upper quadrant (cervical spine, upper thoracic, shoulder, elbow, wrist, and hand). Heavy emphasis on biomechanics, introduced by Michael MacConnell and functional anatomy. Development of diagnosis and progression through clinical reasoning, recognition of signs and symptoms of upper extremity pathology, formulation of differential diagnosis, demonstration of ruling out serious pathology which may mimic upper extremity musculoskeletal dysfunction. Demonstration of appropriate interventions, of the upper quadrant,
utilized by the physical therapist including joint articulation stability and mobility techniques, manipulation, neuromuscular reeducation, and therapeutic exercises prescription. Course format: blended learning with on-campus lab intensives and online requirements.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: CHHS

**PTH 843 - Lower Quadrant Evaluation and Management**

Credits: 3
Application of safe and effective comprehensive biomechanical musculoskeletal examination and evaluation of the lower quadrant (lower thoracic and lumbar spines, hip, knee, ankle and subtalar joint). Development of diagnosis and prognosis through clinical reasoning, recognition of signs and symptoms of lower extremity pathology, formulation of differential diagnosis, demonstration of ruling out serious pathology which may mimic upper extremity musculoskeletal dysfunction. Introduction to lumbar spine locking techniques to navigate complex lumbar pathologies. Demonstration of appropriate interventions, of the lower quadrant, utilized by the physical therapist including joint articulation stability and mobility techniques, specific lumbopelvic stabilization and graded mobilization techniques, manipulation, neuromuscular reeducation and therapeutic exercises prescription. Course format: blended learning with on-campus lab intensives and online requirements.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: CHHS

**PTH 844 - Integrated Evaluation and Management: Thorax**

Credits: 2
Investigation of the visceral and biomechanical functions served by the thorax. Appreciation of the interplay between thoracic biomechanical and visceral problems. Analysis of essential normal function of the thoracic region for musculoskeletal health of the entire axial and appendicular skeleton. Comprehensive examination of the ribs and thoracic spine. Demonstration of interventions including mobilization and manipulative techniques, neuromuscular and therapeutic exercise prescription. Course format: blended learning with on-campus lab intensives and online requirements.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: CHHS

**PTH 845 - COMT Practical Comprehensive Examination**

Credits: 0
This oral practical comprehensive examination requires the participant to demonstrate proficiency in clinical reasoning and differential diagnosis, including proper screening for serious pathology. Testing content includes examination, evaluation, and management techniques: cervical, thoracic, lumbar and sacroiliac scanning examinations, Cyriax’s STTT principles, localized spinal stability testing and appropriately graded mobilizations followed by neuromuscular reeducation and therapeutic exercise techniques for all spinal involvement. Additionally, surface anatomy and deep friction massage techniques to localized structures may be assessed, as well as peripheral joint stability, specific graded mobilizations and manipulations followed with the proper instruction of neuromuscular and therapeutic exercise prescription. Course format: On-campus practical examination.

Course/Lab Fee: No
Grade Mode: Satisfactory (S,U,I,W)
Prerequisite(s): Successful completion of PTH841, PTH842, PTH843, PTH844, and one (1) credit of PTH850 Supervised Clinical Practice
Schedule Type: Repeatable
College Code: CHHS

**PTH 846 - Integration of Spirituality in Health Care**

Credits: 2.3
This course provides a discussion of personal spiritual values including how faith and spirituality facilitate the healing process and how these values can be incorporated into patient care. Attention will be given to discerning and addressing the spiritual needs of the patients/clients, family members, and ancillary medical staff in a professional environment. Information is presented from a Christian perspective with the intent to understand worldviews.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning, Interactive Online
College Code: CHHS

**PTH 850 - Supervised Clinical Practice**

Credits: 1-4
Using a 3-to-1 model, students will apply hands-on advanced manual therapy techniques on patients/clients under the supervision of an approved, certified manual therapy clinical instructor, or FAAOMPT. These hours can be split into increments as agreed upon by the student and CI, however, no less than 15 hours (1 semester credit) can be registered for at any given time.

Course/Lab Fee: No
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Prerequisite(s): Successful completion of PTH841, PTH842, PTH843, PTH844
Repeatable: Repeatable up to 4 credits
Schedule Type: Practicum
College Code: CHHS

**PTH 860 - Applications in Clinical Research**

Credits: 2
This course provides an in-depth review of study designs and serves to develop researchers' skills in evaluating both quantitative and qualitative research. Information is presented on grant writing and IRB application as well as disseminating completed research projects through manuscript, poster, and oral presentation.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning, Interactive Online
College Code: CHHS

**PTH 870 - Written Comprehensive Examination II**

Credits: 0
Assesses the student physical therapist's entry level preparedness to apply the concepts of the clinical sciences to safe and effective patient-centered care in the practice of physical therapy.

Course/Lab Fee: No
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

**PTH 880 - PT Seminar**

Credits: 1
Preparation of a personal portfolio, assessment of the clinical experiences and preparation for professional licensure.

Grade Mode: Satisfactory (S,U,I,W)
Schedule Type: Seminar
College Code: CHHS

**PTH 890 - Independent Study**

Credits: 1–4
Individualized study and/or research in a specialized area under the guidance of an instructor. Permission from the department chair required prior to registration.

Grade Mode: Normal w/S (A-F,I,S,U,W)
Repeatable: Repeatable up to 8 credits
Schedule Type: Independent
College Code: CHHS

**PTH 891 - Integrated Evaluation and Management: Lower Quadrant**

Credits: 3
Examination of the regional interdependence of the lower quadrant. Development of global comprehensive advanced biomechanical musculoskeletal examination and evaluation skills, of the lower quadrant, utilized by the physical therapist in the clinical setting. This course builds on skills learned in previous courses to deepen the clinician's understanding of the kinetic chain interdependence. Integration of examination and evaluation to formulate the causal or contributory role of remote dysfunctions. Topics include: gait analysis, psoas pyramid, detailed foot musculoskeletal assessment and management, sacroiliac joint assessment and management, integration of the individual lower quadrant and lumbar/sacroiliac joint examinations into a larger regional diagnosis picture for examination and management. Course format: blended learning with on-campus lab intensives and online requirements.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: CHHS

**PTH 892 - Integrated Evaluation and Management: Upper Quadrant**

Credits: 3
Examination of the regional interdependence of the upper quadrant. Development of global comprehensive advanced biomechanical musculoskeletal examination and evaluation skills, of the upper quadrant, utilized by the physical therapist in the clinical setting. This course builds on skills learned in previous courses to deepen the clinician’s understanding of the kinetic chain interdependence. Integration of examination and evaluation to formulate the causal or contributory role of remote dysfunctions. Topics include: Differential diagnosis of trigeminal sources of pain, TMJ, the functional hand, integration of the individual upper quadrant and cervical joint examinations into a larger regional diagnosis picture for examination and management. Course format: blended learning with on-campus lab intensives and online requirements.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: CHHS

**PTH 893 - Spinal Segmental Manipulation**

Credits: 3
Development of global comprehensive biomechanical musculoskeletal examination and evaluation skills, of the axial spine, utilized by the physical therapist in the clinical setting. Appraisal of spinal thrust indications and contraindications, development of a differential diagnosis of spinal pathology appropriate for manipulations, creation of adaptations techniques. Course format: blended learning with on-campus lab intensives and online requirements.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: CHHS

**PTH 894 - Integrated Advanced Clinical Reasoning**

Credits: 2
Development of a global comprehensive biomechanical musculoskeletal examination and evaluation of the entire body, incorporating regional interdependence, by the physical therapist in the clinical setting. Mastery of advanced clinical reasoning and differential diagnosis skills using a case-based approach. Formulation of evaluation, diagnosis, prognosis and intervention while valuing regional interdependence in complex musculoskeletal dysfunctions. Course format: blended learning with on-campus lab intensives and online requirements.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: CHHS

**PTH 895 - SMT Exam: Spinal Manipulative Therapist Exam**

Credits: 0
This oral practical comprehensive examination requires the participant to demonstrate proficiency in clinical reasoning and differential diagnosis, including proper screening for serious pathology. Examination focuses on clinical reasoning and the quadrant inter-relationships. Testing content includes joint mobilization/manipulation (thrust) and soft tissue techniques to all parts of appendicular/extremity and axial/spinal skeleton, in addition to shoulder and pelvic girdles, as well as temporomandibular joint. The participant will defend each technique in terms of safety, specificity and grade and will articulate to the panel the neuromuscular reeducation and therapeutic exercises utilized to enhance the patient’s prognosis. Course format: On-campus practical examination.

Course/Lab Fee: No
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

**PTH 898 - Dissertation Project**

Credits: 1–10
Serves as an essential outcome component to augment the professional development and new learning that occurs in didactic course work of the post-professional doctoral degree and demonstrates the ability of the DPT/DScPT to make significant contributions to the profession and/or serve as a change agent in the field of physical therapy.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CHHS

Ralph Trecartin, Dean

College of Professions Structure
The College of Professions, formed in 2019, is comprised of the following school and departments:

- School of Business Administration
  - Department of Accounting, Economic & Finance
  - Department of Management & Marketing
  - Business Administration (MBA)
  - Organizational Management (MSA)
- Department of Aviation
- Department of Computing

School of Business Administration
Ralph Trecartin, Dean
Jerry Chi, Associate Dean
Kimberly Pichot, Assistant Dean

Mission
We are an engaged, values-based community of learners preparing students to transform their workplace.

History
The school traces its origin to 1908 with the establishment of the Commercial Department of Emmanuel Missionary College. In 1952 all business instruction was organized into the Department of Business Administration. MBA candidates were admitted to the graduate program in 1964.

In July 1980, the School of Business Administration was organized, becoming the third professional school of the university. The school is housed in Chan Shun Hall.

Ethics Oath
The School of Business Administration is committed to promoting a higher ethical standard for its graduating students. Ethics is learned in various classes throughout the course of study, with an ethics oath taken at the end of their program. This oath is available to graduating students wishing to participate in a higher ethical standard of professional conduct.

Program Outcomes
Bachelor of Business Administration/Bachelor of Science (Business Administration)
- Students will be able to identify the major theory and concepts of business across business functional areas.
- Students will be able to incorporate relevant quantitative and qualitative data in the analysis.
- Students will be able to identify relevant business theories in analyzing business issues and apply appropriate theories in addressing business problems.
- Students will be able to deliver oral presentations clearly, confidently, and in an organized format, and present their written thoughts in a coherent narrative to articulate complex ideas.
- Students will be able to identify Christian perspectives when approaching business issues and understand the Judea-Christian foundation of personal and professional integrity, accountability, and experience positive spiritual growth.

Master of Business Administration
- Students will be able to demonstrate competence in each of the functional areas of business.
- Students will be able to integrate the core business concepts and the use of effective management skills.
- Students will be able to apply professional communication skills, both oral and written.
- Students will be able to demonstrate their technological, quantitative and computer skills in analyzing and resolving business problems.
- Students will be able to articulate a manager's ethical and diversity responsibilities with a Christian viewpoint to its stakeholders.

Master of Science Administration (Organizational Management)
- Students will be able to demonstrate competence in the application of business principles and practices to the administration of church and church-related organizations.
- Students will be able to apply professional communication skills, both oral and written.
- Students will be able to demonstrate their technological, quantitative and computer skills in analyzing and resolving administrative problems.
- Students will be able to articulate an administrator's ethical and diversity responsibilities with a Christian viewpoint to its stakeholders.

Accreditation and Memberships
Andrews University has received accreditation for its business programs through the International Accreditation Council for Business Education (IACBE), located at 11374 Strang Line Road in Lenexa, Kansas, USA. The business programs in the following degrees are accredited by the IACBE:

- Master of Business Administration
- Bachelor of Business Administration with Majors in:
  - Accounting
  - Finance
  - Information Systems
  - International Business
  - Management
  - Marketing
- Bachelor of Science in Business Administration

College of Professions Programs

School of Business Administration

Associate of Science
- Business AS

Bachelor of Science
- Business Administration BS

Bachelor of Business Administration
- Accounting BBA
- Finance BBA
- Information Systems BBA
- International Business BBA
- International Business/Language Dual Degree BBA/BA (dual degree)
- Management BBA
- Marketing BBA

Minors
- Accounting Minor
- Business Administration Minor
- Economics Minor
- Finance Minor
- Information Systems Minor
- Management Minor
- Marketing Minor

Master of Business Administration
- Business Administration MBA

Master of Science Administration
- Organizational Management MSA
Aviation, Flight Concentration AT

The AT in Aviation Flight prepares the individual for a career as a professional pilot. It provides the training to be eligible for the 1250-hour restricted ATP license. The degree requires the completion of the Commercial Pilot Certificate with single and multi-engine ratings.

Total Credits - 64

Major - 43

Flight

- AFLT 110 - Basic Aircraft Systems Credits: 3
- AFLT 115 - Private Pilot Ground School Credits: 4
- AFLT 121 - Flight Training 1 Credits: 3
- AFLT 122 - Flight Training 2 Credits: 3
- AFLT 215 - Instrument Pilot Ground School Credits: 4
- AFLT 220 - Meteorology Credits: 3
- AFLT 226 - Flight Training 3 Credits: 3
- AFLT 227 - Flight Training 4 Credits: 3
- AFLT 305 - Commercial Pilot Ground School Credits: 4
- AFLT 321 - Flight Training 5 Credits: 3
- AFLT 322 - Flight Training 6 Credits: 3
- AFLT 323 - Flight Training 7 Credits: 3
- AFLT 324 - Flight Training 8 Credits: 3
- AFLT 426 - Multiengine Flight Training Credits: 1

Maintaining Academic Standing

- Students must maintain minimum GPA of 2.5 in all aviation coursework and 2.25 cumulative overall.

Graduation Requirements

Admission Requirements

- 1st Class FAA medical with Student Pilot Certificate is required prior to entry into the Flight program, or petition the department for a waiver.
- Flight students are required to produce proof of citizenship (passport or birth certificate) as well as a US/state government issued photo identification.

Contact the Department of Aviation no later than July 15 to start the application process for TSA.

- For ALL NON-U.S. CITIZENS planning to receive flight training as part of their degree program, an additional government application to the Transportation Security Administration (TSA), which includes an FBI background check, is required for each flight class. Students must receive department authorization before starting the TSA application process. TSA AUTHORIZATION IS REQUIRED BEFORE ANY FLIGHT CLASSES CAN BE STARTED.
Major - 52
- AVMT 108 - Applied Science for Aerospace Technicians Credits: 4
- AVMT 114 - Aircraft Basic Electricity Credits: 2
- AVMT 116 - Federal Regulations, Publications, Forms and Records Credits: 2
- AVMT 120 - Materials and Processes for Aircraft Structures Credits: 4
- AVMT 204 - Aircraft Electrical Systems Credits: 2
- AVMT 206 - Powerplant Electrical Systems Credits: 4
- AVMT 210 - Aircraft Systems Credits: 4
- AVMT 220 - Aircraft Fuels and Fuel Systems Credits: 2
- AVMT 226 - Engine Fuel Metering Systems Credits: 2
- AVMT 237 - Aircraft Hydraulic, Pneumatic, and Landing Gear Systems Credits: 4
- AVMT 304 - Aircraft Metal Structures Credits: 4
- AVMT 306 - Aircraft Non-metal Structures Credits: 2
- AVMT 308 - Aircraft Assembly, Rigging and Inspections Credits: 2
- AVMT 310 - Gas Turbine Engines Credits: 4
- AVMT 314 - Aircraft Propellers and Engine Inspections Credits: 3
- AVMT 316 - Reciprocating Engine Systems and Overhaul Credits: 7

Total Credits - 73

Maintaining Academic Standing
- Students must maintain minimum GPA of 2.5 in all aviation coursework and 2.25 cumulative overall.

Graduation Requirements
An Aviation Maintenance Certificate with both Airframe and Powerplant ratings is required for graduation.

Admission Requirements
- Admission into the maintenance program starts in the fall semester only.
- Status as an aviation major is provisional until the student demonstrates satisfactory academic and performance skills. Maintenance majors must successfully pass all general classes before continuing on to the Airframe or Powerplant.
- Students are required to have a Windows-compatible PC laptop (see Department of Aviation Charges).
- Credit by exam will only be approved for new students transferring in with previous FAA certificates subject to departmental approval.
- In addition to tuition, lab fees apply to all flight training courses (see Department of Aviation Charges).

Resources

Student Handbook
A handbook for flight and maintenance students outlining policies, operational guidelines, and general information is available from the department office or is online at the department website. Students are responsible for all policies outlined in the Department of Aviation Handbook.

Student Learning Outcomes
The Department of Aviation is committed to the education and training of its students and strives to prepare them for productive careers in the aviation industry. The following are the Associate of Technology in Aviation Flight degree educational goals:
- Demonstrates an understanding of aircraft performance and design, systems, and operations.
- Exhibits an understanding of aviation safety and human factors.
- Demonstrates knowledge of safe operations within the national airspace system.
- Demonstrates an understanding of meteorology and environmental issues.
- Obtains the appropriate Federal Aviation Administration certifications.

Aviation, Maintenance Concentration AT
The AT degree in Aviation Maintenance prepares the student for work in the aviation industry as an aircraft maintenance technician. This degree requires the completion of the Airframe and Powerplant certificates. This degree can be completed in two years and one summer semester.

Bachelors

Aviation, Aviation Management - Flight Concentration BT
The BT in Aviation, Aviation Management - Flight Concentration prepares the individual for a career as a professional pilot. It provides the training to be eligible for the 1250-hour restricted ATP license. It is the recommended track for the student that wants to become an airline pilot or corporate pilot and is also interested in advancing into a management position. The degree requires the completion of the Commercial Pilot Certificate with single and multi-engine ratings.

Delivery: This degree is offered as blended program, with the major courses offered on campus (or transferred in), and the general education and electives offered online. The online courses are available in an interactive online formats (see College of Education and International Services definitions). On campus time is determined in conversation with your advisor.

- 1st Class FAA medical with Student Pilot Certificate is required prior to entry into the Flight program, or petition the department for a waiver.
- Flight students are required to produce proof of citizenship (passport or birth certificate) as well as US/state government issued photo identification.
- TSA clearance must be finalized before starting all flying classes.

Contact the Department of Aviation no later than July 15 to start the application process for TSA.

- For ALL NON-U.S. CITIZENS planning to receive flight training as part of their degree program, an additional government application to the Transportation Security Administration (TSA), which includes an FBI background check, is required for each flight class. Students must receive department authorization before starting the TSA application process. TSA AUTHORIZATION IS REQUIRED BEFORE ANY FLIGHT CLASSES CAN BE STARTED.
- TSA application must be started and the fee must be paid before the end of June so that the application process can be completed before school starts.
- International Students - A TOEFL score of 550 or equivalent must be on file before admission to the flight program. See the university bulletin section English Language Requirements for equivalent scores.
- Status as an aviation major is provisional until the student demonstrates satisfactory academic and performance skills. In order to proceed in the Flight program all students must successfully pass AFLT 122 and the Private
Pilot Ground School as well as complete the private pilot written and flight check ride before being accepted into regular status in the flight program.

- Students are required to have an iPad (see Department of Aviation Charges).
- Credit by exam will only be approved for new students transferring in with previous FAA certificates subject to departmental approval.
- In addition to tuition, flight lab fees apply to all flight training courses (see Department of Aviation Charges).

Resources

Student Handbook
A handbook for flight and maintenance students outlining policies, operational guidelines, and general information is available from the department office or is online at the department website. Students are responsible for all policies outlined in the Department of Aviation Handbook.

Student Learning Outcomes
The Department of Aviation is committed to the education and training of its students and strives to prepare them for productive careers in the aviation industry. The following are the Bachelor of Technology in Aviation Flight degree educational goals:

- Demonstrates an understanding of aircraft performance and design, systems, and operations.
- Exhibits an understanding of aviation safety and human factors.
- Demonstrates knowledge of safe operations within the national airspace system.
- Demonstrates an understanding of meteorology and environmental issues.
- Obtains the appropriate Federal Aviation Administration certifications.

Aviation, Individualized Concentration BT

The BT in Aviation, Individual Studies is aimed at the aviation professional that has been working in the aviation industry and needs to complete a degree for advancement in their field. It allows a specialized degree to be designed based on the applicant’s life experience.

Delivery: This degree is offered as a blended program, with the major courses offered on campus (or transferred in), and the general education and electives offered online. The online courses are available in an interactive online format (see School of Distance Education Definitions). On campus time is determined in conversation with your advisor.

Total Credits - 124

Major - 60

The program is negotiated with an academic advisor for review and approval by the department faculty and the Academic Policies and Curriculum Committee of the school.

Maintaining Academic Standing

- Students must maintain minimum GPA of 2.5 in all aviation coursework and 2.25 cumulative overall.

Graduation Requirements

- A minimum of 20 of the 60 major credits, and 30 credits of the total 124 credits, must be earned through Andrews University

Admission Requirements

On-Campus Program:
- Students must apply prior to their junior year.

Online Program:
- Students must have 5 or more years of employment as an FAA certified airman.
- Students must have 25 or more semester credits to transfer in.
- Students must complete a program orientation on campus within the first year.

Aviation, Maintenance Concentration BT

The BT degree in Aviation, Maintenance Concentration prepares the student for work in the aviation industry as an aircraft maintenance technician with the ability to advance into a shop leadership position in the future. This degree requires the completion of the Mechanics certificate with the Airframe and Powerplant ratings. This degree may be completed either on campus or through the university’s distance education program.

Online Delivery: This degree is offered as a blended program, with the major courses offered on campus (or transferred in), and the general education and electives offered online. The online courses are available in an interactive online format (see School of Distance Education Definitions). On campus time is determined in conversation with your advisor.

Total Credits - 124

Major - 60

AVMT 108 - Applied Science for Aerospace Technicians Credits: 4
AVMT 114 - Aircraft Basic Electricity Credits: 2
AVMT 116 - Federal Regulations, Publications, Forms and Records Credits: 2
AVMT 120 - Materials and Processes for Aircraft Structures Credits: 4
AVMT 204 - Aircraft Electrical Systems Credits: 2
AVMT 206 - Powerplant Electrical Systems Credits: 4
AVMT 210 - Aircraft Systems Credits: 4
AVMT 220 - Aircraft Fuels and Fuel Systems Credits: 2
AVMT 226 - Engine Fuel Metering Systems Credits: 2
AVMT 237 - Aircraft Hydraulic, Pneumatic, and Landing Gear Systems Credits: 4
AVMT 304 - Aircraft Metal Structures Credits: 4
AVMT 306 - Aircraft Non-metal Structures Credits: 2
AVMT 308 - Aircraft Assembly, Rigging and Inspections Credits: 2
AVMT 310 - Gas Turbine Engines Credits: 4
AVMT 314 - Aircraft Propellers and Engine Inspections Credits: 3
AVMT 316 - Reciprocating Engine Systems and Overhaul Credits: 7

Aviation Electives - 8
Credits to be selected in consultation with academic advisor.

Maintaining Academic Standing

- Students must maintain minimum GPA of 2.5 in all aviation coursework and 2.25 cumulative overall.

Graduation Requirements

An Aviation Maintenance Certificate with both Airframe and Powerplant ratings is required for graduation.

Admission Requirements

- Admission into the maintenance program starts in the fall semester only.
- Status as an aviation major is provisional until the student demonstrates satisfactory academic and performance skills. Maintenance majors must successfully pass all general classes before continuing on to the Airframe or Powerplant.
- Students are required to have a Windows-compatible PC laptop (see Department of Aviation Charges).
- Required US/state government issued photo identification.
- International Students - A TOEFL score of 550 or equivalent must be on file before admission to the maintenance program can begin. See the university bulletin section English Language Requirements for equivalent scores.
Student Learning Outcomes

The Department of Aviation is committed to the education and training of its students and strives to prepare them for productive careers in the aviation industry. The following are the Bachelor of Technology in Aviation Maintenance degree educational goals:

- Effectively apply technical knowledge, problem-solving techniques and hands-on skills in aviation maintenance support.
- Be active in ongoing professional development, professional growth and increasing professional responsibility.
- Work effectively in teams.
- Work within the accepted standards of professional integrity and conduct.
- Obtain the appropriate Federal Aviation Administration certifications.

Student Handbook

A handbook for flight and maintenance students outlining policies, operational guidelines, and general information is available from the department office or is online at the department website. Students are responsible for all policies outlined in the Department of Aviation Handbook.

Undergraduate Minors

Aviation Flight Minor

Total Credits - 20

AFLT 110 - Basic Aircraft Systems Credits: 3
AFLT 115 - Private Pilot Ground School Credits: 4
AFLT 121 - Flight Training 1 Credits: 3
AFLT 122 - Flight Training 2 Credits: 3

Remainder 7 AFLT credits to be selected in consultation with adviser.

Graduation Requirements

A Private Pilot Certificate is required.

Aviation Maintenance Minor

Total Credits - 32

General - 12

AVMT 108 - Applied Science for Aerospace Technicians Credits: 4
AVMT 114 - Aircraft Basic Electricity Credits: 2
AVMT 116 - Federal Regulations, Publications, Forms and Records Credits: 2
AVMT 120 - Materials and Processes for Aircraft Structures Credits: 4

Focus Areas - 20

Students must choose either the Airframe Rating or Powerplant Rating courses to complete the minor.

Airframe Rating - 20

AVMT 204 - Aircraft Electrical Systems Credits: 2
AVMT 210 - Aircraft Systems Credits: 4
AVMT 220 - Aircraft Fuels and Fuel Systems Credits: 2
AVMT 237 - Aircraft Hydraulic, Pneumatic, and Landing Gear Systems Credits: 4
AVMT 304 - Aircraft Metal Structures Credits: 4
AVMT 306 - Aircraft Non-metal Structures Credits: 2
AVMT 308 - Aircraft Assembly, Rigging and Inspections Credits: 2

Powerplant Rating - 20

AVMT 206 - Powerplant Electrical Systems Credits: 4
AVMT 226 - Engine Fuel Metering Systems Credits: 2
AVMT 310 - Gas Turbine Engines Credits: 4
AVMT 314 - Aircraft Propellers and Engine Inspections Credits: 3
AVMT 316 - Reciprocating Engine Systems and Overhaul Credits: 7

Graduation Requirements

An Aircraft Maintenance Certificate with either the Airframe or Powerplant Rating is required.

Certificates

Aircraft Maintenance Certificate

This certificate program is aimed to meet the needs of several target groups:

Group 1. Students who are not ready for an expensive college degree. These students are currently looking for a community college or technical school program. They want to gain a mechanic’s certificate and have no intentions of advancement in the industry into leadership positions. These students want only the basic FAA training and licenses. They need an approved program that is eligible for government funding.

Group 2. Adult students who are seeking new careers. They typically already have a degree and desire only the FAA training.

Group 3. Student who are eligible for VA benefits and want a maintenance career. They need a 14 CFR part 147 approved program but do not want to complete a traditional degree.

Group 4. International students who are often sponsored by their local government. Their government is often only willing to pay for the professional certifications and not the associated degree. These students would usually go to a technical school, but, first they must learn to read and speak English. We are uniquely positioned for this student because of our ESL programs. These students can come to one school to study English and then transition into the aviation program. We have an excellent reputation in the international market partly because the governments are already familiar with our Adventist school system.

This will be a two-year program but without the additional requirements of the AT degree. It will meet the requirements of the FAA Aircraft Maintenance Certificate with the Airframe and Powerplant ratings. It will be taught on campus simultaneously with the degree-seeking maintenance classes.

Total Credits - 52

AVMT 108 - Applied Science for Aerospace Technicians Credits: 4
AVMT 114 - Aircraft Basic Electricity Credits: 2
AVMT 116 - Federal Regulations, Publications, Forms and Records Credits: 2
AVMT 120 - Materials and Processes for Aircraft Structures Credits: 4
AVMT 204 - Aircraft Electrical Systems Credits: 2
AVMT 206 - Powerplant Electrical Systems Credits: 4
AVMT 210 - Aircraft Systems Credits: 4
AVMT 220 - Aircraft Fuels and Fuel Systems Credits: 2
AVMT 226 - Engine Fuel Metering Systems Credits: 2
AVMT 237 - Aircraft Hydraulic, Pneumatic, and Landing Gear Systems Credits: 4
AVMT 304 - Aircraft Metal Structures Credits: 4
AVMT 306 - Aircraft Non-metal Structures Credits: 2
AVMT 308 - Aircraft Assembly, Rigging and Inspections Credits: 2
AVMT 310 - Gas Turbine Engines Credits: 4
AVMT 314 - Aircraft Propellers and Engine Inspections Credits: 3
AVMT 316 - Reciprocating Engine Systems and Overhaul Credits: 7

Student Learning Outcomes

- The student will be able to pass the 15 external FAA required tests for the Aircraft Maintenance Certificate.
Aviation Flight Certificate

This certificate program is aimed to meet the needs of several target groups:

Group 1. Students who are not ready for an expensive college degree. These students are generally looking for a local flight school. They want to gain pilot’s licenses and have no intentions of advancement in the industry into leadership positions. These students want only the basic FAA training and licenses. They need an approved program that is eligible for government funding.

Group 2. Adult students who are seeking new careers. They typically already have a degree and desire only the FAA training.

Group 3. Students who are eligible for VA benefits and want a flight career. They need a 14 CFR part 141 approved program.

Group 4. International students who are often sponsored by their local government. Their government is often only willing to pay for the professional certifications and not the associated degree. These students would usually go to a professional flight school, but first they must learn to read and speak English. We are uniquely positioned for this student group because of our ESL programs. These students can come to one school to study English and then transition into the aviation program. We have an excellent reputation in the international market partly because the governments are already familiar with our Adventist school system.

This will be a two-year program but without the additional requirements of the AT degree. It will meet the requirements of the FAA Commercial Pilot Certificate with Single and Multi-engine ratings. It will be taught on campus simultaneously with the degree-seeking Flight classes.

Total Credits - 37

AFLT 115 - Private Pilot Ground School Credits: 4
AFLT 121 - Flight Training 1 Credits: 3
AFLT 122 - Flight Training 2 Credits: 3
AFLT 215 - Instrument Pilot Ground School Credits: 4
AFLT 226 - Flight Training 3 Credits: 3
AFLT 227 - Flight Training 4 Credits: 3
AFLT 305 - Commercial Pilot Ground School Credits: 4
AFLT 321 - Flight Training 5 Credits: 3
AFLT 322 - Flight Training 6 Credits: 3
AFLT 323 - Flight Training 7 Credits: 3
AFLT 324 - Flight Training 8 Credits: 3
AFLT 426 - Multiengine Flight Training Credits: 1

Student Learning Outcomes

- The student will be able to pass the required FAA tests for the commercial pilot’s certificate with the single and multi-engine ratings.

FAA Certification

FAA-Approved Instruction. The Department of Aviation operates a Flight School under 14CFR Part 61 and Part 141, as well as an Airframe and Powerplant Maintenance Technician School approved by the FAA under Title 14 CFR, Part 147.

FAA Flight Certification Programs. Qualifying students may take flight instruction for the following levels of certification:

- Private Pilot
- Instrument Rating
- Commercial Pilot
- Flight Instructor
- Multi-Engine Rating
- Multi-Engine Flight Instructor
- Instrument Flight Instructor
- Airline Transport Pilot
- *14CFR Part 141 programs

FAA Aviation Maintenance Certification Programs. Students may earn the following FAA approved certificates from the department's Part 147 Aviation Maintenance Technician School:

- Airframe
- Powerplant

Aviation Flight

AFLT 104 - Introduction to Aviation
Credits: 1-4
Acquaints students with the history and opportunities in aviation, such as mission flying, flight instruction, aircraft maintenance, avionics, sales, safety, and aerodynamics of flight.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 4 credits
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CPS

AFLT 110 - Basic Aircraft Systems
Credits: 3
The study of small aircraft systems, including: reciprocating engines, propellers and prop governors; fuel, electrical, hydraulic, pressurization, pneumatic and de-icing systems, flight controls, aircraft structures, weight and balance, and aircraft instrument systems. Also included will be pilot maintenance and a brief introduction of the FAA requirements for maintenance, inspections and recordkeeping.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

AFLT 115 - Private Pilot Ground School
Credits: 4
Ground training to prepare students for the FAA private pilot airplane knowledge test. Topics include aerodynamics, weight and balance, Federal Aviation Regulations, navigation, meteorology, aircraft systems and performance.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

AFLT 121 - Flight Training 1
Credits: 3
This course is the first part of the private pilot flight training and includes the flight training up through solo flight. Student MUST have a Pilot Medical Certificate/Student Pilot Certificate, obtained through an Aviation Medical Examiner, prior to registering for the course.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Corequisite(s): The student must be currently enrolled in AFLT 115 or have passed the private pilot knowledge test.
Schedule Type: Flight Training
Term Offering: Fall, Spring, Summer
College Code: CPS

AFLT 122 - Flight Training 2
Credits: 3
This course is the last half of the flight training in preparation for taking the FAA Private Pilot Practical Exam. The FAA Medical and Student Pilot Certificate required in AFLT121 must be valid.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): AFLT 121 and have passed the FAA Private pilot knowledge test.
Schedule Type: Flight Training
Term Offering: Fall, Spring, Summer
College Code: CPS

AFLT 215 - Instrument Pilot Ground School
Credits: 4
Ground training to prepare the student for the FAA instrument rating airplane knowledge test. Topics include Federal Aviation Regulations, meteorology, instrument flight charts, flight planning, instrument approaches, use of navigation
A systems approach to safety program development and management, emphasizing cause-and-effect of airplane accidents and their prevention. Includes information focused on current weather situations. It provides real experiences demonstrating meteorology while simultaneously providing classroom and laboratory applications.

AFLT 220 - Meteorology
Credits: 3
Meteorology provides students with a comprehensive study of the principles of meteorology while simultaneously providing classroom and laboratory applications focused on current weather situations. It provides real experiences demonstrating the value of computers and electronic access to time sensitive data and information.

AFLT 226 - Flight Training 3
Credits: 3
This course is the introduction to attitude instrument flight in preparation for taking the FAA Instrument Rating. Weekly: One 1-hour lecture and two 2-hour flight blocks. The FAA Medical is required.

AFLT 227 - Flight Training 4
Credits: 3
This course completes the preparation for taking the FAA Instrument Pilot Rating Practical Exam. The FAA Medical is required. A valid instrument Airplane Written exam must be on file prior to starting this course.

AFLT 230 - Aerodynamics
Credits: 3
The study of aerodynamic principles used in aircraft. Designed for a better understanding of basic design and devices used to improve aircraft performance.

AFLT 300 - Aviation Safety Management
Credits: 3
The study of physiological and psychological factors related to flight safety, emphasizing cause-and-effect of airplane accidents and their prevention. Includes a systems approach to safety program development and management.

AFLT 305 - Commercial Pilot Ground School
Credits: 4
Ground training to prepare the student for the FAA commercial-pilot airplane knowledge test. Topics include advanced navigation, FAR Parts 61, 91, and 135 for air taxi, complex aircraft systems, weight and balance, and performance charts.

AFLT 310 - Advanced Systems
Credits: 3
The study of transport category aircraft systems, including: turbine engines, APU's, fuel, electrical, hydraulic, pneumatic, environmental control, emergency oxygen, pressurization, de-icing systems, and advanced avionics systems. Particular emphasis will be placed on preparing for airline systems ground school.

AFLT 321 - Flight Training 5
Credits: 3
This course is the introduction to commercial airplane flight introducing commercial pilot maneuvers, and building night and cross-country experience. The FAA Medical is required.

AFLT 322 - Flight Training 6
Credits: 3
This course continues the commercial pilot training covering, upset training, tail wheel and building additional night and cross-country experience with the emphasis on solo flight. The FAA Medical is required.

AFLT 323 - Flight Training 7
Credits: 3
This course continues the student for the Commercial Pilot Rating. Complex aircraft operations are introduced and additional experience in cross-county and commercial pilot maneuvers are included. The FAA Medical is required.

AFLT 324 - Flight Training 8
Credits: 3
This course completes the preparation for taking the FAA Commercial Airplane Land Pilot Rating Practical Exam and the Certified Flight Instructor Rating. Final refinement of commercial maneuvers, including right seat proficiency is included. The FAA Medical is required.
AFLT 335 - Aerodynamics
Credits: 3
The study of aerodynamic principles used in aircraft. Designed for a better understanding of basic design and devices used to improve aircraft performance.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): AFLT 115
Schedule Type: Lecture
Year Offering: Alternate years
Term Offering: Spring
College Code: CPS

AFLT 340 - Airspace and Air Traffic Control
Credits: 3
Examines how instrument flight operations function within the FAA air traffic control system. Study of air traffic controller roles, procedures, and regulatory requirements for instrument operations in the terminal and enroute air traffic environment.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: AFLT 227, AFLT 321, AFLT 220 (may be taken concurrently)
Schedule Type: Lecture
College Code: CPS

AFLT 345 - Special Flight Instruction
Credits: 1–3
Instruction tailored to the individual needs of students pursuing the professional pilot course sequence. Develop skills to progress efficiently in normal course sequence.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Flight Training
Special Approval: Department permission required.
Term Offering: Fall, Spring, Summer
College Code: CPS

AFLT 355 - Flight Instructor Ground School
Credits: 2
Ground training to prepare the student for the FAA flight instructor airplane knowledge test. Topics include techniques of teaching, analysis of maneuvers, and lesson planning.

Lecture/Lab: Weekly: 2 lectures and a 2-hour lab
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CPS

AFLT 356 - Flight Instructor Flight Training
Credits: 1.2
Flight and ground training to prepare the student for the FAA flight instructor airplane practical test. Topics include the performance, teaching, and analysis of attitude instruments, instrument approaches, and enroute operations. (2 cr. for initial; 1 cr. for add-on.)

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): AFLT 355, FAA written test passed
Schedule Type: Flight Training
Term Offering: Fall, Spring, Summer
College Code: CPS

AFLT 366 - Instrument Flight Instructor Flight Training
Credits: 1, 2
Flight and ground training to prepare the student for the FAA instrument flight instructor airplane practical test. Topics include the performance, teaching, and analysis of attitude instruments, instrument approaches, and enroute operations. (2 cr. for initial; 1 cr. for add-on.)

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): AFLT 356, FAA written test passed
Schedule Type: Flight Training
Term Offering: Fall, Spring, Summer
College Code: CPS

AFLT 410 - Aviation Law
Credits: 3
Legal principles governing the aviation industry, historical precedents, regulatory statutes, standards, contracts, liability and insurance. Current developments and court decisions.

Grade Mode: Normal (A-F,I,W)
Prerequisite(Corequisite): Commercial Pilot or Maintenance Certificates.
Schedule Type: Lecture
College Code: CPS

AFLT 415 - Basic Physiology for Pilots
Credits: 3
Flight Physiology Effects of high altitude flight on the human body, flying and health, first aid and survival. Attention will also be given to information processing and perception in flight.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FAA Commercial Pilot or Maintenance Certificates
Schedule Type: Lecture
College Code: CPS

AFLT 416 - Turbine Transition
Credits: 2
Ground and simulator training to prepare the student to work in a multiple crew aircraft operating under FAR Part 121 and 135. Topics include crew checklist usage and standard operating procedures (SOPs).

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Flight Training
Term Offering: Fall, Spring, Summer
College Code: CPS

AFLT 426 - Multiengine Flight Training
Credits: 1

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FAA Single Engine Land Commercial
Schedule Type: Flight Training
Term Offering: Fall, Spring, Summer
College Code: CPS

AFLT 427 - Multiengine Flight
Credits: 1
30 hours of additional experience in multiengine aircraft with a focus on cross country and instrument experience. The FAA Medical is required.

Course/Lab Fee: Yes
enroute operations.

Flight and ground training to prepare the student for the FAA multi-engine airplane flight instructor practical test. Topics include the performance, teaching, and analysis of maneuvers and procedures for the multi-engine airplane (2 cr. for initial CFI, 1 cr. for CFI add-on).

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Commercial Pilots Certificate with Multitasking Rating, CFI or CFII.
Schedule Type: Flight Training
Term Offering: Fall, Spring, Summer
College Code: CPS

AFLT 467 - Multi-Engine Flight Instructor
Credits: 1, 2
Flight and ground training to prepare the student for the FAA multi-engine airplane flight instructor practical test. Topics include the performance, teaching, and analysis of maneuvers and procedures for the multi-engine airplane (2 cr. for initial CFI; 1 cr. for CFI add-on).

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Commerical Pilots Certificate with Multitasking Rating, CFI or CFII.
Schedule Type: Flight Training
Term Offering: Fall, Spring, Summer
College Code: CPS

AFLT 469 - Instrument Ground Instructor
Credits: 2
Prepares the student for the FAA instrument ground instructor knowledge test. Topics include the techniques of teaching advanced weather theory, weather reports and forecasts, instrument procedures and regulations, approaches, and enroute operations.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): AFLT 355, AFLT 364 or CFI
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CPS

AFLT 474 - Techniques of Mission Flying
Credits: 3
Develops special piloting skills required in remote undeveloped bush operations. Topics include pilotage, dead reckoning, GPS navigation, low-level operations, terrain flying, mountain passes and canyons, cargo drops, short fields, uphll and downhill operations on primitive airstrips, maximum performance techniques, and precision airplane control.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Commercial Pilots Certificate
Schedule Type: Flight Training
Term Offering: Spring
College Code: CPS

AFLT 485 - Airline Transport Pilot Ground School
Credits: 3
Prepares the student for the FAA airline transport pilot knowledge test. Topics include air-carrier or air-taxi regulations, high altitude weather, advanced weight and balance, and the performance and special problems in large airplane operations.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Commercial Pilots Certificate
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: CPS

AFLT 486 - Airline Transport Pilot Flight Training
Credits: 3
Flight and ground training to prepare the student for the FAA airline transport pilot practical test. Topics include instrument procedures, in-flight maneuvers, take-offs, landings, advanced airplane systems, and emergency procedures.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Commercial Pilots Certificate
Schedule Type: Flight Training
Term Offering: Fall, Spring, Summer
College Code: CPS

Aviation

AVIA 125 - Drone School
Credits: 3
Fulfills the requirements for the successfully passing the Part 107 exam, safety, and small unmanned aerial flight training. This allows students to be certified UAS operators and work professionally industrial, real estate, photography, marketing, videography, agricultural, land management, and remote sensing application.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CPS

AVIA 140 - Welding Technology
Credits: 2
Oxyacetylene and electric welding processes including oxyacetylene welding, cutting, and brazing; basic shielded metal arc welding and basic gas metal arc welding. A limited amount of out-of-position welding will be stressed.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Lecture/Lab
Term Offering: Fall
College Code: CPS

AVIA 200 - Aviation Forum
Credits: 0
A bi-weekly seminar giving instruction in Aviation Safety and Operational Control. Required of all aviation majors. Students must register for this class each semester in residence.

Course/Lab Fee: Yes
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CPS

AVIA 250 - Machine Shop
Credits: 3,4
Basic set-up and operation of lathes, milling machines, grinders, drilling machines, and shapers; safety, machine maintenance, off-hand grinding, drill sharpening, layout, and inspection emphasized.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture/Lab
Term Offering: Spring
College Code: CPS

AVIA 275 - Topics in ____________
Credits: 1–4
Repeatable with different topics
Schedule Type: Lecture
College Code: CPS

AVIA 285 - Project Course
Credits: 1–4
Development of a skill in a given area of technology under the supervision of the instructor.

Grade Mode: Normal w/S/DG (A-F,I,S,U,DG,W)
Prerequisite(s): Permission of instructor.
Repeatable: Repeatable up to 12 credits
Schedule Type: Independent
Term Offering: Fall, Spring
College Code: CPS
AVIA 294 - Cooperative Work Experience
Credits: 1–3
Work experience with an aviation organization or airline. A minimum of 120 hours of work required per credit.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Prerequisite(s): Permission of the department.
Repeatable: Repeatable
Schedule Type: Practicum
College Code: CPS

AVIA 296 - Independent Study
Credits: 1–3
Enables students to pursue topics in aviation not offered in other scheduled courses.

Grade Mode: Normal w S (A-F,I,S,U,W)
Prerequisite(s): Permission of the department.
Repeatable: Repeatable up to 4 credits
Schedule Type: Independent
College Code: CPS

AVIA 300 - Internship
Credits: 1–4
On-the-job internship experience for those students seeking industrial experience which cannot be simulated in a classroom setting. A range of 120–150 clock hours of work are required for each credit. Selected in consultation with the student’s advisor.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Practicum
College Code: CPS

AVIA 395 - Practicum
Credits: 1–4
Lab or on-the-job experience to build skills in a specific area of technology.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Prerequisite(s): Permission of department.
Repeatable: Repeatable up to 6 credits
Schedule Type: Practicum
College Code: CPS

AVIA 460 - Program Continuation
Credits: 0
Aviation students may register for this title while clearing deferred (DG) and/or incomplete (I) classes, or working to complete practical tests in the flight and/or maintenance programs. This course qualifies for full-time status, requiring a minimum of 540 hours of work per semester of registration.

Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory w/o 'I' (S,U,W)
Prerequisite(s): Permission of advisor and department chair.
Repeatable: Repeatable
Schedule Type: Practicum
College Code: CPS

AVIA 470 - Project Course
Credits: 1–4
Development of a skill in a given area of technology under the supervision of the instructor.

Grade Mode: Normal w S/DG (A-F,I,S,U,DG,W)
Prerequisite(s): Permission of instructor.
Repeatable: Repeatable up to 12 credits
Schedule Type: Independent
Term Offering: Fall, Spring
College Code: CPS

AVIA 476 - Topics in __________
Credits: 1–4
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CPS

AVIA 495 - Independent Study
Credits: 1–3
Enables students to pursue topics in aviation not offered in other scheduled courses.

Grade Mode: Normal w S (A-F,I,S,U,W)
Prerequisite(s): Permission of the department.
Repeatable: Repeatable up to 4 credits
Schedule Type: Independent
College Code: CPS

Aviation Maintenance

AVMT 108 - Applied Science for Aerospace Technicians
Credits: 4
Applies the sciences of mathematics and physics to the aerodynamics of flight, maintenance, weight and balance and various maintenance problems that the aircraft maintenance technician could encounter. Includes the study and use of drawings and basic ground operations. FAA 14CFR part 147 approved classes.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
Term Offering: Fall
College Code: CPS

AVMT 114 - Aircraft Basic Electricity
Credits: 2
A study of the fundamental basics of electricity and electronics; including electrical diagrams, calculations, sources of electrical power, direct and alternating current, aircraft storage batteries, capacitance and inductance, binary code and the basics of solid state logic. FAA 14CFR part 147 approved classes.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
Term Offering: Fall
College Code: CPS

AVMT 116 - Federal Regulations, Publications, Forms and Records
Credits: 2
Study of the federal regulations and manufacturer publications as they apply to aircraft design, maintenance, inspections, forms and records, and the certification and privileges/limitations of the aviation maintenance technicians. FAA 14CFR part 147 approved classes.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
Term Offering: Fall
College Code: CPS

AVMT 120 - Materials and Processes for Aircraft Structures
Credits: 4
Includes hand and power tool usage, aircraft hardware and materials, precision measurements, corrosion control, nondestructive testing, and fluid lines and fittings. FAA 14CFR part 147 approved classes.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
Term Offering: Fall
College Code: CPS

AVMT 204 - Aircraft Electrical Systems
Credits: 2
Practical study of aircraft electrical systems, including installation practices, repair, troubleshooting, service, and inspections. FAA 14CFR part 147 approved classes.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
Term Offering: Spring
College Code: CPS
AVMT 206 - Powerplant Electrical Systems
Credits: 4
A study of engine ignition and engine electrical systems: starter, generators, alternators, auxiliary electrical power units and their control circuits, engine instruments, and engine fire protection suppression systems. FAA 14CFR part 147 approved classes.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
Term Offering: Spring
College Code: CPS

AVMT 210 - Aircraft Systems
Credits: 4
An in-depth study into the inspection, repair, checking, servicing and troubleshooting of the following aircraft systems: ice-and rain detection, cabin atmosphere (pressurization, heating, cooling, and oxygen), position warning systems, navigation and communication systems, and aircraft instruments and their use in trouble-shooting of aircraft systems. FAA 14CFR part 147 approved classes.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
Term Offering: Spring
College Code: CPS

AVMT 220 - Aircraft Fuels and Fuel Systems
Credits: 2
A study of the various types and handling of fuels used in aircraft. Includes a study of aircraft fuel systems, fuel metering methods and the inspection, checking, servicing, troubleshooting, repair and overhaul of fuel systems and their components, and fire detection and protection. FAA 14CFR part 147 approved classes.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
Term Offering: Spring
College Code: CPS

AVMT 226 - Engine Fuel Metering Systems
Credits: 2
A study of the engine side of the fuel systems (firewall forward). Includes an in-depth study of fuel-metering devices used on aircraft engines (carburators, pressure carburators, direct and continuous fuel-injection systems). Service, maintenance, repair and trouble-shooting of each different system type is covered in detail. FAA 14CFR part 147 approved classes.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
Term Offering: Spring
College Code: CPS

AVMT 228 - Maintenance: General, Airframe, or Power Plant Review
Credits: 1–3
A review of all subjects from a selected curriculum. A minimum of five examinations per curriculum area is required.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): All applicable curriculum subjects must have been completed.
Repeatable: Repeatable up to 3 credits
Schedule Type: Studio
Term Offering: Fall, Spring
College Code: CPS

AVMT 237 - Aircraft Hydraulic, Pneumatic, and Landing Gear Systems
Credits: 4
Operation and maintenance of aircraft hydraulic systems, pneumatic systems, landing-gear systems, and the inspection, checking, servicing, trouble-shooting, and repair of these systems and system components. FAA 14CFR part 147 approved classes.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
Term Offering: Spring
College Code: CPS

AVMT 304 - Aircraft Metal Structures
Credits: 4
A study and application of the processes used in the fabrication and repair of aircraft metal structures. Welding theory and practice with emphasis on weld-quality identification. Riveted, aircraft, aluminum, sheet-metal structures including the fabrication and repair of such structures. FAA 14CFR part 147 approved classes.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
Year Offering: Alternate years
Term Offering: Fall
College Code: CPS

AVMT 306 - Aircraft Non-metal Structures
Credits: 2
A study of wood and fabric as used in the construction of aircraft and a study of the methods, tooling, inspection, processes, and repair of composite aircraft structures. Includes the application, identification, and functions of aircraft protective finishes. FAA 14CFR part 147 approved classes.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
Term Offering: Spring
College Code: CPS

AVMT 308 - Aircraft Assembly, Rigging and Inspections
Credits: 2
Study of the nomenclature and design features of both fixed-wing and rotor-wing aircraft and the assembly, alignment of aircraft structures, and rigging and balancing of control system. A detailed inspection of the entire aircraft or rotorcraft is covered as it applies to the airframe 100-hour and other required inspection. FAA 14CFR part 147 approved classes.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
Term Offering: Spring
College Code: CPS

AVMT 310 - Gas Turbine Engines
Credits: 4
Principles and theory of jet-engine propulsion, design, types of, and associated systems. Maintenance, overhaul, installation-removal, repair, trimming, and troubleshooting of turbine engines. FAA 14CFR part 147 approved classes.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
Year Offering: Alternate years
Term Offering: Fall
College Code: CPS

AVMT 314 - Aircraft Propellers and Engine Inspections
Credits: 3
Theory and limited work on propellers, both wood and metal. Encompasses fixed, adjustable, controllable, feathering, reversible, and the control of the latter by mechanical, hydromatic, or electrical control systems. The inspection practice of performing the 100-hour inspection on aircraft engines and propellers. FAA 14CFR part 147 approved classes.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Studio
Term Offering: Spring
College Code: CPS

AVMT 316 - Reciprocating Engine Systems and Overhaul
Credits: 7
A study of reciprocating engine theory, overhaul methods, and practices and the installation of reciprocating engines. Also includes a study of the following engine systems: exhaust, cooling, induction, and lubrication. FAA 14CFR part 147 approved classes.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,J,W)
Schedule Type: Studio
Term Offering: Spring
College Code: CPS
Center for Innovation & Entrepreneurship

Certificates

Interdisciplinary Innovation and Entrepreneurship Certificate

The Innovation and Entrepreneurship Certificate (I&E Certificate) is a 15-credit sequence to actively lay a foundation, build a core, shape and polish a student’s capacity for Innovation and Entrepreneurship (I&E) through engagement in advanced projects and ancillary coursework in the Andrews Interdisciplinary Institute of Innovation and Entrepreneurship (AIIE). This program complements any major and can be completed in 4 to 9 semesters. Completion involves a capstone course that is a practical implementation of a project or launch of a business. This program is designed to be of special interest to traditional and non-traditional students who have ambitions for establishing a startup company or developing or offering an innovative product, process, ministry, organization, or service.

Total Credits - 15

Pre-I&E - 3
Courses available before formal acceptance into the I&E Certificate program.

INEN 221 - Introduction to Innovation & Entrepreneurship - Foundations of Play Credits: 3
INEN 300 - I&E Seminar Credits: 0

Capstone - 3
A capstone that integrates all Interdisciplinary project work into a successful point of launch.

INEN 455 - Advanced Project - The Launch Credits: 3

Skill and Knowledge Development and Application - 6
Courses that will give students opportunities to develop and apply the knowledge and skills necessary for a successful launch.

INEN 225 - Prototyping and Tinkering Credits: 3
INEN 309 - The Implementation Tool Box Credits: 3

Elective - 3
Three credits of electives to be chosen in consultation with and approved by student’s primary I&E advisor.

Innovation & Entrepreneurship

INEN 221 - Introduction to Innovation & Entrepreneurship - Foundations of Play
Credits: 3
An introductory course developing skills needed for creativity, innovation, problem solving, and entrepreneurship. Students play, tinker, and try new ideas with like-minded people. They will create a project proposal that demonstrates “spark” suitable for application for formal admission into the I&E Certificate program. Upon completion of this course, students will implement design thinking principles, uncover forces that drive economic and social vitality, develop an innovative and viable solution-based model, and recognize the difference between ideas and opportunities.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CPS

INEN 225 - Prototyping and Tinkering
Credits: 3
Students grow ideas through advance play in a creative maker-space. I&E players learn a variety of prototyping approaches and techniques ranging from the quick and dirty, useful for the brainstorming stage, to more precise and sophisticated, best for final design presentation. Upon completion of this course, students will experiment with prototyping processes and reflect on successes and failures, apply discipline-specific methods of prototyping, and demonstrate the use of design thinking in model-making through an iterative process.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CPS

INEN 300 - I&E Seminar
Credits: 0
A required weekly seminar that incorporates rich discussion, selected readings, and guest speakers addressing topics in innovation and entrepreneurship. Students in this learning community connect with entrepreneurs and faculty across campus to gain access to new ideas and opportunities, learn from a cross-section of experts and problem-solvers, and exchange ideas with their peers. Students in the introductory course and after acceptance into the I&E Certificate program register for this course every semester. It is required for a minimum of four semesters, but continuation is strongly recommended until completion of the project. Upon completion, students will have made significant connections with faculty, entrepreneurs, experts, and peers and used ensuing ideas and opportunities to develop their project.

Course/Lab Fee: Yes
Grade Mode: Satisfactory ($,U,I,W)
Schedule Type: Seminar
College Code: CPS

INEN 309 - The Implementation Tool Box
Credits: 3
Students apply the knowledge and skills used in previous I&E courses to the planning process required for new venture development. They explore the legal, regulatory, and ethical issues faced by innovators and entrepreneurs as well as what it takes to be an effective member of a new venture team. Upon completion of this course, students will develop a business plan or philanthropic proposal and present a needs analysis with regards to social innovation, patents, copyrights, funding, and venture capital.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CPS

INEN 455 - Advanced Project - The Launch
Credits: 3
A practicum that focuses on the actual launch of the project with a mentor. Upon completion of the course, students, under the mentorship of an appropriate expert, will demonstrate the steps required to launch the proposed idea.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Independent
College Code: CPS
Computing

Chan Shun Hall, Suite #230; Haughey Hall, Room #312
269-471-3680; FAX: 269-471-6158
computing@andrews.edu

Mission
The Department of Computing, of the College of Professions, aspires to be a place of choice for students interested in computing-related careers where dedicated students and faculty grow together to reach their God-given potential for service to society and the church.

Faculty
William Wolfer, Chair, Assistant Professor of Computer Science
Betty Gibson, Assistant Professor of Information Systems
William Greenley, Assistant Professor of Computer Information Systems
Armand Poblete, Instructor of Information Systems
Rodney Summerscales, Assistant Professor of Computer Science
Roy Villafane, Associate Professor of Computer Science

Adjunct Faculty
Jimmie Flores

Programs

• Information Systems Minor
• Information Systems BBA

Bachelors

Computer Science BS

Computer Science prepares students to design and implement innovative computing solutions to real world problems. Areas of study include (but are not limited to) algorithms, software engineering, artificial intelligence, robotics, databases, data science, virtual and augmented reality, theory of computation, networks, web and mobile application development. The program emphasizes both theory and practical applications of computing. A degree in Computer Science prepares students for employment in developing and maintaining commercial applications and for graduate studies.

Total Credits - 124

Major - 57

Core - 42

CPTR 151 - Computer Science I Credits: 3
CPTR 152 - Computer Science II Credits: 3
CPTR 230 - Data Science Fundamentals Credits: 3
CPTR 276 - Data Structures and Algorithms Credits: 3
CPTR 425 - Programming Languages Credits: 3
CPTR 430 - Analysis of Algorithms Credits: 3
CPTR 437 - Formal Theory of Computation Credits: 3
CPTR 440 - Operating Systems Credits: 3
CPTR 460 - Software Engineering Credits: 3
CPTR 487 - Artificial Intelligence Credits: 3
INFS 428 - Database Systems Design and Development Credits: 3

Choose three of the following courses:

CPTR 251 - Server Application Development Credits: 3

Electives - 15
Choose 15 credits in consultation with academic advisor from CPTR courses, INFS 310, INFS 330, and INFS 436 that have not already been taken to satisfy the major core requirements.

Up to 6 credits of the following courses may be substituted for CPTR elective credits.

MATH 240, 286, 426
STAT 340
ENGR 225, 275, 310, 415

Cognates - 28+

ENGR 385 - Microprocessor Systems Credits: 1-4

Math

MATH 191 - Calculus I Credits: 4
MATH 192 - Calculus II Credits: 4
MATH 215 - Introduction to Linear Algebra Credits: 3
MATH 355 - Foundations of Advanced Mathematics Credits: 3

Statistics

Choose at least one of the following courses:

STAT 340 - Probability Theory with Statistical Applications Credits: 3

Sciences

Choose at least one of the following courses:

BIOL 165 - Foundations of Biology Credits: 4,5
BIOL 166 - Foundations of Biology Credits: 4,5
CHEM 131 - General Chemistry I Credits: 4
CHEM 132 - General Chemistry II Credits: 4
PHYS 141 - General Physics I Credits: 4
PHYS 142 - General Physics II Credits: 4
PHYS 241 - Physics for Scientists and Engineers I Credits: 4 and PHYS 271 - Physics for Scientists and Engineers Laboratory I Credits: 1
PHYS 242 - Physics for Scientists and Engineers II Credits: 4 and PHYS 272 - Physics for Scientists and Engineers Laboratory II Credits: 1

Choose one of the following courses:

HONS 380 - Topic in Bioethics & Christian Faith Credits: 3
HONS 415H - Thinking Theologically: Christian Life and Faith Credits: 3
RELT 340 - Religion and Ethics in Modern Society Credits: 3
RELT 385 - Bioethics and Christian Faith Credits: 3
RELT 390 - Christian Business Ethics Credits: 3 (upper division SBA students only)

Additional Requirements
No grade lower than C- may be counted toward major or cognate requirements.

Student Learning Outcomes
Graduates of this program will possess the ability to:
• Design and develop different types applications while adhering to current software development best practices. (software development)
• Design and implement data structures, algorithms, and data management systems to store, manage, access, and process data. (data management)
• Design and analyze efficient algorithms to solve given problems. (algorithm design and analysis)
• Understand capabilities, tradeoffs, and limitations of algorithms, computational models, programming languages, operating systems and computing technology. (capabilities and limits of computing)
• Consider the concerns and impact of software and computing innovations on individuals and society. Experience spiritual growth that informs social and professional interactions. (faith and ethics)
Data Scientists provide insight and predictions from data. They work in research labs, startups, corporations, universities, governments, and nonprofits. A degree in data science provides students with skills for acquiring, managing, visualizing, mining, and modeling data. Students in this program learn tools and techniques for working with Big Data and using machine learning for making predictions. The program consists of a core set of data science, computer science, mathematics, and statistics courses and the choice of one track where students learn discipline-specific techniques and issues.

The Data Science BS program is shared between the Department of Mathematics in the College of Arts and Sciences and the Department of Computing in the College of Professions.

MKTG 368 - Integrated Marketing Communication CREDITS: 3
Informatics BS

In many ways, technology can be considered the backbone of most organizations. The Informatics program is structured to prepare graduates who will recognize the technology needs and opportunities in varied domains, and design suitable software, computer system and information technology solutions. The program is an applied area of computing. An Informatics student is required to declare a minor in another field, such as one of the sciences, behavioral science, or business.

Informatics will provide education, resources, an environment and support for students to develop strong computing skills that will be used effectively to help improve the work and lives of others. Students and faculty will grow together to reach their God-given potential for service to society and the church.

A degree in Informatics prepares students for employment in developing and maintaining software applications and for graduate studies in applied computing such as software engineering.

Total Credits - 124

Major - 57

- CPTR 151 - Computer Science I Credits: 3
- CPTR 152 - Computer Science II Credits: 3
- CPTR 230 - Data Science Fundamentals Credits: 3
- CPTR 252 - Mobile Application Development Credits: 3
- CPTR 276 - Data Structures and Algorithms Credits: 3
- CPTR 460 - Software Engineering Credits: 3
- INF5 226 - Hardware and Software Credits: 3
- INF5 310 - Networks and Telecommunications Credits: 3
- INF5 318 - Business Systems Analysis and Design Credits: 3
- INF5 330 - Introduction to Web Development Credits: 3
- INF5 428 - Database Systems Design and Development Credits: 3
- INF5 436 - Web-Based Business Systems Credits: 3
- INF5 447 - Project Management Credits: 3

Electives - 18

Choose 18 elective credits from the following:
- ACCT 476 - Accounting Information Systems Credits: 3
- BIOL 415 - Genomics, Proteomics, and Bioinformatics Credits: 3
- NRSG 443 - Nursing Informatics Credits: 3

Choose from CPTR and/or INF5 courses in consultation with academic advisor.

Cognates - 10

- MATH 168 - Pre-calculus Credits: 4 (or earn a score of P5 on math placement test) *
- STAT 285 - Introduction to Applied Statistics Credits: 3 *

*Fulfills ACE requirement

Choose one of the following courses:
- HONS 380 - Topic in Bioethics & Christian Faith Credits: 3
- HONS 415H - Thinking Theologically: Christian Life and Faith Credits: 3
- RELT 340 - Religion and Ethics in Modern Society Credits: 3
- RELT 385 - Bioethics and Christian Faith Credits: 3
- RELT 390 - Christian Business Ethics Credits: 3 (upper division SBA students only)

Applied Area/Minor - 18

Possible minors include but are not limited to

- Architecture
- Art and Design
- Business
- Education
- Health
- Religion
- Science
- Social Work

Additional Requirements

No grade lower than C- may be counted toward major, cognate, or application area requirements.

Student Learning Outcomes

Graduates of this program will:

- Know how to collect, clean, anonymize, and manage data from different sources in a convenient system for analysis.
- Understand issues and solutions for storing, managing, and analyzing large-scale data sets.
- Apply techniques to understand, visualize, identify, and communicate trends in data.
- Identify appropriate tools, algorithms, mathematical techniques and models to perform desired analysis; understanding limitations and pitfalls.
- Know what questions can be asked within an appropriate ethical, legal, and Christian framework.
- Respect individual rights and privacy when collecting and handling human data.
- Consider the implications of decisions made using data.

Informatics BS

In many ways, technology can be considered the backbone of most organizations. The Informatics program is structured to prepare graduates who will recognize the technology needs and opportunities in varied domains, and design suitable software, computer system and information technology solutions. The program is an applied area of computing. An Informatics student is required to declare a minor in another field, such as one of the sciences, behavioral science, or business.

Informatics will provide education, resources, an environment and support for students to develop strong computing skills that will be used effectively to help improve the work and lives of others. Students and faculty will grow together to reach their God-given potential for service to society and the church.

A degree in Informatics prepares students for employment in developing and maintaining software applications and for graduate studies in applied computing such as software engineering.
Information Systems BBA

Information Systems (IS) combines computer hardware, software and telecommunication networks with people who use them. It is the link between the technical specialist and specialists in the field where the technology is applied. Communication skills and a good understanding of management, organizational behavior and business practices are critical in designing and maintaining successful information systems.

The Information Systems major is designed to produce graduates equipped with the ability to integrate information systems into the business environment, to explore methods of leveraging business functions through information systems, and to function in entry-level, information systems positions with a basis for continued career growth. The curriculum reflects input from both industry and universities and responds to industry requests for increased emphasis in technical orientation and improved skills for managers in strategic uses of information systems.

Total Credits - 124

Business Core - 39

ACCT 121 - Principles of Accounting I Credits: 3
ACCT 122 - Principles of Accounting II Credits: 3
BSAD 341 - Business Law Credits: 3
BSAD 355 - Principles of Management Credits: 3
BSAD 365 - International Environment of Business Credits: 3
BSAD 475 - Operations Management Credits: 3
BSAD 494 - Business Strategy and Decisions Credits: 3
ECON 225 - Principles of Macroeconomics Credits: 3
ECON 226 - Principles of Microeconomics Credits: 3
FNCE 317 - Business Finance Credits: 3
INF 120 - Foundations of Information Technology Credits: 3
INF 215 - Business Software Applications Credits: 3
MKTG 310 - Principles of Marketing Credits: 3

Major - 24

CPTR 151 - Computer Science I Credits: 3
INF 235 - Business Programming Credits: 3
INF 226 - Hardware and Software Credits: 3
INF 310 - Networks and Telecommunications Credits: 3
INF 318 - Business Systems Analysis and Design Credits: 3
INF 428 - Database Systems Design and Development Credits: 3

Electives

Choose six credits from the following:

BSAD 487 - Internship in _________ Credits: 1–3
BSAD 498 - Independent Readings/Study in _________ Credits: 1–3
CPTR 230 - Data Science Fundamentals Credits: 3
INF 330 - Introduction to Web Development Credits: 3
INF 397 - Topics in _________ Credits: 1–3
INF 436 - Web-Based Business Systems Credits: 3
INF 447 - Project Management Credits: 3
INF 457 - Certification Support Credits: 3

Cognates - 12

MATH 166 - College Algebra for Business Credits: 3 *
STAT 285 - Introduction to Applied Statistics Credits: 3

Choose one of the following courses:

PSYC 101 - Introduction to Psychology Credits: 3 *
SOCI 119 - Principles of Sociology Credits: 3 *

Credits:

Choose one of the following courses:

RELT 340 - Religion and Ethics in Modern Society Credits: 3 *
RELT 390 - Christian Business Ethics Credits: 3 *

*Course fulfills ACE requirement

Additional Requirements

Transfer Credits

The School of Business Administration does not accept 100-200 level courses (i.e. lower division) as transfer work to replace 300-400 level courses (i.e. upper division).

Residence Requirement

Students must complete in residence the School of Business Administration at Andrews University a minimum of 50% (31.5 credits) of the course work for the BBA degree (63 credits = 39 credits in the BBA core + 24 credits in BBA required/elective major courses).

Maintaining Academic Standing

Students must complete the required and elective major courses (24 credits) with a minimum GPA of 2.33 (C+). The GPA is figured including all courses attempted—even those in which a D is received and which, therefore, do not apply towards the 24 credits of the major.

All information systems majors must obtain a C minimum grade in ACCT 122.

Off-Campus Locations

This program is also offered at approved off-campus locations.

Student Learning Outcomes

Program Outcomes

Graduates of this program will be able to:

- Identify the major theory and concepts of business across business functional areas.
- Incorporate relevant quantitative and qualitative data in the analysis.
- Identify relevant business theories in analyzing business issues and apply appropriate theories in addressing business problems.
- Deliver oral presentations clearly, confidently, and in an organized format, and present their written thoughts in a coherent narrative to articulate complex ideas.
- Identify Christian perspectives when approaching business issues and understand the Judeo-Christian foundation of personal and professional integrity, accountability, and experience positive spiritual growth.

Major Outcomes

Graduates of this program will be able to:

- Demonstrate the major concepts, theory, and practice of their specific Concentration in Information Systems.
- Demonstrate that the rigor and content of their Information Systems courses adequately prepared them for their careers in business.
- Articulate that their understanding of Christian Principles and ethics related positively to their professional careers.

Undergraduate Minors

Computing Minor

The Computer Science minor prepares students to develop software solutions to real world problems. Students have the opportunity to acquire knowledge and skills in are variety of theoretical and applied areas of Computer Science. Areas include (but are not limited to) algorithms, data science, artificial intelligence, software engineering, web/mobile development, virtual and augmented reality, databases, and networks.

Total Credits - 18

CPTR 151 - Computer Science I Credits: 3
Electives
A minimum of 9 credits chosen from CPTR courses in consultation with a CS academic advisor.

Additional Requirements
No course grade below a C- may apply to a major or minor in Computing. All prerequisites for CPTR courses must be passed with a minimum grade of C- before entry into the class it is required for.

Student Learning Outcomes
Students who complete this minor will be able to:
- Design and develop complex, efficient algorithms and programs while adhering to current software development best practices.
- Develop knowledge and skills in theoretical and applied areas of Computer Science.

Data Science Minor
A minor in Data Science introduces students to the skills for acquiring, managing, visualizing, mining, and modeling data. Students learn some tools and techniques for working with Big Data and using machine learning for making predictions.

Total Credits - 18
- CPTR 151 - Computer Science I Credits: 3
- CPTR 230 - Data Science Fundamentals Credits: 3
- CPTR 435 - Machine Learning Credits: 3

Choose one of the following courses:
- STAT 285 - Introduction to Applied Statistics Credits: 3
- STAT 340 - Probability Theory with Statistical Applications Credits: 3

Choose one of the following courses:
- CPTR 350 - Big Data Management Credits: 3
- CPTR 467 - Database Concepts and Theory Credits: 3

Choose one of the following courses:
- CPTR 420 - Data Visualization and Mining Credits: 3
- MATH 426 - Mathematical Modeling in Biology Credits: 3

Student Learning Outcomes
- Know how to collect, clean, anonymize, and manage data from different sources in a convenient system for analysis.
- Understand issues and solutions for storing, managing, and analyzing large-scale data sets.
- Apply techniques to understand, visualize, identify, and communicate trends in data.
- Identify appropriate tools, algorithms, mathematical techniques and models to perform desired analysis; understanding limitations and pitfalls.
- Know what questions can be asked within an appropriate ethical, legal, and Christian framework.
- Respect individual rights and privacy when collecting and handling human data.
- Consider the implications of decisions made using data.

Information Systems Minor
The minor in Information Systems is designed to supplement a student’s course of study. It equips the graduate with a toolkit for applying technology to enhance any major field. The IS minor also prepares the graduate for liaising with non-technical personnel on the job.

Total Credits - 18
- INFS 120 - Foundations of Information Technology Credits: 3
- INFS 215 - Business Software Applications Credits: 3

Electives
Choose any remaining INFS courses for a total of 3 credits.

Student Learning Outcomes
The student who completes a minor in Information Systems will be able to:
- Identify problems and apply suitable technology skills to develop solutions.
- Communicate information systems concepts in written and verbal forms.
- Integrate technology-based solutions into a user environment.
- Articulate that their understanding of Christian Principles and ethics relate positively to their professional careers.

Computing & Software Engineering

CPTR 151 - Computer Science I
Credits: 3
An introduction to programming methodology using a high level language, advanced operating system usage, problem-solving, algorithm development, control structures, arrays, program style, design correctness and documentation techniques, as well as a brief overview of computer systems and computer history.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab
Term Offering: Fall, Spring
College Code: CPS

CPTR 152 - Computer Science II
Credits: 3
A continuation of CPTR151. Examines program specifications, design, coding, correctness, and style with additional coverage of pointers and arrays, and an in-depth study of recursion and data structures. Includes files, lists, stacks, queues, trees, graphs, and an overview of computer ethics.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CPTR 151
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CPS

CPTR 230 - Data Science Fundamentals
Credits: 3
Introduction to the data science process: asking data-driven questions, data acquisition, cleaning, management, and analysis. Programming and analysis techniques for summarizing data. Introduction to common languages and tools used in data science.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CPTR 151 Computer Science I
Schedule Type: Lecture
Term Offering: Spring
College Code: CPS

CPTR 245 - Discrete Structures
Credits: 3
Formal mathematical structures and methods used in developing computing solutions are introduced. Their application in computer science is emphasized.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MATH 168 or MPE score of P4 or higher
Schedule Type: Lecture
Term Offering: Spring
College Code: CPS

CPTR 251 - Server Application Development
Credits: 3
A study of techniques and concepts used for developing service applications. Aspects covered include the internet, web, databases, networking and object-oriented. Content adjusted based on current trends.

Course/Lab Fee: Yes

</table>

A study of techniques and concepts used for developing applications for mobile devices.

A study of techniques for the design and analysis and implementation of data structures and algorithms commonly used in computing. Includes introductions to asymptotic notation, sorting, search trees, hash tables, and graphs.

Organization of programs and data; program analysis, pointers, manual memory management, system calls, introduction to threads, embedded programming.

Directed study of computer language in consultation with the instructor. Normally, the language is not included in other courses taught by the department. A programming project may be required.

A study of basic database principles and web applications using technologies such as PHP, MySQL, Three Tier Architectures, scripting languages and data manipulation. Manipulating databases using SQL. Sessions, authentication and security.

Provides an introduction to the development of virtual and augmented reality applications.

Covers tools, languages and strategies for storing, accessing and fusing data from a variety of sources.

A study of current technologies and their effects, including web server software, e-commerce, various scripting languages, human-computer interaction, perception, and related issues.

A study of techniques and concepts used for developing applications for mobile commerce, various scripting languages, human-computer interaction, perception, and related issues.

A study of current technologies and their effects, including web server software, e-commerce, various scripting languages, human-computer interaction, perception, and related issues.

A study of techniques for the design and analysis and implementation of data structures and algorithms. Includes introductions to asymptotic notation, sorting, search trees, hash tables, and graphs.

A study of basic database principles and web applications using technologies such as PHP, MySQL, Three Tier Architectures, scripting languages and data manipulation. Manipulating databases using SQL. Sessions, authentication and security.

A study of basic database principles and web applications using technologies such as PHP, MySQL, Three Tier Architectures, scripting languages and data manipulation. Manipulating databases using SQL. Sessions, authentication and security.

A study of techniques for the design and analysis and implementation of data structures and algorithms. Includes introductions to asymptotic notation, sorting, search trees, hash tables, and graphs.

A study of techniques and concepts used for developing applications for mobile commerce, various scripting languages, human-computer interaction, perception, and related issues.

Survey of current programming languages, including structure, runtime systems, the specification of syntax, and semantics. Definition of syntax for formal languages with emphasis on context-free languages. Techniques for scanning and parsing programming languages.

Emphasizes the study of object-oriented analysis and design methodologies and the application of these to the development of advanced software. Includes survey of object-oriented programming languages and environments.

An introduction to the design and analysis of advanced algorithms. Topics include asymptotic complexity bounds, graph and tree algorithms, and algorithmic strategies (such as greedy, divide-and-conquer and dynamic programming).

Provides an introduction to designing software systems that can learn from data. Topics include supervised and unsupervised learning techniques, classification vs. regression, model evaluation, generalization issues (e.g. bias-variance tradeoff, overfitting) and current best practices. Applies machine learning to a variety of data sets and covers popular tools used for machine learning on large data sets.

Covers tools and techniques for understanding trends in large data sets.
CPTR 436 - Numerical Methods and Analysis
Credits: 3
A study of common numerical techniques applicable on a computer. Includes interpolation, extrapolation, approximation techniques, numerical methods for linear problems, root finding, function fitting, numerical integration, location of extremes, efficiency of numerical algorithms, and minimization of computational error.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CPTR 152 and MATH 215
Schedule Type: Lecture
College Code: CPS

CPTR 437 - Formal Theory of Computation
Credits: 3
Study of the various classes of formal languages, their grammars, properties and recognizing machines. Turing machines. Computability.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CPTR 245 or MATH 355, CPTR 276
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

CPTR 440 - Operating Systems
Credits: 3
Process management, including asynchronous concurrent processes and deadlock, virtual storage management and job and process scheduling, multiprocessing, disk scheduling and file and database systems, performance and security.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CPTR 276
CPTR 152 - Computer Science II
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

CPTR 450 - Network Computing and Architecture
Credits: 3
Concepts applicable to constructing a computer network and the application of computing algorithms and solutions using networked computers and devices. Study topics such as physical transmission media, protocols and associated layers, TCP/IP, application programming interfaces and frameworks, sockets, clustering and security.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CPTR 276
CPTR 152 - Computer Science II
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

CPTR 460 - Software Engineering
Credits: 3
Surveys basic software engineering topics associated with the processes, documents, and products of the entire software life cycle. Topics include software evolution, project organization, and management, feasibility studies, product definition, design, implementation, and testing issues, and the role of the software engineer within the life cycle.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CPTR 276
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

CPTR 465 - Computer Architecture
Credits: 3
Focus on hardware aspects of computing and logical concepts. Includes data representation for numbers and other data types, Boolean algebra, digital logic circuit representations of basic computational building blocks, CPU components, interrupt schemes and buses. Relevance of supporting concepts is discussed, including system software, assemblers, assembly language programming and operating systems.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CPTR 152, ENGR 385

CPTR 475 - Topics in ______________
Credits: 0–6
Selected topics of current interest in computing such as Robotics, advanced languages, or others.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: CPS

CPTR 485 - Computer Graphics
Credits: 3
Introduction to computer graphics focusing on the algorithms and data structures for the modeling and shading of 3-d images. Topics include basic OpenGL programming, mesh generation, shading, raytracing, radiosity methods, procedural textures, and fractal methods.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CPTR 276
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

CPTR 487 - Artificial Intelligence
Credits: 3
Provides the conceptual basis for understanding current trends in Artificial Intelligence. Topics include both symbolic and numeric processing, intelligent search methods, problem representation, machine learning, expert systems, and a survey of some social implications of AI.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CPTR 276
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

CPTR 488 - Database Concepts and Theory
Credits: 3
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CPTR 152, CPTR 276
Schedule Type: Lecture
Term Offering: Spring
College Code: CPS

CPTR 490 - Research
Credits: 0–6
Students will either assist a faculty member in an ongoing research project or develop a project of their own with the help and approval of the faculty member in their areas of interest or study. This course is for students who have a reasonably established knowledge of computing at the college level. A minimum of 3 hours work per week is required for each credit earned and a written paper is required.
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CPS

CPTR 493 - Practicum
Credits: 0–6
This course facilitates a professional experience for the student. It functions with the consent and advice of the computer science program faculty. Opportunities and venues vary, and must include designing and implementing an innovative and novel computing solution. Three primary approaches are undergraduate research, professional internship, or a major design project. A minimum of 3 hours of work per week per credit is required.
Grade Mode: CPS
INFS 120 - Foundations of Information Technology
Credits: 3
Explores the role of information systems and technology in supporting the different facets of an organizational structure e.g. in decision support, data management, risk assessment and management, and resource management. The course covers topics in enterprise-level hardware and software, cloud computing, ethics, data management, and social engineering. The labs are designed to provide an introductory course in productive software, cloud computing, and web development technologies.

Lecture/Lab: Weekly: two 1-hour lectures and two 2-hour labs
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Familiarity with word-processing and typing speed of at least 20 wpm
Recommended: Recommended math placement exam score of M0 or better, or MATH 092 or higher
Schedule Type: Lecture, Lab, Lecture/Lab, Interactive Online, Self-Paced
Term Offering: Fall, Spring, Summer
College Code: CPS

INFS 215 - Business Software Applications
Credits: 3
This course uses a hands-on approach to expose students to different software applications for problem-solving and decision-support in business. Relational database management systems will be introduced. Spreadsheets will be used for data analysis and data modeling. Other business intelligence software for data organization and visualization will be explored. Students also gain an understanding of organizational systems, planning, the decision process, and decision support technologies.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: INFS 120
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Spring
College Code: CP

INFS 226 - Hardware and Software
Credits: 3
This course is the “boot camp” for Information Systems majors and UAST minors. It covers a hands-on approach to understanding the basics of concepts of hardware and software, electronics, software programming, and computer network architectures. Problem solving skills will be explored using the concept of System Development Life Cycle (SDLC).

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Spring
College Code: CPS

CPTR 495 - Independent Study
Credits: 1–3
Directed study of material of special interest chosen in consultation with the instructor. No more than 6 credits may be earned in CPTR 495.

Grade Mode: Satisfactory (S,U,I,W)
Prerequisite/Corequisite: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CPS

CPTR 496 - Special Projects
Credits: 1–3
Project chosen in consultation with instructor. No more than 6 credits may be earned in CPTR 496.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Prerequisite/Corequisite: Repeatable up to 6 credits
Schedule Type: Independent
College Code: CPS

INFS 310 - Networks and Telecommunications
Credits: 3
Covers data communications and networking for the enterprise. Design and management of telecommunications networks, cost-benefit analysis, and evaluation of connectivity options and protocols for Local Area Networks and Wide Area Networks will be examined. Through lectures and hands-on sessions, students learn to evaluate, select, and implement different communication options within an organization. Virtual systems and cloud computing will also be explored.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: INFS 226
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

INFS 318 - Business Systems Analysis and Design
Credits: 3
Provides an understanding of the system development, modification, decision process, and choices in business process development and reengineering methodology. Emphasizes integration with users and user systems. Encourages interpersonal skill development, operations and maintenance of the system, and covers quality and decision theory, information theory, and practice.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: INFS 215
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

INFS 330 - Introduction to Web Development
Credits: 3
This course focuses on the tools used for designing and building professional websites. Emphasis will be on client-side tools such as HyperText Markup Language (HTML), Cascading Style Sheets (CSS), JavaScript, and other emerging technologies.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CPTR 151
Schedule Type: Lecture
College Code: CPS

INFS 397 - Topics in _______
Credits: 1–3
Intensive study of selected topics of current interest in the sub-discipline area noted and not ordinarily covered in depth in other courses.

Grade Mode: Normal (A-F,I,W)
Repeatability: Repeatable with different topics
Schedule Type: Lecture
Special Approval: Instructor permission required.
College Code: CPS

INFS 428 - Database Systems Design and Development
Credits: 3
Covers information systems design, theory, and implementation within a database management system environment. Students extend their knowledge of the design process acquired in earlier courses by modeling data according to the organization's business rules. Relational database software will be used to implement the design. Data mining, non-relational databases, and other methods of data storage and use within the enterprise will also be introduced.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: CPTR 151 or INFS 235; and INFS 318 or CPTR 230 or CPTR 460
Schedule Type: Lecture
College Code: CP
INFS 436 - Web-Based Business Systems
Credits: 3
Explores the technologies and strategies of current and emerging trends in e-business. Looks at electronic commerce system design and implementation, and the interaction between web pages and databases. Security and legal concerns are also addressed.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): INFS 330 or CPTR 252; INFS 428
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

INFS 447 - Project Management
Credits: 3
Covers the factors necessary for successful management of system development or enhancement projects. Both technical and behavioral aspects of project management are discussed. Focus is on management of development for enterprise-level systems.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: INFS 428
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

INFS 457 - Certification Support
Credits: 3
Provides background and support necessary for students to pursue various software certification exams such as the MCSE series and the CNE exams.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: INFS 310
Schedule Type: Lecture
Term Offering: Spring
College Code: CPS

INFS 497 - Advanced Topics in _________
Credits: 3
Topics of current interest in the sub-discipline area noted not ordinarily covered in depth in other courses.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
Special Approval: Instructor permission required.

College Code: CPS

INFS 510 - Management Information Systems
Credits: 3
Covers current issues that effective managers must address as their organizations grow increasingly dependent on information technologies. Topics include hardware, software, telecommunications, networking and the management challenges involving these technologies. Extensive use of case studies. Word processing and spreadsheet skills are assumed.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
Year Offering: Alternate Years
Term Offering: Summer
College Code: CPS

Mission
The Department of Accounting, Economics & Finance offers majors that are intellectually stimulating, professionally challenging, and rewarding. We endeavor to provide the best preparation possible for careers in business, government, academia, and the church.

The faculty seeks to provide students with training and education which will qualify them for employment in a multicultural and global environment. A Christian education encourages an awareness of moral and ethical responsibilities in one's personal and professional life. It is in this context that the department holds up Jesus Christ as the best model for personal responsibility and development and seeks to encourage its students to follow His example.

Faculty
Carmelita Troy, Program Coordinator, Associate Professor of Accounting
Alan Kirkpatrick, Associate Professor of Finance
Lucile Sabas, Associate Professor of Economics
Quentin Sahly, Assistant Professor of Accounting
Ralph Trecartin, Associate Professor of Finance

Adjunct Faculty
Bari Courts
Stephen Erich
Satyanarayana Ramella
Paul Smith
Jim Temple

Bachelors

Accounting BBA
Accounting is concerned primarily with (1) measuring income, expenditures, and wealth generated by a business enterprise, and (2) communicating information about the financial condition of economic organizations and the results of their financial activities. Thus, accounting is the language of business—the backbone of the free enterprise system.

The accounting major is designed to meet the needs of students preparing for accounting careers in business, government, not-for-profit organizations, or public accounting, including those who desire to secure, through state examination, the status of Certified Public Accountant (CPA) or that of Certified Management Accountant (CMA).

Students planning to sit for the CPA exam should consult their state’s Board of Public Accountancy before planning their accounting program. Each state has its own rules, regulations, and specific course requirements. Assistance may be obtained from the Accounting faculty. This program is designed to meet the educational requirements to take the CPA examination in Michigan. 150 credit hours are required for CPA certification.

This program is available at the main campus and at Middle East University.

Total Credits - 124

Business Core - 39
- ACCT 121 - Principles of Accounting I Credits: 3
- ACCT 122 - Principles of Accounting II Credits: 3
- BSAD 341 - Business Law Credits: 3
- BSAD 355 - Principles of Management Credits: 3
- BSAD 365 - International Environment of Business Credits: 3
- BSAD 475 - Operations Management Credits: 3
- BSAD 494 - Business Strategy and Decisions Credits: 3
- ECON 225 - Principles of Macroeconomics Credits: 3
- ECON 226 - Principles of Microeconomics Credits: 3
- FNCE 317 - Business Finance Credits: 3
- INF 120 - Foundations of Information Technology Credits: 3
- INF 125 - Business Software Applications Credits: 3
- MKTG 310 - Principles of Marketing Credits: 3

Major - 27
- ACCT 321 - Intermediate Accounting I Credits: 3
- ACCT 322 - Intermediate Accounting II Credits: 3
- ACCT 330 - Cost and Managerial Accounting Credits: 3
- ACCT 365 - Individual Taxation Credits: 3
- ACCT 456 - Advanced Accounting Credits: 3
- ACCT 465 - Auditing Credits: 3

Electives
A minimum of 3 courses, for a total of 9 or more credits, from the following:

- ACCT 320 - Business Communication Credits: 3
- ACCT 455 - Accounting for Not-for-Profit Organizations Credits: 3
- ACCT 467 - Corporate Taxation Credits: 3
- ACCT 470 - Internship in Accounting/Auditing Credits: 1–3
- ACCT 476 - Accounting Information Systems Credits: 3
- BSAD 487 - Internship in _________ Credits: 1–3
- FNCE 397 - Investments Credits: 3

NOTE: CPA Track students must complete 6 credits of electives with the ACCT course designation.

Additional Requirements
Students must complete the business core courses (39 credits) and the major required and elective courses (27 credits) with a minimum overall GPA of 2.33. However, students must receive a minimum of a "C" grade in each course. Courses where a grade less than a "C" is received will not apply towards the business core or major requirements.

All accounting majors must obtain a C (2.00) minimum grade in ACCT 121 and ACCT 122.

Cognates - 12
- MATH 166 - College Algebra for Business Credits: 3 *
- STAT 285 - Introduction to Applied Statistics Credits: 3

Choose one of the following courses:
- PSYC 101 - Introduction to Psychology Credits: 3 *
- SOCI 119 - Principles of Sociology Credits: 3 *

Choose one of the following courses:
- RELT 340 - Religion and Ethics in Modern Society Credits: 3 *
- RELT 390 - Christian Business Ethics Credits: 3 *

*Course fulfills ACE requirement

Additional Requirements
Transfer Credits
The School of Business Administration does not accept 100-200 level courses (i.e. lower division) as transfer work to replace 300-400 level courses (i.e. upper division).

Residence Requirement
Students must complete in residence in the School of Business Administration at Andrews University a minimum of 50% (33 credits) of the course work for the BBA
A minimum of 4 courses, for a total of 12 or more credits, from the following:

### Finance BBA

The finance major is designed to prepare students for careers in financial management. Through a carefully coordinated sequence of courses, the program covers many of the factors that influence financial decision making and provides specific tools for analyzing and interpreting financial data. Students will acquire skills that will help them launch a career in the areas of corporate finance, investments, banking, and financial planning.

### Total Credits - 124

#### Business Core - 39

- **ACCT 121 - Principles of Accounting** Credits: 3
- **ACCT 122 - Principles of Accounting II** Credits: 3
- **BSAD 341 - Business Law** Credits: 3
- **BSAD 355 - Principles of Management** Credits: 3
- **BSAD 365 - International Environment of Business** Credits: 3
- **BSAD 475 - Operations Management** Credits: 3
- **BSAD 494 - Business Strategy and Decisions** Credits: 3
- **ECON 225 - Principles of Macroeconomics** Credits: 3
- **ECON 226 - Principles of Microeconomics** Credits: 3
- **FNCE 317 - Business Finance** Credits: 3
- **INF 120 - Foundations of Information Technology** Credits: 3
- **INF 215 - Business Software Applications** Credits: 3
- **MKTG 310 - Principles of Marketing** Credits: 3

#### Major - 24

- **ACCT 321 - Intermediate Accounting I** Credits: 3
- **FNCE 397 - Investments** Credits: 3
- **FNCE 410 - Intermediate Business Finance** Credits: 3
- **FNCE 426 - International Finance** Credits: 3

#### Electives

A minimum of 4 courses, for a total of 12 or more credits, from the following:

- **ACCT 322 - Intermediate Accounting II** Credits: 3
- **ACCT 470 - Internship in Accounting/Auditing** Credits: 1–3

### Additional Requirements

- **BSAD 487 - Internship in _____** Credits: 1–3
- **ECON 328 - Money and Banking** Credits: 3
- **ECON 330 - Health Economics** Credits: 3
- **ECON 344 - Intermediate Microeconomics** Credits: 3
- **ECON 415 - Introduction to Econometrics** Credits: 3
- **ECON 440 - Public Finance** Credits: 3
- **FNCE 330 - Financial Planning** Credits: 3
- **FNCE 394 - Futures and Options Markets** Credits: 3
- **FNCE 429 - Portfolio Theory** Credits: 3
- **FNCE 430 - Finance Seminar** Credits: 3

#### Additional Requirements

Students must complete the business core courses (39 credits) and the major required and elective courses (24 credits) with a minimum overall GPA of 2.33. However, students must receive a minimum of a "C-" grade in each course. Cours where a grade less than a "C-" is received will not apply towards the business core or major requirements.

All finance majors must obtain a C (2.00) minimum grade in ACCT 121, ACCT 122, and FNCE 317.

FNCE 206 is not available for credit towards a finance major.

### Cognates - 12

- **MATH 166 - College Algebra for Business** Credits: 3 *
- **STAT 285 - Introduction to Applied Statistics** Credits: 3 *
- **Choose one of the following courses:**
  - **RELT 340 - Religion and Ethics in Modern Society** Credits: 3 *
  - **RELT 390 - Christian Business Ethics** Credits: 3 *
- **Choose one of the following courses:**
  - **PSYC 101 - Introduction to Psychology** Credits: 3 *
  - **SOCI 119 - Principles of Sociology** Credits: 3 *

*Fulfills ACE requirement.

### Additional Requirements

#### Transfer Credits

The School of Business Administration does not accept 100-200 level courses (i.e., lower division) as transfer work to replace 300-400 level courses (i.e., upper division).

#### Residence Requirement

Students must complete in residence in the School of Business Administration at Andrews University a minimum of 50% (31.5 credits) of the course work for the BBA degree (63 credits = 39 credits in the BBA core + 24 credits in BBA required/elective major courses).

### Student Learning Outcomes

#### Program Outcomes

- Students will be able to identify the major theory and concepts of business across business functional areas.
- Students will be able to incorporate relevant quantitative and qualitative data in the analysis.
- Students will be able to identify relevant business theories in analyzing business issues and apply appropriate theories in addressing business problems.
- Students will be able to deliver oral presentations clearly, confidently, and in an organized format, and present their written thoughts in a coherent narrative to articulate complex ideas.
- Students will be able to identify Christian perspectives when approaching business issues and understand the Judea-Christian foundation of personal and professional integrity, accountability, and experience positive spiritual growth.

#### Major Outcomes

- Students will be able to explain how the required and elective Accounting major courses integrated with the other functional areas of business.
- Students will be able to explain the major concepts, theory, and practice of their required Accounting major courses: Intermediate Accounting, Individual Taxation, Advanced Accounting, and Auditing.
- Students in Accounting will be able to articulate that their understanding of Christian principles and ethics related positively to their professional careers.
- Students will be able to explain that the rigor and content of their required Accounting major courses: Intermediate Accounting, Business Law, and FNCE 317.

All finance majors must obtain a C (2.00) minimum grade in ACCT 121, ACCT 122, and FNCE 317.
International Business BBA

This major enables students to acquire a knowledge base that develops their capacity to work for an organization that operates in a global setting. Students who complete an International Business BBA will have skills necessary to work in a variety of industries and positions such as an international financial analyst, foreign exchange consultant, customs broker, international product/brand manager, foreign sales representative, or an international management consultant.

This program is available on the main campus and in Vietnam.

Dual Degree Option (available to main campus students only):
This program is available as a dual degree with the Language for International Trade BA:

Language/International Business Dual Degree BA/BBA

Choose one of the following courses:
REL 340 - Religion and Ethics in Modern Society Credits: 3
REL 390 - Christian Business Ethics Credits: 3

Additional Requirements
Transfer Credits
The School of Business Administration does not accept 100-200 level courses (i.e., lower division) as transfer work to replace 300-400 level courses (i.e., upper division).

Residence Requirement
Students must complete in residence in the School of Business Administration at Andrews University a minimum of 50% (31.5 credits) of the course work for the BBA degree (63 credits = 39 credits in the BBA core + 24 credits in BBA required/elective major courses).

Student Learning Outcomes
- Students will demonstrate an advanced level of proficiency in the target language in speaking, writing, listening and reading consistent with the Advanced levels as defined by the American Council of the Teaching of Foreign Languages (ACTFL).
- Students will demonstrate full understanding of linguistic concepts related to the target language such as phonetics, semantics, morphology, and syntax.
- Students will use their skills to translate specific terminology and concepts of the business world from and to the target language and English.
- Students will apply their knowledge of the target language and culture to business decisions in intercultural settings.
- Students will provide linguistics, culture, and business advice on decisions involving the target language and culture.
- Students will integrate their knowledge of both business and the target language in the work setting.
- Students will be able to identify the major theory and concepts of business across business functional areas.
- Students will be able to incorporate relevant quantitative and qualitative data in the analysis.
- Students will be able to identify relevant business theories in analyzing business issues and apply appropriate theories in addressing business problems.
- Students will be able to deliver oral presentations clearly, confidently, and in an organized format, and present their written thoughts in a coherent narrative to articulate complex ideas.
- Students will be able to identify Christian perspectives when approaching business issues and understand the Judea-Christian foundation of personal and professional integrity, accountability, and experience positive spiritual growth.
- Students will be able to explain how their International Business courses integrated with the other functional areas of business.
- Students will be able to articulate that their understanding of Christian principles and ethics related positively to their professional careers.
- Students will be able to explain that the rigor and content of their International Business courses adequately prepared them for their careers in business.

Undergraduate Minors

Accounting Minor
The minor in Accounting helps the student to develop a robust foundation in accounting and financial reporting. The accounting minor opens opportunities for employment in entry-level areas of accounting, such as bookkeeping or junior accountants in business, not-for-profit, and other entities. The accounting minor is a practical area to complement a major in other areas of business and also to non-business majors. Students with a minor in accounting are better prepared to eventually move into administration and middle-management positions where they need to understand and interpret financial reports and make decisions based on financial data and financial performance.

Total Credits - 18
ACCT 121 - Principles of Accounting I Credits: 3
ACCT 122 - Principles of Accounting II Credits: 3
ACCT 321 - Intermediate Accounting I Credits: 3
ACCT 322 - Intermediate Accounting II Credits: 3

Note: A minimum of a "C" letter grade must be earned in ACCT 121, ACCT 122.

Electives
Choose 2 of the following courses:
ACCT 330 - Cost and Managerial Accounting Credits: 3
ACCT 365 - Individual Taxation Credits: 3
ACCT 455 - Accounting for Not-for-Profit Organizations Credits: 3
ACCT 456 - Advanced Accounting Credits: 3
ACCT 465 - Auditing Credits: 3
ACCT 467 - Corporate Taxation Credits: 3
ACCT 476 - Accounting Information Systems Credits: 3

Student Learning Outcomes
- Students will be able to understand generally accepted accounting principles and the practice of financial accounting.
- Students will be able to perform accounting functions based on generally accepted accounting principles.
- Students will be able to analyze and interpret business performance through the use of financial ratios.

Economics Minor
The minor in economics offers a program which is devoted primarily to the study of the economic principles, tools, theory and institutions that affect business activity. It helps students to understand economic units’ decision making process, as well as some major economic issues in our society and to analyze economic policy and decisions made at the government level. The economics minor also grounds the student deeply in a liberal arts education, offers opportunities for electives, and gives them a foundation to pursue a major in Economics or Finance.

Total Credits - 18
ECON 225 - Principles of Macroeconomics Credits: 3
ECON 226 - Principles of Microeconomics Credits: 3
ECON 334 - Intermediate Microeconomics Credits: 3
ECON 335 - Intermediate Macroeconomics Credits: 3

Note: A minimum of a "C" letter grade must be earned in ECON 225, ECON 226.

Electives
A minimum of 6 credits of ECON electives at the 300 or 400 level.

Student Learning Outcomes
- Students will be able to understand the major concepts and issues at the macro and micro economics levels.
- Students will be able to integrate economic knowledge and make appropriate decisions supported by relevant analysis.
- Students will demonstrate effective communication skills.
- Students will be able to understand the value of a holistic, integrated Christian world-view and the importance of personal and professional integrity.
- Students will be able to understand the ethical ramifications of economic decisions.
Finance Minor

A student with a finance minor completes 18 credits in both finance and possibly economics. The extent of the additional course work provides a more complete background in finance compared to a business student without the finance minor. This additional program of study provides information relevant to investing in securities, personal finance, options, international business finance, portfolio risk, and banking. These areas will allow a student to begin an entry-level position in the realm of finance, as well as a better understanding of personal finance.

Career possibilities include financial analyst/manager and banking. The content of the coursework provides material rich in applications of finance, and supplements the coursework taken in the students’ major. The minor in finance stresses issues in data and decision-making with data commonly seen in actual firms. The minor may additionally stimulate a student to pursue a graduate degree in business, or finance specifically. This preparation in the finance minor can be seen to open up career paths not otherwise possible. Many corporate executives have a strong college background in finance and their studies facilitate enhanced career options.

Total Credits - 18

FNCE 317 - Business Finance Credits: 3 NOTE: A minimum of a "C" letter grade must be earned in FNCE 317.
FNCE 397 - Investments Credits: 3

Choose one of the following:

- Both ACCT 121 - Principles of Accounting I Credits: 3 and ACCT 122 - Principles of Accounting II
- ACCT 205 - Accounting for Decision Making and Control Credits: 3

Electives

Choose 3 courses from the following:

- ECON 328 - Money and Banking Credits: 3
- ECON 415 - Introduction to Econometrics Credits: 3
- FNCE 330 - Financial Planning Credits: 3
- FNCE 394 - Futures and Options Markets Credits: 3
- FNCE 426 - International Finance Credits: 3
- FNCE 429 - Portfolio Theory Credits: 3

Student Learning Outcomes

- Students will be able to explain how the required and elective Finance minor courses integrated with the other functional areas of business or a non-business major.
- Students will be able to explain the basic concepts, theory and practice of their required Finance minor courses.
- Students will be able to explain that the content of their Finance minor courses adequately prepared them for entry-level careers in Finance.

Accounting

ACCT 121 - Principles of Accounting I

Credits: 3
Emphasis upon understanding the accounting cycle and the content and preparation of financial statements. Labs are designed to further address, through practice and implementation, the content of this course.

Lecture/Lab: Weekly: 2 lectures and 1 lab
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Interactive Online, Self-Paced
Term Offering: Fall
College Code: CPS

ACCT 122 - Principles of Accounting II

Credits: 3
Studies fundamental concepts of cost and managerial accounting. Labs are designed to further address, through practice and implementation, the content of this course. A grade of C or higher is needed in ACCT 121 for admission to ACCT122.

Lecture/Lab: Weekly: two 75-minute lectures and one 75-minute lab
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ACCT 121 with a grade of C or higher

ACCT 205 - Accounting for Decision Making and Control

Credits: 3
Accounting and financial analysis overview course focusing on financial reporting, internal controls and fraud prevention, cost management, budgeting, forecasting, and performance evaluation, with applications to financial management in health-care and other not-for-profit organizations. Labs are designed to further address, through practice and implementation, the content of this course. This course may not be used to satisfy requirements for an undergraduate business degree.

Lecture/Lab: Weekly: one 3-hour lecture and one 75-minute lab
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Lab, Lecture/Lab
Term Offering: Fall, Spring
College Code: CPS

ACCT 320 - Business Communication

Credits: 3
Designed for the accounting major, this course focuses on techniques of successful communication in the business world. The course introduces strategies for various business situations including memos, letters, meetings, presentations, reports, and electronic correspondence. The course also examines methods of organizing and presenting information and of developing a professional communication style.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: COMM 104 , ENGL 215
Schedule Type: Lecture
Year Offering: Even years
Term Offering: Spring
College Code: CPS

ACCT 321 - Intermediate Accounting I

Credits: 3
Theory, research and application of generally accepted accounting principles in problem solving, classification of transactions, asset and liability valuation, income determination, and the presentation and analysis of financial statements. Introduction to related International Financial Reporting Standards. Students may not enroll in ACCT 321 unless they have obtained a grade of C or higher in ACCT 121, ACCT 122.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ACCT 122
Prerequisite/Corequisite: INF5 215
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

ACCT 322 - Intermediate Accounting II

Credits: 3
A continuation of ACCT 321. Theory, research and application of generally accepted accounting principles in problem solving, classification of transactions, asset, liability and equity valuation, presentation and analysis of financial statements, and disclosure requirements. Introduction to related International Financial Reporting Standards. Students may not enroll in ACCT 322 unless they have obtained a grade of C or higher in ACCT 121, ACCT 122, and ACCT 321.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ACCT 122 , ACCT 321
Prerequisite/Corequisite: INF5 215
Schedule Type: Lecture
Term Offering: Spring
College Code: CPS

ACCT 330 - Cost and Managerial Accounting

Credits: 3
Study of cost determination, accumulation, and allocation procedures. Preparation and utilization of financial information for internal management purposes; emphasis on job order, process and standard costs systems cost-volume-profit relationship, relevant cost, budgeting, performance evaluation, and control. Students may not enroll in ACCT 330 unless they have obtained a grade of C or higher in ACCT 121, ACCT 122.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: ACCT 122
Schedule Type: Lecture
Year Offering: Odd years
ACCT 455 - Accounting for Not-for-Profit Organizations
Credits: 3
The study of the fundamental accounting systems used by government, hospitals, colleges and universities, and other not-for-profit organizations. Topics include the budgeting process, and the analysis and interpretation of governmental and not-for-profit financial statements.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: ACCT 322
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

ACCT 465 - Auditing
Credits: 3
This course introduces students to the assurance profession, the basic concepts of auditing, and how those concepts may be applied in different scenarios. Professional auditing standards are emphasized, including the selection and application of auditing procedures required to perform a quality audit, while considering and analyzing the risks present in accounting and financial reporting systems. The course examines the auditor's professional decision-making process, how to identify a problem, research and apply the appropriate auditing standards and accounting principles, and resolve audit issues in the context of the professional code of ethics.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: ACCT 322
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

ACCT 467 - Corporate Taxation
Credits: 3
Study of the philosophy behind corporate taxation, environmental factors affecting tax law development, accessing & applying tax rules to corporate settings, and research sources of tax rules to solve corporate tax issues. The course introduces the tax rules on capital structure, corporate earnings & profits and their distributions, deductions, alternative minimum tax, stock redemptions and liquidations, reorganization, consolidated tax returns, cross-border transactions, partnership and distributions of its income, S-corporation, corporation’s book income tax expense, and tax-exempt organizations.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: ACCT 365
Schedule Type: Lecture
Year Offering: Even years
Term Offering: Spring
College Code: CPS

ACCT 470 - Internship in Accounting/Auditing
Credits: 1–3
A program of supervised accounting and/or auditing experience, approved in advance by program coordinator. Student must have at least a 2.67 cumulative GPA. A minimum of 75 hours of accounting/auditing work experience is required for each credit hour. Full arrangements for a structured program must be made prior to the start of the internship. Open only to accounting and finance majors.

Grade Mode: Satisfactory w/DG (S,U,J,W,DG)
Prerequisite(s): ACCT 321
Repeatable: Repeatable up to 3 credit hours
Schedule Type: Practicum
Special Approval: Instructor permission required.
College Code: CPS

ACCT 476 - Accounting Information Systems
Credits: 3
The study of accounting as an information system, its objectives, internal controls, ethics, documentation of an accounting information system (AIS), and the impact of information technology on AIS. Completion of manual and computerized practice-sets is required.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ACCT 321 and junior class standing.
Schedule Type: Lecture
Year Offering: Odd years
Term Offering: Spring
College Code: CPS

ACCT 490 - Independent Readings/Study in ______
Credits: 1–3
Individually directed study or readings under the guidance of the instructor. Oral and reading reports may be required.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ACCT 321, ACCT 322; minimum cumulative GPA of 2.75 and minimum GPA of 3.00 in accounting courses
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
Special Approval: Instructor, Department Chair and Dean permission required
College Code: CPS

ACCT 505 - Survey of Accounting for Decision Making and Control
Credits: 2,3
Accounting and financial analysis overview course focusing on financial reporting, internal controls and fraud prevention, cost management, budgeting, forecasting, and performance evaluation, with applications to financial management in health-care and other not-for-profit organizations. Labs are designed to further address, through practice and implementation, the content of this course. This course is a foundation course for the MBA program, and is part of the core for the Medical Laboratory Sciences and Community and International Development graduate degree programs. Course grade not included in the MBA GPA calculation.

Lecture/Lab: Weekly: 1 lecture and one 75-minute lab
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CP

ACCT 515 - Data Analytics for Managers
Credits: 3
Application of Big Data tools to make business decisions. Topics addressed include: ask the right questions, find and cleanse the data, examine and analyze Big Data and interpret results. This introductory course, from an accounting perspective, uses Excel analytics tools and data visualization software to assist in making business decisions.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ACCT505
Schedule Type: Lecture, Interactive Online
Year Offering: Annually
Term Offering: Spring
College Code: CP

ACCT 586 - Tax Research
Credits: 3
Study of the legislative, administrative, and judicial sources of tax law, as well as the resources and techniques used to find a competent and professional
analysis of financial statements, SEC filings, and other public disclosures. For business analysis and valuation. Requirements include research and written macroeconomic level. Firm decision-making tools and consumer choice understanding of the world around them at both a microeconomic and a This course is designed to offer non-economics major students a broad

Develops business leaders' financial-statement literacy. Topics include: An examination of the standard-setting process and selected accounting research, the use of accounting data in decision making. Special attention is given to cost structures will be analyzed through the theory of supply and demand, including price and quantity determination, price elasticity, and the role of government in regulating market size and in addressing market failures. Production function, profit maximization conditions, and the basics of firm behavior will help the student to understand some aspects of the firm decision-making process. At a macroeconomic level, several aggregate variables will be studied, including GDP, the consumer price index, the monetary system, and economic policies implementation. This course may not be used to satisfy requirements for an undergraduate business degree.

ECON 225 - Principles of Macroeconomics
Credits: 3
Analysis of some major statistics of a national economy in the long and the short run, such as aggregate income and expenditures, economic growth, inflation, and unemployment, as well as the monetary system and money supply.

Course Attribute: Fulfills the General Education Social Sciences requirement
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Fall, Spring
College Code: CPS

ECON 226 - Principles of Microeconomics
Credits: 3
Use of the mainstream economic schools of thought to explain how economic units (consumers and producers) make decisions. The role of the market in organizing economic activity is widely explained as well as the way resources are allocated in an economy through the price mechanism. Concepts like elasticities and profit maximization are computed and analyzed. Algebra used extensively.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online, Self-Paced
Term Offering: Fall, Spring
College Code: CPS

ECON 320 - U.S. Economic History
Credits: 3
A survey of the United States' growth and transformation into an industrialized nation. Economic analysis is used to explain the sources and consequences of U.S. economic change. Topics covered include the rise of the corporation, the emergence of a national market, financial development, slavery, government regulation, transportation, the Great Depression, and rapid post-WWII growth.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Fall, Spring
College Code: CPS

ECON 321 - Indian Economic History
Credits: 3
A study of Indian Economics in two parts. In the first part, emphasis will be on the study of Economics from ancient times to Indian Independence. The second part will be devoted to the Economic progress of India since Independence, with special emphasis on the five-year plans and their requirements. Only offered for students enrolled at Spicer Memorial College.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CPS

ECON 325 - Economic Thought
Credits: 3
The development of economic thinking from late medieval times to the present. Survey begins with the Mercantilists, extends through Adam Smith to 20th century thinkers such as Joan Robinson, Milton Friedman, and John M. Keynes.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: CPS

ECON 328 - Money and Banking
Credits: 3
Commercial banking and the process of money creation, the operation and controls of the Federal Reserve System, money and credit in circulation, and the
The effects of monetary policies. Some contemporary financial crises (and crisis management) are analyzed, along with their origins and consequences on the financial and banking system.

Grade Mode: Normal (A-F,I,W)  
Prerequisite/Corequisite: ECON 225, ECON 226  
Schedule Type: Lecture  
Year Offering: Odd years  
Term Offering: Fall  
College Code: CPS

ECON 330 - Health Economics  
Credits: 3  
An application of economic principles to the health-care industry. Demand for and supply of health-care services are analyzed to determine their effect on cost. Examines the impact of insurance, technology, and regulation on the industry.

Grade Mode: Normal (A-F,I,W)  
Prerequisite/Corequisite: ECON 226  
Schedule Type: Lecture  
Year Offering: Odd years  
Term Offering: Fall  
College Code: CPS

ECON 334 - Intermediate Microeconomics  
Credits: 3  
Theoretical analysis of consumer behavior, and decision making, using the utility function. The firm's decision making process is also analyzed in different market structures, based on profit maximization and costs of production. Welfare economics and game theory are introduced. Students may not enroll in ECON334 unless they have obtained a grade of C or higher in ECON 226.

Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): ECON 226  
Prerequisite/Corequisite: MATH 191 or MATH 182  
Schedule Type: Lecture  
Year Offering: Odd years  
Term Offering: Spring  
College Code: CPS

ECON 335 - Intermediate Macroeconomics  
The classical theory and growth theory in the long run are analyzed as well as the business cycle theory. Determinants of aggregate income are studied, along with other aggregate variables like the unemployment rate, the interest rate and inflation and its impact on the economy. Students may not enroll in ECON335 unless they have obtained a grade of C or higher in ECON 225.

Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): ECON 225  
Prerequisite/Corequisite: ECON 226  
Schedule Type: Lecture  
Year Offering: Even years  
Term Offering: Spring  
College Code: CPS

ECON 367 - Labor Economics and Relations  
Credits: 3  
An analysis of the labor market focusing on labor demand, supply, wage differentials, human capital, discrimination, and union.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: CPS

ECON 415 - Introduction to Econometrics  
Credits: 3  
Topics include probability sampling, hypothesis testing, regression techniques, and problems of multicollinearity, heteroscedasticity, and auto-correlation.

Grade Mode: Normal (A-F,I,W)  
Prerequisite/Corequisite: STAT 285 or STAT 340, MATH 191 or MATH 182  
Schedule Type: Lecture  
Year Offering: Even years  
Term Offering: Fall  
College Code: CPS

ECON 427 - Economic Development  
Credits: 3  
A study of the problem of poverty in the world and theories about the growth of developing countries. The effects of population growth, trade and aid, alternative strategies for expansion, and challenges facing these countries are evaluated.

Grade Mode: Normal (A-F,I,W)  
Prerequisite/Corequisite: ECON 225, ECON 226  
Schedule Type: Lecture  
Year Offering: Odd years  
Term Offering: Fall  
College Code: CPS

ECON 440 - Public Finance  
Credits: 3  
The course integrates economic theory with applications in the field of public finance. Focuses on detailed microeconomic analysis of government functions, expenditures, and finance. Recent public finance issues are discussed.

Grade Mode: Normal (A-F,I,W)  
Prerequisite/Corequisite: ECON 225, ECON 334  
Schedule Type: Lecture  
Year Offering: Odd years  
Term Offering: Spring  
College Code: CPS

ECON 454 - International Economics  
Credits: 3  
A description and theoretical analysis of international trade, balance-of-payments accounts, the mechanisms of international economic adjustment, the theory of comparative advantage, and economic integration.

Grade Mode: Normal (A-F,I,W)  
Prerequisite/Corequisite: ECON 225, ECON 226  
Schedule Type: Lecture  
Year Offering: Even years  
Term Offering: Fall  
College Code: CPS

ECON 490 - Independent Readings/Study in ________  
Credits: 1–3  
Individually directed study or readings under the guidance of the instructor. Oral and reading reports may be required.

Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): ECON 225, ECON 226; minimum cumulative GPA of 2.75 and minimum GPA of 3.00 in economics courses  
Repeatable: Repeatable up to 6 credits  
Schedule Type: Independent  
Special Approval: Instructor, Department Chair and Dean permission required  
College Code: CPS

ECON 508 - Survey of Economics  
Credits: 2  
This course is designed to offer non-economics major students a broad understanding of the world around them at both a microeconomic and a macroeconomic level. Firm decision-making tools and consumer choice mechanisms will be studied. More specifically, the role of the market and its structures will be analyzed through the theory of supply and demand, including price and quantity determination, price elasticity, and the role of government in regulating market size and in addressing market failures. Production function, profit maximization conditions, and the basics of firm behavior will help the student to understand some aspects of the firm decision-making process. At a macroeconomic level, several aggregate variables will be studied, including GDP, the consumer price index, the monetary system, and economic policies implementation. A foundation course for the MBA. Grade not included in the MBA GPA calculation.

Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture, Interactive Online  
Term Offering: Spring  
College Code: CPS

ECON 525 - International Macroeconomics  
Credits: 3  
The study of global macroeconomic issues facing firms, including the structure of the exchange rate regime. In this context, the forecast of a floating exchange rate and the impact of monetary policies, the interest rate and the inflation rate on the exchange rate setting are studied and analyzed. Within the context of competing economic theories, the course considers domestic policies, international trade and payment issues, economic growth, international institutions and the spread of regional crises, and the impact of stabilization policies on firms. Development of a spreadsheet model of an economy is required.

Grade Mode: Normal (A-F,I,W)  
Prerequisite/Corequisite: ECON 225, ECON 226  
Schedule Type: Lecture  
Year Offering: Odd years  
Term Offering: Fall  
College Code: CPS
Finance

FNCE 206 - Personal Finance
Credits: 2, 3
Study of personal financial management. Emphasizes the principles of stewardship. The course covers household budgeting; use and cost of credit; life, property and umbrella insurance; individual taxation; housing; estate planning; savings; and investing. Not available for credit towards a finance major.

Course Attribute: Fulfills the General Education Social Sciences requirement
Grade Mode: Normal (A-F,I,W)
Term Offering: Fall, Spring
College Code: CPS

FNCE 317 - Business Finance
Credits: 3
A managerial approach to financial analysis, planning, and control. Management of working capital, long-term assets, and long-term financing.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: ACCT 122, MATH 166 or higher math course.
Term Offering: Fall
College Code: CP

FNCE 330 - Financial Planning
Credits: 3
An integrative approach to personal financial planning incorporating time value of money, financial statements, federal taxation, risk management and insurance concepts. Emphasis will be placed on developing a framework for formulating sound financial plans.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FNCE 317.
Term Offering: Fall
College Code: CPS

FNCE 394 - Futures and Options Markets
Credits: 3
The theory of futures pricing and options pricing, and the application of the theory to develop a framework for analyzing hedging and investment decisions using futures and options. Attention to practical considerations in the use of these investments.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FNCE 317.
Term Offering: Fall
College Code: CPS

FNCE 397 - Investments
Credits: 3
The techniques, vehicles, and strategies for implementing investment goals in light of risk-return tradeoffs. Key factors that determine the composition of the individual or institutional portfolios emphasized.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FNCE 317.
Term Offering: Fall
College Code: CPS

FNCE 410 - Intermediate Business Finance
Credits: 3
A study of more advanced topics in corporate finance and an application of previously covered topics with the use of cases.

Grade Mode: Normal (A-F,I,W)
Term Offering: Spring
College Code: CPS

FNCE 426 - International Finance
Credits: 3

Grade Mode: Normal (A-F,I,W)
Term Offering: Spring
College Code: CPS

FNCE 429 - Portfolio Theory
Credits: 3
Theories and techniques for management of portfolios; emphasis on the portfolio manager’s role in diversification and meeting investors’ goals, and a review of empirical literature.

Grade Mode: Normal (A-F,I,W)
Term Offering: Spring
College Code: CPS

FNCE 430 - Finance Seminar
Credits: 3
A survey of contemporary issues in financial markets, with an emphasis on financial market innovations, financial system stability, and the role of government. The class is taught in a seminar setting and relies on extensive selected reading from current trade books and periodicals.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FNCE 317.
Term Offering: Spring
College Code: CPS

FNCE 435 - Internship in Finance/Investments
Credits: 1–3
A program of supervised finance and/or investments experience, approved in advance by the academic advisor for finance and the AEF program coordinator. Student must have at least a 2.67 cumulative GPA. A minimum of 75 hours of finance/investments work experience is required for each credit hour. Full arrangements for a structured program must be made prior to the start of the internship.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Prerequisite(s): FNCE 317
Term Offering: Fall
College Code: CPS

Special Approval: Instructor permission required.

College Code: CPS
FNCE 490 - Independent Readings/Study in _______
Credits: 1–3
Individually directed study or readings under the guidance of the instructor. Oral and reading reports may be required.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FNCE 317; minimum cumulative GPA of 2.75 and minimum GPA of 3.00 in finance courses
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
Special Approval: Instructor, Department Chair and Dean permission required
College Code: CPS

FNCE 500 - Survey of Business Finance
Credits: 2
A managerial approach to financial analysis, planning and control. Management of working capital, long-term assets, and long-term financing. A foundation course for the MBA and other graduate programs. Grade not included in the MBA GPA calculation.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: ACCT 122 or ACCT 205 or ACCT 505, and MATH 166
Schedule Type: Lecture, Interactive Online
Term Offering: Fall
College Code: CPS

FNCE 526 - International Financial Management
Credits: 3
The financial management of international enterprises and global portfolio analysis. Short- and long-term capital sources and uses. Capital budgeting in changing foreign exchange conditions. Exchange exposure coverage and taxation impacts. Research paper/presentation or case analyses are required.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FNCE 317 or FNCE 500.
Schedule Type: Lecture, Interactive Online
College Code: CPS

FNCE 675 - Financial Management
Credits: 3
An advanced study of major topics in corporate financial management. These topics include valuation of financial assets, investment in long-term assets, capital structure, dividend policy, working capital management, and other specialized topics, such as risk management.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FNCE 317 or FNCE 500.
Schedule Type: Lecture, Interactive Online
Term Offering: Spring
College Code: CPS

FNCE 680 - Investment Management
Credits: 3

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FNCE 317 or FNCE 500
Schedule Type: Lecture, Interactive Online
Year Offering: Alternate Years
Term Offering: Summer
College Code: CPS
School of Business Administration: Graduate Business Administration Masters

Business Administration MBA

With the appropriate business background, the Professional MBA at Andrews University can be completed in three semesters. However, the MBA is also designed for students with any bachelor’s degree. Students who enter the program without prior coursework in business will take a two-year (5-semester) degree program, which will include prerequisites. Prerequisites in the common body of knowledge are required to bring the student up to the minimum expectations of our graduate faculty. These courses provide an introduction to the broad field of business administration and may not be used to satisfy program requirements.

The graduate courses in the MBA itself, which approximate three semesters of work, are divided into two groups, required and elective; 21 credits are in courses required of all students, and 12 credits are in elective courses. These advanced courses emphasize the understanding of administrative processes in resolving problems faced by business executives. These courses also help the student view the business enterprise as an integrated unit operating in a complex economic, political, and social system.

Mission: The mission of the Professional MBA program is to prepare students from many cultural backgrounds for responsible positions in domestic and international business, in government, and in not-for-profit organizations. The program emphasizes the integration of business principles with Christian principles and philosophy to prepare students for leadership roles which require clear and critical thinking, wise judgment, effective communication, integrity in all actions, and recognition of opportunities for service.

Delivery: The Master of Business Administration is available in three modes of delivery:
- Main Campus
- Interactive Online
- International Sites: Vietnam National University, Middle East University, National Economics University (Vietnam)

The interactive online option for the MBA degree program is designed for completion of all courses online. Some courses are offered in the interactive online format and others in the synchronous dual format (see School of Distance Education definitions). The final course(s) may be taken online or on campus in the last summer semester culminating with graduation exercises (usually the first weekend in August).

Dual Degree Option:
This program is also available as a dual degree with Social Work MSW:
- Business Administration/Social Work Dual Degree MBA/MSW

Total Credits - 33

ACCT 610 - Managerial Accounting Credits: 3
BSAD 515 - Organizational Behavior & Leadership Credits: 3
BSAD 620 - Christian Ethics, Service & Society Credits: 3 (MBA/MSW Dual Degree students replace this course with 1 credit of BSAD 556 and SOWK 515.)
BSAD 689 - Strategic Management Credits: 3 (Capstone Course)
ECON 530 - Managerial Economics Credits: 3
FNCE 675 - Financial Management Credits: 3
MKTG 680 - Strategic Marketing Management Credits: 3

Electives
Choose 4 courses (numbered 510 and above) from the following acronyms: ACCT, BSAD, FNCE, INFS, MKTG. (MBA/MSW Dual Degree students must choose either SOWK 630 or SOWK 660.) Students may fulfill elective credits by taking either the Healthcare Administration concentration or the Accounting/Finance concentration.

Healthcare Administration Concentration
The Healthcare Administration concentration prepares students seeking careers in management, clinical management and consulting with the knowledge needed to address the challenges and opportunities within the diverse industry of healthcare. Coursework covers the broad spectrum of health services administration skills, including healthcare management, ethics, finance, and policy. (The courses in this concentration may be taken instead of 4 elective courses.) Student pursuing the healthcare concentration need to start in the fall semester by taking BSAD 537.

BSAD 537 - Organization and Management of Healthcare Systems Credits: 3
BSAD 625 - Healthcare Law & Ethics Credits: 3
BSAD 640 - Healthcare Economics & Policy Credits: 3

Accounting/Finance Concentration
The Accounting/Finance concentration is designed to prepare students for management-level careers in the business arena. The concentration focuses on the skills needed to analyze and evaluate the risks and rewards associated with enterprise- and project-level business opportunities and improved decision-making using accounting and finance tools. (The courses in this concentration may be taken instead of 4 elective courses.)

ACCT 515 - Data Analytics for Managers Credits: 3
ACCT 620 - Financial Statement Analysis Credits: 3
BSAD 643 - Quantitative Methods in Business Decisions Credits: 3
FNCE 526 - International Financial Management Credits: 3
FNCE 680 - Investment Management Credits: 3

Admission Requirements
In addition to the general admission requirements under Graduate Academic Policies, note also the requirements listed below.

Prerequisite Courses
These prerequisite courses may be waived for students with appropriate undergraduate course work from an accredited institution. If the prerequisite courses are more than five years old or the grades earned are below C, students may be required to repeat these courses.

Such courses must be taken by the time the student has completed no more than 50% of his/her course work for the master’s degree. The following courses constitute the prerequisites for the MBA degree:

- BSAD 505 - Survey of Operations Management Credits: 2
- BSAD 475 - Operations Management Credits: 3
- BSAD 506 - Survey of Business Law Credits: 2
- BSAD 341 - Business Law Credits: 3
- FNCE 500 - Survey of Business Finance Credits: 2
- FNCE 317 - Business Finance Credits: 3
- STAT 285 - Introduction to Applied Statistics Credits: 3

Choose one of the following:
- ACCT 505 - Survey of Accounting for Decision Making and Control Credits: 2,3
- ACCT 205 - Accounting for Decision Making and Control Credits: 3
- Both ACCT 121 - Principles of Accounting I Credits: 3 and ACCT 122 - Principles of Accounting II Credits: 3

Choose one of the following:
- ECON 508 - Survey of Economics Credits: 2
- ECON 208 - Principles of Economics Credits: 3
- Both ECON 225 - Principles of Macroeconomics Credits: 3 and ECON 226 - Principles of Microeconomics Credits: 3

Competency in computers is assumed.
Graduate Management Admission Test (GMAT)
The GMAT admission requirements must be met for regular admission status. The student may not enroll for any graduate-level business credits (courses assigned as 515 or above) before the GMAT requirement is met. If the student chooses to waive the GMAT based on number 2 below, this must be done within the first semester of the MBA program.

Admission GMAT requirements can be obtained by ONE of the following:
- Attain formula score of 1,000 points, calculated by taking the undergraduate cumulative GPA X 200 + GMAT score ≥ 1,000.
- Five years of documented and approved related work experience and earned a grade of at least B- in statistics and a grade of at least B- in pre-calculus algebra.
- Previously earned an on-campus Andrews University undergraduate business degree with a cumulative GPA ≥ 3.0 and earned a grade of at least B- in statistics and a grade of at least B- in pre-calculus algebra.
- Previously earned degree with a cumulative GPA ≥ 3.25 from a U. S. accredited institution.

Professional Resume
All applicants must submit a separate, attached copy of their complete professional resume with their application. Completing the “Professional History” section within the application will not be considered sufficient for acceptance to School of Business Administration graduate programs.

Provisional Status
Students admitted under provisional status (due to lack of prerequisites, GMAT, etc.) must make regular progress toward achieving regular enrollment status and toward completion of their selected graduate degree. If insufficient progress is made, provisional status will be revoked after four enrolled semesters.

Regular admission status must be met no later than the semester before the last semester in which the student expects to enroll, prior to graduation.

Additional Information

Accreditation
The Master of Business Administration degree (both on-campus and interactive online delivery) is accredited by the International Accreditation Council for Business Education (IACBE), located in Lenexa, Kansas.

Student Learning Outcomes
- Students will be able to demonstrate competence in each of the functional areas of business.
- Students will be able to integrate the core business concepts and the use of effective management skills.
- Students will be able to apply professional communication skills, both oral and written.
- Students will be able to demonstrate their technological, quantitative and computer skills in analyzing and resolving business problems.
- Students will be able to articulate a manager’s ethical and diversity responsibilities with a Christian viewpoint to its stakeholders.

Organizational Management MSA

A Master of Science in Administration program is designed to prepare students for leadership in various industry-specific settings.

The MSA degree in Organizational Management is for students seeking management roles in church or other not-for-profit organizations. Offered by the School of Business Administration, the program blends business management, church management, and communication principles to create a well-rounded degree experience.

This MSA degree can be completed on-campus or online.

Online Delivery: Some courses are offered in the interactive online format and others in the synchronous dual format (see School of Distance Education definitions).

Total Credits - 33

BSAD 620 - Christian Ethics, Service & Society Credits: 3
MKTG 540 - Marketing Management in Not-for-Profit Organizations Credits: 3

Business Electives
Choose six credits from the following courses:
- ACCT 610 - Managerial Accounting Credits: 3
- ACCT 620 - Financial Statement Analysis Credits: 3
- BSAD 515 - Organizational Behavior & Leadership Credits: 3
- BSAD 560 - Intercultural Business Relations Credits: 3
- BSAD 615 - Management of Quality Credits: 3
- BSAD 670 - Management of Human Resources Credits: 3
- ECON 530 - Managerial Economics Credits: 3
- FNCE 675 - Financial Management Credits: 3
- MKTG 680 - Strategic Marketing Management Credits: 3

Seminary Electives
Choose nine credits from the following courses:
- PATH 526 - Conflict Management Credits: 2,3
- PATH 543 - Christian Leadership in a Changing World Credits: 2,3
- MSSN 505 - Christian Responses to Human Needs Credits: 2,3
- MSSN 546 - Mission in Cultural and Religious Context Credits: 3
- MSSN 630 - Cross-Cultural Leadership Development Credits: 2,3

Communication Electives
Choose nine credits from the following courses:
- COMM 510 - Communication Theory Credits: 3
- COMM 525 - Christian Communication Worldview & Ethics Credits: 3
- COMM 535 - Crisis Communications Credits: 2
- COMM 536 - Issues in Intercultural Communication Credits: 2,3
- COMM 562 - Social Media: Digital Footprint Management Credits: 3
- COMM 600 - Leadership Communication Credits: 2,3
- COMM 610 - Advanced Persuasion Credits: 2,3
- COMM 615 - Media Law Credits: 2,3
- COMM 620 - Christian Mass Media Development Credits: 3
- COMM 630 - Media Production Credits: 3

Additional Requirements
All graduate students are expected to maintain a 3.00 GPA in all graduate courses that apply to the degree requirements.

No grade of D or F (or U) may be used to satisfy degree requirements; however, these grades are included when computing the cumulative GPA and, if they occur in courses normally meeting degree requirements, the degree GPA.

Admission Requirements
See general admission requirements under Graduate Academic Policies.

Professional Resume
All applicants must submit a separate, attached copy of their complete professional resume with their application. Completing the "Professional History" section within the application will not be considered sufficient for acceptance to School of Business Administration graduate programs.

Maintaining Academic Standing
Students admitted under provisional status (due to lack of prerequisites, GMAT, etc.) must make regular progress toward achieving regular enrollment status and toward completion of their selected graduate degree. If insufficient progress is made, provisional status will be revoked after four enrolled semesters.

Regular admission status must be met no later than the semester before the last semester in which the student expects to enroll, prior to graduation.

Student Learning Outcomes
- Students will be able to demonstrate competence in the application of business principles and practices to the administration of church and church-related organizations.
- Students will be able to apply professional communication skills, both oral and written.
- Students will be able to demonstrate their technological, quantitative and computer skills in analyzing and resolving administrative problems.
- Students will be able to articulate an administrators’ ethical and diversity responsibilities with a Christian viewpoint to its stakeholders.

swinfo@andrews.edu
www.andrews.edu/socialwork

Program Description
Andrews University has chosen to explore a collaboration between the School of Business Administration and the School of Social Work in the College of Arts & Sciences to prepare students for service in occupations where social work and an MBA intersect. Social workers, particularly those in the areas of administration and development social work, may have an interest in administrative work. In such situations, the MBA could equip them with a complementary skill set. Likewise, MBA students may find themselves in situations where social work skills in counseling and therapy would be useful, especially if they work in the not-for-profit sector. In addition, the MBA/MSW collaborative allows for a greater breadth of employment opportunities for students.

Since both the MSW and MBA programs reduce the total credits in order to reduce costs and achieve a more streamlined and efficient program, both degrees must be received simultaneously in order to fulfill the requirements of either degree. In the event that a student decides to drop out of the dual degree program, the requirements for the single degree must be completed in their entirety.

Total Credits - 74
The MBA is a 33-credit degree, but it will share 5 credits with the MSW program, accepting 3 MSW credits as an elective (SOWK 630 or SOWK 660 which are taken under the MSW core), plus 2 MSW credits as part of the MBA ethics requirement (SOWK 515 from the MSW core). Likewise, the MSW is a 56 credit degree, but it will share 10 credits with the MBA program and accept 10 MBA credits as electives. This reduces the total credits for both degrees from 89 to 74.

Program Information
Information for the two programs (Business Administration MBA and Social Work MSW) follows:

Business Administration MBA
With the appropriate business background, the Professional MBA at Andrews University can be completed in three semesters. However, the MBA is also designed for students with any bachelor's degree. Students who enter the program without prior coursework in business will take a two-year (5-semester) degree program, which will include prerequisites. Prerequisites in the common body of knowledge are required to bring the student up to the minimum expectations of our graduate faculty. These courses provide an introduction to the broad field of business administration and may not be used to satisfy program requirements.

The graduate courses in the MBA itself, which approximate three semesters of work, are divided into two groups, required and elective; 21 credits are in courses required of all students, and 12 credits are in elective courses. These advanced courses emphasize the understanding of administrative processes in resolving problems faced by business executives. These courses also help the student view the business enterprise as an integrated unit operating in a complex economic, political, and social system.

Mission: The mission of the Professional MBA program is to prepare students from many cultural backgrounds for responsible positions in domestic and international business, in government, and in not-for-profit organizations. The program emphasizes the integration of business principles with Christian principles and philosophy to prepare students for leadership roles which require clear and critical thinking, wise judgment, effective communication, integrity in all actions, and recognition of opportunities for service.

Delivery: The Master of Business Administration is available in three modes of delivery:
• Main Campus
• Interactive Online
• International Sites: Vietnam National University, Middle East University, National Economics University (Viet Nam)

The interactive online option for the MBA degree program is designed for completion of all courses online. Some courses are offered in the interactive online format and others in the synchronous dual format (see School of Distance Education definitions). The final course(s) may be taken online or on campus in the last summer semester culminating with graduation exercises (usually the first weekend in August).

Dual Degree Option:
This program is also available as a dual degree with Social Work MSW:
• Business Administration/Social Work Dual Degree MBA/MSW

Total Credits - 33
ACCT 610 - Managerial Accounting Credits: 3
BSAD 515 - Organizational Behavior & Leadership Credits: 3
BSAD 620 - Christian Ethics, Service & Society Credits: 3 (MBA/MSW Dual Degree students replace this course with 1 credit of BSAD 556 and SOWK 515.)
BSAD 689 - Strategic Management Credits: 3 (Capstone Course)
ECON 530 - Managerial Economics Credits: 3
FNCE 675 - Financial Management Credits: 3
MKTG 680 - Strategic Marketing Management Credits: 3

Electives
Choose 4 courses (numbered 510 and above) from the following acronyms: ACCT, BSAD, FNCE, INFS, MKTG. (MBA/MSW Dual Degree students must choose either SOWK 630 or SOWK 660.) Students may fulfill elective credits by taking either the Healthcare Administration concentration or the Accounting/Finance concentration.

Healthcare Administration Concentration
The Healthcare Administration concentration prepares students seeking careers in management, clinical management and consulting with the knowledge needed to address the challenges and opportunities within the diverse industry of healthcare. Coursework covers the broad spectrum of health services administration skills, including healthcare management, ethics, finance, and policy. (The courses in this concentration may be taken instead of 4 elective courses.) Student pursuing the healthcare concentration need to start in the fall semester by taking BSAD 537.

BSAD 537 - Organization and Management of Healthcare Systems Credits: 3
BSAD 625 - Healthcare Law & Ethics Credits: 3
BSAD 640 - Healthcare Economics & Policy Credits: 3

Accounting/Finance Concentration
The Accounting/Finance concentration is designed to prepare students for management-level careers in the business arena. The concentration focuses on the skills needed to analyze and evaluate the risks and rewards associated with enterprise- and project-level business opportunities and improved decision-making using accounting and finance tools. (The courses in this concentration may be taken instead of 4 elective courses.)

ACCT 515 - Data Analytics for Managers Credits: 3
ACCT 620 - Financial Statement Analysis Credits: 3
BSAD 643 - Quantitative Methods in Business Decisions Credits: 3
FNCE 526 - International Financial Management Credits: 3
FNCE 680 - Investment Management Credits: 3

Admission Requirements
In addition to the general admission requirements under Graduate Academic Policies, note also the requirements listed below.

Prerequisite Courses
These prerequisite courses may be waived for students with appropriate undergraduate course work from an accredited institution. If the prerequisite courses are more than five years old or the grades earned are below C, students may be required to repeat these courses.
### Business Education (IACBE)

The Master of Business Administration degree (both on-campus and interactive online delivery) is accredited by the International Accreditation Council for Business Education (IACBE), located in Lenexa, Kansas.

The GMAT admission requirements must be met for regular admission status. The Graduate Management Admission Test (GMAT) admission GMAT requirements can be obtained by waiving the GMAT based on number 2 below, this must be done within the first semester of the MBA program.

### Graduate Management Admission Test (GMAT)

The GMAT admission requirements must be met for regular admission status. The student may not enroll for any graduate-level business credits (courses assigned as 515 or above) before the GMAT requirement is met. If the student chooses to waive the GMAT based on number 2 below, this must be done within the first semester of the MBA program.

Admission GMAT requirements can be obtained by ONE of the following:

- Attain formula score of 1,000 points, calculated by taking the undergraduate cumulative GPA X 200 + GMAT score ≥ 1,000.
- Five years of documented and approved related work experience and earned a grade of at least B- in statistics and a grade of at least B- in pre-calculus algebra.
- Previously earned an on-campus Andrews University undergraduate business degree with a cumulative GPA ≥ 3.0 and earned a grade of at least B- in statistics and a grade of at least B- in pre-calculus algebra.
- Previously earned degree with a cumulative GPA ≥ 3.25 from a U. S. accredited institution.

### Professional Resume

All applicants must submit a separate, attached copy of their complete professional resume with their application. Completing the "Professional History" section within the application will not be considered sufficient for acceptance to School of Business Administration graduate programs.

### Provisional Status

Students admitted under provisional status (due to lack of prerequisites, GMAT, etc.) must make regular progress toward achieving regular enrollment status and toward completion of their selected graduate degree. If insufficient progress is made, provisional status will be revoked after four enrolled semesters.

Regular admission status must be met no later than the semester before the last semester in which the student expects to enroll, prior to graduation.

### Additional Information

#### Accreditation

The Master of Business Administration degree (both on-campus and interactive online delivery) is accredited by the International Accreditation Council for Business Education (IACBE), located in Lenexa, Kansas.

### Student Learning Outcomes

- Students will be able to demonstrate competence in each of the functional areas of business.
Admission Requirements

English Language Requirements
For those applicants whose native language is not English, the following is required:
- Demonstration of English proficiency by obtaining at least a minimum score on any one of the following exams. Exam must be taken within two years prior to enrollment.
  - TOEFL ITP (paper-based): A score of 550
  - TOEFL iBT (internet-based): 80 with a minimum of 20 on each section
  - MELAB: 80 with a minimum of 80 on each section
  - IELTS (Academic version): 6.5
  - PTE (Academic version): 54
- MSW program participates in the Bridge program which allows students who are close to the minimum scores to take 3-6 credits of MSW courses along with ESL courses. Requirements to participate in the Bridge program are below.
  - TOEFL ITP (paper-based): A score of 500-549 (2-3 ESL courses and up to 3-6 credits of regular MSW course work)* OR
  - MELAB - Bridge 1: 70-75 (3 ESL courses; up to 3 credits regular MSW course work)* OR
  - MELAB - Bridge 2: 76-79 (2 ESL courses; up to 6 credits regular MSW course work)*
  *with permission of the department
- Nelson Denny: score of 13
- Personal interview with MSW program director or designee

Applicants who fail to meet any of the above may be admitted only after committee consideration of the specific circumstances. Additional course work in English may be required.

A student who graduated from a four-year English-speaking high school, college or university may be exempted from all or parts of the above requirements.

Graduate Record Examination (GRE)
Students who are applying for admission to the MSW program are not required to take the GRE. For those students who are seeking the GRE scholarship, the GRE must be taken. The amount of a potential scholarship is related to the score achieved on the GRE as follows:

<table>
<thead>
<tr>
<th>GRE Score</th>
<th>Scholarship</th>
</tr>
</thead>
<tbody>
<tr>
<td>320</td>
<td>50% tuition reduction</td>
</tr>
<tr>
<td>310</td>
<td>25% tuition reduction</td>
</tr>
<tr>
<td>300</td>
<td>10% tuition reduction</td>
</tr>
</tbody>
</table>

Additional Information

MSW Scholarship
Since the MSW program does not require the GRE, an equivalent graduate scholarship is offered in the department. The amount of potential scholarship is related to GPA and supporting documents. This applies to the last 3 semesters of the program. Please refer to the School of Social Work website for further information:

https://www.andrews.edu/cas/socialwork/scholarships/msw-scholarship-policy.pdf

<table>
<thead>
<tr>
<th>GPA</th>
<th>Scholarship</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.90 - 4.00</td>
<td>50% tuition reduction</td>
</tr>
<tr>
<td>3.50 - 3.89</td>
<td>25% tuition reduction</td>
</tr>
<tr>
<td>3.30 - 3.49</td>
<td>10% tuition reduction</td>
</tr>
</tbody>
</table>

*available to Advanced standing 1 year students only, based on BSW GPA

Assistantships
Students have the opportunity to apply for graduate assistantships—teaching or research. These assistantships give students the opportunity to develop their expertise. Students interested in becoming social-work educators—especially those with years of clinical experience—may teach undergraduate courses. Research assistantships offer experiences in community consulting, grant writing, and/or conducting research.

Resources

MSW Student Handbook
The MSW Student Handbook has been designed as the social work student’s aid in understanding the program requirements of the School of Social Work as well as relevant policies of Andrews University. Inside the handbook you will find information such as expectations of students, the MSW curriculum, departmental policies, and other relevant information.

Field Manual
The Field Manual has been designed as your aid in understanding field education requirements, your role as a student in a field agency, and relevant policies of Andrews University.

You are responsible for the information found in this handbook, so please take the time to familiarize yourself with the handbook and know where to find questions and answers if the need arises.

Student Learning Outcomes
Students who complete this program will:
- Demonstrate ethical and professional behavior
- Engage diversity and difference in practice
- Advance human rights and social, economic, and environmental justice
- Engage in practice-informed research and research-informed practice
- Engage in policy practice
- Engage with Individuals, Families, Groups, Organizations, and Communities
- Assess and Plan with Individuals, Families, Groups, and Communities
- Intervene with Individuals, Families, Groups, Organizations, and Communities
- Evaluate Practice with Individuals, Families, Groups, Organizations, and Communities
- Demonstrate a Christian Social Work Perspective

Tony Yang

Associates

Business AS
The Associate of Science degree prepares students for entry-level job opportunities in the business field. The degree is designed for the student who cannot stay in college for a four-year degree or who wishes to interrupt his/her program for a period of time and return to college to complete a four-year baccalaureate degree.

This AS degree can be completed on-campus, at Hong Kong Adventist College (HKAC), or online. Program requirements are the same for both the main campus and online options.

Main Campus and HKAC: All courses for this program are available on the main campus and at Hong Kong Adventist College. Campus course formats include lectures, labs, and more interactive learning experiences.

Online: All course requirements can also be completed online, with no time required on the main campus. Online courses are offered in an interactive online format (see School of Distance Education online delivery definitions).

Total Credits - 62

Major - 28

ACCT 121 - Principles of Accounting I Credits: 3

Major - 39

ACCT 121 - Principles of Accounting I Credits: 3
ACCT 122 - Principles of Accounting II Credits: 3

MATH 166 - College Algebra for Business Credits: 3 *(or higher)
STAT 285 - Introduction to Applied Statistics Credits: 3 *
*Course fulfills ACE requirement

Additional Information

Transfer Credits
The School of Business Administration does not accept 100-200 level courses (i.e. lower division) as transfer work to replace 300-400 level courses (i.e. upper division).

Student Learning Outcomes

• Students will be able to identify the basic theory and concepts of business across business functional areas.
• Students will be able to identify relevant business theories in analyzing business issues.
• Students will be able to explain that the content of their business courses adequately prepared them for entry-level careers in business.

Bachelors

Business Administration BS

The program caters specifically to pre-medical, pre-dental, pre-law or other pre-professional students who desire a business emphasis that will benefit them in their chosen career.

This four-year degree includes the business core and courses required by the pre-professional program. Courses need to be selected in consultation with an advisor from the School of Business Administration and an advisor from the specific pre-professional program.

This program is also offered in an online format.

Total Credits - 124
Additional Requirements
Students must complete the required business courses with a minimum GPA of 2.33 (C+).

Cognates - 6
- RELT 340 - Religion and Ethics in Modern Society Credits: 3 *
- or
- RELT 390 - Christian Business Ethics Credits: 3 *
- STAT 285 - Introduction to Applied Statistics Credits: 3 (for pre-medical students, substitute BIOL 280)
*Course fulfills ACE requirement

Additional Information
Transfer Credits
The School of Business Administration does not accept 100-200 level courses (i.e. lower division) as transfer work to replace 300-400 level courses (i.e. upper division).

Student Learning Outcomes
- Students will be able to identify the major theory and concepts of business across business functional areas.
- Students will be able to incorporate relevant quantitative and qualitative data in the analysis.
- Students will be able to identify relevant business theories in analyzing business issues and apply appropriate theories in addressing business problems.
- Students will be able to deliver oral presentations clearly, confidently, and in an organized format, and present their written thoughts in a coherent narrative to articulate complex ideas.
- Students will be able to identify Christian perspectives when approaching business issues and understand the Judea-Christian foundation of personal and professional integrity, accountability, and experience positive spiritual growth.

Management BBA
The BBA in Management degree is a broad-based discipline which integrates knowledge and skills in the areas of planning, organizing, leading, and controlling to enhance organizational performance and sustainability. It provides students an opportunity to gain experience by applying the latest management theory to real-world problems both inside and outside the classroom and to prepare them to work with people in for-profit and not-for-profit organizations including the worldwide Seventh-day Adventist Church. The program endeavors to promote intellectual, spiritual, physical, and social development built upon a solid foundation of ethics and cross-cultural understanding. Its strong emphasis on ethical and moral development based on the teachings of the Bible differentiates this program from those offered by other secular tertiary academic institutions.

The management curriculum is broad enough to prepare students for a variety of career opportunities. Many management graduates enter into an internship or training program where they can integrate their general business skills with specific job opportunities. The program provides a background of professional education for general management or human resources careers in retail, manufacturing, banking, healthcare, public service, and other fields where sound management skills are needed. Some examples of entry-level jobs available for management graduates are management trainee, program analyst, project manager, data analyst, business analyst, business operations associate, and human resource officer. Moreover, the program provides graduates with the necessary tools to pursue graduate-level studies in management and other business-related fields.

Major - 24
- BSAD 345 - Business and Society Credits: 3
- BSAD 384 - Human Resource Management Credits: 3
- BSAD 410 - Entrepreneurship Credits: 3
- BSAD 436 - Organizational Behavior Credits: 3
- BSAD 467 - International Management Credits: 3
- BSAD 470 - Quality Management Credits: 3

Electives
Choose a minimum of 6 credits of electives as follows:

Group A electives
Choose between 3 and 6 credits of BSAD courses not previously applied.

Group B electives
Up to 3 credits of Electives may be selected from ACCT, ECON, FNCE, INF or MKTG courses.

Additional Requirements
Students must complete the business core courses (39 credits) and the major required and elective courses (24 credits) with a minimum overall GPA of 2.33. However, students must receive a minimum of a “C-” grade in each course. Courses where a grade less than a “C-” is received will not apply towards the business core or major requirements.

All management majors must obtain a C (2.00) minimum grade in BSAD 355.

Cognates - 12
- MATH 166 - College Algebra for Business Credits: 3 *
- STAT 285 - Introduction to Applied Statistics Credits: 3 *

Choose one of the following courses:
- PSIC 101 - Introduction to Psychology Credits: 3 *
- SOC 119 - Principles of Sociology Credits: 3 *

Choose one of the following courses:
- RELT 340 - Religion and Ethics in Modern Society Credits: 3 *
- RELT 390 - Christian Business Ethics Credits: 3 *
*Course fulfills ACE requirement

Additional Requirements
Transfer Credits
The School of Business Administration does not accept 100-200 level courses (i.e., lower division) as transfer work to replace 300-400 level courses (i.e., upper division).

Residence Requirement
Students must complete in residence in the School of Business Administration at Andrews University a minimum of 50% (31.5 credits) of the course work for the BBA degree (63 credits = 39 credits in the BBA core + 24 credits in BBA required/elective major courses).

Student Learning Outcomes
Program Outcomes
- Students will be able to identify the major theory and concepts of business across business functional areas.
- Students will be able to incorporate relevant quantitative and qualitative data in the analysis.
- Students will be able to identify relevant business theories in analyzing business issues and apply appropriate theories in addressing business problems.
• Students will be able to deliver oral presentations clearly, confidently, and in an organized format, and present their written thoughts in a coherent narrative to articulate complex ideas.
• Students will be able to identify Christian perspectives when approaching business issues and understand the Judea-Christian foundation of personal and professional integrity, accountability, and experience positive spiritual growth.

Major Outcomes
• Students will be able to explain how the required and elective Management major courses integrated with the other functional areas of business.
• Students will be able to explain the major concepts, theory, and practice of their required Management major courses: Business & Society, Human Resource Management, Entrepreneuring, Motivation and Work Behavior, International Management, and Quality Management.
• Students in Management will be able to articulate that their understanding of Christian principles and ethics related positively to their professional careers.
• Students will be able to explain that the rigor and content of their Management major courses adequately prepared them for their careers in Management.

Marketing BBA
Enhanced by technology, organizations from every area of business are driven by marketing and its concepts. Marketing monitors and investigates the changing needs of businesses and non-profit organizations. Marketers create a product/service designed to meet these needs, including determining the price, distribution pattern and promotional plan. Marketing provides a well-rounded business education for those considering opening their own business or for careers in areas such as social media, advertising and promotion, retail or marketing management, sales, international business, or marketing research (digital analytics, etc.), currently one of the fastest growing job opportunities in business. The marketing curriculum helps students attain strong marketing skills, understand non-profit organizations and develop social media campaigns, marketing strategies and policies.

Undergraduate Minors

Business Administration Minor

The Business Administration minor is designed for students who wish to supplement their major coursework with a background in business principles. With a minor in Business Administration, students are given the opportunity to obtain entry-level jobs in business or can continue on at Andrews University to complete a Master of Business Administration (MBA) after completion of their undergraduate degree. Students who are planning to continue their education with a MBA, are encouraged to take specific electives in order to complete the required prerequisites.

Total Credits - 18

ACCT 205 - Accounting for Decision Making and Control Credits: 3
BSAD 355 - Principles of Management Credits: 3
ECON 208 - Principles of Economics Credits: 3
MKTG 310 - Principles of Marketing Credits: 3

Electives
Choose 6 credits from the following courses (students who are interested in pursuing the MBA after completion of their undergraduate degree should consider taking BSAD 341, BSAD 475, and FNCE 317):

BSAD 210 - Small Business Management Credits: 3
BSAD 341 - Business Law Credits: 3
BSAD 365 - International Environment of Business Credits: 3
BSAD 475 - Operations Management Credits: 3
3 credits of FNCE 206 - Personal Finance Credits: 2,3
FNCE 317 - Business Finance Credits: 3
INF5 120 - Foundations of Information Technology Credits: 3
INF5 215 - Business Software Applications Credits: 3

Student Learning Outcomes

- Students will be able to explain how the required and elective Business Administration minor courses integrated with the other functional areas of business or a non-business major.
- Students will be able to explain the basic concepts, theory and practice of their required Business Administration minor courses.
- Students will be able to explain that the content of their Business Administration minor courses adequately prepared them for entry-level careers in business.

Management Minor

The Management minor is designed to give students a broad understanding of basic business concepts and introduce them to the theories and tools that managers use to plan, organize, lead, and monitor people and processes in for-profit and not-for-profit organizations. It provides an opportunity for students to develop essential management skills in entrepreneurship, creativity and innovation, teamwork, leadership, and other topics to be able to operate in complex business environments. This minor puts strong emphasis on ethical and moral development based on the teachings of the Bible.

Some popular outcomes of minoring in management are entry-level careers in entrepreneurship, consulting or pursuing a Master of Business Administration (MBA). Coupling the Management minor with a non-management major can help students understand how to adapt and apply management theory to practice to create quality results in the world of work.

Total Credits - 18

BSAD 345 - Business and Society Credits: 3
BSAD 355 - Principles of Management Credits: 3
BSAD 384 - Human Resource Management Credits: 3
BSAD 410 - Entrepreneurship Credits: 3
MKTG 310 - Principles of Marketing Credits: 3

NOTE: A minimum of a "C" letter grade must be earned in BSAD 355.

Marketing Minor

No matter what field is pursued, businesses are driven by marketing and its concepts thus often underlies any work experience. This minor investigates the changing needs of businesses and non-profit organizations. Marketers create a product/service designed to meet these needs including determining the price, distribution pattern and promotional plan. The marketing minor helps strengthen students’ entry into the job market by attaining strong marketing skills and understanding the underlying marketing concepts employed in any business environment.

Total Credits - 18

MKTG 310 - Principles of Marketing Credits: 3
MKTG 320 - Consumer Behavior Credits: 3
MKTG 368 - Integrated Marketing Communication Credits: 3
MKTG 450 - Retailing Credits: 3
MKTG 465 - Marketing Research Credits: 3 (with statistics background)
MKTG 465 - International Marketing Credits: 3
BSAD 410 - Entrepreneurship Credits: 3

Student Learning Outcomes

- Students will be able to develop and execute a marketing campaign including developing, pricing, promoting and distributing a product or service.
- Students will be able to deliver oral presentations clearly, confidently, and in a narrative to articulate complex ideas.
- Students will be able to identify relevant business theories in analyzing business issues and apply appropriate theories in addressing business issues.
- Students will be able to identify Christian perspectives when approaching business issues and understand the Judeo-Christian foundation of personal and professional integrity, ethics, accountability, and experience positive Christian growth.

Business Administration

BSAD 104 - Introduction to Business
Credits: 1

An introduction to the role of business in modern society. Includes a survey approach to the functional areas of business and how they relate to the overall organization. Overview of topics includes basic principles and career opportunities within each field of business. Students will learn how to write a resume and compile a portfolio. Does not apply towards management major during junior and senior years.

Grade Mode: Normal (A-F,I,W)
### BSAD 210 - Small Business Management

**Credits:** 3  
Examines the principles and challenges of operating a small business. Topics include establishing a new business, providing physical facilities, financing, marketing, and management of the small business. Does not apply towards a management major during junior and senior years.  

**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture, Interactive Online, Self-Paced  
**Term Offering:** Fall  
**College Code:** CPS

### BSAD 297 - Special Topics in: ______________

**Credits:** 1–3  
Study of selected topics of current interest in the sub-discipline area noted and not ordinarily covered in-depth in other courses.  

**Grade Mode:** Normal (A-F,I,W)  
**Repeatable:** Repeatable with different topics  
**Schedule Type:** Lecture  
**Special Approval:** Instructor permission required.  
**College Code:** CPS

### BSAD 341 - Business Law

**Credits:** 3  
Introduction to general legal principles concerning business organizations, property laws, employment regulation, agency laws, business torts and crimes, constitutional law, regulation of negotiable instruments and contracts, and the Uniform Commercial Code.  

**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture, Interactive Online, Self-Paced  
**Term Offering:** Fall, Spring  
**College Code:** CPS

### BSAD 345 - Business and Society

**Credits:** 3  
Examines the social, political, and legal environments surrounding business today. Attention is given to corporate social responsibility, ethical decision-making processes, stakeholder management, and long-term corporate sustainability.  

**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture  
**Term Offering:** Fall  
**College Code:** CPS

### BSAD 354 - Career Development

**Credits:** 1  
This course provides practical, useful, and realistic advice to help students prepare for internships and job searches. A comprehensive step-by-step guide helps students plan for their future and breaks the daunting prospect of marketing themselves to prospective employers into a manageable process. It equips the student with the tools needed to gain a competitive advantage in the workplace, reach career potential, and stand out in a crowd.  

**Course/Lab Fee:** No  
**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture  
**Year Offering:** Annually  
**Term Offering:** Fall  
**College Code:** CP

### BSAD 355 - Principles of Management

**Credits:** 3  
Introduction to the philosophy of management which presents an overview of organizational behavior. Emphases include the functions of management (planning, organizing, leading, and controlling), group and team dynamics, organizational structure, strategic planning, managing within a global environment, human resource functions, motivation, and management control systems.  

**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture, Interactive Online, Self-Paced  
**Term Offering:** Fall, Spring  
**College Code:** CPS

### BSAD 365 - International Environment of Business

**Credits:** 3  
A survey of the global environment in which business is conducted. Topics include globalization and the multinational corporation, international trade and investment, international monetary system, strategy and structure of international business, and international business functions.  

**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture  
**Term Offering:** Fall, Spring  
**College Code:** CPS

### BSAD 380 - Healthcare Foundations

**Credits:** 3  
This course surveys the many healthcare entities (public & private), how they interact and the issues that impact today's complex healthcare environment. Important topics include the medical care system, utilization and distribution of health services, cost and health care financing, public health factors, evaluation of domestic and global health policy, supply of the medical workforce, long-term care, mental health, assessment and assurance of quality, and the pharmaceutical industry.  

**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture  
**Term Offering:** Spring  
**College Code:** CPS

### BSAD 384 - Human Resource Management

**Credits:** 3  
A survey of the objectives and issues associated with personnel management in organizations. Topics include equal opportunity and the legal environment, recruitment and selection, performance appraisal, employee development, compensation planning, and employee relations.  

**Grade Mode:** Normal (A-F,I,W)  
**Prerequisite/Corequisite:** BSAD 355  
**Schedule Type:** Lecture  
**Term Offering:** Spring  
**College Code:** CPS

### BSAD 397 - Topics in ________

**Credits:** 1–3  
Intensive study of selected topics of current interest in the sub-discipline area noted and not ordinarily covered in depth in other courses.  

**Grade Mode:** Normal (A-F,I,W)  
**Repeatable:** Repeatable with different topics  
**Schedule Type:** Lecture  
**Special Approval:** Instructor permission required.  
**College Code:** CPS

### BSAD 410 - Entrepreneurship

**Credits:** 3  
An introduction to the creative and innovative managerial processes of successful entrepreneurship. Emphasis is on the creation, assessment, development, and operation of new and emerging ventures, including home-based businesses, franchises, and existing business purchases. Addresses entrepreneurial profiles and elements required to write a business plan.  

**Grade Mode:** Normal (A-F,I,W)  
**Prerequisite/Corequisite:** BSAD 355 and MKTG 310  
**Schedule Type:** Lecture  
**Term Offering:** Spring  
**College Code:** CPS

### BSAD 436 - Organizational Behavior

**Credits:** 3  
Examines the impact of individual, group, and organizational factors on employee motivation, performance, and satisfaction. Topics include social perception and diversity, appreciation of individual differences, motivation and satisfaction, effective groups and teams, conflict and negotiation, communication, leadership, power and politics, effective organizational design, and organizational change and learning.  

**Grade Mode:** Normal (A-F,I,W)  
**Prerequisite/Corequisite:** BSAD 355  
**Schedule Type:** Lecture  
**Term Offering:** Spring  
**College Code:** CPS
BSAD 438 - Workshop
Credits: 0
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Workshop
College Code: CPS

BSAD 447 - Project Management
Credits: 3
Covers the factors necessary for successful management of system development or enhancement projects. Both technical and behavioral aspects of project management are discussed. Focus is on management of development for enterprise-level systems.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CP

BSAD 450 - Multicultural Business Relations
Credits: 3
A study of globalization and the increasing ethnic and cultural diversity in the workplace. The course will enable students to plan how to communicate and work more effectively with people from another culture, at home or abroad. Communication, negotiation, principles and practices of management in a cross-cultural context are the focus of study. The course will also cover how legal, economic, technological, and other factors may influence cross-cultural communication.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall
College Code: CP

BSAD 467 - International Management
Credits: 3
This course helps students develop a global perspective in dealing with dynamic management issues in both foreign and diverse domestic environments. Among the subjects considered are the decision process in making investments abroad, relationships with host governments, and organizational and operating problems of the multinational corporation including setting strategic goals, personnel management, planning, communication, sustainability, and control.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: BSAD 355
Schedule Type: Lecture
Term Offering: Fall
College Code: CP

BSAD 470 - Quality Management
Credits: 3
Examines the history, theory and management of quality improvement efforts in business organizations. Topics include a review of quality theory, principles, and practices; quality design and assurance of goods and services; quality implementation using quality tools and statistical process control for continuous improvement; and strategy development for organizational change and transformation.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: BSAD 355
Schedule Type: Lecture
Term Offering: Spring
College Code: CPS

BSAD 475 - Operations Management
Credits: 3
Analysis of problems and issues faced by production/operations managers in manufacturing and service industries. Concepts and techniques include quality management with SPSS statistical analysis, supply chain design, procurement, LINDO linear programming, logistics operation, product development, operations scheduling, queues, process analysis, inventory control, forecasting, and project management.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: STAT 285
Schedule Type: Lecture, Interactive Online
Term Offering: Fall, Spring
College Code: CPS

BSAD 487 - Internship in _______
Credits: 1–3
A program of business experience. Student must be a Junior and have at least a B- cumulative GPA. 75 hours of work experience is required per credit. Full arrangements for a structured program must be made in advance.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 3 credit hours per major or minor
Schedule Type: Practicum
Special Approval: Instructor permission required.
College Code: CPS

BSAD 494 - Business Strategy and Decisions
Credits: 3
The goal of this integrative and interdisciplinary course is to enable students to draw together all the concepts and theories from business core courses and develop a strategic plan for a business case via the analysis of strategic and organizational problems and issues.

This is a Capstone Course, it is recommended for students to take FNCE317 prior to enrolling in BSAD494.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): FNCE317
BSAD 355 previously completed. All other core BBA courses must be completed or concurrently enrolled.
Schedule Type: Lecture, Interactive Online
Year Offering: Annually
Term Offering: Spring
College Code: CP

BSAD 497 - Advanced Topics in _______
Credits: 1–3
Topics of current interest in the sub-discipline area noted not ordinarily covered in depth in other courses.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
Special Approval: Instructor permission required.
College Code: CPS

BSAD 498 - Independent Readings/Study in _______
Credits: 1–3
Directed study or readings under the guidance of the instructor. Oral and reading reports may be required.

Grade Mode: Satisfactory (S,U,I,W)
Prerequisite(s): Previous upper-division work in the discipline; minimum cumulative GPA of 2.75 and minimum GPA of 3.00 in business subjects
Repeatable: Repeatable
Schedule Type: Independent
Special Approval: Dean permission required.
College Code: CPS

BSAD 499 - Independent Research in _______
Credits: 1–3
Study under the supervision of the instructor.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Prerequisite(s): Previous upper division work in the discipline; minimum cumulative GPA of 2.75 and a minimum GPA of 3.00 in business subjects.
Repeatable: Repeatable
Schedule Type: Independent
Special Approval: Dean permission required.
College Code: CPS

BSAD 500 - Survey of Management
Credits: 2
Introduction to the philosophy of management science which presents an overview of organizational behavior. Emphasize include the functions of management (planning, organizing, leading, and controlling), group and team dynamics, organizational structure, strategic planning, managing within a global environment, human resource functions, motivation, and management control systems. Not available for MBA program.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
BSAD 505 - Survey of Operations Management
Credits: 2
Analysis of problems and issues faced by production/operations managers in manufacturing and service industries. Concepts and techniques include quality management with SPSS statistical analysis, supply chain design, procurement, UNDO linear programming, logistics operation, product development, operations scheduling, queues, process analysis, inventory control, forecasting, and project management. A foundation course for the MBA and other graduate programs. Grade not included in the MBA GPA calculation.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: STAT 285
Schedule Type: Lecture, Interactive Online
Term Offering: Fall, Spring
College Code: CPS

BSAD 506 - Survey of Business Law
Credits: 2
Introduction to general legal principles concerning business organizations, property laws, employment regulation, agency laws, business torts and crimes, constitutional law, regulation of negotiable instruments and contracts, and the Uniform Commercial Code. A foundation course for the MBA and other graduate programs. Grade not included in the MBA GPA calculation.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: SOWK 401 or IS modules IS-100 and IS-244
Schedule Type: Lecture
College Code: CPS

BSAD 515 - Organizational Behavior & Leadership
Credits: 3
Application of behavioral sciences to management. The examination of contemporary theories and principles of human behavior. Topics include perception, personality, attitudes, emotions, motivation, leadership, decision-making, communication, group processes, diversity, organizational change, self-awareness, and stress management. A research paper and case analyses are required.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: SOWK 401 or IS modules IS-100 and IS-244
Schedule Type: Lecture, Interactive Online
Term Offering: Fall
College Code: CPS

BSAD 526 - Emergency Management
Credits: 3
Study of the ideas and concepts of emergency management. Expands basic principles covered in FEMA Independent Study (IS) modules, giving attention to leadership issues in managing change and making sound policy decisions and communicating during crisis incidents. Includes attention to specific hazards, laws, and standards of state government and federal requirements. Relationships between community preparedness and local emergency management programs will be emphasized. Emphasis will be given to the Integrated Command Systems (ICS) and Emergency Operations Center models of emergency management operations. Required course for Michigan PEM certification. Includes satisfactory completion of FEMA-provided modules in Professional Development Series.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: SOWK 401 or IS modules IS-100 and IS-244
Schedule Type: Lecture
College Code: CPS

BSAD 530 - Leadership & Management of Not-for-Profit Organizations
Credits: 3
Issues facing managers in third-sector organizations. Studies of the mission and objectives pursued, strategic leadership and board composition, organizational structure and operation, marketing and fund-raising, financial management, training and motivation of volunteers, assessment of stakeholder satisfaction and overall operating effectiveness. A major field project and a library research project are required.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: SOWK 401 or IS modules IS-100 and IS-244
Schedule Type: Lecture, Interactive Online
Term Offering: Spring
College Code: CPS

BSAD 537 - Organization and Management of Healthcare Systems
Credits: 3
Provides an overview of the various levels of healthcare delivery, complex system relationships, and explores the issues pertaining to the triple-bottom line of cost, quality and access within the provision of medical services. Students evaluate the challenges of managing a healthcare organization through the use of best practices, evidence-based management techniques, and organizational analysis.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CPS

BSAD 545 - International Business Management
Credits: 3
Understanding the global enterprise and how management concepts, principles, and practice transcend national boundaries. Focus on global strategies, the importance of cultural differences to organizational effectiveness, management of people in international organizations, personnel selection and repatriation, political risks, ethics and social responsibility.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Year Offering: Alternate Years
Term Offering: Summer
College Code: CPS

BSAD 555 - Careers and Personal Branding
Credits: 1
This course provides practical, useful, and realistic advice to help students prepare for internships and job searches. A comprehensive step-by-step guide helps students plan for their future and breaks the daunting prospect of marketing themselves to prospective employers into a manageable process. It equips the student with the tools needed to gain a competitive advantage in the workplace, reach career potential, and stand out in a crowd. A focus on portfolio development and personal branding ensure the student has the tools prepared for an effective job search.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 15 credits
Schedule Type: Lecture
College Code: CP

BSAD 556 - Topics in _____________
Credits: 1–3
Topics of current interest in the business area not ordinarily covered in-depth in regular courses.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 15 credits
Schedule Type: Lecture
College Code: CPS

BSAD 560 - Intercultural Business Relations
Credits: 3
Study of the role of culture in business, aims to develop skills in cross-cultural communication and negotiations; and prepares the student for the increasing cultural diversity in the workplace. A research paper and a project are required.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 15 credits
Schedule Type: Lecture
Year Offering: Alternate Years
Term Offering: Summer
College Code: CPS

BSAD 587 - Internship in ________
Credits: 1–3
A program of business experience. 75 hours of work experience is required per credit. Full arrangements for a structured program must be made in advance.

Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 3 credits
Schedule Type: Practicum
Special Approval: Instructor permission required.
College Code: CPS

BSAD 615 - Management of Quality
Credits: 3
Provides a strategic and structured approach to the design and development of
quality programs in manufacturing and service organizations. Addresses the analytical and behavioral aspects of quality and its strategic importance to organizational success.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: BSAD 515
Schedule Type: Lecture, Interactive Online
Year Offering: Alternate Years
Term Offering: Summer
College Code: CPS

BSAD 620 - Christian Ethics, Service & Society
Credits: 3
An exploration of the interrelationship among business, government and society. Stakeholder management, the analysis of the legal and regulatory environment, and the responsiveness of business in its service to society. A study of ethical problems encountered in business and the management of moral dilemmas.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
Term Offering: Spring
College Code: CPS

BSAD 625 - Healthcare Law & Ethics
Credits: 3
Overview of the key legal and related ethical topics relevant to the continuous evolution of the healthcare system. With the use of case studies, students will evaluate government regulation of health care, contracts, medical malpractice, legal and ethical issues related to the provision of care, privileging, medical decision making, mental health, tax exemption, antitrust, fraud and health information management.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CPS

BSAD 640 - Healthcare Economics & Policy
Credits: 3
This course is designed to provide students with economic tools and theories that will help them to understand and analyze various issues related to the provision and consumption of healthcare services, as well as the interaction between the three types of agents (consumers, private and public healthcare insurers and providers) in the market of healthcare and how it affects the price setting, costs, demand and supply of healthcare services. It also provides an understanding of the US healthcare system, in its functioning, efficiency and limits and how it differs from other healthcare systems. Healthcare policies over time will be analyzed and discussed in the context of their economic impact with a particular attention to the Affordable Care Act, as well as the years ahead. Some other specific issues involving physician's shortage and its economic impact, nurses, competition, the pharmaceutical industry will be discussed and analyzed.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CPS

BSAD 643 - Quantitative Methods in Business Decisions
Credits: 3
Study of quantitative tools for the analysis of problems arising in the management of organizations, and the application of these tools in the decision-making process of real business problems.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): BSAD 475 or BSAD 505 or instructor permission
Schedule Type: Lecture, Interactive Online
Term Offering: Spring
College Code: CPS

BSAD 645 - Reimbursement Systems (Financial Management of Healthcare Organizations)
Credits: 3
Introduction to the financial management of healthcare organizations. Course focuses on related topics of planning and financial decision making. Considers the unique operating environment of healthcare, the analysis methods of appropriate financial management, and communication of financial concepts.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: CPS

BSAD 648 - Workshop
Credits: 1–4
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Workshop
College Code: CPS

BSAD 650 - MBA Extension Program Continuation
Credits: 0
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: CPS

BSAD 670 - Management of Human Resources
Credits: 3
Topics may include human resources planning, job analysis and design, recruitment, screening and selection, training and career development, performance evaluation, compensation and rewards, affirmative action, discipline, unions, grievances, and conflict resolution. Emphasis on cases, projects, and research.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: BSAD 515 or permission of instructor
Schedule Type: Lecture
College Code: CPS

BSAD 689 - Strategic Management
Credits: 3
Requires that students integrate relevant knowledge gleaned from previous core business-course experiences. Extensive case work and library research are demanded. Students work with a real organization to develop a comprehensive strategic plan.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Assumes that the student has completed all MBA core requirements or is currently enrolled in the remaining courses
Schedule Type: Lecture, Interactive Online
Term Offering: Summer
College Code: CPS

BSAD 690 - Independent Readings
Credits: 1–3
Designed for the individual needs of a student. Oral/written reports may be required.

Grade Mode: Satisfactory (S,U,I,W)
Prerequisite(s): Completion of 24 graduate business credits with a cumulative GPA of at least 3.25
Repeatable: Repeatable
Schedule Type: Independent
Special Approval: Dean permission required.
College Code: CPS

BSAD 694 - Independent Research
Credits: 2,3
Designed to fit the individual needs of the student.

Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Prerequisite(s): Completion of 24 graduate business credits with a cumulative GPA of at least 3.25
Repeatable: Repeatable
Schedule Type: Independent
Special Approval: Dean permission required.
College Code: CPS

Marketing

MKTG 310 - Principles of Marketing
Credits: 3
A general survey of the four major marketing areas using the underpinnings of Christian values and ethical principles in a dynamic, highly competitive, global economy. The course assesses marketing concepts, strategies, and tactics that create value for consumers and organizations through integrated production and distribution of goods.

Grade Mode: Normal (A-F,I,W)
MKTG 320 - Consumer Behavior
Credits: 3
An integration of the various disciplines in the behavioral sciences with marketing theory to understand, explain, and predict consumer decisions. Explores both the theoretical and practical implications of individual behavioral variables, group influences, and consumer decision processes.

Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: MKTG 310
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

MKTG 325 - Marketing for Social Change
Credits: 3
Examines social marketing to address social issues relating to health, environment, well-being, and community. Students consider the most effective ways to influence a target market to voluntarily accept, reject, modify, or abandon a behavior for the benefit of individuals, groups, or society as a whole.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MKTG 310
Schedule Type: Lecture
Year Offering: Alternate years (odd)
Term Offering: Fall
College Code: CP

MKTG 335 - E-Marketing
Credits: 3
E-marketing explores the emerging business models, rules, tactics, and strategies associated with the Internet and its impact on the elements of marketing. As marketers operate in an ever-changing online environment, students will acquire a foundational understanding of digital marketing channels and how successful marketing campaigns use content creation and sharing, analytics, and search engine optimization to optimize social media campaigns that engage their audience.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MKTG 310
Schedule Type: Lecture
Year Offering: Alternate years (odd)
Term Offering: Spring
College Code: CPS

MKTG 368 - Integrated Marketing Communication
Credits: 3
Focuses on the role of ethical planning and managing in integrated marketing communication systems within an organization. Explores the nature and types of promotion, including advertising, sales promotion, internet marketing and social media, public relations, direct marketing, and personal selling. Also discusses the steps in developing an advertising campaign and various measurements assessing advertising effectiveness.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MKTG 310
Schedule Type: Lecture
Term Offering: Spring
College Code: CPS

MKTG 440 - Marketing Management
Credits: 3
An integrative capstone course for marketing majors. Emphasizes process by which marketing managers seek solutions to marketing problems and considers marketing opportunities. Field studies provide students with opportunities to apply knowledge gained in marketing course work to concrete situations. Assumes completion of majority of courses in marketing major.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MKTG 310, MKTG 320, MKTG 368 and MKTG 456, or permission of instructor.
Schedule Type: Lecture
Term Offering: Spring
College Code: CPS

MKTG 450 - Retailing
Credits: 3
Designed to help students increase awareness of the retailing process, understand the changes in customer needs, demographics, and shopping behaviors, assess the emerging technologies which have a dramatic effect on retail operations, and analyze the strategic long-term plans which retailers are using for creating advantages in this rapidly changing environment.

Course Attribute: Service course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): STAT 285, MKTG 310
Schedule Type: Lecture
Year Offering: Alternate years (even)
Term Offering: Fall
College Code: CP

MKTG 456 - Marketing Research
Credits: 3
Focuses on the systematic collection of business and marketing-related data to provide information to decision makers. Emphasis on translating management problems into research questions, developing a research design to address these questions, and analyzing research results with recommendations to management.

Course Attribute: Service course
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): STAT 285, MKTG 310
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

MKTG 465 - International Marketing
Credits: 3
Marketing problems arising from various degrees of foreign involvement. Includes marketing research, project planning and development, pricing, promotion, distribution, and organization. Emphasis on management of these marketing functions in a multinational context where the parameters differ from those in domestic marketing.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MKTG 310
Schedule Type: Lecture
Term Offering: Fall
College Code: CPS

MKTG 500 - Survey of Marketing
Credits: 2
A general survey of the four major marketing areas using the underpinnings of Christian values and ethical principles in a dynamic, highly competitive, global economy. The course assesses marketing concepts, strategies, and tactics that create value for consumers and organizations through integrated production and distribution of goods. Not available for the MBA program.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: CPS

MKTG 540 - Marketing Management in Not-for-Profit Organizations
Credits: 3
Examines the meaning and role of marketing concepts and tools agencies, foundations, and churches. The role of activities such as marketing research, product development, pricing, advertising, publicity, personal selling, and marketing control are examined in the non-profit sector.
MKTG 680 - Strategic Marketing Management

Credits: 3

Designed to help students think like a marketing strategist to recognize marketing problems, analytically evaluate possible alternatives, and creatively institute strategic solutions. Analysis of contemporary marketing problems, currently corporate marketing strategies and case analysis are used to achieve course objectives.
Seventh-day Adventist
Theological Seminary

Seminary Mission Statement
We serve the Seventh-day Adventist Church by preparing effective leaders to proclaim the everlasting gospel and make disciples of all people in anticipation of Christ’s soon return.

Seminary Vision Statement
The Seventh-day Adventist Theological Seminary prepares spiritual leaders to impact the world for Christ. We are a culturally diverse learning and worshipping community that nurtures excellence, provides theological leadership, and shares our ministry and resources around the world.

Core Values
Faithfulness with expectation
• Being faithful in our relationship to Christ as Savior and Lord
• Being faithful to God and his revelation as expressed in his Word
• Being faithful in our quest for truth and beauty through a teachable and steadfast spirit
• Being faithful to the Seventh-day Adventist Church and God’s prophetic leading in our story.

Christ-likeness with humility
• Cultivating a Christ-like integrity which reflects the character of God
• Submitting our whole selves, mind, body and spirit to God
• Living a passionate and authentic life of obedience and service.

Respect with justice
• Being Christians who are global in vision, sensitive to diversity, and competent in inter-cultural relationships
• Respecting all persons by exhibiting love, compassion and caring, and recognizing everyone’s unique giftedness and creative potential
• Working for fairness, and advocating for justice for those without power or voice.

Community with joy
• Worshipping with joy and keeping the Sabbath holy
• Nurturing a community of healing, grace, restoration and renewal
• Developing a sense of collegiality and friendship in our work as brothers and sisters in Christ.

Discipleship with wholeness
• Embracing the ongoing transformation by the Spirit in our own life of faith and learning
• Seeking to see in one another the Spirit’s work of restoring the image of our Maker
• Mentoring others in knowing and following their call and vocation.

Service with passion
• Leading with a servant’s heart to equip others for service
• Striving with passion to reach the lost, serve the poor, and grow the church
• Valuing creation and our call to be stewards in all areas of life.

Accreditation and Authorization
All seminary degree programs are accredited by The Association of Theological Schools in the United States and Canada.

Objectives
Each program of the Seminary is committed to the following general objectives:
• to furnish the Seventh-day Adventist Church with competent, highly motivated and consecrated pastors and church workers for service in the worldwide mission of the church
• to equip men and women for the various phases of ministry with sound methods, principles, and procedures of biblical interpretation and scholarship
• to provide a firm basis for an intellectual and spiritual understanding of religion, morality, and ethics as set forth in the Bible (accepted as the propositional word of God) and as understood in Christianity in general and the Adventist Church in particular
• to transmit a belief in the relevance of biblical faith and teaching to modern men and women and to their preparation for the future kingdom
• to develop skills required for effectively proclaiming biblical faith through preaching, teaching, writing, and leadership in corporate worship and all phases of church life
• to teach methods and procedures for leading a congregation or group to accomplish its own task of disseminating the faith by word and deed
• to encourage the development of professional and pastoral skills necessary to create an atmosphere of mutual care within the Christian community in order that harmony and unity may be maintained, the common good fostered, and Christian commitment deepened
• to encourage appreciation for other cultures, sympathetic understanding of customs different from one’s own, and responsiveness to change
• to promote personal involvement in the spiritual life of the Seminary community, to aid in the formation of a strong devotional life, to inspire a profound deepening of the student’s vocation and commitment to serve God and humanity in harmony with the teachings set forth in Scripture as understood by the Adventist church
• to foster, within the Adventist framework, a stimulating academic and professional environment; to provide the necessary tools required for learning; to emphasize sound method, sharp critical thought, and an eager approach to discovering ultimate truth; thus forming an adequate foundation for lifelong competence and integrity
• to lay the foundations for lasting friendships, productive of mutual assistance and confidence, and to promote professional collegiality that creates a willingness to transcend personal bias and accept counsel from one’s peers.

Human Relations
The Seminary affirms that all persons have equal worth as beings created in the image of God. A wide diversity of individuals gives opportunity for every student, staff member, and faculty member to practice Christian love and acceptance. In practical terms, this means that we encourage one another to be respectful of and sensitive to people of every age, gender, or disability; people of every racial, ethnic, cultural, geographical, political, religious, or economic background; and people who are single or married. In classrooms, chapels, and casual conversations, and in our writing, we recognize women and men equally and avoid assumptions or judgments based on group stereotypes. Neither gender nor racial disqualification is tolerated. Frank discourse not withstanding, we seek to listen, learn, and be enriched as we come to understand and appreciate each other more fully. We affirm our diversity even as we pursue unity.

Faculty
The faculty of the Seminary combine high academic and professional qualifications with a commitment to Jesus Christ and a concern for the proclamation of the gospel. A majority of the faculty have lived and/or worked overseas, served as pastors, and earned advanced degrees in the field of their specialization. The Seminary seeks to be responsive to cultural, ethnic, and national differences in its choice of faculty and staff.

The faculty is involved in research and writing for denominational periodicals and professional/theological journals. Articles authored by faculty appear in the SDA Bible Commentary; SDA Bible Dictionary; SDA Encyclopedia; Theological Dictionary of the Old Testament; The Interpreter’s Dictionary of the Bible, Supplementary Volume; Harper’s Dictionary of the Bible, rev. ed.; the New International Standard Bible Encyclopedia; and other reference works.

Scholarly Journal
In 1963 the Seminary began publishing a scholarly journal—Andrews University Seminary Studies. This biannual periodical presents the results of research in the fields of biblical archaeology and history of antiquity; Hebrew Bible; New Testament; church history of all periods; historical, biblical, and systematic theology; ethics; history of religions; and missions. Selected research articles on ministry and Christian education may also be included.
Graduate Academic Policies. The Seminary conducts short-term extension schools in many parts of the world. Two degree programs are offered largely in off-campus settings: (1) the Master of Arts in Pastoral Ministry program, begun in North America in 1984 for experienced pastors in the field who have not earned a previous seminary degree; and (2) the Doctor of Ministry program for experienced pastors who have previously earned an MDiv degree or its equivalent.

Andrews University is authorized by the Washington Student Achievement Council and meets the requirements and minimum educational standards established for degree-granting institutions under the Degree-Granting Institutions Act. This authorization is subject to periodic review and authorizes Andrews University to offer specific degree programs. The Council may be contacted for a list of currently authorized programs. Authorization by the Council does not carry with it an endorsement by the Council of the institution or its programs. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the Council at P.O. Box 43430, Olympia, WA 98504-3430.

Seminary Online Learning Center
Seminary Hall, Room N307
Phone: 269-471-3962 Fax: 269-471-6202
solc@andrews.edu
www.andrews.edu/sem/solc/
Helena R. Gregor, Director

The Seminary Online Learning Center offers a variety of distance education courses at the graduate level. All distance courses are on-line.

Course Offerings. For a list of current offerings, see the Center website: www.andrews.edu/sem/solc/.

Registration Procedure. To register for a course, please go to the Registration Central, and add an online class just like any other on-campus course. For more information, please contact us at the Seminary Online Learning Center.

Other Enrichment Programs
Guided Tours. Under the auspices of the Seminary, the university offers guided tours for course credit. These courses include CHIS 504, GSEM 678, and CHIS 685.

MDIV Study Tour. The MDIV program organizes an annual Study Tour with the idea of enhancing the evangelical, witnessing, and church growth skills and preparing participants for mission and ministry around the world, during the Spring break.

Archaeological Field Work. In 1968 under the direction of Siegfried H. Horn, the university initiated an archaeological excavation at the site of Hisban (Heshbon) in the Hashemite Kingdom of Jordan. Excavation continued for five seasons, the last in 1976. In 1984 the Institute of Archaeology expanded its work to a larger region, renaming its consortium the Madaba Plains Project. The project now sponsors excavations at Tall al-'Umayri, Tall Jalul, and other hinterland sites, and conducts an extensive archaeological survey of the entire region.

Mediterranean Study Tour. In the spring the Seminary offers students the opportunity for an extended eight-week study tour during which they will be immersed in the environment and cultures of Biblical lands. From a central base students will take seminary courses while also travelling to visit many of the sites spoken of in Scripture. Many Spring Semester courses will be offered in a half-semester format to allow for easy transition between the study tour and on-campus coursework. Students may contact the Old Testament Department or the New Testament Department for further information.

ASOR Study Center Opportunities. Andrews University is a corporation member of the American Schools of Oriental Research. Seminary and post-graduate students may attend the organization's affiliated institutes—the W. F. Albright Institute of Archaeological Research in Jerusalem and the American Center for Oriental Research in Amman, Jordan. Students also may compete for financial aid and fellowships offered annually by these institutes.

Admission and Evaluation Policies
All applicants must hold a minimum of a baccalaureate degree or its equivalent from an accredited college or university and are subject to the general admission requirements in the Graduate Programs Admission section of this bulletin (see Graduate Academic Policies). Students in MA, PhD, and ThD programs are also subject to the Academic Standards requirements in Graduate Academic Policies. International students should note the Special Admission Requirements on Graduate Academic Policies.

Admission Policy. Admission to the Seventh-day Adventist Theological Seminary is granted irrespective of race, color, national or ethnic origin, gender, or disability.

The Seminary is owned and financed by the Seventh-day Adventist Church. It is a community of committed Christians who collectively confess the Christian faith and seek to experience its meaning in worship and practical life. Most of its students are members of the Seventh-day Adventist Church; however, no declaration of confessional allegiance is required for admission. Students who meet academic requirements, whose lifestyle and character are in harmony with the purposes of the Seminary, and who express willingness to cooperate with general university policies may be admitted. Criteria for approving or declining admission to applicants are described in application materials. Admission to the university is a privilege rather than a right and may be withheld or withdrawn by the university at its discretion.

Students are expected to maintain the religious, social, and cultural atmosphere of the Seminary and to order their lives in harmony with its mission and purposes. The seminary community endeavors to maintain an atmosphere of mutual support and acceptance which is congenial to personal adjustment and social development. In the course of their preparation for the ministry, students are called upon to participate in the lives and worship of the surrounding churches. Because of this role, students are expected to be sensitive to the values of others and exemplary in appearance and actions.

Character Statement and Student Pledge. As part of the admission process, all prospective Seminary students are required to sign and return a character statement form. In addition, Seminary students subscribe to the following declaration of purpose:

I declare it to be my serious intention to devote my life to the Christian ministry or some other form of Christian service, and to this end I pledge myself to rely on divine guidance, to live according to the standards and ideals set forth in the Holy Scriptures, to apply myself faithfully and diligently to the instruction of the Seminary, and to abide by all its requirements.

Psychological Evaluation. Applicants to Seminary programs are required to complete the Seminary’s program of psychological evaluation during their first fall semester of residency, or as designated by their programs. All graduating students must comply with the graduation requirements of their respective programs, including exit testing. The cost of the evaluation is the responsibility of the applicant.

Criminal Background Check. Because seminary students will, during and/or after their studies, be working in positions of trust, applicants who have lived in North America (US or CN) for 6 months or more are required to complete a Criminal Background Check before being accepted to the Seminary. This is a regular requirement for many areas of leadership and is required by the North American Division for all volunteers and employees who work with children.

Andrews University has selected the same company used by the North American Division - Sterling Volunteers (SV) - to administer their background checks. There is a standard fee charged by Sterling Volunteers for this service. If you have previously completed a background check within the past three years through SV, please login to your SV profile and share your Background Check with Andrews University.

Pre-admission Conduct Disclosure Statement. Applicants to all Seminary programs are required to complete and submit to the Seminary the "Pre-Admission Conduct Disclosure Statement."

Student Lifestyle. Continuance in a seminary program is based not only on academic achievement but also on an ongoing lifestyle reflecting Seventh-day Adventist principles in character and conduct.

English Language Requirements. All students whose first language is not English must demonstrate adequate proficiency in English to succeed in the academic setting. Language proficiency must be met before enrolling full-time in regular course work. Please contact your respective departments director for specific TOEFL, MELAB and IELTS scores.

Time to Apply. Applications to the MDIV program require 4-6 months for processing.

PhD and ThD applicants for autumn semester must submit application materials by January 15. A limited number of students may be admitted for the summer term, in which case they would need to submit all application materials by November 30 of the previous year.

Minimum GPA for Admission. The minimum GPAs required for admission to seminary programs are listed below. Transfer credits are not counted in the GPA.
Recommendation Forms and Statement of Purpose. Applicants to all seminary programs need to have three recommendation forms sent directly to the Office of Graduate Admissions. The forms should be completed by persons well acquainted with the applicant’s abilities and recent experience. The length of the statement of purpose and the kind of recommendations needed are listed on this page.

Master of Divinity Program
- Recommendations
  - Church board where the applicant is a member.
  - College teacher or advisor.
  - Church administrator, pastor, or recent employer.
- Statement of Purpose—350 words plus a career history.

Master of Arts in Pastoral Ministry
- Recommendations
  - A Conference administrator
  - A colleague in ministry or a local pastor if applicant is a layperson
  - A local church elder
- Statement of Purpose—350 words plus a career history.

Master of Arts in Youth and Young Adult Ministry
- Recommendations
  - College teacher
  - Pastor or a second college teacher
  - Church administrator or recent employer
- Statement of Purpose—350 words plus a career history.

Master of Arts in Religion
- Recommendations
  - College teacher
  - College teacher
  - Church administrator or recent employer
- Statement of Purpose—500 words

Master of Arts in Religious Education
- Recommendations
  - College teacher
  - Pastor or second college teacher
  - Church administrator or recent employer
- Statement of Purpose—500 words

Doctor of Ministry
- Recommendations
  - Conference administrator
  - Colleague in ministry
  - Lay person
- Statement of Purpose—1,500–2,500 words plus a career history.

Doctor of Philosophy in Biblical and Ancient Near Eastern Archaeology
- Recommendations
  - Adviser/teacher in applicant’s MA or MDiv program
  - Teacher in applicant’s MA or MDiv program
  - Teacher in applicant’s MA or MDiv program
- Statement of purpose—600 words

Doctor of Philosophy in Religious Education
- Recommendations
  - Adviser/teacher in applicant’s MA or MDiv program
  - Teacher in applicant’s MA or MDiv program
  - Administrator of applicant’s employing organization or most recent employer if not currently employed.

Statement of purpose—600 words

Doctor of Philosophy/Theology
- Recommendations
  - Adviser/teacher in applicant’s MA or MDiv program
  - Teacher in applicant’s MA or MDiv program
  - Church administrator of applicant’s employing organization (or most recent denominational employer if not currently church employed)
- Statement of purpose—600 words

Balanced Financial Plan. All students applying for admission to the on-campus programs of the Seminary must submit a balanced financial plan detailing how their expenses will be covered. Listed below is the length of plan required for Seminary degree programs:

<table>
<thead>
<tr>
<th>Degree Program</th>
<th>Plan Length</th>
</tr>
</thead>
<tbody>
<tr>
<td>MA: Religion 2 years</td>
<td>2 years</td>
</tr>
<tr>
<td>MA: Religious Education 2 years</td>

</tbody>
</table>

Graduate Record Examinations. Students applying to the professional ministerial degree programs (Master of Divinity, Master of Arts in Pastoral Ministry, Master of Arts in Youth & Young Adult Ministry, and Doctor of Ministry) should provide transcripts of the Graduate Record Examination (GRE) General Test only when requested. Applicants to seminary academic graduate programs must request that a transcript of the GRE examination (taken within the past five years) be sent directly to the Office of Graduate Admissions.

Orientation. All new students are required to attend and register for the fall orientation program. Students who begin in the summer have a short orientation on the day before summer school begins. The main orientation session takes place the week before autumn semester classes begin. New students starting either in the summer or autumn terms are required to attend this main session. See the Seminary calendar, for specific dates for these orientation events.

Psychological Evaluation. Students from all Seminary programs are required to complete the Seminary’s program of psychological evaluation during their first fall semester of residency, or as designated by their programs. All graduating students must comply with the graduation requirements of their respective programs, including exit testing.

Academic Policies Applying to All Programs

Class Loads and Enrollment Status. The number of credits required for full- and part-time enrollment status in seminary programs is listed below.

<table>
<thead>
<tr>
<th>Program</th>

<td>5–8</td>
</tr>
</tbody>
</table>

Students may take more credits than indicated above only with approval from the dean. Students who have completed all course work in a master’s or doctoral program but have not met all requirements for graduation must register for GSEM 688, GSEM 788, or GSEM 888 and maintain full-time status. Students who are registered for thesis or PhD, ThD, or DMin dissertation credits also maintain full-time status. Doctor of Ministry students registered for GSEM 789 DMin Program Continuation are considered by the university as half-time students.

Minimum GPA for Graduation. The minimum GPAs required for graduation from seminary programs are listed below. Transfer credits are not counted in the GPA.

<table>
<thead>

</tr>
</tbody>
</table>

Students accepted on a provisional basis must achieve the minimum GPA required for their program during the first semester they are enrolled. A student who fails to maintain the minimum GPA required for his/her degree program is placed on academic probation.

Graduating Student Questionnaire. Completion of the graduating student questionnaire (GSQ) is a part of the graduation requirements.

Satisfactory Academic Progress. To qualify for satisfactory academic progress, students must earn the minimum GPA (as above) required for their degree program and meet other standards as listed in the Tuition, Fees, and Other Financial Information section of this bulletin. See Financial Information.
Dual Enrollment. Undergraduate religion/theology students at Andrews University, who at the beginning of a given semester are within 15 credits of graduation and who otherwise meet admission requirements of the Theological Seminary, may apply for permission to take seminary work while completing requirements for the baccalaureate degree. Dual registration is limited to one semester. An undergraduate student may accumulate not more than 12 credits in the Seminary on the basis of dual registration.

Students should request a Dual Enrollment Application at the Academic Records Office and have their credits verified there. The form is then taken to the dean of the Theological Seminary for approval. The signed form is returned to the Academic Records Office and exchanged for a Registration Card on which the actual courses desired are listed. The Registration Card must be signed by the dean of the College of Arts and Sciences, the student's adviser, and the dean of the Theological Seminary. Students dually enrolled may not carry more than 15 credits per term, and seminary credit thus earned may not be used to meet undergraduate requirements.

See Dual Enrollment in Graduate Academic Policies for pursuing two graduate degrees simultaneously, or a second undergraduate degree while doing a graduate program.

Student Spouse Discount. Academically qualified spouses of full-time on-campus seminary students may request a discount on tuition of Seminary master's-level courses taken to fulfill the requirements of a Seminary master's degree. The individual requesting the discount must be accepted into a Seminary master's program and must apply for the discount each semester in which his/her spouse is enrolled full-time in the Seminary. (Details are available at the Deans' office.) Discount requests are due by the drop/add date each semester.

Seminary Spouse Class Attendance. Seminary students and spouses of Seminary students may request to informally audit any 500- or 600-level Seminary courses (except seminars) regardless of academic qualifications and without charge, subject to written permission from the instructor, Seminary dean, and available space.

Classes Taken in Other Schools. With the exception of students in Religious Education, students registered in the Seminary who plan to take courses in another school on campus must first obtain permission from the Seminary dean or appropriate program director, as well as the dean of the school where the course will be taken. Religious Education students will follow course plans arranged in consultation with their advisors. MDiv students are charged regular tuition for courses taken outside the Seminary (except see notation under Master of Divinity Program in the Financial information section of the bulletin for information on how to request a 50% tuition reduction for graduate-level courses in the College of Arts & Sciences).

Informal Auditing. Students with a full-time load and a GPA of 3.00 or above may sit in on a Seminary class without registration or a tuition charge on a space-available basis. The appropriate form must be completed. Certain courses are not available for auditing on any basis. For audited courses to be recorded on the transcript, see the University policy on Audited Classes.

Independent Study Courses. Normally, only on-campus students with a GPA of 3.00 or above may register for independent study courses. Because the faculty are not obliged to guide students for Independent Studies, students must first obtain their concurrence. Independent study courses are advanced studies in a particular field and should be taken only after completing basic courses. At registration, students need to submit a copy of the Independent Study Contract Form with the course number from the department and a brief subject added to the course title to appear on the transcript. Requirements for independent study are determined by the guiding faculty member and may include readings, research, writing, and other learning experiences. A maximum of 8 credits may be approved for Independent Study in a degree program, and Independent Study courses normally are graded satisfactory or unsatisfactory. Additional guidelines are found on the contract form.

Directed Reading. Courses designated Directed Reading are for doctoral students. Students must arrange individually with a professor to take courses on this basis. These courses may be graded S/U.

Grade Changes. Grade changes are permitted only in case of computational error and must be made no later than the semester following the one in which the course was taken. A form must be completed by the teacher and signed by the dean before being taken to the Office of Academic Records.

Worship Attendance. Regular and punctual attendance is required at seminary worships and assemblies for faculty, staff and students in residence, except students registered for 7 credits or fewer, and faculty who have assignments off-campus or are on an approved research term. Student requests to be excused from this requirement should be addressed to the deans' office in writing. Regular worship attendance is a graduation requirement for students in residence. For further details, please refer to the "Seminary Worship Attendance Policy" under Student Life at the Seminary website (https://www.andrews.edu/sem/resources/pdf/seminary-worship-attendance-policy-revised-10-18.pdf).

Final Exams. The times and dates for final examinations are set by the University and the Seminary at the beginning of every term. Students are expected to adhere to those dates and to integrate them into their planning calendar. The only exceptions to the prescribed dates are illness or dire emergency. Such exceptions must be approved in writing by the Seminary Associate Dean’s office. Personal plans, family events, church activities, and the like do not qualify for a change of date.

Residency Requirements. Residency requirements for seminary programs appear in the respective program descriptions.

Time Limits on Degrees. For time limits applying to seminary degree programs, see the respective program descriptions below. Students who violate the respective time limits must petition the dean for an extension of time, giving reasons for the request and submitting plans for completion of the work. Petitions may be granted by the dean and may require additional qualifying or other examinations, additional course work, or both.

Transfer Credit. A maximum of 20% of required program credits may be transferred into or between Seminary master's programs. (Additional fees for such transfers may be assessed for certain programs.) For limits on credits that may be transferred into the respective seminary doctoral programs, see each program description below.

Programs

The Master of Divinity degree program provides basic postgraduate professional preparation for ministry with a broad exposure to all fields of theological study. The program applies biblical, historical, educational, linguistic, theological, philosophical, ethical, missiological, pastoral, and evangelistic instruction to the practical work of the church. Practical field experience is a vital part of this program.

The Master of Arts in Pastoral Ministry degree program offers professional training to mature pastors experienced in ministry. Normally such persons are unable to leave their parish and come to the Seminary campus for extended periods of time. The Seminary provides the major part of this professional training at off-campus centers in North America and various international sites.

The Master of Arts in Youth and Young Adult Ministry degree is a professional program designed to equip men and women with competencies for effective ministry to youth and young adults in local church and para-church settings. The program is focused on discipling, teaching, counseling and evangelizing youth and young adults.

The Master of Arts in Religion provides an opportunity for one year of specialized study beyond the baccalaureate degree. It is offered with these orientations: (1) the research orientation designed for students who plan further graduate work, and (2) the general academic orientation giving students a strong background in a specific area of religious studies.

The Master of Arts: Religious Education is an academic degree designed to develop theory and practice for the discipling and teaching ministry of the church in the home, church, or Christian school setting. The degree also provides a foundation for the PhD in Religious Education.

The Doctor of Ministry is a professional, post-MDiv degree for individuals qualified to pursue advanced study. This degree provides experienced pastors with additional expertise in the areas of pastoral ministry, evangelism and church growth, chaplaincy, and organizational leadership.

The Doctor of Philosophy in Religion, based on the Master of Arts in Religion, prepares teacher-scholars in the fields of Biblical Archaeology and Ancient Near Eastern Archaeology and Anthropology for church-operated colleges, seminaries and universities around the world.

The PhD in Religious Education prepares men and women to be scholars and researchers in specialized teaching and discipling ministries of the home, the church, or the Christian college or university.

The Doctor of Theology degree, based on the Master of Divinity degree, trains teacher-scholars in the fields of biblical studies and theology for service in the Seventh-day Adventist Church. Completion of a seminary program does not guarantee employment.

Masters

Discipleship in Lifespan Education

MA

The MA (Discipleship in Lifespan Education) is a 48-credit degree designed to prepare leaders to train other leaders to understand and facilitate, and train others in the process of discipling, the life-long journey of learning to follow Jesus and become more like Him. Concentrations in youth and young adult ministry, campus chaplaincy, family ministry, religious education, and Bible teacher training provide areas of specialization depending upon students’ area of interest.

Mission:
The MA (DSLE) prepares individuals to become competent in discipling leaders and training others in one or more phases of spiritual, mental, emotional, and relational development across the lifespan.

Vision:
The MA (DSLE) serves the church by equipping and discipling individuals to address the developmental needs of its new and current members as well as the surrounding communities.

Goals:
All students graduating from the MA (DSLE) will be competent pastor-teachers in the field of disciplship.

Students will have growing expertise as pastor-teachers in at least one of the following areas of human development: children’s ministry, youth and young adult ministry, family ministry, and ministry to the elderly, along with campus chaplaincy ministry.

Students who teach at the elementary or academy level will become competent in discipling students to a love-relationship with God and in understanding the Biblical narrative.

Concentrations:
- Bible Teaching
- Campus Chaplaincy
- Family Life Education
- Religious Education
- Youth and Young Adult Ministry

MA (DSLE) Dual Degree Options:
The MA (DSLE) is also available with the following dual degree options:
- Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Community & International Development Dual Degree MA/MSCID
- Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Social Work Dual Degree MA/MSW
- Discipleship in Lifespan Education, Family Life Education Concentration/Social Work Dual Degree MA/MSW

Distance/Intensive Curriculum Option
The Concentration in Youth and Young Adult Ministry and the Concentration in Campus Chaplaincy offers a combined remote or online/intensive format for those who are unable to study in residence. A field practicum can be arranged in the location of the student’s residence. (Students in the MA (DSLE)/YYAM/MSCID Dual Degree program may fulfill 6 elective credits with MCID courses. Students in the MA (DSLE)/MSW Dual Degree program may fulfill 8 elective credits with MSW courses.)

Total Credits - 48

Core - 22

- 2 credits of CHIS 674 - Development of Seventh-day Adventist Theology Credits: 2,3 (Bible Teaching Concentration students must take CHIS 506 Church History to 1500 or CHIS 507 Church History 1500 to the Present)
- 2 credits of DSLE 534 - Ministry to Youth and Young Adults Credits: 2,3
- 2 credits of DSLE 541 - Foundations of Biblical Spirituality Credits: 2,3
- 3 credits of DSLE 503 - Marriage, Family, and Interpersonal Relationships Credits: 2,3
- 3 credits of DSLE 610 - Teaching for Disciplism Credits: 2,3 (Bible Teaching Concentration students replace this course with THST 616 Doctrine of God)
- 2 credits of PATH 526 - Conflict Management Credits: 2,3 or PATH 543 Christian Leadership in a Changing World Credits: 2,3 (not required for Bible Teaching Concentration)
- 2 credits of a MSSI World Missions course
- 4 credits of NTST/OTST courses (Bible Teaching Concentration students take NT/DT courses in their concentration)
- 2 credits of a THST course

Degree Electives

- ANEA 510 - Archaeology and the Bible Credits: 2,3
- DSLE 503 - Marriage, Family, and Interpersonal Relationships Credits: 2,3 (recommended for YYAM concentration)
- DSLE 564 - Advanced Youth and Young Adult Ministry Leadership Credits: 2,3 (recommended for CC concentration)
- DSLE 608 - Youth and Young Adults in Contemporary Culture Credits: 2,3 (recommended for CC concentration)
- DSLE 619 - Religious Experience in Adolescence Credits: 2,3 (recommended for YYAM concentration)
- DSLE 626 - Ministry to At-Risk Youth Credits: 2,3 (recommended for CC concentration)
- DSLE 636 - Seminar in Youth Ministry Credits: 1-3 (recommended for CC concentration)
- DSLE 651 - Foundations of Biblical Counseling Credits: 2,3 (recommended for YYAM and CC concentrations)
- DSLE 656 - Counseling Youth and Young Adults Credits: 2,3 (recommended for CC concentration)
- DSLE 659 - Human Sexuality Credits: 3 (recommended for CC concentration)
- DSLE 678 - Spiritual Nutrition of Children Credits: 2,3 (recommended for YYAM & CC concentrations)
- GSEM 530 - Doctrine of the Sanctuary Credits: 2,3
- NTST 515 - New Testament Backgrounds Credits: 2,3
- NTST 535 - Studies in the Pauline Writings Credits: 2,3
- NTST 536 - Studies in the Gospels Credits: 2,3
- NTST 537 - Studies in Acts and General Epistles Credits: 2,3
- NTST 538 - Studies in Hebrews Credits: 2,3
- NTST 539 - Studies in Revelation Credits: 2,3
- OTST 500 - Survey of the Old Testament Credits: 2,3
- OTST 520 - Introduction to Old Testament Theology Credits: 2,3
- OTST 546 - Studies in Daniel (English) Credits: 2,3
- OTST 556 - Studies in Prophets (English) Credits: 2,3
- OTST 566 - Studies in the Pentateuch (English) Credits: 2,3
- OTST 570 - Readings in the Old Testament (English) Credits: 2,3
- PATH 553 - The Church and Social Issues Credits: 2,3 (recommended for YYAM & CC concentrations)
- PATH 555 - Pastoral Counseling Credits: 2,3 (recommended for YYAM concentration)
- PATH 623 - Innovative Evangelism Credits: 2,3 (recommended for YYAM & CC concentrations)
- PATH 632 - Contextualized Preaching Credits: 2,3 (recommended for CC concentration)
- PATH 656 - Evangelistic Small Groups Credits: 2,3 (recommended for YYAM & CC concentrations)
- THST 521 - Christian Theology I Credits: 2,3
- THST 522 - Christian Theology II Credits: 2,3
- THST 605 - Principles of Christian Ethics Credits: 2,3
- THST 640 - Doctrine of Salvation Credits: 2,3

Credits: 2,3
Concentrations - 26-32

Students must choose one of the following concentrations:

**Bible Teaching Concentration - 32**

The Bible Teaching concentration provides on-campus and online options to prepare K-12 teachers who do not have a religion/theology background to teach Bible classes, while those with a strong religion/theology background but no educational background are given advanced standing and introduced to principles of pedagogy/andragogy.

**Advanced Standing**

Advanced standing may be obtained for up to 12 credits of religion and theology and up to 5 credits of education or religious education for a combined maximum total of 12 credits. These credits are dependent upon a background of advanced theological or educational study or prior extensive undergraduate studies in religion, theology, religious education, or education as well as the particular MA (Discipleship in Lifespan Education) focus area chosen. Advanced standing is calculated at the time of admission as follows:

- 18 or more credits of undergraduate religion or theology credit may qualify for advanced standing of up to 12 credits in appropriate areas of the course plan. Advanced standing based on less than 18 credits of prior undergraduate studies is prorated at a two-thirds ratio.
- 8 or more credits of undergraduate education or religious education may qualify for advanced standing of up to 5 credits in appropriate areas of the course plan. Advanced standing based on less than 8 credits of prior undergraduate studies is prorated at a two-thirds ratio.

**Concentration Courses**

1.5 credits of CHIS 570 - History of the Seventh-day Adventist Church
2 credits of CHIS 571 - The Life and Writings of Ellen G. White
3 credits of DSLE 605 - Foundations in Religious Education
2 credits of DSLE 606 - Philosophical Foundations for Professionals
2 credits of DSLE 616 - Collaborative Ministry: Partnering in Discipleship and Mission
2 credits of DSLE 620 - Scholarly and Professional Development
1.5 credits of DSLE 633 - K-12 Faith Development & Bible Methods
1 credit of DSLE 676 - Topics: ___________ Credits: 1-3 (Issues in Ellen White)
0 credits of EDTE 508 - Principles of Teaching and Learning
0 credits of EDTE 602 - Classroom Testing and Evaluation
2 credits of GSEM 530 - Doctrine of the Sanctuary
2 credits of GSEM 680 - Master's Comprehensive Exam
2 credits of OTST 546 - Studies in Daniel (English)
2 credits of OTST 566 - Studies in the Pentateuch (English)

Choose one of the following courses for 2 credits:

- NTST 535 - Studies in the Pauline Writings
- NTST 536 - Studies in the Gospels
- NTST 538 - Studies in Hebrews
- NTST 539 - Studies in Revelation

**Thesis Option:** may add an additional 3 credits

GSEM 697 - Thesis for MA Degree

**Additional Degree Requirements for Religious Education and Bible Teaching Concentrations**

Must maintain a minimum GPA of 3.00 in order to graduate. Courses with a grade below B- do not count toward the degree.

**Degree Completion:** Candidates for the Bible Teaching Concentration may exercise one of the following two options to complete their degree:

- **Comprehensive Examinations:** Must pass comprehensive examinations arranged through the departmental administrative assistant. The one-day exams entail a three-hour morning session and a two-hour afternoon session.
- **Thesis:** Prepare a thesis (minimum 3 credits). A two-member faculty committee guides the student in developing the project and evaluates the defense. Students who complete a thesis are exempt from writing comprehensive examinations but are required to make a portfolio presentation. The thesis may add 3 credits to the 48 credit degree requirements, making a total of 51 credits.

**Denominational Teacher Certification**

The Basic Teaching Certificate for denominational certification may be issued to the candidate presenting a Verification of Eligibility form from Andrews University. The certificate is issued by the union conference where the candidate takes his/her first teaching position. Requirements for this certificate may be completed by taking additional courses along with the MA (DSLE) with the Bible Teacher Concentration. The Bible Teaching focus builds credit toward Denominational Certification but additional courses and a teaching practicum are required. More information about preparing to teach religion in Adventist schools is available from the University Certification Registrar in the School of Education.

**Campus Chaplaincy Concentration - 26**

The Campus Chaplaincy Concentration is designed for those youth and young adult specialists who see themselves ministering as chaplains on either public or private campuses. This concentration has been approved for credentialing by the Adventist Chaplaincy Ministries of the North American Division of Seventh-day Adventists.

**Denominationals**

- DSLE 507 - Introduction to Chaplaincy Ministry Credits: 2
- 2 credits of DSLE 615 - Collaborative Ministry: School, Church, Community
- Credits: 2,3
- DSLE 620 - Scholarly and Professional Development Credits: 0
- 2 credits of DSLE 660 - Field Practicum: Youth and Young Adult Ministry Credits: 1-6
- DSLE 664 - Advanced Campus Ministry Credits: 3
- 2 credits of DSLE 669 - Reaching the Secular Mind Credits: 2,3
- PATH 643 - Trauma & Advanced Crisis Intervention Credits: 2
- PATH 648 - The Chaplain as Institutional Leader Credits: 3
- Electives: Choose 10 elective credits in consultation with advisor

**Additional Degree Requirements for Campus Chaplaincy Concentration**

The Campus Chaplaincy concentration is awarded upon successful completion of a minimum of 48 semester credits with a cumulative GPA of 2.5 or better. A minimum of 24 semester credits are to be taken at the Theological Seminary or at an authorized extension center. The course work for the MA (Discipleship in Lifespan Education) is designed to be completed by full-time students in two years.

**Elective Courses**

Students in the MA (DSLE) can utilize their elective credits to tailor a program to their specific ministry needs. They can take up to 6 credits in DSLE 690 - Independent Study.

**Transfer Credits**

A maximum of 9 transfer graduate credits, when applicable, may be transferred into the MA (DSLE) program from other institutions or from other master' programs within the Seminary upon approval of the dean. Credits approved under the Credit Through Learning in Professional Experience provision (see below) are considered part of the maximum of 9 transfer credits.

**Credit Through Learning in Professional Experience**

In place of DSRE 660 - Field Practicum, some students may be eligible to receive up to three credits for professional experience when approved by the dean, using the following criteria:

- Applicants must have completed at least 18 credits toward the MA degree with a minimum GPA of 2.50.
- The applicant must submit a Professional Experience Portfolio, including (1) an up-to-date curriculum vita, (2) a description of ministerial experiences, (3) a reflection-learning paper in which the applicant analyzes his/her professional skills and ministries and demonstrates how learning based on the reflection-reaction process occurred, and (4) supporting letters from administrative and pastoral supervisors which identify and document a variety of professional experiences.
- The applicant must submit the completed Professional Experience Portfolio to the program director and the Department of Discipleship and Lifespan Education no later than the semester prior to graduation. For details, contact the director of the MA (DSLE) program.

**Additional Information**

Graduates of the Campus Chaplaincy Concentration receive calls for ministry. However, completion of the program does not guarantee employment in Adventist ministry or any other church employment.

Students who seek to serve in general pastoral or church leadership positions should consider, as an alternative, the Master of Divinity program as stipulated by North American Division policy (L 05 05 and L 05 15).
Additional Degree Requirements for Family Life Education Concentration

A minimum of 24 semester credits are to be taken at the Theological Seminary or at a minimum of 48 semester credits with a cumulative GPA of 2.5 or better. A Lifespan Education (CPE) is designed to be completed by full-time students in two years.

In addition to completing the 48-credit professional Discipleship in Lifespan Education with an emphasis in Campus Chaplaincy, an individual wishing to be certified/cfle-course-checklists-school arranged in accordance with established curricula guidelines and with qualified mentoring.

Family Life Concentration - 26

The Family Life Education concentration prepares students to engage in family education ministries both within the church and in other professional settings and to apply for certification as Family Life Educators by the National Council on Family Relations (NCFR). Advanced standing is generally not given for the Family Life Education concentration.

Prerequisite course:
GDPC 614 - Human Development Credits: 3 (or equivalent)

Concentration Courses:
3 credits of DSLE 635 - Christian Perspectives on Professional Ethics Credits: 2,3
DSLE 652 - Personal and Family Finance Credits: 3
DSLE 655 - Families in Society Credits: 3
3 credits of DSLE 657 - Social Policy Credits: 2,3
DSLE 658 - Internal Dynamics of Families Credits: 3
DSLE 659 - Human Sexuality Credits: 3
DSLE 679 - Parenting Education and Guidance Credits: 3
2 credits of DSLE 680 - Field Practicum: ______ Credits: 1-6 (taken after completion of 24 credits)
Electives: choose 3 credits of electives in consultation with advisor

Additional Degree Requirements for Family Life Education Concentration

The Family Life Education concentration is awarded upon successful completion of a minimum of 48 semester credits with a cumulative GPA of 2.5 or better. A minimum of 24 semester credits are to be taken at the Theological Seminary or at an authorized extension center. The course work for the MA (Discipleship in Lifespan Education) is designed to be completed by full-time students in two years.

Elective Courses

Students in the MA (DSLE) can utilize their elective credits to tailor a program to their specific ministry needs. They can take up to 6 credits in DSLE 690 - Independent Study.

Transfer Credits

A maximum of 9 transfer graduate credits, when applicable, may be transferred into the MA (DSLE) program from other institutions or from other master's programs within the Seminary upon approval of the dean. Credits approved under the Credit Through Learning in Professional Experience provision (see below) are considered part of the maximum of 9 transfer credits.

Credit Through Learning in Professional Experience

In place of DSRE 660 - Field Practicum, some students may be eligible to receive up to three credits for professional experience when approved by the dean, using the following criteria:

- Applicants must have completed at least 18 credits toward the MA degree with a minimum GPA of 2.50.
- The applicant must submit a Professional Experience Portfolio, including (1) an up-to-date curriculum vita, (2) a description of ministerial experiences, (3) a reflection-learning paper in which the applicant analyzes his/her professional skills and ministries and demonstrates how learning is based on the reflection-reaction process occurred, and (4) supporting letters from administrative and pastoral supervisors which identify and document a variety of professional experiences.
- The applicant must submit the completed Professional Experience Portfolio to the program director and the Department of Discipleship and Lifespan Education no later than the semester prior to graduation. For details, contact the director of the MA (DSLE) program.

Additional Information

Family Life Certification

The Family Life Education focus will allow the student to obtain the NCFR certification. If student is not seeking NCFR certification, more credits toward the degree can be from Advanced Standing when applicable (up to a maximum of 9 credits only, as specified in the degree requirements section)

Certification in Family Life Education

While completion of the MA (Discipleship in Lifespan Education) with a concentration in Family Life Education does not of itself qualify an individual as a Certified Family Life Educator (CFLE) through NCFR, the courses offered through the MA (Discipleship in Lifespan Education) meet all of the requirements needed to apply for CFLE credentials. Applications must be made directly to NCFR within 5 years of completion of any courses that are submitted for CFLE certification, documenting that each course has been successfully completed in the 10 designated NCFR content areas (for provisional certification), and (for full certification) that a practicum has also been completed. The NCFR content areas, and corresponding program course acronyms are:

Families and Individuals in Societal Contexts: DSLE 655 - Families in Society Credits: 3
Internal Dynamics of Families: DSLE 658 - Internal Dynamics of Families Credits: 3
Human Growth/Development across the Life Span: GDPC 614 - Human Development Credits: 3 (or equivalent*)
Interpersonal Relationships: DSLE 659 - Marriage, Family, and Interpersonal Relationships Credits: 2,3
Family Resource Management: DSLE 652 - Personal and Family Finance Credits: 3
Parenting Education and Guidance:
DSLE 679 - Parenting Education and Guidance Credits: 3
Family Law and Public Policy: DSLE 657 - Social Policy Credits: 2,3
Professional Ethics and Practice: DSLE 635 - Christian Perspectives on Professional Ethics Credits: 2,3
Family Life Education and Methodology: DSLE 610 - Teaching for Discipleship Credits: 2,3

For further information, go to https://www.ncfr.org/cfle-certification/become-certified/cfle-course-checklists-school

*A course that substitutes for GDPC 614 will require a syllabus to be submitted and to indicate whether the course was taken at the UG or Graduate level

Religious Education Concentration - 26

The Religious Education Concentration is designed for students who see themselves as pursuing a PhD (Discipleship in Lifespan Education) or a similar doctoral degree. Since this concentration is designed to lead to a doctorate, it is academic in nature and, as such, requires that the student take courses in education and research as well as complete a comprehensive examination. This flexible concentration allows students to focus their studies on an area of interest that may prepare them for advanced doctoral study. Religious Education seeks to integrate biblical foundations and educational research in order to understand and facilitate the process of discipleship, the life-long journey of learning to follow Jesus and become more like Him.

Core Concentration Courses - 8

3 credits of DSLE 605 - Foundations in Religious Education Credits: 2,3
2 credits of DSLE 606 - Philosophical Foundations for Professionals Credits: 2,3
DSLE 620 - Scholarly and Professional Development Credits: 0
3 credits of EDRM 505 - Research Methods Credits: 3 or GSEM 520 - Methods in Biblical & Theological Research Credits: 2
GSEM 680 - Master's Comprehensive Exam Credits: 0

Thesis Option: additional 3 credits
GSEM 697 - Thesis for MA Degree Credits: 1-9

Concentration Electives for Customization - 18

Choose from the following elective courses (other courses may be substituted in consultation with advisor):

DSLE 608 - Youth and Young Adults in Contemporary Culture Credits: 2,3
DSLE 619 - Religious Experience in Adolescence Credits: 2,3
DSLE 630 - Fostering Spiritual Growth Credits: 2,3
DSLE 636 - Seminar in Youth Ministry Credits: 1-3
DSLE 656 - Counseling Youth and Young Adults Credits: 2,3
DSLE 658 - Internal Dynamics of Families Credits: 3
DSLE 659 - Human Sexuality Credits: 3
DSLE 678 - Spiritual Nutrition of Children Credits: 2,3
DSLE 679 - Parenting Education and Guidance Credits: 3
MSSN 546 - Mission in Cultural and Religious Context Credits: 3
MSSN 584 - Preparation for Cross-Cultural Workers Credits: 2-4
MSSN 615 - Anthropology for Mission and Ministry Credits: 2,3
Additional Degree Requirements for Religious Education Concentration

Must maintain a minimum GPA of 3.00 in order to graduate. Courses with a grade below B- do not count toward the degree.

Degree Completion: Candidates for the Religious Education Concentration may exercise one of the following two options to complete their degree:

Comprehensive Examinations: Must pass comprehensive examinations arranged through the departmental administrative assistant. The one-day exams entail a three-hour morning session and a two-hour afternoon session.

Thesis: Prepare a thesis (minimum 3 credits). A two-member faculty committee guides the student in developing the project and evaluates the defense. Students who complete a thesis are exempt from writing comprehensive examinations but are required to make a portfolio presentation. The thesis may add 3 credits to the 48 credit degree requirements, making a total of 51 credits.

Youth and Young Adult Ministry Concentration - 26

The Youth and Young Adult Ministry (YYAM) Concentration is designed for individuals who see themselves as engaging in lifelong ministry to youth and young adults. The graduate of the YYAM Concentration will be competent to serve in a variety of vocations such as youth pastor, university/college/academy chaplain, dormitory dean, local church youth leader, conference youth director, and guidance counselor.

Goals:
The goals of the YYAM Concentration are to provide the church with specialists who:

- See their enduring career path as working with youth and young adults in the church in varying capacities.
- Are able to critically analyze the theology of youth and young adult ministry.
- Develop skills in the design, implementation, and assessment of ministry efforts directed at youth for the purpose of improving the retention of youth and young adults in the Seventh-day Adventist church.
- Make disciples of Jesus Christ who will disciple the youth and young adults of the church to continue the discipleship process.

Concentration Courses

2 credits of DSLE 564 - Advanced Youth and Young Adult Ministry Leadership

Credits: 2, 3

2 credits of DSLE 608 - Youth and Young Adults in Contemporary Culture

Credits: 2, 3

2 credits of DSLE 615 - Collaborative Ministry: School, Church, Community

Credits: 2, 3

2 credits of DSLE 626 - Ministry to At-Risk Youth Credits: 2, 3

2 credits of DSLE 636 - Seminar in Youth Ministry Credits: 1-3

2 credits of DSLE 656 - Counseling Youth and Young Adults Credits: 2, 3

2 credits of DSLE 660 - Field Practicum: Youth and Young Adult Ministry Credits: 1-6 (YYAM/MSW & CC/MSW Dual degree students replace this course with SOWK 535)

2 credits of PATH 632 - Contextualized Preaching Credits: 2, 3

Electives: choose 10 elective credits in consultation with advisor

Additional Degree Requirements for the Youth & Young Adult Ministry Concentration

The Youth and Young Adult Ministry concentration is awarded upon successful completion of a minimum of 48 semester credits with a cumulative GPA of 2.5 or better. A minimum of 24 semester credits are to be taken at the Theological Seminary or at an authorized extension center. The course work for the MA (Discipleship in Lifespan Education) is designed to be completed by full-time students in two years.

Elective Courses

Students in the MA (DSLE) can utilize their elective credits to tailor a program to their specific ministry needs. They can take up to 6 credits in DSLE 690 - Independent Study.

Transfer Credits

A maximum of 9 transfer graduate credits, when applicable, may be transferred into the MA (DSLE) program from other institutions or from other master's programs within the Seminary upon approval of the dean. Credits approved under the Credit Through Learning in Professional Experience provision (see below) are considered part of the maximum of 9 transfer credits.

Credit Through Learning in Professional Experience

In place of DSRE 660 - Field Practicum, some students may be eligible to receive up to three credits for professional experience when approved by the dean, using the following criteria:

- Applicants must have completed at least 18 credits toward the MA degree with a minimum GPA of 2.50.
- The applicant must submit a Professional Experience Portfolio, including (1) an up-to-date curriculum vita, (2) a description of ministerial experiences, (3) a reflection-learning paper in which the applicant analyzes his/her professional skills and ministries and demonstrates how learning based on the reflection-reaction process occurred, and (4) supporting letters from administrative and pastoral supervisors which identify and document a variety of professional experiences.
- The applicant must submit the completed Professional Experience Portfolio to the program director and the Department of Discipleship and Lifespan Education no later than the semester prior to graduation. For details, contact the director of the MA (DSLE) program.

Admission Requirements

Applicants to the MA (DSLE) program should read the general admission requirements of the Seventh-day Adventist Theological Seminary. Applicants to the Youth and Young Adult Ministry, Campus Chaplaincy, and Family Life Education Concentrations must also meet the qualifications listed below:

- Hold a baccalaureate degree
- Have a minimum GPA of 2.5
- Represent high moral integrity with a character, lifestyle, and spiritual commitment reflective of the beliefs and practices of the Seventh-day Adventist Church, and show promise of usefulness for ministry through personal maturity and adequate experience in the Church. (Persons of other faiths who are willing to live in harmony with these standards are welcome to apply.)
- Submit an autobiographical history and statement of purpose reflecting the applicant's family, religious development, sense of calling to ministry, experience in church work, and future goals in relationship to the concentration to which they are applying.
- Interview with a representative of the MA (DSLE) program, if required, either by personal contact, telephone, or e-mail.
- Demonstrate a solid background in Old and New Testament knowledge through a department review of prior transcripts OR take OTST 500 Survey of the Old Testament and NTST 520 Introduction to the New Testament within the first year of enrollment.

Applicants to the Religious Education and Bible Teaching Concentrations are based on the student's meeting the general admission requirements for all graduate students as outlined in the School of Graduate Studies & Research, and the general Seminary admission requirements Seventh-day Adventist Theological Seminary. In addition, students must have earned a baccalaureate degree or equivalent and have a minimum GPA of 2.75 for admission. Official scores from the Graduate Record Examination (GRE) General Test taken within the last five years should be submitted to the Office of Graduate Enrollment Management.

English Language Requirement

For those applicants whose native language is not English, the following is required:

- MELAB - score of 80 (must achieve a passing score on each section: written, verbal and comprehension) or
- TOEFL - score of 550 (paper based) or score of 85 (computer based with a minimum of 20 on each section: written, verbal and comprehension) and
- A personal interview with the program director or designee

Applicants who fail to meet any of the above may be admitted only after departmental consideration of the specific circumstances. Additional coursework in English may be required. A student who graduated from a four-year English-speaking high school, college or university may be exempted from all or parts of the above requirements.

Additional Information

Students who seek to serve in general pastoral or church leadership positions should consider, as an alternative, the Master of Divinity program as stipulated by North American Division policy (L 05 05 and L 05 15).
CPE Unit
In addition to completing the 48-credit Campus Chaplaincy Concentration, an individual wishing to be employed as a campus chaplain should complete 1 unit of Clinical Pastoral Education (CPE) - Community Based Option (8 months). In international settings where CPE units are not available, supervised internship in campus ministry must be arranged in accordance with established curricula guidelines and with qualified mentoring.

Program Learning Outcomes

- PLO1: Demonstrate competence at an advanced level in critical thinking, training and education, teamwork, and engaging diverse perspectives related to discipleship across the lifespan. (Transferable Skills, GIO 1)
- PLO2: Achieve a comprehensive and critically-aware knowledge of methods of discipleship and practices with appropriate specializations in youth and young adult ministry, family life education, campus chaplaincy, religious education, and Bible teaching. (Knowledge, GIO 2)
- PLO3: Critique from a Seventh-day Adventist perspective key ideas, techniques, or methods in the field of discipleship in lifespan education. (Faith Development, GIO 3)
- PLO4: Be prepared to train leaders at all levels of the church in diverse settings and communities using advanced skills and knowledge of discipleship across the lifespan in a manner consistent with both professional and Seventh-day Adventist Christian thought and practice. (Faith integration, GIO 4)

Divinity MDiv

E-mail: mdiv@andrews.edu

The Master of Divinity (MDiv) is a 78-credit professional program recommended as the graduate training for Adventist ministry by the General Conference of Seventh-day Adventists and the North American Division. It is a two-year professional program (including summers) for full-time students. Additional semesters may be required for students lacking prerequisites.

Concentration Options

Students may - if desired - complete a concentration:
- Chaplaincy
- Marriage and Family Life Ministry
- Youth and Young Adult Ministry

MDiv Dual Degree Options

The MDiv is also available with the following dual degree options:
- Divinity/Communication Dual Degree MDiv/MA
- Divinity/Community and International Development Dual Degree MDiv/MSCID
- Divinity/Public Health Dual Degree MDiv/MPH
- Divinity/Social Work Dual Degree MDiv/MSW

Mission

In harmony with the mission and core values of the Seventh-day Adventist Theological Seminary, the Master of Divinity degree equips called, committed men and women with practical biblical, theological, and ministerial knowledge and skills to prepare them for Christlike service as leaders and equippers.

Vision

We envision the Master of Divinity community as a relationally healthy and diverse family focused on developing balanced and spiritually mature ministry leaders who are committed to equipping people in accomplishing God’s mission and the prophetic calling of the Seventh-day Adventist Church.

Total Credits - 78

Interdisciplinary - 2

GSEM 505 - Colloquium: ______________________ Credits: 0

Brief (4.5 hour) colloquia on a variety of ministry topics will be offered each semester for MDiv students.

- Full-time (9 credits or more) students studying on the main campus must attend one or more colloquia sessions per Fall/Spring semester that they are in the MDiv program.
- Colloquia requirements for transfer students or those taking part of their MDiv off-campus will be one colloquium for each Fall/Spring semester that they are on the main campus.
- Students from previous bulletins who petition to move into the current bulletin will take 1 colloquium per Fall/Spring semester for the remaining semesters of their on campus program.

2 credits of GSEM 530 - Doctrine of the Sanctuary

Great Controversy, Covenant, Law, and Sabbath - 2-3

Choose one of the following Great Controversy, Covenant, Law and Sabbath courses:

2 credits of CHIS 638 - History of the Great Controversy, Covenant, Law, Sabbath

Credits: 2,3

3 credits of NTST 650 - Great Controversy, Covenant, Law and Sabbath

Credits: 2,3

2 credits of OTST 610 - The Great Controversy, Covenant, Law, Sabbath

Credits: 2,3

3 credits of THST 608 - The Great Controversy, Covenant, Law, Sabbath

Credits: 2,3

Practical and Applied Theology - 19

2 credits of PATH 523 - Worship: Word and Music

Credits: 2,3

PATH 539 - Church Growth and the Equipping Leader

Credits: 3

2 credits of PATH 543 - Christian Leadership in a Changing World

Credits: 2,3

2 credits of PATH 555 - Pastoral Counseling

Credits: 2,3

(MDiv/MSW Dual Degree Students must replace this course with SOWK 601)

2 credits of PATH 560 - Advanced Ministerial Development

Credits: 2 (TFE for Dual Degree Students: If student is in a dual degree, they may substitute this course with the appropriate practicum course in their corresponding dual degree. MDiv/MSW Dual Degree students must take SOWK 510. MDiv/MSCID students may take TFE or CIDS 680.)

3 credits of PATH 562 - Field Evangelism

Credits: 3-6

1 credit of PATH 567 - Health & Lifestyle Transformation

Credits: 1 (MDiv/MPH Dual Degree students, replace this course with FDNT 520 - Vegetarian Nutrition and Disease Prevention)

Choose one of the following Advanced Preaching courses (CHMN list) for 2 credits:

PATH 600 - Preaching from the New Testament

Credits: 2,3

PATH 601 - Preaching Biblical Prophecies

Credits: 2,3

PATH 603 - Evangelistic Preaching

Credits: 2,3

PATH 607 - Preaching from the Old Testament

Credits: 2,3

PATH 609 - Media Ministry

Credits: 2,3

PATH 627 - Black Preaching

Credits: 2,3

PATH 632 - Contextualized Preaching:

Credits: 2,3

PATH 633 - Preaching the Literary Forms of the Bible

Credits: 2,3

PATH 634 - Field Evangelistic Preaching & Pracicum

Credits: 2,3

PATH 637 - Seminar in Preaching

Credits: 2,3

Choose one of the following NADEI courses (NADEI list) for 2 credits:

PATH 604 - Mobilizing for Evangelistic Ministry

Credits: 2,3

PATH 606 - Mission-Shaped Church Planting

Credits: 2,3

PATH 656 - Evangelistic Small Groups

Credits: 2,3

Church History - 7

2 credits of CHIS 624 - Issues in Ellen G. White Studies

Credits: 2,3

3 credits of CHIS 674 - Development of Seventh-day Adventist Theology

Credits: 2,3

Choose one of the following courses (CHIS list) for 2 credits:

CHIS 600 - The Early Church to A.D. 604

Credits: 2,3

CHIS 609 - The Church in the Middle Ages

Credits: 2,3

CHIS 620 - Seminar in Christian Biography

Credits: 2,3

CHIS 625 - Seminar in Church-State Thought

Credits: 2,3

CHIS 629 - History of Christian Spirituality

Credits: 2,3

CHIS 630 - History of Jewish Experience

Credits: 2,3

CHIS 634 - Reformation Theology

Credits: 2,3

CHIS 635 - History of the African American Churches

Credits: 2,3

CHIS 638 - History of the Great Controversy, Covenant, Law, Sabbath

Credits: 2,3

CHIS 640 - Reformation

Credits: 2,3

CHIS 650 - English Reformation and Rise of Puritanism

Credits: 2,3

CHIS 654 - Seminar in English Reformation and Puritan Theology

Credits: 3

CHIS 655 - Wesley and Methodism

Credits: 2,3

CHIS 657 - Seminar in Reformation Theology

Credits: 3

CHIS 659 - Seminar in the History of Selected Christian Doctrines

Credits: 3

CHIS 660 - History of Religion in America

Credits: 2,3
Discipleship and Lifespan Education - 9

- Intermediate Greek proficiency required:

Choose one of the following New Testament Background courses for 2 credits

- New Testament - 8
  - NTST 513 - Love, Marriage and Divorce
  - NTST 515 - New Testament Backgrounds
  - NTST 679 - Seminar in New Testament Theology and Ethics
  - NTST 680 - Greco-Roman World
  - NTST 681 - Judaism and the New Testament
  - NTST 689 - Seminar in New Testament Backgrounds
  - NTST 695 - Topics in New Testament Backgrounds

Old Testament - 8

- Intermediate Hebrew proficiency required:

Choose one of the following Old Testament Exegesis courses for 2 credits (OTST List A):

Choose one of the following Old Testament Theology courses for 3 credits (THST List A):

Choose one of the following Old Testament Exegesis courses for 2 credits (OTST List B):

Choose one of the following Old Testament Theology courses for 3 credits (THST List B):

Theology - 13

Choose one of the following Systematic Theology courses for 3 credits (THST List A):

Choose one of the following Historical Theology courses for 2 credits (THST List B):

507
THST 656 - Seminar in Historical Theology:________________________________________ Credits: 2,3
THST 667 - Postmodernism and the Church Credits: 2,3
THST 676 - History of Philosophy Credits: 2,3

Choose one of the following Ethics courses:
3 credits of THST 605 - Principles of Christian Ethics Credits: 2,3
or
Students who have taken an undergraduate course in Ethics may replace THST 605 with a 3-credit advanced ethics course from the following list (THST List C):

THST 622 - Foundations of Philosophical Ethics Credits: 3
THST 633 - Ethics and the Good Life Credits: 2,3
THST 634 - Christian Social Ethics Credits: 2,3
THST 643 - Christian Professional Ethics Credits: 2,3 (MDiv/MSW Dual Degree students must replace this course with SOWK 515)

THST 644 - Theological Ethics Credits: 2,3
THST 659 - Seminar in Philosophy, Theology, and Ethics:________________________________________ Credits: 2,3
THST 660 - Church and Society Credits: 2,3
PATH 549 - Philosophy & Ethics of Chaplaincy Credits: 3

World Mission - 6
MSSN 546 - Mission in Cultural and Religious Context Credits: 3

Choose one of the following Mission courses for 3 credits (MSSN List):

(Note: MSSN 546 is prerequisite to all other Mission courses.)
MSSN 505 - Christian Responses to Human Needs Credits: 2,3
MSSN 561 - Christian Witness and World Religions Credits: 3
MSSN 610 - Theology of Mission Credits: 3
MSSN 615 - Anthropology for Mission and Ministry Credits: 2,3
MSSN 618 - Mission to the Cities Credits: 3
MSSN 630 - Cross-Cultural Leadership Development Credits: 2,3
MSSN 635 - Contemporary Issues in Mission Credits: 2,3
MSSN 660 - Witnessing to People of Another Religion Credits: 2,3
MSSN 676 - History of Christian Mission Credits: 2,3
MSSN 685 - Strategies for World Mission Credits: 2,3
MSSN 695 - Topics Credits: 1–6

General Electives - 6
● Students will take 6 credits of general electives.
● Electives may not be used to satisfy prerequisites and/or deficiencies.
● Students may use elective credits toward the completion of an MDiv concentration or a dual degree program.
● Up to 6 credits in relevant courses offered by other schools of the university on the graduate level may be included in the general electives, including up to 4 appropriate workshop credits.
● Transfer credit petitions from other schools/colleges within Andrews University or from any other University must be done in consultation with the MDiv Office.

Thesis Option
Students anticipating academic doctoral studies after the completion of their MDiv program are advised to undertake the thesis option as some academic institutions require a master’s-level thesis for entry into doctoral programs.

The thesis counts as 6 general elective credits allowed for the MDiv degree. Students should register for 2 or more thesis credits per term for at least two semesters. Therefore, initial registration for a thesis must be no later than two semesters prior to graduation. Students electing to write an MDiv thesis must apply to the director of the program and must (1) demonstrate superior scholarship over a minimum of two consecutive semesters, normally with a GPA of 3.50 or above; (2) take Research Methods before the thesis is started; and (3) submit a paper of superior quality before permission is granted by the director to begin writing the thesis. The student is guided in thesis preparation by a three-member committee appointed by the director in consultation with the student and department chair in which the subject of the thesis is chosen. The chair of this committee serves as the thesis advisor.

The format of the thesis must conform strictly to the Andrews University Standards for Written Work. Students are strongly urged to consult the dissertation secretary before formatting and printing a thesis.

At least six weeks before graduation, the committee-approved draft of the thesis should be submitted to the dissertation secretary. After appropriate changes have been made, the corrected copy should be submitted at least four weeks before graduation to the dissertation secretary for approval. Copying on non-acid paper should be completed at least two weeks before graduation. Three copies of the thesis, including a 150-word abstract and an approval sheet, must be submitted to the dissertation secretary. The abstract should contain a short statement of the problem examined, a brief exposition of methods and procedures, and a condensed summary of the findings.

Students obtain a Thesis Completion Form from the dissertation secretary. They must take the form to the Academic Records Office no later than noon on Friday, one week preceding graduation. A fee is charged by the university for binding the three copies of the thesis, two of which are deposited in the library and one in the department in which the student earns the degree.

Students who do not adhere strictly to the deadlines noted above will have their graduation postponed. Thesis candidates must pass an oral examination no later than two weeks before graduation. The candidate is expected to demonstrate mastery of the thesis topic.

Concentrations

Note: Dual degree students who choose to complete a concentration will increase their total credits required by 12.

Chaplaincy Concentration - 12
Chaplaincy is a highly qualified and dynamic expression of ministry based on the Bible and supported by the Seventh-day Adventist Church. The chaplaincy concentration provides the basic training and preparation for service beyond the church borders in various chaplaincy ministries, such as in healthcare, military, campus, prison, police and fire departments, community, and corporate settings. It also prepares pastors and church leaders to advance in their caregiving and empathic ministry skills for an immediate impact in the church and the surrounding communities.

2 credits of PATH 507 - Introduction to Chaplaincy Ministry Credits: 2
2 credits of PATH 516 - Death & Grief in Contemporary Society Credits: 2
2 credits of PATH 643 - Trauma & Advanced Crisis Intervention Credits: 2
3 credits of PATH 549 - Philosophy & Ethics of Chaplaincy Credits: 3
PATH 557 - Practicum in Clinical Pastoral Education (CPE) Credits: 2-8

If a student wishes to receive CPE credit for units already earned, a per-credit recording fee is charged by the university for PATH 557 Practicum in Clinical Pastoral Education (CPE), or PATH 641 Practicum in Military Chaplaincy. (Application form is available in the Christian Ministry office.) If a student wishes to register for their CPE units concurrently with other full semester courses, the registration will be part of their MDiv load, and there will be no recording fee assessed.

Students taking military chaplaincy can also take the following:
PATH 641 - Practicum in Military Chaplaincy Credits: 2-8

Marriage and Family Life Ministry Concentration - 12
Healthy, spirit-filled marriages and families are the backbone of Christian life and most clearly reflect the character of Christ in our churches and in the world. When marriages and families are broken, our churches suffer. The Concentration on Marriage and Family Life Ministry is designed to prepare MDiv students to equip their churches to be vibrant and healthy in the way they foster relationships in their individual families as well as in church and the community. Students who take this concentration will be better equipped to educate their congregations in areas of family life. They will also be better prepared to address the family issues that will come to them for counseling. Pastors with these courses will be able to create healthy churches and more positively impact their communities for Christ.

In addition to the core MDiv requirement DSLE 503 - Marriage, Family, and Interpersonal Relationships for 2 credits, students who choose this concentration will take 12 credits in the following courses:

Choose one of the following courses:
3 credits of DSLE 635 - Christian Perspectives on Professional Ethics Credits: 2,3
DSLE 659 - Human Sexuality Credits: 3

Choose one of the following courses:
DSLE 655 - Families in Society Credits: 3
DSLE 658 - Internal Dynamics of Families Credits: 3

Choose one of the following courses:
3 credits of DSLE 678 - Spiritual Nurture of Children Credits: 2,3
DSLE 679 - Parenting Education and Guidance Credits: 3

Choose one of the following courses:
DSLE 610 - Teaching for Discipleship Credits: 2,3
DSLE 626 - Ministry to At-Risk Youth Credits: 2,3
DSLE 651 - Foundations of Biblical Counseling Credits: 2,3
Youth and Young Adult Ministry Concentration - 12

A Youth and Young Adult Ministry (YYAM) Concentration is available for students wishing to gain specialized skills and knowledge for service in pastoral and administrative leadership to address the needs of youth and young adults. The MDiv with the YYAM Concentration requires a total of 84 credits.

In addition to the core MDiv requirement DSLE 534 - Ministry to Youth and Young Adults for 2 credits, students who choose this concentration will take 12 credits in the following courses:

Students who choose this concentration must select 2 credits of PATH 632 Contextualized Preaching: Youth in fulfillment of the Christian Ministry requirement for an Advanced Preaching Core Elective (CHMN list).

- 3 credits of DSLE 564 - Advanced Youth and Young Adult Ministry Leadership
- 2 credits of DSLE 608 - Youth and Young Adults in Contemporary Culture
- 3 credits of DSLE 636 - Seminar in Youth Ministry
- 2 credits of DSLE 656 - Counseling Youth and Young Adults

Choose at least 2 credits from the following courses:

- DSLE 610 - Teaching for Discipleship
- DSLE 626 - Ministry to At-Risk Youth
- DSLE 630 - Fostering Spiritual Growth
- DSLE 651 - Foundations of Biblical Counseling
- DSLE 664 - Advanced Campus Ministry
- DSLE 669 - Reaching the Secular Mind
- DSLE 678 - Spiritual Nurture of Children

*Students wishing to pursue campus chaplaincy should register for DSRE 664 Advanced Campus Ministry as their choice of core elective.

**Additional Requirements**

MDiv students must meet the following requirements in addition to those required of all graduate students:

- Complete the MDiv curriculum of at least 78 credits. Students lacking adequate undergraduate preparation will be required to complete additional prerequisite credits. The actual number of credits required is based on individual academic evaluation.

- Attend selected brief colloquia from among those offered on a variety of ministry topics each semester for MDiv students. On campus students will be required to attend at least 4 of these 0 credit colloquia sessions during their MDiv experience.

- Maintain a GPA of 2.75 or above.

- Meet the qualitative standards of the MDiv program.

- No U grade or any grade below C will count towards the MDiv degree, but will be counted in the student’s cumulative GPA.

**Academic Probation**

MDiv students whose cumulative GPA falls below 2.75 will be placed on academic probation and will have their course load reduced to no more than 10 semester credits. MDiv students whose cumulative GPA remains below 2.75 for a second consecutive semester will be required meet with the MDiv program director and will enter into a probation contract, have regular meetings with their academic advisor, and fulfill other requirements as needed. Following that, should their GPA not improve, they may be asked to withdraw from the program.

When an incomplete or Deferred Grade has not been cleared by the end of the following semester, the student’s course load must be reduced as follows:

- One Incomplete/ DGs—no reduction
- Two Incompletes/DGs—may register for no more than 10 credits
- Three Incompletes/DGs—may register for no more than 9 credits

With more than three I/DGs, the student must cease taking classes until the incompletes/DGs are cleared.

**Evaluation of Students**

Since the MDiv program prepares individuals for professional and pastoral leadership, periodic assessments are made of the students by the faculty in areas other than academic standing. Areas reviewed are students’ spiritual growth, lifestyle reflective of the beliefs and practices of the Seventh-day Adventist Church, social/family relations, and developing potential for ministry. As a result of these assessments, students are affirmed in the MDiv program, advised of needed adjustments, or discontinued from the program.

**Maintaining Active Status**

**Residency Requirements:** Students must maintain active status by enrolling for at least two semesters within one academic year. When this fails to happen, the student must follow the bulletin in force at the time active status is reestablished.

Following an absence of two years or more, a student’s previous admission status will have lapsed and the student will need to reapply to the program.

**Graduation**

The Seminary follows the University graduation procedures and requirements for the conferral of degrees. A dedication ceremony for graduating seminary students is held on the Sabbath afternoon of graduation weekend, or as announced.

**Admission Requirements**

All MDiv applicants must meet the Graduate Programs Admission Requirements applicable to all graduate students and the general seminary requirements.

- Hold a baccalaureate degree: A four-year degree from an accredited United States institution, or its equivalent from an institution outside the U.S.
- Minimum of 2.5 Undergraduate GPA.
- Normally hold membership in the Seventh-day Adventist Church.
- Normally hold membership in the Seventh-day Adventist Church given that the MDiv program is specifically designed for Adventist ministers and is sponsored and financed by the Adventist church.
- Represent high moral integrity with a character, lifestyle, and spiritual commitment reflective of the beliefs and practices of the Seventh-day Adventist Church and show promise of usefulness for Adventist ministry through personal maturity and adequate experience in the Church. (Persons of other faiths who are willing to live in harmony with these standards are welcome to apply.)
- Submit an autobiographical history and a 350+ word statement of purpose reflecting the applicant’s family and spiritual development, sense of calling to ministry, experience in church work, and future goals in relationship to the MDiv program. A guideline is provided in the admissions package.
- If married, the spouse of the applicant is also asked to complete a statement in regard to his or her feelings and relationship to the partner’s aspirations for future ministry.
- Background Check. Applicants to all Seminary programs are required to undergo a criminal background check as specified in the online application process. The criminal background check must be completed within six months of beginning coursework and be redone every three years while in attendance at the seminary. The base cost of the background check is paid as part of the application process. Applicants are responsible for any additional fees charged by municipalities in which they have resided, and for the costs of subsequent background checks.
- An interview with a representative of the MDiv program may be required, either by personal contact, telephone, or video.
- Applicants to all Seminary programs are required to complete and submit to the Seminary the "Pre-Admission Conduct Disclosure Statement."
- Recommendations:
  - Church board where the applicant is a member
  - Church administrator, pastor, or elder
  - General Recommendation from: College teacher or advisor, recent employer, or some other non-family member

**Prerequisites**

Students are expected to present a broad range of undergraduate general education represented in such studies as behavioral sciences (including psychology and sociology) communication, education, English composition, fine arts, health, history, philosophy and computer literacy. In addition, courses in the following areas are strongly recommended: Christian ethics, missions, and apologetics.

Students who enter the Master of Divinity program who have not previously taken the following classes on the undergraduate level must fulfill the following prerequisite areas, all of which may be taken either at the Seventh-day Adventist Theological Seminary or at the undergraduate level. Courses taken outside of the seminary must be approved through the MDiv office in consultation with the appropriate department.
Students must complete or be exempted from prerequisites in any given department prior to beginning core classes.

- Pastoral Ministries and Church Policy - 2 credits
- Biblical Preaching - 2 credits
- Personal Evangelism - 2 credits
- Introduction to Church History - 4 credits
- Adventist Heritage - 3 credits
- Christian Theology - 6 credits
- Christian Ethics - 2-3 credits
- Survey of the New Testament - 4 credits
- Intermediate level Greek proficiency*
- Survey of the Old Testament - 4 credits
- Intermediate level Hebrew proficiency*

* Subject can be cleared through optional challenge exam.

Students who have not previously taken the following classes on the undergraduate level must fulfill these prerequisites. Some of these subjects can be cleared through optional challenge exams. Current Greek and Biblical Hebrew language intermediate level proficiency must be accomplished through placement exam or by passing both the beginning and intermediate levels of each language.

2 credits of CHIS 506 - Church History to 1500 Credits: 2,3
2 credits of CHIS 507 - Church History 1500 to Present Credits: 2,3
1.5 credits of CHIS 570 - History of the Seventh-day Adventist Church Credits: 1,5,2
1.5 credits of CHIS 571 - The Life and Writings of Ellen G. White Credits: 1,5,2
2 credits of PATH 505 - Biblical Preaching Credits: 2
2 credits of PATH 536 - Personal Evangelistic Ministry Credits: 2,3
2 credits of PATH 552 - Foundations of Pastoral Ministry Credits: 2

NOTE: Students who have passed a basic course in pastoral ministry from an accredited Seventh-day Adventist undergraduate institution, or who have been Conference-employed as pastors for two years or more will be exempted from CHMN 552, provided their hiring/sponsoring organization can provide proof of at least two years of pastoral employment via their service record. Exemptions to this rule will be granted on a case by case basis determined by the Christian Ministry Chairperson.

2 credits of NTST 520 - Introduction to the New Testament Credits: 2
2 credits of NTST 530 - Introduction to Revelation Credits: 2
2 credits of NTST 551 - Beginning Greek Credits: 0,2 (Passed at C- or higher or score 45% or higher on the Greek Placement Exam - May, August)

NOTE: Any student who wishes to take a biblical language placement exam must take at least one of the exams in May or August of the year they enroll in seminary. If the student wishes to take the exam for the second language it must be taken before the start of their second year in seminary.

3 credits of NTST 552 - Intermediate Greek Credits: 0,3 (Passed at C or higher or score 60% or higher on the Greek Placement Exam - May, August)
2 credits of OTST 500 - Survey of the Old Testament Credits: 2,3
3 credits of OTST 551 - Biblical Hebrew I Credits: 0,3 (Passed at a minimum of C+ or score 75% or higher on the Hebrew Placement Exam - May, August)

NOTE: Any student who wishes to take a Biblical language placement exam must take at least one of the exams in May or August of the year they enroll in seminary. If the student wishes to take the exam for the second language it must be taken before the start of their second year in seminary.

2 credits of OTST 552 - Biblical Hebrew II Credits: 0,2,3 (Passed at a minimum of C+ or score 75% or higher on the Intermediate Hebrew Placement Exam - May, August)
2 credits of OTST 565 - Survey of the Pentateuch Credits: 2,3
3 credits of THST 521 - Christian Theology I Credits: 2,3
3 credits of THST 522 - Christian Theology II Credits: 2,3

English Language Requirements

All students whose first language is not English must demonstrate adequate proficiency in English to succeed in the academic setting. Language proficiency requirements must be met before enrolling full-time in regular course work.

- TOEFL Paper-based - 565
- TOEFL Internet-based - 85
- MELAB - 81
- IELTS - 6.5
- PTE - 58

Application Deadline

Given that applying and obtaining pertinent documents for admission can be a long process, the student must start the application process at least 4-6 months before the desired starting semester. See University deadlines for individual semesters here.

Placement, Entrance, and Challenge Examinations

MDiv students may challenge the prerequisite courses above (marked by an asterisk) by taking examinations developed for that purpose. Zero credit shall be granted for each examination passed and the student academic transcript will show the equivalent course name, number, and a grade of P – the designation for Challenge by Examination. No entry shall be made on the transcript if the examination is failed and the student shall be required to take the prerequisite course for credit. Each examination may be taken only once.

Biblical Hebrew and Biblical Greek Prerequisites

Hebrew and Greek are required at the Intermediate proficiency level. Language Proficiency must be demonstrated within the first two years in seminary. For each language, students may demonstrate proficiency by either: (1) passing the Beginning (OTST 551/NTST 551) and Intermediate (OTST 552/NTST 552) courses in that language at the required level, or (2) passing the Placement Exam. Undergraduate credits alone do not demonstrate current proficiency in a language.

Option 1: Language Courses

Students must demonstrate proficiency in Biblical Hebrew by passing Hebrew I (OTST 551) and earning a grade of at least C+ in Hebrew II (OTST 552).

Students must demonstrate proficiency in Greek by passing Beginning Greek and earning a grade of at least C in Intermediate Greek (NTST 552).

Option 2: Placement Exam

Students also have the option of demonstrating proficiency in a biblical language by passing the corresponding placement exam. Placement exams may be taken only once for each language. Any student who wishes to take a placement exam must take at least one of them in May or August of the year they enroll in seminary. If the student wishes to take the exam for the second language it must be taken by September of their second year in seminary. Placement exams must be taken at the regular May or August dates set by the seminary.

Preparation materials designed to help students prepare for the placement examinations are available from the Old Testament (otst@andrews.edu) and New Testament (ntst@andrews.edu) departments.

Based on the score achieved on the exam, the student will be assigned to do one of the following as soon as possible: (1) take both the beginning and intermediate language courses, (2) take the intermediate language course, or (3) enroll in exegesis and theology courses without further language study necessary.

Students who do not pass the exam and do not obtain the required grade in the course must retake the course without delay until the required grade is achieved.

Readiness for Ministry

The MDiv program is dedicated to preparing every graduate for success in ministry. Godly and effective practice of ministry requires not only intellectual readiness, but also spiritual, physical, emotional, and social maturity. The MDiv Readiness for Ministry process helps seminarians evaluate their ministerial gifiting and calling, discover and address strengths and weaknesses, and identify and pursue avenues of ministry appropriate to their gifitedness. The program includes small-group mentoring as well as periodic assessments of the seminarian's readiness for ministry, by the faculty, staff, and ministry supervisors.

Areas to be reviewed include spiritual commitment, character, social and relational skills, and general aptitude for ministry. On the basis of these assessments, the seminarian and his/her mentor will, at a minimum, receive feedback in the middle of their first year, and again shortly before graduation. If a significant issue arises that, in the discretion of the Seminary, seriously impairs the seminarian's potential for ministry, appropriate action will be taken. This may include: referring the seminarian to the program director for guidance, remediation, and/or other appropriate action, counsel regarding alternate programs of ministry within the University or elsewhere, or dismissing the seminarian from the MDiv program. As part of the admissions process, every MDiv applicant is required to sign an agreement to participate in this process. This agreement includes permission, which seminarians can withdraw later in the program, to share the final readiness for ministry profile available with prospective employers.
Additional Information

Hybrid Course Delivery Options
MDiv students may take up to one-half of their degree credits off-campus. The Hybrid delivery method utilizes various delivery methods to assist students in completing their MDiv degree. These options include:

- Interactive online classes through the Seminary Online Learning Center (SOLC) (see School of Distance Education definitions).
- One week intensives at seminary extension sites in Unions throughout the United States and Canada (offered by the MA Pastoral Ministry English track). Certain classes in the MAPM program cannot be used by MDiv students. Advising is necessary prior to registration.
- Summer Session intensive courses on the main Andrews University campus
- Full semester, on-campus courses

For financial information regarding hybrid studies, please see Financial Information.

Students interested in the Hybrid delivery method must obtain approval and instructions on specific class options, costs and how to sign up for this option from the MDiv program office before beginning off-campus studies.

Transferred and Earned Credit Term Limits
All course credits applied towards degree requirements should be earned within 10 years of the awarding of the degree.

Advanced Standing
In accordance with ATS Standard 3.13, the Seminary has approved incoming MDiv students from outside North America to receive advanced standing. Advanced standing is credit given for advanced/upper division courses taken at the undergraduate level. In order to qualify for advanced standing, students must:

- Hold a 4-year Bachelor of Theology (BTh) degree or its equivalent from an accredited institution.
- Have graduated from an AAA-accredited institution outside of North America.

Criteria for Validation of Courses
Up to 18 credits of advanced standing may be granted. Each course to be considered for application toward advanced standing must:

- Have been taken within 10 years of the projected graduation date;
- Be an upper-division/advanced level course that:
  - Contribute to the MDiv program learning outcomes;
  - Have an earned grade equivalent of “B” or higher; and
- Be approved by the department teaching the MDiv core or elective course for which advanced standing credit is to be granted. Approval is determined based on whether the BTh course(s) have taught the essential course learning outcomes (at least 80% of the overall course learning outcomes) of the MDiv course it is seeking to replace.

MDiv Core Course Replacement Policy
MDiv core courses provide graduate level understanding considered by the seminary and the church to be essential for the pastor. Occasionally, an MDiv student may have already taken as part of their undergraduate degree, in addition to the required prerequisites for the MDiv program, an advanced college course in which they mastered the learning outcomes for the course at a graduate level. In such cases, a proposal to take an alternate course within the same discipline (department), at an equivalent or higher level, may be considered. To request the validation of a course, the student must submit to the MDiv office, within their first semester, a portfolio containing the following items:

- The Seminary Prior Learning Validation Form, initiated and signed by the student.
  - The course syllabus from the advanced-level undergraduate course evidencing that all the Course Learning Outcomes (CLOs) of the MDiv core course have been taught appropriately at a level of rigor equivalent to the MDiv graduate course;
- A transcript demonstrating that the student earned a B grade or higher in the undergraduate advanced-level course;
- An essay, normally to be followed by an interview by the department chair/faculty member responsible for the course, describing how each of the CLOs were taught, learned, and subsequently put into use at a graduate level of learning.

Transferring Credits to the MDiv Program
Provided the content of the courses are assessed as comparable to the curriculum of the Andrews University Master of Divinity program, students intending to transfer credits into the Master of Divinity Program should be aware of the following policies:

- A transfer of credits must be made by petition.
- Transfer credits are granted only for courses in which the grade is B or higher.
- A student may transfer a maximum of 39 credits (graduate level) may be transferred from an uncompleted graduate-level program.
- Up to 24 credits (graduate level) may be transferred to the Master of Divinity program from a completed master’s-level degree.
- At least 39 credits must be taken in-residence.

Summer Course Load
The 12 week summer semester is divided into two 4-week sessions and two 2-week sessions. The total amount of course work during the summer session may not exceed 12 credits. Students taking a biblical language during a summer session may not take other courses during that session.

Workshop Credit Limit and Grading Pattern
Master of Divinity students may apply up to 4 workshop credits appropriate to degree requirements. If workshops are taken during the semester breaks, the credits are counted as part of the class load for either the previous or the following semester.

Workshops are graded S/U. Any deviation from this pattern must be approved by the dean prior to the conclusion of the workshop. Students must register at the Academic Records Office for all workshops for which academic credit is desired.

Independent Study Restrictions
Students in the MDiv program are allowed to register for Independent Study only for a compelling reason such as a schedule conflict or the need to take a subject that is not offered in any given semester for a maximum of 8 credits during their MDiv program). Independent study is only available to students on the main campus. Normally, Independent Study cannot be used to meet a core requirement. Students must first seek approval from the MDiv office before arranging with a teacher to do Independent Study.

Fees
For a detailed list of charges, please see Financial Information.

MDiv students taking a graduate course in the College of Arts & Sciences in fulfillment of an elective course requirement may request a 50% tuition reduction (up to 9 credits cumulative), provided the class is not full and there are a sufficient number of students paying full tuition to warrant the teaching of the course. Directed study, laboratory courses, and study tours are not eligible for reduced tuition. Neither is this discount available for dual enrollment students who have been accepted in a graduate degree program in the College of Arts & Sciences. (Application form is available in the MDiv office.)

Student Learning Outcomes
A graduate from this program:

- Models spiritual humility, maturity and integrity grounded in a living experience with God in joyful assurance of His salvation, nurtured by the sanctifying presence and power of the Holy Spirit. (Character)
- Manifests the practices of a Biblical scholar-theologian engaging the Bible, Christian/Adventist heritage and professional resources with theological maturity for personal growth and for facilitating the theological competence of others. (Scholarship)
- Demonstrates personal commitment, passion and essential skills for discipleship and evangelism, while equipping members to carry out ministry within the scope of the local and global mission of the Seventh-day Adventist church. (Discipleship & Evangelism)
- Exercises creative and visionary leadership as a minister and servant of Christ, discerning the needs, spiritual gifts and potential of others, in order to equip and engage in their God-given ministries. (Leadership)
- Facilitates enriching corporate worship that brings diverse peoples into the transforming presence of God. (Worship)
- Engages the abilities of self and others to strategically steward personal and corporate resources including time, health, finances, property and service in areas of spiritual giftedness. (Administration/Management)
- Models effective relationships with people of diverse cultures, backgrounds, character, and persuasions, reflecting the wisdom, compassion, and discernment of Jesus through the work of the Spirit. (Relationships)
Pastoral Ministry MAPM (English Track)

E-mail: inministry@andrews.edu

The Master of Arts in Pastoral Ministry is intended for experienced pastors over the age of 35 whose ministerial functions and employment responsibilities make it impossible to engage in an extended study program at the Seminary. The goals of our program are to deepen the understanding, reflection, and skills of the pastors in the core qualities of character, evangelism/discipleship, leadership, management, relationship, scholarship, and worship. While admission to the program is similar for all groups of applicants, the curriculum reflects emphases for English or Hispanic ministry tracks (for details, see below). The program can be completed in 4 years.

This program is offered at designated locations within each Union of the North American Division of Seventh-day Adventists. For more information visit http://www.andrews.edu/inministry/.

The MAPM is not designed to prepare students for advanced degrees. If a student later wishes to pursue an advanced degree in the seminary, they will need to do additional coursework on the masters level. (See the admission requirements under the advanced degrees.)

Mission Statement
The MAPM offers effective graduate education for experienced English and Spanish-speaking NAD pastors who seek a deeper walk with God, a greater knowledge in the practice of ministry and a continuing commitment to the message and mission of the Seventh-day Adventist faith.

Total Credits - 48

NOTE: All courses in this program are to be taken for 3 credits.

Christian Ministry - 12
PATH 523 - Worship: Word and Music Credits: 2,3 This course is only offered in the summer on campus and is recommended to be taken with DSRE 541 during the first year of the program.
PATH 543 - Christian Leadership in a Changing World Credits: 2,3
PATH 637 - Seminar in Preaching Credits: 2,3

Choose one of the following courses:
PATH 539 - Church Growth and the Equipping Leader Credits: 3
PATH 623 - Innovative Evangelism Credits: 2,3
PATH 604 - Mobilizing for Evangelistic Ministry Credits: 2,3

Church History - 6
CHIS 505 - Survey of Church History Credits: 3
CHIS 674 - Development of Seventh-day Adventist Theology Credits: 2,3

Discipleship and Religious Education - 9
DSLE 503 - Marriage, Family, and Interpersonal Relationships Credits: 2,3
DSLE 534 - Ministry to Youth and Young Adults Credits: 2,3
DSLE 541 - Foundations of Biblical Spirituality Credits: 2,3 This course is only offered during the summer on campus and is recommended to be taken with CHMN 523 during the first year of the program.

New Testament - 6
NTST 567 - Theology of the New Testament (English) Credits: 2,3 (topic options)

Choose one of the following courses:
NTST 535 - Studies in the Pauline Writings Credits: 2,3
NTST 536 - Studies in the Gospels Credits: 2,3
NTST 537 - Studies in Acts and General Epistles Credits: 2,3
NTST 538 - Studies in Hebrews Credits: 2,3
NTST 539 - Studies in Revelation Credits: 2,3

Old Testament - 6
Choose one of the following courses:
OTST 520 - Introduction to Old Testament Theology Credits: 2,3

Choose one of the following courses:
OTST 546 - Studies in Daniel (English) Credits: 2,3
OTST 556 - Studies in Prophets (English) Credits: 2,3

OTST 566 - Studies in the Pentateuch (English) Credits: 2,3

Theology and Christian Philosophy - 6
GSEM 530 - Doctrine of the Sanctuary Credits: 2,3
Choose one course in systematic theology (topic options) or historical theology (topic options).

World Mission - 3
MSSN 546 - Mission in Cultural and Religious Context Credits: 3

Additional Requirements
The MA in Pastoral Ministry degree is awarded upon completion of a minimum of 48 credits of formal course work.
- Course work in North America is offered off campus twice annually in one- and two-week intensives, normally at Adventist educational institutions. Students should expect pre- and post-class assignments as part of the total academic requirements of each course. The intensives generate the equivalent of 6–12 credits annually.
- All students must participate in supervised ministerial experience as part of their degree requirements.
- Attendance of at least 6 credits on the Andrews University campus (or approved complete degree site) during the first year of the program is required. This residency requirement is offered as an approved exception to the Association of Theological Schools larger residency expectation stated in Degree Program Standard 8, section B.3.1.3.

Maintaining Academic Standing
- Students failing to maintain a minimum GPA of 2.50 are placed on probation. Any student remaining on probation for the equivalent of two years (maximum of 18 credits) must withdraw from the program.
- Only grades of a C- or above will count towards the 48-credit requirement.
- Following an absence of two years or more, a student’s previous admission status will have lapsed and the student must reapply to the program.
- Course work should be completed within six years of beginning the program. Credits older than ten years will not be applied toward the degree.

Admission Requirements
Admission to the MA in Pastoral Ministry is based on the following requirements in addition to the general admission requirements for all graduate students and the general Seminary admission requirements:
- Hold a BA degree or equivalent from an accredited institution with a minimum GPA of 2.5.
- Provide evidence of successful pastoral leadership during the past five years.
- Be recommended by the local conference administration, a pastoral colleague and a local church leader/elder.
- Complete the Mentoring Agreement Form (retrieve from the Ministerial Mentoring Experience page).
- Be over the age of 35. (Exceptions by petition only.)

Additional Information
Transferred and Earned Term Credit Limits
- All course credits applied towards degree requirements should be earned within 10 years of the awarding of the degree.
- Upon approval by the dean, a maximum of 24 graduate credits may be transferred from approved seminaries or universities, including Andrews University.
- A maximum of 8 credits may be transferred from another conferred degree upon approval by the dean.

Reapplying to the Pastoral Ministry MAPM Program
- Following an absence of two years or more, a student’s previous admission status will have lapsed and the student will need to reapply to the program and pay all the admission fees. Students will be accepted under the current bulletin.

Note for Washington State citizens:
Andrews University is authorized by the Washington Student Achievement Council and meets the requirements and minimum educational standards established for degree-granting institutions under the Degree-Granting Institutions Act. This
considering transferring to any institution should not assume that credits earned in the receiving college, university, or other educational institution. Students The transferability of credits earned at Andrews University is at the discretion of evaluation and determination of transferability of credits and/or acceptability of repeat coursework, students should contact the receiving institution in advance for accepted by or transferred to another institution. To minimize the risk of having to credential earned at Andrews University to satisfy an admission requirement of institution. Similarly, the ability of a degree, certificate, diploma, or other academic any program of study at Andrews University will be accepted by or transferred to another institution. Accreditation does not guarantee credentials or credits earned at Andrews University will be accepted by or transferred to another institution. To minimize the risk of having to repeat coursework, students should contact the receiving institution in advance for evaluation and determination of transferability of credits and/or acceptability of degrees, diplomas, or certificates earned.

Student Learning Outcomes

Graduates will be able to:

- Deliver effective biblically-based sermons.
- Demonstrate proper biblical interpretation skills.
- Understand the historical-theological development of the Seventh-day Adventist Church.
- Train church members for evangelism.
- Demonstrate an understanding of how to empower church members for leadership.
- Reach specific social groups.

Pastoral Ministry MAPM (Hispanic Track)

E-mail: ihm@andrews.edu

The Master of Arts in Pastoral Ministry is intended for experienced pastors over the age of 35 whose ministerial functions and employment responsibilities make it impossible to engage in an extended study program at the Seminary. The goals of our program are to deepen the understanding, reflection, and skills of the pastors in the core qualities of character, evangelism/discipleship, leadership, management, relationship, scholarship, and worship. While admission to the program is similar for all groups of applicants, the curriculum reflects emphases for English or Hispanic ministry tracks (for details, see below).

This program is offered at designated locations within each Union of the North American Division of Seventh-day Adventists. For more information visit the following site: http://www.andrews.edu/go/ihm.

The MAPM is not designed to prepare students for advanced degrees. If a student later wishes to pursue an advanced degree in the seminary, they will need to do additional coursework on the master’s level. (See the admission requirements under the advanced degrees.)

Mission Statement: The MAPM offers effective graduate education for experienced English and Spanish-speaking NAD pastors who seek a deeper walk with God, a greater knowledge in the practice of ministry and a continuing commitment to the message and mission of the Seventh-day Adventist faith.

- Attendance of at least 6 credits on the Andrews University campus (or approved complete degree site) during the first year of the program is required. This residency requirement is offered as an approved exception to the Association of Theological Schools larger residency expectation stated in Degree Program Standard B, section B.3.1.3.
- Following an absence of two years or more, a student’s previous admission status will have lapsed and the student must reapply to the program.
Student Learning Outcomes

- Deliver effective biblically-based sermons.
- Demonstrate proper biblical interpretation skills.
- Understand the historical-theological development of the Adventist Church.
- Capable of training church members for evangelism.
- Demonstrate an understanding of how to empower church members for leadership.
- Capable of reaching specific social groups..

Religion MA

The Master of Arts (Religion) is an academic program generally involving two years of study beyond the baccalaureate degree. The purpose of the program is to prepare students to serve as teachers and church workers in the areas of biblical studies, theology, religion, and Christian ministry.

Mission

The Master of Arts (Religion) Specialized Track prepares students for further study in a specialized theology-related discipline and the Interdisciplinary Track prepares students to serve at an advanced level as multi-disciplinary church workers.

Vision

Master of Arts (Religion) graduates proclaim the gospel and make disciples by valuing and articulating biblical, theological, historical, and missiological knowledge in terms of Seventh-day Adventist history, beliefs, and practice.

Certification for Teaching: Students who plan to teach religion in a Seventh-day Adventist academy or in a secondary school are urged to consult as early in the program as possible with the director of the MA program and the School of Education (College of Education & International Services) regarding qualifying for SDA teaching credentials.

Delivery: The Master of Arts (Religion) is available in three modes of delivery. Based on the delivery mode selected there are different admission and degree requirements.

- Religion MA (Specialized Track): Main Campus
- Religion MA (Interdisciplinary Track: International Sites)
- Religion MA (Interdisciplinary Track: Online)

Religion MA (Interdisciplinary Track: International Sites)

The Religion MA (Interdisciplinary Track) is offered online and at international sites. It provides a solid biblical and theological foundation in terms of biblical knowledge and theological disciplines, critical thinking, and research abilities from which to pursue interdisciplinary collaboration in terms of research and learning with non-theological disciplines. It contributes to the preparation of pastors, teachers, and administrators with a solid understanding of Adventist history, beliefs, and practices, and the ability to think critically and collaboratively in matters of religion. The program requires a thesis/project or comprehensive exams and may reflect context-sensitive needs in its curriculum.

The international sites degree does not require any time on the Michigan campus of Andrews University.

Total Credits - 38

Core - 24-30

- CHIS 574 - History of Seventh-day Adventist Theology Credits: 2
- CHIS 624 - Issues in Ellen G. White Studies Credits: 2, 3
- GSEM 520 - Methods in Biblical & Theological Research Credits: 2
- GSEM 530 - Doctrine of the Sanctuary Credits: 2, 3
- NTST 536 - Studies in the Gospels Credits: 2, 3
- NTST 539 - Studies in Revelation Credits: 2, 3
- OTST 546 - Studies in Daniel (English) Credits: 2, 3
- OTST 566 - Studies in the Pentateuch (English) Credits: 2, 3

Choose one of the following courses:

- GSEM 680 - Master’s Comprehensive Exam Credits: 0
- 6 credits of GSEM 695 - Research Project Credits: 2, 3
- 6 credits of GSEM 697 - Thesis for MA Degree Credits: 1-9
Choose one of the following courses:
- 2 credits of ANEA 510 - Archaeology and the Bible Credits: 2,3
- 2 credits of OTST 556 - Studies in Prophets (English) Credits: 2,3

Choose one of the following courses:
- 2 credits of NTST 535 - Studies in the Pauline Writings Credits: 2,3
- 2 credits of NTST 537 - Studies in Acts and General Epistles Credits: 2,3
- 2 credits of NTST 538 - Studies in Hebrews Credits: 2,3

Choose one of the following courses:
- 2 credits of THST 615 - Doctrine of the Church Credits: 2,3
- 2 credits of THST 616 - Doctrine of God Credits: 2,3

Choose one of the following courses:
- 2 credits of THST 540 - Doctrine of Salvation Credits: 2,3
- 2 credits of THST 618 - The Works of Christ Credits: 2,3

Electives - 2
Choose electives in consultation with the Program Director.

Independent Study. Independent study credits are not accepted as part of the MA (Religion) degree offered at international sites.

Online courses may be taken by off-campus students with the Program Director’s approval. Tuition and fees for online courses will be charged in accordance to the online program fees of the current bulletin.

Concentration - 12
One of the following required concentrations is selected by the site:
- Christian Leadership Concentration
- Global Mission Concentration
- Jewish/Christian Studies Concentration

Christian Leadership Concentration
This concentration addresses the theory and theology that supports the practice of leadership in the Seventh-day Adventist organizational context. Specific elements will address the theory and theology of conflict management, church growth, stewardship of resources, organizational structure, authority flow, and change management. Historical perspectives are examined relative to organizational development. Case study research and reporting will address the research component expected in this academic concentration.

This concentration is available online and at International off-campus locations. In addition to the core requirements for the MA Religion (Interdisciplinary), this concentration requires credits in the following areas:

Concentration - 12
All courses are to be taken for 2 credits
- PATH 517 - Topics in Ministry Credits: 2,3
- PATH 526 - Conflict Management Credits: 2,3
- PATH 543 - Christian Leadership in a Changing World Credits: 2,3

Choose remaining 6 credits from the following courses:
- PATH 539 - Church Growth and the Equipping Leader Credits: 3
- DSLE 503 - Marriage, Family, and Interpersonal Relationships Credits: 2,3
- DSLE 541 - Foundations of Biblical Spirituality Credits: 2,3

Course substitutions must be approved by Program Director before the class is taken.

Global Mission Concentration
The Global Mission Concentration equips practitioners, leaders, and trainers who minister in cross-cultural mission situations and contexts through focused study and research in theological, missiological, and social-science fields of study. In addition to the core requirements for the MA Religion (Interdisciplinary), this concentration requires credits in the following areas:

Concentration - 12
All courses are to be taken for 2 credits.
- 2 credits of OTST 556 - Studies in Prophets (English) Credits: 2,3
- 2 credits of OTST 610 - The Great Controversy, Covenant, Law and Sabbath Credits: 2,3

Choose two of the following courses:
- OTST 610 - The Great Controversy, Covenant, Law and Sabbath Credits: 2,3
- OTST 627 - Jewish Life and Thought Credits: 2,3

Choose one of the following courses:
- NTST 650 - Great Controversy, Covenant, Law and Sabbath Credits: 2,3
- NTST 660 - Introduction to a World Religion Credits: 2,3
- NTST 676 - History of Christian Mission Credits: 2,3
- NTST 685 - Strategies for World Mission Credits: 2,3

Choose one of the following courses:
- MSSN 615 - Anthropology for Mission and Ministry Credits: 2,3
- MSSN 650 - Introduction to a World Religion Credits: 2,3
- MSSN 660 - Witnessing to People of Another Religion Credits: 2,3
- MSSN 685 - Strategies for World Mission Credits: 2,3

Choose one of the following courses:
- OTST 627 - Jewish Life and Thought Credits: 2,3
- OTST 635 - Contemporary Issues in Mission Credits: 2,3
- OTST 676 - History of Christian Mission Credits: 2,3
- OTST 695 - Topics ______________ Credits: 1–6 Mission in Cultural and Religious Context
- OTST 695 - Topics ______________ Credits: 1–6 Theology of Mission

Jewish/Christian Studies Concentration
The Jewish-Christian Studies concentration exposes students to the large corpus of Jewish literature and rabbinic thought which undergird the New Testament and provides them with tools to evaluate Christian doctrine and apologetics alongside historical developments in Judaism and Jewish-Christian Relations. From this foundation, graduates will be equipped to dialogue with Jewish leaders and communities with a genuine appreciation for the significant contribution of Judaism to Christianity and a passion for building bridges of understanding and cooperation between their respective communities.

This concentration is offered only at the main campus. In addition to the core requirements for the MA Religion (Interdisciplinary), this concentration requires credits in the following areas:

Concentration - 12
All courses are to be taken for 2 credits.
- CHIS 630 - History of Jewish Experience Credits: 2,3
- NTST 626 - Seminar in Classical Jewish Literature Credits: 2,3
- OTST 626 - Seminar in Classical Jewish Literature Credits: 2,3
- OTST 627 - Jewish Life and Thought Credits: 2,3

Choose one of the following courses:
- MSSN 650 - Introduction to a World Religion Credits: 2,3
- MSSN 660 - Witnessing to People of Another Religion Credits: 2,3

Choose one of the following courses:
- NTST 650 - Great Controversy, Covenant, Law and Sabbath Credits: 2,3
- OTST 610 - The Great Controversy, Covenant, Law, Sabbath Credits: 2,3

Additional Requirements
In addition to the scholarship standards in the Graduate Programs Academic Information section of this bulletin, students must fulfill the following requirements for both the research and the general academic orientation options:
- Cumulative GPA of 3.00 or above. (Only 2 credit courses can be used to meet these requirements.)
- Research Requirements. An MA thesis/project (6 credits) or comprehensive exams (0 credits) are to be completed and defended. A student who has chosen to do a thesis/project and has registered for GSEM697 Master Thesis or GSEM695 Research Project but has not finished the thesis/project, must register for GSEM 688 Master’s Degree Continuation (0 Credits) until the thesis/project has been approved.

Graduation Requirements
Transfer Credits: A maximum of 6 semester hours of credit with a B (3.00) or above may be transferred from an approved seminary or university if applicable to the student’s program. Transfer courses must have been completed within the six-year time limit.

Time Limits: A student must complete the requirements for the MA (Religion) degree and graduate within six years of first enrolling in the program regardless of admission classification.

Admission Requirements
Admission to the MA (Religion) International program is based on the general admission requirements for all graduate students and the general Seminary admission requirements. Applicant must hold a baccalaureate degree or its
Prerequisites. Applicants must provide a transcript showing that they have taken the following courses at the undergraduate level with a GPA of 3.00 or better (on a 4.00 system). Prerequisites do not count as part of the 38 credits required for the MA (Religion) degree.

Prerequisites may be taken at any accredited educational institution. Students needing to take prerequisite courses, after applying to the MA Religion program, may submit courses by providing an official transcript showing that the course(s) taken meet the Transfer Credit Policy and the MA Religion prerequisite requirements to fulfill the course or language prerequisites.

Prerequisites must be completed within the first year of entering the program.

Church History - 2 credits
New Testament Studies - 2 credits
Old Testament Studies - 2 credits
Theological Studies - 2 credits
Adventist Studies - 4 credits
Total prerequisite credits – 12

Language Requirements. The applicant must meet the English proficiency requirements of the School of Graduate Studies and Research, if the program will be completed online or if the language of instruction is English.

Preparation for the Andrews PhD Religion program. Students completing the MA Religion International interdisciplinary Track will need to do additional coursework in an area of specialization before they can be accepted into the Andrews PhD Religion program. They will also have to show proficiency at the intermediate level in Greek, Hebrew, and a modern research language. Additional languages may be required depending on the area of specialization chosen for the PhD dissertation.

Student Learning Outcomes
Graduates of this program will:

- Demonstrate competence at an advanced level in critical thinking and research methods. (Transferrable Skills, GIO 1)
- Achieve a comprehensive and critically-aware knowledge of Christian beliefs and practices with appropriate specializations in biblical and theological studies, religious history, and practical theology. (Knowledge, GIO 2)
- Critique from a Seventh-day Adventist perspective key ideas, techniques or methods in the field of religious studies. (Faith Development, GIO 3)
- Autonomously use advanced knowledge in a manner consistent with Seventh-day Adventist thought and practice to address complex interpretative, theological or pastoral problems for diverse communities. (Faith Integration, GIO 4)

Religion MA (Interdisciplinary Track: Online)

The Religion MA (Interdisciplinary Track) is offered online and at the international sites. It provides a solid biblical and theological foundation in terms of biblical knowledge and theological disciplines, critical thinking, and research abilities from which to pursue interdisciplinary collaboration in terms of research and learning with non-theological disciplines. It contributes to the preparation of pastors, teachers, and administrators with a solid understanding of Adventist history, beliefs, and practices, and the ability to think critically and collaboratively in matters of religion. The program requires a thesis/project or comprehensive exams and may reflect context-sensitive needs in its curriculum.

Online Delivery: Language of instruction is English. This program is offered in an interactive online format (see School of Distance Education Definitions). The interactive online degree does not require any on-campus time.

Total Credits - 38

Core - 24-30

CHST 574 - History of Seventh-day Adventist Theology Credits: 2
2 credits of CHST 624 - Issues in Ellen G. White Studies Credits: 2,3
GSEM 520 - Methods in Biblical & Theological Research Credits: 2
2 credits of GSEM 530 - Doctrine of the Sanctuary Credits: 2,3

Choose one of the following options:

- GSEM 680 - Master’s Comprehensive Exam Credits: 0
- 6 credits of GSEM 695 - Research Project Credits: 2,3
- 6 credits of GSEM 697 - Thesis for MA Degree Credits: 1–9

Electives - 2
Choose 2 credits of electives in consultation with the Program Director to total 38 credits.

Concentration - 12
Students in the Interdisciplinary Track: Online must complete one of the following concentrations:

- Christian Leadership Concentration
- Global Mission Concentration

Christian Leadership Concentration

This concentration addresses the theory and theology that supports the practice of leadership in the Seventh-day Adventist organizational context. Specific elements will address the theory and theology of conflict management, church growth, stewardship of resources, organizational structure, authority flow, and change management. Historical perspectives are examined relative to organizational development. Case study research and reporting will address the research component expected in this academic concentration.

This concentration is available online and at International off-campus locations. In addition to the core requirements for the MA Religion (Interdisciplinary), this concentration requires credits in the following areas:

Concentration - 12
All courses are to be taken for 2 credits

- PATH 517 - Topics in Ministry Credits: 2,3
- PATH 526 - Conflict Management Credits: 2,3
- PATH 543 - Christian Leadership in a Changing World Credits: 2,3

Choose remaining 6 credits from the following courses:

- PATH 539 - Church Growth and the Equipping Leader Credits: 3
- DSLE 503 - Marriage, Family, and Interpersonal Relationships Credits: 2,3
- DSLE 541 - Foundations of Biblical Spirituality Credits: 2,3

Course substitutions must be approved by Program Director before the class is taken.

Global Mission Concentration

The Global Mission Concentration equips practitioners, leaders, and trainers who minister in cross-cultural mission situations and contexts through focused study and research in theological, missiological, and social-science fields of study. In addition to the core requirements for the MA Religion (Interdisciplinary), this concentration requires credits in the following areas:

Concentration - 12
All courses are to be taken for 2 credits

- MNSS 635 - Contemporary Issues in Mission Credits: 2,3
- MNSS 676 - History of Christian Mission Credits: 2,3
- MNSS 695 - Topics ______________________ Credits: 1–6 Mission in Cultural and Religious Context
- MNSS 695 - Topics ______________________ Credits: 1–6 Theology of Mission

Choose two of the following courses:

- MNSS 505 - Christian Responses to Human Needs Credits: 2,3
- MNSS 615 - Anthropology for Mission and Ministry Credits: 2,3
- MNSS 660 - Witnessing to People of Another Religion Credits: 2,3

516
Additional Requirements
In addition to the scholarship standards in the Graduate Programs Academic Information section of this bulletin, students must fulfill the following requirements for both the research and the general academic orientation options:

- **Cumulative GPA of 3.00 or above. (Only 2 credit courses can be used to meet these requirements.)**
- **Research Requirement:** An MA thesis/project (6 credits) or comprehensive exams (0 credits) are to be completed and defended. A student who has chosen to do a thesis/project and has registered for GSEM 695 Master Thesis/GSEM 695 Research Project but has not finished the thesis/project, must register for GSEM 688 Master’s Degree Continuation (0 Credits) until the thesis/project has been approved.

Graduation Requirements
**Transfer Credits:** A maximum of 6 semester hours of credit with a B (3.00) or above may be transferred from an approved seminary or university if applicable to the student’s program. Transfer courses must have been completed within the six-year time limit.

**Time Limits:** A student must complete the requirements for the MA (Religion) degree and graduate within six years of first enrolling in the program regardless of admission classification.

Admission Requirements
Admission to the MA (Religion) International program is based on the general admission requirements for all graduate students and the general Seminary admission requirements. Applicant must hold a baccalaureate degree or its equivalent, preferably with a major in religion or theology with a minimum undergraduate GPA of 3.00 or above.

**Prerequisites.** Applicants must provide a transcript showing that they have taken the following courses at the undergraduate level with a GPA of 3.00 or better (on a 4.00 system). Prerequisites do not count as part of the 38 credits required for the MA (Religion) degree.

Prerequisites may be taken at any accredited educational institution. Students needing to take prerequisite courses, after applying to the MA Religion program, may submit courses by providing an official transcript showing that the course(s) taken meet the Transfer Credit Policy (see below) and the MA Religion prerequisite requirements to fulfill the course or language prerequisites.

Prerequisites must be completed within the first year of entering the program.

- **Church History - 2 credits**
- **New Testament Studies - 2 credits**
- **Old Testament Studies - 2 credits**
- **Theological Studies - 2 credits**
- **Adventist & Ellen White Studies - 4 credits**
- Total prerequisite credits – 12

**Language Requirements.** The applicant must meet the English proficiency requirements of the School of Graduate Studies and Research, if the program will be completed online or if the language of instruction is English.

**Preparation for the Andrews PhD Religion program.** Students completing the MA Religion Interactive Online Interdisciplinary Track will need to do additional coursework in an area of specialization before they can be accepted into the Andrews PhD Religion program. They will also have to show proficiency at the intermediate level in Greek, Hebrew, and a modern research language. Additional languages may be required depending on the area of specialization chosen for the PhD dissertation.

Student Learning Outcomes
Graduates of this program will:

- Demonstrate competence at an advanced level in critical thinking and research methods. (Transferrable Skills, GIO 1)
- Achieve a comprehensive and critically-aware knowledge of Christian beliefs and practices with appropriate specializations in biblical and theological studies, religious history, and practical theology. (Knowledge, GIO 2)
- Critique from a Seventh-day Adventist perspective key ideas, techniques or methods in the field of religious studies. (Faith Development, GIO 3)
- Autonomously use advanced knowledge in a manner consistent with Seventh-day Adventist thought and practice to address complex interpretative, theological or pastoral problems for diverse communities. (Faith Integration, GIO 4)

**Religion MA (Specialized Track)**
The Religion MA (Specialized Track) is offered on the Andrews University main campus. The program specifically provides students with the opportunity to increase their knowledge of biblical and theological disciplines, develop skills in research, and prepare them for future doctoral studies. The Specialized track contributes to the preparation of teachers and church workers with a solid understanding of Adventist history, beliefs, and practices, and the ability to think critically and creatively in matters of religion.

**Total Credits - 38**

**Core - 20**
- 3 credits of CHIS 674 - Development of Seventh-day Adventist Theology
- 3 credits of GSEM 620 - Research Methods
- 5 credits of GSEM 697 - Thesis for MA Degree
- Choose a 3-credit Old Testament exegesis course (600-level OTST).
- Choose a 3-credit New Testament exegesis course (600-level NTST).
- 3 credits of THST 619 - Principles and Methods of Theology

**Concentration - 18**
Students must select their area of concentration within the first semester of starting courses. The director of the MA in Religion program, in cooperation with department chairs, assigns academic advisers in the student's area of specialization. Concentration options for the MA Religion are:

- Archaeology and History of Antiquity Concentration
- Biblical and Cognate Languages Concentration
- Church History Concentration
- Intertestamental (Jewish) Studies Concentration
- Mission Studies Concentration
- New Testament Concentration
- Old Testament Concentration
- Theological Studies Concentration

**Archaeology and History of Antiquity Concentration**
The authors of the books of the Bible and their first audiences lived in ancient near eastern historical, social, and cultural contexts. Therefore, the biblical messages are richly illuminated by exploration of these background contexts and light that is shed on them by archaeological discoveries of material remains and texts in the Middle Eastern and Mediterranean regions. This concentration equips students with knowledge and methodological tools to understand existing discoveries and to uncover additional relevant data through the study of archaeology and the history of antiquity that includes not only classwork and library research but also by participation in archaeological fieldwork and laboratory analysis of artifacts. The concentration covers time periods from the Stone Age through the Islamic periods and includes elements such as material culture, historical geography, biblical chronology, ethnography, and political and social dynamics through history.

This concentration requires 18 credits, in addition to the core requirements for the MA Religion (Specialized).

**Concentration - 18**
- 3 credits of ANEA 510 - Archaeology and the Bible
- 3 credits of ANEA 604 - History of the Ancient Near East
- 3 credits of ANEA 614 - Archaeology of Palestine

*NTST615 may be substituted for ANEA614 if, ANEA614 is not available during the semesters a student is completing their coursework.*
Courses must be taken for 3 credits each.

This concentration requires 18 credits in addition to the core requirements for the MA Religion (Specialized).

**Courses must be taken for 3 credits each**

### Biblical and Cognate Languages Concentration

Specific concepts regarding God and salvation have come to human beings primarily in the form of scriptures, i.e., inspired canonical texts in the Hebrew, Aramaic, and Greek languages. Translations of the Bible are readily available, but every such version is somewhat affected by the interpretive perspective of the translator and limitations of correspondences between biblical and modern languages. To gain a sharper and deeper comprehension of the Bible, especially in view of the many and varying interpretations of it, it is necessary to access the sacred texts in their original languages. This requires knowledge of the languages (grammar, syntax, semantics) and other elements of exegetical methodology for studying literature written in these languages. Texts in other ancient near eastern languages, especially those of the Semitic group to which Hebrew and Aramaic belong (i.e., cognate languages such as Akkadian and Ugaritic), also illuminate our linguistic, cultural (including religious), and historical understanding of biblical texts.

This concentration requires 18 credits in addition to the core requirements for the MA Religion (Specialized).

**Concentration - 18**

- OTST 625 - Biblical Hebrew III Credits: 3

**Choose one of the following courses:**

- NTST 608 - Advanced Greek Grammar and Syntax Credits: 2,3
- NTST 678 - Seminar in Greek Exegetics Credits: 2,3
- NTST 696 - Seminar in Hellenistic Greek Credits: 2,3

**Choose remaining 12 credits from the following courses:**

- ANEA 612 - Ancient Near Eastern Languages Credits: 3
- NTST 606 - New Testament Textual Criticism and Canon Formation Credits: 2,3
- NTST 618 - Syriac Credits: 2,3
- NTST 626 - Seminar in Classical Jewish Literature Credits: 2,3
- NTST 646 - Topics in New Testament Exegesis Credits: 2,3
- NTST 665 - Coptic Credits: 2,3
- NTST 690 - Independent Study Credits: 1–4
- OTST 545 - Daniel Credits: 2,3
- OTST 565 - Survey of the Pentateuch Credits: 2,3
- OTST 626 - Seminar in Classical Jewish Literature Credits: 2,3
- OTST 639 - Studies in Old Testament Exegesis Credits: 2,3
- OTST 654 - Biblical Aramaic Credits: 2,3
- OTST 658 - Seminar in Ancient Near Eastern Languages Credits: 3
- OTST 659 - Studies in Old Testament Issues Credits: 2,3
- OTST 660 - Readings in the Septuagint Credits: 2,3
- OTST 680 - Seminar in Old Testament Exegesis Credits: 2,3
- OTST 685 - Principles of Hermeneutics Credits: 2,3
- OTST 690 - Independent Study Credits: 1–3
- OTST 695 - Directed Studies Credits: 1–3

Course substitutions must be approved by Program Director before the class is taken.

**Courses must be taken for 3 credits each**

### Church History Concentration

In completing the CH concentration students will gain insight of SDA theological perspective and the organization’s contribution to church history as a whole. In addition to the core requirements for the MA Religion (Specialized), this concentration requires 18 credits in the following areas:

**Concentration - 18**

- CHIS 612 - Introduction to Ecclesiastical Latin Credits: 3
- CHIS 614 - Readings in Ecclesiastical Latin Credits: 3
- 9 credits of CHIS courses

**Choose remaining 3 credits from the following courses:**

- GSEM 678 - Church History Study Tour Credits: 1–8
- MSSN 676 - History of Christian Mission Credits: 2,3
- THST 624 - Protestant Theological Heritage Credits: 2,3
- THST 625 - Early Christian Theology Credits: 2,3
- THST 628 - Contemporary Theology Credits: 2,3

Course substitutions must be approved by Program Director before the class is taken.

**Courses must be taken for 3 credits each**

### Intertestamental (Jewish) Studies Concentration

In-depth study of primary documents, languages, material culture, and secondary literature pertaining to the intertestamental period.

This concentration requires 18 credits in addition to the core requirements for the MA Religion (Specialized).

**Concentration - 18**

- NTST 525 - Revelation Credits: 2
- NTST 635 - Intertestamental Literature Credits: 2,3

**Choose one of the following courses:**

- NTST 684 - Judaism and the New Testament Credits: 2,3
- NTST 689 - Seminar in New Testament Backgrounds Credits: 2,3

**Choose remaining credits from MSSN:**

- NTST 615 - New Testament Archaeology Credits: 2,3
- NTST 618 - Syriac Credits: 2,3
- NTST 626 - Seminar in Classical Jewish Literature Credits: 2,3
- NTST 680 - Greco-Roman World Credits: 2,3
- NTST 690 - Independent Study Credits: 1–4
- NTST 696 - Seminar in Hellenistic Greek Credits: 2,3
- ANEA 614 - Archaeology of Palestine Credits: 2,3
- OTST 625 - Biblical Hebrew III Credits: 3
- OTST 626 - Seminar in Classical Jewish Literature Credits: 2,3
- OTST 627 - Jewish Life and Thought Credits: 2,3
- OTST 654 - Biblical Aramaic Credits: 2,3
- OTST 659 - Studies in Old Testament Issues Credits: 2,3
- OTST 690 - Independent Study Credits: 1–3
- OTST 695 - Directed Studies Credits: 1–3

Course substitutions must be approved by Program Director before the class is taken.

**Courses must be taken for 3 credits each**

### Mission Studies Concentration

The Mission Studies Concentration equips practitioners, teachers, and leaders who minister in cross-cultural mission situations and contexts through focused study and research in theological, missiological, and social-science fields of study.

This concentration requires 18 credits in addition to the core requirements for the MA Religion (Specialized).

**Concentration - 18**

- MSSN 546 - Mission in Cultural and Religious Context Credits: 3
- MSSN 561 - Christian Witness and World Religions Credits: 3

**Choose one of the following courses:**

- MSSN 610 - Theology of Mission Credits: 3
- MSSN 676 - History of Christian Mission Credits: 2,3

**Choose remaining 9 credits from MSSN:**

Course substitutions must be approved by Program Director before the class is taken.

**Courses must be taken for 3 credits each**

### New Testament Concentration

In-depth study of the contents and backgrounds of the New Testament with various exegetical tools while acquiring an advanced knowledge of the secondary literature.
This concentration requires 18 credits in addition to the core requirements for the MA Religion (Specialized).

Concentration - 18
3 credits in New Testament Theology
3 credits in New Testament Exegesis

Choose one of the following courses:**
- NTST 608 - Advanced Greek Grammar and Syntax Credits: 2,3
- NTST 678 - Seminar in Greek Exegesis Credits: 2,3
- NTST 696 - Seminar in Hellenistic Greek Credits: 2,3

Choose one of the following courses:**
- NTST 615 - New Testament Archaeology Credits: 2,3
- NTST 635 - Intertestamental Literature Credits: 2,3
- NTST 664 - Second Century Christianity Credits: 2,3
- NTST 680 - Greco-Roman World Credits: 2,3
- NTST 684 - Judaism and the New Testament Credits: 2,3
- NTST 689 - Seminar in New Testament Backgrounds Credits: 2,3

Choose remaining 6 credits from the following courses:**
- NTST courses
- GSEM 530 - Doctrine of the Sanctuary Credits: 2,3
- GSEM 670 - Guided Study Tour of the Bible Lands Credits: 1–4

**Courses must be taken for 3 credits each

Old Testament Concentration
This concentration enhances the student's ability to understand, research, and teach the Old Testament through development of exegetical tools that facilitate detailed and accurate analysis of biblical texts in their original Hebrew, against their ancient near eastern background, and exegetically controlled theological reflection on those texts to reach viable conclusions. Exegetical tools include a thorough knowledge of Hebrew grammar, syntax, and word-study (semantic/lexicographical) methodology; ability to identify and take into account literary genres, structures, rhetorical strategies, and themes; proficiency in identifying and wisely utilizing relevant secondary resources, distinguishing between solid data and scholarly interpretations; and acquaintance with ancient near eastern material, textual, cultural, geographic, and historic information that sheds light on the Bible in various ways.

This concentration requires 18 credits in addition to the core requirements for the MA Religion (Specialized).

Concentration - 18
OTST 625 - Biblical Hebrew III Credits: 3
6 credits in Old Testament Exegesis
3 credits in ANEA

Choose remaining 6 credits from the following courses:**
- GSEM 530 - Doctrine of the Sanctuary Credits: 2,3
- GSEM 670 - Guided Study Tour of the Bible Lands Credits: 1–4

**Courses must be taken for 3 credits each

Theological Studies Concentration
In addition to the core requirements for the MA Religion (Specialized), this concentration requires 18 credits in the following areas:

Concentration - 18
3 credits of Systematic Theology
3 credits of Historical Theology
3 credits of Ethics and Philosophy

Choose remaining 9 credits from the following:
- GSEM 530 - Doctrine of the Sanctuary Credits: 2,3
- THST courses

Distance Courses. Online courses must be approved by the MA Religion director before the course begins. These courses must cover appropriate content with sufficient rigor to meet the academic expectations of the MA Religion degree.

Additional Requirements
- Cumulative GPA of 3.00 or above. (Only 3-credit courses may be used to meet these requirements.)
- In addition to the scholarship standards in the School of Graduate Studies section of this bulletin, students must fulfill the requirements listed above.
- Research Requirements: An MA thesis with a total of 5 credits must be defended and completed. Thesis cannot be started until all language requirements are completed. A student who has registered the required 5 thesis course credits but has not finished the thesis must register for GSEM 688 - Masters Degree Continuation, 0 credits, until the thesis has been approved/completed.

Graduation Requirements
Transfer Credits. A maximum of 6 masters level semester hours of coursework, with a B (3.00) or above, may be transferred from an approved seminary or university if applicable to the student's program. Transfer courses must have been completed within the six-year time limit.

Time Limits. A student must complete the requirements for the MA (Religion) degree and graduate within six years of first enrolling in the program regardless of admission classification.

Admission Requirements
Admission to the Religion MA (Specialized) program is based on the general admission requirements for all graduate students and the general Seminary admission requirements. Applicants must hold a baccalaureate degree or its equivalent, preferably with a major in religion or theology with a minimum undergraduate GPA of 3.00 or above.

In addition to the General and Seminary Admission requirements specified above, applicants must meet the following:

Prerequisites
Applicants must provide a transcript showing that they have taken the following courses at the undergraduate level with a GPA of 3.00 or better (on a 4.00 system). Prerequisites do not count as part of the 38 credits required for the MA (Religion) degree.

Applicants may be taken at any accredited educational institution. Students needing to take prerequisite courses, after applying to the MA Religion program, may submit courses by providing an official transcript showing that the course(s) taken meet the Transfer Credit Policy (see below) and the MA Religion prerequisite requirements to fulfill the course or language prerequisites.

Prerequisites must be completed within the first year of entering the program.

Church History - 2 credits
New Testament Studies - 2 credits
Old Testament Studies - 2 credits
Theological Studies - 2 credits
Adventist Studies - 4 credits
Total prerequisite credits - 12

Language Requirements
The applicant must demonstrate proficiency, in languages other than English, or show a plan for acquiring language proficiency as determined by the selected area of concentration. Proficiency is defined as the reading knowledge of a language at the intermediate level. Examinations are generally required to demonstrate proficiency. Language proficiency courses do not apply toward the 38 credits of the MA degree requirements.

Applicant must demonstrate Biblical Greek and Hebrew proficiency at the intermediate level. Students who have already taken Greek or Hebrew at the undergraduate level must take the placement exam and show that they have an intermediate level of competency in both languages. If the appropriate score(s) are not earned, the student will have to retake the language courses at Andrews. Biblical language proficiency must be demonstrated before registration of exegesis courses.

Registering for Greek and Hebrew Placement Exams
A student who passes the Hebrew or Greek placement exam must register for the zero credit section of the course in order for their academic transcript to show a grade of "P" for passing, which is the designation for Challenge by Examination. No entry shall be made on the transcript if the student fails the examination.
However, a student who fails the examination will be required to take the prerequisite course for credit. Placement exams must be taken the first year of starting the program and can only be taken once.

Students will register for placement exam(s) as follow:
- NTST 551 - Beginner Greek Placement Exam, 0 credits, must receive a score of 45% or higher to pass.
- NTST 552 - Intermediate Greek Placement Exam, 0 credits, must receive a score of 60% or higher to pass.
- OTST 551 - Beginner Hebrew Placement Exam, 0 credits, must receive a score of 65% or higher to pass.
- OTST 552 - Intermediate Hebrew Placement Exam, 0 credits, must receive a score of 65% or higher to pass.

Students who choose to demonstrate proficiency in Hebrew and/or Greek by taking the courses at Andrews may use the credits to fulfill course Prerequisite Elective requirements.

Modern Language
A modern language of French or German must generally be completed by examination and/or course work (FREN 505, GRMN 505). Exceptions to this rule are listed under areas of Concentration. This is in addition to the minimum 38 examination and/or course work (FREN 505, GRMN 505). Exceptions to this rule are listed under areas of Concentration. This is in addition to the minimum 38 examination and/or course work (FREN 505, GRMN 505). Modern language deficiencies must be completed before registering for the MA thesis/project.

Student Learning Outcomes
Graduates of this program will:
- Demonstrate competence at an advanced level in critical thinking and research methods. (Transferable Skills, GIO 1)
- Achieve a comprehensive and critically-aware knowledge of Christian beliefs and practices with appropriate specializations in biblical and theological studies, religious history, and practical theology. (Knowledge, GIO 2)
- Critique from a Seventh-day Adventist perspective key ideas, techniques or methods in the field of religious studies. (Faith Development, GIO 3)
- Autonomously use advanced knowledge in a manner consistent with Seventh-day Adventist thought and practice to address complex interpretative, theological or pastoral problems for diverse communities. (Faith Integration, GIO 4)

Masters Dual Degrees
Discipleship in Lifespan Education, Family Life Education Concentration/Social Work Dual Degree MA/MSW

The Dual Degree Program in Discipleship in Lifespan Education, Family Life Education Concentration and Social Work allows the student to complete two degrees in 3 years, with a tuition reduction of 33% for the MSW credits. For seminary credits, the student may apply for the Discipleship in Lifespan Education MA program tuition discount.

Total Credits - 80
To facilitate this objective, the two programs will reduce the total number of required credits and will share a practicum and a limited number of elective courses. Specifically, the Social Work department will reduce the required number of credits from 56 to 46 by allowing students to take their required electives in the Seminary. Sixteen credits will be shared between the two programs.

The Discipleship in Lifespan Education, Family Life Education Concentration MA is a 48-credit degree, but it will share 16 credits with the MSW program and accept 3 MSW credits as electives, thereby reducing the Discipleship in Lifespan Education, Family Life Education Concentration MA credits to 45.

The following courses constitute credits shared between the two programs:

- SOWK 515 - Christian Perspectives on Professional Ethics Credits: 2 or DSLE 635 - Christian Perspectives on Professional Ethics Credits: 2,3
- SOWK 550 - Social Policy Credits: 2,3 or DSLE 657 - Social Policy Credits: 2,3
- SOWK 659 - Human Sexuality Credits: 3 or DSLE 659 - Human Sexuality Credits: 3
- SOWK 561 - Social Work Research I Credits: 2 and SOWK 562 - Social Work Research II Credits: 2 or EDRM 505 - Research Methods Credits: 3
- SOWK 535 - Generalist Field Experience Credits: 1–4 and SOWK 635 - Advanced Field Experience Credits: 1-5 (these two courses include 1 credit Leadership requirement) replace DSLE 680 - Field Practicum:________ Credits: 1-6
- SOWK 689 - Advanced Professional Seminar Credits: .5 replaces DSLE 620 - Scholarly and Professional Development Credits: 0

Program Information
Information for the two programs (Discipleship in Lifespan Education, Family Life Education Concentration MA and Social Work MSW) follows:

Discipleship in Lifespan Education MA
The MA (Discipleship in Lifespan Education) is a 48-credit degree designed to prepare leaders to train other leaders to understand and facilitate, and train others in the process of discipleship, the life-long journey of learning to follow Jesus and become more like Him. Concentrations in youth and young adult ministry, campus chaplaincy, family ministry, religious education, and Bible teacher training provide areas of specialization depending upon students' area of interest.

Mission:
The MA (DSLE) prepares individuals to become competent in discipling leaders and training others in one or more phases of spiritual, mental, emotional, and relational development across the lifespan.

Vision:
The MA (DSLE) serves the church by equipping and discipling individuals to address the developmental needs of its new and current members as well as the surrounding communities.

Goals:
All students graduating from the MA (DSLE) will be competent pastor-teachers in the field of discipleship.

Students will have growing expertise as pastor-teachers in at least one of the following areas of human development: children's ministry, youth and young adult ministry, family ministry, and ministry to the elderly, along with campus chaplaincy ministry.

Students who teach at the elementary or academy level will become competent in discipling students to a love-relationship with God and in understanding the Biblical narrative.

Concentrations:
- Bible Teaching
- Campus Chaplaincy
- Family Life Education
- Religious Education
- Youth and Young Adult Ministry

MA (DSLE) Dual Degree Options:
The MA (DSLE) is also available with the following dual degree options:
- Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Community & International Development Dual Degree MA/MSCID
- Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Social Work Dual Degree MA/MSW
- Discipleship in Lifespan Education, Family Life Education Concentration/Social Work Dual Degree MA/MSW

Distance/Intensive Curriculum Option
The Concentration in Youth and Young Adult Ministry and the Concentration in Campus Chaplaincy offers a combined remote or online/intensive format for those who are unable to study in residence. A Field practicum can be arranged in the location of the student's residence. (Students in the MA (DSLE)/YYAM/MSCID Dual Degree program may fulfill 6 elective credits with MSCID courses. Students in the
MA (DSLE)/MSW Dual Degree program may fulfill 8 elective credits with MSW courses."

Total Credits: 48

Core - 22

2 credits of CHIS 674 - Development of Seventh-day Adventist Theology

2 credits of DSLE 534 - Ministry to Youth and Young Adults

2 credits of DSLE 541 - Foundations of Biblical Spirituality

3 credits of DSLE 503 - Marriage, Family, and Interpersonal Relationships

3 credits of DSLE 610 - Teaching for Discipleship

2 credits of PATH 526 - Conflict Management

Christian Leadership in a Changing World

2 credits of a THST course

2 credits of a MSSN World Missions course

4 credits of NTST/OTST courses (Bible Teaching Concentration students take NT/OT courses in their concentration)

2 credits of a THST course

Degree Electives

ANEA 510 - Archaeology and the Bible

DSLE 503 - Marriage, Family, and Interpersonal Relationships

DSLE 564 - Advanced Youth and Young Adult Ministry Leadership

DSLE 608 - Youth and Young Adults in Contemporary Culture

DSLE 619 - Religious Experience in Adolescence

DSLE 620 - Scholarly and Professional Development

DSLE 651 - Foundations of Biblical Counseling

DSLE 656 - Counseling Youth and Young Adults

DSLE 659 - Human Sexuality

DSLE 678 - Spiritual Nurture of Children

GSEM 530 - Doctrine of the Sanctuary

NTST 515 - New Testament Backgrounds

NTST 535 - Studies in the Pauline Writings

NTST 536 - Studies in the Gospels

NTST 537 - Studies in Acts and General Epistles

NTST 538 - Studies in Hebrews

NTST 539 - Studies in Revelation

OTST 500 - Survey of the Old Testament

OTST 520 - Introduction to Old Testament Theology

OTST 546 - Studies in Daniel (English)

OTST 556 - Studies in Prophets (English)

OTST 566 - Studies in the Pentateuch (English)

OTST 570 - Readings in the Old Testament (English)

PATH 553 - The Church and Social Issues

PATH 555 - Pastoral Counseling

PATH 623 - Innovative Evangelism

PATH 632 - Contextualized Preaching

PATH 656 - Evangelistic Small Groups

THST 521 - Christian Theology I

32 credits of Bible classes, while those with a strong religion/theology background but no educational background are given advanced standing and introduced to principles of pedagogy/andragogy.

Advanced Standing

Advanced standing may be obtained for up to 12 credits of religion and theology and up to 5 credits of education or religious education for a combined total of 12 credits. These credits are dependent upon a background of advanced theological or educational study or prior extensive undergraduate studies in religion, theology, religious education, or education as well as the particular MA (Discipleship in Lifespan Education) focus area chosen. Advanced standing is calculated at the time of admission as follows:

- 18 or more credits of undergraduate religion or theology credit may qualify for advanced standing of up to 12 credits in appropriate areas of the course plan. Advanced standing based on less than 18 credits of prior undergraduate studies is prorated at a two-thirds ratio.

- 8 or more credits of undergraduate education or religious education may qualify for advanced standing of up to 5 credits in appropriate areas of the course plan. Advanced standing based on less than 8 credits of prior undergraduate studies is prorated at a two-thirds ratio.

Concentration Courses

1.5 credits of CHIS 570 - History of the Seventh-day Adventist Church

1.5 credits of CHIS 571 - The Life and Writings of Ellen G. White

3 credits of DSLE 605 - Foundations in Religious Education

2 credits of DSLE 606 - Philosophical Foundations for Professionals

DSLE 616 - Collaborative Ministry: Partnering in Discipleship and Mission

DSLE 620 - Scholarly and Professional Development

2 credits of DSLE 633 - K-12 Faith Development & Bible Methods

1 credit of DSLE 676 - Topics: ____________________________

EDRM 505 - Research Methods

EDTE 508 - Principles of Teaching and Learning

EDTE 524 - Classroom Testing and Evaluation

2 credits of GSEM 530 - Doctrine of the Sanctuary

GSEM 680 - Master’s Comprehensive Exam

2 credits of OTST 546 - Studies in Daniel (English)

2 credits of OTST 566 - Studies in the Pentateuch (English)

Choose one of the following courses for 2 credits:

NTST 535 - Studies in the Pauline Writings

NTST 536 - Studies in the Gospels

NTST 538 - Studies in Hebrews

NTST 539 - Studies in Revelation

Thesis Option: may add an additional 3 credits

GSEM 697 - Thesis for MA Degree

Additional Degree Requirements for Religious Education and Bible Teaching Concentrations

- Must maintain a minimum GPA of 3.00 in order to graduate. Courses with a grade below B- do not count toward the degree.

- Degree Completion: Candidates for the Bible Teaching Concentration may exercise one of the following two options to complete their degree:

  - Comprehensive Examinations: Must pass comprehensive examinations arranged through the departmental administrative assistant. The one-day exams entail a three-hour morning session and a two-hour afternoon session.

  - Thesis: Prepare a thesis (minimum 3 credits). A two-member faculty committee guides the student in developing the project and evaluates the
defense. Students who complete a thesis are exempt from writing comprehensive examinations but are required to make a portfolio presentation. The thesis may add 3 credits to the 48 credit degree requirements, making a total of 51 credits.

Denominational Teacher Certification

The Basic Teaching Certificate for denominational certification may be issued to the candidate presenting a Verification of Eligibility form from Andrews University. The certificate is issued by the union conference where the candidate takes his/her first teaching position. Requirements for this certificate may be completed by taking additional courses along with the MA (DSLE) with the Bible Teacher Concentration. The Bible Teaching focus builds credit toward Denominational Certification but additional courses and a teaching practicum are required. More information about preparing to teach religion in Adventist schools is available from the University Certification Registrar in the School of Education.

Campus Chaplaincy Concentration - 26

The Campus Chaplaincy Concentration is designed for those youth and young adult specialists who see themselves ministering as chaplains on either public or private campuses. This concentration has been approved for credentialing by the Adventist Chaplaincy Ministries of the North American Division of Seventh-day Adventists.

DSLE 507 - Introduction to Chaplaincy Ministry Credits: 2
2 credits of DSLE 615 - Collaborative Ministry: School, Church, Community Credits: 2,3
DSLE 620 - Scholarly and Professional Development Credits: 0
2 credits of DSLE 660 - Field Practicum: Youth and Young Adult Ministry Credits: 1-6
DSLE 664 - Advanced Campus Ministry Credits: 3
2 credits of DSLE 669 - Reaching the Secular Mind Credits: 2,3
PATH 643 - Trauma & Advanced Crisis Intervention Credits: 2
PATH 648 - The Chaplain as Institutional Leader Credits: 3
Electives: Choose 10 elective credits in consultation with advisor

Additional Degree Requirements for Campus Chaplaincy Concentration

The Campus Chaplaincy concentration is awarded upon successful completion of a minimum of 48 semester credits with a cumulative GPA of 2.5 or better. A minimum of 24 semester credits are to be taken at the Theological Seminary or at an authorized extension center. The course work for the MA (Discipleship in Lifespan Education) is designed to be completed by full-time students in two years.

Elective Courses

Students in the MA (DSLE) can utilize their elective credits to tailor a program to their specific ministry needs. They can take up to 6 credits in DSLE 690 - Independent Study.

Transfer Credits

A maximum of 9 transfer graduate credits, when applicable, may be transferred into the MA (DSLE) program from other institutions or from other master’s programs within the Seminary upon approval of the dean. Credits approved under the Credit Through Learning in Professional Experience provision (see below) are considered part of the maximum of 9 transfer credits.

Credit Through Learning in Professional Experience

In place of DSRE 660 - Field Practicum, some students may be eligible to receive up to three credits for professional experience when approved by the dean, using the following criteria:

- Applicants must have completed at least 18 credits toward the MA degree with a minimum GPA of 2.50.
- The applicant must submit a Professional Experience Portfolio, including (1) an up-to-date curriculum vita, (2) a description of ministerial experiences, (3) a reflection-learning paper in which the applicant analyzes his/her professional skills and ministries and demonstrates how learning based on the reflection-reaction process occurred, and (4) supporting letters from administrative and pastoral supervisors which identify and document a variety of professional experiences.
- The applicant must submit the completed Professional Experience Portfolio to the program director and the Department of Discipleship and Lifespan Education no later than the semester prior to graduation. For details, contact the director of the MA (DSLE) program.

Additional Information

Graduates of the Campus Chaplaincy Concentration receive calls for ministry. However, completion of the program does not guarantee employment in Adventist ministry or any other church employment.

Students who seek to serve in general pastoral or church leadership positions should consider, as an alternative, the Master of Divinity program as stipulated by North American Division policy (L 05 05 and L 05 15).

CPE Unit

In addition to completing the 48-credit professional Discipleship in Lifespan Education with an emphasis in Campus Chaplaincy, an individual wishing to be employed as a campus chaplain should complete 1 unit of Clinical Pastoral Education (CPE) - Community Based Option (8 months). In international settings where CPE units are not available, supervised internship in campus ministry must be arranged in accordance with established curricula guidelines and with qualified mentoring.

Family Life Concentration - 26

The Family Life Education concentration prepares students to engage in family education ministries both within the church and in other professional settings and to apply for certification as Family Life Educators by the National Council on Family Relations (NCFR). Advanced standing is generally not given for the Family Life Education concentration.

Prerequisite course:
GDPC 614 - Human Development Credits: 3 (or equivalent)

Concentration Courses:
3 credits of DSLE 635 - Christian Perspectives on Professional Ethics Credits: 2,3
DSLE 652 - Personal and Family Finance Credits: 3
DSLE 655 - Families in Society Credits: 3
3 credits of DSLE 657 - Social Policy Credits: 2,3
DSLE 658 - Internal Dynamics of Families Credits: 3
DSLE 659 - Human Sexuality Credits: 3
DSLE 679 - Parenting Education and Guidance Credits: 3
2 credits of DSLE 680 - Field Practicum: ________ Credits: 1-6 (taken after completion of 24 credits)
Electives: choose 3 credits of electives in consultation with advisor

Additional Degree Requirements for Family Life Education Concentration

The Family Life Education concentration is awarded upon successful completion of a minimum of 48 semester credits with a cumulative GPA of 2.5 or better. A minimum of 24 semester credits are to be taken at the Theological Seminary or at an authorized extension center. The course work for the MA (Discipleship in Lifespan Education) is designed to be completed by full-time students in two years.

Elective Courses

Students in the MA (DSLE) can utilize their elective credits to tailor a program to their specific ministry needs. They can take up to 6 credits in DSLE 690 - Independent Study.

Transfer Credits

A maximum of 9 transfer graduate credits, when applicable, may be transferred into the MA (DSLE) program from other institutions or from other master’s programs within the Seminary upon approval of the dean. Credits approved under the Credit Through Learning in Professional Experience provision (see below) are considered part of the maximum of 9 transfer credits.

Credit Through Learning in Professional Experience

In place of DSRE 660 - Field Practicum, some students may be eligible to receive up to three credits for professional experience when approved by the dean, using the following criteria:

- Applicants must have completed at least 18 credits toward the MA degree with a minimum GPA of 2.50.
- The applicant must submit a Professional Experience Portfolio, including (1) an up-to-date curriculum vita, (2) a description of ministerial experiences, (3) a reflection-learning paper in which the applicant analyzes his/her professional skills and ministries and demonstrates how learning based on the reflection-reaction process occurred, and (4) supporting letters from administrative and pastoral supervisors which identify and document a variety of professional experiences.
- The applicant must submit the completed Professional Experience Portfolio to the program director and the Department of Discipleship and Lifespan Education.
Education no later than the semester prior to graduation. For details, contact the director of the MA (DSLE) program.

Additional Information
Family Life Certification
The Family Life Education focus will allow the student to obtain the NCFR certification. If student is not seeking NCFR certification, more credits toward the degree can be from Advanced Standing when applicable (up to a maximum of 9 credits only, as specified in the degree requirements section).

Certification in Family Life Education
While completion of the MA (Discipleship in Lifespan Education) with a concentration in Family Life Education does not of itself qualify an individual as a Certified Family Life Educator (CFLE) through NCFR, the courses offered through the MA (Discipleship in Lifespan Education) meet all of the requirements needed to apply for CFLE credentials. Applications must be made directly to NCFR within 5 years of completion of any courses that are submitted for CFLE certification, documenting that each course has been successfully completed in the 10 designated NCFR content areas (for provisional certification), and (for full certification) that a practicum has also been completed. The NCFR content areas, and corresponding program course acronyms are:

- Families and Individuals in Societal Contexts: DSLE 655 - Families in Society
  Credits: 3
- Internal Dynamics of Families: DSLE 658 - Internal Dynamics of Families
  Credits: 3
- Human Growth/Development across the Life Span: GDPC 614 - Human Development
  Credits: 3 (or equivalent*)
- Interpersonal Relationships: DSLE 503 - Marriage, Family, and Interpersonal Relationships
  Credits: 2,3
- Family Resource Management: DSLE 652 - Personal and Family Finance
  Credits: 3
- Parenting Education and Guidance: DSLE 679 - Parenting Education and Guidance
  Credits: 3
- Family Law and Public Policy: DSLE 657 - Social Policy
  Credits: 2,3
- Professional Ethics and Practice: DSLE 635 - Christian Perspectives on Professional Ethics
  Credits: 2,3
- Family Life Education and Methodology: DSLE 610 - Teaching for Discipleship
  Credits: 2,3

For further information, go to https://www.ncfr.org/cdle-certification/become-certified/cdle-course-checklists-school

*A course that substitutes for GDPC 614 will require a syllabus to be submitted and to indicate whether the course was taken at the UG or Graduate level

Religious Education Concentration - 26
The Religious Education Concentration is designed for students who see themselves as pursuing a PhD (Discipleship in Lifespan Education) or a similar doctoral degree. Since this concentration is designed to lead to a doctorate, it is academic in nature and, as such, requires that the student take courses in education and research as well as complete a comprehensive examination. This flexible concentration allows students to focus their studies on an area of interest that may prepare them for advanced doctoral study. Religious Education seeks to integrate biblical foundations and educational research in order to understand and facilitate the process of discipleship, the life-long journey of learning to follow Jesus and become more like Him.

Core Concentration Courses - 8
3 credits of DSLE 605 - Foundations in Religious Education
Credits: 2,3
2 credits of DSLE 606 - Philosophical Foundations for Professionals
Credits: 2,3
DSLE 620 - Scholarly and Professional Development
Credits: 0
3 credits of EDRM 505 - Research Methods
Credits: 3 or GSEM 520 - Methods in Biblical & Theological Research
Credits: 2
GSEM 680 - Master’s Comprehensive Exam
Credits: 0

Thesis Option: additional 3 credits
GSEM 697 - Thesis for MA Degree Credits: 1–9

Concentration Electives for Customization - 18
Choose from the following elective courses (other courses may be substituted in consultation with advisor):

- DSLE 608 - Youth and Young Adults in Contemporary Culture
  Credits: 2,3
- DSLE 619 - Religious Experience in Adolescence
  Credits: 2,3
- DSLE 630 - Fostering Spiritual Growth
  Credits: 2,3
- DSLE 636 - Seminar in Youth Ministry
  Credits: 1-3
- DSLE 656 - Counseling Youth and Young Adults
  Credits: 2,3
- DSLE 658 - Internal Dynamics of Families
  Credits: 3
- DSLE 659 - Human Sexuality
  Credits: 3
- DSLE 678 - Spiritual Nurture of Children
  Credits: 2,3
- DSLE 679 - Parenting Education and Guidance
  Credits: 3
- MSSN 546 - Mission in Cultural and Religious Context
  Credits: 3
- MSSN 584 - Preparation for Cross-Cultural Workers
  Credits: 2–4
- MSSN 615 - Anthropology for Mission and Ministry
  Credits: 2,3

Additional Degree Requirements for Religious Education Concentration
Must maintain a minimum GPA of 3.00 in order to graduate. Courses with a grade below B- do not count toward the degree.

Degree Completion: Candidates for the Religious Education Concentration may exercise one of the following two options to complete their degree:

Comprehensive Examinations: Must pass comprehensive examinations arranged through the departmental administrative assistant. The one-day exams entail a three-hour morning session and a two-hour afternoon session.

Thesis: Prepare a thesis (minimum 3 credits). A two-member faculty committee guides the student in developing the project and evaluates the defense. Students who complete a thesis are exempt from writing comprehensive examinations but are required to make a portfolio presentation. The thesis may add 3 credits to the 48 credit degree requirements, making a total of 51 credits.

Youth and Young Adult Ministry Concentration - 26
The Youth and Young Adult Ministry (YYAM) Concentration is designed for individuals who see themselves as engaging in lifelong ministry to youth and young adults. The graduate of the YYAM Concentration will be competent to serve in a variety of vocations such as youth pastor, university/college/academy chaplain, dormitory dean, local church youth leader, conference youth director, and guidance counselor.

Goals:
The goals of the YYAM Concentration are to provide the church with specialists who:

- See their enduring career path as working with youth and young adults in the church in varying capacities.
- Are able to critically analyze the theology of youth and young adult ministry.
- Develop skills in the design, implementation and assessment of ministry efforts directed at youth for the purpose of improving the retention of youth and young adults in the Seventh-day Adventist church.
- Make disciples of Jesus Christ who will disciple the youth and young adults of the church to continue the discipleship process.

Concentration Courses
2 credits of DSLE 564 - Advanced Youth and Young Adult Ministry Leadership
Credits: 2,3
2 credits of DSLE 608 - Youth and Young Adults in Contemporary Culture
Credits: 2,3
2 credits of DSLE 615 - Collaborative Ministry: School, Church, Community
Credits: 2,3
2 credits of DSLE 626 - Ministry to At-Risk Youth
Credits: 2,3
2 credits of DSLE 636 - Seminar in Youth Ministry
Credits: 1-3
2 credits of DSLE 656 - Counseling Youth and Young Adults
Credits: 2,3
2 credits of DSLE 660 - Field Practicum: Youth and Young Adult Ministry
Credits: 1-6 (YYAM/MSW & CC/MSW Dual degree students replace this course with SOWK 535)
2 credits of PATH 632 - Contextualized Preaching
Credits: 2,3
Eletives: choose 10 elective credits in consultation with advisor

Additional Degree Requirements for the Youth & Young Adult Ministry Concentration
The Youth and Young Adult Ministry concentration is awarded upon successful completion of a minimum of 48 semester credits with a cumulative GPA of 2.5 or better. A minimum of 24 semester credits are to be taken at the Theological Seminary or at an authorized extension center. The course work for the MA
Seminary admission requirements Seventh-day Adventist Theological Seminary. In students as outlined in the School of Graduate Studies & Research, and the general on the student's meeting the general admission requirements for all graduate required:

- Submitted to the Office of Graduate Enrollment Management.
- Have a minimum GPA of 2.75 for admission. Official scores from the Graduate addition, students must have earned a baccalaureate degree or equivalent and Credit Through Learning in Professional Experience provision (see below) are considered part of the maximum of 9 transfer credits.

Credit Through Learning in Professional Experience

In place of DSRE 660 - Field Practicum, some students may be eligible to receive up to three credits for professional experience when approved by the dean, using the following criteria:

- Applicants must have completed at least 18 credits toward the MA degree with a minimum GPA of 2.50.
- The applicant must submit a Professional Experience Portfolio, including (1) an up-to-date curriculum vita, (2) a description of ministerial experiences, (3) a reflection-learning paper in which the applicant analyzes his/her professional skills and ministries and demonstrates how learning based on the reflection-reaction process occurred, and (4) supporting letters from administrative and pastoral supervisors which identify and document a variety of professional experiences.
- The applicant must submit the completed Professional Experience Portfolio to the program director and the Department of Discipleship and Lifespan Education no later than the semester prior to graduation. For details, contact the director of the MA (DSLE) program.

Admission Requirements

Applicants to the MA (DSLE) program should read the general admission requirements of the Seventh-day Adventist Theological Seminar. Applicants to the Youth and Young Adult Ministry, Campus Chaplaincy, and Family Life Education Concentrations must also meet the qualifications listed below:

- Hold a baccalaureate degree
- Have a minimum GPA of 2.5
- Represent high moral integrity with a character, lifestyle, and spiritual commitment reflective of the beliefs and practices of the Seventh-day Adventist Church, and show promise of usefulness for ministry through personal maturity and adequate experience in the Church. (Persons of other faiths who are willing to live in harmony with these standards are welcome to apply.)
- Submit an autobiographical history and statement of purpose reflecting the applicant's family, religious development, sense of calling to ministry, experience in church work, and future goals in relationship to the concentration to which they are applying.
- Interview with a representative of the MA (DSLE) program, if required, either by personal contact, telephone, or e-mail.
- Demonstrate a solid background in Old and New Testament knowledge through a department review of prior transcripts OR take OTST 500 Survey of the Old Testament and NTST 520 Introduction to the New Testament within the first year of enrollment.

Applicants to the Religious Education and Bible Teaching Concentrations are based on the student's meeting the general admission requirements for all graduate students as outlined in the School of Graduate Studies & Research, and the general Seminar admission requirements Seventh-day Adventist Theological Seminar. In addition, students must have earned a baccalaureate degree or equivalent and have a minimum GPA of 2.75 for admission. Official scores from the Graduate Record Examination (GRE) General Test taken within the last five years should be submitted to the Office of Graduate Enrollment Management.

English Language Requirement

For those applicants whose native language is not English, the following is required:

- MELAB - score of 80 (must achieve a passing score on each section: written, verbal and comprehension) or
- TOEFL - score of 550 (paper based) or score of 85 (computer based with a minimum of 20 on each section: written, verbal and comprehension) and
- A personal interview with the program director or designee

Applicants who fail to meet any of the above may be admitted only after departmental consideration of the specific circumstances. Additional coursework in English may be required. A student who graduated from a four-year English-speaking high school, college or university may be exempted from all or parts of the above requirements.

Additional Information

Students who seek to serve in general pastoral or church leadership positions should consider, as an alternative, the Master of Divinity program as stipulated by North American Division policy (L 05 05 and L 05 15).

CPE Unit

In addition to completing the 48-credit Campus Chaplaincy Concentration, an individual wishing to be employed as a campus chaplain should complete 1 unit of Clinical Pastoral Education (CPE) - Community Based Option (8 months). In international settings where CPE units are not available, supervised internship in campus ministry must be arranged in accordance with established curricula guidelines and with qualified mentoring.

Program Learning Outcomes

- PLO1: Demonstrate competence at an advanced level in critical thinking, training and education, teamwork, and engaging diverse perspectives related to discipleship across the lifespan. (Transferrable Skills, GIO 1)
- PLO2: Achieve a comprehensive and critically-aware knowledge of methods of discipleship and practices with appropriate specializations in youth and young adult ministry, family life education, campus chaplaincy, religious education, and Bible teaching. (Knowledge, GIO 2)
- PLO3: Critique from a Seventh-day Adventist perspective key ideas, techniques, or methods in the field of discipleship in lifespan education. (Faith Development, GIO 3)
- PLO4: Be prepared to train leaders at all levels of the church in diverse settings and communities using advanced skills and knowledge of discipleship across the lifespan in a manner consistent with both professional and Seventh-day Adventist Christian thought and practice. (Faith Integration, GIO 4)

Social Work MSW

The Master of Social Work (MSW) degree is a professional degree enabling the graduate to enter practice as an advanced-level practitioner. Graduates are prepared to work in a variety of clinical, administration, and development focus areas. The foundation curriculum for the MSW consists of 9 core competencies that are required for every accredited MSW program: 1) Demonstrate ethical and professional behavior; 2) Engage diversity and difference in practice; 3) Advance human rights and social, economic, and environmental justice; 4) Engage in practice-informed research and research-informed practice; 5) Engage in policy practice; 6) Engage with individuals, families, groups, organizations and communities; 7) Assess and plan with individuals, families, groups, organizations and communities; 8) Intervene with individuals, families, groups, organizations and communities; and 9) Evaluate practice with individuals, families, groups, organizations and communities. In addition, our program has added an additional competency: 10) Demonstrate a Christian social work perspective. The curriculum is designed to teach students the knowledge, values and skills, along with understanding of the cognitive and affective reactions and judgement that accompany these dimensions. Measurement outcomes for these competencies can be found on the first page of the Andrews University School of Social Work website. The Andrews University MSW program is accredited by the Council of Social Work Education through the year 2019.

Dual Degrees Options

The MSW Dual Degree Programs allow the student to complete two degrees in one additional year, with a tuition reduction of 33% for the MSW credits. To facilitate this objective, the two programs will reduce the total number of required credits and will share a practicum and a limited number of elective courses: Specifically, the School of Social Work will reduce the required number of credits by 9-10 credits by allowing students to take their required social work electives in the other graduate program. In addition, approximately 16 credits will be shared between the two programs. The following Dual Degree options are available:

- Business Administration/Social Work Dual Degree MBA/MSW
- Community & International Development/Social Work Dual Degree MSCID/MSW
- Discipleship in Lifespan Education, Family Life Education Concentration/Social Work Dual Degree MA/MSW
- Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Social Work Dual Degree MA/MSW
- Divinity/Social Work Dual Degree MDiv/MSW
Curriculum
Core advanced interpersonal practice courses supplemented by optional areas of focus are offered. Students wishing to enroll in core graduate social work courses must be enrolled in the MSW program and/or have the instructor’s permission. Students may transfer up to 20% of the credits from one degree into the MSW program. All courses are subject to change based on accreditation needs.

MSW Social Work Tracks
- Regular Standing (Two Year) Program
- Accelerated Regular Standing (Two Year) Program
- Advanced Standing (One Year) Program
- Advanced Standing Plus (18 Months) Program

Areas of Focus
Students may choose to specialize in the following focus areas: Human Resources, Mental Health, School Social Work, Marriage & Family, Christian Ministry, International Social Work, and Medical Social Work. Please refer to the School of Social Work website for further information: www.andrews.edu/cas/socialwork/. Students are not required to choose a focus area.

Additional Requirements
- A minimum cumulative GPA of 3.00 in Social Work Program.
- No grade of D or F (or U) may count toward a graduate degree.
- The maintenance at all times of professional conduct and behaviors appropriate for a social worker according to the National Association of Social Workers’ Code of Ethics.
- Defense of the professional degree portfolio as part of SOWK689 Advanced Professional Seminar. This portfolio is a demonstrative collection of professional competencies.
- Other Andrews University degree requirements as presented in the Graduate Academic Information section of this bulletin.

Past experience strengthens all MSW student applications. However, following Council on Social Work Education requirements, no social work course credit can be given for life experience or previous work experience.

Admission Requirements

English Language Requirements
For those applicants whose native language is not English, the following is required:
- Demonstration of English proficiency by obtaining at least a minimum score on any one of the following exams. Exam must be taken within two years prior to enrollment.
  - TOEFL ITP (paper-based): A minimum score of 550
  - TOEFL IBT (internet-based): 80 with a minimum of 20 on each section
  - MELAB: 80 with a minimum of 80 on each section
  - IELTS (Academic version): 6.5
  - PTE (Academic version): 54
- MSW program participates in the Bridge program which allows students who are close to the minimum scores to take 3-6 credits of MSW courses along with ESL courses. Requirements to participate in the Bridge program are below.
  - TOEFL ITP (paper-based): A score of 500-549 (2-3 ESL courses and up to 3-6 credits of regular MSW course work)* OR
  - MELAB - Bridge 1: 70-75 (3 ESL courses; up to 3 credits regular MSW course work)*
  - MELAB - Bridge 2: 76-79 (2 ESL courses; up to 6 credits regular MSW course work)*
  - Nelson Denny: score of 13
  - Personal interview with MSW program director or designee

Graduate Record Examination (GRE)
Students who are applying for admission to the MSW program are not required to take the GRE. For those students who are seeking the GRE scholarship, the GRE must be taken. The amount of a potential scholarship is related to the score achieved on the GRE as follows:

<table>
<thead>
<tr>
<th>GRE Score</th>
<th>Scholarship</th>
</tr>
</thead>
<tbody>
<tr>
<td>320</td>
<td>50% tuition reduction</td>
</tr>
<tr>
<td>310</td>
<td>25% tuition reduction</td>
</tr>
<tr>
<td>300</td>
<td>10% tuition reduction</td>
</tr>
</tbody>
</table>

Additional Information

MSW Scholarship
Since the MSW program does not require the GRE, an equivalent graduate scholarship is offered in the department. The amount of potential scholarship is related to GPA and supporting documents. This applies to the last 3 semesters of the program. Please refer to the School of Social Work website for further information:
https://www.andrews.edu/cas/socialwork/scholarships/msw-scholarship-policy.pdf

Applicants who fail to meet any of the above may be admitted only after committee consideration of the specific circumstances. Additional course work in English may be required.

A student who graduated from a four-year English-speaking high school, college or university may be exempted from all or parts of the above requirements.

Student Learning Outcomes
Students who complete this program will:
- Demonstrate ethical and professional behavior
- Engage diversity and difference in practice
- Advance human rights and social, economic, and environmental justice
- Engage in practice-informed research and research-informed practice
- Engage in policy practice
- Engage with Individuals, Families, Groups, Organizations, and Communities
- Assess and Plan with Individuals, Families, Groups, and Communities
- Intervene with Individuals, Families, Groups, Organizations, and Communities
- Evaluate Practice with Individuals, Families, Groups, Organizations, and Communities
- Demonstrate a Christian Social Work Perspective
Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Community & International Development Dual Degree MA/MSCID

The Dual Degree Program in Discipleship in Lifespan Education, Youth and Young Adult Ministry Concentration MA and Community and International Development MSCID allows students to complete two degrees in three years. To facilitate this objective, the two programs will reduce the total number of required credits and will share a practicum and a limited number of specific “tool” courses. This amounts to a total of 69 credits to fulfill the Dual Degree.

Since both the Community and International Development MSCID and the Discipleship and Lifespan Education, Youth & Young Adult Ministry Concentration MA reduce the total credits in order to reduce costs and achieve a more streamlined and efficient program, both degrees must be received simultaneously in order to fulfill the requirements of either degree.

Total Credits - 69

The Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration MA is a 42-credit degree. There are 6 credits shared when taking the following Youth & Young Adult Ministry Concentration courses (they will be considered part of the required “tools” with the MSCID program):

- PATH 526 - Conflict Management, 2 credits
- THST 605 - Principles of Christian Ethics, 2 credits
- DSLE 626 - Ministry to At-Risk Youth, 2 credits

MSCID requires 33 credits, but the 6 credits that are shared will be subtracted, bringing the total to 27. Dual degree students need to enroll in CID 680 - Field Practicum (1 cr), but may not be required to fulfill 720 hours. Their Internship will need to fulfill 8 MSCID Internship requirements, however. The Internship may be simultaneously enrolled with MA (DSLE):

Program Information:
Information for the two programs (Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration MA and Community & International Development MSCID) follows:

Discipleship in Lifespan Education MA
The MA (Discipleship in Lifespan Education) is a 48-credit degree designed to prepare leaders to train other leaders to understand and facilitate, and train others in the process of discipleship, the life-long journey of learning to follow Jesus and become more like Him. Concentrations in youth and young adult ministry, campus chaplaincy, family ministry, religious education, and Bible teacher training provide areas of specialization depending upon students’ area of interest.

Degree Electives
ANE 510 - Archaeology and the Bible (2,3)

Mission:
The MA (DSLE) prepares individuals to become competent in discipling leaders and training others in one or more phases of spiritual, mental, emotional, and relational development across the lifespan.

Vision:
The MA (DSLE) serves the church by equipping and discipling individuals to address the developmental needs of its new and current members as well as the surrounding communities.

Goals:
All students graduating from the MA (DSLE) will be competent pastor-teachers in the field of discipleship.

Students will have growing expertise as pastor-teachers in at least one of the following areas of human development: children’s ministry, youth and young adult ministry, family ministry, and ministry to the elderly, along with campus chaplaincy ministry.

Students who teach at the elementary or academy level will become competent in discipling students to a love-relationship with God and in understanding the Biblical narrative.

Concentrations:
- Bible Teaching
- Campus Chaplaincy
- Family Life Education
- Religious Education
- Youth and Young Adult Ministry

MA (DSLE) Dual Degree Options:
The MA (DSLE) is also available with the following dual degree options:
- Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Community & International Development Dual Degree MA/MSCID
- Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Community & International Development Dual Degree MA/MSW
- Discipleship in Lifespan Education, Family Life Education Concentration/Community & International Development Dual Degree MA/MSW

Distance/Intensive Curriculum Option
The Concentration in Youth and Young Adult Ministry and the Concentration in Campus Chaplaincy offers a combined remote or online/intensive format for those who are unable to study in residence. A field practicum can be arranged in the location of the student’s residence. (Students in the MA (DSLE)/YAM/MSCID Dual Degree program may fulfill 6 elective credits with MSCID courses. Students in the MA (DSLE)/MSW/Dual Degree program may fulfill 8 elective credits with MSW courses.)

Total Credits - 48

Core - 22
- 2 credits of CHIS 674 - Development of Seventh-day Adventist Theology (Christian Leadership in a Changing World - Bible Teaching Concentration students must take CHIS 506 Church History to 1500 or CHIS 507 Church History 1500 to the Present)
- 2 credits of DSLE 534 - Ministry to Youth and Young Adults
- 2 credits of DSLE 541 - Foundations of Biblical Spirituality
- 3 credits of DSLE 503 - Marriage, Family, and Interpersonal Relationships
- 3 credits of DSLE 610 - Teaching for Discipleship (Bible Teaching Concentration students replace this course with THST 616 Doctrine of God)
- 2 credits of PATH 526 - Conflict Management (Bible Teaching Concentration students take this course with THST 616 Doctrine of God)
- 2 credits of a MSSN World Missions course
- 4 credits of NTST/OTST courses (Bible Teaching Concentration students take NT/OT courses in their concentration)
- 2 credits of a THST course
The Bible Teaching concentration provides on-campus and online options to focus area chosen. Advanced standing is total of 12 credits. These credits are dependent upon a background of advanced educational background are given advanced standing and introduced to principles of the course. Students must choose one of the following concentrations:

Bible Teaching Concentration - 32

The Bible Teaching concentration provides on-campus and online options to prepare K-12 teachers who do not have a religion/theology background to teach Bible classes, while those with a strong religion/theology background but no educational background are given advanced standing and introduced to principles of pedagogy/andragogy.

Advanced Standing

Advanced standing may be obtained for up to 12 credits of religion and theology and up to 5 credits of education or religious education for a combined maximum total of 12 credits. These credits are dependent upon a background of advanced theological or educational study or prior extensive undergraduate studies in religion, theology, religious education, or education as well as the particular MA (Discipleship in Lifespan Education) focus area chosen. Advanced standing is calculated at the time of admission as follows:

- 18 or more credits of undergraduate religion or theology credit may qualify for advanced standing of up to 12 credits in appropriate areas of the course plan. Advanced standing based on less than 18 credits of prior undergraduate studies is prorated at a two-thirds ratio.
- 8 or more credits of undergraduate education or religious education may qualify for advanced standing of up to 5 credits in appropriate areas of the course plan. Advanced standing based on less than 8 credits of prior undergraduate studies is prorated at a two-thirds ratio.

Concentration Courses

1.5 credits of CHIS 570 - History of the Seventh-day Adventist Church Credits: 1.5
1.5 credits of CHIS 571 - The Life and Writings of Ellen G. White Credits: 1.5
3 credits of DSLE 605 - Foundations in Religious Education Credits: 2.3
2 credits of DSLE 606 - Philosophical Foundations for Professionals Credits: 2.3
DSLE 616 - Collaborative Ministry: Partnering in Discipleship and Mission Credits: 2
DSLE 620 - Scholarly and Professional Development Credits: 0
2 credits of DSLE 633 - K-12 Faith Development & Bible Methods Credits: 2.3
1 credit of DSLE 676 - Topics: Credits: 1-3 (Issues in Ellen White)
EDRM 505 - Research Methods Credits: 3
EDTE 508 - Principles of Teaching and Learning Credits: 3
EDTE 524 - Classroom Testing and Evaluation Credits: 2
2 credits of GSEM 530 - Doctrine of the Sanctuary Credits: 2.3
GSEM 680 - Master's Comprehensive Exam Credits: 0
2 credits of OTST 546 - Studies in Daniel (English) Credits: 2.3
2 credits of OTST 566 - Studies in the Pentateuch (English) Credits: 2.3

Choose one of the following courses for 2 credits:

NTST 535 - Studies in the Pauline Writings Credits: 2.3
NTST 536 - Studies in the Gospels Credits: 2.3
NTST 537 - Studies in Acts and General Epistles Credits: 2.3
NTST 538 - Studies in Hebrews Credits: 2.3
NTST 539 - Studies in Revelation Credits: 2.3
OTST 500 - Survey of the Old Testament Credits: 2.3
OTST 520 - Introduction to Old Testament Theology Credits: 2.3
OTST 546 - Studies in Daniel (English) Credits: 2.3
OTST 556 - Studies in Prophets (English) Credits: 2.3
OTST 566 - Studies in the Pentateuch (English) Credits: 2.3
OTST 570 - Readings in the Old Testament (English) Credits: 2.3
PATH 553 - The Church and Social Issues Credits: 2.3 (recommended for YYAM & CC concentrations)
PATH 555 - Pastoral Counseling Credits: 2.3 (recommended for YYAM concentration)
PATH 623 - Innovative Evangelism Credits: 2.3 (recommended for YYAM & CC concentrations)
PATH 632 - Contextualized Preaching Credits: 2.3 (recommended for CC concentration)
PATH 656 - Evangelistic Small Groups Credits: 2.3 (recommended for YYAM & CC concentrations)
THST 521 - Christian Theology I Credits: 2.3
THST 522 - Christian Theology II Credits: 2.3
THST 605 - Principles of Christian Ethics Credits: 2.3
THST 640 - Doctrine of Salvation Credits: 2.3

GSEM 530 - Doctrine of the Sanctuary Credits: 2,3
NTST 515 - New Testament Backgrounds Credits: 2,3
NTST 535 - Studies in the Pauline Writings Credits: 2,3
NTST 536 - Studies in the Gospels Credits: 2,3
NTST 537 - Studies in Acts and General Epistles Credits: 2,3
NTST 538 - Studies in Hebrews Credits: 2,3
NTST 539 - Studies in Revelation Credits: 2,3
OTST 500 - Survey of the Old Testament Credits: 2,3
OTST 520 - Introduction to Old Testament Theology Credits: 2,3
OTST 546 - Studies in Daniel (English) Credits: 2,3
OTST 556 - Studies in Prophets (English) Credits: 2,3
OTST 566 - Studies in the Pentateuch (English) Credits: 2,3
OTST 570 - Readings in the Old Testament (English) Credits: 2,3
PATH 553 - The Church and Social Issues Credits: 2,3 (recommended for YYAM & CC concentrations)
PATH 555 - Pastoral Counseling Credits: 2,3 (recommended for YYAM concentration)
PATH 623 - Innovative Evangelism Credits: 2,3 (recommended for YYAM & CC concentrations)
PATH 632 - Contextualized Preaching Credits: 2,3 (recommended for CC concentration)
PATH 656 - Evangelistic Small Groups Credits: 2,3 (recommended for YYAM & CC concentrations)
THST 521 - Christian Theology I Credits: 2,3
THST 522 - Christian Theology II Credits: 2,3
THST 605 - Principles of Christian Ethics Credits: 2,3
THST 640 - Doctrine of Salvation Credits: 2,3

Additional Degree Requirements for Religious Education and Bible Teaching Concentrations

- Must maintain a minimum GPA of 3.00 in order to graduate. Courses with a grade below B- do not count toward the degree.
- Degree Completion: Candidates for the Bible Teaching Concentration may exercise one of the following two options to complete their degree:
  - Comprehensive Examinations: Must pass comprehensive examinations arranged through the departmental administrative assistant. The one-day exams entail a three-hour morning session and a two-hour afternoon session.
  - Thesis: Prepare a thesis (minimum 3 credits). A two-member faculty committee guides the student in developing the project and evaluates the defense. Students who complete a thesis are exempt from writing comprehensive examinations but are required to make a portfolio presentation. The thesis may add 3 credits to the 48 credit degree requirements, making a total of 51 credits.

Denominational Teacher Certification

The Basic Teaching Certificate for denominational certification may be issued to the candidate presenting a Verification of Eligibility form from Andrews University. The certificate is issued by the union conference where the candidate takes his/her first teaching position. Requirements for this certificate may be completed by taking additional courses along with the MA (DSLE) with the Bible Teacher Concentration. The Bible Teaching focus builds credit toward Denominational Certification but additional courses and a teaching practicum are required. More information about preparing to teach religion in Adventist schools is available from the University Certification Registrar in the School of Education.

Campus Chaplaincy Concentration - 26

The Campus Chaplaincy Concentration is designed for those youth and young adult specialists who see themselves ministering as chaplains on either public or private campuses. This concentration has been approved for credentialing by the Adventist Chaplaincy Ministries of the North American Division of Seventh-day Adventists.

DSLE 507 - Introduction to Chaplaincy Ministry Credits: 2
2 credits of DSLE 615 - Collaborative Ministry: School, Church, Community Credits: 2,3
DSLE 620 - Scholarly and Professional Development Credits: 0
2 credits of DSLE 660 - Field Practicum: Youth and Young Adult Ministry Credits: 1-6
DSLE 664 - Advanced Campus Ministry Credits: 3
2 credits of DSLE 669 - Reaching the Secular Mind Credits: 2,3
Additional Degree Requirements for Campus Chaplaincy Concentration

The Campus Chaplaincy concentration is awarded upon successful completion of a minimum of 48 semester credits with a cumulative GPA of 2.5 or better. A minimum of 24 semester credits are to be taken at the Theological Seminary or at an authorized extension center. The course work for the MA (Discipleship in Lifespan Education) is designed to be completed by full-time students in two years.

Elective Courses
Students in the MA (DSLE) can utilize their elective credits to tailor a program to their specific ministry needs. They can take up to 6 credits in DSLE 690 - Independent Study.

Transfer Credits
A maximum of 9 transfer graduate credits, when applicable, may be transferred into the MA (DSLE) program from other institutions or from other master’s programs within the Seminary upon approval of the dean. Credits approved under the Credit Through Learning in Professional Experience provision (see below) are considered part of the maximum of 9 transfer credits.

Credit Through Learning in Professional Experience
In place of DSRE 660 - Field Practicum, some students may be eligible to receive up to three credits for professional experience when approved by the dean, using the following criteria:

- Applicants must have completed at least 18 credits toward the MA degree with a minimum GPA of 2.50.
- The applicant must submit a Professional Experience Portfolio, including (1) an up-to-date curriculum vita, (2) a description of ministerial experiences, (3) a reflection-learning paper in which the applicant analyzes his/her professional skills and ministries and demonstrates how learning based on the reflection-reaction process occurred, and (4) supporting letters from administrative and pastoral supervisors which identify and document a variety of professional experiences.
- The applicant must submit the completed Professional Experience Portfolio to the program director and the Department of Discipleship and Lifespan Education no later than the semester prior to graduation. For details, contact the director of the MA (DSLE) program.

Additional Information
Graduates of the Campus Chaplaincy Concentration receive calls for ministry. However, completion of the program does not guarantee employment in Adventist ministry or any other church employment.

Students who seek to serve in general pastoral or church leadership positions should consider, as an alternative, the Master of Divinity program as stipulated by North American Division policy (L 05 05 and L 05 15).

CPE Unit
In addition to completing the 48-credit professional Discipleship in Lifespan Education with an emphasis in Campus Chaplaincy, an individual wishing to be employed as a campus chaplain should complete 1 unit of Clinical Pastoral Education (CPE) - Community Based Option (8 months). In international settings where CPE units are not available, supervised internship in campus ministry must be arranged in accordance with established curricula guidelines and with qualified mentoring.

Family Life Concentration - 26

The Family Life Education concentration prepares students to engage in family education ministries both within the church and in other professional settings and to apply for certification as Family Life Educators by the National Council on Family Relations (NCFR). Advanced standing is generally not given for the Family Life Education concentration.

Prerequisite course:
GDPC 614 - Human Development Credits: 3 (or equivalent)

Concentration Courses:
3 credits of DSLE 635 - Christian Perspectives on Professional Ethics Credits: 2, 3
DSLE 652 - Personal and Family Finance Credits: 3
DSLE 655 - Families in Society Credits: 3
3 credits of DSLE 657 - Social Policy Credits: 2, 3
DSLE 658 - Internal Dynamics of Families Credits: 3

DSLE 659 - Human Sexuality Credits: 3
DSLE 679 - Parenting Education and Guidance Credits: 3
2 credits of DSLE 680 - Field Practicum:__________ Credits: 1-6 (taken after completion of 24 credits)

Elective Courses: choose 3 credits of electives in consultation with advisor

Additional Degree Requirements for Family Life Education Concentration

The Family Life Education concentration is awarded upon successful completion of a minimum of 48 semester credits with a cumulative GPA of 2.5 or better. A minimum of 24 semester credits are to be taken at the Theological Seminary or at an authorized extension center. The course work for the MA (Discipleship in Lifespan Education) is designed to be completed by full-time students in two years.

Elective Courses
Students in the MA (DSLE) can utilize their elective credits to tailor a program to their specific ministry needs. They can take up to 6 credits in DSLE 690 - Independent Study.

Transfer Credits
A maximum of 9 transfer graduate credits, when applicable, may be transferred into the MA (DSLE) program from other institutions or from other master’s programs within the Seminary upon approval of the dean. Credits approved under the Credit Through Learning in Professional Experience provision (see below) are considered part of the maximum of 9 transfer credits.

Credit Through Learning in Professional Experience
In place of DSRE 660 - Field Practicum, some students may be eligible to receive up to three credits for professional experience when approved by the dean, using the following criteria:

- Applicants must have completed at least 18 credits toward the MA degree with a minimum GPA of 2.50.
- The applicant must submit a Professional Experience Portfolio, including (1) an up-to-date curriculum vita, (2) a description of ministerial experiences, (3) a reflection-learning paper in which the applicant analyzes his/her professional skills and ministries and demonstrates how learning based on the reflection-reaction process occurred, and (4) supporting letters from administrative and pastoral supervisors which identify and document a variety of professional experiences.
- The applicant must submit the completed Professional Experience Portfolio to the program director and the Department of Discipleship and Lifespan Education no later than the semester prior to graduation. For details, contact the director of the MA (DSLE) program.

Additional Information
Family Life Certification
The Family Life Education focus will allow the student to obtain the NCFR certification. If student is not seeking NCFR certification, more credits toward the degree can be from Advanced Standing when applicable (up to a maximum of 9 credits only, as specified in the degree requirements section)

Certification in Family Life Education
While completion of the MA (Discipleship in Lifespan Education) with a concentration in Family Life Education does not of itself qualify an individual as a Certified Family Life Educator (CFLE) through NCFR, the courses offered through the MA (Discipleship in Lifespan Education) meet all of the requirements needed to apply for CFLE credentials. Applications must be made directly to NCFR within 5 years of completion of any courses that are submitted for CFLE certification, documenting that each course has been successfully completed in the designated NCFR content areas (for provisional certification), and (for full certification) that a practicum has also been completed. The NCFR content areas, and corresponding program course acronyms are:

- Families and Individuals in Societal Contexts: DSLE 655 - Families in Society Credits: 3
- Internal Dynamics of Families: DSLE 658 - Internal Dynamics of Families Credits: 3
- Human Growth/Development across the Life Span: GDPC 614 - Human Development Credits: 3 (or equivalent*)
- Interpersonal Relationships: DSLE 503 - Marriage, Family, and Interpersonal Relationships Credits: 2, 3
- Family Resource Management: DSLE 652 - Personal and Family Finance Credits: 3
- Parenting Education and Guidance: DSLE 679 - Parenting Education and Guidance Credits: 3
Religious Education Concentration - 26
The Religious Education Concentration is designed for students who see themselves as pursuing a PhD (Discipleship in Lifespan Education) or a similar doctoral degree. Since this concentration is designed to lead to a doctorate, it is academic in nature and, as such, requires that the student take courses in education and research as well as complete a comprehensive examination. This flexible concentration allows students to focus their studies on an area of interest that may prepare them for advanced doctoral study. Religious Education seeks to integrate biblical foundations and educational research in order to understand and facilitate the process of discipleship, the life-long journey of learning to follow Jesus and become more like Him.

Additional Degree Requirements for Religious Education Concentration
Must maintain a minimum GPA of 3.00 in order to graduate. Courses with a grade below B- do not count toward the degree.

Degree Completion: Candidates for the Religious Education Concentration may exercise one of the following two options to complete their degree:

Comprehensive Examinations: Must pass comprehensive examinations arranged through the departmental administrative assistant. The one-day exams entail a three-hour morning session and a two-hour afternoon session.

Thesis: Prepare a thesis (minimum 3 credits). A two-member faculty committee guides the student in developing the project and evaluates the defense. Students who complete a thesis are exempt from writing comprehensive examinations but are required to make a portfolio presentation. The thesis may add 3 credits to the 48 credit degree requirements, making a total of 51 credits.

Youth and Young Adult Ministry Concentration - 26
The Youth and Young Adult Ministry (YYAM) Concentration is designed for individuals who see themselves as engaging in lifelong ministry to youth and young adults. The graduate of the YYAM Concentration will be competent to serve in a variety of vocations such as youth pastor, university/college/academy chaplain, dormitory dean, local church youth leader, conference youth director, and guidance counselor.

Goals:
The goals of the YYAM Concentration are to provide the church with specialists who:

- See their enduring career path as working with youth and young adults in the church in varying capacities.
- Are able to critically analyze the theology of youth and young adult ministry.
- Develop skills in the design, implementation and assessment of ministry efforts directed at youth for the purpose of improving the retention of youth and young adults in the Seventh-day Adventist church.
- Make disciples of Jesus Christ who will disciple the youth and young adults of the church to continue the discipleship process.

Concentration Courses
2 credits of DSLE 564 - Advanced Youth and Young Adult Ministry Leadership
2,3
2 credits of DSLE 608 - Youth and Young Adults in Contemporary Culture
2,3
2 credits of DSLE 615 - Collaborative Ministry: School, Church, Community
2,3
2 credits of DSLE 626 - Ministry to At-Risk Youth

1-3
2 credits of DSLE 656 - Counseling Youth and Young Adults
2,3
2 credits of DSLE 660 - Field Practicum: Youth and Young Adult Ministry
1-6 (YYAM/MSW & CC/MSW Dual degree students replace this with SOWK 535)
2 credits of PATH 632 - Contextualized Preaching

Electives: choose 10 elective credits in consultation with advisor

Additional Degree Requirements for the Youth & Young Adult Ministry Concentration
The Youth and Young Adult Ministry concentration is awarded upon successful completion of a minimum of 48 semester credits with a cumulative GPA of 2.5 or better. A minimum of 24 semester credits are to be taken at the Theological Seminary or at an authorized extension center. The course work for the MA (Discipleship in Lifespan Education) is designed to be completed by full-time students in two years.

Elective Courses
Students in the MA (DSLE) can utilize their elective credits to tailor a program to their specific ministry needs. They can take up to 6 credits in DSLE 690 - Independent Study.

Transfer Credits
A maximum of 9 transfer graduate credits, when applicable, may be transferred into the MA (DSLE) program from other institutions or from other master's programs within the Seminary upon approval of the dean. Credits approved under the Credit Through Learning in Professional Experience provision (see below) are considered part of the maximum of 9 transfer credits.

Credit Through Learning in Professional Experience
In place of DSRE 660 - Field Practicum, some students may be eligible to receive up to three credits for professional experience when approved by the dean, using the following criteria:

- Applicants must have completed at least 18 credits toward the MA degree with a minimum GPA of 2.50.
- The applicant must submit a Professional Experience Portfolio, including (1) an up-to-date curriculum vita, (2) a description of ministerial experiences, (3) a reflection-learning paper in which the applicant analyzes his/her professional skills and ministries and demonstrates how learning based on the reflection-reaction process occurred, and (4) supporting letters from administrative and pastoral supervisors which identify and document a variety of professional experiences.
- The applicant must submit the completed Professional Experience Portfolio to the program director and the Department of Discipleship and Lifespan Education no later than the semester prior to graduation. For details, contact the director of the MA (DSLE) program.
Admission Requirements
Applicants to the MA (DSLE) program should read the general admission requirements of the Seventh-day Adventist Theological Seminary. Applicants to the Youth and Young Adult Ministry, Campus Chaplaincy, and Family Life Education Concentrations must also meet the qualifications listed below:

- Hold a baccalaureate degree
- Have a minimum GPA of 2.5
- Represent high moral integrity with a character, lifestyle, and spiritual commitment reflective of the beliefs and practices of the Seventh-day Adventist Church, and show promise of usefulness for ministry through personal maturity and adequate experience in the Church. (Persons of other faiths who are willing to live in harmony with these standards are welcome to apply.)
- Submit an autobiographical history and statement of purpose reflecting the applicant’s family, religious development, sense of calling to ministry, experience in church work, and future goals in relationship to the concentration to which they are applying.
- Interview with a representative of the MA (DSLE) program, if required, either by personal contact, telephone, or e-mail.
- Demonstrate a solid background in Old and New Testament knowledge through a department review of prior transcripts OR take OTST 500 Survey of the Old Testament and NTST 520 Introduction to the New Testament within the first year of enrollment.

Applicants to the Religious Education and Bible Teaching Concentrations are based on the student's meeting the general admission requirements for all graduate students as outlined in the School of Graduate Studies & Research, and the general Seminary admission requirements Seventh-day Adventist Theological Seminary. In addition, students must have earned a baccalaureate degree or equivalent and have a minimum GPA of 2.75 for admission. Official scores from the Graduate Record Examination (GRE) General Test taken within the last five years should be submitted to the Office of Graduate Enrollment Management.

English Language Requirement
For those applicants whose native language is not English, the following is required:
- MELAB - score of 80 (must achieve a passing score on each section: written, verbal and comprehension) or
- TOEFL - score of 550 (paper based) or score of 85 (computer based with a minimum of 20 on each section: written, verbal and comprehension) and
- A personal interview with the program director or designee

Applicants who fail to meet any of the above may be admitted only after departmental consideration of the specific circumstances. Additional coursework in English may be required. A student who graduated from a four-year English-speaking high school, college or university may be exempted from all or parts of the above requirements.

Additional Information
Students who seek to serve in general pastoral or church leadership positions should consider, as an alternative, the Master of Divinity program as stipulated by North American Division policy (L 05 05 and L 05 15).

CPE Unit
In addition to completing the 48-credit Campus Chaplaincy Concentration, an individual wishing to be employed as a campus chaplain should complete 1 unit of Clinical Pastoral Education (CPE) - Community Based Option (8 months). In international settings where CPE units are not available, supervised internships in campus ministry must be arranged in accordance with established curricula guidelines and with qualified mentoring.

Program Learning Outcomes
- PLO1: Demonstrate competence at an advanced level in critical thinking, training and education, teamwork, and engaging diverse perspectives related to discipleship across the lifespan. (Transferrable Skills, GIO 1)
- PLO2: Achieve a comprehensive and critically-aware knowledge of methods of discipleship and practices with appropriate specializations in youth and young adult ministry, family life education, campus chaplaincy, religious education, and Bible teaching. (Knowledge, GIO 2)
- PLO3: Critique from a Seventh-day Adventist perspective key ideas, techniques, or methods in the field of discipleship in lifespan education. (Faith Development, GIO 3)
- PLO4: Be prepared to train leaders at all levels of the church in diverse settings and communities using advanced skills and knowledge of discipleship across the lifespan in a manner consistent with both professional and Seventh-day Adventist Christian thought and practice. (Faith Integration, GIO 4)

Community and International Development

MSCID
The Community and International Development program offers interdisciplinary study in the humanitarian and development field at the graduate level. This unique approach equips students with the skills needed to identify and respond to social and economic challenges across the globe. Program concentration options offer in depth training - preparing students for professional service in academia, policy, advocacy, project management, and administration.

In order to receive a Masters in Community and International Development, students will complete 33 credits of required coursework and have the option to add 12 credits of coursework for a concentration. Up to 6 credits may be transferred from another accredited/recognized institution and applied towards the 33 required credits according to the criteria listed in the official Andrews University Graduate Transfer Policy.

This degree is offered in both an on-campus and a blended format.

MSCID Dual Degree Options:
The MSCID is also available with the following dual degree options:
- Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Community & International Development Dual Degree MA/MSCID
- Community & International Development/Divinity Dual Degree MSCID/MDiv
- Community & International Development/Social Work Dual Degree MSCID/MSW

Total Credits - 33-45

Foundations - 12
Choose a minimum of 12 credits from the following courses:
- ANTH 517 - Cultural and Developmental Anthropology Credits: 2
- CIDS 520 - Development Theory and Practice Credits: 3
- CIDS 524 - Humanitarian Studies: Theory and Practice Credits: 3
- CIDS 555 - Policy Process & Analysis Credits: 3
- CIDS 568 - Community Change Credits: 2,3
- CIDS 575 - Topics: Credits: 1–6
- CIDS 640 - Human Rights and Global Development Credits: 3
- CIDS 663 - Political Economy Analysis Credits: 3
- MSSL 546 - Mission in Cultural and Religious Context Credits: 3 (only available to MSCID/MDiv Dual Degree students)
- SOWK 630 - Policy for Social Change Credits: 3 (only available to MSCID/MSW Dual Degree students)

Tools - 12
Choose one of the following options:

Option 1:
- SOCI 533 - Research Methods III: Advanced Research Design-Experimental and Survey Credits: 2
- SOCI 534 - Research Methods IV: Advanced Statistical Analysis & SPSS Credits: 2

Option 2:
- EDRM 605 - Qualitative Research Methods in Education and Psychology Credits: 3

Option 3:
- COMM 520 - Communication Research I Credits: 3

Option 4:
- EDRM 611 - Applied Statistical Methods I Credits: 3

Choose 8-9 credits from the following courses (to equal a minimum of 12 credits in Tools courses)
- ACCT 505 - Survey of Accounting for Decision Making and Control Credits: 2,3
- BSAD 515 - Organizational Behavior & Leadership Credits: 3
BSAD 530 - Leadership & Management of Not-for-Profit Organizations
Credits: 3

BSAD 670 - Management of Human Resources Credits: 3

PATH 543 - Christian Leadership in a Changing World Credits: 2,3 (only available to MSCID/MDiv Dual Degree students)

CIDS 535 - Budgeting, Fundraising & Grantsmanship Credits: 2

CIDS 575 - Topics: Credits: 1–6

CIDS 673 - Project Cycle Management Credits: 3

FNCE 675 - Financial Management Credits: 3

GEOG 535 - Introduction to Geographic Information Systems Credits: 2

PBHL 540 - Grant Writing Credits: 2

SOCI 508 - Emergency Preparedness Credits: 2

SOCI 555 - Emergency Planning Credits: 2

**Capstone - 9**

CIDS 680 - Field Practicum Credits: 1 (Students are required to register for CIDS 680 during each semester while doing their practicum/internship. Students are expected to complete their practicum within three semesters. MSCID/MDiv Dual Degree students must take 2 credits of PATH 560. MSCID/MAYYAM Dual Degree students fulfill this practicum by taking DSLE 660. MSCID/MSW Dual Degree students must take 1 credit of SOWK 635.)

CIDS 698 - Research Project Credits: 2,3

Choose 3-6 credits from the following courses (to equal a minimum of 9 credits in Capstone):

CIDS 554 - Poverty Analysis & Reduction Strategies Credits: 3

CIDS 575 - Topics: Credits: 1–6

CIDS 623 - Humanitarian and Development Practice Credits: 1–3

CIDS 670 - Comprehensive Exam Credits: 0

CIDS 675 - Institutions in Development Credits: 3

**Concentrations - 12**

The concentration area is selected by individual choice and will draw on University faculty strengths. The program director/advisor, in consultation with the student, will select a minimum of 12 credits of elective courses related to the chosen concentration to meet the student’s career goals.

Students may choose an area of concentration that aligns with their research and career interests. Concentration areas are listed below, along with courses a student may take in each area. Students, in consultation with their advisor, may substitute courses within a concentration area. Additionally, students may choose a different area of concentration, contingent upon documentation that they are able to meet the general concentration requirements (adequate credits, appropriate field practicum, and research projects are available).

**NOTE:** Students who choose to complete a concentration will need a total of 45 credits to complete the program. Students in the MSCID/MAYYAM Dual Degree program are not required to complete a concentration.

**Development Communication**

COMM 536 - Issues in Intercultural Communication Credits: 2,3

COMM 540 - Communication in Development Practice Credits: 2,3

COMM 590 - Graduate Seminar in ______________ Credits: 2,3

JOUR 570 - Multimedia Messaging Credits: 3

PREL 510 - Advancement and Communication Credits: 2

**Development Education**

CIDS 550 - Education for Sustainable Development Credits: 3

EDCI 650 - Curriculum Design: ______ Credits: 3

EDCI 684 - International Perspectives on Curriculum Credits: 3

EDCI 696 - Project Implementation Credits: 1–3

SOCI 565 - Demography Credits: 3

**Disaster Preparedness and Management**

CIDS 690 - Independent Study Credits: 1–3

COMM 535 - Crisis Communications Credits: 2

SOCI 508 - Emergency Preparedness Credits: 2

SOCI 514 - Migrant & Refugee Issues Credits: 2,3

SOCI 549 - Disaster Response and Emergency Operations Credits: 2

SOCI 555 - Disaster Planning Credits: 2

SOCI 578 - Principles and Practice of Hazards Mitigation Credits: 3

* Students who take this concentration have the option to obtain the Michigan or equivalent Professional Emergency Manager Designation (PEM) certification in lieu of registering for concentration courses, except for SOCI 508 Emergency Preparedness. (SOCI 508 covers the FEMA Professional Development Series required for PEM prerequisites).

**Global Health**

FDNT 545 - Nutrition and Wellness Programs Credits: 2–4

FDNT 570 - Maternal and Child Health Credits: 3

SOCI 554 - Community Health & Human Disease Credits: 2

SOWK 660 - Advanced Practice Evaluation Credits: 3

**NGO Development and Operations**

ACCT 455 - Accounting for Not-For-Profit Organizations Credits: 3

BSAD 515 - Organizational Behavior & Leadership Credits: 3

BSAD 530 - Leadership & Management of Not-for-Profit Organizations Credits: 3

BSAD 556 - Topics in ______________ Credits: 1–3

BSAD 560 - Intercultural Business Relations Credits: 3

BSAD 670 - Management of Human Resources Credits: 3

COMM 536 - Issues in Intercultural Communication Credits: 2,3

MKTG 540 - Marketing Management in Not-for-Profit Organizations Credits: 3

**Peace Studies**

This concentration is offered in cooperation with Anabaptist Mennonite Biblical Seminary (AMBS) for the purpose of establishing a limited articulation of graduate courses as part of an academic exchange program between the Master of Science in Community and International Development program at Andrews University and the Master of Arts: Peace Studies program at Anabaptist Mennonite Biblical Seminary. Students will work with the Director of CIDP to choose appropriate courses and steps to take to be registered. Students will not register for these courses through Andrews. They will take the courses from AMBS and register through the AMBS system and be transferred to AU.

Select a minimum of 12 credits from the following courses:

HTE 550 Introduction to Peace Studies and Nonviolence

HTE 644 Christian Attitudes Toward War, Peace, & Revolution

CHM 542 Education for Peace and Justice

CHM 633 Conflict, Communication, and Conciliation

HTE 641 Economic Justice and Christian

HTE 643 International Politics in Christian Perspective

CHM 608 Christian Spirituality for Peace-and-Justice-Making

**Youth in Development**

PATH 553 - The Church and Social Issues Credits: 2,3

PATH 623 - Innovative Evangelism Credits: 2,3

PATH 656 - Evangelistic Small Groups Credits: 2,3

CIDS 550 - Education for Sustainable Development Credits: 3

CIDS 580 - Organizational & Community Leadership Credits: 1,2

CIDS 590 - Issues in Gender and Development Credits: 3

DSLE 564 - Advanced Youth and Young Adult Ministry Leadership Credits: 2,3

DSLE 608 - Youth and Young Adults in Contemporary Culture Credits: 2,3

DSLE 626 - Ministry to At-Risk Youth Credits: 2,3

DSLE 636 - Seminar in Youth Ministry Credits: 1–3

DSLE 678 - Spiritual Nurture of Children Credits: 2,3

SOCI 510 - Gender Roles in Contemporary Society Credits: 3

SOCI 515 - Racial and Ethnic Relations Credits: 3

SOWK 660 - Advanced Practice Evaluation Credits: 3

**Assistantships**

Students may have the opportunity to apply for graduate assistantships within the Community and International Development Program. Please apply in the CIDP Office.

**Additional Information**

The schools and departments regulate policies that govern the elective courses offered as part of the concentration package and some may not be available. Some
The Field Practicum and Research Project/Thesis will necessarily be related to the area of concentration in order to provide students with an in-depth understanding of the chosen area, and with the possibility of applying course work in practice. Students are required to undertake a 720-hour internship (approximately 6 months at 30 hours per week) through a field placement with a domestic, national, or international organization/project. Internships are based on prior approval and advice from the program director. Arrangements for the internship will be made by the program director/advisor pending availability and feasibility of the placement proposed by the student.

Admission Requirements
All applicants must meet the following criteria, in addition to general admission requirements of the Andrews University School of Graduate Studies & Research:

- A Bachelor’s Degree from an accredited college or university.
- An overall undergraduate GPA of 3.0 in 8 or more credits of previously taken graduate courses graded A-F. Students may be admitted provisionally with a GPA of 2.6 or higher. Such students must maintain a GPA of 3.0 or higher during their first 12 graduate credits to continue in the program.
- Completed Graduate Application packet.
- Completed coursework in Statistics and Research. Provisional acceptance may be granted without these courses with the expectation that the student will take them during the first year of enrollment. Credits for these prerequisites will not apply toward the MSCID.

The director of the program may request a personal interview or a third reference and/or other information.

Students who apply for admission to the MSCID program have two options related to the Graduate Record Exam (GRE). For those students who are seeking a graduate scholarship, the GRE must be taken. Scholarship amounts are based on the score achieved on the exam. For students who do not seek a graduate scholarship, the GRE must be taken. Scholarship amounts are based on the GRE score, the exam is not required.

A reading knowledge of a foreign language is strongly recommended for those planning on graduate work.

Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Social Work Dual Degree MA/MSW

Andrews University has formed a collaboration between the Department of Discipleship and Lifespan Education in the Seminary and the School of Social Work in the College of Arts & Sciences to prepare students for youth and young adult ministry and social work. Students choosing this program would receive both a master’s in Discipleship in Lifespan Education, Youth and Young Adult Ministry Concentration and a master’s in Social Work.

The objectives of this program are to equip students for various forms of ministry in which clinical and administrative skills in social work and ministry are needed; to enable students to integrate both ministry and social work knowledge, values and skills into a multifaceted approach to Christian service, thereby enhancing their usefulness as instruments of the Holy Spirit; and to sensitize them to nontraditional ministry opportunities by exposing them to theories and practice skills related to counseling approaches, person-in-environment, social and economic justice, human rights and global perspectives from a Christian worldview.

The program is designed to give students both master’s degrees within three years.

Total Credits - 78

The details of the program are as follows:

- The dual degree will consist of 78 credits.
- The student will need to be accepted into both programs.
- There will be shared electives between the two programs:
  - Eight credits for the Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration MA.
  - Ten credits for the Social Work MSW.
  - Fieldwork will also be a shared experience, being cross-listed as SOWK 535 - Generalist Field Experience and DSLE 660 - Field Practicum: Youth and Young Adult Ministry. Four credit hours will be required for a total of 400 clock hours of field during this course. A total of nine credit hours or 900 clock hours will be required for the program.
  - One course will be cross-listed and be taken in the Department of Social Work:
    - SOWK 501 - Foundations of Practice I will fulfill the requirements for DSLE 503 - Marriage, Family, and Interpersonal Relationships.
  - Since both the MSW and MA (DSLE) programs reduce the total credits in order to reduce costs and achieve a more streamlined and efficient program, both degrees must be received simultaneously in order to fulfill the requirements of either degree.

Program Information
Information for the two programs (Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration MA and Social Work MSW) follows:

Discipleship in Lifespan Education MA

The MA (Discipleship in Lifespan Education) is a 48-credit degree designed to prepare leaders to train other leaders to understand and facilitate, and train others in the process of discipleship, the life-long journey of learning to follow Jesus and become more like Him. Concentrations in youth and young adult ministry, campus chaplaincy, family ministry, religious education, and Bible teacher training provide areas of specialization depending on students’ area of interest.

Mission:
The MA (DSLE) prepares individuals to become competent in discipling leaders and training others in one or more phases of spiritual, mental, emotional, and relational development across the lifespan.

Vision:
The MA (DSLE) serves the church by equipping and discipling individuals to address the developmental needs of its new and current members as well as the surrounding communities.

Goals:
All students graduating from the MA (DSLE) will be competent pastor-teachers in the field of discipleship.

Students will have growing expertise as pastor-teachers in at least one of the following areas of human development: children’s ministry, youth and young adult ministry, family ministry, and ministry to the elderly, along with campus chaplaincy ministry.

Students who teach at the elementary or academy level will become competent in discipling students to a love-relationship with God and in understanding the Biblical narrative.

Concentrations:
- Bible Teaching
- Campus Chaplaincy
- Family Life Education
- Religious Education
- Youth and Young Adult Ministry

MA (DSLE) Dual Degree Options:
The MA (DSLE) is also available with the following dual degree options:
- Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Community & International Development Dual Degree MA/MSCID
- Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Social Work Dual Degree MA/MSW
- Discipleship in Lifespan Education, Family Life Education Concentration/Social Work Dual Degree MA/MSW

Distance/Intensive Curriculum Option
The Concentration in Youth and Young Adult Ministry and the Concentration in Campus Chaplaincy offers a combined remote or online/intensive format for those who are unable to study in residence. A field practicum can be arranged in the location of the student’s residence. (Students in the MA (DSLE)YYAM/MSCID Dual Degree program may fulfill 6 elective credits with MSCID courses. Students in the MA (DSLE)/MSW Dual Degree program may fulfill 8 elective credits with MSW courses.)
Core - 22

- 2 credits of CHIS 674 - Development of Seventh-day Adventist Theology Credits: 2,3 (Bible Teaching Concentration students must take CHIS 506 Church History to 1500 or CHIS 507 Church History 1500 to the Present)
- 2 credits of DSLE 534 - Ministry to Youth and Young Adults Credits: 2,3
- 2 credits of DSLE 541 - Foundations of Biblical Spirituality Credits: 2,3
- 3 credits of DSLE 503 - Marriage, Family, and Interpersonal Relationships Credits: 2,3
- 2 credits of PATH 526 - Conflict Management
- 3 credits of DSLE 610 - Teaching for Discipleship Credits: 2,3 (Bible Teaching Concentration students replace this course with THST 616 Doctrine of God)
- 2 credits of PATH 526 - Conflict Management Credits: 2,3 or PATH 543 Christian Leadership in a Changing World Credits: 2,3 (not required for Bible Teaching Concentration)
- 2 credits of a MSSN World Missions course
- 4 credits of NTST/OTST courses (Bible Teaching Concentration students take NT/OT courses in their concentration)
- 2 credits of a THST course

Degree Electives

- ANEA 510 - Archaeology and the Bible Credits: 2,3
- DSLE 503 - Marriage, Family, and Interpersonal Relationships Credits: 2,3 (recommended for YYAM concentration)
- DSLE 564 - Advanced Youth and Young Adult Ministry Leadership Credits: 2,3 (recommended for CC concentration)
- DSLE 608 - Youth and Young Adults in Contemporary Culture Credits: 2,3 (recommended for CC concentration)
- DSLE 619 - Religious Experience in Adolescence Credits: 2,3 (recommended for YYAM concentration)
- DSLE 626 - Ministry to At-Risk Youth Credits: 2,3 (recommended for CC concentration)
- DSLE 636 - Seminar in Youth Ministry Credits: 1-3 (recommended for CC concentration)
- DSLE 651 - Foundations of Biblical Counseling Credits: 2,3 (recommended for YYAM and CC concentrations)
- DSLE 656 - Counseling Youth and Young Adults Credits: 2,3 (recommended for CC concentration)
- DSLE 659 - Human Sexuality Credits: 3 (recommended for CC concentration)
- DSLE 678 - Spiritual Nurture of Children Credits: 2,3 (recommended for YYAM & CC concentrations)
- GSEM 530 - Doctrine of the Sanctuary Credits: 2,3
- NTST 515 - New Testament Backgrounds Credits: 2,3
- NTST 535 - Studies in the Pauline Writings Credits: 2,3
- NTST 536 - Studies in the Gospels Credits: 2,3
- NTST 537 - Studies in Acts and General Epistles Credits: 2,3
- NTST 538 - Studies in Hebrews Credits: 2,3
- NTST 539 - Studies in Revelation Credits: 2,3
- OTST 500 - Survey of the Old Testament Credits: 2,3
- OTST 520 - Introduction to Old Testament Theology Credits: 2,3
- OTST 546 - Studies in Daniel (English) Credits: 2,3
- OTST 556 - Studies in Prophets (English) Credits: 2,3
- OTST 566 - Studies in the Pentateuch (English) Credits: 2,3
- OTST 570 - Readings in the Old Testament (English) Credits: 2,3
- PATH 553 - The Church and Social Issues Credits: 2,3 (recommended for YYAM & CC concentrations)
- PATH 555 - Pastoral Counseling Credits: 2,3 (recommended for YYAM concentration)
- PATH 623 - Innovative Evangelism Credits: 2,3 (recommended for YYAM & CC concentrations)
- PATH 632 - Contextualized Preaching: ____________________________ Credits: 2,3 (recommended for CC concentration)
- PATH 656 - Evangelistic Small Groups Credits: 2,3 (recommended for YYAM & CC concentrations)
- THST 521 - Christian Theology I Credits: 2,3
- THST 522 - Christian Theology II Credits: 2,3
- THST 605 - Principles of Christian Ethics Credits: 2,3
- THST 640 - Doctrine of Salvation Credits: 2,3

Concentrations - 26-32

Students must choose one of the following concentrations:

Bible Teaching Concentration - 32

The Bible Teaching concentration provides on-campus and online options to prepare K-12 teachers who do not have a religion/theology background to teach Bible classes, while those with a strong religion/theology background but no educational background are given advanced standing and introduced to principles of pedagogy/andragogy.

Advanced Standing

Advanced standing may be obtained for up to 12 credits of religion and theology and up to 5 credits of education or religious education for a combined maximum total of 12 credits. These credits are dependent upon a background of advanced theological or educational study or prior extensive undergraduate studies in religion, theology, religious education, or education as well as the particular MA (Discipleship in Lifespan Education) focus area chosen. Advanced standing is calculated at the time of admission as follows:

- 18 or more credits of undergraduate religion or theology credit may qualify for advanced standing of up to 12 credits in appropriate areas of the course plan. Advanced standing based on less than 18 credits of prior undergraduate studies is prorated at a two-thirds ratio.
- 8 or more credits of undergraduate education or religious education may qualify for advanced standing of up to 5 credits in appropriate areas of the course plan. Advanced standing based on less than 8 credits of prior undergraduate studies is prorated at a two-thirds ratio.

Concentration Courses

1.5 credits of CHIS 570 - History of the Seventh-day Adventist Church Credits: 1,2,3
1.5 credits of CHIS 571 - The Life and Writings of Ellen G. White Credits: 1,2,3
3 credits of DSLE 605 - Foundations in Religious Education Credits: 2,3
2 credits of DSLE 606 - Philosophical Foundations for Professionals Credits: 2,3
DSLE 616 - Collaborative Ministry: Partnering in Discipleship and Mission Credits: 2
DSLE 620 - Scholarly and Professional Development Credits: 0
2 credits of DSLE 633 - K-12 Faith Development & Bible Methods Credits: 2,3
1 credit of DSLE 676 - Topics: _______________ Credits: 1-3 (Issues in Ellen White)
EDRM 505 - Research Methods Credits: 3
EDTE 508 - Principles of Teaching and Learning Credits: 3
EDTE 524 - Classroom Testing and Evaluation Credits: 2
2 credits of GSEM 530 - Doctrine of the Sanctuary Credits: 2,3
GSEM 680 - Master’s Comprehensive Exam Credits: 0
2 credits of OTST 546 - Studies in Daniel (English) Credits: 2,3
2 credits of OTST 566 - Studies in the Pentateuch (English) Credits: 2,3

Choose one of the following courses for 2 credits:
- NTST 535 - Studies in the Pauline Writings Credits: 2,3
- NTST 536 - Studies in the Gospels Credits: 2,3
- NTST 538 - Studies in Hebrews Credits: 2,3
- NTST 539 - Studies in Revelation Credits: 2,3

Thesis Option: may add an additional 3 credits
- GSEM 697 - Thesis for MA Degree Credits: 1–9

Additional Degree Requirements for Religious Education and Bible Teaching Concentrations

- Must maintain a minimum GPA of 3.00 in order to graduate. Courses with a grade below B- do not count toward the degree.
- Degree Completion: Candidates for the Bible Teaching Concentration may exercise one of the following two options to complete their degree:
  - Comprehensive Examinations: Must pass comprehensive examinations arranged through the departmental administrative assistant. The one-day exams entail a three-hour morning session and a two-hour afternoon session.
  - Thesis: Prepare a thesis (minimum 3 credits). A two-member faculty committee guides the student in developing the project and evaluates the defense. Students who complete a thesis are exempt from writing comprehensive examinations but are required to make a portfolio presentation. The thesis may add 3 credits to the 48 credit degree requirements, making a total of 51 credits.
In place of DSRE 660 - Field Practicum, some students may be eligible to receive up to 6 credits in DSLE 690 - Independent Study.

Transfer Credits
A maximum of 9 transfer graduate credits, when applicable, may be transferred into the MA (DSLE) program from other institutions or from other master's programs within the Seminary upon approval of the dean. Credits approved under the Credit Through Learning in Professional Experience provision (see below) are considered part of the maximum of 9 transfer credits.

Credit Through Learning in Professional Experience
In place of DSRE 660 - Field Practicum, some students may be eligible to receive up to three credits for professional experience when approved by the dean, using the following criteria:

- Applicants must have completed at least 18 credits toward the MA degree with a minimum GPA of 2.50.
- The applicant must submit a Professional Experience Portfolio, including (1) an up-to-date curriculum vita, (2) a description of ministerial experiences, (3) a reflection-learning paper in which the applicant analyzes his/her professional skills and ministries and demonstrates how learning based on the reflection-reaction process occurred, and (4) supporting letters from administrative and pastoral supervisors which identify and document a variety of professional experiences.
- The applicant must submit the completed Professional Experience Portfolio to the program director and the Department of Discipleship and Lifespan Education no later than the semester prior to graduation. For details, contact the director of the MA (DSLE) program.

Additional Information
Graduates of the Campus Chaplaincy Concentration receive calls for ministry. However, completion of the program does not guarantee employment in Adventist ministry or any other church employment.

Students who seek to serve in general pastoral or church leadership positions should consider, as an alternative, the Master of Divinity program as stipulated by North American Division policy (L 05 05 and L 05 15).
Certification in Family Life Education
While completion of the MA (Discipleship in Lifespan Education) with a concentration in Family Life Education does not of itself qualify an individual as a Certified Family Life Educator (CFLE) through NCFR, the courses offered through the MA (Discipleship in Lifespan Education) meet all of the requirements needed to apply for CFLE credentials. Applications must be made directly to NCFR within 5 years of completion of any courses that are submitted for CFLE certification, documenting that each course has been successfully completed in the 10 designated CFLE content areas (for provisional certification), and (for full certification) that a practicum has also been completed. The CFLE content areas, and corresponding program course acronyms are:

- Families and Individuals in Societal Contexts: DSLE 655 - Families in Society
  Credits: 3
- Internal Dynamics of Families: DSLE 658 - Internal Dynamics of Families
  Credits: 3
- Human Growth/Development across the Life Span: GDPC 614 - Human Development
  Credits: 3 (or equivalent*)
- Interpersonal Relationships: DSLE 503 - Marriage, Family, and Interpersonal Relationships
  Credits: 2,3
- Family Resource Management: DSLE 652 - Personal and Family Finance
  Credits: 3
- Parenting Education and Guidance: DSLE 679 - Parenting Education and Guidance
  Credits: 3
- Family Law and Public Policy: DSLE 657 - Social Policy
  Credits: 2,3
- Professional Ethics and Practice: DSLE 635 - Christian Perspectives on Professional Ethics
  Credits: 2,3
- Family Life Education and Methodology: DSLE 610 - Teaching for Discipleship
  Credits: 2,3

For further information, go to https://www.ncfr.org/cfle-certification/become-certified/cfle-course-checklists-school

*A course that substitutes for GDPC 614 will require a syllabus to be submitted and to indicate whether the course was taken at the UG or Graduate level

Religious Education Concentration - 26
The Religious Education Concentration is designed for students who see themselves as pursuing a PhD (Discipleship in Lifespan Education) or a similar doctoral degree. Since this concentration is designed to lead to a doctorate, it is academic in nature and, as such, requires that the student take courses in education and research as well as complete a comprehensive examination. This flexible concentration allows students to focus their studies on an area of interest that may prepare them for advanced doctoral study. Religious Education seeks to integrate biblical foundations and educational research in order to understand and facilitate the process of discipleship, the life-long journey of learning to follow Jesus and become more like Him.

Core Concentration Courses - 8
3 credits of DSLE 605 - Foundations in Religious Education
  Credits: 2,3
2 credits of DSLE 606 - Philosophical Foundations for Professionals
  Credits: 2,3
DSLE 620 - Scholarly and Professional Development
Credits: 0
3 credits of EDRM 505 - Research Methods
  Credits: 3 or GSEM 520 - Methods in Biblical & Theological Research
  Credits: 2
GSEM 680 - Master’s Comprehensive Exam
  Credits: 0

Thesis Option: additional 3 credits
GSEM 697 - Thesis for MA Degree
  Credits: 1–9

Concentration Electives for Customization - 18
Choose from the following elective courses (other courses may be substituted in consultation with advisor):

- DSLE 608 - Youth and Young Adults in Contemporary Culture
  Credits: 2,3
- DSLE 619 - Religious Experience in Adolescence
  Credits: 2,3
- DSLE 630 - Fostering Spiritual Growth
  Credits: 2,3
- DSLE 636 - Seminar in Youth Ministry
  Credits: 1–3
- DSLE 656 - Counseling Youth and Young Adults
  Credits: 2,3
- DSLE 658 - Internal Dynamics of Families
  Credits: 3
- DSLE 659 - Human Sexuality
  Credits: 3
- DSLE 678 - Spiritual Nurture of Children
  Credits: 2,3
- DSLE 679 - Parenting Education and Guidance
  Credits: 3

MSSN 546 - Mission in Cultural and Religious Context Credits: 3
MSSN 584 - Preparation for Cross-Cultural Workers
  Credits: 2–4
MSSN 615 - Anthropology for Mission and Ministry
  Credits: 2,3

Additional Degree Requirements for Religious Education Concentration
Must maintain a minimum GPA of 3.00 in order to graduate. Courses with a grade below B- do not count toward the degree.

Degree Completion: Candidates for the Religious Education Concentration may exercise one of the following two options to complete their degree:

Comprehensive Examinations: Must pass comprehensive examinations arranged through the departmental administrative assistant. The one-day exams entail a three-hour morning session and a two-hour afternoon session.

Thesis: Prepare a thesis (minimum 3 credits). A two-member faculty committee guides the student in developing the project and evaluates the defense. Students who complete a thesis are exempt from writing comprehensive examinations but are required to make a portfolio presentation. The thesis may add 3 credits to the 48 credit degree requirements, making a total of 51 credits.

Youth and Young Adult Ministry Concentration - 26
The Youth and Young Adult Ministry (YYAM) Concentration is designed for individuals who see themselves as engaging in lifelong ministry to youth and young adults. The graduate of the YYAM Concentration will be competent to serve in a variety of vocations such as youth pastor, university/college/academy chaplain, dormitory dean, local church youth leader, conference youth director, and guidance counselor.

Goals:
The goals of the YYAM Concentration are to provide the church with specialists who:

- See their enduring career path as working with youth and young adults in the church in varying capacities.
- Are able to critically analyze the theology of youth and young adult ministry.
- Develop skills in the design, implementation and assessment of ministry efforts directed at youth for the purpose of improving the retention of youth and young adults in the Seventh-day Adventist church.
- Make disciples of Jesus Christ who will disciple the youth and young adults of the church to continue the discipleship process.

Concentration Courses
2 credits of DSLE 564 - Advanced Youth and Young Adult Ministry Leadership
  Credits: 2,3
2 credits of DSLE 608 - Youth and Young Adults in Contemporary Culture
  Credits: 2,3
2 credits of DSLE 615 - Collaborative Ministry: School, Church, Community
  Credits: 2,3
2 credits of DSLE 626 - Ministry to At-Risk Youth
  Credits: 2,3
2 credits of DSLE 636 - Seminar in Youth Ministry
  Credits: 1–3
2 credits of DSLE 656 - Counseling Youth and Young Adults
  Credits: 2,3
2 credits of DSLE 660 - Field Practicum: Youth and Young Adult Ministry
  Credits: 1-6 (YYAM/MSW & CC/MSW Dual degree students replace this course with SOWK 535)
2 credits of PATH 632 - Contextualized Preaching
  Credits: 2,3
Electives: choose 10 elective credits in consultation with advisor

Additional Degree Requirements for the Youth & Young Adult Ministry Concentration
The Youth and Young Adult Ministry Concentration is awarded upon successful completion of a minimum of 48 semester credits with a cumulative GPA of 2.5 or better. A minimum of 24 semester credits are to be taken at the Theological Seminary or at an authorized extension center. The course work for the MA (Discipleship in Lifespan Education) is designed to be completed by full-time students in two years.

Elective Courses
Students in the MA (DSLE) can utilize their elective credits to tailor a program to their specific ministry needs. They can take up to 6 credits in DSLE 690 - Independent Study.
Admission Requirements
Applicants to the MA (DSLE) program should read the general admission requirements of the Seventh-day Adventist Theological Seminary. Applicants to the Youth and Young Adult Ministry, Campus Chaplaincy, and Family Life Education Concentrations must also meet the qualifications listed below:

- Hold a baccalaureate degree
- Have a minimum GPA of 2.5
- Represent high moral integrity with a character, lifestyle, and spiritual commitment reflective of the beliefs and practices of the Seventh-day Adventist Church, and show promise of usefulness for ministry through personal maturity and adequate experience in the Church. (Persons of other faiths who are willing to live in harmony with these standards are welcome to apply.)
- Submit an autobiographical history and statement of purpose reflecting the applicant's family, religious development, sense of calling to ministry, experience in church work, and future goals in relationship to the concentration to which they are applying.
- Interview with a representative of the MA (DSLE) program, if required, either by personal contact, telephone, or e-mail.
- Demonstrate a solid background in Old and New Testament knowledge through a department review of prior transcripts or take OTST 500 Survey of the Old Testament and NTST 520 Introduction to the New Testament within the first year of enrollment.

Applicants to the Religious Education and Bible Teaching Concentrations are based on the student's meeting the general admission requirements for all graduate students as outlined in the School of Graduate Studies & Research, and the general Seminary admission requirements Seventh-day Adventist Theological Seminary. In addition, students must have earned a baccalaureate degree or equivalent and have a minimum GPA of 2.75 for admission. Official scores from the Graduate Record Examination (GRE) General Test taken within the last five years should be submitted to the Office of Graduate Enrollment Management.

English Language Requirement
For those applicants whose native language is not English, the following is required:

- MELAB - score of 80 (must achieve a passing score on each section: written, verbal and comprehension) or
- TOEFL - score of 550 (paper based) or score of 85 (computer based with a minimum of 20 on each section: written, verbal and comprehension) and
- A personal interview with the program director or designee

Applicants who fail to meet any of the above may be admitted only after departmental consideration of the specific circumstances. Additional coursework in English may be required. A student who graduated from a four-year English-speaking high school, college or university may be exempted from all or parts of the above requirements.

Additional Information
Students who seek to serve in general pastoral or church leadership positions should consider, as an alternative, the Master of Divinity program as stipulated by North American Division policy (L 05 05 and L 05 15).

CPE Unit
In addition to completing the 48-credit Campus Chaplaincy Concentration, an individual wishing to be employed as a campus chaplain should complete 1 unit of Clinical Pastoral Education (CPE) - Community Based Option (8 months). In international settings where CPE units are not available, supervised internship in campus ministry must be arranged in accordance with established curricula guidelines and with qualified mentoring.

Program Learning Outcomes

- PLO1: Demonstrate competence at an advanced level in critical thinking, training and education, teamwork, and engaging diverse perspectives related to discipleship across the lifespan. (Transferable Skills, GIO 1)
- PLO2: Achieve a comprehensive and critically-aware knowledge of methods of discipleship and practices with appropriate specializations in youth and young adult ministry, family life education, campus chaplaincy, religious education, and Bible teaching. (Knowledge, GIO 2)
- PLO3: Critique from a Seventh-day Adventist perspective key ideas, techniques, or methods in the field of discipleship in lifespan education. (Faith Development, GIO 3)
- PLO4: Be prepared to train leaders at all levels of the church in diverse settings and communities using advanced skills and knowledge of discipleship across the lifespan in a manner consistent with both professional and Seventh-day Adventist Christian thought and practice. (Faith Integration, GIO 4)

Social Work MSW
The Master of Social Work (MSW) degree is a professional degree enabling the graduate to enter practice as an advanced-level practitioner. Graduates are prepared to work in a variety of clinical, administration, and development focus areas. The foundation curriculum for the MSW consists of 9 core competencies that are required for every accredited MSW program: 1) Demonstrate ethical and professional behavior; 2) Engage diversity and difference in practice; 3) Advance human rights and social, economic, and environmental justice; 4) Engage in practice-informed research and research-informed practice; 5) Engage in policy practice; 6) Engage with individuals, families, groups, organizations and communities; 7) Assess and plan with individuals, families, groups, organizations and communities; 8) intervene with individuals, families, groups, organizations and communities; and 9) Evaluate practice with individuals, families, groups, organizations and communities. In addition, our program has added an additional competency: 10) Demonstrate a Christian social work perspective. The curriculum is designed to teach students the knowledge, values and skills, along with understanding of the cognitive and affective reactions and judgement that accompany these dimensions. Measurement outcomes for these competencies can be found on the first page of the Andrews University School of Social Work website. The Andrews University MSW program is accredited by the Council of Social Work Education through the year 2019.

Dual Degrees Options
The MSW Dual Degree Programs allow the student to complete two degrees in one additional year, with a tuition reduction of 33% for the MSW credits. To facilitate this objective, the two programs will reduce the total number of required credits and will share a practicum and a limited number of elective courses. Specifically, the School of Social Work will reduce the required number of credits by 9-10 credits by allowing students to take their required social work electives in the other graduate program. In addition, approximately 16 credits will be shared between the two programs. The following Dual Degree options are available:

- Business Administration/Social Work Dual Degree MBA/MSW
- Community & International Development/Social Work Dual Degree MS CID/MSW
- Discipleship in Lifespan Education, Family Life Education Concentration/Social Work Dual Degree MA/MSW
- Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Social Work Dual Degree MA/MSW
- Divinity/Social Work Dual Degree MDiv/MSW
- Public Health, Nutrition and Wellness Concentration/Social Work Dual Degree MPH/MSW
Curriculum
Core advanced interpersonal practice courses supplemented by optional areas of focus are offered. Students wishing to enroll in core graduate social work courses must be enrolled in the MSW program and/or have the instructor's permission. Students may transfer up to 20% of the credits from one degree into the MSW program. All courses are subject to change based on accreditation needs.

MSW Social Work Tracks
- Regular Standing (Two Year) Program
- Accelerated Regular Standing (Two Year) Program
- Advanced Standing (One Year) Program
- Advanced Standing Plus (18 Months) Program

Areas of Focus
Students may choose to specialize in the following focus areas: Human Resources, Mental Health, School Social Work, Marriage & Family, Christian Ministry, International Social Work, and Medical Social Work. Please refer to the School of Social Work website for further information: www.andrews.edu/cas/socialwork/. Students are not required to choose a focus area.

Additional Requirements
- A minimum cumulative GPA of 3.00 in Social Work Program.
- No grade of D or F (or U) may count toward a graduate degree.
- The maintenance at all times of professional conduct and behaviors appropriate for a social worker according to the National Association of Social Workers’ Code of Ethics.
- Defense of the professional degree portfolio as part of SOWK689 Advanced Professional Seminar. This portfolio is a demonstrative collection of professional competencies.
- Other Andrews University degree requirements as presented in the Graduate Academic Information section of this bulletin.

Past experience strengthens all MSW student applications. However, following Council on Social Work Education requirements, no social work course credit can be given for life experience or previous work experience.

Admission Requirements
English Language Requirements
For those applicants whose native language is not English, the following is required:
- Demonstration of English proficiency by obtaining at least a minimum score on any one of the following exams. Exam must be taken within two years prior to enrollment.
  - TOEFL ITP (paper-based): A minimum score of 550
  - TOEFL iBT (internet-based): 80 with a minimum of 20 on each section
  - MELAB: 80 with a minimum of 80 on each section
  - IELTS (Academic version): 6.5
  - PTE (Academic version): 54
- MSW program participates in the Bridge program which allows students who are close to the minimum scores to take 3-6 credits of MSW courses along with ESL courses. Requirements to participate in the Bridge program are below.
  - TOEFL ITP (paper-based): A score of 500-549 (2-3 ESL courses and up to 3-6 credits of regular MSW course work)* OR
  - MELAB - Bridge 1: 70-75 (3 ESL courses; up to 3 credits regular MSW course work)*
  - MELAB - Bridge 2: 76-79 (2 ESL courses; up to 6 credits regular MSW course work)
  - *with permission of the department
- Nelson Denny: score of 13
- Personal interview with MSW program director or designee

Applicants who fail to meet any of the above may be admitted only after committee consideration of the specific circumstances. Additional course work in English may be required.

A student who graduated from a four-year English-speaking high school, college or university may be exempted from all or parts of the above requirements.

Graduate Record Examination (GRE)
Students who are applying for admission to the MSW program are not required to take the GRE. For those students who are seeking the GRE scholarship, the GRE must be taken. The amount of a potential scholarship is related to the score achieved on the GRE as follows:

- GRE Score: 320 Scholarship: 50% tuition reduction
- GRE Score: 310 Scholarship: 25% tuition reduction
- GRE Score: 300 Scholarship: 10% tuition reduction

Additional Information
MSW Scholarship
Since the MSW program does not require the GRE, an equivalent graduate scholarship is offered in the department. The amount of potential scholarship is related to GPA and supporting documents. This applies to the last 3 semesters of the program. Please refer to the School of Social Work website for further information:
https://www.andrews.edu/cas/socialwork/scholarships/msw-scholarship-policy.pdf

GPA Scholarship
- 3.90 - 4.00: 50% tuition reduction
- 3.50 - 3.89: 25% tuition reduction
- 3.00 - 3.49: 10% tuition reduction

Available to Advanced standing 1 year students only, based on BSW GPA

Assistantships
Students have the opportunity to apply for graduate assistantships—teaching or research. These assistantships give students the opportunity to develop their expertise. Students interested in becoming social-work educators—especially those with years of clinical experience—may teach undergraduate courses. Research assistants offer experiences in community consulting, grant writing, and/or conducting research.

Resources
MSW Student Handbook
The MSW Student Handbook has been designed as the social work student's aid in understanding the program requirements of the School of Social Work as well as relevant policies of Andrews University. Inside the handbook you will find information such as expectations of students, the MSW curriculum, departmental policies, and other relevant information.

Field Manual
The Field Manual has been designed as your aid in understanding field education requirements, your role as a student in a field agency, and relevant policies of Andrews University.

You are responsible for the information found in this handbook, so please take the time to familiarize yourself with the handbook and know where to find questions and answers if the need arises.

Student Learning Outcomes
Students who complete this program will:
- Demonstrate ethical and professional behavior
- Engage diversity and difference in practice
- Advance human rights and social, economic, and environmental justice
- Engage in practice-informed research and research-informed practice
- Engage in policy practice
- Engage with individuals, Families, Groups, Organizations, and Communities
- Assess and Plan with Individuals, Families, Groups, and Communities
- Intervene with Individuals, Families, Groups, Organizations, and Communities
- Evaluate Practice with Individuals, Families, Groups, Organizations, and Communities
- Demonstrate a Christian Social Work Perspective

Divinity/Communication Dual Degree MDiv/MA
Andrews University has formed a collaborative program between the Master of Divinity Program of the Seventh-day Adventist Theological Seminary and the Master of Arts in Communication (Interdisciplinary Concentration) Program of the Department of Visual Art, Communication and Design in the College of Arts and Sciences. Students can potentially complete the two degrees in less than 3½ years;
This dual degree program will also prepare students for service in occupations where communication—and in particular, media-related communication—intersects with the pastoral mission of the church. Pastors today are challenged to minister and serve in ever-widening fields and increasingly diverse audience groups, and being able to do so effectively through a variety of mediums is becoming more important than ever before. Likewise, there are benefits to understanding the how and why of communication and what it takes to be an effective communicator on all levels outside of the pulpit. Furthermore, this collaboration allows for widened employment opportunities including television and radio, public relations, corporate communications, advertising, management, healthcare communications, and more.

Since both the Communication (Interdisciplinary Concentration) MA and Divinity MDiv programs share certain cognate courses to achieve a more streamlined and efficient program, both degrees must be conferred simultaneously in order to fulfill the requirements of either degree. In the event that one degree was completed prior to enrollment for the dual degree program, the cognate requirements for the other degree will be adjusted as shown below. A dual student cannot march in graduation or March-without-Completion if both halves of the dual degree are not completed.

Total Credits: 100

Credits for Each Program

**MDiv:** Graduation requirements consist of the satisfactory completion of 100 semester credits with an overall grade point average of 2.75 or better. 67 credits are MDiv credits, and 33 credits are Communication credits.

11 of these credits are shared between the MDiv and Communication programs:

- PATH 543 Christian Leadership in a Changing World (2 Cr) is used as a Communications core course
- THST 605 Principles of Christian Ethics (3 Cr) is used as a Communications core course
- 6 MDiv elective credits are used for the Communications Interdisciplinary Concentration

**Program Information**

Information for the two programs (Divinity MDiv and Communication MA) follows:

**Divinity MDiv**

E-mail: mdiv@andrews.edu

The Master of Divinity (MDiv) is a 78-credit professional program recommended as the graduate training for Adventist ministry by the General Conference of Seventh-day Adventists and the North American Division. It is a two-year professional program (including summers) for full-time students. Additional semesters may be required for students lacking prerequisites.

**Concentration Options**

Students may - if desired - complete a concentration:

- Chaplaincy
- Marriage and Family Life Ministry
- Youth and Young Adult Ministry

**MDiv Dual Degree Options**

The MDiv is also available with the following dual degree options:

- Divinity/Communication Dual Degree MDiv/MA
- Divinity/Community and International Development Dual Degree MDiv/MA
- Divinity/Public Health Dual Degree MDiv/MPH
- Divinity/Social Work Dual Degree MDiv/MSW

**Mission**

In harmony with the mission and core values of the Seventh-day Adventist Theological Seminary, the Master of Divinity degree equips called, committed men and women with practical biblical, theological, and ministerial knowledge and skills to prepare them for Christlike service as leaders and equippers.

**Great Controversy, Covenant, Law, and Sabbath - 2-3**

Choose one of the following Great Controversy, Covenant, Law and Sabbath courses:

- 2 credits of CHIS 638 - History of the Great Controversy, Covenant, Law, Sabbath Credits: 2,3
- 3 credits of NTST 650 - Great Controversy, Covenant, Law and Sabbath Credits: 2,3
- 3 credits of CHIS 674 - Development of Seventh-day Adventist Theology Credits: 2,3
- 3 credits of GSEM 505 - Colloquium: ______________________ Credits: 0

Brief (4.5 hour) colloquia on a variety of ministry topics will be offered each semester for MDiv students.

- Full-time (9 credits or more) students studying on the main campus must attend one or more colloquia sessions per Fall/Spring semester that they are in the MDiv program.
- Colloquia requirements for transfer students or those taking part of their MDiv off-campus will be one colloquium for each Fall/Spring semester that they are on the main campus.
- Students from previous bulletins who petition to move into the current bulletin will take 1 colloquium per Fall/Spring semester for the remaining semesters of their on-campus program.

2 credits of GSEM 530 - Doctrine of the Sanctuary Credits: 2,3

**Great Controversy, Covenant, Law, and Sabbath - 2-3**

Choose one of the following NADEI courses (NADEI list) for 2 credits:

- PATH 656 - Evangelistic Small Groups Credits: 2,3
- PATH 657 - Health & Lifestyle Transformation Credits: 3-6
- PATH 658 - Nutrition and Disease Prevention Credits: 3)

**Vision**

We envision the Master of Divinity community as a relationally healthy and diverse family focused on developing balanced and spiritually mature ministry leaders who are committed to equipping people in accomplishing God’s mission and the prophetic calling of the Seventh-day Adventist Church.

**Total Credits - 78**

**Interdisciplinary - 2**

GSEM 505 - Colloquium: ______________________ Credits: 0

**Practical and Applied Theology - 19**

- 2 credits of PATH 523 - Worship: Word and Music Credits: 2,3
- 3 credits of PATH 593 - Church Growth and the Equipping Leader Credits: 3
- 2 credits of PATH 543 - Christian Leadership in a Changing World Credits: 2,3
- 2 credits of PATH 555 - Pastoral Counseling Credits: 2,3 (MDiv/MSW Dual Degree Students must replace this course with SOWK 601)

**Total Credits - 78**

- 2 credits of PATH 560 - Advanced Ministerial Development Credits: 2 (TFE for Dual Degree Students: If student is in a dual degree, they may substitute this course with the appropriate practicum course in their corresponding dual degree. MDiv/MSW Dual Degree students must take SOWK 510. MDiv/MSCID students may take TFE or CIDS 680.)
- 3 credits of PATH 562 - Field Evangelism Credits: 3-6
- 1 credit of PATH 567 - Health & Lifestyle Transformation Credits: 1 (MDiv/MPH Dual Degree students, replace this course with FDNT 520 - Vegetarian Nutrition and Disease Prevention Credits: 3)

**Choose one of the following Advanced Preaching courses (CHMN list) for 2 credits:**

- PATH 600 - Preaching from the New Testament Credits: 2,3
- PATH 601 - Preaching Biblical Prophecies Credits: 2,3
- PATH 603 - Evangelistic Preaching Credits: 2,3
- PATH 607 - Preaching from the Old Testament Credits: 2,3
- PATH 609 - Media Ministry Credits: 2,3
- PATH 627 - Black Preaching Credits: 2,3
- PATH 632 - Contextualized Preaching Credits: 2,3
- PATH 633 - Preaching the Literary Forms of the Bible Credits: 2,3
- PATH 634 - Field Evangelistic Preaching & Practicum Credits: 2,3
- PATH 637 - Seminar in Preaching Credits: 2,3

**Choose one of the following NADEI courses (NADEI list) for 2 credits:**

- PATH 604 - Mobilizing for Evangelistic Ministry Credits: 2,3
- PATH 606 - Mission-Shaped Church Planting Credits: 2,3
- PATH 656 - Evangelistic Small Groups Credits: 2,3

**Church History - 7**

- 2 credits of CHIS 624 - Issues in Ellen G. White Studies Credits: 2,3
- 3 credits of CHIS 674 - Development of Seventh-day Adventist Theology Credits: 2,3

538
Choose one of the following courses (CHIS list) for 2 credits:
CHIS 500 - The Early Church to A.D. 604 Credits: 2,3
CHIS 609 - The Church in the Middle Ages Credits: 2,3
CHIS 620 - Seminar in Christian Biography Credits: 2,3
CHIS 625 - Seminar in Church-State Thought Credits: 2,3
CHIS 629 - History of Christian Spirituality Credits: 2,3
CHIS 630 - History of Jewish Experience Credits: 2,3
CHIS 634 - Reformation Theology Credits: 2,3
CHIS 635 - History of the African American Churches Credits: 2,3
CHIS 638 - History of the Great Controversy, Covenant, Law, Sabbath Credits: 2,3
CHIS 640 - Reformation: ______________ Credits: 2,3
CHIS 650 - English Reformation and Rise of Puritanism Credits: 2,3
CHIS 654 - Seminar in English Reformation and Puritan Theology Credits: 3
CHIS 655 - Wesley and Methodism Credits: 2,3
CHIS 657 - Seminar in Reformation Theology Credits: 3
CHIS 659 - Seminar in the History of Selected Christian Doctrines Credits: 3
CHIS 660 - History of Religion in America Credits: 2,3
CHIS 664 - History of American Religious Thought Credits: 2,3
CHIS 665 - Modern Church History Credits: 2,3
CHIS 668 - History of Religious Liberty Credits: 2,3
CHIS 670 - Seminar in History of the Seventh-day Adventist Church Credits: 2,3
CHIS 673 - Development of Seventh-day Adventist Lifestyle Credits: 2,3
CHIS 675 - Seminar in the Development of Seventh-day Adventist Lifestyle Credits: 2,3
CHIS 680 - History of Sabbath and Sunday Credits: 2,3
CHIS 682 - Seminar in Church History Credits: 3
CHIS 683 - The Pastor, Church and Civil Law Credits: 3
CHIS 684 - Seminar in History of Sabbath and Sunday Credits: 3
CHIS 685 - Studies in Church History Credits: 2,3
CHIS 686 - Development of Prophetic Interpretation Credits: 2,3
CHIS 687 - Seminar in Development of Prophetic Interpretation Credits: 2,3
CHIS 688 - Contemporary Trends Credits: 2,3
CHIS 689 - History of Worship and Liturgy Credits: 3
CHIS 690 - Independent Study Credits: 1–3

Discipleship and Lifespan Education - 9

Choose one of the following Old Testament Exegesis courses for 2 credits:
Old Testament - 8
The New Testament Revelation requirement may be met by one of the following means:
An undergraduate Revelation course. A syllabus must be submitted to the NTST department for evaluation. If approved, the Revelation requirement will be waived and the student may take the exegesis and theology courses of their choice.

NTST 530 - Introduction to Revelation Credits: 2 (a prerequisite course) taken in the Seminary
NTST 647 - Eschatology Credits: 2,3 (as New Testament Theology) (Prerequisite: NTST 530 or undergraduate Revelation course)
NTST 648 - Revelation Credits: 2,3 (as New Testament Exegesis) (Prerequisite: NTST 530 or undergraduate Revelation course)

Choose one of the following New Testament Exegesis courses for 3 credits (NTST List A)

- Intermediate Greek proficiency required:
  NTST 645 - Hebrews Credits: 2,3
  NTST 646 - Topics in New Testament Exegesis Credits: 2,3
  NTST 648 - Revelation Credits: 2,3
  NTST 653 - Advanced Studies in the General Epistles Credits: 2,3
  NTST 655 - Advanced Studies in the Gospels Credits: 2,3
  NTST 658 - Advanced Studies in the Pauline Writings Credits: 2,3
  NTST 678 - Seminar in Greek Exegesis Credits: 2,3

- Intermediate Greek proficiency required:
  NTST 613 - Love, Marriage and Divorce Credits: 2,3
  NTST 614 - Suffering, Death and Resurrection Credits: 2,3
  NTST 616 - Theology of Luke-Acts Credits: 2,3
  NTST 623 - New Testament Theology of Prayer Credits: 2,3

Choose one of the following Old Testament Theology courses for 2 credits (NTST List B)

- Intermediate Greek proficiency required:
  NTST 627 - New Testament Theology of Salvation Credits: 2,3
  NTST 628 - The Holy Spirit in the New Testament Credits: 2,3
  NTST 629 - New Testament Ecclesiology Credits: 2,3
  NTST 630 - Theology of the Synoptic Gospels Credits: 2,3
  NTST 633 - Social Issues in the New Testament Credits: 2,3
  NTST 634 - Theology of the Pauline Epistles Credits: 2,3
  NTST 641 - Theology of the Johannine Writings Credits: 2,3
  NTST 647 - Eschatology Credits: 2,3
  NTST 650 - Great Controversy, Covenant, Law and Sabbath Credits: 2,3
  NTST 667 - Topics in New Testament Theology Credits: 2,3
  NTST 668 - New Testament Ethics Credits: 2,3
  NTST 676 - Jesus in Recent Scholarship Credits: 2,3
  NTST 679 - Seminar in New Testament Theology and Ethics Credits: 2,3

Choose one of the following New Testament Background courses for 2 credits (NTST List C)

- Intermediate Greek proficiency required:
  NTST 515 - New Testament Backgrounds Credits: 2,3
  NTST 606 - New Testament Textual Criticism and Canon Formation Credits: 2,3
  NTST 615 - New Testament Archaeology Credits: 2,3
  NTST 626 - Seminar in Classical Jewish Literature Credits: 2,3
  NTST 635 - Intertestamental Literature Credits: 2,3
  NTST 636 - Jerusalem in the Time of Jesus Credits: 2,3
  NTST 654 - Second Century Christianity Credits: 2,3
  NTST 680 - Greco-Roman World Credits: 2,3
  NTST 684 - Judaism and the New Testament Credits: 2,3
  NTST 689 - Seminar in New Testament Backgrounds Credits: 2,3
  NTST 695 - Topics in New Testament Backgrounds Credits: 2,3

Old Testament - 8

Choose one of the following Old Testament Exegesis courses for 2 credits (OTST List A)
- Intermediate Hebrew proficiency required:
  OTST 625 - Biblical Hebrew III Credits: 3 (MDiv students must make arrangements with the professor if they wish to use OTST 625 as an OT Exegesis course. An exegetical paper will be required. This course is offered strictly as 3 credits.)
  OTST 628 - Methods of OT Exegesis Credits: 2,3
  OTST 639 - Studies in Old Testament Exegesis Credits: 2,3
  OTST 664 - Pentateuch Credits: 2,3
  OTST 666 - Historical Books Credits: 2,3
  OTST 668 - Psalms/Wisdom Literature Credits: 2,3
  OTST 675 - Minor Prophets Credits: 2,3
  OTST 680 - Seminar in Old Testament Exegesis Credits: 2,3
  OTST 686 - Major Prophets Credits: 2,3

Choose one of the following Old Testament Theology courses for 2 credits (OTST List B)
- Intermediate Hebrew proficiency required:
  OTST 610 - The Great Controversy, Covenant, Law, Sabbath Credits: 2,3
  OTST 619 - Theology of the Old Testament Credits: 2,3
  OTST 620 - Seminar in Old Testament Theology Credits: 2,3
  OTST 627 - Jewish Life and Thought Credits: 2,3
  OTST 685 - Principles of Hermeneutics Credits: 2,3

Choose one of the following archaeology courses:

2 credits of OTST 510 - Archaeology and the Bible Credits: 2,3

or Students who have taken an undergraduate course in biblical archaeology may replace OTST 510 with a 2-credit advanced archaeology course from the following list (OTST List C):
ANE A615 - Seminar in Archaeology and History of Antiquity Credits: 2,3
NTST 615 - New Testament Archaeology Credits: 2,3
OTST 604 - History of the Ancient Near East Credits: 2,3
OTST 635 - History of Israel Credits: 2,3

Theology - 13

3 credits of THST 611 - Revelation, Inspiration and Hermeneutics Credits: 3
2 credits of THST 635 - Issues in Origins Credits: 2,3

Choose one of the following Systematic Theology courses for 3 credits (THST List A):
THST 608 - The Great Controversy, Covenant, Law, Sabbath Credits: 2,3
THST 615 - Doctrine of the Church Credits: 2,3
THST 616 - Doctrine of God Credits: 2,3
THST 617 - The Works of God Credits: 2,3
THST 618 - The Works of Christ Credits: 2,3
Students should register for 2 or more thesis credits per term for at least two terms. The thesis counts as 6 general elective credits allowed for the MDiv degree.

Choose one of the following Historical Theology courses for 2 credits (THST List B):

- THST 623 - Contemporary Adventist Theological Issues Credits: 2,3
- THST 624 - Protestant Theological Heritage Credits: 2,3
- THST 625 - Early Christian Theology Credits: 2,3
- THST 626 - Modern Christian Theology Credits: 2,3
- THST 627 - Roman Catholic Life & Thought Credits: 2,3
- THST 628 - Contemporary Theology Credits: 2,3
- THST 629 - History and Theology of Ecumenism Credits: 2,3
- THST 630 - Seminar in Historical Theology Credits: 2,3
- THST 667 - Postmodernism and the Church Credits: 2,3
- THST 676 - History of Philosophy Credits: 2,3

Choose one of the following Ethics courses:

- 3 credits of THST 605 - Principles of Christian Ethics Credits: 2,3
- Students who have taken an undergraduate course in Ethics may replace THST 605 with a 3-credit advanced ethics course from the following list (THST List C):

  - THST 622 - Foundations of Philosophical Ethics Credits: 3
  - THST 633 - Ethics and the Good Life Credits: 2,3
  - THST 634 - Christian Social Ethics Credits: 2,3
  - THST 643 - Christian Professional Ethics Credits: 2,3 (MDiv/MSW Dual Degree students must replace this course with SOWK 515)
  - THST 644 - Theological Ethics Credits: 2,3
  - THST 659 - Seminar in Philosophy, Theology, and Ethics Credits: 2,3
  - THST 660 - Church and Society Credits: 2,3
  - PATH 549 - Philosophy & Ethics of Chaplaincy Credits: 3

World Mission - 6

- MSSID 546 - Mission in Cultural and Religious Context Credits: 3

Choose one of the following Mission courses for 3 credits (MSSID List):

- MSSID 546 is prerequisite to all other Mission courses.
- MSSID 505 - Christian Responses to Human Needs Credits: 2,3
- MSSID 561 - Christian Witness and World Religions Credits: 3
- MSSID 610 - Theology of Mission Credits: 3
- MSSID 615 - Anthropology for Mission and Ministry Credits: 2,3
- MSSID 618 - Mission to the Cities Credits: 2,3
- MSSID 630 - Cross-Cultural Leadership Development Credits: 2,3
- MSSID 635 - Contemporary Issues in Mission Credits: 2,3
- MSSID 660 - Witnessing to People of Another Religion Credits: 2,3
- MSSID 676 - History of Christian Mission Credits: 2,3
- MSSID 685 - Strategies for World Mission Credits: 2,3
- MSSID 695 - Topics Credits: 1-6

General Electives - 6

- Students will take 6 credits of general electives.
- Electives may not be used to satisfy prerequisites and/or deficiencies.
- Students may use elective credits toward the completion of an MDiv concentration or a dual degree program.
- Up to 6 credits in relevant courses offered by other schools of the university on the graduate level may be included in the general electives, including up to 4 appropriate workshop credits.
- Transfer credit petitions from other schools/colleges within Andrews University or from any other University must be done in consultation with the MDiv Office.

Thesis Option

Students anticipating academic doctoral studies after the completion of their MDiv program are advised to undertake the thesis option as some academic institutions require a master’s-level thesis for entry into doctoral programs. The thesis counts as 6 general elective credits allowed for the MDiv degree. Students should register for 2 or more thesis credits per term for at least two semesters. Therefore, initial registration for a thesis must be no later than two semesters prior to graduation. Students electing to write an MDiv thesis must apply to the director of the program and must (1) demonstrate superior scholarship over a minimum of two consecutive semesters, normally with a GPA of 3.50 or above; (2) take Research Methods before the thesis is started; and (3) submit a paper of superior quality before permission is granted by the director to begin writing the thesis. The student is guided in thesis preparation by a three-member committee appointed by the director in consultation with the student and department chair in which the subject of the thesis is chosen. The chair of this committee serves as the thesis advisor.

The format of the thesis must conform strictly to the Andrews University Standards for Written Work. Students are strongly urged to consult the dissertation secretary before formatting and printing a thesis.

At least six weeks before graduation, the committee-approved draft of the thesis should be submitted to the dissertation secretary. After appropriate changes have been made, the corrected copy should be submitted at least four weeks before graduation to the dissertation secretary for approval. Copying on non-acid paper should be completed at least two weeks before graduation. Three copies of the thesis, including a 150-word abstract and an approval sheet, must be submitted to the dissertation secretary. The abstract should contain a short statement of the problem examined, a brief exposition of methods and procedures, and a condensed summary of the findings.

Students obtain a Thesis Completion Form from the dissertation secretary. They must take the form to the Academic Records Office no later than noon on Friday, a week preceding graduation. A fee is charged by the university for binding the three copies of the thesis, two of which are deposited in the library and one in the department in which the student earns the degree.

Students who do not adhere strictly to the deadlines noted above will have their graduation postponed. Thesis candidates must pass an oral examination no later than two weeks before graduation. The candidate is expected to demonstrate mastery of the thesis topic.

Concentrations

Note: Dual degree students who choose to complete a concentration will increase their total credits required by 12.

Marriage and Family Life Ministry Concentration - 12

Marriage and Family Life Ministry is designed to prepare MDiv students to equip their congregations in areas of family life. They will also be better prepared to address the family issues that will come to them for counseling. Pastors with these courses will be able to create healthy churches and more positively impact their communities for Christ.

- 2 credits of PATH 507 - Introduction to Chaplaincy Ministry Credits: 2
- 2 credits of PATH 516 - Death & Grief in Contemporary Society Credits: 2
- 2 credits of PATH 643 - Trauma & Advanced Crisis Intervention Credits: 2
- 3 credits of PATH 549 - Philosophy & Ethics of Chaplaincy Credits: 3

   (Prerequisite: Undergraduate Ethics course or THST 605)

PATH 557 - Practicum in Clinical Pastoral Education (CPE) Credits: 2-8

If a student wishes to receive CPE credit for units already earned, a per-credit recording fee is charged by the university for PATH 557 Practicum in Clinical Pastoral Education (CPE), or PATH 641 Practicum in Military Chaplaincy. (Application form is available in the Christian Ministry Office.) If a student wishes to register for their CPE units concurrently with other full semester courses, the registration will be part of their MDiv load, and there will be no recording fee assessed.

Students taking military chaplaincy can also take the following:

PATH 641 - Practicum in Military Chaplaincy Credits: 2-8

Marriage and Family Life Ministry Concentration - 12

Healthy, spirit-filled marriages and families are the backbone of Christian life and most clearly reflect the character of Christ in our churches and in the world. When marriages and families are broken, our churches suffer. The Concentration on Marriage and Family Life Ministry is designed to prepare MDiv students to equip their churches to be vibrant and healthy in the way they foster relationships in their individual families as well as in church and the community. Students who take this concentration will be better equipped to educate their congregations in areas of family life. They will also be better prepared to address the family issues that will come to them for counseling. Pastors with these courses will be able to create healthy churches and more positively impact their communities for Christ.
In addition to the core MDiv requirement DSLE 503 - Marriage, Family, and Interpersonal Relationships for 2 credits, students who choose this concentration will take 12 credits in the following courses:

**Choose one of the following courses:**
- 3 credits of DSLE 635 - Christian Perspectives on Professional Ethics **Credits:** 2,3
- DSLE 659 - Human Sexuality **Credits:** 3

**Choose one of the following courses:**
- DSLE 655 - Families in Society **Credits:** 3
- DSLE 658 - Internal Dynamics of Families **Credits:** 3

**Choose one of the following courses:**
- 3 credits of DSLE 678 - Spiritual Nurture of Children **Credits:** 2,3
- DSLE 679 - Parenting Education and Guidance **Credits:** 3

**Choose one 3-credit course from the following:**
- DSLE 610 - Teaching for Discipleship **Credits:** 2,3
- DSLE 626 - Ministry to At-Risk Youth **Credits:** 2,3
- DSLE 651 - Foundations of Biblical Counseling **Credits:** 2,3
- DSLE 652 - Personal and Family Finance **Credits:** 3
- DSLE 657 - Social Policy **Credits:** 2,3

Youth and Young Adult Ministry Concentration - 12

A Youth and Young Adult Ministry (YYAM) Concentration is available for students wishing to gain specialized skills and knowledge for service in pastoral and administrative leadership to address the needs of youth and young adults. The MDiv with the YYAM Concentration requires a total of 84 credits.

In addition to the core MDiv requirement DSLE 534 - Ministry to Youth and Young Adults for 2 credits, students who choose this concentration will take 12 credits in the following courses:

Students who choose this concentration must select 2 credits of PATH 632 Contextualized Preaching: Youth in fulfillment of the Christian Ministry requirement for an Advanced Preaching Core Elective (CHMN list).

- 3 credits of DSLE 564 - Advanced Youth and Young Adult Ministry Leadership **Credits:** 2,3
- 2 credits of DSLE 608 - Youth and Young Adults in Contemporary Culture **Credits:** 2,3
- 3 credits of DSLE 636 - Seminar in Youth Ministry **Credits:** 1-3
- 2 credits of DSLE 656 - Counseling Youth and Young Adults **Credits:** 2,3

**Choose at least 2 credits from the following courses:**
- DSLE 610 - Teaching for Discipleship **Credits:** 2,3
- DSLE 626 - Ministry to At-Risk Youth **Credits:** 2,3
- DSLE 630 - Fostering Spiritual Growth **Credits:** 2,3
- DSLE 651 - Foundations of Biblical Counseling **Credits:** 2,3
- DSLE 664 - Advanced Campus Ministry **Credits:** 3 *
- DSLE 669 - Reaching the Secular Mind **Credits:** 2,3
- DSLE 678 - Spiritual Nurture of Children **Credits:** 2,3

*Students wishing to pursue campus chaplaincy should register for DSRE 664 Advanced Campus Ministry as their choice of core elective.

**Additional Requirements**

MDiv students must meet the following requirements in addition to those required of all graduate students:

- Complete the MDiv curriculum of at least 78 credits. Students lacking adequate undergraduate preparation will be required to complete additional prerequisite credits. The actual number of credits required is based on individual academic evaluation.
- Attend selected brief colloquia from among those offered on a variety of ministry topics each semester for MDiv students. On campus students will be required to attend at least 4 of these 0 credit colloquia sessions during their MDiv experience.
- Maintain a GPA of 2.75 or above.
- Meet the qualitative standards of the MDiv program.
- No U grade or any grade below C- will count towards the MDiv degree, but will be counted in the student’s cumulative GPA.

**Academic Probation**

MDiv students whose cumulative GPA falls below 2.75 will be placed on academic probation and will have their course load reduced to no more than 10 semester credits. MDiv students whose cumulative GPA remains below 2.75 for a second consecutive semester will be required meet with the MDiv program director and will enter into a probation contract, have regular meetings with their academic advisor, and fulfill other requirements as needed. Following that, should their GPA not improve, they may be asked to withdraw from the program.

When an incomplete or Deferred Grade has not been cleared by the end of the following semester, the student's course load must be reduced as follows:

- One Incomplete/DGs — no reduction
- Two Incompletes/DGs — may register for no more than 10 credits
- Three Incompletes/DGs — may register for no more than 9 credits

With more than three I/DGs, the student must cease taking classes until the Incompletes/DGs are cleared.

**Evaluation of Students**

Since the MDiv program prepares individuals for professional and pastoral leadership, periodic assessments are made of the students by the faculty in areas other than academic standing. Areas reviewed are students’ spiritual growth, lifestyle reflective of the beliefs and practices of the Seventh-day Adventist Church, social/family relations, and developing potential for ministry. As a result of these assessments, students are affirmed in the MDiv program, advised of needed adjustments, or discontinued from the program.

**Maintaining Active Status**

**Residency Requirements:** Students must maintain active status by enrolling for at least two semesters within one academic year. When this fails to happen, the student must follow the bulletin in force at the time active status is reestablished.

Following an absence of two years or more, a student’s previous admission status will have lapsed and the student will need to reapply to the program.

**Graduation**

The Seminary follows the University graduation procedures and requirements for the conferment of degrees. A dedication ceremony for graduating seminary students is held on the Sabbath afternoon of graduation weekend, or as announced.

**Admission Requirements**

All MDiv applicants must meet the Graduate Programs Admission Requirements applicable to all graduate students and the general seminary requirements.

- Hold a baccalaureate degree: A four-year degree from an accredited United States institution, or its equivalent from an institution outside the U.S.
- Minimum of 2.5 Undergraduate GPA.
- Normally hold membership in the Seventh-day Adventist Church given that the MDiv program is specifically designed for Adventist ministers and is sponsored and financed by the Adventist church.
- Represent high moral integrity with a character, lifestyle, and spiritual commitment reflective of the beliefs and practices of the Seventh-day Adventist Church and show promise of usefulness for Adventist ministry through personal maturity and adequate experience in the Church. (Persons of other faiths who are willing to live in harmony with these standards are welcome to apply.)
- Submit an autobiographical history and a 350+ word statement of purpose reflecting the applicant’s family and spiritual development, sense of calling to ministry, experience in church work, and future goals in relationship to the MDiv program. A guideline is provided in the admissions package.
- If married, the spouse of the applicant is also asked to complete a statement in regard to his or her feelings and relationship to the partner’s aspirations for future ministry.
- **Background Check.** Applicants to all Seminary programs are required to undergo a criminal background check as specified in the online application process. The criminal background check must be completed within six months of beginning coursework and be redone every three years while in attendance at the seminary. The base cost of the background check is paid as part of the application process. Applicants are responsible for any additional fees charged by municipalities in which they have resided, and for the costs of subsequent background checks.
- An interview with a representative of the MDiv program may be required, either by personal contact, telephone, or video.
- Applicants to all Seminary programs are required to complete and submit to the Seminary the “Pre-Admission Conduct Disclosure Statement.”
Prerequisites

Students are expected to present a broad range of undergraduate general education represented in such studies as behavioral sciences (including psychology and sociology) communication, education, English composition, fine arts, health, history, philosophy and computer literacy. In addition, courses in the following areas are strongly recommended: Christian ethics, missions, and apologetics.

Students who enter the Master of Divinity program who have not previously taken the following classes on the undergraduate level must fulfill the following prerequisite areas, all of which may be taken either at the Seventh-day Adventist Theological Seminary or at the undergraduate level. Courses taken outside of the seminary must be approved through the MDiv office in consultation with the appropriate department.

Students must complete or be exempted from prerequisites in any given department prior to beginning core classes.

Pastoral Ministries and Church Policy - 2 credits
Biblical Preaching - 2 credits
Personal Evangelism - 2 credits
Introduction to Church History - 4 credits
Adventist Heritage - 3 credits
Christian Theology - 6 credits
Christian Ethics - 2-3 credits
Survey of the New Testament - 4 credits
Intermediate level Greek proficiency* 
Survey of the Old Testament - 4 credits
Intermediate level Hebrew proficiency*

* Subject can be cleared through optional challenge exam.

Students who have not previously taken the following classes on the undergraduate level must fulfill these prerequisites. Some of these subjects can be cleared through optional challenge exams. Current Greek and Biblical Hebrew language intermediate level proficiency must be accomplished through placement exam or by passing both the beginning and intermediate levels of each language.

- 2 credits of CHIS 506 - Church History to 1500 Credits: 2,3
- 2 credits of CHIS 507 - Church History 1500 to Present Credits: 2,3
- 1.5 credits of CHIS 570 - History of the Seventh-day Adventist Church Credits: 1.5,2
- 1.5 credits of CHIS 571 - The Life and Writings of Ellen G. White Credits: 1.5,2
- 2 credits of PATH 505 - Biblical Preaching Credits: 2
- 2 credits of PATH 536 - Personal Evangelistic Ministry Credits: 2,3
- 2 credits of PATH 552 - Foundations of Pastoral Ministry Credits: 2

NOTE: Students who have passed a basic course in pastoral ministry from an accredited Seventh-day Adventist undergraduate institution, or who have been Conference-employed as pastors for two years or more will be exempted from CHMN 552, provided their hiring/sponsoring organization can provide proof of at least two years of pastoral employment via their service record. Exemptions to this rule will be granted on a case by case basis as determined by the Christian Ministry Chairperson.

- 2 credits of NTST 520 - Introduction to the New Testament Credits: 2
- 2 credits of NTST 530 - Introduction to Revelation Credits: 2
- 2 credits of NTST 551 - Beginning Greek Credits: 0.2 (Passed at C- or higher or score 45% or higher on the Greek Placement Exam - May, August)

NOTE: Any student who wishes to take a biblical language placement exam must take at least one of the exams in May or August of the year they enroll in seminary. If the student wishes to take the exam for the second language it must be taken before the start of their second year in seminary.

- 3 credits of NTST 552 - Intermediate Greek Credits: 0.3 (Passed at C or higher or score 60% or higher on the Greek Placement Exam - May, August)
- 2 credits of OTST 500 - Survey of the Old Testament Credits: 2,3
- 3 credits of OTST 551 - Biblical Hebrew I Credits: 0.3 (Passed at a minimum of C+ or score 75% or higher on the Beginner Hebrew Placement Exam - May, August)

NOTE: Any student who wishes to take a Biblical language placement exam must take at least one of the exams in May or August of the year they enroll in seminary. If the student wishes to take the exam for the second language it must be taken before the start of their second year in seminary.

English Language Requirements

All students whose first language is not English must demonstrate adequate proficiency in English to succeed in the academic setting. Language proficiency requirements must be met before enrolling full-time in regular course work.

- TOEFL Paper-based - 565
- TOEFL Internet-based - 85
- MELAB - 81
- IELTS - 6.5
- PTE - 58

Application Deadline

Given that applying and obtaining pertinent documents for admission can be a long process, the student must start the application process at least 4-6 months before the desired starting semester. See University deadlines for individual semesters here.

Placement, Entrance, and Challenge Examinations

MDiv students may challenge the prerequisite courses above (marked by an asterisk) by taking examinations developed for that purpose. Zero credit shall be granted for each examination passed and the student academic transcript will show the equivalent course name, number, and a grade of P – the designation for Challenge by Examination. No entry shall be made on the transcript if the examination is failed and the student shall be required to take the prerequisite course for credit. Each examination may be taken only once.

Biblical Hebrew and Biblical Greek Prerequisites

Hebrew and Greek are required at the Intermediate proficiency level. Language Proficiency must be demonstrated within the first two years in seminary. For each language, students may demonstrate proficiency by either: (1) passing the Beginning (OTST 551/NTST 551) and Intermediate (OTST 552/NTST 552) courses in that language at the required level, or (2) passing the Placement Exam. Undergraduate credits alone do not demonstrate current proficiency in a language.

Option 1: Language Courses

Students may demonstrate proficiency in Biblical Hebrew by passing Hebrew I (OTST 551) and earning a grade of at least C+ in Hebrew II (OTST 552).

Students may demonstrate proficiency in Greek by passing Beginning Greek and earning a grade of at least C in intermediate Greek (NTST 552).

Option 2: Placement Exam

Students also have the option of demonstrating proficiency in a biblical language by passing the corresponding placement exam. Placement exams may be taken only once for each language. Any student who wishes to take a placement exam must take at least one of them in May or August of the year they enroll in seminary. If the student wishes to take the exam for the second language it must be taken by September of their second year in seminary. Placement exams must be taken at the regular May or August dates set by the seminary.

Preparation materials designed to help students prepare for the placement examinations are available from the Old Testament (otst@andrews.edu) and New Testament (ntst@andrews.edu) departments.

Based on the score achieved on the exam, the student will be assigned to do one of the following as soon as possible: (1) Take both the beginning and intermediate language courses, (2) take the Intermediate language course, or (3) enroll in exegesis and theology courses without further language study necessary.

Students who do not pass the exam and do not obtain the required grade in the course must retake the course without delay until the required grade is achieved.

Readiness for Ministry

The MDiv program is dedicated to preparing every graduate for success in ministry. Godly and effective practice of ministry requires not only intellectual readiness, but also spiritual, physical, emotional, and social maturity. The MDiv Readiness for Ministry process helps seminarians evaluate their ministerial gifting and calling, discover and address strengths and weaknesses, and identify and pursue avenues of ministry appropriate to their giftedness. The program includes small-group mentoring as well as periodic assessments of the seminarian’s readiness for ministry, by the faculty, staff, and ministry supervisors.
Areas to be reviewed include spiritual commitment, character, social and relational skills, and general aptitude for ministry. On the basis of these assessments, the seminarian and his/her mentor will, at a minimum, receive feedback in the middle of their first year, and again shortly before graduation. If a significant issue arises that, in the discretion of the Seminary, seriously impairs the seminarian’s potential for ministry, appropriate action will be taken. This may include: referring the seminarian to the program director for guidance, remediation, and/or other appropriate action, counsel regarding alternate programs of ministry within the University or elsewhere, or dismissing the seminarian from the MDiv program. As part of the admissions process, every MDiv applicant is required to sign an agreement to participate in this process. This agreement includes permission, which seminarians can withdraw later in the program, to share the final readiness for ministry profile available with prospective employers.

**Additional Information**

**Hybrid Course Delivery Options**

MDiv students may take up to one-half of their degree credits off-campus. The Hybrid delivery method utilizes various delivery methods to assist students in completing their MDiv degree. These options include:

- Interactive online classes through the Seminary Online Learning Center (SOLC) (see School of Distance Education definitions).
- One week intensives at seminary extension sites in Unions throughout the United States and Canada (offered by the MA Pastoral Ministry English track). Certain classes in the MAPM program cannot be used by MDiv students. Advising is necessary prior to registration.
- Summer Session intensive courses on the main Andrews University campus
- Full semester, on-campus courses

For financial information regarding hybrid studies, please see Financial Information.

Students interested in the Hybrid delivery method must obtain approval and instructions on specific class options, costs and how to sign up for this option from the MDiv program office before beginning off-campus studies.

**Transferred and Earned Credit Term Limits**

All course credits applied towards degree requirements should be earned within 10 years of the awarding of the degree.

**Advanced Standing**

In accordance with ATS Standard 3.13, the Seminary has approved incoming MDiv students from outside North America to receive advanced standing. Advanced standing is credit given for advanced/upper division courses taken at the undergraduate level. In order to qualify for advanced standing, students must:

- Hold a 4-year Bachelor of Theology (BTh) degree or its equivalent from an accredited institution.
- Have graduated from an AAA-accredited institution outside of North America.

**Criteria for Validation of Courses**

Up to 18 credits of advanced standing may be granted. Each course to be considered for application toward advanced standing must:

- Have been taken within 10 years of the projected graduation date;
- Be an upper-division/advanced level course that:
  - Contribute to the MDiv program learning outcomes;
  - Have an earned grade equivalent of “B” or higher; and
- Be approved by the department teaching the MDiv core or elective course for which advanced standing credit is to be granted. Approval is determined based on whether the BTh course(s) have taught the essential course learning outcomes (at least 80% of the overall course learning outcomes) of the MDiv course it is seeking to replace.

**MDiv Core Course Replacement Policy**

MDiv core courses provide graduate level understanding considered by the seminary and the church to be essential for the pastor. Occasionally, an MDiv student may have already taken as part of their undergraduate degree, in addition to the required prerequisites for the MDiv program, an advanced college course in which they mastered the learning outcomes for the course at a graduate level. In such cases, a proposal to take an alternate course within the same discipline (department), at an equivalent or higher level, may be considered. To request the validation of a course, the student must submit to the MDiv office, within their first semester, a portfolio containing the following items:

- The Seminary Prior Learning Validation Form, initiated and signed by the student.
  - The course syllabus from the advanced-level undergraduate course evidencing that all the Course Learning Outcomes (CLOs) of the MDiv core course have been taught appropriately at a level of rigor equivalent to the MDiv graduate course;
- A transcript demonstrating that the student earned a B grade or higher in the undergraduate advanced-level course;
- An essay, normally to be followed by an interview by the department chair/faculty member responsible for the course, describing how each of the CLOs were taught, learned, and subsequently put into use at a graduate level of learning.

**Transferring Credits to the MDiv Program**

Provided the content of the courses are assessed as comparable to the curriculum of the Andrews University Master of Divinity program, students intending to transfer credits into the Master of Divinity Program should be aware of the following policies:

- A transfer of credits must be made by petition.
- Transfer credits are granted only for courses in which the grade is B or higher.
- A student may transfer a maximum of 39 credits (graduate level) may be transferred from an uncompleted graduate-level program.
- Up to 24 credits (graduate level) may be transferred to the Master of Divinity program from a completed master’s-level degree.
- At least 39 credits must be taken in-residence.

**Summer Course Load**

The 12 week summer semester is divided into two 4-week sessions and two 2-week sessions. The total amount of course work during the summer session may not exceed 12 credits. Students taking a biblical language during a summer session may not take other courses during that session.

**Workshop Credit Limit and Grading Pattern**

Master of Divinity students may apply up to 4 workshop credits appropriate to degree requirements. If workshops are taken during the semester breaks, the credits are counted as part of the class load for either the previous or the following semester.

Workshops are graded S/U. Any deviation from this pattern must be approved by the dean prior to the conclusion of the workshop. Students must register at the Academic Records Office for all workshops for which academic credit is desired.

**Independent Study Restrictions**

Students in the MDiv program are allowed to register for Independent Study only for a compelling reason such as a schedule conflict or the need to take a subject that is not offered in any given semester (for a maximum of 8 credits during their MDiv program). Independent study is only available to students on the main campus. Normally, Independent Study cannot be used to meet a core requirement. Students must first seek approval from the MDiv office before arranging with a teacher to do Independent Study.

**Fees**

For a detailed list of charges, please see Financial Information.

MDiv students taking a graduate course in the College of Arts & Sciences in fulfillment of an elective course requirement may request a 50% tuition reduction (up to 9 credits cumulative), provided the class is not full and there are sufficient numbers of students paying full tuition to warrant the teaching of the course. Directed study, laboratory courses, and study tours are not eligible for reduced tuition. Neither is this discount available for dual enrollment students who have been accepted in a graduate degree program in the College of Arts & Sciences. (Application form is available in the MDiv office.)

**Student Learning Outcomes**

A graduate from this program:

- Models spiritual humility, maturity and integrity grounded in a living experience with God in joyful assurance of His salvation, nurtured by the sanctifying presence and power of the Holy Spirit. (Character)
- Manifests the practices of a Biblical scholar-theologian engaging the Bible, Christian/Adventist heritage and professional resources with theological maturity for personal growth and for facilitating the theological competence of others. (Scholarship)
- Demonstrates personal commitment, passion and essential skills for discipleship and evangelism, while equipping members to carry out ministry within the scope of the local and global mission of the Seventh-day Adventist church. (Discipleship & Evangelism)
- Exercises creative and visionary leadership as a minister and servant of Christ, discerning the needs, spiritual gifts and potential of others, in order to equip and engage in their God-given ministries. (Leadership)
Facilitates enriching corporate worship that brings diverse peoples into the transforming presence of God. (Worship)

Engages the abilities of self and others to strategically steward personal and corporate resources including time, health, finances, property and service in areas of spiritual giftedness. (Administration/Management)

Models effective relationships with people of diverse cultures, backgrounds, character, and persuasions, reflecting the wisdom, compassion, and discernment of Jesus through the work of the Spirit. (Relationships)

**Communication MA**

The Master of Arts program is designed for students who wish to develop advanced-level skills and an expanded knowledge base in Communication. Additionally, it also gives them the option of selecting a specific concentration area in which to focus their studies and connect a specific area of interest to the broader field of Communication.

**Dual Degree Option**

This program is available as a dual degree with the Divinity MDiv:

- Communication/Divinity Dual Degree MA/MDiv

**Total Credits - 33**

- COMM 500 - Graduate Colloquium Credits: 0
- COMM 510 - Communication Theory Credits: 3
- COMM 520 - Communication Research I Credits: 3
- COMM 525 - Christian Communication Worldview & Ethics Credits: 3 *
- COMM 650 - Communication Research II Credits: 3
  *or equivalent 3-credit ethics course if taking MA/MDiv Dual Degree

**Electives**

Select any 6 masters-level credits from COMM courses. (MDiv/MA Dual Degree students must take 2 credits of PATH 543 - Christian Leadership in a Changing World and choose 4 credits from ART 530 - Graphic Design Concepts and/or masters-level COMM courses.)

**Culminating Experience - 3**

- COMM 670 - Comprehensive Examination Credits: 0
- COMM 695 - Production Project Credits: 3
- Or COMM 699 - Master’s Thesis Credits: 3

**Concentration - 12**

Students may select one of the following concentrations or complete 12 further elective credits in consultation with academic advisor.

**NOTE:** Master of Divinity/Master of Arts, Communication Dual Degree MDiv/MA students must complete the Interdisciplinary concentration.

**Communication Management - 12**

- COMM 590 - Graduate Seminar in Communications Management Credits: 2,3 (Organizational Communication)
- COMM 600 - Leadership Communication Credits: 2,3

**Concentration Electives**

- Choose 6-8 credits from the following courses:
  - BSAD 500 - Survey of Management Credits: 2
  - BSAD 505 - Survey of Operations Management Credits: 2
  - BSAD 506 - Survey of Business Law Credits: 2
  - BSAD 515 - Organizational Behavior & Leadership Credits: 3
  - BSAD 526 - Emergency Management Credits: 3
  - BSAD 530 - Leadership & Management of Not-for-Profit Organizations Credits: 3

  Additional course options may be considered by the supervising committee.

**Humanitarian and Development Communication - 12**

- COMM 540 - Communication in Development Practice Credits: 2,3
- COMM 590 - Graduate Seminar in Communications Management Credits: 2,3 (International Communication)
  Or COMM 536 - Issues in Intercultural Communication Credits: 2,3

**Concentration Electives**

- Choose 6-8 credits from the following courses:
  - CIDS 520 - Development Theory and Practice Credits: 3
  - CIDS 524 - Humanitarian Studies: Theory and Practice Credits: 3
  - CIDS 535 - Budgeting, Fundraising & Grantmanship Credits: 2
  - CIDS 538 - Needs Assessment, Project Design and Evaluation Credits: 3
  - CIDS 555 - Policy Process & Analysis Credits: 3
  - SOCI 508 - Emergency Preparedness Credits: 2
  - SOCI 555 - Emergency Planning Credits: 2

**Interdisciplinary - 12**

Master of Divinity/Master of Arts, Communication Dual Degree MDiv/MA students must complete this concentration.

Course options are selected with the approval of the other department(s) and the advisor or coordinator of graduate program; however, the student must establish competency in two of the following three areas:

- Writing
- Speaking
- Visual communication

**Media Studies - 12**

- COMM 615 - Media Law Credits: 2,3

**Concentration Electives**

- Choose 9-10 credits from the following courses:
  - COMM 554 - Topics in Mass Media Management Credits: 1–3 (Media Management)
  - COMM 590 - Graduate Seminar in __________ Credits: 2,3 (Magazine Writing and/or Media Literacy)
  - COMM 620 - Christian Mass Media Development Credits: 3
  - COMM 630 - Media Production Credits: 3
  - COMM 648 - Communication Workshop Credits: 1–6 (Writing for the Media)

**Visual Art - 12**

- 12 credits in one of the following areas: Graphic Design, Film, or Photography.
  - COMM 587 - Producing Practicum Credits: 2,3
  - COMM 468 - Directing and Producing for Studio Television Credits: 3
  - DSGN 510 - Typography Credits: 2,3
  - DSGN 551 - Web Design II Credits: 2,3
  - DSGN 585 - Digital Publishing Credits: 2,3
  - DSGN 514 - Graphic Design I Credits: 2,3
  - DSGN 531 - Editorial Design Credits: 2,3
  - DSGN 532 - Brand Design Credits: 2,3
  - DSGN 534 - Design in Advertising Credits: 2,3
  - DSGN 550 - Web Design I Credits: 2,3
  - FILM 505 - Intro to Film Making Credits: 2,3
  - FILM 525 - Screenwriting Credits: 2,3
  - FILM 550 - Cinematography Credits: 2,3
  - FILM 555 - Sound Recording and Editing Credits: 2,3
  - FILM 575 - Post-Production Credits: 2,3
  - FILM 590 - Producing for Film and Television Credits: 2,3
  - PHTO 570 - Photojournalism Credits: 2,3
  - PHTO 500 - Advanced Photography Credits: 2,3
  - PHTO 516 - Digital Photography Credits: 2,3
  - PHTO 520 - Color Photography Credits: 2,3
  - PHTO 565 - Digital Imaging Credits: 2,3
  - PHTO 575 - Documentary Photography Credits: 2,3
  - PHTO 580 - Lighting I Credits: 2,3

**Maintaining Academic Standing**

All graduate students need to understand that:

- The GRE must be completed in order to register for the second semester courses.
- Must enroll in COMM 500 - Graduate Colloquium Credits: 0 every Fall and Spring semester.
- A student on regular status must, in consultation with the graduate advisor, identify members to serve on a supervisory committee, prior to application
to Candidacy. It determines individual requirements for completion with reference to a student’s Plan of Study.

- A 3.00 GPA per semester must be maintained.
- The Advancement to Candidacy deadline is the semester prior to the student applying for graduation.
- Students are responsible for completing all the required forms.

All required forms are submitted to the coordinator of the Department Graduate Program. On approval, recommendations are made to the Records Office and to the Dean of Graduate Studies. See General Academic Policies for further details on graduation procedures and degree conferral.

Departmental Admission Requirements
This is a summary of the procedures that a student planning to enroll in the MA

should note:

- At the time of application for admission, students must:
  - have a bachelor's degree or its equivalent.
  - present a resume of current experience.
  - submit a Statement of Purpose which explains how the relevant disciplines will be integrated to meet his/her career and academic goals.
- Upon acceptance and registration, the student in conjunction with the graduate advisor will develop a Plan of Study which is based on the student’s Statement of Purpose.
- Must have minimum GPA for entrance into Andrews University School of Graduate Studies.
- No GRE is required if your undergraduate GPA is above 3.0.
- In addition to the admission requirements of the School of Graduate Studies & Research, the student applying to the Department of Visual Art, Communication & Design must meet the following requirements:

Language Requirements
English Proficiency Requirements. All students whose first language is not English must demonstrate adequate proficiency in English to succeed in the academic setting.

Language proficiency must be met before enrolling full-time in regular course work.

For information about requirements for admission, progression through the program, and completion, please see Department’s Graduate Student Manual at www.andrews.edu/communication and under the “Graduate” tab.

Student Learning Outcomes
1: Specialized Knowledge: Skills and Competencies
Students learn specialized skills and competencies necessary to develop a visual vocabulary across core curriculum in preparation for the student’s area of emphasis.

- Develop a strong foundation in communication that spans across disciplines.
- Define a personal language that allows for how those views fit in relation to others and the world around them.
- Convey ideas with clarity and confidence in their speech and writing.
- Convey ideas with clarity and confidence in their work.

2: Critical Thinking and Creative Process
Students gain a vocabulary of creative strategies including research, conceptualization, and problem solving strategies which can be applied to any visual or communicative problem.

- Evaluate and synthesize different points of view and determine solutions to serve specific outcomes.
- Apply a flexible and analytical approach to finding creative, practical, and actionable solutions to a variety of visual communication problems.
- Incorporate an adaptable approach to a rapidly changing media landscape.

3: Cultural Literacy and Contextual Adaptability
Students take advantage of the unique learning environment of Andrews University by developing a curiosity, respect, and recognition of diversity in cultural, economic and social entities.

- Gain an understanding of current social, cultural, economic, and environmental issues and how these issues can inform and shape their creative production and its reception.
- Demonstrate knowledge of historical, current, and innovative events across disciplines.
- Develop familiarity of discipline ideologies across a range of media and various applications.

4: Intentional Exploration with Interdisciplinary Connections
Students pursue the various creative processes with intentionality to explore interdisciplinary connections and their potential.

- Gain knowledge and appreciation for the potential in interdisciplinary pursuits and collaborations.
- Students use specialized knowledge to navigate between academic disciplines to create cross-disciplinary content.
- Network across disciplines to pursue opportunities for collaborative projects and community-based initiatives.

5: Quality of Execution + Professional Practices
Students develop a highly resolved and excellent portfolio in conjunction with professional development.

- Students develop insight into business practices and principles that are specific to their chosen field.
- Reflect on process to understand its usefulness in establishing individual perspective, intentionality of craft, and personal methodologies.
- Students learn effective research and conceptualization approaches to assignments and presentations.
- Students pursue in support of their research, progressing to a level of evaluating, sourcing, and conducting self-directed research and assuming autonomy of their direction.

6: Development and Integration of Faith and Ethics
The integration of faith and ethics within the context of professional creative careers is explored in terms of affecting personal, community, and environmental self-awareness and integrity. Placed within the diverse setting of Andrews University, students explore ways in which their faith informs their creative practices.

- Students contemplate the role of a scholar-citizen, who navigates potential ethical challenges in creative practice and cultural production with self and social awareness.
- Students learn the ethical, legal and socio-economic considerations surrounding the production and applications of content.

Divinity/Community and International Development Dual Degree MDiv/MSCID

Andrews University has formed a collaborative program between the Master of Divinity Program of the Seventh-day Adventist Theological Seminary and the Community and International Development Program in the College of Arts & Sciences. Students can potentially complete the two degrees in 3 years; 2 years in the Theological Seminary and 1 year in the Community and International Development Program.

The objectives of this program are to prepare students to better follow Christ’s model for ministry by equipping pastors, evangelists and missionaries with important tools, skills and knowledge in order to address the socio and economic needs of their churches and community.

Students who receive this degree will have a more holistic view of the Church’s mission and their community. They will receive practical training in:

- Finding innovated approaches to improving quality of life church and community members.
• Addressing urban issues that affect the church: poverty, economic crisis, unemployment, etc.
• Assessing the needs of the community they will serve.
• Fundraising and grant writing.
• Program management.
• Managing humanitarian crises and programs.
• Program design, monitoring and evaluations.
• Analyze, evaluate and design and execute policy that affect constituents and local community.
• Advocacy.
• Research (design, analysis and recommendations).

Students will receive 6 months of Field experience. This increases their job readiness and marketability. CID/Seminary based dual degree students will have two options:

• A six-month supervised internship abroad or in a local community full time, utilizing knowledge and skills from both degrees. This is the regular standard for the degree.
• Work 6 months in the church and community selected for TFE assignment. Students will be expected to identify humanitarian needs and issues in their churches and surrounding community and provide a feasible solution.

The knowledge and skills provided will allow students to more confidently address issues in their church and community. Student will be able to use both biblical and research/professional based answers to respond to social and economic issues in their community. An understanding of the humanitarian field and its expectations will increase the legitimacy of programs they implement and chances of receiving funding.

A CID degree will allow students to be more marketable to other fields outside of the church and improve their chances for employment. CID degree holders have a wide range of potential career paths in which the spiritual and physical contributions could be greatly beneficial. These roles generally fall into the following categories (not including exclusively pastoral roles):

• Practitioner: Project management and implementation in the field.
• Policy/Advisory: Research, evaluation, lessons learned and developing policy recommendations to use within the organization and to advocate outside of the organization.
• Advocacy & Outreach: Ministry, campaigning, lobbying, fundraising, media, communications.
• Support: Human resources, finance, logistics, IT, etc.

Since the MSCID and MDiv programs share certain cognate courses to achieve a more streamlined and efficient program, both degrees must be conferred simultaneously in order to fulfill the requirements of each degree. In the event that one degree was completed prior to enrollment for the dual degree program, the cognate requirements for the other degree will be adjusted as shown below. A dual student cannot march in graduation or March-without-Completion if both degrees must be conferred simultaneously in order to fulfill the requirements of each degree. In the event that one degree was completed prior to enrollment for the dual degree program, the cognate requirements for the other degree will be adjusted as shown below. A dual student cannot march in graduation or March-without-Completion if both halves of the dual degree are not completed.

**Total Credits: 95**

Graduation requirements consist of the satisfactory completion of 95 semester credits with an overall grade point average of 3.0 for the MSCID program, and 2.75 or higher for the MDiv program. 65 credits are MDiv credits, and 30 credits are Master of Community and International Development credits.

65 MDiv credits plus 23-24 MSCID credits, plus 7 shared credits (see courses below) = 95 credits

- MSSN 546 - Mission in Cultural and Religious Context (3 Cr)
- PATH 543 - Christian Leadership in a Changing World (2 Cr)
- PATH 560 - Advanced Ministerial Development (2 Cr)

**NOTE:** If dual degree students choose to complete an MDiv concentration, it will increase their total credits required by 12.

**Program Information**

Information for the two programs (Divinity MDiv and Community & International Development MSCID) follows:

---

**Divinity MDiv**

E-mail: mdiv@andrews.edu

The Master of Divinity (MDiv) is a 78-credit professional program recommended as the graduate training for Adventist ministry by the General Conference of Seventh-day Adventists and the North American Division. It is a two-year professional program (including summers) for full-time students. Additional semesters may be required for students lacking prerequisites.

**Concentration Options**

Students may - if desired - complete a concentration:

- Chaplaincy
- Marriage and Family Life Ministry
- Youth and Young Adult Ministry

**MDiv Dual Degree Options**

The MDiv is also available with the following dual degree options:

- Divinity/Communication Dual Degree MDiv/MA
- Divinity/Community and International Development Dual Degree MDiv/MSCID
- Divinity/Public Health Dual Degree MDiv/MPH
- Divinity/Social Work Dual Degree MDiv/MSW

**Mission**

In harmony with the mission and core values of the Seventh-day Adventist Theological Seminary, the Master of Divinity degree equips called, committed men and women with practical biblical, theological, and ministerial knowledge and skills to prepare them for Christlike service as leaders and Equippers.

**Vision**

We envision the Master of Divinity community as a relationally healthy and diverse family focused on developing balanced and spiritually mature ministry leaders who are committed to equipping people in accomplishing God’s mission and the prophetic calling of the Seventh-day Adventist Church.

**Total Credits - 78**

**Interdisciplinary - 2**

GSEM 505 - Colloquium: ______________________ Credits: 0

Brief (4.5 hour) colloquia on a variety of ministry topics will be offered each semester for MDiv students.

- Full-time (9 credits or more) students studying on the main campus must attend one or more colloquia sessions per Fall/Spring semester that they are in the MDiv program.
- Colloquia requirements for transfer students or those taking part of their MDiv off-campus will be one colloquium for each Fall/Spring semester that they are on the main campus.
- Students from previous bulletins who petition to move into the current bulletin will take 1 colloquium per Fall/Spring semester for the remaining semesters of their on campus program.

2 credits of GSEM 530 - Doctrine of the Sanctuary Credits: 2,3

**Great Controversy, Covenant, Law, and Sabbath - 2-3**

Choose one of the following Great Controversy, Covenant, Law and Sabbath courses:

- 2 credits of CHS 638 - History of the Great Controversy, Covenant, Law, Sabbath Credits: 2,3
- 3 credits of NTST 650 - Great Controversy, Covenant, Law and Sabbath Credits: 2,3
- 2 credits of OTST 610 - The Great Controversy, Covenant, Law, Sabbath Credits: 2,3
- 3 credits of THST 608 - The Great Controversy, Covenant, Law, Sabbath Credits: 2,3

**Practical and Applied Theology - 19**

2 credits of PATH 523 - Worship: Word and Music Credits: 2,3
- PATH 539 - Church Growth and the Equipping Leader Credits: 3
- 2 credits of PATH 543 - Christian Leadership in a Changing World Credits: 2,3
- 2 credits of PATH 555 - Pastoral Counseling Credits: 2,3 (MDiv/MSW Dual Degree Students must replace this course with SOWK 601)
- 2 credits of PATH 560 - Advanced Ministerial Development Credits: 2 (TFE for Dual Degree Students: If student is in a dual degree, they may substitute...
Discipleship and Lifespan Education - 9

- This course with the appropriate practicum course in their corresponding dual degree. MDiv/MSW Dual Degree students must take SOWK 510. MDiv/MSCID students may take TFE or CIDS 680.)
- 3 credits of PATH 562 - Field Evangelism Credits: 3-6
- 1 credit of PATH 567 - Health & Lifestyle Transformation Credits: 1 (MDiv/MPH Dual Degree students, replace this course with FDNT 520 - Vegetarian Nutrition and Disease Prevention Credits: 3)

- MSSN 676 - History of Christian Mission Credits: 2,3
- MSSN 685 - Strategies for World Mission Credits: 2,3
- MSSN 695 - Topics Credits: 1–6

General Electives - 6
- Students will take 6 credits of general electives.
- Electives may not be used to satisfy prerequisites and/or deficiencies.
- Students may use elective credits toward the completion of an MDiv concentration or a dual degree program.
- Up to 6 credits in relevant courses offered by other schools of the university on the graduate level may be included in the general electives, including up to 4 appropriate workshop credits.
- Transfer credit petitions from other schools/colleges within Andrews University or from any other University must be done in consultation with the MDiv Office.

Thesis Option
Students anticipating academic doctoral studies after the completion of their MDiv program are advised to undertake the thesis option as some academic institutions require a master’s-level thesis for entry into doctoral programs.

The thesis counts as 6 general elective credits allowed for the MDiv degree. Students should register for 2 or more thesis credits per term for at least two semesters. Therefore, initial registration for a thesis must be no later than two semesters prior to graduation. Students electing to write an MDiv thesis must apply to the director of the program and must (1) demonstrate superior scholarship over a minimum of two consecutive semesters, normally with a GPA of 3.50 or above; (2) take Research Methods before the thesis is started; and (3) submit a paper of superior quality before permission is granted by the director to begin writing the thesis. The student is guided in thesis preparation by a three-member committee appointed by the director in consultation with the student and department chair in which the subject of the thesis is chosen. The chair of this committee serves as the thesis advisor.

The format of the thesis must conform strictly to the Andrews University Standards for Written Work. Students are strongly urged to consult the dissertation secretary before formatting and printing a thesis.

At least six weeks before graduation, the committee-approved draft of the thesis should be submitted to the dissertation secretary. After appropriate changes have been made, the corrected copy should be submitted at least four weeks before graduation to the dissertation secretary for approval. Copying on non-acid paper should be completed at least two weeks before graduation. Three copies of the thesis, including a 150-word abstract and an approval sheet, must be submitted to the dissertation secretary. The abstract should contain a short statement of the problem examined, a brief exposition of methods and procedures, and a condensed summary of the findings.

Students obtain a Thesis Completion Form from the dissertation secretary. They must take the form to the Academic Records Office no later than noon on Friday, a week preceding graduation. A fee is charged by the university for binding the three copies of the thesis, two of which are deposited in the library and one in the department in which the student earns the degree.

Students who do not adhere strictly to the deadlines noted above will have their graduation postponed. Thesis candidates must pass an oral examination no later than two weeks before graduation. The candidate is expected to demonstrate mastery of the thesis topic.

Concentrations
Note: Dual degree students who choose to concentrate a concentration will increase their total credits required by 12.

Chaplaincy Concentration - 12
Chaplaincy is a highly qualified and dynamic expression of ministry based on the Bible and supported by the Seventh-day Adventist Church. The chaplaincy concentration provides the basic training and preparation for service beyond the church borders in various chaplaincy ministries, such as in healthcare, military, campus, prison, police and fire departments, community, and corporate settings. It also prepares pastors and church leaders to advance in their caregiving and empathic ministry skills for an immediate impact in the church and the surrounding communities.
requirement for an Advanced Preaching Core Elective (CHMN list).

632 Contextualized Preaching: Youth in fulfillment of the Christian Ministry

A Youth and Young Adult Ministry (YYAM) Concentration is available for students wishing to gain specialized skills and knowledge for service in pastoral and administrative leadership to address the needs of youth and young adults. The Concentration on Marriage and Family Life Ministry is designed to prepare MDiv students to equip their churches to be vibrant and healthy in the way they foster relationships in their individual families as well as in church and the community. Students who take this concentration will be better equipped to educate their congregations in areas of family life. They will also be better prepared to address the family issues that will come to them for counseling. Pastors with these courses will be able to create healthy churches and more positively impact their communities for Christ.

In addition to the core MDiv requirement DSLE 503 - Marriage, Family, and Interpersonal Relationships for 2 credits, students who choose this concentration will take 12 credits in the following courses:

Choose one of the following courses:

- 3 credits of DSLE 635 - Christian Perspectives on Professional Ethics Credits: 2,3
- DSLE 659 - Human Sexuality Credits: 3

Choose one of the following courses:

- DSLE 655 - Families in Society Credits: 3
- DSLE 658 - Internal Dynamics of Families Credits: 3

Choose one of the following courses:

- 3 credits of DSLE 678 - Spiritual Nurture of Children Credits: 2,3
- DSLE 679 - Parenting Education and Guidance Credits: 3

Choose one 3-credit course from the following:

- DSLE 610 - Teaching for Discipleship Credits: 2,3
- DSLE 626 - Ministry to At-Risk Youth Credits: 2,3
- DSLE 651 - Foundations of Biblical Counseling Credits: 2,3
- DSLE 652 - Personal and Family Finance Credits: 3
- DSLE 657 - Social Policy Credits: 2,3

Choosing two credits of PATH 507 - Introduction to Chaplaincy Ministry Credits: 2

2 credits of PATH 516 - Death & Grief in Contemporary Society Credits: 2

2 credits of PATH 643 - Trauma & Advanced Crisis Intervention Credits: 2

3 credits of PATH 549 - Philosophy & Ethics of Chaplaincy Credits: 3

(Prerequisite: Undergraduate Ethics course or THST 605)

PATH 557 - Practicum in Clinical Pastoral Education (CPE) Credits: 2-8

If a student wishes to receive CPE credit for units already earned, a per-credit recording fee is charged by the university for PATH 557 Practicum in Clinical Pastoral Education (CPE), or PATH 641 Practicum in Military Chaplaincy. (Application form is available in the Christian Ministry office.) If a student wishes to register for their CPE units concurrently with other full semester courses, the registration will be part of their MDiv load, and there will be no recording fee assessed.

Students taking military chaplaincy can also take the following:

PATH 641 - Practicum in Military Chaplaincy Credits: 2-8

Marriage and Family Life Ministry Concentration - 12

Healthy, spirit-filled marriages and families are the backbone of Christian life and most clearly reflect the character of Christ in our churches and in the world. When marriages and families are broken, our churches suffer. The Concentration on Marriage and Family Life Ministry is designed to prepare MDiv students to equip their churches to be vibrant and healthy in the way they foster relationships in their individual families as well as in church and the community. Students who take this concentration will be better equipped to educate their congregations in areas of family life. They will also be better prepared to address the family issues that will come to them for counseling. Pastors with these courses will be able to create healthy churches and more positively impact their communities for Christ.

In addition to the core MDiv requirement DSLE 503 - Marriage, Family, and Interpersonal Relationships for 2 credits, students who choose this concentration will take 12 credits in the following courses:

Choose one of the following courses:

- 3 credits of DSLE 635 - Christian Perspectives on Professional Ethics Credits: 2,3
- DSLE 659 - Human Sexuality Credits: 3

Choose one of the following courses:

- DSLE 655 - Families in Society Credits: 3
- DSLE 658 - Internal Dynamics of Families Credits: 3

Choose one of the following courses:

- 3 credits of DSLE 678 - Spiritual Nurture of Children Credits: 2,3
- DSLE 679 - Parenting Education and Guidance Credits: 3

Choose one 3-credit course from the following:

- DSLE 610 - Teaching for Discipleship Credits: 2,3
- DSLE 626 - Ministry to At-Risk Youth Credits: 2,3
- DSLE 651 - Foundations of Biblical Counseling Credits: 2,3
- DSLE 652 - Personal and Family Finance Credits: 3
- DSLE 657 - Social Policy Credits: 2,3

Youth and Young Adult Ministry Concentration - 12

A Youth and Young Adult Ministry (YYAM) Concentration is available for students wishing to gain specialized skills and knowledge for service in pastoral and administrative leadership to address the needs of youth and young adults. The MDiv with the YYAM Concentration requires a total of 84 credits.

In addition to the core MDiv requirement DSLE 534 - Ministry to Youth and Young Adults for 2 credits, students who choose this concentration will take 12 credits in the following courses:

Students who choose this concentration must select 2 credits of PATH 632 Contextualized Preaching: Youth in fulfillment of the Christian Ministry requirement for an Advanced Preaching Core Elective (CHMN list).

3 credits of DSLE 564 - Advanced Youth and Young Adult Ministry Leadership Credits: 2,3

2 credits of DSLE 608 - Youth and Young Adults in Contemporary Culture Credits: 2,3

3 credits of DSLE 636 - Seminar in Youth Ministry Credits: 1-3

2 credits of DSLE 656 - Counseling Youth and Young Adults Credits: 2,3

Choose at least 2 credits from the following:

- DSLE 610 - Teaching for Discipleship Credits: 2,3
- DSLE 626 - Ministry to At-Risk Youth Credits: 2,3
- DSLE 630 - Fostering Spiritual Growth Credits: 2,3
- DSLE 651 - Foundations of Biblical Counseling Credits: 2,3

DSLE 664 - Advanced Campus Ministry Credits: 3 *

DSLE 669 - Reaching the Secular Mind Credits: 2,3

DSLE 678 - Spiritual Nurture of Children Credits: 2,3

*Students wishing to pursue campus chaplaincy should register for DSRE 664 Advanced Campus Ministry as their choice of core elective.

Additional Requirements

MDiv students must meet the following requirements in addition to those required of all graduate students:

- Complete the MDiv curriculum of at least 78 credits. Students lacking adequate undergraduate preparation will be required to complete additional prerequisite credits. The actual number of credits required is based on individual academic evaluation.
- Attend selected brief colloquia from among those offered on a variety of ministry topics each semester for MDiv students. On campus students will be required to attend at least 4 of these 0 credit colloquium sessions during their MDiv experience.
- Maintain a GPA of 2.75 or above.
- Meet the qualitative standards of the MDiv program.

No U grade or any grade below C- will count towards the MDiv degree, but will be counted in the student’s cumulative GPA.

Academic Probation

MDiv students whose cumulative GPA falls below 2.75 will be placed on academic probation and will have their course load reduced to no more than 10 semester credits. MDiv students whose cumulative GPA remains below 2.75 for a second consecutive semester will be required meet with the MDiv program director and will enter into a probation contract, have regular meetings with their academic advisor, and fulfill other requirements as needed. Following that, should their GPA not improve, they may be asked to withdraw from the program.

When an incomplete or Deferred Grade has not been cleared by the end of the following semester, the student’s course load must be reduced as follows:

- One Incomplete/DGs—no reduction
- Two Incompletes/DGs—may register for no more than 10 credits
- Three Incompletes/DGs—may register for no more than 9 credits

With more than three I/DGs, the student must cease taking classes until the Incompletes/DGs are cleared.

Evaluation of Students

Since the MDiv program prepares individuals for professional and pastoral leadership, periodic assessments are made of the students by the faculty in areas other than academic standing. Areas reviewed are students’ spiritual growth, lifestyle reflective of the beliefs and practices of the Seventh-day Adventist Church, social/family relations, and developing potential for ministry. As a result of these assessments, students are affirmed in the MDiv program, advised of needed adjustments, or discontinued from the program.

Maintaining Active Status

Residency Requirements: Students must maintain active status by enrolling for at least two semesters within one academic year. When this fails to happen, the student must follow the bulletin in force at the time active status is reestablished.

Following an absence of two years or more, a student’s previous admission status will have lapsed and the student will need to reapply to the program.

Graduation

The Seminary follows the University graduation procedures and requirements for the conferral of degrees. A dedication ceremony for graduating seminary students is held on the Sabbath afternoon of graduation weekend, or as announced.

Admission Requirements

All MDiv applicants must meet the Graduate Programs Admission Requirements applicable to all graduate students and the general seminary requirements.

- Hold a baccalaureate degree: A four-year degree from an accredited United States institution, or its equivalent from an institution outside the U.S.
- Minimum of 2.5 Undergraduate GPA.
• Normally hold membership in the Seventh-day Adventist Church given that the MDiv program is specifically designed for Adventist ministers and is sponsored and financed by the Adventist church.
• Represent high moral integrity with a character, lifestyle, and spiritual commitment reflective of the beliefs and practices of the Seventh-day Adventist Church and show promise of usefulness for Adventist ministry through personal maturity and adequate experience in the Church. (Persons of other faiths who are willing to live in harmony with these standards are welcome to apply.)
• Submit an autobiographical history and a 350+ word statement of purpose reflecting the applicant’s family and spiritual development, sense of calling to ministry, experience in church work, and future goals in relationship to the MDiv program. A guideline is provided in the admissions package.
• If married, the spouse of the applicant is also asked to complete a statement in regard to his or her feelings and relationship to the partner’s aspirations for future ministry.
• Background Check. Applicants to all Seminary programs are required to undergo a criminal background check as specified in the online application process. The criminal background check must be completed within six months of beginning coursework and be redone every three years while in attendance at the seminary. The base cost of the background check is paid as part of the application process. Applicants are responsible for any additional fees charged by municipalities in which they have resided, and for the costs of subsequent background checks.
• An interview with a representative of the MDiv program may be required, either by personal contact, telephone, or video.
• Applicants to all Seminary programs are required to complete and submit to the Seminary the “Pre-Admission Conduct Disclosure Statement.”

**Prerequisites**

Students are expected to present a broad range of undergraduate general education represented in such studies as behavioral sciences (including psychology and sociology) communication, education, English composition, fine arts, health, history, philosophy and computer literacy. In addition, courses in the following areas are strongly recommended: Christian ethics, missions, and apologetics.

Students who enter the Master of Divinity program who have not previously taken the following classes on the undergraduate level must fulfill the following prerequisite areas, all of which may be taken either at the Seventh-day Adventist Theological Seminary or at the undergraduate level. Courses taken outside of the seminary must be approved through the MDiv office in consultation with the appropriate department.

Students must complete or be exempted from prerequisites in any given department prior to beginning core classes.

Pastoral Ministries and Church Policy - 2 credits
Biblical Preaching - 2 credits
Personal Evangelism - 2 credits
Introduction to Church History - 4 credits
Adventist Heritage - 3 credits
Christian Theology - 6 credits
Christian Ethics - 2 credits
Survey of the New Testament - 4 credits
Intermediate level Greek proficiency*
Survey of the Old Testament - 4 credits
Intermediate level Hebrew proficiency*

* Subject can be cleared through optional challenge exam.

Students who have not previously taken the following classes on the undergraduate level must fulfill these prerequisites. Some of these subjects can be cleared through optional challenge exams. Current Greek and Biblical Hebrew language intermediate level proficiency must be accomplished through placement exam or by passing both the beginning and intermediate levels of each language.

2 credits of PATH 536 - Personal Evangelistic Ministry
2 credits of PATH 552 - Foundations of Pastoral Ministry

NOTE: Students who have passed a basic course in pastoral ministry from an accredited Seventh-day Adventist institution, or who have been Conference-employed as pastors for two years or more will be exempted from CHMN 552, provided their hiring/sponsoring organization can provide proof of at least two years of pastoral employment via their service record. Exemptions to this rule will be granted on a case by case basis as determined by the Christian Ministry Chairperson.

2 credits of NTST 520 - Introduction to the New Testament
2 credits of NTST 530 - Introduction to Revelation
2 credits of NTST 551 - Beginning Greek
0.2 (Passed at C- or higher or score 45% or higher on the Greek Placement Exam - May, August)

NOTE: Any student who wishes to take a biblical language placement exam must take at least one of the exams in May or August of the year they enroll in seminary. If the student wishes to take the exam for the second language it must be taken before the start of their second year in seminary.

3 credits of NTST 552 - Intermediate Greek
0.3 (Passed at C or higher or score 60% or higher on the Greek Placement Exam - May, August)
2 credits of OTST 500 - Survey of the Old Testament
2.3
3 credits of OTST 551 - Biblical Hebrew I
0.3 (Passed at a minimum of C+ or score 75% or higher on the Beginner Hebrew Placement Exam - May, August)

NOTE: Any student who wishes to take a Biblical language placement exam must take at least one of the exams in May or August of the year they enroll in seminary. If the student wishes to take the exam for the second language it must be taken before the start of their second year in seminary.

2 credits of OTST 552 - Biblical Hebrew II
0.2,3 (Passed at a minimum of C+ or score 75% or higher on the Intermediate Hebrew Placement Exam - May, August)
2 credits of OTST 565 - Survey of the Pentateuch
2.3
3 credits of THST 521 - Christian Theology I
2.3
3 credits of THST 522 - Christian Theology II
2.3

**English Language Requirements**

All students whose first language is not English must demonstrate adequate proficiency in English to succeed in the academic setting. Language proficiency requirements must be met before enrolling full-time in regular course work.

- TOEFL Paper-based - 565
- TOEFL Internet-based - 85
- MELAB - 81
- IELTS - 6.5
- PTE - 58

**Application Deadline**

Given that applying and obtaining pertinent documents for admission can be a long process, the student must start the application process at least 4-6 months before the desired starting semester. See University deadlines for individual semesters here.

**Placement, Entrance, and Challenge Examinations**

MDiv students may challenge the prerequisite courses above (marked by an asterisk) by taking examinations developed for that purpose. Zero credit shall be granted for each examination passed and the student academic transcript will show the equivalent course name, number, and a grade of P – the designation for Challenge by Examination. No entry shall be made on the transcript if the examination is failed and the student shall be required to take the prerequisite course for credit. Each examination may be taken only once.

**Biblical Hebrew and Biblical Greek Prerequisites**

Hebrew and Greek are required at the Intermediate proficiency level. Language Proficiency must be demonstrated within the first two years in seminary. For each language, students may demonstrate proficiency by either: (1) passing the Beginning (OTST 551/NTST 551) and Intermediate (OTST 552/NTST 552) courses in that language at the required level, or (2) passing the Placement Exam. Undergraduate credits alone do not demonstrate current proficiency in a language.

**Option 1: Language Courses**

Students may demonstrate proficiency in Biblical Hebrew by passing Hebrew I (OTST 551) and earning a grade of at least C+ in Hebrew II (OTST 552).

Students may demonstrate proficiency in Greek by passing Beginning Greek and earning a grade of at least C in Intermediate Greek (NTST 552).

**Option 2: Placement Exam**

Students also have the option of demonstrating proficiency in a biblical language by passing the corresponding placement exam. Placement exams may be taken...
only once for each language. Any student who wishes to take a placement exam must take at least one of them in May or August of the year they enroll in seminary. If the student wishes to take the exam for the second language it must be taken by September of their second year in seminary. Placement exams must be taken at the regular May or August dates set by the seminary.

Preparation materials designed to help students prepare for the placement examinations are available from the Old Testament (otst@andrews.edu) and New Testament (ntst@andrews.edu) departments.

Based on the score achieved on the exam, the student will be assigned to do one of the following as soon as possible: (1) Take both the beginning and intermediate language courses, (2) take the intermediate language course, or (3) enroll in exegesis and theology courses without further language study necessary.

Students who do not pass the exam and do not obtain the required grade in the course must retake the course without delay until the required grade is achieved.

Readiness for Ministry
The MDiv program is dedicated to preparing every graduate for success in ministry. Godly and effective practice of ministry requires not only intellectual readiness, but also spiritual, physical, emotional, and social maturity. The MDiv Readiness for Ministry process helps seminarians evaluate their ministerial gifting and calling, discover and address strengths and weaknesses, and identify and pursue avenues of ministry appropriate to their giftedness. The program includes small-group mentoring as well as periodic assessments of the seminarian’s readiness for ministry, by the faculty, staff, and ministry supervisors.

Areas to be reviewed include spiritual commitment, character, social and relational skills, and general aptitude for ministry. On the basis of these assessments, the seminarian and his/her mentor will, at a minimum, receive feedback in the middle of their first year, and again shortly before graduation. If a significant issue arises that, in the discretion of the Seminary, seriously impairs the seminarian’s potential of their first year, and again shortly before graduation. If a significant issue arises that, in the discretion of the Seminary, seriously impairs the seminarian’s potential, the seminarian to the program director for guidance, remediation, and/or other avenues of ministry appropriate to their giftedness. The program includes small-group mentoring as well as periodic assessments of the seminarian’s readiness for ministry, by the faculty, staff, and ministry supervisors.

Critera for Validation of Courses
Up to 18 credits of advanced standing may be granted. Each course to be considered for application toward advanced standing must:

- Have been taken within 10 years of the projected graduation date;
- Be an upper-division/advanced level course that;
- Contribute to the MDiv program learning outcomes;
- Have an earned grade equivalent of "B" or higher; and
- Be approved by the department teaching the MDiv core or elective course for which advanced standing credit is to be granted. Approval is determined based on whether the BTh course(s) have taught the essential course learning outcomes (at least 80% of the overall course learning outcomes) of the MDiv course it is seeking to replace.

MDiv Core Course Replacement Policy
MDiv core courses provide graduate level understanding considered by the seminary and the church to be essential for the pastor. Occasionally, an MDiv student may have already taken as part of their undergraduate degree, in addition to the required prerequisites for the MDiv program, an advanced college course in which they mastered the learning outcomes for the course at a graduate level. In such cases, a proposal to take an alternate course within the same discipline (department), at an equivalent or higher level, may be considered. To request the validation of a course, the student must submit to the MDiv office, within their first semester, a portfolio containing the following items:

- The Seminary Prior Learning Validation Form, initiated and signed by the student.
- The course syllabus from the advanced-level undergraduate course evidencing that all the Course Learning Outcomes (CLOs) of the MDiv core course have been taught appropriately at a level of rigor equivalent to the MDiv graduate course;
- A transcript demonstrating that the student earned a B grade or higher in the undergraduate advanced-level course;
- An essay, normally to be followed by an interview by the department chair/faculty member responsible for the course, describing how each of the CLOs were taught, learned, and subsequently put into use at a graduate level of learning.

Transferring Credits to the MDiv Program
Provided the content of the courses are assessed as comparable to the curriculum of the Andrews University Master of Divinity program, students intending to transfer credits into the Master of Divinity Program should be aware of the following policies:

- A transfer of credits must be made by petition.
- Transfer credits are granted only for courses in which the grade is B or higher.
- A student may transfer a maximum of 39 credits (graduate level) may be transferred from an uncompleted graduate-level program.
- Up to 24 credits (graduate level) may be transferred to the Master of Divinity program from a completed master-level degree.
- At least 39 credits must be taken in-residence.

Summer Course Load
The 12 week summer semester is divided into two 4-week sessions and two 2-week sessions. The total amount of course work during the summer session may not exceed 12 credits. Students taking a biblical language during a summer session may not take other courses during that session.

Workshop Credit Limit and Grading Pattern
Master of Divinity students may apply up to 4 workshop credits appropriate to degree requirements. If workshops are taken during the semester breaks, the credits are counted as part of the class load for either the previous or the following semester.

Workshops are graded S/U. Any deviation from this pattern must be approved by the dean prior to the conclusion of the workshop. Students must register at the Academic Records Office for all workshops for which academic credit is desired.

Independent Study Restrictions
Students in the MDiv program are allowed to register for Independent Study only for a compelling reason such as a schedule conflict or the need to take a subject that is not offered in any given semester (for a maximum of 8 credits during their MDiv program). Independent study is only available to students on the main campus. Normally, Independent Study cannot be used to meet a core requirement. Students must first seek approval from the MDiv office before arranging with a teacher to do Independent Study.

Fees
For a detailed list of charges, please see Financial Information.
MDiv students taking a graduate course in the College of Arts & Sciences in fulfillment of an elective course requirement may request a 50% tuition reduction (up to 9 credits cumulative), provided the class is not full and there are a sufficient number of students paying full tuition to warrant the teaching of the course. Directed study, laboratory courses, and study tours are not eligible for reduced tuition. Neither is this discount available for dual enrollment students who have been accepted in a graduate degree program in the College of Arts & Sciences. (Application form is available in the MDiv office.)

**Student Learning Outcomes**

A graduate from this program:

- Models spiritual humility, maturity and integrity grounded in a living experience with God in joyful assurance of His salvation, nurtured by the sanctifying presence and power of the Holy Spirit. (Character)
- Manifests the practices of a Biblical scholar-theologian engaging the Bible, Christian/Adventist heritage and professional resources with theological maturity for personal growth and for facilitating the theological competence of others. (Scholarship)
- Demonstrates personal commitment, passion and essential skills for discipleship and evangelism, while equipping members to carry out ministry within the scope of the local and global mission of the Seventh-day Adventist church. (Discipleship & Evangelism)
- Exercises creative and visionary leadership as a minister and servant of Christ, discerning the needs, spiritual gifts and potential of others, in order to equip and engage in their God-given ministries. (Leadership)
- Facilitates enriching corporate worship that brings diverse peoples into the transforming presence of God. (Worship)
- Engages the abilities of self and others to strategically steward personal and corporate resources including time, health, finances, property and service in areas of spiritual giftedness. (Administration/Management)
- Models effective relationships with people of diverse cultures, backgrounds, character, and persuasions, reflecting the wisdom, compassion, and discernment of Jesus through the work of the Spirit. (Relationships)

**Community and International Development**

**MSCID**

The Community and International Development program offers interdisciplinary study in the humanitarian and development field at the graduate level. This unique approach equips students with the skills needed to identify and respond to social and economic challenges across the globe. Program concentration options offer in-depth training - preparing students for professional service in academia, policy, advocacy, project management, and administration.

In order to receive a Masters in Community and International Development, students will complete 33 credits of required coursework and have the option to add 12 credits of coursework for a concentration. Up to 6 credits may be transferred from another accredited/recognized institution and applied towards the 33 required credits according to the criteria listed in the official Andrews University Graduate Transfer Policy.

This degree is offered in both an on-campus and a blended format.

**MSCID Dual Degree Options:**

The MSCID is also available with the following dual degree options:

- Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Community & International Development Dual Degree MA/MSCID
- Community & International Development/Divinity Dual Degree MSCID/MDiv
- Community & International Development/Social Work Dual Degree MSCID/MSW

**Total Credits - 33-45**

**Foundations - 12**

Choose a minimum of 12 credits from the following courses:

- ANTH 517 - Cultural and Developmental Anthropology Credits: 2
- CIDS 520 - Development Theory and Practice Credits: 3
- CIDS 524 - Humanitarian Studies: Theory and Practice Credits: 3
- CIDS 555 - Policy Process & Analysis Credits: 3
- CIDS 568 - Community Change Credits: 2,3
- CIDS 575 - Topics: Credits: 1–6

**Concentrations - 12**

The concentration area is selected by individual choice and will draw on University faculty strengths. The program director/advisor, in consultation with the student, will select a minimum of 12 credits of elective courses related to the chosen concentration to meet the student's career goals.

Students may choose an area of concentration that aligns with their research and career interests. Concentration areas are listed below, along with courses a student may take in each area. Students, in consultation with their advisor, may substitute courses within a concentration area. Additionally, students may choose a different area of concentration, contingent upon documentation that they are

**Tools - 12**

Choose one of the following options:

- Option 1:
  - SOCI 533 - Research Methods III: Advanced Research Design-Experimental and Survey Credits: 2
  - SOCI 534 - Research Methods IV: Advanced Statistical Analysis & SPSS Credits: 2

- Option 2:
  - EDRM 605 - Qualitative Research Methods in Education and Psychology Credits: 3

- Option 3:
  - COMM 520 - Communication Research I Credits: 3

- Option 4:
  - EDRM 611 - Applied Statistical Methods I Credits: 3

Choose 8-9 credits from the following courses (to equal a minimum of 12 credits in Tools courses):

- ACCT 505 - Survey of Accounting for Decision Making and Control Credits: 2,3
- BSAD 515 - Organizational Behavior & Leadership Credits: 3
- BSAD 530 - Leadership & Management of Not-for-Profit Organizations Credits: 3
- BSAD 670 - Management of Human Resources Credits: 3
- PATH 543 - Christian Leadership in a Changing World Credits: 2,3 (only available to MSCID/MDiv Dual Degree students)
- CIDS 535 - Budgeting, Fundraising & Grantsmanship Credits: 2
- CIDS 575 - Topics: Credits: 1–6
- CIDS 673 - Project Cycle Management Credits: 3
- FNCE 675 - Financial Management Credits: 3
- GEOG 535 - Introduction to Geographic Information Systems Credits: 2
- PBHL 540 - Grant Writing Credits: 2
- SOCI 508 - Emergency Preparedness Credits: 2
- SOCI 555 - Emergency Planning Credits: 2

**Capstone - 9**

- CIDS 680 - Field Practicum Credits: 1 (Students are required to register for CIDS 680 during each semester while doing their practicum/internship. Students are expected to complete their practicum within three semesters. MSCID/MDiv Dual Degree students must take 2 credits of PATH 560. MSCID/MAYYM Dual Degree students fulfill this practicum by taking DSLE 660. MSCID/MSW Dual Degree students must take 1 credit of SOWK 635.)

- CIDS 698 - Research Project Credits: 2,3

Choose 3-6 credits from the following courses (to equal a minimum of 9 credits in Capstone):

- CIDS 554 - Poverty Analysis & Reduction Strategies Credits: 3
- CIDS 575 - Topics: Credits: 1–6
- CIDS 623 - Humanitarian and Development Practice Credits: 1–3
- CIDS 670 - Comprehensive Exam Credits: 0
- CIDS 675 - Institutions in Development Credits: 3
able to meet the general concentration requirements (adequate credits, appropriate field practicum, and research projects are available).

**NOTE:** Students who choose to complete a concentration will need a total of 45 credits to complete the program. Students in the MSCID/MAYAM Dual degree program are not required to complete a concentration.

### Development Communication
- **COMM 536 - Issues in Intercultural Communication** Credit(s): 2,3
- **COMM 540 - Communication in Development Practice** Credit(s): 2,3
- **COMM 590 - Graduate Seminar in __________** Credit(s): 2,3
- **JOUR 570 - Multimedia Messaging** Credit(s): 3
- **PREL 510 - Advancement and Communication** Credit(s): 2

### Development Education
- **CIDS 550 - Education for Sustainable Development** Credit(s): 3
- **EDCI 650 - Curriculum Design:** Credit(s): 3
- **EDCI 684 - International Perspectives on Curriculum** Credit(s): 3
- **EDCI 696 - Project Implementation** Credit(s): 1–3
- **SOCI 565 - Demography** Credit(s): 3

### Disaster Preparedness and Management*
- **CIDS 690 - Independent Study** Credit(s): 1–3
- **COMM 535 - Crisis Communications** Credit(s): 2
- **SOCI 508 - Emergency Preparedness** Credit(s): 2
- **SOCI 514 - Migrant & Refugee Issues** Credit(s): 2,3
- **SOCI 549 - Disaster Response and Emergency Operations** Credit(s): 2
- **SOCI 555 - Emergency Planning & Response** Credit(s): 2
- **SOCI 578 - Principles and Practice of Hazards Mitigation** Credit(s): 3

* Students who take this concentration have the option to obtain the Michigan or equivalent Professional Emergency Manager Designation (PEM) certification in lieu of registering for concentration courses, except for SOCI 508 Emergency Preparedness. (SOCI 508 covers the FEMA Professional Development Series required for PEM prerequisites).

### Global Health
- **FDNT 545 - Nutrition and Wellness Programs** Credit(s): 2–4
- **FDNT 570 - Maternal and Child Health** Credit(s): 3
- **SOCI 554 - Community Health & Human Disease** Credit(s): 2
- **SOWK 660 - Advanced Practice Evaluation** Credit(s): 3

### NGO Development and Operations
- **ACCT 455 - Accounting for Not-for-Profit Organizations** Credit(s): 3
- **BSAD 515 - Organizational Behavior & Leadership** Credit(s): 3
- **BSAD 530 - Leadership & Management of Not-for-Profit Organizations** Credit(s): 3
- **BSAD 556 - Topics in __________** Credit(s): 1–3
- **BSAD 560 - Intercultural Business Relations** Credit(s): 3
- **BSAD 670 - Management of Human Resources** Credit(s): 3
- **COMM 536 - Issues in Intercultural Communication** Credit(s): 2,3
- **MKTG 540 - Marketing Management in Not-for-Profit Organizations** Credit(s): 3

### Peace Studies
This concentration is offered in cooperation with Anabaptist Mennonite Biblical Seminary (AMBS) for the purpose of establishing a limited articulation of graduate courses as part of an academic exchange program between the Master of Science in Community and International Development program at Andrews University and the Master of Arts: Peace Studies program at Anabaptist Mennonite Biblical Seminary. Students will work with the Director of CIDP to choose appropriate courses and steps to take to be registered. Students will not register for these courses through Andrews. They will take the courses from AMBS and register through the AMBS system and be transferred to AU.

Select a minimum of 12 credits from the following courses:
- **HTE 644 - Christian Attitudes Toward War, Peace, & Revolution**
- **CHM 542 - Education for Peace and Justice**
- **CHM 633 - Conflict, Communication, and Conciliation**
- **HTE 643 - Economic Justice and Christian**
- **HTE 643 - International Politics in Christian Perspective**
- **CHM 608 - Christian Spirituality for Peace-and-Justice-Making**

### Youth in Development
- **PATH 553 - The Church and Social Issues** Credit(s): 2,3

### Divinity/Public Health Dual Degree MDiv/MPH

Andrews University has formed a collaborative program between the Master of Divinity Program of the Seventh-day Adventist Theological Seminary and the School of Population Health, Nutrition and Wellness in the College of Health & Human Services. Students can potentially complete the two degrees (MDiv/MPH, Nutrition and Wellness Concentration) in 4 years or less; 2 years in the Theological Seminary and 2 years in the Department of Public Health, Nutrition and Wellness. The MDiv is available on campus while the MPH courses are in an online format.
This dual degree is designed to prepare students for various forms of ministry in which public health skills and theology are needed. Likewise, it will also enable students to integrate both theological and public health knowledge, values, and skills into a multifaceted approach to Christian service, thereby enhancing their usefulness as instruments of the Holy Spirit. Furthermore, it will sensitize students to nontraditional ministry opportunities by exposing them to theories and practice skills related to prevention, nutrition, wellness, environmental health, and health behaviors.

Since the MDiv and MPH programs share certain cognate courses to achieve a more streamlined and efficient program, the MDiv degree must be conferred simultaneously with the MPH in order to fulfill the requirements of both degrees. In the event that the MPH was completed prior to enrollment in the MDiv, the cognate requirements for the MDiv will be adjusted as shown below. A dual student cannot march in graduation or March-without-Completion if both halves of the dual degree are not completed.

Completion of the dual degree requires strict adherence to course sequence and curriculum design as students will travel as a cohort through each program.

If in the United States, International Students need to take courses concurrently with MDiv courses to maintain their Student Visa status.

Total Credits: 113
Graduation requirements consist of the satisfactory completion of 113 semester credits with an overall grade point average of 2.75 or better in the MDiv and 3.0 or better in the MPH. 71 credits are MDiv credits, and 42 credits are Master of Public Health credits. 7 of those credits are shared between the MDiv and the MPH programs:

- FDNT 520 Vegetarian Nutrition and Disease Prevention (3 Cr) replaces PATH 567 Health & Lifestyle Transformation (1 Cr)
- 6 credits of MDiv electives are 6 MPH concentration credits

Program Information
Information for the two programs (Divinity MDiv and Public Health MPH) follows:

Divinity MDiv
E-mail: mdiv@andrews.edu

The Master of Divinity (MDiv) is a 78-credit professional program recommended as the graduate training for Adventist ministry by the General Conference of Seventh-day Adventists and the North American Division. It is a two-year professional program (including summers) for full-time students. Additional semesters may be required for students lacking prerequisites.

Concentration Options
Students may - if desired - complete a concentration:
- Chaplaincy
- Marriage and Family Life Ministry
- Youth and Young Adult Ministry

MDiv Dual Degree Options
The MDiv is also available with the following dual degree options:
- Divinity/Communication Dual Degree MDiv/MA
- Divinity/Community and International Development Dual Degree MDiv/MSCID
- Divinity/Public Health Dual Degree MDiv/MPH
- Divinity/Social Work Dual Degree MDiv/MSW

Mission
In harmony with the mission and core values of the Seventh-day Adventist Theological Seminary, the Master of Divinity degree equips called, committed men and women with practical biblical, theological, and ministerial knowledge and skills to prepare them for Christlike service as leaders and equippers.

Vision
We envision the Master of Divinity community as a relationally healthy and diverse family focused on developing balanced and spiritually mature ministry leaders who are committed to equipping people in accomplishing God’s mission and the prophetic calling of the Seventh-day Adventist Church.

Total Credits - 78

Interdisciplinary - 2
GSEM 505 - Colloquium: ________________________ Credits: 0

Brief (4.5 hour) colloquia on a variety of ministry topics will be offered each semester for MDiv students.

- Full-time (9 credits or more) students studying on the main campus must attend one or more colloquia sessions per Fall/Spring semester that they are in the MDiv program.
- Colloquia requirements for transfer students or those taking part of their MDiv off-campus will be one colloquium for each Fall/Spring semester that they are on the main campus.
- Students from previous bulletins who petition to move into the current bulletin will take 1 colloquium per Fall/Spring semester for the remaining semesters of their on campus program.
  2 credits of GSEM 530 - Doctrine of the Sanctuary Credits: 2,3

Great Controversy, Covenant, Law, and Sabbath - 2-3
Choose one of the following Great Controversy, Covenant, Law and Sabbath courses:
  2 credits of CHIS 638 - History of the Great Controversy, Covenant, Law, Sabbath Credits: 2,3
  3 credits of NTST 650 - Great Controversy, Covenant, Law and Sabbath Credits: 2,3
  2 credits of OTST 610 - The Great Controversy, Covenant, Law, Sabbath Credits: 2,3
  3 credits of THST 608 - The Great Controversy, Covenant, Law, Sabbath Credits: 2,3

Practical and Applied Theology - 19
  2 credits of PATH 523 - Worship: Word and Music Credits: 2,3
  PATH 539 - Church Growth and the Equipping Leader Credits: 3
  2 credits of PATH 543 - Christian Leadership in a Changing World Credits: 2,3
  2 credits of PATH 555 - Pastoral Counseling Credits: 2,3 (MDiv/MSW Dual Degree Students must replace this course with SOWK 601)
  2 credits of PATH 560 - Advanced Ministerial Development Credits: 2 (TFE for Dual Degree Students: If student is in a dual degree, they may substitute this course with the appropriate practicum course in their corresponding dual degree. MDiv/MSW Dual Degree students must take SOWK 510. MDiv/MSCID students may take TFE or CIDS 680.)
  3 credits of PATH 562 - Field Evangelism Credits: 3-6
  1 credit of PATH 567 - Health & Lifestyle Transformation Credits: 1 (MDiv/MPH Dual Degree students, replace this course with FDNT 520 - Vegetarian Nutrition and Disease Prevention Credits: 3)

Choose one of the following Advanced Preaching courses (CHMN list) for 2 credits:
  PATH 600 - Preaching from the New Testament Credits: 2,3
  PATH 601 - Preaching Biblical Prophecies Credits: 2,3
  PATH 603 - Evangelistic Preaching Credits: 2,3
  PATH 607 - Preaching from the Old Testament Credits: 2,3
  PATH 609 - Media Ministry Credits: 2,3
  PATH 627 - Black Preaching Credits: 2,3
  PATH 632 - Contextualized Preaching: ________________________ Credits: 2,3
  PATH 633 - Preaching the Literary Forms of the Bible Credits: 2,3
  PATH 634 - Field Evangelistic Preaching & Practicum Credits: 2,3
  PATH 637 - Seminar in Preaching Credits: 2,3

Choose one of the following NADEI courses (NADEI list) for 2 credits:
  PATH 604 - Mobilizing for Evangelistic Ministry Credits: 2,3
  PATH 606 - Mission-Shaped Church Planting Credits: 2,3
  PATH 656 - Evangelistic Small Groups Credits: 2,3

Church History - 7
  2 credits of CHIS 624 - Issues in Ellen G. White Studies Credits: 2,3
  3 credits of CHIS 674 - Development of Seventh-day Adventist Theology Credits: 2,3

Choose one of the following courses (CHIS list) for 2 credits:
  CHIS 600 - The Early Church to A.D. 604 Credits: 2,3
  CHIS 607 - The Church in the Middle Ages Credits: 2,3
  CHIS 620 - Seminar in Christian Biography Credits: 2,3
  CHIS 625 - Seminar in Church-State Thought Credits: 2,3
  CHIS 629 - History of Christian Spirituality Credits: 2,3
Discipleship and Lifespan Education - 9

- Intermediate Greek proficiency required:
  - OTST 645 - Hebrews Credits: 2,3
  - OTST 646 - Topics in New Testament Exegesis Credits: 2,3
  - OTST 648 - Revelation Credits: 2,3
  - OTST 653 - Advanced Studies in the General Epistles Credits: 2,3
  - OTST 655 - Advanced Studies in the Gospels Credits: 2,3
  - OTST 658 - Advanced Studies in the Pauline Writings Credits: 2,3
  - OTST 678 - Seminar in Greek Exegesis Credits: 2,3

Choose one of the following New Testament Exegesis courses for 3 credits (NTST List A) - Intermediate Greek proficiency required:

- NTST 613 - Love, Marriage and Divorce Credits: 2,3
- NTST 614 - Suffering, Death and Resurrection Credits: 2,3
- NTST 616 - Theology of Luke-Acts Credits: 2,3
- NTST 623 - New Testament Theology of Prayer Credits: 2,3
- NTST 627 - New Testament Theology of Salvation Credits: 2,3
- NTST 628 - The Holy Spirit in the New Testament Credits: 2,3
- NTST 629 - New Testament Eschatology Credits: 2,3
- NTST 630 - Theology of the Synoptic Gospels Credits: 2,3
- NTST 633 - Social Issues in the New Testament Credits: 2,3
- NTST 634 - Theology of the Pauline Epistles Credits: 2,3

Choose one of the following New Testament Theology courses for 3 credits (NTST List B) - Intermediate Greek proficiency required:

- NTST 641 - Theology of the Johannine Writings Credits: 2,3
- NTST 647 - Eschatology Credits: 2,3
- NTST 650 - Great Controversy, Covenant, Law and Sabbath Credits: 2,3
- NTST 667 - Topics in New Testament Theology Credits: 2,3
- NTST 668 - New Testament Ethics Credits: 2,3
- NTST 676 - Jesus in Recent Scholarship Credits: 2,3
- NTST 679 - Seminar in New Testament Theology and Ethics Credits: 2,3

Choose one of the following New Testament Background courses for 2 credits (NTST List C) - Intermediate Greek proficiency required:

- NTST 515 - New Testament Backgrounds Credits: 2,3
- NTST 617 - New Testament Textual Criticism and Canon Formation Credits: 2,3
- NTST 615 - New Testament Archaeology Credits: 2,3
- NTST 626 - Seminar in Classical Jewish Literature Credits: 2,3
- NTST 635 - Intertestamental Literature Credits: 2,3
- NTST 636 - Jerusalem in the Time of Jesus Credits: 2,3
- NTST 654 - Second Century Christianity Credits: 2,3
- NTST 680 - Greco-Roman World Credits: 2,3
- NTST 684 - Judaism and the New Testament Credits: 2,3
- NTST 689 - Seminar in New Testament Backgrounds Credits: 2,3
- NTST 695 - Topics in New Testament Backgrounds Credits: 2,3

Old Testament - 8

Choose one of the following Old Testament Exegesis courses for 2 credits (OTST List A) - Intermediate Hebrew proficiency required:

- OTST 625 - Biblical Hebrew III Credits: 2 (MDiv students must make arrangements with the professor if they wish to use OTST625 as an OT Exegesis course. An exegetical paper will be required. This course is offered strictly as 3 credits.)
- OTST 628 - Methods of OT Exegesis Credits: 2,3
- OTST 639 - Studies in Old Testament Exegesis Credits: 2,3
- OTST 664 - Pentateuch Credits: 2,3
- OTST 666 - Historical Books Credits: 2,3
- OTST 668 - Psalms/Wisdom Literature Credits: 2,3
- OTST 675 - Minor Prophets Credits: 2,3
- OTST 680 - Seminar in Old Testament Exegesis Credits: 2,3
- OTST 686 - Major Prophets Credits: 2,3

Choose one of the following Old Testament Theology courses for 2 credits (OTST List B) - Intermediate Hebrew proficiency required:

- OTST 610 - The Great Controversy, Covenant, Law, Sabbath Credits: 2,3
- OTST 619 - Theology of the Old Testament Credits: 2,3
- OTST 620 - Seminar in Old Testament Theology Credits: 2,3
- OTST 627 - Jewish Life and Thought Credits: 2,3
- OTST 685 - Principles of Hermeneutics Credits: 2,3

Choose one of the following archaeology courses:

- 2 credits of OTST 510 - Archaeology and the Bible Credits: 2,3

Choose one of the following New Testament Exegesis courses for 2 credits (NTST List A) - Intermediate Hebrew proficiency required:

- NTST 610 - The Great Controversy, Covenant, Law, Sabbath Credits: 2,3
- NTST 619 - Theology of the Old Testament Credits: 2,3
- NTST 620 - Seminar in Old Testament Theology Credits: 2,3
- NTST 627 - Jewish Life and Thought Credits: 2,3
- NTST 685 - Principles of Hermeneutics Credits: 2,3

Theology - 13

3 credits of THST 611 - Revelation, Inspiration and Hermeneutics Credits: 2,3
2 credits of THST 635 - Issues in Origins Credits: 2,3

Choose one of the following Systematic Theology courses for 3 credits (THST List A):

- THST 608 - The Great Controversy, Covenant, Law, Sabbath Credits: 2,3
- THST 615 - Doctrine of the Church Credits: 2,3
- THST 616 - Doctrine of God Credits: 2,3
- THST 617 - The Works of God Credits: 2,3
- THST 618 - The Works of Christ Credits: 2,3
- THST 619 - Principles and Methods of Theology Credits: 2,3
- THST 630 - Doctrine of Christ Credits: 2,3
- THST 637 - Biblical Eschatology Credits: 2,3
- THST 639 - Doctrine of the Holy Spirit Credits: 2,3
- THST 640 - Doctrine of Salvation Credits: 2,3
- THST 647 - Human Nature and Destiny Credits: 2,3

555
**THST 649 - Seminar in Theological Issues:** Credits: 2,3

**THST 678 - Science and Religion:** Credits: 2,3

Choose one of the following Historical Theology courses for 2 credits (THST List B):

- THST 623 - Contemporary Adventist Theological Issues Credits: 2,3
- THST 624 - Protestant Theological Heritage Credits: 2,3
- THST 625 - Early Christian Theology Credits: 2,3
- THST 626 - Modern Christian Theology Credits: 2,3
- THST 627 - Roman Catholic Life & Thought Credits: 2,3
- THST 628 - Contemporary Theology Credits: 2,3
- THST 629 - History and Theology of Ecumenism Credits: 2,3
- THST 656 - Seminar in Historical Theology Credits: 2,3
- THST 667 - Postmodernism and the Church Credits: 2,3
- THST 676 - History of Philosophy Credits: 2,3

Choose one of the following Ethics courses:

- 3 credits of THST 605 - Principles of Christian Ethics Credits: 2,3

or

Students who have taken an undergraduate course in Ethics may replace THST 605 with a 3-credit advanced ethics course from the following list (THST List C):

- THST 622 - Foundations of Philosophical Ethics Credits: 3
- THST 633 - Ethics and the Good Life Credits: 2,3
- THST 634 - Christian Social Ethics Credits: 2,3
- THST 643 - Christian Professional Ethics Credits: 2,3 (MDiv/MSW Dual Degree students must replace this course with SOWK 515)
- THST 644 - Theological Ethics Credits: 2,3
- THST 659 - Seminar in Philosophy, Theology, and Ethics Credits: 2,3
- THST 660 - Church and Society Credits: 2,3
- PATH 549 - Philosophy & Ethics of Chaplaincy Credits: 3

**World Mission - 6**

MSSN 546 - Mission in Cultural and Religious Context Credits: 3

Choose one of the following Mission courses for 3 credits (MSSN List):

- MSSN 505 - Christian Responses to Human Needs Credits: 2,3
- MSSN 561 - Christian Witness and World Religions Credits: 3
- MSSN 610 - Theology of Mission Credits: 3
- MSSN 615 - Anthropology for Mission and Ministry Credits: 2,3
- MSSN 618 - Mission to the Cities Credits: 3
- MSSN 630 - Cross-Cultural Leadership Development Credits: 2,3
- MSSN 635 - Contemporary Issues in Mission Credits: 2,3
- MSSN 660 - Witnessing to People of Another Religion Credits: 2,3
- MSSN 676 - History of Mission Credits: 2,3
- MSSN 685 - Strategies for World Mission Credits: 2,3
- MSSN 695 - Topics Credits: 1-6

**General Electives - 6**

- Students will take 6 credits of general electives.
- Electives may not be used to satisfy prerequisites and/or deficiencies.
- Students may use elective credits toward the completion of an MDiv concentration or a dual degree program.
- Up to 6 credits in relevant courses offered by other schools of the university on the graduate level may be included in the general electives, including up to 4 appropriate workshop credits.
- Transfer credit petitions from other schools/colleges within Andrews University or from any other University must be done in consultation with the MDiv Office.

**Thesis Option**

Students anticipating academic doctoral studies after the completion of their MDiv program are advised to undertake the thesis option as some academic institutions require a master’s-level thesis for entry into doctoral programs.

The thesis counts as 6 general elective credits allowed for the MDiv degree. Students should register for 2 or more thesis credits per term for at least two semesters. Therefore, initial registration for a thesis must be no later than two semesters prior to graduation. Students electing to write an MDiv thesis must apply to the director of the program and must (1) demonstrate superior scholarship over a minimum of two consecutive semesters, normally with a GPA of 3.50 or above; (2) take Research Methods before the thesis is started; and (3) submit a paper of superior quality before permission is granted by the director to begin writing the thesis. The student is guided in thesis preparation by a three-member committee appointed by the director in consultation with the student and department chair in which the subject of the thesis is chosen. The chair of this committee serves as the thesis advisor.

The format of the thesis must conform strictly to the Andrews University Standards for Written Work. Students are strongly urged to consult the dissertation secretary before formatting and printing a thesis.

At least six weeks before graduation, the committee-approved draft of the thesis should be submitted to the dissertation secretary. After appropriate changes have been made, the corrected copy should be submitted at least four weeks before graduation to the dissertation secretary for approval. Copying on non-acid paper should be completed at least two weeks before graduation. Three copies of the thesis, including a 150-word abstract and an approval sheet, must be submitted to the dissertation secretary. The abstract should contain a short statement of the problem examined, a brief exposition of methods and procedures, and a condensed summary of the findings.

Students obtain a Thesis Completion Form from the dissertation secretary. They must take the form to the Academic Records Office no later than noon on Friday, a week preceding graduation. A fee is charged by the university for binding the three copies of the thesis, two of which are deposited in the library and one in the department in which the student earns the degree.

Students who do not adhere strictly to the deadlines noted above will have their graduation postponed. Thesis candidates must pass an oral examination no later than two weeks before graduation. The candidate is expected to demonstrate mastery of the thesis topic.

**Concentrations**

**Note:** Dual degree students who choose to complete a concentration will increase their total credits required by 12.

**Chaplaincy Concentration - 12**

Chaplaincy is a highly qualified and dynamic expression of ministry based on the Bible and supported by the Seventh-day Adventist Church. The chaplaincy concentration provides the basic training and preparation for service beyond the church borders in various chaplaincy ministries, such as in healthcare, military, campus, prison, police and fire departments, community, and corporate settings. It also prepares pastors and church leaders to advance in their caregiving and empathic ministry skills for an immediate impact in the church and the surrounding communities.

- 2 credits of PATH 507 - Introduction to Chaplaincy Ministry Credits: 2
- 2 credits of PATH 516 - Death & Grief in Contemporary Society Credits: 2
- 2 credits of PATH 643 - Trauma & Advanced Crisis Intervention Credits: 2
- 3 credits of PATH 549 - Philosophy & Ethics of Chaplaincy Credits: 3

**(Prerequisite: Undergraduate Ethics course or THST 605)**

PATH 557 - Practicum in Clinical Pastoral Education (CPE) Credits: 2-8

If a student wishes to receive CPE credit for units already earned, a per-credit recording fee is charged by the university for PATH 557 Practicum in Clinical Pastoral Education (CPE), or PATH 641 Practicum in Military Chaplaincy (Application form is available in the Christian Ministry office.) If a student wishes to register for their CPE units concurrently with other full semester courses, the registration will be part of their MDiv load, and there will be no recording fee assessed.

Students taking military chaplaincy can also take the following:

- PATH 641 - Practicum in Military Chaplaincy Credits: 2-8

**Marriage and Family Life Ministry Concentration - 12**

Healthy, spirit-filled marriages and families are the backbone of Christian life and most clearly reflect the character of Christ in our churches and in the world. When marriages and families are broken, our churches suffer. The Concentration on Marriage and Family Life Ministry is designed to prepare MDiv students to equip their churches to be vibrant and healthy in the way they foster relationships in their individual families as well as in church and the community. Students who take this concentration will be better equipped to educate their congregations in areas of family life. They will also be better prepared to address the family issues that will come to them for counseling. Pastors with these courses will be able to create healthy churches and more positively impact their communities for Christ.

In addition to the core MDiv requirement DSLE 503 - Marriage, Family, and Interpersonal Relationships for 2 credits, students who choose this concentration will take 12 credits in the following courses:

Choose one of the following courses:

- 3 credits of DSLE 635 - Christian Perspectives on Professional Ethics Credits: 2,3
- DSLE 659 - Human Sexuality Credits: 3
Choose one of the following courses:
- DSLE 655 - Families in Society Credits: 3
- DSLE 658 - Internal Dynamics of Families Credits: 3

Choose one of the following courses:
- 3 credits of DSLE 678 - Spiritual Nurture of Children Credits: 2,3
- DSLE 679 - Parenting Education and Guidance Credits: 3

Choose one 3-credit course from the following:
- DSLE 610 - Teaching for Discipleship Credits: 2,3
- DSLE 626 - Ministry to At-Risk Youth Credits: 2,3
- DSLE 651 - Foundations of Biblical Counseling Credits: 2,3
- DSLE 652 - Personal and Family Finance Credits: 3
- DSLE 657 - Social Policy Credits: 2,3

Youth and Young Adult Ministry Concentration - 12

A Youth and Young Adult Ministry (YYAM) Concentration is available for students wishing to gain specialized skills and knowledge for service in pastoral and administrative leadership to address the needs of youth and young adults. The MDiv with the YYAM Concentration requires a total of 84 credits.

In addition to the core MDiv requirement DSLE 534 - Ministry to Youth and Young Adults for 2 credits, students who choose this concentration will take 12 credits in the following courses:

Students who choose this concentration must select 2 credits of PATH 657 Contextualized Preaching: Youth in fulfillment of the Christian Ministry requirement for an Advanced Preaching Core Elective (CHMN list).

- 2 credits of DSLE 608 - Youth and Young Adults in Contemporary Culture Credits: 2,3
- 3 credits of DSLE 636 - Seminar in Youth Ministry Credits: 1-3
- 2 credits of DSLE 656 - Counseling Youth and Young Adults Credits: 2,3

Choose at least 2 credits from the following courses:
- DSLE 610 - Teaching for Discipleship Credits: 2,3
- DSLE 626 - Ministry to At-Risk Youth Credits: 2,3
- DSLE 630 - Fostering Spiritual Growth Credits: 2,3
- DSLE 651 - Foundations of Biblical Counseling Credits: 2,3
- DSLE 664 - Advanced Campus Ministry Credits: 3 *
- DSLE 669 - Reaching the Secular Mind Credits: 2,3
- DSLE 678 - Spiritual Nurture of Children Credits: 2,3

*Students wishing to pursue campus chaplaincy should register for DSRE 664 Advanced Campus Ministry as their choice of core elective.

Additional Requirements

MDiv students must meet the following requirements in addition to those required of all graduate students:

- Complete the MDiv curriculum of at least 78 credits. Students lacking adequate undergraduate preparation will be required to complete additional prerequisite credits. The actual number of credits required is based on individual academic evaluation.
- Attend selected brief colloquia from among those offered on a variety of ministry topics each semester for MDiv students. On campus students will be required to attend at least 4 of these 0 credit colloquia sessions during their MDiv experience.
- Maintain a GPA of 2.75 or above.
- Meet the qualitative standards of the MDiv program.
- No U grade or any grade below C- will count towards the MDiv degree, but will be counted in the student's cumulative GPA.

Academic Probation

MDiv students whose cumulative GPA falls below 2.75 will be placed on academic probation and will have their course load reduced to no more than 10 semester credits. MDiv students whose cumulative GPA remains below 2.75 for a second consecutive semester will be required meet with the MDiv program director and will enter into a probation contract, have regular meetings with their academic advisor, and fulfill other requirements as needed. Following that, should their GPA not improve, they may be asked to withdraw from the program.

When an incomplete or Deferred Grade has not been cleared by the end of the following semester, the student's course load must be reduced as follows:

- One In-complete/DGs—no reduction
- Two In-completes/DGs—may register for no more than 10 credits
- Three In-completes/DGs—may register for no more than 9 credits

With more than three I/DGs, the student must cease taking classes until the In-completes/DGs are cleared.

Evaluation of Students

Since the MDiv program prepares individuals for professional and pastoral leadership, periodic assessments are made of the students by the faculty in areas other than academic standing. Areas reviewed are students' spiritual growth, lifestyle reflective of the beliefs and practices of the Seventh-day Adventist Church, social/family relations, and developing potential for ministry. As a result of these assessments, students are affirmed in the MDiv program, advised of needed adjustments, or discontinued from the program.

Maintaining Active Status

Residency Requirements: Students must maintain active status by enrolling for at least two semesters within one academic year. When this fails to happen, the student must follow the bulletin in force at the time active status is reestablished.

Following an absence of two years or more, a student's previous admission status will have lapsed and the student will need to reapply to the program.

Graduation

The Seminary follows the University graduation procedures and requirements for the conferment of degrees. A dedication ceremony for graduating seminary students is held on the Sabbath afternoon of graduation weekend, or as announced.

Admission Requirements

All MDiv applicants must meet the Graduate Programs Admission Requirements applicable to all graduate students and the general seminary requirements.

- Hold a baccalaureate degree: A four-year degree from an accredited United States institution, or its equivalent from an institution outside the U.S.
- Minimum of 2.5 Undergraduate GPA.
- Normally hold membership in the Seventh-day Adventist Church given that the MDiv program is specifically designed for Adventist ministers and is sponsored and financed by the Adventist church.
- Represent high moral integrity with a character, lifestyle, and spiritual commitment reflective of the beliefs and practices of the Seventh-day Adventist Church and show promise of usefulness for Adventist ministry through personal maturity and adequate experience in the Church. (Persons of other faiths who are willing to live in harmony with these standards are welcome to apply.)
- Submit an autobiographical history and a 350+ word statement of purpose reflecting the applicant's family and spiritual development, sense of calling to ministry, experience in church work, and future goals in relationship to the MDiv program. A guideline is provided in the admissions package.
- If married, the spouse of the applicant is also asked to complete a statement in regard to his or her feelings and relationship to the partner's aspirations for future ministry.
- Background Check. Applicants to all Seminary programs are required to undergo a criminal background check as specified in the online application process. The criminal background check must be completed within six months of beginning coursework and be redone every three years while in attendance at the seminary. The base cost of the background check is paid as part of the application process. Applicants are responsible for any additional fees charged by municipalities in which they have resided, and for the costs of subsequent background checks.
- An interview with a representative of the MDiv program may be required, either by personal contact, telephone, or video.
- Applicants to all Seminary programs are required to complete and submit to the Seminary the "Pre-Admission Conduct Disclosure Statement."

Recommendations:
- Church board where the applicant is a member
- Church administrator, pastor, or elder
- General Recommendation from: College teacher or advisor, recent employer, or some other non-family member

Prerequisites

Students are expected to present a broad range of undergraduate general education represented in such studies as behavioral sciences (including psychology
Students who enter the Master of Divinity program who have not previously taken the following classes on the undergraduate level must fulfill the following prerequisite areas, all of which may be taken either at the Seventh-day Adventist Theological Seminary or at the undergraduate level. Courses taken outside of the seminary must be approved through the MDiv office in consultation with the appropriate department.

Students must complete or be exempted from prerequisites in any given department prior to beginning core classes.

- Pastoral Ministries and Church Policy - 2 credits
- Biblical Preaching - 2 credits
- Personal Evangelism - 2 credits
- Introduction to Church History - 4 credits
- Adventist Heritage - 3 credits
- Christian Theology - 6 credits
- Christian Ethics - 2-3 credits
- Survey of the New Testament - 4 credits
- Intermediate level Greek proficiency
- Survey of the Old Testament - 4 credits
- Intermediate level Hebrew proficiency

* Subject can be cleared through optional challenge exam.

Students who have not previously taken the following classes on the undergraduate level must fulfill these prerequisites. Some of these subjects can be cleared through optional challenge exams. Current Greek and Biblical Hebrew language intermediate level proficiency must be accomplished through placement exam or by passing both the beginning and intermediate levels of each language.

- 2 credits of CHIS 506 - Church History to 1500 Credits: 2,3
- 2 credits of CHIS 507 - Church History 1500 to Present Credits: 2,3
- 1.5 credits of CHS 570 - History of the Seventh-day Adventist Church Credits: 1,5,2
- 1.5 credits of CHS 571 - The Life and Writings of Ellen G. White Credits: 1,5,2
- 2 credits of PATH 505 - Biblical Preaching Credits: 2
- 2 credits of PATH 536 - Personal Evangelistic Ministry Credits: 2,3
- 2 credits of PATH 552 - Foundations of Pastoral Ministry Credits: 2

NOTE: Students who have passed a basic course in pastoral ministry from an accredited Seventh-day Adventist undergraduate institution, or who have been Conference-employed as pastors for two years or more will be exempted from CHMN 552, provided their hiring/sponsoring organization can provide proof of at least two years of pastoral employment via their service record. Exemptions to this rule will be granted on a case by case basis as determined by the Christian Ministry Chairperson.

- 2 credits of NTST 520 - Introduction to the New Testament Credits: 2
- 2 credits of NTST 530 - Introduction to Revelation Credits: 2
- 2 credits of NTST 551 - Beginning Greek Credits: 0,2 (Passed at C- or higher or score 45% or higher on the Greek Placement Exam - May, August)

NOTE: Any student who wishes to take a biblical language placement exam must take at least one of the exams in May or August of the year they enroll in seminary. If the student wishes to take the exam for the second language it must be taken before the start of their second year in seminary.

- 3 credits of NTST 552 - Intermediate Greek Credits: 0,3 (Passed at C or higher or score 60% or higher on the Greek Placement Exam - May, August)
- 2 credits of OTST 500 - Survey of the Old Testament Credits: 2,3
- 3 credits of OTST 551 - Biblical Hebrew I Credits: 0,3 (Passed at a minimum of C+ or score 75% or higher on the Hebrew Placement Exam - May, August)

NOTE: Any student who wishes to take a Biblical language placement exam must take at least one of the exams in May or August of the year they enroll in seminary. If the student wishes to take the exam for the second language it must be taken before the start of their second year in seminary.

- 2 credits of OTST 552 - Biblical Hebrew II Credits: 0,2,3 (Passed at a minimum of C+ or score 75% or higher on the Intermediate Hebrew Placement Exam - May, August)
- 2 credits of OTST 565 - Survey of the Pentateuch Credits: 2,3
- 3 credits of THST 521 - Christian Theology I Credits: 2,3
- 3 credits of THST 522 - Christian Theology II Credits: 2,3

### English Language Requirements

All students whose first language is not English must demonstrate adequate proficiency in English to succeed in the academic setting. Language proficiency requirements must be met before enrolling full-time in regular course work.

- TOEFL Paper-based - 565
- TOEFL Internet-based - 85
- MELAB - 81
- IELTS - 6.5
- PTE - 58

### Application Deadline

Given that applying and obtaining pertinent documents for admission can be a long process, the student must start the application process at least 4-6 months before the desired starting semester. See University deadlines for individual semesters here.

### Placement, Entrance, and Challenge Examinations

MDiv students may challenge the prerequisite courses above (marked by an asterisk) by taking examinations developed for that purpose. Zero credit shall be granted for each examination passed and the student academic transcript will show the equivalent course name, number, and a grade of P – the designation for Challenge by Examination. No entry shall be made on the transcript if the examination is failed and the student shall be required to take the prerequisite course for credit. Each examination may be taken only once.

### Biblical Hebrew and Biblical Greek Prerequisites

Hebrew and Greek are required at the Intermediate proficiency level. Language Proficiency must be demonstrated within the first two years in seminary. For each language, students may demonstrate proficiency by either: (1) passing the Beginning (OTST 551/NTST 551) and Intermediate (OTST 552/NTST 552) courses in that language at the required level, or (2) passing the Placement Exam. Undergraduate credits alone do not demonstrate current proficiency in a language.

#### Option 1: Language Courses

Students may demonstrate proficiency in Biblical Hebrew by passing Beginning (OTST 551) and earning a grade of at least C+ in Hebrew II (OTST 552). Students may demonstrate proficiency in Greek by passing Beginning Greek and earning a grade of at least C in Intermediate Greek (NTST 552).

#### Option 2: Placement Exam

Students also have the option of demonstrating proficiency in a biblical language by passing the corresponding placement exam. Placement exams may be taken only once for each language. Any student who wishes to take a placement exam must take at least one of them in May or August of the year they enroll in seminary. If the student wishes to take the exam for the second language it must be taken by September of their second year in seminary. Placement exams must be taken at the regular May or August dates set by the seminary.

Preparation materials designed to help students prepare for the placement examinations are available from the Old Testament (otst@andrews.edu) and New Testament (ntst@andrews.edu) departments.

Based on the score achieved on the exam, the student will be assigned to do one of the following as soon as possible: (1) Take both the beginning and intermediate language courses, (2) take the intermediate language course, or (3) enroll in exegesis and theology courses without further language study necessary.

Students who do not pass the exam and do not obtain the required grade in the course must retake the course without delay until the required grade is achieved.

### Readiness for Ministry

The MDiv program is dedicated to preparing every graduate for success in ministry. Godly and effective practice of ministry requires not only intellectual readiness, but also spiritual, physical, emotional, and social maturity. The MDiv Readiness for Ministry process helps seminarians evaluate their ministerial gifting and calling, discover and address strengths and weaknesses, and identify and pursue avenues of ministry appropriate to their giftedness. The program includes small-group mentoring as well as periodic assessments of the seminarian’s readiness for ministry, by the faculty, staff, and ministry supervisors.

Areas to be reviewed include spiritual commitment, character, social and relational skills, and general aptitude for ministry. On the basis of these assessments, the seminarian and his/her mentor will, at a minimum, receive feedback in the middle of their first year, and again shortly before graduation. If a significant issue arises that, in the discretion of the Seminary, seriously impairs the seminarian’s potential for ministry, appropriate action will be taken. This may include: referring the seminarian to the program director for guidance, remediation, and/or other appropriate action, counsel regarding alternate programs of ministry within the
University or elsewhere, or dismissing the seminarian from the MDiv program. As part of the admissions process, every MDiv applicant is required to sign an agreement to participate in this process. This agreement includes permission, which seminarians can withdraw later in the program, to share the final readiness for ministry profile available with prospective employers.

Additional Information

Hybrid Course Delivery Options
MDiv students may take up to one-half of their degree credits off-campus. The Hybrid delivery method utilizes various delivery methods to assist students in completing their MDiv degree. These options include:

• Interactive online classes through the Seminary Online Learning Center (SOLOC) (see School of Distance Education definitions).
• One week intensives at seminary extension sites in Unions throughout the United States and Canada (offered by the MA Pastoral Ministry English track). Certain classes in the MAPM program cannot be used by MDiv students. Advising is necessary prior to registration.
• Summer Session intensive courses on the main Andrews University campus
• Full semester, on-campus courses

For financial information regarding hybrid studies, please see Financial Information.

Students interested in the Hybrid delivery method must obtain approval and instructions on specific class options, costs and how to sign up for this option from the MDiv program office before beginning off-campus studies.

Transferred and Earned Credit Term Limits
All course credits applied towards degree requirements should be earned within 10 years of the awarding of the degree.

Advanced Standing
In accordance with ATS Standard 3.13, the Seminary has approved incoming MDiv students from outside North America to receive advanced standing. Advanced standing is credit given for advanced/upper division courses taken at the undergraduate level. In order to qualify for advanced standing, students must:

• Hold a 4-year Bachelor of Theology (BTh) degree or its equivalent from an accredited institution.
• Have graduated from an AAA-accredited institution outside of North America.

Criteria for Validation of Courses
Up to 18 credits of advanced standing may be granted. Each course to be considered for application toward advanced standing must:

• Have been taken within 10 years of the projected graduation date;
• Be an upper-division/advanced level course that:
• Contribute to the MDiv program learning outcomes;
• Have an earned grade equivalent of “B” or higher; and
• Be approved by the department teaching the MDiv core or elective course for which advanced standing credit is to be granted. Approval is determined based on whether the BTh course(s) have taught the essential course learning outcomes (at least 80% of the overall course learning outcomes) of the MDiv course it is seeking to replace.

MDiv Core Course Replacement Policy
MDiv core courses provide graduate level understanding considered by the seminary and the church to be essential for the pastor. Occasionally, an MDiv student may have already taken as part of their undergraduate degree, in addition to the required prerequisites for the MDiv program, an advanced college course in which they mastered the learning outcomes for the course at a graduate level. In such cases, a proposal to take an alternate course within the same discipline (department), at an equivalent or higher level, may be considered. To request the validation of a course, the student must submit to the MDiv office, within their first semester, a portfolio containing the following items:

• The Seminary Prior Learning Validation Form, initiated and signed by the student.
  • The course syllabus from the advanced-level undergraduate course evidencing that all the Course Learning Outcomes (CLOs) of the MDiv core course have been taught appropriately at a level of rigor equivalent to the MDiv graduate course;
• A transcript demonstrating that the student earned a B grade or higher in the undergraduate advanced-level course;
• An essay, normally to be followed by an interview by the department chair/faculty member responsible for the course, describing how each of the CLOs were taught, learned, and subsequently put into use at a graduate level of learning.

Transferring Credits to the MDiv Program
Provided the content of the courses are assessed as comparable to the curriculum of the Andrews University Master of Divinity program, students intending to transfer credits into the Master of Divinity Program should be aware of the following policies:

• A transfer of credits must be made by petition.
• Transfer credits are granted only for courses in which the grade is B or higher.
• A student may transfer a maximum of 39 credits (graduate level) may be transferred from an uncompleted graduate-level program.
• Up to 24 credits (graduate level) may be transferred to the Master of Divinity program from a completed master’s-level degree.
• At least 39 credits must be taken in-residence.

Summer Course Load
The 12 week summer semester is divided into two 4-week sessions and two 2-week sessions. The total amount of course work during the summer session may not exceed 12 credits. Students taking a biblical language during a summer session may not take other courses during that session.

Workshop Credit Limit and Grading Pattern
Master of Divinity students may apply up to 4 workshop credits appropriate to degree requirements. If workshops are taken during the semester breaks, the credits are counted as part of the class load for either the previous or the following semester.

Workshops are graded S/U. Any deviation from this pattern must be approved by the dean prior to the conclusion of the workshop. Students must register at the Academic Records Office for all workshops for which academic credit is desired.

Independent Study Restrictions
Students in the MDiv program are allowed to register for Independent Study only for a compelling reason such as a schedule conflict or the need to take a subject that is not offered in any given semester (for a maximum of 8 credits during their MDiv program). Independent study is only available to students on the main campus. Normally, Independent Study cannot be used to meet a core requirement. Students must first seek approval from the MDiv office before arranging with a teacher to do Independent Study.

Fees
For a detailed list of charges, please see Financial Information.

MDiv students taking a graduate course in the College of Arts & Sciences in fulfillment of an elective course requirement may request a 50% tuition reduction (up to 9 credits cumulative), provided the class is not full and there are a sufficient number of students paying full tuition to warrant the teaching of the course. Directed study, laboratory courses, and study tours are not eligible for reduced tuition. Neither is this discount available for dual enrollment students who have been accepted in a graduate degree program in the College of Arts & Sciences. (Application form is available in the MDiv office.)

Student Learning Outcomes
A graduate from this program:

• Models spiritual humility, maturity and integrity grounded in a living experience with God in joyful assurance of His salvation, nurtured by the sanctifying presence and power of the Holy Spirit. (Character)
• Manifests the practices of a Biblical scholar-theologian engaging the Bible, Christian/Adventist heritage and professional resources with theological maturity for personal growth and for facilitating the theological competence of others. (Scholarship)
• Demonstrates personal commitment, passion and essential skills for discipleship and evangelism, while equipping members to carry out ministry within the scope of the local and global mission of the Seventh-day Adventist church. (Discipleship & Evangelism)
• Exercises creative and visionary leadership as a minister and servant of Christ, discerning the needs, spiritual gifts and potential of others, in order to equip and engage in their God-given ministries. (Leadership)
• Engages the abilities of self and others to strategically steward personal and corporate resources including time, health, finances, property and service in areas of spiritual giftedness. (Administration/Management)
Models effective relationships with people of diverse cultures, backgrounds, character, and persuasions, reflecting the wisdom, compassion, and discernment of Jesus through the work of the Spirit. (Relationships)

Public Health, Nutrition, and Wellness Concentration MPH
The mission of the Master of Public Health (MPH) Program is to prepare highly competent public health professionals to prevent disease and restore health in local, national and global communities. This mission is accomplished through excellence in graduate teaching, and through public health research to develop or implement evidence-based lifestyle solutions to improve health while addressing public health problems from a wholistic perspective. We offer a distinctive program with a concentration in Nutrition & Wellness providing a unique emphasis in vegetarian nutrition. See the School of Population Health, Nutrition & Wellness Website for the statement of value and goals of the program.

Delivery: This program is offered in an interactive online format (see School of Distance Education definitions). The interactive online degree does not require any on-campus time.

MPH Dual Degree Option:
The MPH is also available with the following dual degree option:
- Public Health, Nutrition and Wellness Concentration/Divinity Dual Degree MPH/MDiv
- Public Health, Nutrition and Wellness Concentration/Social Work Dual Degree MPH/MSW

Total Credits - 42

Public Health Foundations - 20
- PBHL 500 - Introduction to Public Health Credits: 2
- 4 credits of PBHL 511 - Biostatistics Credits: 3,4
- PBHL 521 - Principles of Epidemiology Credits: 3
- PBHL 525 - Principles of Environmental Health Credits: 3
- PBHL 531 - Principles of Health Behavior Credits: 3 (MPH/MSW dual degree students, replace this course with SOWK 531 - Human Behavior and the Social Environment I and SOWK 532 - Human Behavior and the Social Environment II)
- PBHL 535 - Principles of Health Administration Credits: 3
- PBHL 580 - Applied Practice Experience Credits: 2,3
- FDNT 670 - Comprehensive Exam Credits: 0

Research - 5
- FDNT 560 - Health Research Methods Credits: 3
- FDNT 680 - Research Seminar Credits: 1
- PBHL 575 - Integrated Learning Experience Credits: 1

Nutrition & Wellness Concentration - 17
- FDNT 520 - Vegetarian Nutrition and Disease Prevention Credits: 3
- FDNT 565 - Current Issues in Nutrition and Wellness Credits: 3
- FTES 510 - Fitness and Health Promotion Credits: 2
- PBHL 540 - Grant Writing Credits: 2
- PBHL 545 - Program Planning and Evaluation Credits: 3 (MPH/MSW dual degree students replace this course with SOWK 660 - Advanced Practice Evaluation)
- PBHL 646 - Integration of Spirituality in Health Care Credits: 2

Choose one of the following courses:
(Note: MPH/MSW dual degree students replace this choice with SOWK 630 - Policy for Social Change)
- FDNT 553 - Phytotherapy and Pharmacology of Herbs and Spices Credits: 2
- PBHL 543 - Introduction to Geographic Information Systems (GIS) Credits: 2

Additional Requirements
Student is required to demonstrate ability to integrate specific areas of Administration, Epidemiology, Statistics, Environmental Health, Health Behavior, Program Planning and Evaluation, and Nutrition during culminating activities.

Culminating activities include a written comprehensive exam, Applied Practice Experience, professional portfolio, and an exit survey at the conclusion of program.
These courses could be co-taught with faculty from the seminary. Occasionally, a course may be co-taught within the department by faculty holding an MSW degree. However, students are required to complete 46 core credit hours of the two-year regular MSW program. Due to the strict requirements of the Council on Social Work Education’s accrediting mandates, these core courses must all be taught or co-taught within the department by faculty holding an MSW degree. However, these courses could be co-taught with faculty from the seminary. Occasionally, a student who has already earned a BSW from an accredited program may apply to this program. In this case, the student would be placed in the Advanced Standing program, and take either 33 credits (Advanced Standing) or 39 credits (Advanced Standing Plus). Students with an undergraduate GPA of 3.0 or higher are eligible to complete the Advanced Standing Program while those with a lower GPA must complete the Advanced Standing Plus requirements.

Program Information

Information for the two programs (Divinity MDiv and Social Work MSW) follows:

Divinity MDiv

E-mail: mdiv@andrews.edu

The Master of Divinity (MDiv) is a 78-credit professional program recommended as the graduate training for Adventist ministry by the General Conference of Seventh-day Adventists and the North American Division. It is a two-year professional program (including summers) for full-time students. Additional semesters may be required for students lacking prerequisites.

Concentration Options

Students may - if desired - complete a concentration:

- Chaplaincy
- Marriage and Family Life Ministry
- Youth and Young Adult Ministry

MDiv Dual Degree Options

The MDiv is also available with the following dual degree options:

- Divinity/Communication Dual Degree MDiv/MA
- Divinity/Community and International Development Dual Degree MDiv/MSCID
- Divinity/Public Health Dual Degree MDiv/MPH
- Divinity/Social Work Dual Degree MDiv/MSW

Mission

In harmony with the mission and core values of the Seventh-day Adventist Theological Seminary, the Master of Divinity degree equips called, committed men and women with practical biblical, theological, and ministerial knowledge and skills to prepare them for Christlike service as leaders and equippers.

Vision

We envision the Master of Divinity community as a relationally healthy and diverse family focused on developing balanced and spiritually mature ministry leaders who are committed to equipping people in accomplishing God’s mission and the prophetic calling of the Seventh-day Adventist Church.

Total Credits - 78

Interdisciplinary - 2

GSEM 505 - Colloquium: ______________________ Credits: 0

Brief (4.5 hour) colloquia on a variety of ministry topics will be offered each semester for MDiv students.

- Full-time (9 credits or more) students studying on the main campus must attend one or more colloquia sessions per Fall/Spring semester that they are in the MDiv program.
- Colloquia requirements for transfer students or those taking part of their MDiv off-campus will be one colloquium for each Fall/Spring semester that they are on the main campus.

Students from previous bulletins who petition to move into the current bulletin will take 1 colloquium per Fall/Spring semester for the remaining semesters of their on campus program.

2 credits of GSEM 530 - Doctrine of the Sanctuary Credits: 2,3

Great Controversy, Covenant, Law, and Sabbath - 2-3

Choose one of the following Great Controversy, Covenant, Law and Sabbath courses:

2 credits of CHIS 638 - History of the Great Controversy, Covenant, Law, Sabbath Credits: 2,3

3 credits of NTST 650 - Great Controversy, Covenant, Law and Sabbath Credits: 2,3

2 credits of OTST 610 - The Great Controversy, Covenant, Law, Sabbath Credits: 2,3

3 credits of THST 608 - The Great Controversy, Covenant, Law, Sabbath Credits: 2,3

Practical and Applied Theology - 19

2 credits of PATH 523 - Worship: Word and Music Credits: 2,3

PATH 539 - Church Growth and the Equipping Leader Credits: 3

2 credits of PATH 543 - Christian Leadership in a Changing World Credits: 2,3

2 credits of PATH 555 - Pastoral Counseling Credits: 2,3

(MDiv/MSW Dual Degree Students must replace this course with SOWK 601)

2 credits of PATH 560 - Advanced Ministerial Development Credits: 2 (TTE for Dual Degree Students: If student is in a dual degree, they may substitute this course with the appropriate practicum course in their corresponding dual degree. MDiv/MSW Dual Degree students must take SOWK 510. MDiv/MSCID students may take TTE or CIDS 680.)

3 credits of PATH 562 - Field Evangelism Credits: 3-6

1 credit of PATH 567 - Health & Lifestyle Transformation Credits: 1 (MDiv/MPH Dual Degree students, replace this course with FDNT 520 - Vegetarian Nutrition and Disease Prevention Credits: 3)

Choose one of the following Advanced Preaching courses (CHMN list) for 2 credits:

- PATH 600 - Preaching from the New Testament Credits: 2,3
- PATH 601 - Preaching Biblical Prophecies Credits: 2,3
- PATH 603 - Evangelistic Preaching Credits: 2,3
- PATH 607 - Preaching from the Old Testament Credits: 2,3
- PATH 609 - Media Ministry Credits: 2,3
- PATH 627 - Black Preaching Credits: 2,3
- PATH 632 - Contextualized Preaching: ______________________ Credits: 2,3
- PATH 633 - Preaching the Literary Forms of the Bible Credits: 2,3
- PATH 634 - Field Evangelistic Preaching & Practicum Credits: 2,3
- PATH 637 - Seminar in Preaching Credits: 2,3

Choose one of the following NADEI courses (NADEI list) for 2 credits:

- PATH 604 - Mobilizing for Evangelistic Ministry Credits: 2,3
- PATH 606 - Mission-Shaped Church Planting Credits: 2,3
- PATH 656 - Evangelistic Small Groups Credits: 2,3

Church History - 7

2 credits of CHIS 624 - Issues in Ellen G. White Studies Credits: 2,3

3 credits of CHIS 674 - Development of Seventh-day Adventist Theology Credits: 2,3

Choose one of the following courses (CHIS list) for 2 credits:

- CHIS 600 - The Early Church to A.D. 604 Credits: 2,3
- CHIS 609 - The Church in the Middle Ages Credits: 2,3
- CHIS 620 - Seminar in Christian Biography Credits: 2,3
- CHIS 625 - Seminar in Church-State Thought Credits: 2,3
- CHIS 629 - History of Christian Spirituality Credits: 2,3
- CHIS 630 - History of Jewish Experience Credits: 2,3
- CHIS 634 - Reformation Theology Credits: 2,3
- CHIS 635 - History of the African American Churches Credits: 2,3
- CHIS 638 - History of the Great Controversy, Covenant, Law, Sabbath Credits: 2,3
- CHIS 640 - Reformation: ______________________ Credits: 2,3
- CHIS 650 - English Reformation and Rise of Puritanism Credits: 2,3
- CHIS 654 - Seminar in English Reformation and Puritan Theology Credits: 3
- CHIS 655 - Wesley and Methodism Credits: 2,3
- CHIS 657 - Seminar in Reformation Theology Credits: 3
- CHIS 659 - Seminar in the History of Selected Christian Doctrines Credits: 3
- CHIS 660 - History of Religion in America Credits: 2,3
- CHIS 664 - History of American Religious Thought Credits: 2,3
- CHIS 665 - Modern Church History Credits: 2,3
- CHIS 668 - History of Religious Liberty Credits: 2,3
Discipleship and Lifespan Education - 9

List C) - Intermediate Greek proficiency required:

Choose one of the following New Testament Background courses for 2 credits

Choose one of the following New Testament Exegesis courses for 3 credits

New Testament - 8

The New Testament Revelation requirement may be met by one of the following means:

- An undergraduate Revelation course. A syllabus must be submitted to the NTST department for evaluation. If approved, the Revelation requirement will be waived and the student may take the exegesis and theology courses of their choice.
- NTST 530 - Introduction to Revelation Credits: 2 (a prerequisite course) taken in the Seminary
- NTST 647 - Eschatology Credits: 2,3 (as New Testament Theology) (Prerequisite: NTST 530 or undergraduate Revelation course)
- NTST 648 - Revelation Credits: 2,3 (as New Testament Exegesis) (Prerequisite: NTST 530 or undergraduate Revelation course)

Choose one of the following New Testament Exegesis courses for 3 credits (NTST List A)

- Intermediate Greek proficiency required:
  - NTST 645 - Hebrews Credits: 2,3
  - NTST 646 - Topics in New Testament Exegesis Credits: 2,3
  - NTST 648 - Revelation Credits: 2,3
  - NTST 653 - Advanced Studies in the General Epistles Credits: 2,3
  - NTST 655 - Advanced Studies in the Gospels Credits: 2,3
  - NTST 658 - Advanced Studies in the Pauline Writings Credits: 2,3
  - NTST 678 - Seminar in Greek Exegesis Credits: 2,3

Choose one of the following New Testament Theology courses for 3 credits (NTST List B)

- Intermediate Greek proficiency required:
  - NTST 613 - Love, Marriage and Divorce Credits: 2,3
  - NTST 614 - Suffering, Death and Resurrection Credits: 2,3
  - NTST 616 - Theology of Luke-Acts Credits: 2,3
  - NTST 623 - New Testament Theology of Prayer Credits: 2,3
  - NTST 627 - New Testament Theology of Salvation Credits: 2,3
  - NTST 628 - The Holy Spirit in the New Testament Credits: 2,3
  - NTST 629 - New Testament Ecclesiology Credits: 2,3
  - NTST 630 - Theology of the Synoptic Gospels Credits: 2,3
  - NTST 633 - Social Issues in the New Testament Credits: 2,3
  - NTST 634 - Theology of the Pauline Epistles Credits: 2,3
  - NTST 641 - Theology of the Johannine Writings Credits: 2,3
  - NTST 647 - Eschatology Credits: 2,3
  - NTST 650 - Great Controversy, Covenant, Law and Sabbath Credits: 2,3
  - NTST 667 - Topics in New Testament Theology Credits: 2,3
  - NTST 668 - New Testament Ethics Credits: 2,3
  - NTST 676 - Jesus in Recent Scholarship Credits: 2,3
  - NTST 679 - Seminar in New Testament Theology and Ethics Credits: 2,3

Choose one of the following New Testament Background courses for 2 credits (NTST List C)

- Intermediate Greek proficiency required:
  - NTST 515 - New Testament Backgrounds Credits: 2,3
  - NTST 606 - New Testament Textual Criticism and Canon Formation Credits: 2,3
  - NTST 615 - New Testament Archaeology Credits: 2,3
  - NTST 626 - Seminar in Classical Jewish Literature Credits: 2,3
  - NTST 635 - Intertextual Literature Credits: 2,3
  - NTST 636 - Jerusalem in the Time of Jesus Credits: 2,3
  - NTST 654 - Second Century Christianity Credits: 2,3
  - NTST 680 - Greco-Roman World Credits: 2,3
  - NTST 684 - Judaism and the New Testament Credits: 2,3
  - NTST 689 - Seminar in New Testament Backgrounds Credits: 2,3
  - NTST 695 - Topics in New Testament Backgrounds Credits: 2,3

Old Testament - 8

2 credits of OTST 674 - Daniel Credits: 2,3

Choose one of the following Old Testament Exegesis courses for 2 credits (OTST List A)

- Intermediate Hebrew proficiency required:
  - OTST 625 - Biblical Hebrew II Credits: 3 (MDiv students must make arrangements with the professor if they wish to use OTST625 as an OT Exegesis course. An exegetical paper will be required. This course is offered strictly as 3 credits.)
  - OTST 628 - Methods of OT Exegesis Credits: 2,3
  - OTST 639 - Studies in Old Testament Exegesis Credits: 2,3
  - OTST 664 - Pentateuch Credits: 2,3
  - OTST 666 - Historical Books Credits: 2,3
  - OTST 668 - Psalms/Wisdom Literature Credits: 2,3
  - OTST 675 - Minor Prophets Credits: 2,3
  - OTST 680 - Seminar in Old Testament Exegesis Credits: 2,3
  - OTST 686 - Major Prophets Credits: 2,3

Choose one of the following Old Testament Theology courses for 2 credits (OTST List B)

- Intermediate Hebrew proficiency required:
  - OTST 610 - The Great Controversy, Covenant, Law, Sabbath Credits: 2,3
  - OTST 619 - Theology of the Old Testament Credits: 2,3
  - OTST 620 - Seminar in Old Testament Theology Credits: 2,3
  - OTST 627 - Jewish Life and Thought Credits: 2,3
  - OTST 685 - Principles of Hermeneutics Credits: 2,3

Choose one of the following archaeology courses:

2 credits of OTST 510 - Archaeology and the Bible Credits: 2,3

or

Students who have taken an undergraduate course in biblical archaeology may replace OTST 510 with a 2-credit advanced archaeology course from the following list (OTST List C):

- ANEA 615 - Seminar in Archaeology and History of Antiquity Credits: 2,3
- NTST 615 - New Testament Archaeology Credits: 2,3
- NTST 604 - History of the Ancient Near East Credits: 2,3
- OTST 635 - History of Israel Credits: 2,3

Theology - 13

3 credits of THST 611 - Revelation, Inspiration and Hermeneutics Credits: 3
2 credits of THST 635 - Issues in Origins Credits: 2,3

Choose one of the following Systematic Theology courses for 3 credits (THST List A):

- THST 608 - The Great Controversy, Covenant, Law, Sabbath Credits: 2,3
- THST 615 - Doctrine of the Church Credits: 2,3
- THST 616 - Doctrine of God Credits: 2,3
- THST 617 - The Works of God Credits: 2,3
- THST 618 - The Works of Christ Credits: 2,3
- THST 619 - Principles and Methods of Theology Credits: 2,3
- THST 630 - Doctrine of Christ Credits: 2,3
- THST 637 - Biblical Eschatology Credits: 2,3
- THST 639 - Doctrine of the Holy Spirit Credits: 2,3
- THST 640 - Doctrine of Salvation Credits: 2,3
- THST 647 - Human Nature and Destiny Credits: 2,3
- THST 649 - Seminar in Theological Issues: Credits: 2,3
- THST 678 - Science and Religion Credits: 2,3

Choose one of the following Historical Theology courses for 2 credits (THST List B):

- THST 623 - Contemporary Adventist Theological Issues Credits: 2,3
- THST 624 - Protestant Theological Heritage Credits: 2,3
- THST 625 - Early Christian Theology Credits: 2,3
- THST 626 - Modern Christian Theology Credits: 2,3
- THST 627 - Roman Catholic Life & Thought Credits: 2,3
- THST 628 - Contemporary Theology Credits: 2,3
- THST 629 - History and Theology of Ecumenism Credits: 2,3
- THST 656 - Seminar in Historical Theology: Credits: 2,3
- THST 667 - Postmodernism and the Church Credits: 2,3
- THST 676 - History of Philosophy Credits: 2,3
Choose one of the following Ethics courses:

- 3 credits of THST 605 - Principles of Christian Ethics Credits: 2,3
- Or students who have taken an undergraduate course in Ethics may replace THST 605 with a 3-credit advanced ethics course from the following list (THST List C):
  - THST 622 - Foundations of Philosophical Ethics Credits: 3
  - THST 633 - Ethics and the Good Life Credits: 2,3
  - THST 634 - Christian Social Ethics Credits: 2,3
  - THST 643 - Christian Professional Ethics Credits: 2,3 (MDiv/MSW Dual Degree students must replace this course with SOWK 515)
  - THST 644 - Theological Ethics Credits: 2,3
  - THST 659 - Seminar in Philosophy, Theology, and Ethics: Credits: 2,3
  - THST 660 - Church and Society Credits: 2,3
  - PATH 549 - Philosophy & Ethics of Chaplaincy Credits: 3

World Mission - 6
MSSN 546 - Mission in Cultural and Religious Context Credits: 3

Choose one of the following Mission courses for 3 credits (MSSN List):
(NOTE: MSSN 546 is prerequisite to all other Mission courses."
- MSSN 505 - Christian Responses to Human Needs Credits: 2,3
- MSSN 561 - Christian Witness and World Religions Credits: 3
- MSSN 610 - Theology of Mission Credits: 3
- MSSN 615 - Anthropology for Mission and Ministry Credits: 2,3
- MSSN 618 - Mission to the Cities Credits: 3
- MSSN 630 - Cross-Cultural Leadership Development Credits: 2,3
- MSSN 635 - Contemporary Issues in Mission Credits: 2,3
- MSSN 660 - Witnessing to People of Another Religion Credits: 2,3
- MSSN 676 - History of Christian Mission Credits: 2,3
- MSSN 685 - Strategies for World Mission Credits: 2,3
- MSSN 695 - Topics __ Credits: 1–6

General Electives - 6
- Students will take 6 credits of general electives.
- Electives may not be used to satisfy prerequisites and/or deficiencies.
- Students may use elective credits toward the completion of an MDiv concentration or a dual degree program.
- Up to 6 credits in relevant courses offered by other schools of the university on the graduate level may be included in the general electives, including up to 4 appropriate workshop credits.
- Transfer credit petitions from other schools/colleges within Andrews University or from any other University must be done in consultation with the MDiv Office.

Thesis Option:
Students anticipating academic doctoral studies after the completion of their MDiv program are advised to undertake the thesis option as some academic institutions require a master's-level thesis for entry into doctoral programs.

The thesis counts as 6 general elective credits allowed for the MDiv degree. Students should register for 2 or more thesis credits per term for at least two semesters. Therefore, initial registration for a thesis must be no later than two semesters prior to graduation. Students electing to write an MDiv thesis must apply to the director of the program and must (1) demonstrate superior scholarship over a minimum of two consecutive semesters, normally with a GPA of 3.50 or above; (2) take Research Methods before the thesis is started; and (3) submit a paper of superior quality before permission is granted by the director to begin writing the thesis. The student is guided in thesis preparation by a three-member committee appointed by the director in consultation with the student and department chair in which the subject of the thesis is chosen. The chair of this committee serves as the thesis advisor.

The format of the thesis must conform strictly to the Andrews University Standards for Written Work. Students are strongly urged to consult the dissertation secretary before formatting and printing a thesis.

At least six weeks before graduation, the committee-approved draft of the thesis should be submitted to the dissertation secretary. After alternative changes have been made, the corrected copy should be submitted at least four weeks before graduation to the dissertation secretary for approval. Copying on non-acid paper should be completed at least two weeks before graduation. Three copies of the thesis, including a 150-word abstract and an approval sheet, must be submitted to the dissertation secretary. The abstract should contain a short statement of the problem examined, a brief exposition of methods and procedures, and a condensed summary of the findings.

Students obtain a Thesis Completion Form from the dissertation secretary. They must take the form to the Academic Records Office no later than noon on Friday, a week preceding graduation. A fee is charged by the university for binding the three copies of the thesis, two of which are deposited in the library and one in the department in which the student earns the degree.

Students who do not adhere strictly to the deadlines noted above will have their graduation postponed. Thesis candidates must pass an oral examination no later than two weeks before graduation. The candidate is expected to demonstrate mastery of the thesis topic.

Concentrations

Note: Dual degree students who choose to complete a concentration will increase their total credits required by 12.

Chaplaincy Concentration - 12
Chaplaincy is a highly qualified and dynamic expression of ministry based on the Bible and supported by the Seventh-day Adventist Church. The chaplaincy concentration provides the basic training and preparation for service beyond the church borders in various chaplaincy ministries, such as in healthcare, military, campus, prison, police and fire departments, community, and corporate settings. It also prepares pastors and church leaders to advance in their caregiving and empathic ministry skills for an immediate impact in the church and the surrounding communities.

- 2 credits of PATH 507 - Introduction to Chaplaincy Ministry Credits: 2
- 2 credits of PATH 516 - Death & Grief in Contemporary Society Credits: 2
- 3 credits of PATH 643 - Trauma & Advanced Crisis Intervention Credits: 2
- 3 credits of PATH 549 - Philosophy & Ethics of Chaplaincy Credits: 3

(Prerequisite: Undergraduate Ethics course or THST 605)

PATH 557 - Practicum in Clinical Pastoral Education (CPE) Credits: 2-8
If a student wishes to receive CPE credit for units already earned, a per-credit recording fee is charged by the university for PATH 557 Practicum in Clinical Pastoral Education (CPE), or PATH 641 Practicum in Military Chaplaincy. (Application form is available in the Christian Ministry Office.) If a student wishes to register for their CPE units concurrently with other full semester courses, the registration will be part of their MDiv load, and there will be no recording fee assessed.

Students taking military chaplaincy can also take the following:
PATH 614 - Practicum in Military Chaplaincy Credits: 2-8

Marriage and Family Life Ministry Concentration - 12
Healthy, spirit-filled marriages and families are the backbone of Christian life and most clearly reflect the character of Christ in our churches and in the world. When marriages and families are broken, our churches suffer. The Concentration on Marriage and Family Life Ministry is designed to prepare MDiv students to equip their churches to be vibrant and healthy in the way they foster relationships in their individual families as well as in church and the community. Students who take this concentration will be better equipped to educate their congregations in areas of family life. They will also be better prepared to address the family issues that will come to them for counseling. Pastors with these courses will be able to create healthy churches and more positively impact their communities for Christ.

In addition to the core MDiv requirement DSLE 503 - Marriage, Family, and Interpersonal Relationships for 2 credits, students who choose this concentration will take 12 credits in the following courses:

Choose one of the following courses:
- 3 credits of DSLE 635 - Christian Perspectives on Professional Ethics Credits: 2,3
- DSLE 659 - Human Sexuality Credits: 3

Choose one of the following courses:
- DSLE 655 - Families in Society Credits: 3
- DSLE 658 - Internal Dynamics of Families Credits: 3

Choose one of the following courses:
- 3 credits of DSLE 678 - Spiritual Nurture of Children Credits: 2,3
- DSLE 679 - Parenting Education and Guidance Credits: 3

Choose one 3-credit course from the following:
- DSLE 610 - Teaching for Discipleship Credits: 2,3
- DSLE 626 - Ministry to At-Risk Youth Credits: 2,3
- DSLE 651 - Foundations of Biblical Counseling Credits: 2,3
- DSLE 652 - Personal and Family Finance Credits: 3
- DSLE 657 - Social Policy Credits: 2,3

Youth and Young Adult Ministry Concentration - 12
A Youth and Young Adult Ministry (YHAM) Concentration is available for students wishing to gain specialized skills and knowledge for service in pastoral and administrative leadership to address the needs of youth and young adults. The MDiv with the YHAM Concentration requires a total of 84 credits.

In addition to the core MDiv requirement DSLE 534 - Ministry to Youth and Young Adults for 2 credits, students who choose this concentration will take 12 credits in the following courses:

Students who choose this concentration must select 2 credits of PATH 632 Contextualized Preaching: Youth in fulfillment of the Christian Ministry requirement for an Advanced Preaching Core Elective (CHMN list).

- 3 credits of DSLE 564 - Advanced Youth and Young Adult Ministry Leadership
  Credits: 2, 3
- 2 credits of DSLE 608 - Youth and Young Adults in Contemporary Culture Credits: 2, 3
- 3 credits of DSLE 636 - Seminar in Youth Ministry Credits: 1-3
- 2 credits of DSLE 656 - Counseling Youth and Young Adults Credits: 2, 3

Choose at least 2 credits from the following courses:
- DSLE 610 - Teaching for Discipleship Credits: 2, 3
- DSLE 626 - Ministry to At-Risk Youth Credits: 2, 3
- DSLE 630 - Fostering Spiritual Growth Credits: 2, 3
- DSLE 651 - Foundations of Biblical Counseling Credits: 2, 3
- DSLE 664 - Advanced Campus Ministry Credits: 3 *
- DSLE 669 - Reaching the Secular Mind Credits: 2, 3
- DSLE 678 - Spiritual Nurture of Children Credits: 2, 3

*Students wishing to pursue campus chaplaincy should register for DSRE 664 Advanced Campus Ministry as their choice of core elective.

Additional Requirements

MDiv students must meet the following requirements in addition to those required of all graduate students:

- Complete the MDiv curriculum of at least 78 credits. Students lacking adequate undergraduate preparation will be required to complete additional prerequisite credits. The actual number of credits required is based on individual academic evaluation.
- Attend selected brief colloquia from among those offered on a variety of ministry topics each semester for MDiv students. On campus students will be required to attend at least 4 of these 0 credit colloquia sessions during their MDiv experience.
- Maintain a GPA of 2.75 or above.
- Meet the qualitative standards of the MDiv program.
- No U grade or any grade below C- will count towards the MDiv degree, but will be counted in the student's cumulative GPA.

Academic Probation

MDiv students whose cumulative GPA falls below 2.75 will be placed on academic probation and will have their course load reduced to no more than 10 semester credits. MDiv students whose cumulative GPA remains below 2.75 for a second consecutive semester will be required to meet with the MDiv program director and will enter into a probation contract, have regular meetings with their academic advisor, and fulfill other requirements as needed. Following that, should their GPA not improve, they may be asked to withdraw from the program.

When an incomplete or Deferred Grade has not been cleared by the end of the following semester, the student's course load must be reduced as follows:

- One Incomplete/ DGs — no reduction
- Two Incompletes/DGs — may register for no more than 10 credits
- Three Incompletes/DGs — may register for no more than 9 credits

With more than three I/DGs, the student must cease taking classes until the Incompletes/DGs are cleared.

Evaluation of Students

Since the MDiv program prepares individuals for professional and pastoral leadership, periodic assessments are made of the students by the faculty in areas other than academic standing. Areas reviewed are students' spiritual growth, lifestyle reflective of the beliefs and practices of the Seventh-day Adventist Church, social/family relations, and developing potential for ministry. As a result of these assessments, students are affirmed in the MDiv program, advised of needed adjustments, or discontinued from the program.

Maintaining Active Status

Residency Requirements: Students must maintain active status by enrolling for at least two semesters within one academic year. When this fails to happen, the student must follow the bulletin in force at the time active status is reestablished.

Following an absence of two years or more, a student's previous admission status will have lapsed and the student will need to reapply to the program.

Graduation

The Seminary follows the University graduation procedures and requirements for the conferment of degrees. A dedication ceremony for graduating seminary students is held on the Sabbath afternoon of graduation weekend, or as announced.

Admission Requirements

All MDiv applicants must meet the Graduate Programs Admission Requirements applicable to all graduate students and the general seminary requirements.

- Hold a baccalaureate degree: A four-year degree from an accredited United States institution, or its equivalent from an institution outside the U.S.
- Minimum of 2.5 Undergraduate GPA.
- Normally hold membership in the Seventh-day Adventist Church given that the MDiv program is specifically designed for Adventist ministers and is sponsored and financed by the Adventist church.
- Represent high moral integrity with a character, lifestyle, and spiritual commitment reflective of the beliefs and practices of the Seventh-day Adventist Church and show promise of usefulness for Adventist ministry through personal maturity and adequate experience in the Church. (Persons of other faiths who are willing to live in harmony with these standards are welcome to apply.)
- Submit an autobiographical history and a 350+ word statement of purpose reflecting the applicant's family and spiritual development, sense of calling to ministry, experience in church work, and future goals in relationship to the MDiv program. A guideline is provided in the admissions package.
- If married, the spouse of the applicant is also asked to complete a statement in regard to his or her feelings and relationship to the partner's aspirations for future ministry.
- Background Check. Applicants to all Seminary programs are required to undergo a criminal background check as specified in the online application process. The criminal background check must be completed within six months of beginning coursework and be redone every three years while in attendance at the seminary. The base cost of the background check is paid as part of the application process. Applicants are responsible for any additional fees charged by municipalities in which they have resided, and for the costs of subsequent background checks.
- An interview with a representative of the MDiv program may be required, either by personal contact, telephone, or video.
- Applicants to all Seminary programs are required to complete and submit to the Seminary the "Pre-Admission Conduct Disclosure Statement."

Recommendations:

- Church board where the applicant is a member
- Church administrator, pastor, or elder
- General Recommendation from: College teacher or advisor, recent employer, or some other non-family member

Prerequisites

Students are expected to present a broad range of undergraduate general education represented in such studies as behavioral sciences (including psychology and sociology) communication, education, English composition, fine arts, health, history, philosophy and computer literacy. In addition, courses in the following areas are strongly recommended: Christian ethics, missions, and apologetics.

Students who enter the Master of Divinity program who have not previously taken the following classes on the undergraduate level must fulfill the following prerequisite areas, all of which may be taken either at the Seventh-day Adventist Theological Seminary or at the undergraduate level. Courses taken outside of the seminary must be approved through the MDiv office in consultation with the appropriate department.

Students must complete or be exempted from prerequisites in any given department prior to beginning core classes.
Pastoral Ministries and Church Policy - 2 credits
Biblical Preaching - 2 credits
Personal Evangelism - 2 credits
Introduction to Church History - 4 credits
Adventist Heritage - 3 credits
Christian Theology - 6 credits
Christian Ethics - 2-3 credits
Survey of the New Testament - 4 credits
Intermediate level Greek proficiency*
Survey of the Old Testament - 4 credits
Intermediate level Hebrew proficiency*

* Subject can be cleared through optional challenge exam.

Students who have not previously taken the following classes on the undergraduate level must fulfill these prerequisites. Some of these subjects can be cleared through optional challenge exams. Current Greek and Biblical Hebrew language intermediate level proficiency must be accomplished through placement exam or by passing both the beginning and intermediate levels of each language:

2 credits of CHIS 506 - Church History to 1500
2 credits of CHIS 507 - Church History 1500 to Present
1.5 credits of CHIS 570 - History of the Seventh-day Adventist Church
1.5 credits of CHIS 571 - The Life and Writings of Ellen G. White
2 credits of PATH 505 - Biblical Preaching
2 credits of PATH 536 - Personal Evangelistic Ministry
2 credits of PATH 552 - Foundations of Pastoral Ministry

NOTE: Students who have passed a basic course in pastoral ministry from an accredited Seventh-day Adventist undergraduate institution, or who have been Conference-employed as pastors for two years or more will be exempted from CHMM 552, provided their hiring/sponsoring organization can provide proof of at least two years of pastoral employment via their service record. Exemptions to this rule will be granted on a case by case basis as determined by the Christian Ministry Chairperson.

2 credits of NTST 520 - Introduction to the New Testament
2 credits of NTST 530 - Introduction to Revelation
2 credits of NTST 551 - Beginning Greek Credits: 0,2 (Passed at C- or higher or score 45% or higher on the Greek Placement Exam - May, August)

NOTE: Any student who wishes to take a biblical language placement exam must take at least one of the exams in May or August of the year they enroll in seminary. If the student wishes to take the exam for the second language it must be taken before the start of their second year in seminary.

3 credits of NTST 552 - Intermediate Greek Credits: 0,3 (Passed at C or higher or score 60% or higher on the Greek Placement Exam - May, August)
2 credits of OTST 500 - Survey of the Old Testament
3 credits of OTST 551 - Biblical Hebrew I Credits: 0,3 (Passed at a minimum of C+ or score 75% or higher on the Beginner Hebrew Placement Exam - May, August)

NOTE: Any student who wishes to take a Biblical language placement exam must take at least one of the exams in May or August of the year they enroll in seminary. If the student wishes to take the exam for the second language it must be taken before the start of their second year in seminary.

2 credits of OTST 552 - Biblical Hebrew II Credits: 0,2,3 (Passed at a minimum of C+ or score 75% or higher on the Intermediate Hebrew Placement Exam - May, August)
2 credits of OTST 565 - Survey of the Pentateuch
3 credits of THST 521 - Christian Theology I Credits: 2,3
3 credits of THST 522 - Christian Theology II Credits: 2,3

English Language Requirements
All students whose first language is not English must demonstrate adequate proficiency in English to succeed in the academic setting. Language proficiency requirements must be met before enrolling full-time in regular course work.

- TOEFL Paper-based - 565
- TOEFL Internet-based - 85
- MELAB - 81
- IELTS - 6.5
- PTE - 58

Application Deadline
Given that applying and obtaining pertinent documents for admission can be a long process, the student must start the application process at least 4-6 months before the desired starting semester. See University deadlines for individual semesters here.

Placement, Entrance, and Challenge Examinations
MDiv students may challenge the prerequisite courses above (marked by an asterisk) by taking examinations developed for that purpose. Zero credit shall be granted for each examination passed and the student academic transcript will show the equivalent course name, number, and a grade of P – the designation for Challenge by Examination. No entry shall be made on the transcript if the examination is failed and the student shall be required to take the prerequisite course for credit. Each examination may be taken only once.

Biblical Hebrew and Biblical Greek Prerequisites
Hebrew and Greek are required at the Intermediate proficiency level. Language Proficiency must be demonstrated within the first two years in seminary. For each language, students may demonstrate proficiency by either: (1) passing the Beginning (OTST 551/NTST 551) and Intermediate (OTST 552/NTST 552) courses in that language at the required level, or (2) passing the Placement Exam.

Undergraduate credits alone do not demonstrate current proficiency in a language.

Option 1: Language Courses
Students may demonstrate proficiency in Biblical Hebrew by passing Beginning Hebrew (OTST 551) and earning a grade of at least C+ in Hebrew II (OTST 552).

Students may demonstrate proficiency in Greek by passing Beginning Greek and earning a grade of at least C in Intermediate Greek (NTST 552).

Option 2: Placement Exam
Students also have the option of demonstrating proficiency in a biblical language by passing the corresponding placement exam. Placement exams may be taken only once for each language. Any student who wishes to take a placement exam must take at least one of them in May or August of the year they enroll in seminary. If the student wishes to take the exam for the second language it must be taken by September of their second year in seminary. Placement exams must be taken at the regular May or August dates set by the seminary.

Preparation materials designed to help students prepare for the placement examinations are available from the Old Testament (otst@andrews.edu) and New Testament (ntst@andrews.edu) departments.

Based on the score achieved on the exam, the student will be assigned to do one of the following as soon as possible: (1) Take both the beginning and intermediate language courses, (2) take the intermediate language course, or (3) enroll in exegesis and theology courses without further language study necessary.

Students who do not pass the exam and do not obtain the required grade in the course must retake the course without delay until the required grade is achieved.

Readiness for Ministry
The MDiv program is dedicated to preparing every graduate for success in ministry. Godly and effective practice of ministry requires not only intellectual readiness, but also spiritual, physical, emotional, and social maturity. The MDiv Readiness for Ministry process helps seminarians evaluate their ministerial gift and calling, discover and address strengths and weaknesses, and identify and pursue avenues of ministry appropriate to their giftedness. The program includes small-group mentoring as well as periodic assessments of the seminarian’s readiness for ministry, by the faculty, staff, and ministry supervisors.

Areas to be reviewed include spiritual commitment, character, social and relational skills, and general aptitude for ministry. On the basis of these assessments, the seminarian and his/her mentor will, at a minimum, receive feedback in the middle of their first year, and again shortly before graduation. If a significant issue arises that, in the discretion of the Seminary, seriously impairs the seminarian’s potential for ministry, appropriate action will be taken. This may include: referring the seminarian to the program director for guidance, remediation, and/or other appropriate action, counsel regarding alternate programs of ministry within the University or elsewhere, or dismissing the seminarian from the MDiv program. As part of the admissions process, every MDiv applicant is required to sign an agreement to participate in this process. This agreement includes permission, which seminarians can withdraw later in the program, to share the final readiness for ministry profile available with prospective employers.

Additional Information
Hybrid Course Delivery Options
MDiv students may take up to one-half of their degree credits off-campus. The Hybrid delivery method utilizes various delivery methods to assist students in completing their MDiv degree. These options include:

- Interactive online classes through the Seminary Online Learning Center (SOLC) (see School of Distance Education definitions).
- One week intensives at seminary extension sites in Unions throughout the United States and Canada (offered by the MA Pastoral Ministry English

565
track). Certain classes in the MAPM program cannot be used by MDiv students. Advising is necessary prior to registration.

- Summer Session intensive courses on the main Andrews University campus
- Full semester, on-campus courses

For financial information regarding hybrid studies, please see Financial Information.

Students interested in the Hybrid delivery method must obtain approval and instructions on specific class options, costs and how to sign up for this option from the MDiv program office before beginning off-campus studies.

Transferred and Earned Credit Term Limits
All course credits applied towards degree requirements should be earned within 10 years of the awarding of the degree.

Advanced Standing
In accordance with ATS Standard 3.13, the Seminary has approved incoming MDiv students from outside North America to receive advanced standing. Advanced standing is credit given for advanced/upper division courses taken at the undergraduate level. In order to qualify for advanced standing, students must:

- Hold a 4-year Bachelor of Theology (BTh) degree or its equivalent from an accredited institution.
- Have graduated from an AAA-accredited institution outside of North America.

Criteria for Validation of Courses
Up to 18 credits of advanced standing may be granted. Each course to be considered for application toward advanced standing must:

- Have been within 10 years of the projected graduation date;
- Be an upper-division/advanced level course that:
  - Contribute to the MDiv program learning outcomes;
  - Have an earned grade equivalent of “B” or higher; and
  - Be approved by the department teaching the MDiv core or elective course for which advanced standing credit is to be granted. Approval is determined based on whether the BTh course(s) have taught the essential course learning outcomes (at least 80% of the overall course learning outcomes) of the MDiv course it is seeking to replace.

MDiv Core Course Replacement Policy
MDiv core courses provide graduate level understanding considered by the seminary and the church to be essential for the pastor. Occasionally, an MDiv student may have already taken as part of their undergraduate degree, in addition to the required prerequisites for the MDiv program, an advanced college course in which they mastered the learning outcomes for the course at a graduate level. In such cases, a proposal to take an alternate course within the same discipline (department), at an equivalent or higher level, may be considered. To request the validation of a course, the student must submit to the MDiv office, within their first semester, a portfolio containing the following items:

- The Seminary Prior Learning Validation Form, initiated and signed by the student.
- The course syllabus from the advanced-level undergraduate course evidencing that all the Course Learning Outcomes (CLOs) of the MDiv core course have been taught appropriately at a level of rigor equivalent to the MDiv graduate course;
- A transcript demonstrating that the student earned a B grade or higher in the undergraduate advanced-level course;
- An essay, normally to be followed by an interview by the department chair/faculty member responsible for the course, describing how each of the CLOs were taught, learned, and subsequently put into use at a graduate level of learning.

Transferring Credits to the MDiv Program
Provided the content of the courses are assessed as comparable to the curriculum of the Andrews University Master of Divinity program, students intending to transfer credits into the Master of Divinity Program should be aware of the following policies:

- A transfer of credits must be made by petition.
- Transfer credits are granted only for courses in which the grade is B or higher.
- A student may transfer a maximum of 39 credits (graduate level) may be transferred from an uncompleted graduate-level program.
- Up to 24 credits (graduate level) may be transferred to the Master of Divinity program from a completed master’s-level degree.
- At least 39 credits must be taken in-residence.

Summer Course Load
The 12 week summer semester is divided into two 4-week sessions and two 2-week sessions. The total amount of course work during the summer session may not exceed 12 credits. Students taking a biblical language during a summer session may not take other courses during that session.

Workshop Credit Limit and Grading Pattern
Master of Divinity students may apply up to 4 workshop credits appropriate to degree requirements. If workshops are taken during the semester breaks, the credits are counted as part of the class load for either the previous or the following semester.

Workshops are graded S/U. Any deviation from this pattern must be approved by the dean prior to the conclusion of the workshop. Students must register at the Academic Records Office for all workshops for which academic credit is desired.

Independent Study Restrictions
Students in the MDiv program are allowed to register for Independent Study only for a compelling reason such as a schedule conflict or the need to take a subject that is not offered in any given semester (for a maximum of 8 credits during their MDiv program). Independent study is not available through the Hybrid campus. Normally, Independent Study cannot be used to meet a core requirement. Students must first seek approval from the MDiv office before arranging with a teacher to do Independent Study.

Fees
For a detailed list of charges, please see Financial Information.

MDiv students taking a graduate course in the College of Arts & Sciences in fulfillment of an elective course requirement may request a 50% tuition reduction (up to 9 credits cumulative), provided the class is not full and there are a sufficient number of students paying full tuition to warrant the teaching of the course. Directed study, laboratory courses, and study tours are not eligible for reduced tuition. Neither is this discount available for dual enrollment students who have been accepted in a graduate degree program in the College of Arts & Sciences. (Application form is available in the MDiv office.)

Student Learning Outcomes
A graduate from this program:

- Models spiritual humility, maturity and integrity grounded in a living experience with God in joyful assurance of His salvation, nurtured by the sanctifying presence and power of the Holy Spirit. (Character)
- Manifests the practices of a Biblical scholar-theologian engaging the Bible, Christian/Adventist heritage and professional resources with theological maturity for personal growth and for facilitating the theological competence of others. (Scholarship)
- Demonstrates personal commitment, passion and essential skills for discipleship and evangelism, while equipping members to carry out ministry within the scope of the local and global mission of the Seventh-day Adventist church. (Discipleship & Evangelism)
- Exercises creative and visionary leadership as a minister and servant of Christ, discerning the needs, spiritual gifts and potential of others, in order to equip and engage in their God-given ministries. (Leadership)
- Facilitates enriching corporate worship that brings diverse peoples into the transforming presence of God. (Worship)
- Engages the abilities of self and others to strategically steward personal and corporate resources including time, health, finances, property and service in areas of spiritual giftedness. (Administration/Management)
- Models effective relationships with people of diverse cultures, backgrounds, character, and persuasions, reflecting the wisdom, compassion, and discernment of Jesus through the work of the Spirit. (Relationships)

Social Work MSW
The Master of Social Work (MSW) degree is a professional degree enabling the graduate to enter practice as an advanced-level practitioner. Graduates are prepared to work in a variety of clinical, administration, and development focus areas. The foundation curriculum for the MSW consists of 9 core competencies that are required for every accredited MSW program: 1) Demonstrate ethical and professional behavior; 2) Engage diversity and difference in practice; 3) Advance human rights and social, economic, and environmental justice; 4) Engage in practice-informed research and research-informed practice; 5) Engage in policy practice; 6) Engage with individuals, families, groups, organizations and communities; 7) Assess and plan with individuals, families, groups, organizations and communities; 8) Intervene with individuals, families, groups, organizations and communities; and 9) Evaluate practice with individuals, families, groups, organizations and communities. In addition, our program has added an additional
competency: 10) Demonstrate a Christian social work perspective. The curriculum is designed to teach students the knowledge, values and skills, along with understanding of the cognitive and affective reactions and judgement that accompany these dimensions. Measurement outcomes for these competencies can be found on the first page of the Andrews University School of Social Work website. The Andrews University MSW program is accredited by the Council of Social Work Education through the year 2019.

Dual Degrees Options
The MSW Dual Degree Programs allow the student to complete two degrees in one additional year, with a tuition reduction of 33% for the MSW credits. To facilitate this objective, the two programs will reduce the total number of required credits and will share a practicum and a limited number of elective courses. Specifically, the School of Social Work will reduce the required number of credits by 9-10 credits by allowing students to take their required social work electives in the other graduate program. In addition, approximately 16 credits will be shared between the two programs. The following Dual Degree options are available:

- Business Administration/Social Work Dual Degree MBA/MSW
- Community & International Development/Social Work Dual Degree MSCID/MSW
- Discipleship in Lifespan Education, Family Life Education Concentration/Social Work Dual Degree MA/MSW
- Discipleship in Lifespan Education, Youth & Young Adult Ministry Concentration/Social Work Dual Degree MA/MSW
- Divinity/Social Work Dual Degree MDiv/MSW
- Public Health, Nutrition and Wellness Concentration/Social Work Dual Degree MPH/MSW

Curriculum
Core advanced interpersonal practice courses supplemented by optional areas of focus are offered. Students wishing to enroll in core graduate social work courses must be enrolled in the MSW program and/or have the instructor’s permission. Students may transfer up to 20% of the credits from one degree into the MSW program. All courses are subject to change based on accreditation needs.

MSW Social Work Tracks
- Regular Standing (Two Year) Program
- Accelerated Regular Standing (Two Year) Program
- Advanced Standing (One Year) Program
- Advanced Standing Plus (18 Months) Program

Areas of Focus
Students may choose to specialize in the following focus areas: Human Resources, Mental Health, School Social Work, Marriage & Family, Christian Ministry, International Social Work, and Medical Social Work. Please refer to the School of Social Work website for further information: www.andrews.edu/cas/socialwork/. Students are not required to choose a focus area.

Additional Requirements
- A minimum cumulative GPA of 3.00 in Social Work Program.
- No grade of D or F (or U) may count toward a graduate degree.
- The maintenance at all times of professional conduct and behaviors appropriate for a social worker according to the National Association of Social Workers’ Code of Ethics.
- Defense of the professional degree portfolio as part of SOWK689 Advanced Professional Seminar. This portfolio is a demonstrative collection of professional competencies.
- Other Andrews University degree requirements as presented in the Graduate Academic Information section of this bulletin.

Past experience strengthens all MSW student applications. However, following Council on Social Work Education requirements, no social work course credit can be given for life experience or previous work experience.

Admission Requirements

English Language Requirements
For those applicants whose native language is not English, the following is required:
- Demonstration of English proficiency by obtaining at least a minimum score on any one of the following exams. Exam must be taken within two years prior to enrollment.

- TOEFL ITP (paper-based): A minimum score of 550
- TOEFL IBT (internet-based): 80 with a minimum of 20 on each section
- MELAB: 80 with a minimum of 80 on each section
- IELTS (Academic version ): 6.5
- PTE (Academic version): 54
- MSW program participates in the Bridge program which allows students who are close to the minimum scores to take 3-4 credits of MSW courses along with ESL courses. Requirements to participate in the Bridge program are below.
  - TOEFL ITP (paper-based): A score of 500-549 (2-3 ESL courses and up to 3-4 credits of regular MSW course work) OR
  - MELAB - Bridge 1: 70-75 (3 ESL courses; up to 3 credits regular MSW course work)*
  - MELAB - Bridge 2: 76-79 (2 ESL courses; up to 6 credits regular MSW course work) *with permission of the department
- Nelson Denny: score of 13
- Personal interview with MSW program director or designee

Applicants who fail to meet any of the above may be admitted only after committee consideration of the specific circumstances. Additional course work in English may be required.

A student who graduated from a four-year English-speaking high school, college or university may be exempted from all or parts of the above requirements.

Graduate Record Examination (GRE)
Students who are applying for admission to the MSW program are not required to take the GRE. For those students who are seeking the GRE scholarship, the GRE must be taken. The amount of a potential scholarship is related to the score achieved on the GRE as follows:

<table>
<thead>
<tr>
<th>GRE Score</th>
<th>Scholarship</th>
</tr>
</thead>
<tbody>
<tr>
<td>320</td>
<td>50% tuition reduction</td>
</tr>
<tr>
<td>310</td>
<td>25% tuition reduction</td>
</tr>
<tr>
<td>300</td>
<td>10% tuition reduction</td>
</tr>
</tbody>
</table>

Additional Information

MSW Scholarship
Since the MSW program does not require the GRE, an equivalent graduate scholarship is offered in the department. The amount of potential scholarship is related to GPA and supporting documents. This applies to the last 3 semesters of the program. Please refer to the School of Social Work website for further information: https://www.andrews.edu/cas/socialwork/scholarships/msw-scholarship-policy.pdf

- GPA Scholarship
  - 3.90 - 4.00: 50% tuition reduction
  - 3.89 - 3.925: 25% tuition reduction
  - 3.30 - 3.49: 10% tuition reduction
- “available to Advanced standing 1 year students only, based on BSW GPA

Assistantships
Students have the opportunity to apply for graduate assistantships—teaching or research. These assistantships give students the opportunity to develop their expertise. Students interested in becoming social-work educators—especially those with years of clinical experience—may teach undergraduate courses. Research assistantships offer experiences in community consulting, grant writing, and/or conducting research.

Resources

MSW Student Handbook
The MSW Student Handbook has been designed as the social work student’s aid in understanding the program requirements of the School of Social Work as well as relevant policies of Andrews University. Inside the handbook you will find information such as expectations of students, the MSW curriculum, departmental policies, and other relevant information.

Field Manual
The Field Manual has been designed as your aid in understanding field education requirements, your role as a student in a field agency, and relevant policies of Andrews University.
You are responsible for the information found in this handbook, so please take the time to familiarize yourself with the handbook and know where to find questions and answers if the need arises.

Student Learning Outcomes
Students who complete this program will:

- Demonstrate ethical and professional behavior
- Engage diversity and difference in practice
- Advance human rights and social, economic, and environmental justice
- Engage in practice-informed research and research-informed practice
- Engage in policy practice
- Engage with Individuals, Families, Groups, Organizations, and Communities
- Assess and Plan with Individuals, Families, Groups, and Communities
- Intervene with Individuals, Families, Groups, Organizations, and Communities
- Evaluate Practice with Individuals, Families, Groups, Organizations, and Communities
- Demonstrate a Christian Social Work Perspective

Post-Masters

Biblical and Ancient Near Eastern Archaeology PhD

Randall W. Younker, Director
E-mail: phd@andrews.edu

The Doctor of Philosophy in Biblical and Ancient Near Eastern Archaeology is an academic program that prepares students for teaching positions and/or research in institutions of higher education.

In order to fulfill the requirements for the PhD degree, students must complete 64 credits; at least 48 credits of formal course work in lecture, seminars, directed-study and reading courses, and 16 credits for the dissertation. Students typically complete the program in 6 years.

Focus Areas
When students apply to this PhD program they may select one of two focus areas: Biblical Archaeology or Ancient Near Eastern Archaeology. The areas of specialized study for these focus areas are listed below:

**Ancient Near Eastern Archaeology**
- ANE History
- ANE Archaeology
- ANE Languages
- Fieldwork, Method and Theory

**Biblical Archaeology**
- Biblical History
- Biblical Archaeology
- ANE Languages
- Fieldwork, Method and Theory

Each area of study is to be supplemented with one of the cognate areas listed below.
- Old Testament
- New Testament
- Church History
- Theology and Christian Philosophy
- World Mission
- Biblical Archaeology (if the major focus area is Ancient Near Eastern Archaeology)
- Ancient Near Eastern Archaeology (if the major focus area is Biblical Archaeology)
- Ancient Near Eastern Languages

### Total Credits - 64

**DSLE 860 - Teaching Religion in College Credits:** 3
Choose 12 credits of ANEA courses in consultation with advisor

**Choose 12 credits of fieldwork from the following:**
- ANEA 630 - Archaeological Field Work Credits: 1–8
- ANEA 830 - Advanced Archaeological Field Work Credits: 1–9

**Dissertation - 16**
Choose from the following courses to total 16 credits:
- GSEM 854 - PhD-ThD Dissertation Proposal Seminar Credits: 3
- GSEM 995 - PhD-ThD Dissertation Credits: 1–12

### Focus Areas - 12

**Ancient Near Eastern Archaeology**
Choose from the following courses:
- ANEA 810 - Near Eastern Archaeology Credits: 3
  - 3 credits of ANEA 885 - Topics in: Credits: 1–3 (History of the Ancient Near East)
- ANEA 880 - Topics in: Credits: 1–3 (Ancient Near Eastern Languages)
- ANEA 890 - Directed Reading in History and Archaeology Studies Credits: 1–6 (an ANE Archaeology Topic)
- ANEA 895 - Independent Study in: Credits: 1–3 (an ANE Archaeology Topic)

**Biblical Archaeology**
Choose from the following courses:
- 3 credits of ANEA 885 - Topics in: Credits: 1–3 (Paleo-Christian Archaeology)
- 3 credits of ANEA 885 - Topics in: Credits 1-3 (Old Testament History)
- 3 credits of ANEA 885 - Topics in: Credits: 1-3 (Archeology of Palestine)
- ANEA 890 - Directed Reading in History and Archaeology Studies Credits: 1–6 (Biblical Archaeology)
- ANEA 895 - Independent Study in: Credits: 1–3 (a Biblical Archaeology topic)

### Cognates - 9

Choose 9 credits in consultation with your advisor and/or the relevant department.

### Additional Requirements

- Achieve grades of B (3.00) or better and/or S. Only such grades are counted toward the degree requirements. No more than 15 credits in courses with an 5 grade may be applied to the program requirements. If students fall below this minimum GPA, they are placed on probation and can regain regular standing only after having again reached the B (3.00) level. The matriculation of students with grades below 8 may be terminated after review by the program committee. Students who accumulate more than three grades of C or below (2.00 or below) are not allowed to continue in the doctoral program.
- Take all course work at the Seminary on the 600-, 800-, and 900-levels; some non-seminary graduate courses may be approved by the student's doctoral committee in consultation with the director of the program.
- Take a minimum of 24 credits on the 800- and 900-levels.
- Take at least two semesters of formal full-time study consecutively and in residence, registering each semester for no fewer than 8 credits. At least 33 credits (of the minimum 48) must be taken in residence (residence includes field work if taken from Andrews University).
- Attend doctoral colloquia, Horn Archaeology Lecture Series, worships and assemblies.

**Full Course Load.** The full-time load for regular course work is 8 to 12 credits per semester. Students with full-sponsorship are expected to take a full load of 12 credits per semester. On-campus students who are registered for GSEM 880, GSEM 888 (non-credit courses) are counted as full-time students. Students who register for GSEM 995 are also counted as full-time students if the work is done on campus and they register for 16 credits in a maximum of six semesters.

**Time Limits.** Students are required to finish all regular course work and take the comprehensive exams within five years of the initial registration in the program, and to complete all degree requirements within ten years of initial registration.
Also, students must complete the dissertation including a formal defense and subsequent revisions in five years or less from the time the comprehensive examinations are passed. The two five-year time limits apply independently, so that shortening one does not lengthen the other.

**Dissertation Advisory Committee**

- By the time that students register for GSEM 854 - PhD-ThD Dissertation Proposal Seminar, they, in consultation with the program director, should select a tentative dissertation topic and a dissertation advisory committee. The program director appoints as the chair of each student dissertation advisory committee, a faculty member in agreement with the tentative topic. During the same semester, students and their committee chairs should select two additional faculty members to complete the student dissertation advisory committee, so that, where possible, all three members may contribute to the development of the dissertation proposal. All three members of each student dissertation advisory committee must approve the proposal before it is presented to the program committee.
- At least six weeks before the time of the dissertation defense, the program director, in consultation with the dean of the Seminary, appoints two additional members to the dissertation committee. One of these persons, the external examiner, is normally a scholar from another graduate institution.

**Comprehensive Examinations**

Students are required to pass four comprehensive examinations within a three-week period scheduled by the program office. Three of these examinations are set in the principal area of study and one in the cognate area. At least two of these examinations must be in the regular written format, each lasting between four and six hours, up to two of the four examinations may be given in the oral and/or take-home formats at the discretion of the examiner.

The course requirements of 48 credits must be completed before students can take comprehensive examinations.

The comprehensive examinations determine students’ proficiencies in the major area of emphasis and in the cognate area of study, familiarity with pertinent literature, and skills in criticism and analysis.

Students’ applications to take the comprehensive examinations are also an application for advancement to candidacy, which is granted subject to passing all comprehensive examinations.

**Dissertation Proposal**

The student may prepare his/her dissertation proposal by taking GSEM 854 or by taking up to 3 dissertation credits during the coursework phase. In the case of the first option, the 3 credits of GSEM 854 count toward dissertation credits.

The proposal must contain a basic survey of pertinent literature, a clear statement of the problem, a succinct purpose statement, a description of the methodology to be employed, a list of tentative chapter and subsection titles, and a preliminary bibliography.

If the dissertation proposal has not been approved by the PhD/ThD Committee by the time comprehensive examinations have been passed the student registers for GSEM 844 (non-credit) until the proposal is approved.

**Dissertation**

After the dissertation proposal is approved and the student has passed the comprehensive examinations, he/she registers for GSEM 995 for 1–16 dissertation credits (1-13 credits if GSEM 854 is taken) for up to six semesters. If the dissertation is not completed after all 16 dissertation credits have been taken, the candidate must register for GSEM 888 every semester, and pay a continuation fee until the dissertation is completed and the defense held, or until the time limit has expired.

The dissertation prepared by the PhD candidate must
- Make an original contribution to scholarship,
- Demonstrate the candidate’s competence to do independent research,
- Reveal the candidate’s familiarity with and proficiency in handling the pertinent literature, and
- Present a logically organized, methodologically sound, and readable account of the investigation, findings, conclusions and implications of the study.

The chair of each student dissertation advisory committee guides students in the research in consultation with other members of the committee. As a rule, a calendar year or more is needed for dissertation preparation.

The dissertation is normally written in BASOR style and is typically between 250 and 300 pages in length.

Once the dissertation is completed and approved by each student dissertation advisory committee, a date is set for an oral defense.

Consult the doctoral student handbook for more details regarding the various steps to be taken by students during this program.

**Admission Requirements**

All applicants must meet the Graduate Programs Admission requirements. Admission to the PhD in Biblical and Ancient Near Eastern Archaeology program is granted to applicants who:

- Hold an MA (or its equivalent) from an accredited institution in an appropriate field (Ancient Near Eastern history and/or archaeology, biblical history, anthropology).
- Show high promise of future usefulness to church and/or society.
- Read proficiently required ancient and modern languages as noted in the Language Requirements below.
- Minimum GRE score of 288.
- Demonstrate the ability to handle doctoral-level work in English according to the following guidelines:
  - Applicants for whom English is not a primary language of communication are required to take the TOEFL exam and must achieve the entry level score of 90 for iBT TOEFL exam (equivalent to a paper based ITP TOEFL score of 575) for regular admission to the PhD program.
  - Applicants who have received a bachelor’s or higher degree in the past 5 years from an institution where English is the medium of instruction are exempt from the requirement to take the TOEFL exam.
  - All international students applying to the PhD programs are required to have a language evaluation interview with the program director whether or not they are required to take the TOEFL exam. The content of this interview may include reading and listening comprehension components and writing and speaking components. The interview can be in person or via Skype if the applicant is not in the Berrien Springs area. A proctor will be involved in any reading and writing components of the interview.
  - Based on the results of the language evaluation interview the applicant may be required to take ESL courses to enhance their English language ability in one or more of the areas covered in the interview (reading, listening, speaking, writing).
  - For an iBT TOEFL score between 80 and 89 (equivalent to a paper based ITP TOEFL score between 550 and 574), the applicant is eligible to enter the Seminary ESL Bridge program in which the student takes two courses with ESL and one 3 credit course in the PhD program. This is counted as full time student status.
  - For iBT TOEFL scores below 80 (550 for ITP TOEFL) the applicant is ineligible for the Seminary ESL Bridge program.
  - For further details regarding the Bridge program and its policies see the ESL website.
  - Have 15 prerequisite credits in the chosen focus area.
  - Have a graduate course in Research Methods (e.g., ANEA 640 - Research, Method and Theory in Archaeology); this requirement can be met by taking ANEA 840 - Advanced Research, Method and Theory in Archaeology as part of the doctoral course load.

**Admission to Advanced Standing**

Advanced standing for the PhD in Biblical and Ancient Near Eastern Archaeology program may be granted for students who have post-MA or post-MDiv work in an approved institution if the work is appropriate to the program, carries grades of B or above, and was taken within six years of each student’s first enrollment in the program. Credits earned towards the MA and MDiv degrees are not considered for advanced standing. The director of the program determines the appropriateness and relevance of the work considered for advanced standing and authorizes such standing. The minimum residence requirement cannot be reduced.

**Time to Apply.** Students may apply at any time. However, it is recommended that those who desire to enter the program in the fall semester (the normal entry point) submit all application materials to the Office of Graduate Admissions, usually by January 15. It is recommended that students who desire to enter the program in the summer, should submit their application materials to the Office of Graduate Admissions by November 30. If these normal deadlines are not met the student may have to wait until the next term for admission.

**Items to Submit.** In addition to submitting the items required of all graduate students, applicants to the program must also submit
- A 600-word personal statement including their philosophical perspective and the relationship of their values to their responsibilities as a teacher-scholar

569
Discipling mandates of the gospel commission, preparing a people who live
return of their Savior.

Successfully defend the dissertation.

Work in lecture, seminar, independent study, and reading courses, pass
the degree, students must complete 64 credits, including at least 48 of course

Upon approval by the program committee, the Program Director may require
further regular courses until all the language prerequisites are met.

Language prerequisites should be met by the end of the third consecutive
semester (including summer). Students who fail to meet this schedule cannot take
any language proficiency examinations or by taking specified graduate-level language courses and earning a
grade of B or above. The foreign language requirements are listed below.

b) Biblical Archaeology. An ancient language appropriate to the student's
research goals—typically Biblical Hebrew, Greek, or Latin at the Intermediate
Level. Two modern languages relevant to research goals such as French,
German, Italian, modern Hebrew, modern Arabic, modern Greek.

Ancient Near Eastern Archaeology. An ancient language appropriate to the
student's research goals - typically Biblical Hebrew, Greek, or Latin at the
Intermediate Level. Two modern languages relevant to research goals such as
French, German, Italian, modern Hebrew, modern Arabic, modern Greek,
or computer database skills.

Upon approval by the program committee, the Program Director may require
additional ancient languages as required by the area of emphasis students choose.

Schedule of Meeting Language Proficiency Requirements. All language prerequisites
should be completed before entrance. If that is not possible, students may be
required to take a reduced load in order to meet these prerequisites.

Language prerequisites should be met by the end of the third consecutive semester
(including summer). Students who fail to meet this schedule cannot take
any further regular courses until all the language prerequisites are met.

Because of the amount of study and the length of time usually required in
developing prerequisite-level skill in languages, the program committee may
require applicants to clear all the language prerequisites prior to admission.

Program Outcomes

Knows the history, methods and theories of archaeology.

Knows the material culture and history of the Biblical and ancient Near
Eastern and Mediterranean world.

Applies knowledge of the material remains to an understanding of Biblical
and ancient Near Eastern contexts.

Demonstrates the skills to conduct all phases of field work, including follow-up
analyses and presentation and publication of findings.

Discipleship in Lifespan Education PhD

The Discipleship in Lifespan Education PhD is a 64-credit interdisciplinary academic
program that prepares ministry specialists, teacher-scholars, and educational
leaders primarily - but not exclusively - for service in Seventh-day Adventist
institutions of higher learning, the church, and the larger community. The core
curriculum is structured around the competencies in Discipleship in Lifespan
Education defined in the program framework. Students also select an area of
specialization for intense study and research, generally using social science
research methodologies. Along with a customized option, the focus areas are:

Christian Formation and Discipleship

Theological Curriculum and Instruction

The program completion estimate is 6 years. In order to fulfill the requirements for
the degree, students must complete 64 credits, including at least 48 of course
work in lecture, seminar, independent study, and reading courses, pass
comprehensive exams, complete a dissertation sequence of 16 credits, and
successfully defend the dissertation.

Mission. The Discipleship in Lifespan Education PhD equips individuals for research,
practice, and teaching in settings where faith formation and spiritual growth across the
lifespan are primary concerns.

Vision. Discipleship in Lifespan Education PhD graduates fulfill the teaching and
discipling mandates of the gospel commission, preparing a people who live
victoriously in this world as followers of Jesus while eagerly anticipating the soon-
return of their Savior.

Primary Goals: Discipleship in Lifespan Education is a field of study that seeks to
integrate biblical foundations, educational research, and the educational
philosophy and practice of Ellen G. White (Adventist pioneer). In particular, the
PhD (Discipleship in Lifespan Education) is designed to prepare leaders to train
other leaders to:

Facilitate the process of personal discipleship, the life-long journey of
learning to follow Jesus and become more like Him;

Engage pastor-teacher skills for transformational teaching and discipling,
including an understanding of psychology important to ministry;

Engage pastor-teacher skills for teaching the theory and practice of
discipleship in formal and non-formal ministry/educational settings;

Develop social science research skills, and conduct and report research that
informs theory and contributes to practice in a select field of discipleship in
lifespan education or specialized ministry.

Total Credits - 64

Core - 28

Christian Apologist - 6
DSLE 850 - Theological Foundations of Christian Teaching Credits: 3
GSEM 915 - Biblical and Theological Hermeneutics Credits: 3

Pastor-Teacher - 6
Choose one of the following courses:
GDPC 604 - Human Sexuality and Sex Therapy Credits: 2,3
GDPC 620 - History and Systems of Psychology Credits: 3
GDPC 630 - Personality Assessment Credits: 3
GDPC 635 - Theories and Techniques of Counseling Credits: 3

Choose one of the following courses:
DSLE 610 - Teaching for Discipleship Credits: 2,3
EDCI 650 - Curriculum Design: Credits: 3
EDCI 750 - Course Design: Credits: 3

Servant Leader - 2
Choose one 2-credit course or a total of 2 credits from the following courses:
EDAL 667 - Leadership in Higher Education Credits: 2,3
EDCI 620 - Facilitating Change in Learning Organizations Credits: 3
LEAD 635 - Leadership and Learning Plan Credits: 2–4
PATH 712 - Transformational Leadership Credits: 4,5

Researcher-Evaluator - 9
EDRM 605 - Qualitative Research Methods in Education and Psychology Credits: 3
EDRM 611 - Applied Statistical Methods I Credits: 3
EDRM 712 - Applied Statistical Methods II Credits: 3

Maturing Christian - 3
DSLE 830 - Advanced Fostering Spiritual Growth Credits: 3

Lifelong Scholar - 2
DSLE 878 - Advanced Scholarly and Professional Development Credits: 0
DSLE 950 - Synthesis in Religious Education Credits: 2

Dissertation Sequence - 16

Choose one of the following courses:
EDRM 880 - Dissertation Proposal Development Credits: 2
GSEM 854 - PhD-ThD Dissertation Proposal Seminar Credits: 3

Complete the following sequence to fulfill the dissertation credits:
1 credit of DSLE 887 - Applied Research Credits: 1-3
1-3 credits of DSLE 994 - Dissertation: Literature Review Credits: 1-3
9-13 credits of DSLE 995 - Doctoral Dissertation Credits: 1-13

Note: Prior to the approval of their dissertation proposals, students must show
competency in the proposed methodologies for their research. The research project
from the course DSLE 887 - Applied Research is an appropriate way to demonstrate this
competency, for example, by conducting a pilot study.

570
Focus Areas - 20

- Christian Formation and Discipleship
- Theological Curriculum and Instruction
- Customized option (students design individualized courses of study)

Christian Formation and Discipleship - 20

CHIS 940 - Seminar: Credits: 3
DSLE 930 - Seminar: __________ Credits: 3 (Seminar in New Testament Spirituality)
GDPC 616 - Psychology of Religious Experience Credits: 3
MSSN 830 - Seminar in Strategies and Development in Mission Credits: 3
2-3 credits of OTST 885 - Topics in __________ Credits: 1–3
THST 814 - Seminar in Philosophy, Theology and Ethics: __________ Credits: 3
2-3 credits of CHIS, DSLE, EDCI, EDFT, MSSN, NTST, OTST, PATH, or THST in consultation with advisor

Theological Curriculum and Instruction - 20

Language Prerequisite: Depending on the area of study, either complete NTST 552 Intermediate Greek, OTST 552 Biblical Hebrew II, or pass a qualifying examination at the intermediate level in Greek or Hebrew.

Choose 9 credits from one of the following areas:
- ANEA Biblical Archeology & History of Antiquity
- CHIS Church History
- MSSN Mission
- NTST New Testament
- OTST Old Testament
- PATH Practical and Applied Theology
- THST Theology or Christian Philosophy

Choose 5 credits from Curriculum & Instruction (DSLE, EDCI, EDFT, EDTE).
Choose 6 credits from Christian Formation & Discipleship focus.

Customized - 20

Students may design an individualized course of study if the following conditions are met:
- Academic area must be appropriate to Discipleship in Lifespan Education.
- Graduate courses on the topic must be available at Andrews University.
- Andrews University faculty with expertise in the topic must be available for advising.
- 6 credits need to be taken from Christian Formation & Discipleship focus.

Options for the customized course of study include, among others, such areas as:
- Family life education
- Youth, young adults, and adult research
- Spiritual nurture of children
- Spiritual nurture of youth and young adults
- Campus ministry research
- Campus spiritual leadership
- History of education
- Church music and worship
- Educational philosophy
- Formal/non-formal learning
- Holistic education/physical education
- Intercultural studies/world religions

The following are research methodologies that are available to be taken within the Customized option or as additional courses:

- EDRM 636 - Program Evaluation Credits: 3
- EDRM 704 - Design and Analysis of Educational and Psychological Surveys Credits: 3
- EDRM 713 - Applied Statistical Methods III Credits: 3
- HIST 650 - Historical Method and Research Credits: 3

Additional Requirements

Course Plan. Upon acceptance into the program, the student is assigned an advisor by the director of the program. Normally within the first 16 credits of study the student and advisor prepare a course plan for completing the degree requirements. The course plan identifies the courses required to be completed prior to taking the comprehensive examination and receiving approval for advancement to candidacy.

Coursework Levels and Transfer Credits

- All course work taken at the Seminary should be at the 800- or 900-levels; course work taken at the School of Education (College of Education & International Services) should be appropriate for doctoral level study.
- At least 51% of the student's course work should be designed specifically for doctoral students.
- Up to 9 transfer credits at the 600 (Masters) level may be approved if the coursework is done at the doctoral level, the credits have not been applied to another degree, a grade of B or above is achieved, and the credits were taken within six years of the student's first enrollment in the PhD program.
- Transfer of credits may be considered for students having done post-master's work in an approved institution if the work is appropriate to the program, carries grades of B or above, and was taken within six years of the students' first enrollment in the PhD (Discipleship in Lifespan Education) program.
- Credits earned toward completed MA or MDIV degrees are not considered for transfer. The director of the PhD (Discipleship in Lifespan Education) program in consultation with the student's advisor determines the appropriateness, relevance, and currency of the work considered for the transfer of credits and authorizes such transfers. In no case is the minimum residence requirement reduced.

Academic Standards

A student must achieve grades of B (3.00) or better and/or S. Only such grades are credited toward the degree requirements. No more than 15 credits in courses with a grade of C or below (2.00 or below) is not allowed to continue in the doctoral program.

Seminary Worship. Attend seminary worships.

Residency. At least 33 credits (of the minimum 48 course work credits) must be taken in residence.

Time Limits. All degree requirements must be completed within ten years of first registration for Andrews University doctoral course work. All course work and the comprehensive examination must be completed within six years of first registration. The dissertation must be completed within five years of passing the comprehensive examination, but without extending beyond the 10-year limit.

Full-time Status. The full-time load for regular course work is 8 to 12 credits per semester. Students who are registered for GSEM 844, GSEM 880, GSEM 885, or GSEM 888 (zero-credit courses) are counted as full-time students. Students who register for DSLE 995 are also counted as full-time students.

Comprehensive Examination. Early in their program, students should obtain a copy of the PhD (Discipleship in Lifespan Education Handbook) from the Discipleship in Lifespan Education Program office.

All prerequisites and regular course requirements of 48 credits or more must be completed before the student sits for the comprehensive examination (exceptions are noted below). The comprehensive examination consists of five sections, one of which may be given in a take-home or oral format, one of which is a portfolio presentation, and at least three of which must be written in a supervised environment. Examination dates are arranged through the administrative assistant for the Discipleship and Lifespan Education Department.

Formal application to take the comprehensive examination should be made by the beginning of the semester preceding the semester the student intends to take the examination.

For more detailed information regarding the comprehensive examination, see the Discipleship in Lifespan Education Doctoral Handbook.

Advancement to Candidacy. Students should apply for advancement to degree candidacy at the same time they apply to take comprehensive examinations and after they have
- completed all prerequisites;
- removed any English language deficiency;
- completed all course requirements or are registered for them.
The student is advanced to degree candidacy after passing the comprehensive examination.

**Dissertation Committee.** Before the student registers for EDRM 880 - Dissertation Proposal Development or GSEM 854 - PhD-ThD Dissertation Proposal Seminar, the student in consultation with his/her advisor selects a tentative dissertation topic. The program director, in consultation with the student and advisor then appoints a faculty member knowledgeable about the tentative topic to chair the student’s dissertation committee. The student, the program director, and the doctoral committee chair collaborate in the selection of at least two other members to complete the student’s dissertation committee. All members of this dissertation committee must approve the proposal before it is presented to the Proposal Review Committee and the PhD/ThD committee. The appointment of the dissertation committee is subject to approval by the PhD/ThD committee, as are any changes to the committee.

**Dissertation Proposal.** No later than the last semester of course work, students must submit a proposal for review and approval to the Seminary Proposal Review Committee and the PhD/ThD Committee.

Two types of proposals are acceptable depending on the nature of the dissertation:

- The first three chapters in draft or outline form.

Either format must include a clear statement of the problem, the research question/s, a preliminary survey of relevant literature, and the research methodology.

**Dissertation Preparation.** The dissertation prepared by the PhD candidate must

- Make an original contribution to scholarship
- Demonstrate the candidate’s competence for independent research
- Reveal the candidate’s familiarity with and proficiency in handling the relevant literature
- Present a logically organized, methodologically sound, and readable account of the investigation, findings, conclusions, and implications of the study.

See the *Discipleship in Lifespan Education Doctoral Handbook* for more information on dissertation preparation.

**Oral Defense of the Dissertation.** The candidate must orally defend his/her dissertation. At least six weeks before the dissertation defense, the director, in consultation with the dean of the Seminary, appoints an external examiner. The defense date is set and announced by the director of the Discipleship in Lifespan Education Program at least two weeks before the defense. No defenses are scheduled during the final two weeks of a term or during the interim between semesters.

See the *Discipleship in Lifespan Education Doctoral Handbook* for more information on the oral defense of the dissertation.

**Admission Requirements**

Admission to the PhD (Discipleship in Lifespan Education) program is granted by the Seminary PhD-ThD Committee.

In addition to meeting the general admission requirements listed in the Graduate Programs Admission section and in the Seminary Admission Requirements, applicants must:

- Hold an MA (Discipleship in Lifespan Education); an MDiv; an MA (Religion); or an MA degree in fields related to religion, education, or appropriate areas of social science.
- Have 28 credits in religion (26 of which may be on the undergraduate level).
- Have 16 undergraduate or graduate credits in education or discipleship in lifespan education.
- Address all deficiencies. (Deficiencies will be identified at the time of admission based on evaluation of degree transcripts to ensure adequate coverage of significant areas of religion and education. These deficiencies will be addressed by including prerequisites in the student’s course plan. See **Specific Prerequisites** below.)
- Show promise of future usefulness to church and society.
- Demonstrate the ability to handle doctoral-level work in English. For regular admission, a TOEFL score of 80 for IBT TOEFL exam (equivalent to a paper based ITP TOEFL exam score of 550) is required of all PhD (Discipleship in Lifespan Education) program applicants whose native language is other than English, and who have not completed a bachelors or masters degree in an English based program.
  - For an IBT TOEFL score below 80 (equivalent to a paper based ITP TOEFL score below 550), the applicant may be eligible to enter the AU ESL Pathway program.
  - For further details regarding the Bridge program and its policies, see the ESL website and the Academic Policies in the Bulletin.

**Time to Apply.** While early applications are recommended, the deadlines for application to the PhD (Discipleship in Lifespan Education) program are as follows:

- For North American students: three months prior to the anticipated starting date.
- For non-North American students: six months prior to the anticipated starting date.

**Items to Submit.** In addition to submitting the items required of all graduate students, applicants to the PhD (Discipleship in Lifespan Education) must also submit

- A 600-word statement of purpose, which includes their mission statement, a description of the journey that created a desire to pursue doctoral studies, and a vision of the professional accomplishments they foresee.
- A 200-300 word description of their tentative area of interest for dissertation research and an explanation of this choice.
- A current Curriculum Vitae.
- A significant research paper (term paper, thesis, or research report), normally written during the master’s level studies. This paper should give evidence of the applicant’s ability to carry out research and to present the results and conclusions of such work in standard English and in an acceptable style.

**Bulletin Requirements.** A student may choose to meet the requirements of any bulletin in force after acceptance into the doctoral program, as long as he/she maintains active status. If a break of enrollment occurs and the student is placed on inactive status, he/she must meet the requirements of a bulletin in effect after enrollment resumes.

**Specific Prerequisites.** Students entering the PhD (Discipleship in Lifespan Education) program must have basic skills in educational research methodologies as evidenced by EDRM 505 - Research Methods or its equivalent, and completion of DSLE 605 - Foundations in Religious Education, DSLE 606 - Philosophical Foundations for Professionals, and DSLE 541 - Foundations of Biblical Spirituality. These courses must be completed before the student is advanced from provisional to regular status in the program. Students taking the Theological Curriculum and Instruction focus must meet specified biblical language requirements.

**Program Learning Outcomes**

The Conceptual Framework for the PhD (Discipleship in Lifespan Education) identifies six (6) roles of a religious educator, each focused on a major program learning outcome. The roles identify a range of skills that can be used in scholarship and ministry in the candidate’s chosen area of emphasis.

**The PhD (Discipleship in Lifespan Education) Graduate will be:**

- *An Apologist who develops and articulates effectively a Christian philosophy of education and discipleship.*
- *A Pastor-Teacher who uses and teaches appropriate methodologies for discipling across the lifespan.*
- *A Servant-Leader who models the principles of servant leadership in the church, school, and broader community.*
- *An Evaluator/Researcher who conducts research, and analyzes and reports findings.*
- *A Maturing Christian who exhibits a growing maturity in understanding and portraying the love of Christ.*
- *A Lifelong Learner who demonstrates personal and professional development.*
- *An Area Expert who applies all relevant core competencies to the focus area and teaches others to do likewise.*

**Ministry DMin**

E-mail: dmin@andrews.edu

The Doctor of Ministry program is a professional doctoral degree for those who seek advanced competencies in specific areas of ministry (see Concentration Options below). The standard time limit to complete the degree requirements is six years.
Delivery
The program is delivered in a cohort-based format. Students join specific concentrations and journey together through the program. In order to make the program accessible to ministry professionals, the professor contact portions of the course modules are offered as intensives at various North American and international sites. For information on where courses are offered, see the Program Planner on the program website. Cohorts with less than 12 course credits declared in residency are offered as an approved exception to the Association of Theological Schools’ larger residency expectation stated in Standard E, section E.3.1.1. Course modules are taught by select seminary faculty and guest presenters who are effective practitioners and experienced professionals in the field. Teaching methodology combines appropriate methods and technology with collegial dialogue to encourage a creative learning environment.

Concentration Options
Chaplaincy (with ACPE Certified Educator option), Discipleship (English/Spanish), Equipping Women for Effective Leadership, Family Ministry (English/Spanish), Global Mission Leadership, Growing and Multiplying Churches, Intergenerational Church, Leadership (English/Spanish), Multietnic/Multicultural Mission and Ministry, Preaching, and Urban Ministry (English/Spanish).

Mission
The Doctor of Ministry program develops spiritually transformed ministers with advanced professional competencies for worldwide church leadership.

Vision
Changing the people who change the world.

Total Credits - 32
Core - 15
- GSEM 706 - Spiritual and Theological Foundations for Ministry Credits: 4–8
- GSEM 788 - DMin Professional Dissertation Continuation Credits: 0
- GSEM 789 - DMin Program Continuation Credits: 0
- GSEM 790 - DMin Professional Dissertation Seminar Credits: 2 *
- GSEM 793 - DMin Research Methods Seminar Credits: 2 *
- 7 credits of GSEM 796 - DMin Professional Dissertation Credits: 2,3 *

*Students taking the Chaplaincy concentration (ACPE Certified Educator option) must take the following courses instead of GSEM 790, GSEM 793, and GSEM 796: 4 credits of CMHN 739 Advanced Clinical Pastoral Education (2 credits each in years 3 and 4)

Concentration Modules - 17
Complete one of the following Concentration Modules.
- Chaplaincy (ACPE Certified Education option available)
- Discipleship (English/Spanish)
- Equipping Women for Effective Leadership
- Family Ministry (English/Spanish)
- Global Mission Leadership
- Growing and Multiplying Churches (English/Spanish)
- Intergenerational Church
- Leadership (English/Spanish)
- Multietnic/Multicultural Mission and Ministry
- Preaching
- Urban Ministry (English/Spanish)

Chaplaincy Concentration (ACPE Certified Educator option available)
The Chaplaincy Concentration prepares participants with advanced skills for excellence in chaplaincy ministries. Participants in the ACPE Certified Educator option complete their DMin concomitantly with the ACPE competency-based certification process.

Required Modules
- PATH 739 - Advanced Clinical Pastoral Education Credits: 2,3 *
- PATH 761 - Wholistic Healthcare Ministry Credits: 4
- PATH 773 - Health Care Leadership Credits: 5
- PATH 786 - Clinical Issues in Care and Counseling Credits: 5
- PATH 787 - Theory and Research in Chaplaincy Credits: 4
- PATH 788 - Professional Practice in Chaplaincy Credits: 4,5

*ACPE Certified Educator option participants take PATH 739 - Advanced Clinical Pastoral Education in place of GSEM 790 and GSEM 793 in years 2 and 3, and complete a Professional Portfolio according to ACPE portfolio guidelines to fulfill the GSEM 785 - DMin Professional Portfolio requirement.

Discipleship Concentration (English/Spanish)

Required Modules
- DSLE 705 - Theological and Historical Perspectives on Discipleship Credits: 4
- DSLE 708 - Mentoring and Coaching for Discipleship Credits: 4,5
- DSLE 709 - Constructs of Corporate Ministry for Discipleship Credits: 5

Choose elective course(s) to make total of 17 credits in consultation with academic advisor.

Equipping Women for Effective Leadership Concentration

Equipping Women for Effective Leadership is designed to prepare women for the specialized ministry of senior leadership in the church.

Required Modules - 17
- PATH 712 - Transformational Leadership Credits: 4,5
- PATH 777 - Organizational Leadership Credits: 4
- PATH 781 - Advanced Administrative Practices Credits: 5
- PATH 782 - Gender and Leadership Credits: 4

Family Ministry Concentration (English/Spanish)

Required Modules
- DSLE 747 - Ministry to Families in Context Credits: 4,5
- DSLE 758 - Internal Dynamics of Families Credits: 4,5
- DSLE 748 - Family Dynamics and Sexuality Credits: 4,5
- DSLE 749 - Family as a Center for Discipleship Credits: 5

Global Mission Leadership Concentration

Required Modules
- MSSN 741 - Mission Strategy Development Credits: 4
- MSSN 731 - Cultural and Religious Analysis—I Credits: 4
- MSSN 742 - Mission Strategy Development Credits: 4
- MSSN 732 - Cultural and Religious Analysis—II Credits: 4

Choose elective course(s) to make total of 17 credits in consultation with academic advisor.

Growing and Multiplying Churches Concentration

The Growing and Multiplying Churches Concentration helps participants create a culture of evangelism, reach specific people groups, foster a vision for change and renewal, empower for evangelism through coaching, and increase evangelistic effectiveness.

Required Modules - 17
- PATH 742 - Church Multiplication Credits: 5
- PATH 763 - Effective Strategic Growth Credits: 4
- PATH 779 - Leading Growth Credits: 4,5
- 3 credits of MSSN 795 - Topics in Discipleship & Worldview Transformation (Emphasis) Credits: 1–4

Intergenerational Church Concentration

The Intergenerational Church concentration intends to provide a significant and terminal professional doctoral experience for those who lead churches to include all ages and to give purposeful attention to the similarities among and differences between different generations. This includes the expected seasons of life each generation experiences as well as unique changes when new generations emerge. The focus for the Intergenerational Church concentration will be on local church mission and ministry.

This concentration is available at US off-campus locations.

Required Modules
- PATH 707 - The Church in Intergenerational Contexts Credits: 4
- PATH 751 - Relational Dynamics and the Intergenerational Church Credits: 4
- PATH 762 - The Challenge of 2nd and 3rd Generations Credits: 4
- PATH 783 - Hearing and Responding to God Throughout Life Credits: 5
Leadership Concentration (English/Spanish)

Required Modules - 17
- 4 credits of PATH 712 - Transformational Leadership Credits: 4,5
- PATH 747 - Christian Leadership Credits: 4
- 4 credits of PATH 760 - Advanced Leadership Competencies Credits: 4,5
- PATH 780 - Leading and Managing the Church Organization Credits: 5

Languages
This concentration is now also taught in Spanish.

Multiethnic/Multicultural Mission and Ministry Concentration

Required Modules
- PATH 723 - Theological & Social Science Foundations for ME/MC Mission & Ministry Credits: 4
- PATH 731 - Essential Principles and Practices in ME/MC Mission and Ministry Credits: 4,5
- PATH 712 - Transformational Leadership Credits: 4,5

Choose elective course(s) to make total of 17 credits in consultation with academic advisor

Preaching Concentration

Required Modules
- PATH 743 - Prophetic Preaching in the Worship Context Credits: 4
- PATH 744 - A History of Preaching Credits: 4
- PATH 748 - Preaching the Literary Forms of the Bible Credits: 5

Choose elective course(s) to make total of 17 credits in consultation with academic advisor

Urban Ministry Concentration (English/Spanish)

The Urban Ministry Concentration prepares students for specific challenges of mission and ministry in an urban context. It is designed to foster compassionate vision for people, vision for incarnational mission in the city, appreciation of diversity, commitment to empower people, and courage to challenge the status quo.

Required Modules - 17
- PATH 774 - The Church in the City Credits: 4
- PATH 776 - Urban Church Leadership and Management Credits: 5
- PATH 778 - Church Growth and Discipleship in the Urban Church Credits: 4,5
- 3 credits of MSSN 795 - Topics in ____________ (Emphasis) Credits: 1-4 (Urban Context for Mission and Ministry)

Additional Requirements

In addition to the requirements listed in Academic Policies Applying to all Programs, students must fulfill the following requirements for the DMin degree:

DMin Professional Dissertation and Defense Requirements. Students are required to complete a professional dissertation and pass a professional dissertation defense. An exception is that those who take Chaplaincy for ACPE will complete a portfolio in place of a dissertation. Registration is required for the following courses according to cohort curriculum schedule: GSEM 788, 790, and 793. For a detailed outline of the DMin professional dissertation and defense process, see Guidelines for Professional Dissertation and Professional Portfolio on program website. The Doctor of Ministry program's Advancement to Candidacy document lists the steps required of participants to continue on the track toward professional dissertation completion and graduation.

Time Limits. DMin students must complete all courses and modules and pass a professional dissertation defense within six years from the time they begin course work. In special circumstances and upon written request, an extension may be granted for one year. There is a minimum threshold of dissertation work that must be completed before a request for an extension will be considered. A higher tuition amount will be charged per semester in an extension year:
see http://www.andrews.edu/sem/dmin/about/costs/ for the current rates.

Transferred and Earned Credit Term Limits. All course credits applied towards degree requirements should be earned within 10 years of the awarding of the degree.

Admission Requirements

To be considered for admission to the Doctor of Ministry program, applicants must meet the following requirements.

- Hold the Master of Divinity degree or its equivalent.
- Have a GPA of at least 3.25.
- Demonstrate high professional and personal potential for the gospel ministry.
- Have an equivalent of at least three years of experience in ministry subsequent to the first graduate theological or ministry degree.
- Supply satisfactory recommendations.
- Submit an academic paper of at least 10 pages either from a master's class, a publication, or newly created.
- Applicants from other faiths may be accepted into the program, provided they meet admission requirements and represent high moral integrity with a character, lifestyle, and spiritual commitment reflective of the ideals of the Seventh-day Adventist Church.
- Applicants for the Chaplaincy-ACPE Certified Educator concentration must satisfy admission requirements for both the Andrews University DMin program and the ACPE Certified Educator Candidate Process at an ACPE Accredited Center. These admission processes are separate.

Admission Procedure. Applicants must submit those items specified in the Graduate Academic Policies and in the Admission and Evaluation Policies for Seminary admission requirements.

Additional Information

Student Financial Plans
See the DMin website (http://www.andrews.edu/sem/dmin/about/costs/) or contact the DMin office for further information.

Student Learning Outcomes

The Doctor of Ministry program seeks to develop the person, knowledge, and practice of its students. While the program is structured around certain areas of concentration, there are learning outcomes and educational objectives we expect for all students.

DMin Program Learning Outcomes

Graduates will be able to:
- Critically reflect on, articulate, and apply biblically based principles and values for excellence in mission and ministry.
- Conduct research and implement an intervention in response to ministry challenges and trends in a glocal context, related to the primary field of service.
- Integrate knowledge and skills acquired into an effective ministry practice and evaluate the resultant impact on one’s personal experience and ministry.

Primary Educational Objectives

Being
- Seek deeper Christ-like biblical spirituality.
- Experience enrichment of personal and family life.
- Intensify commitment to ministry.
- Develop an Adventist perspective of discipleship, evangelism, mission, and ministry.

Knowing
- Acquire exceptional theoretical knowledge that contributes to advanced ministry.
- Foster a holistic view of society and its needs.
- Articulate theological and theoretical understandings that advance global ministry.

Doing
- Understand the biblical model of servant leadership.
- Enhance the ability to evaluate ministerial practices through theological reflection.
- Use appropriate tools to analyze the needs of churches and communities.
- Refine skills that facilitate more effective ministry.
- Reinforce habits of study that contribute to lifelong learning.
The Doctor of Missiology (DMiss) program equips practitioners, leaders, and trainers who minister in cross-cultural mission and ministry situations through focused study and research in theological and social-science fields of study. For more detailed guidelines and program structures see the DMiss Handbook. A copy may be accessed online at: www.andrews.edu/sem/dmiss/handbook

Program Design

The DMiss program is module-based and designed to be completed in four modules. Modules will include 1) pre-session reading, field research, application activities, and online discussions with the cohort group; 2) an annual residential period of at least 4 weeks on the campus of Andrews University, or one of its off-campus locations; and 3) post-session projects and/or paper. All credits given will adhere strictly to the minimum total study time of 60 hours (in class and out of class) for each credit as outlined in Andrews academic policies. Students typically complete the program in 5 years.

Mission Statement

Affirming a high view of Scripture and the teachings of the Seventh-day Adventist Church, the DMiss program develops theologically competent mission leaders with advanced knowledge and skills that integrate the study of theology and missiology.

Vision Statement

The DMiss equips practitioners, leaders, and trainers to minister in cross-cultural situations through focused study and research in theological, missiological, and social-science fields of study.

Values

- High view of Scripture.
- Commitment to contextual field-based research and strategy development.
- Dedicated to finding biblically faithful and culturally relevant solutions to mission issues.
- Ability to train others and to write missiologically.

Total Credits - 48

The DMiss program is module-based. Each module will consist of specific courses scheduled during 4 annual modules. All students will take the 42 credits of those specific modules and its listed courses. A dissertation of 6 credits will also be completed. Evidence of ability to read and speak in a language other than English may be required for certain research topics.

Foundations - 12

5 credits of MSSN 806 - Biblical, Theological, & Spiritual Foundations of Mission Credits: 5,6
5 credits of MSSN 837 - History of Mission Credits: 3
4 credits of MSSN 838 - Mission & the Social Sciences Credits: 3–5

Research - 9

4 credits of MSSN 805 - Current Issues in Mission Credits: 3,4
4 credits of MSSN 840 - Research Methods in Mission and Ministry Credits: 2,3
4 credits of MSSN 854 - Research Design in Mission Credits: 3

Strategy - 15

4 credits of MSSN 829 - Seminar in Other Religions Credits: 3,4
4 credits of MSSN 834 - Mission Strategy and Leadership Credits: 3
4 credits of MSSN 835 - Urban Contexts for Mission and Ministry Credits: 3,4
4 credits of MSSN 870 - Discipleship & Worldview Transformation Credits: 3,4

Application - 12

5 credits of MSSN 820 - The Church and Social Issues Credits: 3
5 credits of MSSN 880 - Mission Education & Training Credits: 3,4
6 credits of MSSN 899 - Doctor of Missiology Dissertation Credits: 1–6

Additional Requirements

Dissertation

Dissertation Proposal

Proposals for the dissertation will be accepted following the completion of the second module. Under the guidance of the Program Director and the student’s dissertation advisor, the student will write a proposal. The final proposal must be approved by the student’s advisors, the proposal committee and the DMiss Program Committee.

The proposal must contain a basic survey of pertinent literature, a clear statement of the problem, a succinct purpose statement, a description of the methodology to be employed, a list of tentative chapters and subsection titles, and a preliminary bibliography. This will be submitted with the completed form found at: www.andrews.edu/sem/dmiss/dissertationmanual

Following the fourth module and the proposal approval, the student registers for MSSN 899 DMiss Dissertation for 2 credits for each of the following three semesters. If the dissertation is not completed after one year, the candidate must register for MSSN 888 (DMiss Dissertation Continuation) every semester, and pay a continuation fee until the dissertation is completed and the defense is held, or until the time limit has expired.

Dissertation Preparation

The dissertation prepared by the DMiss candidate must:
- Demonstrate the candidate's competence to do independent research.
- Reveal the candidate's familiarity with and proficiency in handling the pertinent literature.
- Present a logically organized, methodologically sound, and readable account of the investigation, findings, conclusions, and implications of the study.

Oral Defense of the DMiss Dissertation

The date is set and advertised by the director of the DMiss program. The oral defense is conducted by the dissertation defense committee and is held no later than four weeks before the degree is conferred. To pass the oral defense, candidates must receive a vote of approval from at least three of the four examiners. The committee votes in one of the following ways:
- Acceptance of the dissertation as presented.
- Acceptance of the dissertation subject to minor revisions.
- Acceptance of the dissertation subject to major revisions.
- Rejection of the dissertation.

Normally, rejection of a dissertation terminates the student's doctoral candidacy, but the DMiss Program Committee may consider whether to allow him/her to prepare and submit another dissertation and what specific requirements would apply, including possible further course work.

After Defense

- The student makes all corrections.
- The deadline for dissertations to be submitted to the Dissertation Secretary with the signed approval page is no later than Wednesday, 10 days before graduation. Strict adherence to this deadline is essential or graduation is postponed. For more detailed guidelines and scheduling see the DMiss Handbook (www.andrews.edu/sem/dmiss/handbook).

Maintaining Academic Standing

Time Limits

Since the program is module-based, the student is expected to finish all modules as scheduled. All degree requirements, including the dissertation must be finished within ten years of initial registration.

Admission Requirements

All applicants must meet the general admission requirements listed in the Graduate Programs Admission and in the Seminary Admission Requirements (http://bulletin.andrews.edu). Admission to the DMiss program is granted by the DMiss Committee to applicants who:
- Hold the MDiv degree or its educational equivalent, or other advanced master's-level degrees in the related cognate discipline with a GPA of at least 3.3 on a 4-point scale.
- Have a minimum of 15 semester credits of mission-related course work.
- Pass the TOEFL test for English proficiency with a minimum TOEFL score of 85 (iBT) or 565 (paper based) if Secondary and Undergraduate schooling was not in English or if requested by the DMiss Program Committee.
- Be competent in at least one modern language other than English.
- Have significant work experience (typically three years or more) in a cross-cultural ministry context.

E-mail contact: dmiss@andrews.edu

Copyright © 2019 Andrews University
Application for the DMiss program should be submitted at least 6 months before the start date for classes. In addition to submitting the items required of all graduate students, applicants to the DMiss program must also submit:

- A 1200-1500 word personal statement with the following headings:
  - My Philosophy of Mission
  - Religious, Cultural, and Ethical Considerations in Mission
  - My Personal Aspirations in Mission
  - How the DMiss Will Contribute to My Ministry
  - My Experience in Cross-cultural Mission
  - A significant research paper (term paper or thesis), normally written during MA or MDiv studies. This paper should show the applicant’s ability to carry out research and to present the results and conclusions of such work with correct English and acceptable style. The topic of this paper should be in an area related to mission if possible.

The DMiss program is module-based. Therefore, it is expected that all students will complete all activities as a module. Only in cases where a student has completed extensive mission studies beyond a master’s degree would an exception be considered.

Student Learning Outcomes

The purpose of the DMiss program is to advance theologically competent mission leadership for the global church. Although graduates may be asked to teach missions, this degree is not primarily a teaching degree but a professional one. The emphasis of the degree is on knowledge, skills, and mission research, which result in practical applications for effective mission. This degree is not earned by the mere accumulation of credits. It is conferred on those who demonstrate advanced knowledge in missiological themes and the ability to integrate theology and social science research into actual mission leadership and ministry.

Graduates will:

- Grow in spiritual disciplines.
- Develop theological and biblical foundations for their ministries and mission practice.
- Conduct research on mission challenges of the church which results in recommended solutions.
- Implement mission strategies which are biblically faithful and culturally appropriate.
- Demonstrate ability to train others for cross-cultural ministry.

Religion PhD

The Doctor of Philosophy (PhD) Religion program prepares teacher-scholars in focused theological fields of study, primarily for the Seventh-day Adventist Church and specifically its institutions of higher learning around the world.

The PhD Religion program builds on expertise and training developed in approved master’s programs. It provides individuals equipped with skills and methods appropriate to genuine scholarship to do original and responsible research, and it promotes the proficient application of sound and valid principles of biblical interpretation and historical research. It acquaints students with the Judeo-Christian heritage and the findings of various branches of biblical scholarship and communicates the religious and ethical values of that heritage as found in Scripture and as understood by conservative Christians, in general, and the Seventh-day Adventist Church, in particular.

In order to fulfill the requirements for the PhD degree, students must register for 64 credits by completing 48 or more credits of formal course work in lecture, seminars, directed-study and reading courses, and 16 credits for the dissertation.

This degree is not earned by the mere accumulation of credits. It is conferred on those who demonstrate clearly and capably, in written and oral form, mature and independent research marked by discriminating analysis, careful evaluation of evidence and theories, and sound interpretation of available data. The PhD in Religion is granted only to those who give evidence that they have attained a distinctly superior level of expertise in their principal area of study and the supplementary cognate area. One who holds a PhD in Religion will possess the following competencies:

- Faithfulness to God and Scripture within the church and the community of scholars
- Mastery of content relevant to the chosen discipline
- Advanced research and writing capability in the chosen discipline
- Ability to produce scholarly presentations and publications
- Expertise in teaching and other forms of communication

Concentration

When students apply to this PhD program they may select from the following concentrations:

- Adventist Studies
- Church History
- Mission and Ministry
- New Testament
- Old Testament
- Theological Studies

Each area of study is to be supplemented with one of the cognate areas listed below. The cognate must be taken in a department other than the one which offers the concentration.

- Adventist Studies
- Biblical Archaeology and History of Antiquity
- Christian Ministry
- Church History
- Mission
- New Testament
- Old Testament
- Religious Education
- Theology
- Area selected from approved graduate-level studies

Total Credits - 64

Concentration - 33

Choose from one of the following:

- Adventist Studies Concentration - 33
  - CHIS 814 - Historical Research and Historiography | 3
  - 30 other credits in Adventist Studies

- Church History Concentration - 33
  - CHIS 814 - Historical Research and Historiography | 3
  - CHIS 828 - Readings in Ecclesiastical Latin       | 3
  - 27 other credits in Church History

Other languages as needed for research and/or dissertation, such as: Biblical Hebrew, Advanced Greek, Syriac, Coptic, etc.

Up to six hours of language (Ecclesiastical Latin, 3 + 3 = 6), or; (Ecclesiastical Latin, 3) + (3 hours of another language) may be included within the program hours.
Areas of Specialization
- Early Christianity and the Middle Ages
- Reformation
- Modern Church, American Church, and Adventist Studies
- History of Theological and Prophetic Studies
- Church and State

Mission and Ministry Concentration - 33
33 credits in Mission and Ministry

Areas of Specialization
- Analysis of the biblical, theological, and theoretical basis for mission
- Evangelization of unreached people groups and urban population clusters
- Cross-cultural leadership development for effective church growth, ministry, and evangelistic strategies
- Study of world religions, secularism, and post-modernism as a missionary challenge

New Testament Concentration - 33
30 credits in New Testament Studies
Choose from one of the following:
- NTST 808 - Advanced Greek Grammar and Syntax Credits: 3
- NTST 835 - Seminar in Hellenistic Greek Credits: 3

Areas of Specialization
- Development of the Christian community in the first and second centuries
- History and praxis of New Testament exegesis and theology
- Intertextamental and New Testament backgrounds, both Jewish and Graeco-Roman
- Language and literature: text, canon, critical introduction, and cognate literature

Old Testament Concentration - 33
- OTST 854 - Biblical Aramaic Credits: 3
- OTST 860 - Readings in the Septuagint Credits: 3
- 27 other credits in Old Testament Studies

Areas of Specialization
- Archaeology (periods, sites, methodology, and field work) and history of antiquity (Israel and the Ancient Near Eastern languages)
- Exegesis and theology (Pentateuch, Former Prophets, Latter Prophets, and Writings)
- Language and literature (Biblical Hebrew and Aramaic, other Ancient Near Eastern languages; LXX and other ancient versions; and Old Testament textual criticism

Theological Studies Concentration - 33
33 credits in Theological Studies

Areas of Specialization
- Christian ethics, comprising ethical theory and professional, personal, and social ethics
- Historical theology, examining the origin and development of theological concepts and trends
- Philosophical theology
- Systematic theology, embracing the biblical and doctrinal aspects of theological thought

Cognate - 9
Requirements for cognates may be obtained from the PhD/ThD office.

Additional Requirements
Achieve grades of B (3.00) or better and/or S. Only such grades are credited toward the degree requirements. No more than 15 credits in courses with an S grade may be applied to the program requirements. If the student falls below the minimum GPA of 3.0, he/she is placed on probation and can regain regular standing only after having again reached the B (3.00) level. The matriculation of a student with grades below B may be terminated after review by the PhD/ThD Committee. A student who accumulates more than three grades of C or below (2.00 or below) is not allowed to continue in the doctoral program.

Residency
Take at least two semesters of formal full-time study consecutively and in residence, registering each semester for no fewer than 6 credits. At least 33 credits (of the minimum 48 course work credits) must be taken in residence.

Coursework Levels
- Take all course work at the Seminary on the 800 & 900 levels; some non-seminary graduate courses may be approved by the student’s doctoral committee in consultation with the director of the PhD/ThD program.
- Up to 9 Transfer credits at the 600 level may be approved if the work is done at the doctoral level, the credits do not apply to another degree, and a grade of B minimum is achieved.

Seminary Worship
Attend seminary worship services.

Full Course Load
The full-time load for regular course work is 8 to 12 credits per semester. International students must take a minimum of 8 credits per semester for two semesters per year in order to be considered full time. Students with full-sponsorship are expected to take a full load of 12 credits per semester. On-campus students who are registered for GSEM 880, GSEM 844, GSEM 888, GSEM 885 (non-credit courses) are counted as full-time students. Students who register for GSEM 995 are also counted as full-time students if the work is done on campus and they register for 16 credits in a maximum of six semesters.

Transfer of Credits
Transfer of credits may be considered for students having done post-MA or post-MDiv work in an approved institution if the work is appropriate to the program, carries grades of B or above, and was taken within six years of the students' first enrollment in the PhD/ThD program.

Credits earned toward the MA and MDiv degrees are not considered for transfer.

The director of the PhD/ThD program determines the appropriateness, relevance, and currency of the work considered for the transfer of credits and authorizes such transfers. In no case is the minimum residence requirement reduced.

Time Limits
The maximum time limit for completion of the PhD/ThD is ten years from first enrollment. Regular course work and the comprehensive exams must be completed within five years of first enrollment. The dissertation must be completed within five years of passing the comprehensive examinations.

Dissertation Proposal
The student may prepare his/her dissertation proposal by taking GSEM 854 or by taking up to 3 dissertation credits during the coursework phase. In the case of the first option, the 3 credits of GSEM 854 count toward dissertation credits.

The proposal must contain a basic survey of pertinent literature, a clear statement of the problem, a succinct purpose statement, a description of the methodology to be employed, a list of tentative chapter and subsection titles, and a preliminary bibliography.

If the dissertation proposal has not been approved by the PhD/ThD Committee by the time comprehensive examinations have been passed the student registers for GSEM 888 every semester, and pay a continuation fee until the dissertation proposal is completed and the review is held.

The student’s dissertation committee is formed by a collaborative process involving the student, the department chair, the professors to serve on the committee, and the PhD director as described in the PhD/ThD student handbook.

At the conclusion of the collaborative process the PhD/ThD committee appoints the student’s dissertation committee.

Comprehensive Examinations
The comprehensive examinations determine a student’s proficiency in the major area of emphasis and in the cognate area of study, familiarity with pertinent literature, and skills in criticism and analysis. Students are expected to demonstrate greater proficency/proficiency in the major area of emphasis than in the cognate area. Students are required to pass five comprehensive examinations within a four week period scheduled by the PhD/ThD office. Four of these examinations are set in the principal area of study and one in the cognate area.

All 48 credits of coursework must be completed a minimum of 6 months prior to taking the comprehensive exams.
• The student’s comprehensive exam schedule and all comprehensive exam contracts must be approved a minimum of 6 months prior to taking the comprehensive exams.
• The student must clear all DG grades a minimum of 3 months prior to taking the comprehensive exams.
• The comprehensive exams will be offered three times per year (Fall, Spring and Summer semesters).
• When the comprehensive exams have been successfully completed and the dissertation proposal has been approved by the PhD/ThD committee, the student is formally advanced to candidacy by the PhD/ThD committee.
• During semesters of preparation for comprehensive exams the student registers for:
  • GSEM 880 GSEM 880 - Preparation for PhD-ThD Comprehensive Examinations Credits: 0
  • During the semester in which the student takes the Comprehensive exams the student registers for:
  • GSEM 885 GSEM 885 - PhD-ThD Comprehensive Exams

Below is a table that indicates what months the student has to accomplish the above requirements in order to take the exams at the appointed time. The PhD/ThD office will abide by these deadlines.

*Comprehensive exams are scheduled by the PhD/ThD office. Check with the office for the starting dates for the exams.

Dissertation

After the dissertation proposal is approved and the student has passed the comprehensive examinations, he/she registers for GSEM 995 for 1-16 dissertation credits (1-13 credits if GSEM 854 is taken) for up to six semesters. If the dissertation is not completed after all 16 dissertation credits have been taken, the candidate must register for GSEM 888 every semester, and pay a continuation fee until the dissertation is completed and the defense held, or until time has expired.

The dissertation prepared by the student must:
• Make an original contribution to scholarship.
• Demonstrate the candidate’s competence to do independent research.
• Reveal the candidate’s familiarity with and proficiency in handling the pertinent literature.
• Present a logically organized, methodologically sound, and readable account of the investigation, findings, conclusions, and implications of the study.
• Not exceed 100,000 words in content and footnotes, excluding bibliography.

Oral Defense of Dissertation

The oral defense of the dissertation normally cannot be made earlier than 12 months after passing the comprehensive examinations. The date is set and advertised by the director of the PhD/ThD programs.

At least six weeks before the time of the defense, the program director, in consultation with the dean of the Seminar, appoints two additional members to the doctoral committee. One of those persons, the “external examiner”, is normally a scholar from another graduate institution.

The oral defense is conducted by the dissertation defense committee and is held no later than four weeks before the degree is conferred.

To pass the oral defense, the candidate must receive a vote of approval from at least four of the five examiners. The committee votes in one of the following ways:
• Acceptance of the dissertation as presented
• Acceptance of the dissertation subject to minor revisions
• Acceptance of the dissertation subject to major revisions
• Rejection of the dissertation

Normally, rejection of a dissertation terminates the student’s doctoral candidacy, but the PhD-ThD Committee may consider whether to allow him/her to prepare and submit another dissertation and what specific requirements would apply (including possible further course work and additional comprehensive examinations).

After the Defense
• The student makes all corrections
• The deadline for dissertations to be submitted to the Dissertation Secretary with the signed approved page is no later than Wednesday, 10 days before graduation.

Strict adherence to this deadline is essential or graduation is postponed.

For more detailed guidelines and scheduling see the PhD/ThD student handbook. A copy by be accessed on-line at: http://www.andrews.edu/sem/programs-degrees/phd/phd-handbook.pdf

Admission Requirements

All applicants must meet the Graduate Programs Admission requirements, and the Seminary Admission Requirements. Admission to the PhD: Religion program is granted by the PhD-ThD Committee to applicants who:
• Hold either an MDiv degree (or its equivalent), or an MA in Religion (or its equivalent) from an approved seminary or university. The applicant’s transcript(s) will be reviewed by the PhD/ThD office for applicability to the program’s prerequisites. Additional coursework may be required to make up deficiencies.
• Show high promise of future usefulness to church and society.
• Read proficient in ancient and/or modern languages as noted in the Language Requirements.
• Minimum GRE score of 288
• Demonstrate the ability to handle doctoral-level work in English according to the following guidelines:
  • Applicants for whom English is not a primary language of communication are required to take the TOEFL exam and must achieve the entry level score of 90 for IBT TOEFL exam (equivalent to a paper based ITP TOEFL exam score of 575) for regular admission to the PhD program.
  • Applicants who have received a bachelor’s or higher degree in the past 5 years from an institution where English is the medium of instruction are exempt from the requirement to take the TOEFL exam.
  • All international students applying to the PhD programs are required to have a language evaluation interview with the program director whether or not they are required to take the TOEFL exam. The content of this interview may include reading and listening comprehension components and writing and speaking components. The interview can be in person or via Skype if the applicant is not in the Berrien Springs area. A proctor will be involved in any reading and writing components of the interview.
  • Based on the results of the language evaluation interview the applicant may be required to take ESL courses to enhance their English language ability in one or more of the areas covered in the interview (reading, listening, speaking, writing).
  • For an iBT TOEFL score between 80 and 89 (equivalent to a paper based ITP TOEFL exam score between 550 and 574), the applicant is eligible to enter the Seminary ESL Bridge program in which the student takes two courses with ESL and one 3 credit course in the PhD program. This is counted as full time student status.
  • For IBT TOEFL scores below 80 (550 for ITP TOEFL) the applicant is ineligible for the Seminary ESL Bridge program.
  • For further details regarding the Bridge program and its policies see the ESL website.
  • Have 15 prerequisite credits in the chosen area of concentration, or 12 credits in the chosen area of concentration from an Andrews University MA Religion Specialized Track (or its equivalent).
  • Depending upon the applicant’s academic background, the PhD-ThD Committee may also require proficiency examination(s) before granting admission to the doctoral program.
  • Have completed GSEM 620.

Time to Apply. Students who desire to enter the program in the autumn semester (the normal entry point), or, summer semester must submit all application materials to the Office of Graduate Admissions by December 15 of the preceding year. Students may also enter the program in the spring semester, in which case the application materials must all reach the Office of Graduate Admissions by June 15 of the preceding year.
The number of students who may enter the program in any given year is limited. Rarely is one accepted who applies late. Students whose applications are late may request consideration for admission in the following year. The PhD-ThD Committee may require the amount of study and the length of time usually required in developing prerequisites must be met by the end of the third consecutive semester in the program. A student may be required to take a reduced load in order to meet these prerequisites. Language proficiency must be completed before entrance. If that is not possible, a student may be allowed to delay entrance and request consideration for admission in the following year. Rarely is one accepted who applies late. Students whose applications are late may be denied admission.

The number of students who may enter the program in any given year is limited. Dual enrollment in undergraduate or other graduate degree programs is not allowed in the PhD in Religion Program. The number of students who may enter the program in any given year is limited.

Graduates of this program will be able to:

- Articulate an integrated theology and philosophy of faithfulness to God and Scriptural objectivity, in research, and integrity in relationships.
- Provide evidence of a broad understanding of the context area of the chosen major discipline and competency within the area of the minor discipline.
- Demonstrate ability to propose a delimited topic of original research, carry out the investigation under faculty mentorship, and produce a logical and coherent written report of the study.
- Write scholarly research, make a professional presentation and submit for publication.
- Display teaching ability appropriate for college and university settings.

**Theology ThD**

The Doctor of Theology (ThD) program prepares teacher-scholars in interdisciplinary theological fields, primarily for the Seventh-day Adventist Church in its institutions of higher learning around the world. This degree is not earned by the mere accumulation of credits. It is conferred on those who demonstrate clearly and capably, in written and oral form, mature and independent research marked by discriminating analysis, careful evaluation of evidence and theories, and sound interpretation of available data. The ThD is granted only to those who give evidence that they have attained a distinctly superior level of expertise in their principal area of study and the supplementary cognate area.

**Concentrations**

There are four degree concentrations:

- Biblical Studies
- Historical Studies
- Missiological Studies
- Theological Studies

Each field of study is to be supplemented with one of the cognate areas listed below:

- Biblical Archaeology and History of Antiquity
- Christian Ministry
- Church History
- New Testament
- Old Testament
- Religious Education
- Theology and Christian Philosophy
- World Mission
- Area selected from approved graduate-level studies

The cognate must be taken in a department other than the two departments bridged in the field of study. If the field of study does not include New Testament, Old Testament, or Theology and Christian Philosophy then the cognate must come from one of these departments.

In order to fulfill the requirements for the ThD degree, students must register for 64 credits by completing 48 or more credits of formal course work in lecture, seminar, directed-study, and reading courses, and 16 credits for the dissertation.

**Total Credits - 64**

| Core - 6 |
|-----------------------|-----------------|
| GSEM 860 - Teaching Religion in College Credits: | 3 |
| GSEM 880 - Preparation for PhD-ThD Comprehensive Examinations Credits: | 0 |
| GSEM 915 - Biblical and Theological Hermeneutics Credits: | 3 |

| Dissertation - 16 |
|-------------------|----------------|
| GSEM 854 - PhD-ThD Dissertation Proposal Seminar Credits: | 3 |
| GSEM 995 - PhD-ThD Dissertation Credits: | 1–12 |

**Concentration - 33**

The student chooses one of the following four areas of concentration which combines classes from two departments. The 33 credits are divided between the two departments with a minimum of 12 credits in a department. Additional language requirements may be part of the coursework set by departments jointly:

- Biblical Studies
- Historical Studies
- Missiological Studies
- Theological Studies

**Cognates - 9**
The concentration is supplemented with one of the cognate areas listed below. The cognate must be taken in a department other than the two which make up the concentration. If the concentration does not include Old Testament, New Testament or Theology as one of the departments of the concentration, then one of those must be taken as the cognate.

- Adventist Studies
- Biblical Archaeology and History of Antiquity
- Christian Ministry
- Church History
- New Testament
- Old Testament
- Religious Education
- Theology and Christian Philosophy
- World Mission
- Area selected from approved graduate-level studies

Requirements for cognates may be obtained from the PhD/ThD office.

### Additional Requirements

Achieve grades of B (3.00) or better and/or S. Only such grades are credited toward the degree requirements. No more than 15 credits in courses with an S grade may be applied to the program requirements. If the student falls below the minimum GPA of 3.00, he/she is placed on probation and can regain regular standing only after having again reached the B (3.00) level. The matriculation of a student with grades below B may be terminated after review by the PhD-ThD Committee. A student who accumulates more than three grades of C or below (2.00 or below) is not allowed to continue in the doctoral program.

#### Coursework Levels

Take all course work at the Seminary on the 600-, 800-, and 900-levels; some non-enrollment. Regular course work and the comprehensive exams must be completed within five years of first enrollment. The dissertation must be completed within five years of passing the comprehensive exams.

#### Time Limits

The maximum time limit for completion of the ThD is ten years from first enrollment. Regular course work and the comprehensive exams must be completed within five years of first enrollment. The dissertation must be completed within five years of passing the comprehensive exams.

#### Comprehensive Examination

The comprehensive examinations determine a students proficiency in the major area of emphasis and in the cognate area of study, familiarity with pertinent literature, and skills in criticism and analysis. Students are expected to demonstrate greater proficiency in the major area of emphasis than in the cognate area. Students are required to pass five comprehensive examinations within a four week period scheduled by the PhD/ThD office. Four of these examinations are set in the principal area of study and one in the cognate area.

- All 48 credits of coursework must be completed a minimum of 6 months prior to taking the comprehensive exams.
- The student’s comprehensive exam schedule and all comprehensive exam contracts must be approved a minimum of 6 months prior to taking the comprehensive exams.
- The student must clear all DG grades a minimum of 3 months prior to taking the comprehensive exams.
- The comprehensive exams will be offered three times a year (Fall, Spring, and Summer semesters).
- When the comprehensive exams have been successfully completed and the dissertation proposal has been approved by the PhD/ThD committee, the student is formally advanced to candidacy by the PhD/ThD committee.
- During semesters of preparation for comprehensive exams and the semester of the exams the student registers for:
  - GSEM 880 GSEM 880 - Preparation for PhD-ThD Comprehensive Examinations

#### Examinations

The student's comprehensive exam schedule and all comprehensive exam contracts must be approved a minimum of 6 months prior to taking the comprehensive exams.

*Comprehensive exams are scheduled by the PhD/ThD office. Check with the office for the starting dates for the exams.

### Dissertation Committee and Defense

The student’s dissertation committee is formed by a collaborative process involving the student, the department chair, the professors to serve on the committee, and the PhD director as described in the PhD/ThD Student Handbook.

At the conclusion of the collaborative process the PhD/ThD committee appoints the student’s dissertation committee.

#### Dissertation Proposal

The student may prepare his/her dissertation proposal by taking GSEM854 PhD-ThD Dissertation Proposal Seminar or by taking up to 3 dissertation credits during the coursework phase. In the case of the first option, the 3 credits of GSEM854 count toward dissertation credits.

The proposal must contain a basic survey of pertinent literature, a clear statement of the problem, a succinct purpose statement, a description of the methodology to be employed, a list of tentative chapter and subsection titles, and a preliminary bibliography.

If the dissertation proposal has not been approved by the PhD-ThD Committee by the time comprehensive examinations have been passed the student registers for GSEM 844 GSEM 844 - PhD-ThD Dissertation Proposal Preparation (non-credit) until the proposal is approved.

After the dissertation proposal is approved and the student has passed the comprehensive examinations, he/she registers for GSEM 995 GSEM 995 - PhD-ThD Dissertation for 1–16 dissertation credits (1-13 credits if GSEM854 is taken) for up to six semesters. If the dissertation is not completed after all 16 dissertation credits have been taken, the candidate must register for GSEM 888 GSEM 888 - PhD-ThD Dissertation Continuation every semester, and pay a continuation fee until the dissertation is completed and the defense held, or until the time limit has expired.

#### Dissertation Preparation

The dissertation prepared by the ThD candidate must

- Make an original contribution to scholarship.
- Demonstrate the candidate’s competence to do independent research.
- Reveal the candidate’s familiarity with and proficiency in handling the pertinent literature.
- Present a logically organized, methodologically sound, and readable account of the investigation, findings, conclusions, and implications of the study.
- Not exceed 100,000 words in content and footnotes, excluding bibliography.

#### Oral Defense of Dissertation

The oral defense of the dissertation normally cannot be made earlier than 12 months after passing the comprehensive examinations. The date is set and advertised by the director of the ThD program.

At least six weeks before the time of the dissertation defense, the program director, in consultation with the dean of the Seminary, appoints two additional members to the doctoral committee. One of these persons, the "external examiner", is normally a scholar from another graduate institution.

The oral defense is conducted by the dissertation defense committee and is held no later than four weeks before the degree is conferred.

To pass the oral defense, the candidates must receive a vote of approval from at least four of the five examiners. The committee votes in one of the following ways:

- Acceptance of the dissertation as presented
- Acceptance of the dissertation subject to minor revisions
- Acceptance of the dissertation subject to major revisions
- Rejection of the dissertation.
Normally, rejection of a dissertation terminates the student’s doctoral candidacy, but the PhD-ThD Committee may consider whether to allow him/her to prepare and submit another dissertation and what specific requirements would apply (including possible further course work and additional comprehensive examinations).

After the Defense
- The student makes all corrections.
- The deadline for dissertations to be submitted to the Dissertation Secretary with the signed approval page is no later than Wednesday, 10 days before graduation. Strict adherence to this deadline is essential or graduation is postponed.

For more detailed guidelines and scheduling see the PhD/ThD Student Handbook. A copy may be accessed online at: www.andrews.edu/sem/programs-degrees/phd/phd-handbook.pdf

Admission Requirements
All applicants must meet the Graduate Programs Admission requirements, and the Seminary Admission Requirements. Admission to the ThD program is granted by the PhD-ThD Committee to applicants who:
- Hold an MDiv degree (or its equivalent), from an approved seminary or university. The applicant’s transcript(s) will be reviewed by the PhD-ThD office for applicability to the program’s prerequisites. Additional coursework may be required to make up deficiencies.
- Show high promise of future usefulness to church and society.
- Read proficiently in ancient and/or modern languages as noted in the Language Requirements.
- Minimum GRE score of 288
- Demonstrate the ability to handle doctoral-level work in English according to the following guidelines:
  - Applicants for whom English is not a primary language of communication are required to take the TOEFL exam and must achieve the entry level score of 90 for iBT TOEFL exam (equivalent to a paper based ITP TOEFL exam score of 575) for regular admission to the ThD program.
  - Applicants who have received a bachelor’s or higher degree in the past 5 years from an institution where English is the medium of instruction are exempt from the requirement to take the TOEFL exam.
  - All international students applying to the ThD programs are required to have a language evaluation interview with the program director whether or not they are required to take the TOEFL exam. The content of this interview may include reading and listening comprehension components and writing and speaking components. The interview can be in person or via Skype if the applicant is not in the Berrien Springs area. A proctor will be involved in any reading and writing components of the interview.
  - Based on the results of the language evaluation interview the applicant may be required to take ESL courses to enhance their English language ability in one or more of the areas covered in the interview (reading, listening, speaking, writing).
  - For an iBT TOEFL score between 80 and 89 (equivalent to a paper based ITP TOEFL score between 550 and 574), the applicant is eligible to enter the Seminary ESL Bridge program in which the student takes two courses with ESL and one or two 3 credit courses in the ThD program. This is counted as full time student status.
  - For iBT TOEFL scores below 80 (350 for ITP TOEFL) the applicant is ineligible for the Seminary ESL Bridge program.
  - For further details regarding the Bridge program and its policies see the ESL website.
  - Depending upon the applicant’s academic background, the PhD-ThD Committee may also require proficiency examination(s) before granting admission to the doctoral program.
  - Have completed GSEM 620 GSEM 620 - Research Methods.

Time to Apply
Students who desire to enter the program in the autumn semester (the normal entry point), or, summer semester must submit all application materials to the Office of Graduate Admissions by December 15 of the preceding year. Students may also enter the program in the spring semester, in which case the application materials must all reach the Office of Graduate Admissions by June 15 of the preceding year.

The number of students who may enter the program in any given year is limited. Rarely is one accepted who applies late. Students whose applications are late may request consideration for admission in the following year.

Items to Submit
In addition to submitting the items required of all graduate students, applicants to the PhD-ThD programs must also submit
- A 300-word personal statement including their philosophical perspective, the relationship of their religious concerns and ethical values to their responsibilities as a teacher-scholar and leader in the church; an indication of what they hope to accomplish professionally in the future, and a topic for the dissertation if one has already been selected.
- A significant research paper (30-40 pages in length), normally written during MDiv studies. The topic of this paper should coincide with the area of concentration. This paper should have the following characteristics:
  - A problem in the area of research is described that engages the debate in the secondary literature
  - A clear thesis is stated
  - The case for the thesis is argued succinctly and logically, taking into account the discussion in the secondary literature
  - Conclusions are presented clearly and convincingly
  - The paper is in good English prose without grammatical, syntactical or spelling errors

Dual Enrollment
Dual enrollment in undergraduate or other graduate degree programs is not allowed in the ThD program.

Language Requirements
Applicants must demonstrate proficiency in specified foreign languages either by passing language proficiency examinations or by taking specified graduate level language courses at Andrews University and earning a grade of B or above. The language requirements for the ThD degree are advanced Hebrew and advanced Greek and reading knowledge of French and German.

When warranted by the student’s program, language substitutions may be made with the approval of the student’s advisor and the director of the ThD program. Some departments allow up to 6 hours of language requirements to count toward the field of study.

Schedule of Meeting Language Requirements
All language requirements should be completed before entrance. If that is not possible, a student may be required to take a reduced load in order to meet these requirements. Language requirements must be met by the end of the third consecutive semester in the program (including summer). Students who fail to meet this schedule take no further regular course work until all the language requirements are met. Because of the amount of study and the length of time usually required in developing skill in languages, the PhD-ThD Committee may require applicants to clear all the language requirements prior to admission.

Advanced Standing
Advanced standing may be considered for students having done post-MDiv work in an approved institution if the work is appropriate to the program, carries grades of B or above, and was taken within six years of the students’ first enrollment in the ThD Program. Credits earned towards the MDiv degree are not considered for advanced standing. The director of the ThD Program determines the appropriateness, relevance, and currency of the work considered for advanced standing and authorizes such standing. In no case is the minimum residence requirement reduced.

Additional Information
Full Course Load
The full-time load for regular course work is 8 to 12 credits per semester. Students with full-sponsorship are expected to take a full load of 12 credits per semester. On-campus students who are registered for GSEM 880, GSEM 844, GSEM 888 (non-credit courses) are counted as full-time students. Students who register for GSEM 995 are also counted as full-time students if the work is done on campus and they register for 16 credits in a maximum of six semesters.

Student Learning Outcomes
Competencies
One who holds a ThD in Religion should possess the following competencies:
- Faithfulness to God and Scripture
- Mastery of content relevant to the chosen discipline
- Advanced research and writing capability in the chosen discipline
- Expertise in teaching and other forms of communication

Outcomes
Graduates of this program will be able to:
• Articulate an integrated theology and philosophy of faithfulness to God and Scripture, objectivity in research, and integrity in relationships.
• Provide evidence of an integrated understanding of two major content areas and competency within the area of the minor discipline.
• Demonstrate ability to propose a delimited topic of original research that integrates the knowledge-base of two major content areas, carry out the investigation under faculty mentorship, and produce a logical and coherent written report of the study.
• Write scholarly research, make a professional presentation and submit for publication.
• Display teaching ability appropriate for college and university settings.

Certificates

Ellen G. White and Adventist Studies Graduate Certificate

The Ellen G. White and Adventist Studies Graduate Certificate is an academic program requiring three years of study on an annual intensive basis beyond the master’s level. The purpose of the certificate is to prepare active teachers at Seventh-day Adventist colleges and universities who do not have a doctoral emphasis, doctoral cognate, or master’s degree in Adventist Studies to competently provide education in the areas of Ellen G. White studies and Adventist history. Additionally, the program will support the educational competence of Ellen G. White Seventh-day Adventist (EGWSDA) Research Center Directors and Division or Union archive directors. The certificate requires 18 credits of prescribed 600-level course work.

Total Credits - 18

CHIS 624 - Issues in Ellen G. White Studies Credits: 2,3 *
CHIS 628 - Historical Research and Historiography Credits: 3
3 credits of CHIS 674 - Development of Seventh-day Adventist Theology Credits: 2,3
CHIS 682 - Seminar in Church History Credits: 3 (Theology of Ellen G. White)
3 credits of CHIS 685 - Studies in Church History Credits: 2,3 (Ellen White and Adventist Research)
1 credit of CHIS 690 - Independent Study Credits: 1–3 (Issues in Ellen White Studies)*
3 credits of CHIS 695 - Topics in Church History Credits: 2,3 (Teaching Adventist History and Life and Writing of Ellen G. White)
3 credits of CHIS 695 - Topics in Church History Credits: 2,3 (Fundamentals of Archival Practice) NOTE: To be taken only by directors of EGWSDA Research Centers and division or union archive directors, in place of one of the courses listed above, under advisement by the program director.

*These two courses will be taken concurrently.

Student Learning Outcomes

Completers will be able to:
• Conduct effective research that demonstrates competence in Ellen G. White studies and in Adventist theology and history.
• Articulate a biblical and theologically sound understanding of the prophetic gift as manifested through Ellen G. White.
• Practice hermeneutics in the interpretation of the writings of Ellen G. White that are both biblically grounded and according to her intent.
• Demonstrate understanding of the content, central issues, and processes relating to Ellen G. White and Adventist History.
• Have increased competence in the area of archival and Adventist heritage leadership (For Research Center directors and Division and Union archivists).

Fellowship Post-Doctoral Certificate

Wagner Kuhn, Director

This one- to two-year fellowship is available to individuals who have completed their PhD or ThD degree or their equivalent. It is especially offered for those who would like to experience participating in a Seventh-day Adventist academic community based on Seventh-day Adventist educational values.

Research Areas Available:
• Adventist Studies
• Apocryphal and Pseudepigraphical Literature
• Biblical and Ancient Languages
• Biblical Archaeology
• Biblical Spirituality
• Christian Ethics
• Christian Philosophy
• Church History
• Doctrines and Theology
• Historical Theology
• Judaism and Rabbinc Studies
• Leadership
• Literary Criticism
• Mission
• New Testament Studies
• New Testament Backgrounds
• Old Testament Studies
• Preaching
• World Religions

Total Credits - 12

GSEM 898 - Postdoctoral Research Project Credits: 5
GSEM 990 - Postdoctoral Seminar Credits: 3
4 credits of GSEM electives chosen in consultation with advisor

Additional Requirements

• The postdoctoral studies will be research based.
• The fellowship will last one to two years. If needed, an extension for one additional year may be granted with the approval of the faculty of the mentoring Department, the Program Director, and the Seminary Dean.
• Each postdoctoral fellow will be assigned his/her mentor who will be appointed by the Program Director, Department Chair, and Seminary Dean.
• Each semester the postdoctoral fellow is in residence, he/she must register and participate in GSEM 990 Postdoctoral Seminar (3 credits) and GSEM 898 Postdoctoral Research Project.
• At the end of the fellowship, the postdoctoral fellow will be required to present a publishable study in the form of article(s), monograph, or book approved by the faculty of the mentoring Department, Program Director and Seminary Dean.
• The postdoctoral fellow may be invited to participate in faculty meetings or doctoral club activities.
• The fellow will be encouraged to audit classes in their field of expertise.
• Each department will be limited to mentoring two fellow participants at a time.
• The mentor must agree to the additional mentoring load.

Admission Requirements

An application to the Postdoctoral Fellowship Program must contain the following items:
• Official transcript of doctoral studies.
• Copy of the diploma granted (if the doctorate is not finished at the time of application, it must be submitted before the fellowship will start).
• Current curriculum vitae.
• Description of the area of concentration with a proposed research project.
• Three letters of recommendation: (a) one from the members of the fellow’s doctoral committee, (b) one from his/her teachers, and (c) one from the sponsoring organization.
• The applicant may also include a signed statement from a SDA Theological Seminary faculty member indicating his/her willingness to mentor the fellow and guide his/her research project.
Acceptance into the Program

- The fellowship appointment will begin in either January or August of each academic year.
- The fellow will be accepted into the program after the approval of the application by the faculty of the mentoring Department, the Program Director, and the Seminary Dean.
- Upon acceptance into the program, the fellow will receive an Andrews University identification card and will have full access to the James White Library.

Additional Information

Financial Responsibilities

- The fellow will be charged doctoral-rate tuition for the doctoral seminar credits taken each semester.
- The SDA Theological Seminary has no financial obligations toward the postdoctoral fellow and appointment does not imply any actual employment or working relationship.
- The postdoctoral fellow must be able to pay for his/her expenses or have a sponsoring organization (Division, Union, University, or College) to cover his/her costs.
- The fellow will be required to either purchase Andrews University health insurance or provide evidence of health insurance coverage viable within the United States.

Certification of Completion

A valid Andrews University diploma will be issued upon the successful completion of the postdoctoral program.

Seminary - General

GSEM 501 - New Student Orientation

Credits: 0
Required for all incoming MDiv students. This class introduces students to the MDiv program and covers topics such as degree requirements, how to succeed in the program, Seminary code of conduct, and campus resources. Information on the date of the Orientation is sent out to students once accepted.

Grade Mode: Satisfactory (S,U,I,W)
Schedule Type: Independent, Seminar
College Code: SEM

GSEM 505 - Colloquium: _____________

Credits: 0
Colloquia on a variety of topics offered every semester for MDiv students. (On-campus MDiv students are required to participate in five colloquia before graduation.)

Grade Mode: Satisfactory w/o 'I' (S,U,W)
Repeatable: Repeatable
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: SEM

GSEM 520 - Methods in Biblical & Theological Research

Credits: 2
An exploration of the methods, principles, and tools for studying Scripture through biblical exegesis and through studies in biblical and systematic theology. Includes attention to library research and research writing.

Grade Mode: Normal (A-F,I,W)
Corequisite(s): An NTST, OTST or THST course.
Schedule Type: Lecture, Interactive Online
College Code: SEM

GSEM 525 - The Bible and Biblical History

Credits: 0.1
Surveys the Bible’s content and history as reflected in the requirements for the Bible Knowledge Examination Test and equips the student to improve the biblical literacy of the local parish.

Grade Mode: Satisfactory (S,U,I,W)
Schedule Type: Lecture
College Code: SEM

GSEM 528 - Nutrition and Health Promotion

Credits: 2.3
Health promotion and Adventist lifestyle, with primary focus on the influence of diet on the development of chronic diseases such as heart disease, hypertension, diabetes, and cancer.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

GSEM 530 - Doctrine of the Sanctuary

Credits: 2.3
A study of the earthly and heavenly sanctuaries with special emphasis on the books of Leviticus, Daniel, Hebrews and Revelation. Team taught by members of various departments.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

GSEM 588 - MA (Pastoral Ministry) Program Continuation

Credits: 0
Allows off-campus MAPM students during their coursework phase to maintain active status and to have access to the James White Library electronic resources. This course qualifies for half-time status, requiring a minimum of 240 hours of work per semester of registration.

Course Attribute: Half-time status
Grade Mode: Satisfactory w/o ‘I’ (S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

GSEM 620 - Research Methods

Credits: 2,3
An introduction to research techniques and tools. A research paper is required.

Lecture/Lab: Lab Required
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Must pass Essential Computer Skills Test.
Schedule Type: Lecture, Interactive Online
College Code: SEM

GSEM 625 - Religious Liberty Issues and Advocacy

Credits: 3,4
A survey of religious liberty principles and cases from an Adventist perspective with an emphasis on the contemporary U.S. setting, including a review of major historical developments and a look at trends shaping the future.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

GSEM 627 - Issues in Daniel and Revelation

Credits: 3
Hermeneutics and exegesis of Daniel and Revelation in the original languages, focusing on issues pertaining to use of these books in evangelistic preaching. Daniel 7-9 and Revelation 10-14 receive particular attention. Must have met the intermediate level Greek and Hebrew requirements.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 552 or equivalent
Prerequisite/Corequisite: Must have passed NTST 551 either by passing the placement exam or the course or be enrolled in NTST 551.
Schedule Type: Lecture
College Code: SEM

GSEM 648 - Workshop

Credits: 1–4
Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Workshop
College Code: SEM

GSEM 660 - Portfolio

Credits: 0
Using the approved guidelines, students document personal development; the integration of theory and practice; engagement in ministry within a local congregation; participation in evangelistic outreach; and community involvement.
A DMin portfolio is a professional project that integrates theological reflection, competency-based learning, and practical ministry. The portfolio contributes to the enhancement of ministry in the healthcare environment and to the growth and development of the ministry professional. The portfolio development follows the guidelines for development as outlined in the ACPE Certification Manual.

GSEM 788 - DMin Professional Dissertation Continuation

Credits: 0
Persons who have completed all registrations of module and professional dissertation credits required for the DMin degree maintain their enrollment status by registration for DMin Professional Dissertation Continuation each subsequent semester until completing or leaving the program. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course Attribute: Full-time status
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM
GSEM 789 - DMin Program Continuation
Credits: 0
Program participants register in semesters between module intensives for DMin Program Continuation to maintain current student status in all semesters. This course qualifies for half-time status, requiring a minimum of 240 hours of work per semester of registration.

Course Attribute: Half-time status
Grade Mode: Satisfactory w/o ‘I’ (S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

GSEM 790 - DMin Professional Dissertation Seminar
Credits: 2
Forming the professional dissertation proposal and issues related to completing the dissertation successfully. Areas of focus include academic writing, literature review, critical thinking, experiential learning, reading and evaluating research reports, an effective work plan for completion of the dissertation, and other dissertation-related topics.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning, Seminar
College Code: SEM

GSEM 793 - DMin Research Methods Seminar
Credits: 2
Forming the action plan for successfully implementing and evaluating the DMin professional dissertation. Areas of focus include action research, research design and methods, descriptive statistics, methods of evaluating the project, IRB approval, and other project-related topics.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: SEM

GSEM 796 - DMin Professional Dissertation
Credits: 2, 3
The DMin professional dissertation integrates theological reflection, scholarly research and practical ministry. The professional dissertation contributes to the enhancement of ministry in the church and to the growth and development of the ministry professional. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course/Lab Fee: No
Grade Mode: Full-time status
Repeatable: Repeatable up to 7 credits
Schedule Type: Independent
College Code: SEM

GSEM 797 - Independent Study
Credits: 1–8
Available to students by permission of the program committee. A minimum of one meeting per month with the supervising professor is generally required.

Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

GSEM 810 - PhD-ThD Colloquium
Credits: 0
Attendance at PhD-ThD scholarly colloquia to enhance understanding of the SDA theology, identity, and philosophy of scholarship, promote interdisciplinary knowledge and foster the PhD-ThD learning community. Four semesters of 5 credit required.

Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: SEM

GSEM 844 - PhD-ThD Dissertation Proposal Preparation
Credits: 0
This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory w/o ‘I’ (S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

GSEM 850 - Research Seminar
Credits: 2
An introduction to research methods and tools.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

GSEM 854 - PhD-ThD Dissertation Proposal Seminar
Credits: 3
Advanced research techniques and tools, with preparation of a tentative proposal, or pre-proposal, for a dissertation in the field of religion.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

GSEM 860 - Teaching Religion in College
Credits: 3
Furnishes PhD and ThD students with insights into the practice of using basic techniques, tools and procedures for meaningful instruction in the field of religion.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

GSEM 880 - Preparation for PhD-ThD Comprehensive Examinations
Credits: 0
This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory w/o ‘I’ (S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

GSEM 885 - PhD-ThD Comprehensive Exams
Credits: 0
Taken in the semester comprehensive exams are taken. May be repeated one time only. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course Attribute: Full-time status
Grade Mode: Satisfactory (S,U,I,W)
Prerequisite(s): GSEM 880 Preparation for PhD-ThD Comprehensive Exam
Schedule Type: Independent
Term Offering: Fall, Spring, Summer
College Code: SEM

GSEM 888 - PhD-ThD Dissertation Continuation
Credits: 0
This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course/Lab Fee: Yes
Course Attribute: Full-time status
Grade Mode: Satisfactory w/o ‘I’ (S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

GSEM 898 - Postdoctoral Research Project
Credits: 5
Research project for a postdoctoral fellow in the area of his/her expertise. This research is guided by the assigned mentor. Qualifies for 5 credits.

Grade Mode: Satisfactory (S,U,I,W)
Church History

GSEM 915 - Biblical and Theological Hermeneutics
Credits: 3
Examination and critique of hermeneutical systems, their presuppositions, principles, and methodologies with the goal of developing sound principles of biblical and theological interpretation from a high view of Scripture. Application to selected biblical texts and theological issues.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

GSEM 990 - Postdoctoral Seminar
Credits: 3
A postdoctoral seminar in the area of the fellow's expertise.

Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

GSEM 995 - PhD-ThD Dissertation
Credits: 1–12
May take 1-12 credits to qualify for full-time status requiring a minimum of 480 hours of work per semester of registration.

Course Attribute: Full-time status
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 16 credits
Schedule Type: Independent
College Code: SEM

Church History

CHIS 504 - Adventist History and Life and Writings of Ellen G. White
Credits: 3
This overview class will examine the history of Adventism from the Millerite period to the present, including aspects of organization with key people and events. The second part of the class will introduce the prophetic gift as manifested in Scripture and through the history of Ellen G. White's life, writings, and ministry in the Seventh-day Adventist Church.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Prerequisite to CHIS 624 and CHIS 674.
Schedule Type: Lecture
College Code: SEM

CHIS 505 - Survey of Church History
Credits: 3
Early Church, Rise of the Papacy, Great Schism, Eastern Orthodoxy, Crusades, Medieval Church, Continental Reformation and Counter Reformation, English Reformation, English Puritanism, Enlightenment, Pietism, Methodism, American denominationalism, and recent developments. Does not apply toward the CHIS requirements for the MDiv program.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 506 - Church History to 1500
Credits: 2,3
Early Church; rise of the Papacy; Great Schism; Crusades; Medieval Church; and pre-Reformation to 1500. Intended for students without a college course in church history. CHIS 506 and CHIS 507 should be taken sequentially.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 507 - Church History 1500 to Present
Credits: 2,3
Continental Reformation and Counter Reformation; English Reformation; Elizabethan Settlement; English Puritanism; Enlightenment; Pietism; Methodism; American denominationalism; Eastern Orthodoxy; and recent developments. Intended for students without a college course in church history. CHIS 506 and CHIS 507 should be taken sequentially.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

CHIS 567 - Hispanic-American Church History
Credits: 2,3
The Christian Church in Hispanic North America, in the wider context of Spanish and Latin American church history since the 16th century.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 570 - History of the Seventh-day Adventist Church
Credits: 1.5,2
This overview class will examine the history of Adventism from the Millerite period to the present including aspects of organization with key people and events.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): For the MDiv program, this course, along with CHIS 571, is a prerequisite for CHIS 624 and CHIS 674.
Schedule Type: Lecture
College Code: SEM

CHIS 571 - The Life and Writings of Ellen G. White
Credits: 1.5,2
Introduction to the prophetic gift as manifested in Scripture and through the history of Ellen G. White's life, writings, and ministry in the Seventh-day Adventist Church.

Course Attribute: Adventist Studies
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 574 - History of Seventh-day Adventist Theology
Credits: 2
Origin and subsequent development of characteristic Seventh-day Adventist teachings in such areas as the Sabbath, sanctuary, atonement, covenants, creation, conditional immortality, worship, typology, eschatology, Christology, and righteousness by faith.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

CHIS 575 - Adventist History and Life and Writings of Ellen G. White
Credits: 3
This overview class will examine the history of Adventism from the Millerite period to the present, including aspects of organization with key people and events. The second part of the class will introduce the prophetic gift as manifested in Scripture and through the history of Ellen G. White's life, writings, and ministry in the Seventh-day Adventist Church.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Prerequisite to CHIS 624 and CHIS 674.
Schedule Type: Lecture
College Code: SEM
CHIS 600 - The Early Church to A.D. 604
Credits: 2,3
The message and mission of the church; experiences, attitudes, and practices of early Christians, selected for their usefulness to a modern pastor.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

CHIS 609 - The Church in the Middle Ages
Credits: 2,3
Rise of the papacy; the evangelization of Europe; the great schism, investiture controversy, crusades, and conciliarism; religious authority, predestination, justification, church and state, church and sacrament, faith and reason.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 612 - Introduction to Ecclesiastical Latin
Credits: 3
Grammar, syntax and working vocabulary of Ecclesiastical Latin.

Course Attribute: Language and Literature
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 614 - Readings in Ecclesiastical Latin
Credits: 3
Study of advanced Latin syntax, vocabulary and grammar, as well as reading and analysis of primary sources in Ecclesiastical Latin, selected for their significance to the history of theology.

Course Attribute: Language and Literature
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHIS 612 or equivalent.
Schedule Type: Lecture
College Code: SEM

CHIS 620 - Seminar in Christian Biography
Credits: 2,3
A study of the lives and contributions of selected preachers and other church leaders from ancient times to the present.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHIS 504 or equivalent.
Schedule Type: Seminar
College Code: SEM

CHIS 624 - Issues in Ellen G. White Studies
Credits: 2,3
The foundational interpretive issues and correct research methods relating to Ellen G. White's prophetic ministry with attention to key issues that impact the Seventh-day Adventist Church.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHIS 650 or equivalent.
Schedule Type: Lecture, Interactive Online
College Code: SEM

CHIS 625 - Seminar in Church-State Thought
Credits: 2,3
A seminar that examines religious toleration and freedom and the relationship of church and state through the reading of primary sources. Includes classic writers such as Augustine, Aquinas, Calvin, Williams, Bayler, Locke, Jefferson, and Mill, and contemporary authors such as Neuhaus and Carter.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Seminar
College Code: SEM

CHIS 628 - Historical Research and Historiography
Credits: 3
An examination of the methods of historical investigation and presentation.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 629 - History of Christian Spirituality
Credits: 2,3
History and practice of Christian spirituality, from the Early Church through the Modern Church and Adventism, supported by reading and discussion of selected spiritual writers.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 630 - History of Jewish Experience
Credits: 2,3
The history of the Jewish people, religion, literature, and culture since biblical times, with emphasis on relationships to Christianity.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 634 - Reformation Theology
Credits: 2,3
Teachings of the leading Reformers on justification, predestination, law and grace, the church, the sacraments, church-state relationships, and other topics; a comparison of these positions with Seventh-day Adventist teachings.

Course Attribute: Theology
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 635 - History of the African American Churches
Credits: 2,3
An investigation of the African-American experience within the Christian church, with particular focus given to the Seventh-day Adventist Church. Study is given to such critical issues as Regional Conferences.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 638 - History of the Great Controversy, Covenant, Law, Sabbath
Credits: 2,3
The historical development of theological thought concerning the great controversy, covenant, law, and Sabbath and their interrelationships since the early church, with particular attention to aspects that have influenced the Seventh-day Adventist Church.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 640 - Reformation: ____________
Credits: 2,3
Careers and contributions of selected major reformers and the course of their movements.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different reformers or movements
Schedule Type: Lecture
College Code: SEM

CHIS 645 - Seminar in Adventist Studies
Credits: 3
Research into special topics in Adventist Studies.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: SEM

CHIS 650 - English Reformation and Rise of Puritanism
Credits: 2,3
Developments in the 16th and 17th centuries; the Elizabethan Settlement; the Puritan movement and its relation to authority, the kingdom of God, preaching,
and the Sabbath; leading Reformers and Puritans and their legacy for today.

CHIS 654 - Seminar in English Reformation and Puritan Theology
Credits: 3
Theological documents of the English Reformation and Puritanism, with particular attention to those aspects which influenced Seventh-day Adventist doctrine.
Course Attribute: Theology
Grade Mode: Normal (A-F,I,W)
Prequisite(s): CHIS 504, 659, or CHIS 708. Entrance to 600-level seminars normally requires completion of a related course with superior grade and in some instances (e.g., when enrollment is restricted) may also require the professor's permission.
Schedule Type: Seminar
College Code: SEM

CHIS 655 - Wesley and Methodism
Credits: 2, 3
Topics in the historical development of Methodism and Wesleyan theology.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 657 - Seminar in Reformation Theology
Credits: 3
Selected topics from Lutheran, Reformed, Swiss, Radical, and Counter-Reformation theologies.
Course Attribute: Theology
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

CHIS 659 - Seminar in the History of Selected Christian Doctrines
Credits: 3
The history of concepts characteristic of Seventh-day Adventism, such as the Sabbath, sanctuary, conditional immortality, and pre-millennial historicist eschatology, as taught through the centuries, with principal emphasis on their development outside of Seventh-day Adventism.
Course Attribute: Theology
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

CHIS 660 - History of Religion in America
Credits: 2, 3
The development of religion in America from colonial times to the present. Emphasis on the role of religion in American culture and on such issues as revivalism, the social concerns of the churches, and the evolution of major denominational families.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 664 - History of American Religious Thought
Credits: 2, 3
Special attention given to the evolution of Calvinistic and Arminian thought, millennial schemes in the 19th and early 20th centuries, and the fundamentalist-modernist controversy. Intellectual developments that influenced the development of Seventh-day Adventist are emphasized.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 665 - Modern Church History
Credits: 2, 3
The Pietistic movement, evangelical awakenings, the Enlightenment, the rise of the modern missionary impulse, the Oxford Movement, the Vatican Councils, and related phenomena, in the context of their times. Factors that influenced the rise of Seventh-day Adventism are emphasized.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 666 - History of Religious Liberty
Credits: 2, 3
Religious oppression and freedom in the history of Western civilization with special attention to developments in British Colonial America and the United States; Sunday closing laws and labor unionism as threats to religious freedom; government aid to education; current developments as they occur.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 670 - Seminar in History of the Seventh-day Adventist Church
Credits: 2, 3
Research into specific areas of denominational history employing source materials in the Adventist Heritage Center and Ellen G. White Research Center.
Grade Mode: Normal (A-F,I,W)
Prequisite(s): CHIS 504, or CHIS 674. Entrance to 600-level seminars normally requires completion of a related course with superior grade and in some instances (e.g., when enrollment is restricted) may also require the professor's permission.
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

CHIS 672 - Teaching Adventist History & Life and Writings of EGW
Credits: 3
This overview class will prepare teachers to examine and present the history of Adventism from the Millennial period to the present including aspects of church government, related denominations, and influence on the world. The second part of the class will also study the historical and biographical apparatus of Ellen G. White's life, writings and ministry in the Seventh-day Adventist Church.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 673 - Development of Seventh-day Adventist Lifestyle
Credits: 2, 3
The historical development of Seventh-day Adventist practice and attitude in such areas as healthful living, military service, Sabbath observance, literature evangelism, labor unions, recreation, dress, political activity, marriage, minorities, and education.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

CHIS 674 - Development of Seventh-day Adventist Theology
Credits: 2, 3
The origins, development, and integration of the Adventist theological foundations starting from the Second Advent Awakening and Millennial movement to the present, emphasizing such doctrines as the Sabbath, sanctuary, Three Angels' Message, conditional immortality, Trinity, Christology, and righteousness by faith.
Course/Lab Fee: No
Course Attribute: Theology
Grade Mode: Normal (A-F,I,W)
Prequisite(s): CHIS 570 and CHIS 571, or equivalent.
Schedule Type: Lecture, Interactive Online
College Code: SEM

CHIS 675 - Seminar in the Development of Seventh-day Adventist Church
Credits: 2, 3
The historical development of Seventh-day Adventist practices and attitudes in relation to such matters as healthful living, military service, Sabbath observance, worship, labor unions, recreation, amusement, entertainment, sports, dress and adornment, music, theater, drama, marriage, divorce, minorities, education, reform, and the nearness of the second advent.
CHIS 680 - History of Sabbath and Sunday  
Credits: 2,3  
A historical and theological study of the extensive primary sources and issues concerning Sabbath and Sunday, with due attention to related matters.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

CHIS 682 - Seminar in Church History  
Credits: 3  
Research into special topics in Christian history from the Early Church period through post-Reformation times.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Seminar  
College Code: SEM

CHIS 683 - The Pastor, Church and Civil Law  
Credits: 3  
An introduction to legal issues affecting the pastor and the church, including an overview of the history of religious liberty in America, as well as matters relating to church operations, employment, and minimizing exposure to legal liability.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

CHIS 684 - Seminar in History of Sabbath and Sunday  
Credits: 3  
Analysis of documents and issues not covered in CHIS 680.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Seminar  
College Code: SEM

CHIS 685 - Studies in Church History  
Credits: 2,3  
Topics announced in advance.  
Grade Mode: Normal (A-F,I,W)  
Repeatable: Repeatable with different topics  
Schedule Type: Lecture  
College Code: SEM

CHIS 686 - Development of Prophetic Interpretation  
Credits: 2,3  
The historical development of the understanding of apocalyptic prophecies in Daniel, Revelation, the Gospels, and the Epistles, since the first century. The origin, development and impact of historicism, preterism, futurism, dispensationalism, and millennialism.  
Course Attribute: Theology  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

CHIS 687 - Seminar in Development of Prophetic Interpretation  
Credits: 2,3  
A study of topics in the history of prophetic interpretation, with attention to aspects which have influenced Seventh-day Adventists.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Seminar  
College Code: SEM

CHIS 688 - Contemporary Trends  
Credits: 2,3  
Selected topics involving recent developments in such areas as church and state relations, tensions between science and religion, challenge and opportunity in a technological society, the appeal of non-Christian religions, dialogue and debate in the ecumenical movement, and Christian versus non-Christian secularism.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Seminar  
College Code: SEM

CHIS 689 - History of Worship and Liturgy  
Credits: 3  
From an Adventist perspective, investigate the development of Christian worship and liturgy in the early church, middle ages, Reformation, post-Reformation, and contemporary movements.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

CHIS 690 - Independent Study  
Credits: 1–3  
Restricted to advanced students. Selected problems in the field of church history. See general guidelines under Academic Policies Applying to All Programs.  
Grade Mode: Normal w S (A-F,I,S,U,W)  
Repeatable: Repeatable  
Schedule Type: Independent  
College Code: SEM

CHIS 695 - Topics in Church History  
Credits: 2,3  
Selected themes. Can be used only by preapproval from the student’s program director and the teacher.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

CHIS 814 - Historical Research and Historiography  
Credits: 3  
An examination of the methods of historical investigation and presentation.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

CHIS 828 - Readings in Ecclesiastical Latin  
Credits: 3  
Study of advanced Latin syntax, vocabulary and grammar, as well as reading and analysis of primary sources in Ecclesiastical Latin, selected for their significance to the history of theology.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

CHIS 880 - Topics in Church History  
Credits: 1–3  
Classroom setting research dealing with selected problems in the field of Church History.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM
CHIS 885 - Topics in Adventist Studies:
Credits: 1–3
Classroom setting research dealing with selected problems in the field of Adventist Studies.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: SEM

CHIS 890 - Directed Reading in Church History
Credits: 1–6
Guided readings in selected literature.

Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

CHIS 891 - Independent Study Church History:
Credits: 1–3
Research on an individual basis dealing with selected problems in the field of Church History.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

CHIS 892 - Independent Study Adventist Studies:
Credits: 1–3
Research on an individual basis dealing with selected problems in the field of Adventist Studies.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Independent
College Code: SEM

CHIS 895 - Directed Reading in Adventist Studies
Credits: 1–6
Guided readings in selected literature.

Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

CHIS 899 - Seminar:
Credits: 3
Selected issues in Church History.

Course Attribute: Theology
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

CHIS 944 - Seminar in Adventist Studies:
Credits: 3
Selected issues in Adventist Studies.

Course Attribute: Theology
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

CHIS 974 - Seminar in Development of Seventh-day Adventist Doctrines
Credits: 3
The development of such doctrines as the Sabbath, sanctuary, atonement, righteousness by faith, conditionalism, and premillennialism within the Seventh-day Adventist Church.

Course Attribute: Theology
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable

Discipleship & Lifespan Education

DSLE 503 - Marriage, Family, and Interpersonal Relationships
Credits: 2,3
Current issues in marriage and family are discussed, and available resources are explored. The dynamics of interpersonal relationships are examined and students are challenged to emulate Christ's example as they interact with persons from all segments of society. (Relates to NCFR Content Area #5 - Interpersonal Relationships.)

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

DSLE 507 - Introduction to Chaplaincy Ministry
Credits: 2
Describes various models of chaplaincy and how they mold the chaplain’s roles as spiritual care providers in institutions to inform and/or expand their own chaplaincy style. Explores ethical and diversity issues within chaplaincy. Envisions the place of chaplaincy within the Adventist Church in the future. Challenges students to grow in biblical spirituality.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Course Attribute: Chaplaincy
Schedule Type: Lecture
College Code: SEM

DSLE 534 - Ministry to Youth and Young Adults
Credits: 2,3
Designed to acquaint students with the opportunities for ministry to and with young people in the church, school and home. The biblical principles of youth ministry leadership, within the context of the church community, are given primary emphasis.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 541 - Foundations of Biblical Spirituality
Credits: 2,3
Study and practice of Biblical spirituality designed to lead students to growth in their personal spiritual lives.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM
DSLE 542 - Advanced Foundations of Biblical Spirituality  
Credits: 2,3  
In-depth study and practice of specific issues and activities of the spiritual life.

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): DSLE 541.  
Schedule Type: Lecture  
College Code: SEM

DSLE 543 - Assessment and Treatment of Victims of Violence  
Credits: 2  
Examination of assessment issues, approaches, and barriers to effective treatment when working with victims of domestic violence, adult survivors of sexual abuse, victims of rape, incest survivors, and child sexual-assault victims. Interpretation of assessment findings included. Short- and long-term therapy options including specific techniques are explored. Prerequisites: SOWK401 and 402 or SOWK501 or permission of instructor.

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

DSLE 546 - Marriage and Family  
Credits: 2,3  
Examination and development of pastoral tools for pre-marriage and marriage counseling. Includes study of theological, psychological, and sociological principles and applications for the life cycle of the family.

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

DSLE 544 - Advanced Youth and Young Adult Ministry Leadership  
Credits: 2,3  
Application of biblical principles of youth ministry leadership to the concrete issues and settings of contemporary youth ministry. Treats topics such as: small groups for youth; sexuality and dating; music; programming.

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): DSLE 534.  
Schedule Type: Lecture  
College Code: SEM

DSLE 545 - Collaborative Ministry: Partnering in Discipleship and Mission  
Credits: 2  
Helping educators and pastors to collaborate together in the development, promotion and support of Adventist education and schools as creative centers for community life and learning. Fostering discipleship as a catalyst for community engagement with secular society.

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

DSLE 548 - Treatment of Substance Abuse  
Credits: 2  
An overview of treatment techniques and basic prevention strategies including specific training in assessment and therapeutic techniques, examining the relationship between etiology and treatment. Treatment evaluation discussed. At-risk, vulnerable populations receive special consideration.

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

DSLE 549 - Foundations in Religious Education  
Credits: 2,3  
Focuses on current and historical theoretical approaches to religious education and discipling. An introduction to procedures needed to implement, maintain and evaluate religious/spiritual learning in the church and school.

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture, Interactive Online  
Term Offering: Spring  
College Code: SEM

DSLE 550 - Philosophical Foundations for Professionals  
Credits: 2,3  
Examines philosophical and theological bases of major worldviews and critiques the impact of naturalism and post-modernism on religion, education, religious education, and psychology from a Christian perspective. Preferably taken in the first year of any Religious Education program.

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture, Interactive Online  
College Code: SEM

DSLE 608 - Youth and Young Adults in Contemporary Culture  
Credits: 2,3  
A study of current developments in youth culture and the influence of youth culture on young people both in the church and the community. Students formulate a strategic response relevant to Seventh-day Adventist ministry to youth.

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

DSLE 609 - Religious Experience in Adolescence  
Credits: 2,3  
A survey of the literature on the tasks of adolescence with particular emphasis on how this developmental stage impacts acceptance of or alienation from religion. An investigation into how adolescents develop and experience faith and the various influences—such as parents, peers, church, school and media.

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

DSLE 610 - Teaching for Discipleship  
Credits: 2,3  
Educational strategies based on current research in learning theory and human development, and family life education, enhancing skills in planning learning events for church, community and school. Instruction and assessment focused on transformation of behavior and values, taking into account the teaching and discipling mandate of the Gospel Commission. Meets three hours per week. (Relates to NCFR Content Area #10 - Family Life Education Methodology)

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

DSLE 615 - Collaborative Ministry: School, Church, Community  
Credits: 2,3  
Participation of the pastor in the development, promotion and support of Adventist education and schools as creative centers for community life and learning. Fostering discipleship as a catalyst for community engagement with secular society.

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

DSLE 616 - Collaborative Ministry: Partnering in Discipleship and Mission  
Credits: 2  
Helping educators and pastors to collaborate together in the development, promotion and support of Adventist education and schools as creative centers for community life and learning. Fostering discipleship as a catalyst for community engagement with secular society.

Course/Lab Fee: Yes  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Interactive Online  
Term Offering: Fall  
College Code: SEM

DSLE 617 - Teaching for Discipleship  
Credits: 2,3  
An overview of treatment techniques and basic prevention strategies including specific training in assessment and therapeutic techniques, examining the relationship between etiology and treatment. Treatment evaluation discussed. At-risk, vulnerable populations receive special consideration.

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

DSLE 620 - Scholarly and Professional Development  
Credits: 0  
Students develop sustainable habits of scholarship including attendance at planned seminars and professional conferences, reading scholarly journals and maintaining a vibrant spiritual life. DG will be given until portfolio is presented as part of comprehensive examination (or thesis defense).

Course/Lab Fee: No  
Grade Mode: Satisfactory (S,U,I,W)  
Repeatable: Repeatable
DSLE 626 - Ministry to At-Risk Youth
Credits: 2,3
This course addresses the theory, practice and application of helping skills to at-risk youth. Emphasis is placed on biblical solutions to real life secular problems. Students will experience and develop effective social skills to work with at-risk youth, focusing on prevention, redirection and restoration skills.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

DSLE 630 - Fostering Spiritual Growth
Credits: 2,3
Explores spiritual growth from both a theological and social science perspective. Evaluates models for answering, What is spiritual growth? and What is involved in facilitating it? Explores the role of all church ministries in fostering spiritual growth.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 633 - K-12 Faith Development & Bible Methods
Credits: 2,3
A holistic approach to Bible teaching, including biblical discipleship and best practice in education. Elementary and secondary school Bible curriculum by grades and by units with special emphasis on growth of knowledge and holistic faith development, appropriate teaching and learning strategies, and materials. Fifteen hours field experience required. Satisfies SDA certification requirements for Bible methods.

Course/Lab Fee: Yes
Course Attribute: Bible Teaching
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning, Interactive Online
Year Offering: Annually
Term Offering: Spring, Summer
College Code: SEM

DSLE 635 - Christian Perspectives on Professional Ethics
Credits: 2,3
Students will examine their personal beliefs and values in relation to ethical and diversity issues. Students will also apply professional Codes of Ethics to practice dilemmas they may face in the fields of social work and family life using a Christian theological framework. (Relates to NCFR Content Area #9 - Professional Ethics & Practice.)

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 636 - Seminar in Youth Ministry
Credits: 1-3
Formulation of a comprehensive ministry for a specific age group, culture, situation or approach (e.g. campus chaplaincy, childhood, adolescence, young adult, African American, Hispanic, youth evangelism, visionary leadership).

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): DSLE 534 or permission of professor.
Repeatable: Repeatable
Schedule Type: Seminar, Interactive Online
College Code: SEM

DSLE 648 - Workshop: ___________.
Credits: 1-3
Examination and application of principles and strategies in Religious Education.

Course/Lab Fee: No
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Workshop
College Code: SEM

DSLE 651 - Foundations of Biblical Counseling
Credits: 2,3
Equips students to apply biblical principles of counseling concepts and psychological insights to human challenges in the emotional, spiritual, cognitive, and behavioral aspects of life.

Course/Lab Fee: No
Course Attribute: Pastoral Care
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 652 - Personal and Family Finance
Credits: 3
Designed to explore the management of personal and family finances and to help the student understand and teach household budgeting, the use and cost of credit, life, property and umbrella insurance, savings and investing. This course emphasizes the principles of stewardship; the recognition that our financial assets are God-given to not only satisfy our needs and wants, but to also be a blessing to others. (Relates to NCFR Content Area #6 - Family Resource Management.)

Course/Lab Fee: Yes
Course Attribute: Finance
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
Term Offering: Fall, Spring
College Code: SEM

DSLE 655 - Families in Society
Credits: 3
An introduction to family-life education and the mission and methods of family ministry within a leadership perspective. Also explores family relationships to other entities, such as educational, government, religious, healthcare and occupational institutions in society. (Relates to NCFR Content Area #1 - Families & Individuals in Societal Contexts.)

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 656 - Counseling Youth and Young Adults
Credits: 2,3
Application of counseling theories and techniques to counselees in their teens and twenties. Students engage in actual counseling experiences and submit reports for self and instructor critiques.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): CHMN 550 recommended for MDiv students.
Schedule Type: Lecture
College Code: SEM

DSLE 657 - Social Policy
Credits: 2,3
Develops basic knowledge and skills for policy analysis, formulation and critical challenge within local and international contexts. Examines the determining factors affecting public policy in the United States as compared with other systems. Provides framework for analysis of social problems and policies, as they impact development and social service practice, particularly with families. (Relates to NCFR Content Area #8 - Family Law and Public Policy.)

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 658 - Internal Dynamics of Families
Credits: 3
A study of family systems theory and its application to key issues in internal family dynamics. (Relates to NCFR Content Area #2 – Internal Dynamics of Families.)

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 659 - Human Sexuality
An understanding of the development and main tenets of interpersonal relationships, and a study of the character and quality of human social conduct. Also examines human sexuality, and studies the physiological, psychological, emotional and social aspects of sexual development and the Christian’s response to this God-given gift. (Relates to NCFR Content Area #4 - Human Sexuality.)

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 660 - Field Practicum: Youth and Young Adult Ministry
Credits: 1-6
Can only be done after the student has completed 24 credits in the MAYYAM program. Practical training in a variety of field activities. An individual contract is developed between the student and a seminary faculty member that includes field supervision of that work, and the writing of a final product or report. Guidelines are available.

Course/Lab Fee: No
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 6 credits
Schedule Type: Practicum
College Code: SEM

DSLE 664 - Advanced Campus Ministry
Credits: 3
Examines the vision, goals and implementation strategies for campus ministry through an understanding of organizational behavior, and mobilization of student leadership. Group strategies, relationship building and networking, and working with Adventist resources are emphasized. Breakout sessions focus on public and Christian campuses to meet needs of professionals in both settings.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

DSLE 669 - Reaching the Secular Mind
Credits: 2,3
Describes popular worldviews found in academic settings and explores strategies for Christian young adults to maintain their own faith and to present the gospel in terms understandable to the unchurched. Includes a consideration of how to plan informal learning events that focus on behavior and value changes.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 676 - Topics: ______________
Credits: 1-3
Themes to be covered are announced in the current class schedule.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture, Interactive Online
College Code: SEM

DSLE 678 - Spiritual Nurture of Children
Credits: 2,3
Examines the spiritual needs of children and young adolescents in light of their physical, social, emotional, and mental development. Considers the nurturing roles of parents and teachers in the church and day school. Practicum activity required.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 679 - Parenting Education and Guidance
Credits: 3
Examines the changing roles and responsibilities of parents; child-rearing practices, including spiritual nurture of children; safety and protection for children; diverse parenting situations; and decision-making about parenthood. Examines the dynamics and needs in the changing nature of parent/child relationships. Develops skills in parenting education, integrating a Christocentric purview. (Relates to NCFR Content Area #7 - Parent Education and Guidance.)

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 680 - Field Practicum:_______
Credits: 1-6
Supervised religious education experience in a chosen area of specialty, such as family life, children’s ministry, youth ministry, academy or college teaching, editorial work, etc. Permission of advisor and practicum supervisor required.

Course/Lab Fee: No
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Practicum
Special Approval: Instructor permission required.
College Code: SEM

DSLE 688 - MA (Religious Education) Program Continuation
Credits: 0
Allows off-campus master’s students during their coursework phase to maintain active status and to have access to the James White Library electronic resources.

Course/Lab Fee: Yes
Grade Mode: Noncredit (NC,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

DSLE 690 - Independent Study: __________
Credits: 1-3

Course/Lab Fee: No
Grade Mode: Normal w S (A-F,I,S,U,W)
Prerequisite(s): Permission of advisor and instructor required.
Repeatable: Repeatable up to 3 credits
Schedule Type: Independent
College Code: SEM

DSLE 699 - Thesis
Credits: 1-3
Master’s thesis.

Course/Lab Fee: No
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 3 credits
Schedule Type: Independent
College Code: SEM

DSLE 705 - Theological and Historical Perspectives on Discipleship
Credits: 4
Examines the biblical and theological basis for discipleship, spiritual life, and Christian experience as well as how this theology has been understood and experienced in the history of the church and the lives of believers. Critiques contemporary forms of spirituality to enable students to discern truth from counterfeit.

Course/Lab Fee: No
Grade Mode: Normal w S (A-F,I,S,U,W)
Schedule Type: Blended Learning
Term Offering: Spring
College Code: SEM

DSLE 707 - The Personal Practice of Discipleship and Biblical Spirituality
Credits: 8
Covers a historical view of those devotional practices outlined in Scripture, Ellen White and significant devotional writers that lead to Christian formation. Provides a praxis model of reflection upon and engagement with those spiritual practices and patterns of life that define who we are as disciples of Jesus.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
Term Offering: Spring
College Code: SEM
DSLE 708 - Mentoring and Coaching for Discipleship
Credits: 4,5
This course will equip participants for assisting in the Christian formation and discipling of others through spiritual mentoring and coaching. It will develop an understanding of how the age, temperament and developmental stage of a mentoree helps to determine the most effective model for discipling.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: SEM

DSLE 709 - Constructs of Corporate Ministry for Discipleship
Credits: 5
Explores constructs of corporate ministry that will enhance growth in Christian formation and discipleship within the context of the church and wider community. A corporate life of mission and ministry to others through loving and maturing relationships will be developed.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
Term Offering: Spring
College Code: SEM

DSLE 710 - Current Issues in Youth and Young Adult Ministry
Credits: 4
Students study selected issues in youth and young adult ministry, including adolescent development, inter-generational relationships, and the challenges of popular culture. They learn how to build specialized approaches in youth ministry. Selected issues in youth and young adult ministry, including adolescent development, inter-generational relationships, loss and reconciliation of youth and young adults, Adventist education, popular culture, emergent church, and the call and mission of young people for God's kingdom and the church. Building specialized approaches in youth and young adult ministry.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 720 - Professional Development
Credits: 1,2
Represents student initiatives for developing sustainable habits of scholarship including such things as attendance at special-event lectures, and professional conferences, reading professional or scholarly journals; and maintaining a vibrant spiritual life. DG will be given until experiences are documented in the portfolio.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Each student two intensives in the Family Ministry Concentration are offered. GDPC 614 Human Development or equivalent.
Schedule Type: Lecture
College Code: SEM

DSLE 721 - Perspectives on Youth and Young Adult Ministry Leadership Strategies
Credits: 5
This module will explore the various leadership roles and functions involved in youth and young adult ministry. It includes: youth and young adult ministry leadership principles, planning and leading major events, implementing change, leadership in youth evangelism, developing people helping skills, life cycle of a youth and young adult ministry.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 747 - Ministry to Families in Context
Credits: 4,5
Provides an introduction to family ministry and the challenges of ministry to contemporary families based on an understanding of their religious, social, educational, occupational, and governmental/legal contexts. Marriage as the core social institution of the family will be emphasized as will current family and public policy.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)

DSLE 748 - Family Dynamics and Sexuality
Credits: 4,5
This module addresses ministry to families based on an understanding of family systems, the family-life cycle, human-relationship processes and human sexuality.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: SEM

DSLE 749 - Family as a Center for Discipleship
Credits: 5
Considers the mission of the home to foster discipleship—within the marriage relationship and in the parenting of children, with the wider family circle of relatives, and with friends and neighbors in the community. Special emphasis will be placed on the dynamics of parent-child relationships and parenting responsibilities with a particular emphasis on transmitting a heritage of faith to the next generation.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: SEM

DSLE 755 - Families in Society
Credits: 2
An exploration of issues germane to family life education, and the mission and methods of family ministry within a leadership perspective.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): GDPC 614 Human Development or equivalent.
Schedule Type: Lecture
Term Offering: Summer
College Code: SEM

DSLE 757 - Family Law and Public Policy
Credits: 3
An exploration of issues which identify social problems affecting families and how family law and public policies relate to social services for children and families.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): GDPC 614 Human Development or equivalent.
Schedule Type: Lecture
Term Offering: Summer
College Code: SEM

DSLE 758 - Internal Dynamics of Families
Credits: 4,5
A study of family-systems theory with applications to issues in internal family dynamics and in congregational dynamics as a family system.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): GDPC 614 Human Development or equivalent.
Schedule Type: Lecture, Blended Learning
College Code: SEM

DSLE 759 - Human Sexuality
Credits: 2,3
An understanding of, and skill development in, interpersonal relationships and a study of human social conduct with emphasis on congregational life. Also studies the physiological, psychological, emotional, and social aspects of human sexuality and the Christian response to this God-given gift. Examines measures for preventing clergy sexual misconduct.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): GDPC 614 Human Development or equivalent.
Schedule Type: Lecture
Term Offering: Summer
College Code: SEM
DSLE 765 - Advanced Youth and Young Adult Ministry
Credits: 5
Builds on knowledge of youth and young adult ministry and advances to a greater depth in such areas as: understanding youth culture, youth evangelism, small groups in youth and young adult ministry, sexuality, music, camping, short-term missions, risk management, contemporary worship, and youth as the present and future of the church.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 779 - Parenting Education and Guidance
Credits: 3
Examines the changing roles and responsibilities of parents; child-rearing practices, including spiritual nurture of children; safety and protection for children; diverse parenting situations; decision making about parenthood. Develop skills in parenting education, integrating a Christocentric purview.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): GDPC 614 Human Development or equivalent.
Schedule Type: Lecture
Term Offering: Summer
College Code: SEM

DSLE 830 - Advanced Fostering Spiritual Growth
Credits: 3
Examines the contributions of theology and the social sciences to a theoretical understanding of how the spiritual life is formed in the individual and considers strategies to foster spiritual growth.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 840 - Nonformal Learning
Credits: 3
A philosophical and practical approach toward teaching strategies in diverse cultural, non-formal settings, with consideration given to literacy issues in the developing world.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 850 - Theological Foundations of Christian Teaching
Credits: 3
Theistic assumptions and biblical models that identify the goals of Christian education and undergird a theology of Christian teaching applicable to discipling and teaching ministries.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 860 - Teaching Religion in College
Credits: 3
Furnishes PhD in Religious Education students with insights into the practice of using basic techniques, tools and procedures for meaningful religious education.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

DSLE 870 - Advanced Studies: __________
Credits: 1-4
Individual or group studies in a specific area of Religious Education designed to meet program competencies.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent

DSLE 790 - Directed Reading
Credits: 1-6
Course/Lab Fee: No
Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

DSLE 930 - Seminar: __________
Credits: 3
Group study in specified areas of Religious Education.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
Special Approval: Advisor or instructor permission required.
College Code: SEM

DSLE 950 - Synthesis in Religious Education
Credits: 2
A capstone course in which students synthesize their learning experiences by examining the structure of the discipline, discussing its major issues, and reviewing...
New Testament

The mission of the New Testament Department of the Seventh-day Adventist Theological Seminary is to treasure and promote the knowledge, understanding, and life-application of the New Testament and the good news about Jesus Christ, the Son of God.

The department seeks to do this through teaching, preaching, lecturing, research, and writing. Its horizon includes biblical languages, interpretation, theology, backgrounds, archaeology, and the origins of the Christian movement.

New Testament Studies

NTST 515 - New Testament Backgrounds
Credits: 2,3
The political, cultural, and religious situation in the New Testament world, with an introduction to the major primary sources.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

NTST 520 - Introduction to the New Testament
Credits: 2
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

NTST 525 - Revelation
Credits: 2
An exegetical approach to the book of Revelation, with special emphasis on selected passages.
Grade Mode: Normal (A-F,I,W)
Prerequisite/Corequisite: Must have met the beginning Greek requirement or be enrolled in NTST 551.
Schedule Type: Lecture, Interactive Online
College Code: SEM

NTST 530 - Introduction to Revelation
Credits: 2
Grade Mode: Normal (A-F,I,W)

NTST 535 - Studies in the Pauline Writings
Credits: 2,3
Study of selected letters of Paul. Greek not required. Not applicable to MDiv credit.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: SEM

NTST 536 - Studies in the Gospels
Credits: 2,3
Study of a selected book or books of the Gospels. Greek not required. Not applicable to MDiv credit.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: SEM

NTST 537 - Studies in Acts and General Epistles
Credits: 2,3
Study of a selected book or books from either Acts or the General Epistles. Greek not required. Not applicable to MDiv credit.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: SEM

NTST 538 - Studies in Hebrews
Credits: 2,3
Study of Hebrews. Greek not required. Not applicable to MDiv credit.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

NTST 539 - Studies in Revelation
Credits: 2,3
Study of Revelation. Greek not required. Not applicable to MDiv credit.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

NTST 551 - Beginning Greek
Credits: 0.2
An introduction to the grammar and syntax of New Testament Greek for students without a working knowledge of the language. Students taking this course during the summer may not take other classes during the same session.
Course/Lab Fee: Yes
NTST 552 - Intermediate Greek
Credits: 0,3
Completes the coverage of grammar and syntax and includes extensive reading in the Greek New Testament. Students taking this course during the summer may not take other classes during the same session.

Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Must have passed NTST 551 either by passing the placement exam or the course
Schedule Type: Lecture, Interactive Online
College Code: SEM

NTST 567 - Theology of the New Testament (English)
Credits: 2,3
Study of selected NT topics. The subject cannot be repeated with the other 500-level course number. Does not presuppose Greek proficiency nor count toward MDiv core requirements or emphases, nor the MA major or minor in New Testament.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: SEM

NTST 606 - New Testament Textual Criticism and Canon Formation
Credits: 2,3

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

NTST 608 - Advanced Greek Grammar and Syntax
Credits: 2,3
An intense and rigorous course to give students high proficiency in the Koine Greek of the New Testament and cognate literature.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Must pass NTST 552 either by passing the placement exam or by earning at least a C in the course.
Schedule Type: Lecture
College Code: SEM

NTST 613 - Love, Marriage and Divorce
Credits: 2,3
In-depth historical-grammatical study of the New Testament theology of love, sexual expression, marriage and divorce in the teachings of Jesus and the apostles.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Must pass NTST 552 either by passing the placement exam or by earning at least a C in the course.
Schedule Type: Lecture
College Code: SEM

NTST 614 - Suffering, Death and Resurrection
Credits: 2,3
In-depth historical-grammatical study of the New Testament theology of suffering, death and resurrection in the teachings of Jesus and the apostles.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Must pass NTST 552 either by passing the placement exam or by earning at least a C in the course.
Schedule Type: Lecture
College Code: SEM

NTST 615 - New Testament Archaeology
Credits: 2,3
A study of the archaeological evidence that contributes to a better understanding of the political, religious, and cultural context in which the New Testament was written.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

Credits: 2,3

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Must pass NTST 552 either by passing the placement exam or by earning at least a C in the course.
Schedule Type: Lecture
College Code: SEM

NTST 618 - Syriac
Credits: 2,3
Basic elements of grammar and syntax with a practical vocabulary; attaining proficiency in reading to enable continued independent study; comparisons with Hebrew for a better understanding of biblical Hebrew in its Semitic setting.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

NTST 623 - New Testament Theology of Prayer
Credits: 2,3

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Must pass NTST 552 either by passing the placement exam or by earning at least a C in the course.
Schedule Type: Lecture
College Code: SEM

NTST 626 - Seminar in Classical Jewish Literature
Credits: 2,3
Reading in classical religious texts of Judaism. Sources include liturgical, Hellenistic, Rabbinic, and medieval texts. Identical to OTST 626.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Required languages vary according to the subject matter.
Repeatable: Repeatable with different topics
Schedule Type: Seminar
College Code: SEM

NTST 627 - New Testament Theology of Salvation
Credits: 2,3
In-depth historical-grammatical study of the concepts of sin and salvation in the New Testament.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Must pass NTST 552 either by passing the placement exam or by earning at least a C in the course.
Schedule Type: Lecture
College Code: SEM

NTST 628 - The Holy Spirit in the New Testament
Credits: 2,3

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Must pass NTST 552 either by passing the placement exam or by earning at least a C in the course.
Schedule Type: Lecture
College Code: SEM

NTST 629 - New Testament Ecclesiology
Credits: 2,3
A comprehensive study of the nature, structure, ministry and activities of the church in New Testament times.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Must pass NTST 552 either by passing the placement exam or by earning at least a C in the course.
Schedule Type: Lecture
College Code: SEM

</tbody>
</table>
NTST 658 - Advanced Studies in the Pauline Writings
Credits: 2,3
The letter(s) of Paul to be studied are announced in advance.

NTST 665 - Coptic
Credits: 2,3
Basic elements of Coptic grammar and syntax, readings in the Coptic New Testament and other Coptic literature.

NTST 667 - Topics in New Testament Theology
Credits: 2,3

NTST 668 - New Testament Ethics
Credits: 2,3

NTST 669 - Jesus in Recent Scholarship
Credits: 2,3
Advanced studies in the person and proclamation of Jesus and the ways Jesus has been understood in various, significant 'lives' of Jesus, including current Jewish assessments. Seeks to give a biblical answer to Jesus' question, "Who do you say that I am?"

NTST 677 - Seminar in New Testament Issues
Credits: 2,3
Topics announced in the Class Schedule.

NTST 678 - Seminar in Greek Exegesis
Credits: 2,3
Particular books or passages to be exegeted are announced in advance.

NTST 679 - Seminar in New Testament Theology and Ethics
Credits: 2,3
An examination of one or more major theological or ethical themes of the New Testament. Particular themes announced in advance.

NTST 680 - Greco-Roman World
Credits: 2,3
Aspects of the culture, history, and religion of the Greco-Roman world bearing on New Testament interpretation.

NTST 684 - Judaism and the New Testament
Credits: 2,3
A study of the Jewish background of the New Testament, including the contemporary history, culture, religion, and literature.

NTST 689 - Seminar in New Testament Backgrounds
Credits: 2,3
Particular topics announced in advance.

NTST 690 - Independent Study
Credits: 1–4
Research on an individual basis dealing with problems in the field of the New Testament. Only open to students who have completed core New Testament requirements. See Seventh-day Adventist Theological Seminary.

NTST 695 - Topics in New Testament Backgrounds
Credits: 2,3
Course deals with selected themes.

NTST 696 - Seminar in Hellenistic Greek
Credits: 2,3
Selected readings in and analysis of various sources such as the Greek New Testament, Septuagint, papyri, Josephus, Philo, Apostolic Fathers, or related texts.
NTST 808 - Advanced Greek Grammar and Syntax

Credits: 3
An intense and rigorous course to give students high proficiency in the Koine Greek of the New Testament and cognate literature.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Must pass NTST552 Intermediate Greek either by passing the placement exam or by earning at least a B+ in the course.
Schedule Type: Lecture
College Code: SEM

NTST 835 - Seminar in Hellenistic Greek

Credits: 3
Selected readings in and analysis of various sources such as the Greek New Testament, Septuagint, papyri, Josephus, Philo, Apostolic Fathers, or related texts.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Must pass NTST552 by passing the placement exam or by earning at least a B+ in the course.
Schedule Type: Lecture
College Code: SEM

NTST 844 - Readings in the Septuagint

Credits: 2,3
Readings of selected passages in the Septuagint and learning how to use the apparatus in the standard editions of the Septuagint.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Must pass NTST552 Intermediate Greek either by passing the placement exam or by earning at least a C in the course. Must pass OTST 552 Biblical Hebrew II either by passing the placement exam or by earning at least a C+ in the course.
Schedule Type: Lecture
College Code: SEM

NTST 885 - Topics in

Credits: 1–3
Classroom setting research dealing with selected problems in the field of New Testament.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: SEM

NTST 890 - Directed Reading in New Testament Studies

Credits: 1–8
Guided readings in selected literature.

Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Independent
College Code: SEM

NTST 897 - Independent Study:

Credits: 1–3
Research on an individual basis dealing with selected problems in the field of New Testament.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

NTST 920 - Seminar in New Testament Backgrounds

Credits: 2,3
Particular topics announced in advance.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Seminar
College Code: SEM

NTST 940 - Seminar in New Testament Exegesis and Hermeneutics:

Credits: 3
Exegesis in New Testament books or passages and/or studies in particular topics such as the history of New Testament exegesis and hermeneutics.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Must pass NTST 552 by passing the placement exam or by earning at least a B in the course
Repeatable: Repeatable with different topics
Schedule Type: Seminar
College Code: SEM

NTST 945 - Seminar in Biblical Theology

Credits: 2,3
Major theological themes and thought patterns of the Bible with special attention to such subjects as the unity of the Bible, the relation between the testaments, and biblical authority. Identical to OTST 945.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Must pass NTST 552 by passing the placement exam or by earning at least a B in the course
Repeatable: Repeatable with different topics
Schedule Type: Seminar
College Code: SEM

Old Testament Studies

ANEAL 510 - Archaeology and the Bible

Credits: 2,3
The assembling of archaeological and ancient textual material which, interpreted from the philosophical viewpoint of the Bible, emphasizes the accuracy and authenticity of the Scriptures. A study of cultures, customs, languages, and rituals that throw light on the statements of God's Word.

Course Attribute: History and Archaeology
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

ANEAL 600 - The Early Church to A.D. 604

Credits: 2,3
The message and mission of the church; experiences, attitudes, and practices of early Christians, selected for their usefulness to a modern pastor.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

ANEAL 604 - History of the Ancient Near East

Credits: 2,3
An introduction to the history of the Ancient Near East up to the time of Alexander the Great. Topics alternate between the history of Egypt and the history of Mesopotamia. Emphasis on the intersection with biblical history. Students may take each topic once.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

Constance E. C. Gane
Roy E. Gane
Oliver Glanz
Gerald A. Klingbeil
Paul J. Ray, Jr.
Randall W. Younker
ANE 605 - Seminar in Old Testament History
Credits: 2,3
Individual research on specific problems for advanced students in Old Testament history.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ANEA 635 or ANEA 604 or equivalent.
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

ANE 612 - Ancient Near Eastern Languages
Credits: 3
Basic elements of grammar and syntax, with a practical vocabulary, for one of the following languages: Sumerian, Akkadian, Egyptian, Ugaritic, Hittite, Syriac, and Coptic. Language announced in advance.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 552 and NTST552 or their equivalent.
Repeatable: Repeatable
Schedule Type: Lecture
College Code: SEM

ANE 613 - Paleo-Christian Archaeology
Credits: 2,3
A study of the archaeological evidence that contributes to a better understanding of the cultural, political, and religious context from the beginnings of early Christianity into the Byzantine period.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

ANE 614 - Archaeology of Palestine
Credits: 2,3
An introduction to the principles, methods, and results of archaeological research in Palestine, especially in how they impact biblical studies.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

ANE 615 - Seminar in Archaeology and History of Antiquity
Credits: 2,3
The archaeology and historical discoveries and problems related to the Old Testament.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ANEA 510 or ANEA 514 or equivalent and ANEA 614 or equivalent, or permission of instructor.
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

ANE 624 - Bible Lands and Their Exploration
Credits: 2,3
Countries of the Bible and archaeological explorations carried out in them during the past 150 years; the geographical setting of Bible history; the background, rise, and progress of biblical archaeology; methods employed by archaeologists in using material excavated and found in the Near East. A review of critical approaches to the historical geography of the Bible. (MA students in archaeology must take for 3 units.)

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

ANE 625 - New Testament Archaeology
Credits: 2,3
A study of the archaeological evidence that contributes to a better understanding of the political, religious, and cultural context in which the New Testament was written. (MA students in archaeology must take for 3 units.)

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

ANE 630 - Archaeological Field Work
Credits: 1–8
In connection with the Andrews-sponsored archaeological expeditions, qualified students obtain practical training in archaeological field work by assisting in the supervising of excavations, drawing, registering, reading of pottery, and kindred work.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable up to 12 credits
Schedule Type: Lecture
College Code: SEM

ANE 635 - History of Israel
Credits: 2,3
An introduction to the history of Israel in the pre-monarchial, monarchical, and post-monarchial periods.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

Schedule Type: Lecture
College Code: SEM

ANEA 810 - Near Eastern Archaeology
Credits: 3
Covers such periods of antiquity as the Bronze Age, Iron Age, Early Christian period, and Byzantine times. A study of ancient artifacts, architecture, and other mainly non-written materials.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ANEA 614 or equivalent.
Schedule Type: Lecture
College Code: SEM

ANEA 814 - Advanced Archaeology of Palestine
Credits: 3
An advanced study of the principles, methods, and results of the archaeological research in Palestine, with an emphasis on how they impact biblical studies.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

ANEA 815 - Advanced Archaeology of the New Testament Period
Credits: 3
An advanced study of the archaeological evidence that contributes to a better understanding of the political, religious, and cultural context in which the New Testament was written.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

ANEA 830 - Advanced Archaeological Field Work
Credits: 1–9
This course is an advanced field work course for doctoral students. It provides guidance and experience in supervising and directing archaeological field research.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): ANEA 630 - Archaeological Field Work
Corequisite(s): ANEA 630 or the permission of the instructor.
Schedule Type: Practicum
College Code: SEM

ANEA 840 - Advanced Research, Method and Theory in Archaeology
Credits: 3
An advanced course in research techniques and tools in the discipline of archaeology, distinctive concepts and selected topics in archaeological methodology and theory.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

ANEA 880 - Topics in Church History:
Credits: 1–3
Classroom setting research dealing with selected problems in the field of Church History.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics

ANEA 885 - Topics in:
Credits: 1–3
Classroom setting research dealing with selected topics in the field of Archaeology.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: SEM

ANEA 890 - Directed Reading in History and Archaeology Studies
Credits: 1–6
Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

ANEA 895 - Independent Study in:
Credits: 1–3
Research on an individual basis dealing with selected topics in the field of Archaeology and the History of Antiquity.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

ANEA 940 - Seminar in Advanced Archaeology and History of Antiquity
Credits: 3
Advanced study in the archaeology and historical discoveries and problems related to the Old Testament.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

OTST 500 - Survey of the Old Testament
Credits: 2,3
An introductory survey of the history, literature, and backgrounds of the Old Testament for students who have not had such a course on the college level.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

Credits: 2,3
An introduction to the languages and/or culture and history of the Middle East, this course is designed to provide a practical general background for students who plan to conduct work or research on or in selected Middle Eastern countries.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

OTST 520 - Introduction to Old Testament Theology
Credits: 2,3
OTST 545 - Daniel
Credits: 2,3
Exegetical study in selected portions of Daniel.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 552 or its equivalent.
Schedule Type: Lecture
College Code: SEM

OTST 546 - Studies in Daniel (English)
Credits: 2,3
This course covers selected chapters of Daniel based primarily on the English text with reference to the Hebrew/Aramaic original. Typically offered to students who have not yet taken OTST 551 or OTST 552. Not applicable for MDiv credit.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

OTST 551 - Biblical Hebrew I
Credits: 0,3
The fundamentals of biblical Hebrew: a small but practical vocabulary, an understanding of the grammatical structure of the language, and practice in the use of lexicons and commentaries. Aims to provide the minister with a practical study tool.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

OTST 552 - Biblical Hebrew II
Credits: 0,2,3
Development of reading ability in narrative portions of the Hebrew Bible for the student who has OTST 551 or its equivalent.
Course/Lab Fee: Yes
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

OTST 556 - Studies in Prophets (English)
Credits: 2,3
This course covers selected books of Prophets based primarily on the English text with reference to the Hebrew/Aramaic original. Typically offered to students who have not yet taken OTST 551 or OTST 552. Not applicable for MDiv credit.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

OTST 565 - Survey of the Pentateuch
Credits: 2,3
Interpretation of the Torah (Pentateuch) and exegetical study in selected portions of its books (Genesis, Exodus, Leviticus, Numbers, or Deuteronomy).
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Must have met the beginning Hebrew requirement or be enrolled in OTST 551.
Schedule Type: Lecture, Interactive Online
College Code: SEM

OTST 566 - Studies in the Pentateuch (English)
Credits: 2,3
This course covers selected books of the Pentateuch based primarily on the English text with reference to the Hebrew/Aramaic original. Typically offered to students who have not yet taken OTST 551 or OTST 552. Not applicable for MDiv credit.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

OTST 570 - Readings in the Old Testament (English)
Credits: 2,3
Covers selected books/passages of the Old Testament, based primarily on the English text with reference to the Hebrew/Aramaic original, normally offered off campus for the MA Min students and others who have not taken Hebrew. Not applicable for MDiv credit.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: SEM

OTST 604 - History of the Ancient Near East
Credits: 2,3
An introduction to the history of the Ancient Near East up to the time of Alexander the Great. Topics alternate between the history of Egypt and the history of Mesopotamia. Emphasis on the intersection with biblical history. Students may take each topic once.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

OTST 605 - Seminar in Old Testament History
Credits: 2,3
Individual research on specific problems for advanced students in Old Testament history.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 552 or its equivalent.
Schedule Type: Seminar
College Code: SEM

OTST 607 - Preaching from the Old Testament
Credits: 2,3
An advanced preaching course focusing on the analysis of the types of Old Testament literature and special themes found in selected passages. Identical to CHMN 607.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

OTST 610 - The Great Controversy, Covenant, Law, Sabbath
Credits: 2,3
An exegetical, historical, and theological survey of the themes of covenant, law, and the Sabbath in the Old Testament within the Great Controversy worldview.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 552 and NTST 552 or their equivalent.
Schedule Type: Lecture
College Code: SEM

OTST 612 - Ancient Near Eastern Languages
Credits: 3
Basic elements of grammar and syntax, with a practical vocabulary, for one of the following languages: Sumerian, Akkadian, Egyptian, Ugaritic, Hittite, Syriac, and Coptic. Language announced in advance.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 552 or NTST 552 or their equivalent.
Schedule Type: Lecture
College Code: SEM

OTST 614 - Archaeology of Palestine
Credits: 2,3
An introduction to the principles, methods, and results of archaeological research in Palestine, especially in how they impact biblical studies.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

OTST 615 - Seminar in Archaeology and History of Antiquity
Credits: 2,3
The archaeology and historical discoveries and problems related to the Old Testament.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 510 or OTST 514 or equivalent and OTST 614 or equivalent, or

603
OTST 619 - Theology of the Old Testament
Credits: 2,3
Distinctive theological concepts of selected books and major theological themes of the whole Old Testament from the perspective of Christian faith.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 552 or its equivalent.
Schedule Type: Lecture, Interactive Online
College Code: SEM

OTST 620 - Seminar in Old Testament Theology
Credits: 2,3
Selected aspects of Old Testament theology, such as the nature and function of Old Testament theology, the method of Old Testament theology, and the development of major theological themes.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 552 or its equivalent.
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

OTST 625 - Biblical Hebrew III
Credits: 3
The reading of substantial portions of various types of prose and poetry in the Hebrew Bible, with attention to matters of syntax.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Grade of B+ or higher in OTST 552 or a Hebrew Placement Exam score of 75% or higher.
Schedule Type: Lecture
College Code: SEM

OTST 626 - Seminar in Classical Jewish Literature
Credits: 2,3
Readings in classical religious texts of Judaism. Sources include liturgical, Hellenistic, Rabbinic, and Medieval texts. Identical to NTST 626.
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Required languages vary according to the subject matter.

Repeatable: Repeatable
Schedule Type: Lecture
College Code: SEM

OTST 660 - Readings in the Septuagint
Credits: 2,3
Reading of selected texts in the Septuagint and learning how to use the apparatus in the standard editions of the Septuagint.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): NTST 552 and OTST 552 or their equivalent.
Repeatable: Repeatable
Schedule Type: Lecture
College Code: SEM

OTST 664 - Pentateuch
Credits: 2,3
Exegetical study in selected portions of Genesis, Exodus, Leviticus, Numbers or Deuteronomy.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 552 or its equivalent.
Schedule Type: Lecture
College Code: SEM

OTST 666 - Historical Books
Credits: 2,3
Exegetical study in selected portions of Joshua, Judges, Ruth, Samuel, Kings, Chronicles, Ezra, Nehemiah or Esther.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 552 or its equivalent.
Schedule Type: Lecture
College Code: SEM

OTST 668 - Psalms/Wisdom Literature
Credits: 2,3
Exegetical study in selected portions of Job, Psalms, Proverbs, Qoheleth or Song of Songs.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 552 or its equivalent.
Schedule Type: Lecture
College Code: SEM

OTST 674 - Daniel
Credits: 2,3
Exegetical study in selected portions of Daniel.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 552 or its equivalent.
Recommended: Recommended OTST 654.
Schedule Type: Lecture, Interactive Online
College Code: SEM

OTST 675 - Minor Prophets
Credits: 2,3
Exegetical study in selected portions of the Book of the Twelve ("Minor Prophets"). Content announced in advance.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 552 or its equivalent.
Schedule Type: Lecture
College Code: SEM

OTST 680 - Seminar in Old Testament Exegesis
Credits: 2,3
Exegesis of selected passages in the Old Testament. Content announced in advance.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)

Prerequisite(s): At least one Hebrew exegesis course with a grade of an A.
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

OTST 685 - Principles of Hermeneutics
Credits: 2,3
An examination of hermeneutical presuppositions and formulation of sound principles of biblical interpretation with application to selected texts.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 552 or its equivalent.
Schedule Type: Lecture
College Code: SEM

OTST 686 - Major Prophets
Credits: 2,3
Exegetical study in selected portions of Isaiah, Jeremiah or Ezekiel.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 552 or its equivalent.
Schedule Type: Lecture
College Code: SEM

OTST 690 - Independent Study
Credits: 1–3
Individual research work on specific problems for students who have completed basic courses in Old Testament. See general guidelines under Independent Study Courses.

Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

OTST 695 - Directed Studies
Credits: 1–3
Course deals with selected themes. Can be used only by preapproval from the student's program director and the teacher.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

OTST 810 - Near Eastern Archaeology
Credits: 3
Covers such periods of antiquity as the Bronze Age, Iron Age, Early Christian period, and Byzantine times. A study of ancient artifacts, architecture, and other mainly non-written materials.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 552 or equivalent.
Schedule Type: Lecture
College Code: SEM

OTST 820 - Textual Criticism
Credits: 3
Detailed comparative textual examination of challenging Old Testament passages involving the ancient versions and Qumran, using both text editions and manuscripts.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): OTST 654, OTST 660, additional languages as needed. Admission by permission of instructor.
Schedule Type: Lecture
College Code: SEM

OTST 835 - Theology of the Hebrew Scriptures
Credits: 3
The theology of an individual book or block of books in 1 of the 3 divisions of the Hebrew canon: Torah (Pentateuch), Prophets, and Writings. Content announced in advance.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: SEM
OTST 845 - Methodology in Biblical Theology  
Credits: 3  
The development of biblical theology from the Reformation to the present with special attention to current methodologies.  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

OTST 854 - Biblical Aramaic  
Credits: 3  
Study of the essentials of grammar and syntax (with some reference to biblical Hebrew) coordinated with reading and analysis of a substantial part of the Aramaic portions of the Bible.  
Grade Mode: Normal (A-F,I,W)

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

PATH 546 - Marriage and Family
Credits: 2,3
Examination and development of pastoral tools for pre-marriage and marriage counseling. Includes study of theological, psychological, and sociological principles and applications for the life cycle of the family.

Course/Lab Fee: No
Course Attribute: Pastoral Care
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

PATH 548 - Religion and the Black Experience
Credits: 2,3
This course explores psychological and sociological foundations of the Black religious experience, emerging patterns of change, and a consideration of models and strategies for responding to that change.

Course/Lab Fee: No
Course Attribute: Pastoral Care
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

PATH 549 - Philosophy & Ethics of Chaplaincy
Credits: 3
This course provides an introduction to the role of the chaplain in healthcare philosophy and ethics. It aims at increasing familiarity with the concepts, theories, and distinctions of healthcare ethics as well as fostering moral decision-making and justification. The course addresses a wide variety of ethics topics in healthcare and in other institutional chaplaincy environments.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

PATH 552 - Foundations of Pastoral Ministry
Credits: 2
This course leads students to explore and reflect on the high calling of ministry, their own call, and the focus of their ministry. It engenders growth in the roles, tasks, and responsibilities of pastoral ministry.

Course/Lab Fee: No
Course Attribute: Church Leadership
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): Lab required.
Schedule Type: Lecture, Blended Learning
College Code: SEM

PATH 553 - The Church and Social Issues
Credits: 2,3
This course explores the biblical and theological foundations for the church’s moral and social engagement in the local community. It combines academic theory and praxis with a biblically-informed perspective on contemporary society, and equips students with the tools required for their responsible involvement in society as prophetic change agents.

Course/Lab Fee: No
Course Attribute: Pastoral Care
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

PATH 555 - Pastoral Counseling
Credits: 2,3
Introduction to the processes and function of counseling as practiced by the helping professions, particularly of the pastor actively engaged in ministry to a congregation. A weekly lab experience for skills practice is required.

Course/Lab Fee: No
Course Attribute: Pastoral Care
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning, Lecture/Lab
College Code: SEM

PATH 556 - Professional Development Practicum
Credits: 0-3
Provides the student an opportunity to engage in field activities that develop expertise in the NAD PastoralCore Qualities.

Course/Lab Fee: No
Course Attribute: Evangelism
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Schedule Type: Practicum
College Code: SEM

PATH 557 - Practicum in Clinical Pastoral Education (CPE)
Credits: 2-8
Professional education for pastoral and chaplaincy ministries with supervised clinical practicum and spiritual/theological reflections. CPE unit must be completed at an accredited and approved CPE center.

Course/Lab Fee: No
Course Attribute: Pastoral Care
Grade Mode: Satisfactory w/DG (S,U,J,W,DG)
Prerequisite(s): PATH 555.
Schedule Type: Practicum
College Code: SEM

PATH 560 - Advanced Ministerial Development
Credits: 2
Advanced Ministerial Development affords students a supervised ministry context in which they demonstrate their commitment to ministry, strengthen areas in which ministerial development is needed and enrich their lifelong ministry portfolio. The AMD contract is created in relationship with the student’s individual learning objectives, ministry plan and context.

Course/Lab Fee: No
Course Attribute: Evangelism
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Repeatable: Repeatable
Schedule Type: Practicum
College Code: SEM

PATH 562 - Field Evangelism
Credits: 3-6
This is a field school of evangelism under the direction of an approved evangelist, with an emphasis on evangelistic visitation, clearing of biblical teaching, and leading people to decision.

Course/Lab Fee: No
Course Attribute: Evangelism
Grade Mode: Normal with DG (A-F,I,W,DG,DN)
Prerequisite(s): 3 credits required for the MDiv program.
Repeatable: Repeatable
Schedule Type: Practicum
College Code: SEM

PATH 567 - Health & Lifestyle Transformation
Credits: 1
A study of the Adventist health message in its contemporary expression and application in pastoral work and outreach, and in the pastor’s personal life.

Course/Lab Fee: No
Course Attribute: Pastoral Care
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

PATH 575 - Principles of Stewardship
Credits: 2,3
Explores the foundations for stewardship as a Christian lifestyle and the principles
which are needed in a stewardship ministry for the local church.

Course/Lab Fee: No  
Course Attribute: Church Finance and Stewardship  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

PATH 578 - Voice and Hymn Singing  
Credits: 3  
Fundamental understanding of the voice as it relates to singing—includes breathing, tone quality, placement, and aspects of keeping the voice healthy. Seminary chorus participation required. Maximum 3 credits.

Course/Lab Fee: No  
Course Attribute: Sacred Music and Worship  
Grade Mode: Normal (A-F,I,W)  
Repeatable: Repeatable up to 3 credits  
Schedule Type: Music Organization  
College Code: SEM

PATH 585 - Cross-Cultural Communication  
Credits: 2,3  
A study of the impact of culture on communication and the ways cultures influence values and perceptions. Attention given to developing sensitivity when communicating with people of other cultures.

Course/Lab Fee: No  
Course Attribute: Sacred Music and Worship  
Grade Mode: Satisfactory (S,U,I,W)  
Repeatable: Repeatable up to 3 credits  
Schedule Type: Music Organization  
College Code: SEM

PATH 588 - Seminary Chorus  
Credits: 3  
Choral studies and participation as a demonstration of evangelistic and church music values. Membership open to the public by the consent of the instructor. Maximum 3 credits.

Course/Lab Fee: No  
Course Attribute: Sacred Music and Worship  
Grade Mode: Normal (A-F,I,W)  
Repeatable: Repeatable up to 3 credits  
Schedule Type: Music Organization  
College Code: SEM

PATH 590 - Ministry of Music  
Credits: 2,3  
Selected topics in music ministry include church-music praxicum: the administration and planning of a church music program, the creation of liturgies, working with choirs, conducting, leading congregational singing; hymnology: the study of the historical, theological, and musical background and development of the Christian hymn.

Course/Lab Fee: No  
Course Attribute: Sacred Music and Worship  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

PATH 600 - Preaching from the New Testament  
Credits: 2,3  
An advanced preaching course focusing on how to work with the various types of New Testament literature, including gospel narrative, parable, and epistle.

Course/Lab Fee: No  
Course Attribute: Preaching  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): PATH 505 Biblical Preaching  
Schedule Type: Lecture  
College Code: SEM

PATH 601 - Preaching Biblical Prophecies  
Credits: 2,3  
A specialized homiletics course taught in a lab setting, designed to inform the preaching of biblical prophecies with an emphasis on Daniel and Revelation. Focus will also be placed on examining and exegeting the passage and developing practical strategies, methods and competencies that result in innovative, motivational and evangelistic sermons from apocalyptic and prophetic books.

Course/Lab Fee: No  

Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): PATH 505 Biblical Preaching  
Schedule Type: Lecture  
College Code: SEM

PATH 602 - History of Christian Worship Music  
Credits: 2  
The understanding and appreciation of the development of Christian congregational singing and worship music repertoire, in their respective liturgical and theological contexts.

Course/Lab Fee: No  
Course Attribute: Sacred Music and Worship  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

PATH 603 - Evangelistic Preaching  
Credits: 2,3  
This course equips seminarians in the preparation of Christ-centered, Bible-based, doctrinally-sound sermons for lifestyle and event evangelism, to create Bible studies to obtain decisions for Christ, His teachings and Church and to partner with another participant for visitation of a worship service of other faiths for the experience.

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture/Lab  
College Code: SEM

PATH 604 - Mobilizing for Evangelistic Ministry  
Credits: 2,3  
Examination of how the equipping pastor mobilizes the church for evangelistic ministry. Different models of ministry approaches are reviewed within a strategic framework taking into account community needs and members' giftedness in creating a missional strategy. Builds on the foundation laid in the prerequisite course, CHMN539.

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

PATH 606 - Mission-Shaped Church Planting  
Credits: 2,3  
Develops an understanding of the significance of church planting for Adventist pastors and leaders. Through laying a mission-shaped theology, recognizing its role in Adventist history, exploring current models, and instilling passion, students will gain competency for both the planting and facilitating of new churches.

Course/Lab Fee: No  
Course Attribute: Evangelism  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM

PATH 607 - Preaching from the Old Testament  
Credits: 2,3  
An advanced preaching course focusing on the analysis of the various types of Old Testament literature and special themes found in selected passages. Identical to OTST 607.

Course/Lab Fee: No  
Course Attribute: Preaching  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): PATH 505 Biblical Preaching  
Schedule Type: Lecture  
College Code: SEM

PATH 609 - Media Ministry  
Credits: 2,3  
A dynamic interactive class that equips learners to prepare and produce audio/visual programs. Applies biblical and homiletical principles, uses media technologies, and develops strategies for branding and outreach. Includes involvement in audio-production for radio programming and production experience in various electronic communications ministries.

Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): PATH 505 Biblical Preaching
PATH 611 - Specialized Approaches to Evangelism  
Credits: 2,3  
A study of emerging evangelistic strategies such as, but not limited to, small group evangelism, urban ministry, youth and university evangelism, church planting, Natural Church Development, and community engagement evangelism.  
Course/Lab Fee: No  
Course Attribute: Evangelism  
Grade Mode: Normal (A-F,I,W)  
Repeatable: Repeatable  
Schedule Type: Lecture  
College Code: SEM  
PATH 612 - Urban Mission  
Credits: 2,3  
Explores the nature of cities, noting their history, development, and relationship to the mission of God and the church. Students are exposed to various ministries dealing with the hungry, homeless, battered, addicted, and the alienated. Identical to MSSN612.  
Course/Lab Fee: No  
Course Attribute: Evangelism  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM  
PATH 613 - Coaching for Mission  
Credits: 1,2  
Through laying a biblical foundation, understanding the uniqueness of coaching and practicing coaching skills, this course equips students to help others fulfill their God-given mission in a non-directive, Spirit-led way.  
Course/Lab Fee: No  
Course Attribute: Evangelism  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture/Lab  
College Code: SEM  
PATH 614 - Supervision in Ministry  
Credits: 2,3  
Training in the supervision of seminary students and ministerial interns in the practice of ministry. Emphasis on formation as well as education. Action-reflection methods utilized in instruction as models for supervision in person-to-person or small group settings.  
Course/Lab Fee: No  
Course Attribute: Evangelism  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM  
PATH 615 - Innovative Evangelism  
Credits: 2,3  
Seeks to stimulate new ideas for evangelizing population groups that may be difficult to reach with more traditional methods, as well as broadening the means by which people might be attracted to the gospel. This may involve a review of unique approaches that have been tried by others as well as the development of original plans by students.  
Course/Lab Fee: No  
Course Attribute: Evangelism  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM  
PATH 616 - Black Preaching  
Credits: 2,3  
An advanced preaching course which seeks to refine and further develop the preaching skills of those called to preach among African Americans. Includes a survey and analysis of great Black preachers.  
Course/Lab Fee: No  
Course Attribute: Preaching  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): PATH 505 Biblical Preaching  
Schedule Type: Lecture  
College Code: SEM  
PATH 617 - Sacred Music in the African-American Tradition  
Credits: 2,3  
An examination of the historical role of music in African-American worship, and of the distinctive contributions African-American sacred music has made to Christian worship.  
Course/Lab Fee: No  
Course Attribute: Sacred Music and Worship  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM  
PATH 618 - Leadership Development  
Credits: 2,3  
A study of leadership emergence, selection, and training in missionary churches with particular attention paid to strategic issues of various training models and the relationship between formal, informal, and non-formal leadership development. Identical to MSSN 630.  
Course/Lab Fee: No  
Course Attribute: Church Leadership  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM  
PATH 619 - Contextualized Preaching:___________________________  
Credits: 2,3  
The history and dynamics of preaching to a particular cultural group, such as African Americans, Hispanics, Youth, and Koreans, with an emphasis on the distinctive homiletical, rhetorical, and cultural qualities required for the effective proclamation of the Gospel to each group.  
Course/Lab Fee: No  
Course Attribute: Preaching  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): PATH 505 Biblical Preaching  
Schedule Type: Lecture  
College Code: SEM  
PATH 620 - Supervision in Ministry  
Credits: 2,3  
Training in the supervision of seminary students and ministerial interns in the practice of ministry. Emphasis on formation as well as education. Action-reflection methods utilized in instruction as models for supervision in person-to-person or small group settings.  
Course/Lab Fee: No  
Course Attribute: Evangelism  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM  
PATH 621 - Innovative Evangelism  
Credits: 2,3  
Seeks to stimulate new ideas for evangelizing population groups that may be difficult to reach with more traditional methods, as well as broadening the means by which people might be attracted to the gospel. This may involve a review of unique approaches that have been tried by others as well as the development of original plans by students.  
Course/Lab Fee: No  
Course Attribute: Evangelism  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM  
PATH 622 - Sacred Music in the African-American Tradition  
Credits: 2,3  
An examination of the historical role of music in African-American worship, and of the distinctive contributions African-American sacred music has made to Christian worship.  
Course/Lab Fee: No  
Course Attribute: Sacred Music and Worship  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM  
PATH 623 - Leadership Development  
Credits: 2,3  
A study of leadership emergence, selection, and training in missionary churches with particular attention paid to strategic issues of various training models and the relationship between formal, informal, and non-formal leadership development. Identical to MSSN 630.  
Course/Lab Fee: No  
Course Attribute: Church Leadership  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM  
PATH 624 - Contextualized Preaching:___________________________  
Credits: 2,3  
The history and dynamics of preaching to a particular cultural group, such as African Americans, Hispanics, Youth, and Koreans, with an emphasis on the distinctive homiletical, rhetorical, and cultural qualities required for the effective proclamation of the Gospel to each group.

Course Attribute: Preaching  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): PATH 505 Biblical Preaching  
Schedule Type: Lecture  
College Code: SEM  
PATH 632 - Supervision in Ministry  
Credits: 2,3  
Training in the supervision of seminary students and ministerial interns in the practice of ministry. Emphasis on formation as well as education. Action-reflection methods utilized in instruction as models for supervision in person-to-person or small group settings.  
Course/Lab Fee: No  
Course Attribute: Evangelism  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM  
PATH 633 - Innovative Evangelism  
Credits: 2,3  
Seeks to stimulate new ideas for evangelizing population groups that may be difficult to reach with more traditional methods, as well as broadening the means by which people might be attracted to the gospel. This may involve a review of unique approaches that have been tried by others as well as the development of original plans by students.  
Course/Lab Fee: No  
Course Attribute: Evangelism  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture  
College Code: SEM  
PATH 634 - Field Evangelistic Preaching & Practicum  
Credits: 2,3  
This course equips students to prepare Christ-centered, Bible-based, doctrinally sound sermons and Bible Studies for an evangelistic series to obtain decisions for Christ, His teachings and His church. The course will also help students with field preparation and organizational planning for evangelistic series and preaching event.  
Course/Lab Fee: No  
Grade Mode: Normal (A-F,I,W)  
Schedule Type: Lecture, Blended Learning  
College Code: SEM  
PATH 635 - Seminar in Preaching  
Credits: 2,3  
An advanced preaching course emphasizing such topics as homiletical theory, history of preaching, persuasion, current preaching trends and models, and experimental preaching techniques.  
Course/Lab Fee: No  
Course Attribute: Preaching  
Grade Mode: Normal (A-F,I,W)  
Prerequisite(s): PATH 505 Biblical Preaching or acceptance into Pastoral Ministry MAPM program  
Repeatable: Repeatable
PATH 638 - Seminar in Leadership
Credits: 2,3
Emphasizes from topics such as social psychology of leadership, theological foundations of leadership and pastoral care, management and leadership, leadership styles, conflict management, and church polity and finance.

Course/Lab Fee: No
Course Attribute: Church Leadership
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

PATH 640 - Seminar in Pastoral Counseling
Credits: 2,3
Application of principles and techniques to specific problem areas in pastoral care.

Course/Lab Fee: No
Course Attribute: Pastoral Care
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PATH 665 or its equivalent, or permission of instructor.
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

PATH 641 - Practicum in Military Chaplaincy
Credits: 2-8
Air Force, Army or Navy Chaplain School courses, such as the Chaplain Candidate Course or Basic Chaplain Course and subsequent Seminary-approved military chaplaincy training events.

Course/Lab Fee: No
Course Attribute: Pastoral Care
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable
Schedule Type: Practicum
College Code: SEM

PATH 643 - Trauma & Advanced Crisis Intervention
Credits: 2
This course is designed to enhance understanding of the nature and impact of a trauma. This course considers how traumatic experiences may influence the person’s life. Focus on the impact of trauma provides a foundation for assessment, crisis intervention, and ministry. Such ministry provides effective services reflecting the unique needs of the individual.

Course/Lab Fee: No
Course Attribute: Pastoral Care
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PATH 507 Introduction to Chaplaincy Ministry
Schedule Type: Lecture, Interactive Online
College Code: SEM

PATH 648 - The Chaplain as Institutional Leader
Credits: 3
This course explores the role of the chaplain as an institutional leader. It covers current theory and practice of Christian leadership, knowledge of skill sets regarding religion, spiritual concerns, and moral and ethical issues. Students develop, understand, and implement basic diplomatic skill sets that allow them to function as a Christian leader and advisor to superiors in their institutional setting.

Course/Lab Fee: No
Course Attribute: Normal (A-F,I,W)
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Prerequisite: PATH 543
Schedule Type: Lecture
College Code: SEM

PATH 654 - History and Theology in Adventist Worship
Credits: 2,3
A study of Adventist corporate worship in terms of the theological and historical issues that inform it. Principles for designing and leading Adventist worship are emphasized.

Course/Lab Fee: No
Course Attribute: Sacred Music and Worship
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

PATH 656 - Evangelistic Small Groups
Credits: 2,3
Examination of outward-focused small group models as a context for sharing the Adventist message. Students will develop competencies for creating Bible lessons that facilitate conversion, receiving practical instruction for initiating spiritual conversations, applying coaching skills, doing visitation and leading people to life transformation.

Course/Lab Fee: No
Course Attribute: Evangelism
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

PATH 660 - Field Practicum
Credits: 1-6
Practical training in a variety of field activities. An individual contract is developed between the student and a seminary faculty member that includes field supervision of that work, and the writing of a final product or report. Guidelines are available.

Course/Lab Fee: No
Course Attribute: Pastoral Care
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 6 credits
Schedule Type: Practicum
College Code: SEM

PATH 665 - Advanced Pastoral Counseling
Credits: 2,3
An intensive study of potential contributions of counseling to some of the more disturbing problems brought by members of a congregation to their pastors. Designed to enlarge the pastor’s acquaintance with the therapeutic approaches of various referral agencies.

Course/Lab Fee: No
Course Attribute: Pastoral Care
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PATH 555 or its equivalent, or permission of instructor.
Schedule Type: Lecture
College Code: SEM

PATH 669 - Advanced Holistic Small Groups
Credits: 2,3
Examines church planting with small groups and how a church transitions into becoming a church of small groups by using time-line management/story-boarding techniques. Explores the establishment of youth and college groups as well as the development of group coaches.

Course/Lab Fee: No
Course Attribute: Evangelism
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

PATH 683 - The Pastor, Church, and Civil Law
Credits: 3
An introduction to legal issues affecting the pastor and the church, including an overview of the history of religious liberty in America, as well as matters relating to church operations, employment, and minimizing exposure to legal liability.

Course/Lab Fee: No
Course Attribute: Pastoral Care
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

PATH 690 - Independent Study:
Credits: 1-3
See general guidelines under Academic Information.

Course/Lab Fee: No
Course Attribute: Normal (A-F,I,W)
Schedule Type: Independent
College Code: SEM

PATH 704 - Missional Church in Western Culture
Credits: 4
Investigates 21st century western culture and corresponding mission praxis. Includes theology of the church, theory, and practices in ministry. Prepared for
church leaders who desire to to gain an understanding of the implications of missional church in western culture. Includes an emphasis in contemporary worldviews.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
Term Offering: Spring
College Code: SEM

PATH 707 - The Church in Intergenerational Contexts
Credits: 4
Articulate a wholistic model that includes similarities and differences of individuals and groups in different age categories. Develop clarity in theological foundations for ecclesiology and missiology for those who join, are born into, and/or those who change. Systems thinking, transformation of organizational culture and human-development theory are also investigated.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
Term Offering: Fall
College Code: SEM

PATH 709 - The Changing Church
Credits: 4
Includes biblical theology of the church and ecclesiology. Why churches change, or resist change, theory and practices in managing change. Defining discipleship. Preparing church leaders who desire to gain an understanding of the implications of intergenerational congregations in secular cultures. Includes characteristics and worldviews of millennials.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
Term Offering: Spring
College Code: SEM

PATH 712 - Transformational Leadership
Credits: 4,5
Personal and theological reflection will be integrated with principles for leading change. Systems thinking, transformation of organizational culture and human-development theory are also investigated.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: SEM

PATH 713 - Transformational Leadership and Organic Systems Thinking
Credits: 5
Personal and theological reflection will be integrated with principles for leading change. Systems thinking, transformation of organizational culture, and human development theory are investigated in the context of missional leadership. The module also pursues further development and application of missional lifestyle modeling. Practical focus on incarnational mission skills is initiated.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

PATH 714 - Discipling Leaders for Mission
Credits: 5
Leaders transact vision through developing disciples according to the biblical model for an apostolic movement. Those whom missional servants lead become mature in Christ and thus a missional movement is multiplied. Coaching and mentoring skills are taught so that the leader can develop people toward maturity in Christ.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: SEM

PATH 721 - Communication Effectiveness and Media Distribution
Credits: 5
This advanced course applies cutting-edge communication practices leading to the implementation of business strategies to effectively generate sustainability and church growth.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: SEM

PATH 722 - Communication and Media Ministries Foundations
Credits: 4
This intensive intends to study the biblical foundations of communication for mission and ministry, and the historical development of Christian media organizational practices.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: SEM

PATH 723 - Theological & Social Science Foundations for ME/MC Mission & Ministry
Credits: 4
This module will focus on a systematic study of Old Testament and New Testament principles for multiethnic and multicultural mission and ministry. It will explore the history of immigration and changing demographic trends around the world, and address issues of cross-cultural communication. A sociological foundation for understanding the various ethnic and cultural groups that make up the rich American tapestry will be explored along with issues of racism, prejudice, and racial reconciliation.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: SEM

PATH 724 - Recovering the Life and Growth of the New Testament Church
Credits: 4
Examines the conditions behind the growth of the church in the New Testament, including leadership transformation, church unity, and the role of the Holy Spirit. Engages Scripture to draw principles and practices that lead to a similar experience in the contemporary church.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

PATH 731 - Essential Principles and Practices in ME/MC Mission and Ministry
Credits: 4,5
This module will examine best practices in multiethnic/multicultural mission and ministry. Special emphasis will be given to models of multiethnic/multicultural mission and ministry. The module will include site visits to successful multiethnic/multicultural churches and discussions with these top practitioners.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: SEM

PATH 732 - Media Development
Credits: 4
This course is an in-depth study of media development, from a leadership and management perspective, analyzing practices to effectively produce and distribute relevant and culturally sensitive content for mission and ministry.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: SEM

PATH 734 - Organizational Communication and Media
Credits: 4
This module explores communication theories and practices in an organizational religious environment, and analyzes the role and trends of mass media Christian production understanding the strengths, weaknesses, opportunities, and threats to share the gospel in effective ways.
PATH 739 - Advanced Clinical Pastoral Education
Credits: 2,3
Clinical experience in pastoral care and professional development. CPE training must be completed at an approved CPE location and during the ACPE's Certification Process (previously-done CPE units will not be accepted).

PATH 742 - Church Multiplication
Credits: 5
The Seventh-day Adventist church has defined itself as a movement. In order to be a movement, there must be momentum. This module will primarily focus on the multiplication of small groups/grow groups, house churches, and church plants. In order for these systems to multiply, there must be an intentional and continual discipling of new leaders. The goal is to experience exponential growth of God's kingdom.

PATH 743 - Prophetic Preaching in the Worship Context
Credits: 4
Participants will develop a biblically-based Adventist theology of prophetic preaching and worship. Use of scripture, communication theory, and cognitive psychology to connect with contemporary audiences, and diverse preaching expressions will be examined. Includes advanced work in the area of hermeneutics, exposition, contextualization, and sermon design.

PATH 744 - A History of Preaching
Credits: 4
This module explores the history of preaching, its process of personalities and trends. Participants investigate and define the beliefs, practices and identity of four preaching styles that have dominated preachers and schools of preaching. Includes a discussion of unusual and/or important contributions to preaching in the 20th–21st century.

PATH 745 - Rhetoric, Preaching, and the Call of Persuasion
Credits: 4
This module will equip participants to describe multiple techniques for persuading audiences, identify alternative rhetorical traditions that shape Christian ministry, formulate a “philosophy of rhetoric” to guide sermon preparation and ministry, and identify the rhetorical strengths and weaknesses of sermons.

PATH 747 - Christian Leadership
Credits: 4
This module investigates principles, challenges and practices of theologically-sound Christian leadership, emphasizing issues that make leadership in the context of church, education and non-profit service organizations unique. Participants examine leadership theory and literature, consider a theology of leadership and build the foundation for leadership development in the context of professional ministry.

PATH 748 - Preaching the Literary Forms of the Bible
Credits: 5
Examination of biblical literature, including historical narrative, NT epistles, and apocalyptic passages for preaching. The skill of storytelling and how stories are processed by the human mind. Reflection on the challenges and opportunities within epistolary and apocalyptic biblical texts. Includes rhetorical and oral performance techniques to bring the sermon to life.

PATH 751 - Relational Dynamics and the Intergenerational Church
Credits: 4
This module seeks to identify, practice, and incorporate relational skills to model and instruct church members of all ages. It will explore the relational dynamics the church provides for psychological identity in an ecclesiological institution. Special attention will be given to current issues such as the tension between the spiritual and religious, the conservative and progressive, the exclusive and inclusive, among others.

PATH 752 - Discipling Congregational Leaders
Credits: 5
Developing disciples according to the biblical model for an apostolic movement. Congregational leaders become mature in Christ and thus a mission oriented movement is multiplied. Includes cross-cultural leadership. Coaching and mentoring skills are taught so that the congregational leader can develop people who practice mature repentance and forgiveness in Christ.

PATH 753 - Building Systems and Leading Movements
Credits: 4
This course compares and contrasts systems thinking and movement thinking in the context of the formation, growth, and sending of the church. Viewed through an equipping leadership lens, diverse tools and approaches including strategic formation, mentoring and coaching, and spiritually-discerned disruption, enable students to develop their own integrative approach to systems and movements.

PATH 754 - Disciple-making and Evangelization in the 21st Century
Credits: 4
Starting with the biblical record, this course traces disciple-making and evangelism through the transcultural aspects of the gospel with implications for today's post-Christian, ethnically diverse, and multifaith context. Students will be challenged to contextualize their discipling and evangelization practices through exposure to a wide variety of contemporary examples and case studies.

PATH 760 - Advanced Leadership Competencies
Credits: 4,5
Participants continue personal and theological reflection with integration of leadership principles. Systems thinking, organizational culture, human
development theory and ecclesiology are investigated in the context of the church and leadership. The module also pursues further development and application of essential leadership practices. Practical focus on administrative skills is initiated.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): PATH 747
Schedule Type: Blended Learning
College Code: SEM

PATH 761 - Wholistic Healthcare Ministry
Credits: 4
Develops the whole-care person concept based on the Creation Life principles focusing on lifestyle preventive steps in order to achieve total health and wellness.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: SEM

PATH 762 - The Challenge of 2nd and 3rd Generations
Credits: 4
Explore cultural realities that challenge stability and growth for individuals and churches across generations. Identify steps for transmitting faith and motivating young people for mission, including how immigration, language, and culture play a vital role in this process.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
Term Offering: Fall
College Code: SEM

PATH 763 - Effective Strategic Growth
Credits: 4
Provides an overview of the latest and most effective methods for growing Adventist churches as a basis for developing an effective growth strategy. Engagement with a variety of best practices and practitioners will be provided to further guide the participant in the development of their methodology.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: SEM

PATH 767 - Organizational Leadership
Credits: 4
This course is created to examine the theories and research regarding organizational culture, design, and theories. Attention will be devoted to understanding the structural and cultural leverage points that allow leaders to create sustainable value and build highly-ethical, reliable, high-performing organizational leadership in a Christian context.

Lecture/Lab: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: SEM

PATH 768 - Church Growth and Discipleship in the Urban Church
Credits: 4,5
An examination of principles for expanding the kingdom of God in the urban context. The course aspires to help students develop and assess church growth and disciple-making strategies for the urban church from a biblical perspective. A study of effective historical and contemporary models is included.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: SEM

PATH 773 - Health Care Leadership
Credits: 5
Students pursuing a health care emphasis take this module instead of CHMN 786 in the fourth year. Prerequisite: three completed CPE units recognized and or validated by the Adventist Chaplaincy Institute. Examines chaplaincy leadership roles within an institutional setting. Conflict management, effective communication, decision-making skills, and team supervision are investigated using current leadership principles. Analyzes best practices to navigate complex medical institution governance and management operational systems. Participants will design a Pastoral Care Department with multiple pastoral care delivery systems.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Prerequisite(s): 3 completed CPE units recognized and or validated by the Adventist Chaplaincy Institute.
Schedule Type: Blended Learning
Term Offering: Spring
College Code: SEM

PATH 774 - The Church in the City
Credits: 4
This module is an in-depth study of key biblical, theological and contemporary insights into the church in the city. A compassionate vision for the city is fostered. Issues in urban life and corresponding systems are explored. It includes an emphasis on strategic planning that leads to economic and community development.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: SEM

PATH 775 - Foundations of Chaplaincy Ministry
Credits: 4
Examines theoretical and practical implications of biblical, theological and religious foundations for chaplaincy. Explores the history and development of chaplaincy as a pastoral calling, along with the role and function of chaplaincy in the church and community. Discusses ethics, professional practice, and the personal spiritual formation of the chaplain.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: SEM

PATH 776 - Urban Church Leadership and Management
Credits: 5
This module investigates principles, challenges and practices of Christian leadership in the urban context. It includes a theology of leadership, leading and managing specific ministries, how to engage in community organizing, working with the systems effecting life in the city, empowering people, managing change, and managing conflict effectively.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

PATH 777 - Church Growth and Discipleship in the Urban Church
Credits: 4,5
An examination of principles for expanding the kingdom of God in the urban context. The course aspires to help students develop and assess church growth and disciple-making strategies for the urban church from a biblical perspective. A study of effective historical and contemporary models is included.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: SEM

PATH 779 - Leading Growth
Credits: 4,5
Explores the role of leadership in the evangelistic ministry of the church. Includes vision, equipping and influence issues relative to the leader as a change agent and as a catalyst for turnaround churches and strategic church planting initiatives. Emphasizes contextualized peer coaching.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Blended Learning
College Code: SEM

PATH 780 - Leading and Managing the Church Organization
Credits: 5
Local churches and denominational organizations present challenges in leadership, management, and administration. This module combines previous requirements of the Doctor of Ministry leadership concentration and an informed foundation of biblical leadership to help participants excel in skills like strategic planning, managing change, team building, resource management, communication,
mentoring, and coaching.

**Course/Lab Fee:** No  
**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture, Blended Learning  
**College Code:** SEM

### PATH 781 - Advanced Administrative Practices

**Credits:** 5  
This unique leadership module is designed to help emerging women leaders achieve their goals and develop skills to navigate organizational politics, using persuasive methods to communicate as female negotiators, aligning capabilities with strategy, building confidence and credibility in networking to become effective leaders in peer mentoring sessions.

**Course/Lab Fee:** No  
**Grade Mode:** Normal (A-F, I, W)  
**Schedule Type:** Lecture, Blended Learning  
**College Code:** SEM

### PATH 782 - Gender and Leadership

**Credits:** 4  
This course reviews research from a variety of social science disciplines, gender studies, anthropology, political science plus the experience of men and women leaders to provide competencies and answer questions such as "Why have women not gained more access to powerful leadership positions in the church and world?'

**Course/Lab Fee:** No  
**Grade Mode:** Normal (A-F, I, W)  
**Schedule Type:** Lecture, Blended Learning  
**College Code:** SEM

### PATH 783 - Hearing and Responding to God Throughout Life

**Credits:** 5  
Address the life cycle perspective of God's call in the initial response and continuing relationship indicative of discipleship and renewal. Evaluate individuals, groups, and Adventist history in light of piety, mission, organizational structure, lifestyle, and worship.

**Course/Lab Fee:** No  
**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Blended Learning  
**Term Offering:** Fall  
**College Code:** SEM

### PATH 785 - Professional Formation in Chaplaincy Ministry

**Credits:** 5  
Examines leadership models relevant to chaplaincy. Investigates ethical issues in chaplaincy and the place of chaplaincy within the church and society. Provides opportunities to grow spiritually through processes such as biblical spirituality, devotional reading and journaling.

**Course/Lab Fee:** No  
**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture, Blended Learning  
**College Code:** SEM

### PATH 786 - Clinical Issues in Care and Counseling

**Credits:** 5  
Training in theory and clinical skills related to the clinical setting within the context of spiritual care. Provides education in the following specialty areas: psychological and spiritual assessment, grief recovery, trauma, conflict resolution, and specific disease processes such as HIV/AIDS, cancer, disability, and mental health issues.

**Course/Lab Fee:** No  
**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture  
**College Code:** SEM

### PATH 787 - Theory and Research in Chaplaincy

**Credits:** 4  
Examines current research on spirituality and health, as well as theological understanding of spiritual care within the clinical context. The theoretical framework is based on psychological, sociological, and theological literature. Enables participants to have a better understanding of the lived experience of the people to whom they minister.

**Course/Lab Fee:** No  
**Grade Mode:** Normal (A-F,I,W)  

### PATH 788 - Professional Practice in Chaplaincy

**Credits:** 4.5  
Explores various leadership roles and functions involved in chaplaincy. Includes professional conduct, leadership, ethics, interdisciplinary consultation and interdepartmental relations. Promotes the integration of the chaplain into institutional life. Teaches how to conduct workshops and organize support groups.

**Course/Lab Fee:** No  
**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture, Blended Learning  
**College Code:** SEM

### PATH 789 - The Missional Church

**Credits:** 5  
This module identifies and examines the characteristics of the missional church. Biblical faithfulness in discipleship and mission priority on the congregational level are further examined. Case studies of successful contemporary models for local church evangelism are explored.

**Course/Lab Fee:** No  
**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture, Blended Learning  
**College Code:** SEM

### PATH 885 - Topics in Christian Ministry

**Credits:** 1-3  
Classroom setting research dealing with selected problems in the field of Christian Ministry.

**Course/Lab Fee:** No  
**Grade Mode:** Normal (A-F,I,W)  
**Repeatable:** Repeatable  
**Schedule Type:** Lecture  
**College Code:** SEM

### PATH 890 - Directed Reading

**Credits:** 1-6  

**Course/Lab Fee:** No  
**Grade Mode:** Normal w S (A-F,I,S,U,W)  
**Repeatable:** Repeatable  
**Schedule Type:** Independent  
**College Code:** SEM

### PATH 897 - Independent Study:

**Credits:** 1-3  
Research on an individual basis dealing with selected problems in the field of Christian Ministry.

**Course/Lab Fee:** No  
**Grade Mode:** Normal (A-F,I,W)  
**Repeatable:** Repeatable  
**Schedule Type:** Independent  
**College Code:** SEM

### PATH 905 - Seminar in Theory and Praxis

**Credits:** 2,3  
The interfacing of theory and praxis and their informing each other from a variety of theological, philosophical, sociological, functional, and related aspects.

**Course/Lab Fee:** No  
**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture  
**College Code:** SEM

### PATH 940 - Seminar in:

**Credits:** 3  
Selected issues in Christian Ministry

**Course/Lab Fee:** No  
**Grade Mode:** Normal (A-F,I,W)  
**Repeatable:** Repeatable  
**Schedule Type:** Seminar  
**College Code:** SEM

---

**Course/Lab Fee:** No  
**Grade Mode:** Normal (A-F,I,W)  
**Schedule Type:** Lecture, Blended Learning

Theology & Christian Philosophy

THST 608 - The Great Controversy, Covenant, Law, Sabbath

Credits: 2,3

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 609 - The Works of God

Credits: 2,3
An in-depth study of such doctrines as creation, law and covenant, and Sabbath.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 610 - The Works of Christ

Credits: 2,3
An in-depth study of such doctrines as atonement, salvation, and righteousness by faith.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 611 - Revelation, Inspiration and Hermeneutics

Credits: 3
An interdisciplinary study of the process by which God communicates with human beings and of sound methods for interpreting and understanding the Scripture and applying its message.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

THST 612 - Doctrine of the Church

Credits: 2,3
The nature, attributes, marks, and government of the Christian Church. Its relation to Christ, to the Scriptures, and to the Holy Spirit. The ordinances and the ministry.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 613 - Doctrine of God

Credits: 2,3
A study of the nature and attributes of God and His relation to the world. Consideration of divine foreknowledge, predestination, and providence; the Trinity; God as person.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 614 - Doctrine of the Church

Credits: 2,3

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 615 - Doctrine of God

Credits: 2,3
A study of the nature and attributes of God and His relation to the world. Consideration of divine foreknowledge, predestination, and providence; the Trinity; God as person.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 616 - Doctrine of God

Credits: 2,3
A study of the nature and attributes of God and His relation to the world. Consideration of divine foreknowledge, predestination, and providence; the Trinity; God as person.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 617 - The Works of God

Credits: 2,3
An in-depth study of such doctrines as creation, law and covenant, and Sabbath.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 618 - The Works of Christ

Credits: 2,3
An in-depth study of such doctrines as atonement, salvation, and righteousness by faith.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 619 - Principles and Methods of Theology

Credits: 2,3

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 620 - Foundations of Philosophical Ethics

Credits: 3
The course focuses on key philosophical approaches to ethics by examining leading theorists from a distinctly biblical perspective. Possible figures of inquiry are Plato, Aristotle, the Stoics, Kant, Kierkegaard, Levinas, and others. The aim of the course is to familiarize the students with varieties of ethical discourse, as well as enable them to discern and engage current societal trends in their moral dimension.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 621 - Protestant Theological Heritage

Credits: 3

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 622 - Contemporary Adventist Theological Issues

Credits: 2,3
Study of contemporary theological issues and their impact on the message, life and mission of the Seventh-day Adventist Church. The content of the course may vary from year to year.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

THST 623 - Doctrine of God

Credits: 2,3
A study of the nature and attributes of God and His relation to the world. Consideration of divine foreknowledge, predestination, and providence; the Trinity; God as person.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 624 - Protestant Theological Heritage

Credits: 3

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM
THST 625 - Early Christian Theology
Credits: 2,3
Study of the doctrinal development of the Church from the close of the apostolic age to Augustine in such themes as heresy, ethics, salvation, authority, and ecclesiology.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 626 - Modern Christian Theology
Credits: 2,3
Study of the major doctrinal trends of the Church from the post-Reformation era to the Enlightenment. Particular attention is given to such themes as salvation, ecclesiology, and Scripture and Tradition.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 627 - Roman Catholic Life & Thought
Credits: 2,3
An introduction to Roman Catholic theology. Attention given to major doctrinal formulations, dogmas, and practices from the patristic period to the present in dialogue with Scripture.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 628 - Contemporary Theology
Credits: 2,3
Study of major trends in 19th- and 20th-century theology, including liberal and neo-orthodoxy, and such shapers of religious thought as Schleiermacher, Barth, and Bultmann viewed over the rise and development of Adventist theology.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

THST 629 - History and Theology of Ecumenism
Credits: 2,3
Study of the history, structures, and theological implications of the ecumenical movement; including evaluation and response from a Seventh-day Adventist perspective.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 630 - Doctrine of Christ
Credits: 2,3
Systematic and historical study of the unique person of Christ: His pre-existence, divinity, and incarnation. The incarnate relation of His divinity and humanity. The meaning and implications of His death.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 633 - Ethics and the Good Life
Credits: 2,3
The meaning of human flourishing. The nature of wisdom and its significance for moral existence. Comparing and contrasting accounts of the good life in Scriptures, selected wisdom traditions, and contemporary culture. Reflecting on key ethical concepts such as freedom, responsibility, authenticity, and virtue.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)

THST 634 - Christian Social Ethics
Credits: 2,3
An exploration of selected issues currently confronting the church, such as ethnic relations, the role of women, nationalism and liberation theology, poverty and hunger, and relations with civil governments.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 635 - Issues in Origins
Credits: 2,3
A study of current creation and evolutionary models regarding the origin, age, and change of the earth and its life. Specific topics include the historical development of these models; their biblical, philosophical, and scientific foundations; and theological implications.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

THST 636 - Biblical Eschatology
Credits: 2,3
Adventist approach to a Christ-centered interpretation of the end-time prophecies regarding the judgment, the second coming of Christ, the kingdom of God, and the millennium in the Old and New Testaments on the basis of biblical principles of interpretation.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 637 - Doctrine of the Holy Spirit
Credits: 2,3
The person and work of the Holy Spirit in the plan of redemption and the divine economy.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

THST 638 - Doctrine of Salvation
Credits: 2,3
A broad study of the Christine doctrine of Salvation: The author, object, need, agent, process, and result of salvation. Biblical, historical and systematic considerations are intrinsic to this course. While the Seventh-day Adventist understanding of this doctrine constitutes the central focus of the study, other views are also acknowledged.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

THST 639 - Christian Professional Ethics
Credits: 2,3
An inquiry into the field of professional relations, dilemmas, and decision making within the context of Christian ethics. Emphasis on the identity, activity, and influence (witness) of a Christian professional, primarily in the various aspects of pastoral ministry and other caring professions.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 640 - Theological Ethics
Credits: 2,3
Discussion and application of biblical teachings and normative models to decision making and standards of Christian behavior in the context of praxis of ministry.
Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM
THST 647 - Human Nature and Destiny
Credits: 2.3
Origin of humanity, the fall, and sin—its nature and effect. The nature of man, the doctrine of immortality. Man and woman as the image of God. Theological anthropology and contemporary issues.

Course/Lab Fee: No
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 649 - Seminar in Theological Issues:
Credits: 2.3
Study of issues such as Christology, anthropology, ecclesiology, contemporary theology, and Christian ethics. Available for PhD/ThD, MA, and select MDiv students.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

THST 656 - Seminar in Historical Theology:
Credits: 2.3
Development of theological tradition, movement, doctrine, or theme throughout the history of Judeo-Christian thought. Available for PhD/ThD, MA, and select MDiv students.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

THST 659 - Seminar in Philosophy, Theology, and Ethics:
Credits: 2.3
The interrelation between philosophical, theological, and ethical thought-forms and issues considered in the light of the biblical perspective. Available for PhD/ThD, MA, and select MDiv students.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

THST 660 - Church and Society
Credits: 2.3
Interdisciplinary analysis of the interrelatedness of church, its theology and task with the society as potential recipient of the Gospel; examination of structures and dynamics in church and society from biblical, theological, ethical, and sociological perspectives; formulation of a biblical world view vis-a-vis modern philosophies and ideologies.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

THST 667 - Postmodernism and the Church
Credits: 2.3
A critical study of the nature and ideological origins of the postmodern mind as it relates to both theology and the mission of the Seventh-day Adventist Church.

Course Attribute: Historical Theology
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 676 - History of Philosophy
Credits: 2.3
An overview of classical, medieval, modern, and contemporary philosophy: an introduction to key figures such as Plato, Aristotle, Augustine, Thomas Aquinas, Descartes, Hume, and Kant; and a survey of recent developments such as process, existentialist, and analytical philosophy. For advanced students.

Grade Mode: Normal (A-F,I,W)

THST 678 - Science and Religion
Credits: 2.3
The relation of scientific information and theory to Christian doctrines; theories of origin, geologic time, uniformity, and organic evolution as developed in the fields of historical geology and biology.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 690 - Independent Study:
Credits: 1–3
Restricted to advanced students. Selected problems in the field of theology. See general guidelines under Academic Information.

Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

THST 695 - Topics
Credits: 2.3
Course deals with selected themes. Can be used only by preapproval from the student's program director and the teacher.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: SEM

THST 809 - The Theology of Ellen G. White
Credits: 3
Analytical study of major theological themes in the writings of E. G. White and their influence on Adventist theology.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 814 - Seminar in Philosophy, Theology and Ethics:
Credits: 3
The interrelation between philosophical, theological and ethical thought-forms and issues considered in the light of the biblical perspective. Available for PhD/ThD, MA, and select MDiv students.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

THST 830 - Methods in Historical Theology
Credits: 3
An orientation of a theological tradition, movement, doctrine, or theme throughout the history of Judeo-Christian thought.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

THST 885 - Topics in __________
Credits: 1–3
Classroom setting research dealing with selected problems in the field of Theology.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
College Code: SEM

THST 890 - Directed Reading in Systematic Theology
Credits: 1–6
Grade Mode: Normal w S (A-F,I,S,U,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM
THST 895 - Directed Reading in Historical Theology
Credits: 1–6
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

THST 896 - Directed Reading in Christian Ethics
Credits: 1–6
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

THST 897 - Independent Study:
Credits: 1–3
Research on an individual basis dealing with selected problems in the field of Theology.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

THST 914 - Seminar in Philosophy, Theology and Ethics:
Credits: 3
The interrelation between philosophical, theological and ethical thought-forms and issues considered in the light of the biblical perspective. Available for PhD/ThD students.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

THST 935 - Seminar in Philosophical Theology:
Credits: 3
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

THST 940 - Seminar in Systematic Theology:
Credits: 3
Selected issues in systematic theology.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

THST 964 - Seminar in Historical Theology:
Credits: 3
Study of selected doctrinal and historical issues and systems.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

THST 966 - Seminar in Ethics:
Credits: 3
Selected issues in ethics from a Christian perspective.
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

World Mission

MSSN 505 - Christian Responses to Human Needs
Credits: 2,3
Explores biblical models, historical examples, and development paradigms for Christian involvement in incarnational ministries.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

MSSN 525 - Mission to the World
Credits: 2,3
A broad introduction to Christian world missions. Includes aspects of mission history, the theological foundations of mission, intercultural perspectives of mission service, contemporary theoretical thought about missions, and basic relationships to other faiths.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

MSSN 546 - Mission in Cultural and Religious Context
Credits: 3
Explores missiological principles with an emphasis on the cultural and religious context, and the development of cultural sensitivity and cross-cultural communication skills for Christian witness. Required of all MDiv students.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

MSSN 561 - Christian Witness and World Religions
Credits: 3
Study of the history, writings, beliefs and practices in world religions such as Islam, Hinduism and Buddhism and the development of effective strategies for Christian witness. Required of all MDiv students.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

MSSN 584 - Preparation for Cross-Cultural Workers
Credits: 2–4
An orientation for cross-cultural workers that aims to (1) create an awareness of the actual context of mission today; (2) prepare missionaries to meet this situation; and (3) shape attitudes that are indispensable for fruitful cross-cultural mission service.
Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Interactive Online
College Code: SEM

MSSN 610 - Theology of Mission
Credits: 3
The biblical foundation of mission, its essence, goals, motives, and the role of the church in mission.
Grade Mode: Normal (A-F,I,W)
MSSN 615 - Anthropology for Mission and Ministry
Credits: 2, 3
The fundamentals of culture, worldview, social structure, group organization, and social change studied as a basis for intercultural understanding and communication. Attention given to issues which constitute challenges and opportunities to cross-cultural workers.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture
College Code: SEM

MSSN 618 - Mission to the Cities
Credits: 3
Examines some of the most pressing elements and topics involved in urban mission: history and issues in urbanization, reasons for urban growth, understanding and navigating the urban context, biblical and theological foundations for urban mission, incarnational ministries, investigation of urban mission models, Ellen G. White and mission to the cities.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture
College Code: SEM

MSSN 620 - Missiological Exegesis
Credits: 3
Study of advanced missiological principles and their application.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture
College Code: SEM

MSSN 630 - Cross-Cultural Leadership Development
Credits: 2, 3
A study of leadership emergence, selection, and training in missionary churches with particular attention paid to strategic issues of various training models and the relationship between formal, informal, and non-formal leadership development. Identical to CHMN 630.

Grade Mode: Normal (A-F, I, W)
Prerequisite(s): MSSN 546 and MSSN 561
Schedule Type: Lecture
College Code: SEM

MSSN 635 - Contemporary Issues in Mission
Credits: 2, 3
Current issues in mission and the way they affect the church's outreach in the world.

Grade Mode: Normal (A-F, I, W)
Prerequisite(s): MSSN 546 and MSSN 561
Schedule Type: Lecture
College Code: SEM

MSSN 640 - Advanced Mission Studies
Credits: 3
Study of advanced missiological principles and their application.

Grade Mode: Normal (A-F, I, W)
Prerequisite(s): MSSN 546 and MSSN 561.
Schedule Type: Lecture
College Code: SEM

MSSN 650 - Introduction to a World Religion
Credits: 2, 3
An introduction to the history, beliefs, writings, personalities and current developments in religions such as Islam, Judaism, Hinduism and Buddhism.

Grade Mode: Normal (A-F, I, W)
Prerequisite(s): MSSN 546 and MSSN 561.
Schedule Type: Lecture
College Code: SEM

MSSN 652 - Biblical and Qur’anic Studies
Credits: 2, 3
The study of the Bible and the Qur’an and other Adventist and Muslim sources of faith such as the Spirit of Prophecy, the Hadith, and Islamic tafsir, with a view to leading a Muslim to faith in Islamic contexts.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture
College Code: SEM

MSSN 653 - Islamic Culture and Society
Credits: 3
The study of Islamic social systems and practices and their implications for mission. Topics include morals and ideals, family life, festivals, religious life and practice, shar'i'ah law, and female spirituality.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture
College Code: SEM

MSSN 660 - Witnessing to People of Another Religion
Credits: 2, 3
Development and evaluation of various forms of Christian witness among the peoples of other religions such as Muslims, Jews, Hindus, and Buddhists.

Grade Mode: Normal (A-F, I, W)
Prerequisite(s): Prerequisite for MDiv students: MSSN 546 and MSSN 561.
Schedule Type: Lecture
College Code: SEM

MSSN 665 - Strategies for World Mission
Credits: 2, 3
A concentrated study of mission theory and strategy, cultural perspectives of mission service, and basic principles of church growth.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture
College Code: SEM

MSSN 690 - Independent Study
Credits: 1–3
Individual research on a selected problem in the theory, history, or practice of mission. See general guidelines under Academic Information.

Grade Mode: Normal with S (A-F, I, S, U, W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

MSSN 695 - Topics
Credits: 1–3
On themes by preapproval from the student's program director and the teacher.

Grade Mode: Normal (A-F, I, W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: SEM

MSSN 731 - Cultural and Religious Analysis—I
Credits: 4
Using the tools of cultural, social, anthropological, and religious analysis, the specific context and challenges of mission will be analyzed and described in depth as a basis for ministry. The course content will be shaped to fit the local situation.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture, Blended Learning
College Code: SEM

MSSN 732 - Cultural and Religious Analysis—II
Credits: 4
Using the tools of cultural, social, anthropological, and religious analysis, the specific context and challenges of mission will be analyzed and described in depth as a basis for ministry. The course content will be shaped to fit the local situation.

Grade Mode: Normal (A-F, I, W)
Schedule Type: Lecture, Blended Learning
College Code: SEM

620
MSSN 741 - Mission Strategy Development
Credits: 4
Study of contemporary strategies of mission as a framework and foundation for the development and practice of a ministry plan within specific contexts. The role of leadership in this process is highlighted.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MSSN 731, MSSN 732.
Schedule Type: Lecture, Blended Learning
College Code: SEM

MSSN 742 - Mission Strategy Development
Credits: 4
Study of contemporary strategies of mission as a framework and foundation for the development and practice of a ministry plan within specific contexts. The role of leadership in this process is highlighted.

Grade Mode: Normal (A-F,I,W)
Prerequisite(s): MSSN 731, MSSN 732.
Schedule Type: Lecture, Blended Learning
College Code: SEM

MSSN 795 - Topics in __________ (Emphasis)
Credits: 1–4
Topics courses that address specific areas of knowledge, skills, and research needed for an advanced professional in mission in the cohort’s specific concentration. Topics will include foundational concepts needed for the cohort’s concentration, such as historical and contemporary mission, cultural studies, and worldviews. Research applicable to the people group or mission concentration will be included.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable with different topics
Schedule Type: Lecture
College Code: SEM

MSSN 805 - Current Issues in Mission
Credits: 3,4
A study of contemporary issues in mission and the way they affect the church's outreach in the world.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

MSSN 806 - Biblical, Theological, & Spiritual Foundations of Mission
Credits: 5,6
A foundational course that seeks to deepen self-understanding of the attributes one brings to mission and strengthen the biblical spirituality essential for mission. The biblical and theological foundations of mission are explored, including the theology of culture and religion.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

MSSN 810 - Seminar in __________ (Emphasis)
Credits: 1–6
This seminar will address specific issues beyond the core mission courses that are appropriate to the cohort concentration, allowing students to apply biblical theology and missiological concepts to issues in mission from their context. Research applicable to the people group or mission concentration will be included.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

MSSN 820 - The Church and Social Issues
Credits: 3
This course not only looks at social issues but also helps students learn the skills needed to investigate, understand, and develop a Christian response to a particular social issue.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: SEM

MSSN 826 - Seminar in Theology of Mission
Credits: 3
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

MSSN 827 - Seminar in History of Mission
Credits: 3
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

MSSN 828 - Seminar in Social Sciences and Mission
Credits: 3
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

MSSN 829 - Seminar in Other Religions
Credits: 3,4
This seminar will address specific issues beyond the core mission courses that are appropriate to the cohort concentration, allowing students to apply biblical theology and missiological concepts to issues in mission from their context. Research applicable to the people group or mission concentration will be included.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

MSSN 830 - Seminar in Strategies and Development in Mission
Credits: 3
Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Seminar
College Code: SEM

MSSN 834 - Mission Strategy and Leadership
Credits: 3
This course explores biblical and theological principles of Christian leadership, organizational theory, and systems thinking with a particular focus on mission leadership. Additionally, the course emphasizes the character formation of the Christian leader and the interplay between mission, leadership, context, and strategy development. The course seeks to develop non-profit leadership competencies, an understanding of Christian mission leadership in a pluralistic and multi-cultural world, as well as some important administrative skills one needs to lead effectively.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: SEM

MSSN 835 - Urban Contexts for Mission and Ministry
Credits: 3,4
Explores urban dynamics tracing the development of urban anthropology in assisting students on how to exegete and relate to urban contexts. Provides the tools to develop a theological framework and mission strategy to reach particular urban cultures or subgroups.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: SEM

MSSN 837 - History of Mission
Credits: 3
A missiological study of the history of the church worldwide and the application of the insights which emerge to present strategies of mission. The course focuses on the dynamics of the expansion of the Christian movement, with special attention to the means of renewal, structures of mission, and the relationship between the two.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: SEM
MSSN 838 - Mission & the Social Sciences

Credits: 3–5
A social science course that provides a prism through which those involved in the study and practice of mission can see and understand people and their worldviews in a more comprehensive and integrated manner.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: SEM

MSSN 840 - Research Methods in Mission and Ministry

Credits: 2,3
Research methods and procedures as applied to the field of mission and ministry with an emphasis on field-based qualitative research, participant observation and ethnographic interviews.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: SEM

MSSN 854 - Research Design in Mission

Credits: 3
Advanced missiological research methods with preparation of a tentative proposal for a field research dissertation.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture
College Code: SEM

MSSN 857 - Discipleship & Worldview Transformation

Credits: 3,4
A course that explores the interaction of context, methodology, attitude, and approach in fostering a biblically-based Christian worldview. Discipling strategies and missionary methods responsive to cultural, religious, and socio-historical contexts will be studied and applications developed for specific groups.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: SEM

MSSN 860 - Mission Education & Training

Credits: 3,4
A survey of educational approaches and training methodologies for teaching mission and missionaries. Adult education and discovery learning models will be practiced and critiqued.

Grade Mode: Normal (A-F,I,W)
Schedule Type: Lecture, Blended Learning
College Code: SEM

MSSN 885 - Topics in:

Credits: 1–3
Classroom setting research dealing with selected problems in the field of missiology.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Lecture
Term Offering: Fall, Spring, Summer
College Code: SEM

MSSN 888 - Doctor of Missiology Dissertation Continuation

Credits: 0
Doctor of Missiology Dissertation Continuation. This course qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course Attribute: Full-time status
Grade Mode: Satisfactory w/o 'I' (S,U,I,W)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: SEM

MSSN 890 - Directed Reading in Mission Studies

Credits: 2–12
Grade Mode: Satisfactory (S,U,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

MSSN 897 - Independent Study:

Credits: 1–3
Research on an individual basis dealing with selected problems in the field of missiology.

Grade Mode: Normal (A-F,I,W)
Repeatable: Repeatable
Schedule Type: Independent
College Code: SEM

MSSN 899 - Doctor of Missiology Dissertation

Credits: 1–6
Doctor of Missiology Dissertation qualifies for full-time status, requiring a minimum of 480 hours of work per semester of registration.

Course Attribute: Full-time status
Grade Mode: Satisfactory w/DG (S,U,I,W,DG)
Repeatable: Repeatable up to 6 credits
Schedule Type: Independent
College Code: SEM

2012—13— Fernando L. Canale (Religion & Theology), Winston J. Craig (Professional Programs), Tevni E. Grajales Guerra (Arts, Humanities & Education), Øystein S. Lønstad (Pure & Applied Sciences)

2013—14— Gary W. Burdick (Pure & Applied Sciences), Gregory J. Constantine (Arts, Humanities & Education), Roy E. Gane (Religion & Theology), Marcia A. Kilsby (Professional Programs)

2014—15— James L. Hayward (Pure & Applied Sciences), Wagner Kuhn (Religion & Theology), Carla L. Trynchuk (Arts, Humanities & Education), Andrew C. von Maur (Professional Programs)

2015—16— Karl G.D. Bailey (Pure & Applied Sciences), Richard Choi (Religion & Theology), Annetta Gibson (Professional Programs), Stephen Zork (Arts, Humanities & Education)

2016—17— Tiffany Summerscales (Pure & Applied Sciences), Denis Fortin (Religion and Theology), Kathleen Densky (Professional Programs), Herb Helm (Arts, Humanities and Education)

2017—18— Stanley E. Patterson (Religion and Theology), Charles Reid (Arts, Humanities and Education)

2018—19— John Peckham (Religion and Theology), Harvey Burnett (Arts, Humanities and Education)

2019—2020— S. Joseph Kidder (Religion and Theology), Gustavo Gregorutti (Arts, Humanities and Education)

Faculty

FACULTY FROM AFFILIATED SCHOOLS

Undergraduate

Hong Kong Adventist College

Barbara Kit-Chun Choi, DPh - Chair of Health, Professor of Health & Fitness

Daniel Gim-Teng Chua, PhD - Dean of Students, Associate Professor of Religion

Gladyse Decker - Instructor of English

Jonathan Funkhouser - Instructor of English

Qi Rui Rachel He - Instructor of Accounting

Wing Yin Barry Ki - Instructor of Fitness

Charles Kwok - Instructor of Mathematics

Chun Woon Ong - Instructor of Photography

Sam Sham - Instructor of Mathematics

Priscilla Chung-Chi Wong, MA - Assistant Professor of Psychology & History

Steven Wong - Instructor of Mathematics and Physics

Henry Yang, MBA - Assistant Professor of Business

Siu Ting Matthew Yip - Instructor of Mathematics

Chii Hong-Yu - Instructor of Accounting

Newbold College-Bracknell, Berkshire, England

Eliamani Andrews - Lecturer in Anthropology

Robin Anthony, MFL - Lecturer in English, History & Media Arts

Sydney Gibbons - Lecturer in Religion

Rhamie Gifford - Lecturer in Pastoral Studies

Kart Lazic - Lecturer in English

Aulikki Nakhola - DPhil - Principal Lecturer in Old Testament

Bjorn Ottesen - Lecturer in Religion

Sandra Rigby-Barrett, PhD - University Year Team Leader and Senior Lecturer in Music

Middle East University. Beirut, Lebanon

Aecio Cairs - Instructor in Religion

Farid Najm El Khoury - Instructor in History

Dib Raja Farah - Instructor in Religion

Victor Figueroa - Instructor in Religion

Christopher Mark Hynum - Instructor in Biology

George Jackson - Instructor in Biology

Larry Lichtenwalter - President and Instructor in Religion

Daniel Nae - Instructor in Religion

Denis Sand - Instructor in Religion

Hadia Sifer - Instructor in English

Shawna Vyhimeister - Instructor in English and Education

College of Arts & Sciences

Emeriti Faculty and Research Title

Sallie J. Alger, MS - Associate Professor of Library Science, Emerita

Luanne J. Bauer, PhD - Professor of Communication, Emerita

Stanley Beikmann, BS - Assistant Professor of Horticulture, Emeritus

Thomas N. Chittick, EdD - Professor of Agriculture, Emeritus

William Chobatar, PhD - Professor of Biology, Emeritus

Gregory J. Constantine, MFA - Research Professor of Art, Emeritus

Wilma S. Darby, MSW - Associate Professor of Social Work, Emerita

Delmer I. Davis, PhD - Professor of English, Emeritus

Lilliane Doukhan, PhD - Professor of Music, Emerita

Carlos Flores, PhD - Professor of Music, Emeritus

Dwain L. Ford, PhD - Professor of Chemistry, Emeritus

Kenneth L. Franz, MA - Associate Professor of Developmental and General Mathematics, Emeritus

F. Estella Greig, PhD - Professor of English, Emerita

A. Josef Greig, PhD - Professor of Philosophy, Emeritus

Theodore R. Hatcher, PhD - Professor of Mathematics, Emeritus

James L. Hayward, PhD - Research Professor of Biology, Emeritus

Glenn E. Johnson, MEngSc - Associate Professor of Engineering Technology, Emeritus

Douglas A. Jones, PhD, - Professor of English, Emeritus

Robert E. Kingman, PhD - Professor of Physics, Emeritus

Wolfgang F. P. Kunze, PhD - Professor of German, Emeritus

Harold H. Lang, PhD - Professor of Engineering, Emeritus

Robert R. Ludeman, PhD - Professor of Engineering Technology, Emeritus

Linda Mack - Associate Professor of Library Science, Emerita

Lionel N. A. Matthews, PhD - Professor of Sociology, Emeritus

Robert C. Moore, EdD - Professor of Mathematics, Emeritus

Susan E. Murray - Professor of Psychology, Emerita

G. William Mutch, PhD - Professor of Chemistry, Emeritus
Regular Faculty

Figures at the right margin below indicate beginning date of employment.

Lisa A. Ahlberg, Associate Professor of Chemistry - 2011
BS, Andrews University;
PhD, University of California, Davis
Sonia R. Badenas, Assistant Professor of French - 2008
BA, University of Geneva, Switzerland;
MA, University of Geneva, Switzerland;
MA, University of Grenoble, France
Karl G. D. Bailey, Professor of Psychology - 2004
BSc, Andrews University;
MA, Michigan State University
PhD, Michigan State University
Alina Baltazar, Associate Professor of Social Work - 2013
BA, Andrews University;
MA, University of Michigan;
PhD, Michigan State University
Anthony Bosman, Assistant Professor of Mathematics - 2017
BS, Rice University;
MS, Rice University;
PhD, Rice University
Wayne Buckhanan, Associate Professor of Engineering - 2017
BS, Andrews University;
MSEE, The University of Notre Dame;
PhD, The University of Notre Dame
Gary W. Burdick, Professor of Physics - 1999
BS, Southern Adventist University;
PhD, The University of Texas at Austin
Harvey Burnett, Professor of Psychology - 2010
BA, University of Michigan;
MDiv, Andrews University;
PhD, Andrews University
T. Lynn Caldwell, Associate Professor of Public Relations - 1985-1995, 2017
BS, Andrews University;
MA, Western Michigan University;
PhD, Virginia Polytechnic Institute and State University (in progress)
Stephanie Carpenter, Professor of History and Political Science - 2014
BA, University of Vermont;
MA, Iowa State University;
PhD, Iowa State University
Bruce A. Closser, Associate Professor of English - 1978
BA, Southern Adventist University;
MA, Andrews University;
PhD, University of Pennsylvania
Krista Cooper, Assistant Professor of Social Work - 2012
BA, Oakwood College;
MSW, University of Michigan;
PhD, University of Alabama
Vanessa Corredera, Associate Professor of English - 2012
BA, Andrews University;
MA, Northwestern University;
PhD, Northwestern University
Heather Day, Associate Professor of Communication - 2017
BA, Andrews University;
MA, Andrews University
Desiree E. Davis, Associate Professor of Social Work - 2011
BSW, Oakwood University;
MSW, Ohio State University
D. Ivan Davis, Associate Professor of English - 1997
BA, Atlantic Union College;
BS, Atlantic Union College;
MA, Andrews University;
PhD, Ball State University
Kathleen M. Demsky, Associate Professor of Library Science - 1995
BA, Indiana University at Bloomington;
MLS, Indiana University at Bloomington
(Holds joint appointment in School of Architecture & Interior Design)
Daniel J. Drazen, Assistant Professor of Library Science - 1992
BA, Andrews University;
MA, Andrews University;
MLS, Rosary College
Dawn I. Dulhunty, Assistant Professor of International Development - 2001
BN, Monash University, Melbourne;
MSA, Andrews University
Stefanie P. Elkins, Associate Professor of Art History - 2005
BA, Andrews University;
MA, Georgia State University;
PHD, Andrews University (in progress)
James B. Ford, Associate Professor of Library Science - 1991
BA, Andrews University;
MLS, University of Maryland;
MA, University of Maryland
Kari A. Friestad, Assistant Professor of Art - 2011
BFA Visual Art, Andrews University;
MFA Painting, Kendall College of Art & Design
Erhard Gallos, Assistant Professor of Religion - 2008
BA, Schulzentrum Marienhoehe, Darmstadt, Germany;
MA, Newbold College
John T. Gavin, Associate Professor of Social Work - 2004
BSW, Walla Walla University;
MSW, Catholic University of America
Associate Director of Social Work Program for our Washington Adventist University Off-Campus Site
Claudio M. Gonzalez, Professor of Music - 2004
DMA, Michigan State University;
MMP, Michigan State University;
ARCH, The Royal College of Music, London
Daniel Gonzalez, Associate Professor of Biology - 2013
BS, Andrews University;
MS Loma Linda University;
PhD, Duke University
H. Thomas Goodwin, Professor of Paleobiology - 1994
BA, Southern Adventist University;
MA, Loma Linda University;
PhD, University of Kansas
Byron Graves, Assistant Professor of Music - 2017
BA, Andrews University;
MMus, Central Michigan University;
DMA, Boston University (in progress)
Meredith Jones Gray, Professor of English - 1982
BA, Andrews University;
MA, Andrews University;
PhD, University of Michigan
Gary R. Gray, Assistant Professor of English - 1990
BA, Atlantic Union College;
MDiv, Andrews University;
MA, University of Massachusetts, Boston
Norma Greenidge, Assistant Professor of Library Science - 2012
PhD, Andrews University
Ryan Hayes, Professor of Chemistry - 2009
BS, Andrews University;
MS, Northwestern University;
MDiv, Northwestern University
Herbert W. Helm, Jr., Professor of Psychology - 1987
BS, Walla Walla University;
MIS, Andrews University;
MLS, Indiana University
Cynthia M. Helms, Associate Professor of Library Science - 1987
BS, Philippine Union College;
MLS, University of the Philippines
Shandelle M. Henson, Professor of Mathematics - 2001
BS, Southern Adventist University;
MA, Duke University;
PhD, University of Tennessee
